United Methodist Church Charge Conference

Report of Pastor

Due to popular consensus, the Report of the Pastor will no longer be collected electronically. A form is available in the Downloads section that will provide a copy of the form for you in electronic format. You may then either complete the form by hand or fill in the form electronically and print a copy for your Charge Conference. The information entered during last year's Charge Conference will remain on-line this year so that you can copy the information to fill in the form electronically and not have to retype information that still applies. Changes to last year's information *will not save* on this form. This information will not be available on this on-line form after this year's Charge Conference.

For the period beginning and ending

The report of the pastor shall include the names of all persons involved in the changes in membership and other items as outlined in the 1996 *Book of Discipline* (§233, 331) This report should cover as fully as possible the work of the pastor. Care should be taken not to duplicate the reports of the Church Council or Council on Ministries, committees, organizations, and officers of the charge.
