CONFERENCE MINISTER'S REPORT

Statistical Information

MEMBERSHIP

The total membership of the congregations in full standing in the Southern Conference:

As of December 31, 1984	58,481
As of December 31, 1985	58,335
Net Loss	146

One congregation left the Conference, Oak Grove Church in High Point (237 members). One congregation came into the conference, Spring Street Church in Wake Forest (43 members). Thus, aside from those two changes, our churches had a net increase in membership of 48 members. 107 churches had net increases in 1985, while 71 had net decreases. 137 reported no change. These figures are un-

certain because several churches fail to report each year and their membership figures are listed the same as the previous year.

Ordained Ministry

The total number of ministers in full standing at the end of May is 400. There were numerous changes since the last Annual Meeting.

**PUBLIC POLICY STATEMENT
ON
THE CHURCH AND GENETIC ENGINEERING
FOR
THE COUNCIL FOR HEALTH AND
HUMAN SERVICE MINISTRIES
RELATED TO THE UNITED CHURCH OF CHRIST**

I. PROBLEM

The rapid development of scientific knowledge and technology in genetic therapy poses both promising opportunities and problems for humanity. On the one hand, genetic therapy extends hope to many who suffer from genetically determined diseases. On the other hand, the unknown long term effects of genetic experimentation could prove to be harmful to future generations.

The deficiencies in the public's understanding of genetic engineering and the potential for both positive and negative effects from genetic therapy are simultaneously an individual and a societal problem; the old adage. "What you don't know won't hurt you" is sheer folly in this arena of scientific knowledge and technology. The growing understanding of atomic and cellular nuclei and the developing technologies that apply this understanding are perhaps the most profound discoveries of this century and their potential impact upon this and future generations is mind boggling. However, the ethical, moral, theological and societal implications are quite profound and we can only make informed and responsible decisions about them if we understand the available genetic data and its potential technological applications; not knowing could cost us dearly. Therefore, the church needs to participate in the ongoing discussion of the ethical, moral, theological and societal issues related to genetic engineering and genetic therapy.

II. BACKGROUND STATEMENT

Genetic engineering is not a new concept; it has been practiced since the beginning of civilization. It was first used in connection with the domestication of animals and plants. As a part of the domestication process, selective breeding was used on several species in order to produce certain characteristics that would benefit humanity. This breeding process actually indirectly involved a manipulation of the genetic heritage of selected species; certain genes were encouraged to express themselves while others were prevented from perpetuation. It is clear that the early experiments in selective breeding modified the genetic material of the chosen species, and this is an indication that "genetic engineering" has been part of our heritage since the dawn of civilization.

Our knowledge of genetics during the first seventy years of the twentieth century was gathered mainly through experiments in selective breeding, but in 1944 the chemical nature of hereditary material was finally discovered. This finding marked

the birth of what we call "molecular genetics," and it precipitated an explosion of scientific research into the mysteries of the cellular function of Deoxyribonucleic Acid (DNA). Then in 1953 at Cambridge University in England, a young American scientist named James Watson and his English colleagues, Francis Crick, discovered the structure as DNA. Within months, the entire science of molecular biology was revolutionized by the Watson-Crick model of DNA's structure; biochemists everywhere began to plan experiments to take advantage of this new knowledge.

In the late 1970's, molecular biologists discovered how to make synthetic pieces of DNA; this technique gave them a window to the genes. These researchers soon became confident that, given an adequate understanding of specific DNA probes and given the right type of families to study, every gene could be found. In 1973, scientists knew the approximate location of 152 genes. By 1983, the total number of genes located was 400. And by 1986, the number of gene locations swiftly climbed to 800. Barely a week goes by without a scientific manual reporting the pinpointing of another gene. The ultimate goal of this effort is the identification of each of the 50,000 or more genes that control human life and health.

What began quietly in 1973 as a program to locate the position of genes has become a rapidly developing scientific reality. Within the past several months, researchers have discovered the approximate location of genes involved in cystic fibrosis, hemophilia, Huntington's disease and muscular dystrophy. They are also on the trail of a genetic cause for some form of heart disease and for breast, colon and skin cancer.

The discovery of a full genetic map would probably revolutionize medicine. Simply finding the approximate location of a defective gene would lead almost immediately to a test that could identify its carriers. Accurate carrier testing would enable physicians to develop a treatment for carriers, would tell parents-to-be whether or not they risk passing a pathological gene on to their child and would pinpoint whether or not a currently developing fetus has inherited such a gene.

The ever-growing knowledge of the human genetic map raises some tough ethical and social issues for church and society. Gene line therapy and enhancement engineering seem to have the potential to lessen or eliminate suffering for persons afflicted with diseases determined by pathological genes. However, it is also possible that such therapies might one day be misused, and untold suffering might result.

As tests grow more sophisticated and researchers learn to develop even more accurate genetic profiles of persons, the potential for abuse significantly increases. With such knowledge available, would an employer attempt to deny a job, or an insurer to deny coverage for a person with a known genetic disease? Certainly, the question of medical confidentiality would become a more urgent issue. Debate would also surround the terrible abnormalities that might be produced by a mistake in even the most benevolently intended experiments. Moreover, an experimental mistake might introduce into the germ plasm deficiencies that might not appear for a generation or so, and by that time the defect could have spread to numerous other persons.

The concern of the church with the rapidly developing knowledge of the genetic map and of genetic therapies is with the potential benefit and/or burdens which might affect human beings now and for generations yet unborn.

The church, because it is commissioned by Jesus Christ to minister to the sick, also has an interest in the socioeconomic issues related to all medical experimentation. In the United States, according to some reports, some of the ten top chemical companies are engaged in genetic engineering research. They are hoping to see

diagnostic procedures based on their discoveries. There are billions of dollars waiting to be spent in a market that doesn't exist at this moment. Is this good or bad? Who pays the bill? Who gets the profits? Who gets the benefits, those who can pay or those who need the therapy? Should the world's limited resources be spent on exotic experimentation and therapy?

III. BIBLICAL THEOLOGICAL PERSPECTIVE

The biblical and theological resources which inform the church's teaching and a Christian's thinking affirm that life is a gift to be appreciated. We did not make ourselves. We receive life as a gift from a generous creator. It is a gift which is a "wonder of God's work." (Psalm 139:14)

The mysteries of our inward patterning and of the uniqueness of each human being, of every animal and plant, are rapidly coming to light. The developing knowledge of the genetic map and the structure of the gene can be celebrated with reverent appreciation of the Creator's gifts to us through the creative biochemical potential contained in the genetic structure of life forms.

This knowledge also enables us to understand the genetic causes of many genetic disorders. These disorders cause significant suffering for particular individuals. The biblical story and the history of the church affirm how therapeutic interventions to prevent or to relieve suffering were practiced by prophets, by Jesus of Nazareth and by the Disciples of Jesus Christ. The potential of healing interventions that effect the somatic cells of human beings is consistent with God's healing presence revealed in Jesus Christ. Those efforts in genetic therapies which correct disabilities, genetic in origin, without effecting the germ cells of a person and therefore without effecting the genetic qualities of that person need to be encouraged. Some of the accomplishments of such processes are already evident. Genetically engineered insulin, superior for some patients to natural insulin from animals, has been on the market since 1982. The use of recombinant DNA Technology to develop more cost effective pharmaceuticals is to be encouraged. The production of new medicines by this technology would reduce the cost and thereby benefit more individuals; such medications can relieve much suffering.

The biblical story, the healing ministry of the church and medicine, each in its own understanding, seeks to enhance the moral ideal; i.e., to prevent disease and harm where one can and relieve suffering whenever possible. Genetic counseling and screening, fetal diagnosis and genetically produced medications (pharmacology) are constructive means to encourage hope and healing and, therefore, affirm the moral ideal.

The biblical narrative affirm that human life is both part of creation—part of the earth, "from dust you have come and to dust you will return," (Genesis 3:19); and is also created in God's image and given dominion over the created order (Genesis 1:26). In this particular context of the biblical narratives we claim our gifts—both to discern the knowledge of God's creative power and to see our finite ability to grasp all the consequences of our new knowledge and technology in genetic engineering. We are called to use our God given abilities to develop medical interventions which can relieve pain and suffering. However, the permission to intervene is not unlimited. Having dominion over the created order is not a license for exploitation and abuse; rather it is a conventional responsibility to care for the created order and to enhance the use of its gifts for the healing of humanity and creation. Creation is ongoing; it is moving toward a time of completion in God's future.

The affirmation of creation coming to its fulfillment in God's design is one of hope and promise (Hebrews 11:3). Yet, our temptation is to grasp that promise and distort it to our own designs. It is in the arena of designing a "perfect" human being that genetic engineering might go too far. The technique to introduce desired traits into the human gene structure is known as "positive" eugenics. This use of recombinant DNA technology would insert DNA for specific desired traits, such as increased memory ability, into the cells of persons seeking the trait. While an advanced technology would make such a program possible, the long range desirability of it is open to moral question. Is it in the best interest of the individual and/or a society? Do we want a homogeneous humanity of like traits? Is not the creator's design of unbelievable variety produced through the amazing capability of the genetic structure more desirable in the long run?" If the technology becomes possible for positive eugenics, then who decides? The biblical understanding of covenant responsibility in all things to the Creator, to follow creatures and to each other is necessary if we are to affirm the promise of a new humanity which participates in the healing of all creation.

IV. RESOLUTION

WHEREAS, the scientific knowledge and technology in the field of genetic engineering and in genetic therapies are continuing to develop more rapidly than the general understanding of this constantly expanding subject and its ethical, moral and societal implications; and

WHEREAS, the genetic engineering and therapies have the potential to affect all creations for good or for harm; and

WHEREAS, the National Council of Churches of Christ, U.S.A and the World Council of Churches have both studied and published their findings and positions on the biblical, theological, ethical, religious and societal perspectives of genetic engineering and on the implications of the scientific knowledge and technology in genetic engineering; and

WHEREAS, the Fourteenth General Synod of the United Church of Christ adopted a resolution directing the United Church Board for Homeland Ministries (UCBHM) and the Office for Church in Society (OCIS) to hold a consultation on genetic engineering; and

WHEREAS, the Council for Health and Human Service Ministries, related to the United Church of Christ through its Public Policy Committee, held a significant workshop on the Church and Genetic Engineering;

THEREFORE, BE IT RESOLVED, that all constituencies of the United Church of Christ be encouraged to read, review and study the positions of the World Council of Churches and the National Council of Churches of Christ in the U.S.A. on genetic engineering;

BE IT ALSO RESOLVED, that informed pastors and laypersons be encouraged to participate on Institutional Review Boards of health care institutions which have treatment programs on genetic therapies.

BE IT RESOLVED, that United Church of Christ related hospitals establish Institutional Review Boards and/or Institutional Ethics Committees that might review treatment protocol for genetic therapies.

BE IT RESOLVED, that colleges and universities related to the United Church of Christ which are conducting genetic research be encouraged to 1) develop

reasonable and accountable criteria to safeguard the public health during genetic research and the application of genetic therapies and 2) develop public educational forums on genetic engineering and therapies.

BE IT RESOLVED, that a task force be formed of representatives from the United Church Board for Homeland Ministries, the Office for Church in Society, the Council for Health and Human Service Ministries, the United Church Board for World Ministries, the Conference Ministers and a panel of professional persons within the arena of genetic engineering, therapy and counseling, so that they can inform all constituencies of the church on the scientific, therapeutic, regulatory, public health and counseling implications of the knowledge explosion in this field. That this task force also promote a responsible discussion of the ethical, moral and theological understanding which would inform responsible decision-making capabilities of our people relative to this body of knowledge.

Vote 22: That we adopt the Black Church Development proposal as presented by the Secretary of the Conference.

Black Church Development is affirmed as a priority of the Southern Conference, and that the following program elements be implemented:

1. Continuing Education beginning in 1986;
2. Seminary Scholarship program beginning in 1987 (school year '87-'88);
3. Professional Staff and Office Services beginning in 1988.

However, if 1986 income for OCWM has an increase of 6% or more over 1985 OCWM income the Board of Directors may elect to secure staff for the last two quarters of 1987. The initial contract for this staff person will be for three years, and will be reviewed and evaluated at that time to determine continuation.

Vote 27: That we adopt the resolution on Toxic Injustice.

RESOLUTION ON TOXIC INJUSTICE

WHEREAS, the state of North Carolina is being considered as a prime candidate for the siting of a regional low-level radio-active waste landfill, and

WHEREAS, North Carolina and Virginia have both been designated as potential sites for the nation's second high level radioactive waste repository, and

WHEREAS, the United Church of Christ actively supported the predominantly poor and black community of Warren County in its opposition to the siting of a PCB disposal landfill, the witness of which included participation in nonviolent civil disobedience, and

WHEREAS, migrant and seasonal farmworkers whose plight has been labeled by the Land Stewardship Council of North Carolina as "scandalous," suffer adversely from pesticide contamination, and

sociation Ministers explaining their absence from this annual meeting. The Commission is emphasizing full attendance by all ministers.

3. The Reverend Carlton Upton, Sr., New Hope UCC
4. The Reverend Richard Rinker, Southern Conference Minister on Christian Education.

This donation, among others, was a moving experience for the recipient who expressed appreciation to all.

Following retiring ministers were introduced, honored, and presented plaques:

1. Dr. Robert Marr, Suffolk Christian UCC retiring after 40 years in the Christian Ministry.
2. The Reverend Dan Bowers, Holy Neck UCC, Suffolk, VA. retiring after 38 years of Christian ministry.

Dr. Richard Diekmann was recognized for his continuing work on the Retirement Center committee.

Dr. Simmons discussed the topic of salaries for ministers. He noted that we are 38th in the minister's salaries, and the only conference that is below us is the Puerto Rican Conference. He asked the churches to consider the seriousness of the situation which may result in the loss of qualified clergy to areas paying appropriate salaries.

Service of Ordination

The solemn and sacred service of ordination was conducted for candidates Robert Merritt and Charles Walters. Participating Association Clergy were Dr. Simmons, the Reverend Joseph M. Copeland, the Reverend Thomas Britton, the Reverend Carlton Upton, and the Reverend William Everhart.

Hymn, "O For A Thousand Tongues To Sing" and "When I Survey

The Wondrous Cross", and Scripture from II Timothy, Chapter 4, preceded the ordination message brought by the Reverend J. J. Ferguson. The substance of the message was taken from the above noted scripture. Laying on of hands and benediction concluded this sacred and inspirational service.

**The Afternoon Session—Vice President James Ramborger Presiding
Elon College and Home**

Dr. Snyder, Director Elon Home for Children, was unable to attend the Annual Meeting due to previous commitments. Representation from the Home was present. Greetings were extended from the home and words of appreciation for Eastern Virginia Association help over the past years, and an appeal for continuation of that support.

Church & Ministry

Dr. Richard Diekmann presented Mr. Bob Merritt and Mr. Dan Wickert to the assembly as two persons who studied and progressed through Ministerial Certificate Program of the Association. These two brethren were commended that they were able to accomplish this, full time jobs and family responsibilities, not withstanding. Each was presented a certificate from the Association.

Christian Missionary Association

The Reverend Dan Bowers shared with the delegates some of the 94 year history of CMA. He noted that ours is the only Association with such an organization set aside for the exclusive purchase of land and building churches. He noted that the opportunity for us is great and asked that we place an even greater emphasis on the program in our local churches by making it a budgetary item. The purchase of one tract of land could quickly deplete the \$100,000.00 now in the fund.

The CMA treasurer's report was given by the Reverend Bob Bennett, treasurer of CMA. (Exhibits #7A & 7B). The report showed that savings certificates had earned interest of approximately \$12,000, providing a balance of \$104,872.85. The report of the treasurer was accepted after clarification of disbursement item on printing (2 yr. amt.)

The roll call of churches at this meeting provided \$4,320.13.

Religious Education Report

The Reverend Richard Rinker, Southern Conference Minister of Christian Education reporting.

Mr. Rinker brought greetings from Burlington and Conference Minister, Dr. Rollin Russell who sent his expression of regret for his absence.

Mr. Rinker reviewed the various activities of Southern Conference in which EVA was well represented. The activities included Youth Festival, Franklinton Center activities, and camping events.

Delegates were informed that the Family Life Task Force is no longer

a part of Christian Education Commission. The Family Life Task Force has enough work and responsibility to be given its own identity and its own budget allocation.

The Southern Conference newsletter encourages all churches to send news items and photos for possible publication. All churches are asked to share their activities that may help other churches in their programs.

Eastern Virginia Association Retirement Center

Dr. Richard Diekman reported that we have raised in excess of \$280,000 toward the Retirement Center project. (Exhibit #8). Approximately \$70,000 additional is needed to complete the site purchased. Once the land is secured, building of the facility will be underway within 2 years.

This effort deserves the good will and financial support of all members of this association. You are asked to continue in prayer the success of the Retirement Center.

Stewardship Commission

The new Stewardship Associate Program was brought to the attention of the body by Dr. Richard Diekmann. (Exhibit #9).

Mr. Woodrow Piland was introduced as the Stewardship Associate, for Eastern Virginia. Mr. Piland will be working with member churches of EVA via local church representatives. The major purpose of this new program is to assist churches to raise stewardship giving in a more efficient manner. The overall result will be a plus for the Southern Conference.

Recommendations from the commission to raise apportionment of EVA from 40c to 60c received the approval of the delegates. Total report of Stewardship Commission accepted.

Church Life and Leadership Commission

The report was presented by the chairman. (Exhibit #10).

Social Ministries Commission

The Reverend Donald Chick reported to the assembly some of the commission activities during the past year. (Exhibit #11). These included providing churches and clergy with Support Groups and Benefits Directory; working with ministers and Community groups to establish program of Social Ministries; providing related information to other religious groups.

The commission will continue to study this coming year the ways and means our neighborhood churches can deal with the social problems confronting neighborhood churches. Latch key children, Single Parents, child care and after school care are some of the areas of concern. Resource material is available by contacting the commission. The Social Ministries report was accepted.

Evangelism Commission

This was the first year this commission had functioned as an independent commission since separation from Stewardship. The Reverend Cecil Smith is its chairman. (Exhibit #12).

The pulpit exchange the past year was a successful event and is being proposed again for the new Association year. Some 14 churches participated in the exchange last year. Delegates were asked to encourage their pastors to participate and make it an even more enriching experience than the last effort.

Church Growth remains a top priority on the agenda of the commission, and it recommends that it be your priority, too. Last year, resource persons from the National church were brought in to conduct sessions on the subject of church growth. This will be a continuing program of the Commission on Evangelism and it is hoped that more churches will participate in its activities. The report was adopted by the delegates.

Christian Education Commission

The commission report was presented by the Reverend Bryan Moore. (Exhibit #13).

Young adult teaching curriculum, "Ideas and Bibliography", was discussed and recommended as a teaching aid in training young adults. The contents of the publication consist of topics of great concern to young people. This material is available to all interested persons from the Association office. An appeal for support of the forthcoming youth rally was made by the chairman. The report was accepted.

Task Force On Women

Mrs. Moore, chairperson, reported the results of a survey taken in Virginia regarding the concerns of women. The concerns of women are prioritized as follows:

1. concern for equal pay for equal work
2. concern that 2 out of three poor adults are women
3. concern for equal rights and education
4. concern that women be provided the same opportunity as men to develop marketable skills
5. concern for the needs of older women who often are overlooked and discriminated against in our society
6. concern for minority women
7. concern over rape and violence

The concerns of women must be considered as concerns of the general church.

Disaster Response Committee

Committee report given by Mr. James Ramborger, Eastern Virginia Association, is seeking to complete plans for participation in disaster relief and response. (Exhibit #14). All churches that offered the use of their facilities are urged to send signed papers to the Association office.

Participation can only be official when this is done. Cooperation by the churches in this matter will assure that EVA is ready should there be a need in the future.

The report of the Virginia Council of Churches of the Eastern Virginia Association is Exhibit #15.

Woman Of The Year Award

President McDonald noted that Mrs. Julia Anne Williams was chosen Woman of the Year for the Southern Conference. Mrs. Williams expressed her deep appreciation to members of EVA who helped make her selection as Woman of the Year a reality.

Bus Trip To Nations Capital

The Reverend David Seymour announced the planned bus trip to Washington to protest apartheid in the nation of South Africa. Interested persons were asked to participate in his one day trip. It was noted that Southern Conference had already acted in opposition to South Africa apartheid policy.

1985 Report Book Corrections

The Church and Ministry Commission report erroneously states the Reverend Paul Varga transferred from Barnstable Association, Massachusetts to Eastern Virginia Association. Corrected, it should read he Reverend Paul Varga transferred from Central Association, Massachusetts to Eastern Virginia Association.

The chairman of Church and Ministry is aware and will make the required correction at the appropriate levels in the Association records.

The report of the Seashore State Park Chaplaincy Program is Exhibit #16.

Installation of New Officers

Newly elected officers of the Association were installed by Reverend Richard Rinker.

Adjournment

At approximately 2:30 p. m., the Sixteenth Annual Meeting came to its close on a note of unity and fellowship.

Respectfully submitted,
Richard A. Todd, Secretary
Eastern Virginia Association

**REPORT TO THE BOARD OF DIRECTORS OF
THE EASTERN VIRGINIA ASSOCIATION OF
THE CHRISTIAN MISSIONARY ASSOCIATION**

The CMA is 94 years old. It is one of the oldest continuous organizations of the Association. Many of the churches of our Association have been helped in the past by the CMA. The far sighted policy of our fore-

fathers has paid off well in the thriving churches which have been assisted.

Today we live in the "sunbelt" and this happens to be one of the fastest growing areas in the country. We look at the small churches with dwindling memberships and we know that the people have gone to the progressive urban centers where there is work and activity.

Our denomination, the UCC, is interested in building churches in the sunbelt. Our Association has an edge because we are able by our gifts to assist in the purchase of land for the establishment of new churches.

We are asking each member of each church to join CMA with at least a \$10.00 contribution. We are asking each organization in each church to take an organizational membership of at least \$25.00 in CMA. It is our hope that each church will put CMA in its budget and make a contribution.

CMA day is September 29th. This is your opportunity to be a missionary and to have a part in the establishment of new churches right here in our own Association.

D. A. Bowers, President CMA

EASTERN VIRGINIA ASSOCIATION
RETIREMENT CENTER COMMITTEE REPORT

This past year has shown remarkable progress in the realization of our dream of a Retirement Center located in Tidewater Virginia. As of

this date we have raised over \$280,000 from our member Congregations here in Eastern Virginia. In addition we have made substantial progress towards informing our members about the Retirement Center through a variety of personal appearances and slide show presentations. Our hope is that as our Congregations become better informed about the EVA Retirement Center, they will become more enthusiastic when called upon for support.

During the past year, a number of changes has occurred within the membership of the EVA Retirement Center Committee. We have taken great care with the selection of the membership of this Committee to include representatives from each of the major geographical areas within the Association for we see the Retirement Center as a unifying force within the Association—something by which all men and women of good will can endorse and support.

In addition the EVA Retirement Center would like to report that:

a) as of this moment the EVA owes less than \$70,000 on the remaining deed of trust for our property site;

b) We have been in communication with the appropriate governmental authorities to begin the process of establishing the EVA Retirement Center on a tax-exempt basis;

c) We have initiated the process for obtaining a certificate of need;

d) In order to achieve all of the above we are continuing to meet on a monthly basis.

In conclusion, let me state that if all goes well, and if our Congregations continue to support our efforts, the first buildings could be erected within two years time. This is our hope and our dream; it is up to each one of us to make it a reality.

EASTERN VIRGINIA ASSOCIATION REPORT OF THE STEWARDSHIP COMMISSION

There have been several significant programs which have been initiated this year by the Eastern Virginia Association Stewardship Commission.

1. A slide program was developed for use in our congregations to explain the OCWM program of the Church. This slide program is available upon request of the EVA Association office or from Dr.

Richard T. Diekmann, Franklin Congregational Christian Church, 412 N. High Street, Franklin, Virginia 23851 (804-562-3957), Chairman of the EVA Stewardship Commission. To date, this slide presentation has been shown over 15 times to various groups within our Association.

2. In an attempt to bring the issues of responsible Stewardship home to our member Congregations, the Southern Conference, in consultation with the EVA Stewardship Commission within the Southern Conference has one or more Stewardship Associates whose task it will be to assist our Churches in the up-building of their Stewardship programs. We are very fortunate in Eastern Virginia to have as our Stewardship Associate, Mr. Woodrow Piland. Woodrow needs little introduction to member congregations of the EVA for he has served on numerous leadership capacities within the Conference and the Association.
3. This year the Commission has explored creative ways by which missionaries and other spokesmen for the National Church could be made available to our member congregations in order to demonstrate the partnership which exist between the Association, the Conference, and the National Church.
4. As is our custom, the Stewardship Commission has worked with our Association Minister, to publish a Budget for the work of the Association for the forthcoming year. We are requesting that the Annual Meeting grant a slight increase of \$100 over last year's budget under the line item of **Contingencies**. We urge the Association to adopt this budget and each Congregation to accept its share of it. Also, the Stewardship Commission Chairman has reviewed the books of the Association and found them to be in order, to the best of our knowledge.

In conclusion, this year the EVA Stewardship Commission has a special recommendation to be brought before the Annual Meeting of our Association. We propose that for the forthcoming fiscal year that the apportionment for each member be raised from \$40c to 60c. This was done for several reasons. The most important of which was the sobering fact that for some years now our Association Minister has been forced to engage in the inefficient practice of deficit spending. It is hoped that with a raise in apportionment that our Association budget will be placed on a more sound basis.

CHURCH LIFE AND LEADERSHIP COMMISSION REPORT

The Church Life and Leadership Commission met on 13 January 1985 at the Suffolk Christian Church and establish objectives and plans for 1985.

Objectives that were established for 1985:

- A. Conduct a Youth Forum in May. This was subsequently cancelled because of conflict with the Christian Education Commission.
- B. Conduct a Seminar for Church laity in September. This Seminar held in conjunction with the Evangelism Commission on 15 September at the Bethlehem Christian Church.
- C. Notify all EVA Churches that the Southern Conference Revised Manual for all Church Officers is available and can be obtained from the EVA office, cost \$2.00 per booklet. This objective has been accomplished, but all Churches have not requested copies of the manual.
- D. Since the Youth Forum was cancelled for the Church Life and Leadership Commission another objective was established at the February 17 meeting. Assist Churches who desire to establish Men's Fellowships. This has been accomplished at the following Churches:
 - (1) Lynnhaven Colony Congregational
 - (2) Chapel Grove
 - (3) Mt. Ararat
- E. More Churches are working on plans to establish Churchmen's Fellowships.
- F. Another objective established at the February 17 meeting was to develop and distribute a Guidance booklet for Men's Fellowships. This booklet is currently in draft form and review. It is hoped that the booklet will be approved and made available for those churches that desire a copy.

The Commission held four meetings during 1985. The Commission was comprised of:

I. INFORMATION GIVEN THIS YEAR to ministers regarding community resources:

1. SUPPORT GROUPS—A help for most problems. Ledger Star 10/13/85

2. BENEFITS DIRECTORY—Benefits of public agencies. Virginia Dept. of Rehabilitation 10/84

3. Met with five ministers and one community group involving setting up a social ministries program in the church or church clusters.

4. Submitted upon their request information to:

- a. Richmond Catholic Diocese
- b. Chesapeake Ministers Association
- c. Norfolk Presbytery

II. THIS YEARS INTEREST is in being responsible to the Great Commission in the shadow of our own churches. We are empty of youth and could it be because we have emphasized other things. Do we really mean it when we say "the youth are tomorrow's church"? We are accountable to God for the people under the shadow of our church.

Homes breaking up, children in trouble, youth feeling they are being socially forced in immoral unbiblical life-styles. Without an alternative they are caught up in these things. The traumatic family problems of the working mother and/or single parent are numerous. Therefore we have latch-key children, latch-key youth and latch-key adults. All idle on the streets. The biggest local problem is a house full of neighborhood teen-agers and no adult supervision.

Yet, with every great social problem God gives his church a great opportunity.

Recommendations for the following to be held in a church or cluster of churches:

1. CHILD CARE—night and/or day

2. DAY SCHOOLS—K4 & 5

3. AFTER SCHOOL PROGRAM with scheduled supervision

- a. Recreation
- b. Study time
- c. Bible involvement
- d. Community involvement

4. LATCH KEY ADULTS—single/married, handicapped, aged and shut-ins. Use as support personnel if possible in:

- a. After school program
- b. Children telephone network

5. TELEPHONE NETWORK—An I care check-in/check-on service on all latch-key people. Serviced by Honorary Grandparents, Latch-Key Adults.

6. FAMILY WEEK NIGHT MINISTRY—A group dynamics session teaching character qualities and knowing your family.

EASTERN VIRGINIA ASSOCIATION EVANGELISM COMMISSION REPORT

The EVA Evangelism Commission met January 15 for the first time
as a new Commission. Objectives were established for this year. The
first objective was: "To Sponsor Pastoral and Laity Leadership Train-
ing for Church Growth". Second objective was: "To Raise Awareness
for Church Growth Through Ministerial Association, Women's, Men's and
Youth Fellowships."

Our second meeting was held February 18 at which time we discussed
how we would reach our objectives and many ideas were tossed around.
We concluded that a Keynote speaker with various group discussion with
evaluation to follow for individual church needs. We discussed the pos-
sibility of a spring workshop only to conclude later that time would
not let us do so. At this same meeting we had a long discussion on the
Pulpit Exchange. We agreed on the Pulpit Exchange and set the date
for May 19. Each minister would be notified and encouraged to share
in this adventure. We took this idea to our March Minister's meeting
and many signed their names stating they would participate in this
experience. About 14 ministers did share and already we have agreed
to have Pulpit Exchange again next year sometime right after Easter.
All agreed this was an experience that was well worth the effort. Of
course the emphasis was on "Church Growth."

Our next meeting was held August 19, 1985 to finalize our Church
Growth Seminar. Committee members had various assignments and
all did their homework. At this meeting our Seminar date was set and
details of meeting place. All the things that we wanted to happen were
set in motion. Our seminar would be held at the Behlehem UCC Church,

Suffolk, VA on September 15 with Rev. Alan Johnson, who serves as Evangelism Secretary with our Board of Homeland Ministries, leading the event. To begin at 3:00 P. M. until 9:30 with a little break for supper. A small fee to be charged for dinner for those wishing to purchase one at registration. Our Association News Paper as well as individual calling has been our way of publicity. We have encouraged everyone to keep Church Growth before our people with growth goals. We are looking forward to having a good training event and hope to see you there.

This becomes an on going adventure and is really the work of the church and must include everyone if our churches are to survive in the manner that I believe God has called us to be.

We have had a good working Commission with the majority of members present for most meetings and has been most productive. Thanks to everyone who has worked to make these events happen. Praise the Lord and let's not stop here but pass Pulpit Exchange and Church Growth on for the coming year. Remember, Evangelism, Church Growth is still our Top Priority.

On September 15, we held our Church Growth Workshop with Rev. Alan Johnson from our Board of Homeland Ministries leading. We met at the Bethlehem UCC Church near Suffolk, VA with about 76 persons attending and about 52 who remained for the entire evening sharing dinner together. Rev. Johnson talked about and raised our awareness about Church Growth. He introduced a two year program for those who would be interested in the continuing training. Many signed to receive more information that would be forth coming during the latter part of this year thinking that extra training would begin for those participating churches in the early part of 1986. At least 15 churches would be needed to begin. This would entail 4 persons and the minister from each participating church. They would be committed for about 3 meetings over a two year period.

Many resources were brought to our attention and some were on hand for those who wanted to update their Evangelism Manual.

Everyone attending spoke very well of the seminar and much enthusiasm about Church Growth was displayed. Our many thanks to everyone who helped make it all go so smoothly.

Thanks especially to Dr. Simmons for his help and cooperation that made it go smoothly . . .

EASTERN VIRGINIA ASSOCIATION
CHRISTIAN EDUCATION COMMISSION REPORT

The C. E. Commission of the Eastern Virginia Association of the Southern Conference of the UCC met six times in 1985. We worked on two major projects: The EVA Youth Rally and a model for young adult ministries.

The theme of the youth rally is "Living Christian as a Teen". There will be one main talk on that theme and five related workshops are planned. They are: 1) Peer pressure 2) Dating, sex and marriage 3) Peace issues 4) Careers and 5) Knowing God's will. It will be held at 1:30 Sunday, October 13th at Laurel Hill UCC. I would like to thank Brenda Lewis, Bryon Williamson and Mary Linda Copeland, who are EVA youth officers, for all the time and effort they put into helping plan this event.

The CE Commission spent a great deal of time working on a model for young adult ministry in the local church. The model includes three aspects. The Sunday School Class using a curriculum based on the expressed needs of young adults (18-35) is the first aspect. We interviewed a number of young adults who gave us a list of their needs. We as a group also brainstormed and came up with what we felt were needs pertinent to all age groups. We then categorized them into seven general topics or teaching blocks. They are: 1) Salvation, are you sure? 2) A home full of Christians or A home that is Christian 3) The Bible-Irrelevant or the source of life in Christ? 4) Does God really answer prayer? 5) Finances—what is yours, what is God's? How do you manage them? 6) Other spiritual concerns 7) Other considerations important to young adults were singleness, divorce, remarriage, how to handle death and dying etc. Each of these teaching blocks can be broken down into many subtopics which can be dealt with in one or several Sunday School class periods. (See packet being prepared by CE Commission which will be available through EVA Minister's Office.) Each Sunday School class time would be comprised of teaching of the word through lecture and discussion (based on recommended books for teaching block), sharing of needs and a time of prayer.

The second aspect of our model for young adult ministry involves the young Adult class moving out in ministry. This would involve the class choosing a project that is specifically related to ministry in the name of Jesus Christ, such as supporting a specific missionary, ministry, or creating their own ministry for which the class is solely responsible, such as ministry to the young children of the church, or monthly visitation and work projects to the elderly and less fortunate of the community, etc.

The third aspect of the model for young adult ministry is social. It would involve regular (monthly/quarterly) gatherings to enjoy each others company and recreation of some kind such as coed Volley ball, bowling or covered dish suppers and board games.

If you would like the packet of material being prepared by the CE Commission, write or call Bill Simmons.

**EASTERN VIRGINIA ASSOCIATION
DISASTER RESPONSE COMMITTEE**

The Virginia Disaster Response Plan seeks to provide a network to assist local churches and communities in responding to the needs of persons affected by disasters and to provide back-up support and coordination of resources for disasters that exceed local or regional capabilities.

The plan does not seek to replace existing disaster response structures but is a means of providing linkage with other disaster response agencies and a means of cooperating more effectively with the American Red Cross, State and Federal disaster agencies.

The Plan is based upon the concept that the most effective response is the "neighbor" response by church groups most closely located to the person or persons affected by disasters. When local response is not available or insufficient to meet the need, additional resources will be available at the regional and/or statewide levels. The Plan is built upon the concept of cooperation and coordination.

The Churches in EVA have been asked to participate in this Plan. The form of participation is to provide church facilities (if available) to house and feed those left homeless because of a disaster and for the congregation to provide personal services and equipment in case of a local disaster. Some churches will be asked to provide both shelter and personal services while others will be asked for personal services/equipment only.

