CONFERENCE OFFICERS
BOARD OF DIRECTORS
PROFESSIONAL STAFF
OFFICE PERSONNEL
MINISTERS AND CHURCH FRIENDS

You have honored Bertie and me for more than 20 years as a part of the now Southern Conference and its antecedents. We have served in several positions as a part of the Conference Family.

When we came on Board as Superintendent of the Southern Convention in 1960, many sincere persons here and across the country predicted that the Southern Synod, the Convention of the South, and the Southern Convention would never form the Southern Conference due to racial and organizational differences. However God never shared this sentiment. Thanks be unto God for His marvelous grace permitting it to happen.

We had the honor and privilege of working with one of God's unique saints, namely the late Dr. James H. Lightbourne, Jr. Our body chemistry sometimes differed but we were held together by God's chemistry. I truly loved and deeply admired Jimmy and truly miss him.

His sudden and untimely death in late January 1981 caused concern

and alarm to the Officers of the Conference and the Board of Directors and a host of others. An interim Conference Minister was named and for better or for worse, for richer or poorer, I was and am it. We are now ending our second Annual Meeting as your Interim Conference Minister.

Our Conference Professional Staff has assumed additional duties during this interim. Each of us has shared the work of meeting with Commissions and Rev. Richard Rinker has Edited the Southern Conference News. You may remember that he served some years ago as Editor of the Christian Sun. Dr. Lonnie Carpenter came to our rescue when Dr. Edwin Alcorn had a heart arrest and served for several months. He is still helping us with the work with two churches in Charlotte.

We are most fortunate to have competent veteran Conference Office and Association Office Personnel. They have been most efficient and helpful during the interim. I am grateful for Miss Edna Fitch, Assistant Treasurer, Miss Ruth Dunn, Mrs. LouCinda Graves, Mrs. Jo Carpenter and Mrs. Dolores Colston.

President Woodrow Piland and the elected Officers plus the Board of Directors have gone the second mile in their labors to keep the good ship Southern Conference on "course". We are fortunate to have a retired School Principal as President during these months. You know the truth about "busy retirees."

Our Conference has increased in stewardship support for our mission each year during this interim period. We have shown dramatic concern for the "One Great Hour Offering" and have received national recognition for our concern. The Conference Budget for 1983 is a challenging one and will require even more commitment to OCWM on the part of all the churches than in the past.

We have wrestled with a number of issues during the interim including the possible sale of Moonelon, establishing a new Conference Site, a mission strategy for the city of Charlotte, N. C., support for and the future role of Franklinton Center, getting involved with the two priorities of General Synod, namely Peace and Family Life, better support for NICD and Renewed Church Extension Programs, and other issues. We set the record for a long Executive Committee Meeting and at midnight Bertie was about ready to call the police. We did not have the problem mentioned in the New Testament of a long church meeting and a member fell out the window asleep.

Not enough praise can be given to the work of the Task Force/Search Committee for their months of search and toil leading to the recommendation and eventual election of Dr. Rollin O. Russell as Conference Minister. With a promise not to meddle but loyally support you, Dr. Russell, I gladly turn over the most exciting Conference in the United Church of Christ. May God grant you and family health and strength and spiritual presence always.

President Piland presented a plaque to Dr. Fields for his outstanding service as Interim Conference Minister.

DR. CLYDE L. FIELDS PRESENTED PLAQUE

The Rev. Dr. Clyde L. Fields, Interim Conference Minister for The Southern Conference from January 1981 through early June 1982, was presented with a plaque expressing our appreciation for his service and commitment. The following remarks were made at the annual meeting by Mr. Woodrow W. Piland, President:

“When we experienced the tragic loss of the man who had been Conference Minister since the inception of our life together as a new conference, it became imperative that we establish a sense of continuity and ongoingness in spite of the loss.

“Within the uniqueness of our fellowship here in North Carolina and Eastern Virginia, we were fortunate to have in our midst a person whose leadership capabilities had already been demonstrated. He had provided guidance in the process of merger, and through his years of experience as an administrator had come to know the ins and outs of our churches as well as almost anyone. He was a caring person in his leadership role, and a man of deep personal faith, patient and understanding in the midst of trying times.

“When we needed someone to step in and help maintain the Conference as a functioning, outreaching fellowship, we were fortunate in being able to find Dr. Clyde L. Fields. He accepted the invitation to serve as Interim Conference Minister, and Elon College graciously consented to release some of his time committed to them as a staff person, so that he could serve.

“Dr. Fields was asked to serve halftime in this Interim role. The hours have added up beyond that halftime commitment. His perception of what needed to be happening, and his enabling guidance, encouraged churches and staff to give of themselves in the continuing ministries and mission of our Conference fellowship. He facilitated the processes through which the Conference acted responsibly to keep its obligations and take advantage of its opportunities. His counsel was respected. His awareness of pitfalls that might be encountered came from his years of previous service.

“Recognizing that what we now do is symbolic of our love for him and our appreciation for his leadership during these past difficult months, we acknowledge that without his help as leader and calming spirit in our midst it would have been far more difficult for us all.

“We want him to know that we are aware of what he has done for us, and that we are also aware that there has been much he has done of which no one knows. He has done well and we are grateful.

“As a symbol of our gratitude, and as a continuing reminder to him of our affection, we present now to him this plaque.”

Mrs. Fields was also introduced to the delegates, to share in the standing tribute to her husband.

President Woodrow Piland made his report. (Append as Exhibit 22).

President Piland presented his oral report.

PRESIDENT'S ORAL REPORT

At the last meeting of the Board of Directors, March 25, the president was requested to prepare written and oral reports for the annual meeting. This request was made by Rev. Cecil Cheek, President of ENC Association.

You will find some statements printed in the Conference News and I have a few thoughts that I feel should be shared with the delegates.

1. I feel that action taken in the Board meetings should be released through the Conference News or a copy of the minutes mailed to each church as a means of communication with the membership.

2. The Southern Conference has had its current organization for 17 years, prior to that we had the Southern Convention, but we never owned our headquarters or conference center. I am sure that every church in the Conference is proud of being in a sanctuary called home—or is in the process of planning to build or buy one. To me, owning the property is an indication of permanency rather than a temporary arrangement.

3. We have three Associations in our Conference and we alternate our annual meetings to meet in each Association each third year. During the 17 years of our merger we have had 3 Board meetings away from Burlington. Board members from the extreme distance of Virginia Beach, Newport News, Richmond travel many additional hours and motel accommodations are necessary when meeting in Burlington. It appears that alternating the meetings between Burlington and Henderson would be an extension of the feeling we share in holding the annual meetings in the area of the Association.

4. During the last 18 months we have experienced a great need for the development of an Operation Manual for the Conference and each Association. When we have new ministers in the Association, Board and Commissions there must be an established policy in order to insure we function efficiently. In the Manual of Operations provisions should be made to list duties of coordinators, policy on investing funds, making loans or gifts to projects or institutions.

This is perhaps the No. 1 assignment for our new Conference Minister and his staff. As soon as the manual is completed a copy should be placed in the Conference Office and in the office of each Association Minister.

5. I am most appreciative of the work done by the staff, Board Members, Commission Coordinators and everyone who has contributed

toward continuing the good work of the Southern Conference. Your efforts in leadership and participation will be felt for years to come.

Dr. Rollin O. Russell thanked everyone for the reception he has received. Special thanks were given to Woodrow Piland; to Ed Alcorn, for his program planning and preparation for this session; to Max Vestal, for the Conference Hymn; and to James Pinnix, who drove his moving van. He spoke on the Covenant Relationship, Koinonia, that binds us to God and to each other.

The Conference Hymn was sung once more, led by Ms. Susie Keele and accompanied by her daughter.

Dr. Rollin O. Russell led the installation of new officers and offered the benediction.

The 17th annual session of the Southern Conference adjourned.

Respectfully submitted,
Max B. Vestal, Secretary

CATAWBA COLLEGE

Academic and Student Life

Catawba opened the fall semester of the 1981-82 academic year with 1,000 students, the most we have enrolled in the past five years. The enrollment includes 907 regular residential students and 93 in the first session of our new evening division PACE (Program for Adult Continuing Education). We anticipate that PACE will grow significantly as we

increase our course offerings and introduce special seminars and workshops for professional groups in our area, such as accountants and banking officers.

Our regular curriculum offers majors in 34 areas of study with a wide range of career options, blending traditional and contemporary programs. The PACE curriculum includes selected material from the general curriculum and, as the program matures, students will be able to complete a bachelor's degree entirely through courses taken in the evening hours.

Finances and Facilities

The end of the 1980-81 fiscal year last June 30 was particularly gratifying for Catawba as we completed the year "in the black". For the past five years, operating deficits have caused the institution severe financial strain. Through vigilant budget control and an exceptionally strong performance in annual giving, principally from the College's over 10,000 alumni, the budget was balanced and a small surplus declared.

We are currently involved in concentrated efforts to remove the accumulated operating deficits from our books and move the College to a stronger financial position. For the past several years, we have had to budget substantial amounts for debt service. Escalating interest rates have added a dimension of unpredictability to these efforts, but I feel confident that the debt situation is now under control.

One of our most pressing needs at present is for scholarships and financial aid funds to replace those lost through the federal cutbacks. Many deserving students are being penalized because of the new aid ceilings and we are endeavoring to generate private funds to provide these fine young people with the financial aid they need to complete their college education.

Last summer, several large projects of renovation and repair to our physical plant demanded immediate attention. Requiring expenditures of nearly \$300,000 beyond those budgeted for maintenance and repair, these projects included new air-conditioning and structural and roof repair to our College-Community Centre complex; extensive repairs to the major boiler in the heating plant; replacing a steam line; installing structural supports for increased safety in the football stadium and the physical education center; and new heating and humidity controls to protect the pipe organ in the College Chapel.

Development

Catawba has an active and wide-ranging development program designed to attract financial support to the College.

We have completed the largest campaign in our history—Heritage for Tomorrow, a six-year effort with a \$7 million goal, which resulted in gifts and pledges of \$8,884,291.

Our Alumni Fund increased by 72 percent last year, an exceptional

achievement, thanks to a superb response by College alumni. All giving by alumni last year totaled some \$208,468. The Alumni Annual Fund has been a finalist for the U. S. Steel Alumni Giving Award for the last ten consecutive years, winning the award in 1974.

We are currently seeking funds to cover the cost of the large scale repair and maintenance projects completed this past summer. Of the nearly \$300,000 needed, \$188,000 has been given or pledged.

This past fall we were fortunate to secure two significant grants. The first was for \$54,500 from The Proctor Foundation of Salisbury to fund a new program in special education to train prospective teachers and to retrain currently employed teachers in programs and methods dealing with exceptional children from both ends of the learning spectrum. The second grant for \$100,000 came from the Jefferson-Pilot Corporation for a professorship in accounting, which is the first step in our plans to expand and strengthen our Commerce Department. Commerce attracts the largest number of student majors, some 40 percent of the total, and is one of our "flagship" programs for the future.

In recent months, we have brought the total of our First Family Scholarships to nine, each representing a gift of \$50,000 which endows full scholarship aid for an outstanding student for four years. This venture has been one of our most successful programs in the area of student recruitment emphasizing the College's commitment to academic quality. We are developing plans now to expand this program as well as to create new programs of scholarship assistance to augment our institutional financial aid resources. We have already received a very encouraging response from local and area friends toward this goal.

Leadership

As we make plans for the 1982-83 school year and beyond, I want to share with you the new leadership team taking shape at Catawba. Dr. Robert Knott has joined us as Vice President for Academic Affairs; Dr. Jesse F. McCartney as Vice President for Institutional Services; and Mr. James L. Barrett as Vice President for Institutional Advancement. They will provide the institution with creative and innovative planning and programs for our progressing future.

Summation

It is a foregone conclusion that private higher education, particularly the small, church-related college, faces a challenging future, replete with what one of my presidential colleagues has called "insurmountable opportunities." Such challenges have been a recurrent part of our history. They have been and will continue to be opportunities to serve American society through the preparation of talented and dedicated leaders. That mission carries a significance that cannot and, I am confident, will not be denied.

In my remarks at the opening convocation in the fall, I told the Ca-

tawba student body and faculty that while we must be fully aware of the special significance of our work together this year, we should also keep in mind the specific purpose of our teaching and learning. That purpose is the discovery, understanding, and communication of meaning. Meaning is truth in action. It is the reward for careful thought and diligent study, and the continuous challenge of a life worth living in an everchanging society.

This quest for meaning requires the delicate merger of enduring truths with contemporary needs; of idealism with reality. In the pursuit of this quest, I urged everyone to remember four things—one, we should have pride in the importance of our work; two, that our purpose is to serve; three, that service is predicated on a commitment to intellectual and moral integrity, as well as open compassion and caring; and four, that our work is one of collaboration, where every individual gives his or her best to that which must be done.

As I concluded my remarks, I reminded my friends and colleagues that we have a lot of work to do, and asked that we be about our business . . . together.

The Commission on Evangelism has the responsibility for: co-ordinating the work of the Association Commissions on Evangelism; helping to develop the spiritual life of the local churches; promoting the recruitment of the unchurched; developing and distributing materials on evangelism; providing opportunities for clergy and laity to increase their knowledge in Theology, Bible, Church History and related subjects; planning and sponsoring workshops and consultations on evangelism.

The needed emphasis on new initiatives in church development by the Board for Homeland Ministries helped to surface many concerns. One great concern was the existing congregation, the challenges, opportunities, and the struggles unique to these churches. How can their ministries continue or begin in new ways to be faithful to the gospel of Jesus Christ as well as effective in meeting the needs of the congregation, the community and the world?

Through the leadership of the Reverend R. Alan Johnson, Secretary of Evangelism, our Southern Conference was selected to be one of the six conferences in the United Church of Christ to participate in the Evangelism/Church Growth Project. This project began in the Southern Conference in September, 1980. The Western North Carolina Association selected twenty (20) churches for participation and the Eastern North Carolina Association selected sixteen (16) churches to participate. The following is a short report on the Evangelism/Church Growth Projects in both Eastern and Western Associations to date.

At each of the first meetings, Friday through Saturday afternoon, the churches were presented with a biblical and theological context in which to engage in evangelism and church growth, some sociological tools for looking at their community, and practical workshops to enhance skills. All churches set membership growth goals and made them known to their local church memberships and to other churches.

At the first follow up meeting, Western (March 6, 1982) and Eastern (March 7, 1982) churches were asked to both report and reaffirm directions for enhancing evangelism and growth. The long lists included: Eastern Association churches' "steps taken and concerns or questions" and Western Association churches' "next steps for a local church team." Churches, led by their special teams, are working hard now to make their goals and should have some glowing reports to give us one year from now.

The participation has been good and the involvement continues to grow. We have appreciated the many individuals like Reverend Alan Johnson, Commission Members, Ex-officio Members, Pastors, and Association Leaders who have really taken Evangelism with a first priority and make it move during the last two years. We will be hearing excellent reports on church growth in membership, oneness and spirit, and many other parts of outreach and ministries during the coming years if this same kind of emphasis can be made each year in the future. The Evangelism/Church Growth Projects will be reaching all of our local

churches during these years. Plans are already being made toward these goals.

After a survey in 1980 the Eastern Virginia Association found that 50% of the churches there did not take in one new member during the year. Alarmed over this fact, a committee under the guidance of the Association Commission was formed and they developed a program called Contact which also responded to the common complaint that the laity was hesitant to get involved with evangelism.

Contact is a series of six sessions which helps enable people to speak about their faith. The sessions are designed to encourage people to get involved and not hesitate to share their faith story. During the sessions people tell their faith experience and listen to others share their faith story. It has been a rewarding experience for all the participants. Hopefully, people will then feel confident when speaking with the unchurched or disenchanting. Great results are already being seen from the use of Contact in the local churches. If you have questions about the use of Contact, please ask either the Chairperson of the Commission or Dr. Bill Simmons of the Eastern Virginia Association.

In short, local churches are at work. Evangelism/Church Growth is on the move. Plans have been made and are being made for greater work in evangelism. You can be sure that your Commission stands ready and willing to assist you in any way possible.

I URGE every local church to order now and use the Evangelism and Membership Growth Resources book which is put out by the Division of Evangelism and Church Extension, 132 West 31 St., New York, N. Y. 10001.

BLOWING ROCK ASSEMBLY GROUNDS

By KENNETH W. CLAPP

1981 proved to be another exciting and productive year for 'your place in the mountains'. It was a year of continued growth and development in many areas.

The emphasis of BRAG is ministry—helping people grow in the Christian faith. During 1981 programs were provided for singles, confirmands, retired persons, mentally and physically handicapped, youth groups and church leaders. The response to these offerings continued to grow. One of the areas where the greatest growth is taking place is the congregations and groups that utilize the staff of BRAG for leadership development retreats. Members of the staff also have developed retreats around specific themes that groups wanted to study.

Coming Events of Interest

Among the program offerings for 1982 are the following:

FUN DAYS FOR SPECIAL PEOPLE: June 20-23 is a retreat for

persons with physical and mental handicaps which offers recreation, Bible study, crafts and worship.

CHOIR AND MUSIC WORKSHOP: June 13-16 will focus on helps for small church choirs that work without professional leadership but will be helpful to musicians in all of the churches.

RETIRED PERSONS EVENTS: July 15-17 and August 2-5 will be co-sponsored by the United Church Retirement Home and will include workshops for persons in local churches working with this age group.

PASTORS' STUDY AND FAMILY RETREAT: August 16-19 will look at the role of the pastor and provide time for pastors and their families to be together and relax.

These are only a few of the offerings for this year. You are encouraged to write for more information.

World's Fair Tour/Retreats

Many churches from other conferences as well as our own conference have made arrangements to combine a tour to the World's Fair with a retreat and to use the Assembly Grounds as a lodging place for this. BRAG is offering several special packages to help church groups and individuals make a trip to the Fair and hopefully to combine this with a retreat and worship experience.

Family Vacations

An area that is being used more and more is the area of family vacations that take place at BRAG. More and more people are discovering that the setting is ideal for families and the prices can't be beaten. This is BRAG's way of participating in our denomination's emphasis upon the family. More information is available by writing BRAG.

The Campaign for BRAG

Much time and energy has been spent during the past year with the campaign to raise funds for the development of 'your place in the mountains'. The results have been tremendous. The first phase of the campaign sought \$350,000 from individuals and businesses. With less than \$5,000 remaining to reach that goal at the time of writing this report, we are confident that we will have reached the goal by the time you read this. During 1982 we will be working on Phase II of the campaign which seeks \$200,000 from the churches of the Southern Conference. We recognize that times are not the best for financial campaigns, but we are optimistic that churches will respond to our asking of \$10 per member to be given over a 2 year period. It is vital that every official board consider this campaign in the next few months and make a commitment.

New Lodge Progressing

Progress is being made in the construction of the new lodge. This facility will eventually contain dining and kitchen facilities along with office space, meeting rooms and guest rooms. The guest rooms will be finished and ready for use about June 1. Good response from the churches to the campaign will enable the completion of the other areas of the lodge by year's end.

The year has not been without its problems. Any time that an operation nearly doubles in size in each of several successive years, it is bound to experience growing pains. Areas of staffing, individualized service for our guests, and a lack of adequate facilities have been problem areas that have received much work and attention during the year. Hopefully, we have been strengthened by these difficulties and they have contributed to the development of our ministry. We continue to seek the support and prayers of all the members of the Southern Conference as we seek to serve our Lord by serving you.

ELON HOME FOR CHILDREN

By DR. WALSTEIN W. SNYDER

We look back on 1981 as a year of fulfillment and preparation in which we provided enriched services to children and their families and completed extensive plans for our Diamond Jubilee anniversary celebration.

The services of Elon Home for Children were many and varied, according to the needs we sought to meet. In each of these services, we were able to see dreams fulfilled while, at the same time, new ones were in the making.

The most extensive effort of the Home is in institutional care, which centers on the beautiful campus at Elon College, N. C. Residential cottages provide living space for 62 boys and girls. These cottages are attractive and comfortable and all are presided over by young couples who serve as houseparents. The type of houseparents at Elon Home is a matter of great pride, for these young men and women are well trained and deeply concerned about the young people in their care.

One of the most useful programs we offer is Preparation for Independent Living, in which students who are nearing graduation from high school receive advice and experience designed to enable them to face the problems of life away from the Home with confidence. The young people are taught the "ins and outs" of looking for jobs and also, the important things they need to know as they work and earn their livings.

A thriving phase of our services which reached new goals in the year was the Holt Day Care Center in which the Home provides care for preschool children and children who need after-school care from the time school closes until their parents can come home from work. Throughout the year, there was a "full house" for both of these pro-

grams, but the real story is that the Day Care Center received its "AA" license from the State of North Carolina.

Three off-campus services of the Home, the Turner Memorial Group Home in Suffolk, Va., The Oaks in Burlington, N. C., and the foster home care program, provided examples of how we met specialized needs of children in the year, for in each of these we found children happier and learning more about living and facing their problems.

In 1981, as in former years, our Family and Community Services Department was busy working with churches, ministers, various organizations, and individuals toward the goal of strengthening family life. Through conferences, seminars, publications, church meetings, and other means, the department seeks enrichment of family life and strives to encourage others to work in this area.

As busy as 1981 was with the regular program, this phase of its operation is not nearly the whole story, for the Home was looking forward to celebrating the greatest anniversary in its history in 1982, and plans had to be made and perfected for this year-long observance. From the first of January until the last of December, the Diamond Jubilee was on the minds of staff members, directors, church leaders, and others who were to have responsibilities in the planning of the year's program and in bringing these plans to fruition.

A most useful "tool" in taking the story of the Home to its friends and preparing for the celebration was the film, "Touch A Child," which was produced in 1980 for use in giving churches and interested organizations information on the Home's services and needs.

We hope our friends will join in celebration of our Diamond Jubilee anniversary and invite anyone who wishes to know more about our plans or about the services or history of Elon Home for Children to contact us.

(EXHIBIT NO. 7) UPLANDS

By DR. EDWARD V. DAHMER

Uplands appreciates very much the opportunity to greet churches and delegates of the Southern Conference by means of this report.

We here at Uplands continue daily in our efforts to serve and meet the needs of people as best we can. Our efforts, together with those of all our churches and agencies of the United Church of Christ, make the kind of impact on the lives of people that Christ directed should happen if we are His followers.

The work of Wharton Nursing Home continues to be the main thrust in our service to people. This facility, successor to the Cumberland Mountain Sanatorium founded in 1922, will soon begin its 25th year of providing quality nursing care to elderly persons of the area. However, it is becoming more difficult to do this. Agencies such as ours, locked in as we are to the amount of income we can generate, and feeling

strongly the cut-backs in assistance programs are struggling to maintain quality care and service to people. Although agencies such as Wharton Home have always needed the financial support of friends, it seems to be even more important in this time of cut-backs and belt-tightening in federal programs, that support continues to come from friends and churches.

At the same time we continue to feel the slow economic situation in our operation, Uplands continues to have a tremendous impact on the local economy. Sixty-five persons in Pleasant Hill and the surrounding area have employment here, at a time when the unemployment figure in our county stands at over 20%. The will to struggle and persevere become even stronger with the awareness that many families in our community count on us for their livelihood.

Our plans for a Sheltered Care Unit are still before us, although we have had to put the plans on "hold" this past year, as many other facilities have had to do in view of tight money and high interest rates. In the annual meeting of our Board of Directors in March, the Board resolved that the plan for this much needed unit is to become our number one priority over a two year period. A special effort will be made to solicit funds for this project, which will hopefully allow us to begin construction with conventional financing. It is expected that the unit will cost in excess of \$500,000 to complete, and when completed, it will mean that Uplands will provide the complete range of living accommodations ideally to be found in a retirement community: independent living, intermediate or sheltered care and finally, nursing care, if needed.

Finally, we want to express our sincere and deep appreciation to churches and individuals who have made contributions to our work this past year. We want you to know that all gifts coming to us from the Southern Conference are gratefully received and are used only for the support of the work of Wharton Nursing Home.

(EXHIBIT NO. 8)
NEW INITIATIVES IN CHURCH DEVELOPMENT

By REV. THOMAS H. BRITTON

The response of Southern Conference congregations to New Initiatives in Church Development during the past year has not been encouraging. After approving the program in 1980, and accepting a conference goal of \$150,000, the conference constituency for the most part ignored the NICD effort in 1981, and participating churches raised a total of less than \$4,000. Though the 1982 effort is still in progress, preliminary reports do not suggest that the current year's returns will exceed those of last year.

In an effort to encourage congregations to take part, and to provide helpful suggestions and promotional materials, the Task Force planned

and held four NICD Training Events—two in Eastern North Carolina, one in Western North Carolina, and one in Eastern Virginia. The Rev. Milton Gockley, of the UCC Stewardship Council, served as principal resource person for the events, but only a small number of local churches were represented.

Though the recommended NICD program called for special offerings to be received on Pentecost Sundays (over a period of three years), it was agreed that some local churches would prefer to choose another time for their NICD observances. It is not too late, therefore, for congregations to participate in the current year's effort.

After reviewing the results of the 1982 conference effort the Task Force will make recommendations to the Board of Directors regarding future directions.

JOHNS RIVER VALLEY CAMP

By REV. D. LEE JESSUP

One of the most exciting and expanding ministries within the life of The Southern Conference is located in the beautiful Johns River Valley, which sits in the Pisgah National Forest some eighteen miles north of Lenoir, N. C. The Johns River Valley Camp has been ministering to young people and church groups since July 22, 1936, when thirty young people enrolled in what was then a pilot project of the old Classis of North Carolina. The camp had been a Boy Scout Camp owned by the Kiwanis Club of Lenoir. In 1937, Johns River Valley Camp was purchased by the church and development began which still goes on to this day.

There is a renewed interest, indeed a renaissance, in church camping all over the country. Boys and girls, as well as men and women, are rediscovering the joys of living in the midst of God's creation. Johns River Valley Camp provides this experience in a natural setting which includes hiking trails to caves, waterfalls, and peaks; the Johns River itself, which meanders through the Camp; a vast assortment of flowers, trees, and wildlife; as well as fields and play areas designed for many different activities.

It would be impossible in this brief report to share all of the good news of Johns River Valley Camp, but here is a list of important developments we want you to know about:

***JRVC will host 15 different camps this year sponsored by the Southern Conference Camps; four of these will be held at the newly developed Outpost Site.

***In 1981, there was a 30% increase in the number of young people attending the Conference camping program over the previous year.

***All new and modern bathhouses for men and women have been con-

structed; they were greatly needed and have been really appreciated by campers.

***Major renovations are now underway in the Dining Hall. This central building vital to the life of the camp will be panelled, have new lighting, insulation, and a wood-stove making it suitable for cold-weather use.

***An Outpost Site is being developed by senior high work camps and other volunteer labor about half a mile from the Main Site. Already, two A-Frame cabiné, a cooking area with stone-oven, worship center, two bridges on the way to the Site have been constructed. This year, work-campers will construct a large, open Activity Lodge which may be used for fellowship activities.

***During the 1981 season, weekend church groups, youth fellowships, and the summer camping program of the Conference used JRVC from early April through the end of October. It is estimated that over 1200 people stayed at JRVC during the year!

***Development is about to begin on portions of the Johns River itself, making it available for tubing down the River, canoeing, and other water activities.

Surely Johns River Valley Camp is one of the real "treasures" we have in The Southern Conference. It is wonderful to see the renewed interest in the camp by church members and we hope and pray this continues. One of the tremendous things about JRVC is that it belongs to everyone in The Southern Conference. It is OUR camp!

In order for the camp to fully realize and reach the remarkable potential it has, everyone within the Conference must promote its program and enjoy what it has to offer. For the time of your life . . . come to the peaceful valley; come to Johns River Valley Camp and see what God has done in this part of our world.

(EXHIBIT NO. 10)
STEWARDSHIP COMMISSION

By REV. MICHAEL J. GARBER

Your Stewardship and OCWM Commission is delighted to report total OCWM income for the Southern Conference reached a total of \$397,114.59 for 1981. All Church Offering also showed a considerable increase over 1980 with One Great Hour of Sharing leading the way at \$58,501.72. Your Commission is deeply grateful to the local churches of the Conference for this response.

In 1981 OCWM income from Churches equalled 70% of the OCWM Goals assigned to Churches; 1980 OCWM income equalled 66%; and 1979 OCWM income equalled 59% of the Goals assigned churches. We applaud this progressive response.

The Commission has held two meetings during the year to carry out our work. We met in June to work out suggested 1982 OCWM Goals;

procedures to encourage use of stewardship materials and OCWM response from churches; provide better OCWM communication with Pastors and Churches.

Our April meeting agreed on the following suggested formula for OCWM Goals for 1983.

- (a) All Churches should accept a minimum Goal of \$10.00 per member.
- (b) Churches already at that level or above should accept a OCWM Goal of no less than that budgeted for 1982 and challenged to increase that OCWM Goal by 10%.
- (c) The Commission would meet in early July of 1983 to process the suggested OCWM Goals to Churches together with a covering letter of explanation and a response form from churches.

The Stewardship Council of UCC is charged with a program to double total giving from all segments of our fellowship during the next four years. We encourage Associations and churches to participate in this Stewardship effort. Resources and staff assistance will be available. Our increased giving thus far only keeps pace with inflation. We encourage each Church to elect a Stewardship and OCWM Committee and submit the name of the Chairperson to the Association and Conference. Monthly OCWM remittances to the Conference make for good Stewardship.

ELON COLLEGE

By DR. FRED YOUNG

Elon College celebrates its heritage as a church-related institution of higher education. From its founding in 1889 Elon has enjoyed a close relationship with the former Southern Convention, now the Southern Conference. The college is also in covenant with the Council on Higher Education of the United Church of Christ. This relationship has been faithfully documented in a new book by Dr. Durward T. Stokes, **Elon College: Its History and Traditions**, now on sale in the campus shop.

Budget cuts from governmental sources plus an economy troubled by inflation makes more critical financial support from private, individual, and church sources. The strong ties to and the support from the Southern Conference has never been more vital since the college was founded by the church 93 years ago.

Elon College has maintained a balanced budget over the years supported by alumni and friends, students, parents, individuals, churches, and other sources. Annual Fund support has been increasing and the Phonathon had its most successful campaign this year, doubling the pledges of last year. Southern Conference churches continue support for a number of endowed scholarships, and memorial gifts are increasing. Memorials for the late Mrs. Agnes Brittle have exceeded \$2,000, given by a host of individuals from the Eastern Virginia area. Wake Chapel

Christian Church has announced an endowed Scholarship Fund just recently.

Religious life on the campus is led by Chaplain William G. Sharpe, IV and the Religious Life Committee. Chaplain Sharpe and the Reverend Michael Hooper conducted a most impressive memorial service for Professor Guy Lambert last fall. Mr. Lambert was the very beloved head librarian of the college. A CROP fast was held on the campus during April 7-8. Students who participated were given 50 cents for each meal missed and the money was given to the Christian Rural Overseas Program (CROP).

The PRIDE II capital funds campaign to provide a fine arts center will likely be launched in 1983. We are grateful to the Southern Conference for approval of the program for 1983. The construction of a fine arts center has long been a recognized addition to the college facilities.

The physical plant continues planned expansion with a new dormitory complex to house 300 students, which will be completed this fall. The Scott Plaza beautification project is well underway in the area north of Alamance Building. The project was made possible by a gift from Senator Ralph Scott.

Enrollment for 1982-83 will likely be 2400 and full tuition, board and room for a dormitory student will be \$4,505. Elon continues its record of excellent athletic programs for men and women. The college won the NAIA national football championship for the second consecutive year. Dr. Clyde Fields will return as Director of Church Relations following his service as Interim Conference Minister. He will be available to churches as needed.

Elon College completes its five-year government grant of \$2 million in June 1982. The grant has enabled the college to review, revise and implement new programs in academic and student life areas to meet student educational needs for the 1980's. New programs launched in recent years include cytotechnology, radio broadcasting, journalism, computer information science, cooperative education, continuing education, public administration, and community recreation. Other academic disciplines have been strengthened.

A Learning Resources Center has been created to provide audio-visual resources, computer terminals, computer assisted instruction, tutorial assistance, and academic skills development. Students are utilizing a new academic advising center and an expanded career development and placement center. An honors program to challenge talented students has been highly successful. Administrative changes have been made to improve the educational program. An administrative computer provides better data to enable faculty to assist students promptly and accurately.

The professional preparation of the faculty has improved significantly in the past decade. Nearly 65 percent of the full-time faculty now possess earned doctorates.

Every area of college life has been studied by special consultants. The

ten-year self study under the direction of the Southern Association of Colleges and Schools was completed in November 1981. The visiting committee had the opportunity to evaluate these changes and made a strong and positive report to the Association.

CHURCH LIFE AND LEADERSHIP COMMISSION

By MRS. DOROTHY JOLLY

The Commission on Church Life and Leadership affirms the ongoing work of the Church and Ministry Commission in each association. The following have provided leadership for these commissions:

Rev. Dwight Moore—Eastern Virginia

Rev. John W. Settlemyre—Eastern North Carolina

Rev. Leslie C. Wicker—Western North Carolina

A delegation from the commissions and Conference staff attended a workshop at Lancaster Theological Seminary.

Two thousand dollars was transferred from Heritage Tour funds to Ministerial Education Advancement in Southern Conference.

“To Be In Mission” is the theme for 1982-83 Leadership Resources. This year this is one packet (\$6.50) and it is now available. Note the new address for ordering: Church Leadership Resources, 1400 North Seventh St., Suite B, St. Louis, Mo. 63106.

The Heritage Bus Tour, June 22-July 1, 1981, had the 13th General Synod, Rochester, N. Y. as its focal point. Rev. Frank W. Snider, Jr. served as Tour Chairman for the four buses of people. Canada was also included in the Tour.

Rev. Joyce Myers, Regional Representative for the National Office of Church Life and Leadership, provided leadership for six Faith Exploration Workshops in Eastern Virginia (Rev. Aubrey Todd, Chairperson); the Spring Laity Rally in Eastern North Carolina (Mrs. Elaine Simmons, Chairperson); and a spiritual Enrichment Retreat in Western North Carolina (Mrs. Doris Isenhour, Chairperson).

The Commission urges local congregations to review their pastor's salary and benefits annually.

(EXHIBIT NO. 13)

BLACK CHURCH DEVELOPMENT COMMISSION

By DR. MARION BLAIR

This Commission, with God's help and your prayers, moved forward with dramatic rapidity to fulfill its mission. Goals have been reaffirmed, objectives defined and priorities established.

The Black Church Development Commission came into being in the mid 1970's, following an earlier start as the Black Church Development Project. For the first four years it operated as a Task Force with its

own budget and a full time staff person. There were some advantages to becoming a Commission of the Conference, e.g., it offered some degree of permanence (initially it was set up as a three year program). However, there are some powers given up, e.g., Ministers for Racial and Social Justice now recommend persons to be members of the Commission and the Conference elects them, where previously MRSJ elected them.

Mission of The Commission

The By-Laws indicate the following tasks: (1) provide special training for Black ministers, (2) provide for leadership development programs to enable Black people to develop authentically their leadership potentialities, (3) enable Black churches to initiate and cope with change, (4) enable Black churches to utilize the existing structures of Southern Conference agencies, (5) recruit Black youths for fulltime Christian service, (6) provide program resources to the Black churches, (For complete directives refer to the By-Laws).

The Black Church Development Commission is accountable to the Annual Conference and Board of Directors, and is funded through the Conference budget.

In the 1982 Statement of Mission, the Commission states its Goal as follows: To strengthen and enhance the ministry and outreach of the Church of our Lord and Saviour, Jesus Christ, to the nation and to the world by the establishment of new black churches (UCC) and the strengthening of existing black churches through leadership recruitment, leadership training for all ages, programmatic outreach to the community, and more effective use of existing facilities.

Related to this goal the following objectives were developed:

- to establish a program of education and training for ministers and lay leaders within the Southern Conference.
- to develop a comprehensive program of recruiting college students for theological education, including securing adequate scholarship funding.
- to develop a mechanism for serving the self-determined needs of existing black churches and their communities.
- to develop and encourage black churches to utilize the commission, task force and programs of the Southern Conference and the UCC.
- through program development to provide human and financial resources to local churches to assist them in planning, development, and implementation of their mission objectives.

Priorities

The Commission has the following priorities: (1) leadership development of laity and clergy for 1982; (2) continued support of Lay/Clergy Academy, upon request; (3) sponsorship of leadership training institutes;

(4) continued support of joint Christian Education projects; (5) cooperative support to Southern Conference institutions.

Proposals

Proposals will be received and grants made to churches and church groups within the Southern Conference based upon need and available resources within the realm of the Commission's priorities.

Role

The Commission shall formulate policy, evaluate proposals and programs, initiate and develop programs, offer assistance to Black Churches, and assist in the overview, program and budget of Black Church Development.

Paths to Progress

The Commission adopted the following guidelines for 1982:

1. BCDC must be administered by the BCDC and assisted, upon request, by available staff (national and Conference.)
2. BCDC should receive funding at a minimum level of \$25,000, as in the original agreement.
3. Commission members should be informed concerning BCDC goals and objectives.
4. BCDC should develop a "Black Agenda", apply the agenda in the associations and program districts, using Area Associate Conference Ministers to assist.
5. BCDC should develop a communications network of persons with particular skills and influence.
6. BCDC should work toward the election of BCDC members by the same process as the other commissions in the Southern Conference.
7. BCDC members need to be informed about programs and projects funded by the BCDC.
8. BCDC should be structured to effectively relate Commission members to the various projects and clusters of churches.
9. A more effective structure and process of evaluation should be developed.
10. On-going programs should be evaluated with Commission members involved in the evaluation process.
11. Evaluation forms should be developed and used.
12. BCDC should pick specific target areas and program priorities.
13. BCDC should develop priorities for funding in November.
14. BCDC should meet in February, June and November.
15. There should be greater accountability by funded programs and projects, and each should be systematically evaluated at least annually.
16. A budget request should be delivered to the Southern Conference office in December.

