

Once I Could Say

~~March 5, 1955~~

Once I could say bless the lord o my ~~my~~soul,
I naively loved men and
looked ~~wx~~ at history with great hope---
but now with wideyed, wisened scope
I truly am not what I once have been.
Damn the lord, o my soul.

Once

~~I could dance, blessthe lordomysoul; I
naively loved men and scanned history with greap hope---
but now with ~~die~~ ^{now} wide-eyed, wisened scope
I truly am not what I once have been. O
damnthelordomysoul.~~