To date 12 Churches have responded to the request to participate in the Plan. This leaves 27 Churches that have not responded. The Plan needs your help. You can help by responding.

VIRGINIA COUNCIL OF CHURCHES
2321 Westwood Avenue
Richmond, VA 23230
ANNUAL REPORT

The Virginia Council of Churches is reminded that the effectiveness of ecumenical endeavor is the result of the participation of many people. By linking eighteen (18) denominational judicatories, VCC empowers the common witness of the church in response to concerns crucial to the church community. The Virginia Council of Churches is a place where a commitment to action is realized. The thirty (30) ministries of the Council reflect a mission commitment to show Christian love and to promote justice through some 75,000 personal contacts annually with persons seeking to experience the rising presence of a new life.

The financial support of the Eastern Virginia Association of the Southern Conference, United Church of Christ, contributes strength and encouragement to those who experience suffering of insufficient resources and impoverishment of spirit. The scope of the programs through the Virginia Council of Churches includes direct ministries to persons with specialized and emergency needs, spiritual care to persons who frequent our state parks, campus ministry, religious education, migrant ministry, legislative concerns and public witness, faith and order discussions, refugee resettlement and television programming.

It is a challenging time for the Virginia Council of Churches, a time for great economic resourcefulness and even greater creativeness as we embark on the most renewing days of our 40 year history. We must keep the faith, using where we have come from as a launching pad for what, with commitment and enough funding, we can incarnationally become. The quality of our work, the scope of our programs, and the potential of eighteen (18) denominational judicatories working together to build unity where there is despair and inactivity are truly dependent upon the continuing and growing partnership between the Eastern Virginia Association and the Virginia Council of Churches. We thank the Eastern Virginia Association for the compassion and generosity and pray that the gracious presence of the creative life of Christ may be yours.

THE SEASHORE STATE PARK CHAPLAINCY PROGRAM

The Eastern Virginia Association of the United Church of Christ can derive deep satisfaction from its association with, and support of, the Chaplaincy Program at Seashore State Park, Virginia Beach. Thousands of people, campers from all over the state and the nation, and from Canada as well, are touched by this significant "ministry of presence," which is conducted in cooperation with the Virginia Council of Churches. In addition to the United Church of Christ, major support is provided by the United Methodist Church, the Presbyterian Church U. S. A., the

Christian Church (Disciples of Christ), the Lutheran Church in America, and the Episcopal Church. Also, the Harbor Front Kiwanis Club of Norfolk made a substantial contribution to support the program in 1985.

Teresa Ann Meadows, of Virginia Beach, served as full-time Chaplain at the park during the 1985 season. Teresa is a ministerial candidate of the United Methodist Church and a student at Union Theological Seminary in Richmond. She was responsible for conducting worship services in the park amphitheatre every Sunday throughout the summer, and she served as a pastor to campers who responded to her offers of "conversation, counsel, and friendship." Members of the park's summer staff (mostly college students) were also beneficiaries of her ministry.

The Chaplaincy Program is supervised by an ecumenical committee appointed by the Virginia Beach Clergy Association.

MINUTES
NINETEENTH ANNUAL MEETING
of the
EASTERN NORTH CAROLINA ASSOCIATION
of the
SOUTHERN CONFERENCE OF THE
UNITED CHURCH OF CHRIST
October 9, 1985

The Nineteenth Annual Meeting of the Eastern North Carolina Association of the UCC, Southern Conference, was held on Wednesday, October 9, 1985, at Ebenezer United Church of Christ in Burlington. President Collie Seymour called the meeting to order, and Rev. James Whitley gave an opening prayer. Total attendance was 251: 96 ministers, 92 lay delegates, and 63 visitors.

An official welcome was given by Dr. Charles Thompson, host pastor. Rev. Ervin Milton, Associate Conference Minister, then recognized special visitors and new ministers. Particularly noted were Dr. Scott Libbey, Executive Vice-President of the United Church Board for World Ministries; Ms. Dorothy Ballinger, president of the UCC Southern Conference; and Dr. Benjamin Chavis, Deputy Director of the Commission for Racial Justice. (For the list of new ministers, see Exhibit #3)

The proposed agenda was adopted and the 1984 minutes approved. Mr. Milton presented the Treasurer's Report in the absence of ENC's treasurer, Ms. Betty Covington. (See Exhibit 1.) As of September, not all of the \$1200 budgeted for grant aid to ministerial students had been expended. Concern was voiced and Mr. Milton explained that Ms. Covington has been sick and is therefore late on some of the payments. All money budgeted for grant aid should be spent soon, he reported. The Treasurer's Report was approved.

Next, the group joined hearts and minds together in a worship service centering on the theme, "World Ministries in the '80's. Former UCC missionaries Stephen and Elaine McDuff and Christopher Burr were among those who assisted with the service. Dr. Scott Libbey spoke on the call to mission and gave a brief history of the World Board. An offering of \$366.80 was received for Franklinton Center.

After the worship service, Mr. Milton announced that our Conference Minister, Dr. Rollin Russell, was absent because he was in Virginia attending a funeral service for the mother of Dr. Yvonne Delk, director of the Office for Church in Society. Dr. Russell currently serves as chairperson of the OCIS Board of Directors. The agenda called for greetings from our Conference Minister, so three other ministers spoke briefly in his stead. First, Dr. Richard Cheek brought greetings from the 120 congregations in the Western North Carolina Association. Next, Rev. Richard Rinker, Conference Minister of Christian Education, encouraged churches to send news and pictures to **The Southern Conference News** for publication. All items must be submitted by the tenth of each month. Mr. Rinker also encouraged churches to distribute their copies of **The News** in some manner other than leaving them on a table in the narthex.

Finally, Dr. Benjamin Chavis brought greetings from the Commission for Racial

Justice and stated that there is a new partnership between the Commission and the United Church of Christ Board for World Ministries. For instance, they collaborated on a Synod pronouncement against investments in South Africa. Mr. Chavis says he looks forward to new days of cooperation between the two instrumentalities.

The Nominating Committee Report was given by its chairperson, Rev. James Staunton. (See Exhibit #2). All nominations were approved.

President Seymour announced that workshops would be held after the lunch break. Mr. Milton gave the location of each workshop, and President Seymour closed the morning session with prayer. Lunch was then served in the Ebenezer Fellowship Hall.

The following workshops were held from 1:15-2:00 p. m.

1. "Being a Missionary"—Former UCC missionaries Stephen and Elaine McDuff and Chris Burr participated in a panel discussion.
2. "The Politics of World Hunger"—Rev. Phillip Grigsby of Church World Service talked about our contributions for hunger and where they go. When we give aid to countries with unfriendly governments, are we sure it reaches the people in need?
3. "Central America"—Rev. Cally Rogers-Witte presented slides and observations from her experiences in Central America as part of a UCC delegation.
4. "One Great Hour of Sharing"—Rev. Ervin Milton talked about where our OGHS offering goes and ways to promote the offering effectively in our churches.
5. "The Face of World Mission in the '80's"—Dr. Scott Libbey presented a film shown at General Synod XV and led a discussion.

Delegates and visitors reconvened in the Ebenezer sanctuary at 2:00 and were called to order by Vice-President Douglas Brown. President Seymour oversaw the election process. Only one officer had been nominated for each position, and no new nominations had been made, so it was moved and seconded that the Nominating Committee's Report stand as the slate of elected officers. Motion carried. Vice-President Brown then continued to preside over the meeting.

Commission Reports were given.

Christian Education—Mr Rinker reported in the absence of Ms. Alvin Ricks, coordinator. He stressed that the Conference needs to have updated lists of Sunday School Superintendents, Christian Education Committee Chairpersons, and Youth Advisors for mailing purposes. Report approved.

Christian Social Ministries—Rev. Chris Burr, a member of the Conference CSM Commission, gave information on an upcoming bus trip to Washington, D. C., for a demonstration at the South African Embassy against apartheid and in support of Bishop Tutu. Participants would be able to speak with their Congress-persons afterwards. Report approved.

Church Life and Leadership—Rev. Michael Hooper, coordinator, announced that a workshop entitled "Organizing for Effective Ministry," is planned for Spring, 1986. A form requesting information about skills we have and skills we need will be sent to each church. Hopefully, skilled workshop leaders will be gleaned from this list. Report approved.

Evangelism Commission—Rev. Dale Kennedy, coordinator, reported that the Commission still intends to follow through on the Reunion Program developed by the Disciples of Christ. This program mobilizes active church members to reach those who are inactive.

Mr. Kennedy also gave statistics gathered from the evaluation of the 1984 Church

Membership Growth Goals. 79% of ENC churches submitted these goals; 16% either met or exceeded their goals; 36% increased their membership; and there was an overall gain of 341 members in ENC churches in 1984. Mr. Kennedy expressed concern that 23 of our churches submitted no report. The Evangelism Commission hopes that each church in ENC will set membership goals each year. Report approved.

Stewardship—Rev. Donald Ingram, coordinator, gave details on the Five-Year Stewardship Plan for Southern Conference and introduced Rev. Elaine McDuff, ENC's new Stewardship Associate. Ms. McDuff announced that she will be training a corps of persons to help promote stewardship and OCWM in our association. Mr. Ingram then presented certificates to approximately 65 churches in Eastern North Carolina which had increased their OCWM giving in 1984-85. Report approved.

Mr. Milton announced that part of the Church and Ministry Commission's report was inadvertently omitted from the packet. It was now being reproduced and would be distributed later in the meeting. The Commission's report was therefore postponed.

Rev. George Hawkins gave a presentation on the capital funds campaign currently underway for Franklinton Center. A goal of \$300,000 was set, but pledges have been coming in slowly. Each church was asked to pledge a minimum of \$15.00 per member. Rev. Richard Bullock of Henderson issued a stronger challenge to each minister to contribute \$100 apiece.

Mr. Hawkins reported that Franklinton Center has undergone remarkable change. The buildings are clean and the plumbing and electrical systems greatly improved. At present, grounds maintenance is a priority. Rev. Leon White announced that Franklinton Center needs volunteers to do this maintenance. Workdays have been planned for October 12 and 19.

The **Church and Ministry Commission** report was given by its coordinator, Rev. John Settlemyre. (See Exhibit #3). First, Rev. William Andes was recognized for 50 years of service in the Christian ministry. Next, Rev. Leon White challenged the dropping of J. T. Marrow from licensed status in ENC. Mr. Milton explained that Mr. Marrow had in no way participated in the life of the Association for several years. For the last three years, the Commission contacted Mr. Marrow on a regular basis, but received no response. He was finally warned that he would lose his licensure if he failed to respond. Mr. White argued that Mr. Marrow is president of a strong black organization originating in the UCC and deserves further consideration. Mr. White moved that Mr. Marrow be given an additional year of licensure, but the motion died for lack of a second.

Finally a resolution was presented by the Task Force on Ministerial Standards. (See Exhibit #4). It was moved and seconded that this resolution be approved. The motion was then amended to read that this resolution become item 11 of the Church and Ministry Commission Report. Amendment approved. The motion as amended carried. The Church and Ministry Commission Report as a whole was approved.

Rev. White then suggested that a question regarding ordination policy should be addressed at next year's Association Meeting. The Church and Ministry Commission and the ENC Board of Directors currently have power to approve ordination during the year. Mr. White feels that this violates the rights of local churches and should be done only once a year at the Association Meeting.

In his report as Associate Conference Minister, Mr. Milton said he would not reiterate the comments and information already included in the packet. (See Ex-

(Exhibit 5.) Instead, he asked for a brief period of sharing about what is happening in our local churches. Many people offered quick information on the exciting things happening across ENC.

The proposed 1986 budget was presented and approved. (See Exhibit 6). Mr. Milton moved that special thanks be given to Dr. Charles Thompson, host pastor; Dr. Scott Libbey, keynote speaker; workshop leaders; and President Collie Seymour and the ENC officers. Motion carried. Mr. Milton then proceeded to install the new officers for 1986 and '87.

There being no further business, outgoing President Collie Seymour adjourned the meeting with prayer.

Respectfully submitted,
 The Rev. Collie Seymour, President
 Elisabeth H. Barrows, Secretary

RESOLUTION ON MINISTERIAL STANDARDS

BE IT RESOLVED THAT:

1. The Southern Conference affirms the right of all to seek full ordination in the United Church of Christ; that the preferred route to full ordination requires four years of undergraduate education and three years of seminary education resulting in a Master of Divinity degree or its equivalent; the United Church of Christ and the Associations of the Southern Conference also provide an alternate route to full ordination for those who cannot reasonably be expected to attain the preferred standard.
2. The Southern Conference affirms that the Conference, its Associations and churches, as well as the appropriate instrumentalities of the United Church of Christ are obliged to support and enable candidates for ordination in the pursuit of the goal.
3. The Southern Conference affirms that the Conference, its Associations, and the appropriate instrumentalities of the United Church of Christ are obliged to assist in the development of congregations to the end that they may support a fully trained, ordained ministry.

4. The Southern Conference recommends that the standards for an alternate route to full ordination be enacted by the Associations as follows:
 - A. By special approval of the Church and Ministry Commission of the Association a person who cannot reasonably be expected to attain the preferred route to ordination may seek ordination by the alternate route.
 - B. He or she will have a high school diploma or its equivalent.
 - C. A course of study on the United Church of Christ, both local and national, will be designed, including:
 - Auditing or completing all work for a UCC Polity course at college or seminary, or
 - Completing a Commission sponsored course of study or approved independent study of the UCC under supervision.
 - D. An approval course of study which includes Bible, theology, homiletics, church administration, pastoral counseling, church history and Christian Education.
 - This course of study could be pursued on a part-time or special student basis at a college, Bible Institute, community college or divinity school, as approved by the Commission.
 - E. The candidate will demonstrate competency in public speaking, communication, leadership and other basic skills through completion of academic courses or by other means as approved by the Commission.
 - F. Sufficient years, a minimum of three, (3), of preaching and pastoral experience in the United Church of Christ will be required. In case of a person from another denomination who seeks ordination in the UCC, the length of service prior to ordination will be no less than that required of UCC candidates.
 - G. These criteria having been attained, the candidate will then fulfill all the remaining requirements for ordination, as spelled out in the Manual on the Ministry. This includes the preparation of an ordination paper and examination by the Commission.
5. The Southern Conference, its Associations and Churches, and the appropriate instrumentalities of the UCC commit themselves to a program of scholarship support for those preparing themselves for ministry, and to a program of church development among churches who have the potential to support a fully trained and ordained ministry. And, in pursuit of this commitment:
 - A. The United Church Board for Homeland Ministries will join with the Southern Conference in funding specific church development projects which will bring congregations to the support of full time ministry and will also assist candidates in the preparation for ministry.
 - B. The Office for Church Life and Leadership will join with the Southern Conference in a broad program of lay and clergy leadership development, especially focusing on the unique needs of the black churches.
 - C. The Commission for Racial Justice will join with the Southern Conference in their mutual continuing work of local church development.
 - D. The Southern Conference will develop a greater ability to provide scholarship assistance, and support development projects.
 - E. The Black Church Development Commission will coordinate this comprehensive effort in close working partnership with our national instrumentalities.
6. The Task Force on Ministerial Standards is dismissed with thanks.

REPORT OF THE ASSOCIATE CONFERENCE MINISTER

What an Association! I have recognized anew, all of the talents that are present in the Eastern North Carolina Association. There are people in our local congregations with various kinds of expertise. I am grateful to work with persons like **you**.

This has been a busy year of growth in the Association. We have continued to focus on Church and Ministry issues as well as Stewardship growth in local churches. Our churches are growing numerically and financially. There has been at least an eight percent growth in Our Church's Wider Mission over the past five years. I believe that to be a combination of "good feelings" and increased giving by local churches. **Thanks.**

The Conference Staff has adapted Guidelines for measuring work time. We count a morning and afternoon or evening (including travel) as a unit. 12-14 units is a week (48-56 hours). It is easy to put in more than that in a week. Since the last Association Meeting, I have been involved in the following ways:

Commission Meetings (Conference & Association)	25
Meetings (Conference, Association, Franklinton Center, etc.)	28
Meetings (Church, Leadership Training, Pulpit)	37
Worship (Sermons, Installations, Ordinations, Anniversaries, etc.)	51
Ministers Meetings	17
Staff Meetings	8
Formal Individual Appointments	49
Denominational & Ecumenical Meetings	8

Co-Directed two camps—one at Johns River and one at Franklinton Center at Bricks.

Some of you say that I am "hard to catch". Now that you know that, let me tell you how to catch me. The most desirable way is to call the Office (919-584-0027) between the hours of 9:00 A. M. and 5:00 P. M. Monday through Thursday (close at 4:00 P. M. on Friday). Leave your name, number and the nature of the call—as sometimes the office staff can help you. **State it** if you want me to return your call. If it is urgent, **state it** because the office staff can locate me in a reasonable time. You may call the house (919-852-6096) before 11:00 P. M. in the evening. Follow the same procedure as the above.

May God continue to Bless us all in 1985-1986.

Respectfully submitted,
Ervin E. Milton,
Associate Conference Minister for ENC

MINUTES
of the
EIGHTEENTH ANNUAL MEETING
of the
WESTERN NORTH CAROLINA ASSOCIATION
of the
SOUTHERN CONFERENCE OF THE
UNITED CHURCH OF CHRIST
October 11, 1985

The Eighteenth Annual Meeting of the Western North Carolina Association of the Southern Conference, United Church of Christ, was held at Peace United Church of Christ, Greensboro, North Carolina on Friday, October 11, 1985.

Registration of delegates and visitors began at 8:30 a. m. with Juanita Luebben, Dale J. Luebben, Ruth Messmer, Deborah Shiner, and Patricia Willoughby serving as registrars. The attendance was 180 which included 79 ministers, 68 delegates, and 33 visitors.

Serving as ushers were Helen Adams, Lyerly Cline, Bill Greeson, Troy Patterson, Mary Reece, Banks Shepherd, Charles Smith, Prince Smith, and William Yocum.

The meeting was called to order at 9:20 A. M. by the President, Mr. Eddie Hargrove.

The Service of Worship with communion began at 9:30 A. M. The Reverend Nancy Peebles served as Liturgist and Dr. Richard A. Cheek and Dr. Rollin Russell served as Celebrants. Dr. George Gay, pastor of St. Stephen Church, Greensboro preached on the topic, "Obtaining Superior Knowledge", using Psalm 46 and Philip-pians 4:8-9 as the scripture passages. The anthem, "There Is A Balm In Gilead", was sung by the choir of St. Stephen Church. Ms. Geraldine Dillard was the organist.

The bar of the house was defined by Mr. Hargrove. Dr. Melvin Palmer served as parliamentarian for the Annual Meeting.

Dr. Richard A. Cheek, Associate Conference Minister, presented the following guests and new ministers: Reverend Richard Rinker, Southern Conference Minister of Christian Education, Miss Dorothy Ballinger, President of the Southern Conference, Reverend Bill Joe Willett, Reverend David Keller, Reverend Conrad Cornelius, Reverend Nancy Peebles, Reverend Archie Page, Reverend Edward Holloway, Reverend Elizabeth Cobb Davis, and Reverend Dale Davis, Jr.

A moment of silence and a prayer by Dr. Cheek commemorated the life of service given by Reverend Harold Hart, who died during the past year.

Minutes of the Seventeenth Annual Meeting were voted to be accepted as printed. Also, the Program was voted to be accepted as printed.

NOMINATING COMMITTEE: The Nominating Committee report was presented by Reverend Daniel Jones, Chairperson. (Exhibit No. 1A and 1B). A motion passed to accept the slate of officers, Board of Directors, and Commissions as there were no additional names nominated from the floor. The following recommendations by the Nominating Committee were presented by Reverend Daniel Jones:

- (1) The Nominating Committee should serve for a period of two years rather than one year.
- (2) Pastors should send in names of people and positions for which they are best qualified. Due to the lack of response from some churches, two names appear for the same office from the same church.
- (3) Dual slate should be discontinued.
- (4) Major offices of president, vice-president, secretary and treasurer should be staggered so all offices do not terminate at the same time.

Ballots were prepared and a vote was taken in the afternoon session.

CREDENTIALS COMMITTEE: Reverend William Smith reported the names of the ministers who had sent in excuses for being absent at today's meeting.

REPORT OF THE ASSOCIATE CONFERENCE MINISTER: DR. RICHARD A. CHEEK (Exhibit No. 2)

REPORT OF THE TREASURER:

Mr. Robert Reece, Treasurer, presented the (1) Financial Statement—January 1-December 31, 1984 (Exhibit No. 3), (2) The Financial Statement January 1-August 19, 1985 (Exhibit No. 4), and (3) The Proposed Budget for 1986 (Exhibit No. 5). A motion passed to accept the Treasurer's Report.

An address by Dr. Richard A. Cheek was given in which he stressed the positive feelings of most of the 118 churches in the WNCA towards the Association, the Southern Conference, and the United Church of Christ. We are a part of a denomination that faces the issues of the day.

Reverend Harold Holste, a member of the Board of Directors of Franklinton Center, gave a report of the progress of the Franklinton Center Campaign to raise \$300,000. He reminded us that Franklinton Center has always been a mission center and will continue to be. A Maintenance Manager has been hired and is doing an outstanding job, namely Bill Land. REPORT OF THE ASSOCIATE CONFERENCE MINISTER WESTERN NORTH CAROLINA ASSOCIATION

Annual Meeting: October 11, 1985

Annual reports, to some degree at least, represent the "flesh made word." And within the church and its various aspects of ministry, such reports are made because of our commitment to the "Word made flesh" in Jesus Christ. I hope as you read this and other reports that you will remember that statistics and names represent flesh and blood of individuals and congregations committed to witnessing to and sharing the Good News of the Gospel.

The first year has gone by . . . swiftly. The baptisms have been many in joy and by fire! I do want you to know that I am very pleased and happy to be your Associate Conference Minister. There are similarities between this kind of ministry and the parish, with many of the same things included. The big difference is that primary time allotments are not the same. I feel that I have made that adjustment and am rapidly feeling "at home" in this form of ministry, I appreciated the leadership of the Conference and Association when I began; after a year of working with them, I am even more appreciative. That is especially true also of Mrs. Jo Carpenter, our able and dedicated secretary.

Slowly, but surely I am making my way to the churches and pastors. Most of these visits have been on specific occasions; others have been less formal. I do strongly suggest that you take the initiative in inviting me to your church for a specific time (it does not have to be a special occasion). Like those of you in the parish, I tend to those calls that are pressing at the moment, and when they are numerous, there is less time for "general" visitation, though we all do as much of that as possible.

This year I will be making an address at the Association Meeting. Some of what I would ordinarily write, I will speak but I want you to have before you some of the major points I wish to touch upon as we look to the future and "move on and out" in realizing more fully the potential we have as a body of the people of God.

Some of the areas I wish to cover are:

1. A stronger sense of "belonging" to the Association, Conference and denomination: perhaps a "WNCA or Southern Conference Sunday" on an annual basis.
2. A goal of EVERY congregation making some contribution to OCWM, and a personal contact with every congregation by a stewardship representative.
3. A stronger commitment on the part of congregations to the well-being of our pastors and their families, including moral, spiritual and financial support.
4. An increased number of opportunities for churches in the various districts to come together for programs and emphases, particularly in areas of evangelism and education, but also for worship and fellowship.

There obviously are innumerable other areas of importance but I do hope to challenge us with some very attainable goals on a short-range basis as well as some long-range goals. "Priorities" is a term used by General Synod for the church-at-large; it is also a fitting term as we program for the future.

I urge you to read carefully the reports of the various commissions. Much effort has been put forth during the year. The results of the Task Force on Ministerial Standards has been acted on by the Conference and we will bring it before you at this meeting. This report is in line with our increasing efforts to lift up the opportunities and standards of ministry as it relates to the ordained, the licensed, the lay ministers, those holding Privilege of Call, and our students in care.

I want to commend our Association! Most of our churches are vibrant and making a significant witness, and all seeking to be faithful. While there will always be room for growth and improvement, many are supporting OCWM in very meaningful and proportionate financial contributions. May their tribe increase!

There were, of course, some disappointments during the year. The withdrawal of Apple's Chapel from our Association and the United Church of Christ was painful for all of us. The very weak conditions of some of our congregations is a major concern and we will work to help them grow stronger.

Below you will find the statistical report for 1984-85. You can easily see that we are an Association "on the move" in many ways; an Association that experiences all of the joys and sorrows that come to our congregations and individual members . . . because we are all part of the Body of Christ.

I. ORDINATIONS:

1. Dale Davis, Jr. at Brick, Whitsett, NC—11/25/84
2. Elizabeth Cobb Davis at Pleasant Ridge, Greensboro, NC—9/22/85

II. COMMISSIONS:

1. Charles Van Goor as Commissioned Worker at St. Matthew's, Maiden, NC—3/3/85
2. Mrs. Ginny Bunn as Commissioned Minister at Trinity, Conover, NC—8/18/85

REPORT OF THE COMMISSION ON
CHURCH AND MINISTRY
WESTERN NORTH CAROLINA ASSOCIATION**

Five meetings amounting to more than 30 hours of work were held by the Commission during the year 1984-85. At these meetings many interviews, examinations and decisions were made dealing with the standings of ministers, students in care, lay ministry, clergy in crisis, etc. Representatives of the Commission also attended at least seven other meetings with such groups as the Church Life and Leadership, Task Forces on Ministerial Standards and Clergy Support, as well as the Board of Directors Meetings.

STUDENTS IN CARE: At the present time there are 13 persons having student in care status attending colleges and seminaries. One meeting was held with the group during the year. From the list below you can see where they are taking their training and what year of study they are at present. The sum of \$3,800 in financial aid will be given to seven of the students for the academic year 1985-86.

1. Danny Harrell, Peace, Greensboro, Gordon-Conwell (2nd year).
2. Julia Myers O'Brien, Mt. Zion, China Grove, Duke University (2nd yr. Phd. Pr.).
3. Clifton Moone, Zion, Lenoir, Southeastern Theo. Baptist, (3rd Yr.)
4. Robert Thompson, First, Reidsville, Columbia Bible Col. (3rd year).
5. Phillip Myers, Mt. Zion, China Grove, Lancaster Theo. Sem. (2nd year).
6. Robert Eaddy, First, Salisbury, Howard University Sem. (1st year).
7. Alexander Jamison, Beulah, Liberty, Un. of NC-Ch. Hill (4th year)
8. Benjamin Whitlock, Tabernacle, Yadkinville, Southeastern Theo. Bapt. (1st yr.).
9. James Hamilton, UCC Mooresville, Hood Theo. Sem. (1st year).
10. Evelyn Hamilton, UCC, Mooresville, Hood Theo. Sem. (1st year).
11. Bland Leebrick, Jr., Peace, Greensboro, Duke Divinity (1st year).
12. Carol Dragos, Pilgrim, Charlotte, Awaiting a Call.
13. Timothy Kato, Wentz Mem., Winston-Salem, AT&T University.

The Commission is taking under consideration the possibility of having students undergo an evaluation after graduation from college before entering the seminary. This would be helpful to the student and to the Commission.

Dale Davis from the Massachusetts Conference was examined and granted ordination and installed as pastor of Brick UCC at Whitsett. Beth Davis graduated from Duke Divinity School, was examined by the Commission, granted ordination, and installed as pastor of Pleasant Ridge UCC-Guilford College. Ginny Bunn was examined after completing her studies and granted Lay Minister status in Christian Education.

MINISTERIAL STANDING: An annual update report from each minister was started this year and we have had excellent response. It helps the Commission to see the kinds of things all our ministers are doing and how their status is changing even with our retired ministers.

Following the studies and recommendations by a Task Force on Ministerial Standards of the Southern Conference in which the three Association Church and Ministry Commission shared, the Southern Conference adopted, at the Annual Meeting this year at Catawba College in June, a procedure for an alternate course reaching for professional ministerial standing.

This Commission recommends the Western N. C. Association adopt the following recommendations from the Southern Conference as follows: (Vote passed "A"- "G")

A. By special approval of the Church and Ministry Commission of the Association a person who cannot reasonably be expected to attain the preferred route to ordination may seek ordination by the alternate route.

B. He or she will have a high school diploma or its equivalent.

C. A course of study on the United Church of Christ, both local and national, will be designed, including:

. . . Auditing or completing all work for a UCC Polity course at college or seminary, or

. . . Completing a Commission sponsored course of study or approved independent study of the UCC under supervision.

D. An approved course of study which includes Bible, theology, homiletics, church administration, pastoral counseling, church history and Christian Education.

. . . This course of study could be pursued on a part-time or special student basis at a college, Bible Institute, community college or divinity school, as approved by the Commission.

E. The candidate will demonstrate competency in public speaking, communication, leadership and other basic skills through completion of academic courses or by other means as approved by the Commission.

F. Sufficient years, a minimum of three (3), of preaching and pastoral experience in the United Church of Christ will be required. In the case of a person from another denomination who seeks ordination in the UCC, the length of service prior to ordination will be no less than that required of UCC candidates.

G. These criteria having been attained, the candidate will then fulfill all the remaining requirements for ordination, as spelled out in the Manual on the Ministry. This includes the preparation of an ordination paper and examination by the Commission.

We commit ourselves, as always to a program of scholarship support for those preparing themselves for ministry.

A letter has been sent to each congregation with a copy of the "Recommended Salary Scale for 1986". This asks the church to give serious review to the salary and benefits of their minister. We are still near the bottom of the 39 conferences of the UCC in providing for our pastors.

The Commission is sponsoring an event for clergy of WNCA on **STRESS AND SELF-KNOWLEDGE** to be held in October. The Session will be held—one in the Catawba District and the other in the High Point area over a two-day period. The leader, Dr. Alfred Thomas, who is highly skilled in working with clergy and in using the Myers-Briggs test, will lead the group. Each congregation is urged to pay the cost of sending their pastor to this continuing education event.

A WELLNESS PROGRAM will also be started by the Southern Conference and the Pension Board to help ministers and their spouses take better care of their health. Explanation will be coming as to cost and procedure. Congregations are asked to help with the cost. This should assist ministers in having a better health record with less hospital costs thus premiums on our health insurance can be kept lower.

Ministers should be on the watch for an upcoming booklet prepared by the Task Force on Clergy Support that will give guidance to those who find themselves in emotional crisis. It will contain a list of counseling services available to ministers. There will also be some financial assistance for the cost of needed therapy.

We appreciate the excellent leadership given by our pastors to the congregations of the Western N. C. Association. We ask churches to assist us in undertaking and supporting those kinds of ministries that will enable us, not only to have the best trained leadership, but the most healthy, emotionally stable, and mature leadership.

Respectfully submitted,
G. Harold Myers, Chairperson

REPORT OF THE COMMISSION ON EVANGELISM
WESTERN NORTH CAROLINA ASSOCIATION

Early in its year of work the Commission on Evangelism of the Western North Carolina Association compiled figures of membership changes from the annual reports of churches within the Association. Our purpose was to compare these statistics of membership growth or loss with the 1984 membership goals and to thus help the Commission determine a proper course of action for the year. The tally revealed 692 additions and 653 losses with a net gain of 39 members for the 84 churches submitting reports at that time.

Each church within the Western North Carolina Association was urged, through the WNCA Newsletter, to form an evangelism committee. Less than one-third of the churches reported having an evangelism committee. The Commission believes the presence of such a committee working within the local church would increase involvement of both members and pastors in the vital work of evangelism and help them to become more intentional in the task.

The Association Newsletter was also used to draw attention to the Church Movers card provided by the denomination. Pastors are encouraged to send these cards to Conference or Association offices and to make visits after receiving the information.

The Commission made plans to offer programs on evangelism to the United Church of Christ ministeriums in the districts of the Association and the district-level Churchmen's Fellowships. The programs for the ministeriums are to emphasize advertising and the local church. The Commission considered this to be an important topic for at least two reasons: first, if churches would reveal the availability of services they offered, people would be drawn to the churches where their needs could be met. Secondly, the United Church of Christ continues to suffer an identity pro-

blem in most areas of the Association. Sharing the information of "Who we are" and, oftentimes, "Yes, we are here" may be beneficial to the local church's work in evangelism. These programs are being given in the early fall of this year.

Our thanks go to the pastors and laypersons of the WNCA and to Dr. Richard Cheek for their continued support of this Commission's work, a most essential ministry of the Christian Church today: the sharing of the Good News of Jesus Christ. May God's blessings be yours.

Steve Disher, Chairperson

REPORT OF THE STEWARDSHIP COMMISSION
WESTERN NORTH CAROLINA ASSOCIATION

Stewardship is a lifestyle—portrayed by Jesus Christ and available to all who desire to follow. The 1985 Commission on Stewardship would like to continue to emphasize this point, today and in the future. We feel that we, the member churches of the Western North Carolina Association of the Southern Conference, represent a group of followers who continue to work each year and grow in our own devotion to the Christian spirit of stewardship.

During the past year, the Commission on Stewardship was comprised of the following members: Rev. Charles W. Sigler of Faith, Dr. William C. Smith, Jr. of Greensboro, Dr. Roland F. Roehner of Asheville, Ms. Lacey R. Rankin of Troutman, Mr. Hubert Fleming of Salisbury, Rev. Harold Auler, Jr. of Asheboro, Rev. Nelson A. L. Weller of Winston-Salem, Ms. Margaret Byrd of Greensboro, Miss Wanda Carlton of Greensboro, Rev. Raymond Craven of Winston-Salem, who replaced the resigned member Rev. Lawrence Strunk, and the chairman, Mr. Kim W. Ridenhour of Greensboro.

As a commission, we sought to understand ways to improve the level of stewardship in our association. It was and is our goal to see the stewardship of each member church grow each year in support of OCWM, in support of the WNC Association, and at the individual church level. The OCWM goals that we as a commission set and challenged each church in our association to meet or to exceed are a step in the direction toward achieving this goal of growth.

As a commission this past year, we participated in and lead presentations on leadership development for church treasurers, stewardship leaders, and other laity. We worked with small ministerial groups in discussions of "Taxation for Ministers" and how these concepts affect the budget-making process of the church.

Being represented on the Southern Conference Stewardship Commission, the WNC Association participated in the formation of a five-year stewardship plan, of which you will hear more about in the near future. However, let me note that this five-year plan can be a most effective tool for uniting our goals and objectives in the WNC Association and collectively within the Southern Conference.

As we prepare for a new year, let us all pray that we make stewardship our lifestyle.

Respectfully submitted,
Kim W. Ridenhour, Chairman

(EXHIBIT NO.9)
COMMISSION ON CHURCH LIFE AND LEADERSHIP
WESTERN NORTH CAROLINA ASSOCIATION

The Commission has a large area of responsibility to the Church (please refer to the WNCA Articles on Commissions), but during the past year the Commission has focused its work on the development of lay ministry. This effort in turn relates to the larger arena of local church renewal with attention given to the ministry of laity in the church and in the world, i.e. what it means to be a Christian and the church today.

The Commission met four times during 1984-85. Three meetings were held at Calvary UCC in Thomasville and one at First UCC, Salisbury. During the meetings, discussions covered the following subjects:

- 1) making better known the "Catalog of Resources" from the National Office for Church Life and Leadership
- 2) models for training local church leaders
- 3) the 13th General Synod Pronouncement: "Empowering the Laity for Ministry"
- 4) the issue of women in church leadership positions
- 5) the work of the E & R Historical Society
- 6) spiritual retreats for WNC
- 7) CLAY pilot project at Grace (Lower Stone) UCC
- 8) the Proposal for Action on the Pronouncement: "Empowering the Laity for Ministry"
- 9) plans for an all day workshop with the Rev. Joyce Myers on the ministry of the laity.

