

ADVANCE GIVING WORKSHEET FOR 1993

The Chairperson of the Missions/Outreach Work Area (and Committee, if any) should complete this form in consultation with the Pastor and make a recommendation to the Administrative Board or Council for adoption. For each Church on the Charge, COMPLETE TWO COPIES FOR THE DISTRICT SUPERINTENDENT AND ONE COPY FOR YOUR CHARGE CONFERENCE RECORDS.

It has been recommended by the Annual Conference that each Church consider becoming a "Rainbow Covenant Church," by contributing to one or more projects in each lane of the Advance, World, Missionary Salary Support, National, UMCOR, and Conference. Recommended projects and missionaries assigned to our Conference are listed in the 1992 Journal as a Policy Recommendation from the Board of Missions (part of the Conference Council on Ministries Report) and in the Rainbow Covenant Brochure. Please list below those projects and missionaries which your church plans to support in 1993.
