ORDER FOR WORSHIP
First Sunday After Epiphany
9 January 1977

Epiphany is the Greek word for "manifestation." In the Early Church, there were three principle feasts: Easter, Pentecost and Epiphany. In the East, Epiphany celebrated the manifestation of Christ to the world in His Baptism. In the West, it was associated with the manifestation of Christ to the Gentiles in the coming of the Magi. The color of the season is White - for Christ as the Light of the World.

Preparation In Silence, pray:
God our Father, who by a star led men from far away to see the child Jesus: draw us and all men to him, so that, praising you now, we may in life to come meet you face to face; through Christ our Lord. Amen.

Thanksgiving (In unison)

God of light, Lord of nations: you have shown your glory in Jesus Christ to all mankind. We thank you for the power in him that has drawn us together, and baptized us into one holy church. We praise you for the work you have asked us to do in the world, going before you with good news, so that all people shall know your truth, and praise you; through Jesus Christ the Lord of all. Amen.

Hymn To the Light of Lights No. 73 "Light of Light"

Confession (In unison)

Great God our Father: you have given us Jesus, light of the world, but we choose darkness and cling to sins that hide the brightness of your love. We are frightened disciples who are slow to speak your gospel. Immersed in ourselves, we have not risen to new life. Baptize us with Holy Spirit, so that, forgiven and renewed, we may preach your word to nations, and tell your glory shining in the face of Jesus Christ, our Lord and our light forever. Amen.

Hunger Walk, Set For April 3, Seeks Volunteers 1/27

By VAN PARKER

A walk against hunger is being planned for April 3 in Durham and organizers are looking for volunteers willing to work in promotion, recruitment, planning and donation collection.

In April of 1975, about 500 volunteers helped collect almost \$11,000 for the national organization used to combat hunger worldwide. Not all of the money left Durham, however. Dew said 25 per cent of the money was donated to the Meals-on-Wheels program.

A quarter of the total collected this year will be given to the Meals-on-Wheels program, which provides a hot noontime meal to shut-ins in the city. This year's walk will be 10 miles long and sponsors will agree to pay a certain amount for each mile walked. Dew said walk organizers are seeking anyone who wants to help combat the world hunger problem.

He urged those interested in working on one of the committees to get in touch with him at Trinity, or Burnett through the Duke Divinity School. Committees will be holding further meetings sometime during the next two weeks, he said. Those interested in sponsoring a walker should also contact either Dew or Burnett.

Dew said he hoped this year's walk was the first in what would become an annual event. The first walk, in 1973, came at a time when the hunger problem was very much in the news and "awareness of the public was high."

Since then the problem has "sunk from the public view," he said, "but the need is still there."

Library Planning To Be Completed In 6, 7 Months 1/27/77

By SHERRY SHANKLIN Herald Staff Writer

The architect for the new Durham County Library told a citizens' advisory group Tuesday that he is ready to draw the final plans for the building and they should be completed in the next six or seven months.

After the plans are finished, the project will be ready for bids.

J. Russell Bailey, the library consultant, discussed final program plans with the committee and said there may be a few minor revisions.

On the ground level, there will be a children's library, an auditorium and an audio-visual room, Bailey said.

"There will be space for the tiniest of children and the older children," he said.

There will also be movable platforms in the section where librarians will conduct story hours for the children. And there will be "easy chairs" for mothers.

On the second and third levels, there is "a great floor for adult readers." There is space to move around in and books are easy to get to, Bailey said.

The library is designed to accommodate 183 volumes and 21,000 children's books. The library has about 140,000 volumes now, including those books in the branch libraries.

There will be double glazing on all of the floors and the windows will have venetian blinds and maybe draperies, Bailey said. The building will be 28 per cent glass.

There is a enough room to expand about 9,000 square feet on either side of the building. And for additional space, Knott was told by the committee to increase the roof in strength so it, too, can be expanded. There is possibly 3,000 feet that can be used on the roof, Knott said.

"I'm getting real excited about this building," Knott said. "It will make a most desirable facility. It'll be a real pretty building."

Each of the rooms in the library will have electrical outlets, according to George Linder, library director. The rooms can be used "for just about anything," he said.

"We have denied service to people for so long in that cramped space (the old library) and now we will be able to give them some."

All the restrooms will be large enough to accommodate people in wheelchairs, Linder said. The aisles between book stacks will be wide enough for a wheelchair to get through.

In the children's section, there will also be an exhibit wall where children can tack up drawings or other contributions, Bailey suggested having special lighting over the wall.

Closed carrels will also be provided for listeners who want a quiet spot. The carrels will be used mostly by adults, he explained.

There will be places for those who want to smoke in the library, Bailey said.

There will be a special section for business and reading, Bailey said.

Bailey and Knott will go over the program plans with the public at the Downtown Motel Feb. 7 at 8 p.m. The Friends of the Library is sponsoring the meeting.

Summer Conferences, Workshops Offer Opportunities For Growth And Fellowship 1/27/77

Durham Morning Herald Thurs., Jan. 6, 1977

Law Firm Promotes Sessoms

Billie M. Sessoms, chairman of the Durham County Board of Elections, has been promoted from associate to partner in the law firm of Haywood, Denny & Miller.

Sessoms has been associated with the firm since 1974. Previously he was an attorney for the Internal Revenue Service and North Carolina National Bank. He served as vice president, trust officer and Durham office manager of NCNB for four years.

He is a trustee of North Carolina Central University and is chairman of its Endowment Fund Committee. He has been active in the Durham County Young Republicans and is finance chairman and executive committee member of the Durham County Republican party. He also is active in several civic organizations.

Sessoms is married to Billie Venable Sessoms and they live at 802 Duluth St. They have one son and one daughter.

A full schedule of conferences and workshops will be sponsored by the Synod during the summer. Included are two continuing education events for pastors and other church professionals, according to the Rev. John Kimbiri, chairman of Synod's Ministry Group in Partnership Services.

In response to expressed needs in specific areas of ministry identified by several of its Ministry Groups, the Synod will offer seminars for pastors and lay church professionals on stewardship and family crisis. Both events will be held at Montreat, with lodging at the William Black Home, the Synod's conference residence, and classes in facilities of Montreat-Anderson College.

Dr. Raymond B. Knudsen, director of the Department of Financial Development of the National Council of Churches, will lead the Seminar on Stewardship, July 5-9, which will focus on the development of a year-round stewardship education program in the local church. A theology of stewardship will be discussed, and practical approaches to stewardship will be studied in addition to the traditional budget emphases.

Leader for the seminar on Family Crisis, which will take place August 8-12, will be Dr. William V. Arnold, professor of pastoral counseling at Union Theological Seminary in Virginia. Dual emphases of the seminar will be on building a pastoral and congregation program for prevention of family crisis, and pastoral response when crises do occur. Attention will be given to educational and other strategies for strengthening family life, recognition of danger signs, and professional skills and resources for dealing with families in crisis. Brochures giving detailed information on both seminars will be sent to all pastors and churches early in 1977.

Women's Conferences

Two conferences for women are planned, both of which will take place at Montreat in the facilities of the Mountain Retreat Association. Dr. and Mrs. Arnold Poole, of Sarasota, Fla., will be Bible study leaders for both events. The North Carolina Women's Weekend, June 11-12, especially designed for women who cannot attend the five-day women's conference, offers a wide variety of Bible study, worship and workshops for local

and presbytery leaders in women's work. The North Carolina Women's Conference, June 13-17, in addition to more extensive Bible study and workshops, features informational sessions on the ministries of the church at Synod and General Assembly levels.

Planned under the guidance of Synod's Ministry Group in Women's Work, the two conferences are under the direction of Mrs. D. Edward Renegar of Bryson City. Conference brochures, with registration and housing information, will be distributed through presbytery women's organizations in early spring.

Men's Conference

Dr. Andrew Edgington, author of *The Word Made Fresh*, recently published paraphrases of the Bible, will be the keynote speaker at the Synod Men's Conference, June 24-26. Taking place on the campus of Lees-McRae College at Banner Elk, the Men's Conference will focus on the theme, "Take Me to your Leader," with emphasis on knowing and communicating Christ. Conference Director Marshal Deane of Willow Springs indicates that a varied weekend of worship, platform addresses and recreation is planned. In addition to Edgington,

who is a Presbyterian layman and former president of Schreiner Junior College in Texas, speakers include the Rev. John Ropp, the Rev. George Carpenter and the Rev. Denver Blevins. Full details of the conference will be included in a brochure soon to be mailed to local men's leaders, pastors and churches of the Synod.

Youth Ministries

A key leader in Synod's Youth Ministries Workshop will be Mrs. Ginie Ward Hordern, author of the highly acclaimed youth resource book, *The Exuberant Years*.

The workshop is scheduled for June 20-24 at a location to be announced. In response to affirmative response in recent years, the workshop will provide skills training and introduction to new resources for youth and adult leaders of local and presbytery youth groups. Designed for both junior high and senior high youth leaders and adults who work with them, the workshop will focus on usable back-home ideas for local youth ministry and will include attention to church school resources.

Further information about the Youth Ministries Workshop will be forthcoming in late winter.

Durham Lawmaker Says 'Mail On ERA Has Flooded Office

By BILL GILKESON
Herald Raleigh Bureau

RALEIGH — Rep. Pat O. Griffin, D-Durham, said Wednesday that she has been so overworked with answering mail and phone calls concerning the Equal Rights Amendment that she has had time to do little else during this session of the General Assembly.

She said she has reached the point at which she is unable to answer any more letters because her stationery has run out.

She said she wants to apologize to her constituents for that.

The House is expected to vote on ERA Tuesday.

Mrs. Gail Griffin Clower, Mrs. Griffin's mother and legislative secretary, said her mother has received probably 2,300 pieces of mail since the session began Jan. 15 asking her to vote one way or the other on ERA.

"The mandate I got from her was answering every piece of mail," Mrs. Clower said. The task has taken up virtually all of her time as secretary, she said.

It has become impossible to continue, Mrs. Clower said, as she pointed to 153 letters that arrived Wednesday.

Legislators are given allotment of 4,000 pieces of official stationery per session, Mrs. Clower said. She said she had no more left.

Mrs. Griffin's mother had been answering every piece of mail, she said.

letters a day to a legislator.

Mrs. Griffin said she herself has spent hours tracking down addresses of people that were incomplete so she could respond to them. And she said she has spent more hours talking to ERA callers on the phone.

Many of them call her at home, she said.

With this burden, she was asked, how has she had time to do much else?

"I haven't much," she said. She said she has attended committee meetings and researched a few bills, but responding to ERA inquiries has taken up much of her time.

Mrs. Griffin, like other members of the Durham County

legislative delegation, has said publicly and repeatedly that she favors ERA.

A legislator in a similar position, Rep. Margaret Tennille, D-Forsyth, said she has stopped answering mail on ERA. "I refuse to tie up a secretary for that," she said.

But Mrs. Griffin said, "I feel very different. I feel that when somebody takes the time to write a letter, it should be answered."

Other Durham legislators seemed to be getting a lot of mail, but not to be swamped the way Mrs. Griffin has been.

Rep. George W. Miller, D-Durham, is the floor leader in the House for the pro-ERA

said she doesn't know what percentage of her time is taken up with ERA mail. She said she answers it after she has answered other mail.

The secretary for Rep. H. M. Michaux Jr., D-Durham, said that perhaps half to 60 per cent of her time is spent with ERA. Michaux sees every piece of mail, she said, but does not usually answer farm letters or letters from outside Durham County.

Fifty or 60 pieces of mail come in per day, about 15 to 20 per cent of which are form letters, she said. She said she has about seven standard responses prepared — one that is appropriate for almost every type of letter.

Mulligan To Head Durham Chamber

MULLIGAN

Raymond J. Mulligan, president and chief executive officer of the Liggett Group, will be president of the Durham Chamber of Commerce this year.

George R. Herbert, president of the Research Triangle Institute, will be the Chamber's vice president for community and administrative divisions and will be president-elect. That puts him in line to become president in 1978.

They were elected by the board of directors on Wednesday and will be installed at the Chamber's annual meeting on Feb. 22 at the Civic Center.

The board also elected these other top officers: J. David Ross, the vice president for institutional

advancement at Duke University, as Chamber treasurer.

Stephen J. O'Brien Jr., manager of the General Electric plant, as vice president for the economic and governmental divisions. O'Brien was elected to the same post last year.

Mulligan will succeed Nello L. Teer Jr. as president.

Mulligan has been the president and chief executive officer of the Liggett Group since October, 1973.

He is a native of Muncie, Pa., and holds a B.A. degree for Duquesne University.

Herbert, a native of Grand Rapids, Mich., has been president of the Research Triangle Institute since December 1968.

Warden For Butner U.S. Facility Resigns

By DON FREDRICK
Herald Staff Writer

Dr. Donald A. Deppe, 46, has resigned as warden of the new Federal Correctional Institution at Butner and will officially leave the post on Feb. 28.

Deppe said Friday night he will be succeeded by Dr. Gilbert L. Ingram, 36, the warden at the Federal Correctional Institution at Miami. Ingram has held positions at five other federal prisons.

Deppe, who lives in Durham, said he is stepping down as the prison's first warden after "achieving the major mission" of molding a safe and workable system there.

He said he has been at the prison for the last 15 months, "sometimes working 12 to 14 hours a day and on weekends" and now will have time to reflect and prepare himself for a new endeavor.

Deppe plans to return to the academic world. He has been teaching at the University of North Carolina at Chapel Hill during his off hours.

He came to Butner in the fall of 1975 after replacing Dr. Martin Groder, who resigned that summer. Groder said he

"Dutch" Brewer, executive assistant to the Butner warden, left Friday to become associate warden at the Federal Correctional Institution in Tallahassee, Fla., Deppe said. This vacancy is not expected to be filled.

Deppe submitted his resignation to Norman A. Carlson, director of federal prisons in Washington, on Thursday. He said he felt he had "created something out of nothing" at Butner and is leaving with an honest and open staff relationship there.

The Granville County facility now has 300 inmates and has a capacity for 350.

The first prisoners began arriving at the \$13.5 million complex in late March a year ago.

When Deppe was appointed, bureau officials said the purpose of the center was to develop a wide variety of voluntary correctional programs, primarily for repeat offenders, and to institute programs for mentally ill offenders.

Groder, who later set up a private psychiatrist practice in Durham, said at the time of his resignation that the research section planned for the prison had been dropped.

DURHAM, NORTH CAROLINA

Women of the Church
Council Meeting

The Women's Council met February 21, 1977 at 7:30 p.m. in the Church Parlor. Those present were: Hildur Blake, Dot Brock, Marsha Covington, Beulah Crabtree, Jean Hawes, Audrey Lynn, Frances Johnson, Judy Johnson, Jerri Swanson, and Suzy Ward.