By general consensus, the most overall beneficial activity of the Commission was the all day workshop with Joyce Myers. She brought her expertise with groups and her knowledge of biblical theology and local church life to help the Commission think through a useable program/model for lay ministry in the local churches. Representatives from the Conference associations were invited and much sharing and learning occurred. A solid foundation was laid for further work in this important area of church life.

Another program which received attention was the CLAY (Clergy and Laity Together in Ministry) pilot project at Grace (Lower Stone) UCC. This project which was part of a Conference-wide program, took over a year and a half to plan, organize and implement. CLAY is an ecumenical church group, based in Raleigh, which has as its mission the development of the ministry of the laity and the clergy. The CLAY program is built on individual commitment and involves eight two-hour sessions and a weekend retreat. The program at Grace (Lower Stone) UCC went very well and contributed much to the ministries of individuals and the local church. Detailed reports on the CLAY program were submitted to the Conference and WNC Association. It is a program that offers much for spiritual commitment and growth in faith to local congregations, and it needs to be further publicized and utilized.

With the above concerns and others, the Commission has made some significant headway. It has also been an advocate for the Pronouncement and the Proposal for Action on: "Empowering the Laity for Ministry," the latter was passed at the 15th General Synod in Ames, Iowa, the summer of 1985. But there is more to do in many areas to awaken, to stimulate and to inspire God's people—ministers and all—to further commitment and participation in God's work in the world and the church.

More resources, both financial and human, need to be given to the renewal of

the life of local congregations. Resource people from our UCC Office of Church Life and Leadership need to be further engaged in these efforts. Also other national/international church leaders could be invited for conferences, consultations, and workshops. Church life and leadership/servantship are the critical areas for the larger expression of the church in worship, in social action, in Christian education, in evangelism, in the outflowing ministries of the whole people of God. We must start with revitalization of the Spirit and faith within the local parish. The Commission on Church Life and Leadership needs to continue its work in church renewal and bring more resources and creativity to bear on the organization and activity of the church.

Respectfully submitted,
James L. Smalley

COMMISSION ON CHRISTIAN EDUCATION
WESTERN NORTH CAROLINA ASSOCIATION

The Commission on Christian Education met on November 11, 1984 at First United Church of Christ, Salisbury, with the following persons present: Mary Mills, Robert Myers, Beth Norris, Sandra Blair, Martha Fare and Larry Bolick. On April 18, 1985 at First UCC in Salisbury the following were present for a meeting: Paul Pickler, David Allgood, Robert Myers, Barbara Clyburn, Larry Bolick, Richard Rinker and Dr. Richard Cheek.

Robert Myers was appointed chairperson at the April meeting and Paul Pickler as Secretary. Larry Bolick continued as Youth Task Force Chairperson. A complete report on Youth Task Force will be found on a separate sheet.

Christian Education Associates were available to local churches or cluster of churches in the area of leadership, skills, curriculum, youth, study and planning. Larry Bolick and Ginny Bunn led a study at Corinth UCC in Hickory, Larry Bolick shared a session at Congregational UCC in Tryon, and Carolyn Myers conducted a session with adult teachers at Peace UCC, Greensboro.

A team of Creative Bible Study leaders were available to churches for Bible Study methods, ways and enlistment of persons to the written word of God.

A third group of persons, trained and in continued education workshops are available in the area of Family Ministries.

Contact and request for these can be made through the Association Office, Conference Minister of Christian Education or a member of the Commission.

Local churches can uplift and be effective in their local Christian Education by:

(1) Having a Committee on Christian Education that meets regularly, (2) conduction of teacher and officer training sessions, (3) taking a careful look at the resources of Shared Approaches, (4) making effective use of the leadership teams of the Association and Conference, (5) calling on our Conference Minister of Christian Education, and (6) using the resource center located at the Conference office.

(EXHIBIT NO. 12) REPORT OF TASK FORCE ON WOMEN

The Task Force on Women in Church and Society continues to try to bring before our people the many concerns affecting the role of women in our world today—thus affecting family life and including all ages and all women world-wide.

Matters such as: benefits (insurance, retirement etc.) for church employees whether part-time or full-time; employment of clergywomen as senior pastors; electing women to Boards and Commissions in local churches, Association and Conference; Child-care for all church events; Day-Care Centers for children of those employed in public

work; Support of those women who are full-time homemakers; concern for elderly women; concern for those in poverty bracket; laws affecting women; Abused women and children; and our list could go on and on.

But it is discrimination when women are underpaid because they are clustered in women's jobs—in some instances, women receive less salary and fringe benefits than their male counterparts even though women have similar or higher responsibilities, skills, educational credentials and years of service. In fact, in many instances, women make a contribution to our national output comparable to many men but receive less compensation.

We have come a long way—but we still have a long way to go and every day more concerns are appearing. Let us realize that "WE ARE THE CHURCH"—what are we doing to help alleviate some of the problems?

WESTERN N. C. WOMEN'S FELLOWSHIP
ANNUAL REPORT 1984-85

The District Representatives of WNC Women's Fellowship had a summer of workshops in each of our Western Districts. Our Theme, "Sent In The Spirit", was carried out in the September 14, Annual Fall Enrichment Meeting at the Hebron Church in Winston-Salem.

A talk and slides about Johns River Valley Camp (our project for the year) was given by Rev. Lee Jessup. Rev. Dick Cheek and his wife were introduced to all of us by Conference Minister, Rev. Rollin Russell. Rev. Jim Fatzinger gave a talk on teens which was one of our priorities.

The new officers were installed: First Vice President, Loretta Turner; Treasurer, Beverly Poole; Margie Weavil, District Representative from Davidson; Gladys Johnson, District Representative from Randolph; Alice Spuller, District Representative from Catawba and Jackie Taylor from Rowan. These ladies were installed by the President of Southern Conference, Julia Anne Williams.

News from the National Meeting was given by Doris Yeattes. Thelma Norfleet gave the plans for the expanded Summer Conference to be held at Elon College, June 9-12, 1985. The Summer Conference had the theme, "People in Faith" and was very successful yet smaller numerically in full-time registered ladies due to its early date. Rev. Joyce Myers showed her slides of South America and gave a lovely communion service.

All Districts did again have summer or early fall workshops. They introduced the program material for all Fellowships. This will be followed by a Fall Enrichment Meeting on September 14 at Trinity Church in Conover.

Yours in Christ,
Mary Smith, President

EXECUTIVE BOARD MEETING
CHURCH WOMEN OF THE SOUTHERN CONFERENCE UCC
June 19, 1986

The Executive Board of Church Women of Southern Conference met on June 19, 1986, at Catawba College. Those attending were: Julia Anne Williams, Doris Yeates, Dorothy Jolly, Cynthia Buckwell, Loretta Turner, Sarah Whittington, and Josephine Squires. The meeting was called to order at 7:00 p. m. by the president, who led in a worship taken from "Daily Word" followed by prayer.

The agenda for the June 20 Annual Meeting was distributed. Dates for Fall Enrichment meetings are as follows: September 11 (Western N. C. Association—St. Stephen, Greensboro), September 12 (Eastern Va. Association—place to be announced), and September 13 (Eastern North Carolina Association—place to be announced). The Leadership Training will be held in each association this year as follows: October 11 (Eastern North Carolina Association), October 12 (Eastern Virginia Association), and October 18 (Western North Carolina Association). The Regional Meeting in Monteagle, Tennessee will be October 9-11, 1987, and Doris Whitaker has been named to the PLanning Committee for the Southern Conference. Summer Conference for 1987 will be chaired by Beth Wilkins and Doris Whitaker. It will be held at Elon College.

Vera Parker sent word that ten scholarships have been awarded from the James H. Lightbourne, Jr., Scholarship Fund, and that this almost depleted the available funds.

Members of the Board volunteered to help with the installation of officers at the Annual Meeting using the printed material from the **Celebrations** booklet in the "Eye of the Needle" packet. The president was authorized to ask Carol Diehl to serve as parliamentarian for the meeting.

Sarah Whittington submitted the treasurer's report complete through June 17. She reported that again this year the budget was not met. This is at least the third year in succession that there has been a shortfall.

Dot Jolly made a motion and seconded by Loretta Turner that the Lightbourne Scholarship Fund have an additional certificate available to honor a UCC person in addition to Life Memberships and Memorials, and that these be no less than \$25.00, but could be more. The motion carried.

Cynthia Buckwell moved that the project for 1987 Summer Conference be the Emily Lester Fund. This motion was seconded by Loretta Turner and was passed unanimously.

The president offered to represent Southern Conference at the Great Lakes Regional Meeting this fall if her schedule permitted. The General Synod XVI will again honor women from each conference.

The group expressed appreciation to Martha Fairbank for all the advance pre-planning and preparation for Summer Conference 1986. Julia Anne Williams expressed her deep appreciation to boards, past and present. The board thanked her for four years service as leader.

The meeting was adjourned, and Josephine Squires led those present in a closing prayer.

Respectfully submitted,
Doris Yeates, Substitute Secretary

**CHURCH WOMEN OF THE SOUTHERN CONFERENCE
UNITED CHURCH OF CHRIST**

June 20, 1986

The Twentieth Annual Meeting of the Southern Conference Church Women was called to order by President Julia Anne Williams in Hedrick Auditorium on the campus of Catawba College on Friday, June 10, 1986, at 3:30 p. m. President Williams commended Martha Fairbank on a great beginning for Summer Conference and called on Josephine Squires to lead in prayer.

The Executive Board, seated on the stage, was presented, and the Minutes of the Nineteenth Annual Meeting were approved as printed in the Yearbook, pp. 12-13. Sarah Whittington, treasurer, gave her report, and it was accepted by those present. Association reports were submitted by their respective presidents and accepted as printed in the Yearbook, pp. 23-26, (ENCA—Dot Jolly, EVA—Thelma Norfleet, and WNCA—Cynthia Buckwell). The president's report was read from the Yearbook, p. 10, with additional comments by her. This report was then accepted.

A motion was made that an additional certificate be authorized for the James H. Lightbourne, Jr., Scholarship Fund to honor UCC persons. These certificates would be in amounts of \$25.00 or more as recommended by the Executive Board. This will increase the funds in this amount, hopefully. The motion was duly seconded and passed.

The Board recommended that the Emily Lester Fund be the project for the 1987 Summer Conference. This was passed after being duly seconded.

Josephine Squires announced that there were no changes recommended for the working rules, and her report was accepted as printed in the Yearbook.

Doris Yeattes announced the following dates:

- Fall Enrichment Meetings—Sept. 11, Western N. C. Association
- Sept. 12, Eastern Va. Association
- Sept. 13, Eastern N. C. Association
- Leadership Training—Oct. 11, Eastern N. C. Association
- Oct. 12, Eastern Va. Association
- Oct. 18, Western N. C. Association

Southern Regional Meeting, 1987—Oct. 9-11, Monteagle, TN

Upon the recommendation of the treasurer, the proposed budget was adopted as printed on p. 22 in the Yearbook. It was noted that there had been a proposed increase of fifteen dollars for each women's group as of the 1985 Annual Meeting, and that some churches had failed to comply, perhaps due to a gap in communications. The treasurer expressed confidence that the increase should take the treasury out of the red.

Rachel Wallace gave an update of Southern Conference Church Women from 1966 to the present and the history of the Congregational Christian Women from 1940 to 1966. This committee plans to compile information about the Women of the Convention of the South and Southern Synod to further update the historical data.

Vera Parker gave an explanatory report on the two scholarship funds operated by CWSC, and her report was accepted.

Susie Keele reported on the Task Force for Women in Society. In addition to the report printed in the Yearbook, it was noted that the Task Force co-sponsored a retreat at Franklinton on "Advocacy."

The report on UCC Women in Mission was presented by Doris Yeattes and accepted.

Martha Fairbank reminded the group to join the Fellowship of the Arts by using the blank in the Yearbook.

Outgoing officers were reminded to turn their notebooks over to the newly elected officers for a smooth transition. Doris Hartzog gave the report of the Nominating Committee, recommending the election of: Thelma Norfleet, President; Faye Humphrey, First Vice-President; and Beth Wilkins, Secretary. These three were elected by acclamation. The service of installation was conducted by Julia Anne Williams and assisted by board members. The service was taken from the Celebration booklet in the "Eye of the Needle" packet.

Thelma Norfleet received the gavel from outgoing President Williams and dismissed the Twentieth Annual Meeting of Church Women of the Southern Conference. The meeting was declared adjourned.

Respectfully submitted,
Doris Yeattes, Substitute Secretary

Vote 10: That we adopt the Resolution on Racial and Religious Violence as presented by the Christian Social Ministries Commission.

RESOLUTION

WHEREAS racial and religious intimidation and violence is unconscionable, undemocratic, un-American, and un-Christian, and

WHEREAS the General Synod of the United Church of Christ has a long history of declarations against such acts of bigotry and hatred, and,

WHEREAS the Southern Conference overwhelmingly affirmed the resolution against racial and religious violence presented at the Annual Meeting of 1986, and,

WHEREAS there exists a number of activities and opportunities by which church members in the Southern Conference may respond directly to this area of concern,

THEREFORE BE IT RESOLVED that the 1987 Annual Meeting of the Southern Conference of the United Church of Christ

1. Supports the N. C. Council of Churches and North Carolinians Against Racial and Religious Violence in their efforts to promote the passage of legislation in the 1987 N. C. General Assembly dealing with racial or religious violence and intimidation (providing that such proposed legislation does not infringe on constitutional rights or freedoms), including legislative action making crossburning and the operation of a paramilitary organization felonies instead of misdemeanors, and bills promoting non-interference with civil rights.

2. Supports the Virginia Council Council of Churches and other advocacy groups in the promotion of similar legislation in the Commonwealth of Virginia.

3. Calls upon the newly appointed members of the Governor's Task Force on Racial and Ethnic Violence and Intimidation to pursue their objectives which include establishing a uniform statewide system for reporting acts of bigoted violence, a statewide assistance and support network for victims, and educational programs for the public and law enforcement officials.

4. Calls upon the Governor of Virginia to establish a similar Task Force or Commission.

5. Urges prosecutors to aggressively enforce the existing laws designed to prevent and discourage racial and religious violence and to place a priority upon pursuing indictments against members of any white supremacist organization engaged in illegal activity.

AND BE IT FURTHER RESOLVED that the 1987 Annual Meeting of the Southern Conference charges the Christian Social Ministries Commission to,

1. Cooperate in the establishment of a support network and legal referral service for victims of racial harrasment or violence,

CHRISTIAN SOCIAL MINISTRIES COMMISSION

Vote 12: That we adopt the Resolution on Selective Conscientious Objection as presented by the Peace Task Force.

RESOLUTION ON SELECTIVE CONSCIENTIOUS OBJECTION

WHEREAS the scriptures teach that there is no authority greater than God, and that all principalities, powers, and rulers stand under God's judgment; and

WHEREAS the apostles affirmed that the church must be faithful to God when they were forced to choose between obeying God or the authorities by declaring, "We must obey God rather than people" (Acts 5:29); and

WHEREAS historically, the just war theory has been used to declare some wars justified, which implies others are not; and

WHEREAS the churches in America were founded by people seeking the freedom to worship and serve God as their conscience dictated; and

WHEREAS the advent of nuclear weaponry creates profound moral dilemmas for those who are willing to defend their country; and

WHEREAS in 1967, the General Synod of the United Church of Christ recognized the status of selective conscientious objection; and

WHEREAS the status of selective conscientious objection is not now recognized as a legal option;

RESOLUTION

WHEREAS the Coordinating Center for Women was created in 1979 at General Synod 12 as part of the Office of the President of the United Church of Christ to articulate and coordinate the concerns of women throughout the church;

Vote 15: That we adopt the amendment to the resolution on Health and Wholeness In the Midst of a Pandemia. Line 1 of Therefore LET IT Be Resolved that should be amended to read: The Christian community encourage the development and affirmation of lifestyles consistent with the teaching of Christ and the New Testament as a whole.

Vote 16: That we adopt the Resolution on Health and Wholeness in the Midst of A Pandemia as amended.

A Proposed Resolution

HEALTH AND WHOLENESS IN THE MIDST OF A PANDEMIA

We, who accept the call to embody God's love in our own time, will, like Jesus, walk and talk with the ill and their families; we will confront the narrow prejudices that have caused society to isolate and judge the ill; we will encourage the living out of responsible personal relationships grounded in our Christian faith; and we will carry the vision of wholeness that we know through the life, death, and resurrection of Christ.

WHEREAS, when Jesus walked among the people of Galilee and Judea, teaching and healing, the depth of his love and the clarity of vision enabled many who followed him to say that in this person I have touched the Holy, and because of him I am whole, and so in the midst of their personal brokenness and community unhealth they could affirm their wholeness,

AND WHEREAS, toward the end of Jesus' life, he commissioned his disciples to preach, to teach, and to heal in his name, and we, like they, have been called to embody God's love in our own time.

AND WHEREAS the World Health Organization has described the spread of AIDS as a "health disaster of pandemic proportions", estimating that 100,000 now have AIDS with as many as 10 million more infected with the virus that causes AIDS, and that it is expected that 100 million persons could be infected with the AIDS virus within the next five years.

AND WHEREAS, until a cure is discovered, all those diagnosed with AIDS are expected to die from its effects.

AND WHEREAS AIDS is an infectious disease, caused by a retrovirus, and is spread through sexual contact with infected persons, the use of contaminated IV needles, contaminated blood transfusions, and by an

infected mother to her fetus during pregnancy or to her child at birth.
THEREFORE, LET IT BE RESOLVED THAT:

1. the Christian community encourage the development and affirmation of lifestyles consistent with the teachings of Christ and the New Testament as a whole.

2. all persons be educated about the pandemic and about prevention of AIDS in ways that enable them to work through their fears and prejudices and convince them to adopt effective preventative behavior. This would include, but not be limited to:

a. discussions in the home and in the faith community concerning Christian social and sexual ethics.

b. sex education beginning during the early elementary school years, taught by the family, the faith community, and the educational system.

3. persons with AIDS and their families deserve sensitive pastoral care, comprehensive quality medical and social services, housing, and health care insurance.

4. persons with AIDS need to be assured that their jobs are secure. In order to assure employment security, employers, including United Church of Christ entities, need to develop just employment policies and practices.

5. the right to privacy needs to be assured by local, state, and federal governments, guaranteeing individuals confidentiality of medical information gathered through the treatment and testing of AIDS.

6. research, service, education and prevention become a global priority: the responsibility of all persons.

7. the Church unite in prayer for the realization of the vision of wholeness for all the people of God, especially in relation to the AIDS pandemic.

8. This resolution will be forwarded to the Sixteenth General Synod of the United Church of Christ.

Vote 17: That the Southern Conference of the UCC meeting in regular annual session, May 7, 8, 9, 1987 affirms its affiliation with the United Church Retirement Homes, Inc. and urges the Legislators of the State of North Carolina to pass appropriate legislation to assure the continued tax exempt status of church related retirement homes.

Vote 18: That we express appropriate appreciation for the management of the Virginia Beach Civic Center for use of the Building.

Vote 19: That we express appreciation to the Planning Committee, the program committee, the various committees in the Eastern Virginia Association, The women of the churches in Eastern Virginia for the reception on Friday evening, and all who worked to make the meeting possible. That we express appreciation to Mr. George Cannon for serving as the music leader, and to the Rev. Wayne Gardner for serving as the accompanist.

Vote 20: that \$3,000 be added to the line Item 6 in the budget for the purchase of VCR equipment.

Vote 21: that the proposed 1986 budget be adopted as amended.

Lay Minister; three persons for the category, Commissioned Lay Worker; two persons for the category, Licentiate; one person for the category, Full Ordination.

The commission also asked for the approval of five transfers into the Eastern Virginia Association.

Noted from the floor that Mr. Clifton Lassiter is no longer a member of the United Church of Christ. Also noted from the floor that the Reverend Eddie Walker transferred from Eastern North Carolina Association rather than Pennsylvania South East. The report was accepted.

Stewardship Commission (See Exhibit #7). The report was given by the Reverend Paul Varga, chairman of the commission. The report put special emphasis on the timely giving of OCWM. Hunterdale UCC was recognized for being the highest giver to OCWM, and Dendron UCC was recognized for being the highest in per capita giving. Churches that paid their assessments in full and those that showed an increase in OCWM for 1985 were also recognized.

The report emphasized the availability of speakers during the month of November. Churches were urged by the chairman to make known their desires to use these resource persons, which include missionaries and corporate board members of the United Church of Christ.

Evangelism Commission (See Exhibit #8). The report was given by the Reverend Cecil Smith, chairman of the commission. The report noted the successful training event held last April hosted 138 persons. The report also noted the successful pulpit exchange that involved in excess of 20 pastors of the association.

The commission adopted the general theme, "Church Growth", to coincide with the overall theme of the annual meeting. The commission will sponsor additional training events and pulpit exchanges in the coming year. All churches were asked to make church growth their top priority.

Christian Social Ministries Commission (See Exhibit #12). The report was given by the Reverend Donald R. Chick, chairman of the commission. The thrust of the commission's efforts last year centered around the Virginia Lottery, housing for the homeless, and information for pastors on available human services opportunities.

The impact of the church has been felt in the fight to prevent the lottery and gambling from coming to the Commonwealth of Virginia. The United Church of Christ has been working in close cooperation with other denominations in this area.

The report further noted success in finding some available shelter for

the homeless and the dissemination of information to pastors interested in human services opportunities.

The commission will continue its efforts in the areas noted during the coming year.

INTRODUCTION OF NEW MINISTERS AND SPECIAL GUESTS

Introductions were made by Association Minister, Dr. L. Bill Simmons. New ministers as follows:

1. Dr. Merle Correll, pastor, Bethlehem United Church of Christ. Transferred from Pennsylvania Western Association.

2. The Reverend Eddie Walker, pastor, Windsor United Church of Christ. Transferred from Eastern North Carolina Association.

3. Dr. Paul Carmany, pastor, Suffolk Christian Church. Transferred from Eastern Ohio Association.

4. Chaplain Richard McCullagh, United States Navy. Transferred from Central Atlantic Association.

5. The Reverend Robert Larson, retired minister. Transferred from Pennsylvania Southeast Association.

Special guests included:

1. Dr. George Gay, pastor, St. Stephen United Church of Christ, Greensboro, North Carolina.

2. The Reverend David Ishe, Virginia Council of Churches.

3. Mr. John Mays, Catawba College.

4. The Reverend Richard McBride, Chaplain, Elon College.

5. Dr. Rollin Russell, Southern Conference Minister.

6. The Reverend Richard Rinker, Southern Conference, Minister of Christian Education.

Eastern Virginia Association Minister's Report (See Exhibit #10). The report noted most churches of the Association received new members in 1985, but the overall net growth in membership was shown only by 26 churches of the total 66 Association churches. Church growth should be the top priority of all our churches.

Regarding contributions to our denomination's wider mission, we have a long way to go to meet the 10% of income requested by the Southern Conference.

The results of a ministerial support survey was presented for consideration by the delegates. The survey showed that the churches of the Southern Conference rank near the bottom in ministerial salaries and support. Delegates were asked to review the survey results with their congregations when they return to their home churches.

CATAWBA COLLEGE REPORT—MR. JOHN MAYS

The report noted the campaign for excellence and capital improvements underway at the college. The college needs the continual support of all the churches of Eastern Virginia Association. The college is grateful for all past support.

The churches were asked to put Catawba in their annual budgets, and

were invited to visit and observe what is taking place on campus.

ELON COLLEGE REPORT

Report expressed appreciation for past support of Elon College, and the appeal was made for continued future support. Churches were made aware of the benefits of the college in the areas of scholarships and financial support for students desiring to attend the college. Churches were asked to include both our Southern Conference schools in their budgets. Brochures describing the beautiful campus and the aims of the institution were made available to all the delegates.

Church Missionary Association—The Reverend Robert Bennett (See Exhibits #9A & 9B). The report presented the financial status of the Association. In summary:

Total Receipts	\$ 7,147.94
Total Disbursements	6,535.33
Total Certificates of Deposit	120,483.06

The recently developed Working Rules for the Christian Missionary Association (CMA) were presented for action by the delegates. The financial statement and the working rules were accepted as presented.

CMA celebrates 95 years of service in 1986. For this occasion, a birthday cake was shared by all.

MEMORIAL SERVICE

The memorial service for deceased members of the association was eloquently conducted by the Reverend Joseph M. Copeland, pastor of Union United Church of Christ, and chairman of the commission on Church and Ministry.

SOUTHERN CONFERENCE MINISTER'S REPORT— DR. ROLLIN RUSSELL

The conference minister reminded us of the support we give to more than 200 missionaries worldwide. Churches were invited to meet some of these persons who will be convening in Raleigh, North Carolina, in November.

The report noted the distribution of hay for the farmers of North Carolina who have suffered because of the drought this summer. Surplus hay was shared with the Southern Conference by church persons in other conferences and affiliations.

Adequate compensation for our ministers is another item that needs priority status in our local churches.

The report introduced the South African Correspondence program, whereby our churches will be brought into closer contact with our UCC churches in that suffering part of the world.

The upcoming trip to the Middle East by the conference minister will provide a closer look at the Palestinian refugee situation. More about the trip will be made available through other media.

Presentation of Proposed Budget—The Reverend Paul Varga (See Exhibit #11).

1. Administration -----	\$6,500.00
2. Outreach -----	900.00
	<hr/>
Total proposed -----	\$7,400.00

Proposed Budget accepted.

Christian Education Commission—The Reverend Winston E. Waugh (See Exhibit #13). The report outlined the aims and concerns of the commission based on what they felt the churches expected of them.

The commission will sponsor a seminar for Sunday School teachers, utilizing teacher input jointly with commission resources.

Literary materials, visual aids, etc., will be gathered from appropriate sources and made available to Sunday School teachers.

Christian Education month will be promoted putting emphasis on Sunday School growth and expansion. Each church will be asked to participate and make suggestions for the success of the commission and its work.

Disaster Response Network Plan—Mr. James R. Ramborger (See Exhibit #15). All congregations have been informed concerning this program, and some progress has been made toward the goal of full participation by the churches of the Association.

The committee has met with all Tidewater Civil Defense Directors, and has plans to meet with other denominations associated with the Virginia Council of Churches.

Delinquent churches were urged by the committee to complete the shelter release forms and the "A" and "B" forms currently in the hands of the churches. Disaster preparedness depends on all of us.

FINAL ACTIONS OF THE ANNUAL MEETING

The motion to have Eastern Virginia Association write Governor Baliles urging him to use the power of his office to take action on the Route 58 Suicide Strip, east of Emporia, Virginia, was made.

New members of the Board of Directors, Virginia Council of Churches delegates, and General Synod delegates were installed by the Reverend Thomas Britton.

Exhibit #14—Task Force on Women in Church & Society & Exhibit #16—Seashore State Park are included for record.

The seventeenth annual meeting of Eastern Virginia Association adjourned on a note of cordiality at 3:20 p. m.

As part of this report you will find enclosed with your materials this homework we assign to you today. PLEASE RETURN THIS TO US AS SOON AS YOU CAN . . . YOU WILL BENEFIT FROM THIS!

We thank you for your assistance and we look forward to sending you a valuable resource for your ministry early in 1987.

**EASTERN VIRGINIA ASSOCIATION
REPORT OF THE STEWARDSHIP COMMISSION**

The primary focus of the Stewardship Commission during the past year has been to work in cooperation with Woodrow Piland, our Stewardship Associate, in initiating the 5-year Stewardship Plan which was adopted by the Southern Conference to assist local churches in developing stronger stewardship programs. Mr. Piland has received 5 Mission Interpreters, each of whom has been assigned a group of churches with whom to work. They are: Dan Bowers, Robert Forbes, Robert Marr, Aubrey Todd and Julia Anne Williams. Each local church has been asked to designate a Stewardship Representative to act as a liaison between the Association and the local church. Thirty-six churches have responded.

On March 1, a workshop was held at Bethlehem Christian Church to offer practical help to local churches. Presentations were made on the Five-Year Stewardship program, the Biblical and Theological basis of Stewardship, how to develop a budget and four stewardship programs that have been successful in specific local churches. Forty-six persons were in attendance.

During the week of April 13-17, Nan and Dick Engstrom, missionaries from the Marshall Islands, visited in five of our churches: Bethlehem Christian, Eure, Holy Neck, Portsmouth United and Union, Norfolk.

The Annual Meeting of the United Church Board for World Ministries will be held in Raleigh, N. C. on November 14-17. Speakers—missionaries, former missionaries, staff, corporate board members—will be available to speak in local churches. Churches have received information concerning how to take advantage of this excellent opportunity. Five missionaries will be available to EVA churches at varying times between November 3-24, on Sundays and weekdays. Other speakers will be available on November 16. Make arrangements through the EVA office. So far, 11 churches have requested speakers—Portsmouth United, Holland Christian, Suffolk Christian, Warwick, Fellowship, Windsor, New Hope-Norfolk, First Congregational, Richmond, Hunterdale, Pembroke Manor and Lynnhaven Colony. It is hoped that car pooling can be arranged. Churches can still sign up.

Churches have been encouraged to make OCWM payments monthly to the Conference Office and have received quarterly reports on their payments. All churches have received suggested goals for 1987. Two basic guidelines have been followed: One, goals have been established on the basis of \$10 per number of members reported to the Conference's annual Year Book; Also, considered is the church's goal for 1986 and how much they actually paid in 1985. Churches already giving \$10 per member, or more, are requested to increase their giving by 5%, which is the

amount of the increase in the conference budget for 1987. Early in 1987, each church will receive a card to report their adopted goal.

In conclusion, the Stewardship Commission has prepared the proposed budget for the coming year. Increases are based on spending for 1986, increased cost and the addition of the Disaster Network.

EASTERN VIRGINIA ASSOCIATION
EVANGELISM COMMISSION

Our Commission has met twice since our Board of Directors meeting last March. At our first meeting which was held April 21st, we discussed and reviewed our training event, which had about 138 persons in attendance and our Pulpit Exchange, which had involved more than twenty pastors and churches participating in the event. Our next Pulpit Exchange will be the Sunday after Easter, April 26, 1987.

We agreed at our April meeting that when our Association met in the fall that CHURCH GROWTH and SPIRITUAL RENEWAL would become the general theme of the Association Meeting this year pending clearance with our Association Board of Directors' Executive Committee. Dr. Simmons would clear this at their next meeting.

At our meeting on September 22, 1986, we made further plans for our Association meeting scheduled for October 9th, since we had the "GO" from Dr. Simmons. Preacher for the event and five workshops with leaders for the various workshops were discussed and contacts are presently being made and will be confirmed with "CHURCH GROWTH" being the general theme throughout: Church Growth through the Sunday School, News Letters as a way of Outreach, Activating the Evangelism Committee in the Local Church, Church Promotion, Minister's Salary, as A Happy Minister Is A Productive Minister. Slides on Church Growth for the entire assembly were discussed . . . and hopefully will become a reality for our Association this year.

Our next training event for those churches that have begun the two-year program and have covenanted together for CHURCH GROWTH will be held on November 2nd at Bethlehem Christian Church. Various assignments to committee members were made for this event in helping it to run smoothly and hoping it would be another great time of learning and sharing together. Since our last training event and throughout this year, we have heard and continue to hear good news from our churches that are in process of doing many things in way of CHURCH

GROWTH. Church signs, church brochures, greeters are among the most talked about things and ways . . . of helping our churches to grow.

At our Conference level of Evangelism, most of us are aware of the training event held in Burlington on September 20th on Spiritual Renewal & Church Growth with about 160 persons from our Conference in attendance. This event had three sermons with three different preachers and six workshops—that is three workshops held twice. This was a long day for those in attendance from EVA, but a good one. Many of our people have suggested that we have a similar event here in EVA next year. Our Commission will consider this at our next meeting for next year. Thank you for your consideration and support in this matter for next year here in Eastern Virginia and let's keep Spiritual Renewal and CHURCH GROWTH as "TOP PRIORITY" and we will see our churches grow spiritually and in numbers . . .

Respectfully submitted,
Rev. Cecil Smith, Chairman

P.S.: This is our second year as we function as a separate commission and there is still much to do . . . Praise the Lord!!

CHRISTIAN MISSIONARY ASSOCIATION REPORT**

The Executive Committee of the Association has met twice during the past year. This year, 1986, we celebrate the 95th Anniversary of the Association. The Constitution and By-Laws were updated at the last meeting of the Executive Committee.

We conducted our annual funding campaign on CMA Sunday, September 28th. There was advance notice given of this event in the way of letters and brochures that were sent out to all members of CMA and all churches.

We look forward to many years of service in the future to this fast growing area of our Church, Conference and Association. We urge churches to take seriously the idea of individual memberships for their members and also the idea of memberships for organizations within the church such as Men's and Women's Fellowships.

The report of the Treasurer will be given by Rev. Robert Bennett.

ASSOCIATION MINISTERS REPORT**

As we celebrate the 17th Annual Meeting of the Eastern Virginia Association, it would be fitting for us to review our mission as an Association.

Currently we have 66 congregations with 11,152 members. In 1985 forty-five congregations (68%) reported receiving new members; however, only 26 churches reported a net growth in membership. Church growth should be the major priority of all our churches in the coming year.

In the area of Stewardship, I am pleased to report that we are not a poor Association. Our members contributed a total of \$2,547,113 through their local churches. For local expenses, which includes capital payments, our congregations paid out \$2,399,169. In benevolences we contributed \$93,460 to Our Church's Wider Mission (OCWM) and \$54,484 to Other Gifts. We donated 3% of our income to OCWM and a total of 6% to all benevolent causes. The minimum request of the Conference is 10% of our income to OCWM. We have a long way to go to meet this challenge, but we can do it.

A major concern of our Association is our ministers' compensation. A recent survey of our EVA clergy revealed that the average salary is only \$14,818. The denomination average is \$25,600 which places our

ministers in one of the lowest scales in the denomination. It is time for local churches to make a total commitment to improve this situation.

**EASTERN VIRGINIA ASSOCIATION
SOCIAL MINISTRIES COMMISSION REPORT**

The three (3) basic objectives for this year are:

- A. The Virginia Lottery (State Gambling)
- B. Housing for the Homeless
- C. Information to the pastors on Human Services opportunities in the community.

A—State Lottery issue in the General Assembly, January 1986. The means in dealing with the issue was working with V.C.C. Social Concerns Committee. We formed an incorporated group called Virginians Against State Gambling. We raised \$7,000.00 plus, and engaged a lobbyist. We brought in outside V.C.C. groups in cooperation, such as the Southern Baptist, Church of God and the Association of Independent Baptist. Again September 1986 using Assembly Delegates as A Witness.

Methods Used were:

1. Organize state-wide writing networks to the Delegates.
2. Lobbying ourselves as a unit to the Legislation using the Legislature's own policies, practices, and procedures, and becoming

bonafide witnesses before the General Laws Committee.

B—Shelter/Housing for the homeless. There is no question as to the need.