The Coordinator requested that the travel and expense budget for the

Coordinator be reduced to \$300 annually. Budget figures for this line item have been grossly overfunded and never exhausted.

A committee appointed by the Board of Directors and chaired by Dr. George Gay, met to determine the role of the Coordinator of this Commission.

NAZARETH CHILDREN'S HOME

By DR. MARLIN T. SCHAEFFER

Our 75th Anniversary year has been a glorious one from the Anniversary Day on Saturday, August first through the present time. Actually the Home was not opened until December 1, 1906, so we really began our celebrating a bit early. The Anniversary year should extend to November 30th, 1982. So in a sense our Anniversary Day this coming August 7th will be a climax to our Diamond Jubilee. But we are still basking in memories and reflections of our big day '81. Former superintendents returned to meet many alumni who had come from many areas to be part of the festivities. Then throughout the day there was entertainment of many varieties. Because this was the first such gathering in twenty-three years it was a new experience for our children. Present plans call for an annual anniversary day.

As we draw to the close of this 75th year we will be dedicating a swimming pool and looking forward to a number of campus improvements. The pool comes as a result of an anonymous gift of a friend in Akron, Ohio and bequests from the estate of Norma and Hazel Shiring of Southern Pines. The Alumni Association has taken on a project to restore the "Old Stone" Building (the Lyerly Building), a landmark in the county which has not been occupied since 1960.

The business of Nazareth is children and we have had a great year caring for and nurturing them. Fifty-one children were cared for during 1980-81 fiscal year—our youngest being eight and our oldest nineteen. We started our year with 29 and closed with 39. We had a few children who were with us less than six months but then we had six who had spent as much as ten years with us. The trend is for shorter stays with the emphasis on returning children to the families.

We are also pleased with the utilization of our Woodson-Patterson garage-shop. Many of our young people (both boys and girls) have taken an interest in mechanics and repair work and we have the good fortune of a young man coming each week to help teach our children the "how" of repairs.

Skyrocketing costs have worked havoc with our budget. Two of our cottages are over twenty years old and the other two are over twelve years in use so we are faced with increased repair bills. Then, too, furniture and appliances are wearing out and these must be replaced. Our total expenditures for the past fiscal year were \$357,228. Over half of

this came from public funds and many of these sources have been drastically cut. We received almost \$45,000 from churches. We are also appreciative of those who remembered us through wills and legacies: the estates of Norma A. and Hazel Shiring of Southern Pines and the annuity of J. T. Hedrick of Lexington were three substantial bequests that came to us. We are receiving more memorial gifts but two stand out: memorials to Mrs. Sallie Freeze of Rockwell and to C. E. Lackey of Newton. We are indebted to a number of Foundations for their support: the Margaret Woodson Foundation, the Cannon Foundations, Myers Ti-Caro, Coral, Tom Kern and Broyhill. Duke Endowment has yearly supported us; in 1981 we received \$9,872.08. For many years the Fesperman Bible Class of Peace Church in Greensboro has been contributing to an endowment fund with the interest being used for current operation. Over the years one of our Board members, Marcus Crofts of Winston-Salem, has made various vehicles available to us. Most recently he gave us a tractor and truck.

The concern and caring of people for children is the story of our support at Nazareth. This summer we again hope that many of our children can go to Johns River camp. Many church groups, fellowships, churches and individuals send us \$55 to make it possible for a child to attend.

With August 7th set for our Anniversary we hope that church groups will volunteer to send crafts, pastries, homemade articles, etc. We need volunteers for all sorts of jobs—food service, parking, etc. So plan to come and to help.

We invite you to come to Nazareth and visit with our children. We thank you for your support in so many ways. Remember us as we try to do our ministry for children.

WOMEN IN CHURCH AND SOCIETY TASK FORCE

By MS. NANCY PEELER KEPPEL

The purpose of this Task Force is to "advocate the equal partnership of women with men at all levels of the church life." In order to achieve this goal we have been guided by ten objectives. In some areas of concern we have seen real progress. In others we have made only a small beginning.

We addressed our priority issues—racism and sexism—at the workshop held at Crumpton Center in Roxboro. Dr. Marion Blair led us through a study and worship experience which enlightened and enriched us.

A retreat for women in ministry was sponsored by the School of Pastoral Care and Jeanette Stokes' Resource Center for Women. I enjoyed serving on the planning committee.

The election of all male officers of the Southern Conference was protested at the 1981 annual meeting.

A letter was sent to the Search Committee encouraging the selection of a Conference Minister sensitive to the needs and concerns of women.

In keeping with our ongoing commitment to equality, the Task Force will introduce a resolution at the 1982 Annual Meeting urging ratification of the Equal Rights Amendment by the N. C. Legislature before the June 30 deadline.

Members of the Task Force believe the Christian Gospel urges us to make this witness. We know that in Christ there is neither Jew nor Greek, bond nor free, male nor female. Church people can avoid responding to this truth, but we cannot deny the truth.

The Amendment reads as follows:

Section 1. Equality of rights under the law shall not be denied nor abridged by the United States or by any State on account of sex.

Section 2. The Congress shall have the power to enforce, by appropriate legislation, the provisions of this article.

Section 3. This amendment shall take effect two years after the date of ratification.

As is our policy, individual Task Force members do their "work" between meetings by being actively involved in justice issues in their churches and communities. Fran Carnright, Forest Wells, Susie Keele, Jill Edens, Winfred Bray, Dot Ballinger, Gail Hooper, and John Kernode are "doing theology" and effecting change in attitudes and circumstances. We are grateful for their insight, energy, courage, and their commitment to servanthood in Christ's name.

Prelude ----- Festal Hymn on Lauda Sion
By E. S. Barnes

* Processional Hymn ----- How Firm A Foundation

“How firm a foundation, ye saints of the Lord,
Is laid for your faith in His excellent Word!
What more can He say than to you He hath said,
Who unto the Saviour for refuge have fled,
Who unto the Saviour for refuge have fled?”

Fear not, I am with thee, O be not dismayed;
For I am thy God, and will still give thee aid;
I'll strengthen thee, help thee, and cause thee to stand,
Upheld by My righteous, omnipotent hand,
Upheld by My righteous, omnipotent hand.

When through the deep waters I call thee to go,
The rivers of woe shall not thee overflow;
For I will be with thee thy troubles to bless,
And sanctify to thee thy deepest distress,
And sanctify to thee thy deepest distress.

The soul that on Jesus hath leaned for repose,
I will not, I will not desert to his foes;
That soul, though all hell should endeavor to shake,
I'll never, no never, no, never forsake,
I'll never, no, never, no, never forsake”.

* Call to Worship

LEADER: Welcome to our worship.

PEOPLE: Greetings to our brothers and sisters in the faith.

LEADER: We come to celebrate God's presence.

PEOPLE: And God's love expressed through Jesus Christ.

LEADER: We come remembering Christ's life and ministry.

PEOPLE: And the life we are called to live.

LEADER: We come as a pilgrim people searching for ways to live out
our faith.

PEOPLE: We come seeking the strength to carry on our journey.

ALL: Let us rejoice in God's gift to us!

* Invocation

* Hymn ----- Lift Up Your Hearts

“Lift up your hearts!” We lift them, Lord, to Thee;
Here at Thy feet none other may we see;
“Lift up your hearts!” E'en so, with one accord,
We lift them up, we lift them to the Lord.

Above the level of the former years,
The mire of sin, the weight of guilty fears,
The mist of doubt, the blight of love's decay,
O Lord of Light, lift all our hearts today!

Lift every gift that Thou Thyself hast given;
Low lies the best till lifted up to heaven;
Low lie the bounding heart, the teeming brain,
Till, sent from God, they mount to God again.

Then, as the trumpet call, in after years,
"Lift up your hearts!" rings pealing in our ears,
Still shall those hearts respond, with full accord
"We lift them up, we lift them to the Lord!"

* Confession

LEADER: Let us confess together that we have not always lived as those forgiven, set free, and united in Christ.

PEOPLE: O God, Source of life and grace, we are aware that we are, at times, prisoners of fear and habit. Through the healing touch of Christ, set us free to live and to love, that we may be the people you have created us to be. Amen.

LEADER: The good news is that Christ calls us to new life and enables us to begin again and again and again. Let us praise God with songs of joy!

THE INSTALLATION

Dr. Norman W. Jackson, Presiding

Dearly beloved, we are here in the name of our Lord Jesus Christ, the Head of the church, to install Rollin O. Russell as Conference Minister of the Southern Conference. This conference has declared that, having

gathered under the guidance of the Holy Spirit, its members have with due seriousness called him to minister in this conference, and that they receive him as appointed by the Lord.

My brother, seeing that the grace of God has called you into the ministry, that this conference has been led to summon you to its oversight in him, and that you are about to enter into covenant with its members, I ask you in the name of God:

Will you commit yourself to the tasks to which God calls the United Church of Christ, witnessing to the unity of the Church and mindful of the call of Jesus Christ to preach the Good News, to proclaim freedom in the Spirit, and to announce the message of wholeness of Jesus Christ?

Answer: I will, in the strength of the Spirit.

Since you are called to exercise this ministry within the United Church of Christ, do you promise to fulfill the duties of your office in accord with the constitutions of the United Church of Christ and of the Southern Conference?

Answer: I do so promise.

Will you seek always the unity, peace, and purity of this Church and of the whole Christian Church?

Answer: I will, for we are called to speak the truth in love.

Will you commit yourself to serve as a colleague and brother with your fellow Conference ministers and with all who minister in the United Church of Christ?

Answer: I will so minister as a servant of Jesus Christ.

Do you, the members of this conference, receive Rollin O. Russell as your Conference Minister, promising both to labor with him in the ministry of the gospel and to give him due honor and support?

Answer: We do.

PRAYER OF INSTALLATION

A WELCOME TO SOUTHERN CONFERENCE—Mr. Woodrow Piland

* Hymn Sound Over All Waters

Sound over all waters, reach out from all lands,
The chorus of voices, the claspings of hands;
Sing hymns that were sung by the stars of the morn
Sing songs of the angels when Jesus was born.

Blow, bugles of battle, the marches of peace,
East, west, north and south, let the long quarrel cease;
O sing ye the song that the angels began,
Sing glory to God, and good-will unto man!

With glad jubilations, bring hope to the nations,
The dark night is ending, and dawn has begun;
Rise, hope of the ages, arise like the sun,
All speech flow to music, all hearts beat as one!

Benediction Dr. Russell

UNITED CHURCH RETIREMENT HOME

By DR. LAWRENCE STRUNK

We are in one of the most exciting times in the life of The United Church Retirement Home, Inc. You are invited to share in this excitement and to feel a sense of ownership in all that is happening and being planned.

The Nursing Unit at the Abernethy Center is filled with residents who, with the help of committed staff and volunteers, are endeavoring to live to the fullest extent possible. A village, with a variety of independent living opportunities, is a reality. Persons are talking with us daily about the retirement opportunities now available at the Center. The manor house of the Morrison Farm has been reconstructed as the headquarters of The United Church Retirement Home, Inc. with the upper level as guest accommodations for those who come to visit this exciting expanding ministry. The Use-For-Life Agreements written on the individual apartment units will hopefully cost no more than \$37,900. Each occupant will also pay a \$1,500 Life Occupancy Fee which is paid by all residents of the Center, including those entering the Nursing Unit. A monthly Supportive Care of \$135 per couple or \$95 per individual is required from each resident in the Village. This Supportive Care package includes provisions for needed infirmary care and nursing visits. It also includes snow and leaf removal, lawn care, and normal unit maintenance care.

As we work to strengthen the ministry of the J. W. Abernethy Center as a total life care facility and project our dreams for the same type of facility in the Piedmont area, it is hoped that in time we will be able to reach out in a more responsible way to the persons needing nursing care. The cooperation and support of everyone is needed in order for us to more adequately match available services with the growing demand.

On the fifty acre tract of land for the proposed Piedmont Center we are preparing the site and hope to open land, installing the sewer and other utilities, grading the site to architect's specifications, and putting in the base for the roads. It is projected that this undertaking will cost approximately \$150,000. We hope this can be done by early summer with the construction of the first phase of the center to begin soon afterwards.

The church people of the Eastern Virginia Association are rallying to have a brick and mortar substance of the Southern Conference in their geographical area. They are responding to the challenge to raise

\$250,000 as seed money for the start of a retirement center satellite in their midst. Enthusiasm is running high. The Site Committee is working hard to find a suitable site at a reasonable price. It is the feeling of everyone connected with this phase of the expanding ministry of the United Church Retirement Home that the Tidewater project is off to a good start.

Shortly after the United Church Retirement Home began its ministry among the elderly, the Board of Directors established the Sustaining Fund. It has grown over the years through the support of churches and individuals. All of the money contributed to the United Church Retirement Home, not earmarked for special projects or buildings, has been placed in this fund. From this fund amounts are drawn each month to care for the needs of those whose life span has exceeded their financial resources. Because of this fund no one has ever been asked to leave the facility because of financial conditions. Those who have contributed to this fund have helped to sustain the dignity of individuals who have carried the message of Christ in their younger, more productive days. The notes that many times accompany gifts to the Sustaining Fund indicate that contributions are given because of the Youth Group car wash, a Women's Fellowship dinner or bazaar, a special offering in Church School, or the balance of a project for the elderly in the local church. Gifts also come from persons whose friends or loved ones have been cared for in the Retirement Home.

We challenge you to be a part of this ministry. Remember, when we build for the aging we are building for our own tomorrows. Personally, I thank you for your support and join you in our common quest to have The United Church Retirement Home, Inc. grasp every opportunity to move into the future more fully prepared to serve.

CHRISTIAN SOCIAL MINISTRIES COMMISSION

By MR. ALVIN L. ALSTON, SR.

Although this commission has not had a meeting this year, much work has gone on in its name through the association commissions, the North Carolina and Virginia Councils of Churches, other ecumenical agencies, as well as in local churches.

The Thirteenth General Synod accepted Peace as its first priority. The national church, mainly through the Office for Church in Society, and our association commissions, have been actively involved in developing study materials for local churches on this important issue.

In addition to the issue of Peace, our Commission asks local churches to continue to address such issues as world hunger, racism, ERA, capital punishment, labor/management relations, the Nestles boycott, and spouse and child abuse.

Our churches and ministers should be aware that both Councils of

Churches in our states have strong programs in social ministries. The Commission urges our churches to become more informed about, and involved in, these programs and to make sure they are on the mailing lists to receive information about activities and programs. Write the following persons for information:

Rev. James A. Payne
2321 Westwood Avenue
Virginia Council of Churches
Richmond, Va. 23230

Rev. S. Collins Kilburn
201 Cameron Village—Bryan Bldg.
N. C. Council of Churches
Raleigh, N. C. 27605

Finally, this Commission urges its Southern Conference constituency to keep in touch with its legislators, especially on social issues.

CHRISTIAN EDUCATION COMMISSION

By REV. CLARENCE STUMB

People are of utmost importance in the workings of the Christian Education Commission. In addition to Dick Rinker of the conference staff and the coordinator, a dedicated group of persons have worked hard in task forces to accomplish the work of the commission. At times this work has been with co-opted members or national staff persons.

The **Family Life Task Force** faces the General Synod priority of the same name, while noting that many persons in this conference have already or are now in training to help local churches in this area. Bob Stogner of the Elon Home for Children has initiated the bulk of these efforts. One co-sponsored venture on the Elon Home campus was the Family Life Conference which put together a group of ministers and spouses with Nanette Roberts, national staff secretary of family life and women's issues. An Advent workshop and a family **camp fill out** the calendar for this task force.

The **Outdoor Ministries Task Force** continues to develop an outpost area at Johns River Valley Camp, and is involved in some long range planning utilizing the consultant work of Richard Chamberlain from the UCBHM. The task force is still sorting through the mammoth report resulting from the 1981 summer residency at JRV of Homer Yearick. 1981 also witnessed a significant increase in camp registrations, a trend the task force endeavors to continue.

Some **Leadership Task Force** persons were challenged by JED—Northamerican Event for Church Educators in Louisville which addressed the theme "Refocusing our Vision." At a workshop in Eastern Virginia on "The Small Church" and "The Pastor as Educator," Percel Alston was saying that "small is beautiful." A February '83 JED reg-

ional event in Charlotte will be part of a new leadership thrust for the coming year. Many local church efforts have also been taking place utilizing conference and commission resource persons. Finally, commission members and others will be facilitating an educational process at the conference meeting as delegates confront the theme "No other Foundation: Education for Faith and Mission."

The **Youth Ministries Task Force** faces a time of evaluating, shifting gears, and re-programming. But in spite of such transition talk, a conference youth van trip this year will visit the worlds fair in Knoxville, and a youth work camp will build an activity building at the JRV outpost site. Last year Conference youth visited the General Synod XIII in Rochester, where they also learned about the Christian Church (Disciples) due to such affiliation by their host church. Work campers built bridges and erected a kitchen shelter and oven at the JRV outpost area.

Hearing the proverb which states "Where there is no vision, the people perish," the commission is looking to the future. Such plans include:

More family life emphasis; utilizing trained family life resource persons in the local church; building options in the outdoor ministry program; having key persons in camp/conference work trained at "Consult 4" St. Louis event; repeating the "Small Church/Pastor as Educator" workshop in N. C. Associations; initiating new leadership development utilizing Charlotte JED event of February '83; establishing a process for feedback of needs of youth in the church.

FRANKLINTON CENTER

By DR. RONALD E. MORRIS

Nineteen eighty-one was an eventful year at Franklinton. We were fortunate enough to have a limited amount of capital improvements made to our facilities. The dormitory was re-conditioned, a new roof and exterior painting was made to the cafeteria, two of our rental houses were painted, the office building, and directors house had limited repairs made. However, much more needs to be done, to keep the facilities in first-rate condition.

We were blessed, through the generosity of others to provide services to several hundred youngsters from poverty homes in our camping and recreational programs. We provided services for many of our local churches in camp related programs, or workshops. Additional services were provided for our clergy and laity, such as, workshops, retreats, and off-site educational programs. With your support, we provided for the children of the local communities, nutritional meals, remedial education, ecological studies, art and cultural appreciation workshops, and recreational safety.

The generosity of many of our churches, provided camp scholarships

for our youths, as well as scholarship aid for two of our children in college.

Franklinton has never closed its doors to the needs of the less fortunate. During the year, we have subsidized a child day care center for the needy of our service area. This program, has been most helpful in allowing parents of low income to maintain gainful employment, as well as provide educational opportunities to the children.

We had many successes in 1981. Southern Conference churches donated to the work of Franklinton Center far above the previous year, and we were most grateful. However, we must ask more of our churches in 1982. We are working day and night to ready our facilities for our spring and summer season. Hundreds of children are depending upon us to provide help, through recreation, education and human services. The needs of our children are great, without your continued support, we will not be able to meet their needs. All of us have been tightening our belts in an effort to keep on amidst the high drain of inflation on our limited funds. We can continue only if you care.

Thank you for sharing and caring . . . and helping in the work of Franklinton.

THE PRESIDENT'S REPORT

By WOODROW W. PILAND

The past year has been an unusual one. Because of the death of Dr. James H. Lightbourne, Jr. on January 22, 1981, it has been necessary to have five meetings of the Board of Directors and six meetings of the Executive Committee. In addition, I have attended three meetings of the Committee considering the Conference Office Site, and meetings of the Search Committee involved in seeking candidates for the position of Conference Minister.

As President it has been my pleasure to share in church meetings, installations, and celebrations representing the Conference, and I have met many people I would not otherwise have met had I not been President.

Very briefly I am including here summaries of the meetings, listing only those items not routine to the activities of the Board. In addition to what is noted here, therefore, such things as commission and institution reports, finance reports and budget considerations, as well as normal operational items took place but will be reported more fully when the printed minutes are available for 1981.

At the **March 19** (Burlington) Board of Directors Meeting, Dr. Clyde L. Fields was named Interim Conference Minister. Details of remuneration for his services were negotiated. At this time a special Death Benefit was granted Mrs. Carolyn Lightbourne in lieu of salary for Dr. Lightbourne, to be presented to her by Dr. Fields at the Annual Meeting. It was also agreed that the offering taken at the Annual Meeting would be for OCWM in memory of Dr. Lightbourne. It was at this meeting, too, that I appointed a Committee to study the Conference Office facility.

At the **August 13** (Henderson) meeting, the Search Committee made its report and the Conference Profile was received with several suggested changes. It was agreed that potential candidates for the position of Conference Minister would be interviewed at the expense of the Conference. It was further agreed that when the Search Committee arrives at the point when a candidate could be presented to the Board, a special meeting of the Conference would be called to elect the candidate if the Board agrees to present his/her name as the nominee. The salary range for the position was established.

At the **November 10** (Henderson) meeting, Dr. Lonnie Carpenter was recognized and the Board expressed its appreciation to him for his help during the illness of Dr. Alcorn. It was at this meeting that I appointed a committee to prepare role definitions for Commission Coordinators.

The Conference Office Study Committee made a report on its progress, and the Board agreed that further investigation would be made on finding a location for the office in the Burlington area suitable for our needs. The same Committee was reappointed to continue their task. Adjustments were made in the method for compensating staff members to facilitate housing allowance determination. OCWM receipts will be reported quarterly to churches and association offices. A recommendation will be made to provide sabbatical leaves for all staff members. Johns River Valley Camp was authorized to conduct a Capital Funds Campaign in 1984; Franklinton Center in 1985.

At the **January 25, 1982** (Henderson) meeting, called especially to receive the recommendation of the Search Committee that Dr. Rollin O. Russell be the nominee for the position of Conference Minister, the candidate presented some of his views and was questioned by Board members. The Board voted to nominate Dr. Russell and I was authorized to call a Special Meeting of the Conference for March 24 at First Christian Church in Burlington for the purpose of voting as a Conference on Dr. Russell.

At the **March 25** (Burlington) meeting, it was agreed that a written report was needed for Board activities and I was delegated to make it for inclusion with the other annual reports. It was also agreed that oral reports at the Annual Meeting would be limited strictly to five minutes each. In response to the Board's directive, I appointed a temporary Committee to consider New Church Development to serve until a permanent policy has been determined. The Office Site Committee's report resulted in agreement that further negotiations be held along the lines already begun for finding a new location. It was voted that Moonelon be sold with reservation that such action not be taken until the final outcome of the Office Site Study Committee has been determined. Funds from the sale would be held in escrow until a policy could be determined for their disposition.

The next meeting of the Board will be held in the Fall of 1982 at which time our new Conference Minister will have been with us through the summer, gaining an awareness of the Conference and our people. For all who have worked hard during these last months to bring us to our present place in time, and for the many hours invested by Board members and staff through difficult times, I am appreciative.

16th ANNUAL MEETING
CHURCH WOMEN OF THE SOUTHERN CONFERENCE
UNITED CHURCH OF CHRIST
CATAWBA COLLEGE, SALISBURY, N. C., JUNE 21, 1982

President Nora Norred called the Sixteenth Annual Meeting of the Southern Conference Church Women to order at 3:45 P. M. in Hedrick Little Theater on the campus of Catawba College on June 21, 1982. She

made some introductory remarks on the issue of Peace and its relationship to our Summer Conference theme, "To Be In Mission." We sang the hymn, "Joyful, Joyful We Adore Thee", and were led in prayer by Shirley Cannon. Nora read to us the purpose of our organization, then introduced the members of the Executive Board. She also introduced Rev. Edwin Alcorn, Gretchen Eick, Joyce Myers, Dick Rinker and Bill Simmons (who helped with the printing of the programs and yearbooks). The Association Presidents were introduced and they in turn had all the members present from their respective Associations to stand.

It was moved and approved that the printed minutes on pages 8-9 in the Year Book not be read aloud. Nancy Perkins, Treasurer, made her report and urged churches to indicate on their checks to what fund they wish them to be applied. In addition to this, it is very important that the name of the church making the donation be on the check in order to properly credit it in the treasurer's records. She also presented the proposed budget for 1982-83 printed on page 15 of the Year Book and it was approved. The Working Rules Committee had no recommendations for any changes. Marion Sperry was publicly recognized for her three years service as Leadership Chairperson. The Scholarship Committee report was made by Vera Parker. We learned from her that there has been an increase in the amount of money available for college scholarships so that we were able last year to give ten scholarships. We voted to make the scholarships for this year three hundred dollars. The report of this committee is printed on page 14 of the Year Book. Two new recipients this year are Connie Wright of Suffolk, Va. and Calvin Askew of Eure, N. C.

The Coordinating Center for Women wants to get some input from women around the U. S. in planning programs for women's work. We were urged to read the flyer in our folders from the CCfW and fill out the forms and turn them in before leaving Summer Conference. This is a real opportunity for each woman to have a say in what goes into programming. The Board for World Ministries, the Coordinating Center for Women and Family Thank Offering are cooperating in the sponsorship of Mary Elias from Sri Lanka to Southern Conference from September through the middle of November. She will be present at each of the Fall Enrichment Meetings.

The Nominating Committee report printed on page 16 is as follows:

President: Shirley Cannon

1st Vice President: Rev. Josephine Squires

2nd Vice President: Faye Humphrey (1 year term)

Secretary: Henrietta Hargrove

A motion was made that the Secretary cast the ballot for the entire body and a second to the motion followed. The ballot was cast and the slate duly elected.

A motion was made that a Resolution be drafted expressing our feel-

ings about the Peace Movement and that we be called back into session on Tuesday to adopt it.

This motion passed.

The newly elected officers were installed by Rev. Edwin Alcorn. Our meeting was then closed by Nora Norred with a prayer for peace.

Respectfully submitted,

Doris Yeattes, Substitute Secretary

June 22, 1982

We were reconvened to hear the reading of the Resolution (copy attached). A motion was made that it be adopted and was seconded. The Resolution passed unanimously by those present on June 22, 1982 Summer Conference.

Respectfully submitted,

Doris Yeattes, Substitute Secretary

TO THE NORTH CAROLINA AND VIRGINIA MEMBERS OF CONGRESS:

This week before you go on recess, we understand you are likely to vote on sense of congress resolutions regarding arms control. We write to urge you to vote for H. J. Resolution 434, brought by Representatives Markey, Conte and Bingham. This resolution calls on the U. S. to propose to the Soviet Union an immediate mutual freeze on the production, testing, and deployment of nuclear weapons and their technologies.

Recently the former director of the CIA, William Colby testified to the Senate Foreign Relations Committee that such a freeze would be verifiable, in fact probably more easily verified than other arms control agreements. Senator Glenn, who made himself an expert on verification during the debate about SALT II, also told that committee that he now supports both ratification of SALT II, which he used to think unverifiable and the bilateral freeze (S. J. Resolution 183/H. J. Resolution 434) because he is convinced we now have the national technical means to verify both. In short, a freeze is both verifiable and sensible.

This is a dangerous time when both sides are refining their nuclear weapons, when destabilizing new technologies are about to be introduced to the arms race. These new technologies include being able to destroy nuclear weapons while they are still in the ground, reducing the delivery time for ICBM's by depressing the trajectory, evading radar detection with nuclear weapons-carrying aircraft. Because these technologies once tested and deployed will make use of nuclear weapons much more likely, we believe the first step in preventing use of nuclear weapons is freezing the testing and deployment and production of nuclear weapons at the already redundant levels we and the Soviets now have. While we support negotiated reductions in nuclear weapons as President Reagan has proposed, such agreements will take years to negotiate. That is why we support freezing both countries' nuclear arsenals now while pursuing verifiable arms reduction agreements.

We and the Soviets have chosen to base our nuclear weapons quite

differently. We have 50% of ours at sea and roughly 25% in silos, 25% carried by bombers. They have 70-75% of theirs landbased with only 5% carried by bombers, 20% on submarines. The U. S. and USSR have chosen to emphasize different things in their nuclear arsenal—they the huge ICBM's, we the smaller and more accurate missiles. Our two nuclear arsenals, while different, are essentially equal in their ability to destroy each other's population and industry. That is why this is the time to freeze both sides. While both sides are essentially equal, it is in the interests of both to freeze. If we build up our nuclear arsenal first, the Soviets will counter our build up, and the much more dangerous new weapons technologies will go into production, leaving us all much less secure.

For these reasons, we women attending the Southern Conference Women's Summer Conference of the United Church of Christ ask you, our elected officials, to support H. J. Resolution 434 when it is offered on the floor of the House of Representatives.

Signed
Shirley Cannon, President
For the more than 200 women attending

RESOLUTION REGARDING COUNCIL OF CHURCHES

Whereas the United Church of Christ has been in the forefront of the ecumenical movement in the United States of America; and

Whereas the churches of the Southern Conference of the United Church

of Christ makes contributions both through Our Christian World Mission (OCWM) and through special gifts to the North Carolina Council of Churches, the National Council of Churches of Christ, and the World Council of Churches; and

Whereas some activities of Councils of Churches have recently drawn criticism in the national media; and

Whereas we continue to believe that it is desirable to continue to search for paths to Christian unity; and

Whereas participating in Councils of Churches places upon us a responsibility for sharing in the oversight of the witness and stewardship of the several Councils of Churches;

Be it therefore resolved that the general purposes of the several Councils of Churches be enthusiastically endorsed; and

Be it further resolved that we expect our denomination and the several Councils of Churches to spread the gospel and seek to relieve human suffering in even the most difficult circumstances; and

Be it further resolved that we call on all representatives of the United Church of Christ to the several Councils of Churches to share in the decision making and to share in the oversight of program activities to the end that:

1. The gospel of Christ shall be given first place in all considerations of policy,
2. Christian principles of witness and stewardship, such as openness, honesty, and accountability be sustained,
3. Insofar as Councils of Churches support activities aimed at social change that only non-violent methods shall be approved,
4. Insofar as policies are shaped which address such concerns as peace, justice, and prosperity, ALL human ideologies, institutions, and organizations, should be held up to Biblical standards and Christian ethical analysis; and

Be it further resolved that this resolution be forwarded to appropriate national officials within the United Church of Christ for their guidance, to the Southern Conference of the United Church of Christ for appropriate action at its next annual meeting, and also forwarded to the United Church of Christ for appropriate action at its next General Synod.

First United Church of Christ, Charlotte, NC

Vote 13—SC '83: To accept new wording of No. 5 Resolution (as distributed to delegates).

Vote 14—SC '83: To adopt resolution No. 5. "Resolution To Halt The Soviet Invasion of Afghanistan".

SUBSTITUTE RESOLUTION REGARDING THE SOVIET INVASION OF AFGHANISTAN

Whereas, The United Church of Christ is called by Christ to proclaim the Gospel in spirit and in deed to all people; and,

Whereas, Jesus calls us to be responsible for what we do or do not do in His name, saying, "Inasmuch as you did it to one of the least of these, my brethren, you did it to me.": and,

Whereas, for three years the armed forces of the Soviet Union have

waged a war of aggression and oppression against the freedom loving people of Afghanistan; and,

Whereas, human rights have been systematically violated by the unwarranted and unprovoked invasion of Afghanistan by the Soviet Union subjecting the people to widespread terrorism, indiscriminate arrest, torture and murder; and,

Whereas, the Soviet Union has possibly used chemical warfare and/or biological warfare, along with other modern weapons against the people of Afghanistan in violation of the Geneva Accords of 1925; and,

Whereas, the Soviet Union's war of immoral conquest has caused great suffering and dislocation to the civilian population of Afghanistan;

Be It resolved, that the Southern Conference of the United Church of Christ go on record calling for the withdrawal of all Soviet forces from Afghanistan and the immediate cessation of all armed conflict there; and,

Be It Further Resolved, that the Southern Conference communicate to Chairman Yuri Andropov our moral indignation over the continued presence of Soviet troops in Afghanistan; and,

Be It Further Resolved, that the Conference Minister of the Southern Conference and the Chairman of the Southern Conference Peace Task Force, inform the Congressional Representatives and Senators of the States comprising the Southern Conference, of our deep indignation and concern for the plight of the people of Afghanistan; and call upon them, as the duly elected representatives of the people, to use all diplomatic and economic means to persuade the government of the Soviet Union to withdraw its armed forces and allow the people of Afghanistan to form an independent sovereign government.

RESOLUTION ON IMPACT OF U. S. FOREIGN AND MILITARY POLICY ON CENTRAL AMERICA

WHEREAS President Reagan announced recertification of military aid to El Salvador in spite of evidence that the refugee flow continues into Honduras, killings and kidnappings of citizens by government forces occur, and no trials have been held for the men accused of killing the Maryknoll sisters and American labor unionists;

WHEREAS Amnesty International and America Watch have documented 2,600 killings of Indians by government forces since May 1982 through the Guatemalan government's pacification program which have resulted in 100,000 Indians displaced internally, and yet President Reagan has approved the shipment of \$6.2 million in military parts to the Guatemalan government;

WHEREAS *Newsweek*, *N. Y. Times* and the U. S. Congressional Intelligence Committee revealed the role of the CIA in training Ex-Somoza Nicaraguans to conduct raids into Nicaragua;

WHEREAS the U. S. has tripled the amount of military aid, \$31 million to Honduras in 1982, is building new air bases and on February 1 and 2, 1983 conducted joint military exercises on the Honduran-Nicaraguan border;

WHEREAS the constant attacks and the threat of even wider hostilities have forced the Nicaraguan government and people to divert scarce material, human, and financial resources from the vital tasks of reconstruction and development to the build-up of the country's defense capabilities;

WHEREAS Costa Rica, in difficult financial situation, has accepted \$2 million for training of its Civil Guard, has installed an early warning system along the Nicaragua-Costa Rica border, and under USA influence hosted a regional conference, Forum of Peace and Democracy, in October 1982 which excluded Nicaragua;

WHEREAS the Assembly of the Evangelical Churches and representatives of other religious bodies of Nicaragua have specifically requested the support of religious people and organizations in the United States to prevent the outbreak of open hostilities between Nicaragua and Honduras, and the escalation of U. S. involvement in the conflict and to establish the basis for a just and lasting peace in the region;

WHEREAS the Latin American Council of Churches has urged the churches in the United States to oppose any form of aggression against Nicaragua; and

WHEREAS other governments in the area have offered their good offices and made concrete proposals for a negotiated solution to this conflict;

THEREFORE BE IT RESOLVED that the Southern Conference of the United Church of Christ

1. Express alarm at the growing danger of war between Nicaragua and Honduras and the threat which such a war would pose to the peoples of the entire Central American region;
2. Call upon all governments to cease all direct or indirect activity designed to destabilize the Government of Nicaragua;
3. Applaud the offer of Mexico and Venezuela to help bring about a negotiated peace along the Nicaraguan-Honduran border and urges the Administration to pursue this opportunity for promoting peace in the area;
4. Call upon all governments to reverse their policy of seeking military solutions to the conflicts in Central America, and to pursue with vigor every opportunity to obtain just, negotiated solutions;
5. Request the United Church Board for World Ministries to pursue the development of peace-making programs in Central America;
6. Call upon the President and concerned members of the United

Church of Christ to communicate these concerns to all leaders of all nations.

Resolution On A Bilateral, Verifiable Nuclear Weapons Freeze Between The U. S And The USSR

Background

The United States and the Soviet Union together possess in their nuclear arsenals explosive power equal to 6,000 times that used in World War II. While former Secretary of State Robert McNamara has stated that we need only 200 to 400 nuclear weapons to defend the United States, we presently have around 12,000 nuclear weapons (which can be launched on the Soviet Union) while the Soviet Union has about 8,000. If a fraction of these arsenals are released, by accident or intent, all of the cities in the northern hemisphere could be destroyed.

New additions to these arsenals are being developed which will reduce the time to respond to a nuclear attack. These weapons (Perishing II, Trident II, and MX), and their counterparts in the Soviet Union, are particularly effective when used first to destroy the enemy's weapons and command posts. In times of increased international tension, a country which is threatened by such "first strike capability" may choose to launch its nuclear weapons first rather than risk having them destroyed.

Besides the danger, the nuclear arms race presently costs the United States approximately \$20 billion annually to research, develop, produce and maintain nuclear weapons. Funds devoted to this industry cause a net loss of 270,000 jobs nationwide.

The Bilateral Freeze Proposal

The bilateral freeze proposal was developed by Randall Forsberg of the Institute for Defense and Disarmament Studies in response to the dangerous and costly problem of the arms race. It seeks to stop the arms race completely through a mutual and verifiable freeze on the research, testing, production and deployment of all nuclear weapons and systems designed primarily to deliver these weapons. The main points of the proposal are:

It is **bilateral**. The freeze may be proposed by the leadership of either the United States or the Soviet Union. However, not until **both** sides have ratified such a treaty will the freeze become effective.

It is **verifiable**. According to William Colby, former Director of the CIA in the Nixon Administration, and other experts, the U. S. has the intelligence technology to verify Soviet compliance to a freeze treaty. In fact, it is assumed that a freeze would be less complicated to verify because it would stop the development of all nuclear weapons—not just particular numbers of certain kinds. In addition, the Department of Defense, the State Department, and the Arms Control and Disarmament Agency have stated that "Soviet compliance under 14 arms control agreements has been good."

It assumes **parity**. In the 1982 Annual Report, the Defense Department stated that, even though differences exist between the U. S. and the

Soviet Union in regards to strategy and technology, the two countries possess roughly equal capability to destroy each other with their nuclear arsenals. Therefore, neither side will be "frozen" into inferiority if a freeze treaty is ratified.

It is **comprehensive**. Past arms control treaties, and the present Strategic Arms Reduction Talks (START), have dealt with only certain nuclear weapons while allowing others to be developed. These treaties rarely slowed and often quickened the arms race. The freeze will halt **all** development in both countries simultaneously. It will stop the arms race.

The freeze contributes to President Reagan's goal of reducing nuclear arsenals. As the START negotiations proceed, both the U. S. and the Soviet Union continue to build new weapons, threatening the reductions they seek. A bilateral freeze could provide a constructive atmosphere in which reductions could be negotiated. In a similar way, a freeze on testing of nuclear weapons helped the two countries negotiate the Limited Test Ban Treaty in the early 1960s.

