DEDICATION OF THE 1966 BRUSHY MOUNTAIN BAPTIST ASSOCIATION MINUTES

THE REVEREND CHARLIE H. MYERS

The 1966 Minutes of the Brushy Mountain Baptist Association are dedicated to the Rev. Charlie H. Myers, a dedicated, humble, sincere servant of God, the man in the gap, a pastor's pastor, missionary's missionary, interim and supply pastor in retirement. He has spoken at Civic Clubs, Pastor's Conferences, Deacon's Meetings and Ordination Services, as well as preaching almost every Sunday.

The Rev. Charlie Myers was born October 6, 1888, in the Flint Hill Community of Yadkin County, between Enon and East Bend, N. C. He was ordained to preach at Sharpsburg Baptist Church October 8, 1915.

He married the former Miss Addie Martin of East Bend, who was called home to be with her Lord in 1960. There were four children born into the home. The Rev. Donald G. Myers, Pastor of First Baptist Church, Reidsville, former pastor of Chadburn, Mt. Olive and Wadesboro Baptist Churches. Mrs. Madge Canter, wife of Mr. Claude Canter of North Wilkesboro. Dr. John Vernon Myers, Ph.D., head of the Foreign Language Department of Campbell College, former faculty member of Union University, Jackson, Tennessee. Charles Myers, lawyer in Charlotte, North Carolina. Mr. Myers has eight grandchildren.

He was educated in public schools, two years at Wake Forest College, and received the B. D. Degree in 1924, from the Southern Baptist Theological Seminary, Louisville, Kentucky, and the Master's Degree from Southern in 1925. He attended the Seminary after his four children were born.

His work includes public school teaching for eight years, bookkeeping,

Principal of Commercial Department of King's Business College, Charlotte, for four years, as well as preaching. He was Pastor of Sharpsburg Baptist Church for six years while teaching in grammar schools. While at Southern Seminary he was Pastor of Burney Baptist Church, Burney, Indiana, and Lewis Creek Baptist Church in Indiana.

After graduation from the Seminary he was Pastor of Mooresville Baptist Church for 13 years; for nine of these years he was also Pastor of Corinth, and for four years was Pastor at Cleveland. He was Pastor of Cheraw for over 10 years and at Flint Hill for almost 10 years. He led in rebuilding the church at Mooresville which burned during his ministry there. He led in building a new educational building and completing the sanctuary at Flint Hill.

Since his retirement in 1958 he has been active in the Brushy Mountain Baptist Association, having preached in many of the churches. He has preached in 38 churches from one Sunday to eight months, since retirement. He was Interim Pastor of Madison First Baptist Church, near Winston-Salem, right after he retired. He has served as Interim Pastor of Beaver Creek, Hinshaw Street 2, Fishing Creek, Liberty Grove, Mt. Pleasant, Oakwoods 3, and Welcome Home 2, in the Brushy Mountain Association, and Bethel, Baptist Home, Fairplains and New Light I in the Stone Mountain Association. He is a member of First Baptist Church, North Wilkesboro, where he has supplied the pulpit several times. He says he enjoys Wilkes County as the place of his second ministry. He has helped in several revivals, performed wedding services and helped conduct funerals.

He has helped churches which were split to come back together. He just loves the people back together with the cement of Christian love. The pastors who have followed him praise him and love him. The people whom he has served love and praise him also.

Brother Myers also counsels ministers, helping them with problems, giving them guidance, calling upon his wide experience and wisdom of years in the ministry. He spices his messages with interesting stories and experiences from his work, with such thoughts as "Humorous Experiences in the Ministry," and "If I Could Relive My Ministry."

He likes to fish and deer hunt and is making a name for himself as housekeeper, living alone, cooking some of his meals.

The Baptists of the Brushy Mountain Baptist Association are grateful to the Rev. Charlie H. Myers for his Second Ministry among our churches. We appreciate his consecration and dedication to the service of God. May God bless him with many more years of service.

PROCEEDINGS OF THE NINETY-FIFTH ANNUAL SESSION OF THE
BRUSHY MOUNTAIN BAPTIST ASSOCIATION
HELD WITH
NORTH WILKESBORO SECOND AND GOSHEN BAPTIST CHURCHES
OCTOBER 4-5, 1966

1. The Ninety-fifth Annual Session of the Brushy Mountain Baptist Association was called to order by the Moderator, Mr. Curtis Greene, at 9:30 A. M. on Tuesday morning at the North Wilkesboro Second Baptist Church. Following the invocation by Bro. Glenn Huffman, the session arose for a musical prayer, "Come Thou Almighty King," led by Bro. Clyde Church with Mr. Ellihu Sloan as accompanist.

