Dear Bill,

Enclosed is the card which goes with your tape. I'm sorry that I got off with it. I have thought a good deal about the different modes of therapy on the tape and I must again express my appreciation for your letting me use it for awhile.

I sincerely enjoyed the brief opportunity we had for conversation at Magruder. I wish you well in your new work at Earlham and I trust our paths will cross 'ere long.

Cordially and sincerely yours,

Thomas C. Oden
