

UNITED METHODIST WOMEN

DUKE MEMORIAL UNITED METHODIST CHURCH

Dear UMW Member,

Sept. 22, 1999

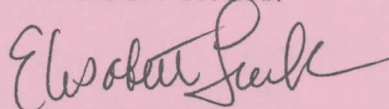

The year 2000 means many different things to different people. but for our UMW unit, it is the time we prepare for another year of service to Christ, through our gifts, talents, prayers, and fellowship with each other.

Part of our commitment to the North Carolina Conference, of which the Durham District belongs, is an annual pledge of support for UMW missions. The amount of our pledge is generally based on our membership rolls. Since we have not been entirely successful in getting pledge cards from members or from circles, we have had to make an educated guess as to what our pledge should be, according to our membership numbers.

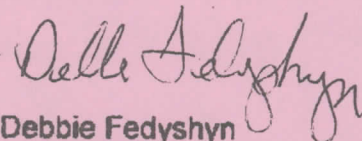

The names of UMW members on the membership roll include both active and inactive members; in fact, there is no distinction between the two for membership accountability. We are asking all UMW members to return the enclosed postcard and indicate whether or not you wish to remain an active member of Duke Memorial's United Methodist Women. This information will help us make plans for the year 2000.

Please return the enclosed postcard by OCT. 31, 99. It is very important that we hear from every member; if you received this letter, your name is on our active roll whether or not you presently participate in UMW at Duke Memorial. Thank you for helping us to update our files for the new millenium.

In Christ's service,

Elisabeth Luck
UMW President

Debbie Fedyshyn
Membership Chair
