Worship Leadership Training:

Who are our worship leaders? Those who participate in the worship service: acolytes carrying the lights, the crucifer carrying the cross, the choir and music minister, the liturgist who leads us in prayer, the reader who reads scripture, and the preacher who interprets the Word. Ushers provide order before worship by seating us and "holding the doors" during the lighting of the candles. During worship the ushers collect the offerings and tithes and when communion is served, they help us know when to take our turn.

Who are our worship leaders? Children, youth, and adults of all ages. Acolytes are children and youth ages 8 through 18; crucifers are youth and adults; and ushers are youth and adults.

Who are our worship leaders? You. The Altar Guild invites all who want to be trained and those who have been trained for worship leadership. Please call Para Drake at 490-1363 or the church office at 683-3467 to leave her a message if you would like to hear more about this ministry.
