6. What are your current plans for increasing church school attendance in Sunday school, Sunday Evening Fellowship, and weekday activities? Renew our efforts today and tomorrow to reach new people. Reach those who do not attend regularly by visits, telephone calls by teachers, officers and Division Superintendents. A search the rolls for new members was conducted this year. A record is kept of the results. The Comm. on Ed is working with the Comm. on Membership and Evang. for new prospect members. A meeting was held to search the Church Rolls for new members. The committee met on two Saturday mornings and was well attended by representatives of all classes. It is recommended this be done each year.