Most of us are insulated away from the people and have no idea of their trauma or needs. This can be a viable ministry under the responsibility of the shadow of the local church and church community. It is our Wesleyan Heritage.

1. We were looking for existing facilities.
2. How we can give our support.
3. Where other facilities are needed (Suffolk), and
4. How to get local church involvement.

We found:

The Norfolk Emergency Shelter "Dwelling Place", 37th and Colley Ave., a former convent of the Blessed Sacrament Church. An ecumenical non-profit agency supported by donation. Voluntary workers are needed. Call Lewis Fleming, 9:00 P. M. at 624-9879.

The Union Mission has individual room and dormitory. Families are taken in. Some temporary jobs are available and job leads are given.

Portsmouth P. A. R. C. Place, temporary shelter for families. Time: up to 30 days. Place: Dale Homes Recreation Center, Columbus Avenue. Counseling, job finding, and affordable housing services are offered. Opening date: April 1986. They need donations and pledges \$1-\$3,000. Volunteers are needed. Mailing address: P. A. R. C., P. O. Box 1183, Portsmouth, VA 23705.

Virginia Beach, home sharing, Samaritan house, Mrs. Lee 463-9511.

C—Information to pastors on Human Services opportunities in Norfolk, Portsmouth, and Virginia Beach.

1. The Vietnam Veteran and his problems (special Tidewater group).
2. Study of Vietnam Veterans Vet High Prone Suicide Rate (special Tidewater group).
3. Preacher, The Morning After,
4. Why Children run away,
5. Housing for the homeless—Norfolk/Portsmouth.
6. Don't be so sure your kid isn't on Drugs.

Rock Church has its own network for food, shelter and jobs.

Suffolk, The Social Services and Salvation Army is trying to start a shelter. They deeply desire Suffolk Churches' participation and input.

Please contact Salvation Army, Suffolk, Virginia, Phone 539-5201.

**EASTERN VIRGINIA ASSOCIATION
CHRISTIAN EDUCATION COMMISSION REPORT**

The Christian Education Commission has had three meetings since January of 1986. During these meetings we wrestled with the question of how to make the Commission meaningfully responsive to the hopes and expectations of our churches. After listening to the concerns of the mem-

bers present, we concluded that those concerns were pretty close to a sampling of what our churches expected us to do.

We decided on the following:

1) to convene a Sunday School teachers' seminar to secure contributions from these teachers as to how we can best help; to update teachers on various modern teaching methods that are available; and to guide especially older teachers as to how they may best relate to young people whose value systems may be at variance with theirs.

2) to gather together teaching resources such as literature, puppets, flannel boards, audio visual aids, etc., so that teachers may be aware that there is a wider variety of teaching helps available to their Christian Education program.

3) to promote a Christian Education month, with emphasis on Sunday School growth and expansion. Each congregation would be asked to conduct its own program, but we would make suggestions as to what could be done to facilitate this program. A "BRING A FRIEND" month was also suggested. During that month Sunday School children would be asked to bring a friend, or as many friends as they can, to their Sunday School. The Child who brought the largest number for that month would be awarded a book prize, or whatever prize the individual church deems appropriate.

These decisions are still being firmed up. We have written to David C. Cook Publishing Company, the Winston Press, the Augsburg Publishing House, the Standard Publishing Company, all of which deal with Christian Education materials. At any time now we hope to get our teachers together for our first seminar.

**EASTERN VIRGINIA ASSOCIATION
TASK FORCE ON WOMEN IN CHURCH AND SOCIETY**

Greetings in peace and sisterhood!

"It was the best of times, it was the worst of times . . ." When Dickens penned this phrase over 125 years ago, I'm sure he never imagined how widely used it would become. Yet, it is an apt, if overused, phrase for today. We are living in the best of times. There are many UCC women actively involved in church and society throughout the world. Yet, we are simultaneously living in the worst of times. A majority of the world's poor are women and children; pay inequity still abounds; many of the women seminarians will be denied employment in our churches—solely because they are women. Many competent women

the world over are often denied access to jobs—often not even considered—because they are women. Anyone who is concerned with the status of women in all aspects of life, as well as justice for women and all minorities, should be concerned about the state of affairs which face us daily.

The EVA Task Force on Women in Church and Society stands proud in our concern with issues that face and affect all women in today's world. We continue in the Task Forces' tradition of lending moral support to all women seminarians and women ministers in EVA and throughout the Southern Conference. We continue to encourage churches who are seeking to fill a pastorate to consider a female candidate. We ask that each church try to have a woman fill the pulpit at least once during the year; and we continue to strongly encourage the use of inclusive language in all aspects of worship.

There are many things we believe and many causes we support, both individually and as a Task Force. The "feminization of poverty" is just one of many.

In order to increase our visibility throughout EVA, we are currently at work on a woman's calendar to be presented to each church for use of the Women's Fellowship, or however the church sees fit.

We need your co-operation, your support, and your prayers.

In the spirit of Christ,
Respectfully submitted,
Marilyn Dallman Seymour, Chairperson

**EASTERN VIRGINIA ASSOCIATION
DISASTER RESPONSE NETWORK PLAN REPORT**

No Committee Meeting has been held since April 6th, but committee members have been actively working with EVA Churches toward completing Shelter Releases and "A" (Personal Services) and "B" (Equipment) Forms.

To date 27 Churches out of 41 have completed and signed Shelter Releases. 13 out of 65 Churches have submitted "A" and "B" Forms. This is the area that needs the effort to get completed.

During the month of August a meeting was held with each Civilian Defense Director in Norfolk, Virginia Beach, Suffolk, Portsmouth, Hampton, Newport News, Chesapeake, Franklin, Isle of Wight and Southampton. Each Director was pleased to know such a Plan exists and that they have another source of help in case of a disaster. Each Director was given a packet of information explaining the plan.

A Committee Meeting is planned in early November. Also, training sessions by local Red Cross personnel covering disaster work are planned in the near future.

Further, a meeting of representatives from each of the participating church denominations in the Virginia Council of Churches is planned in

early November. The primary purpose of this meeting is to establish commonality in the implementation of the Plan.

Progress has been made with the Plan in EVA to date, but a lot of effort remains to be done.

Respectfully submitted,
James R. Ramborger, Chairperson

REPORT OF THE SEASHORE STATE PARK
CHAPLAINCY PROGRAM, 1986

Robert C. Moorehouse, Jr., a Presbyterian seminarian enrolled at Union Theological Seminary in Richmond, served as chaplain to summer visitors at Seashore State Park, Virginia Beach, during the 1986 season.

The 1986 program was judged one of the most successful ever, in terms both of ecumenical support and the quality of the ministry.

The Chaplaincy Program is characterized as a "ministry of presence," an effort to remind people on vacation that they have not escaped the concern and caring of the Church. Worship services are provided each Sunday morning, with an emphasis on congregational participation; and the chaplain is available throughout the week for conversation, counseling, and friendship. Letters of commendation have been received from Park Superintendent Fred Hazelwood as well as from a number of campers.

The Chaplaincy Program is directed by an ecumenical committee appointed by the Virginia Beach Clergy Association and is conducted in cooperation with the Concern Area on Direct Ministries of the Virginia Council of Churches. It is supported in part by offerings received at Sunday morning worship services, and major support—to underwrite the chaplain's salary—is provided by various denominational judicatories, local churches, and occasionally by other organizations. In 1986 major support was received from: The Eastern Virginia Association, United Church of Christ; the Virginia Conference, United Methodist Church; the Norfolk Presbytery, Presbyterian Church, U.S.A.; the Virginia Synod, Lutheran Church in America; the Episcopal congregations of Virginia Beach; the Virginia Beach Christian Church (Disciples of Christ), Bayside Baptist Church; the Evangelical Lutheran Church of the Good Shepherd; Bayside Christian Church (UCC); Lynnhaven Colony Congregational Church (UCC).

Members of the Eastern Virginia Association should derive much satisfaction from their participation in this splendid ministry.

Respectfully submitted,
Thomas H. Britton, Chairman
Park Chaplaincy Committee

MINUTES
TWENTIETH ANNUAL MEETING
OF THE
EASTERN NORTH CAROLINA ASSOCIATION
OF THE
SOUTHERN CONFERENCE OF THE
UNITED CHURCH OF CHRIST

October 11, 1986

The Twentieth Annual Meeting of the Eastern North Carolina Association of the UCC, Southern Conference, was held on Saturday, October 11, 1986, at Shallow Well United Church of Christ in Sanford. President Douglas Brown called the meeting to order, and Rev. James Morrison gave the invocation. Total attendance was 256: 100 ministers, 88 lay delegates, and 68 visitors.

An official welcome was given by the Rev. Garland Bennett, host pastor. The proposed agenda was then adopted, and the 1985 minutes approved. President Brown appointed an elections committee to tally the ballots. Members of the committee were A. J. Miles, Reid Dickens, Lynn Barber, and E. M. Cheek.

The Rev. James Staunton then gave the treasurer's report (see Exhibit 1). He noted that \$6,000 was placed in a designated fund last year. On October 4, 1987, the interest from that fund may be used for aid to ministerial students in Eastern North Carolina. The treasurer's report was approved.

The Rev. Mary Evans presented the Nominating Committee's list of candidates for Association commissions and delegates to General Synod. (See Exhibit 2). Biographical information on the General Synod nominees was distributed. The Rev. Leon White questioned the fact that he is never nominated to serve on any committees at the association level. Although he is a staff member of the Commission for Racial Justice, he is nonetheless eligible to serve in the Association. The Rev. Cecil Cheek offered a word of support for Mr. White and called for the question. All nominations were approved.

The Rev. Ervin Milton, Associate Conference Minister, recognized special visitors and new ministers. In addition to the new ministers already listed in the Church and Ministry Report (see Exhibit 3), Mr. Milton introduced the following commissioned workers: Callie and Vincent Anderson and Lacy McNeill of Laodicea, and Marshall Norwood of Union UCC, Virgilina. He also introduced Ms. Dorothy Ballinger, president of the Southern Conference; John Mays of Catawba College; Richard McBride, chaplain of Elon College; and Leon White of the Commission for Racial Justice.

The Rev. McBride spoke and urged those present to vote "yes" in

November for a constitutional amendment that would allow private colleges the right to issue tax-exempt bonds for construction of new facilities. State-supported colleges and hospitals already have this right.

A report was then given by the Conference Minister, Dr. Rollin O. Russell. A UCC church in New Lebanon, Ohio, sent hay to Southern Conference farmers during the drought this year. Over 100 farmers received help, an uplifting example of what we can do together.

Dr. Russell urged churches to participate more fully in OCWM, which he called one of the "most dynamic, far-reaching missions enterprises" in existence. He also announced that a videotape of the highlights of the 1986 Southern Conference Annual Meeting is available to our churches.

United Congregational churches in South Africa wish to correspond with Southern Conference churches. The Board for World Ministries has been involved there since 1840, so we have a direct relationship with people in the pews of South African churches. Congregations that wish to be in exchange with Christians in South Africa can request information and a tape from the Conference Office.

A bulletin insert entitled "Straight Talk" is available in quantity to all our churches. This insert deals with goals for clergy compensation.

The United Church Board for World Ministries will meet in Raleigh in November. At 4:00 p. m. on November 16, a mass celebration of our global mission will be held in Memorial Auditorium. This will be a powerful and colorful event with choirs, banners, and missionaries. Dr. Russell hopes Southern Conference will pack the auditorium.

Finally, Dr. Russell informed the group of his upcoming trip to the Middle East on October 14-26. He will be part of a delegation sent to determine what we as UCC people can begin to do to help alleviate the dreadful, violent situation there.

David Barber of Raleigh then spoke and gave further information on the meeting of UCBWM in Raleigh. The theme will be "One in the Spirit", and Eastern North Carolina folks are needed to greet participants as they arrive at the airport on November 14. Mission visitors will be available to speak in our churches on November 15 & 16. The Reverends Stephen and Elaine McDuff are handling all requests for these visitors. A special litany for use in worship services on Sunday morning, the 16th, is also available.

At this point on the agenda, Dr. Robert Duke, professor of worship and preaching at Lancaster Theological Seminary, presented a lecture on the meeting theme, "The Heart and Head in Worship." He stressed that true worship comes when people experience the presence of the Spirit. Head and heart, word and sacrament, must join for true worship.

A resolution on Franklinton Center was distributed (see Exhibit 4). The group then adjourned to participate in the following workshops:

1. Music in the White Tradition—led by Reid Dickens and Martha Fairbank.

2. Music in the Black Tradition—led by Ervin Milton.

3. Preaching in the Black Tradition—led by Howard Cunningham and Ben Chavis.

4. Preaching in the White Tradition—led by Linda Gard and Robert Barrows.

5. The Concept of White Worship—led by Clarence Gunter and David Barber.

6. The Concept of Black Worship—led by Raymond Hargrove and Ernestine Mattocks.

After the workshops, a covered dish lunch was served by the women of Shallow Well UCC in their Fellowship Hall.

The meeting reconvened at 1:15 with the Rev. Elaine Sipe, Vice President, presiding. President Brown read the resolution on Franklinton Center (see Exhibit 4). MOTION TO ADOPT WAS MADE AND SECONDED. Dr. Russell gave background information on the Conference Board of Directors' search for a new campsite to serve ENC and EVA. When Moonelon was sold in March, 1983, the proceeds were earmarked for the development of outdoor ministries in the two eastern associations. Sale of the property netted \$70,000. Accumulated interest now gives us \$100,000. An affordable, desirable campsite has not yet been found, however. The Commission for Racial Justice, Board for Homeland Ministries, and Southern Conference are all committed to the preservation and revitalization of Franklinton Center. Would it be better to use our Moone- lon funds for the upgrading of Franklinton Center into a viable camping center?

The Revs. Leon White, Collie Seymour, and Jim Morrison all made statements in support of the Franklinton Center resolution. It was APPROVED.

Commission reports were then given. The Rev. Donald Ingram presented Stewardship Certificates to all churches which had increased their giving to OCWM in the past year. He then introduced Elaine McDuff, our ENC Stewardship Associate. She or a local associate is available to visit our churches and explain the five-year stewardship plan.

The Rev. Dale Kennedy, Evangelism coordinator, announced that audio-cassette tapes of the program, "Three Dozen Ways to Increase Worship Attendance", are available for church use. He also pointed out the honor roll of churches which experienced net growth in 1985-86, and singled out four churches for exemplary growth. They were: Myrtle Grove, Maysville; Emmanuel, Sanford; Church of the Wide Fellowship, Southern Pines; and United Church of Chapel Hill.

The Church and Ministry report was given by Coordinator John Settlemyre (see Exhibit 3). A prayer was offered on behalf of those called to life eternal during the past year.

As he did in 1985, Rev. Leon White raised concern over whether or not the Church and Ministry Commission and ENC Board of Directors have the authority to ordain ministers. Mr. White thinks this should be the power of the local church, or of the Association, through which churches have a direct vote. Mr. Milton stated that a 1983 constitutional change gave the Church and Ministry Commission and ENC Board of Directors the right to vote on behalf of the Association.

Another question was raised concerning #9 of the commission report,

which states that "The Manual on the Ministry" is the guideline for those seeking ministerial standing. Implicit in this statement should be the understanding that the Commission also uses the resolution presented by the Task Force on Ministerial Standards at the 1985 Annual Meeting (see Exhibit 4, 1986 Yearbook, pp 70-71).

The Church and Ministry report was approved.

Church Life and Leadership coordinator Michael Hooper reported on events supported by his commission throughout the year. A task force on spiritual renewal has been hard at work, and the ministers' retreat in May centered on this theme. Mr. Hooper also announced that a Spiritual Life Retreat will be held November 21-23.

The Rev. Richard Rinker, Conference Minister of Christian Education, addressed the topic, "What Should Our Churches be Doing in Christian Education?" He listed these suggestions: 1) give support and show appreciation to church school teachers and youth fellowship leaders; 2) invite conference personnel to lead skills workshops in our churches; 3) pursue the correlation between church school programs and church growth; 4) make your specific needs known to the Association Christian Education Commission; and 5) do all you can to promote Conference and Association events, providing funds for participation, if possible. Finally, Mr. Rinker thanked ENC for its continued support of the camping program.

Mr. John Mays of Catawba College presented a report on the capital funds campaign at his school and gave updated information on ways in which the funds have been used. He noted that the Church Women of Southern Conference were the most generous group in their support during 1986. Mr. Mays also stated that over 40 Catawba graduates serve Southern Conference churches. He urged our churches to maintain their ties to Catawba by 1) asking college personnel to supply pulpits, 2) bringing our young people to Heritage Day, and 3) bringing youth groups to ball games.

Mr. Milton announced that the two ENC churches which burned this past year need our continued prayer and support. A cooperative, caring spirit is needed among all our churches as we work together in the name of Jesus Christ. He then introduced the Rev. Adner Batts, pastor of Pilgrim Rest Christian in Havelock, a church formerly in the Eastern Atlantic Conference, and which now wishes to be part of the Southern Conference and Eastern North Carolina Association. Mr. Batts introduced several of his members who were in attendance. They were welcomed into the Association.

The proposed budget for 1986-87 was presented by the Rev. James Staunton (see Exhibit 5). A motion was made to adopt this budget. It was seconded and APPROVED.

Election results were announced. The ENC delegates to General Synods 16 and 17 are Mrs. Linda Dunn and the Rev. Raymond Hargrove. The election between Hargrove and the Rev. Charles Brooks had resulted in a tie vote. Discussion ensued as to the process by which the tie should be broken. In a noble gesture, Brooks recommended that the election

go to Hargrove. Brooks had attended General Synod 15 on the unexpired term of another delegate, and said that Hargrove should now be given the chance for a similar experience. The delegates and visitors applauded Mr. Brooks' gesture of friendship and good will.

The Rev. Leon White continued his discussion of who has the power to ordain ministers. He had reread the ENC Constitution, and said that the new amendment was unclear as to whether or not the Board of Directors actually has authority on behalf of the Association in this matter. Mr. White moved that the ENC Board of Directors rewrite the appropriate section of the Constitution so that our policy is absolutely clear. Their recommendation should be presented at the next Association Meeting. Mr. White's motion was seconded. The vote was 46 in favor and 31 against. MOTION CARRIED.

Commission members, coordinators, and General Synod delegates were briefly installed by Mr. Milton. Mrs. Carolyn King of Raleigh announced that she is the Peace and Justice Network Coordinator for Southern Conference and urged all to join hands, head, and heart in the interest of peace and justice work. Network members will receive monthly issues of the newsletter, "Courage in the Struggle", free of charge.

The meeting then closed with a worship service in which Dr. Duke of Lancaster Theological Seminary preached a sermon entitled, "The Vision Awaits Its Time". His text was Habakkuk.

Respectfully submitted,
Mr. Douglas Brown, president
Elisabeth H. Barrows, Acting Secretary

**RESOLUTION TO ENC ASSOCIATION
ON FRANKLINTON CENTER, OCTOBER 11, 1986**

Background

The Camping and Conference Centers of the Southern Conference of the United Church of Christ, including Franklinton Center, have experienced a deplorably low utilization rate by the churches/members of the Eastern North Carolina Association during the last two years.

The Board of Directors of the Southern Conference has accepted its own mandate to purchase property and develop an additional camp site for Eastern North Carolina or Eastern Virginia that will tax her (Southern Conference) resources even further during a period when she is already neglecting existing facilities.

Franklinton Center, which is located in the geographical boundaries of ENC, is a resource with varied potential which has not yet been tapped and is an example of benign neglect.

Even after twenty-five years, Franklinton Center is not broadly used by the wider constituency of the Eastern North Carolina Association, because of subtle racism based on the Center's historical Black background; substandard condition of the physical facilities; and lack of viable and purposeful programmatic initiatives.

Therefore, in the minds of many leaders (clergy and laity), to proceed with the expenditures of hundreds of thousands of dollars for a new camp site while Franklinton Center continues to be under utilized would be an example of poor stewardship on the Conference level.

Resolution

Be it resolved that the President of the ENC Association convey to the Conference Board of Directors the Association's concern regarding the purchase of a new camp site for ENC and EVA when there has not been sufficient discussion at either our Association or Board level in Eastern North Carolina on this issue. We recommend that the Conference Board of Directors table the decision to purchase a new site until ENC Association decides what role Franklinton Center will play in the life of the Association and its member churches.

Be it further resolved, that the President and Executive Committee appoint a Committee to study what role Franklinton Center should play in the life of the Association and its member churches and report back to the Twenty-First Annual Meeting.

PRELUDE

* THE SOLEMN DECLARATION

* HYMN: No. 476, "Come, Thou Fount of Every Blessing"

* THE RESPONSIVE CALL TO WORSHIP

M. This is the Day of the Lord

C. This is the house of God's Worship;

M. This is the Word of the Lord's revelation:

C. This is the assembly of God's people;

M. This is Christ's body and blood,

C. Broken and spilled for us.

M. Come, let us confess our sins. (Congregation seated)

God of love, we stand accused again. We confess the sin that no one knows and the sins that everyone knows; the sins that are a burden to us, and the sins that do not bother us because we've grown accustomed to them. We confess our sins as an assembly. We have not loved one another as Christ has loved us. We have not forgiven one another as we have been forgiven. We have not given ourselves in loving service to our brothers and sisters as Christ gives Himself for us. Forgive us, we pray. Amen.

REPORT OF THE ASSOCIATE CONFERENCE MINISTER WESTERN NORTH CAROLINA ASSOCIATION

1986

Preparing for my first staff evaluation by the Personnel Committee has, to some extent, been good preparation for writing my annual report. I am grateful for this opportunity to again report to you on the life of the WNCA as viewed from the perspective of your Minister. The statistical data is attached at the end of this report. As always, these statistics represent persons. You can easily see we have a lot of movement in our Association. More than one-third of the churches have been vacant during the two years I've been in this position. We continue to have excellent persons come into our midst from other areas of the United Church of Christ.

A review of some of the goals set last year will help give focus to

this report. We set a goal of developing a stronger "sense of belonging" to the Association, Conference and denomination and did indeed celebrate a "Southern Conference Sunday" in the WNCA. More than 70 congregations participated and almost every evaluation was very positive. It was a first step and the Board of Directors has already voted that we have a similar kind of emphasis in 1987.

Another goal was a stronger commitment on the part of congregations to the well-being of pastors and their families. The wellness program was supported by many churches enabling their pastors to participate. The Conference Commission on Church Life and Leadership, the Association Commissions on Church and Ministry, and the Conference staff have joined in an intentional effort to lift up pastor's compensation as a priority for our churches to consider.

Another goal was that of EVERY congregation making some contribution to OCWM, and a personal contact with every congregation by a stewardship representative. While this has not been completed, it is well under way as our Stewardship Associate, Mr. Jim Allred, and the 13 Interpreters begin their work among the churches. During 1985, ALL but 11 congregations made some contribution to the Wider Mission of the Church. As of this writing, 37 have yet to make contributions in 1986 toward Our Church's Wider Mission and 63 have not made any contribution to the WNCA dues. THIS IS NOT GOOD! It has been pointed out to me that the WNCA dues are just that—they are the responsibility of the churches that belong to WNCA to the on-going program of WNCA.

One other goal that has been worked on centers in the effort to have more churches represented in the Commissions, boards, and officers of the WNCA. This year the Nominating Committee looked carefully at churches that have no representation and efforts were made to get some of the nominees from some of those churches. A continuing goal of growth in membership is before us. Our total membership 12/31/85 was 23,320—669 additions and 712 losses—net loss of 43. Let's turn that around in 1986.

We have many good things going on in WNCA, both within our local churches and within the Association itself. I am getting close to having visited every congregation in the Association, as well as every pastor, though that is not complete as yet. By and large the morale is good among our churches and pastors and we can be grateful for the faithful ministry being carried out all across our Association. The challenges before us in the Association and Conference were never any greater, especially as we think about the opportunities that present themselves.

In the address which I will make at the annual meeting we will look at some of the challenges and opportunities that are ahead for us. Allow me to again express my deep appreciation for the privilege of serving as your Association Minister and for the warm and caring support which Pat and I have felt from you. May God continue to strengthen and guide all of us as we try to be faithful to the mission that is ours in Christ's name.

REPORT OF THE SPECIAL COMMITTEE
ON CONSTITUTION AND BY-LAWS**

Committee Members: James Peeler, Jo Hudson, Eddie Hargrove, Banks Shepherd, John Kernodle, Staff: Richard Cheek.

The Committee has had one meeting with all but one member present. A review of the present Constitution and By-Laws of the Association has led to identifying four areas for possible revision.

1. Review of the terms of officers so that elections would fall in alternating years to insure continuity of leadership: Two officers one year and two the next.

Present position of the Committee: Not to change by-laws.

2. Consideration of changing terms of board of directors arranging for two classes of directors with five elected one year and five the next.

Present position of the Committee: Divide the ten board members into two classes of five each.

3. Revision of the duties of the Commission on Church and Ministry regarding the procedure for confirming ordained status on ministers in the Association to permit the convening of an Ecclesiastical Council of neighboring churches to supplement the present procedure of vote to ordain by the Commission and Board of Directors.

Present position of committee: To propose language to permit the alternative of an Ecclesiastical Council as an option for ordination.

4. Change the nominating procedure to authorize a single slate of candidates for officers, members of the Board of Directors and delegates to General Synod.

Present position of committee: To request a straw vote on this option at the 1986 Annual Meeting to offer guidance to the special committee on this issue.

The Committee welcomes suggestions and comments concerning these or any other possible revisions as it prepares draft language to be submitted for consideration at the 1987 Annual Meeting.

Respectfully submitted,
John R. Kernodle, Jr., Chairperson

CHURCH WOMEN OF WESTERN NORTH CAROLINA
ASSOCIATION, UNITED CHURCH OF CHRIST

This year has been an exciting and fulfilling year. The quality of leadership in Western North Carolina is excellent. As president, there were many times I asked for chairpersons, special jobs to be performed, and I found many able and willing persons to take the responsibility. Our officers and district representatives have worked hard on district trainings.

My job has been easy because of these people. They have helped to make it possible for me to attend about 25 meetings representing Western North Carolina such as, Summer Conference planning, Board Meetings of the Association and Southern Conference Women, District Trainings and Leadership Workshops. It was found that the president of the Women was a non-voting member of the Association Board and this is being checked. Some action may be taken.

A project for our women was a key objective this year. At our Board Meeting we decided on Nazareth Children's Home. They needed microwave ovens and we set a goal to buy one or more. All churches were invited to donate crafts and used articles to be sold on Nazareth's Day in the name of Western North Carolina. We made about \$680.00 with the promise of more from some churches that didn't participate. We feel that we can supply all the microwaves that Nazareth needs at this time. Everyone was so pleased and we hope to do another project next year. Margie Weavil, chairperson, Beverly Poole and Cynthia Buckwell were the committee and are in the process of buying microwaves. They will be dedicated at the Fall Enrichment Meeting.

A priority for this year is to promote the Spirituality & Personal Growth Workshop at Blowing Rock. This has been announced and stress-

ed as a priority for the year. The dates are November 21-23, 1986. Women of Western North Carolina hope to help fill this workshop.

This year as I become more familiar with all my duties, I hope we can do more and have an even better year. There will be three newsletters again and I hope everyone will send in their news. With everyone's help and ideas I am sure that we can have a great new year. God's help and guidance helps us meet each new challenge and WE the WOMEN OF WESTERN NORTH CAROLINA are ready to begin a new year.

THE COMMISSION ON EVANGELISM WESTERN NORTH CAROLINA ASSOCIATION

This year the Commission on Evangelism of the Western North Carolina Association has focused its work on the problem of UCC church identity and on helping the local church become more intentional in evangelism. After tallying membership changes from 1985 annual reports, we found that for our Association churches, there were 669 additions and 712 losses with a net loss of 43 members. We hope some of the practical measures suggested by our Commission will assist our churches in changing these statistics as they work for growth. Work of our Commission included:

- A mailing sent to all pastors and churches in the Association encouraging the formation of local Evangelism Committees. The mailing also included: 1) an excerpt from Schaller's "Strategies for Church Growth" entitled "What is the Role of the Evangelism Committee?", 2) suggested growth goal for each church of five new members this year or an increase of 10% over the number of new members last year, and 3) each church was encouraged to covenant in increasing worship attendance by 10% this year.
- The presidents of the District Ministeriums were sent information to share with their respective groups regarding cluster ads. The use of cluster ads were encouraged where possible. Pastors were also asked through their Ministeriums to bring church brochures and evangelism ideas used in their local churches to display at the Association Annual Meeting.
- Our Commission on Evangelism cooperated with the Southern Conference Commission on Evangelism in sponsoring the "Spiritual Renewal and Church Growth Seminar" held at First Reformed UCC, Burlington, September 20.
- These plans for the 1986 Western North Carolina Association Annual Meeting: 1) display table for local church brochures and evangelism ideas, 2) distribution of the Honor Roll of Church Growth listing churches in the Association showing a net gain in 1985 membership, 3) sponsoring a workshop on practical ideas for evangelism and 4) presentation of certificates to four churches in the Association recognizing them as

having the largest increase in membership in their size categories. Categories of these four churches include those with membership below 150, 150-250, 250-500 and 500 or more.

We would also like churches to note the availability of non-denominational evangelism schools for pastors and laity. One of these, the Billy Graham School of Evangelism, will be in Tallahassee, Florida, November 3-7. For more information you may contact John Dillon, Director, Billy Graham Schools of Evangelism, P. O. Box 9313, Minneapolis, Minnesota 55440. Other schools such as this with Norman Vincent Peale, etc. may be found to be beneficial for a church's evangelism program. It is important to note a vast amount of denominational and non-denominational material available for churches and leaders.

Further, this Commission would encourage the use of the church mover's card by pastors, the use of a variety of church signs to increase visibility for potential visitors and the community, and, again, we encourage the use of cluster ads where possible. Attached to this report is a copy of an ad which was the idea and project of 10 churches in the Catawba District. This was a half page ad which appeared, with changes, three times in the Hickory Daily Record. The dates chosen were the three Saturdays prior to Palm Sunday, Easter and Pentecost. The total cost, approximately \$1,100.00, was divided among the churches according to the church membership. May the Holy Spirit continue to empower and direct us in the WNC Association to share the Good News of our Saviour and Lord, Jesus Christ.

YOUTH TASK FORCE REPORT—1985-1986
WESTERN NORTH CAROLINA ASSOCIATION

The WNC Youth Task Force met four times in 1985-86 on the following dates: August 25, 1985; November 17, 1985; January 12, 1986; and April 6, 1986.

On August 25th, the Youth Task Force was re-organized and discussion centered on goals and objectives for the Task Force. An effort would be made to have each programmed district represented on the Youth Task Force. A WNC Youth Rally would be planned for one Sunday afternoon in the winter.

At the November 17th meeting, the WNCA Youth Rally was scheduled for Sunday, February 2, 1986, from 3:00-6:30 pm at Congregational UCC, Greensboro. The theme of the Rally would be: "Is There Anything I Can Do For You?", to emphasize vocation and calling. A schedule was outlined to include group singing, brief worship, a skit, a Keynote Address

by Dr. Rollin Russell, Interest Groups, Recreation, Meal, Camp Show and Closing. The cost for the Rally would be \$5.00 per person to cover the cost of the meal and honorariums.

At the January 12th, 1986, meeting, final plans were made for the Youth Rally and assignments given to Task Force members. All Interest Group Leaders had been confirmed at this time.

The WNC Youth Rally, held on February 2nd at Congregational UCC Greensboro, was a great success with 300+ youth and adults registered for the event. A special note of thanks goes to the upfront leaders for this event: Carol Foltz, Youth Minister for the Moravian Church of the South; Ginny Bunn of Trinity UCC, Conover; Donna Collins of First UCC; Charlotte; John Safrit, Jr. of Mt. Zion UCC, China Grove; Dr. Rollin Russell, Southern Conference Minister; Jim Fatzinger of St. Thomas UCC, Winston-Salem; Rev. WESTERN NORTH CAROLINA ASSOCIATION
ANNUAL REPORT OF THE WOMEN'S TASK FORCE

Although our Task Force did not meet often, all members were busy trying to carry out some of our responsibilities in their daily lives.

We provided some funds for the "Women In Ministry Retreat", and we sponsored the Reverend Beth Davis as a participant in this retreat held in May. Several women participated as speakers in the "Southern Conference Sunday" program held in our Association in the spring.

A letter of commendation was sent to the Reverend June Grubb who was ordained in February in Colorado. She is a former Director of Christian Education in our Association.

Our members are all individual members of the "Women in Mission" program and we urge women's groups in our churches to become members of this program. Doris Yeattes serves as the spokesperson for this program of the Co-ordinating Center for Women in the United Church of Christ.

Several of our members participated in the seminar held in May regarding legislative matters, and are a part of a network of persons in our Conference who are corresponding with our representatives in Congress and in our State Legislature about matters of particular concern to us.

We continue to be very supportive of our women clergy—emphasizing child care provisions for them when they are preaching or speaking, encouraging them to participate in seminars, retreats, encouraging employment of women clergy as ministers in our Association.

We are aware and encourage churches to be aware of part-time church employees to see that they are provided with job benefits (insurance, paid vacation, etc.) Our Task Force continues to try to bring to the attention of our churches the many special needs of women, children, men, families and of ways that we can be of help to them. We will try to do whatever we can to help carry out concerns that you may have.

COMMISSION ON CHURCH AND MINISTRY
WESTERN NORTH CAROLINA ASSOCIATION

The commission met five times this year with students in-care, ministers desiring privilege of call, and seminarians seeking ordination.

The following persons hold in-care status.

Bland Leebrick (Duke)

Robert Thurston (Duke)

Robert Eaddy (Howard)

James Hamilton (Hood)

Evelyn Hamilton (Hood)

Robert Thompson (Columbia)

Eric Nelson (Vanderbilt)

Alexander Jamison (Lancaster)

Phil Myers (Lancaster)

Danny Harrell (Gordon-Conwell)

Julia Myers O'Brian (Duke)

Leslie Sladky (Graduate of Duke Divinity School)

John Auler (Davidson Community College)—received in-care status and later licensure.

The Reverend Michael Litaker and the Reverend Larry McIntire were granted privilege of call for one year beginning April 20, 1986.

In June, an Ecclesiastical Council was held at Parkway United Church of Christ for Clifton Moone who presented a paper on his Christian beliefs. Following the presentation the commission voted to recommend Cliff to the Board of Directors for ordination. This Ecclesiastical Council was a first time event in our association.

The Commission's scholarship committee awarded \$3,800 in scholarships to our seminary students for the academic year 1986-87.

Rev. David Crook and Rev. Thomas Mann were authorized by the commission to work out a course of continuing education for ministers of the Association.

Of special concern to the commission this year was the need for all ministers of our Association to have a thorough knowledge of United Church of Christ history and polity. With this in mind a six-session course dealing with the history, polity, organization, and program of the United Church of Christ will be offered this fall. The course will be held at Catawba College during the months of October and November. It is expected that every minister serving or holding standing in WNCA will take this course if such a course has not been received in seminary or other academic setting.

Another commission concern has been pastor's compensation. Commission representatives met with their counterparts from EVA and ENCA to discuss this matter and developed several recommendations. These include developing a pamphlet on pastor's compensation for use by local churches, preparing guidelines for clergy and finance committees to assist them in discussing salaries, designing a program for clergy groups to help individual pastors become their own advocates in salary discus-

sions, and making direct contact with selected local churches to raise consciousness about the salary issue.

