

The general meeting of United Methodist Women was called to order at 11:00 a.m. on May 7, 1990 in the Bradshaw Room. President Ann Marie Langford was in the chair. Our special guest today was Lynda Carson who is getting married on May 19. On behalf of United Methodist Women, Betty Craig presented her with a set of cookware, serving pieces and a compilation of recipes, provided by individual members. Rev. Eric Carson was also present for this event.

Rev. Larry Brasher presented an interesting, informative and provocative program on "Planning Your Own Funeral". He gave us an opportunity for questions and comments following his presentation. Helen Upchurch gave us the names of four members who have been members for fifty years or more, namely, Mrs. Estelle Flowers Spears, Miss Louise Jones (who expired recently), Mrs. Lottie Riley Lawrence who is 101 years old, and Mrs. Edna Whitaker.

Betty Craig asked for volunteer help with refreshments for the coffee hour which immediately follows the Sunday morning worship service. This function was started recently. To date, Jane Bilski and Betty have taken care of this event, including refreshments. Circles and/or individuals were asked to assist.

Minutes of the April meeting were read and approved. Treasurer Doris Bridges gave the report for the month of April.

Juanita Stott was unable to attend the Womens Conference in Kansas City due to lack of space. Hilda Coble moved that we apply the amount of \$100 alloted to Juanita to the Alaska trip which the young people are planning. This was voted in the affirmative. Members and guests are invited to attend a study course on the Phillipines which will be conducted by Rev. Mark Wethington at MRH on May 16, 30.

Ellen Sewell reported that she has become active in MADD since the death of Rev. Ed Smith and encouraged others to do likewise.

Rev. Carson announced that a memorial service will be held in Cary on May 19 for Miss Louise Jones and also for her brother, Edward Jones, who died recently.

Carolyn Shipp commented on the condition of the parlor and its furnishings. We were advised that this has already been made known to the proper parties.

Meeting adjourned at 12:30 p.m. Approximately 45 were present. A delightful luncheon was served by Circle 8.