2. Bro. Richard Byrd, former pastor of Second Baptist, extended a warm welcome to the Messengers and Visitors on behalf of the church. Bro. Clifford Johnson was unable to attend the session. The reading of Psalm 24 preceded the prayer of thanksgiving for blessings of the past and a petition that the blessings of God might undergird the work at hand.

3. Mr. Curtis Greene extended his personal word of greeting to the session along with his appreciation to the members of Second Baptist Church for their invitation to hold the 95th annual session at their church. After a request on his behalf for the prayers of the people the group stated the theme of the meeting, "GROWING WITH CHRIST".

4. Some announcements were made after which Bro. Clarence Corbett commented on a few changes in the printed program and recommended that the printed program become the order of business along with any necessary additional changes. "So be it", was the voice of these representing the various churches.

5. Preliminary calling of the churches indicated that 39 churches were represented by 180 pastors, messengers, and visitors. Final accounting of the entire session showed all churches represented with the exception of Bethany, with 275 Messengers, 29 Pastors, and 12 Visitors, for a total attendance of 325.

6. Mr. Jim Spicer, Chairman of the Nominating Committee, read the entire slate of officers as the program was "on time". He indicated the need for a Clerk and Librarian since Bro. Clinton Bailey and Mrs. C. G. Glass Jr. had failed to accept the nomination. Bro. Clarence Eden indicated that he would be unable to serve as Vice Moderator because he was leaving the association to accept another pastorate. Jim moved the election of officers as nominated with the exception of these three. A show of hands carried the motion.

7. Bro. Clifton Tuttle called attention to pages 1-3 of the **Book of Reports** and moved the adoption of the various committees as nominated by his committee. Bro. Harold Smith seconded and the "ayes" carried the motion.

8. The Executive Committee Report as found in the **Book of Reports** on page 7 was moved to adoption without reading in order to save time. Motion carried.

9. "The Treasurer's Report is found on page 37 of the **Book of Reports**, which you may study at your discretion. Brother Moderator, I move you the adoption of this report". So stated the Treasurer, Mr. Chalmer Dyer,

and the session gave its approval. The Moderator, Mr. Curtis Greene, called attention to another "Thankless job" and asked the church representatives to ask each of their churches to establish a more systematic system of sending funds to the Associational Treasurer.

10. Mr. J. F. Jordan stood on the floor and asked if all could see him from that location. He then moved the adoption of the Trustees Report as given in the Book of Reports and the motion carried.

11. Mr. C. M. Brown, of the Finance Committee, indicated some blanks in the proposed budget under the heading of "anticipated income". This came about as a result of lack of adequate information. The Budget was formally adopted.

He then mentioned the building of the Associational Office and the cost of \$11,700 which has been approved by the association. Further investigation by the Building Committee and others had brought forth the need of an additional appropriation as follows:

Furniture	\$ 1,000.00
Septic Tank	200.00
Book Shelves	100.00
Grading	100.00
Proposed development of road and parking:	
a. Stone base	\$ 525.00
b. Tar and gravel	1,141.50
c. Plant mix	1,757.00
Present indebtedness on the Associational Parsonage for repairs	1,800.00

\$2,150.00 has already been paid to the Walker Brothers, leaving a balance on the contract price of \$9,650.00.

12. Mr. Brown recommended that the Association set a maximum debt ceiling of \$15,000.00 and that the Trustees be empowered to borrow up to that amount depending on the amount yet to be received from the churches. The \$15,000.00 ceiling would include the \$1,800.00 presently owed on the parsonage. The motion was seconded by Bro. Clarence Eden and authority to borrow the necessary funds granted.

13. Bro. Clarence Eden moved that the matter of the development of the road and parking area be left up to the discretion of the Building Committee, Finance Committee, and Trustees. They would decide which type of area would be most practical and economical. After a second by Bro. Clarence Corbett, the session gave its approval with a show of hands.

Bro. Clyde Church asked the type of security to be given. Mr. Brown stated that a mortgage on the property would be taken.