It is clear that we need to do a better job in Southern Conference regarding ministerial salaries. We rank 37th out of 39 conferences in compensation paid to clergy (Vermont is 38, Puerto Rico 39th). And these rankings are based solely on full-time pastors receiving full-time compensation! We, therefore, urge every congregation to annually review its pastor's compensation in light of the Southern Conference minimum salary scale. We urge you further to provide a yearly salary and benefits increase based on cost of living advances, your pastor's years of service, and professional experience. This will greatly strengthen your minister's morale as he/she continues to serve your congregation.

The duties of the Church and Ministry Commission include many hours spent in conversation with in-care students and ordained ministers. These conversations cover many topics of interest and concern relating to the ministries of our congregations. We are fortunate to have gifted and well qualified clergy in our Association. Moreover, it is very satisfying to note the capable in-care group of seminarians aspiring to become ministers. They are, by and large, excellent students as well as committed, caring persons.

Finally, WNCA is extremely well-served by the conscientious group of clergy and lay persons who comprise the Church and Ministry Commission. They are faithful in commission meeting attendance, thoughtful in their decisions, and deeply committed to our ministers and their congregations.

Respectfully submitted,
James E. Humphrey, Chairperson

**REPORT OF THE STEWARDSHIP COMMISSION
TO THE ANNUAL MEETING OF THE
WESTERN NORTH CAROLINA ASSOCIATION OF THE
SOUTHERN CONFERENCE, UNITED CHURCH OF CHRIST**

Stewardship is giving "_____". This simple sentence can be completed in a number of ways, but let's look at three of those ways.

First, we can give "ourselves to Christ"—a dedication required of true Christianity. For after we give of ourselves, and our lives in commitment, all other forms of stewardship giving naturally follow.

Second, we can give "our gifts to Christ"—a return merely of only part of the blessings and gifts we receive from Our God.

Third, we can give "our time and talents to Christ"—a response to following in Christ's example and a way to fulfill His Commission to us.

With each of these concepts in mind the 1986 Stewardship Commission comprised of the following members sought to instill a spirit of understanding, generate a desire to learn, and unite all of our churches in a single goal of increased stewardship: Ms. Lacey Rankin of Troutman, Mr. Hubert Fleming of Salisbury, Rev. Harold Auler of Asheboro, Rev.

Nelson Weller of Winston-Salem, Ms. Margaret Byrd of Greensboro, Miss Wanda S. Carlton of Greensboro, Rev. Raymond Craven of Whitsett, Mr. Joe Sims of Greensboro, Mr. Willis Hedrick of Lexington, Mr. Bruce Clapp of Whitsett, Rev. Charles Sigler of Faith, Dr. Roland Roehner of Asheville, Mr. Eddie Green of Reidsville, and Mr. Kim Ridenhour of Greensboro, Chairman.

The Stewardship Commission participated and led presentations on "responsibilities for church treasurers", "stewardship programs", and worked with local ministerial groups on "Taxation for Ministers", and how these concepts affect the budget-making process of the church.

We represented the Western Association on the Southern Conference Stewardship Commission, worked with the new five-year stewardship program, and kept in touch with our Association's Stewardship Associate, Mr. James B. Allred, Jr. We look forward to greater involvement with the five-year plan and working closer with Mr. Allred.

As one of our responsibilities, we met in August to set the 1987 OCWM Goals for our Association. After completing this task, we all felt that what we had were not goals, but merely parts of a puzzle. To complete the puzzle and form a picture of stewardship as we have drawn it above depended upon each of Us! We must give of "ourselves", give of our "gifts", and give of our "time and talents", so that as an Association and as a Body of Christ we may help strengthen our Church and show forth the Love of Jesus Christ.

Respectfully submitted,

Kim Ridenhour, Chairman

REPORT OF THE CHURCHMEN'S FELLOWSHIP WESTERN NORTH CAROLINA ASSOCIATION

Since our last Annual Meeting in August, 1985, all of our districts have held Fall and Spring meetings. These have been well attended.

The 17th Annual Meeting was held at the Blowing Rock Assembly Grounds, August 22-24, 1986. We had in excess of one hundred members and guests in attendance for the meeting, beginning with a seafood buffet on Friday night, and ending with a buffet for Sunday lunch.

Dr. Richard Cheek led a vespers program Friday night. Saturday morning, the Rev. Jimmy Norred led the devotions followed by the keynote address by the Rev. David Crook. Following this, a brain-storming session dealing with the future of the men's work in the local churches took place.

During the business session Saturday afternoon, the presidents of each district gave a report on their activities. We heard from Dr. Cheek and Dr. Russell on the special concerns and needs of our Association and Conference. A motion was made and seconded to establish a Sustaining Fund of \$500.00 for the Piedmont Retirement Center.

Entertainment for our Saturday night banquet was provided by the Roy Barrier Singers, and followed by an inspiring and entertaining speaker Ira Beeson.

Sunday School was led by "Ike" Young, Jr. Immediately after, Communion Service was held in the "Little White Church" by Dr. Cheek and Dr. Russell.

Our next meeting will be held at the Blowing Rock Assembly Grounds on August 28-30, 1987.

As president, my chief concern is to establish an active men's group in the Guilford-Forsyth District.

Respectfully submitted,
Mike Abernethy, President

REPORT OF THE COMMISSION ON
CHRISTIAN SOCIAL MINISTRIES
WESTERN NORTH CAROLINA ASSOCIATION

The Commission on Christian Social Ministries dealt with a number of issues through the year. These included The Resolution by the Peace Task Force supporting the World Day of Prayer and Fasting for South Africa; Resolutions and letters to the Board of Pensions and Relief concerning divestment in companies doing business in South Africa; and the Resolution concerning Low Income Housing for the state of North Carolina, with special emphasis on Habitat for Humanity as a good instrument through which to work.

Phil Grigsby, chairperson of the Commission, resigned in June from the Commission, having resigned his job with CROP to accept a position in Schenectady, New York in the field of Social Service. A replacement has not yet been made for the chair but will be done when the Commission is reorganized in October.

Richard A. Cheek, (for the Commission)

EXECUTIVE BOARD MEETING
CHURCH WOMEN OF SOUTHERN CONFERENCE UCC

JUNE 11, 1987

Our President, Mrs. Thelma Norfleet, called the meeting to order and asked Faye Humphrey to lead in prayer. Mrs. Norfleet gave words of encouragement. Minutes were read by Faye Humphrey and approved. Sarah Whittington gave out tentative financial statement. The Women were told that they would need to get more money to come in. We have no money in interest to pay anyone's way to Monteagle. Lightbourne Scholarship Fund needs money. This fund is not growing—it takes all the money for ten \$300.00 scholarships. Contributions are down in Outreach and Administration. District Representatives need to contact every church in each District and get information to them. Sarah will do a mailing to churches who have not paid.

Year Books were given out. Julia Anne Williams stated that we need money to pay "Women of the Year" trip to Synod. We can't pay President's way and nominees' way. A decision needs to be made next time before Budget is made out. Discussion will be held in the Spring Executive Board Meeting and vote will be taken as to whether we are going to send one or two to General Synod and whether we will underwrite the expenses for both to General Synod. These two people we are considering are Women of the Year nominees. Motion made and seconded to postpone this decision until the Spring Meeting. Motion made that since Southern Conference is well represented at Synod we give serious consideration to the necessity of underwriting our President's Synod expenses. Motion carried.

Other items of business that were discussed are as follows:

1. Budget item on mileage brought up by Sarah Whittington.
2. The Eastern Virginia and Western North Carolina and Eastern North Carolina Presidents' Reports are in the Year Book, Pages 17, 18 and 19.
3. Julia Anne Williams told about coupon saving to make money.
4. Working Rules Committee will keep Rules as concise as possible. Faye Humphrey will read the proposed change.
5. Budget same as last year as per Treasurer.
6. Report on Leadership Development was made by Doris Yeattes—attendance better with meetings at different locations. Associations need to be able to have some input. There is a need for them to meet with Executive Board of Associations. We will decide in March how leadership will be handled in Fall of 1988.
7. Committee on History of Black Women still working for more input.
8. UCCWM, Page 23, Year Book.
9. Nominating Committee Input—Suggest election of Assistant Secretary: 1. Would work closely with Secretary; 2. Compile History of Black Women.

10. Fellowship of the Arts are considering Helen Rippy and Ula Wellons as leaders.

11. Women of the Year—no report.

12. 1988 Annual Meeting second week-end in June—Women's Summer Conference would follow beginning on Sunday, June 12th, or alternate dates, June 16, 17, 18th.

13. Possible leaders of 1988 Summer Conference: Doris Isenhour, Ginny Bunn, Brenda Eckard, Marion Sperry, Fran Carnright, Dot Ballinger.

14. Discussion about speaker for Fall Enrichment Meetings—Check with Conference Office. General consensus was to try to use same person.

15. Approve Agenda for tomorrow—following additions: Nominating Committee, Elections Committee, Installation.

Meeting was adjourned with prayer.

Respectfully submitted,
Beth Wilkins, Secretary

A reception was held in the Student Lounge following the worship service hosted by the Salisbury area churches.

Friday

The Friday morning session was called to order by the president, Rev. Cecil Cheek.

The opening devotional was offered by Rev. William Everhart, Associate Conference Minister for Eastern Virginia Association.

Rev. Robert Barrows presented the report of the Nominating Committee and the floor was opened for nominations from the floor.

Vote 9—That the nominations be closed and that we elect the members of the board of directors, trustees of institutions and commissions who are unopposed by acclamation.

The State of the Conference address was given by Dr. Rollin O. Russell, Conference Minister.

1987 was a very eventful year in the life of the Southern Conference.

I sense a new level of unity and an emerging consensus as to our mission. We had some notable successes and some continuing difficulties, which are evident in the statistics. First the bad news: we continue to experience a slight loss of total membership each year. Official membership figures can be deceptive, of course, as each year several churches purge their rolls and remove those who have been inactive for some time. The good news is that we conducted a capital funds promotion, the Cornerstone Campaign, and through it provided basic information on several dimensions of our Conference's mission. And we saw the successful beginning of our New Church Start in Cary, NC

There is, of course, some ambivalent news. We are on the brink of moving the Southern Conference Office to a new location. While the present site on Edgewood Avenue has been a most convenient and commodious facility, we now will be moving to an office which we will own rather than lease. A very faithful committee has worked with me on this relocation and we will all be proud of the results. Also, in the ambivalent category, it was sad to say good bye to Bill Simmons who retired in 1987, it was hard work to provide basic service to the Eastern Virginia Association in the interim, and a real joy to welcome Rev. Bill Everhart to the staff in December.

The Treasurer's Report, the Cornerstone Report, and the reports of the various commissions give all the facts and figures you will ever need. In addition to the membership and ministry statistics below I will have some interpretive comments in my annual address.

WHEREAS we in the United Church of Christ affirm that "God calls the worlds into being" and "sets before us the ways of life and death," and

WHEREAS we accept a view of Christian Stewardship which requires us to be responsible stewards of all that has been given to us, including the irreplaceable natural resources of the planet earth, and

WHEREAS issues of how we relate to the world around us have grown more complex as we have become a more urban, industrialized, and technologically sophisticated people, and

Vote 55—That the words “stewardship associate” be removed from the resolution on Stewardship (adapted from the resolution adopted by General Synod XIV).

Vote 56—That the word “less” in No. 6 of the resolution on Stewardship be deleted and the words “not including” be inserted.

Vote 57—that we adopt the resolution on Stewardship (adapted from the resolution adopted by General Synod XIV), as amended.

RESOLUTION ON STEWARDSHIP (ADAPTED FROM THE RESOLUTION ADOPTED BY GENERAL SYNOD XIV)

Believing that God calls each of us to use all the gifts we have been given—material possessions, money, time, energy, talents, this world, life itself, and God's gift of the Spirit—as instruments of service to others and signs of God's care, we see the need to grow in our faith and faithfulness as stewards of these gifts.

Firmly rooted in the Biblical mandates about the use of money and possessions, we call on one another, as individuals and as congregations, to give proportionately and generously of our financial resources in order to strengthen and increase the mission and ministry of the United Church of Christ in all its parts: local congregations, associations, conferences, national instrumentalities, boards, agencies, and related institutions, and ecumenical partnerships.

Specifically, we call on one another to consider the tithe—the proportion given by the Israelites to “the Levites, the foreigners, the orphans and the widows” after the “first fruits” had been given in gratitude to God. (Deut. 26:12) The Biblical tithe, as both Jesus and the Old Testament prophets understood it is not an end in itself but a means to an end—a tool for cultivating a spirit of generosity in giving. Jesus criticized the Pharisees, not for tithing, but for treating the tithe as a maximum, not a minimum—for lacking true generosity in the giving of their gifts. St. Paul also supported tithing when he encouraged the early Christians to give in proportion to what they had. (Romans 12) Tithing—intentional, proportionate giving—can be for us a way of committing ourselves anew to be stewards of God's grace in every part of our lives.

Therefore, the Twenty-third Annual Meeting of the Southern Conference of the United Church of Christ:

- 1) affirms intentional annual growth in all our giving for the ministry and mission of the Church by individuals or families and local congregations;
- 2) affirms an approach to giving based on a percentage of annual income;
- 3) challenges individuals or families to give at least 10% (the Biblical tithe) of their annual income for the ministry and mission of the Church as a response to the Biblical call to generosity and proportionate giving.
- 4) suggests that in moving toward this challenge individuals or families determine the percentage of income represented by their present giving for the ministry and mission of the Church, and then increase that percentage by at least one percentage point each year;
- 5) challenges local churches to give for OCWM Basic Support an amount equal to at least 10% of Current Expenses less Capital Funds. Churches already giving a tithe to OCWM are encouraged to work toward a goal of 25%;
- 6) Suggests that in moving toward this challenge local churches determine the percentage of Current Expenses not including Capital Funds represented by their present giving for OCWM Basic Support, and then increase it by at least one percentage point each year;
- 7) encourages the Conference and Association Stewardship Commissions, and Conference Staff, in cooperation with the national Stewardship Council, to engage in stewardship education and action with clergy, laity and churches for more effective stewardship practices, leading to increased support for the total ministry of the Church.

Vote 58: that we adopt the resolution amending the charter of Elon Home for Children

Vote 59—that we adopt the proposed resolution on Investigating Racial Violence in Robeson County, N. C.

**PROPOSED RESOLUTION
ON
INVESTIGATING RACIAL VIOLENCE IN
ROBESON COUNTY, NORTH CAROLINA**

Annual Meeting, and

WHEREAS the Resolution adopted in 1987 called upon the Christian Social Ministries Commission of the Southern Conference to offer support to victims of racial harassment and violence and to work together with other ecumenical, governmental and private groups that share similar concerns, and

WHEREAS events during the last year in Robeson County, North Carolina, including arrests of members of the Native American and black communities, the killing of a Native American candidate for Superior Court Judge, and numerous allegations of corruption and drug dealing by law enforcement officials in the community, have led to local Robeson County civic and ecumenical religious groups calling for an investigation into the violence and racial conditions in Robeson County by State officials and the United States Congress.

THEREFORE BE IT RESOLVED that the 1988 Annual Meeting of the Southern Conference of the United Church of Christ

CONSTITUTION

PREAMBLE

1. The Southern Conference of the United Church of Christ, formed January 1, 1966 by the union of The Southern Convention of Congregational Christian Churches, Inc., The Convention of the South of Congregational Christian Churches, Inc. and the Southern Synod of the Evangelical and Reformed Church, Inc. in order to express more fully the oneness in Christ of the churches composing it, to make more effective their common witness in Him, and to serve His Kingdom in the world, hereby adopts this Constitution.

2. The Southern Conference, along with the whole United Church of Christ, acknowledges as its sole head, Jesus Christ, Son of God and Saviour. It acknowledges as kindred in Christ all who share in this confession. It looks to the Word of God in the Scriptures, and to the presence and power of the Holy Spirit, to prosper its creative and redemptive work in the world. It claims as its own the faith of the historic Church expressed in the ancient creeds and reclaimed in the basic insights of the Protestant Reformers. It affirms the responsibility of the Church in each generation to make this faith its own in reality of worship, in honesty of thought and expression, and in purity of heart before God. In accordance with the teaching of our Lord and the practice prevailing among evangelical Christians, it recognizes two sacraments: Baptism and the Lord's Supper or Holy Communion.

3. The provisions herein define and regulate the Southern Conference and those officers, agencies, boards, committees, etc., which are recognized, established by or responsible to the Southern Conference and describe the free and voluntary relationship which the local churches, Associations, and ministers sustain with the Southern Conference and with each other. The pattern of relationships and procedures so described is recommended to local churches, Associations, and ministers, to enable them more effectively to accomplish their task in the work of the Southern Conference and the United Church of Christ. The relationships described herein are intended to move beyond the past limitations which have prevented persons from gaining access to positions because of race, age, sex or disability, and to achieve diverse inclusions at all levels of the Conference and in the local churches.

**18th ANNUAL MEETING
OF THE
EASTERN VIRGINIA ASSOCIATION
OF THE
SOUTHERN CONFERENCE
UNITED CHURCH OF CHRIST**

October 8, 1987

MORNING SESSION

The 18th Annual Session of the Eastern Virginia Association was called to order at 9:30 a. m. by the President, the Reverend Walter Snowa. The First Congregational Church of Richmond, Virginia was the host church. The Reverend Thomas Britton was appointed parliamentarian for the session.

The assembled body was welcomed by the host minister, the Reverend Ineke Mitchell. She provided a very warm welcome and furnished the necessary logistical information.

The worship was led by the Reverend J. J. Ferguson, pastor of Laurel Hill UCC, Suffolk, Virginia. The morning message was brought by the Reverend Thomas Britton, pastor of Lynnhaven Colony UCC. The message was on the theme, "We are Family." The service was spiritually uplifting as we participated in the singing and listened to the eloquence of the messenger.

REPORT OF THE SECRETARY: The following persons sent letters of regret relating to their absences:

The Reverend Forest Wells, The Reverend E. R. Weidler, Dr. David C. Brown, The Reverend Richard Prince, Dr. Richard T. Diekmann, Dr. A. Warren Matthews, The Reverend Thomas O. Dekle.

The minutes of the 17th annual meeting were provided for the delegates in advance of this annual meeting. The motion to dispense with the reading of the minutes was seconded and carried.

The report of the Executive Committee was read by the Secretary (See Exhibit 1). The report contained a summary of the committee's work and recommendations to the Board of Directors in the year just past. The motion to accept the report was seconded and carried.

REPORT OF THE TREASURER: The report of the Treasurer was given by Mrs. Sarah Carter, due to the absence of Mr. Kenneth Heim, Association Treasurer. (See Exhibit 2). Report of the Treasurer accepted, subject to audit.

AUDITING COMMITTEE REPORT (Dr. Merle Correll): The records of the Treasurer were examined by the committee in a thorough manner, stated the chairperson. Some minor discrepancies in the area of item entry procedures noted. The committee recommended this be corrected by use of a suitable ledger for noting income and disbursements on a daily basis. Otherwise, the financial records were found to be in good order. Report accepted (See Exhibit 3).

NOMINATING COMMITTEE REPORT: (The Reverend D. A. Peace):

The committee submitted the following slate for consideration by the body of delegates:

For the Executive Committee:

President: The Reverend Ineke Mitchell

Vice President: The Reverend Dolan Talbert

Treasurer: Mr. Kenneth Heim

Secretary: Mr. Richard A. Todd

Board of Directors, Class of 1989:

Mr. Bud Walther

Mrs. Bessie Forrest

Mr. Mills March

Miss Constance Jones

The President called for nominations from the floor for each position on the slate; none were voiced. The motion to accept the slate as submitted by the committee was accepted without dissent. (See Exhibit 4).

SURVEY—THE CONSTITUTION REVISION (Dr. Donald Kirkbride): The purpose of the survey was to allow Eastern Virginia Association input to the proposed revision of the Southern Conference constitution. Questionnaires were submitted, to be completed and returned to the revision committee. The survey results will be used in the process of revision to the constitution, to make it more applicable to the Association's operating under the Southern Conference guidelines. The Southern Conference takes very seriously the sensitivities of the Associations, stated Dr. Kirkbride.

CHURCH LIFE AND LEADERSHIP (The Reverend Carroll Lewis): (See Exhibit 5). The report expounded on the three major goals adopted by the commission; namely, "Guidelines and Helps" for composing church histories; provided helpful and practical materials for use by all the churches; "The Nuts and Bolts of Church Planning."

The chairman reported full participation in the one day September event, when they presented Glen Huff and Eddie Walker to explore "The Nuts and Bolts of Church Planning."

The report recommended for the benefit of the incoming committee, the formation of a time and talent pool. This composite, documented expertise could be useful in many areas in our local churches. The Commission feels good about last year's work, stated the chairman. Report accepted.

CHURCH AND MINISTRY COMMISSION (The Reverend J. M. Copeland): (See Exhibit 6). The Commission is making use of the new **Manual on the Ministry**. Some study and attention will have to be given new terms used in the manual; namely, "Commissioned Minister" from "Commissioned Worker" and "Licentiate" from "Lay Minister."

The chairman noted that the Reverend Winston E. Waugh was invited to the White House for a briefing on the Nicaraguan situation. It should be noted that Mr. Waugh traveled to Nicaragua on behalf of the church several years ago.

The Commission continues to examine persons coming before it and applying for various standings in Eastern Virginia Association. The following persons were recently examined by the Commission:

The Rev. Horace Allen for reinstatement of his ministerial standing. It was noted that his standing was revoked when he chose another area of ministry outside the bounds of UCC. Request not granted at this time.

The Rev. Mrs. Madelene Beard, pastor of Galatians UCC, and full time Norfolk State University student, was granted Student-In-Care status.

Mr. Delano Evans of Fellowship UCC was granted the status of Commissioned Minister.

Mrs. Susie Keele of Union UCC was granted the status of Commissioned Minister.

Ivey Dunston, of New Hope Church went before the Commission and no action was taken.

Others appearing were:

Rueben S. Askew, III granted Student-In-Care status.

Dr. Samuel Varner granted transfer from South East Ohio Conference to Eastern Virginia with Ministerial Standing.

The Rev. Carlton Upton granted renewal of Licentiate with privileges.

Daniel Weikert granted status of Commissioned Minister.

The Rev. George Henry and the Rev. Emory Byron granted Privilege of Call status.

CORNERSTONE CAMPAIGN (The Rev. Paul Varga): All churches of the Association were urged to support the Cornerstone Campaign of the Southern Conference. The Cornerstone will support the total program of stewardship in the conference. New church starts, church renewal, ministerial support, continuing education, scholarships and support for institutions are some of the areas to feel the impact of Cornerstone. This will all be possible through the financial support of our local churches, which are asked to set a three year goal to raise the \$385,000.

INTERIM ASSOCIATION MINISTER'S REPORT (Dr. Robert Marr): The report highlight was the introduction of ministers and guests. New ministers presented to the Association:

Rev. Madelene Beard, Galatians UCC, Suffolk, Va.; Rev. G. Richard Dulin, Prince George UCC; Rev. Ernest L. Hamlin, Union Hill UCC, Sedley; Dr. Samuel L. Varner, Providence UCC, Chesapeake; Rev. David L. Wilson, Oakland Christian. Special guests and visitors presented: Dr. Rollin O. Russell, Southern Conference Minister; Rev. Ervin Milton, Associate Conference Minister for ENC; Dr. Richard Cheek, Associate Conference Minister for WNC; Rev. Cecil Cheek, President of the Southern Conference; Dr. Stuart Wallace, Elon Homes for Children; Rev. J. C. Dollar, Elon Home for Children; Rev. Richard Rinker, Minister of Christian Education for Southern Conference, Rev. Joe Talley, The Pension Board; Mrs. Sarah Carter, EVA Office Secretary.

All guests were given floor privileges if desired by them.

Dr. Marr continued by noting this to be a year of great change for the Association as well as revelation. He commended all who helped him as he serves as Interim Association Minister. The talent and expertise of EVA are unsurpassed. The Executive Committee and heads of all Commissions have just done a super fantastic job, stated Dr. Marr.

EASTERN VIRGINIA CHURCH WOMEN (Mrs. Doris Hartzog): The Eastern Virginia Church Women are proud of their contribution to East-

ern Virginia via their time and talent. The women acknowledge the fact they pray a lot, for therein lies their strength to keep moving ahead.

New officers for the group were installed in September by Mrs. Thelma Norfleet, President of the Southern Conference Women. The attendance at the affair was more than fifty percent men. Under the leadership just installed, the women stand ready to continue their service to the Association. The women expect to be represented at the regional meeting in Tennessee, later this Fall. The women will also participate in leadership and enrichment workshops in the coming weeks.

CHRISTIAN MISSIONARY ASSOCIATION (The Reverend Dan Bowers): (See Exhibit 7). CMA represents 96 years of service to Eastern Virginia Association. The roll call of churches of the Association this date netted \$3,498.00. The Treasurer's report indicated a net cash investment of \$175,000. The report of the Treasurer was accepted.

The report of CMA caused much commentary, questions, and dialogue at this juncture of the meeting. The report #7 in the report book was called into question, especially paragraph #3 which refers specifically to First Congregational UCC, Richmond, Virginia. It was unclear to the delegates whether the action of paragraph #3 was correct and in accordance with the CMA ByLaws. Further, it was questionable whether the ByLaws themselves were definitive enough for clarification. Two words, "primarily and principally," appeared to be vague and ambiguous to many.

There was some confusion as to what is the basic purpose of the CMA funds. Questions most frequently asked: Is CMA to help new church starts in the purchase of land only? What is the definition of a new church start? Is a relocated church considered a new church start? The ByLaws as now written, do not give clear answers to these questions according to some of the speakers. Others felt that the ByLaws need to be adjusted so that the same message will be conveyed to everyone.

Another problem addressed was the absence of records kept by former CMA workers in years past, some of whom have died. The feeling was expressed that there is a need for much more vigilance in the care of records.

The motion was made to refer paragraph #3 of report #7 to the Executive Committee of CMA, and then report back to the CMA body with their findings. This motion was defeated.

The chairman entertained a motion to divide report #7; i. e. take out paragraph #3 and act on it separately; The remaining portion to be acted on separately, too. The motion to divide the report was carried.

The motion was made to accept report #7, less paragraph 3. The motion was carried.

The motion to also accept paragraph #3 was made and seconded. The motion carried.

Some of the persons addressing the CMA problems were: Rev. J. J. Ferguson; Rev. David Seymour; Rev. Isaac McDonald; Rev. Paul Varga; Rev. Winston E. Waugh; and Dr. Rollin O. Russell.

AFTERNOON SESSION

Call to order by President Snowa. The devotional interlude was con-

ducted by the Rev. Isaac McDonald, followed by a memorial service conducted by the Rev. Joseph M. Copeland.

“ENCOUNTERING GOD: VISIONS OF THE FUTURE”

The theme was explored in workshop fashion by Dr. Lee Barrett. We were introduced to a learning style inventory and learning style type grid. By this means we saw how learning styles of individuals vary from person to person and group to group. We saw that individuals encounter God differently, as Dr. Barrett taught. Some are accommodators, some are divergers, others may be convergers, while others may come in as assimilators. Each encounters God in his/her own personal way, said Dr. Barrett.

Results of the dialogue and feed back on the theme will be utilized by the various Commissions of the Association.

EVANGELISM COMMISSION (Rev. Cecil Smith): (See Exhibit 8). Report was accepted.

STEWARDSHIP COMMISSION (Rev Paul Varga): (See Exhibit 9). The report was given by the Rev. Varga because the chairperson was absent at the time the report was scheduled. The report noted the Commission had prepared the EVA proposed budget and the list of OCWM goals.

The report asked that we take note of the fact that OCWM is approximately 50% off its goal of \$98,388. Clergy and delegates urged to do what is necessary when they return to their local churches. Report accepted.

1987-1988 PROPOSED BUDGET FOR THE ASSOCIATION (The Reverend Paul Varga): (See Exhibit 10). The proposed budget was presented by the Reverend Paul Varga in the absence of the chairperson Correll. Proposed budget was accepted.

SOCIAL MINISTRIES COMMISSION (The Reverend Donald Chick): (See Exhibit 11). One of the main thrusts of the Commission this year has been its fight to keep organized gambling out of the Commonwealth. The Commission has worked closely with the Virginia Council of Churches and other religious groups, to try and stem the tide of the proponents of the lottery in Virginia.

The Commission has also been active in all the local activities of the Association. The report was accepted.

CHRISTIAN EDUCATION COMMISSION (Ms. Ginna Dalton): (See Exhibit 12). The Commission reported a successful participation in the one-day September event. The Commission was particularly interested in the church school program of local churches. Help for church school teachers was a main objective. The report was accepted.

THE WOMEN'S TASK FORCE report was given by Ms. Marilyn Seymour: (See Exhibit 13). In the course of her report, she welcomed the Reverend Madelene Beard, as the latest to join the ranks of women pastors. Report accepted.

SEASHORE STATE PARK MINISTRY (The Reverend Thomas H. Britton). 1987 was a very successful year for our ministry at Seashore State Park. Our denomination, with support and cooperation of other major denominations, ministered from the amphitheater on a weekly

basis. All activities of the clergy are in accordance with the guidelines set forth by the Division of State Parks of the State of Virginia. The chaplain was somewhat a residency type in that he was available to staff and visitors during the week between Sundays. Eastern Virginia can derive much satisfaction in knowing we have supported this fine ministry. Report accepted.

DISASTER RESPONSE NETWORK (James Ramborger): (See Exhibit 14). The report coming from the chairman was a bit discouraging in that so little progress has been made since the last report to the Association. Report accepted.

Mr. Ramborger also reported on the Retirement Home. One significant fact is the land is paid for; however, we should not be led to think we no longer need your financial support. We do need it!

OTHER POINTS OF INTEREST

Attendance at this 18th annual meeting was: 49 clergy; 104 visitors and delegates.

Installation of new officers performed by Dr. Robert Marr.

The Rev. David Seymour is to participate in a pilgrimage to the Soviet Union.

Immediate past Association Conference Minister was unable to attend the meeting because of illness. The Secretary was asked to write a letter expressing our regrets.

Adjournment followed the closing remarks by the host minister, the Rev. Ineke Mitchell, pastor, First Congregational UCC, Richmond, Va.

Respectfully submitted,

COMMISSION ON CHURCH LIFE AND LEADERSHIP

Our Commission adopted three major goals or projects for the year. First, we prepared a sheet of "Guidelines and Helps" that a local church can use in writing their CHURCH HISTORY and keeping it up to date. We made this available for all the churches in the Eastern Virginia Association. We trust this has been helpful and will be a useful tool in future years.

Secondly, we reviewed a lot of materials from the Office for Church Life and Leadership. We selected several items that we felt each local church could use and made these available at the ONE DAY EVENT at Suffolk Christian Church.

Third, our special workshop at the ONE DAY EVENT was lead by Glen Huff and Eddie Walker. It was on "The Nuts and Bolts of Church Planning", i.e. some practical helps for a local church in getting out of the rut and looking to the future with some goal setting. Time will tell as to how many took the information to heart and uses it back in the local church.

One final project that we would like to pass on to the next Commission on Church Life and Leadership: We would like to recommend a "TIME AND TALENT LIST" for Eastern Virginia Association. A list of people that a local church and clusters of churches could call on for program planning and other helps . . . For instance, a list that a church could use in planning a Program on Peace, or Evangelism and Church Growth, or the Stewardship of Financial Growth. We believe this could be helpful to the local church and it would also use the talents and abilities of many of our good people in Eastern Virginia.

Respectfully submitted,
Carroll W. Lewis, Chairperson

(EXHIBIT 6)
EASTERN VIRGINIA ASSOCIATION
COMMISSION ON CHURCH AND MINISTRY

September 16, 1987

Report to the Board of Directors of the Eastern Virginia Association.

The Commission on the Ministry has experienced an interesting turn of events with the early retirement of the Associate Conference Minister, the Reverend L. Bill Simmons. The subsequent illness of the interim Associate, the Reverend David Humphreys offered us some responsibilities that heretofore we had not found to be a major concern of the Commission. In all probability these responsibilities were in keeping with the nature of our duties, but we had not been that completely involved before.

The Commission will meet on Thursday, September 24, 1987, 3:00 p. m., at the Suffolk Christian Church. We will have before us a number of persons seeking standing or continued standing in several categories. The **New Manual on the Ministry** presents new terms that will require some study and explanation, primarily that of "COMMISSIONED MINISTER" from "COMMISSIONED WORKER" and "LICENTIATE" from "LAY MINISTER."

The Commission will be involved in the forthcoming, "One Day Event," at Suffolk Christian Church on September 26th. We will utilize the **MANUAL** as we explore "Procedures for Authorization of Ministry," the role of the search committee and its response to candidates requests for placement as well as other concerns that may arise. We invite pastors, deacons, and all other persons who have an interest in this matter to share our workshop.

We, who make up the Commission, like all others, are looking forward to the placing of a new association minister with whom we will work to propel us forward to fulfill our responsibilities in the Name of and for the Cause of Christ.

Joseph M. Copeland, Coordinator

P.S.: There are two forthcoming Services of Installation, namely: The Reverend E. L. Hamlin to Union Hill Church, Sedley, VA. on September 27, 1987 at 5:00 p. m., and The Reverend Dr. Samuel Varner to Providence UCC on Sunday, October 25, 1987.

(EXHIBIT 7)
REPORT OF THE CHRISTIAN MISSIONARY ASSOCIATION

The Executive Committee of the Christian Missionary Association met at the Golden Corral in Suffolk on September 7, 1987 at 6:30 P. M.

The report of the treasurer was given by the Rev. Robert Bennett who noted that we have about \$155,000.00 on hand. The exact amount was not available as the treasurer had not received notices of all the money invested. He further reported on the manner in which the monies have been invested for the maximum of both safety and interest.

It was voted to make a grant to the First Congregational Christian Church of Richmond in the amount of \$25,000.00, said grant to be made

after February 1, 1988. It was voted that the CMA Board will again look at the request of the Richmond First Church at its spring meeting in 1988 since that request was for \$60,000.00 for the purchase of four acres of land located in Chesterfield County.

It was the consensus of the Executive Committee that we restructure the CMA so that it will be responsible directly to the Eastern Virginia Association of the United Church of Christ.

The following officers were nominated by the Committee:

President: James Ramborger

Vice President: The Rev. Winston Waugh

Secretary: Mrs. Janet Simmons

Treasurer: The Rev. Robert Bennett

It was voted that we have two year terms for all officers and board members with a maximum of six years service.

The following names were suggested:

1989: Mr. Troy Smith, Rev. Reuben Askew, Jr., Mrs. Janet Simmons.

1991: Mr. James Ramborger, Rev. Merle Correll, Mrs. Jean Copeland.

1993: Rev. Robert Bennett, Mrs. Julia Anne Williams, Rev. Winston Waugh.

The CMA will hold its spring and fall meetings at least one week before the spring and fall meeting of the Board of Directors of the Eastern Virginia Association of the UCC.