Finally, the bilateral freeze is a **first step** towards reducing the risk of nuclear war. Bilateral, verifiable reductions can be negotiated once a freeze has been ratified.

Resolution

Whereas humankind has created the potential for nuclear holocaust; and

Whereas Christ calls the churches to witness to the redemptive power of God's love; and

Whereas the United Church of Christ is searching its soul on issues of peace and war; and

Whereas the concept of a bilateral, verifiable, nuclear freeze of the production, deployment, and testing of nuclear weapons and their delivery systems has been actively raised before the nation as a potential path to peace;

Be it therefore resolved that the Southern Conference of the United Church of Christ go on record as being in support of a bilateral, verifiable, nuclear freeze of the production, deployment, and testing of nuclear weapons and their delivery systems; and

Be it further resolved that the Southern Conference of the United Church of Christ encourage the political leadership of the United States to make the bilateral, verifiable, nuclear freeze of the production, deployment, and testing of nuclear weapons a cornerstone of disarmament negotiations as a step in the path to arms reductions and as a first step toward disarmament; and

Be it further resolved that the leadership of Southern Conference, and the Southern Conference Peace Task Force shall be encouraged to work for the purposes contained in this resolution; and

Be it further resolved that the churches and church members of the Southern Conference shall be encouraged to study the issues surrounding a nuclear freeze in depth and shall be further encouraged to work for the goals of this resolution.

REDUCING MILITARY SPENDING: SUMMARY*

The basic position taken in the full report, and reflected in the proposed resolution is that the United States should have a strong defense while sincerely negotiating with the Soviet Union for improved relations. There are many ways to cut the military budget of the United States without harming the defensive capacity of our armed services.

The full report seeks to put the budgetary issues in perspective, compare U. S. and Soviet expenditures, and consider the effects of military spending on the economy of the United States. Strategies for cutting the budget and specific cuts are recommended. References are included in the full report. The full report will be available at the Peace Task Force information display.

The Budget of the United States is reported both by function and by agency. Admitted military outlays by the Department of Defense, the Department of Energy, and three minor expenditures comes to \$245,300,000,000 (\$245.3B) for fiscal year 1984, which is the budget currently under debate. Further analysis shows \$33.5B in military expenses hidden away in other Departments and agencies. These unadmitted expenditures include such things as veterans' benefits, the military functions of the Coast Guard, military aspects of space research, and educational aid to schools which serve the children of military families. This comes to a total military budget of \$278.8B.

The civilian part of the budget is in two parts. Some is in the general funds like the military budget. The general funds budget is supported by general taxes, primarily the income tax, and is appropriated by Congress yearly. The projected budget deficit of about \$200B comes entirely from the general funds budget. The civilian functions in the general funds budget, including the civilian part of the Department of Defense, comes to \$133.8B. There are also expenditures of general funds for payments on the national debt and for general government costs which are neither civilian or military.

THE MILITARY PART OF THE GENERAL BUDGET IS MORE THAN TWICE AS LARGE AS THE CIVILIAN PART.

The government will also spend \$327.3B in designated (Trust) funds for civilian purposes, primarily social security payments to individuals based on separate employment taxes collected for the Social Security tax fund.

The U. S. and the U. S. S. R. have roughly equivalent military expenditures. The U. S. S. R. puts a higher proportion of a smaller economy to military purposes.

For many related reasons the large military budget hurts our general economy and thus weakens our national security.

Strategies for cutting the military budget without harming the national defense:

* This is a brief summary of a full report by Patrick Conover in support of the resolution regarding military spending.

1. Cut all first strike, offensive weapons, which would start a war with the Soviet Union.
2. Cut waste, fraud, and abuse in weapon procurements.
3. Delay procurement of weapons which fail their tests.
4. Simplify or junk weapons which are so complex as to cause serious training, maintenance, and reliability problems.
5. Eliminate unjustified weapons and expense.
6. Require our allies to pay their fair share of defense costs.
7. Stop abuses hidden within personnel costs.

RESOLUTION ON MILITARY SPENDING

Whereas Christ the Peacemaker calls us to work for the establishment of peace and justice throughout the world; and

Whereas over half of the income tax dollars spent by United States citizens are used for military purposes; and

Whereas there are desperate needs for resources to help establish peace, prosperity, and justice, both at home and abroad; and

Whereas the current levels of spending are harming the American economy; and

Whereas some military expenditures are likely to contribute to the destabilization of the current balance of power and the structures of peace by threatening the Soviet Union with a nuclear attack;

Be it therefore resolved that the Southern Conference of the United Church of Christ go on record as favoring cuts in the military spending of the following types:

1. all weapons systems which are primarily justified by their potential for launching a first strike against Soviet forces;
2. waste, fraud, and abuse of all types;
3. the procurement of weapons systems which have not been thoroughly tested or which have failed their testing;
4. high cost, high technology weapons which are too expensive to train with, are unproven under real use conditions, and are either inferior to other available weapons or provide too small an advantage to be worth their high cost;

Be it further resolved that copies of this resolution shall be sent to the political leadership of the United States, including the United States Senators and Representatives who have members of the Southern Conference in their constituencies; and

Be it further resolved that the leadership of the Southern Conference and the Southern Conference Peace Task Force shall be encouraged to work for the purposes contained in this resolution; and

Be it further resolved that the churches and church members of Southern Conference shall be encouraged to study the issues involved in military spending and shall be encouraged to work for the goals of this resolution.

The Commission also recommends to the Association that in the future all ministers holding standing in the Association and serving churches be required to attend all annual meetings or, in the event of unavoidable absence, to report by letter to the Association Secretary, stating the reason for absence.

For your information: The Commission has recommended to the Association Board of Directors that Lawrence J. Reesman, III, and Geoffrey Williams be ordained and given full standing. The Board of Directors has approved the recommendations, and the ordinations have taken place.

EASTERN VIRGINIA ASSOCIATION
REPORT OF THE COMMITTEE OF MEMOIRS

One minister of the Eastern Virginia Association died during the past year, the Rev. Junius O. Lee; and a minister's wife, Mrs. Agnes Riddick Brittle.

The Rev. Junius O. Lee, a retired minister, died Sunday, April 25, 1982. He had served Tabernacle Church in Suffolk for 43 years. Other churches served were: Bethlehem UCC in Suffolk, Bethany UCC in Smithfield and Smalls Chapel in North Carolina. He also served on the Association Church and Ministry Commission.

A funeral service was held on Thursday, April 29, 1982 at Tabernacle Christian UCC in Suffolk, Virginia.

Mrs. Agnes Riddick Brittle died Tuesday, March 2, 1982 in a hospital. She was the wife of the Rev. Dr. Ritchie E. Brittle. She was a member of Hunterdale UCC and its choir. She was active in local and Conference Church affairs and a former public school teacher.

A funeral service was held Saturday, March 6, 1982 in the Bethlehem Christian Church in Suffolk, Virginia.

The clock of life is wound but once,
and no one has the power,
To tell just where the hands will stop
at late or early hour.

The present only is our own,
live, toil, love with a will
Place no faith in tomorrow,
for the clock may then be still.

Respectfully,
Josephine F. Walker

**A STATEMENT REGARDING THE MINISTRY OF
THE REV. MYRON S. MILLER**

In 1956, twenty-six years ago, the Rev. Myron S. Miller was called to serve as Executive Secretary of the Virginia Council of Churches. Since that time the Rev. Mr. Miller has fulfilled the responsibilities of his office with singular devotion and effectiveness, leading and coordinating the efforts of member-communions in useful programs of educational development, social witness, direct ministries, etc. Of particular significance has been the Council's ministry to migrant farm workers, a monument to Myron Miller's commitment and determination.

This month the Rev. Mr. Miller concludes his service as the Council's executive; and the delegates to this Annual Meeting of the Eastern Virginia Association, United Church of Christ, consider it fitting to acknowledge with gratitude the quality of his service to the churches of the Commonwealth.

Myron Miller is an exemplary Christian leader, and he has served the Council with great distinction. We are pleased that he will now serve the Council in another capacity, and we offer our prayers for his continued usefulness in the ecumenical witness of the churches of Virginia. Copies to:

REPORT OF THE SEASHORE STATE PARK CHAPLAINCY PROGRAM

Ms. Pamela M. Bro, of New York City, served as summer chaplain at Seashore State Park during the 1982 season. Ms. Bro is a recent graduate of Union Theological Seminary in New York, a member of

the Riverside Church, and a candidate for ordination by the Christian Church (Disciples of Christ).

The Park Chaplaincy Program is a "Ministry of presence," designed to remind summer campers of the continuing interest of the Church, as well as to provide ministerial services for members of the park's professional staff. The chaplain is available for conversation, counsel, and friendship, and is also responsible for conducting worship services at the park amphitheatre every Sunday morning.

The program is administered by an ecumenical committee, and major financial support is provided by a number of denominations and local churches. In addition to the Eastern Virginia Association of the United Church of Christ, support in 1982 was provided by the Virginia Conference, United Methodist Church; the Norfolk Presbytery, Presbyterian Church, U.S.; the Episcopalian congregations of Virginia Beach; the Virginia Beach Christian Church (Disciples of Christ); and Lynnhaven Colony Congregational Church (UCC).

The Eastern Virginia Association has been a sponsor of the Park Chaplaincy Program for many years, and members-churches of the Association should derive much satisfaction from their participation in this significant ministry.

Copies of the Chaplain's report are on file at the Association Office and at the office of the Virginia Council of Churches, Richmond.

Respectfully submitted,
Thomas H. Britton, Chairman

CHURCH LIFE AND LEADERSHIP COMMISSION
ANNUAL REPORT TO THE
EASTERN VIRGINIA ASSOCIATION, UCC
Coordinator: Julia Anne Williams

Members:

Mr. King Bishop	Mrs. Sylvia Porter
Rev. Helen Herbrecht	Rev. Aubrey Todd
Mrs. Katie Knight	Mrs. Josephine Walker
Mr. Jesse Lee	Mrs. Pat Wise

According to plans made and goals set in January and February 1982—The Church Life and Leadership Commission has promoted and publicized the 1981-1982 Theme of the National United Church of Christ throughout the whole church—"To Be In Mission." On Sunday, May 2, 1982 a **Workshop** was held from 3 p.m.-5 p.m. at the Suffolk Christian Church. Rev. Joyce Myers, Regional Coordinator of the Office of Church Life and Leadership, introduced the packet and explained to us "Faith Exploration." Laity packets were on sale. This was well attended. Mrs. Pat Wise and Mrs. Josephine Walker were in charge. As you have seen and read in **Impact** big plans have been made for the **Art Show** to be held during our annual meeting. We are looking forward to good participation. By our committee and the EVA Board of Directors, Rev. Aubrey Todd has been designated as our representative to the UCC Fellowship of the Arts. Rev. Aubrey Todd and Mrs. Katie Knight are in charge of

the art display. Another of our goals was to celebrate the 25th birthday of the United Church of Christ. Many churches have had services or celebrations to recognize our 25th birthday. As our EVA gathers for its Annual Meeting, time has been set aside for us to remember and celebrate together. Mr. King Bishop and Rev. Helen Herbrecht will have charge.

Mrs. Josephine Walker is in charge of Church Histories and Memoirs. All churches have been encouraged to update their histories and to send information to the Association Office for use in "Impact". A service of recognition and Memorial will be held during the Annual Meeting.

We have stressed that all news about events, celebrations, happenings with pictures be sent to the Association Office that they may be shared in "Impact".

The Commission also set goals with a point system-however-we did not get them to the churches in time to be called **goals**. We have now called them "EVALUATIONS". A cover letter was sent to all churches with a questionnaire about their church activities, to be returned to me. Response is slow. Hopefully we will have enough replies to report the real achievers at the Annual Meeting. Mrs. Rachel Wallace and Rev. Helen Herbrecht spent a lot of time compiling this questionnaire.

In April we tried to have a Family Life Workshop—A Mini Series of them. All plans were made, Mr. Bob Stogner from the Elon Home for Children was to be our leader. We had absolutely NO RESPONSE. Maybe it was timing or maybe there just isn't a need, or interest in this as a project for our area. Mrs. Sylvia Porter and Mrs. Jesse Lee tried—just No Response.

The year has been good—we just didn't accomplish all of our goals. Hopefully next year the Commission can make an earlier start. We would appreciate any comments or suggestions for our Committee. Just put them in writing to me.

I wish to thank everyone for their help, encouragement and support—as you can tell from this report the Committee members have done the work. To each my heartfelt THANKS.

Julia Anne Williams

EASTERN VIRGINIA ASSOCIATION
COMMISSION ON STEWARDSHIP AND EVANGELISM

Your Commission on Stewardship and Evangelism has been actively engaged in ways and means to assist you in church renewal and growth. We appreciate the churches who have supported us and have lifted us in prayer. We make ourselves available to you and to our churches in EVA at any time to share with you the commission's responsibility. Following are some recommendations from this commission we hope you will consider and accept:

Stewardship:

1. Each church have a committee on Stewardship.
2. Each church accept the goal of our basic support of OCWM. We feel that the formula is a just and equal one. Each church's goal is \$10.00 per member. If you bring this to the least common de-

nominator it is only three (3 cents) per day. That is a small amount to do such a tremendous ministry when all churches accept this goal. Any church already giving more is asked not to give less than was given in 1982. Let's not have one church recorded as not giving anything.

There isn't anything much greater than the trust God has in us as stewards. We don't want to betray that trust, do we?

3. Review your minister's salary. Consider the Recommended Salary Scale for your pastor. (This scale is available from our Association Office.) After considering it, do the best you can to accept it. Your minister deserves it.

Evangelism:

1. Each church establish a Committee on Evangelism.
2. Set membership goals each year and through a cooperative effort seek to reach those goals. It works!
3. If you have not given "Contact" a try, please do so. It is a program that will help guide you in ministering to your congregation and community.
4. Make use of the Stewardship and Evangelism materials available through our Association and the Southern Conference.
5. Seek ways to identify the United Church of Christ in your community. Prepare road signs, use your local news media, place brochures in motels, hospitals, etc. Your Commission is working with Dr. Simmons in making these available.

Continue to support your Commission on Stewardship and Evangelism. We need it. God bless you as you seek ways to minister to people in your community through Christ's Church.

EASTERN VIRGINIA ASSOCIATION CHRISTIAN EDUCATION COMMISSION REPORT

The Christian Education Commission of Eastern Virginia has been blessed with a very active and fruitful year dotted with enough failure to keep us humble. We have experienced nearly ninety nine percent of membership participation, which has made for a most enjoyable working year. It has also meant growth for us in Christian relationship and Christian Education.

The Commission began its activities by surveying our district for its priorities in Christian Education. The results in order of priority for the first five concerns were:

1. training of church school staff, an overwhelming concern
2. establishing Christian Education Committees in local churches

3. youth ministry
4. church music
5. church camping program

The commission moved into action from the survey's results by planning, promoting, implementing or helping to implement the following:

1. Small Church Christian Education Workshop, Union, Norfolk
2. Church School Staff Training—Bethlehem, Suffolk
3. Church School Staff Training—Providence, Chesapeake
4. Church School Staff Training for the Peninsula was cancelled at the last minute due to uncontrollable circumstances
5. Contacted Paul D. Camp Community College for church music offerings upon which we notified churches of the college's on-going two-day workshops for volunteer choir members, directors and salaried persone
6. Conference Christian Education priority meeting—Suffolk Christian
7. Presented workshop and helped establish local Christian Education Committees at St. Mark, Norfolk and Mt. Ararat, Suffolk
8. Enjoyed Association and Conference CE meetings

Many, many thanks to our great EVA Christian Education supporters!

EASTERN VIRGINIA ASSOCIATION
CHRISTIAN SOCIAL MINISTRIES REPORT

The Eastern Virginia Association's Christian Social Ministries Commission has met four times during 1982. At the initial meeting in January, we identified three priorities to which we would give consideration during the year.

These were:

1. needs of persons dealing with terminal illness (emphases upon children)
2. addressing the problem of child abuse and
3. addressing ways and means of churches identifying and meeting needs of indigent people in community, who come seeking assistance—how does the church use its resources most responsibly?

At the second meeting, we adopted the synod priority of peace as one of our priorities.

We chose to select one issue from the aforementioned four and to invest our energies in that issue. What has come out of our efforts is a model for a group of churches to use with the express purpose of "assisting local churches in maximizing the use of their resources in minister-

ing to indigent persons in the local community and/or transients." We have established this model because many churches are being inundated by requests for help because of the current economic situation.

Though the model has not been implemented at the time of this printing, the commission continues to work toward that end.

**EASTERN VIRGINIA ASSOCIATION
TASK FORCE ON WOMEN REPORT**

Concern for the status of women in our society continues as the main emphasis of the Task Force. We are concerned not only about the economic position of women; including unemployment, low paying jobs, inequality in pension laws, and discriminating insurance policies but also continued violence against women—rape and battered wives.

In April, State Senator Evelyn M. Hailey spoke on "The Legal Status of Women" in Virginia. She reported that although some progress has been made in changing laws in recent years to give equality to women, there are still many discriminatory laws in force.

The Task Force is pleased that inclusive language is now being used more often in churches and at association and conference meetings.

Members of the Task Force are Mrs. Doris Hartzog, Rev. Helen Herbrecht, Mrs. Eunice Moore, Mrs. Thelma Norfleet, Mrs. Susie Keele, Rev. Forest Wells and Mrs. Pat Wise.

MINUTES
SIXTEENTH ANNUAL MEETING
of the
EASTERN NORTH CAROLINA ASSOCIATION
of the
SOUTHERN CONFERENCE OF THE
UNITED CHURCH OF CHRIST

October 16, 1982

The Sixteenth Annual Meeting of the Eastern North Carolina Association of the Southern Conference of the United Church of Christ was held at First Reformed United Church of Christ, Burlington, North Carolina, on Saturday, October 16, 1982.

Registration of delegates and visitors began at 9:00 a. m. At 10:00, the meeting was called to order by the Rev. J. Cecil Cheek, president. The Rev. F. Michael Hooper, host pastor, welcomed the group and gave general information on the layout of the building.

Announcements were first on the agenda. Dr. Clyde Fields encouraged all to visit Elon College and Elon Home for Children while in the Burlington area.

President Cheek appointed the following to count ballots: John Settlemyre, chairperson; William Vanderburg, Shirley Rosser, Donald Morgan, and Carol Bernard.

The Rev. Ervin E. Milton, Associate Conference Minister, recognized the following special guests: Ms. Mary Elias, Sri Lanka; Dr. Clyde L. Fields, Elon College; Dr. Marlin Schaeffer, Nazareth Children's Home; and Mrs. Doris Yeattes, president of WNC Women.

The Rev. John Settlemyre, coordinator of the Church and Ministry Commission, introduced UCC pastors who have joined the ENC Association since its last Annual Meeting. They are Melvin Dollar, Jim Morrison, Rollin Russell, Elaine Sipe, and Clarence Stumb. Rev. Settlemyre then introduced the ordained ministers who joined this association from other denominations: Gordon Dragt, Chester Reddrick, and Eddie Walker.

Ms. Betty Covington, treasurer, gave her report, which accounted for money received and disbursed from Nov. 1, 1981 through Sept. 20, 1982. (Exhibit 1). The report was approved.

The Nominating Committee report was given by Dr. Thomas Hamilton, chairperson, who presented the nominees for General Synod delegates, commission members, and commission coordinators (Exhibit 2). Mr. Fred Grosse, a Duke divinity student, was nominated and approved as an addition to the Christian Social Ministries Commission.

All nominations were approved.

Following the morning's business was a service of worship, which

included special music by the Ebenezer Trio and a sermon entitled "Visions for the Church" by Mr. Milton.

Mrs. Louise Milton then presented to President Cheek and the ENC Association a special gold medallion she and Mr. Milton received on their trip to Germany.

After the presentation, the Rev. Charles M. Jones was recognized for fifty years of ordained ministry. The Rev. John Settlemire then conducted a Service of Licensure for the following: Lyn Atkinson, Charles Brooks, Charles Chavis, Gary Gaupp, Jimmy Jones, Joseph Lovelace, J. Edward Silvey, Martha Smith, Douglas Wiessner, and Thomas L. Wiggs, Jr.

Finally, silent prayers were offered for the Revs. William Loy, Curtis Meadows, and Claude Simmons, who were called from this life to life eternal within the past year, and for the Rev. Lawrence Leonard, who would soon undergo major surgery.

After the worship service, Dr. Marlin Schaeffer brought greetings from the Nazareth Children's Home. Dr. Clyde Fields then discussed the Ministers' Memorial Scholarship Fund for ministerial students at Elon College. It was once a regular item on the ENC Association budget, but was later combined with Grant-in-Aid. Dr. Fields recommended adding an amendment to the proposed 1983 budget, calling for a separate \$200.00 annual contribution to the memorial fund.

The Rev. Richard Edens gave general directions for small group discussions and divided the delegates and visitors into eight groups, which then adjourned to assigned rooms. Each group was to get acquainted and then discuss priorities and expectations for individual churches, the ENC Association, and its commissions.

Lunch followed the small group discussions.

The group reassembled at 1:30 p. m. and was called to order by the Rev. Jerry W. Moore vice president. Mr. Moore gave the report on registration:

Ministers	88
Lay Delegates	94
Visitors	68
TOTAL	250

Vice President Moore also announced that the black constituency would meet in the educational building immediately following the Association meeting.

Elections were held. Dr. Thomas Hamilton moved that the commission members and coordinators, of which there was only one nomination each, be automatically elected as listed on the ballot. Motion carried.

Commission reports were then given.

Christian Education Commission—presented by chairperson Nancy Peebles. (Exhibit 3).

Christian Social Ministries Commission—Mac Hulslander, chairperson, reported for the Commission (Exhibit 4) and presented both a Resolution and a Statement to the Association (Exhibits 5 & 6).

First was a Resolution to establish the Association's support of a bilateral nuclear freeze. It was moved and seconded that the ENC As-

sociation adopt this resolution, and all following discussion favored such a freeze. Motion carried.

Mr. Hulslander then presented a Statement of support for alternatives to incarceration. It was moved and seconded that this Statement be accepted.

The discussion that followed centered on the wording of goal No. 4, with some seeing it as a protest against new prison construction. The Rev. Jim Morrison suggested the fourth goal be amended by ending after the word "offenders," deleting "before any new construction of prisons is undertaken." Amendment was moved and seconded. Statement as amended was approved.

The Rev. Leon White reported on the activities of the Commission for Racial Justice. Underway is a pervasive youth program aimed at involving all black youth of the Southern Conference in the denomination. Major efforts are also being made to remove the state's PCB dumpsite from Warren County, an area that is predominately black and poor.

Evangelism Commission—presented by the Rev. Richard Edens, chairperson. (Exhibit 7).

Church and Ministry Commission—presented by the Rev. John Settlemyre, chairperson. (Exhibit 8).

Stewardship Commission—presented by Dr. Thomas Hamilton, chairperson (Exhibit 9).

Church Life and Leadership Commission—presented by Ervin E. Milton in the absence of the Chairperson. (Exhibit 10).

Much discussion followed on the new OCWM goal formula. The Rev. Leon White and others maintained that the request for at least \$10.00 per member, per year, was unfair when the total constituted a major portion of an individual church's budget. Dr. Hamilton stressed that each church is welcome to negotiate a different goal. Mr. White, however, held that the wording of the formula was still repressive, in that it made churches with low budgets feel inferior. Voting on this issue was deferred until after commission reports as a whole were approved.

It was moved and seconded that all commission reports be accepted. Motion carried.

Mr. White then moved that the wording of the OCWM goal formula be changed to read as follows: "That all congregations be asked to accept a minimum OCWM goal of \$10.00 per member, per year, or 10% of the total church budget." The motion was seconded.

More discussion followed, repeating the views that 1) the formula is repressive to low-budget churches, and 2) the formula already provides a graceful outlet for churches unable to comply. A vote was called, and the motion to change the goal's wording was defeated.

Ms. Bonita Broyles Hooper, chairperson, then presented a report from the ENC Task Force on Women in Church and Society (Exhibit 11). Ms. Hooper further reported that the Task Force's 1983 goals are the recognition and utilization of the resources of women, the encouragement of inclusive language, the support of the Equal Rights Amendment for all people, and the strengthening of the Task Force's relationship with Southern Conference Church Women.

It was announced that the 1983 Annual Meeting of the Southern Con-

ference Women will feature a display of artwork. This display is an outgrowth of the arts platform adopted at the 1977 General Synod. All members of the Conference, men and women, are encouraged to submit creative work.

Ms. Lisa Barrows brought greetings from the Southern Conference Peace Task Force. Bible study, prayer, and self-dedication on peace issues were listed as crucial contributions each individual can make to the peace effort. All were also encouraged to participate in the peace study groups soon to be organized. Materials on the Task Force and peace resources were then distributed.

Mr. Robert Stogner recognized three people from the ENC Association, who have completed an eighteen-month training program in Family Life. They are Faye and Jim Humphrey, and Nancy Peebles. Upon accepting their certificates, the recipients emphasized that 1) the church can't function without families, 2) Family Life training is aimed at the prevention of problems rather than the mere treatment of them, and 3) they hope our churches will use them as resource people.

The Rev. William J. Andes brought greetings from Elon Home for Children, and the Rev. Carroll Lewis presented certificates to the churches which made the largest financial contributions to the Home this past year.

The following four churches gave the largest total contributions, and were also recognized for high per member giving: Hopedale Christian Church, Burlington; Liberty Vance, Henderson; Pleasant Hill, Liberty; Wake Chapel, Fuquay-Varina.

These twelve churches received certificates for large contributions per member: Henderson UCC; Ingram UCC, Vernon Hill; Martha's Chapel, Chapel Hill; Youngsville Christian Church; Wentworth UCC, Raleigh; Mt. Auburn, Manson; Mt. Hermon, Garner; St. Mark's Reformed, Burlington; Amelia UCC, Clayton; Hank's Chapel, Pittsboro; First Christian, Burlington; and First Reformed, Burlington.

Dr. Rollin O. Russell, Conference Minister, brought greetings and reflections on the uniqueness of the Southern Conference. Emphasizing that the people of this conference don't all pray, think, and believe the same way. Dr. Russell urged them to relate to one another in humility and openness, not assuming their way is the only one.

Mr. Milton then presented his annual report as Associate Conference Minister (Exhibit 12). He also recognized two churches which joined the ENC Association this year: Zion Metropolitan, Wilmington; and Pleasant Union, Raleigh. An official welcome was given to these two churches.

It was moved and seconded that the Proposed Budget for 1983 be adopted (Exhibit 13). An amendment was suggested, moving that \$200 be added as a contribution to the Ministers' Memorial Scholarship Fund at Elon College. The amendment was seconded. The Proposed Budget, as amended, was approved.

Election results were announced. General Synod delegates, Class of 1985, are Ms. Nancy Peebles and Mr. Mac Hulslander.

The Rev. Richard Edens reported that suggestions emerging from the

small group discussions will be collated and given to the ENC Board of Directors.

It was announced that Mr. Bill Moses would be commissioned into missionary service at Laodicea UCC, Raleigh, on October 24.

Mr. Milton then submitted a By-Law change suggested by the ENC Board of Directors (Exhibit 14). Whereas the Board now consists of 16 members, it recommends expanding the number to 22 by adding each of the six Association commission coordinators. The change was moved and seconded.

Discussion ensued, focusing on the question, "Will this upset the balance of representation on the Board?" It was noted that the Southern Conference Board of Directors is giving membership status to Conference commission coordinators. The motion carried.

Chris Burr, a former missionary to Africa and a current graduate student in preventive health systems, announced he would be happy to share his experiences with any interested church. He can be contacted through the Association Office.

There being no further business or announcements, the group adjourned by joining hands and singing, "Blest Be The Tie."

Respectfully submitted,
 J. Cecil Cheek, president
 Elisabeth H. Barrows, secretary

EASTERN NORTH CAROLINA ASSOCIATION CHRISTIAN EDUCATION COMMISSION

Since the last meeting of this Association, several kinds of Christian Education activities have been held in the ENC area. A great many people have been involved as participants or as leaders.

Leadership Training—In Burlington, a series of four demonstration workshops was held at St. John's UCC. Age groups included Elementary (November), Youth (January), and Pre-School (March). An adult workshop was held prior to October.

Youth Ministry—The first Junior High Special Day was held in mid-summer and revolved around recreation. This will probably become an annual event. A Lenten Youth Event was offered, but poorly attended, in March at Haw River. In November we were fortunate in having the North Carolina Council of Churches hosting a youth leaders' event in Burlington which featured Sara Little. Many of our folks were able to avail themselves of this opportunity.

Family Life—Several ENC people have been engaged with Bob Stogner in an extensive training experience to equip them for work in local churches in family life concerns. ENC is blessed with Bob Stogner's leadership and churches are encouraged to take advantage of his skills and the folks who have been trained and continue to be trained in his programs.

Outdoor Ministries—This past summer two young women, Diane Ellis (Henderson) and Claudette Lassiter (Burlington) participated as SCAT members in the camping program. We appreciate the Association's financial support of this ministry. There were 102 ENC campers at Johns River this summer: 3 went to Franklinton Center. Several adult leaders were counselors and several others served as directors: Bob Disher, Curt Dunn, Jerry Moore, Jim Humphrey, Todd Snyder, Carol Bernard, Dick Rinker, Curly Stumb, Theresa Ross, and Mike Hooper.

Other Activities—In December a Resource Fair was tried in Burlington. It went well and other churches interested can contact Dick Rinker for details. Three ENC folks journeyed to Louisville in February to share in the national Church Educators' Event. An Association event in March—the No-Name—was planned to secure information on needs and program possibilities.

The 1982-83 year promises to be just as busy in ENC church educa-

tional possibilities. You are urged to support the varied opportunities being offered to broaden the effectiveness of education in your church. Be certain that your annual report to the Conference includes the name and address of contact people in church school and youth work.

EASTERN NORTH CAROLINA ASSOCIATION
CHRISTIAN SOCIAL MINISTRIES COMMISSION

1982

The purpose of the Commission on Christian Social Ministries is to speak to the social dimensions of the Gospel of Jesus Christ in situations of human need for justice and compassion. During the past year it has been our privilege to meet three times and to report to you the following areas of study and/or action:

UCC Peace Priority

At the 1981 Annual Meeting of the ENC Association, the Commission recommended to the Association that it adopt the two national priorities of the United Church of Christ voted at the 13th General Synod—Peace and Family Life. The Association in response voted unanimously to do so. In further action and upon the recommendation of the Commission, the Association sent a letter to the President of the United States protesting his decision to further develop and deploy the neutron bomb. In response, the Association has received a form letter from Henry E. Catto, Jr., Assistant Secretary of Defense which included a fact sheet about the neutron bomb (known as an “Enhanced Radiation Weapon”) and the following quote from Secretary of Defense, Casper Weinberger:

“It is ironic that much of the opposition to the neutron weapons is based on the belief that they are immoral—despite their role in deterring war while making the Western Democracies safer for individual liberty and moral expression. The explanation lies in the abundant misinformation about neutron weapons, some of it innocently based on ignorance of facts, but most of it deliberately disseminated by a well-orchestrated propaganda campaign based in Moscow.”

NOTE: Copies of the whole response were attached to the packet of peacemaking resources distributed to all churches in the Association last spring. The Association will be asked to consider making a response to the above information at the Annual Meeting.

The Commission has carefully researched and compiled a packet of resource materials for use by ENC and other congregations relating to peace issues and peacemaking ministries. All ENC congregations should be in receipt of these packets which include copies of the Association Resolution and suggestions for worship services, education, spiritual disciplines, and action. Also included are bibliographic resource listings of organizations, printed materials, audio-visuals, etc. Highly recommended also (and a complement to it) is “FOR PEACE”, a bibliography listing of resources available from the Connecticut Conference of the UCC (Department of Church and Society, 20 Drazen Dr., North Haven, CT 06473 for 35c). One suggestion to help groups get started on this critical issue of our time is simply to begin by sharing how issues of

war and peace have personally affected people's lives. Our own experience with this question proved to be very stimulating!

The Commission is also represented on the North Carolina Council of Churches Committee on Security and Peace.

Criminal Justice

The Commission met with representatives of the North Carolina Citizen's Commission on Alternatives to Incarceration recently. Recommendations in this area were pending at the time of this writing but may be brought to the attention of the Association at the Annual Meeting.

Excellent resources on criminal justice issues (especially for the observance of criminal justice month in February) are available through the N. C. Council of Churches in Raleigh and the UCC Commission for Racial Justice. A slide presentation on the highly successful Yokefellow Prison Ministry is available through the Rev. Max Vestal, Regional Co-ordinator.

Environmental and Land Use Issues

The Commission has recommended that the Southern Conference become a participating sponsor of the North Carolina Land Stewardship Council which is an ecumenical organization recognizing the need for educating North Carolinians in the spiritual and ethical principles of good land stewardship in rapidly developing N. C. In the absence of our Conference Minister this past year the matter was referred to the now defunct Mission Board. However, a temporary committee has authorized token support of \$300 toward the work of the Council in 1983. "A more substantial level (will) be considered for ongoing support" in the coming year.

The Council has recently made available a four-study syllabus on the biblical understanding of salvation, dominion, and stewardship as they relate to the land in relation to the various geographic areas of our state. Inquiries should be addressed to the N. C. Land Stewardship Council, 5010 Six Forks Rd., Raleigh, N. C. 27609. It is entitled, "Stewardship of the Land in North Carolina."

Other Issues

Discussed by the Commission but without further Association action recommended were these other issues and concerns during the past year: economic justice, the Equal Rights Amendment, hunger and the repeal of the food tax, the impact of "Reagonomics" upon the poor and others, child abuse and the increasing demands being placed on our children's homes to serve children who are emotionally disturbed, concerns represented by the Commission for Racial Justice and Ministers for Racial and Social Justice (MRSJ), etc.

Special attention was also given to the Commission's purpose and status. At issue were the frequency of our meetings, representativeness, finances, programmatic vs. educational emphases, etc. As a result of this discussion, the Commission recommended that the Association By-

laws be reviewed toward possible changes to reflect a more programmatic thrust and that each Association Commission be provided with a line item in the budget in order to better gauge its use of funds for travel, materials and resources, and program activities. This matter is now before the Association for its consideration.

Respectfully submitted,
Mac Hulslander, Co-ordinator

RESOLUTION IN SUPPORT OF A BI-LATERAL NUCLEAR FREEZE

Whereas, nuclear war, even a "limited one", would result in death, injury and disease on a scale that has no precedent in human history, and

Whereas, medical "disaster planning" for nuclear war is meaningless. There would be no possible medical response. Most hospitals would be destroyed, most medical personnel dead or injured, and most medical supplies would be unavailable which means that most "survivors" would die, and

Whereas, there is no effective civil defense. The blast, thermal and radiation effects would kill even those in shelters and fallout would eventually reach those who had been evacuated, and

Whereas, recovery from a nuclear war would be impossible. The economic, ecologic, and social fabric on which human life rests would be destroyed in the USA, the USSR and much of the rest of the world, and

Whereas and in sum, there can be no "winners" in a nuclear war. World-wide fallout would contaminate much of the globe for generations and atmospheric efforts would severely damage all living things,

THEREFORE, the Eastern North Carolina Association of the United Church of Christ, meeting in annual session this day, October 16, 1982, and representing 150 Christian churches in Eastern N. C. wish to go on record in support of a mutual and verifiable nuclear arms freeze, and an immediate halting of any further development, testing, production or further deployment of nuclear warheads, missiles, and delivery systems on the part of both the United States and the Union of Soviet Socialist Republics (USSR).

Further, we hereby charge the President of the Eastern N. C. Association to communicate this action to the President of the United States, the Soviet Ambassador to the United Nations, all congressional leaders representing Eastern N. C., the President of the United Church of Christ, our Office of Church in Society and any other parties as he shall deem appropriate.

**A STATEMENT OF SUPPORT FOR
ALTERNATIVES TO INCARCERATION**

The Eastern North Carolina Association of the Southern Conference of the United Church of Christ hereby wishes to go on record in support

of the following general goals as set forth by the Citizen's Commission on Alternatives to Incarceration, the Honorable Judge Willis P. Whichard, Chair.

We hereby declare our support for the following goals of the Commission:

1. The provision of community-based alternatives to prison for non-violent offenders.
2. The implementation of alternative programs and policies that would have an impact on the State of North Carolina's high incarceration rate.
3. The examination of options at every stage of the criminal justice system including but not limited to pre-trial, sentencing, and release.
4. Careful review of alternatives for prison-bound offenders before any new construction of prisons is undertaken*.

We wish to commend the Commission for the work being done and to express our anticipation with interest of the receipt of its forthcoming official recommendations for various legislative and administrative changes which will provide significant alternatives to the present rates of incarceration in our state.

Date of adoption: October 16, 1982.

* ENC Association amended this goal by ending after the word "offenders," deleting "before any new construction of prisons is undertaken."

EASTERN NORTH CAROLINA ASSOCIATION
REPORT OF THE EVANGELISM COMMISSION
1982

We have been involved with a national program called the Evangelism Church Growth Project for almost a year. It is a national program being used in six areas of the country. We were one of the selected sites. Participating in this project have been the following churches:

Emmanuel UCC	Sanford
Shallow Well UCC	Sanford
First UCC	Sanford
Community UCC	Raleigh
Wake Chapel UCC	Fuquay-Varina
Zion Temple UCC	Durham
Amelia UCC	Clayton
Haw River UCC	Haw River
St. John's UCC	Burlington
Ebenezer UCC	Burlington
Laodicea UCC	Raleigh
Pilgrim UCC	Durham
Turner's Chapel UCC	Sanford
First Congregational UCC	High Point
United Church UCC	Chapel Hill

The Evangelism Commission feels that the project has been very successful in dispelling many of the negative stereotypes of evangelism by stressing that evangelism is anytime we reach out to another. The

Evangelism/Church Growth Project has encouraged participating churches to examine the ways they reach out to other people by enhancing their present ways while encouraging new avenues of extending themselves in service and witness. The Project was structured such that each church developed its own strategy to fill its own needs so there are no "top-ten, sure-fire" evangelism tips or easy growth formulas to share for general consumption. However, we are planning to assist other churches to examine the needs of their own churches and communities in order to develop their strategy for evangelism/church growth. As the Evangelism/Church Growth Project draws to a close this fall, we will assess the process as well as the results for those churches that participated and share that information with the Association.

