

~~21 October, 1959~~

The Morning Sounds

The morning sounds^{to} make their unyielding argument
Regardless of the shape of hurt, they'll not relent
Proceeding turn by turn from glint of earliest dawn
To plant, to pluck, to nurture and to spawn.
~~In needs and needs fulfilled, such are these goings on.~~

~~To plant, to strike, to nurture & to spawn~~
~~work nurture~~
~~pluck nurture~~
