

## Community Impact Report for 2004

List below at least two things in 2004 your congregation(s) plans to do that will impact your community with the Gospel of Jesus Christ so that you fulfill the call to “go and make disciples....” (Matthew 28:19)

**In 2004 we at Duke Memorial UMC plan to do the following to impact our surrounding community with the Gospel of Jesus Christ in the area of Youth Ministry:**

1. Synago groups (4) will continue to provide a small informal group setting in which to invite friends. Through discussions, outings and monthly service projects youth are able to share their faith through action.
2. In addition to a mission trip planned for June, 2004 with the Appalachia Service Project, our youth maintain a relationship with our West End Community and with our interfaith community through bi-monthly service (small construction) projects performed in our neighboring community. This community is in the process of revitalization.