The UCC has developed some very good resources. If your church has not purchased the Evangelism and Membership Growth Resource Workbook, you should order it immediately! It may be purchased from Church Leadership Resources, 1400 N. Seventh St., St. Louis, MO. 63106 for \$12.00 (no mailing cost!)

14. The Commission has spent many hours taking a serious look at alternative routes for those seeking Ministerial Standing who cannot go the regular route. A separate sheet in the Association Packet shares our recommendations. However, we strongly urge all who can possibly do so, to go the regular required route of four years of college and three years of seminary. Churches are expecting far more of their ministers than in the past and for that reason, our ministers should prepare themselves to face this challenge.
15. The Commission is sponsoring an Orientation and Get Together for Licensed and In Care Ministers and their Spouses on Saturday, October 23, 1982, from 10:00 A. M. until 2:30 P. M. at Mt. The Home Church or the Church being served is asked to share in the cost of transportation of persons attending this event.
16. The Commission is trying to provide more information materials on church polity and history of the UCC. In Care seekers will be asked to read certain materials on UCC polity and history prior to their first meeting with the Commission.
17. God has seen fit to call from this life to the life eternal the following Ministers:

EASTERN NORTH CAROLINA ASSOCIATION REPORT OF THE STEWARDSHIP COMMISSION

1982

The Commission understands its goal to be "to promote concepts and practices of stewardship in the local congregations". While not limited to, it must include promotion of the involvement of local congregations in Our Christian World Mission.

To this end, the Commission has focused on several areas. We invite you to:

1. Request a visiting UCC missionary to "Visit" your congregation.
2. Study and then use some of the printed aids. "Key Pak" could be the key for you. This practical tool is available twice a year and

will guide you in month to month emphases. "Moneys for the Church's Ministries" is a basic resource of five booklets on biblical and theological bases of stewardship, developing a budget, involving the people, and training visitors.

3. Call upon the commission or our Association Minister for personal assistance.

The Commission observed with delight that our OCWM giving increased 9½ per cent from 1980 to 1981, an increase from \$96,799 to \$106,092. Sixty-three of our 151 congregations increased their giving to OCWM. Letters of commendation were mailed to each of these congregations. If your congregation did not receive such a letter, we hope you will in 1983.

In cooperation with the other Associations of the Southern Conference, we began using a new formula and procedure for establishing OCWM goals. We believe this formula is simpler and clearer. It is:

1. That all congregations be asked to accept a minimum OCWM goal of \$10.00 per year per member.
2. That congregations above that minimum be urged to increase their goal by 10 per cent of their OCWM contributions in the previous year.
3. That congregations be invited to accept the assigned goal, or to negotiate a different goal which reflects their challenge in stewardship practices.

The Commission remains optimistic that 1982 will be another year of increased faithfulness expressed in the tangible sharing of our substance. Members of the Commission are: Mrs. Della Beasley, Mrs. J. Fairley, Mrs. Miriam Falkner, Mr. Dan Kelley, Rev. John T. Kelly, Jr., Rev. E. M. Meadows, Dr. Kenneth D. Register, Rev. Daniel J. Squires, and Rev. John W. Wilder.

Respectfully submitted,
Thomas R. Hamilton, Coordinator

REPORT OF THE
CHURCH LIFE AND LEADERSHIP COMMISSION

The Church Life and Leadership Commission sponsored a Spring Laity Rally at the Chapel Hill United Church of Christ. The theme for the occasion was "To Be In Mission".

The Reverend Joyce Myers from the Southern Regional office of Church Life and Leadership in Atlanta was our resource leader for the event. She exposed us to the newest resources for 1982-1983 and led us in a time of "Faith Exploration."

The Commission is continuously seeking ways of developing leadership in the Association and would like to encourage the use of resource materials which is available to lay groups.

The Committee is most happy to assist you in any way possible. We, with you, are Christ's "servants in the service of persons."

Respectfully submitted,

EASTERN NORTH CAROLINA ASSOCIATION
REPORT OF THE TASK FORCE ON WOMEN
IN CHURCH AND SOCIETY
1982

In response to the concerns of its members, the Task Force on Women in Church and Society took the following actions during 1981-1982:

At the Annual Meeting of the Southern Conference at Catawba College, Jill Edens, Task Force Member, organized a gathering of women clergy for the purpose of sharing and support:

The Eastern North Carolina Task Force is seeking to encourage support groups among those women in the church who are ministers' wives;

Letters were sent to U. S. Senators Jesse Helms and John East urging them to reconsider their positions on the constitutional amendment concerning abortion.

Members of the Task Force on Women in Church and Society for 1982-1983 are:

Hazel Jolley
Lillian Lee
Sherry Murphy
Paul Vali

Bonita Broyles Hooper
Ervin Milton, Ex-officio
Marie Gibbs, Ex-officio

The Task Force will continue to advocate the equal partnership of women with men at all levels of the church's life. We believe that our purpose is particularly significant in light of the current political climate. In the Southern Conference, where women are in the majority of membership in our local churches, we will seek to give strong support to issues which directly affect women; to advocate greater participation of women in leadership roles in local churches, and encourage action on issues of public policy related to women.

The Task Force welcomes Dr. Rollin O. Russell, as new Conference Minister. We look forward to working with him and seek his strong support. In addition, we seek the support and in-put of all members of the Eastern North Carolina Association.

Respectfully submitted,
Bonita Broyles Hooper, Chairperson

REPORT OF THE ASSOCIATE CONFERENCE MINISTER
FOR EASTERN NORTH CAROLINA ASSOCIATION
1982

A little more than two years ago when I took office, I set a goal of getting to all of the 150 churches of the ENC Association within three years. I took inventory recently and found that I am about two-thirds of the way. I still hold that as a working goal even though I may not reach it. I continue to be amazed at the co-operation that I am getting from our ministers and churches.

Much appreciation has been appropriately expressed to Dr. Clyde Fields for the responsibility that he undertook as our Interim Conference Minister. Those were difficult times for us all. However, with the con-

tinued guidance of the Holy Spirit and support and direction from Dr. Rollin Russell, our Conference Minister, new directions and priorities are being established for our Conference and Association. I see a greater enthusiasm among our ministers and churches.

Facts about the Minister for 1982:

Miles Driven 12,772
 Car-Pooled Approximately 3,000

I plan trips so that wherever possible, I take care of more than one function on a trip.

Church Functions:

Worships, Installations, Ordinations, Pulpit Committees,
 Building, etc. 72

Staff Functions:

Commissions, Boards, Task Forces, etc. 52

Formal Meetings:

Mainly individuals, Ministers about placement, etc..
 (Does not include persons who dropped in or talked informally) .. 27

Ministers Meetings:

Regular Meetings and Dinners 18
 Conference Related Meetings 22

I am grateful for the opportunity to be a partner in Ministry with the Eastern North Carolina Association and the Southern Conference of the United Church of Christ.

Humbly submitted,

2. Christian Social Ministries, Reverend Paul B. Robinson. Our attention was drawn to the ongoing refugee problem and a need for sponsorship of refugees in the districts.
3. Evangelism, Reverend Lloyd Pendergraft. (Exhibit No. 5).
4. Church Life and Leadership, Mrs. Doris Isenhour. The forthcoming resource from the National office for Church Life and Leadership called the LEADERS' BOX should prove helpful to congregations. This is a single resource which will help leaders in the local church in carrying out their responsibilities.
5. A report on Family Life was presented by the Reverend Harold W. Holste. (Exhibit No. 6).
6. Church and Ministry, Dr. Leslie Wicker. Voted to accept report. (Exhibit No. 7).
7. Stewardship, Reverend William Smith. (Exhibit No. 8).
8. Task Force on Women, Reverend John R. Kernodle, Jr. A suggestion was made by Reverend Kernodle for churches to experiment with inclusive language in worship.
9. Southern Conference Peace Task Force, Reverend Patrick Conover, Chairperson, stating that we have a "golden moment" to work for peace. Reverend Conover asked us to consider undertaking a serious education commitment in the Southern Conference beginning with small study groups in every church, Sunday School class or church group, Commission, Committee, and Institution. Two items of importance in working for peace are: (1) Information access and (2) Developing peace consultants.

Mrs. Carol Diehl, Chairperson for the Summer Conference of the Southern Conference, announced the meeting will be held at Elon College, June 13-15, 1983. The theme will be "Who Do You Say That I Am?"

Mr. Boyce Sink announced the location of the Piedmont Unit of the Retirement Home, which is near the Emanuel United Church of Christ, Thomasville, North Carolina.

A report on Elon Home for Children was presented by Dr. William J. Andes. Mr. Robert Stogner and the Reverend Van Grimes presented Graduation Certificates to the following upon completion of the Family Life Training Program: Eugenia and Harold Holste, Joan Threatte Harding, Dave Allgood, Todd Snyder, Larry Bolick, and Wade H. Shuford.

FAMILY MINISTRIES TRAINING PROGRAM: Reverend Larry Bolick reported a new nine-month training program is underway to teach participants the theory and skills needed to design and facilitate family ministry and family enrichment programs in local churches. Mrs. Eugenia Holste acknowledged the tremendous support given to her from her family, the five churches which had invited the leadership team in, the Duke Foundation, R. J. Reynolds, and the Western North Carolina

Association during the eighteen month Family Leadership Training Program.

BUDGET FOR 1983: Treasurer, Robert Reece, presented the Budget for 1983, which was voted on to be adopted. Following discussion, an amendment to the 1963 Budget adding \$100.00 for the Task Force on Women for additional educational opportunities was voted to be adopted. (Exhibit No. 9).

To give you some idea of the work of our life together, please note these figures: As of December 31, 1980 we reported a church membership of 24,826 as over against a report for December 1981 of 24,785. And in those same years we reported a church school enrollment of 12,387 in 1980 and 11,659 in 1981. The real sadness comes, however, when we note that there were 16 congregations in 1981 and 15 in 1980 which made no report at all as to their enrollments! If only a few had completed the requested reports we would have had a much better picture. In January of 1983 please make a resolution that you will fill out the statistical reports completely.

One special word of thanks needs to be given to Dr. Lonnie Carpenter who served so ably and so sincerely in regard to the dissolution of St. Matthews Church in Charlotte and in the proposals for New Initiatives in Church Development start in Pilgrim, Charlotte. His work has been somewhat paid in currency, but we need to pay him in compliments as well for he has given much time and effort on our behalf. We still labor in projects but hope to hear something definite very soon. May Christ's Church prosper according to His will.

Respectfully submitted,
Edwin M. Alcorn

**THE COMMISSION ON CHRISTIAN EDUCATION
WESTERN NORTH CAROLINA ASSOCIATION**

The Western N. C. Association Commission on Christian Education held two meetings during the association year.

The commission met on November 15 with four members, some visitors and the Rev. Richard Rinker, Conference Minister of Christian Education, in attendance. The number of commission members elected to serve on this commission (seven total) led the commission to ask that nominating committees have more people elected to this commission in future years so that it would have a broader input of the needs and desires in Christian Education in our association and how they may be addressed.

Mrs. Bessie Allen shared information about a successful Christian Enlightenment Education event held at Wentz Memorial UCC, Winston-Salem, N. C. called a Sharing Enlightenment Workshop. Approximately 75 people attended. Dr. Percel Alston was principal leader along with the Rev. Richard Rinker, the Rev. Clarence Stumb, Mr. Charles Brooks and Mrs. Bessie Allen.

The commission felt uncertain about the direction it should go in the programming it would attempt for our Association in light of the poor attendance at Western N. C. Christian Education events in recent years. It was decided that an event would be held to find out what the people of Western N. C. saw as the needs they would like to have addressed in Christian Education. The Rev. Ben Harding agreed to develop a plan for this event. The event, called the No Name Event, was scheduled for March 20 at Lexington, N. C. The idea behind this meeting was expanded by the Southern Conference Christian Education Commission to be in all three associations of the Southern Conference on the same day.

Major needs expressed at the No Name Event were:

- Identification of the Church's mission

- Ability to know and respond to congregational and community needs
- Better education of people in Christian Education through teacher training and support groups

- Development of activities which enhance communication among and in family, church and community

- Promotion of better ways to work with other community activities

- Development of an outreach through Christian service

Through the No Name Event it was learned that many people are not aware of the people resources or material resources which are available to them in our conference. Also there were desires expressed to have opportunities to relate the Bible to contemporary issues and for the development of a core group of leaders in Christian Education work.

In light of the results from the No Name Event, the commission at an April 28 meeting planned a Learning/Teaching the Bible Workshop for Sunday, September 19. Aware that people do not like to travel very far for an event, a workshop has been planned for each district. At this event people will have the opportunity to learn about the Bible through the use of different approaches other than the traditional lecture method. In addition, leaders will be trained at this event who will be able to take these materials back to their local church or to another church and provide a similar workshop. It is hoped that through this approach more people will be provided knowledge both about the Bible and alternate ways of learning and teaching about the Bible.

The commission is concerned about educating people about the broad-

er mission of the church, and so we provided a table of free resources from the Boards of Homeland and World Ministries at the Annual Meeting of the Southern Conference to promote this concern. There will also be a table of smaller materials at the Western N. C. Association Meeting.

I would like to thank the members of the commission, and those co-opted by it, for their efforts for the sake of Christian Education. I would also like to thank the Rev. Richard Rinker for his valuable assistance in helping to structure and promote the events of our commission in 1982.

**COMMISSION ON EVANGELISM REPORT
TO THE WESTERN N. C. ASSOCIATION**

The Evangelism/Church Growth Project under the leadership of Rev. R. Alan Johnson of the UCBHM has been the primary concern of your Evangelism Commission in 1981-82. Some 19 churches of the Association have been represented at the three workshops that have been held so far, and more than 90 lay persons and clergy have attended.

Other churches have expressed an interest in being involved in special evangelism training. If your church is desirous of such an undertaking, please contact the Association office so that we might begin planning for next year.

The current Evangelism/Church Growth Project is scheduled to be completed in November. There has been considerable enthusiasm by participants. The results of this concentrated effort have been varied, but every church has reported some positive effects. At the very least, there is a new consciousness of the need for evangelism within our denomination.

Our special thanks go out to the churches who have hosted us and to the volunteers from our Commission and from the host churches who have made what could have been a frustrating effort into a pleasing experience.

We still do not know all that Evangelism should mean in our churches, but we are growing and our churches and pastors are thinking positively about what the future holds for us and for God's work through us.

We urge each of you to share your thoughts and ideas with your Evangelism Commission, preferably in writing; and we solicit your prayers for the efforts that are being made by our churches in reaching out to the unchurched in their communities.

Respectfully submitted,
Lloyd Pendergraft, Chairman

**REPORT OF THE STEWARDSHIP COMMISSION
WESTERN NORTH CAROLINA ASSOCIATION**

Your Commission met first on November 15, 1981, at First United Church of Christ in Salisbury with the other Commissions of the Association. Our first order was organization and the undersigned was elected chairperson, with the Rev. Harold N. Auler agreeing to serve as Secretary. Other members are Mrs. Peggy Leonard, Mr. Eugene Earnhardt, Mr. Paul Sloan, and the Rev. Dr. Albert B. Gminder. The group brainstormed together and decided to attempt to: (a) Send visitation teams to non-supporting or under-supporting churches; (b) Conduct "how-to" workshops for representatives from similar size churches; (c) Plan for greater utilization of visiting missionaries.

We met next on January 17, 1982, at Calvary Church in Thomasville. with only one member absent on a snowy day. In the meantime, each member had been asked to make contact with churches in their district which had not contributed to OCWM for the year. At this meeting we received current stewardship materials, voted to urge a strong emphasis on stewardship at the Conference meeting in June, and reported results of calls and visits to churches. One member had been invited to speak to lay leaders of a two-church charge and had showed a filmstrip on OCWM. An immediate result was the decision by both churches to promote the One Great Hour of Sharing for the first time in a while.

The Chairperson attended the Southern Conference Stewardship Commission meeting, and shared in the discussion and decision-making concerning goals for 1983. We agreed that churches should have opportunity to accept or reject the proposed goals.

Our hopes and plans surpassed our accomplishments, but we are pleased to report some concrete activities and modest successes.

Respectfully submitted,
William C. Smith, Jr.

**REPORT OF CHURCH WOMEN OF
WESTERN NORTH CAROLINA ASSOCIATION
1981-1982**

A large group of women and some men met for our 14th Annual Fall Enrichment Meeting at the Shinnsville UCC at Troutman. The theme was "United Church of Christ 25th Anniversary—A People Alive." Opening worship was by the women of Wentz UCC led by Imogene Ellis. During the morning session Nora Norred, President of Southern Conference Church Women, introduced Dr. G. Melvin Palmer, who spoke on the **UCC 25th Anniversary-Past, Present, Future**. It was an inspired message. Following the singing of "The Church's One Foundation" we had a presentation of slides on the history of the women of Southern Conference, prepared by Jeanette Stokes and available from the South-

ern Conference office. The offering was for the Jimmy H. Lightbourne Scholarship Fund, which provided money to UCC students attending college. After lunch we reconvened to hear music by singers from Elon Children's Home and then Marlin Schaeffer of Nazareth Children's Home gave a film presentation highlighting the celebration on the 1st Saturday in August commemorating their 75th Anniversary. At the business session Doris Isenhour, speaking for the Nominating Committee, presented the following slate of officers: (2nd terms) Pres. Doris Yeattes, 2nd V. Pres. Carol Fonville, Dist. Rep.: Catawba, Alice Spuller, Davidson, Eugenia Holste, Randolph, Mary Morgan and (1st terms) Sec. Inez Brown, Dist. Rep. Catawba, Roberta Vanderburg, Guilford, Ruby Duncan, Rowan, Susan Cannon. This slate was duly elected and then installed by Addie Luther, former President of W. N. C. A.

In October a bus load plus a van load of women from Southern Conference attended a weekend meeting at Monteagle, Tenn., which brought together women of the Southeast Region. For three days we shared with others of the UCC the theme, "Many Gifts—One Spirit". Outstanding leadership was provided with a portion of it being shared by women of Western Association. Marion Sperry was the Planning Committee person from Southern Conference and did an exceptionally good job. We came home filled with new enthusiasm and workable ideas for work in our local churches.

During the year we have concentrated on a "Call to Wholeness"—in Christ, instead of Holocaust, in the Global Community, in the City, in Later Life, through Holiness, in Economic Justice, in the Family, for People with Handicaps, in a Changing Population and in Simplified Living. Programs on these topics have been used in circles, small discussion groups and larger assemblies.

In June at Catawba College we met for Summer Conference with the women of Southern Conference. Here for the first time many of us met our new Conference Minister, Dr. Rollin Russell, as he delivered the sermon on the first evening. Rev. Dora Atlas with the choir from her Asheboro Church led us in the worship service. A reception for the Russells was held immediately following the service. An excellent leadership training was given for officers and district representatives prior to the opening session. On Tuesday the hundred day registrants joined the hundred fulltime people in a full day of busy learning about the arms race, program materials available for 1982-83 and the plight of migrants in our area. A tremendous outpouring of health kits was offered at a dedication service and an offering of \$250. An inspiring service to recognize the recipients of Life Memberships was held with a red silk rose going to each one. A candle was lit for each memorial. Funds for both of these go into the Lightbourne Scholarship Fund. At the evening session a dramatic presentation of the 25th Anniversary of the UCC was given in the Hedrick Little Theatre. On Wednesday morning after a Bible Study of the I Cor. 13, each Association met for a short business session. At this time it was announced that a missionary from the third world would be in our Association from September 18-October 15. She is Mary Elias from Sri Lanka. We will first meet her at Fall Enrichment Meeting at Asheboro UCC as she will keynote that meeting. She will

then go into as many churches in Western Association as possible during her stay with us. Doris Yeattes will coordinate her itinerary.

Respectfully submitted,
Doris Yeattes, President

CHURCH WOMEN OF SOUTHERN CONFERENCE

ANNUAL BUSINESS MEETING

JUNE 13, 1983

President Julia Anne Williams called the Seventeenth Annual Meeting of the Southern Conference Church Women to order at 3:45 p. m., in Elon College Community Church on the campus of Elon College on June 13, 1983.

The President expressed her joy for being at the Conference and welcomed all in attendance at this business meeting.

Praises to God and prayer for guidance was given by Josephine Squires. President Williams recognized special guest, Yvonne Beasley, who is very special because she had just been elected as the first black woman to be President of the Southern Conference. Yvonne asked for our prayers.

A tribute was made to Marion Sperry. We thank Dr. Joyce Baker for materials put into our conference packet.

Minutes of 1982 Annual Meeting—Henrietta Hargrove.

Henrietta stated that the Minutes had been printed and distributed in the yearbook, p. 17. She asked that the Minutes not be read, and it was moved and approved that the printed Minutes on page 17 in the yearbook not be read aloud. Motion approved.

Treasurer's Report—Nancy Perkins.

The Treasurer's report was reviewed with the body found in the yearbook on pages 24-25. The report was approved and filed for record.

Nancy urged that all Outreach and Administrative contributions and James H. Lightbourne or Emily Lester Scholarship Fund contributions be sent to her; and all other monies should be sent to the Conference Office. See addresses on page 24 in yearbook.

She also presented the proposed Budget for 1983-84 and it was approved. This report is found in the yearbook, page 25.

Association Reports:

Eastern North Carolina—Marie Gibbs.

Eastern Virginia—Thelma Norfleet.

Western North Carolina—Doris Yeattes.

President Williams had spoken highly of the manner in which Association Presidents have done their reports. All three Associations had experienced a successful year. All had the fortunate experience of having Mary Elias visit with them. It was said of all Associations that the theme "To Be In Mission", had given them many opportunities to see the theme in action. All three association reports are found in the yearbook 1983-84.

Working Rules—Josephine Squires.

There has not been any basic changes in the Working Rules. It was suggested that we purchase more working rules books since we have many more people joining the Executive Board and more committee chairpersons—this has been approved at the Executive meeting in March 1983.

Leadership Development—Faye Humphrey.

Faye Humphrey did hold the Leadership Development Training Re-

treat, October 29, 30, 1982, at Crumpton Center. Seventeen women were able to attend this retreat. Fellowship, worship, and sharing and goal setting were the goals for this meeting.

History—Henrietta Hargrove

We are proud and very excited about the progress of the History Room at Elon College. It was reported by Dr. Russell that the History Room is alive and functioning well.

Mrs. Carol Pace is serving in the History Room each Wednesday from 8:30-12:00. Rev. Russell informed me that he had explored the History Room and found many interesting and exciting things there. He said ministerial students will be coming in to do research on Church History.

Rev. Russell also informed me that as soon as everything is pulled together at the college this would be announced in the Southern Conference News, about the History Room at Elon College.

Scholarship Aid—Vera Perker

Vera pointed out very clearly in her report how the scholarship funds are to be used—the Emily Lester Scholarship Fund and the Dr. James Lightbourne, Jr. Scholarship Funds. This report is found on page 23 in the yearbook.

Task Force on Women in Church and Society—Nancy Keppel.

Nancy reported that over the past eight years the Task Force on Women in Church and Society has served the Southern Conference by identifying and responding to theological and social issues related particularly to women. She said we need the support of all our brothers and sisters—together we can make it. Her report is found on page 28 in the yearbook.

For Your Information

The President had had many tasks to perform this year: among them are leadership training, Board of Directors Meetings, gave oral and written reports, attended Annual Meeting and attended the Task Force Meeting.

Three of her very exciting tasks stand out in her mind:

1. Proposed to the Board of Directors our Bylaws change that the Church Women of the Southern Conference have a voice and vote on Conference Board of Directors.

When the resounding yes vote was given, this was the most exciting time of her life. When we were told, we rejoiced with her.

2. Attending the Annual Meeting of the Southern Conference and introducing Myers and Breitling as speakers for Summer Conference.
3. Attending open house and dedication of our Conference Minister.

All these things have been most rewarding to her.

Respectfully submitted,
Henrietta Hargrove, Secretary

CHURCH WOMEN OF SOUTHERN CONFERENCE UNITED CHURCH OF CHRIST THE SEVENTEENTH BOARD MEETING EXECUTIVE BOARD MEETING

The Annual Executive Board Meeting of Church Women of Southern Conference met on Sunday evening, June 12, 1983, in Harper Center,

Elon College at 7:30 p. m. President Julia Anne Williams opened the meeting and Vera Parker prayed for guidance.

The motion was made to accept the Minutes as distributed. The Treasurer's report is attached. The balance in the Treasury is \$8,907.84, as of June 12, 1983.

Summer Conference—Carol Diehl

Carol Diehl reported that most of the programs for Summer Conference are set. She reported that Ann Jolly will not be able to do the music due to impending surgery. Carol Diehl and Doris Yeattes will be handling the music jointly.

On Tuesday evening the wives of conference staff will be honored before the dedication of gifts for the project.

Workshop Leaders. Carol reported that she had received positive responses from Ervin Milton and Ed Alcorn. Dick Rinker and Betsy Russell are to do workshops also. Dr. Russell, our Conference Minister, will do a workshop. We are looking forward to seeing all of them here at conference.

Association Presidents. President Williams thanked all Presidents of the associations for getting to her such splendid reports for the yearbook and newsletter. Each Association was called on to give its report at this meeting and any additions could be added at this time.

The President stated that all expense vouchers for materials used for the project should be given to Dot Jolly. She further stated that these reports will be found in the yearbook and are highlighted.

President Williams asked Mary Kimball to install officers at the Business Meeting on Monday and Lucille Smith to be Parliamentarian. She would like to meet with District Representatives in the dining hall during the early breakfast hours to finalize plans for Fall Enrichment Meetings. Dates for Fall Enrichment:

WNC—September 15

EVA—September 16

ENC—September 17

Treasurer's Report—Nancy Perkins

The Budget was passed out to all members present at the Executive Board Meeting to review and discuss. The report was approved by the Executive Board.

Nancy stated that the Church Women of Southern Conference has expanded its budget tremendously over the past 2-4 years and 1983-84 is no exception. This report will be found on page 24-25 in the yearbook.

History—Julia Anne Williams

Julia reported that Mrs. Carol Pace is in the History Room each Wednesday from 8:30-12:00. She's encouraging all secretaries to reserve all important minutes, and any other pertinent material to be placed in the file at Elon College.

She strongly urges all outgoing executive officers, committees, and chairpersons to keep records of all duties and activities of their office and pass this material over to her successor. She said, "I cannot stress this enough."

Scholarship Aid—Vera Parker

Vera stated that information on Scholarship Aid is explained in detail in the yearbook, found on page 23.

An update was given on scholarships given 1982-83 to students. A motion was made to give again this year, 1983-84, a scholarship of \$300.00 each to students requesting aid and was approved by the Executive Board.

Vera stated that 45 scholarships have been given to date through the Jimmy Lightbourne Scholarship Fund.

A motion was made to wait until the March meeting in 1984 to set new policy for monies to be spent for Regional Meeting. This Regional Meeting is partly sponsored from funds from the Emily Lester Scholarship Fund. We will follow the same format used in 1982 for Regional Conference. The motion carried to wait to set policies at the March Executive Meeting.

The Western Association has a very unique service for honoring church members through Life Membership and Memorials. Vera Parker reported that Pat Miller who heads the Office of Communication for Coordinating Center was with us last year at the time this service was carried out. Pat was so impressed with the program of honoring church women that she has spread the news through Southern Conference. The information has appeared in the Common Lot Magazine two times and was up for next issue.

It was through this program that each conference was able to select a very special, dedicated person to honor at General Synod this summer. Lucille Smith was chosen as our special person from our conference. This program has become nationwide. Vera has been asked to write up the program of service in detail. This program will go into Common Lot Magazine.

Task Force—Nancy Keppel

The Task Force on Women in Church and Society. Since Nancy was unable to attend this meeting she sent her report to the meeting along with her letter of resignation.

Nancy reported that over the past eight years the Task Force on Women in Church and Society has served the conference by identifying and responding to theological and social issues related particularly to women. She said in her report that we are all committed to that struggle, but we need the support of all our brothers and sisters; together we can make a difference. Nancy's report is in the yearbook on page 28.

President Williams announced the resignation of this courageous woman and expressed her thanks for a job well done. We are fortunate to have Mrs. Susie Keele come on board to serve as Chairperson of the Task Force on Women in Church and Society.

New Intern In Conference

Ruth Minter, a minister intern, is training for ten months on the Conference level under Dr. Rollin Russell, our Conference Minister.

We wish her God's blessing in her work.

UCCWM—Vera Parker

Mrs. Doris Yeattes has been appointed advocate for UCCWM. A motion was made and seconded that the expenses that Doris incurs be

taken care of through our own Southern Conference Women. This motion carried.

National Meeting for Women 1984. Dolores Rawles has been chosen to serve on the planning committee for the National UCC Committee of the leaders outfit. Dolores will go to Milwaukee, Wisconsin next July 12-16, 1984. (for further information, see yearbook, page 22).

Good quilt makers have been spotted for the meeting in Milwaukee, namely: Faye Webber, Nancy Keppel, Helen Rippey, Doris Yeattes, and Ruby Mae Brown, mother of Glenda Shrewsbury. A candlewicking quilt will be among the ones on the list.

Conference level meeting was held in N. Y. in April—Rev. Russell, our Conference Minister, Dolores Rawles, and Celestine Raney were the three persons chosen from Southern Conference to go to New York in April to serve on the planning committee. They will work out plans for the program. See page 22 in yearbook.

Regional Meeting—Dolores Rawles

Dolores said that registration blanks for the regional meeting are ready. These registration blanks had been put into all registration packets. Dolores announced:

1. There will be a bus going to Monteagle.
2. More information will be given later on the bus fare for transportation.
3. She asked each person to reserve at least \$25.00 for transportation.

It was motioned and carried that all the Executive Board, Association Board Members and District Representatives have their expenses paid to Monteagle, Tenn.

All others going will pay registration and transportation fees. The motion was carried.

Addendum: Summer Conference—Carol Diehl

Beth Wilkins took care of dedication on Tuesday. The latest information is that the mother of Ken Hollingsworth will be at the conference. Beth will take care of sorting and packing material for our mission project for Central Africa.

Bill Simmons was not able to attend the Conference, sent his appreciation for the invitation.

The art display was very good and much talent was shown in the articles at the conference.

A motion was made by Thelma Norfleet that a check be issued to Julia Anne Williams and Lucille Smith for their expenses to the General Synod for \$750.00 and if the expenses exceed that amount, they are to present a bill for the balance. The motion carried.

Mary Kimball installed the newly elected officers for the next two years.

2nd Vice-President—Mrs. Jerry W. (Gayle) Moore.

Treasurer—Mrs. Nancy Perkins.

Henrietta Hargrove, Secretary

Vote 10: That we close debate on the Constitution and Bylaw amendments.

Vote 11: That we approve the Constitution and Bylaw changes of the UCC Constitution.

Vote 12: That a study task force of the Conference be established with representatives of the United Black Churchmen. Commission for Racial Justice, the three Church and Ministry Commissions of the Associations, the Black Church Development Commission, Church Life and Leadership, Ministers for Racial and Social Justice to study and report back to the Conference at the next annual meeting concerning the standards and procedures for ministerial standing in the Associations.

Vote 13: That we approve as printed the **Resolution on Family Life:**

WHEREAS Family Life has been adopted as a Priority by the Thirteenth General Synod.

WHEREAS Family Life has a Biblical and theological base that is acceptable to the church.

WHEREAS every person lives in relationship to Family, thus making family one of the most common and shared experiences of the Church.

WHEREAS family is one of the most private and personal experiences and often not immediately receptive to ministry by the Church.

WHEREAS the life and ministry of the church such as Stewardship, Evangelism, Social Action, and other areas of concern are intricately interwoven with and to a great extent dependent upon the physical, emotional and spiritual resources of its families.

WHEREAS clergy, while distinct in call to ministry, are alike in the nature of family relationships to laity.

WHEREAS this is a time of great change and resulting opportunities and stresses for families.

THEREFORE The Southern Conference of the United Church of Christ believing that this work is integral to what we should be about as the people of God:

1. Accepts the Family Life Priority and urges that study and action on the Family be a priority in the Conference, Associations and local churches.

2. Supports the work of the Priority in the Conference with funds for education, resources and programs.

3. Urges each local church to empower a present committee or commission or form a new Task Force to search out the family life concerns of the congregation and make recommendations for ministries and resources to the local church concerning its ministry to families.

4. Requests that each local congregation give special attention to the needs of its clergy family by regularly reviewing its financial needs, by safeguarding times of rest and privacy, and by providing special funds for the purpose of enrichment and nurture of the family relationships of the clergy family.

5. Requests that Conference and Association staff, clergy, and lay-leadership consistently explore avenues for the church to be more sensitive to the needs of families, promoting opportunities for enrichment, support and ministry as families, by such policies as follows:

. . . allow and encourage families to serve together on boards, committees, and service projects,

. . . provide structures for intergenerational learning and fellowship such as Family nights, Church School Classes, retreats, etc.,

. . . support family centered programming such as providing scholarships to Family Camp to the same degree as for camps for individuals, participation in Conference and Association activities such as Advent and Lenten Family Workshops and provide support and training opportunities of concern to families, as communications, discipline, stress, marriage and parenting skills,

. . . commend to each local church the use of the "Family Life Check List" developed by the UCC Missouri Conference Family Life and Peace Task Force, which provides a minimum list of programmatic areas for ministry.

6. Instructs each Commission and Task Force to specifically explore how their area of responsibility can support and provide resources for family issues and when possible coordinate these efforts.

Vote 14: That we approve as printed the **Resolution on Ministering to the Needs of Senior Citizens:**

WHEREAS nationally 11% of the population is 65 or older (in N. C. 21%; in VA 9%) and all of us can hope one day to be in this age group,

WHEREAS nationally 15% of those 65 and older live in poverty (in VA 17%; in NC 11%);

WHEREAS these statistics from the 1980 census used as a poverty line for a household of one over 65 only \$3,479 and for a household of 2 in the same age group only \$4,385, but many senior citizens above this line somewhat nevertheless find their fixed incomes insufficient to meet needs as inflation causes rents, utilities, food and other basic costs to continue to rise;

WHEREAS many Retirement Communities and Nursing Homes are beyond the reach of those low-income elderly, causing them to stay home alone in increasingly deteriorated and often filthy conditions as their ability to care for themselves decreases;

WHEREAS cheaper options such as community "group homes" can provide acceptable alternatives for such low-income elderly;

WHEREAS the church from its beginnings has taken part of its ministry provision for the care and substance of those unable to care for themselves;

THEREFORE BE IT RESOLVED that the churches of the Southern Conference of the United Church of Christ be urged to become actively involved with senior citizens of their communities, helping them learn their options and choose wisely the place and people with whom they will spend their final years.

BE IT FURTHER RESOLVED that the churches be urged to interact with local social services agencies and senior citizens advocacy groups to insure that all local options for the elderly are adequate and meet regulations, thereby eliminating fears by the elderly and their families of exploitation by group home or nursing home operators.

BE IT FURTHER RESOLVED that where churches find facilities in the community are inadequate to meet the needs of the elderly poor, the churches be urged to seriously consider whether they might themselves set up and run a group home for the elderly as part of the mission and ministry of their church, or work with public and private agencies to otherwise meet the needs of senior citizens.

BE IT FURTHER RESOLVED that the Social Ministries Commission, the Health and Welfare Committee, the Family Ministries Task Force and the Church Life and Leadership Commission of the Southern Conference of the United Church of Christ together develop a program of education and action to implement this resolution.

Vote 15: That we approve as printed the **Resolution on U. S. Involvement in Central America:**

WHEREAS the current U. S. administration has ignored the fact that the prime cause of unrest in Central America is poverty coupled with the unwillingness of the governments of El Salvador, Guatemala, and Honduras to deal adequately with the inequities that have generated landlessness and poverty, and

WHEREAS the Contadora nations of Mexico, Venezuela, Panama and Columbia have joined in making encouraging and constructive diplomatic initiatives in the region,

THEREFORE BE IT RESOLVED that the Southern Conference of the United Church of Christ, through the Conference Minister and the President of the Southern Conference, communicate to all North Carolina and Virginia Senators and Representatives, urging that they do all in their power to insure that the United States shift its priorities and place the current level of personnel and financial resources now being spent for military solutions in Central America entirely at the disposal of the Contadora nations for efforts toward a non-military solution for the region.

Vote 16: That we approve as printed the **Resolution Affirming Women in Ministry:**

WHEREAS, in 1853, the Congregational Church ordained Antoinette Brown, setting a precedent in this continent for affirmation of women in professional ministry;

WHEREAS, the United Church of Christ has since its founding affirmed this action by one of its predecessor bodies;

WHEREAS women increasingly recognize their call to parish ministry, with the result that there are now over 1000 ordained women in the United Church of Christ (approximately 1/10 of all ordained UCC clergy) and 48% of the UCC seminarians are women;

WHEREAS women ministers continually seek placement in the Southern Conference, and

WHEREAS Association staff persons are key in the placement process, interpreting placement policies and procedures, orienting local search committees to their task, and providing ministerial profiles of both women and men for consideration;

THEREFORE BE IT RESOLVED that the Southern Conference mandates all Conference staff to work consciously to make the search process in the local church accessible to women, learning and teaching techniques of affirmative action where necessary.

