

REPORT OF THE ASSOCIATE MINISTER TO THE FOURTH QUARTERLY
CONFERENCE, DUKE MEMORIAL METHODIST CHURCH, JUNE 5, 1962

This year at Duke Memorial Methodist Church for the Associate minister has been an eventful one. Not only have old acquaintances been renewed, but many new friends made. The Associate Minister will cherish this year not only for the acquaintances, but for the accomplishments of the Church, for which he in some small measure feels responsibility. These accomplishments are due to the devotion and loyalty of the many fine lay people with whom a very pleasant relationship has existed, and also in part to their willingness and cooperation in the work done.

The Associate Minister would like to take this opportunity to thank all the many fine workers and leaders who have so patiently and kindly helped in the work this year, and also for the many fine expressions of love extended to him and his family.

Associate Minister's Report Continued.

In reviewing the work of the past year, we come to see more clearly the work of the year ahead. Special emphasis upon these aspects of the program for next year will be the work of the Associate Minister, along with the on-going program of Duke Memorial Methodist Church. These special emphases will be in the areas of:

Leadership education, both in recruitment and training of leaders for the various positions in the Church School program.

Expanding our program to include more people in the on-going activities of the Church, such as through hobby clubs, older adult activities.

Special attention to be given to getting more people active in the regular program.

More visitation among the membership and prospective members.

Again let me take this opportunity to thank the people of Duke Memorial Methodist Church for the fine way in which they have responded to the work to be done, and to say that we look forward to another year of even greater accomplishments for God and his Kingdom.
