**Subject:** Meeting - Tuesday, Sept9 @ 5:30

A reminder of our regular monthly meeting. Agenda items will include the usual project updates, a review of the Endowment Funds by Leta Loyd, and, following the last meeting's inspiring visit by Rev. Thomas, a time for reflecting on how our facilities can most effectively carry out our Mission – Sharing Christ from the heart of Durham. As our discussion last meeting seemed to center on the appearance of the Memorial Street entrance near the elevator, I suggest we all use that entrance sometime between now and Tuesday so that we can continue that discussion.

Please advise if you will not be able to attend our meeting.