Respectfully submitted,
Daniel A. Bowers, President

(EXHIBIT 8) EVANGELISM COMMISSION REPORT

Our Commission has worked well together this year and some of our efforts and plans are herein listed.

We concluded the last event of the "TWO YEAR COVENANT" program at the Bethlehem UCC on May 3. All commission members fulfilled their responsibilities well. Members also responded to the March 21-22 event at Franklinton Center in fulfilling their duties in cooperation with the Program Council of the Southern Conference. Evaluation of that event was a favorable one from our standpoint. The President of our Association had informed us of a similar event to be held here in EVA and the date would be September 26, 1987. Our Commission would be responsible for Opening Worship, securing the preacher, worship leader, ordering the food for the event and would have a two-one hour time slot to tell and share with others about our work in Church Growth.

In our meetings, correspondence by phone and letters, we have our responsibilities pretty well covered as of this date. Emanuel Myrick will be our worship leader. Rev. D. A. Peace will be the preacher for our opening worship for the September 26 event, to be held at the Suffolk Christian Church, beginning at 9:00 AM. Rev. Dave Wilson has prepared Litany and Order of Worship. Rodney Nelson has checked on food and Rev. Bob Merritt will help in securing. A \$3.00 registration fee will cover lunch, coffee breaks, etc. Rev. Reuben Askew will share in our time slots, "What's

Happening in Evangelism—Toward Intentional Church Growth." He will compile materials from churches and pull it together. Rev. Art Knauer will be responsible for securing video tape from American Church Growth "See You Sunday," which deals with keeping new members alive and active and getting worship attendance up. Reuben Askew will help with video equipment. Ample time for viewing and small group discussion is anticipated for our time slots.

We have also discussed Pulpit Exchange again during the coming months. At our September Ministers' meeting we will poll those in attendance and see how many would participate, and attempt to set a date suitable, and sometime next year a special Sunday in our Association would be established on which every pulpit would be filled in EVA . . . even if it would mean filled with laypeople . . . using retired and other clergy where possible.

At our Conference level of Evangelism which was really responsible for the learning events at Franklinton Center and Blowing Rock, in cooperation with each Association, view the events as good and will attempt it again for next year. Dates set are April 15-16 at Blowing Rock and 22-23 at Franklinton Center. Details to be worked out. We have planned another Spiritual Renewal & Church Growth Seminar for October 17 at the Elon College Community Church. Rev. Alan Johnson—Secretary for Evangelism & Membership Growth, UCBHM; Rev. Cynthia Brandt-Scanlin, Interim Conference Minister, Penn Northeast Conference; Rev. Joe Copeland, preacher from EVA along with five workshops that will cover the major areas of church life. Other pastors from our Conference will be sharing. Rev. Steve Disher, Rev. Michael Hooper and others will be leading. From all indications this should be a very worthwhile venture for everyone. Brochures and posters will be mailed from each Association Office, special mailings, handouts at Women's & Men's Association meetings as a way of publicity.

I was able to attend the four day Evangelism Consultant event sponsored by UCBHM with Lyle Schaller at Chicago, Ill. on August 24-28. Ervin Milton from our Conference staff also attended with our Conference taking care of travel & UCBHM for the other expenditures. We were encouraged to work with regions in 1. Some training events for key leaders and conference staff. 2. Joint strategy for new church starts. 3. New Church Start pastors together on regional basis for training. 4. Create a pool for church growth pastors. 5. Have Regional events for clergy around Evangelism and Church Growth issues. Gather clergy for learning experiences. 6. Share people with gifts with other Conferences. 7. Create a Regional Mover's Notification System . . . of course this would need to be cleared but was a kind of plan that came forth from the people that met from South-Central, Southeast & Southern Conferences. All of us agreed it was good to be at this event for inspiration and insights.

You can see that our EVA Evangelism Commission and our Conference Evangelism Commission have been busy and there is yet much to be done.

E. Cecil Smith, EVA Evangelism Coordinator

P. S.: Lets keep Church Growth and worship attendance at "TOP PRIORITY."

STEWARDSHIP REPORT TO EASTERN VIRGINIA
BOARD OF DIRECTORS
September 3, 1987

The Stewardship Committee has met several times during the year. It has established EVA-OCWM goals for 1988 and it has prepared a 1988 EVA budget. The books will be audited in the near future.

The committee invested much thought into the contents and presenter for the September 26th workshop. The stewardship presenter will be Dr. C. David Langerhans from the national stewardship office. We have asked him to address the morning workshop on the theme, "The Stewardship of Money." This would include such questions as—why give, what belongs to you, personal stories, and communicating the need effectively (who owns the budget?). The afternoon theme would be "The Stewardship of Time and Talents." This would include time management, personal stories, commitment, talent rich—usage poor, and a talent survey tool.

The EVA-OCWM giving as of this writing is as follows: As of the end of August, EVA-OCWM giving is \$48,965 or 49.77 percent of a goal of \$98,388. The 1986 figure for the same period, January through August, was \$55,519 or 42.33 percent toward a goal of \$131,153. The income is less but the percentage is higher because the goal has been lowered.

The committee has neither been asked to participate in the Cornerstone Campaign, nor have we invested ourselves in the same campaign.

CHRISTIAN EDUCATION COMMISSION

The Christian Education Commission has had three meetings since the organizational meeting in January 1987. During these meetings we proceeded to make plans for the one day EVA event to be held on September 26, 1987.

At the outset, we discussed programs and needs of our churches. The issue of teacher education surfaced as being the greatest of concerns. As a result, we selected for our project, a program for church school teachers called, "A Learning Fair for Church School Teachers." The fair is being designed to provide a hands on personal involvement approach to enhance the skills of teaching in the church school.

Commissioned members assumed responsibility for facilitating the sessions according to their area of expertise, where they were most resourceful or most interested.

The schedule will provide for four workshop sessions with the topics listed below:

Session 1: Spiritual and Developmental Needs of Students by Age Groups—Presenter—Rev. David Brown.

This session will provide information on getting to know the students you teach by identifying their psychological and spiritual needs.

Session II: Teaching Methods—Presenter, Mrs. Ginna Dalton.

The use of storytelling as a method of teaching will be the primary emphasis for this session.

Session III: Clowning Ministry—Presenter, Mrs. Joan Beale and Youth Hostess, Miss Constance E. Jones.

This session will provide a presentation of Christian clowning and its effective use as a ministry.

Session IV: Teaching Materials—Presenter, a representative from Cokesbury. Host, Rev. Charles Walters.

This session will provide a display of supportive teaching materials with a resource person available to promote and explain the materials. We will have a teaching materials display set up so participants can visit the booth throughout the day.

Mrs. Sharon March has been coordinating the publicity for our Learning Fair. Copies of bulletin inserts have been sent to all churches. They were in the form of flyers which graphically illustrated what the fair will involve.

Finally, our plans also include giving hand-outs, freebies, pens, souvenirs, etc. to the participants. We look forward to full support of the churches with an excellent representation at the fair.

Respectfully submitted,

Rev. David Brown; Mrs. Ginna Dalton; Mrs. Barbara Dulin; Mr. Melvin Evans; Rev. E. L. Hamlin; Mrs. Sharon March; Miss Constance E. Jones, Chairman

REPORT OF THE EASTERN VIRGINIA ASSOCIATION TASK FORCE ON WOMEN IN CHURCH AND SOCIETY

Members of the EVA Task Force on Women in Church and Society have been active individually during this past year in working to uphold the cause of our Task Force in all areas of Church and Society.

A cause for celebration occurred this summer when General Synod voted to give the Coordinating Center for Women a permanent place within the structure of the UCC. We are proud of our denomination for taking this much needed step. We had all worked hard writing letters and speaking to our delegates in support of this move. It is encouraging when such efforts are rewarded in this fashion.

As Chair of the Task Force, I gave a presentation about the Task Force to the Women's Fellowship of Holy Neck UCC. The purpose of this presentation was to inform the women about our concerns and to help bridge a gap between the Task Force and the Women's Fellowship groups in our various churches. I am available to speak to other groups as well.

I was also fortunate enough to attend a conference led by Rosemary Radford Ruether, an important feminist theologian. It is important that we stay informed about issues and concerns facing women of the wider church, and that we know what the women theologians are saying. It was a great honor to attend this conference of women who view their lives as lives of ministry.

In an effort to work more closely with the Women's Fellowship groups. Susie Keele suggested that the Task Force work on producing a newsletter that would be sent to each Women's Fellowship. The first edition of the newsletter has been produced and was distributed at the annual Fall Enrichment meeting. We hope to be able to produce a newsletter at

least four times a year. A copy of the first edition is attached; let it be the culmination of this report.

EVA WOMANEWS

Elisabeth Schussler Fiorenza is one of the most widely known and well respected female theologians of our time. She spoke at our General Synod in 1985. She has written many books and is Professor of New Testament Studies and Theology at the University of Notre Dame. Her books are difficult. They are not easy and light reading. They are challenging yet rewarding. I do not intend to provide a synopsis of her work; I'm not sure I understand it all. I mention her because the title of one of her books haunts me. Published in 1983, the title is simply: **In Memory of Her. Fiorenza** chose this title from the title according to Mark chapter 14, verse 9. "Wherever the gospel is preached in the whole world, what she has done will be told in memory of her." We all know the story; it is the story of the anointing of Jesus' feet. It is important to remember that Jesus found the action of this woman to be of utmost importance. It is so important that Jesus proclaims to his disciples that her action will be remembered and retold wherever the gospel is preached. For us today, it is important to remember a few other things as well. First, the name of this disciple of Christ has been lost to us. We do not know her name, her background, her life story, or what became of her. We are lucky to know of her devoted action to Jesus. More importantly, however, we must realize that Jesus' proclamation has yet to be carried out. Her memory is rarely mentioned in the preaching of the Gospel. Her deed is in danger of being forgotten as her name has been. Her deed was important; her memory is important as well.

When women gather together, it is important that they tell their stories. It is just as important for the teller as it is for the hearer. We must each tell our own story, and we must each tell the stories of those who have gone before us and those who are unable to tell their stories themselves. We are all sisters, yet we must be willing to listen and to embrace those of us who are different from ourselves. They may be richer; they may be poorer; they may be more educated; they may be less educated. Our differences are many yet we are all the same. We are the daughters of God. Let us not forget.

Our story:

Her name is Alice, Maria, Joanna, Consuelo, Tangeda. She lives in Waverly, Hampton, Denbeigh, Ghent. She grew up poor, rich, middle class. She laughed; she cried; she dreamed.

Yes, she dreamed, and dreams still. She left school at 15 to work in a factory; she graduated from a prestigious university; she ran away from her home at 13 and became a prostitute in one of our larger cities; she is an executive in a well known business.

She got married and has three children; she's single; she lives with her lover; she sleeps in a doorway or on a heating grate. Her husband left her for a younger woman; her lover left her to find himself. Her husband

beats her and the children; her boss sexually harasses her; her paycheck is half of her male co-worker's. She's stuck in a dead end job without the money or resources or education to break out.

She mainlines daily because the past dreams recur too frequently. Her doctor writes prescription after prescription for valium; she drinks from the early afternoon through the late evening. She talks too much and too loudly, hoping someone will listen. She sits alone, enveloped in her own thoughts.

She commits suicide early one morning; she overdoses late one night. She died last year from an overdose; she died last month from a gunshot wound. Last week it was cirrhosis of the liver. She died, is dying, will die, from starvation, from the cold, from abuse of many sorts.

We will hear about her death; we will watch her die; quickly or slowly. We know her. She is our sister; she is our mother; she is our aunt, cousin, daughter, friend. She is sitting beside us, within us. She is ourselves.

EASTERN VIRGINIA ASSOCIATION
DISASTER RESPONSE NETWORK PLAN

Since the last report covering the status of the EVA Disaster Plan, 11, February 1987, little or no progress has been achieved. Currently, thirty-one (31) out of forty-one (41) churches in EVA have signed statements authorizing the use of their facilities during a time of disaster. This represents 75.6% of the churches which have the facilities to accommodate personnel during a disaster.

On the other side of the PLAN only fifteen (15) out of sixty-six (66) churches in EVA have responded in writing that they would assist in a disaster and what they would supply in terms of people to assist and equipment. This represents a percentage of 23.1%. This area of the PLAN needs to be improved immediately if the PLAN is to be really effective.

The annual Virginia Council of Churches, state-level Disaster Conference was held in Lynchburg, Va. May 26-27, 1987. Four representatives from EVA were in attendance. Much in the way of sharing ideas and information was achieved during these two days, especially in the field of nuclear disaster. Also, a written Agreement of Cooperation between the Red Cross and the Virginia Council of Churches was finalized along with a revision of the Disaster PLAN Charter.

After almost five years since the introduction of the PLAN into EVA there are less than 50% participation of the EVA churches. This is not conducive to a viable program for a disaster PLAN. More cooperation and participation by the EVA churches will be required if this PLAN is to be workable and successful. It can be a very successful PLAN if the leaders in each church will put forth the effort to get it started. Let us hope and pray that we do not have to have a disaster to awaken us to the fact that we were not prepared. We make preparations for most

everything in our lives that we do, why not a PLAN for a disaster that will help each and every person.

James Ramborger,
EVA PLAN Coordinator

MINUTES
TWENTY—FIRST ANNUAL MEETING
OF THE
EASTERN NORTH CAROLINA ASSOCIATION
OF THE
SOUTHERN CONFERENCE OF THE
UNITED CHURCH OF CHRIST

October 14, 1987

The Twenty-First Annual Meeting of the Eastern North Carolina Association of the United Church of Christ, Southern Conference, was held on Wednesday, October 14, 1987, at Oak Level United Church of Christ in Manson. The theme for 1987 was "Innovative Ministries." President Douglas Brown called the meeting to order, and Rev. Marion Heaton Wilson gave the invocation. Total attendance was 267: 102 ministers, 91 lay delegates, and 74 visitors.

An official welcome was given by the Reverend Leon White, host pastor. The agenda was then adopted, and the 1986 minutes were approved. President Brown appointed an elections committee to tally the ballots. Members of the committee were Collie Seymour, L. E. Young, Marshall Norwood, Sarah Harris, and Martha Fairbank.

The Rev. James Staunton gave the treasurer's report (see Exhibit 1). He noted the certificate of deposit that was purchased about 2 years ago matured in August, 1987. The interest from the CD was put into an account earmarked for Grant Aid to Ministerial Students. The funds from the CD were reinvested into another certificate of deposit that will mature in May, 1988. The Elon College Gospel Choir donated funds to Clinton Memorial Church and channelled them through the Association. Rev. Staunton further explained that under #12 of the report, the budgeted amount for Church Leadership Resources is \$500. The actual amount expended totaled \$1,321.57. Receipts of \$972 from the sale of UCC worship books to pastors and churches more than offset the budgeted amount, however. Finally, Rev. Staunton noted that a special appeal of the UCBWM steering committee for \$300 in assistance resulted in \$181.62 reimbursement to the account. The treasurer's report was approved. Rev. Staunton then presented the proposed 1987-88 Budget that would be adopted at a later time (see Exhibit 2).

In the absence of Ms. Mary Sue Tuck, Rev. Milton presented the report of the nominating committee's list of nominees for 1987-89 officers and Board of Directors for the Association (see Exhibit 3). There were no nominations from the floor. Election of officers was done at a later time.

Rev. Ervin Milton then recognized special visitors and new ministers. Special prayer was asked for Rev. John Irvine, who could not be present. In addition to the new ministers already listed in the Church and Ministry Report (see Exhibit 4), Rev. Milton recognized the following: Dr. William Andes and Rev. J. C. Dollar of the Elon Homes; Rev. Richard Rinker from the Conference staff, Minister for Christian Education and Editor of the Southern Conference News; "Senior Bishop" Rollin Russell, Conference

Minister; George Yeager, pastor at Liberty-Vance in Henderson; and Rev. Edward Rawls, pastor of the new church start in Cary.

The morning worship service featured Rev. Darryl Peebles, pastor of Providence UCC, Graham. Rev. Peebles came to us as "Miracle the Magician." Rev. Peebles performed various seemingly magical images centered on the goodness God has shared with us through his son, Jesus Christ. He hoped that we saw a variety of images we could share together and with other people. The presentation was well stated and enjoyed by all.

The group then adjourned to participate in the following workshops:

1. Family Ministries, led by Mr. Robert Stogner.
2. Creative Worship Ideas, led by Rev. Cally Rogers-Witte and Rev. Darryl Peebles.
3. Community Service Ministries Your Church Can Provide, a panel discussion led by Rev. Denise Long.
4. Christians and Racism, led by ENC Christian Social Ministries Commission.
5. The Nature and Mission of the Church, led by ENC Church Life and Leadership Commission.
6. Alternative Ministry: Freedom vs. Incarceration, led by Rev. Thomas Kruckow.
7. The Conference Constitution: Let's Hear Your Views, led by Rev. Jill Edens.

After the workshops, a luncheon was served by the women of Oak Level United Church of Christ in their Fellowship Hall.

The meeting reconvened at 1:30. President Brown called the meeting to order and asked for a motion to elect officers and Board of Directors of the Association for 1987-89. It was moved and properly seconded that the nominating committee's report of officers and Board members be elected. Motion carried.

Mr. Brown then turned over the meeting to the vice president, Rev. Jill Edens. She requested a change in the agenda by allowing Dr. Rollin Russell to speak on a survey concerning constitutional revisions. The survey had been distributed to each person present, and Dr. Russell wished to give it further explanation. The Constitutional Revisions Committee needs input on three particular areas of the life of Southern Conference—programs, services, and relationships. The survey was designed to serve this purpose. No objections were made to this change in the agenda.

At this time, Commission reports were given. The Reverend Donald Ingram gave a word of thanks on behalf of the Stewardship Commission to all the churches contributing to Our Church's Wider Mission. The Stewardship Commission reported certificates of recognition will be mailed to all the churches that gave in 1986. Also, the Stewardship Commission is now organized by districts. Each district has a stewardship coordinator. Please feel free to call on your district coordinator to come in and work with your church's stewardship committee. The 1988 goal of the commission is to encourage all churches of the ENC Association to give again.

Rev. George Hawkins for the Church and Ministry Commission (see Exhibit 4) gave special recognition and a citation to Rev. Robert Kimball of Elon College for 50 years in the ministry. A moment of silence was

observed for those who had finished their course here on earth. It was then moved that the report of the Church & Ministry Commission be adopted. Motion carried. Other commission reports were included in the motion (see exhibits 5, 6 & 7).

Rev. Ervin Milton gave his report of the Associate Conference Minister (see exhibit 8). In addition to the report, Rev. Milton expressed an inner joy he has had in serving a diverse Association where we have various groups who are becoming one.

Dr. Rollin Russell spoke on the Cornerstone Campaign and gave greetings from the Conference Minister. The campaign has just completed 13 dinners at which roughly 120 congregations were represented. The purpose of the dinners was to familiarize people with Cornerstone and to hand out campaign materials. Because of the excellent response, there are no more materials to give out. More have been ordered, however! The purpose of the campaign is to raise \$385,000 for new church starts, church renewal projects, media advertising, scholarships for seminarians, continuing education for ministers, and ministry support programs and care programs in the Conference. Over \$40,000 has been pledged thus far. All churches are asked to support the Cornerstone Campaign. Rev. Ed Rawls is the pastor of a new church start in Cary, NC. So far, 30 people have expressed interest in organizing a new UCC church there. Their goal is to have their first service on December 6 with at least 100 people present.

Dr. Russell also stated that the process of constitutional revision is very delicate and requires a considerable amount of study. The people who are participating in it have done a lot of work and welcome the feedback given today.

Dr. Bill Simmons unexpectedly retired in February after serving as Associate Conference Minister of Eastern Virginia. We now have an interim associate, Rev. Dr. Robert Marr. The Eastern Virginia Association office has been moved to Suffolk, VA to a permanent location. The search committee for a new permanent associate conference minister has completed its work. The nominees will be made to the Conference Board of Directors meeting November 2.

Dr. Russell is looking forward to his sixth year serving as Conference Minister in 1988. He expressed concern over the salary study done by the national church in 1986. The Southern Conference for 1985, 1984, and 1983 was 37th among the 39 conferences of the UCC in salaries for full-time pastors. In 1986, the Southern Conference was 35th. Rev. Russell called for support of our ministers in their education and their salaries.

At this time the Budget for 1987-88 was adopted. Elected persons were installed by Rev. Milton. The new president, Rev. Jill Edens, presented a resolution on Child Care for Annual Meetings of the Eastern North Carolina Association of the Southern Conference of the UCC (exhibit 9). There was a question raised on #2 of the resolution as to what the "other meetings" are. As explained by Rev. Edens, who is author of the resolution, the other meetings would be emergency situations when someone had to be at a meeting and could not come unless child care was provided. The Association would then have the freedom to provide those services. A motion was made to amend the resolution by recommending that

Child Care be provided for the Southern Conference Annual Meeting as well. Motion carried. The resolution was adopted.

Dr. Russell made a motion to express official thanks to the pastor and people of Oak Level UCC for hosting the Association Meeting. Motion carried.

The meeting was closed with a communion service and meditation by Rev. Milton on "Christian Companionship."

Respectfully submitted,
Douglas Brown, President
Bettie Pulley, Secretary

REPORT OF THE
CHRISTIAN SOCIAL MINISTRIES COMMISSION
September, 1987

Dear Friends,

Your Christian Social Ministries Commission has been busy during the past year with two productive meetings, several subcommittee get-togethers, and other activities.

The Commission members decided early this year that the focus of the Commission would be racial bigotry and violence. Here listed are some of the things we have been doing and are involved in:

In March, some of our Commission members were able to attend the Ideas Event at Franklinton Center where the program for Christian Social Ministries included "Racial and Religious Violence in our Midst."

In April, we purchased two copies of the book, **When Hate Groups Come To Town**. This fine resource is a handbook of model community responses published by The Center for Democratic Renewal and is available for loan through the Conference Office Resource Centre.

In May, we sent all churches in the Eastern North Carolina Association a letter of worship resources for Pentecost Sunday, which sadly was the day the Klan chose to march in Greensboro. These resources included a responsive reading and prayer for unity and love among God's people.

During the year, a newspaper clipping network was established whereby Commission members share local articles on incidents of racial violence.

At this annual Association Meeting, the Commission will conduct a workshop entitled "Christians and Racism." We will seek and discuss individual opinions on the racial situation of today. We will also show a videotape of a 20/20 program segment that concerns the KKK's murder

of Michael Donald and his mother's successful lawsuit against the Klan. This tape includes a powerful message of Christian love by the victim's mother.

Finally, the Commission has been represented in the planning of a statewide conference on racism scheduled for April, 1988, by the North Carolina Council of Churches. The Commission plans to promote this conference and recruit people to attend from ENC churches.

Respectfully submitted,
Norman Robarr, Coordinator

EXHIBIT 6
REPORT OF THE
COMMISSION ON CHURCH LIFE AND LEADERSHIP
EASTERN NORTH CAROLINA ASSOCIATION

The Commission met four times from January, 1987 to May 1987. Three of the meetings were held at Zion Temple UCC in Durham, and one meeting of a subcommittee was held at Pilgrim UCC in Durham.

At the first meeting, questions were raised about the life and work of the local churches. Interest was expressed in renewing the local church. Concern was voiced about the level of faith and commitment in the local churches. Concern was raised that many church members have not grown in their understanding of the nature of the church and her ministry. After much discussion, the commission decided to concentrate on formulating and developing a workshop(s) on the "nature and mission of the Church." The program would be a team effort and begin with worship and involve experiential and group dynamics as well as team presentations. The tentative outline for the program is:

The Church's Nature and Mission

- I. Origins and Formation—Biblical-theological
- II. Ministry/Mission of the Church (Laos)
- III. Historical Shape of the Church
(Institutional bearers of God's revelation)
- IV. The Future Hope of the Church

The idea is for a team to take the workshop to a local church or to a cluster meeting of local churches.

The Commission scheduled a meeting on February 24, 1987, at Pilgrim UCC to test its ideas. The meeting included Rollin Russell, Joyce Myers, Fred Herzog, and other non-members of the Commission. The meeting was generally helpful to the Commission in its thinking through its ideas on the church workshop. The Commission's direction was generally affirmed.

The Commission met in March to refine its thoughts on the church workshop. Discussion was presented on how the workshop would be perceived by Black and White churches. It was agreed that more discussion was needed on this subject. It was suggested that members of Black and White congregations would meet together for the church workshop.

At the last Commission meeting in May, discussion continued on the workshop with the hope that we could be ready by the fall of 1987. This

schedule now appears unrealistic. Discussion was also held concerning the fall annual meeting of the Eastern North Carolina Association. The Commission recommended that for the Annual Meeting, a speaker on church renewal be invited to stimulate people on new vision for the church. The speakers suggested in order of preference were: Mary Cosby, George Peck, Val Russell, Robert Raines, Jackie McMakin. Discussion was also presented on the need for spiritual retreats in the association.

The Commission has addressed the life of the local church and concerned itself with church renewal. It has sought and continues to seek ways by which the church may come to know and to appropriate more fully its life as God's people led by Christ and the Holy Spirit.

Respectfully submitted,
James L. Smalley, Jr., Convenor

EXHIBIT 7
EASTERN NORTH CAROLINA ASSOCIATION
EVANGELISM COMMISSION REPORT
1987

Our Commission defined evangelism as being about the good news of Jesus Christ. It involves:

1. being the good news
2. living the good news
3. telling the good news
4. inviting others to be a part of the good news

We need to find ways of doing a more effective job on Numbers 3 and 4. First, however, we want to be aware of what our churches are already doing in the area of evangelism. This will help us determine what can be done to encourage and assist our churches in developing stronger programs of telling the good news and inviting others to be part of it.

Our group discussed using newspaper ads and developing radio spots. These ideas were communicated to the Conference Evangelism Commission.

REPORT AND REFLECTIONS FROM THE
ASSOCIATE CONFERENCE MINISTER FOR ENC
October, 1987

Friends in Christ:

For the past two or three years I have felt that in the next year the work load would lessen and enthusiasm in the Association would fall. However, in my estimation, neither has proven true. In fact, there continues to be a growing interest and commitment to a vision of unity.

So much has happened in the last year. If I name them: UCBWM in Annual Meeting, the Ideas Conferences, New Directions for Franklinton Center, New Directions for Ministry in the Association, the Cornerstone

Campaign, the list can go on and on. More than ever opportunities for learning and ministry are before us.

I have driven 19,000 miles, car pooled 4,000 miles to attend 54 worship services of various kinds, 108 meetings in the Conference, 5 meetings outside the Conference, over 300 Conversations (ministers as well as lay people do not like to think of my time with them as counseling sessions) as well as the many casual conversations with people. Let me hasten to say that I enjoy most of this work. Not only have I touched other lives, but my life has been touched. I am grateful.

What a joy it is to continue to minister in Christ's name with you.

With Love,
Ervin E. Milton,
Associate Conference Minister for ENC

**EXHIBIT 9
RESOLUTION ON CHILD CARE
FOR THE ANNUAL MEETINGS OF THE
EASTERN NORTH CAROLINA ASSOCIATION
OF THE SOUTHERN CONFERENCE OF THE
UNITED CHURCH OF CHRIST**

Whereas, the family has been and is a priority of the United Church of Christ; and

Whereas, it should be our priority to empower younger people in our Association to be involved as doers and leaders in the church; and

Whereas, some parents of young children may be unable to participate in annual Association meetings because of the financial burden child care can impose; and

Whereas, we should seek to serve the changing needs of both clergy and lay families wherever possible;

BE IT RESOLVED THAT

1. The Eastern North Carolina Association of the Southern Conference shall provide child care at its Association Meetings each year; and
2. Child care during other association meetings such as workshops and seminars will be considered and provided if the situation and available funds make such a service feasible.

TOUCH THE COMMON THINGS , O GOD

O God,
Touch again the common things,
Even as Christ did,
And make them
Revealers of Your truth.
Touch the common bread
And water of life
Until we know
That all life is sacred
And the small things
Become moment by moment reminders
Of Your Presence and power.
Through Your Spirit
Help us discover
The deeper dimensions

Of the seen and unseen.
May we see You
Rising out of the routine relationships
Of our life and labor
Until our hearts burn within us
As we walk by the way. Amen.

CONFESSION OF SIN

L: Let us confess our sins.

ALL: God of all mercy, we confess before you and each other that we have been unfaithful to you. We lack love for our neighbors, we waste opportunities to do good, and we look the other way when you cry out to us in the suffering of our brothers and sisters in need. We are sincerely sorry for our sins, both those we commit deliberately and those we allow to overtake us. We ask your forgiveness and pray for strength that we may follow in your way and love all your people with that perfect love which casts out all fear, through Jesus Christ our Redeemer. Amen.

**AN ADAPTATION OF THE
STATEMENT OF FAITH
OF THE UNITED CHURCH OF CHRIST**

By Robert V. Moss

We believe in God, the Eternal Spirit, who is made known to us in Jesus our brother, and to whose deeds we testify:

God calls the worlds into being,
creates humankind in the divine image,
and sets before us the ways of life and death.

God seeks in holy love to save all people from aimlessness
and sin.

God judges all humanity and all nations by that will of
righteousness declared through prophets and apostles.

In Jesus Christ, the man of Nazareth, our crucified and risen Lord,
God has come to us
and shared our common lot,
conquering sin and death
and reconciling the whole creation to its Creator.

God bestows upon us his Holy Spirit,
creating and renewing the Church of Jesus Christ,
binding in covenant faithful people of all ages, tongues,
and races.

God calls us into the Church
to accept the cost and joy of discipleship,
to be servants in the service of the whole human family,
to proclaim the gospel to all the world and resist the powers
of evil,
to share in Christ's baptism and eat at his table,

to join him in his passion and victory.

God promises to all who trust in the gospel
forgiveness of sins and fullness of grace,
courage in the struggle for justice and peace,
the presence of the Holy Spirit in trial and rejoicing,
and eternal life in that kingdom which has no end.

Blessing and honor, glory and power be unto God. Amen.

REPORT OF THE ASSOCIATE CONFERENCE MINISTER WESTERN NORTH CAROLINA ASSOCIATION 1987

Dear Friends:

Many of you who read this report also make annual reports and know something of what to expect: a review of the past and a hope for the future, a word of thanks for what HAS been done and a challenge for what needs TO BE done. Underlying these two tenses is a certain embodiment of an important aspect of the Gospel itself, namely, thanks to God for what God has done for us in Jesus Christ and the constant "pressing on to the high calling of God in Jesus Christ."

Some of the matters for which I am thankful can be seen in the statistical report below, as well as other Association and Conference reports. Many of our churches have been very active and supportive in the life of the Association and Conference. There are some, however, "on the edge" which we hope will participate more fully. Those of you who read this are probably the best instruments to bring this about in your congregation. Please help; the participation and sense of being a part of the whole Body of Christ is more important than any financial support, as much as that is needed.

As I looked at the installations I felt certain we had more than in

1985-86; however the number is the same, 11. But they were 'bunched together' a lot more, as well as interspersed with Ecclesiastical Councils and Ordinations. It is worth noting that only 3 of the 11 involved persons moving within the Association and only 1 of 4 scheduled in the near future involves a person moving within the Association. All of this points to the fact that we have a lot of "new folk" in the WNCA clergy ranks. I trust we will welcome these persons, get to know them, and quickly make them feel at home. We can build the kind of fellowship we all desire by being more intent on participating in District Clergy meetings, the annual Clergy retreat, taking part in Association and Conference meetings, as well as making our contributions to the life of the Commissions, etc. Remember: we are in this ministry together; we need each other.

1987 has seen the introduction of two very important documents; the new **Manual on the Ministry** and the new **Book of Worship**. I am impressed with both of these resources and commend them to you, and hope you will in some way acquaint your congregations with the rich resources for worship.

I also hope we can have more opportunities of worship with black/white congregations, as well as informal gatherings. This will need some intentional effort on the part of black and white congregations/pastors. There are 20 black congregations in WNCA. Some pulpit and/or choir exchanges, as well as some joint services, will do much to enhance and enrich the lives of all, as well as give us greater appreciation of each other's worship traditions.

SOUTHERN CONFERENCE SUNDAY was again celebrated in the Association with approximately 65 churches participating and about 35 persons serving as interpreters. The comments were very positive and we will in some way keep this program before us.

The CORNERSTONE CAMPAIGN DINNERS are in progress as I write this and it is my prayer that we shall all respond, as individuals and/or churches. Success in this endeavor can mean so much to the overall Conference programs and witness in our time.

Among five pastors who died since we last met, three were very active in the life of the Association: Porter W. Seiwel, Paul V. Helm, Jr. and Lonnie A. Carpenter. To literally thousands of people these pastors were special, touching lives of others in so many ways. In some ways they represented an "era" and we thank God for their life-style and ministry-style, faithful to the God they loved and served.

We will pay special honor at this meeting to Dr. Roy E. Leinbach, Jr. and Rev. Henry J. Meier, for whom 1987 marks the 50th year of Ordination to the Christian Ministry. This is a privilege afforded comparatively few.

As I write this report I have been in this position three years and am grateful for our pastors and congregations. In one way or another I have had meaningful contact with almost every church and pastor, and with several on more than one occasion. Please know that I covet the opportunity to serve all the churches and pastors in the Association in whatever way I can. However, please contact me. When you say "Come any time,"

have your datebook in hand to be specific! "Any time" simply gets crowded out by definite commitments.

As we meet on this 20th year of the WNCA, allow me a word of deep appreciation to all of the officers, Board members and Commission members who, with your undergirding, keep the WNCA active and very much alive. A special word of appreciation is extended to The Reverend James Peeler who served the past two years as President; no one could have asked for more leadership and support than he gave. We give thanks for all who have served so well during these first 20 years as the WNCA.

Finally, continue to remember me in prayer as I remember you and your congregation from time to time and on a regular recurring basis. Thank you again for the opportunity of having this ministry with you and among you. Together let us give our best to God as we serve in God's Church and proclaim the unsearchable riches of Christ Jesus.

Respectfully submitted,
Richard A. Cheek

**WESTERN NORTH CAROLINA ASSOCIATION
 CHURCH AND MINISTRY COMMISSION**

The Church and Ministry Commission met six times this year including a joint meeting with the Church and Ministry Commissions of the Eastern North Carolina and Eastern Virginia Associations. The meetings were normally four hours in length (including a supper or lunch meal). They are held in one of our local churches or at one of our institutions. This helps the Commission to "stay in touch" with the rich variety of ministry within the Association.

In addition to its work of interviewing and reviewing the credentials of persons who wish to be authorized to serve churches in our Western North Carolina Association, Commission members are responsible to assist in the planning of each ordination and installation service. This is normally carried out by the chairman and the Associate Conference Minister who also participate in the leadership of these services. At this writing at least seven such services have taken place this year with several more planned before the year's end. Add at least three Ecclesiastical Councils—a gathering of clergy and lay people along with Western North Carolina Association Board members and Church and Ministry Commission members for the purpose of hearing an ordination candidate's theological paper—and you have quite an array of responsibilities resting with the Commission.

The already mentioned joint meeting of the three Conference Church and Ministry Commissions was an experience of learning from each other about "how we do things" in each Association as well as studying together the new **Manual on the Ministry**. It was led by conference staff and included several case studies which challenged participants to apply guidelines and procedures outlined in the manual. This helpful resource was published by the Office for Church Life and Leadership to assist Church and Ministry Commissions throughout the United Church of Christ in the authorizing of persons for ministry and in keeping those authorizations current. It is based on provisions for ministry continued in the United Church of Christ Constitution and Bylaws.

