# YEAR BOOK

## Woman's Foreign Missionary Society of the Methodist Episcopal Church

BEING THE SIXTY-THIRD ANNUAL  
REPORT OF THE SOCIETY  
(ABRIDGED)

1932

To save expense the YEAR BOOK is greatly reduced in size this year. All write ups of departments and committees have been eliminated, also the constitution and by-laws and the directory of missionaries.

The Actions of the Unit Meeting, the Departments and of the General Executive Committee are printed as usual. Instead of the full record of proceedings the program of the General Executive Committee Meeting and items of business transacted are printed.

Changes in the constitution and by-laws will be found in the report of the by-law committee, and changes in the directory of missionaries are printed. Statistical and financial reports appear in full.

By using this abridged report in connection with last year's complete YEAR BOOK all necessary information may be had.

The report of the *ad interim* actions of the General Officers was read by the secretary and they were confirmed.\*

The report of the *ad interim* and the current unit meetings was read.

It was voted that in view of the interpretation of the foreign student act given by President Hoover, the three recommendations pertaining to the work of the World Citizenship Committee be recommitted to the Home Department and if found advisable brought to a unit meeting before the General Executive Committee shall take final action regarding them.

With this exception the actions of the unit meetings were confirmed.‡

Mrs. Lewis L. Townley, secretary of the Foreign Department, read the report of the *ad interim* actions of the Foreign Department. It was voted to confirm the actions reported.‡

The committee on memorials reported a memorial submitted by Baltimore Branch as follows:

We, the members of Baltimore Branch of the Woman's Foreign Missionary Society assembled in its sixty-first annual meeting, hereby memorialize the General Executive Committee to create another form of membership to be known as the perpetual membership. Any person or group of persons seeking to perpetuate the name of an individual may do so upon the payment of thirty dollars, and the money so contributed shall be held by the Branch treasurer in which said gift occurs and invested by her; the interest each year to be credited to the auxiliary to which the said member belongs, thereby carrying her name on their rolls for all time.

\*See actions of General Officers.

‡See actions of the Unit Meeting.

‡See actions of the Foreign Department.

The committee recommended non-concurrence, suggesting, however, that if any Branch wishes to accept money for membership of this kind, permission be granted, such funds to be handled by the Branch treasurer. *It was voted* that the report of the committee be accepted.

*It was voted* that two persons be appointed by the chairman who, acting with the nominating committee, should make recommendations to the General Executive Committee as to the expense involved in sending to New York representatives of the Society to hear the report of the Laymen's Foreign Missions Inquiry and who should propose names of such representatives. The chair appointed Mrs. Diefendorf and Mrs. Lindsay.

*It was voted* that the same committee should nominate a member who should represent the Society at the meeting of the Board of Foreign Missions on November 17.

The treasurer stated that the report of real estate, title, investments and Retirement Fund would be included in the report of the treasurer.

Mrs. L. L. Townley gave the report of the by-laws committee which was adopted.\*

Mrs. J. D. Bragg, chairman of the committee on state of the society, stated that several questions sent to the committee had been referred to the Departments involved and to the conference with the missionaries and had been discussed and clarified.

Mrs. Charles H. Hardie, reporting for the committee on general office voiced appreciation of the work and service of Miss Amy Lewis, secretary of the general office, and stated that the recommendations of the committee would be brought in the minutes of the Home Department. It was voted that a letter be sent Miss Lewis expressing appreciation of her work and regret that she was not present at the General Executive Committee Meeting. The chair appointed Mrs. Baker to write this letter.

Mrs. Dorr Diefendorf reported for the committee on consultation with the Board of Foreign Missions. The committee had met and considered such subjects as the Manchurian situation, the possible changes in General Conference and Central Conference legislation, as it relates to the Board and Society, the International Department, the possibility of closer co-operation in some stations, correlation as it effects missionary work in the local church and church school and the Melville B. Cox celebration.

After some discussion as to how further co-operation might be secured between the Board and Society on the field, the missionaries were requested to suggest definite points on which such co-operation might be effected.

Mrs. F. F. Lindsay reported for the joint commission with the Woman's Home Missionary Society telling of the growth in co-operation and of the movement known as Fellow Workers for the Truth. There have been received 26,000 names of those who have signed the affirmation. The joint commission recommended two weeks of special prayer, Holy Week and the week preceding General Conference on behalf of that meeting, both of which were observed. It now recommends a plan for Bible study, hymn memorizing and prayer thought for the coming year. *It was voted* that the commission be continued and that the nominating committee be instructed to submit names of members.