Vote 17: That the annual conference call upon the Conference Staff to work in consultation with the three church and ministry committees and the joint church and ministry committee to develop a program of education in the local churches to help in the wholistic understanding of women in ministry and report back to the next annual meeting.

Vote 18: That the Line item 23 Program, in the Budget for 1985, be raised to \$5,000.00 with \$4,000.00 committed to the U.C.C. Priorities.

Vote 19: That the 1985 proposed budget be adopted with appropriate changes that were made in vote 18.

Vote 20: That we amend the Resolution on Language:

Vote 21: That we adopt as printed the **Resolution on Language as amended:**

WHEREAS language both reflects and shapes understanding, self-image, behaviour, and faith;

WHEREAS the 9th General Synod's Resolution on Inclusive Language urged a concerted effort by Conferences, Associations and local churches to be increasingly sensitive to the use of language in every area of its life;

THEREFORE BE IT RESOLVED that inclusive language be used in every appropriate way for meetings of the Conference, its commissions, task forces, committees, and for events sponsored by them;

BE IT FURTHER RESOLVED that local congregations be encouraged to initiate a more deliberate use of inclusive language in all areas of that life as appropriate including worship;

BE IT FURTHER RESOLVED that the Southern Conference make available human and written resources to educate our membership to these issues and facilitate this resolution.

WHEREAS, we live in a covenantal relationship with the national boards and instrumentalities of the United Church of Christ, and as a denomination and as individuals live as members of the entire body of Christ and of God's total creation, it is imperative that we keep ourselves in full communication with the boards and instrumentalities of our denomination:

THEREFORE BE IT RESOLVED, that the Annual Meeting of the Southern Conference directs the Conference Minister to increase the level of communication through the media of the Southern Conference to the ministers and laity of the churches regarding developments and tasks of the national boards and instrumentalities of the United Church of Christ;

RESOLUTION**

Whereas, it has come to the attention of the Eastern Virginia Association that the Rev. Dr. Clyde L. Fields was called to his eternal home on August 25, 1983. And whereas, the said Clyde L. Fields was a faithful servant of the church and had been a pastor in the Eastern Virginia Association; and whereas, he has been Conference Minister of the Southern Convention and Interim Conference Minister of the Southern Conference of the United Church of Christ. And whereas, he has rendered outstanding service to his Lord and to the Church; and whereas, he was deeply loved by all who knew him; and whereas, he was a faithful and true servant of the Church and loyal to all her precepts.

Now, therefore, be it resolved by the Eastern Virginia Association that we express our thanks to Almighty God for the dedicated life of this his servant. That we spend a moment of silence in honor of his memory. And that we spread a copy of this resolution on the minute book of this Association and send a copy to his widow.

Done at Lynnhaven Congregational United Church of Christ on October 15th, 1983.

Rev. Henry E. Crutchfield died Thursday, October 21, 1982, having served 55 years as a minister. He served the Great Bridge UCC, Holy Neck UCC, and New Lebanon CC. The funeral service was held in Wakefield, October 24.

Rev. Harry L. Blackwell died Sunday, January 23, 1983, having served 68 years as a minister. He served Macedonia UCC and Wesley Grove UCC. His funeral was held in Norfolk, January 27.

EASTERN VIRGINIA ASSOCIATION
STEWARDSHIP/EVANGELISM COMMISSION

This has been an exciting year for our commission here in our Association as well as in our Conference. Highlights concerning our Stewardship began with much planning at both Conference and Association levels. Our Stewardship Workshop was held May 14th at the Bethlehem Christian Church which was a real eye opener for all who attended. We took a serious look at "OUR THEOLOGY IN MISSION" and "THE BUDGET AS TOOL FOR MISSION", led by Dr. Melvin Palmer. A better understanding of (OCWM) Our Christian World Mission was given by Rev. Walter Snowa. We had the opportunity to view four models of How Local Churches "Do Stewardship" and were made aware of Stewardship and OCWM materials. Each local church team was encouraged to begin planning for their Stewardship and Financial goals.

The major highlight of the year was that many churches had increased their OCWM giving in the past year by about 8% and those who had an increase were given special recognition for the first time in a long time in the local church. This was made possible by the commission members, members of the Board of Directors, and clergy who gave of their time to make the presentations. One entire Commission meeting went for assignments and what should take place at the presentation at the local church. Special Plaques were given to the Dendron Church for the highest per member giving and the Oakland Church for the highest amount in total giving.

All churches are encouraged to strive to increase their OCWM goals for the coming year. Try to reach at least \$10 per member and beyond, if you aren't there already—that's only 3 cents per member per day. What a difference this will make in our Association, our Conference, our Nation and around the world in fulfilling our mission. THAT'S INCREDIBLE!!!

TOP PRIORITY, TOP PRIORITY for our Conference and Association this year is "Evangelism". Much is being done at both Association and Conference levels for this PRIORITY. "Preparation For Revival In The Local Church" has gone out to each church. This vital information for a successful revival is given in three stages: they are Planning and Preparation, Preaching, and Follow Up. More leadership training will be forthcoming. Articles will appear in the Southern Conference News that will deal with SALVATION. These articles will be written by persons in our Association and Conference. Lay persons and clergy will have an opportunity to share on this subject. Watch out for more information that will be coming soon in the Southern Conference News and Impact. A

Convocation at our Conference level is being planned for late winter or early Spring centering around Salvation.

One of our priorities is to encourage local churches to establish "Growth Goals" of 150%. If you had 10 people added to your church roll last year, then your goal next year would be to work so that at least 15 would be added. Let's really work and help this become a reality. A workshop is set for October 30th at the Suffolk Christian Church that will concern itself with "Visitation Skills" and will be led by Dr. Rollin Russell, our Conference Minister. Other information will be available concerning media, revival booklets on witness, enlistment, renewal, commitment, decision, etc. Watch for more information on this training event.

At our Conference level brochures about UCC Churches are being prepared for distribution in Welcome Centers along I-85 & I-95. Hopefully an advertising campaign is in the making for August 1984. Conference will run ADS in larger papers and sample ADS will be distributed to local churches for use in local county and weekly papers. This will help all of us in identity, location, etc. Let us pray that all the plans being made and those that will come, by the grace of God, will turn into deeds and will become a reality. Truly then we can proclaim that "EVANGELISM IS OUR TOP PRIORITY".

CHURCH LIFE AND LEADERSHIP COMMISSION

With a deep sense of gratitude, I offer my appreciation to the members of the Church Life and Leadership Commission:

Mr. King Bishop
Mrs. Katie Knight
Mrs. Sylvia Porter
Mrs. Josephine Walker
Rev. Larry Reesman

Rev. Helen Herbrecht
Mr. Jesse Lee
Mr. James Ramborger
Mrs. Rachel Wallace

They have done all the work. We met twice in committee, reviewing our work, setting goals and priorities, designating people to perform the tasks.

1. LOCAL CHURCH HISTORY—The idea was to update the book we now have and to encourage other local churches to update their histories. Mrs. Rachel Wallace reported that approximately 40 churches responded. All information has been coordinated and is ready for printing—to be ready for distribution at this annual meeting. Mrs. Wallace, Rev. Herbrecht and Rev. Larry Reesman have done a tremendous job.
2. NETWORK OF LOCAL CHURCH LEADERS—addresses, names, phone numbers. Following as many as three contacts, letters and phone calls etc. Mr. Jim Ramborger reports 64 churches have responded. Thank you Jim, this was not an easy task.
3. ENCOURAGE YOUTH REPRESENTATIVES ON ALL COMMISSIONS—We ask that you do so.
4. CRAFT FAIR—did not materialize.
5. PROMOTES UCC FELLOWSHIP OF THE ARTS—Churches are asked to have members bring or send something special to be shown at the annual meeting of Eastern Virginia Association. Paintings, sculpture, carvings, handwork, quilts, etc. Rev. Aubrey Todd is in charge of the Art Show. Thank You Aubrey for your time, help and support.
6. LEADERSHIP DEVELOPMENT—Local Church. The Leaders Box Workshop was held Sunday, September 11, 1983 in the Bethlehem Christian Church. This workshop was for everybody in the church who holds an office or serves on a committee. Most all phases of the church were covered. Rev. Joyce Myers, Southern Region Coordinator for Church Life and Leadership, was our leader. I felt that all 59 people attending representing 19 churches left that meeting feeling that it was well worth while and that much could be accomplished within the church while using it.
7. PROMOTE WOMEN AND MEN'S FELLOWSHIPS—I have worked closely with the women—and they are going great guns—As some of you know one of the Church Women of the Southern Conference goals was to ask for a vote on the Southern Conference Board of Directors. Happy to report that at the Annual Meeting at Elon in June this was granted to the President of CWSC. The Eastern Virginia Women held their annual Fall Enrichment Meeting at Fellowship UCC in Portsmouth on September 17th. It was a good meeting with good attendance. Fellowship rolled out the red carpet for us. Many thanks.

One thing distresses me and that is the fact that 11 or 12 of us will not be here today for the EVA annual meeting. We will be in Monteagle, Tenn. for our third Southern Region Leadership Training Event. Three of our women will be taking leadership roles. We are indeed proud of the work they do.

From all reports the Men's Fellowship is going well. They have donated generously to the Tidewater Center Retirement Home and I understand that will be their goal again this year.

I have attended both CLL meetings of the Southern Conference. In March we reviewed Scholarships around the Southern Conference and this informa-

tion was distributed at the Annual Meeting of the Southern Conference in June. If you have not received this information and are interested—Contact the Southern Conference Office.

My thanks to each member of the Committee for their help and cooperation and to you who have responded with your encouragement and support.

EASTERN VIRGINIA ASSOCIATION CHRISTIAN EDUCATION COMMISSION REPORT

The Christian Education Commission has a large umbrella of responsibility. At our first meeting of the year, various program areas were discussed. Instead of trying to have programs in all areas, it was decided that we would select one program area; and give that our full attention. The question was asked "What is the greatest need in Christian Education in Eastern Virginia?" It was unanimous from all members attending that our greatest need was in the area of youth work.

In the early spring, each church in the association was asked to send two adults who were interested in youth to a meeting at Bethlehem Church. There were eleven churches represented. Out of this meeting, we planned an overnight Spring Retreat at the Lynnhaven Church. Each church was asked to send two key youth and one adult. We had thirteen churches represented. The program was designed to lay the foundation for the organization of an Association Youth Fellowship. Youth officers were elected and an advisor was appointed.

The officers have had several meetings to plan for the Association Youth Rally which was held on September 24th at Christian Church Uniting.

We feel that we have accomplished a lot in laying the foundation for the revitalization of youth work in the association and local church. Your committee calls on each of you to support in every possible way our new youth adventure.

EASTERN VIRGINIA ASSOCIATION TASK FORCE ON WOMEN REPORT

In the four years that the Task Force on Women has been in existence here in

Eastern Virginia, there have been some changes in the attitudes concerning the position of women both in the church and in society.

On the conference level, we have a clergywoman serving as president and the president of Southern Conference Women now has a vote on the Board of Directors. Also the conference chose as its fourth priority that the resources of women should be recognized and utilized in the life of the church.

This year at the EVA annual meeting there will be a report for the first time from the Women of E. V. A. and from the Men's Fellowship. The work of both groups contributes to the life of the church and its mission.

However, some churches still do not allow women to serve as deacons and we still have no clergywomen serving churches in our association.

Much attention has been focused on the violence against women and the problem of economic injustice. However, it is not enough to acknowledge these problems. We, in the church, must seek to find solutions, as we seek to teach others of God's love for the world.

MINUTES
SEVENTEENTH ANNUAL MEETING
 of the
EASTERN NORTH CAROLINA ASSOCIATION
 of the
SOUTHERN CONFERENCE of the
UNITED CHURCH OF CHRIST
October 12, 1983

The Seventeenth Annual Meeting of the Eastern North Carolina Association of the Southern Conference of the United Church of Christ was held on Wednesday, October 12, 1983, at Beaver's Chapel UCC in Zebulon, N. C.

Registration of delegates and visitors began at 9:00 a. m. At 10:00, President J. Cecil Cheek called the meeting to order. The Hon. Frank Wall, Mayor of Zebulon, welcomed the group.

The Rev. Ervin Milton, Associate Conference Minister, recognized the following visitors and new ministers: Mr. Robert Stainback of Youngsville, Ms. Linda Johnson of the Zebulon School Board, and a reporter (name unknown) from the Raleigh News and Observer.

The day's agenda and minutes of the 1982 Annual Meeting were moved, seconded, and approved. Mr. Milton presented the Treasurer's Report in Ms. Betty Covington's absence (see Exhibit #1). It also was approved.

A Ballot Committee was appointed by Mr. Cheek. It included: the Rev. Donald Ingram, the Rev. James Staunton, the Rev. Richard Bullock, the Rev. Thomas Hamilton, and the Rev. Cally Rogers-Witte. (The nominations were later accepted by acclamation, cancelling the need for a Ballot Committee.)

It was announced that contributions to New Initiatives in Church Development (NICD) could be given to Mrs. Lonnie Young during the meeting.

The group then worshipped together, led by the Rev. Ruth Minter. Music was provided by the Rev. Yvonne Beasley and her mother, Mrs. Della Beasley. The Rev. James Humphrey, pastor of a new church start in Charlotte, brought the message and focused on new church growth.

After the sermon, the Reverends Richard D. Bullock, Jr., and Allyn Robinson, Jr., were recognized for 50 years of ordained ministry. The Rev. John Settlemyre, Coordinator of the ENC Church and Ministry Commission, licensed the following: David Dolby, Naconiel Fullwood, William Holt, Christopher Lee, John E. McLean, Lenora Sanders, Robert Stainback, and William Moses. Only Dolby, Stainback and Moses were present for the ceremony.

Mr. Milton then led the group in a moment of remembrance for those ENC ministers who died this past year: Dr. Clyde L. Fields, the Rev. William H. Thomas, and the Rev. Clyde O. Koon.

After the worship service, the Rev. Richard Haith, host pastor, welcomed

everyone and gave a brief history of Beavers Chapel UCC. He also announced that an old fashioned picnic lunch for all visitors and delegates would be held on the church grounds at noon.

Dr. Rollin O. Russell, Conference Minister, gave a report on NICD. One-third of NICD gifts remain in Southern Conference; two-thirds go to the United Church Board for Homeland Ministries. The decision to fund a new church start or renewal within a community rests largely on the rate of population growth. The goal for Southern Conference is one start or renewal each year, and Myrtle Beach, S. C., Columbia, S. C., and Richmond, Va., were listed as possible sites. Which conference has jurisdiction over these areas is yet to be determined.

It was announced that there were 219 persons in attendance at the Seventeenth Annual Meeting of ENC: 73 ministers, 78 lay delegates, and 68 visitors.

The Nominating Committee gave its report (see Exhibit #2). The name of Ms. Martha Fairbank of Durham was substituted for Ms. Melba Aiken of Clayton, listed under the Raleigh District. The floor was open to other nominations. There were none, and the nominations were moved, seconded, and approved.

Mr. Cheek thanked all for the concern and kindness shown to him and his family during the illness and death of his wife. The group was then adjourned for lunch.

After lunch, Vice-President Jerry Moore called the meeting to order. It was moved and seconded that the slate of nominations be accepted by acclamation. Motion carried.

The group then discussed the proposed changes to the ENC Constitution (see Exhibit #3). The Rev. James Staunton objected to Article VI, 29. Section 1 (a), concerning make-up of the ENC Board of Directors. He argued that giving the commission coordinators full membership altered the balance of the Board's composition, as the coordinators at this time are predominantly white male clergy from the Burlington District. He also argued that commissions are special interest groups which should have voice but not vote on Board decisions.

Mr. Staunton proposed an amendment to the Amendment: that Article VI, 19. Section 1 (a) be changed to read 16 members; 6 coordinators, ex officio.

In the discussion that followed, it was stressed that giving commission coordinators full membership on the Board would enable policy and planning to be better coordinated. The amendment to the Amendment was moved, seconded, and defeated.

A By-Law Change concerning the responsibilities of the Christian Social Ministries Commission was submitted (see Exhibit #4). As it was not presented sixty days in advance, however, the present rules for constitutional change would have had to be suspended. Such suspension was moved, seconded, and defeated. The By-Law Change is to be accepted as a report and voted on at the next Association Annual Meeting.

It was moved and seconded that all Constitutional changes, as presented, be accepted. Motion carried.

Dr. Russell brought official greetings as Conference Minister. He stated that Evangelism is presently the top priority of Southern Conference, and promoted an Evangelism Workshop to be held Nov. 6. He also gave details on the Spiritual Life Retreat scheduled for Nov. 11, 12 & 13 at Blowing Rock Assembly Grounds.

Dr. Russell then reported on his recent trip to Germany as a UCC delegate to the Evangelical Church of the Union. He stressed his sense of unity with Christians in both East and West Germany and underscored his commitment to world peace. Ms. Lisa Barrows, who represented ENC in this exchange, briefly reported on her experiences there also.

Commission reports were then given.

Christian Education—The Rev. Darryl Peebles reported in the absence of coordinator Nancy Peebles (see Exhibit #5).

Christian Social Ministries—The Rev. Ruth Minter reported in the absence of coordinator Mac Hulslander (see Exhibit #6). The Commission distributed a

questionnaire seeking advice on the issues it should choose to address. Material on the peace rally to be held October 22 in Raleigh was also distributed. Finally, a dramatic reading of "Rich Woman, Poor Woman" was given by Carol Dragos and Sandra Russell of Community UCC in Raleigh. This powerful script about the kinds of upheaval now being experienced in South and Central America can be obtained through CROP.

Church Life and Leadership—(See Exhibit #7). Coordinator Michael Hooper promoted the Leaders' Box as an excellent leadership resource for churches. He also emphasized the Spiritual Life Retreat scheduled to be at BRAG. He then reported for the Task Force on Women in the absence of chairperson Bonita Hooper (see Exhibit #8). He called attention to the list of women clergy in ENC and urged churches to utilize their talents.

Evangelism—Coordinator Charles Thompson presented this report (see Exhibit #9).

Stewardship—This report was presented by coordinator John Wilder (see Exhibit #10).

Church and Ministry—(See Exhibit #11). Coordinator John Settlemire reported that a special group seeking alternative routes to ordination visited Lancaster Seminary in September. He also announced that required orientation will be held November 12 for all those who are Licensed or In Care of the Association.

It was moved and seconded that the Commission reports be accepted. In the discussion that followed, much concern was voiced over the poor attendance of those receiving licensure at this Annual Meeting. Should they not be required to attend their own licensing ceremony? It was noted that they are required to attend the Nov. 12 orientation.

Motion carried that reports be approved.

Dr. Millard Stevens then presented the Pride II campaign, which seeks to raise 5.7 million dollars for Elon College. Part of the money will be used to build a badly needed fine arts center. Dr. Stevens urged all churches to budget contributions to Pride II over the next few years.

Greetings were brought from the Southern Conference institutions. Speaking were Dr. Marlin Schaeffer of the Nazareth Children's Home, the Rev. J. C. Dollar of Elon Home for Children, Mr. Donald Morgan of Franklinton Center, and the Rev. Donald Flick of the United Church Retirement Home.

In his report as Associate Conference Minister (see Exhibit #12), Mr. Milton promoted the UCC bulletin service. He also reminded the group that ENC annual meetings are now being alternated on Wednesdays and Saturdays. Next year's meeting will be held on a Saturday.

It was then moved and seconded that the proposed 1983-84 Budget be approved (see Exhibit #13).

Discussion followed, and it was asserted that the Christian Education Commission needs a greater allotment. The Commission will sponsor an ENC youth event in 1984, and family life workshops and training programs are also scheduled. It was moved and seconded that the Christian Education allotment be increased by \$250, making a total of \$600. Motion carried.

By consensus, it was decided that the allotment for SCAT (Southern Conference Action Team) be moved from under the heading of "Commissions and Task Force Expenses" to a separate line item.

The amended 1983-84 Budget totaled \$7,350.00. The Budget as amended was approved.

Dr. Russell and Ms. Barrows offered to speak on their Germany trip in churches throughout ENC.

Mr. Milton installed the 1983-84 officers and Board of Directors, and the group applauded Mr. Cheek for his fine service as ENC President the past two years. There being no further business, the meeting was adjourned with prayer by Mr. Cheek.

Respectfully submitted,
The Rev. J. Cecil Cheek, President
Elisabeth H. Barrows, Secretary

EXHIBIT #4 ASSOCIATION BY-LAW CHANGE RECOMMENDATION FOR OCTOBER 12, 1983

To be added to the present list of duties and responsibilities of the Commission on Christian Social Ministries:

(5) Advocating specific social programs and/or legislation where appropriate and timely to do so.

Rationale:

Contemporary issues that relate to peace, racial, social and economic justice, human relations, etc. are constantly changing and the opportunities to influence the decisions effecting them are often limited by time and circumstance. The NC

Legislature, for example, only meets biannually for the purposes of taking up new legislation. Also, the Association meets but annually and the Board of Directors twice annually at the minimum. This creates a certain time lapse and inconvenience in being able to represent the Church's interests in seeing certain social changes brought about.

Because of the importance of the legislative and certain legal processes in dealing with social issues and concerns to the church, the Commission needs to be able to represent those interests when it is timely and appropriate to do so which often means between meetings of the Board or Association. Some examples of critical timing were/are with the Senate vote on ERA, current legislation on tax reform and alternatives to incarceration, etc.

Thus, the addition of this responsibility would allow the Commission **under its own name** (i.e. not the Association's) to respond and comment on issues of Christian Social concern where action by the Board and/or Association would result in no action being taken when needed.

EXHIBIT #5

REPORT OF THE CHRISTIAN EDUCATION COMMISSION

The ENC Christian Education Commission has worked with the Conference commission in a number of different areas, as well as beginning work in several areas for the Association.

9 camp directors were from the Association this summer, as well as 3 of the SCAT workers. Camp attendance from the Association totalled 141.

At the Youth Festirama, held in Elon College, 44 youth and 17 adults attended from the Eastern North Carolina churches. As a direct result of this meeting, our Commission is planning a spring meeting of a Leader's Core group to work toward a major event for youth in the Association by next fall.

The Commission is trying to start a Communications Network for Christian Education for our Association. Letters were sent out in September asking for names and addresses of persons willing to serve as representatives from each church. If your representative has not yet been selected, we encourage you to do so soon.

If you have particular needs in the area of Christian Education that you would like to see our Commission address, please contact us.

Thank you,
Nancy Peebles, Chairperson

EXHIBIT #6

REPORT OF THE CHRISTIAN SOCIAL MINISTRIES COMMISSION

The purpose of the Commission on Christian Social Ministries is to speak to the social dimensions of the Gospel of Jesus Christ in situations of need for justice and compassion. The Commission wishes to share with you the results of its work this past year.

ATTENDANCE AND PARTICIPATION

Of the eight members elected or re-elected at the 1982 annual meeting, six have attended one or more meetings of the Commission in 1983. The death of the Rev. W. H. Thomas, who for many years faithfully served as a liaison between the Commission and the Commission for Racial Justice, has been keenly felt.

ACTIONS OF THE COMMISSION

Neutron Bomb

In response to a form letter received from the President's military advisor, a three-page refutation was made of the Reagan Administration's insinuation of the Association's "ignorance of the facts" and innocence re: an alleged "well-

orchestrated propaganda campaign based in Moscow." In January of 1983 we were advised that we would hear something "in the near future." Nothing has been received in response to the refutation.

Prison Chaplaincy

The Commission went on record in support of adding eight (8) additional chaplains to serve in our State prisons. This legislation was promoted by the N. C. Advisory Committee on Religious Ministry to Prisons. No favorable action has been taken.

Nuclear Weapons Freeze

On October 16, 1982 the Commission presented and the Association unanimously adopted a resolution in support of a bi-lateral nuclear freeze. The same was forwarded to the President of the U. S. and others by the Association President. We have not been informed of any response to this action from either—President Reagan, our Congressional leaders or representatives of the U. S. S. R.

Alternatives To Incarceration

With a few minor changes, the ENC Association at its annual meeting in October, 1982, adopted a resolution in support of the Citizen's Commission on Alternatives to Incarceration. The report of this Commission has been presented to Governor Hunt with "luke warm" reception. Eleven pieces of legislation were introduced into the North Carolina Legislature—a few of which passed both the House and Senate.

Central America

Because of heightening tensions in this region and the seeming lack of non-violent solutions plaguing the countries of El Salvador, Nicaragua and Guatemala, the Commission, while taking no action to date, wishes to keep members aware of the situation and to encourage their becoming familiar with the issues and situation. Three members of the Southern Conference—Rev. Paul Robinson, Rev. Ruth Minter and Mr. Roger Manus have journeyed personally to the region and are available to speak about their experiences. The Carolina Interfaith Task Force on Central America (CITCA) is also a valuable resource—1105 Sapling Pl., Raleigh, NC 27609. Background information on this issue will be available at the Annual Meeting.

March On Washington

Revisions to the Conference Commission's resolution were discussed at length, amended and presented to the Southern Conference Annual Meeting in June. The resolution called for support of this commemorative march in honor of Martin Luther King's "I Have A Dream" speech in 1963. It also called upon local churches in the SOC to engage in local assessments of the progress which has been made related to JOBS, PEACE AND FREEDOM over the last twenty years.

Organizational Changes

The Commission has gone on record on support of the following changes:

1. The adoption of a line item budget for each of the six commissions of the Association. This will allow for greater flexibility in program planning and execution. This has been adopted as part of the budget approval process. (10/16/82)
2. Making the chair of each Commission a full member of the Board of Directors so that policy and planning can be better co-ordinated. A By-Law change to this effect is being presented and recommended by the Board of Directors.
3. That there be an additional duty and responsibility given the Commission for advocacy related to issues warranting a timely response between Association meetings. This will also be among the recommended By-Law changes.

OTHER ISSUES/CONCERNS:

The following items were before the Commission for study, discussion and/or action. In summary form they are:

1. **Tax Reform**—discussed with no action taken because of the timing of Legislative action on this issue. The Commission stands in support of the phasing out of the present tax on food in favor of other sources.

2. **Abortion**—discussed, no action taken, further study called for.

3. **Peace Task Force**—The Commission has met with a representative of the Conference Task Force, submitted names for the network, etc. (See Commission Peacemaking Resource Packet).

4. **NC Land Stewardship Council**—The Commission recommended Conferences sponsorship which has been approved.

The Commission was also active in supporting the N. C. Council of Churches Legislative Seminar (1/12), "Church Day" Warren County (12/11/82), Central America Week (3/11-18/83) and the N. C. Peace Network Rally (10/22/83). Liaison relations are maintained with the SOC Commission, the Peace and Security Committee of the N. C. Council of Churches and the Commission for Racial Justice.

Issues Poll

Church delegates are being asked to assist the Commission's work in 1983-84 by indicating on a poll their priorities for its work. This will assist us in 1) weighing the many issues we could address and 2) identifying potentially interested persons to work with us. Your serious attention to it will be appreciated.

Respectfully submitted,
Mac Hulslander. Coordinator

EXHIBIT #7 REPORT OF THE CHURCH LIFE AND LEADERSHIP COMMISSION

The Church Life and Leadership Commission held one meeting this past year. At this February meeting plans were made to implement certain programs suggested by the Church Life and Leadership Commission of the Southern Conference. Minor changes were proposed for the list of duties of the Association Commission, and a decision was made to have a half-day planning session in the future to assess the needs of the Association and to plan leadership activities accordingly.

The Chairperson has attended two meetings of the Southern Conference Commission on Church Life and Leadership. Two major programs for Association implementation were proposed. One was to promote workshops on **The Leader's Box**, an outstanding resource from the national office which provides guidance for all areas of leadership in the life of the church. Our commission held a workshop at Community Church in Raleigh on September 24 with 69 people present and 16 churches represented. We held another workshop in Burlington at The Conference Office on September 25 with 55 people present and 13 churches represented. These workshops were extremely well received and the leader, Reverend Joyce Myers of the Southern Conference Regional Area of the Church Life and Leadership Commission, commended our response.

Our Commission has also been asked by The Conference Commission to promote a Spiritual Life Retreat that is being held at Blowing Rock Assembly Grounds, November 11-13. Entitled "An Experience in Spiritual Growth", the retreat will be led by Dr. Rollin Russell and will deal with prayer, spiritual discipline, meditation, and worship. We encourage that our people attend this outstanding event which is open to all members of the church including ministers, laypersons, youth, and church council or consistory members.

Our Commission would like to suggest that every church have a copy of The Catalogue of Resources of The Office of Church Life and Leadership which lists all resource materials for leadership and growth, put out by The United Church of Christ. Free copies should be ordered from Church Leadership Resources, 1400 North 7th Street, Suite B, St. Louis, MO, 63106. Also, "trial texts" of a new United Church Book of Worship have been published. These can be borrowed from The Conference Office. They will not be published until 1984 or 1985.

The Eastern North Carolina Commission plans to hold more meetings in 1984 to meet the felt needs of The Association. It is open to any suggestions or ideas.

Respectfully submitted,
Mike Hooper

EXHIBIT #9
REPORT OF THE EVANGELISM COMMISSION

Evangelism/Church Growth is now being taken seriously by the United Church of Christ and the Southern Conference. Evangelism was the Focus at the

1983 Annual Ministers Conference in May and was picked as the first priority at the Annual Meeting of the Southern Conference.

We have had some difficulty in getting the ENC Evangelism Commission together this year. However, it will meet on November 8th and one of its tasks will be to establish suggested Growth Goals for each Church in the Association. It will then be our hope that each Congregation will set for itself a Growth Goal for 1984 that will be printed in the "Southern Conference News" early next year.

I want to remind you of the Evangelism and Membership Growth Resource Workbook. It can be purchased at the Association Meeting for \$12.00.

Respectfully submitted,
Charles Thompson, Coordinator

EXHIBIT #10
REPORT OF THE STEWARDSHIP COMMISSION
1983

The Commission understands its goal to be "to promote concepts and practices of Stewardship in the local congregations". While not limited to, it must include promotion of the involvement of local congregations in Our Christian World Mission.

To this end, the Commission has focused on several areas. We invite you to:

1. Request a visiting UCC missionary to "visit" your congregation.
2. Study and then use some of the printed aids. "Key Pak" could be the key for you. This practical tool is available twice a year and will guide you in month to month emphases. "Money for the Church's Ministries" is a basic resource of five booklets in biblical and theological bases of stewardship, developing a budget, involving the people, and training visitors.
3. Call upon the commission or our Association Minister for personal assistance.

The Commission observed with delight that our OCWM giving increased 9½ per cent from 1981 to 1982, an increase from \$106,062 to \$115,780. Seventy one of our 150 congregations increased their giving to OCWM. Letters of commendation were mailed to each of these congregations. If your congregation did not receive such a letter, we hope you will in 1984.

In cooperation with the other Associations of the Southern Conference, we began using a new formula and procedure for establishing OCWM goals. We believe this formula is simpler and clearer. It is:

1. That all congregations be asked to accept a minimum OCWM goal of \$10.00 per year, per member.
2. That congregations above that minimum be urged to increase their goal by 10 per cent of their OCWM contributions in the previous year.
3. That congregations be invited to accept the assigned goal, or to negotiate a different goal which reflects their challenge in stewardship practices.

The Commission remains optimistic that 1984 will be another year of increased faithfulness expressed in the tangible sharing of our substance. Members of the Commission are: Mrs. Della Beasley, Mrs. Miriam Falkner, Mr. Dan Kelley, Rev. John T. Kelly, Jr., Dr. Kenneth D. Register, Rev. George Hawkins, Mr. Mark Webbink, Rev. Charles Samuels.

11. The ENC Church and Ministry Commission uses "The Manual on the Ministry" as guidelines for those seeking Ministerial Standing. A free packet, information sheets and applications are available from the Associate Conference Minister for ENC to anyone who requests them.

12. The Commission has spent many hours taking a serious look at alternative routes for those seeking Ministerial Standing who cannot go the regular route. A separate sheet is available which shares our recommendations. However, we strongly urge all who can possibly do so, to go the regular required route of four years of college and three years of seminary. Churches are expecting far more of their ministers than in the past and for that reason, our ministers should prepare themselves to face this challenge.

13. The Commission is sponsoring an Orientation and Get Together for Licensed and In Care Ministers on Saturday, November 12, 1983, from 10:00 A. M. until 2:30 P. M. at Laodicea UCC, Raleigh, NC.

Attendance to this Gathering is required for In Care and Licensed Ministers. The Home Church or the Church being served is asked to share in the cost of transportation of persons attending this event.

14. The Commission is trying to provide more information materials on church polity and history of the UCC. In Care seekers will be asked to read certain materials on UCC polity and history prior to their first meeting with the Commission.

15. God has seen fit to call from this life to the life eternal the following Ministers:
 Clyde L. Fields 8/25/83
 Clyde O. Koon 1/26/83

**EXHIBIT #12
 REPORT OF THE ASSOCIATE CONFERENCE MINISTER
 EASTERN NORTH CAROLINA ASSOCIATION**

It is again, a privilege for me to submit to you, the ministers and churches of the Eastern North Carolina Association, my third Staff Report. This has been an interesting year, as you can expect.

I continue to see a renewed interest in the work of the Conference and Association. The Ministers and Churches of ENC are moving toward "oneness" in our Association. I see individuals and congregations more fully recognizing what it means to be a part of a Covenant Church; that is to say that persons are cooperating more fully with each other because they want to and not because they have to. I see people working more freely with each other as well as with the Conference.

I continue to be concerned about and spend a fair amount of my time dealing with Clergy and Church morale. It is important that we support our clergy through the compensation as well as support for the well being for the Ministers and their families. We must have strong clergy if we are to have strong churches. Church morale is also important. I am constantly helping churches sort out what they cannot do from what they are unwilling to do. I am happy to report that we have many strong clergy persons and churches even though a number of our churches are small in size.

Facts about the Minister for 1982:

Miles Driven	15,000
Car-pooled approximately	4,000

I plan trips so that wherever possible, I take care of more than one function on a trip. You have been very helpful and cooperative in making this possible.

Church Functions:

Worships, Installations, Ordinations, Pulpit Committees, Building, etc. . 85

Staff Functions:

Commissions, Boards, Task Forces, etc. 36

Formal Meetings:

Mainly individuals, Ministers about placement etc.

(Does not include persons who dropped in or talked informally) 40

Ministers Meetings:

Regular Meetings and Dinners 28

Conference Related Meetings 22

And now a personal note: Many of you are aware that Louise and I are expecting our fourth child in January. The birth of a child carries with it both times of joy and times of stress. I do need your prayers, understanding and support during the next few months.

I remain grateful for the opportunity to be a partner in Ministry with the Eastern North Carolina Association and the Southern Conference of the United Church of Christ.

Humbly submitted,
Ervin E. Milton

**Annual Meeting of the Western N. C. Association of the
Southern Conference, United Church of Christ**

WHEREAS the Western North Carolina Association establishes the standards and criteria to be used in evaluating candidates from this association seeking ordination to the Christian ministry;

AND RECOGNIZING that the association has the right and responsibility to rule on whether or not avowed practicing homosexuals may be recommended for ordination in this association;

AND FURTHER RECOGNIZING the many Biblical teachings against the practice of homosexual sexual relations (Cf. Genesis 19; Leviticus 18:22; 20:13; Judges 19:22-25; Romans 1:25-27; I Corinthians 6:9; I Timothy 1:9-10);

AND RECOGNIZING the prevailing tradition of the Church of Jesus Christ for nearly 2000 years:

BE IT RESOLVED that the Western North Carolina Association hereby publicly affirm the policy that avowed practicing homosexuals shall not be ordained to the Christian ministry in this association.

BE IT FURTHER RESOLVED that we do hereby reject any recommendation that the Western North Carolina Association deliberately place gays and lesbians on the Commission of Church and Ministry of this association.

BE IT FURTHER RESOLVED that all churches, all clergy, and all members of the Commission of Church and Ministry be informed and advised of this policy.

EXHIBIT #5
THE COMMISSION ON CHRISTIAN EDUCATION
WESTERN NORTH CAROLINA ASSOCIATION

The Commission on Christian Education of the Western North Carolina Association of the United Church of Christ met for its 1982-83 organizational meeting on Sunday, November 21, 1982 at First UCC, Salisbury with the following persons in attendance: Rev. Robert Myers, Rev. Kenneth Clapp, Mrs. Dot Carter, Rev. Larry Bolick and Rev. Richard Rinker, Southern Conference Minister of Christian Education.

The following action was taken:

1. To help sponsor a Seminar on Christian Education in the Small Church for WNC Association on Sunday, April 17.

2. To sponsor a series of Teaching/Learning the Bible Workshops on Biblical Characters in each program district.

3. To develop a communications network for Christian Education in the Association called Tell-Line for a key-lay-contact person in each local church.

4. Rev. Larry Bolick was elected facilitator and Mrs. Dot Carter, Secretary.

The Commission met again on January 12, 1983 at Mt. Zion UCC, China Grove. The Tell-Line Communications Network had been set in action with 50 churches participating. The responsibility of the key-lay-contact person is as follows:

1. to receive mailings on Christian Education Events

2. to see that prepared announcements on Christian Education Events are put in bulletins and newsletters of local churches

3. to identify, contact, and recruit lay-persons to participate in Christian Education Events

4. to seek funding for these events through the Board of Christian Education or church council to defray expenses for the participants to these events

5. to report back to the Commission on a response form the results of his or her efforts as the Tell-Line Contact Person

All mailings on Christian Education Events will be sent through the Southern Conference Office to all the Tell-Line Contact persons.

Teaching/Learning the Bible Workshops were set up by Coordinator, Rev. Jamie Fonville, Jr. as follows:

Leaders Training Workshop on April 17 at Second UCC, Lexington (attended by 22 persons)

District Workshops were held at First UCC, Salisbury (18 persons attending); Hebron UCC (18 persons); Corinth UCC (12 persons); Calvary UCC (6 persons); St. Matthews UCC; Grace Reformed UCC; Newton and First UCC, Lexington were cancelled due to poor attendance.

