PREPARATION FOR WORSHIP Let us enter the Sanctuary in all faith and reverence, uniting in silent prayer:

"Eternal Father, for Thy wondrous ways we are thankful;
Thou hast brought us through many paths in our lifetime;

The Significance of Rally Day

RALLY DAY is one of the important and popular days of the church year. It brings to a close the vacation season with its diverse interests and memories. Rally Day opens another year of church activity in which every member of the many organizations of the church should enter.

The basic business of the church is to win boys and girls, and men and women, to Jesus Christ and to aid them in their Christian growth. We call this basic business Christian Education. The development of Christian character is the recognized goal of every organization.

We need Rally Day in our church program. It is a call to the church to function as a complete group once more and to begin together the busy Fall and Winter program.

With Rally Day, active plans are laid for furthering the interests of the Sunday School and Church for another year. A definite plan of Christian education is reopened again.

Every member of the Church, the Sunday School and the various groups in our church life has a task to perform. Rally Day echoes a call for help and co-operation from every member and friend. We need workers. We need doers.

It is a day for us to assemble for re-dedication to the many fronted program of the Church. It is an all-church event. It is a "Rally" for action!