Mrs. C. H. Hardie reported for Library Service. She gave a brief review of the beginnings and development of Library Service, speaking especially of the plan of last year when \$5.00 was offered each station and the selection of books left to their choice. She stated that the recommendations of the committee on Library Service would appear in the Home Department minutes.

\*See report of Committee on By-Laws.

The report on Museum was given by Miss Clementina Butler, curator, who told of gifts made to the museum and requested from the missionaries further suitable gifts.

Dr. Chester Miao, chairman of the Christian Educational Association of China, was introduced.

Mrs. F. F. Lindsay reported as advisory member of the World Service Commission.

Mrs. C. R. Havighurst brought the report on curriculum and correlation.

*It was voted* that the recommendations concerning the correlation of the various agencies of religious education in the local church, adopted by the Woman's Foreign Missionary Society in 1925, be brought to the attention of the mid-year meeting and that as they now stand or are restated they be sent to the Board of Education and also to the curriculum committee.

Miss Susan C. Lodge reported for the Federation of Woman's Boards of Foreign Missions and the Central Committee on United Study of Foreign Missions.

Miss Clementina Butler reported for the committee on Christian Literature for Women and Children in Mission Lands.

Mrs. C. C. Peale reported for the Joint Commission on Religious Education. She reviewed the progress of the religious education program in various fields and the contributions of missionaries thereto.

Mrs. J. M. Avann reported for the Methodist Joint Committee on Korea. She stated that the committee is the agency in the United States by which close affiliation is maintained with the Korean Church. The recommendations of this committee were brought to the mid-year meeting, were acted upon there and were reported in the Foreign Department minutes.

The reports of standing committees, special committees and representatives on Boards and Committees were adopted.

The report of the Committee on Christian Higher Education in India given by Mrs. Dorr Diefendorf was referred to the Foreign Department for consideration and action.

The report of the Committee on Christian Colleges in China submitted by Mrs. F. J. McConnell was also referred to the Foreign Department for consideration and action.

The Melville B. Cox celebration was reported by Mrs. H. E. Woolever. Mrs. Woolever was appointed to represent the Society at the celebration to be held in Norfolk, Va., October 30-November 1.

Golden Rule Week was presented by Mrs. F. H. Sheets. The recommendations for its observance appear in the Home Department minutes.

The Barbara Heck Bicentennial was presented by Mrs. H. E. Woolever.

The Circle of Remembrance was reported by Miss Effie A. Merrill who stated that there are now 120 members of this circle.

*It was voted* that following the General Executive Committee Meeting in Tulsa, Mrs. G. W. Isham be regretfully released from the editorship of *The Executive Daily* which she has held since 1911 but that she be asked to continue to prepare the Study in the *Friend*. Mrs. Nicholson expressed the appreciation of the Society for Mrs. Isham's long and efficient service and presented her with a Chinese luncheon cloth, the loving gift of her friends in the Society.

---

Further actions taken during the public program are as follows:

The committee on the representation of the Society at the meeting which is to consider the report of the Laymen's Foreign Missions Inquiry, reported as follows:

We recommend that the personnel of the representation shall consist of twenty women, seven to have their expenses paid and thirteen without expense to the Society; that the expense connected with this representation be kept as low as possible, that in view of the fact that the president of the Society will be the guest of the commission we estimate the cost of the proposed representation will approximate \$375.00. We further recommend that these expenses be paid by the general treasurer from home administration fund.

The recommendations were adopted and the following names were presented by Mrs. Frank A. Horne, chairman of the nominating committee: With expenses paid, Mrs. Charles L. Mead, Mrs. F. F. Lindsay (alternate, Mrs. F. H. Sheets), Mrs. H. E. Woolever, Miss Annie G. Bailey, Miss Mary E. Shannon, Miss Bertha F. Starkey, Miss Annie M. Pittman. Peale, Miss Clementina Butler, Mrs. Carl F. New, Miss Carol Chen and Mrs. F. A. Horne.

*It was voted* that greetings be sent Mrs. Otilia P. Riley, the mother of Mrs. Nicholson, who in 1884 at the first meeting of Topeka Branch reported she had organized an auxiliary in the church she and her husband were serving, Solomon's City, and had secured as members every woman in the church but one.

*It was voted* that the reports of the editors, Miss Effie A. Merrill, Mrs. James H. Lewis, Miss Amalie M. Achard and Mrs. George W. Isham and the report of the publisher, Miss Annie G. Bailey, be accepted.