It was suggested that an all day workshop for key Christian Education Leaders in the local church be planned in the Fall of 1983 on the use of the Resource Centre of Southern Conference.

A concern was expressed about Christian Education on Mission—no action was taken.

A concern was expressed about the nominating process of Commission members. This will be looked into at the appropriate time.

A Calendar of Events for upcoming C. E. Events included:

1. North Carolina Council of Churches Youth Event on February 2, 1983 in Burlington.

2. Joint Educational Development CE:SA Workshop in Charlotte on February 11-12.

3. Southern Conference Youth Events on April 10 at Hickory and Lexington.

4. Seminar on Christian Education in the Small Church on April 17 at First Congregational, High Point (Cancelled due to low registration).

The Commission met a third time on May 5 at Hebron UCC, Winston-Salem with the following persons present: Bolick, Kimball, Seymour, and Rinker. The purpose of this meeting was to rewrite the responsibilities of the Commission for the revised constitution.

Other business included compiling a list of names for the Nominating Committee, developing a budget for 1983-84, a report on the Biblical Characters Workshops, and upcoming C. E. Events which were:

1. Youth Festirama at Elon College on July 8-10.

2. Fall JED Workshops on CE:SA in Greensboro and Asheville.

3. National Youth Event in 1984.

4. Resourcentre Workshop to be planned for this fall.

A possible theme for 1983-84 may be "Resourcing for Christian Education" with an emphasis on the Southern Conference Resourcentre, located at the new Conference office.

The Association Commission members were invited to meet with the Conference Commission on Saturday, June 18.

Some goals for 1983-84 would be to pursue the Resourcentre Workshops, to develop a Youth Ministry Task Force within the Association that represents each program district, thus responding to the Youth Priority concern expressed at both Southern Conference meeting in June and at General Synod meeting, to follow up on the Family Life Priority and to continue the Tell-Line Communications Network.

Our appreciation is expressed to all who have shared in the Christian Educational ministry of our Association through providing leadership, attending Association and Conference events, and working with the planning of this Commission.

Local churches can strengthen their local Christian Educational Ministries by 1) organizing a working Christian Education Committee; 2) undertaking a complete educational study; 3) developing teacher/leader training programs; 4) becoming aware of the resources available through Christian Education: Shared Approaches; 5) calling on our Conference Minister of Christian Education; and 6) learning to use the Southern Conference Resourcentre located in our Conference Office.

**EXHIBIT #6
RESOLUTION CONSIDERED BY THE
WESTERN NORTH CAROLINA ASSOCIATION
OF THE SOUTHERN CONFERENCE
UNITED CHURCH OF CHRIST
OCTOBER 22, 1983**

PEACE AND JUSTICE IN CENTRAL AMERICA

Whereas the problems facing Central America have existed for centuries and

consist of poverty, poor utilization of economic resources, unbalanced distribution of wealth, lack of access to land, education and health care and

Whereas the political interests of East and West in conflict with various warring factions within each country has brought the whole region to the brink of war and

Whereas the real needs of the people can only be met through economic and social justice in an atmosphere of peace;

Therefore be it resolved that the Western North Carolina Association of the United Church of Christ affirms the imperative of peaceful settlements of the disputes in the region including all local groups in the negotiations, that all foreign military personnel and equipment be removed from the region and that the churches of the Association strive to better understand the issues through study groups in their churches.

EXHIBIT #7
RESOLUTION CONSIDERED BY THE
WESTERN NORTH CAROLINA ASSOCIATION
OF THE SOUTHERN CONFERENCE
UNITED CHURCH OF CHRIST
OCTOBER 22, 1983

EQUAL TREATMENT FOR THOSE ACCUSED OF
DRIVING UNDER THE INFLUENCE OF ALCOHOL

Whereas the number of deaths and injuries due to accidents resulting from drunken drivers has shown a steady increase over the years and

Whereas the North Carolina legislature has passed laws to stiffen the penalty against those found driving while intoxicated and

Whereas the Western Conference UCC endorses the attempt to reduce the number of accidents resulting from this behavior;

Therefore be it resolved that the church, responding to the mandate for justice, advocates that assurance be made for equal application of these laws; and that statistics be collected and made public on a regular basis indicating the population groups prosecuted under these laws.

This resolution shall be forwarded to local law enforcement agencies by the delegates to this meeting, by the president of the association to the state Attorney General and with the expectation that the association Social Ministries Commission will report these facts at the 1984 annual meeting.

EXHIBIT #8
COMMISSION ON CHURCH LIFE AND LEADERSHIP
WESTERN NORTH CAROLINA ASSOCIATION

The Commission on Church Life and Leadership has been struggling to determine its destiny in the past several years. It has been going through the birthing and infancy process as it was being separated from the Church and Ministry Committee. Therefore, our work this past year was uncertain in many areas. However, here is the work that has taken place:

- provided for a personal growth opportunity for clergy and laity in Christian family life at Ursinus United Church of Christ, Rockwell, N. C. Approximately 20 people attended,
- helped sponsor an AGAPE course as an advanced course in Christian family life at Mt. Zion United Church of Christ, China Grove,
- approved the purchase of two Leader's Boxes to be on hand in the Association office in Salisbury so that churches may borrow to use them,
- supported the workshops in September in using the Leader's Box,
- reviewed and made suggestions to the Board of Directors for the Commission's section in the Western North Carolina Association's Constitution and By-Laws,

● the Commission continues to stand ready to cooperate with the Conference Commission; to assist congregations in church leadership development; cooperate with the Conference Black Church Development Commission; provide guidelines to churches and help with their church history programs; to work cooperatively with other commissions of the Association and Conference; to work to increase the participation of people throughout the church in witnessing effectively for Jesus Christ.

Respectively submitted,
Harold Holste, Chairperson

EXHIBIT #9
COMMISSION ON THE CHURCH AND MINISTRY
WESTERN NORTH CAROLINA ASSOCIATION

The Commission met 6 times during the past year spending more than 26 hours in discussions with students in care, persons seeking ministerial standing, policies concerning the task and many other matters. We are happy to report that we have a goodly number of persons who are students in care.

1. Ronald Price	Duke Divinity School	First, Asheboro
2. Julia O'Brien	Duke Divinity School	Mt. Zion, China Grove
3. Danny Harrell	Gordon-Colwell Seminary	Peace UCC, Greensboro
4. James Fogleman	Duke Divinity School	Apples Chapel, Gibsonville
5. Reginald Gardinar	N. C. Central	Beulah UCC, Liberty
6. Benjamin Whitlock	Livingston College	Tabernacle UCC, Winston-Salem
7. Clifton Moone, Jr.	Lancaster Theo. Seminary	Zion UCC, Lenoir
8. Robert Thompson	Columbia Bible College	First Cong.-UCC, Reidsville
9. Alexander Jamison	UNC-Chapel Hill	Mt. Calvary UCC, Durham

On the basis of need and funds available \$3,400 was granted in aid to these students for the academic year 1983-84. New policies were adopted in which the students will not repay the aid provided they complete their studies and serve in the UCC church for a period of 5 years.

Mr. Eric Disher who graduated from Duke Divinity School in May was ordained that same month in his home church, Second Reformed UCC in Lexington, N. C.

Dr. Harry Griffin, of First UCC in Charlotte was granted ministerial standing with privilege of call.

Rev. Scott Baker, associate pastor of First Cong. UCC in Reidsville, has been recommended to the Board to have privilege of call with the right to administer the sacraments under the guidance of Rev. Dan Jones. In one year he may apply for full standing.

The Commission studied closely its responsibilities and duties and made a description to be included in the revision of the Constitution and By-Laws. A letter was sent to every congregation concerning clergy compensation and benefits. It should be noted that our Southern Conference stands 38th among the 39 conferences in salary and benefits paid to the clergy. We are aware that congregations have their struggles and heavy demands upon the benevolent givings of their people. But next to the call of Our Christian World Mission nothing is more vital than to provide adequately for the minister whom you have called to be the leader of your congregation. We urge every church to—

- 1) annually review the job description and the benefits paid to your pastor(s).
- 2) give serious consideration to the minimum salary scale and benefits as outlined by the Southern Conference.
- 3) give a yearly increase to salary and benefits keeping in mind cost of living expenses, years of service and professional experience.

This will greatly help your pastor's morale and enable him/her to know that you appreciate the sacrificial service being rendered.

The Commission is also hearing the voice of several congregations and the concern voiced at General Synod dealing with "Clergy in Crisis Situations". In the year ahead the Commission will explore ways it can counsel and assist ministers

and their families who have need of help in mental and emotional problems. We shall work closely with the Commission on Church Life and Leadership in developing services, a counseling network and seminars that will help clergy and families through crisis situations. Clergy compensation and clergy morale need major attention by each local congregation and our association that we may have a pastoral leadership that is vibrant, full of zeal and able to give the churches their best leadership.

Great concern was expressed not only by members of the Commission but also by various ministers and lay persons from local congregations over the laxity of applying high standards for ministry. Much time was spent in discussing standards based upon the Manual for the Ministry and with the other association Church and Ministry Commissions. The commission would like to ask the association to endorse the following procedures for guidance of the Commission in carrying out its task and decision making. It is understood that the Manual on the Ministry from our Office for Church Life and Leadership will be the basis from which we work and have in addition the following procedures. We know that these are high standards, as well they should be for ministerial leadership.

The Commission on Church and Ministry has approved the following procedures and ask the association to approve them as well.

Student In Care of The Association

It is expected and required that any student desiring "In Care" status in the Western North Carolina Association shall fully acquaint himself/herself with all the requirements listed in "A Manual on the Ministry" prepared by the office for Church Life and Leadership of the United Church of Christ as listed on pages 24-27. Anyone desiring such approval by the Commission on Church and Ministry shall in no way or manner circumvent any of these necessary requirements. Any applicant who has not fully complied with these will be rejected by the Commission.

It is required of all "In Care" students that a yearly report of their progress with grade transcripts be presented to the Chairperson of the Commission no later than May 1 of each year. If there be requests for financial aid, these must be presented at the same date on which the progress report is submitted.

Periodically the Commission will hold meetings for the Commission members and for "In Care" students. If humanly possible, students are expected to be present.

The Licentiate and Licentiate With Privilege

Any full-time Christian worker granted the status of Licentiate shall be subject to the requirements clearly outlined in "A Manual on the Ministry" pages 28-31. Any radical deviation from these requirements, without prior approval, will result in the failure to receive this holy privilege, or, if already having been granted this status of licentiate, and failing to live up to high standards of performance, the status may at any time be revoked by the Commission on Church and Ministry.

The licentiate is expected to attend all meetings of the Western North Carolina Association and the Annual Meeting of the Southern Conference. If he/she has a valid excuse for not doing so, this must be presented in writing to the President of the Association or to the Secretary of the Southern Conference. Failure to comply with these directives may lead to revocation of licensure.

Each licentiate shall send to the Commission Chairperson a written report of his/her work for the past year no later than January 20. This achievement report is mandatory. If a licentiate should for a legitimate reason have his/her licensure revoked, notification should be made to him/her and their congregations, and this should be publicized in the Southern Conference News.

Privilege Of Call

Ministers of other denominations seeking full ordination privileges in the Western North Carolina Association shall be subject to all requirements found on pages 36-39 of "A Manual on the Ministry."

It shall be mandatory that he/she be under the supervision of a fully accredited

ordained minister of the Western North Carolina Association, and that this person meet regularly with his/her advisor to learn and keep informed as to the polity, practices, and procedures of the Association and the Southern Conference, and the General Synod of the United Church of Christ.

Attendance is expected at Association and Conference meetings, Ministerial Fellowships, and other area gatherings for the Privilege of Call minister. Failure to take part in such activities may jeopardize privilege status.

At the end of the year the Privilege of Call minister shall submit a written request to the chairperson of the Commission on Church and Ministry for the purpose of meeting with the Commission. Granting of full standing will in no case be automatic, but will be subject to the examination and satisfaction of the full commission.

During the year of privilege of call the candidate is expected to acquaint himself/herself with the Course of Study prepared by the Southern Conference with special emphasis on the history, polity, worship, "A Manual on the Ministry", and Constitution of the Western North Carolina Association and the Southern Conference, and the United Church of Christ.

If there be any doubt on the part of the Commission that the candidate has not fully met the requirements of those seeking Privilege of Call, he/she may be required to serve a second probationary year, or may be fully rejected.

Ministerial Standing

Ministerial standing in the Western North Carolina Association of the United Church of Christ should be looked upon as a cherished attainment by any person to whom it is granted. It should never be taken lightly, but prayerfully acknowledged as a solemn trust. The Commission endorses the guide lines as listed on pages 40-46 of "A Manual on the Ministry". It is understood that no minister will be granted 'Standing' without understanding and complying with all listed directives. On page 44 it is stated that the committee, now the Commission, is encouraged to review its roll annually and to stay in touch with all those who hold ministerial standing.

We recommend that every minister with standing be expected to attend annual Association and Southern Conference meetings. If in the event there is a legitimate excuse, it should be presented to the Association President or the Conference Secretary one week in advance of stated meetings. In case of funerals or other unforeseen meetings, proper notification should be sent immediately after the fact. Consistent failure to comply with this mandate could jeopardize standing in the Association.

Every minister granted standing in the Association should do everything within his/her power to advance the total program of the Association, Conference, and General Synod so that the cooperative effort might be enhanced and the joint Kingdom work and mission might have a greater impact. Individual work is good and needed, but cooperative ventures are imperative for the larger body of Christ's ongoing mission.

Each pastor holding standing in Western North Carolina Association should yearly avail himself/herself of opportunities for continuing education, and heed the admonition of the Apostle Paul when he said, "Do your best to present yourself to God as one approved, a workman who has no need to be ashamed, rightly handling the word of truth."

If in the event a congregation on its own calls a minister without the guidance of the Associate Conference Minister of the Association, and that minister be from another denomination, that individual shall not be granted automatic standing in the Western North Carolina Association. If in time this person desires standing or any recognition in the association, he/she must make a request through the Commission Chairperson for consideration. Standing in no case shall be granted until this candidate has fulfilled prescribed educational standards as set by the Commission, and has demonstrated that he/she desires to become a bona fide UCC pastor forsaking previous allegiances of church affiliation. This

must be demonstrated over a two year period, at least. Without standing he/she shall have no voice nor vote in meetings of any of our judicatories.

If a minister strongly deviates from the norm as stated in the manual of what is generally expected of clergy in the UCC he/she, in Christian love, should be reprimanded by the Associate and Conference Ministers. If he/she persists, proper sanctions should be exercised.

In studying the requirements of the several phases of the Christian ministry on the foregoing we believe that the rules for a stronger, more cohesive ministry are well delineated in "A Manual on the Ministry". It would seem that in most cases the point at which there is breakdown is due to the lack of authority and proper supervision. It is recommended that the Associate Conference Minister and the Commission once a year review the status of all persons "In Care", "Privilege of Call", and those who have "Ministerial Standing" in the Association. If disciplinary action seems necessary, it should be implemented by the Associate Conference Minister and the Chairperson of the Commission with the knowledge of the Conference Minister of the Southern Conference.

We recommend that the Commission on Church and Ministry of the Western North Carolina Association determine what books and pamphlets must be studied by Privilege of Call candidates and those seeking standing from outside the UCC and that several sets of this course of study be placed in the Associate Conference Minister's Office for use of new ministers in the above categories. It is expected that new candidates digest these within the first six months of his/her period of service and then return them to the office. Such items as constitutions, etc. should be given to the candidates, and they are urged to purchase the other books for their permanent libraries.

We recommend that a simplified system be drawn up by the Commission of the requirements for each category of ministry as set forth in "A Manual on the Ministry" for distribution to any candidate in any category whereby we receive new leaders, and that these be made available for their study before meeting with the Commission.

Our work is not completed. We realize that these procedures and policies are not all that need to be considered. During the coming year we will be discussing matters that need attention and we would like to hear from ministers and lay persons about their concerns. It should be noted that the Church and Ministry commissions of Eastern N. C. and Eastern Va. are meeting with us about our common concerns to find ways that will enable us to be more uniform in our dealing with matters of ministerial standing and the like across the Southern Conference. It is hoped by another year we can clearly define and implement standards that will give our congregations excellent leadership, will meet the needs of our pastors, and will give us the kind of standards that are based strongly on the Biblical guidelines as stated in the New Testament.

Respectfully submitted,
G. Harold Myers, Chairperson
and Members of the Church and
Ministry Commission, Western
N. C. Association

EXHIBIT #10
REPORT OF THE STEWARDSHIP COMMISSION
TO THE ANNUAL MEETING OF
WESTERN NORTH CAROLINA ASSOCIATION
SOUTHERN CONFERENCE
UNITED CHURCH OF CHRIST

Along with other Commissions of the Association and the Board of Directors, we met on November 21, 1982, at First United Church of Christ in Salisbury, NC. Rev. Wm. C. Smith, Jr. was re-elected to chair the Commission, and Mr. Eugene

Earnhardt was elected secretary. Also attending were Mr. Herbert Fleming, Ms. Lacy Rankin, and Rev. Nelson Weller. The Commission reviewed the work and achievements of the previous year, and then discussed goals for the upcoming one. A goal of a 10% increase of OCWM giving was adopted, and we are pleased to note that, as of the meeting of the Southern Conference, WNC has exceeded this goal. We gave in that period \$7,064, or 10.9% more than in the comparable period of 1982.

Members accepted and followed through on the responsibility of checking with churches which had not contributed by December, and some positive results were achieved.

Suggestions have been made to the committee studying and updating the WNC Association Constitution about streamlining the job description of the Commission.

Your Commission chairperson is a member ex-officio of the Conference Commission and has attended its meetings. He has worked on the sub-committee which has planned and carried out workshops in three churches in our Associations: Emmanuel, Greensboro; Mt. Zion, China Grove; and Trinity, Conover. Well-planned, fast-paced presentations were received with appreciation by those in attendance. Forty-two (42) churches were represented by the eighty-nine (89) individuals attending these meetings.

Proposed OCWM goals for 1984 have been prepared for publication in the **Southern Conference News**. These will be "real" goals when adopted by the churches. Congregations are urged to increase 1984 giving by 12% over 1983 or, at least, to give \$10.00 for each member reported.

Respectfully submitted,
William C. Smith, Jr.

EXHIBIT #11 EVANGELISM COMMISSION WESTERN NORTH CAROLINA ASSOCIATION

The Commission on Evangelism for the Western North Carolina Association has met two times since the meeting of the Association in 1982. There was also an Evangelism Planning Session held at First Church, Salisbury, on August 16 to plan the Church Growth Workshops.

Evangelism and Church Growth Workshops were held on October 1 in each of the five program districts of the Association. Attendance was not very large at any of these workshops. A total of only about 65 persons attended the five workshops. We are grateful to the following persons who hosted and led the workshops:

Catawba District—The Rev. Steve Disher Host and Leader.

Davidson District—The Rev. Lee Jessup, Leader and Dr. Billy Joe Leonard, Host Pastor.

Rowan District—The Rev. Lloyd Pendergraft, Leader and Dr. G. Harold Myers, Host Pastor.

Randolph District—The Rev. Bobby R. Bonds, Leader and the Rev. Earl Roberts, Host Pastor.

Guilford District—The Rev. Raymond Craven, Leader and the Rev. Dr. Melvin Palmer, Host Pastor.

CHURCH GROWTH GOALS—The Evangelism Commission of the Southern Conference has asked each Association Commission to set numerical goals for Church Growth for each local congregation. Each congregation is asked to adopt a membership growth goal as an indication of its commitment to a program of witness for Christ in our world. It believes that our calling as Christians includes the call to carry the message of God's grace in Jesus Christ to all in the communities in which we are located.

The 1982 Statistical Tables for the Churches of Southern Conference indicate the following churches of the Western North Carolina Association:

44 Congregations had a net loss of members—losing 236 members

8 Congregations maintained the same membership
44 Congregations had a net gain of members—gaining 312 members
20 Congregations sent in no Statistical Reports.

In 1982 the Western N. C. Association had a net gain of 76 members in 116 active congregations.

The Conference Commission is asking as a minimum goal for each church to accept for itself be determined by using their 1982 statistics and add together the number of members added by "transfer" and "Members added by confession of faith" and multiply by 150%. The minimum goal of every congregation should be to gain at least 1 new member in 1984. (A net gain of at LEAST ONE.)

The Commission urges that each local congregation have a local Commission (or Committee) on Evangelism. It also urges each local congregation to purchase the white notebook, entitled "Evangelism and Membership Growth Resources" from the Division of Evangelism and Church Extension.

Evangelism is a Priority of our Western N. C. Association. Each congregation is urged to make Evangelism a priority in it's local program for 1984. Call us if we can assist you with this priority.

Chairperson for 1983

REPORT OF TASK FORCE ON
WOMEN IN CHURCH AND SOCIETY
1983

The Task Force on Women in Church and Society continues to try to bring before our people the many issues facing us today insofar as the role of women is concerned. We have reassessed our priorities for our Task Force and are trying to see that women have the opportunity to serve in leadership roles; to encourage women to go into the ministry and to support those who are in the ministry now; to encourage each church to invite a woman to preach at least once a year; to provide resources to the Association and local churches; to work for use of inclusive language by all; to provide community and support for all—plus many other vital issues.

New members have joined the Task Force, and look forward and are appreciative of the opportunity to have the Reverend Ruth Minter working with us for the next few months. We feel the Southern Conference is fortunate to be a part of this special program with our Intern.

EXHIBIT #13
ANNUAL REPORT FOR CHURCH WOMEN
WESTERN NORTH CAROLINA ASSOCIATION
1983

The first really exciting thing our women were involved in was the visit from Mary Elias, a missionary from Sri Lanka (Ceylon), who was in our association for almost a month visiting churches and institutions of the UCC. She brought new insights into the role of women in the Third World. Her experiences as a teacher and a Christian in a nation that is non-Christian were very enlightening.

Then in October the leaders of women's groups met for a training session at Crumpton Center near Roxboro with the women of Eastern North Carolina and Virginia. This was an overnight meeting and was well attended by our women.

TO BE IN MISSION was the theme of this meeting and was also theme for the monthly meetings of church women this whole year. Most of our women use the materials in the packets prepared by the Office for Church Life and Leadership. We would urge other church groups to check into this packet of materials for it has a wealth of material for use throughout the entire church. It is a shame that more groups within out churches do not use this good program material.

In the spring of 1983 the plans were formulated for our Annual Summer Conference which used the new theme "Who Do You Say That I Am?" By using the many talents within our own conference, we had a simply marvelous conference at Elon College in June. For the first time in our history we had a display of the artistic works of our women from paintings, quilts, ceramics, to photography and needlework of all kinds. We honored women who had received Life Memberships and remembered many of those who had served and gone on to their reward. We had workshops on Family Life, Peace, Stress, Women's Issues, Communication, Conversations with Dr. Russell, Mission Themes, Women in the Bible, General Synod Concerns and Worship and Program Resources. Our project was to collect clothing for men, women and children of central Africa and money to send it to Ken and Judy Hollingsworth. There were two rooms full of clothing and over \$800 given.

During the late summer Districts held workshops to provide information on programming, and in mid-September we met for our Fall Enrichment at Mt. Hope UCC in Salisbury for inspiration. We look forward to a Regional Meeting at Monteagle, Tenn. in mid-October.

CHURCH WOMEN OF SOUTHERN CONFERENCE
UNITED CHURCH OF CHRIST
ANNUAL BUSINESS MEETING

Sunday Evening, June 17, 1984 at Catawba College

The meeting of the Executive Board was called to order at 7:15 p.m. in North Hall Dormitory by President Julia Anne Williams, who presided over the meeting. It was announced that registration started at 6:00 p. m. and would go on until 9:00 p. m. here at North Hall Dorm.

After getting registered, we got right down to business. The Minutes of the November Executive Board Meeting were discussed. Vera pointed out that there was one correction to be made concerning the giving of Scholarships on page 3 of the Minutes. The change should read "Vera reported that a \$300.00 scholarship had not been used, also \$150.00 (½ year scholarship) had been returned. After discussion, it was voted to carry over these funds until the next year, provided there would be seniors who could be given these scholarships, making it certain that the number of scholarships would not exceed the limit the following year. This decision is to be added to the Scholarship Guidelines." The Secretary recognized the misspelling of plow shears. After the corrections were made, it was moved that the printed Minutes be accepted. Motion carried.

Nancy Perkins, Treasurer, made her report and urged churches to please send all monies to the proper places in order that they may receive the proper credit for which the money is intended. She passed out the Budget for discussion or correction. The Budget was approved. Nancy reported one outstanding bill for printing and Working Rules for Church Women Summer Conference. The bill is for \$489.00.

A motion was made that we use funds from Church Women of the Southern Conference to pay this bill and if there are funds left over after Summer Conference, this money will come back to the Treasury. Motion carried.

The Working Rules Committee reported that there was a need for more Working Rules to be given to prospective officers and chairpersons in our November executive meeting. A motion was made and carried that the Working Rules Books be ordered. The Working Rules were ordered, and here in time for Summer Conference packages.

Scholarship—Vera stated that there is a need for the Guidelines to be reworked for scholarships, especially when there are more applicants than we can take in. With the present Guidelines it is difficult to determine need. The committee is to study and propose changes and present them later.

A motion was made that we add to the active scholarship so that we can give 7 scholarships plus the 5 renewals this year. The motion carried.

Summer Conference Report—Faye Humphrey

We have received 12 Memorials to date and 45 or 46 Life Memberships.

President Julia Anne Williams said she had one more with her to add to the list. Faye explained the procedure for presenting Memorials.

The recipients will remain standing at their seats and Memorials will be carried to them.

The proceeds from Tuesday's collection for Dr. Lester's birthday will go to the Emily Lester Scholarship Fund.

Faye said that she had been receiving so many wonderful responses. Many persons are becoming absorbed in the resource materials and about the possibility of an expanded Summer Conference on Sunday evening to include a more structured evening.

People commented that they would like to get registered and get their packets, go to their rooms and start to unwind. They would like to have time to look over their materials. Those persons traveling long distances feel that a more relaxed evening is better for them. It was thought that the structured programs could be planned and made optional.

Faye continued by saying the Leadership Training will start at 10:00 a. m. instead of 10:30. Information concerning additional cost for Sunday night lodging and Monday's breakfast—persons spending Sunday night in North Hall Dorm will be charged an extra \$8.00 for lodging, and \$2.25 for breakfast on Monday morning, which is optional. Registration will continue in North Dorm Monday. On Tuesday, registration will be held in the lobby of Hedrick Little Theater.

Tuesday will be Recognition Day from 3:30 p. m. until 4:00. The Bookstore's Cokesbury books and materials, Servv materials, and packets will be housed and sold in Crystal Lounge. All ladies are encouraged to stay or come back to Communion Celebration Service held on Wednesday morning. Communion Service will be in Crystal Lounge.

The president expressed to Rev. Ruth Minter how much we will miss her. She wished her well wherever she will be going. She said Ruth has been an inspiration to all of us. She tells us all the nice things to do; she gives suggestions and support. Thanks, Ruth, from all of us.

The Installation Service will be held after the Communion Service.

Some suggestions for identifying where people are located, in rooms were: (1) make a chart listing room numbers; (2) make a card with names and put them on the door.

Recognition of the Alcorns, retired Western N. C. Associate Conference Minister, and Mrs. Alcorn. Carol Diehl will be in charge of this ceremony. Susie Keele is pleading with us to be together and give our support to the Women's Task Force.

The bus will be running to Milwaukee, so get aboard. Faye told us that Working Rules will be found in our packets this year. Doris Yeattes was not able to attend this conference. We miss her.

The slate of officers for the next two years was unanimously adopted. The president gave a message after being elected.

Faye Humphrey represented the Southern Region of the United Church of Christ along with Joyce Myers from the office for Church Life and Leadership. This workshop was held in April 1984 at the Marydale Retreat Center in Erlanger, Kentucky. Faye will share this with the Wo-

men of Southern Conference this fall at our Leadership Training. This report will be found on page 42 in the "Sent In The Spirit" Report Book.

Task Force on Women in Church and Society—Susie S. Keele.

The Committee on Women Broken in Body, Spirit, and Mind said that our Task Force throughout our conference has been energetically, tenaciously and prayerfully trying to plead the cause of our poor and needy sisters. Members of this committee are: Susie Keele, Eastern VA; Dorothy Ballinger, Western NC; Bonita Hooper, Eastern NC; and Eunice Moore. This report is in the "Sent In The Spirit" Report Book, page 43.

UCC Fellowship of The Arts—Martha Fairbank

Martha is very excited about having our 2nd Annual Art Show. She states that she senses an increasing interest in the arts and a willingness to find in them doors of understanding and insight in our faithful quest. She is encouraging membership in the UCC Fellowship of the Arts even though you may not be an artist yourself. See report on page 44.

CHURCH WOMEN OF SOUTHERN CONFERENCE

UNITED CHURCH OF CHRIST

ANNUAL BUSINESS MEETING

Monday Afternoon, June 18, 1984

President Julia Anne Williams called the Eighteenth Annual Meeting of the Church Women of the Southern Conference to order at 3:45 p.m. in the Hedrick Little Theater on the campus of Catawba College, June 18, 1984.

She made her introductory remarks. In her remarks she brought to mind past themes, past summer conferences, evoking rich experiences and made us aware of the 1984-85 Theme: "Sent In The Spirit," and ended by saying "May our time together this week bring you fellowship and inspiration unknown before."

Praise to God and Prayer for Guidance was offered by the Rev. Josephine Squires.

SECRETARY'S ANNUAL REPORT

It has been my pleasure to serve the Church Women of Southern Conference for some time. For four years each conference seems to be getting better and better. It has been my pleasure to serve four years under the beautiful leadership of two presidents, Nora Norred and Julia Anne Williams, as Secretary for Church Women of Southern Conference. Alternating between Elon and Catawba College has become a way of life for me. This experience has taught me that women of Southern Conference are able and capable of planning and carrying out any task put before them; we have the real timber and expertise in our ranks that can get the job done well.

I have indeed been mentally, spiritually and emotionally enriched and blessed to have been a part of the Church Women of Southern Conference. My relationship with the Conference has provided many experiences, shared with so many people. I have been able to attend the leadership training workshops at Crumpton Center; Fall Enrichment Association Meetings; Workshops for Family Cluster at Elon College; and represented Women of Southern Conference at the Family Life Priorities Retreat at Franklinton Center. I attended the Regional Meeting of UCC Women at Dubois Conference Center, Monteagle, Tenn., October 14-16, 1983—focusing on "Women of the Word, Pilgrims Still." Here a great excitement for us was the visit from Mary Elias, a missionary from Sri Lanka, who was in our Conference for a month. Doris Yeattes scheduled her for Western Association for an informal chat with us here—this was most enjoyable as well as informative.

I want to thank Marion Sperry for asking me to help in the communion activity at Crumpton Center while she served as chairman of the planning team—1981. I also want to thank Joyce Myers for asking me to participate in reading the Litany at an evening worship at Monteagle Regional Conference. The high light at this conference was to meet two Angolan lady friends of Joyce Myers.

I served as Chairperson of the History Room at Elon College from Women of the Southern Conference. I served two years as District Representative for North Carolina's Randolph and Guilford district and Secretary of the Western Association under leadership of Doris Yeattes.

I am committed to church work and would like to serve wherever there is a need for me on the Conference level. I have been sent in the Spirit to go out and do God's will.

Henrietta Hargrove, Secretary
Women of Southern Conference

I am sorry that this report was not included in the Report Book of Church Women of Southern Conference. Due to circumstances beyond my control, it must have been misplaced.

Treasurer Vernon Lewis presented the proposed budget for 1986.

Vote 16: That the proposed amendment to the 1986 budget as presented and recommended by the Church Life and Leadership Commission and the Stewardship Committee be adopted.

The Amendment:

1. That projected OCWM giving be increased to \$543,330.00. That would represent an additional 2 percent increase over the projected income for 1985, an 8 per cent rather than a 6 percent increase. We are confident that our Five Year Stewardship Plan will begin to have effective results in 1986 and that this increase is reasonable. That would make the total available for the budget \$571,030.00.
2. That Line 24, Church Life and Leadership be increased by \$3,000.00 to \$6,200.00. The additional funds will be used to establish a a Clergy/Clergy family counselling service in which the Conference will pay a portion of the fees for our clergy and their families at certified counselling services. This is a program that has been developed over the last year by a special Clergy Support Task Force of the Church Life and Leadership Commission.
3. That Line 26, Stewardship, be increased by \$1,500.00 to \$7,500.00. The original increase to the Stewardship Commission was recommended to fund the Five Year Stewardship Plan. This additional amount is necessary to increase the number of Stewardship Associates from three to four.
4. That Line 32, Special Program Fund, be increased by \$2,500.00 to \$7,650.00. This will provide the Southern Conference share of a program jointly funded with the Pension Boards. It is a Wellness Program for clergy and families in which participants will work with

health professionals to improve their health, reduce health care costs, and improve their professional effectiveness.

5. That the total for Category III, Program be increased to \$57,950.00 to reflect these amendments.

6. That the grand total be increased to \$570,968.00 to reflect these amendments, a figure that is in balance with anticipated income.

Vote 17: That the budget for 1986 be adopted with the amended changes.

Vice-President Moore called the meeting to order.

Vote 19: That the Resolution on Apartheid in South Africa submitted by the Southern Conference Task Force on the Peace Priority be adopted.

Whereas, sacred scripture teaches that all persons are created in the image of God; and,

Whereas, South Africa claims to be a Christian nation; and,

Whereas, the government of South Africa has consistently denied the black majority their God-given right to determine their own destiny; and,

Whereas, policies of apartheid are antithetical to the Christian concept of community; and,

Whereas, the Dutch Reformed Church in South Africa, in supporting apartheid, has alienated itself from the worldwide Reformed communion; and,

Whereas, the United Congregational Church of South Africa, with which the United Church of Christ has a historic covenant, has consistently opposed policies of apartheid; and,

Whereas, both our religious and national heritages affirm the equality of all peoples; and,

Whereas, we confess that our own national history is shamefully tainted with the sin of racism and that racism is still an integral part of our own nation; and,

Whereas, our hearts are pained by racism and violence wherever it occurs; and,

Whereas, the United States government's current policies toward South Africa are obviously inadequate to encourage the immediate dismantling of apartheid; and,

Whereas, we believe that peace is always served by justice;

Therefore, be it resolved that the Southern Conference of the United Church of Christ calls upon the President of the United States of America to support and insist upon implementation of the following bills: S 995, passed in the Senate on June 4, 1985, and HR 1460 (Anti-Apartheid Act) passed by the House of Representatives on June 5, 1985.

Be it further resolved that the Southern Conference of the United Church of Christ encourage its members and its churches to examine and study in light of Christian faith the current situation in South Africa, and to cease buying South African gold and diamonds; and that indiv-

iduals, local churches, Associations and the Southern Conference be called upon to divest and withdraw all financial resources from all corporations doing business with South Africa.

Be it further resolved that the Southern Conference of the United Church of Christ endorse and support the full divestment and call upon the 15th General Synod of the United Church of Christ to adopt the proposed pronouncement of full divestment from all corporations doing business with South Africa.

Be it further resolved that the Southern Conference of the United of Christ designate and celebrate a day of prayer for the government and for all the people of South Africa toward the end that repentance and redemption might be revealed through the healing love of the Lord Jesus Christ in that nation and in all nations of God's world, and

Be it further resolved that such a day of prayer be accomplished, if possible in union with the United Congregational Church of South Africa and the Dutch Reformed Church in South Africa in fervent and prayerful hope that indeed, in Christ, we "may all be one."

Be it further resolved that, building upon the historical relationship between the United Church of Christ and the United Congregational Churches of South Africa, the Southern Conference will attempt to initiate a current relationship between our two communions; and

Be it further resolved that this resolution be communicated to the South African Embassy.

Vote 20: That the resolution on Land Stewardship be adopted as printed.

RESOLUTION ON LAND STEWARDSHIP

Whereas, the Southern Conference of the United Church of Christ is concerned about our actions as a society pertaining to the stewardship of God's creation;

Whereas, North Carolina has been chosen as a priority state for the storage of high-level nuclear waste under the findings of the United States Nuclear Repository Act of 1982;

Whereas, the underground, mined storage of high-level nuclear waste has not been adequately tested, demonstrated, or explained to be environmentally suitable; and

Whereas, there are many unanswered questions as to the safety of storing nuclear wastes, in general;

NOW, THEREFORE, BE IT RESOLVED THAT, the Southern Conference of the United Church of Christ recommends to the North Carolina General Assembly and the Governor that the following actions be taken:

1. Establish a Legislative Committee to study the implications of the implementation proposals of the Nuclear Repository Act of 1982;
2. Form a Citizens' Task Force to act as a technical and policy advisory committee to assist in keeping the General Assembly informed; and,

3. Direct the Department of Natural Resources and Community Development to monitor, on a continuing basis, the Crystalline Repository Project in which North Carolina is a highly potential candidate for designation.

Vote 21: That the resolution presented by the Southern Conference Women as amended be adopted.

Whereas, Pastors, counselors, social agencies, and law enforcement officials are seeing families broken and lives adversely affected, as well as persons of both sexes and of all ages victimized by Pornography and Obscenity; and,

Whereas, Pornography, 'Kiddie porn', and materials depicting excessive violence and murder, combined with sexual content, are part of a growing six billion dollar industry controlled largely by Organized Crime; and,

Whereas, The Supreme Court of the United States in 1973 established basic guidelines for determining what is obscene; and,

Whereas, The Supreme Court of the United States has traditionally held that obscenity is not protected by the First Amendment to the Constitution and that Obscenity is not protected expression; and,

Whereas, There are existing Federal and State laws to stem the rampant flow of obscene materials and to control their availability;

Therefore, be it resolved, that the Southern Conference calls upon the Conference Minister of the Southern Conference of the United Church of Christ, to notify the President of the United States, the governors of North Carolina and Virginia and their respective legislatures that it is the desire of the Southern Conference of the United Church of Christ to have the laws related to obscenity enforced by the U. S. Attorney General, the U. S. Postal Service, the Commerce Department, the Customs Department, and all other appropriate federal, state, and local enforcement agencies; and

Furthermore, that the Southern Conference encourages every member of the United Church of Christ to: a) develop an awareness of the depth of this problem and its implications; b) take an active supportive role in one of the many organizations working to establish the enforcement of current laws and, c) call upon our churches to minister to those who have become victims and those who have become victimizers under the influence of pornography and sexual abuse, affirming the Love of God, and the New Life that can be found in Jesus Christ.