1. Mrs. Swanson opened the meeting with prayer.
2. There were no corrections to the minutes of the last meeting.
3. The treasurer was out of town.
4. Mrs. Johnson thanked Mrs. Hawes for coordinating the program for the General meeting on February 13. The secretary was asked to send thank you notes to each of the speakers.
5. The Montreat Synodical Conference will be held June 13th - 17th. Mrs. Johnson will be driving her car and would love to fill it with passengers. Everyone is urged to give thoughtful consideration to attending this very inspirational and enjoyable conference. Some part of the expenses will be paid by the WOC.
6. The next General Meeting will be Tuesday, March 15 at 10:00 a.m. Dr. Stuart Henry, professor in the Divinity School at Duke University, will be the speaker. Mrs. Crabtree is in charge of this program, and she will invite women from other area Presbyterian churches. Circle 4 will provide refreshments.
7. The next Council Meeting will be Monday, April 18, at 1:00 p.m. The main business will be a report on the new by-laws, drawn up by Miss Vick. Also, at this meeting, officers are asked to return their completed job evaluations.
8. The Presbyterial Meeting will be held on April 27 and 28 in Greensboro at Starmount Church with Dr. David Burr, speaker. April 18 is the deadline for returning reservations for supper on the 27th or lunch on the 28th.
9. Mrs. Brock is still working on locating cups and saucers to replace chipped ones we are now using and to add to our supply. She is working with Mrs. White at the receptions on Sunday mornings and will get more women involved in helping her. The women will gradually learn more about what the role of hostess is in the church. We would also like to compile an inventory of what is available for social functions and keep a log of what has been borrowed from the church.
10. Mrs. Blake brought 2 newspaper clippings to our attention:
 - (1) There will be Lenten services each Friday at 12:00 noon, beginning February 25, at Trinity United Methodist Church, with different area Ministers leading the worship each week. A brief Communion Service will be held at 11:30 a.m.
 - (2) The new Statement of Faith for the Presbyterian Church, U.S. has been rejected, since fewer than 3/4 of the Presbyteries voted to accept it.
11. Mrs. Blake reminds circle chairmen that the Emphasis of the Month is family worship in the home.

... wait to be picked up. Someone has donated attractive wrought iron furniture. Plans for this are still in the future, and it was decided that the WOC would not take this on alone as a project, but let the funding come from the church budget and contributions from the whole congregation.

... they are expected to ...
for each new family.

10. Ella Parks will appreciate any suggestions for something we can do for the Presbyterian Home. Mrs. Swanson mentioned inviting them to entertain musically for us at some family night meeting.
11. Dorothy Bersebach reported for the United Church Women on a big clothing drive to take place over the next several months. Mr. Bonnett of CROP will speak briefly about this project at our October 10th meeting. It is hoped that he will have packets to distribute to the circle chairmen.

10. Mrs. Bersebach reported that 13 large boxes of clothing have been packed for the clothing drive, and there is yet that much more at the church to be packed. Shoes should not be sent. This Sunday, November 20, is Blanket Sunday.

12. Mrs. Hawes has spoken with a woman from Umstead Hospital where volunteers are very much needed to help, with the guidance of trained personnel, in the areas of vocational rehabilitation, occupational therapy, visiting patients, writing letters for them, etc. Circle Chairmen should bring this to the attention of members. Interested persons may contact Mrs. Hawes. We would like to see this published in the TAP also.
13. Each circle is asked to bring to the March General Meeting small gifts which would be suitable for Bingo prizes for the Senior Citizens Center. These may be items for men or women, such as shaving creams, jewelry, hankies, perfume, trinkets, etc.
14. The CROP walk will be Palm Sunday, April 3. Frank Dew is the city chairman for this effort and each circle is urged to have some of their women join the walk or support one of the young people who will be walking. Other ways to help would be providing refreshments or foot first-aid along the route.
15. At the March General Meeting, women will be asked to choose the type of circle they would like to be in the next year. The 4 possibilities are:
- (1) Overview of the Bible, as a whole.
 - (2) Presbyterian Church History.
 - (3) Young mothers circle, with a paid babysitter provided.
 - (4) Organized study, following a workbook, as is currently done.

Warden For Butner U.S. Facility Resigns

By DON FREDRICK
Herald Staff Writer

Dr. Donald A. Deppe, 46, has resigned as warden of the new Federal Correctional Institution at Butner and will officially leave the post on Feb. 28.

Deppe said Friday night he will be succeeded by Dr. Gilbert L. Ingram, 36, the warden at the Federal Correctional Institution at Miami. Ingram has held positions at five other federal prisons.

Deppe, who lives in Durham, said he is stepping down as the prison's first warden after "achieving the major mission" of molding a safe and workable system there.

He said he has been at the prison for the last 15 months, "sometimes working 12 to 14 hours a day and on weekends" and now will have time to reflect and prepare himself for a new endeavor.

Deppe plans to return to the academic world. He has been teaching at the University of North Carolina at Chapel Hill during his off hours.

He came to Butner in the fall of 1973 after replacing Dr. Martin Groder, who resigned that summer. Groder said he

DEPPE

quit the post because the Federal Bureau of Prisons had abandoned plans for a research program on inmate rehabilitation.

That program had drawn criticism from people who charged that prisoners would be used as guinea pigs.

Deppe had been director of education and vocational training for the federal prison system two years before taking the Butner job. He taught for

20 years at the University of Maryland, a school with which Ingram also has been associated.

Roderick "Dutch" Brewer, executive assistant to the Butner warden, left Friday to become associate warden at the Federal Correctional Institution in Tallahassee, Fla., Deppe said. This vacancy is not expected to be filled.

Deppe submitted his resignation to Norman A. Carlson, director of federal prisons in Washington, on Thursday. He said he felt he had "created something out of nothing" at Butner and is leaving with an honest and open staff relationship there.

The Granville County facility now has 300 inmates and has a capacity for 350.

The first prisoners began arriving at the \$13.5 million complex in late March a year ago.

When Deppe was appointed, bureau officials said the purpose of the center was to develop a wide variety of voluntary correctional programs, primarily for repeat offenders, and to institute programs for mentally ill offenders.

Groder, who later set up a private psychiatrist practice in Durham, said at the time of his resignation that the research section planned for the prison had been dropped.

WOMEN'S COUNCIL MEETING
Monday, April 18, 1977

The Women's Council met on Monday, April 18, 1977 at 1:00 p.m. in the Church Parlor. Those present were: Janis Aghjayan, Dot Brock, Marsha Covington, Beulah Crabtree, Jean Hawes, Louise Henry, Judy Johnson, Vilma Preuss, Jerri Swanson, Beulah Timblin, Christine Vick, Suzy Ward, Agnes Winstead and Anne Wright.

1. The meeting was opened with sentence prayers.
2. Mrs. Johnson and Mrs. Covington reported on plans for the Birthday Luncheon, which will be held at 12:00 noon on May 9. Past presidents of the WOC will be recognized at the luncheon. Circle chairmen are asked to get a tally of how many of their members plan to come and report this to the church office by May 4. Women who decide later than May 4 that they will be able to attend should call the church office. The cost of the lunch has not been determined, but will be printed in the church bulletin two weeks in advance. Mollie MacDonald of Raleigh will be the speaker, and a baby-sitter will be provided. Children may bring a bag lunch. Circles 1 & 2 will be hostesses.
3. Mrs. Covington and Mrs. Hawes were asked by the president to investigate the possibility of Presbyterian Churches in our area doing some project for prisoners, as funds will be available for this from the Birthday Offering.
4. Mrs. Brock reported that there are cups and saucers, as well as 8" glass plates available in Williamsburg for replacing and adding to our supplies. The Diaconate will put into effect the log that we suggested, recording supplies and furnishings in the church, those which have been loaned, etc. They would like for us to provide them with a book. A calendar of events is currently in effect in the church office. Mrs. Swanson asked Mrs. Brock, Mrs. Hawes, and the secretary to get together to decide how and to whom to present a list of the kitchen needs to the Diaconate. The women are willing to do the buying if money is made available. The Diaconate had a list before but requested a new one.
5. Dr. Bennett would like an up-to-date list of the women in the church. Mrs. Timblin will try to supply that information.
6. It has been agreed to change TAP into a bigger, more flexible program. Frank Dew will get a staff together by the first of the summer. TAP will be a monthly newspaper, with a calendar of events for the coming month and reports from all divisions of the church. Anyone who has suggestions for staff members, young or old, perhaps especially the retired, should contact Mr. Dew, Mrs. Swanson, or Mrs. Johnson.
7. Mrs. Henry would like to assemble a group of women, including 2 from each circle, who would be willing to work with the Sanctuary Guild through the summer and next year. The Sanctuary Guild has many different responsibilities in the care and beauty of the church. Mrs. Henry would like to have the list of the women willing to serve by May. Flower arrangements are still needed for summer Sundays. Mrs. Henry would like to see the Women of the Church involved in the planning of a small garden and sitting area near the outside ramp where our elderly members wait to be picked up. Someone has donated attractive wrought iron furniture. Plans for this are still in the future, and it was decided that the WOC would not take this on alone as a project, but let the funding come from the church budget and contributions from the whole congregation.

10. Ella Parks will appreciate any suggestions for something we can do for the Presbyterian Home. Mrs. Swanson mentioned inviting them to entertain musically for us at some family night meeting.
11. Dorothy Bersebach reported for the United Church Women on a big clothing drive to take place over the next several months. Mr. Bonnett of CROP will speak briefly about this project at our October 10th meeting. It is hoped that he will have packets to distribute to the circle chairmen.

brunney. They are hoping to have a meeting for each new family.

Durham Lawmaker Says Mail On ERA Has Flooded Office

By BILL GILKESON
Herald Raleigh Bureau

RALEIGH — Rep. Pat O. Griffin, D-Durham, said Wednesday that she has been so overworked with answering mail and phone calls concerning the Equal Rights Amendment that she has had time to do little else during this session of the General Assembly.

She said she has reached the point at which she is unable to answer any more letters because her stationery has run out.

She said she wants to apologize to her constituents for that. The House is expected to vote on ERA Tuesday.

Mrs. Gail Griffin Clower, Mrs. Griffin's daughter and legislative secretary, said her mother has received probably 2,300 pieces of mail since the session began Jan. 15 asking her to vote one way or the other on ERA.

"The mandate I got from her was answering every piece of mail," Mrs. Clower said. The task has taken up virtually all of her time as secretary, she said.

It has become impossible to continue, Mrs. Clower said, as she pointed to 153 letters that arrived Wednesday.

Legislators are given an allotment of 4,000 pieces of official stationery per session, Mrs. Clower said. She said she had not used all of it.

Mrs. Griffin left session sheets left behind her. She said she had a box of letters up at her home in the Capitol area.

letters a day to a legislator.

Mrs. Griffin said she herself has spent hours tracking down addresses of people that were incomplete so she could respond to them. And she said she has spent more hours talking to ERA callers on the phone.

Many of them call her at home, she said.

With this burden, she was asked, how has she had time to do much else?

"I haven't much," she said. She said she has attended committee meetings and researched a few bills, but responding to ERA inquiries has taken up much of her time.

Mrs. Griffin, like other members of the Durham County

legislative delegation, has said publicly and repeatedly that she favors ERA.

A legislator in a similar position, Rep. Margaret Tennille, D-Forsyth, said she has stopped answering mail on ERA. "I refuse to tie up a secretary for that," she said.

But Mrs. Griffin said, "I feel very different. I feel that when somebody takes the time to write a letter, it should be answered."

Other Durham legislators seemed to be getting a lot of mail, but not to be swamped the way Mrs. Griffin has been.

Rep. George W. Miller, D-Durham, is the floor leader in the House for the pro-ERA faction. His legislative secretary

said she doesn't know what percentage of her time is taken up with ERA mail. She said she answers it after she has answered other mail.

The secretary for Rep. B. M. Michaux Jr., D-Durham, said that perhaps half to 60 per cent of her time is spent with ERA. Michaux sees every piece of mail, she said, but does not usually answer form letters or letters from outside Durham County.

Fifty or 60 pieces of mail come in per day, about 15 to 20 per cent of which are form letters, she said. She said she has about seven standard responses prepared — one that is appropriate for almost every type of letter.

8. Mrs. Hawes read from a letter from Meals on Wheels asking for contributions from local churches. About \$19,000 of local money is needed, which is 1/4 of their budget; 3/4 is supplied from federal funds. Mrs. Swanson noted that Presbyterian Churches give through "Pennies for Hunger" as well as in other ways, and she suggested that we wait until near their end of their campaign and see how they are doing before contributing any more.
9. There is still a need for bingo prizes for Senior Citizens.
10. John Umstead Hospital continues to need volunteers. Mrs. Hawes has a list of the specific areas in which volunteers could work, as well as the times of day people are needed, etc.
11. Anyone in the church who has an unused high chair or booster seat is asked to please consider donating or lending it to the church to be used at Family Night Suppers.
12. Mrs. Crabtree presented the slate of nominees for next year's officers:

1st vice president	Christine Vick
2nd vice president	Dorothy Brock (Dot)
3rd vice president	Elizabeth Boyd (Lib)
Secretary	Suzanne Ward (Suzy)
Treasurer	Janet Tillman
Christian Community Action	Ann Noell
Leadership & Resources	Jean Drumley

We plan to have a General Meeting in June, with no program, but a discussion and vote on the By-Laws changes, as well as concluding other business for the year, and getting circles somewhat organized for the fall. This will be a picnic get together; women should bring bag lunches, and Mrs. Swanson will provide lemonade.
14. Miss Vick presented a very well organized and detailed report on the changes she and her committee have made in the By-Laws. There was some discussion and change in wording but no vote was taken as there was not a quorum of council members present.
15. There will be a called Council Meeting at 11:30 A.M. on May 9 before the Birthday luncheon. In the meantime, if there are any questions concerning the By-Laws, please call Mrs. Swanson, Mrs. Johnson or Miss Vick.

Respectfully Submitted,

Women of the Church
Council Meeting

The Women's Council met Monday, September 19 at 10:00 A.M. at the home of the President, Judy Johnson. Those present were: Dorothy Bersebach, Hildur Blake, Edith Boon, Lib Boyd, Dorothy Brock, Jean Brunley, Marsha Covington, Beulah Crabtree, Esther Krigbaum, Ginger Lane, Pat McIntire, Mazo Murchison, Ella Parks, Sharon Shields, Jerri Swanson, Charlotte Tilley, Janet Tillman, Christine Vick, Suzy Ward and Flora Woods. The women enjoyed delicious refreshments prepared by the hostess.

1. Mrs. Johnson called the meeting to order and offered a prayer.
2. Ann Noell has had to resign her position as Christian Community Action Chairman because of her father's illness. Appreciation was extended to Esther Krigbaum for accepting this chairmanship.
3. Christine Vick reported that we have a current bank balance of \$346.73. The books are now being audited. The budget for this year is the same as last year, although divided slightly differently. The new treasurer, Janet Tillman, asked that the treasurers of each circle turn in their money to the church office on the Thursday after each month's circle meeting.
4. Miss Vick asked that we add to our calendar a joint meeting of the WOC with the men and young people on February 19. Steven Shumaker, chaplain at N.C. State, will speak on "Sects and Cults".
5. Our next General Meeting will be October 10, 10:00 A.M. Frank Dew will give an overview of our workbook for this year. Circle 3 will be the hostess.
6. Jerri Swanson will meet with Circle 3 at their next meeting to discuss with them what sort of help, friendship, and support can be given to the young women in our church who have recently had their first baby.
7. Esther Krigbaum suggested that perhaps one circle could be assigned for each month to replenish the Food Closet. Mrs. Swanson thought all circles could help in the especially busy months of November and December. Jean Brunley would like to see more people in the church involved other than just the WOC. A few words from Dr. Bennett on Sunday mornings usually get a good response. Miss Vick suggested that everyone bring one can of food each month to the circle meeting. This met with general agreement.
8. Marsha Covington reported that the Birthday Luncheon will be on May 8. This year we have been invited to join with First Presbyterian Church.
9. Mrs. Brunley has been asked by Frank Dew to be in charge of assigning hosts to each newcomer family. These hosts will be in contact with the family all year, not just for the Christmas Reception. Betty Henderson will help Mrs. Brunley. They are hoping to have a brochure on the church and its activities for each new family.