*It was voted* that the report of the World Citizenship Committee given by Mrs. Flora S. Dudley be accepted.

*It was voted* to adopt the resolution prepared by the committee appointed in the unit meeting expressing the purpose of the Society to oppose every attempt to weaken prohibition legislation and to stand unswervingly for more honest and efficient enforcement of the law as the only satisfactory way toward the permanent solution of the liquor problem and that this resolution be sent to the President of the United States, to the Attorney General and to the chief of the law enforcement bureau.

*It was voted* that a committee be appointed to send a message of commendation to the woman's magazines that have remained loyal to the eighteenth amendment and a message of protest to the magazines that are wavering. The chair appointed Mrs. Flora S. Dudley, Mrs. Carl F. New and Mrs. W. C. Hanson.

*It was voted* that greetings be sent to the units affiliated through the International Department. Mrs. Elisa S. de Pascoe of Mexico was asked to deliver these greetings to Mexico in person.

The annual report of the secretary, Mrs. Harry Earl Woolever was accepted.

The annual report of the treasurer, Miss Florence Hooper, was accepted.

All appropriations have been paid in full. There is no indebtedness to banks, or individuals. The deficits of 1930-31 have been cleared and the net overdraft due from Branches to the general treasurer amount to \$116,250.00, only \$36,000 more than the overdrafts twelve months ago.

There has been a decline of 18.8% in the total collections. The fact, however, that the foreign exchanges, in which our bills must be paid, have been greatly in our favor, has made it possible to bridge the gap of \$392,000.00 created by lessened receipts and to pay missionaries, national workers and current work appropriations in full at the agreed rate of exchange.

Receipts for the year ending October 1, 1932, are as follows:

<b>From Branches</b>	
New England.....	\$65,174.85
New York.....	204,524.71
Philadelphia.....	214,554.56
Baltimore.....	46,418.02
Cincinnati.....	229,150.05
Northwestern.....	362,792.19
Des Moines.....	110,525.00
Minneapolis.....	57,022.28
Topeka.....	159,186.63
Pacific.....	109,252.45
Columbia River.....	39,172.36
	<u>\$1,597,772.50</u>
Retirement Fund Principal and Income.....	\$41,454.00
Zenana Paper Fund Income.....	1,133.44
Interest on Building and Special Funds.....	8,813.70
Kwassui Alumnae, Nagasaki.....	3,479.19
Ewha College Special Gifts.....	4,643.60
Isabella Thoburn College Special Gifts.....	1,756.86
Legacies for Hospitals Abroad.....	32,007.33
Miscellaneous Gifts.....	1,266.75
<b>Total.....</b>	<b><u>\$1,692,327.37</u></b>

For new buildings, major repairs and miscellaneous non-recurring items, the treasurer has received during the year, \$125,107.16.

New annuity gifts received by the treasurer, but not included in receipts, total \$15,403.95. The invested funds of the Society amounted on October 1, 1932, to \$2,045,763.60, which is \$139,000.60 less than a year ago because amounts invested for certain building projects have been released to meet construction costs. All investments have been made under the direction of a committee on investments, carefully chosen by the General Executive Committee. Net realized loss on all investments today is 1% of the total cost of securities owned October 1, 1931. All bonds purchased are AA or AAA and legal in New York, New Jersey or Massachusetts. On two \$500.00 bonds received as legacies and on 25 railroad bonds purchased, the income is in default. There have been no other defaults in income. The investment position of the Society is thoroughly sound. Securities owned are classified roughly as follows:

Railroad Equipment Bonds.....	8% of total
Railroad Terminal Bonds.....	7%
Railroad bonds, not equipment or terminal.....	3½%
Public Utilities, including telephone bonds.....	67%
Municipal and Canadian.....	7¾%
Miscellaneous bonds, mortgages and ground rents ..	1¾%
Stocks.....	5%

The Retirement Fund endowment amounts to \$955,661.09, a very slight increase over last year, since our plan has been to hold the endowment at its present figure until financial conditions improve. From the income on this endowment, \$45,166.93 has been paid as retirement allowances to almost one hundred missionaries not now in active service because of health conditions or advancing years. The retirement care of missionaries now on the field and to be retired in later years is provided for by the pension policy plan under which, since 1927, when it was started, \$277,-968.42 has been paid in premiums to three of the best insurance companies in the United States.