Vote 22: That the resolution on Youth Priority as presented by the Southern Conference National Youth Event Participants be adopted.

RESOLUTION ON YOUTH PRIORITY

Whereas, the 1983 General Synod voted Youth and Young Adults as a priority; and,

Whereas, 59 youth and youth advisors represented the Southern Conference at the National Youth Event which served as a catalyst for prioritizing youth; and,

Whereas, the youth are the church of today and will form the foundation for tomorrow; and,
Whereas, a crisis in values has led to youth problems of epidemic proportions such as drug and alcohol abuse and suicide; and,
Whereas, the Youth Ministries' Survey of the Task Force on Youth from the Commission for Christian Education revealed that there is a lack of youth ministry support at the local level with some churches having no youth or adult advisors; and,
Whereas, youth provide an underutilized source of leadership and influence within and outside the church;

Therefore, be it resolved that the Southern Conference of the United Church of Christ encourages its members and its churches to:

- a) initiate, examine and evaluate youth ministries in the local churches; and,
- b) challenge youth and young adults in leadership roles at the district, association and conference levels through commissions and task forces.

Vote 23: That the resolution on Stewardship and Mission as presented by the Stewardship Commission be adopted.

RESOLUTION

Obedient To Christ Through Stewardship and Mission

Whereas, obedience to Christ requires a life of disciplined Stewardship of all that we are and have, and,
Whereas, obedience to Christ requires the church and every member to be engaged in God's mission of love, mercy and witness to the whole world, and,
Whereas, the Southern Conference of the United Church of Christ knows itself called of God to disciplined stewardship and vigorous mission, and,
Whereas, the Stewardship Commission of the Southern Conference has developed a Five Year Plan for Stewardship development and mission interpretation in cooperation with the Stewardship Council of the United Church of Christ.

Therefore be it resolved that the Southern Conference, in this Twentieth Annual Meeting, endorse the Five Year Plan outlined by the Stewardship Commission, and,

Be it further resolved that each congregation be challenged to participate fully in this effort by appointing a gifted leader to be its Stewardship representative and report this to the Conference Office, and,

Be it further resolved that the Southern Conference commit itself to lead the churches toward ever deeper levels stewardship discipline and mission outreach, and make this a programmatic priority through 1987.

(Attached as a part of these minutes is the Five Year Plan as presented by the Stewardship Commission).

Vote 24: That the Report of the Task Force on Ministerial Standards be adopted.

RESOLUTION ON MINISTERIAL STANDARDS

BE IT RESOLVED THAT:

1. The Southern Conference affirms the right of all to seek full ordination in the United Church of Christ; that the preferred route to full ordination requires four years of undergraduate education and three years of seminary education resulting in a Master of Divinity degree or its equivalent; the United Church of Christ and the Associations of the Southern Conference also provide an alternate route to full ordination for those who cannot reasonably be expected to attain the preferred standard.
2. The Southern Conference affirms that the Conference, its Associations and churches, as well as the appropriate instrumentalities of the United Church of Christ are obligated to support and enable candidates for ordination in the pursuit of the goal.
3. The Southern Conference affirms that the Conference, its Associations, and the appropriate instrumentalities of the United Church of Christ are obligated to assist in the development of congregations to the end that they may support a fully trained, ordained ministry.
4. The Southern Conference recommends that the standards for an alternate route to full ordination be enacted by the Associations as follows:
 - A. By special approval of the Church and Ministry Commission of the Association a person who cannot reasonably be expected to attain the preferred route to ordination may seek ordination by the alternate route.
 - B. He or she will have a high school diploma or its equivalent.
 - C. A course of study on the United Church of Christ, both local and national, will be designed, including:
 - Auditing or completing all work for a UCC Polity course at college or seminary, or
 - Completing a Commission sponsored course of study or approved independent study of the UCC under supervision.
 - D. An approved course of study which includes Bible, theology, homiletics, church administration, pastoral counseling, church history and Christian Education.
 - This course of study could be pursued on a part-time or special student basis at a college, Bible Institute, community college or divinity school, as approved by the Commission.
 - E. The candidate will demonstrate competency in public speaking, communication, leadership and other basic skills through completion of academic courses or by other means as approved by the Commission.
 - F. Sufficient years, a minimum of three, (3), of preaching and pastoral experience in the United Church of Christ will be re-

quired. In the case of a person from another denomination who seeks ordination in the UCC, the length of service prior to ordination will be no less than that required of UCC candidates.

- G. These criteria having been attained, the candidate will then fulfill all the remaining requirements for ordination, as spelled out in the Manual on the Ministry. This includes the preparation of an ordination paper and examination by the Commission.
5. The Southern Conference, its Associations and Churches, and the appropriate instrumentalities of the UCC commit themselves to a program of scholarship support for those preparing themselves for ministry, and to a program of church development among churches who have the potential to support a fully trained and ordained ministry. And, in pursuit of this commitment:
- A. The United Church Board for Homeland Ministries will join with the Southern Conference in funding specific church development projects which will bring congregations to the support of full time ministry, and will also assist candidates in the preparation for ministry.
 - B. The Office for Church Life and Leadership will join with the Southern Conference in a broad program of lay and clergy leadership development, especially focusing on the unique needs of the Black Churches.
 - C. The Commission for Racial Justice will join with the Southern Conference in their mutual continuing work of local church development.
 - D. The Southern Conference will develop a greater ability to provide scholarship assistance, and support development projects.
 - E. The Black Church Development Commission will coordinate this comprehensive effort in close working partnership with our national instrumentalities.
6. The Task Force on Ministerial Standards is dismissed with Thanks.
Vote 25: That the Resolution on Nominations be tabled.

President Beasley announced that the Resolution on Nominations would be referred to the Board of Directors for further consideration.

Vote 26: That the resolution on aging as presented by the Executive Board of the First Congregational United Church of Christ, Asheville, N. C., be adopted.

RESOLUTION ON AGING

Whereas, most of our congregations are made up of an ever larger percentage of people over 55 years of age, and

Whereas, projections indicate that the aging population in the United States will continue to increase at greater rates until the year 2030, and

Whereas, our faith is not static, but grows with our life experience, and
Whereas, the Church as the Body of Christ must minister in a vital, helpful way to all its members and involve each one in service, and

Whereas, We already maintain special ministries for children, youth, and young adults, and

Whereas, our members and friends who are over 55 have continuing spiritual needs and have skills, time, and wisdom that are often overlooked and unused,

We therefore petition the Southern Conference of the United Church of Christ to address the issue of how to develop an ongoing ministry to the well, the endangered and the frail elderly in our churches and communities by

Naming a Task Force to study and recommend action and programs to the Conference and to individual churches.

Vote 27: That the resolution on Aid to Families with Dependent Children in North Carolina as presented from the Western North Carolina Association Social Ministries Commission be adopted.

RESOLUTION ON AID TO FAMILIES WITH DEPENDENT CHILDREN IN NORTH CAROLINA

Whereas, the Gospel calls the church to address both issues of charity and issues of justice; and,

Whereas, how the state of North Carolina spends tax funds is an issue of justice; and,

Whereas, the state of North Carolina ranks 43rd out of 50 in payments to families (mothers and children) on Aid to Families with Dependent Children; and,

Whereas, this program affects 139,000 children in North Carolina; and,

Whereas, the value of AFDC and Food Stamps received by families is less than 50% of the poverty line, a temporary emergency budget; and,

Whereas, the increase in AFDC payments by 10% last year was the first increase in 5 years; and,

Whereas, the average family in North Carolina on AFDC is a mother and two children, receiving \$220 per month for all living costs;

BE IT RESOLVED THAT

1. The Southern Conference communicate to all North Carolina state Representatives and Senators, and the Governor, support for the initially recommended 10% increase in AFDC; and,
2. All churches in the Conference be encouraged to study the issue of AFDC payment levels and advocate in their own communities for the poorest of our citizens.

Vote 28: That the resolution of thanks as presented by the Conference Minister be adopted.

Be it resolved that the Southern Conference expresses its sincere appreciation to the administration and staff of Catawba College for their gracious hospitality in hosting this 20th annual meeting, and

Be it further resolved that we express our deep gratitude to Rev. Richard Cheek, Associate Conference Minister of the Western North Carolina Association, to Mrs. Jo Carpenter, secretary of the Western North Carolina Association office, and all the volunteers from the churches of the Western North Carolina Association whose tireless efforts have made this such a splendid annual meeting, and

Be it further resolved that we express our thanks to the Planning Committee, to Dr. Peter Schmiechen, to Dr. Elizabeth Nordbeck and to all our staff and volunteers who contributed so much to making this meeting a success.

Vote 29: that a vote of appreciation be extended to Rev. Yvonne Beasley for her splendid service to the Southern Conference as President.

The Southern Conference session closed with worship in the Catawba Chapel and the installation of the newly elected officers and members of the Board of Directors and commission members. Dr. Elizabeth Nordbeck was the preacher for the closing worship service.

The services of worship for the 20th annual meeting were prepared by the Rev. James Fatzinger, pastor of St. Thomas UCC, Winston-Salem, N. C. and the Rev. George Hawkins, pastor of the Laodicea UCC, Raleigh, N. C.

Respectfully submitted,
Wayne A. Gardner, Secretary
Southern Conference

Stewardship Five Year Plan

LEADERSHIP

The key factor in achieving the Stewardship Goals of the Southern Conference is the skilled work of carefully selected and trained leaders. The leadership pattern described here will be central to the implementation of all the succeeding goals.

STEWARDSHIP ASSOCIATES

- Three Stewardship Associates will carry out the program of the Stewardship Commission, each being responsible to that Commission for implementation in one of the Associations of the total program.
- Recruited, hired and accountable to the Conference Stewardship Commission, through the Conference Staff member who relates to that Commission.
- Begin July 1, 1985 for an initial period of three years.
- Trained by the staff of the Stewardship Council.

CADRE OF INTERPRETERS

- A cadre of stewardship and mission interpreters will be developed in each Association. They will provide support and resources for local churches in cooperation with the Association Stewardship Committee and the Stewardship Associate.

- Recruited by the Associate and the Association Committee.
- Trained by the Associate with assistance from the staff of the Stewardship Council.
- Meet together periodically on the Association or Conference level for mutual support and further training.

LOCAL CHURCH REPRESENTATIVES

- A Stewardship Representative will be designated in each local church to develop stewardship commitment and mission understanding in that church.
- Association Stewardship Committee will secure the name of a Stewardship Representative in each congregation.
- Trained by Associate to carry on a year round program in the local church, including the development of stewardship and forwarding the goals of the Conference within that church.

GOAL I

Members of the Southern Conference, laity and clergy, will grow toward a full understanding of and commitment to the biblical life of stewardship and mission.

OBJECTIVE A.

Clergy of the Southern Conference will become informed advocates for the mission of the UCC, the Conference, and the local church, and leaders in stewardship education.

STRATEGY:

- The Clergy Retreat in 1986 will focus on this dimension of ministry and will provide the tools for pastors to engage their congregations in stewardship and mission.
- Association Clergy Meetings will be utilized to promote the retreat and to provide support in their subsequent efforts.
- Timely, effective resources will be provided for their use by the Conference Commission.
- Pastors, local boards and stewardship committees will recruit effective lay members to be Local Church Representatives.
- Pastors will work with Representatives in forwarding the goals of the Conference in their local church.

OBJECTIVE B.

Church members will be engaged in the study of stewardship and mission and their implications for daily life.

STRATEGY:

- Study groups will be formed and will use materials developed by the Stewardship Council and the Conference Commission.
- Proportionate giving and tithing will be encouraged.

- Stewardship Associates, the Cadre of interpreters, and other advocates such as missionaries and Corporate Board Members will be available as resources.

GOAL II

There will be an increase in total giving to the churches of the Southern Conference, and an increase in their support of the Wider Mission.

OBJECTIVE A.

Local church Stewardship Committees will be active, effective implementers of sound programs.

STRATEGY:

- Those churches which now have such committees will meet with the Stewardship Associate and/or one of the Cadre of Interpreters to design a year round program of stewardship education.
- In those churches where no such committee exists, the Stewardship Associate and/or one of the Cadre of Interpreters will meet with the appropriate governing bodies to create one.
- The local Stewardship Committee will implement effective planning to achieve regular annual increases in the giving of their members to the local church.
- The Stewardship Committee will take steps to achieve incremental increases in the churches' financial support of Our Church's Wider Mission.

OBJECTIVE B.

Conference or Association training events will encourage and enable local stewardship growth and mission support.

STRATEGY:

- Train in the use of existing and new printed and audio visual materials.
- Train pastors of churches with similar situations and potential in the methods most effective in their unique settings.
- Train pastors and lay leaders of these churches with distinct characteristics together.
- Provide individual consultation with churches which are lagging in stewardship development and mission support.

OBJECTIVE C.

Stewardship growth will be encouraged through mutual support and accountability in clusters of local churches.

STRATEGY:

- Pastors, Cadre members, and Stewardship representatives from

clusters of nearby churches will meet periodically to share progress and ideas.

- Stewardship Associates will initiate and participate in such meetings.
- The sharing of current efforts and results will be mutually beneficial.

GOAL III

In addition to OCWM Basic Support the Southern Conference will develop a variety of opportunities for special giving by congregations and individuals.

OBJECTIVE A.

An Endowment Fund of the Southern Conference will be established for the purpose of institutional stability.

STRATEGY:

- Initial gifts may be designated for the support of stewardship and mission development efforts.
- A list of the Friends of the Conference will be compiled under the direction of the Board of Directors, these persons to be solicited for special gifts to the Conference or its Endowment Fund.
- A special year or years will be set aside for a financial campaign to develop the Endowment Fund and the mission of the Conference.

OBJECTIVE B.

The Conference will develop and pursue with its institutions a comprehensive program that assures adequate financial support for all.

STRATEGY:

- A schedule of capital funds efforts by our institutions will be mutually established and adhered to, with oversight by the Executive Committee of the Conference.
- Guidelines for soliciting annual funding support will be mutually agreed and adhered to.

MINUTES
FIFTEENTH ANNUAL MEETING
of the
EASTERN VIRGINIA ASSOCIATION
of the
SOUTHERN CONFERENCE OF THE UCC
October 11, 1984

The Fifteenth Annual Meeting of the Eastern Virginia Association, Southern Conference United Church of Christ, convened at Hunterdale UCC, Franklin, Virginia on October 11, 1984. The meeting was called to order at 9:35 a. m. by the President, the Reverend Isaac McDonald, who welcomed the assembled body.

The attendance total of 152 persons was comprised of 44 clergy including 1 chaplain and 2 retired, 71 delegates and 37 visitors. Registration was under the direction of Donna Bonelli, Eastern Virginia Association Office Secretary.

The Reverend Lawrence J. Reesman led an inspirational period of devotion, which consisted of congregational singing, Old Testament scripture (Ezekiel, Chapter 34), New Testament scripture (Philippians, Chapter 2), a solo, and the morning message entitled, "The Mind of Christ."

The Reverend Walter S. Snowa, pastor of the host church, brought warm greetings and welcome from historic Hunterdale UCC. Hunterdale is one of the four oldest churches in the Association, according to its minister.

The Secretary motioned that reading of the preprinted minutes of the Fourteenth Annual Meeting be omitted. The motion carried by vote of the delegates.

Letters of Regret

Letters of Regret from the Reverends Ronald Morris, Dolan A. Talbert, David G. Brown and Ineke K. Mitchell were read by the Secretary. Each expressed regret for not attending the meeting and asked to be excused.

Executive Committee

The Report from the Executive Committee was read by the Secretary and received approval of the delegates.

Treasurer's Report

The Treasurer's Report was presented by Mr. James Ramborger on behalf of Mr. Ken Heim, Treasurer. The report indicated a checkbook balance of \$4,590.80, and savings account certificates in the amount of

\$5,729.72. Total money reflected by the report was \$10,320.52. The report was accepted by vote of the delegates.

Audit Committee

The Audit Committee Report was presented by the Reverend Cecil Smith. The report noted that the books of the Association had been examined and found in good order. Report of the Audit Committee was accepted by vote of the delegates.

Proposed Budget

The Proposed Budget of Eastern Virginia Association for 1984-1985 was presented by Eastern Virginia Area Minister, Dr. Bill Simmons. The total amount budgeted was \$6,050.00 and reflected increased allowances for some items such as postage and delegates to Virginia Council of Churches. Vote of the delegates accepted the Budget.

Nominating Committee

Nominating Committee Chairperson, the Reverend William Everhart, presented the Report of the Nominating Committee. The committee offered three for Board of Directors, Class of 1986; three for General Synod Delegates, Class of 1987; three for Virginia Council of Churches. No other names were offered from the floor so those persons named in the report were accepted by vote of the delegates.

Church and Ministry Commission

The Church and Ministry Commission Report was given by the Chairman of the Commission, the Reverend Joseph M. Copeland. The report recommended approval of persons in several ministerial categories. It also recommended approval of several transfers into and out of the Association. The report was accepted by the delegates following clarification of "Privilege of Call" and a correction related to the transfer of the Reverend Paul Varga.

Proposed Constitutional Change

The Proposed Constitutional Change recommending the separation of Stewardship and Evangelism to form two commissions was presented by the Secretary on behalf of the Board of Directors. The Board of Directors, meeting in an earlier session, voted to propose this change to alleviate the heavy workload of the Commission in its present form. The delegates voted to accept the change after clarification on how the two commissions would now function, be funded, and be described in the Constitution.

Eastern Virginia Association Retirement Home

The Eastern Virginia Association Retirement Home Report was given by Dr. Richard T. Diekmann. The report indicated a total of \$170,000 had been raised and that the future of the home looked good. Delegates

and visitors were invited to see the wooded site where the Retirement Home will be built.

New Ministers and Guest

New ministers and guests were presented by Area Minister, Dr. L. Bill Simmons; Minister Carroll Lewis, Rosemont; Minister Paul Varga, Portsmouth United; Minister David Brown, Waverly; Nancy Peebles, Coordinator, Christian Education Commission; Chaplain Lafayette Wilkins, Jr.; Donna Bonelli, Eastern Virginia Association Office Secretary.

Christian Missionary Association

The Christian Missionary Association Report was presented by the Reverend Daniel A. Bowers. The report noted how rapidly the Tidewater region was growing. Thus, the need for new church starts. To this end, each EVA member will be asked to contribute \$10.00.

The Reverend Robert Bennett gave the financial report for CMA. He noted that all money raised goes for land purchase and new church starts in EVA. Money donated by the churches at this meeting was \$4,797.17. Delegates voted to accept the CMA report.

The afternoon session was opened with a devotional period conducted by the Reverend Tommy Long, Pastor, Tabernacle UCC, Suffolk.

Dr. Rollin Russell, Southern Conference Minister, was present to address the assembly. He commended two persons now assigned to his staff; e.g., the Reverends Nancy Peebles and Dick Cheek. They are a great asset to the Southern Conference Office, Dr. Russell stated.

Dr. Russell thanked the Eastern Virginia Association for hosting the 19th Annual Meeting of the Southern Conference through its three-day session to a successful conclusion.

Several future events were noted in the report:

1. Spiritual Life Retreat at the new Franklinton Center.
2. Christians and Peace Workshop sponsored by Peace Task Force.
3. Year of our Lord 2000 sponsored by several commissions.
4. Camping prospects in Eastern Virginia for outdoor ministries. A site on Lake Gaston was being looked at through a feasibility study.

Staff evaluation responses received were 85% to 90% positive and indicated satisfaction with the way the business of the Conference is being conducted. Through this evaluation, the Conference has a better understanding of those areas that need special emphasis and attention.

Dr. Russell asked for more promptness in reporting OCWM so that the obligations of the Conference can be conducted in a timely manner.

New Church starts and church renewal ranks high on the list of Conference priorities. Approximately 97 new church starts have occurred across the country in the past six years.

Church Disaster Network

Dr. Simmons reported feedback from a meeting he attended with

Virginia Council of Churches, American Red Cross, Miami Hurricane Center and Civilian Defense to establish a church disaster network.

Tidewater has been declared disaster prone to such mishaps as hurricanes, tornadoes, explosions and floods. With this in mind, resources in the area are being organized and coordinated. Tidewater has been placed in Region 6 with Dr. Simmons as director. Churches are to be made available for shelter and feeding. Additionally, there will be a need for volunteers, boats, buses, vans, and station wagons. Churches will soon be contacted to determine the resources available in the event of disaster.

Elon Home for Children

This report was given by Dr. William Andes. The report stated the Children's Home had been reaccruited and is performing well in its area of service. He thanked the Eastern Virginia Association for its help over the years.

Elon College

The Report from Elon College was given by Rev. Bill Long who extended greetings from the President of the College. The report stated that all areas of the college are growing. Enrollment increases by approximately 100 each year. The academic requirements of the College have been increased and telephones have been installed in each dormitory room.

Undergraduate students are in charge of security at the College instead of hired security police and finally, the Kresge Foundation granted the College \$250,000.

Franklinton Center

The Franklinton Center Report was presented by the Reverend Joseph M. Copeland. A capital funds campaign is scheduled for next year. The Franklinton Center Committee will be proding member churches to support the new Franklinton Center by giving and using the facility for meetings and other events.

Retirement Center, Newton, N. C.

This Report was given by Rev. Van D. Grimes. The success of this and other retirement centers encourages Eastern Virginia to move forward with its similar project.

Church Women

The Report on Church Women was given by Mrs. Julia Anne Williams. The report stated that the past year was filled with many successes; it was a good year for women. The meetings in Tennessee and Wisconsin provided great inspiration and new ideas for leadership to all who attended. Southern Conference president, Rev. Yvonne Beasley, was given special recognition in the report. Church Women will continue to sponsor workshops and promote communications between all our churches.

Mrs. Eunice Moore, Chairperson of Task Force on Women, and Mrs. Lisa Reece, Chairperson of Christian Education, reemphasized their respective reports as printed in the Annual Report Book.

Adjournment

The President, the Reverend Isaac McDonald, called for adjournment and dismissed the assembly with prayer and the following scripture from I Corinthians 13:1: "Though I speak with the tongues of men and of angels, and have not charity, I am become as sounding brass, or a tinkling cymbal."

Respectfully submitted,
Richard A. Todd, Secretary

EASTERN VIRGINIA ASSOCIATION STEWARDSHIP AND EVANGELISM COMMISSION

This has been another busy and fast moving year for this Commission at both Conference and Association levels. Our first planning meeting took place in mid January with several meetings along the way. The highlights of our efforts are as follows:

Evangelism

Evangelism is still "Top Priority". Church growth goals are being worked on by many churches in our Association and Conference in many ways to make this a reality. Our proposed goal is 150% of the previous year's total of members added by profession of faith and transfer. It will take much effort to make this happen and our Commission has encouraged this by having an Evangelism Seminar in joint effort with the Church of the Brethren early this spring with about 131 of our people sharing in the event with our leaders, Rev. Aubrey Todd and Dr. Warren Matthews. All forms of evangelistic efforts are encouraged; visitation, outreach calling, advertising, identity awareness and preaching to win and make disciples. Efforts in advertising at our Conference level will be made this fall and local churches are encouraged to advertise in local papers, radio, TV, signs and personal participation. Conference will have helps for local churches in these areas. Our Conference is planning a workshop to provide more helps and insights in early 1985. Hopefully this will deal with our faith and also try to better coordinate the work of our Commissions and to do better the tasks that are set

before us. All churches are encouraged to establish an active Evangelism Commission.

Stewardship

We are encouraged to continue to strive for at least \$10.00 per member for Our Church's Wider Mission (OCWM). Churches already at this level are encouraged to increase and set goals for growth that our missions may be accomplished. A Stewardship Workshop was held on August 19 at the Oakland Church, led by Dr. Russell, that was informative and helped raise our awareness of our mission and work around the world. About 75 people from about 20 churches attended. Efforts were made to help everyone better understand how the OCWM goals were established and why they didn't always agree with the church's yearbook. Encouragement for OCWM monies to be sent monthly or quarterly and recognition, by the Association, of churches reaching or exceeding their goal.

Leadership Training

A leadership training event is scheduled for September 30 in a joint effort with the Church Life and Leadership Commission. "Finances in the Local Church" will be one of the subjects discussed; bonding, Social Security, auditing, minister's finance investments, etc. just to mention a few. Your Evangelism/Stewardship Commission encourages every church pastor to truly let EVANGELISM become "TOP PRIORITY" and to "STRIVE FOR THE TITHE IN '85". The tithe is God's way of raising his children.

EASTERN VIRGINIA ASSOCIATION CHURCH LIFE AND LEADERSHIP COMMISSION

Six objectives were established in the beginning of the 1984 year for the Commission to accomplish. These are addressed in the following paragraphs:

Objective I—Men's Fellowships

Twenty-six of the seventy churches in EVA have active Men's Fellowships. Letters were posted to the 44 churches, asking if the churches would establish a Men's Fellowship or could not support a Fellowship. Out of the 44 letters mailed to the churches, 6 replied that they would establish a Fellowship or could not support one. This response was rather low, but it is a start. Thanks to those churches that did respond.

Objective II—Women's Fellowships

Fifty-two churches out of the 70 in the EVA have active Women's Fellowships. Letters were sent to the 18 churches not having Women's Fellowships. Three churches responded affirmatively toward establishing Women's Fellowships. Again a very low percentage response, but a start.

Objective III—Youth Membership on EVA Commissions

Letters were posted to each church in EVA asking that each church nominate a minimum of five youth, boys and girls, who could serve on EVA Commissions. Five churches responded with the youth names. This will give the EVA office a good start toward placing youth members on various EVA Commissions. Thanks to the churches who responded.

Objective IV—Improved Fellowship Among All EVA Churches

Letters were sent to all churches in the EVA (total 70) asking that when special events in a church occurred that other churches be invited to attend.

Of the 70 letters mailed, 2 churches responded that efforts were being employed by these particular churches to institute such "Cluster Meetings". It is the hope of the Commission that more churches will move toward a greater fellowship among all the EVA churches. There is greater strength in numbers.

Objective V and VI—Church Laity and Church Officer's Guide Books

These two objectives are related. As a result they were worked together. The Southern Conference is in the process of updating the Manual for Church Officers. This Manual when printed, will be made available to all churches for training of the Laity, especially in the duties of church officers.

The Commission plans to participate in the Leadership Development Workshop to be conducted at Suffolk Christian Church on September 30, 1984.

To date for the year of 1984, the Commission held three meetings.

EASTERN VIRGINIA ASSOCIATION CHRISTIAN EDUCATION COMMISSION REPORT

The Christian Education Commission has had a busy and productive year. We held four meetings to discuss and plan the year's activities. Highlights of the year:

1. "The Basic Educational Skills Training Workshop"; Franklinton Center, April 6-8, 1984. The Southern Conference sponsored this event and the Association Christian Education Commission publicized and received registrations in the Association. This major training event focused on equipping workers for service to their local churches in a variety of skill areas. We were pleased that Eastern Virginia had eleven participants to attend the event. Registrations were as follows:

- Corinth Chapel, Suffolk—3
- Portsmouth UCC, Portsmouth—2
- Wesley Grove UCC—Newport News—5
- Tabernacle UCC, Suffolk—1

2. The Conference Christian Education Commission sponsored a Youth Event which coincided with the 1984 Southern Conference Annual Meeting held in Virginia Beach this May. Lynnhaven Colony Congregational UCC was the host of this event. Several Eastern Virginia youth participated.

3. The National Youth Event was held July 29-August 2 at the University of Illinois. Eastern Virginia Youth enthusiastically participated! We were pleased that our Association's quota was filled with youth and adult leaders.

4. The second Annual Youth Rally was held September 22 at Berea Christian UCC. The 1983-1984 Youth Fellowship President, Miss Joyce Jones of Christian Church Uniting, Virginia Beach, is to be commended for a fine year of planning and an excellent Rally!

EASTERN VIRGINIA ASSOCIATION SOCIAL MINISTRIES REPORT

The EVA Social Ministries Commission has worked up a Community Human Resources Manual for the use of pastors and Christian workers in Eastern Virginia.

This is to be used as a finger-tip reference in trying to meet the needs as a bold witness to win the lost to Christ. These needs of individuals are many, such as: "The new poor", The unemployed, Battered women and children, The aged and disabled, The missing person, The medically indigent, The single working parent, The expublic offender, The chemically dependent, The unfed and unclothed, and The educationally deprived and indigent.

Listed in the folders are service agencies and organizations that can be used in helping those in need. Each pastor will receive a folder.

EASTERN VIRGINIA ASSOCIATION TASK FORCE ON WOMEN IN CHURCH AND SOCIETY

The Task Force on Women in Church and Society has reorganized and set as its goal, RAISING THE AWARENESS LEVEL. EDUCATION will

be the means to achieve this goal. Several areas of concern will be focused on; the feminization of poverty, growing abuse of women, the need for using inclusive language in our churches and the need for more involvement of women in ministry in the church, both lay and ordained.

Economic disparity is a continuing problem for women. Overall, they continue to earn 62% of what men make; a ratio that has remained rather constant over the past thirty years. This wage gap is fostered by clustering women in such "pink collar" fields as nursing, elementary school teaching and secretarial work. Comparable worth will be the issue of the 80's; equal pay for work deemed comparable work, i.e. nurses paid as much as accountants. The majority of people living in poverty are women; one in every seven families is headed by a woman. Roughly, 40% of these families exist below the poverty level. The picture for the black woman is darker still; she bears the burdens of both sexism and racism. The share of black families headed by women rose from 28% to 42% during the years 1970-82. Nearly 75% of black children live in homes with a median income of \$7500 per year. Half of these children have a 50% chance of growing up underprivileged, undereducated and underemployed.

Increased sexual violence continues to plague women. We live in an age of communication. The message being conveyed via TV, films, advertising, popular paperbacks and magazines is that women are basically masochistic and need male domination; that it's okay to abuse women.

Language is important to us, it shapes our realities. The use of inclusive language with the scriptures and hymns in our churches is important if wholeness in the body of Christ is to be realized. Inclusive Language Dictionaries and new words for old tunes are available for use.

"Moments of Concern", material for and about women, is being compiled by the Reverend Eileen Hickey. Upon completion, this material will be shared with our churches throughout the Association; hopefully, it will be used at some point during the weekly worship services. A mailing is being readied for a seminar, "Creative Christian Living". Fran Carnright and this Chairperson are available to talk about the concerns of women.

Profiles on our clergy sisters are being submitted to the Search Committees alongside those of our clergy brothers. One of our clergy sisters was called to serve our Richmond Church this year. We urge you to continue the positive response to a very rich source of ministry in our church, women both lay and ordained. Options must continue to be available for women to move into what has been considered to be non-traditional roles, i. e. deacons, trustees, treasurers, moderators, etc.

Working in the legislative area is going to be a main thrust. We must be in a position to not only influence the agenda but also to help shape

it. Three pieces of legislation have passed this year that will significantly help women:

1. The Retirement Equity Act of 1984, designed chiefly to benefit women, also aids men.

2. The Child Support Law which makes it easier for families to collect overdue child support from the absent parent.

3. The Ex-Spousal Law that gives some economic protection to the divorced women of military personnel.

The future leadership of the United Church of Christ will be enriched by the increased participation of women in ministry, both lay and ordained. We must never forget what it means to dream. Where there is no vision, the people perish (Prov. 29:18).

EASTERN VIRGINIA ASSOCIATION CHURCH WOMEN

During the past year, the EVA Church Women have been quite busy.

June 9-12, our Summer Conference was held at Catawba College, Salisbury, North Carolina. Again, this year, it was very fruitful. Each one gets better and better. Our guest Bible Lecturer, Mrs. Ann Asper Wilson, was quite dynamic. The women left with renewed vigor to try some of the suggestions made by her and also from the workshop leaders. The arts and craft show was very, very good also.

July 12-18, 1984 about 52 women headed for Milwaukee, Wisconsin to attend the Second National Meeting of Women. The theme was **Women of the Spirit: Called and Free**. To meet women of varied races, denominations and all walks of life was quite inspiring. Our own Reverend Yvonne Beasley added plenty of zest and imagery as she was the moderator for this meeting. Knowing that we could not possibly utilize all of the information and programs suggested, we will be able to present to our churches later this fall, a slide presentation on the History of the Women's Fellowships and Guild. Mrs. Julia Anne Williams served on the Workshop Committee and I served as a workshop consultant on Resources Available for Women's Groups in the Southern Conference. We all came back vowing to impart some of the very rich knowledge gained at Milwaukee.

Now, we are looking forward to our Fall Enrichment Meeting to be held on Saturday, September 15 at Bayside UCC. A very fine program has been planned by the committee which promises to be very uplifting.

Our theme will be **Women of the Spirit, Called and Sent**. The women are looking forward to attending in large numbers.

Our mission project will be donations to the Retirement Home in Eastern Virginia Building Fund.

Important dates to remember are: October 19 & 20—Leadership Development Training at Franklinton Center and June 9-12, 1985—Summer Conference, Elon College. We ask your prayers and your presence, if at all possible.

Respectfully,
Thelma T. Norfleet, President
Mrs. Teresa Weaver
Mrs. Bernice Evans

EASTERN VIRGINIA ASSOCIATION SEASHORE STATE PARK CHAPLAINCY PROGRAM

For many years the Eastern Virginia Association of the United Church of Christ has been among the faithful supporters of the Chaplaincy Program at Seashore State Park, Virginia Beach.

The Chaplaincy Program, which begins each year on the first Sunday in June and concludes after the last Sunday in August, is a "ministry of presence" designed to serve camping families and to remind campers of the continuing interest of the church, even in their leisure time activities. Thousands upon thousands of summer visitors come to the park each year, and many of them are touched in one way or another by the ministry of the park chaplain. A regular feature of the program is an ecumenical worship service held each Sunday in the park amphitheatre.

Ms. Cheryl Duke, student at Union Theological Seminary in Richmond, and a candidate for ordination by the Presbyterian Church, USA, served as chaplain during the 1984 summer season. Ms. Duke proved herself to be an effective minister, and her ministry, which included counseling as well as worship leadership, was very well received.

Along with the United Church of Christ, support for the program is provided by the Presbyterian Church, USA, the United Methodist Church, the Episcopal Church, the Lutheran Church in America, and the Christian Church (Disciples of Christ). Denominational support is coordinated by the Virginia Council of Churches, and the Council also handles communication with the Department of Parks of the Commonwealth of Virginia.

The member-congregations of the UCC Eastern Virginia Association should derive great satisfaction from their participation in this significant ministry.

Respectfully submitted,
Thomas H. Britton, Chairman
Park Chaplaincy Committee

MINUTES
EIGHTEENTH ANNUAL MEETING
of the
EASTERN NORTH CAROLINA ASSOCIATION
of the
SOUTHERN CONFERENCE OF THE
UNITED CHURCH OF CHRIST

October 13, 1984

The Eighteenth Annual Meeting of the Eastern North Carolina Association of the UCC, Southern Conference was held on Saturday, October 13, 1984, at Center United Church of Christ in South Boston, Virginia. President Collie Seymour called the meeting to order at 10:00 a. m., and the Rev. James Morrison gave an opening prayer.

Greetings were brought by the Hon. William Kent, Mayor of South Boston. He announced that 1984 is South Boston's centennial year and presented a city key to President Seymour. The Rev. John Wilder, host pastor, then welcomed the group to his church and gave general information concerning facilities and restaurants.

The Rev. Ervin Milton, Associate Conference Minister, recognized new ministers and special visitors. Visitors included Dr. Reuben Sheares, Director of the Office for Church Life and Leadership; the Rev. William Long, Director of Religious Life at Elon College; Dr. William Andes of the Elon Home for Children; and the Rev. Yvonne Beasley, President of the Southern Conference.

The proposed agenda was adopted and minutes of the 1983 annual meeting approved. President Seymour appointed the following people to serve as an elections committee: Clarence Gunter, George Hawkins, Norman Robarr, Donald Faulkner, and Jacqueline Evans.

Mr. Milton presented the Treasurer's Report (Exhibit 1) in the absence of the ENC Treasurer, Ms. Betty Covington. It was approved. The group then joined hearts and minds together in a service of worship. Dr. Sheares preached from Luke 5:17, and the South Boston District Choir presented special music. An offering of \$176.35 was received for the Ministerial Scholarship Fund.

Following the worship service, Dr. Sheares presented ideas for what can be done in the small church. He urged churches to remember that they can never be too small to serve God. Small churches do not have to organize in the same way as large churches. Forming more committees than you have workers will only reinforce what you lack. Dr. Sheares recommended two resources distributed by the Office for Church Life and Leadership: The Leaders' Box and a packet entitled "Good to be Together."

The Rev. Nancy Peebles then presented a report from the Nominating Committee (Exhibit 2). It was approved.

Mr. Milton recognized some of the retired ministers in attendance and urged delegates to take a retired minister to lunch. President Seymour closed the morning session with prayer, and the group adjourned to lunch in nearby restaurants.

When the group reconvened at 1:00, it was announced that 298 delegates and visitors were in attendance. The Rev. Robert Barrows made an announcement on behalf of the Southern Conference Task Force. Workshops on their book **Christians and Peace: A Study**, will be held from 4-6 p. m. at Pilgrim UCC, Durham, on November 11, and at St. John's UCC, Burlington, on November 18.

