Rev. Irving L. Smith
First Methodist Church
Stillwater, Okla.

Dear Irving,

It was indeed a pleasure to hear from you, as it was to have you join us several weekssago.

We would certainly look forward to subsequent opportunities to converse together about who we are in these times.

Irving, I am taking the liberty of sending you under separate cover a brief study in biblical theology which I have just recently completed for the Methodist Student Movement. If it should spark any particular critical or constructive comments or responses on your part, I would be delighted for you to share them with me.

Let's keep in touch.

Cordially and sincerely,

Thomas C. Ogen