The cost of operating the Society, exclusive of Branch and conference expense, has been \$38,688.02, a decrease of almost 12% from similar costs in 1930-31. It is impossible at this time for the general treasurer to report accurately Branch and conference expense which do not appear in her accounts.

The budget for 1933 can be no larger than the total of appropriations pledged by the eleven Branches, plus approximately \$80,000.00 received from income on endowments and special items. On this basis, the total to be appropriated for the ensuing current year will be approximately \$1,850,000.00. This is a decrease of 15% from the appropriations of 1932, and necessitates, of course, a material readjustment in the entire budget. It means a reduction of appropriation for missionary support and travel from \$677,798.00 to approximately \$554,574.00; of the appropriation for current work on the field from \$1,153,724.00 to approximately \$981,000.00; of the appropriation on building from \$86,503.00 to \$69,185.00; the exchange loss reserves are omitted for 1933 as they will almost surely not be needed. Allowances for retired missionaries are not reduced. Administrative expense appropriation is materially cut.

To recommend to General Conference that the last sentence in chapter 8, section 110, paragraph 15 in the 1928 Discipline be changed as follows: Omit the two words "wherever practicable" so that it shall read, "Representatives of the auxiliary of the Woman's Foreign and Woman's Home Missionary Societies shall be members of this committee."

To underwrite for the Society \$200 toward the expenses of Mrs. Chitambar while in America.

To give an honorarium of \$15.00 each to Bishop Ryang and Mrs. Chitambar in consideration of their services on the occasion of the anniversary program of the Woman's Foreign Missionary Society; the amount given to Mrs. Chitambar to apply on the sum underwritten by the Society toward her expenses while in this country.

## ACTIONS OF THE GENERAL EXECUTIVE COMMITTEE TAKEN ON RECOMMENDATION OF THE UNIT MEETING

### *Ad Interim*

*It was voted:* That a cable of congratulation be sent from the Society to Iai Jo Gakko, Hakodate, which is celebrating its fiftieth anniversary this year.

That as a Society we participate in the commission on organized work of women in the Church, provided the General Conference continue this commission.

That Mrs. H. B. Earheart be appointed as the representative of the Society to attend the funeral services of Mrs. Joseph N. Reed and that the recording secretary and the secretaries of the two Departments send a message of sympathy to the family.

### *Annual Meeting, 1932*

#### International Department

*It was voted:* That the *ad interim* report of the committee on International Department be accepted and that the recommendations be adopted as follows:

That letters be sent at once to the leaders of organized units asking them to name from the General Conference delegates or visitors, someone, preferably a woman, who may be summoned to a meeting to consider the advisability at this time of the formation of an International Fellowship of Methodist Women and who shall have authority to represent them.

That the expenses of the International Department tea, held on May 7, at which one hundred and twenty were present, fifteen nationalities being represented, be paid out of the Department funds.

That inasmuch as Mrs. K. A. Wenzel, who is general treasurer of the Central Europe Unit, made a valuable contribution both in the anniversary program and in the work of the Department she be given \$25 toward her expenses.

That a grant of \$200 be given Mrs. Miller for promotional activities and literature with the request that she subsidize Mrs. Rodriguez to the extent of \$100. (Later note: At Bishop Miller's suggestion the \$100 subsidy for Mrs. Rodriguez was sent to the treasurer, Mrs. S. P. Maddock, by Miss Hooper.)

That a grant of \$25 be given Italy for literature supplies.

That a meeting be held on May 14, in the Hotel Dennis to which the representatives of the various units be invited to consider the further steps to be taken in the development of a world association of Methodist women. The agenda for this meeting was drawn up as follows: (1) A historical statement of the aims and present status of the International Department and (2) Discussion by the nationals based on the following questions:

1. Shall we continue the work of the International Department on the present basis?

2. Is the time ripe for a formal organization of a world federation of Methodist women?

The consensus of opinion of the committee on International Department was that in view of the present economic conditions around the world it was not a strategic time to launch the world organization. (Later note: At the meeting held on May 14 the advisability of launching an international association of Methodist women was discussed and the following action was taken.

It was voted that the work of the International Department be continued on the present basis for the time being looking toward a world federation when possible. In the meantime, the countries yet unorganized and desiring to affiliate should develop national units as soon as possible. Because of internal conditions and extent of territory in China and India, it was agreed that affiliation might be by conference. It was voted also, that each unit should have an international committee which should be the medium of contact between the various units.)

That the demonstration written by Mrs. Chitambar be duplicated and copies sent to each affiliated unit. A statement concerning the reasons for writing and the effect of its presentation should be added.

