

REPORT ON SCHOLARSHIPS

Church Duke Memorial
Charge " "
District Durham.
Pastor Eric Carson.

[In 1988, Annual Conference passed the following recommendation: "that each local church consider providing scholarship aid for students attending conference colleges (with special attention given to ethnic minority persons) and report to the 1989 Charge Conference those scholarships available by and through the local church. To be implemented by the Council on Ministries/Administrative Council."]

What scholarships does your local church make available?

The Scholarship Fund enables the church to provide grants-in-aid and/or loans to enable a college member of the church, or a ministerial or pre-missionary student associated with the church to continue his/her education.

Who is eligible for these scholarships?

Preference is given to Duke Memorial members who are preparing for full-time Christian vocations

Would it be appropriate to include any of these scholarships on a conference-wide list of available resources? If so, please give data.

No. At the present time the scholarships are for members or in some cases those who affiliate or associate members.
