

(side 2)

IMPORTANT INFORMATION ABOUT YOUR PERSONAL INVESTMENT PLAN:

The pastor must deal directly with the General Board of Pension and Health Benefits regarding the Personal Investment Plan (PIP). *The Conference Office DOES NOT enter this information or send it to Evanston.*

The following is **for your information** and for a guide to help you let your treasurer know how much to withhold from your salary to be sent to the General Board.

PERSONAL INVESTMENT PLAN:

(Although the Conference Board of Pensions recommends a minimum contribution of 3% of Plan Compensation, an individual may choose another percentage. There are maximum limits. For help in calculating these limits, contact the General Board of Pension and Health Benefits at 1-800-851-2201.)

■ Before Tax Contribution 3 % of Plan Compensation (Line 4) = \$ 1,151.76

■ After Tax Contribution _____ % of Plan Compensation (Line 4) = \$ _____

Your treasurer should send 1/12 of the amount of your contribution to PIP each month. DO NOT send anything until you have received a bill from Evanston!

{If the participant wants to enroll in one or both parts of the Personal Investment Plan (before tax and/or after tax) he or she needs to have an agreement form (to be kept by the participant and the church treasurer) and a billing request form to be sent to the General Board of Pension and Health Benefits, 1201 Davis Street, Evanston, IL 60201.}