14. The Annuity Board Report, as given by Bro. Charlie Myers, revealed 28 churches and men participating in the Annuity Program. Sixty percent of the churches in the association provide this vital protection for their pastors.

"The expense of living is such that the church ought to pay the full 10% so that upon retirement, the pastor will be able to receive one-half of his annual salary earned during his best 25 year period of service."

"I have long been exhibit A and now I would like to introduce exhibit B, Bro. N. C., 'North Carolina', Teague to speak to the report". Thus one who

has labored faithfully surrendered the mantle of responsibility to a brother "intern".

Bro. Teague who has been connected with the Annuity Board for over 25 years and who has been receiving Annuity Checks for the past year gave his personal testimony concerning the Annuity Board.

A. Why the receiving of this blessing?

Because churches and pastors have made contributions along with North Carolina Baptist State Convention.

B. How is it provided.

By committment and planning.

Therefore the average pastor has been given a real sense of security.

At the close of the testimony, Bro. Myers told of some changes which are forthcoming, provided all the state conventions approved. He then moved the adoption which was accomplished by a voice vote.

Mr. Curtis Greene commended the many years of service by Bro. Myers and added that he preferred to give his roses while the person is still living. Bro. Myers stated that he was indestructible.

15. The singing of "Take My Life" offered a break in the program and a further reminder of the basic means of "Growing With Christ" through the gift of one's complete life unto Christ, forever to belong to him.

16. The Clerk, Bro. Clinton Bailey, requested the messengers' and visitors' assistance in securing two complete sets of associational minutes and suggested that they be bound and placed in the associational library. Each volume would contain 5-10 individual minutes depending upon the size of each minute and would cost \$5.00 for binding. Bro. Clyde Church moved that the suggestion of the Clerk be adopted and after a second by Bro. Henry Morgan, the matter gained approval.

17. Mr. John Hooks was not present for the Stewardship and Co-operative Program report; however, the report was adopted as given in the report booklet after motion by Bro. John Wright, Missionary.

18. Mr. O. J. Hagler was introduced by the Moderator and brought greetings to the Association from Bro. Guy Cain.

North Carolina Baptists will give about 75 million dollars this year. 10 million dollars of this amount will go through the co-operative program. The total offering plate dollar is usually broken down in the following manner:

85 cents stays in the local church.

8 cents goes through the co-operative program.

7 cents is given through designated special offerings.

75 million dollars is less than one-third of the tithe of North Carolina Baptists.

19. Special music entitled "More Holiness Give Me", was sung by a quartet composed of Mrs. W. K. Sturdivant, Bro. Bob Wainwright, Mr. Ellihu Sloan, and Mrs. Tal Barnes, Sr. Mrs. Henry Morgan accompanied the group.

20. Bro. Frank Walker brought the annual introductory sermon which was preceded by Bro. Claude Soots leading in a period of meditation. Title of the message was "Growing With Christ". In order to grow with Christ, a person must:

A. Have an experience with God.

B. Walk With God.

- C. Go and tell the message of salvation.
- D. Have the power of the Holy Spirit.
- E. Be Mission-minded.
- F. Give of his means. (Money, time, talents)
- G. Decrease that Christ may increase.

II Peter 3:11 was the text for the sermon. In conclusion, Bro. Frank Walker pled for a more dedicated church membership to the principles established by our Lord.

21. Fried chicken, potato salad, green beans, and assorted desserts, served to a registered 202 persons provided a most appetizing topping for the morning's business. The warm sunshine and cordial picnic atmosphere enabled everyone to enjoy himself heartily and renew old acquaintances. As the people sought the cooler sanctuary of the church they were treated to a musical meditation period inspired by the talents of Mr. Ellihu Sloan.

22. The afternoon session began with the singing of "The Solid Rock" and punctuated attention to the enduring qualities of Faith, Hope, and Charity, as brought to the fore-front by Bro. Clarence Corbett in the reading of the 13th Chapter of I Corinthians.

23. Several items were presented during the miscellaneous business period.

A. Bro. J. C. Shaw placed the name of Bro. Clifford Tuttle as Vice-Moderator for the association. After a move by Bro. Clyde Church for the cessation, a show of hands proclaimed his election by acclamation.

B. Bro. Clinton Bailey brought a report from the Building Committee as a matter of information. The committee is composed of Mr. Curtis Greene and Bro. John Wright in addition to Bro. Bailey.