That a representative of the Mexican Unit be invited to attend the General Executive Committee Meeting in October, 1932, that she be given a place on the program and that \$50.00 be granted toward her expenses.

That a copy of the *Woman's Missionary Friend* be sent to each of the national units at the expense of the Department unless otherwise provided for.

That copies of *Fellow Workers for the Truth* be sent to each unit as soon as a further issue is published.

That samples of literature wisely chosen be sent to each national unit.

That inasmuch as Mrs. John L. Nuelsen will accompany her husband to the Bulgarian Conference and will visit so far as possible the auxiliaries of the missionary society, she be allowed \$50.00 toward her expenses while itinerating.

That the subsidy (\$300) granted to the corresponding secretary of the Scandinavian Unit and the literature grant of \$200 less 15% be continued this year.\*

That an additional \$50.00 be given Mrs. J. N. Pascoe for her expenses incurred in attending the General Executive Committee Meeting.\*

#### Miscellaneous

That the nominating committee after consultation with the officers and secretaries nominate carefully selected representatives, a few at least with expenses paid, to attend the meeting to be held in New York, November 18 and 19 when the report of the Laymen's Foreign Missions Inquiry is to be made.

That provision be made for one delegate to go to the Foreign Missions Conference with expenses paid and the list be completed with delegates without expenses.

That at the mid-year meeting, the Home and Foreign Departments meet on the same day and with the understanding that the first session be a unit meeting at which the report of the treasurer, the surveys of the foreign field, the reports of the home base secretaries and other matters of interest to both departments shall be considered.

That inasmuch as Mrs. Hardie who has represented the Society on the Committee of International Agricultural Missions is compelled to resign, the appointment of Miss Jean Cochrane to this position be ratified.

That the recommendation of the Home Department be adopted to refer the following memorial submitted by New York Branch to the committee on the state of the Society who shall coopt representatives from other Branches and report at the mid-year meeting.

*Whereas:* The question of changing the date of the Branch annual meetings and the General Executive Committee Meetings from fall to spring has been considered before in the Home Department of the Woman's Foreign Missionary Society and

*Whereas:* If the General Executive Committee after deliberation deems this a feasible plan for the several Branches to adopt, and would consider 1932-1933 an auspicious time to institute such a change:

\*Action taken by General Executive Committee but placed here for convenience in reference.

Then, be it resolved: That New York Branch desires to hold its annual meeting in the month of April, closing its fiscal year on March 31st.

That the recommendation of the Home Department be adopted that a committee be appointed to formulate a resolution which shall be sent to the President expressing the conviction of the Society against the return of light wines and beer by modification of the Volstead Act and urging him to veto any action favoring such change.

That the same committee draft and send to President Hoover a resolution expressing the deep and serious concern of the General Executive Committee representing 300,000 voting women of the Methodist Church regarding the present unemployment situation. They urge that the President shall continue an even more constructive effort to meet this immediate and imperative need.

That the foregoing committee be asked to submit a resolution protesting against Secretary of Labor Doak's ruling prohibiting foreign students from obtaining employment to help meet their educational expenses.

Moved that the home base and corresponding secretaries prepare a list of leading Methodist women in their territories to be sent to Dr. John R. Edwards to assist in the set up of the educational and promotional campaign of the Board of Foreign Missions.

*Voted:* That the foregoing resolution be referred to the Departments with the understanding that if there is not concurrence it be brought back to the unit meeting.

#### Reduction of Year Book

That the report of the committee appointed to bring in suggestions as to the reduction of the size of the year book be accepted and reductions authorized as follows:

In Proceedings omit all comments on the program, the recording secretary's report and report of resolutions committee. Summarize the treasurer's report. Omit the reports of the corresponding secretaries, reports of union colleges, the statement concerning the McDowell Fellowship Fund and the report of Christian Literature for Women and Children in Mission Fields. That the quadrennial leaflet report be sent for free distribution to the Branches.

That the Wesleyan Service Guild continue the support of Mabel Nowlin in China for the next three years.

That, inasmuch as, according to the new plan, financial askings go to the units only through the conference and district secretaries, we impress upon these secretaries the importance of giving prompt attention to this matter, advising name of treasurer to whom money is to go; also that units should not be asked to use auxiliary devices as their own are prepared by the central committee.

That the central committee notify secretaries of the home base of the location of new units with name and address of president that same may be welcomed and cultivated.