Mrs. Griffin said she had had time to do little else during this session of the General Assembly.

She said she wants to apologize to her constituents for that.

The House is expected to vote on ERA Tuesday.

Mrs. Gail Griffin Clower, Mrs. Griffin's mother and legislative secretary, said her mother has received probably 2,300 pieces of mail since the session began Jan. 15 asking her to vote one way or the other on ERA.

"The mandate I got from her was answering every piece of mail," Mrs. Clower said. The task has taken up virtually all of her time as secretary, she said.

It has become impossible to continue, Mrs. Clower said, as she pointed to 153 letters that arrived Wednesday.

Legislators are given allotment of 4,000 pieces of official stationery per session, Mrs. Clower said. She said she had not had time to use hers.

letters a day to a legislator.

Mrs. Griffin said she herself has spent hours tracking down addresses of people that were incomplete so she could respond to them. And she said she has spent more hours talking to ERA callers on the phone.

Many of them call her at home, she said.

With this burden, she was asked, how has she had time to do much else?

"I haven't much," she said. She said she has attended committee meetings and researched a few bills, but responding to ERA inquiries has taken up much of her time.

Mrs. Griffin, like other members of the Durham County

legislative delegation, has said publicly and repeatedly that she favors ERA.

A legislator in a similar position, Rep. Margaret Tennille, D-Forsyth, said she has stopped answering mail on ERA. "I refuse to tie up a secretary for that," she said.

But Mrs. Griffin said, "I feel very different. I feel that when somebody takes the time to write a letter, it should be answered."

Other Durham legislators seemed to be getting a lot of mail, but not to be swamped the way Mrs. Griffin has been.

Rep. George W. Miller, D-Durham, is the floor leader in the House for the pro-ERA

legislation. His legislative secretary

said she doesn't know what percentage of her time is taken up with ERA mail. She said she answers it after she has answered other mail.

The secretary for Rep. H. M. Michaux Jr., D-Durham, said that perhaps half to 60 per cent of her time is spent with ERA.

Michaux sees every piece of mail, she said, but does not usually answer farm letters or letters from outside Durham County.

Fifty or 60 pieces of mail come in per day, about 15 to 20 per cent of which are form letters, she said. She said she has about seven standard responses prepared — one that is appropriate for almost every type of letter.

Mulligan To Head Durham Chamber

MULLIGAN

Raymond J. Mulligan, president and chief executive officer of the Liggett Group, will be president of the Durham Chamber of Commerce this year.

George R. Herbert, president of the Research Triangle Institute, will be the Chamber's vice president for community and administrative divisions and will be president-elect. That puts him in line to become president in 1978.

They were elected by the board of directors on Wednesday and will be installed at the Chamber's annual meeting on Feb. 22 at the Civic Center.

The board also elected these other top officers: J. David Ross, the vice president for institutional

advancement at Duke University, as Chamber treasurer.

Stephen J. O'Brien Jr., manager of the General Electric plant, as vice president for the economic and governmental divisions. O'Brien was elected to the same post last year.

Mulligan will succeed Nello L. Teer Jr. as president.

Mulligan has been the president and chief executive officer of the Liggett Group since October, 1973. He is a native of Muinball, Pa., and holds a B.A. degree from Duquesne University.

Herbert, a native of Grand Rapids, Mich., has been president of the Research Triangle Institute since December 1958.

Warden For Butner U.S. Facility Resigns

By DON FREDRICK
Herald Staff Writer

Dr. Donald A. Deppe, 46, has resigned as warden of the new Federal Correctional Institution at Butner and will officially leave the post on Feb. 28.

Deppe said Friday night he will be succeeded by Dr. Gilbert L. Ingram, 36, the warden at the Federal Correctional Institution at Miami. Ingram has held positions at five other federal prisons.

Deppe, who lives in Durham, said he is stepping down as the prison's first warden after "achieving the major mission" of molding a safe and workable system there.

He said he has been at the prison for the last 15 months, "sometimes working 12 to 14 hours a day and on weekends" and now will have time to reflect and prepare himself for a new endeavor.

Deppe plans to return to the academic world. He has been teaching at the University of North Carolina at Chapel Hill during his off hours.

He came to Butner in the fall of 1973 after replacing Dr. Martin Groder, who resigned that summer. Groder said he

Roderick "Dutch" Brewer, executive assistant to the Butner warden, left Friday to become associate warden at the Federal Correctional Institution in Tallahassee, Fla., Deppe said. This vacancy is not expected to be filled.

Deppe submitted his resignation to Norman A. Carlson, director of federal prisons in Washington, on Thursday. He said he felt he had "created something out of nothing" at Butner and is leaving with an honest and open staff relationship there.

The Granville County facility now has 300 inmates and has a capacity for 350.

The first prisoners began arriving at the \$13.5 million complex in late March a year ago.

When Deppe was appointed, bureau officials said the purpose of the center was to develop a wide variety of voluntary correctional programs, primarily for repeat offenders, and to institute programs for mentally ill offenders.

Groder, who later set up a private psychiatrist practice in Durham, said at the time of his resignation that the research section planned for the prison had been dropped.

Representatives of several of 10 Civitan clubs that met last night in Chapel Hill chat informally. items and the Scouts will be asked to help. Collections will be made of clothing, blankets, layettes, health kits, school kits, and hospital supplies. Some circles may wish to roll bandages. We hope to get most of this done before Thanksgiving and Christmas. At their first meeting, circle chairmen are asked to get names of women who will be able to help Mrs. Bersebach with packaging items as they come in. We could work on the kits for Christmas. In January Mrs. Bersebach will check on the progress made, and in February there will be a big effort to get things where they are going.

12. Beulah Crabtree asked circle chairmen to find a representative from their circles to be a contact with Beulah for matters concerning Barium Springs. Our area no longer has the trading stamps collected by Barium Springs. Mrs. Crabtree will send them the stamps we have and ask what else we could do to help.
13. Dot Brock reported that plans for the Christmas reception are coming along nicely. She made a motion that a phone call and a letter be immediately given to the Diaconate requesting that renovations and repairs to the kitchen and dining room to be started now and finished by Thanksgiving. The motion was seconded and passed by a voice with some discussion. Each circle is asked to donate 20 dozen homemade cookies for the reception. There was discussion concerning special provisions for children at the reception. It was generally agreed that rooms should be available with sitters and refreshments for children under 6, if their parents wish them to go there. There will be a Children's Committee to plan this, and it is hoped that we will have some help from the teenagers and Scouts in the Church.
14. Louise Henry was unable to come to the Council Meeting, but requested that any one having goblets which could be used for making small flower arrangements to take to hospitals and nursing homes, please bring these to the church.
15. The women are asked to send cards to Miss Anne Webster Johnson, who is critically ill at the Durham County General Hospital.
16. The District Meeting will be held at First Presbyterian Church on September 21 at 9:30 a.m. Lunch will be served for \$1.25 and there will be a babysitter.
17. There will be an area meeting of the Presbytery Task Force on Women at Camp New Hope, beginning November 4 at 1:00 p.m. and continuing until November 5 at 3:00 p.m.
18. Eve Kirkland will be our general chairman for the Presbyterial Meeting at our church next spring. She will need and greatly appreciate a lot of help as the time draws near.
19. Circle chairmen will please check their directories to see if there are any incorrect telephone numbers for women in their circle. Also please notify Lib Boyd, after your first meeting, of any circle changes.
20. Mrs. Johnson has information on a SERRV project (Sales Exchange for Refugee Rehabilitation Vocations).
21. Frank Dew has suggested that Trinity Avenue be the depot for the Clothing Drive. The materials collected would then be sent to Duke Memorial for storage. There was generally a negative feeling toward this, with several women citing a lack of space at ground level as the main objection. Frank was unable to come to this meeting to discuss his ideas on this project, so it was decided that Mrs. Bersebach would talk with him and get the suggestion clarified before the Oct. 10 meeting. The meeting was then adjourned.

Respectfully submitted,
Suzy Ward

10. Mrs. Bersebach reported that 13 large boxes of clothing have been packed for the clothing drive, and there is yet that much more at the church to be packed. Shoes should not be sent. This Sunday, November 20, is Blanket Sunday.

Durham Lawmaker Says Mail On ERA Has Flooded Office

By BILL GILKESON

RALEIGH — Rep. Pat O. Griffin, D-Durham, said Wednesday that she has been so overworked with answering mail and phone calls concerning the Equal Rights Amendment that she has had time to do little else during this session of the General Assembly.

She said she has reached the point at which she is unable to answer any more letters because her stationery has run out.

She said she wants to apologize to her constituents for that.

The House is expected to vote on ERA Tuesday.

TRINITY AVENUE PRESBYTERIAN CHURCH
DURHAM, NORTH CAROLINA

COUNCIL MEETING
NOVEMBER 14, 1977

The Women's Council met Monday, November 14, 1977 at 10:00 a.m. in the Church Parlor. Mrs. Johnson provided us with refreshments. Those present were: Dorothy Bersebach, Lib Boyd, Jean Brumley, Marsha Covington, Louise Henry, Judy Johnson, Esther Krigbaum, Ginger Lane, Pat McIntire, Grace Shaw, Sharon Shields, Jerri Swanson, Charlotte Tilley, Janet Tillman, and Suzy Ward.

1. Mrs. Johnson opened the meeting with prayer.
2. Mrs. Tillman reported that our current balance is \$941.00. She would like circle treasurers to be reminded to either mail her their money or bring it to the Church Office by noon Thursday after circle meetings.
3. The secretary read a letter from Dr. David Chu of Jeonju, Korea, thanking the WOC for sending \$50.00 toward the support of the Halfway House there. It was such a warm and sincere letter that it was recommended that it be read at the next General Meeting.
4. Dot Brock is working on the Christmas reception, which will be December 11. Each circle is asked to give 20 dozen cookies.
5. Mrs. Boyd has contacted the women who joined the church in October, and they have been placed in circles.
6. It would be nice to remember the following people with cards or phone calls:
Agnes Winstead, who is having back problems, Jean Carter, who is in McPherson Hospital with a detached retina, Mr. & Mrs. Leonard Suitt (he has had surgery), and Mr. & Mrs. Lawrence Crabtree. Beulah Crabtree has had to give up her position as Barium Springs Representative; Christine Vick will take her responsibility.
7. Mrs. Krigbaum will have a list for each circle of services that circles or individuals might wish to volunteer for. The suggestions came from the Volunteer Services Bureau. Mrs. Krigbaum would also like for the Council to think about giving some money again this year to the Creative Ministries/Curious Kaleidoscope, which is a vital part of the work of the church. She will send some information about this to each circle.
8. Mrs. Brumley has a packet of information which is given to each new member by their host family. She would like to see included a page on the WOC, as well as information on the Sanctuary Guild.
It was suggested that the college students in our church be remembered at Thanksgiving and Christmas, perhaps with their names and colleges listed in the Sunday bulletin. Mrs. Brumley was to check with Dr. Bennett about having one of the receptions after church in their honor.
9. Our Presbytery will give three scholarships this year. The application deadline is February 15. The money for these comes from Life Memberships ordered by the Churches in North Carolina. We should be sure to place our order to Raleigh, not Atlanta, so that the funds stay here.
10. Mrs. Bersebach reported that 13 large boxes of clothing have been packed for the clothing drive, and there is yet that much more at the church to be packed. Shoes should not be sent. This Sunday, November 20, is Blanket Sunday.

ASH WEDNESDAY by Frank Dew

Ash Wednesday, falling on February 23rd this year, is the first day of the season of Lent, 6 1/2 weeks before Easter. At one time public penitents in Rome were ceremonially admitted to begin their penance on this day; when this discipline fell into disuse, between the 8th and 10th centuries, the general penance of the whole congregation took its place. This was symbolized by the imposition of ashes, in token of mourning and penitence, upon the heads of clergy and people, a rite still ordered for Ash Wednesday in the Roman Book of Worship.

WOC EVENING TO LOOK AT CARING AGENCIES

February 13, from 7-8 P.M., is the date of the next general meeting of Women of the Church. The program, under the direction of Jean Hawes, will be a look at some of the agencies in Durham that care about people. After meeting together briefly, everyone will break into four groups to meet with the resource person of the agency which most interests them. CONTACT will be represented by David McDowell-Fleming, Director, and Beth Shubert, coordinator of Parents Anonymous and Director of the Program for Prevention of Child Abuse, speaking on "What Is Child Abuse and How Can We Help Prevent it in Durham?" John Fletcher, M.D., will tell us about the services of the Durham County Health Dept., while James Hoover, M.D., explains the services offered by the Durham County Mental Health Dept. Wes Covington, Director of Hassle House, and Kim Gilliam, Educational Director, will talk on "How Does a Young Person Cope with Pressures to Take Drugs in Today's Society?" The other Presbyterian churches in the area have also been invited. Each family is asked to bring a dessert to share for refreshments after the meeting. There will be a nursery for young children. This should be an interesting and informative evening for all of us in the TAPC family.

WITNESSING TOGETHER

"People needing people-in-love to say love is living..." — Richard Morris

Mujimayi, Zaire

I have just returned from a two-week evangelistic trip in the Presbytery of Fua-Munkama and want to share with you some of our experiences. At the first village we found a strong group of Presbyterians organizing a parish. The huge crowd pressed against our Land Rover to buy Christian literature. These people are very poor — subsistence farmers — so the purchase of a small book or tract represents quite an investment, but they bought almost all the books we had. In this area there are churches that have only one copy of the Bible for the whole village. One church had only the Old Testament, so I gave them my Bible. There is such a hungering for the Word!

In another village we spied a small child, obviously sick, lying beside one of the village huts. She shivered with fever caused by measles and malnutrition, the great killers of children. The father agreed to let us take the child to the nearest hospital, thirty kilometers away. What work we have yet to do in nutrition, community development and medicine!

At Katende we visited for a while with the village fathers who gave us a bit to eat and drink and shared what they had, even forty liters of gas, a precious item back in the bush. Someone remarked on this generosity, and the reply came, "Yes, but that is as Christ bids us to live... simply and sharing what we have." I still have so much to learn what mission is.

We saw a great hungering for hope and life. There is a great liberating and healing power in the Gospel for ourselves and for others. We never need to ask the question "Why mission?" when we can see, touch and feel situations like those we encountered on our trip. The need is great, the hunger is deep — and it is Christ who fills it.