The building was begun on August 15, 1966, after a called meeting of the Executive Committee which had elected the building committee and approved the construction, as soon as either \$5,000.00 cash was on hand or \$8,000.00 had been pledged.

The building is presently nearing completion and should be finished by the 1st of November. Plans call for the road to be developed and parking area prepared.

The first Sunday in December was tentatively announced for dedication and open house.

C. Bro. John Wright moved that the 1966 Minutes be dedicated to Bro. Charlie Myers. Mr. J. F. Jordan quickly added his support and the motion passed.

24. "The Sunday School Report as printed can be read later; however, I would like to remind you of the four Sunday School meetings to be held this year. My report will be given in the form of a film prepared by myself for our 1966 Bible School Commencement. This will serve both as a Sunday School and Bible School Report."

Bro. Harold Smith, Associational Sunday School superintendent, then proceeded to present a motion picture made at the Hinshaw Street Baptist Church. The program ended abruptly due to an abundance of sunlight which prevented the projection of the film. The report was adopted.

25. Miss Lunda Hendren stated that her Training Union Report was on page 10 of the **Book Of Reports** and the Associational Training Union Officers was on page 5. She urged each person to "study and stay up to date".

The report was adopted after Miss Hendren announced a Conference for

Leadership in the local churches to be held at the North Wilkesboro First Church on October 10th.

26. Mr. Ellihu Sloan called attention to the Music Ministry Report. On October 24-27 a music school will be held at the Wilkesboro Baptist Church. Classes will be provided for almost everybody. Mr. Joe Stroud and several workers will lead the class sessions from 7-9 P. M.

Adopted on motion from Mr. Sloan.

27. The labor of those associated in the area of Seminary Extension became the topic of a discussion by Bro. Clarence Eden.

"Our efforts have suffered more from disinterest than success. Surely there is someone who feels the need of study and the carrying on of the work of Christ. Bro. Eden went on to point out that the program is not primarily for preachers but for lay persons also. He closed his remarks with the introduction of his successor, Bro. Bob Wainwright.

No formal report was submitted.

28. The Library Report was not included in the **Book Of Reports** nor was Mrs. Glass present to give any information concerning the Church Library Program.

29. The Fruitland Bible Institute Report was adopted without reading on motion from Bro. Harvey White. Mr. Gary Harthcock could not be present to add a personal word.

30. Commenting on the needs of our Baptist Colleges, Bro. Rowe Teague challenged us to re-think our concepts of Christian Education and its place in the life of North Carolina Baptists. The report on page 22 of the **Book Of Reports** was in agreement with the feelings of those present.

31. The Pastors Conference Report was also adopted without reading.

32. The Constitution Committee recommended that the Pastoral Care Representative be dropped from the constitution and the title of Brotherhood President be changed to Brotherhood Director where said title appears in the constitution. Mr. Cecil Lee Porter brought the report which was adopted on the 1st reading. Final action on the constitutional change was withheld until Wednesday.

33. The history of Second Baptist was presented without reading to "enable people to get home to their work".

No further discussion led to a weak raising of hands.

34. Bro. John Wright moved that the association take a free-will offering to assist the Second Baptist Church in paying for the additional work done on the church parking lot.

\$33.74 was received by the associational treasurer and a check for that amount presented to the church.

35. Bro. Henry Morgan led the prayer of dismissal prior to temporary adjournment to reconvene at the Goshen Baptist Church on Wednesday morning at 9:30.

SECOND SESSION

36. The Moderator, Mr. Curtis Greene, called the meeting to order with the singing of "I Love To Tell The Story". Bro. Richard Byrd, pastor of the Goshen Church, led in a period of devotions.

37. A short digest of the Church letters to the Association revealed the following facts:

Total membership increased 251 over last year.

Sunday School enrollment decreased by 229.

Total receipts decreased but gifts to missions increased.

It took an average of 27 persons to win one soul to Christ.

About 40 percent of the total additions to the churches came as co-laborers to unite with fellow Christians.

The "Tithe Now" campaign has resulted in a larger number of persons pledging their support to the Biblical method of church financing.

Bro. Clinton Bailey concluded his report "four churches are currently without pastors: Beaver Creek, Bethany, Elk, and Sharon Walker. Bro. Clarence Eden is currently preparing to leave the pastorate of the Moravian Falls Baptist Church to serve elsewhere."

