Dear Trustee Member,

We have had an offer of \$300.00 per acre for the land we have in Person County, approximately 91-93 acres. This is the first offer we have had in ten years of trying to dispose of this property.

I have met with most of you and it is the concensus that we instruct Marshall Spears to negotiate the selling of this land at possibly a higher price; if not, we should take the \$300.00 per acre.

If this is in agreement with you, please sign this letter and return it to the Church Office for our files.

Thank you very much.
