

I did twelve setups for WHITFORD HALL Lillie Duke, Bradshaw room and the sanctuary.
I picked up one order from it not just paper and returned another to office depot.
I repaired a broken window for PMO.
I cleaned the carpet in the Lillie Duke class.
I made phone calls about the alarm system and Tom Chandler said he would take it over.
I trimmed the creep myrtle Duke Street side and made two trips to the dump.
I was called in on Friday the boiler did not come on but the AC was running and people were cold I tried to reset the boiler but it still did not come on so I called comfort to take care of it.
I removed several large items from WDS to PMO.
I met Miss Martindale son on Friday to put his mother in the columbarium.
I met with the roofing inspectors and showed him where some of the leaks were at.
I came in on Saturday to see if we could get the organ working again.
I met with the parsonage committee for the annual inspection..
