Help! I lent out 2 books while you were doing your research papers, and I cannot remember to whom. If you have:

1) Lucas (ed.), Women in the Middle Ages

or

2) Thomas Aquinas, Volume 51 of the Summa Theologicae
(I think, on virginity)

Could you please drop them by my office (Chambers 331) or leave them outside my door or return them to the Davidson Library?

Thank you!