38. The recognition of visitors and the welcoming of new pastors to the association was overlooked in the Tuesday session, therefore the Moderator sought to correct the oversight. Two new persons were introduced and welcomed to the association: Bro. Bob Wainwright, Minister of Education at the First Church, North Wilkesboro; and Mr. Steve Price, Minister of Education, at the Wilkesboro Baptist Church.

39. Mrs. O. M. Proffitt called attention to the W.M.U Report on page 27 of the Book of Reports. After a choral reading solo of "I'll Be What You Want Me To Be" the report was adopted.

40. The Missions Committee Report was presented and adopted on recommendation of the Chairman, Bro. Clifton Tuttle.

41. Bro. Hunter Church formerly presented the suggestion of the Missions Committee which was seconded by Bro. Glenn Huffman. The motion was as follows:

"That a study of the work of the Associational Missionary be made by the Missions Committee and that definite policies and guide-lines be established to facilitate the work and relationship between the Associational Missionary and the churches. It is further requested that the Executive Committee be authorized this report and recommendations."

An amendment was recommended by Bro. Clarence Corbett, seconded by Bro. David Osborne, and passed by the company of messengers to change the wording of the last sentence of the original motion to read as follows:

"It is further requested that the Executive Committee be authorized to approve this report and recommendations."

Motion carried.

42. Having reviewed the work of the Cricket Baptist Church and having published the summary of their findings in the 1966 **Book Of Reports**, Bro. J. C. Shaw acted in behalf of the New Church Committee and recommended that the Cricket Baptist Church now be received into full fellowship with the churches of the Association. This action was prompted by the request submitted by the church at the 1965 Annual meeting and the favorable action accorded their petition.

The reception of the church was unanimously approved and the Moderator quickly moved into action.

Bro. Garfield Cardwell was introduced to the association as the present pastor. He in turn recognized and introduced other members and church leadership present. Representatives were as follows: Mr. George McNeil, Sunday School Superintendent; Mr. Grady Church, Chairman of Deacons and Adult Sunday School Teacher; Mrs. Barbara Parish, Church Clerk; Mrs.

Grady Church, Mrs. Louise Rector, Mrs. Garfield Cardwell, and Mrs. Alma Glass.

The right hand of fellowship was extended to the Pastor, Bro. Cardwell, by the Moderator in behalf of the Association.

43. A new item of interest was added to the program in the form of some first-hand accounts of the work currently being done in the churches of the association. Three churches were represented in this part of the program: Pleasant Home, Mrs. Clinton Bailey; North Wilkesboro 1st, Bro. Bob Wainwright; Little Rock, Bro. Clifton Tuttle.

A detailed description of their work will be found in the Report section of this minute.

44. The Evangelism report was read by Bro. Hunter Church. He then moved the adoption of the report which included the following recommendation:

"That the association go on record as adopting the Crusade of the Americas as one of our plans for winning the people of Wilkes County to Christ and that each church vote to enter the crusade."

The singing of "Rescue The Perishing" was a clarion call to the challenge offered and the responsibility assumed through the adoption of the plans for the crusade.

45. Bro. Earl Adams expressed appreciation to the churches who participated in the Mother's Day Offering for the Baptist Hospital. 38 of the forty churches have made a contribution to the Hospital. Moved the adoption of the report found on page 29 of **Book Of Reports** without reading to give more time to the Hospital representative, Dr. L. L. McGee, former Secretary of the Chaplaincy for the Home Mission Board.

Dr. McGee spoke from a first-hand experience as a patient:

"The gospel was implied rather than preached in the way he was treated and handled."

North Carolina Baptist Hospital does more free work than any other Baptist Hospital in the Southern Baptist Convention.

4,647 patients were given free service in the past year.

1,150 of these were from Wilkes County.

56% of the Wilkes County patients registered as Baptist.

The physicians make no charges for service patients.

46. Mr. Gordon Maddrey presented the report of the Baptist Foundation. "We can't divert any funds or give them to some other cause, the Foundation can only invest your money and the returns will be given as you, the donor, specifies," thus the basic work of the Foundation was interpreted.

Motion to adopt the report by Mr. T. E. Story was heartily approved.

47. "Pages 39-42 covers my report of work done as your Associational Missionary", introduced the report by Bro. John Wright. He commented on the fact that for the first time all of the 40 churches had not been personally visited by him. He moved the adoption of the report as found in the **Book Of Reports**. After no questions or comments were raised, the report became a part of the records of the association.