KNOWN TO BE IN THE HOSPITAL THIS WEEK: Mrs. W. Cecil (Beulah) Timblin and Mrs. J. I. (Ola) White, both at Durham County General. Master John Lock, seven year old grandson of Ed and Doris Swaine, has undergone surgery at Duke Hospital, cards and letters would bring a little cheer during recovery. Send mail to John in care of the Orthopedic Ward at Duke Hospital. If there are others please call the church office.

THE YOUTH FELLOWSHIP (Junior and Senior Highs) will meet tonight here at the church for supper and the program to follow. In case of questionable weather you may call Frank Dew, Advisor, at 489-1686.

THE PRESBYTERIAN SURVEY, official monthly publication of the Presbyterian Church, U.S. was not put into the church budget this year. Members who would like to have this publication can receive it at a much lesser cost if ordered through the church office. If you wish to receive it - put your name and address on one of the pew envelopes and mark it "SURVEY" to be put into the offering plate this morning. You may pay the \$2.50 for 12 months now or later - but the order must be sent to Atlanta this week.

THE DIACONATE will meet tonight at 7:00 p.m. for their regular monthly business meeting in the Church Parlor. Julian W. Maness, Chairman.

WOMEN OF THE CHURCH COUNCIL MEETING will be held MONDAY NIGHT, February 21, 1977, 7:30 p.m. in the Church Parlor. Mrs. Louis E. Swanson, President.

THE FELLOWSHIP BREAKFAST GROUP will meet this Thursday, February 24, 1977, 7:30 a.m. at Howard Johnsons on Chapel Hill Blvd. All interested persons are invited to join them.

ORGAN RECITAL

ASH WEDNESDAY by Frank Dew

Ash Wednesday, falling on February 23rd this year, is the first day of the season of Lent, 6½ weeks before Easter. At one time public penitents in Rome were ceremonially admitted to begin their penance on this day; when this discipline fell into disuse, between the 8th and 10th centuries, the general penance of the whole congregation took its place. This was symbolized by the imposition of ashes, in token of mourning and penitence, upon the heads of clergy and people, a rite still ordered for Ash Wednesday in the Roman Book of Worship.

At the first village we found a strong group of Presbyterians organizing a parish. The huge crowd pressed against our Land Rover to buy Christian literature. These people are very poor — subsistence farmers — so the purchase of a small book or tract represents quite an investment, but they bought almost all the books we had. In this area there are churches that have only one copy of the Bible for the whole village. One church had only the Old Testament, so I gave them my Bible. There is such a hungering for the Word!

In another village we spied a small child, obviously sick, lying beside one of the village huts. She shivered with fever caused by measles and malnutrition, the great killers of children. The father agreed to let us take the child to the nearest hospital, thirty kilometers away. What work we have yet to do in nutrition, community development and medicine!

At Katende we visited for a while with the village fathers who gave us a bit to eat and drink and shared what they had, even forty liters of gas, a precious item back in the bush. Someone remarked on this generosity, and the reply came, "Yes, but that is as Christ bids us to live ... simply and sharing what we have." I still have so much to learn what mission is.

We saw a great hungering for hope and life. There is a great liberating and healing power in the Gospel for ourselves and for others. We never need to ask the question "Why mission?" when we can see, touch and feel situations like those we encountered on our trip. The need is great, the hunger is deep — and it is Christ who fills it.

New Editor At UNC Hails From Durham

By MARTHA MULLEN
Herald Orange Bureau

CHAPPEL HILL — Greg Porter, of Durham will take on the job of editor at the Daily Tar Heel in a few days.

Porter, a junior English and journalism major, was elected to edit the campus newspaper Wednesday by University of North Carolina students.

He had 2,725 votes to 1,371 for Sam Fulwood and 1,165 votes for Mike York.

Porter is the son of Mr. and Mrs. W. Travis Porter III of 2106 Wilshire Drive in Durham. He has worked for the Daily Tar Heel as an editor and reporter and has written for other kinds of publications.

Mark Miller and Bill Moss will vie for the office of student president in a runoff election Wednesday.

Miller, a junior chemistry major for Fayetteville, led a field of seven candidates in the first race with 1,751 votes. Moss, a Junior from Youngsville, had 1,305 votes and Tal Lassiter was close behind with 1,283 votes.

A recent Thursday morning put Moss ahead of Lassiter, who had led him by 16 votes.

Other candidates in the presidential race were Robert Lyman, Joe Roberts, Hugh Halsey and Mike Hickman.

There will be a runoff between David Royle and Gary Mason for president of the Carolina Athletic Association. Royle had 1,856 votes; Mason had 1,209; and Wes Minton had 767.

The new senior class officers are Jeff Price, president; Doug Markham, vice president; Mary Jo Southern, secretary; and John Sasser, treasurer. Sasser was a write-in candidate.

Bain Jones was elected president of the Residents Housing Authority. He was the only candidate in the race.

Elections were also held for 18 district positions on the Carolina Governing Council. Runoffs will be held in a number of those races.

Student overwhelmingly approved a student constitutional

amendment that will guarantee the Daily Tar Heel a percentage of student fees for its publication and will establish a board of directors for the newspaper.

Chamber Names 2/10/77 Directors

Seven directors have been added to the Durham Chamber of Commerce board and six ex-officio members appointed, all to fill one-year terms ending next February.

Joining the recently elected board members will be William Burns, president of Central Carolina Bank; Shelton Ennis of Hall-Wayne Funeral Home; John Old, executive vice president of Liggett Group; William Kennedy, president of North Carolina Mutual; Travis Porter, vice president of Porter, Alphin and Whitchard; James Hawkins, secretary-treasurer of Allenton Realty; and Dr. Terry Kane, director of Duke University's family medicine program.

Ex-officio board members will represent several areas of the Durham community. They are:

Dr. Albert N. Whiting, president of North Carolina Central University; Dewey S. Scarboro, representing Durham County as commission chairman; A. Kenneth Pye, representing Duke University as chancellor. Also, M. W. "Buddy" Lynum, manager of Kingsbee Tire Sales, representing the Durham Merchants Association as its president; Edward W. Back Jr., executive vice-president of Central Carolina Bank, representing the Downtown Revitalization Foundation; and Wade L. Cavin, president of Cavin's Inc., representing the City of Durham as mayor.

Soviet Cellist Masters Instrument, Music At Duke 2/15/77

By CARL BOSWELL

Daniel Shafran, the Soviet cellist appearing with the North Carolina Symphony last night at Duke University, dominates the instrument.

In fact, he dominates the cello as surely as the cello dominated the piece of music he performed—Schumann's "Concerto for Violoncello and Orchestra in A Minor, Op. 129."

The capabilities of the cello, probably one of the most dramatic-sounding instruments in an orchestra, were stretched to the limit when Shafran raised his bow and began his solo appearance.

Maestro John Gosling, artistic director and conductor of the symphony, wisely allowed the cello to have its day. And Shafran loved it. His head bobbed, his fingers twitched in the few moments they were not actually engaged in performing the concerto, sometimes a smile would flicker across his face and at other times his features would contort in concentration.

This Schumann concerto, according to Dr. Charles Horton, who is associated with the symphony and who spoke before the concert on the program pieces, is not typical in that the conflict normally present in a concerto, is not present in this one. It is simply a field day for the cello.

The story of the concerto itself is an amazing one. The sketches were done on Oct. 10, the final draft was completed Oct. 15 and the concerto was ready for performance on Oct. 20, 1850.

The melody holds the composition together. It is languorous, melodic and then builds beautifully to the conclusion.

It is perhaps the lack of conflict or brassy clashing that made some not like the number as well as others on the program.

Shafran received approval due a master from the audience at the end of the concerto and

played two encores. The first was a Bach chaconne and showed continuous variations on a succession of chords.

The second encore was a folksong from the Soviet state of Georgia that Shafran arranged. He plucked the strings of the cello as if it were a vertical guitar and came out with music which reminded the audience of "Turkey in the Straw"—Soviet-style.

After the quiet and peacefulness of the Shafran concerto, Gosling and the state orchestra, in its 49th season and its first major orchestra tour, rushed headlong into Prokofiev's "Symphony No. 5 in B Flat Major, Op. 100."

The at times dissonant and at other times melodic composition gave the audience little time to be bored. One was either looking for the instruments being played or basking in the beautiful sound.

The Prokofiev number was written in Russia in 1940. The work has great tension and shows the struggles within the composer as well as struggles with the musical form.

Prokofiev once said he hated imitation and "wanted to be himself," according to Horton.

At the conclusion of the work, the audience was left hanging on its seats.

The orchestra opened with the melodic and light and airy work, the overture from "Beatrice and Benedict," by Berlioz.

Berlioz was a master craftsman of the opera. The music seems to be floating along and then suddenly is juxtaposed with light and airy passages. This opera is based on Shakespeare's "Much Ado About Nothing."

Berlioz, Horton said, anticipated Broadway with his overture. He puts part of several of the better works to come later in the opera in the overture, as is done now in Broadway musicals. Until this time the overture was used merely to set the mood for the

opera. This was Shafran's second attempt to appear in Durham this year. His first was on Jan. 24, when the concert was canceled because of snow. Shafran is on his first United States tour in 11 years. He has performed throughout Europe,

South America, Japan and Australia.

His current tour features recitals in New York, Boston, Chicago, Washington, Los Angeles and Miami.

Shafran began cello lessons at six. His father was his first teacher. He was eight when he

decided to make a career in music.

He made his first appearance with the Leningrad Philharmonic when he was 11. He has won many prizes, including first place in the National Competition of Violinists and Cellists in

Moscow, and top awards in international competitions. In 1959 he was elected a member of the International Academy of Artists in Rome, and in 1971 the Soviet government conferred on Daniel Shafran the title of "People's Artist of the U.S.S.R."

After A Successful Performance

Soviet cellist, Daniel Shafran, center, hams up after a successful appearance last night with the North Carolina Symphony at Page Auditorium on the Duke University campus. Shafran is acknowledged by many as the world's foremost cellist. Shown, left to right, are Mrs. Donald Hooper and Mrs. Clark C. Havig-

hurst, with the Durham chapter of the symphony; Shafran; Mrs. J. Bruce Hoff, whose hand Shafran is kissing; also with the Durham chapter; and Leonid Zilper, a cellist with the symphony, also from Russia.

Help Needed To Haul Wood

About 25 to 30 people with big hearts and strong backs are needed today to help pick up and deliver some 1,500 cords of wood that have been donated to a project to keep needy people warm through the cold spell.

The Rev. Robert Young, minister to Duke University, said volunteers are asked to meet at 10 a.m. at Immaculate Conception Church on Chapel Hill Street.

From there, they will go to Russell Barringer's farm in Orange County to pick up the wood and bring it back to people who don't have enough fuel.

Young said Nels Ter Construction Co. has donated three dump trucks and drivers to haul the wood all day today. He said volunteers will probably work until late afternoon.

Until Barringer's donation, most of the wood for the needy project had involved cutting firewood at Jakes Forest. That has also continued.

In fact, said the Rev. Helen Crowell, Young's associate, the Air Force got into the act

Thursday. She said three truckloads of servicemen from Pope Air Force Base arrived unexpectedly Thursday morning and chopped through the day.

"We're just waiting for the navy," she laughed. Young said more people from outside Durham County found out about the project and volunteered to help. About 20 members from the Key Club at Chapel Hill High School plan to work in the forest Saturday, he said.

Young said work in the forest will continue at least through Saturday.

He estimated that 150 families have been provided with wood through the project and that 150 more will be helped.

Besides chopping wood, the project has had a simultaneous fundraising program to help people pay for high fuel bills. Young estimated that \$12,000 had been contributed.

The contributions of wood and money for fuel are being steered through Operation Breakthrough.

Cultural Arts Meant For Everyone, Says Sara Hodgkins

By CAROLYN SATTERFIELD
Sun Women's Editor

RALEIGH — Sara Hodgkins considers the cultural arts to be a part of everyday life for everyone, young and old, rich and poor, black and white.

She would like to erase the "snob elitist feeling" about art and artists and to make the enjoyment of the arts an integral part of everyday life.

As the recently appointed Secretary of the Department of Cultural Arts in the new North Carolina, Sara Hodgkins is in a position to do something about her views.

She is anxious to spread the word about the variety of services offered by her multifaceted department, which is made up of three main divisions — Archives and History, Arts and State Museums, and Tar Heel Museums.

In terms of services offered, the \$1-million annual budget for cultural resources represents quite a bargain for Tar Heel taxpayers. It comes just over one-half of one per cent of the total state budget, yet reaches citizens in every area of the state.

One of its most important functions has been to bring five years ago through the merging of about 30 then-existing agencies. North Carolina is the first state to have such a department, which is not surprising in light of the state's pioneering efforts through the years to boost all art forms.

North Carolina had the first state-supported symphony orchestra, the first outdoor symphonic drama ("Paul Green's The Lost Colony"), the first state-supported school of the arts, the first Governor's School for gifted high school students, the first permanent art gallery for the state, and the first state purchase funds provided by the state made possible the North Carolina Museum of Art, another pioneer venture among states.

Hodgkins directs the activities of her department from a handsome and spacious office in the Archives and History/State Library Building on Jones Street, next to the new building housing the loan from the state art museum, adorn the office with a variety of Tar Heel walks, and samples of Tar Heel crafts add to the decor.

Her boundless enthusiasm for her job is evident in part from Gov. Jim Hunt's avowed support for the programs of her department. During his campaign, he repeatedly spoke of the development of the state's economic resources walking hand in hand with the development of cultural resources.

"Too often people have viewed cultural resources as frills, something we can do without," Hodgkins explained. Gov. Hunt feels that, in addition to adding to the quality of life, such resources provide an economic stimulus. "By making North Carolina a better place to live, we bring in new people, new dollars."

Wednesday's appearance of the North Carolina Symphony in Carnegie Hall is an example of such interactions, she explained.

The governor is joining Hodgkins and officials from departments of Commerce and Natural and Economic Resources in representing North Carolina. He will host a luncheon in New York City for the symphony and its accom-

panying corporate executives, using the event to promote the hunt and travel promotion in addition to its cultural significance.

Another example of the interaction of government departments is the exchange of ideas and voicing of concerns. He also arranged a meeting between the cabinet and the Council of State, a body of elected officials, said Hodgkins.

The Secretary is spending her first weeks in her new job in the North Carolina Department of Cultural Resources, and in the departments and meetings of the 40-plus employees.

She extolled the excellence of her three division heads, Larry E. Tise, Archives and History; Edgar A. Marston, Arts; David McKay, State Library; and

feels that she has a head start on what she views as her primary responsibility to see that the best possible people for the jobs."

Sara Hodgkins, Director N.C. Department Of Cultural Resources

—Sun Staff Photos by Sparks.

in spite of her long association with the North Carolina Symphony, including two terms as chairman of the symphony society, she feels that she can be impartial in dealing with all facets of her position.

A visit to StageLife Center for Preservation Technology in Durham was one of her first off-duty business trips, but she looks forward to a great deal of travel as she visits all

areas where her department is at work. The North Carolina Durham holds a special place in the hearts of all members of the Hodgkins family, since they lived here for five years while Norris Hodgkins was chief executive at First Union National Bank.

