# 2005 NATIONAL MENTAL ILLNESS AWARENESS WEEK

Join NAMI in raising awareness about mental illness and the importance of early diagnosis and proper treatment.

People who have experienced mental illness in their families need to know there are friends who understand their problems. At NAMI Durham, we want to help.

## **MENTAL ILLNESSES ARE BRAIN DISORDERS**

They are not anyone's fault.

They are all biologically based.

## **BRAIN DISORDERS ARE COMMON**

1 in 5 families is affected by a brain disorder—more common than cancer or heart disease.

## **BRAIN DISORDERS CAN BE TREATED**

Early diagnosis and proper treatment are the key.

*If you need information about the mental health care system or just want to talk to someone who's "been there" contact:*
