Dear Sir/Ms.,

I am interested in applying for an ACLS Fellowship, under the category, "Research Fellowships for Recent Recipients of the Ph.D.". I am 28 years of age, and received my Ph.D. in Medieval History in November, 1981. I am a citizen of and permanent resident in the U.S.A. I am currently holding a two-year Mellon Postdoctoral Fellowship in the Humanities at Caltech.

I would like financial aid in order to pursue my research on Carolingian texts, which necessitates my going to Europe to gain access to early medieval manuscripts in archives in France, Spain, and Italy. This would be for the year beginning in September, 1983.

Could you please send me all the necessary information and an application form? Thank you very much.

Sincerely,

Dr. Susan A. Keefe
Mellon Postdoctoral
Instructor in History