They moved back to Southern Pines, Norris Hodgkins' hometown, when he assumed the post of chief executive at First Union there. They have three children.

Caroline, a UNC sophomore, a graduate of Appalachian State University, Hodgkins met her husband when she was a teaching job in the Durham area. She answered convincingly that her only ambition now is to do a good job in her new position.

Though long active in civic, church and social activities, her new job enables Sara Hodgkins to juggle the myriad duties between home and work. She commutes to and from Southern Pines City Council after moving back to the Sandhills region. She led the ticket and found the experience to be extremely gratifying.

When asked about political aspirations after her current four-year term, she answered convincingly that her only ambition now is to do a good job in her new position. "I'm actually getting paid to do what I have always wanted to do," she said incredulously.

Sara was the Assistant to the Choir Director, specializing in Children's Chorus during the four years she and her family lived in Durham.

FOUR THINGS ARE ESSENTIAL FOR THE FULL LEARNING AND LIVING OF THE CHRISTIAN FAITH, these can be taken in any order. 1) We must recognize that we are INVOLVED, that God is speaking to us personally. 2) We must HEAR what God is saying in His Word. 3) We must EXPLORE. This means taking a hard look at life today in the light of God's Word. 4) We must OBEY what God tells us by accepting responsibility.

The Church School provides opportunity for hearing, involvement, exploring and obedience.

Six members of the Durham Chamber of Commerce will spend two days in Washington, D.C., this week at the National Chamber of Commerce's

Pupils Challenge Faculty To Contest In Basketball

On March 10 at 7:30 p.m., the Northern High School Student Council will sponsor a student-faculty basketball game. Under the direction of Mike Erwin, council president, many committees have been organizing the game and activities. The two student teams, one for the girls and one for the boys, will challenge the male and female faculty teams. Sports will be added by volunteer cheerleaders and halftime activities which include a pie-eating contest, a fashion show and slam-dunking. Tickets are on sale at the school or can be purchased at the door for \$1.50. Proceeds from the game will be used toward the purchase of a new curtain for the stage in the auditorium.

The 12-member Concert Choir attended a choral festival on Thursday. The all-day event enabled some 20 high school choirs to assemble for an advanced choir workshop. They learned songs in French, German, and English. The workshop, held at Steward Theatre on the campus of North Carolina State University, was directed by Dr. Joan Melton

Dyke. Dr. Dyke, a former Miss North Carolina, is presently a professor of music at Peace College.

Fifteen NHS pupils are going on a summer trip to France and England, made possible by the planning of Mrs. Mary Washburn, French Club adviser. The trip will be June 26-July 4. There is room for one more student, and if any pupil is interested he should call Mrs. Washburn at 477-4603, or see her at school in N-44.

The Northern Adult Chapter of American Field Service will hold a meeting on March 8 at 7:30 p.m. at 5022 Autumn Drive, home of Mrs. M. H. Edwards. At NHS, AFS president, Cindy Long, is busy with the "New Adult" sale. Orders for the blue shirts can be made with Cindy or any other club officer.

With less than a month to shewtime, the musical participants are busy with rehearsals for "Carousel." The production will be presented April 1 and 2. Tickets are on sale and may be purchased from any cast member.

trumpets by Linda Hamilton, Gene Bland, Kelly Klutz; trombones by Fritz Sprecher, Joel McBroome; tuba by Joe Parker; and percussion by Dean Baggett and Pat Jordan. Pianists are Mrs. Bullard and Ken McLawhorn.

Many pupils have been working hard behind the scenes. These include Joan Miller, student director; Lisa Ford, stage manager; Debbie Berry, prompter; Bob Buschman and Mike Dillinger, lighting technicians; Mandy Norris and Betsy Totten, dance arrangers; and Cindy McMillan, rehearsal accompanist.

Praise For The Hospital

To The Editor:

My recent stay at the new Durham County General Hospital prompts me to write this note to the people of Durham and to our doctors and nurses. Competent, attentive doctors, ever ready to guide, and nurses who performed tirelessly supplied my needs.

As I went through the vast network of tests, medications, dietetics, surgery and X-rays, I was amazed at the coordination of the various departments.

In answer to some prior criticisms, may I say that the procedures established by the new hospital administrators for coping with routine details may of course have some flaws. However, any flaw in their system can and will be corrected, I'm sure.

To participate in ironing out any wrinkles which detract from the total effectiveness of the operation is a privilege and challenge for the professional staff at the hospital. Already the coordination of all divisions from top to bottom is commendable at this new institution, working to serve the people of Durham. I am indeed so proud of it.

I must add that the food, on the whole, is palatable; and the coffee in the insulated cup stays hot to the last drop.

Alcoa Foundation Grant Supports Research Project

Professor James H. Vander Weide has recently received a grant of \$5,000 from the Alcoa Foundation in support of a research project entitled "The Timing of Corporate Financing Decisions." The purpose of this project is to gather data on both debt and equity costs over many business cycles, and then to examine the relationship between these costs over a typical cycle.

When asked to comment on his project, Vander Weide noted that many business firms obtain capital in the debt and equity markets on a regular basis. Although these firms usually have a fairly constant long-term target capital structure, at any one time they will often float a large debt issue or a large equity issue, but not both. The decision of whether to float debt or equity issues at the time depends largely on current and expected future capital costs. If debt is currently relatively inexpensive compared to equity funds and the situation is expected to reverse itself sometime in the not-too-distant future, then now is the time to obtain required capital funds in the debt market.

If his study reveals no systematic relationship between debt and equity costs, then Vander Weide believes that business firms should abandon the attempt to optimize the timing of their financing decisions. If, on the other hand, a regular lead or lag relationship exists between debt and equity costs, then it could be very important to worry about timing decisions.

As part of his joint research efforts with Professor Steven F. Maier in the cash management area, Professor Vander Weide has recently developed a short-run financial planning model for Chemical Bank in New York to be used as part of the CHEMLINK computerized cash management system for corporations. The model is designed to search out, in a matter of seconds, the best possible investment or borrowing choice open to the firm's financial planner. It capitalizes on the speed and versatility of the computer and the information gathered by computer from cash management status reports put into the system by all the corporation's banks and operating units. Professors Vander Weide and Maier will be demonstrating the capabilities of this model at a series of demonstrations around the country sponsored by Chemical Bank.

Prof To Perform Liszt Composition

More Arts News On SD

Prof. Loren Withers, head of piano instruction at Duke University, will present an evening of discussion and performance of one of the great works of piano literature at Duke Monday night.

The Duke pianist will critically analyze Franz Liszt's "Sonata in B-minor" and will perform the work in his lecture-recital, 8:15 p.m. in the East Duke Music Room, East Campus. The program will be open to the public, free.

A landmark in 19th century composition as it marked "tremendous structural and harmonic advancement over previous music-writing practices," the Liszt sonata, according to Withers, is actually a fantasia, rather than an organic sonata-form work.

Dear Friends,

As we begin this season of LENT, a time of preparation and re-dedication, we would like to say a few words about our commitment to our Christian Education program. It seems that we often hear that Church School is too early, or one hour at church is enough for anybody. But we have to ask ourselves and others: How much of our time is our child's and our own religious education worth? We happen to believe that is worth quite a bit.

Ultimately, it must come down to a matter of priorities. We seem to find the time to do the things we really want to do. Sadly, we must report that the attendance at Sunday School in our church of 825 members is only on the average of 150 people.

During this LENTON SEASON, we hope that you will make it your personal resolution to come and participate in the educational program of the church.

We are enclosing descriptions of the classes now available in order to help you find your place. If these classes do not meet your needs and you would like to see a new class started please let us know.

Pupils Challenge Faculty To Contest In Basketball

On March 10 at 7:30 p.m., the Northern High School Student Council will sponsor a student-faculty basketball game. Under the direction of Mike Erwin, council president, many commitments have been organizing the game and activities. The two student teams, one for the girls and one for the boys, will challenge the male and female faculty teams. Spirit will be added by volunteer cheerleaders and halftime activities which include a pie-eating contest, a fashion show and slam-dunking. Tickets are 60¢, sale at the school or can be purchased at the door for \$1.50. Proceeds from the game will be used toward the purchase of a new curtain for the stage in the auditorium.

The 35-member Concert Choir attended a choral festival on Thursday. The all-day event enabled some 30 high school choirs to assemble for an advanced choir workshop. They learned songs in French, German, and English. The workshop, held at Steward Theatre on the campus of North Carolina State University, was directed by Dr. Joan Melton

Dyke. Dr. Dyke, a former Miss North Carolina, is presently a professor of music at Peace College.

Fifteen NHS pupils are going on a summer trip to France and England, made possible by the planning of Mrs. Mary Washburn, French Club adviser. The trip will be June 28-July 4. There is room for one more student, and if any pupil is interested he should call Mrs. Washburn at 477-0031, or see her at school in N-4.

The Northern Adult Chapter of American Field Service will hold a meeting on March 8 at 7:30 p.m., at 802 Autumn Drive, home of Mrs. M. H. Edwards. At NHS, AFS president, Cindy Long, is busy with the shirt sale. Orders for the blue shirts can be made with Cindy or any other club officer.

Women of the Church
Council Meeting

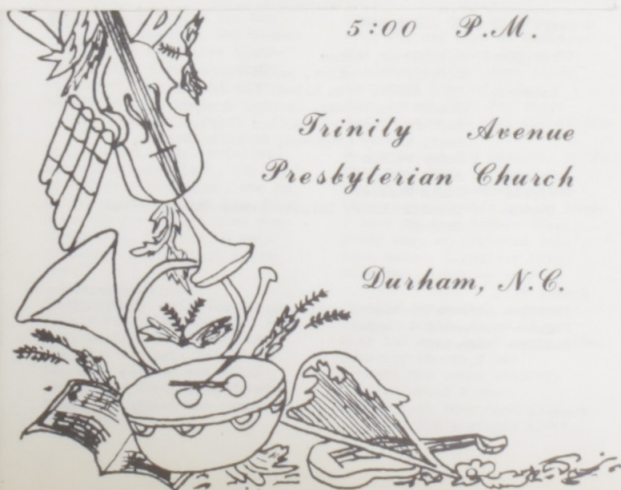

The Women's Council met Monday, January 10, 1977 in the Church Parlor. Those present were: Kathleen Bell, Kay Bell, Hildur Blake, Dot Brock, Marsha Covington, Louise Henry, Judy Johnson, Felicity Klintworth, Vilma Preuss, Betty Smith, Jerri Swanson, Baulah Timblin, Christine Vick and Suzy Ward.

1. Mrs. Swanson opened the meeting with a devotional and prayer and provided the refreshments for the Council members.
2. Mrs. Timblin began a discussion of circles, which had been initiated by suggestions from various women that one or more circles might be changed from the traditional Bible Study structures. Perhaps something like the Christian Endeavor Group could be a circle. Or one circle could study the history, structure or beliefs of the Presbyterian Church which would be very helpful to new members who were not previously Presbyterians. Women are urged to discuss this in their circles and bring back ideas so that the discussion may be continued. Mrs. Timblin suggested including a questionnaire in the bulletin on Sunday so as to get responses from as many women as possible on the type of circle in which they are interested.
3. The next Council Meeting will be Monday, February 21, at 7:30 P.M. at the church.
4. Following Mrs. Johnson's suggestion, Mrs. Preuss made a motion that the women of the church pay for babysitting services for the monthly meeting of the circle whose members are mainly young mothers. There was much interest in having a list of sitters from the WOC who would be willing to babysit during council or committee meetings, other church functions, or to assist the young mother's circle. These women would be paid a reasonable amount for their services. Circle Chairmen are asked to compile a list of their members who would like to be among the TAPC babysitters. Polly Long will be asked to include this in the next newsletter.
5. Miss Vick would appreciate the circle treasurer's including on their report to her an indication of what projects their "blessing box" was used for.
6. Mrs. Johnson reported for Jean Hewes who is in charge of the General Meeting on February 13, at 7:00 P.M. Speakers representing each of the following organizations which help people in the Durham area will be present: Contact, Parents Anonymous, and Prevention of Child Abuse, Durham County Health Dept., Durham County Mental Health Dept. and Hassle House.
Each family attending from our church is asked to bring a dessert, and Circle 5 will serve and provide a cold punch and perhaps coffee or tea. Sitters will be provided for small children.
Other area Presbyterian Churches will be invited, and the young people in our church are especially invited.
7. Baulah Crabtree is in charge of the March program which will be March 15th at 10:00 for the social period, 10:30 for the business meeting. Dr. Stuart Henry will be the speaker, and we will invite First Presbyterian and other churches to join us.
8. Mrs. Brock thanked everyone who helped her with the Christmas reception, and in return, she was congratulated for coordinating a lovely evening. Approximately \$240.00 was spent, about the same as last year.

Mendelssohn himself wrote to his publisher and said, "Take care of these works, for I regard them highly." Perhaps what makes the piece so suitable for church performance is the use of the chorale tune "Vater unser im Himmelreich" ("Our Father in Heaven") which is heard in a series of variations in the first movement. The fugue also uses the same theme and harmonic structure. Mendelssohn chose to end the sonata with a slow, soft movement in the key of D Major, the previous movements being in the key of D Minor.

Gigout was the organist at St. Augustine Church in Paris for over sixty years where he wrote the B Minor Toccata in 1892. He was a pupil of Niedermeyer, of the famous school of church music, a member of the staff of that school, the founder of another of his own, and a professor of organ at the Paris Conservatory.

Preservation Society Has Active Role In Stagville Dedication

By CAROLYN SATTERFIELD

An elaborate buffet luncheon, in a setting reminiscent of life in the late 18th century, will be served to dignitaries and guests attending the official dedication of the Stagville Center for Preservation Technology on March 29. The event is open to the public.

Gov. James Hunt will head the list of dignitaries attending the dedication, and Jerry Rogers, chief of the Office of Archeology and Historic

Park Service, will be the main speaker at the 10 a.m. ceremony at Stagville, located off the Old Oxford Highway in northeast Durham County.

Members of the Historic Preservation Society of Durham, a group which played an active part in the establishment of the center, are planning and preparing luncheon, which will be served at noon. Because members have donated the food, the ticket price of five dollars is tax

Blount of the luncheon committee. Serving with her are Mrs. E. M. Cameron, Mrs. Jack Hughes, Mrs. Victor Bryant Jr. and Mrs. Charles Livengood Jr. Mrs. Egbert Haywood is chairman of arrangements.

Mrs. Blount's husband, now retired, was serving as president of Liggett and Myers Tobacco Company, now The Liggett Group, when the company purchased the 3,240-acre

ville, the 18th century plantation home, and the surrounding 71 acres to the state last August for the establishment of the Center for Preservation Technology. This will be the first center in the nation where laymen and experts alike can come to learn restoration and archeology techniques while actual restoration is under way.

Following the dedication, the center will be open to the public for the first time. Fur-

placed in the center, on loan from the N.C. Department of Archives and History.

Mrs. George Brumley Jr. and Mrs. Newland Oldham are co-chairman of a committee to decorate the center in keeping with its 18th century vintage.

Luncheon reservations can be made through Mrs. William Shingleton, Mrs. Roscoe Strickland, Mrs. David Paulson, Mrs. Sam McPherson, Mrs. Lucy Blum, Mrs.