A most interesting, and, by all reports, helpful commission offering this year was a course on United Church of Christ history and polity held on six Saturday mornings at Catawba College. Sixteen people who were

new to the Association or who had not previously taken a UCC polity and history course attended each of the three-hour sessions. Western Association ministers were the instructors.

Another program in which Commission members took part were the two workshops held on the new **Book of Worship** and the **Manual on the Ministry** both led by the Reverend Joyce Myers. The **Book of Worship** is an excellent resource for our UCC Churches. It expresses the diversity of the United Church of Christ in the area of worship. It also reflects the liturgical traditions found in the denomination's past as well as the historic and universal church. It is enthusiastically recommended for use in our local congregations. This year it was used at every service of ordination and installation held within the Association.

The Association theological scholarship funds are also administered by the Church and Ministry Commission. During this calendar year at least fourteen theological students holding in-care status with the Association will have benefited from these funds.

Special appreciation is extended to the churches and institutions that have hosted Commission meetings this year, and also to our Associate Conference Minister, the Reverend Richard Cheek, who works closely with the Commission. His staff support and that of the Association office is vital to the effectiveness of the Commission's work. Finally, I offer heartfelt gratitude to the Commission members who have served so faithfully and well.

Respectfully submitted,
James E. Humphrey, Chairman

WESTERN NORTH CAROLINA ASSOCIATION
STEWARDSHIP COMMISSION**

The Stewardship Commission met in October, 1986, to set goals for the year. As a Commission, we encourage all churches to support our

Church's Wider Mission and the budget for the Western North Carolina Association. Also, we support the Stewardship Five Year Plan of the Southern Conference.

Prior to December 31, 1986, the Commission met and reviewed the contributions made by the churches toward the 1986 goals. Members of the Commission contacted churches that had not met their goals and volunteered their services if they needed someone to answer questions for their membership regarding OCWM.

As Chairman of the Commission, I attended the meetings of the Stewardship Commission, Southern Conference, as well as a special meeting for the Cornerstone Campaign of the Southern Conference. There was a special session on Stewardship at the IDEAS Workshop held at BRAG, which I attended and it was conducted by Mr. James B. Allred, Stewardship Associate.

July 1987, the Commission reviewed the support of each church in our Association for the first six months. Also, goals were set for 1988. A letter was sent to each church about their support along with a copy of a list of contributions made through June 30, 1987, as well as their goals set for 1988.

An extra bonus for this year was that I attended a Stewardship Council, United Church of Christ, Area Meeting in St. Louis, Missouri, the first weekend in May. This meeting was sponsored by the Stewardship Council, United Church of Christ. There were participants from eight conferences that were similar in size, etc. The Staff of the Stewardship Council conducted the meetings and there was a wealth of knowledge there and I brought some of this wealth back with me.

The Stewardship Commission will continue to strive to get all churches in the Western North Carolina Association to support Our Church's Wider Mission and the Western North Carolina Association. We ask that they meet their challenged or accepted goal for OCWM each year.

Margaret Byrd, Chairman
Stewardship Commission, WNCA

REPORT OF THE COMMISSION ON EVANGELISM WESTERN NORTH CAROLINA ASSOCIATION

Work of the Commission on Evangelism this year has included:

- Membership changes were tallied from the annual reports submitted by the Western North Carolina Association Churches. These statistics revealed 40 churches showing a net growth in membership, 41 churches showing a net loss and 39 churches had no change (including 24 churches not submitting a report). Our association added 778 new members and lost 871 with a net loss of 93 members. We note that a significant number of these losses were by removals of inactive members.
- Our commission has cooperated with the Conference Commission on Evangelism in sponsoring a church growth and spiritual growth event scheduled for Saturday October 17th, at the Elon Community Church.
- Each church showing a net gain in membership for 1986 was sent a letter of congratulations.

—These plans for the 1987 Western North Carolina Association Annual Meeting: 1) certificates will be presented to four churches in the Association recognizing them as having the largest increase in membership in their size categories. Categories of the four churches include those with membership below 150, 150-250, 250-500 and 500 or more; 2) Distribution of the "Honor Roll of Church Growth" listing churches in the Association showing a net gain in 1986 membership; 3) Brief reports on the work of evangelism.

—A questionnaire will be sent to each church and pastor in the Association seeking to learn their areas of strength in evangelism. The intent of gathering this information is to eventually compile a list of resource persons knowledgeable in various areas of evangelism and willing to share their expertise with others. This list would be distributed in the association. The questionnaire will not only seek to learn the strengths of churches and pastors, but also their needs in any area of evangelism.

If this commission can ever be of assistance in your efforts in evangelism, please do not hesitate to ask. Thank you for your continued efforts. May the Spirit continue to empower and direct us in the Western North Carolina Association to share the Good News of our Saviour and Lord, Jesus Christ and may spiritual and numerical growth continue as we seek to serve Him.

WESTERN NORTH CAROLINA ASSOCIATION
CHRISTIAN EDUCATION COMMISSION
ANNUAL REPORT, 1986-87

John H. Westerhoff, II in **Values for Tomorrow's Children**, describes the challenge before the Christian Education Commission of the Western North Carolina Association and its member churches:

"Church education is not just one aspect of the church's life, but integral to its total life. The church is always just one generation from extinction. At stake are tomorrow's children."

Your commission has attempted to meet this challenge in 1986-87 by:

- A. Responding to Particular Area Needs:** We provided leadership for local church workshops as requested; e.g.,
 1. Peace UCC, Greensboro, May 3 and September 3, 1987, and
 2. Bethlehem UCC, Winston-Salem, September 27, 1987.
- B. Stimulating Area Programming:** We provided leadership for a workshop ("Is It Sunday Night Again So Soon?") at the Davidson-Forsyth Ministerium Leadership Training School, February 1, 1987.
- C. Advocating in Appropriate Ways and Forum for Christian Education Concerns:** A Commission member was instrumental in the allocation of Conference funds for acquisition of videotape equipment.
- D. Recruiting New Leadership in Christian Education:** Much time and effort was spent in laying a foundation on which to rebuild a Western North Carolina Youth Task Force.
- E. Assisting in Implementation of Conference Christian Education Commission Program Efforts:** Commission members provided leadership for:
 1. The highly successful "IDEAS" Conference at Blowing Rock Assembly Grounds, March 27-28, 1987.
 2. The annual Festirama, July 17-19, at Elon College.
 3. The Conference camping program, and
 4. The development of the Sunday School operations manual.

Many thanks go to the following who served as your Commission members during the past year: David Allgood, Randy Cline, Barbara Clyburn, Rev. Eric Disher, Frank Goodnight, Cynthia Hall, Rev. David Kelly, J. T. Baxter Morton, Rev. Paul Pickler, Bob Redwine, and Jimmie J. Williams.

REPORT OF THE COMMISSION ON
CHRISTIAN SOCIAL MINISTRIES 1987

The Commission on Christian Social Ministries was represented by several Commission members at the IDEAS workshop at BRAG in March where the covenant for a Just Peace Church was discussed and ideas presented for getting more churches involved. The issue of racist and religious violence in North Carolina also claimed the group's attention

especially in relation to what to do when the KKK, White Patriot's Party etc. march in local communities.

Members of the Commission participated also in a consultation on "The Righteousness of God and the Integrity of Creation" sponsored by the Evangelical Church Union of Germany (EKU) and the United Church of Christ, Southern Conference, at Duke University on April 11th. This is an united effort by Christians of both countries to grapple with questions of ecology, stewardship and justice.

Our Commission has several recommendations to make to the churches of our Association:

1. Churches that have not done so are requested to designate an individual or Board to be on the alert for national and international issues that have ethical implications. These can be presented to members of the congregation through reports, discussions, panels, etc. They can serve as contacts between our association and conference commissions and local congregations.

Excellent resources include: "Courage in the Struggle for Justice and Peace" published by the UCC Office for Church and Society, 105 Madison Ave., N. Y., N. Y. 10016; the Raleigh Report of the North Carolina Council of Churches, 1201 Cameron Village, Raleigh, N. C. 27605; and IMPACT, an interdenominational legislative information network which monitors legislation before the U. S. Congress (100 Maryland Ave., N. E., Washington, D. C. 20002—\$15. membership fee).

2. Churches that have not done so are urged to make a commitment to become a "Just Peace Church" (contact Southern Conference Office for details).
3. Churches of the Western North Carolina Association are encouraged to study and discuss the resolutions adopted at the 1987 meeting of the Southern Conference including:
 - (a) 1,000 Years of Christianity in the Soviet Union
 - (b) Selective Conscientious Objection
 - (c) Racial and Religious Intimidation and Violence
4. Local churches are encouraged also to study and discuss the pronouncements of the 16th General Synod (Cleveland, Ohio June 25-30, 1987)—especially:

- (a) The Homeless Poor (a priority for the next biennium)
- (b) The Sanctuary Mission
- (c) 1,000th Anniversary of the Church in the Soviet Union

During the coming year, opportunities will be available for interested persons to:

- (a) participate in a conference on Racial and Religious Violence (for information contact John Kernodle, Southern Conference Office).
- (b) join the EKU-UCC effort in exploring environmental issues especially as they relate to the disposal of hazardous waste. (Contact Southern Conference Office)
- (c) join a group from North Carolina who will be visiting the Soviet Union to share in the celebration of the 1,000th Anniversary for the Founding of the Russian Orthodox Church. (For information

write to NCC USSR Travel Seminar Office, Room 851, 475 Riverside Drive, New York, NY 10115.)

REPORT OF THE TASK FORCE ON WOMEN
1987

The Task Force on Women in the Western Association has not met often this year but each member has been busy carrying out the responsibilities of this group. We are constantly re-evaluating just what we need to do and trying to relate this information to others.

We continue with many things we have endeavored to do over the years such as: support of our women clergy, providing child care for our clergy persons; insurance benefits for part-time church employees; seeking out and distributing literature that helps explain the role of women today; helping to publicize the program of "Women in Mission" and trying to get groups and individuals to become a part of this program; being supportive of each other in the different problems in our personal lives; studying and supporting political candidates who strive for the same things we believe in; being supportive of fathers, husbands, male clergy, trying to help women in our churches and communities to keep up with the many demands made upon them these days, plus so many other matters of concern.

We are particularly pleased that the Coordinating Center for Women will be continued in our United Church of Christ as voted by General Synod 16.

We were also particularly pleased that Doris Yeattes of Peace United Church of Christ in Greensboro and a very active person in our Task Force, was one of two women from our Southern Conference to be honored at General Synod as one of the outstanding women of our Southern Conference. Thelma Norfleet, President of the Women's Group of the Southern Conference was the other woman honored.

We ask your support in our task.

The Reverend Ms. Elizabeth C. Davis,
Chairperson, Task Force on Women

(EXHIBIT 13)
CHURCH WOMEN OF WESTERN NORTH CAROLINA

This year has been a productive year for our women. One of the goals for this year was to have a workshop in every program district. I am pleased to say that every district has had a workshop or has one planned at this time. These workshops are important because of the program plans that need to be made in each local church. Fellowship and communication between our local church members is important, too.

At our Fall Enrichment Meeting this year, we plan to hand in Service Projects. Our board felt that instead of just having a project that consisted of turning in money, we would work with our hands. Making sweat-

ers, school kits, sewing kits, etc., will give a lot of personal satisfaction and do a lot of good for Church World Service.

The project that I feel will be the hi-light of the year is a Scholarship Fund for Nazareth Children's Home. This will help young people there continue their education. This idea came from First Church, Landis. Thanks to Rev. Cheek for working out the guidelines for the scholarship. Everyone is welcomed to help with money to assist in establishing this fund. Kay Corriher and Beverly Poole will represent Western North Carolina Women on the first committee.

Due to the wonderful officers and district representatives, Western North Carolina has had another great year. Thanks to all who have helped me.

Cynthia W. Buckwell, President

MINUTES OF THE SOUTHERN CONFERENCE CHURCH WOMEN'S EXECUTIVE BOARD

June 12, 1988

The meeting was called to order by the President, Thelma Norfleet, at 7:00 P. M. Faye Humphrey, 1st VP, led us in a brief devotional based on a poem by Helen Steiner Rice.

The Minutes of the March 1988 meeting were read and approved.

Faye Humphrey, Working Rules Chairperson, outlined her plans for presentation to the Annual Meeting, which will reflect the suggestions made at the March Executive Board meeting.

Sarah Whittington, treasurer, reported that we have a shortfall of \$1,888.85, in the 1988 budget as of this time. Ideas were bounced about concerning funds available to meet this crisis. A discussion about the Della Beasley Scholarship Fund was held and at the present time the treasurer is holding that money in the bank. The treasurer's report was accepted as reported. Faye recommended that a list of contributing church women's groups be put in the yearbook and in the Southern Conference News. By consensus we agreed to do this. A letter from Joyce Myers-Brown was read indicating that she and Ed plan a sixteen month stay in France as they serve the Board for World Ministries through a parish in the Reformed Church of France. A motion was made that money collected as a love gift for Joyce and Ed in March be put into the treasury earmarked for administration and outreach. This motion passed. In a discussion that followed we decided that the Summer Conference might wish to contribute to this love gift; therefore, an opportunity will be given to the women both on Monday and Tuesday to do this. We know how fond they also are of Joyce.

Rebecca Young shared a dream of hers with us: that women whose churches do not have organized groups will want to contribute to Administration and Outreach.

Dot Jolly, president of ENC, reported that in addition to her report in the yearbook there was a great deal of interest at the IDEAS Workshop at BRAG in revitalization of Church Women.

EVA report is in the yearbook as their president, Doris Hartzog, is accompanying the Southern Conference delegation visiting churches in Germany.

WNC report given by Cynthia Buckwell, president, is found in the yearbook. She gave a glowing report on the new scholarship fund they have established to help Nazareth Children's Home graduates continue their formal education beyond high school. **TWENTY—FIRST ANNUAL MEETING OF THE
CHURCH WOMEN OF SOUTHERN CONFERENCE
UNITED CHURCH OF CHRIST**

Monday Afternoon, June 13, 1988 at 3:00 P. M.

The meeting was called to order by President Thelma Norfleet. A brief devotional was led by 1st Vice-President, Faye Humphrey, in Praise to the Lord.

Visitors were recognized. Minutes of the twentieth annual meeting of the Southern Conference Church Women were read and approved.

The Agenda was presented and accepted as corrected.

Treasurer, Sarah Whittington, reported that the financial status is reflecting a short fall of \$1,888.85 in the 1988 budget but that the fiscal year does not end until June 30 and therefore church women's groups still have time to get their support in before that deadline. A motion was made and seconded that the financial statement be accepted. The motion passed.

The reports from each association, ENC, WNC and EVA were accepted as printed in the yearbook.

President Norfleet called attention to several greetings to be found in the yearbook and corrections of addresses were made. Then she read her report for the year. At the close of her report, a motion was made and duly seconded that her report be accepted. The motion passed.

Faye Humphrey, chairperson for Working Rules, presented the newly printed Working Rules reflecting the changes adopted at the last annual meeting. She then recommended a change which the executive board had recommended in March, concerning the establishment of a permanent meeting time for Summer Conference. A motion was made that it become the policy that Summer Conference be held during the third week of June,

but this not be put into the working rules. It was seconded and passed. A motion was made that Fall Enrichment Meetings be held during the second week of September with each association being responsible for the day, program and speaker. This shall also be policy. This motion duly seconded also passed.

The 1988-89 budget was presented by the treasurer as printed in the yearbook, p.23. It was adopted with one suggested revision—being that it begin with a line stating the ANTICIPATED INCOME . . . \$7,975.00.

Doris Yeattes, second vice-president, asked that her report in the yearbook on page 37 be accepted as printed and it was so ordered.

Scholarship report for the Jimmy H. Lightbourne, Jr. Fund was made by Vera Parker. Three new recipients this year are to be Tracy Long of Burlington, Cindy Garner of Denton and Melanie Edwards of Eure. Her report was accepted.

Rebecca Young, chairperson of the Woman of the Year, recommended that no one be named this year due to the financial crunch. Regretfully her report was accepted.

The report for UCC Women in Mission was adopted as printed in the yearbook.

A tribute to the marriage of Joyce Myers to Ed Brown was made and opportunity was given to all present to contribute to a love gift in their honor. This money upon their request will go to a UCC organization of our choosing; therefore it will go for Administration and Outreach of Southern Conference Church Women.

The report of the Nominating Committee on page 36 of the yearbook was presented for approval. President, Thelma Norfleet; 1st Vice-President, Faye Humphrey; Secretary, Lisa Barrows; Assistant Secretary, Carlene Neese. These officers were accepted by acclamation. They were then duly installed by Nora Ham of EVA.

The meeting then adjourned.

Respectfully submitted,
Doris Yeattes, Temporary Secretary

Vote 15: That we adopt the Resolution to Seek Understanding, Respect, and Dialogue Concerning Abortion.

RESOLUTION TO SEEK UNDERSTANDING, RESPECT AND DIALOGUE CONCERNING ABORTION

WHEREAS this body has before it two resolutions concerning abortion which are seemingly in irresolvable conflict, and

WHEREAS, many among us feel that a woman's right to choose a safe, legal abortion must never be compromised, and

WHEREAS, many others among us feel that the right of a human fetus to live must never be compromised, and

WHEREAS, still others among us feel that a wide array of extenuating circumstances may necessitate societal and personal choices apart from uncompromising positions, and

WHEREAS, the religious, ethical, social, and legal issues surrounding

abortion are exceedingly complex and not given to simplistic solutions, and WHEREAS, those who name themselves Christian take vastly different positions on this issue,

THEREFORE BE IT RESOLVED THAT the Southern Conference of the United Church of Christ should seek dialogue, not division; understanding, not alienation; light, not heat.

BE IT FURTHER RESOLVED THAT the Southern Conference should refrain at this time from corporately endorsing either a pro-choice or a pro-life position.

BE IT FURTHER RESOLVED THAT the Southern Conference request the Conference Christian Social Ministries Commission and the Southern Conference Biblical Witness Fellowship to co-sponsor an extended forum on this issue, with the following purposes:

(1) to increase mutual respect and understanding among those who disagree on this complicated issue,

(2) to more explicitly define the language used by various parties involved,

(3) to reduce suspicion, mistrust, and labelling,

(4) to seek common ground for action in favor of a holistic policy which addresses the social realities that lead women to consider the medical termination of pregnancy.

BE IT FURTHER RESOLVED THAT the Southern Conference give prayerful support to all persons struggling with these difficult concerns.

Vote 16: That we adopt the Resolution on Racism.

RESOLUTION ON RACISM

WHEREAS undeniable evidence of the resurgence of racism in the United States confronts us in many ways: increased numbers of demonstrations and increased violence by the Ku Klux Klan, by "Skinheads" and other advocates of racial supremacy; the political success of open advocates of racial division; blatant racism on college campuses, in elementary and secondary schools, churches and other institutions, and

WHEREAS poverty, unemployment, and other forms of economic distress are increasing among large segments of minority communities in N. C. and VA, as a result of historic patterns of racism, and,

WHEREAS both subtle and overt forms of racial discrimination are increasing even as our nation becomes more racially and culturally diverse, affecting Black, Asian, Native American, Hispanic and other non-white peoples; and,

WHEREAS the gospel of Jesus Christ teaches us that in him there are no such divisions and animosities and that God's purpose is "to unite all things in Him" (Eph. 1:10); and,

WHEREAS the Southern Conference has experienced its interracial composition as a gift from God, as a promise to be fulfilled, and as a special responsibility to witness to a divided world; and,

WHEREAS the Southern Conference with assistance from the United Church Board for Homeland Ministries, has begun a special program emphasis on this issue; now therefore,

BE IT RESOLVED that the Southern Conference affirms that we are all one in Jesus Christ, and that we are committed to strive for greater unity in our beloved Church and in society; and,

BE IT FURTHER RESOLVED that the Southern Conference directs the Christian Social Ministries Commission to continue and expand its efforts to bring racial reconciliation within the church and in society; and,

BE IT FURTHER RESOLVED that the Southern Conference requests that the United Church Board for Homeland Ministries, the Office for Church In Society and the Commission for Racial Justice continue to work with us in faithfully addressing this issue; and

BE IT FURTHER RESOLVED that this resolution be forwarded to the Seventeenth General Synod meeting in June, 1989 in the sincere hope that comprehensive national leadership will be provided by the United Church of Christ and our ecumenical partners, to expose and combat racism, and to fulfill our ministry of reconciliation.

**19th ANNUAL MEETING
of the
EASTERN VIRGINIA ASSOCIATION
of the
SOUTHERN CONFERENCE OF THE
UNITED CHURCH OF CHRIST**

October 13, 1988

MORNING SESSION

The 19th Annual Session of the Eastern Virginia Association was called to order at 9:30 a. m. by the President, the Reverend Ineke Mitchell. The Holland Christian Church, Holland, Virginia, was the host church. The Reverend Thomas H. Britton was appointed parliamentarian by the president.

The welcome to delegates and visitors was given by the host pastor, the Reverend David Seymour, who furnished logistical information concerning the church and the surrounding area.

DEVOTIONAL: The Reverend David L. Wilson introduced the Reverend Robert Thomason of the Virginia Council of Churches, who conducted the devotional service. The service was spiritually uplifting as we participated in the singing and listened to the spoken words from the speaker.

KEYNOTE: The Reverend Dick Rinker introduced the Keynote Speaker, the Reverend Mac Legerton. The theme of Mr. Legerton's address focused on **Barriers to Spiritual Development**. "Rediscovery of that great spirit within us," said Mr. Legerton, "will help overcome the barriers and confusion and prepare us more adequately for the role of the future church."

REPORT OF THE SECRETARY: Minutes of the 18th Annual Meeting and the report to the delegates from the Board of Directors were accepted as printed in the annual booklet. Several excused absences by the clergy were received by the secretary and are made a part of the record of this annual meeting.

REPORT OF THE TREASURER: The report of Mr. Kenneth Heim, the treasurer, was accepted as printed in the annual booklet. The total balance noted in the checking and savings accounts was \$10,310.57, subject to annual audit.

OUR CHURCH'S WIDER MISSION: Churches that met their OCWM goal were given special recognition at this meeting. The roll call of churches was done by Ms. Rebecca Turner, who presented certificates to the eligible churches. (See Exhibit 1).

CONSTITUTION AND BY-LAWS: The proposed revision of the constitution and by-laws of the Eastern Virginia Association was presented by the Reverend Wayne A. Gardner. Mr. Gardner noted some of the important areas of the document that need updating. The assignment is incomplete at this time, but work of the committee is continuing. Each church of the association will be sent a copy of the proposed document.

CHURCH AND MINISTRY: The report from Church and Ministry Commission was presented by its chairman, the Reverend Joseph M. Copeland.

The full report was covered in the annual booklet. In the course of the report, Mr. Copeland updated the assembly concerning recent cluster meetings. (See Exhibit 2).

OLDER ADULTS: The Reverend Donald Flick addressed the assembly concerning the problems of older adults. A questionnaire was sent to the pastors of all Association churches in order to get a good exchange of ideas and information. Through this means and via seminars, the needs of older adults can be identified and addressed. Date for seminars has been set for May 7, 1989.

CHRISTIAN MISSIONARY ASSOCIATION: The report was brought by the chairman, Mr. James Ramborger. (See Exhibit 3). He discussed the work of CMA over the past year in accomplishing required changes to CMA By-laws. The subject of CMA prompted lengthy discussions and questions from the floor, in an effort to determine how CMA will operate within the structure of the Eastern Virginia Association. Some unanswered questions: What is the tax status of CMA? Who will comprise the membership? Who will be able to vote?

Time did not permit a full review and discussion of the proposed constitution and by-laws. Finally, the assembly voted that CMA meet at some later date, with all churches involved, to resolve the areas of misunderstanding. Financial comments were given by the Reverend Robert Bennett. The amount received this date from the churches was \$5,693.25.

OTHER REPORTS: Reports from the other Commissions and Task Forces were accepted. (Exhibits 4-8). Two reports not appearing in the annual booklet were presented verbally; namely, Seashore State Park Chaplaincy and Eastern Virginia Association Church Women. These reports are now a part of the record.

NOON SESSION

WORDS FROM LANCASTER: Rev. J. Richard Glatfelter, vice president for seminary relations at Lancaster Seminary, brought greetings to the assembly from that institution. Mr. Glatfelter expressed his gratitude to Eastern Virginia for past support and encouraged a continuation of this fine relationship.

SOUTHERN CONFERENCE MINISTER'S REPORT: The Reverend Dick Rinker, acting conference minister, extended greetings from the Southern Conference noting that Dr. Rollin O. Russell is on sabbatical leave. Mr. Rinker invited us to come by and view the new conference facility at Graham, North Carolina. He noted that Graham is more accessible to travelers than the former location at Burlington, North Carolina. Mr. Rinker thanked Eastern Virginia Association for its friendship, loyalty and support, and encouraged us to continue this close relationship.

The conference staff will have two new members in January 1989, namely Christian Social Ministries Associate and Associate Conference Minister for Black Church Development.

ASSOCIATION MINISTER'S REPORT: The Reverend Everhart expressed his gratitude for the cards, visits and prayers during his recent illness. "This occasion marks my first full year as your minister. I have used it to get to know you and to love you," said Mr. Everhart. "Next year I want

to see a ground swell of love among churches of the association. Except we build with love, it is all in vain," Mr. Everhart said. The Eastern Virginia Association is a rich mixture of people; we can become a shining example for all.

Several ministerial installations were made across the association in 1988. They included the Reverend Samuel Askew, III; the Reverend Fred Grosse (Lynnhaven); the Reverend Jarvis Jones (Antioch); the Reverend Thomas Hart (St. Marks); and the Reverend Raby Knight (Mt. Ararat).

IN MEMORIAM: The late Reverend J. H. Copeland and his wife, Ethel, were memorialized during the association minister's report. "Two never to be forgotten soldiers of the cross," said Mr. Everhart.

WORSHIP AND COMMUNION: The worship service was conducted by clergy and laity. The preacher of the hour was Dr. Samuel Varner, pastor of Providence UCC. His sermon text was taken from John's Gospel, Chapter 13:1-4, where Jesus prepared to wash the feet of the disciples. The audience was visibly moved by the substance of the message and the eloquence of the messenger.

INSTALLATION OF OFFICERS: The slate of officers presented by the nominating committee was unanimously accepted. There were no nominations from the floor. The slate was duly installed by Association Minister, the Reverend William M. Everhart.

ATTENDANCE: Total attendance at this meeting was 187: 69 delegates; 65 visitors; 53 ministers.

TIME AND PLACE: Christian Temple United Church of Christ, Norfolk, Virginia, will host the 20th annual meeting in October 1989.

ADJOURNMENT: Adjournment of the 19th annual meeting followed closing remarks by President Ineke Mitchell.

Respectfully submitted,
Richard A. Todd, Secretary
Eastern Virginia Association

STEWARDSHIP COMMISSION

The Stewardship Commission met quarterly and has established EVA and OCWM goals for 1989.

This commission participated in the IDEAS Workshop at Franklinton Center. We provided a Stewardship Workshop for the EVA clergy in the Spring and held a Workshop on Stewardship at Windsor Church in June 1988. (We're planning this event again for March of 1989).

Rev. Eddie Walker, Chairman

(EXHIBIT 2)

CHURCH AND MINISTRY COMMISSION

September 23, 1988

The Church and Ministry Commission met for recognition January 16, continuing the leadership of the Reverend Joseph M. Copeland, Chairman; Rev. Thomas Britton, Assistant Chairman, and electing Rev. Forest Wells, Secretary. Subsequent meetings of the full Commission were held

on March 17, May 9, and September 1. The Commission was divided into two cluster groups, "Norfolk" and "Suffolk" for the convenience of holding some interviews. The Norfolk cluster group met on March 29 and another meeting is scheduled for October 6.

A concerted effort has been made to acquaint members with the new **Manual on Ministry**. A thirteen-page list of 213 "review questions" was circulated for study, and additional copies of the **Manual** were ordered.

Our Commission was represented along with ENC and WNC Commissions on Church and Ministry on April 20 for the sharing of "A Proposal" prepared by Lancaster Theological Seminary, introduced as Southern Conference Ordination Preparation Education (SCOPE). The proposal is for an alternate route to full ministerial standing in the UCC. Our Commission has endorsed the proposal and the program is projected to be ready for implementation in early 1989.

Interviews and requests for Standing or Change of Standing were received and acted on for 7 persons, and 3 more are scheduled for interviews at the October meeting.

An ordination service for the Rev. Samuel Askew III, serving the Prince George congregation was held on May 8.

The Commission is working toward a more standardized form in receiving and recording standing, changes, transfers, etc.; and ways to increase participation in the life of the Association and Conference of ministers who, having once received ordination/standing, opt out of the life of the UCC beyond the local church.

Respectfully submitted,
Forest Wells, Secretary

(EXHIBIT 3)
CHRISTIAN MISSIONARY ASSOCIATION
(CMA) REPORT

Since reporting to the Eastern Virginia Association (EVA) Board of Directors on 5 April 1988, the Christian Missionary Association has met primarily to develop material for use by the EVA Churches toward contributions to the CMA. Also, CMA Sunday was set to be held in EVA Churches on Sunday, 18 September. It is the prayerful hope of CMA that all churches in EVA will direct strong attention to this endeavor and that congregations will be positive toward the support of an organization that has undergirded many churches in EVA over the years. The contributions from the many EVA Churches during the past years are greatly appreciated.

The rewritten Constitution/By-laws of the CMA is being formalized and the approved edition will be made available to all EVA Churches.

The CMA is moving forward with a determination to serve the needs of New-Start Churches in EVA and support the expansion of God's work in the form of new churches and congregations.

With God's help this effort will prevail.

Respectfully submitted,
James K. Ramborger

(EXHIBIT 4)
CHRISTIAN EDUCATION COMMISSION

The Christian Education Commission held several meetings during the year. It was at the organizational meeting that the commission set its priorities and elected its officers for the year.

The focal point of our ministry for the year was to introduce to the area churches the new curriculum. The curriculum centered around two topics: DISCIPLESHIP ALIVE and BIBLE DISCOVERY. The Commission sponsored a curriculum seminar March 20, 1988 at Tabernacle UCC in Suffolk, Virginia. The seminar leaders were: Rebecca Turner, Susie Keele and Ruth Varner. The seminar was a success as many of our area churches sent representatives. Our seminar leaders continued to conduct seminars at different churches around the area. Some of those churches were Hampton First, Chesapeake Providence and Norfolk Union. It is our hope in the coming year to make more churches aware of the new curriculum.

Another focal point was the National Youth Event which was held in Iowa. Eastern Virginia was represented by fourteen youth; (Laurel Hill had eight). It is the hope of the Commission that our Pastors, and youth directors will start planning now for the next youth event. The commission is starting later on this year to host an area youth event. Local pastors will be receiving the information.

Other planned events include a weekend retreat for all teachers, church school superintendents and pastors. The lack of time prevented us from holding the event this year; however, plans to hold it in 1989 are already in the making. Each Church School is already asked to review the new Church School Organizational Manual. If you do not have a copy, please contact the Association Office. Information about summer camps may be obtained as well. We, the members of the Christian Education Commission, seek to become a useful and viable organization, but we need your cooperation and your support to do so.

Respectfully submitted,
Miss Constance Jones, Mrs. Ruth Varner,
Mrs. Ginna Dalton, Mrs. Susie Keele,
Mr. Melvin Evans, Mr. Frankie Foster,
Mrs. Rebecca Turner, and the
Rev. Randolph Burwell, Chairman

(EXHIBIT 5)
CHRISTIAN SOCIAL MINISTRIES COMMISSION

In January, the following goals were established:

- (1) Survey the churches to discover how they are involved in social ministries;
- (2) Establish a relationship with the Conference Social Ministries Commission.

Both goals have been accomplished.

At the March meeting, the results of the surveys that had been returned were shared with the members and were discussed. Rev. John Kernode, Jr., conference staff member, attended giving information about the

work that the conference commission is doing. In addition, he made us aware of the Conference on Racism in Greensboro being held at Bennett College the last week of April.

The chairperson represented the EVA commission, and a report will be given at the next meeting.

The commission recommended a follow-up survey be given to the ministers at the annual meeting concerning what the churches are specifically doing in social ministries.

The chairperson has attended the conference May meeting in Burlington and represented the Southern Conference as a peacemaker on the July Pilgrimage to the Soviet Union.

CHURCH LIFE AND LEADERSHIP COMMISSION

The Commission on Church Life and Leadership has put out two issues of the EVA Newsletter this year. We still need an editor and staff so that it can be published at regular times. Hopefully, next year's commission can fill these positions.

(EXHIBIT 7)

EVANGELISM COMMISSION

In keeping with our plans beginning early this year, we are currently completing plans for a special **PREACHING** event for October 7th and 8th at the Christian Temple Church. Dr. Samuel D. Proctor, pastor of the Abyssinian Baptist Church, New York and Martin Luther King, Jr. Professor-Emeritus, with a host of other titles, will be our guest preacher. An evening session beginning at 5:00 PM will be held for all ministers and their wives in Dialogue with Dr. Proctor. Then we will share an evening meal followed by a worship service and Dr. Proctor will be our preacher. All the churches are invited for worship and renewal at 7:30 PM on Friday, October 7th and again on Saturday, the 8th at 10:00 AM. Local choirs will be singing as we worship. We believe this will be stimulating and helpful for all who attend.

PULPIT EXCHANGE was also a highlight for those who shared in it this year. On April 17th, there were 10 ministers and churches involved in **PULPIT EXCHANGE** and everyone who shares in this event always has a wonderful experience and the congregations as well. Our Commission will discuss this matter again for next year.

At our Conference Evangelism level, we shared in the **IDEAS EVENT** at Franklinton Center. Our attendance was down a little from last year but overall, the event was good for everyone who shared. The event was held April 22 & 23. A long term project at our Conference level is brochures that will be placed along the major routes at **REST STOPS, MOTELS**, etc. that will give locations of our UCC churches that are near the Interstate Roads. This is being done and may be near completion as

Commission members are responsible for the placement of the brochures in the North Carolina area.

There is yet much to be done in the way of CHURCH GROWTH and WORSHIP ATTENDANCE. Let's keep in sharp focus and keep on working on our goals.

Commission members: Rev. Cecil Smith, Chairman; James T. Brown, Rev. Donald Kirkbride, Rev. Arthur Knauer, Rev. Robert Merritt, Rodney Nelson, Rev. Carlton Upton and Rev. David L. Wilson.

(EXHIBIT 8)

WOMEN'S TASK FORCE REPORT

The Eastern Virginia Task Force On Women in Church and Society chose as top priority for this year to lift up the plight of women in church and society as a challenge to the ministry of the church. We acknowledged as equally important lifting up the gifts and talents of women in our local churches. We decided to hold seminars and distribute related literature to the churches, as a means of accomplishing this goal.

