Dear Dr. Walker,

I thought I should check with you and see if my file is ~~complete~~ in your office. If it is not, I would be glad to do whatever is necessary to get it in good order.

I assume that since I have not heard from you, there are no possibilities currently pending in the field of Religion. Please advise me if anything further is to be done.

Yours truly,

Thomas C. Uden
Instructor in Theology and
Ethics
