TO: BOARD OF TRUSTEES OF DUKE MEMORIAL CHURCH

FROM: Dillard Teer

SUBJECT: We have had a request from Bill Olive, the patent attorney, whose office is adjacent to our parking lot by the church requesting we allow him to use six parking spaces in our lot while he is putting an addition onto his building. As you probably are aware, we use about twenty of his parking spaces on Sunday and he would like to use ours during the week during the remodeling. I would like to know, as quickly as possible, if any of you have any objection. If so, please call me at 489-2178.