The Southern Conference Task Force presented Mrs. Bernice Townes, Chairperson EVA Task Force, in a seminar at the Church Women's Conference at Catawba College in Salisbury, NC. The seminar was entitled "Children At Risk." This seminar focused on the plight of families living in poverty and the effect of this condition on the children of these families. Also emphasized was that many times these families have females as heads of household.

Ways to help alleviate this condition was suggested by the presenter and related literature was distributed and discussed. A slide presentation was viewed by participants for discussion. Small groups were formulated for interaction and the sharing of ideas.

Other areas of risk such as teen-age pregnancy, teen-age suicide, children of divorced parents, child abuse and runaway children were alluded to but not discussed at length because of the time factor. A seminar related to teen-age pregnancy is being planned.

SOUTHERN CONFERENCE OF THE
UNITED CHURCH OF CHRIST

October 8, 1988

The meeting of the Twenty-Second Annual Meeting of the Eastern North Carolina Association was held Saturday, October 8, 1988, at Pilgrim United Church of Christ in Durham, North Carolina. The theme for 1988 was "Faith Speaks to Power." President Reverend Jill Edens called the meeting to order. The gathering hymn, "A Mighty Fortress is Our God," was sung with Martha Fairbank as organist. Scripture was taken from Psalm 46 and read by Rev. Yvonne Beasley. Rev. Beasley also shared highlights of the United Church of Christ trip to South Africa in April, 1988. Total attendance for the Twenty-Second Annual Meeting of ENC was 285—102 ministers, 101 lay delegates, and 82 visitors. An official welcome was given by the host pastor, Reverend Ron Johnson.

Rev. Edens called for an addition to the agenda before adoption, that the 1988 budget be presented at the time of the Treasurer's Report. The budget will then be adopted later. With this addition, the agenda was adopted.

The 1987 Minutes were approved. A committee was appointed by Rev. Edens to tally the votes for election of General Synod delegates. Committee members consisted of members of Pilgrim UCC and Mt. Calvary UCC. Rev. James Staunton gave the Treasurer's Report (See Exhibit 1). The Treasurer's Report was received. Next, Reverend Staunton presented the Proposed Budget for 1988-89 (See Exhibit 2). Rev. Staunton stated that the ENC Association Board of Directors has expressed concern for "Grant Aid to Ministerial Students" and asked that the line item for this in the budget be increased from \$2,000 to \$3,000. When the Certificate of Deposit matures in February, 1989, \$1,000 will be applied to the GAMS line item. Also, the General Synod meets every other year, and this being the year to meet, an amount has been set aside for that expense. Printing of the Association Constitution was a one-time deal and it is not necessary to set aside funds at this time. Questions about the Proposed Budget will be answered later when the budget is adopted.

In the absence of Mrs. Mary Sue Tuck, Rev. Ervin Milton presented a report of the nominating committee (See Exhibit 3). Rev. Milton noted that the Constitution states that every other year we must elect officers for the Board of Directors; the next year we elect ENC Commission coordinators; and General Synod delegates are elected every two years. Rev. Milton introduced the coordinators of each commission and the General Synod delegate nominees. Rev. Yvonne Beasley expressed concern she had over the predominance of clergy on the Church and Ministry Commission. At this time Rev. Edens opened the floor for nominations. There

being none, she called for a motion to accept by acclamation those uncontested offices. Motion carried. Election and installation will be carried out later. Rev. Milton then came forward to recognize visitors and other ministers. Guests included Dr. Donald Flick, Director of the United Church Retirement Homes, Inc., who came to say a few words about the Conference Task Force on Aging. Other guests were Dr. William Andes of Elon Homes for Children, Mike White who also works with the Homes; Richard Glatfelter from Lancaster Seminary, and Richard Rinker who is on the Conference staff and is Acting Conference Minister.

Rev. Rinker brought greetings from the Conference Office as Interim Conference Minister. Rev. Rinker stated the Conference Office is now located in Graham, NC. After the first of the year there will be two new staff persons: an Associate Conference Minister for Black Church Development and a staff associate for Christian Social Ministries. Financial support has been increased for OCWM throughout the world. The Conference has introduced new church school resources published by our denomination. Rev. Rinker also stated there remains much that requires our doing. We need to continue growing in our ability to see and understand who we are becoming as a people of God where we are in our communities and in our denomination. Southern Conference is a "doing" conference because our Lord Jesus Christ lived to get things done. Rev. Rinker gave thanks for the privilege of sharing with us both as a substitute conference minister and as a member of this Association.

Rev. Richard Glatfelter brought greetings from Lancaster Seminary, along with pictures, pretzels, and presents. He also brought copies of their summer commencement bulletins which may be of interest to share with other members of our churches. The bulletins contain several pieces that pertain to Southern Conference and ENC in particular. Rev. Glatfelter also brought greetings from Dr. Peter Schmiechen, Nathan Baxter, and Frank Stalfa. Rev. Glatfelter feels this last year has been an opportunity for some very rich contacts with folks in the Southern Conference. He looks forward to continuing this kind of relationship. Seminary Sunday is planned for Sunday, October 16.

At this time Dr. Nicholas Hood, Sr., gave a presentation on our theme, "Faith Speaks to Power." Dr. Hood is the pro tem of the city council of the city of Detroit. Dr. Hood's topic was "Cleaning Up the Jericho Road," using politics as a tool for cleaning up the road to Jericho. Dr. Hood's text was taken from the fifth chapter of the book of Luke—"the story which Jesus told about the good Samaritan who, while walking along the Jericho Road to Jerusalem, stopped to help the wounded stranger. The Jericho Road could be any street in the inner cities and rural parts of our nation, where people are being robbed, raped, killed, or violated in whatever way. Can we continue to look at sin and do nothing? We must clean up the Jericho Road." One of the ways to clean up the road is through politics, says Dr. Hood. "Politics is simply the act of developing public policy. Everything we do is determined by public policy. So it is important that all citizens, including Christians, have the opportunity to participate in the setting of public policy."

Local UCC folk involved in politics were invited to respond to Dr. Hood.

The panel consisted of Mrs. Isabella Cannon, former mayor of Raleigh (1977), who believes faith is the driving power; Dr. Leonard Simmons, retired Supt. of Schools in Alamance County, who believes one person can make a difference; and Mr. J. C. Watkins, who served 41 years in the public school system, was a city councilman in 1972, and is now in his fourth term as mayor pro tem of Rockingham, NC. Mr. Watkins feels that Christians should get involved in politics. The floor was opened for questions to the panel members. After the question and answer session, the group adjourned for lunch.

At 1:30 President Rev. Jill Edens called the meeting to order. She expressed thanks to Pilgrim UCC for hosting the meeting and for the warm welcome and use of its facilities.

Rev. George Hawkins presented the Church and Ministry Commission Report. (See Exhibit 4). The Commission recommended that licensed persons have the privilege to perform the duties of licensed ministry throughout the Association, not just in their particular church. Special attention was also given to the names of pastors who died since the last Association Meeting, and Rev. Hawkins called for a moment of silence to remember each one. Rev. Hawkins then moved the Church and Ministry Report be accepted. Motion carried.

Reports of other commissions were included in the packets. (See Exhibits 6, 8 & 9). Mrs. Elise Williams spoke on behalf of the Christian Social Ministries Commission about the Interfaith Chapel at North Carolina Central Prison. She also made a plea for funds to help furnish and finish the Chapel (See Exhibit 5). Rev. Marion Wilson spoke on the Pilgrimage Retreat Movement. Rev. Wilson stated one of the priorities of our denomination is spiritual growth. The Church Life and Leadership Commission (See Exhibit 7) has developed a series of three retreats to implement this priority. Brochures outlining the data and times of these retreats were distributed.

With no other questions or concerns about the commission reports, motion was carried to receive all of them.

At this time Rev. Ervin Milton brought forth his message as Associate Conference Minister for the Eastern North Carolina Association. (See Exhibit 10.) In addition to the written report, Rev. Milton talked about his evaluation by various persons in ENC. He is trying to work hard on those things that need improvement and wants to continue the good things. Rev. Milton feels we have become a people who have moved beyond just "getting through the day" in our Association meetings. The committee this year tried to put together a program that was both interesting and informative. One of the things that came out of the evaluation is the concern for more programs, creative programs involving our ministers. Rev. Milton was proud to introduce a new church in Pinehurst, the Christian Fellowship of Friends. Some of the members were present and were formally welcomed by the Association. Out of the staff evaluation also came a concern about administration. Mrs. Lisa Barrows has been a great help to Rev. Milton and he acknowledged appreciation to her. An added concern was that our youth need to be involved in the Church. For that reason the youth were invited to participate in the program today. Rev. Milton

asked for prayers that we continue to walk together and be the people God would have us to be.

Rev. James Staunton then presented the 1988-89 budget for adoption (See Exhibit 2). With no questions or further discussion, the 1988-89 budget was adopted.

Results of the election were given by Rev. Ron Johnson. General Synod delegates are: Rev. James Staunton, Rev. Charles Brooks, and Rev. Mary Evans. They were installed along with the commission coordinators by Rev. Milton.

Under miscellaneous business, Rev. Richard McBride, chaplain of Elon College, showed the flag that will be flown this year commemorating 100 years in existence. Everyone is invited to Elon College on February 16, 1989, to participate in the celebration.

At this time we entered the worship service with Rev. Dr. Nicholas Hood, Sr., preaching. Special music was provided by the youth of ENC, accompanied and directed by Mrs. Linda Dunn. Dr. Hood's sermon was "Don't Quit." Dr. Hood quoted this saying:

When things go wrong as they sometimes will,
 When the road you're trudging seems all uphill,
 When the funds are low and the debts are high,
 And you want to sigh, but you have to cry,
 When cares are pressing you down a bit,
 Rest if you must, but don't quit.

Dr. Hood preached an inspiring sermon to the old and the young. After the body observed communion, President Rev. Jill Edens gave the benediction and the meeting was adjourned.

EXHIBIT 5
REPORT OF THE
CHRISTIAN SOCIAL MINISTRIES COMMISSION
1987-88

The ENC Christian Social Ministries Commission continued to focus on racial violence this year. In March, the murder of Julian Pierce, candidate for superior court judge and a Lumbee Indian, gave us deep concern for the situation in Robeson County. Robert Thurston attended the related press conference in Raleigh on our behalf, and we kept Commission members informed on developments in that case. We later urged Commission members to do two things: 1) write Governor Martin and ask that Joe Freeman Britt, Pierce's opponent, not be designated the senior judge in Robeson County, and 2) write the Hon. John Conyers and call for a Congressional Investigation of unsolved murders, drugs and corruption in Robeson County.

In April, we paid the registration for six persons to attend the N. C. Council of Churches conference, "Resurgence in Racism: A Sign of the Times?" Other interested persons from Eastern North Carolina paid their own way, and so we had impressive representation at the meeting. All denominational groups had individual caucuses at the end to discuss plans for action.

The Commission met in June and made the recommendations on Robeson County mentioned above. Elise Williams also made a plea for funds to help furnish and finish the interfaith chapel at N. C. Central Prison, the main maximum prison facility in this state. A total of \$45,000 is needed to complete the project, and N. C. Baptists have pledged 1/3 of this amount. Elise hopes our UCC churches will also make a contribution, and the Commission agreed to help promote the project. Further questions may be directed to Elise Williams, 316 Waldo Street, Cary, NC 27511.

REPORT OF THE
EVANGELISM COMMISSION
1987-88

Eastern North Carolina Churches participated in the IDEAS workshops at Blowing Rock Assembly Grounds and Franklinton Center in the Spring of 1988.

UCC Welcome Brochures were distributed to motels along the Interstate in Eastern North Carolina.

A questionnaire was prepared for and by members of the Commission to develop and evaluate the needs of churches in the area of evangelism. Churches would/could share evangelism ideas for spiritual and physical growth in other churches. This is still in the process.

We discussed possibilities for advertising in newspapers and radio. We also plan to have an evangelism event in the spring of 1989.

EXHIBIT 7
REPORT OF THE
CHURCH LIFE AND LEADERSHIP COMMISSION
1987-88

The Church Life and Leadership Commission continued to build and expand on its work of the previous year. Much effort had gone into finding a way(s) to assist the churches in examining their mission and innerlife. The Commission held a workshop/discussion at the fall 1987 ENC Association Annual Meeting, and from that session decided that there was a definite need to pursue a program on the "nature and mission of the church."

With further Commission meetings and additional discussion, it was decided to plan and sponsor a one-day working conference on "Being the Church Together." It was planned to be a time of sharing, exploring, and learning together. We hoped to address the following questions: How do we experience "church?" How do we understand "church?" How do we participate in the church? and What do we hope for the church? It was an occasion to renew and expand our vision of the church. The speakers, Dr. Valerie Russell and Dr. Bill Webber, were excellent and served as able resource persons. Many of the participants commented that it was an outstanding program. The Conference was held March 19, 1988, at Pilgrim UCC in Durham.

The Commission met monthly and worked hard to find ways to minister to the churches. This effort required much thought and discussion to get a **REALISTIC OVERVIEW OF THE LIFE OF THE LOCAL CHURCHES IN ENC**. There was general agreement that the churches need renewal and fresh vitality. We saw as part of our task an effort to help generate more excitement and energy in the local churches. We want to offer an occasion for some new thinking about the church and an opportunity for exchange of ideas and experiences. We believe these occasions are still very much needed. We believe the ENC and the Southern Conference need to provide more opportunities for critical and creative discussion concerning the life of the church today. We need to utilize creative and vital pastors, prophets, theologians (lay and clergy, in and beyond the Southern Conference) to help us see the world and the church for our time. In short, we need to wake up and become the alive people of God. We need an infusion of the Holy Spirit from various directions. The Church Life and Leadership Commission sees its role as a catalyst or vehicle for assisting the churches in experiencing renewal and enabling its mission. We need more prayer and more work, and a willingness to be open to new forms of the church. Primarily, we need to see our lives as part of the larger creative work of the Holy Spirit.

EXHIBIT 8
REPORT OF THE
CHRISTIAN EDUCATION COMMISSION
1987-88

The Eastern North Carolina Association Commission on Christian Education has been inactive for several years. Attempts to revive the commission this spring have proved to be largely ineffective.

Our Associate Conference Minister, Ervin Milton, convened a meeting this spring with Rollin Russell, Richard Rinker, Jill Edens and myself to assess the needs for Christian Education in the Association. It was decided that a convocation on Christian Education is necessary by the spring of 1989 to set goals and directions for this crucial area in the life of our Association. We hope that with the support of the Associate Conference Minister for Christian Education this event will help to revitalize Christian Education in Eastern North Carolina.

The commission has authorized the purchase of a set of introductory materials for the new church school curricula, **Bible Discovery and Discipleship Alive!** which will replace the **Shared Approaches** materials that have been in use for the past eight years. We hope this will give more congregations a chance to view the new curricula and that more of our congregations will use it as a result.

I have continued to meet with the Conference Commission on Christian Education to represent the unique needs of this association. In order to do a better job in this role, I need your comments and suggestions, particularly from those in church settings different from my own.

EXHIBIT 9
REPORT OF THE STEWARDSHIP COMMISSION
EASTERN NORTH CAROLINA ASSOCIATION MEETING
Durham, North Carolina
October 8, 1988

The Stewardship Commission of the Eastern North Carolina Association would like to express sincere thanks and appreciation to all churches that contributed to Our Church's Wider Mission. Your faithfulness in giving has been most encouraging, and we feel that in the years to come our association will be able to reach our OCWM budget goals.

During this year, the Commission has been promoting good stewardship. Through the help of the Conference, we have identified churches that were showing a zero giving to OCWM. Our goal has been to contact these churches and encourage them to give to the Basic Support of the Church. We will know in January the success of our efforts.

The Commission has contacted churches to encourage congregations to organize a stewardship committee, include OCWM in their annual budget, promote UCC All Church Offerings, and promote the Southern Conference Capital Campaign Fund Drive. All of these are basic goals that we feel every church should be willing to participate in.

In the Twenty-third Annual Meeting of the Southern Conference, the delegates passed a Resolution on Stewardship that:

1. affirms intentional annual growth in all giving for the ministry and mission of the Church by individuals and families and local congregations;
2. affirms an approach to giving based on a percentage of annual income;
3. challenges individuals or families to give at least 10% (the Bible tithe) of their annual income for the ministry and mission of the Church as a response to the Biblical call to generosity and proportionate giving;
4. suggests that in moving toward this challenge individuals or families determine the percentage of income represented by their present giving for the ministry and mission of the Church, and then increase by at least one percentage point each year;
5. challenges local churches to give for OCWM Basic Support an amount equal to at least 10% of Current Expenses less Capital Funds. Churches already giving a tithe to OCWM are encouraged to work toward a goal of 25%;
6. suggests that in moving toward this challenge local churches determine the percentage of Current Expenses less Capital Funds represented by their present giving for OCWM Basic Support, and then increase it by at least one percentage point each year;
7. encourages the Conference and Associations, Stewardship Associates, and Conference Staff, in cooperation with the national Stewardship Council, to engage in stewardship education and action with clergy, laity, and churches for more effective stewardship practices, leading to increased support for the total ministry of the Church.

This Stewardship Resolution gives us a new formula for setting churches OCWM goals: Increase OCWM giving by 1% of the local expenses toward a goal of 10% of local expenses or if already giving 10% or more, the suggested goal will still be 1% of the local expenses toward a goal of 25%.

The General Synod of the United Church of Christ will be held in Norfolk, VA in June 1991. As host Conference we will have some expenses in planning for this meeting. About 2500 to 3000 delegates are expected to participate at an estimated cost to our Conference of \$25,000 to \$30,000. In order to raise the necessary funds, each church is being asked to make a special contribution in 1989 and in 1990 in addition to your support for OCWM. Our Conference Minister, Dr. Russell, is suggesting a figure of \$1.00 per member for each church each year. Any contributions will be welcome. Please consider this in planning for next year's budget.

Respectfully submitted,

Donald R. Ingram, Sr., Coordinator

EXHIBIT 10
REPORT OF THE ASSOCIATE CONFERENCE MINISTER
FOR EASTERN NORTH CAROLINA
1988

Life remains exciting and challenging in the ENC office. There are many

meetings and ceremonial occasions to plan and implement. I have tried to keep you informed on these through our periodic newsletter.

I spent a great deal of time this year with the ministers who are enroute to ordination. Of the sixty-five persons on the licensed ministry/in care roll, we presently have 10 students in seminary, 5 students in college, and another 30 who are engaged in various programs of learning that are less than full-time. While this part of my work is time-consuming, I believe that it is an extremely important part of my work. I believe that our churches are gaining new life because of the energy and commitment of people like these.

There have been shifts in the office which recently includes a new location. As you probably know, Mrs. Lisa Barrows has become my administrative assistant this year. She now is able to handle many day-to-day details in the office. Miss Ruth Dunn, who worked closely with me since I have been in the office, has moved to other responsibilities, although she still assists me from time to time. I am very grateful to Mrs. Barrows, Miss Dunn, and Mrs. LouCinda Graves, the office manager; Mr Jim Brown, the assistant treasurer; and Miss Edna Fitch, the bookkeeper, for ways that they serve ENC.

May we all continue to be blessed.

One in the Faith,
Ervin E. Milton,
Associate Conference Minister
For Eastern North Carolina

The Worship Service began at 9:50 a. m. with the Rev. Dr. Billy Joe Leonard, Second Reformed UCC, Lexington, N. C., bringing the message. Offering was \$320.80, given to Lancaster Theological Seminary.

The first business session began at 10:45 a. m. The Bar of the House was defined, and Dr. G. Melvin Palmer served as Parliamentarian.

Mrs. Jo Anne Flick, President, called the meeting to order. Rev. Kenneth Clapp welcomed members and visitors to Blowing Rock Assembly Grounds. Zion UCC, Lenoir, N. C. co-hosted the meeting which was held in the Shuford Building.

Dr. Richard Cheek introduced the guests present.

Mrs. Jo Hudson, Secretary, moved the minutes which had been distributed and read be approved. They were approved. She also moved the action of the Board of Directors (Exhibit 1) which were presented be ratified. These were approved. The list of Ministers notifying the Association of their inability to attend the meeting was read. (Exhibit 2).

Rev. Paul Pickler of the Credentials Committee reported 79 Ministers, 86 Delegates, and 33 Visitors for a total of 198 in attendance. A quorum was present.

Mr. Frank Goodnight, Chairman of the Nominating Committee, presented the committee's report. A motion was made and seconded that the report be accepted. This motion was approved. (Exhibit 3)

Report and comments by Associate Conference Minister, Dr. Richard Cheek. (Exhibit 4) Dr. Cheek called attention to a recent letter concerning pension and dental costs. Only six churches in the WNCA failed to make a contribution to OCWM. For 1988 50% was given toward our goal for OCWM. Certificates of appreciation will be given to churches. Membership decreased 336, but more churches showed a plus toward the end of the year. The UCC in 1987 was within 2,000 members of reversing decline in membership that has been going on for the past 25 years. The Church and Ministry Commission will be meeting a congregation in Monroe, N. C., who is considering seeking membership in the UCC. Dr. Cheek introduced the new ministers.

Rev. Stephen Disher, Chairman of Evangelism, gave a report on church growth and presented certificates to St. Andrew's, Lexington; St. Paul's, Newton; Grace Lower Stone, Rockwell; and Trinity, Conover, for outstanding growth in members.

There was a moment of prayer for deceased members—Rev. Marlin Schaeffer and Rev. Felix Peck.

A special presentation of 50 years of Ordination was presented to Rev. Aubrey Hedrick, and to Dr. Donald Selby, in absentia.

Mr. Earl Jones, Treasurer, gave the Treasurer's Report. (Exhibit 5) Rev. William Smith recommended that money not spent, but proposed, be sent to the Youth Task Force. Earl Jones then moved the report be accepted, and it was approved. Auditor's Report will be on view and after printing will be in the WNCA Office. The 1989 Budget (Exhibit 6) was then presented.

Dr. Cheek introduced Dr. Lee Barrett, Professor of Christian Education at Presbyterian School of Christian Education, Richmond, VA. Dr. Barrett presented a program on Spirituality and Learning Style Theory. He presented four learning styles: Accommodator, Diverger, Converger and Assimilator. The members then took a test to determine which of the four learning styles was most natural to each of them.

The meeting was then adjourned for lunch in the BRAG Center.

Following the lunch break, ballots were passed out for the elections. Motion was made and passed to elect Commission Members by acclamation.

Rev. Richard Rinker, Minister of Christian Education of Southern Conference, spoke concerning move of the Southern Conference Office to Graham.

Dr. Richard Glatfelter made a presentation on behalf of Lancaster Seminary.

Chad Thomas of Brick Church, Whitsett, gave a brief report on the National Youth Event held in Washington, DC.

Donna Collins of First Church, Charlotte, gave a very enlightening report on her trip to Russia.

Rev. Dale Kennedy spoke concerning our opportunity to host the General Synod in 1991 in Norfolk, VA.

Dr. Barrett then made his second presentation in which he helped everyone to better understand the learning style theory group in which they were.

Dr. Donald Flick gave a report on the Task Force on Aging.

A motion was made to adopt the 1989 Budget and it was passed.

Report of Elections was given. Rev. David Kelly, Jr., Brenda Breedlove and Bobby Michael were elected as Delegates for General Synod, Class of 1991.

Rev. James Humphrey, Chairman of the Church and Ministry Commission, presented the Alternate Route to Ordination as approved by Southern Conference and the other two Associations. The Alternate Route (also known as SCOPE—Southern Conference Ordination Preparation Education) is a program designed to enable persons to work toward Ordination who cannot, because of circumstances, pursue fulltime college and seminary education. After a lengthy discussion, a motion was voted to approve in principle.

The Abortion Resolution was presented by Rev. Robert Thompson, President of the Biblical Witness Fellowship of Southern Conference. (Exhibit 7). A motion was made and seconded to approve this resolution. A lengthy debate followed. A motion was then made to vote on the first motion

without further debate. This motion was seconded and passed. The vote was then taken on the Abortion Resolution. This vote was 31 in favor and 48 against the resolution. Motion was defeated.

Persons elected were installed, and an invitation was presented from St. Stephen Church in Greensboro to hold the 1989 Annual Meeting there. This was approved.

The meeting was then adjourned with a prayer.

Respectfully submitted,
Jo Hudson, Secretary

**REPORT OF THE ASSOCIATE CONFERENCE MINISTER
WESTERN NORTH CAROLINA ASSOCIATION
1988**

Dear Friends:

It is with a growing sense of urgency that I write this annual report. No, I was not expecting "the end of the age" to be in September as someone predicted, nor even in December. Nonetheless, it seems to me that we need to remind ourselves that we are about an urgent, serious, all-important and far-reaching mission as we attempt to bring the good news of Jesus Christ to bear on our life and world. Sometimes it seems as though we are just "strolling-a-long" when God is calling us to "get on with it."

Now I realize that participation in judicatories (WNCA, Conference, UCC) is often considered "optional," and that commission work, meetings, etc. are hardly considered to be bringing the good news. Yet, we need to be reminded that what these bodies are about is **IMPORTANT!** Not optional, but urgent! Further, we need to remember that "these bodies are us."

—When the Commission on Christian Education plans a youth rally or youth leader's workshop, it is in part an answer to "what can we do to help our youth stay on the right track." When a curriculum workshop is offered, it is to enable Sunday School teachers to make better use of materials designed to educate people in the faith and deepen commitment to Jesus Christ. This is not optional; it is urgent!

—When Church Life and Leadership has under its umbrella "The Pilgrimage" Retreat Movement in response to the denominational priority of **SPIRITUAL RENEWAL**, it is an opportunity for lay and clergy to develop more fully their spiritual life. This is not optional; it is urgent!

—When the Evangelism Commission has a workshop, as will be held later in October, it is in response to the local church's cry for help in developing an outreach program to the unchurched. This is not optional; it is urgent!

—When Church and Ministry meets to interview candidates for various

ministries in the UCC, it is to make certain that our churches have clergy who meet the criteria for ministry set forth. Or, when it takes students for ministry "in care", it is to undergird them morally and spiritually, as well as (on your behalf) to grant some financial assistance along the way. This is not optional; it is urgent!

—When the Stewardship Commission suggests challenges for local churches for OCWM and WNCA, it is ultimately an opportunity for you to extend your ministry beyond the local scene. Or when the commission requests 14-20 local consistories to help in a survey (as will be done in late 1988 and early 1989), it is to see how it may be of more help to local congregations in their stewardship programs. Stewardship is not optional; it is urgent!

—And when Social Ministries plans a workshop on "Toxic Injustice And The Integrity of God's Creation," as is planned October 14-15, it is an opportunity to take seriously the biblical injunction that "the earth is the Lord's and the fullness thereof." Participating also will be representatives from our partner church, the Evangelical Church of the Union in both East and West Germany, where the same kinds of problems exist. These problems are not optional; they are urgent!

—The various men's and women's organizations and Task Forces are active and alive in our Association and help is readily available for your church in these areas.

These are some of the things that have been done in our Association during the past year, or will be done in the near future. As has often been pointed out, the Association is AN INSTRUMENT "through which" you can expand and enlarge the ministry of your local church. It is also AN IMPORTANT INSTRUMENT "through which" the larger church serves the local church. In short, it is a two-way street of serving and being served, of witnessing and being witnessed to, of caring and being cared for.

There was disappointment over the response of our churches and individuals in WNCA to the CORNERSTONE CAMPAIGN. Only 49 of our 116 congregations participated with pledges or cash contributions, totaling \$107,864 (as of 6-1-88). The Conference goal fell short by \$150,000. It is my hope that even yet our churches and individuals will respond to this; we need about \$75,000 more from WNCA if the Conference goal of \$385,000 is to be met. At the same time, we give thanks for what has been accomplished.

Thank you for your excellent ministries in your local congregations. Keep up the good work. And I hope when you consider the part your church will play in the life of the larger church in 1989 that this report will help remind all of us that OCWM and WNCA goals, like your local church budget, are "means for mission," not just dollars raised.

Once again I thank you for the opportunity of serving as your Association Conference Minister for WNCA. You have been most supportive and loving and I continue to find our ministry together to be fulfilling. You are always in my prayers. May we be faithful individually and corporately to the mission to which God has called in Christ.

Respectfully submitted,
Richard A. Cheek

ABORTION RESOLUTION**

Whereas, the Bible declares that God Almighty is Creator, Sustainer, Redeemer, Lord and Judge of all the earth; and,
Whereas, He has made men and women in His own image; and
Whereas, He has put it in the hearts of mothers and fathers to be compassionate to their offspring; and,
Whereas, it has been the practice of pagan people and not of Christian believers to kill their young; and,
Whereas, the United Church of Christ has historically spoken boldly in the cause of justice for all human persons, especially the weak and defenseless;
Therefore, be it resolved by this Western Association of North Carolina, of the Southern Conference, of the United Church of Christ, to declare our belief in the sanctity of life, and to further declare our opposition to abortion, abuse and all misuse of our children and all children.
Be it further resolved this day, October 11, 1988, in the year of our Lord, that we call upon all associations, conferences, and the General Synod of our church to join us in this proclamation of life for our children and urge our legislators to make laws protecting the rights of our unborn and also urge all courts to uphold those as a sacred trust.
Submitted by the Biblical Witness Fellowship of the Southern Conference.

MINUTES OF THE SOUTHERN CONFERENCE CHURCH WOMEN'S EXECUTIVE BOARD

June 18, 1989

The Executive Board of the Church Women of the Southern Conference met at 7:30 p.m. on Sunday, June 18, in the Jordan Center Lounge at Elon College. Thelma Norfleet, president, called the meeting to order and Faye Humphrey, 1st VP, opened with prayer.

Discussion of the minutes from March 11 Board meeting ensued. Most items under consideration involved the budget. How can we finance Biennial Assembly participants on even years and both the president and Woman of the Year when they attend Synod on odd years? First, we must emphasize the importance of participating in Biennial Assembly. Second, we discussed various ways to shift budget items, allowing more money for Biennial Assembly/General Synod expenses. Recommendations were as follows:

Line Item	1988-89 Budget	1989-90 Budget
Leadership	\$ 750.00	\$ 550.00
Fall Enrichment	300.00	0.00
President's Expenses to General Synod	500.00	0.00
Biennial Assembly/ General Synod Expenses	0.00	1,000.00

The group approved these changes in the proposed budget.

Sarah Whittington, treasurer, suggested ways we can be more fiscally responsible. In local workshops, district representatives should encourage each church not only to pay dues, but also to purchase life memberships, memorials, and honor certificates. Doris Hartzog suggested we develop forms for women's contributions. These forms could be similar to those used by Southern Conference.

The minutes were approved.

Treasurer Whittington gave her report. Our 1988-89 budget was \$7,975, and our cookbook project helped us reach a total of \$8,289.81 by June 17.

Ideas for promoting Church Women of Southern Conference were discussed. First, our Summer Conference should be presented as a women's retreat. Second, Lightbourne Scholarship recipients should be more visible, having their names and perhaps their pictures printed in the **Southern Conference News**. We should also develop special certificates for the honor category and applications for the Emily Lester fund.

It was recommended that the Scholarship Committee develop an application form for the Emily Lester Fund and place it on file at the Conference Office. The completed application shall be mailed to the chairperson of the Scholarship Committee and is ultimately to be approved by the President of CWSC. Also, the Executive Board wants a report on the dollar amounts and purposes of the scholarships awarded from the Emily Lester Fund.

For six years, the Lester Fund has been used to pay equal amounts for officers and district representatives to attend our southeast regional

meeting. This procedure should be legitimized in our working rules. Dorothy Jolly said she was reluctant to approve rules that may tamper with the discretionary aspect of the Lester Fund.

The treasurer's report was approved.

Each association president referred to her report in the 1989-90 CWSC Yearbook. WNC president Cynthia Buckwell stated a great need for contributions to their scholarship fund for students from the Nazareth and Elon Homes.

President Norfleet announced that she had purchased plaques for outgoing officers Doris Yeattes and Sarah Whittington. As they were more expensive than our regular budget could handle, it was decided that President Norfleet should be reimbursed from the Summer Conference treasury. Some Board members were concerned that this could not be continued for future outgoing officers. The issue will be discussed at our Fall Board Meeting on November 11 at the Conference Office.

Our working rules state that the Spring Board Meeting shall be held the second Saturday in March each year, but this is a problem for Cynthia Buckwell, who has a permanent commitment that weekend. The rules should be changed to read "shall meet in March at the discretion of the Executive Committee." Our 1990 Spring Expanded Board Meeting is scheduled for March 17.

The Nominating Committee Report was read and approved (see minutes from CWSC Annual Meeting).

There being no further business, the meeting was adjourned.

Respectfully submitted,

Elisabeth H. Barrows, secretary

TWENTY-SECOND ANNUAL MEETING OF THE CHURCH WOMEN OF THE SOUTHERN CONFERENCE UNITED CHURCH OF CHRIST

Monday Afternoon, June 19, 1989 at 3:30 P. M.

The meeting was called to order by President Thelma Norfleet. Faye Humphrey, 1st VP, gave a devotional based on "Reaching for Rainbows" by Ann Weems.

President Norfleet introduced special guests and recognized first-timers. The minutes of our 1988 Annual Meeting were then approved.

Sarah Whittington, treasurer, gave her report for information only. A final report will be submitted when her term ends on June 30. With great joy, Treasurer Whittington announced that we have already met our 1988-89 budget with over three dollars to spare!

The following reports were accepted as printed in the Yearbook:

1. Eastern North Carolina—Dorothy Jolly
2. Eastern Virginia—Doris Hartzog
3. Western North Carolina—Cynthia Buckwell
4. First Vice-President—Faye Humphrey
5. Second Vice-President—Doris Yeattes
6. UCC Women in Mission—Doris Yeattes

Sarah Whittington presented the Proposed Budget for 1989-90. (See minutes from Executive Board Meeting, June 18.) It was approved. Treasurer Whittington also reported that she sent 100 notes to women's groups which had not paid their dues by May 31. Ten churches responded with money, and she felt this was a worthwhile return.

Dr. Brenda Allen, chairperson of the Scholarship Committee, gave her report. She also emphasized that applications for scholarships should be sent to the Conference Office and kept on file there. As chairperson, she will check that file periodically.

It was announced that Faye Humphrey will represent us at General Synod as our 1989 Woman of the Year. Sarah Whittington will represent us in 1991.

Beatrice Barrow reported on the Southeast Regional Meeting scheduled for October 13-15, 1989, at the San Pedro Center in Winter Park, Florida. Registration for the meeting will be approximately \$100.00. The theme for the 1989 meeting is "Remember, Renew, Rejoice."

The Nominating Committee presented the following names for 1989-91:

Second Vice-President Cynthia Buckwell

Assistant Secretary Carlene Neese

Treasurer Beverly Poole

The group then unanimously elected the persons named. After June 30, all monies should be sent to Beverly Poole at 822 Pine Hill Dr., Salisbury, NC 28144.

President Norfleet read her report in its entirety and announced she has been called to the ministry. She currently is enrolled in seminary.

In other business, it was suggested that nominees for Biennial Assembly delegates should be presented by the time of Fall Enrichment Meetings.

Special plaques were presented to Doris Yeattes, outgoing Second Vice-President, and Sarah Whittington, outgoing treasurer, in appreciation of their fine work. There being no further business, the meeting was adjourned.

Respectfully submitted,
Elisabeth H. Barrows, secretary