THE LENTEN SEASON from Frank Dew, Associate Minister

Lent is a period of forty weekdays and six Sundays, beginning on Ash Wednesday and culminating in Holy Week. The word "lent" comes from the lengthening of the days in springtime. Lent is traditionally observed by fasting and penitence. In joy and in sorrow during this season, the church preclaims, remembers, and responds to the atoning death of Christ. The traditional color for Lent is purple.

CONTACT

In continuation of our series on Christian community involvement, we focus this month on CONTACT, a 24-hour teleministry, or "Christian hotline." Several of our TAPC members are CONTACT phone volunteers. Volunteers are recruited through churches, often through the enthusiasm of other volunteers. CONTACT does not preach, but rather listens with empathy; each caller gets the undivided attention of the phone worker. Volunteers receive 13 weeks of training in developing listening skills, and in dealing with specific problem areas, under the direction of David McDowell-Fleming, CONTACT Director. They are then commissioned to work the phone. CONTACT workers represent a broad spectrum of Christian doctrine, but all are united in a common bond of commitment to helping others.

Prese Role in Stagville Dedication

By CAROLYN SATTERFIELD
An elaborate buffet luncheon, in a setting reminiscent of life in the late 18th century, will be served to dignitaries and guests attending the official dedication of the Stagville Center for Preservation Technology on March 29. The event is open to the public. Gov. James Hunt will head the list of dignitaries attending the dedication and Jerry Rogers, chief of the Office of Archeology and Historic

Park Service, will be the main speaker at the 10 a.m. ceremony at Stagville, located off the Old Oxford Highway in northeast Durham County.

Members of the Historic Preservation Society of Durham, a group which played an active part in the establishment of the center, are planning and preparing luncheon, which will be served at noon. Because members have donated the food, the ticket price of five dollars is tax deductible, said Mrs. William

Blount of the luncheon committee. Serving with her are Mrs. E. M. Cameron, Mrs. Jack Hughes, Mrs. Victor Bryant Jr. and Mrs. Charles Livengood Jr. Mrs. Egbert Haywood is chairman of arrangements.

THE LENTEN SEASON from Frank Dew, Associate Minister

Lent is a period of forty weekdays and six Sundays, beginning on Ash Wednesday and culminating in Holy Week. The word "lent" comes from the lengthening of the days in springtime. Lent is traditionally observed by fasting and penitence. In joy and in sorrow during this season, the church proclaims, remembers, and responds to the atoning death of Christ. The traditional color for Lent is purple.

O God, we praise thee for the Master, who rode in triumph into the city of his fathers. We thank thee that he came not as a conqueror to destroy but as a Messiah to save, and that he appealed to human hearts with the glory of love. In the spirit of praise and worship we ask that every knee shall bow, and every tongue confess that Jesus Christ is Lord, to the glory of God the Father. Amen.

NEW MEMBERS by Anne Wright

Miss Cathy Anne Smith, is teaching first grade at Durham Academy, her first teaching assignment since graduating from the University of South Carolina. She came to Durham last year from Summerton, S.C. Cathy is a basketball and football fan, and enjoys doing needlepoint and crewel work. Summers, she works for the Naval Research Lab in Washington. She is a niece of our Martha and Reuben Newsome.

Phillip W. Hutchings III is a 1973 UNC graduate. Having passed the CPA exam and worked for 2 years, Phil is now a Certified Public Accountant, in partnership with his father in Hutchings and Hutchings. Phil grew up in Durham, where he attended Jordan High School. He is an avid skier, and has spent some time this year on the slopes in Boone. He also plays for our church basketball team. Phil has a special affection for one member of our congregation, V. Marie Hutchings, who is his grandmother.

The Edward Kells came to Durham from Bethlehem, Pa., where he was a sales engineer for Bethlehem Steel. "Retired" is hardly the word to describe them; Ed is a volunteer with the Coordinating Council for Senior Citizens and is involved, through it, with half the agencies in town! He recently found an elderly man staying in bed to keep warm, and arranged for firewood for him. Marion is active in the Newcomers Club and likes to play golf and to sew. Having recently purchased a camper, they hope to do some traveling at a leisurely pace. Sundays they are in town, you'll find them in the George Matthis class.

The James O. Hoovers moved to Durham 5 years ago from Cedar Falls, Iowa, where Jim was a physician in general practice. After a residency in psychiatry at Duke, he became clinical director of the Durham Mental Health Dept. Helen is a pharmacist currently working at the VA Hospital. Matthew, 10, and Anne, 8, complete the Hoover family. For fun, they all jump on a trampoline, and Dad can ride a unicycle! The Hoovers have recently moved to a new home at 515 Brookwood Dr.

Michael Best, a Durham native who has appeared with opera companies and symphony orchestras in the United States and Canada, will appear in Trinity Avenue Presbyterian Church's production of the "Passion of Christ" by George Frederic Handel. The performance begins at 7:30 p.m. Thursday in the church sanctuary, 927 W. Trinity Ave.

MICHAEL BEST

Best is a graduate of the Juillard School of Music and has sung with the Opera Society of Washington as Kasper in Gian Carlo Menotti's "Amahl and the Night Visitors." He has appeared with the Spoleto Festival of Two Worlds, the New York City Opera as Ottavio in Mozart's "Don Giovanni," Pierre Boulez and the New York Philharmonic, Zubin Mehta and the Los Angeles Philharmonic, at Carnegie Hall with the Detroit Symphony and Rafael Frubbeck de Burgos and with other opera companies and orchestras.

Other soloists in the Trinity production are Wayne Lail, as Jesus; Meredith Marcellus as Mary; Carolyn Crumppacker as the evangelist; John Allen, Sharon Buckingham and Lucio-ette Hoot as daughters of Zion; Robert Kribsbaum and Kathy Wilson as James and John; Barbara Fletcher as Judas; Jack Allen as Caiaphas; Kari Buckingham as Pilate; Don-

Thaxton and Marilyn Floyd as Mary of the Misty Priest and Marion Long as a believer.

Director for the performance is Lloyd Cole. Cole also is organist and choirmaster at Trinity. He is being assisted by violinists Earl Wolslagel and Lawrence Evans, violist Julia Mueller, cellist David Roe, oboists Alice Smith and Mitch Edmundson, harpsichordist Karen Withers and organist J. Samuel Hammond.

Symphony Membership Drive Slated

As the sign held by Mrs. J. Bruce Hoof and William C. Cowdry says, "April is North Carolina Symphony Month." This year's membership drive for the symphony begins Friday in Durham. Ten concerts have been scheduled by the symphony for the Triangle Area, including three in Durham. Vocalists Sarah Vaughn and Roberta Peters, pianist Grant Johannessen and violinist Ruggiero Ricci are scheduled to perform with the symphony. In addition, there will be a children's concert for

Durham city schools, a Christmas chorale and possibly a concert opera. Season tickets are honored at all North Carolina Symphony membership concerts throughout the state. Mrs. Hoof, president of the Durham Chapter of the symphony, and Cowdry, a chapter member, receive a musical send off for their membership drive from Kelley Otto, Allison Hoof and Timothy Otto.

3 James B. Duke Professors Named

Appointments to James B. Duke professorships, Duke University's highest academic honor, have gone to three faculty members in political science, English and medicine.

The three are Dr. James David Barber, professor of political science; Reynolds Price, well-known author and professor of English; and Dr. Madison S. Spach, professor of political science.

They will be honored at a dinner on the Duke campus tonight, along with others who hold distinguished chairs at the university. Their appointment brings to 59 the number holding James B. Duke professorships, including 15 emeriti professors and three who will retire Aug. 31.

Barber is chairman of Duke's Department of Political Science and has been at the university since 1972.

He specializes in studies of political leadership, political psychology and American politics and is the author of the widely quoted book, "The Presidential Character: Predicting Performance in the White House."

He has written numerous articles in professional publications and for national magazines and newspapers. He authored an article on President Carter for Time Magazine's coverage of the inauguration.

A native of Charleston, W. Va., Barber received his undergraduate education and a master's degree at the University of Chicago. He received his Ph.D. at Yale University. He was professor of political science at Yale before

coming to Duke. Price's novel, "A Long and Happy Life," won the William Faulkner Award in 1982 for a "notable first novel." The same book also won the Sir Walter Award and was a Book-of-the-Month Club selection. Several other successful novels and collections of essays and short stories have followed.

He also has received the Award of the National Institute of Arts and Letters, the Bellarmine Foundation Award and the Lillian Smith Award.

Price was born in Macon and attended Duke on an Angier B. Duke Scholarship. After graduating from Duke, he attended Oxford University on a Rhodes Scholarship and received a Bachelor of Letters from Oxford in 1953. He was a Guggenheim Fellow in 1964-65.

Spach is a specialist in heart diseases among infants and young children. He is chief of the Division of Pediatric Cardiology in Duke's Department of Pediatrics and in recent years has played a key role in developing new techniques for mapping the electrical activity of the heart.

Spach is the author of more than 100 articles in professional medical journals. He is a past president of the North Carolina Heart Association and holds membership in numerous research and professional societies.

A native of Winston-Salem, he is a Phi Beta Kappa graduate of Duke and also attended Duke Medical School. He took both his internship and residency training at Duke and was appointed to the faculty in 1957.

VIN S. SCULLIN, 48, of 314 Stanford St., died Wednesday at his home.

Graveside funeral rites will be held Friday at 2 p.m. at the Galatia Presbyterian Church cemetery.

Scullin was the owner of Allied Exterminators of Durham until his retirement. He was a member of Trinity Street Presbyterian Church, and was a Mason, Shriner, a member of the Durham Lions Club and a veteran of World War II.

Surviving are one son, Mike Scullin of the home; two brothers, Oscar Scullin and John Scullin, both of Raleigh; seven sisters, Mrs. Ida Warner, Mrs. Ruth McDougald and Mrs. Gertrude Hair, all of Raleigh, Mrs. Margaret Slagle of Charlotte, Mrs. Gladys Nickerson of Bel Air, Md., Mrs. Mary Patterson of Fayetteville and Mrs. Elvin Miller of Durham.

April Meetings

Mrs. Louise Henry discussed programs for the mentally retarded at the April meeting of the Westwood Garden Club, held at the home of Mrs. George Shellenburger. Much has been done in the field, Mrs. Henry said, and progress continues. Mrs. Wynda Woods was co-hostess.

Admissions Head Picked

Recently Durham Academy headmaster, Mr. Robert Johnston, announced the appointment of Mr. Robert Singdahlsen as the new admissions director for the school.

By MIKE BOZYMSKI
DAHS

As English instructor and drama coordinator at DAHS for four years, Mr. "Sing" as his pupils refer to him, seems enraptured with his new assignment. "I have always felt that my abilities are best used when dealing with people," he said. "I have never really considered myself a scholar. I really like

very administrative it will also be people-oriented," he said. "I have never really considered myself a scholar. I really like

to teach, but I was presented with an opportunity that would have been difficult to refuse. Looking ahead to my future I feel that I made the right choice."

He came to the Academy with impressive credentials. A graduate of Dickinson College, he later obtained his masters degree in drama from Case Western Reserve University. Following his studies in Cleveland, he attended the Pittsburgh Theological Seminary and received a masters in divinity.

While he has gained a reputation among the student body as an individual with an open ear, a quick wit, and an excellent classroom demeanor, Mr. Singdahlsen has also been a positive force in the DAHS fine arts program.

His work at the Academy has produced a vibrant fine arts program. Dance, choral instruction, art and drama have all become mainstays in the curriculum. While all pupils are not yet required to enroll in the arts courses, increased involvement has resulted in expanded offerings in all areas next year.

His productions at the Academy have been in entertainment and the promotion of the arts. He has directed the musical, "Spring for Sure," "Episode in the Life of an Author," and is currently involved with the Greek tragedy, "Antigone."

Presentations dates are May 5, 6, 7 in the new auditorium at DAHS. Unfortunately, Mr. Singdahlsen's endeavors will require him to maintain an office at the Academy Road campus. He will continue to lead one course per semester at DAHS. He is currently scheduled to instruct an advanced acting course in the fall and another drama seminar in the spring. Also on his agenda for the year at DAHS are two major play productions. Apologies to Miss Nancy Stickle, whose name was inadvertently left off the list of National Merit Finalists. She is one of eight DAHS seniors who have qualified as finalists.

Ball Preparations Begin

RALEIGH — Memorial Auditorium will be transformed into a spring paradise for the 1977 North Carolina Symphony Ball which will be held April 16 under the sponsorship of Governor and Mrs. James B. Hunt Jr.

Committees from the North Carolina Symphony Women's Association have been hard at work planning decorations, the details for which are classified as "top secret." But all of the ladies involved agree that Memorial Auditorium will be in its full glory for the 17th annual ball, a major social and fundraising event for the Symphony Society.

Inside the ball itself, the guests will be treated to a sit-down dinner for the first time in the history of the ball.

Mrs. Russell N. Barringer of Durham is chairman of the table decorations committee and her assistants include Mrs. George Brumley, Mrs. William T. Epperson, Mrs. Robert L. Haywood, Mrs. Patrick D. Koss, Mrs. Baxter Sapp, Mrs. Harvey P. Ross, Mrs. Carl H. Richter, Mrs. R. A. Stetsenmuller, Mrs. William Boone, Mrs. Milton Barber Jr., Mrs. Daniel Edwards, Mrs.

George W. Miller Jr., Mrs. Steel Rollins, Mrs. Alston Stubbs, and the local coordinator for the Durham members of the North Carolina Symphony Women's Association, Mrs. Sam Mangum.

The dinner menu begins with a seafood cocktail of shrimp and crabmeat, covered remoulade sauce. As a main course, the waiters will serve prime ribs and lobster thermidor supreme. In addition, Yorkshire pudding, French market peas, baked tomato valencia and stuffed potato mornay will be featured. Caesar salad will be on the dinner fare, as will homemade rolls and English trifle. An assortment of beverages and champagne will be available.

Mrs. C. Gordon Madgley of Raleigh and Mrs. John B. MacLeod of Chapel Hill, overall coordinators for the Ball, have supervised the total preparations for this season's event. The Ball itself will be preceded by a reception at the Executive Mansion, at which time the Governor and his wife will greet their formally-attired guests.

Reservations for 300 couples will be accepted for the 1977 Symphony Ball with the deadline being April 9.

Miss Cynthia Warren Peake, a sophomore at University of North Carolina, has been initiated into Kappa Alpha Theta Sorority. She is the daughter of Mr. and Mrs. Robert Sanders Peake, 2436 Tryon Road.

Summer Schedule

We will continue to schedule choir rehearsals on Wednesday nights during the summer months. If you're in town, why not come to choir, there's nothing else better to do!! However, I will be assigning a few people to be here on a certain Sunday so I can be sure of at least an adequate balance. Consult your calendars and let me know if the dates I assign are not convenient.

