

YOUTH

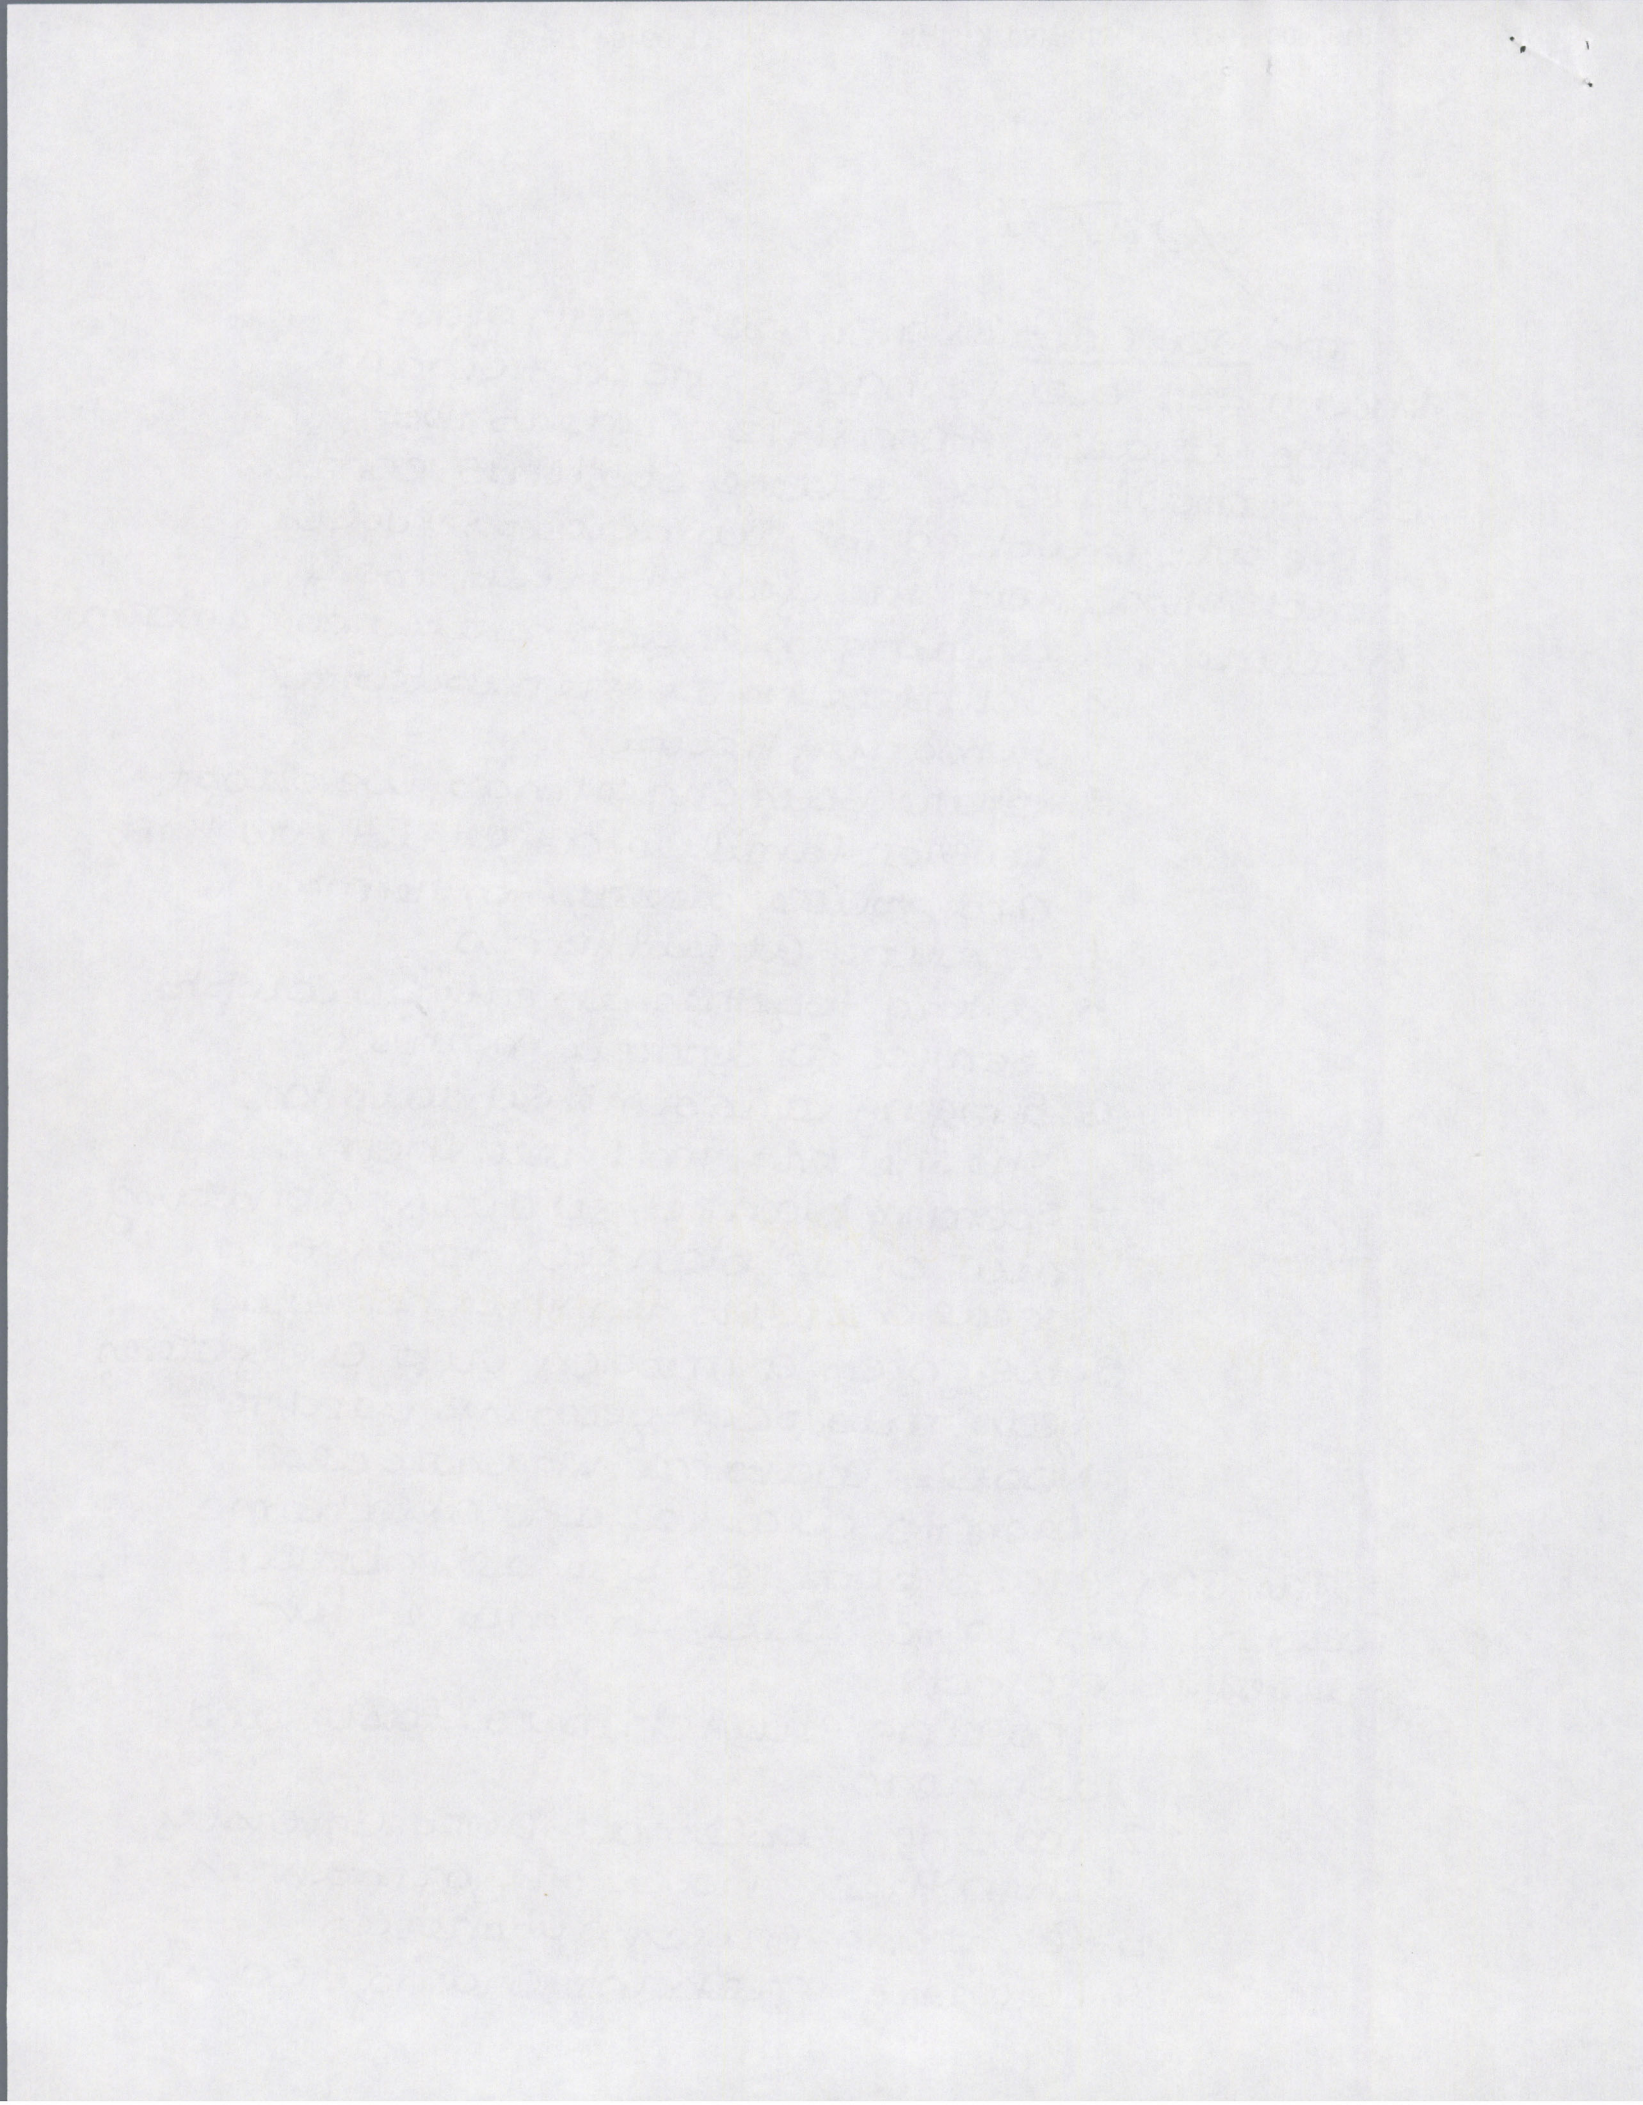

The Joy Class is a church youth group that meets every Sunday. Its participants range usually from 9-12 graders, but occasionally some college students come.

We are involved in numerous service projects throughout the year which may include:

1. ushering in church services once a month
2. volunteering at the Habitat for Humanity house
3. Share your Christmas; we adopt several families at Christmas time and provide presents for them.
4. Caroling at Rest Homes
5. putting together an entire worship service for Sunday morning
6. Bringing cans some Sundays for the shelters that need them.
7. Sponsoring blanket Sundays; donating new or old blankets to give to local charities for the homeless
8. We go on a mission trip every other year. This past year we went to Mobile, Alabama. We have also been to Alaska and Oklahoma.

The Joy Class puts on several money raising events to raise the money for the service projects.

1. making church breakfasts and dinners
2. waiting tables at Duke University when they have megormances.
3. painting church nurseries
4. Clearing brush in Orange County

We also do various things for fellowship:

1. Ski trip in the winter
2. Beach Retreat in the summer
3. Christmas party
4. Other get togethers such as pool parties, lake trips and lock-ins.

As you can see we are a very active part of our church community. We have fun as a group and there is a lot of spiritual growth which we try to learn to apply to our Christian life for daily living.

Our annual conference
representative: Allen Browning

* RECEIVE STOPPED *

A lady came to the front door & asked me to give him to Robert,
but I don't see him.

Nov 13