Attention was given to proposed By-law changes in the ENC Constitution. Much discussion centered on Article III, #11, Section 1: **Privileges and Responsibilities of Member Ministers:**

An inquiry into the removal of ministerial standing for reason of non-participation in the life and work of the UCC, may be initiated by the Church and Ministry Commission after failure of that minister to participate in Association and Conference activities for two successive years.

The Association already evaluates ministers who have been inactive in Association proceedings for three years. The Church and Ministry Commission proposed shortening this time to two years in order to be uniform with the other associations in the Southern Conference. It was stressed that the Commission would not have power to remove any minister from a church; it could, however, remove that minister's Association Standing.

Some of the people against this By-law change argued that it was unduly harsh in its language and blind to the uniqueness of each situation. One person argued that the Association was trying to become too institutional in its policy dictates. The question was called, and this By-law change was defeated.

The group then approved the following addition to the present list of duties outlined in the ENC Constitution By-Laws:

(5) Advocating specific social programs and/or legislation where appropriate and timely to do so.

Dr. Rollin O. Russell, Conference Minister, brought greetings. He announced that Dr. Richard Cheek is now the Western North Carolina Associate Conference Minister. He also announced that the Rev. Richard Rinker, Conference Minister of Christian Education, is on Sabbatical. The Rev. Nancy Peebles is serving as the interim Minister of Christian Education and also editing the **Southern Conference News**.

Dr. Russell noted that a Spiritual Life Retreat will be held at Franklinton Center on November 30, December 1 and 2. Franklinton Center itself is greatly improved, and 1985 will focus on developing it into a place of which to be proud.

Further information was given on the Peace Task Force book. Dr. Russell then announced a retreat focusing on church growth. This will be held February 4, 5 and 6, and will deal with such questions as "What will our communities look like in the year 2000?" and "What should our churches be doing to meet the needs of those communities?" Dr. Russell also stated that a successful staff evaluation has just been completed by the Conference.

Finally, Dr. Russell urged all churches to strengthen their commitment to Our Church's Wider Mission (OCWM). Delegates need to tell their churches what we are doing through OCWM. We have 200 missionaries in 27 foreign countries; Southern Conference has two children's homes with 130 children and two colleges with 3800 students. Dr. Russell asked church members to encourage their young people to attend UCC colleges.

Next on the agenda were commission reports.

Christian Education—Coordinator Nancy Peebles announced that 75 people attended the youth rally held at Franklinton Center in September. She also stated that a senior high work camp will be held at Franklinton Center the third week in June. Two A-frame cabins will be built at this time. Finally, a Basic Educational Skills Training (BEST) Event was held in April, 1984, and numerous people from our Association received leadership training. Ms. Peebles urged churches to put these people to work.

Christian Social Ministries—Mac Hulslander, Coordinator, and the Rev. George Hawkins staged a dialogue on inclusive language. Mr. Hulslander then recommended a recent issue of the Church Leaders Bulletin, published by OCL&L, for further study on the subject.

Mr. Hulslander also reported that his Commission chose four key issues for 1984 and focused on one each quarter, distributing information to the churches. These included capital punishment, Central America, women's concerns and issues, and hunger.

Church Life and Leadership—The Rev. Cally Rogers-Witte reported in the absence of Coordinator Michael Hooper. She gave further information on the spiritual life retreat Dr. Russell had mentioned. The theme for the retreat will be "Preparing Spiritually for the New Church Year."

Ms. Rogers-Witte also distributed a proposal for action on the General Synod 13 pronouncement, "Empowering the Laity for Ministry." (Exhibit 3).

Evangelism—Coordinator Charles Thompson announced that special training in the REUNION program will be held February 15 & 16 and March 15 & 16. Designed by the Disciples of Christ denomination, this program teaches skills in reaching inactive church members.

Stewardship—The Rev. John Wilder, Coordinator, reported that stewardship workshops were held earlier in 1984. Additional funds are needed for OCWM, and he encouraged all churches to increase their giving.

Task Force on Women—Chairwoman Marion Wilson stated that inclusive language has been a major issue for the Task Force in 1984.

All preceding commission reports were approved. The Rev. John Settlemyre then gave a report from the Church and Ministry Commission (Exhibit 4), which he coordinates. A moment of silent prayer was offered for the ministers who have died since the last annual meeting.

The Rev. Leon White requested that the Church and Ministry Commission establish an appeals procedure for ministers. Mr. Settlemyre agreed that such a procedure would be helpful and should be established. The Rev. Jim Staunton recommended that an appeals procedure for all commissions be set up by the ENC Board of Directors.

Much discussion then ensued on the proposal for a new ministerial standing, "Association Ordination." (See Exhibit 5.) It was finally moved, seconded, and approved that this policy change be dropped at the present time and referred back to the Conference Task Force on Ordination and the ENC Church and Ministry Commission for further study.

The Reverends Clarence Stumb and Gary Gaupp gave a presentation on Johns River Valley Camp. The camp covers 300 acres of the Pisgah National Forest. Six weeks of camp are offered in the summer, and five of these weeks are directed by ENC volunteers. A capital campaign is being conducted this year to raise money for a new mountainside chalet in the center of our Johns River property. This self-contained, all-purpose chalet can accommodate 30-35 people and be used year-round. Churches were urged to contribute.

A report was then given by the Associate Conference Minister, Mr. Milton. He stated that today's attendance was the largest ever at an ENC Annual Meeting. Among other things, he reported that he chaired the search committee for an executive vice-president for the United Church Board for World Ministries this year.

The proposed 1984-85 Budget was presented and approved (Exhibit 6). It was noted that the Association has tried in its budgetary process to make a priority of grant aid to ministerial students.

Election results were announced. The following will serve as delegates to the next two General Synods: The Rev. Robert Barrows, Mrs. Dollie Burwell, and the Rev. Matthew Steed.

In miscellaneous business, the ENC Board of Directors was asked to make certain that our Constitution and By-Laws are consistent with those of General Synod. Any recommended changes should be brought before the Association at its 1985 Annual Meeting.

The 1984 meeting then closed with a communion service led by the Task Force on Women. Marion Heaton Wilson gave a meditation on the small church, and Nancy Peebles and Jim Staunton sang "In Remembrance." Sherry Murphy accompanied them on the flute.

Respectfully submitted,
The Rev. Collie Seymour, President
Elisabeth H. Barrows, Secretary

EASTERN NORTH CAROLINA ASSOCIATION PROPOSAL FOR ACTION ON THE PRONOUNCEMENT: EMPOWERING THE LAITY FOR MINISTRY

Background: The following PROPOSAL FOR ACTION seeks to assist in the further implementation of the Pronouncement: EMPOWERING THE LAITY FOR MINISTRY, which was introduced and adopted by the Thirteenth General Synod meeting in Rochester, NY in 1981. Original sponsors of the Pronouncement included the Eastern North Carolina Association, the Western North Carolina Association, the Eastern Virginia Association and the Board of Directors of the Southern Conference

of the United Church of Christ. This PROPOSAL FOR ACTION is being recommended to the Fifteenth General Synod by the following:

Summary: This PROPOSAL FOR ACTION, like the Pronouncement upon which it is based, affirms the concept of ministry as the calling for all people of God (the laos). "Ministry" is defined as service to others in the name of Christ through the use of one's gifts in response to the Holy Spirit. It embraces an understanding of ministry that can find expression and be carried out within, through and beyond the programs and activities of the institutional church. It seeks to draw out the fuller range of implications for the life and mission of the United Church of Christ stemming from the Pronouncement.

The Call To Action:

Whereas, the Thirteenth General Synod of the United Church of Christ has adopted the Pronouncement entitled "Empowering the Laity for Ministry" and,

Whereas, the Pronouncement includes a "Statement of Christian Conviction" which calls upon the United Church of Christ and all its related institutions to "at once" begin examining many fundamental issues related to ministry,

Therefore, the Fifteenth General Synod of the United Church of Christ:

1. Calls upon the Office for Church Life and Leadership to commission a major theological study for use by local congregations. The study shall address:

- The biblical and historical foundations for affirming the ministry of the laity and its theological implications,
- the doctrine of the "priesthood of all believers" as interpreted by its present day ecclesiastical and mission significance.
- the implications of the ministry of the laity for theological education including approaches, curricula and training experiences.
- those forces which enable and block empowering of the ministry of the laity within the life of the church. This shall include, but not be limited to, problems related to language, traditional doctrine, polity, practice, and structure within the life and work of the United Church of Christ.

2. Calls upon the Office for Church Life and Leadership in consultation with the Division of Christian Education of the Board for Homeland Ministries and the Association of the United Church Educators and other instrumentalities as appropriate to develop resources and consultative services which shall assist local congregations in:

- educational programs and consciousness-raising events.
- the use of materials to help laity identify their God-given gifts for ministry,
- helping laity identify and claim specific calls to ministry,
- assisting laity to design and plan their ministries,
- providing a means of recognizing, supporting, and then being accountable for the ministries undertaken, and
- developing ways of meeting the needs for specific ministerial skills.

3. Calls upon local and regional structures of the United Church of Christ to commit themselves to enable the whole people of God to be in ministry and to communicate such needs and resources as they have for doing so to the appropriate national judicatories.

4. Calls upon the Office for Church Life and Leadership and all UCC related Theological Schools to offer opportunities to laity for study and reflection which would help to inform their ministries and to develop their skills and effectiveness.

5. Calls upon the Office for Church Life and Leadership to examine thoroughly current issues of clergy-crisis, burn-out among church leadership, multiple-role expectations and demands, and forms of clergy-lay conflicts in the context of mutual ministry between clergy and laity. It shall explore the role of spiritual disciplines and of support groups in relation to sustaining both in ministry.

6. Calls upon the Office for Church Life and Leadership to examine within the UCC, other denominations, and ecumenical movements successful models of faith renewal and development and lay empowerment, as they relate to the above mentioned Pronouncement, and adapt them for use within the UCC.

7. Calls upon the Office for Church Life and Leadership to give a progress report of its activities in implementing this PROPOSAL FOR ACTION to the Sixteenth General Synod.

8. Calls upon the Office of Communication to feature articles and stories related to the empowerment of the laity of ministry.

9. Calls upon the Stewardship Council to emphasize the stewardship of one's gifts for ministry as well as one's financial resources and to put special emphasis on investment of local church resources in the preparation of the laity for ministries in, through and beyond the institutional church setting.

10. Calls upon all local congregations, regional judicatories, and national instrumentalities of the United Church of Christ to affirm, celebrate, and seek ways to enable the ministries of the whole people of God to be at all levels of the church's life and mission.

NOTE: It is understood that the implementation of the PLAN OF ACTION is subject to the availability of funds and a determination of the full range of the financial implications involved.

EASTERN NORTH CAROLINA ASSOCIATION
SUGGESTED POLICY CHANGE FOR ENC
CHURCH AND MINISTRY COMMISSION

The following category of Ministerial Standing was mutually agreed on and will be recommended to the three Associations for their consideration and possible enactment in October, 1984.

ASSOCIATION ORDINATION: A person who does not have seminary training, and whom the Association Commission on Church and Ministry judges cannot reasonably be expected to attain it, may be authorized by the Association to perform the functions of ordained ministry within that Association. This standing may be retained if that minister is called to serve another congregation in that Association. It may be transferred to another Association of the Southern Conference after consultation and approval of the Church and Ministry Commission of the receiving Association.

The Association will prescribe and require a course of study for candidates for Association Ordination, and will conduct a thorough examination following completion of that course of study.

A candidate for Association Ordination will have been in an official relationship with the Association for at least two years, through In Care and/or Licensure.

The Statement of Purpose

How beautiful upon the mountains are the feet of him who brings good tidings, who publishes peace.

Answer: I DO, RELYING ON GOD'S GRACE.

Do you promise to lead the people of this Association and Conference in discovering and fulfilling their mission as God's people in this place?

Answer: I DO SO PROMISE.

Will the members of the Western North Carolina Association please rise?

WESTERN NORTH CAROLINA ASSOCIATION
REPORT OF THE INTERIM ASSOCIATE CONFERENCE MINISTER
August 31, 1984

I assumed the position of Interim Associate Conference Minister on January 2, 1984, having been approved by the Board of Directors of the Western North Carolina Association and the Board of Directors of the Southern Conference. The contract for the first two months was limited by time agreements, but by March 1 I assumed full responsibilities such as meeting with Search Committees, and guiding churches through the intricacies of selecting a pastor. I have sought to be diligent in handling all communications coming to the office from churches and ministers; in matters pertaining to their work and professional aspirations; have sent out several letters informing all ministers and church officials of activities taking place within the confines of the association and beyond; have participated in 7 installation services; preached at 14 churches; attended several receptions honoring ministers; attended monthly staff meetings called by Dr. Russell; attended with a degree of regularity most of the meetings of ministers in the 5 program districts; and dealt with a myriad of other duties pertaining to the work of the Association.

Generally, I have found congregations keeping church properties in an excellent state of repair. This is as it should be! I have believed that church buildings allowed to deteriorate is indicative of disrespect for God and His Kingdom's work. Local church comforts, however, dare not dim our spirituality for the real mission of our Lord. After serving in this office, I believe that every church should reexamine its stewardship to local and benevolent causes, but especially to Our Church's Wider Mission. A few congregations do exceptionally well, many others leave something to be desired, and others do nothing. Our Southern Conference suffers for excellence of program often for lack of adequate funds. This should not be! I have believed that if local churches are strong contributors benevolently that all other funds seem to automatically increase. Leave God's Wider Mission out and the local program atrophies. Let us look toward improvement in the matter of our Christian stewardship. Please accept the goals proffered by the Stewardship Commission, and do more than challenged in 1985.

I believe that each congregation should give serious heed to the evangelism goals presented by the Evangelism Commission and printed in the March issue of the Southern Conference News. Without substantial net yearly increases a congregation suffers. Membership increase must be steadily forthcoming if our association is to remain vibrant and strong. Local programs must be geared to every age group, and the gospel of Christ must be applied appealingly and relevantly to every segment of our constituencies from little children to people of age, male and female. This is our mission—to win others to Jesus Christ as Lord and to His Church and to impart in our witness the joy of Christ that we have come to know.

Recently, part of my responsibility has been to oversee the renovation

of the Associate Conference Minister's home in Salisbury. The home has been painted inside and out, central air conditioned, new carpet, new vinyl in the kitchen and den, new storm doors on the front, new locks on some doors, some necessary roof repairs, new guttering, and other minor improvements that could no longer be put off. The home is beautiful, and should be comfortable and useful for Dr. Cheek and his family.

I thank each of you for the good work you are doing for the association. Your free spirit in fulfilling the areas of work prescribed in our constitution have come to fruition because you gave liberally of yourselves in many ways. I am especially grateful to the Executive Committee—Eddie Hargrove, James Peeler, Ginny Bunn, and Robert Reece—for their dedicated work, and to all the members of the Board of Directors and all the chairpersons and members of the commissions and task forces through which the work of our association is carried out. Without your willing service we could not have functioned at all.

I have enjoyed serving in the interim position, and hope that I have added some good to the ongoing program of our association, the Southern Conference and to the work of the Master whom we represent. I know that each of you will give your utmost in cooperation to Richard Cheek as he seeks to lead us forward to even greater achievements in the future. May God bless him and you, ordained and lay people alike, as you labor together to make the Western North Carolina Association the most productive and inspirational in the United Church of Christ.

WESTERN NORTH CAROLINA ASSOCIATION COMMISSION ON CHURCH LIFE AND LEADERSHIP

The Commission on Church Life and Leadership is beginning to discover who it is and what it has to do since it was born a few years ago. We realize the work we have to do is vitally important in the church, and we wish to try doing it well.

Since last year's Association Meeting, the Commission has been engaged in the following ways:

- met twice in business meetings,
- requested the Women's Fellowship Summer Enrichment Conference Planning Committee to consider using the Leader's Box in their program planning and to program ways to learn to use and identify their gifts.
- sent the chairperson to several Conference Commission meetings on Church Life and Leadership.
- received a presentation by Mr. Mac Hulslander from the CLAY organization,
- considered appropriate action to take to make use of the CLAY organization, proposing that a pilot project Grace (Lowerstone) Church be undertaken, if possible for the fall of 1984,
- chairperson helped plan and carry out a tour in the Newton and Maiden area in the Southern Chapter Historical Society of the Evangelical & Reformed Church in the fall of 1983,
- chairperson serves on the Executive Committee of the Historical Society in the Southern Chapter.
- reports that the Churchmen's Fellowship and Brotherhood met in annual meeting at Blowing Rock Assembly Grounds, August 25-26,
- reports that District Churchmen's Fellowship meetings take place regularly,
- reports that District Womens' Fellowship training workshops were held this past summer,
- provided members to help plan and carry out the Leadership Training School of the Davidson/Forsyth District.

These and many other activities, we as a Commission and the members, have been actively at work. If there are ways that we can help

any organization in the churches of Western N. C. Association to improve Church Life and Leadership, please contact us. Thanks for the privilege of serving.

Harold Holste, chairperson

THE COMMISSION ON CHRISTIAN EDUCATION
WESTERN NORTH CAROLINA ASSOCIATION

The Commission on Christian Education met on November 10, 1983 from 2:30-4:30 pm at First UCC, Lexington with the following persons present: David Seymour, Mary Mills, Bessie Allen, Robert Myers, Paul Pickler, Mrs. Eddie Hargrove, Larry Bolick, and Dr. Ed Alcorn. It met again on Tuesday, January 17, 1984 at First UCC, Lexington with the following persons present: Dorothy Carter, Robert Myers, Paul Pickler, David Seymour, Larry Bolick and Rev. Dick Rinker.

Larry Bolick was elected Chairperson for 1983-84 and Paul Pickler assumed the position of Secretary for 1983-84.

The Goals of the Commission this year were as follows:

1. To emphasize Youth Priority by establishing a Youth Task Force representing each Program District.
2. To participate in the Basic Educational Skills Training Workshop at Franklinton Center on April 6-8th.
3. To continue the Communication Network called Tell-Line involving local church leaders as contact persons.
4. To sponsor a Resourcentre Workshop on March 3, 1984 at the Southern Conference Office.
5. To offer Teaching/Learning the Bible Workshop upon request.
6. To support Conference sponsored events that are scheduled in the WNC Association.

The Youth Task Force met on four occasions to plan for an Association Wide Youth Event called "The It Event", held June 1-3rd at Johns River Valley Camp with 48 youth and 20 adult leaders attending from 14 different churches of WNC Association. The Event was evaluated as a successful youth event and needs to be offered again.

The Task Force will reorganize for the 1984-85 year and will survey the churches on Youth Ministry Programming.

Ten persons attended the BEST Event in Leadership Training and are available as Christian Education Associates to assist local churches with C. E. programming in seven areas:

1. Planning for Christian Education.
2. Basic Teacher Skills.
3. Creative Bible Study.
4. Curricula Introductions.
5. Education in the Small Church.
6. Missionary Education.
7. Youth Ministry.

A listing of resource persons as Christian Education Associates. Cre-

ative Bible Study Leaders and Family Ministry Leaders was mailed to the churches this year and is provided along with this report.

Only 25 churches respond to the Tell-Line Contact Persons mailing, leaving this way of Communicating in the churches handicapped with low participation.

The Resourcentre Workshop on March 3, 1984 was attended by 15 persons representing 6 churches.

Two Teaching/Learning the Bible Workshops were held in 1984: one at Asheboro UCC and another one at Peace UCC, Greensboro. A total of 24 persons attended these two workshops representing 5 churches.

A JED Leadership Workshop on CE:SA was held in November at First Presbyterian Church, Greensboro attended by several UCC churches.

Under the leadership of Rev. Rinker, a Lenten Family Workshop was held at Mt. Zion UCC in January attended by 30 persons, representing 6 UCC churches and 2 non-UCC churches.

A total of 60 persons from Southern Conference attended the National Youth Event on July 29-August 2nd. These persons have committed themselves to two years with Conference Association, and/or District Youth Ministry work. These were 16 persons who attended from WNC Association.

A special thank you goes to all who led Christian Education events this year in our WNC Association, to all Commission members, to all Youth Task Force members, and to all who participated in C. E. sponsored events and opportunities.

Local churches can strengthen their local Christian Educational Ministries by:

1. Organizing a working Christian Education Committee.
2. Undertaking a complete educational study.
3. Developing teacher/leader training programs.
4. Becoming aware of the resources available through Christian Education: Shared Approaches.
5. Calling on our Conference Minister of Christian Education.
6. Learning to use the Southern Conference Resourcentre located in our Conference Office.

COMMISSION ON EVANGELISM
WESTERN NORTH CAROLINA ASSOCIATION

The Evangelism Commission of the Southern Conference sponsored a "Theological Convocation on Salvation" on February 4, 1984, at the First Christian United Church of Christ in Burlington, with a very good response and big attendance. The Western N. C. Commission had the responsibility for an Evangelism Book and Literature Table and sold Evangelism supplies at this meeting. Several members of the Western N. C. Commission assisted with this project.

The Evangelism Commission of the Western N. C. Association has set and distributed "Church Growth Goals" for all of the congregations in the Western N. C. Association. Congregations, Church Councils, Consistories, and local congregational Evangelism Committees are urged to take these goals seriously and strive to show a growth in church membership for the year of 1984. Only one half of our congregations indicated any increase in church members in 1982.

A "Media Campaign" is planned for this Fall by the Conference Commission on Evangelism. The purpose of this campaign is to increase an awareness in persons living in the area of the Southern Conference about the United Church of Christ, it's congregations and mission in this area. Each congregation is encouraged to participate as you receive information and materials from the Conference Office.

Your attention is called to the various resources for Evangelism and Church Growth that are available from the Conference Office and from the "Division of Evangelism and Church Extension" of the Board for Homeland Ministries of the United Church of Christ. Write or call the Southern Conference Office in Burlington or the Rev. Alan R. Johnson, 132 West 31st Street, New York, N. Y. 10001. Telephone (212) 239-8700.

Thank you for your loyal support. May God bless all of our efforts to "Spread the Good News."

REPORT OF THE STEWARDSHIP COMMISSION
TO THE ANNUAL MEETING OF THE
WESTERN NORTH CAROLINA ASSOCIATION OF THE
SOUTHERN CONFERENCE, UNITED CHURCH OF CHRIST

The Commission on Stewardship sought as its major goal for 1984 to attempt to encourage a unified program of stewardship at the church level so as to unite our association in support of Our Church's Wider Mission (OCWM). The commission was comprised of Mrs. Lacey Rankin of Troutman, Mr. Hubert Fleming of Salisbury, Rev. Nelson A. L. Weller of Winston-Salem, Rev. Harold Auler of Asheboro, Rev. Charles W. Sigler of Faith, Dr. William Smith, Jr. of Greensboro, Dr. Roland F. Roehner of Asheville, and Chairman, Kim W. Ridenhour of Greensboro.

The commission realized that to achieve the goal it set, that you, the

member churches of our association, must concur with and support the ideals of OCWM. The greatest and most pervasive concept in OCWM is that we as Christians should seek to serve our Lord and Jesus Christ by actions of service and support for our fellow human beings in need, both here and abroad. OCWM is a chance for all of us to unite in one common direction of support and to utilize our talents of leadership in helping people in need, both economically and spiritually. Can we then afford to pass up this opportunity that is ours to lead and serve?

A second goal that the commission set for 1984 was to educate our church treasurers and other financial leaders on what are the new tax law requirements of churches, particularly with regard to payroll taxes and payroll tax reports. Even though we were not able to reach many churches in our association, we did have a large response to this program at the Davidson/Forsyth District meeting in Thomasville this past spring. We would like to continue to strive in this vein of education. We feel this area of financial understanding will make the work of your church's financial planning more complete.

As a responsibility of the commission, we met at First United Church of Christ in Salisbury on August 3, 1984, to set a proposed challenge for each church in our Association for their support of OCWM. We hope and pray that each of you will take this challenge and seek to meet it, or better yet, to surpass it. It is up to you, the individual churches, to set the direction of how your church will grow. We the members of the Commission on Stewardship hope that you will lead your church into a strong program of benevolent giving headed by your support of OCWM.

Respectfully submitted,
Kim W. Ridenhour, Chairman

(EXHIBIT NO. 10)
REPORT OF THE COMMISSION ON CHURCH AND MINISTRY
WESTERN NORTH CAROLINA ASSOCIATION—1984

The Commission held 3 long meetings during the past 12 months to consider requests from some 16 persons as to status of lay minister, license with privilege, student in care and other status.

We note that according to UCC figures there are now 1,145 UCC students attending 71 theological seminaries. Master of Divinity students enrolled has increased by 7.9% in the year 1982-83. The only student in care graduating in 1984 was Mrs. Julia Myers O'Brien (from Mt. Zion Church, China Grove). She completed her Master of Divinity Degree at Duke Divinity School. She has elected to continue her studies pursuing a Phd. in Biblical studies at Duke. Mr. Phillip Myers from Mt. Zion, China Grove, congregation was received as a student in care. He graduated from Wake Forest University and has now entered Lancaster Theological Seminary. From the Mooresville UCC congregation, James and Evelyn Hamilton have been received as students in care and Mrs. Minnie Hooper has been granted license with privilege and has entered Hood Seminary in Salisbury. Others continuing their studies are: Robert Thompson, Clifton Moone, Benjamin Whitlock, Danny Harrell, and

Alexander Jamison. They have made their yearly progress report and are doing well.

Financial aid for our students continues to be a growing need. In the year of 1983-84 the sum of \$3,800 has been granted to 7 students. Because of the growing costs and their special needs, we are asking that the sum of \$4,000 be granted in the new budget. No raise in funds has been granted in more than 5 years. Funds not used were never carried forward from one year to the next.

Three representatives continue to work with the other association church and ministry commissions on the Clergy Support Task Force which will have some help to offer by late fall of 1984.

Representation with the other groups of church and ministry as well as other conference personnel will give serious consideration to the changes suggested in the UCC Constitution and By-Laws dealing with the title of "commissioned minister" voted by the Southern Conference in May. It is hoped that by next conference a report will be ready.

We should like to urge our congregations to give more serious consideration to having women play a more vital role in leadership on the governing bodies of local churches. It is also urged that women clergy be used for pulpit supply and interim situations. But most of all, we urge congregations to give serious consideration to women clergy as they seek a new minister. More than 50% of the students in our seminaries are fine qualified women preparing for ordination.

The action taken by the 1983 Association Meeting urging the attendance of all pastors at the conference and association meetings is one that we hope will be taken more seriously. It is not meant to force persons into a particular action, but to help increase their loyalty to the UCC, to draw closer in a working relationship with other pastors and congregations, and to draw the ministers together, seeing that they are co-workers in fulfilling the task of ministry and to give support to one another. God calls us corporately as well as locally, to fulfill the ministry of bringing in God's Kingdom upon the earth as it is in heaven.

We appreciate the excellent leadership given to this commission through the years by Dr. Edwin Alcorn and to the Interim Conference Minister, Dr. Lonnie A. Carpenter.

Respectfully submitted,
G. Harold Myers, Chairperson

COMMISSION ON CHRISTIAN SOCIAL MINISTRY
WESTERN NORTH CAROLINA ASSOCIATION

The Commission is reorganizing with new members and a new co-ordinator. Paul Robinson chaired the Commission for a number of years and has moved out of the Association. We have added new members James Harvey and Barbara Clyburn.

At this point, I can only describe what some of our hopes and expectations are. The dilemma and promise of Christian Social Ministry is the wide range of issues and concerns. All of the 4 streams making up the

UCC have linked "piety and society." For us, our faith leads us to engagement and witness in the world. That's the great promise. The dilemma is that there are so many issues of concern. You can name them: peace and war; hunger; problems of aging; the effects of the "new right;" homelessness; poverty; child abuse; racism; alcoholism; and on and on. All of the issues are important. The dilemma is to choose.

Part of our Commission's reorganization is to focus on several of the issues that we feel strongly about. We will study the issues and develop effective ways for our church's response. We will coordinate with other groups, specifically the Conference Commission and the Peace Task Force. We will make ourselves available for education in Association churches.

One common theme in all of the issues is the importance of church action on public policy issues. We are a charitable people; we also need to exercise our citizenship. As another Christian communion puts it, "Justice is a constitutive part of the preaching of the Gospel." To encourage more justice in the land means a commitment to act on public policy issues.

Fortunately we are not alone in struggling on public policy issues. It is essential that we link up with networks like IMPACT, Interfaith Action for Economic Justice, and Bread for the World. All the networks are relatively inexpensive and very informative. All of them encourage timely response to issues before Congress.

UCC members are most closely linked with IMPACT, and some church funds go towards its budget. IMPACT hosts an excellent annual briefing on the issues in Washington, DC every Spring. If you are interested please contact the Commission. Regardless, anyone can join IMPACT for \$10.50 yearly, sent to 100 Maryland Ave., NE, Washington, DC 20002.

We welcome your concerns about social issues, or the relationship between our faith and society. If we can be helpful, please contact us. In any event, feel free to share your concerns!

Respectfully submitted,
Phillip N. Grigsby for the Commission

**REPORT OF THE TASK FORCE ON WOMEN
WESTERN NORTH CAROLINA ASSOCIATION**

The Task Force on Women in Church and Society in the Western Association continues to try to bring before people—particularly the people in our churches—the importance of the role of women.

Changes are bombarding us every day. Families—men—women—children are all being constantly faced with crisis daily—and we must do all that we can to enable these people to be able to cope with the crisis in their lives. Women are greatly affected by the many changes—in the law—in our society—in their personal lives.

This is a political year and we need to be aware of the candidates views in order to elect the people who care about people—the laws affecting you!

Look around you—look at the situation in your local church. Are women serving on all boards and committees in your church? Are women being invited to preach from your pulpit? Are the people in your church aware of and using inclusive language? Are your leaders and teachers encouraging young girls to enter seminary?

Where is your church (where are you) with regard to these matters?

Our Task Force feels a tremendous responsibility in trying to help you—in trying to help all in our churches to face up to and take action on matters that affect us all!

Our Task Force welcomes your questions, your concerns, your replies to our responsibilities as the Task Force on Women in Church and Society.

**ANNUAL REPORT OF CHURCH WOMEN
WESTERN NORTH CAROLINA ASSOCIATION**

1984

The Church Women of Western North Carolina experienced a very successful year during 1983-84.

The year began with the Fall Enrichment Meeting at Mt. Hope United Church of Christ near Salisbury on Thursday, September 15, 1983. Most churches were represented as our new officers were installed. Doris Yeattes explained her new position as Advocate for United Church of Christ Women in Mission, and all were inspired when we heard about what we can do on a local, association, conference, and national level. We all felt the desire to support New Initiatives in Church Development.

In October many of our leaders attended the Regional Meeting at Monteagle, Tennessee to get our leadership training as well as receive inspiration from the other area leaders. We also met two Women's Fellowship officers from Angola.

The new representatives of each district took over their jobs in the area of training and serving their local church women.

The Executive Board met in Salisbury to discuss the future plans for the Summer Conference which was to be held in our area, and offered to help Faye Humphrey with the hostessing and registrations in June. Different planning workshops were set up to be held on the theme, "Sent in the Spirit."

The Summer Conference at Catawba brought us all together again. Over fifty Western North Carolina women came together with the other Southern Conference women to explore new areas of development, and to learn new ways to expand our growth of women's fellowships. We were given spiritual help for the second time by Rev. Ann Asper Wilson's devotions.

Each area representative has a partner now and together they held workshops in each area to present methods, inspiration, and training for

the new church leaders in our Western North Carolina Association. The majority of the churches were represented and all felt the information and fellowship gained would help to strengthen their Women's programs for the coming year.

CHURCH WOMEN OF SOUTHERN CONFERENCE

UNITED CHURCH OF CHRIST

ANNUAL BUSINESS MEETING

Monday Afternoon, June 10, 1985

President Julia Anne Williams called the Nineteenth Annual Meeting of Church Women of Southern Conference to order at 3:00 p. m. in the Elon College Community United Church of Christ at Elon College, June 10, 1985.

Her introductory remarks referred to "People of Faith" with an emphasis on carrying home a "love bucket" filled to overflowing at the close of the conference.

A Prayer of Praise and Thanksgiving was offered by Carol Diehl.

President Williams noted that special guests had been previously recognized and acknowledged that all persons present were "special" guests. She shared greetings from those who could not be present.

The minutes of the 1984 Annual Meeting were presented by the Secretary, Brenda Eckard, who stated that copies of the minutes had been circulated to the members in the Yearbook of Church Women of the Southern Conference. She moved that the minutes from the meeting not be read orally and that those minutes be approved as written. Both motions carried.

In the absence of the Treasurer, Doris Yeattes presented a current Treasurer's Report. The report indicated a growing need for operating capital. The report was adopted, and a motion was passed accepting the proposed budget for 1985-1986.

Association and committee reports were presented and accepted as printed in the Yearbook of Church Women of Southern Conference. Items receiving attention included: Monteagle Retreat, October 11-13, 1985; benefits of scholarship aid; participation in an individual or partnership gift to Church Women in Mission; memberships for and participation in the Arts; efforts to compile a history of Church Women of the Southern Conference and to store records of the Executive Board at the Conference Office; and recognition of Julia Anne Williams and Rebecca Foster Young as nominees for Woman of the Year.

A motion to accept amendments to the Working Rules of Church Women of Southern Conference as presented by the Working Rules Committee was approved as follows:

1. Rule No. 6, p. 2, line 3.

After ". . . performance of their duties", insert the new sentence, "Each officer and committee chairperson shall attend the Annual Meeting in June, the Fall Enrichment Meeting in September, the Leadership Training Meeting in October, and the Semi-Annual Meeting of the Board of Directors in March."

2. Rule No. 11, p. 3.

The rule is to be amended to read, ". . . and prepare and submit a

written and oral report to the Board of Directors and to the Annual Meeting of Southern Conference Women."

President Williams introduced and read a proposed Resolution Concerning Pornography and Obsenity written by the Reverend Richard T. Diekmann and printed on p. 24 of the Yearbook. The motion to adopt the resolution and to present it at the Annual Meeting of Southern Conference (June 13-15, 1985) carried.

Other information shared included: shipping charges for Church World Service (15c per lb.); availability of theme packets for home mission, "Peoples of North America", and world mission, "Caring for God's Earth"; contributing to and the use of scholarship funds; Calendar of Prayer; keeping notebooks up-to-date for future officers; and Franklinton Center, the object of the Capital Funds Campaign.

Association meetings are scheduled as follows: EVA, September 12, at Wesley Grove UCC, Newport News, VA; ENC, September 13, at Franklinton First UCC, Franklinton, N. C.; and WNC, September 14, at Trinity UCC, Conover, N. C.

Yvonne Beasley, Moderator, and Doris Yeattes, a participant in the parade of banners, were recognized for their roles at the National Women's Conference in Milwaukee. President Williams commended the leaders of the Fall Enrichment and Leadership Training Meetings, and reminded the group that interest from the Emily Lester Scholarship Fund helps send the officers to Monteagle. She defined Woman-of-the-Year nominees as being those individuals who are recognized for their outstanding contributions to the work of the church and for women. She thanked the group for the support given her and expressed joy at being selected as a nominee.

Carol Diehl led the Service of Installation of New Officers. Doris Yeattes was installed as Second Vice-President of Church Women of Southern Conference for the coming term.

As a closing thought, President Williams referred to Matthew 5:16 and encouraged each participant to "shed light by accepting the call to give the best we have. People of faith are to shine for His sake that God might be glorified."

Respectfully submitted,
Brenda C. Eckard, Secretary, CWSC

EXECUTIVE BOARD MEETING

June 9, 1985

The Executive Board of Church Women of Southern Conference met on Sunday, June 9, 1985, at 7:00 p. m. in Harper Center, Elon College.

President Julia Anne Williams called the meeting to order, and the Reverend Josephine Squires led the group in prayer.

Minutes of the March 23, 1985 Executive Board Meeting were read and approved.

Nancy Perkins presented a current treasury report (attached) that

reflected low operating funds. It was suggested that district representatives contact local churches to determine whether their Outreach and Administration apportionment has been met.

The group thanked Nancy for her outstanding service as Treasurer of Church Women of Southern Conference for the past two years.

The following reports were shared:

EASTERN NORTH CAROLINA—Dorothy Jolly.

One district meeting was held in Burlington with seven churches represented.

EASTERN VIRGINIA—Thelma Norfleet.

Enthusiastic response with indications of progress from several Women's Fellowships was reported. Three newsletters were published during the year.

WESTERN NORTH CAROLINA—Mary Smith.

An updated mailing list is being compiled. The possibility of mailing newsletters through the Western Association Office in order to take advantage of bulk rates is being investigated.

Thelma Norfleet, Chairperson for Southern Conference, 1985, reported that sessions are to be held in the Elon College Community Church. The procession of banners from the individual churches will precede Monday's session. A gift for Rev. Joyce Myers, keynote speaker, will be obtained by Dot Jolly. The President commended Thelma for the program format, and Thelma expressed appreciation to those who had shared in the planning of the conference.

President Williams encouraged the group to "rethink" Summer Conference—its aims, cost, time, and place. Items for consideration included: reserving Catawba College for 1986 and establishing a date; considering Blowing Rock Assembly Grounds and Franklinton Center as possible meeting sites; enlarging the Fall Enrichment meetings.

It was reported that the Committee for Organizing Women's Fellowships will have ideas ready for the Fall Enrichment meetings.

Katie Knight stated that the Nominating Committee is in need of nominees for the offices of Second Vice-President and Treasurer. Doris Yeattes is a possible nominee for the office of Second Vice-President.

Other items of business included:

—Meeting places for Fall Enrichment meetings are to be determined.

—A fall meeting for officers and committee chairmen will possibly be scheduled at a later date in order to establish dates and information for the coming year.

—The spring meeting of the Executive Board will be held March 15, 1986.

Following a moment of reflection on our roles as God's stewards, the meeting was adjourned by President Williams.

Respectfully submitted,

Brenda C. Eckard, Secretary, CWSC
