### North Carolina Annual Conference of the United Methodist Church

#### Institutional Ministry Support

The Institutional Ministries of the North Carolina Annual Conference are vital partners in the mission and ministry of Jesus Christ with the churches of the Conference. The Institutional Ministries include: **The United Methodist Camps, the United Methodist Retirement Homes, The Methodist Home for Children, Asbury Homes, the Methodist Foundation, Louisburg College, Methodist College, and North Carolina Wesleyan College.** Because of our connectional nature the Annual Conference has decided that each Church/Charge should support the institutions in tangible ways that go beyond the paying of our apportionments.

Describe the ways your Church/Charge has related to at least two of the Institutional Ministries in the past year.

**Thirty members of our church are residents of Croasdaile Village. Our church has an active ministry with members and others who reside at Croasdaile Village. Our senior pastor and a member of the church are members of the Louisburg College Alumni Association Board of Directors and the Board of Trustees.**

Briefly describe what your Church/Charge plans to do to relate to **at least two** of the Institutional Ministries in the coming year.

**More of the same as indicated above.**
