Dear Mr. Dennis:

In my original request for the film "Breakdown" I listed two alternative dates. I am not very happy about the fact that you did not get this information since it was stated clearly in my original letter. However, I can still use the film on one of three dates: November 10, December 8, and December 15. The earlier of these dates would be better.

With all good wishes, I am,

Yours truly,

Thomas C. Oden