Plan to attend the Conference on Music and Worship at Montreat this summer, July 10-15. If you enjoy the excitement of singing in a 1,000 voice choir, then Montreat is for you. The whole week is music - learning anthems, looking at new music, being involved in creative worship services, hearing organ recitals and much more. Lloyd Pfautsch is the adult choir leader, Malcolm Williamson is the children choir's leader and a whole host of other great personalities. We have rooms reserved for our delegation in a modern, air-conditioned dormitory with private shower/bath. The cost to you is \$50.00 which includes everything except food. Deadline for registration is June 1. Plan to attend and let me know soon so I can make transportation arrangements and let the housing office know of our arrangements. I don't think you will be disappointed if you decide to go!!

Smith Family Crest: 4/34
Field Of Rampant Children

The Editor:

I recently published an article from my wife, who praise her illustrious ancestor Frederick Hargett. I intend her genealogical effort; however, bear in mind, that she was just one Hargett! Now, there are five Smiths.

My father's "Roots" is another commendable effort. I believe that research would prove that Kint, related into English, would be Smith; so overnight there are just millions of them. As my father before me, I working on the family genealogy; the title was going to be "Roots." Now it will be "The Beginning." My father is not the origin, but rather the numbers. The Smiths are doers. I never met a grande dame of D.A.R. who did not have a general in the Revolutionary War. It was Pvt. Willie Smith and his close friend, Joshua Jones, who while shivering at Valley Forge, concocted a profound strategy: when spring came, would meet the enemy head on and knock the fool of him. The officers who followed them wrote of this feat; of course, they signed their names.

My ancestors! One of mine won a war, Pvt. William C. Smith, 24th Michigan, of the Iron Brigade. His foes called them "Those Devils in the Black Slouch." That first day at Gettysburg, Smith had an arm amputated. I have contacted other descendants of the 24th, to find that all of their ancestors were officers. So, my great-grandfather, missing an arm, must have held the line until the rest of the Army arrived.

The famous professor, Smith, from U.G. (Univ. of Georgia) tells me that the following surnames are all Smiths — Poles, ending in ski, Chinese of Li or Lee, Otonari, Ani in Italian (that's a lot of pasta), not to mention the Kenites, who saved Moses and his people in Sinai. Why, if you took us away, the world's wheels would stop.

We have a humble mission, "Go forth and multiply!" We have done; my father alone has 140 children. We are the levelers, "We are going to level the brotherhood of all mankind is our goal. Ignorant fools think our family crest is obscene; crudity is not a four-letter word, nor is a field of rampant children.

The Lord had some very important priorities; for it was not until the sixth day that he created man. Then He created a very warm pair, with all sort of complex human emotions. Yes! I, too, am very proud of my "roots" and with all due respect my origins, that magnificent couple, Adam and Eve SMITH.

Light Of History Town Of Raleigh Was Formed 185 Years Ago

CHAPEL HILL, N. C. (AP) — On March 30, 185 years ago, a state committee voted to establish the new capital of North Carolina on a Wake County farm, and within a few months the town of Raleigh was formed.

Seventy years earlier, Edenton had become the first fixed seat of government, but not for long. The population was scattered and traveling was slow, so the colonial legislature adopted the custom of meeting at various places.

New Bern finally was chosen as the capital, and Tryon's Palace was completed in 1770 as the governor's residence and meeting place for the council.

The palace at New Bern became a casualty of the Revolution. Because of British threats, the war governors and legislatures sought protection inland, and the building was seldom used.

The center of population also had shifted and when the military threat disappeared, up-country legislators determined to move the capital westward.

Several communities sought the honor and the General Assembly unable to resolve the issue, delegated the matter to the convention which met in 1788 in Hillsborough.

The convention voted to fix the capital within a radius of 10 miles of Isaac Hunter's inn in Wake County, leaving selection of the exact spot to the General Assembly.

Due to legislative opposition by those who supported Fayetteville, the assembly did not know, till then, where to go. On March 30, 1782 to purchase 1,000 acres from Leno for the sum of 1,575 English pounds.

From that point, events moved rapidly. William Christmas surveyed the wilderness and laid out a town which provided near its center a six-acre "Union Square" on which the state house was to be built.

The plan also laid out streets and lots, reserving four blocks for permanent public use, one each named for the Independent state's first three governors and current attorney general.

The lots were sold and the income was applied to the construction of the state house, with preliminary work beginning before the end of the year.

Among the purchasers of lots was Gov. Alexander Martin and four other men who later became governors.

Eight streets — those intersecting or passing Union Square — were named for the judicial districts of the state: Edenton, Fayetteville, Halifax, Hillsborough, Morristown, New Bern, Salisbury and Wilmington.

Commemorating their own role in selection of the capital, the commissioners also named nine streets for themselves: Bloodworth, Blount, Dawson, Hargett, Harrington, Jones, Martin, McDowell and Person.

Appropriately enough, streets on the outer edge of town were designated North, East, South and West.

The remaining streets honored contemporary leaders: Senate Speaker William Lewis, House Speaker Stephen Calhoun, Gen. William H. Davis, and, not to be overlooked, Joel Lane.

Gov. Martin had nothing named for him. Martin Street got its name from the site commissioner James Martin.

With the site finally settled, the General Assembly directed that the commissioners be relieved — and the different departments of government conducted near each other, to the quick dispatch of business and ease to the citizens.

Thus the government had found a home and the city began to grow around Union Square where the Capitol now stands.

The palace at New Bern became a casualty of the Revolution. Because of British threats, the war governors and legislatures sought protection inland, and the building was seldom used.

The center of population also had shifted and when the military threat disappeared, up-country legislators determined to move the capital westward.

Several communities sought the honor and the General Assembly unable to resolve the issue, delegated the matter to the convention which met in 1788 in Hillsborough.

The convention voted to fix the capital within a radius of 10 miles of Isaac Hunter's inn in Wake County, leaving selection of the exact spot to the General Assembly.

Due to legislative opposition by those who supported Fayetteville, the assembly did not know, till they voted March 30, 1789 to purchase 1,000 acres from Leno for the sum of 1,375 English pounds.

From that point, events moved rapidly. William Christmas surveyed the wilderness and laid out a town which provided near its center a site — "Union Square" on which the state house was to be built.

This plan also laid out streets and lots, reserving four blocks for permanent public use, one each named for the Independent state's first three governors and current attorney general.

The lots were sold and the income was applied to the construction of the state house, with preliminary work beginning before the end of the year.

Among the purchasers of lots was Gov. Alexander Martin and four other men who later became governors.

Eight streets — those intersecting or passing Union Square — were named for the political districts of the state: Florence, Fayetteville, Halifax, Hillsborough, Moravia, New Bern, Salisbury and Wilmington.

Commemorating their own role in selection of the capital, the commissioners also named nine streets for themselves: Bloodworth, Blount, Dawson, Hargett, Harrington, Jones, Martin, McDowell and Peran.

Appropriately enough, streets on the outer edge of town were designated North, East, South and West.

The remaining streets honored contemporary leaders: Senate Speaker William Lenoir, House Speaker Stephen Calhoun, Gen. William R. Davie, and, not to be overlooked, Joel Lane.

Gov. Martin had nothing named for him. Martin Street got its name from the site commissioner James Martin.

With the site finally settled, the General Assembly directed that "the public buildings be reserved" — and the different departments of government crowded near each other, to the quick dispatch of business and ease in the citizens.

Thus the government had found a home and the city began to grow around Union Square where the Capitol now stands.

Editor, The Sun:

Being a newcomer to Durham, it was with great interest that I read your article of March 30 entitled "Light Of History: Town Of Raleigh Was Formed 185 Years Ago."

I am a direct descendant of Frederick Hargett, who was chairman of the legislative commission that not only selected the site for our Capital but also established the University of North Carolina at Chapel Hill.

I learned that the men on the commission all bought prop-

erty in Raleigh to help in its establishment.

Of my great-great-grandfather, Frederick Hargett, I have read in North Carolina history books where he was described as a gentleman from New Bern, a hero of the American Revolution, and the first chairman of the board of trustees of the university at Chapel Hill. The family of Hargetts first had immigrated to New Bern with a group of other Palatines in the year 1719.

Field Of Rampant Children

Editor:

Recently you published an article from my wife, who raise her illustrious ancestor Frederick Hargett. I send her genealogical effort; however, bear in that she was just one Hargett! Now, there are five Smiths.

My father's "Roots" is another commendable effort. I believe that research would prove that Kinte, translated into English, would be Smith; so overnight are just millions of them. As my father before me, I working on the family genealogy; the title was going "Roots." Now it will be "The Beginning." My name is not the origin, but rather the numbers. The Smiths are doers. I never met a grande dame of D.A.R. who did not have a general in the Revolutionary War. It was Pvt. Willie Smith and his close friend, Joshua Jones, who while shivering at Valley Forge, concocted a profound strategy: when spring came, would meet the enemy head on and knock the fool him. The officers who followed them wrote of this feat; of course, they signed their names.

My illustrious ancestors! One of mine won a war, Pvt. William C. Smith, 24th Michigan, of the Iron Brigade. They called them "Those Devils in the Black Slouch." That first day at Gettysburg, Smith had an arm. I have contacted other descendants of the 24th, to find that all of their ancestors were officers. So, great-grandfather, missing an arm, must have held it until the rest of the Army arrived.

My famous professor, Smith, from U.G. (Univ. of Georgia) tells me that the following surnames are all — Poles, ending in ski, Chinese of Li or Lee, Otonese, Ani in Italian (that's a lot of pasta), not to mention the Kenites, who saved Moses and his people in Sinai. Why, if you took us away, the world's wheels stop.

I have a humble mission, "Go forth and multiply!" We have done; my father alone has 140 children. We are the levelers, "We are going to the brotherhood of all mankind is our goal. Ignorant fools think our family crest is obscene; undignity is not a four-letter word, nor is a field of rampant children.

Lord had some very important priorities; for it until the sixth day that he created man. Then He very warm pair, with all sort of complex human. Yes! I, too, am very proud of my "roots" and with all due respect my origins, that magnificent couple, Adam and Eve SMITH.

Light Of History Town Of Raleigh Was Formed 185 Years Ago

CHAPEL HILL, N. C. (AP) — On March 30, 185 years ago, a state committee voted to establish the new capital of North Carolina on a Wake County farm, and within a few months the town of Raleigh was formed.

Seventy years earlier, Edenton had become the first fixed seat of government, but not for long. The population was scattered and traveling was slow, so the colonial legislature adopted the custom of meeting at various places.

New Bern finally was chosen as the capital, and Tryon's Palace was completed in 1779 as the governor's residence and meeting place for the council.

The palace at New Bern became a casualty of the Revolution. Because of British threats, the war governors and legislatures sought protection inland, and the building was seldom used.

The center of population also had shifted and when the military threat disappeared, up-country legislators determined to move the capital westward.

Several communities sought the honor and the General Assembly unable to resolve the issue, delegated the matter to the convention which met in 1788 in Hillsborough.

The convention voted to fix the capital within a radius of 10 miles of Isaac Hunter's inn in Wake County, leaving selection of the exact spot to the General Assembly.

Due to legislative opposition by those who supported Fayetteville, the assembly chose March 30, 1783 to purchase 1,000 acres from Lane for the sum of 1,375 English pounds.

From that point, events moved rapidly. William Christmas surveyed the wilderness and laid out a town which provided near its center a site where "Union Square" on which the state house was to be built.

The plan also laid out streets and lots, reserving four blocks for permanent public use, one each named for the independent state's first three governors and current attorney general.

The lots were sold and the construction of the state house, with preliminary work beginning before the end of the year.

Among the purchasers of lots was Gov. Alexander Martin and four other men who later became governors.

Eight streets — those intersecting or passing Union Square — were named for the judicial districts of the state: Edenton, Fayetteville, Halifax, Hillsborough, Morgan, New Bern, Salisbury and Wilmington.

Commemorating their own role in selection of the capital, the commissioners also named five streets for themselves: Bloodworth, Blount, Dawson, Martin, McDowell and Person.

Appropriately enough, streets on the outer edge of town were designated North, East, South and West.

The remaining streets honored contemporary leaders: Senate Speaker William Lenoir, House Speaker Stephen Calhoun, Gen. William B. Davis, and, not to be overlooked, Joel Lane.

Gov. Martin had nothing named for him. Martin Street got its name from the site commissioner James Martin.

With the site finally settled, the General Assembly directed the construction of government buildings — and the different departments of government conducted new each other to the quick dispatch of business and ease to the citizens.

Thus the government had found a home and the city began to grow around Union Square where the Capitol now stands.

CALL TO PRAYER

M. Grace be unto you, and peace, from God our
 Father, and from the Lord Jesus Christ.
 R. Give unto the Lord the glory due unto His name.
 M. Worship the Lord in the beauty of holiness.
 R. God is a Spirit: and they that worship Him
must worship Him in spirit and in truth.
 M. The Lord be with you.
 R. And with thy spirit.
 M. Let us pray:

ADORATION

CONFESSION (Unison)

Thou, O Lord, hast promised;
 That if we will confess our sins Thou art
 faithful and just to forgive us our sins.
 We come in penitence seeking Thy forgiveness;
 That we may know the joy of Thy presence;
 And the light of Thy face.
 Thou alone knowest how often we have offended Thee;
 And hurt the lives of others.
 Forgive us, O Lord;
 For every unkind thought;
 For every untrue word;
 For every wrong act.
 Forgive us;
 For we have been selfish;
 And have not thought of the needs
 of others.

Forgive us,

For our ingratitude;
 Our neglect of prayer;
 Our carelessness in the use of money;
 Our forgetfulness of our sacred vows.

O God, have mercy upon us.
 Create in us clean hearts; And renew a
 right spirit within us. For the sake
 of Jesus Christ our Lord. Amen.

New View Of Library

This recently completed watercolor of the Durham Public Library is one of 50 paintings by Durham artist Bob Blake that will be on exhibit through May in the Morehead Planetarium in Chapel Hill. Another is of a tobacco barn that used to stand where the Northgate Shopping

Center is today. All of the paintings are of North Carolina scenes. Blake, who perhaps has painted and sketched more churches and public buildings than anyone else in Durham, also uses the brush and pencil for a living. He is coordinator of medical art at the Duke Medical Center.

13 Durham Doctors Are Delegates

Thirteen Durham physicians and one medical student have been elected to serve as delegates from Durham County to the Annual Meeting of the North Carolina Medical Society May 5-8.

They include Doctors Edward Hedgpeth Jr., Hilliard Seigler, William R. Hudson, Herbert Saker, Will C. Sealy, Robert K. Young, Seth Hobart, Walter Loefer, Larry Turner, Alton J. Coppidge, Robert A. Buchanan Jr., Mehrdad M. Sabba, and Merv H. Harmel, Kurt Newman is the medical student delegate.

Ad-hoc delegates from Durham to the meeting include Dr. Lenox D. Baker, Dr. John Glasston and Dr. James E. Davis.

Teachers To Travel

Dr. Ruth Bishop, history teacher at Durham Academy, left Wednesday for Karachi, Pakistan. Her weeklong trip is the preliminary on-site planning stage for a longer expedition this summer.

The summer experience is sponsored by the United States Educational Foundation in Pakistan.

in cooperation with Pennsylvania State University.

Professor Jerry McDevitt and Bishop will escort a group of Southeastern North Carolina public high school and college students to study in Pakistan.

Bishop's husband, will accompany the group to document the trip with an eight-centimeter audio film.