That we comply with the following request which comes from the central committee:—"That the Woman's Foreign Missionary Society handle the Wesleyan Service Guild supplies at their depots of supplies and distributing offices. That a reasonable commission be given to these offices for the handling and sale of Wesleyan Service Guild supplies and that settlement be made monthly or quarterly as agreed upon. That the literature of the Wesleyan Service Guild be included wherever the literature of the Woman's Foreign Missionary Society is displayed."

To approve the sending of the Journal of Religious Education by the units of the Wesleyan Service Guild to our stations on the field.

That we make one of the courses of the leadership training series as the third term of our Missionary Workers Training Course.

That the home base secretaries arrange for the payment of bills for leaflet on vocational choices and that the bill be prorated to the Branches on the regular percentage basis.

That we remind the Branches that this year the young people's superintendents are to attend General Executive at Branch expense.

That, if after investigation it is found feasible, in order that the young people's superintendents may come to General Executive at less expense to the Branches, all missionaries coming to the General Executive be instructed to use their clergy permits to a city determined by the respective Branches; then purchase a ticket with a certificate to Tulsa.

That Miss Bailey send the Blue Print to Standard Bearer missionaries.

That the use of the stewardship colors and candles be continued.

That, inasmuch as the church in general is not using the stewardship card, we recommend the use of the threefold card of our Society.

That Mrs. Sheets be authorized to certify that Mrs. New in the absence of Miss Lulie Hooper from the country is authorized to substitute for Miss Hooper in the administration of the museum fund.

In view of the fact that tuition in the Woman's Medical College of Pennsylvania has increased from \$250 to \$400 a year, we recommend that an effort be made to increase the Clara Swain Endowment Fund from \$5000 to \$8000 and toward the attainment of this sum we recommend that the amount now in the treasury of the Woman's Foreign Missionary Society which was an over and above from the \$5000 originally needed for an endowment be transferred from the treasury of the Society to the Clara Swain Endowment held by the Corporation of the Woman's Medical College of Pennsylvania.

That there shall be a correspondence course on the history and organization of the Woman's Foreign Missionary Society which missionaries shall be obliged to pass before they are sent to the field; this course to be under the direction of the secretary of the Society, Mrs. Woollever.

That it be suggested that missionaries spend two or three days with conference and district secretaries and thus become acquainted with these officers and learn their working plans and methods and that before missionaries begin to itinerate they be given an outline of the plans and projects of the different departments of the Society with references where full explanation of these items can be found and also that the missionary be required to read the first two terms of the Missionary Workers Training Course.

That greater effort be made to have the *Junior Missionary Friend* put into church schools where correlated work is carried on, and that the home base secretary see that this is done.

To reaffirm our former action that emphasis be placed on the training of young women for leadership in the junior department:—first, by seeking contacts with those who are especially adapted to this work and making it possible for them to attend the junior methods hour at district and Branch meetings. Second, to send such young women to institutes and summer schools where junior leaders are in conference and periods are given for the missionary instruction of juniors. Third, that a short manual for the use of leaders in the groups mentioned be prepared by the general secretary of junior work.

To recommend reconsideration of the action on appropriating to Ewha College the \$1,000 award of the College Abroad Movement given by Mrs. H. B. Earhart, Director of the College Abroad Movement and that it be referred to Pacific Branch in accordance with the offer made at the beginning of the effort for increasing life expectancy.

*Stewardship.* To recommend that in addition to the stewardship column in the *Friend* the other column on the same page be given to Fellow-Workers for the Truth, both to be under the one page heading, Christian Stewardship.

## THE 1933 BUDGET AND APPROPRIATIONS

The budget for 1933 is a carefully planned combination of financial daring and financial conservatism. Its total is \$156,000 greater than the total collections of the fiscal year which closed October 1, 1932. On that date Branch overdrafts already made against the general treasury of the Society amounted to \$116,000. These must be cared for, if possible, within the year to come. Adding the amounts above noted, it becomes evident that a risk of \$272,000 is involved in the total appropriation of \$1,849,170 voted by the General

Executive Committee for 1933. To cover this risk, an increase in 1933 collections and substantial gains in foreign exchange are imperative.

Even so large a figure as \$1,849,170, however, necessitates a reduction for 1933 of 15% in the current work appropriation of each foreign conference and of 10% in salaries of missionaries on the field and on furlough. The table which follows shows the reduced figures:—

**REDUCED APPROPRIATIONS FOR 1933 SUMMARIZED BY CONFERENCES**
