Dear Mack:

Good to hear from you and to know the Oklahoma Pastoral Institute is still quite active.

I am now in Houston at the Institute of Religion where I will be through the summer. I am enjoying my work here very much. My principal clinical relationship is with Dr. Phil Hansen at the VA Hospital in the psychiatric ward.

Thanks for sending the materials. I would have been glad to have sent them back to Enid, but I am afraid by this time the events are already over. Any further communication you have that needs to go on the Enid bulletin boards, please send them directly to Dean Joyce.

Yours sincerely,

Thomas C. Oden