3 On Duke Faculty Get Professorships

Three Duke University faculty members have received appointments to James B. Duke Professorships, the school's highest academic honor.

The three are Dr. James David Barber, professor of political science; Reynolds Price, author and professor of English; and Dr. Madison S. Spach, professor of pediatrics.

They were to be honored at a dinner on the Duke campus tonight, along with others who hold distinguished chairs at the university. Their appointment brings to 50 the number holding James B. Duke Professorships, including 19 emeriti professors and three who will retire Aug. 31.

Barber is chairman of Duke's department of political science and has been at the university since 1972.

He specializes in studies of political leadership, political psychology and American politics and is the author of the widely quoted book, "The Presidential Character: Predicting Performance in the White House."

He has written numerous articles in professional publications and for national magazines and newspapers. He authored an article on President Carter for Time Magazine's coverage of the inauguration.

A native of Charleston, W.Va., Barber received his undergraduate education and a master's degree at the University of Chicago. He received his doctorate at Yale University.

He was professor of political science at Yale before coming to Duke.

Price's novel, "A Long and Happy Life," won the William Faulkner Award in 1972 for a "notable first novel." The same book also won the Sir Walter Award and was a Book-of-the-Month Club selection. Several other successful novels and collections of essays and short stories have followed.

He also has received the Award of the National Institute of Arts and Letters, The Bellmann Foundation Award and the Lillian Smith Award.

A native North Carolinian, Price was born in Mason and attended Duke on an Angier B. Duke Scholarship. After graduating from Duke, he attended Oxford University on a Rhodes Scholarship and received a Bachelor of Letters from Oxford in 1958. He was a Guggenheim Fellow in 1964-65.

Spach is a specialist in heart diseases among infants and young children. He is chief of the division of pediatric cardiology in Duke's department of pediatrics and in recent years has played a key role in developing new techniques for mapping the electrical activity of the heart.

Spach is the author of more than 100 articles in professional medical journals. He is a past president of the North Carolina Heart Association and holds membership in numerous research and professional societies.

School Of Nursing At Watts Hospital Confers Diplomas

Thirty-three seniors graduated from the Watts Hospital School of Nursing in exercises held last week at the First Baptist Church on Cleveland Street.

Durham County Hospital Corp. trustee Dr. Frank DeViver presided.

Although Watts Hospital closed last October, the 60-year-old school remained open with students getting clinical training at Durham County General Hospital.

Three awards were presented for excellence in nursing. They were the A. G. Carr Award, presented annually to the student who by her integrity and loyalty to duty has set the high standard for the class, to Cheryl Andrews Merritt; the N. D. Bittling Prize, to the student who exhibits superior nursing ability in the care of the surgical patient, to Donna Cox; and the Bonner D. Sawyer Prize, to Catharine Berletta Walker.

Dr. Laurel Archer Corp. Dean of the University of North Carolina School of Nursing, made the graduation address.

NEW CIRCLES PLANNED BY WOMEN OF THE CHURCH

In order to meet the needs of more women in our TAPC congregation, there will be some choice in circle format for next year. Traditional circles, following the WOC workbook on Bible study, will meet Monday morning and evening, and Tuesday evening. In addition, there will be two circles set up for comprehensive study of the Old Testament, one Monday morning led by Beulah Timblin, and one Tuesday morning, led by Hildur Blake. A greater departure from traditional Bible study will be offered by a circle which will address itself to the problems of young women in everyday living. This circle, co-chaired by Sharon Shields and Edie Boon, will meet Monday morning, with baby-sitting provided. Among current programs being planned are a discussion centering around the appearance of child psychiatrist Dr. Brazelton at Duke this fall, and a contrast of women's roles, the working woman as opposed to the woman who chooses to stay at home. Any woman who has not had an opportunity to sign up for a circle may do so, or obtain more information, by calling Beulah Timblin at 383-2818, or Jerri Swanson at 489-2691.

MAY CALENDAR

- MAY 9--WOC Birthday luncheon--12:00
- MAY 11--Weekday School Open House for parents--7-8 P.M. in the church parlor
- MAY 13--Chancel Choir cookout--6:30 at Robert and Dottie Thaxton's
- MAY 13-15--Youth Fellowship beach retreat
- MAY 21--Covenant Life Class covered-dish supper at John and Dot Faulkenberry's--3110 Shaftsbury
- MAY 29--Family Night--Covered-dish supper at 6:00 followed by contemporary worship service at 7:00 by Youth Fellowship

NOTES OF INTEREST

We are now trying to establish a staff for next year's TAP. We are going to expand and make this a truly exciting newsletter, but we need much help! Want to do some writing? How about typing? WE NEED YOU! Talk to Frank about it.

Please pick up your church directory if you haven't yet. One is reserved for each member family.

Junior Music Camp will be held July 18-22 at Camp New Hope for children ages 9-12. Included will be music, worship, crafts, and lots of fun. Cost is only \$22.50 for TAPC members.

PENTECOST, MAY 29TH--Frank Dew, Associate Minister

Following Easter comes the week of Pentecost. This points back to the Jewish feast of the first fruits of the harvest and the giving of the Law to Moses. Pentecost is the Greek name given to this feast because it falls on the 50th day after Passover. The church remembers it was on this day that the Holy Spirit descended on the Apostles.

NEW MEMBERS ON TAP by Anne Wright

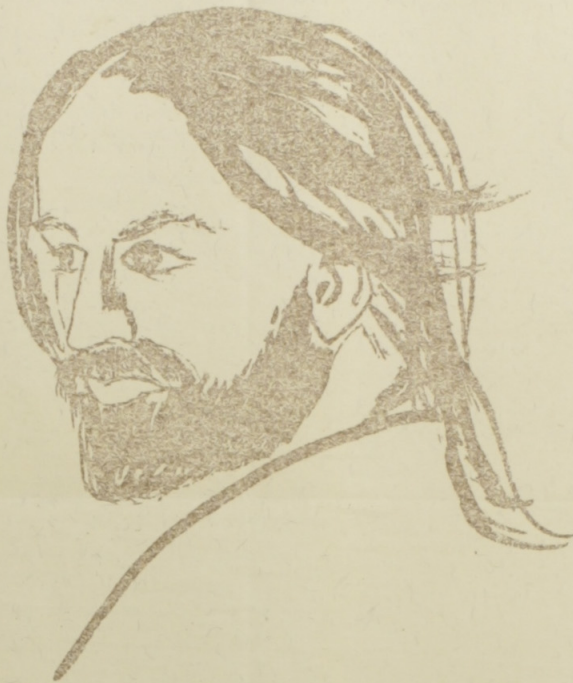

Dr. and Mrs. W. Allen Addison live on a farm four miles from Hillsborough, with their three daughters, twelve horses, and seven dogs! The girls are Becky, 16, a junior at Orange High, Cindy, 13, an eighth-grader, and Amy, 6, a first-grader. Allen, who received his M.D. at Duke, went into private practice and has now returned to the Dept. of Obstetrics and Gynecology at the Duke Medical Center. The Addisons love to ride together as a family and have been hunting with the Red Mountain Hunt. All five are here bright and early on Sunday morning for Sunday School.

3 On Duke Faculty Get Professorships

Three Duke University faculty members have received appointments to James B. Duke Professorships, the school's highest academic honor.

The three are Dr. James David Barber, professor of political science; Reynolds Price, author and professor of English; and Dr. Madison S. Spach, professor of political science.

They were to be honored at a dinner on the Duke campus tonight, along with others who hold distinguished chairs at the university. Their appointment brings to 50 the number holding James B. Duke Professorships, including 18 emeriti professors and three who will retire Aug. 21.

Barber is chairman of Duke's department of political science and has been at the university since 1972.

He specializes in studies of political leadership, political psychology and American politics and is the author of the widely quoted book, "The Presidential Character: Predicting Performance in the White House."

He has written numerous articles in professional publications and for national magazines and newspapers. He authored an article on President Carter for Time Magazine's coverage of the inauguration.

A native of Charleston, W.Va., Barber received his undergraduate education and a master's degree at the University of Chicago. He received his doctorate at Yale University.

He was professor of political science at Yale before coming to Duke.

Price's novel, "A Loner and Happy Life," won the William Faulkner Award in 1972 for a "notable first novel." The same book also won the Sir Walter Award and was a Book-of-the-Month Club selection. Several other successful novels and collections of essays and short stories have followed.

He also has received the Award of the National Institute of Arts and Letters, The Bellmann Foundation Award and the Lillian Smith Award.

A native North Carolinian, Price was born in Mason and attended Duke on an Andrew B. Duke Scholarship. After graduating from Duke, he attended Oxford University on a Rhodes Scholarship and received a Bachelor of Letters from Oxford in 1960. He was a Guggenheim Fellow in 1964-65.

Spach is a specialist in heart diseases among infants and young children. He is chief of the division of pediatric cardiology in Duke's department of pediatrics and in recent years has played a key role in developing new techniques for mapping the electrical activity of the heart.

Spach is the author of more than 100 articles in professional medical journals. He is a past president of the North Carolina Heart Association and holds membership in numerous research and professional societies.

NEW CIRCLES PLANNED BY WOMEN OF THE CHURCH

In order to meet the needs of more women in our TAPC congregation, there will be some choice in circle format for next year. Traditional circles, following the WOC workbook on Bible study, will meet Monday morning and evening, and Tuesday evening. In addition, there will be two circles set up for comprehensive study of the Old Testament.

NEW MEMBERS ON TAP by Anne Wright

Dr. and Mrs. W. Allen Addison live on a farm four miles from Hillsborough, with their three daughters, twelve horses, and seven dogs! The girls are Becky, 16, a junior at Orange High, Cindy, 13, an eighth-grader, and Amy, 6, a first-grader. Allen, who received his M.D. at Duke, went into private practice and has now returned to the Dept. of Obstetrics and Gynecology at the Duke Medical Center. The Addisons love to ride together as a family and have been hunting with the Red Mountain Hunt. All five are here bright and early on Sunday morning for Sunday School.

Hillside High Students Say Classes Could Be Better

"Everyone knows that not every school is perfect, and Hillside is no exception. It's got its ups and downs. This week we will take a look at the downs. The question was asked: 'Do you feel that the classes at Hillside are lacking interest?' The reply from a sophomore was, 'I believe that the classes could be made more interesting. Sometimes things go so slow, it's like a soap opera; you can tune in the next week and the same thing is still in progress.'"

BEID HIGGINS
Hillside High School

Another student replied, "Classes can be very inter-

esting if the teacher makes it interesting. If the teacher doesn't try, then there is no way."

Parents and teachers wonder why classes are empty of Friday days and on "nice-weather" days. The attitude seems to be, "Well, if the classes are dull and boring, then why come and be miserable."

A school should not be like this. There should be some way to keep students' interest.

Since the end of the school year is drawing near, students are trying very hard to remain at school during these "summer days."

Exams are just around the corner, and everyone knows that means: hard work, sacrifice, suffering and terrible head-

Kenan Professor Is Presented Gardner Award

By GRACE KUTKUS
Herald Orange Bureau

CHAPEL HILL — Dr. C. Hugh Holman, Kenan professor of English at the University of North Carolina at Chapel Hill, received the O. Max Gardner Award Friday at the UNC Board of Governors meeting. The Gardner award is the only statewide honor given by the governing board and is presented to the faculty member who has "made the greatest contribution to the welfare of the human race."

Holman was honored for "his work as a scholar, a teacher, an administrator, a leader of men and thought, and as an effective exponent of the humanities in the fabric of our society."

He also was cited for his efforts to bring the National Humanities Center to the area. Holman is vice president of the center, which will be located in the Research Triangle Park.

Holman, a member of the UNC faculty since 1949, is considered a specialist in the American novel, southern literature, Thomas Wolfe and William Gilmore Simms. He has been chairman of the English department, dean of the College of Arts and Sciences, dean of the graduate work school and provost of the university.

Creation of the joint Duke-UNC Humanities program and the UNC computer science department occurred during his time as graduate school dean.

Holman is known as a critic and scholar because of the 15 books he has written, the 12 he has edited and the numerous articles, reviews and book chapters he has written.

Holman said he received the award with "a sense of humility and unworthiness" but said he accepted it in trust for the many other faculty members who share his beliefs and work to realize them daily at UNC.

"For great as this award seems to me, it is nevertheless

a smaller gift than that which the university at Chapel Hill has daily given me by presenting me a continuing opportunity to work toward the realization of my basic commitments," he said.

In other business Friday, the board:

—Approved the method of financing for the new \$4.1 million student health services building at UNC-Chapel Hill, on which construction is expected to begin this summer. A \$3.8 million loan from Wachovia Bank and Trust Co. and \$300,000 in a fund balance from student health fees will be used to build the facility. Student fees will be

increased \$12 a year to help pay back the loan.

—Selected Dr. Douglas Covington as chancellor of Winston-Salem State University effective July 1. Covington, 42, who is now vice president for development of Tuskegee Institute in Alabama, will succeed Dr. Kenneth B. Williams, who retires June 30 after 15 years as head of the institution.

—Honored 87 retiring faculty members from many of the 16 UNC campuses. UNC President William C. Friday said they represented a total of 1,397 years of service to the state and university.

Atlanta Rites Unite Stewart, Mildred Tilley

ATLANTA, Ga. — Miss Mildred Clare Tilley and Richard Baird Stewart were wed Saturday at 6:30 p.m. in the chapel at Glenn Memorial United Methodist Church.

Dr. Larry Bauman officiated. The bride is the daughter of Mr. and Mrs. Ernest Clarence Tilley of 2111 Georgia Ave., Durham. Mr. and Mrs. Herbert Ledyard Stewart of Atlanta are parents of the bridegroom.

The bride carried white and yellow carnations. She had as her matron of honor her sister, Mrs. Charles J. Matwurm of Sylvania, Ohio, and Miss Ellen Barnett. Stewart was bridesmaid.

The bridegroom's brother,

Herbert Stewart of Atlanta, was best man and ushers were Daniel Bray Stewart and Charles Ledyard Stewart.

A reception was held at the home of the bridegroom's parents.

The bride received her undergraduate and graduate degrees from Emory University. Prior to her marriage she was librarian at Galloway School and she will be employed at The Hutchinson School in Memphis, Tenn.

The bridegroom graduated from the Georgia Institute of Technology and is a senior medical student at Emory University Medical School. He will start his internship at the University of Tennessee Medical Complex in Memphis, where the couple will live.

YMCA Drive Reaches 94% Of Goal

The Durham YMCA's membership drive has reached 94 per cent — \$79,835 — of its \$85,000 goal, according to reports yesterday at the drive's

final meeting. The sum represents about 2,000 new or renewed memberships, according to Y officials. The top colonels in the

drive were Coolidge Elkins and Buddy Thompson in the Roadrunner division. They reached \$12,995 — or 130 per cent of their goal.

Runner-up was David Cope's Blue Geese division

with \$11,019 — or 111 per cent.

The top captain was Hank Lougee with \$4,602. The top worker was David Cope with \$2,640, or 500 per cent of the goal.

According to Y officials,

a special team headed by Marion Erwin will cover all remaining prospects in an effort to reach the \$85,000 goal.

One Y official said there is no question that the goal will be met.