48. Bro. C. J. Poole, former pastor in the Association and presently pastor of the White Plains Baptist Church in the Rocky Face Association, moved the adoption of his printed report and introduced Mrs. Doris Shore, alternate representative for the Homes For The Aging.

Plans are being prepared for a sixth home which will increase the present capacity of 160. Three married couples live at the homes.

It has been said that for a person to go to one of the homes, they must have money and give all they have to the home. Several persons live in the homes who are completely without funds.

A person who has money is asked to give only the amount from his estate necessary to pay for his lifetime care. The balance is left to be disposed of as the individual desires.

49. Special music was provided by an excellent choir composed of the entire congregation, as they stood and sang "Stand Up, Stand Up For Jesus Ye Soldiers of the Cross!"

50. The Moderator urged the pastors and representatives elected to the Executive Committee to attend the Committee Meetings that the work may be fuller and more may be accomplished.

"Our backs are not sore from the bearing of responsibility, let us therefore no longer be as ducks and shed off those things that we do not want to carry." This was the summary of Bro. Curtis' comments.

51. Bro. Tommy Privette was not present for the Devotional prelude to the Mission Sermon by Bro. David Osborne.

We need to take a look at our witnessing.

We need to re-establish our faith.

We need a revival in our churches that will reach and convert the non-Christians who have infiltrated our ranks.

52. The members of Gosken Baptist Church literally "rolled out the red carpet" in their desire to make each person welcome and to satisfy every need. The increased activity prior to the re-convening after lunch was visible proof of the physical energy received from the bountiful and tasty meal served in the church dining room.

Personal appreciation was expressed for the meal which was "well prepared, well received, and well eaten".

53. The afternoon session convened at 12:55 p.m. with the singing of "Onward Christian Soldiers." Bro. Clyde Church and the assembly sang heartedly and with zest as they marched onward into the closing session of the Annual Meeting. Bro. Harold Smith closed his devotional thought with a prayer "for unity in the cooperative effort for all".

54. Miscellaneous Business:

A. Mr. Curtis Greene appointed Mr. Charles Shoemaker to replace Mr. Presley Myers on the Nominating Committee.

He also appointed Mr. O. M. Proffit and Mrs. Rollen Bishop to serve on the Committee On Committees as Mr. C. W. Proffit and Bro. Clifton Tuttle were retiring.

B. Bro. John Wright presented the calendar of Associational events for 1966-1967 for incorporation into the minutes as given in the **Book Of Reports**. The "ayes" approved.

C. The second reading of the constitutional changes were approved.

D. The property committee was reminded of their responsibility and asked to bring a report to the association as set forth in the Constitution.

E. Bro. John Wright recommended that a committee of five be elected to prepare plans for observance of the 100th anniversary of the Association coming in 1972. Motion approved after a second by Bro. Glenn Huffman.

The following committee was elected unaware of the "knocking knees"

of the Moderator: Mr. Curtis Greene, Mr. T. E. Story, Mrs. Jim Spicer, Mr. J. F. Jordan, and Bro. Henry Morgan.

F. Motion made by Bro. Clifton Tuttle that the vacancy of Clerk be referred to the Nominating Committee and approval of the Executive Committee would signify election by the Association.

Seconded by Bro. David Osborne and passed.

55. Bro. John Wright moved for adoption of the **Biblical Recorder** report as given in the **Book Of Reports** and that the time be given to Mr. Bazemore. Approved.

Mr. Bazemore indicated that Bro. Jenkins, former Missionary in the Brushy Mountain Association, had suffered a heart attack, but would possibly be back in the pulpit in a few weeks.

Germany conquered much of the world because they had a book, "Mein Kampf"; a man, Adolph Hitler; and a symbol, the Swastika.

We likewise have the Bible, Christ, and the cross; together they will prevent us from dreaming away the days by broadening our minds, warming our hearts, and asking for commitment.

56. Bro. Bob Wainwright expressed regret for the illness of Bro. R. F. Smith Jr., prior to his motion to adopt the Baptist Children's Home Report and the introduction of Bro. David Leary, pastor of the Kennedy Home.

"Behind every child is some tragedy that can warp their whole personality. We teach those who have lost their parents that death is not the end. We help those who suffer from a lack of love to know that God is the source of all love. The disturbed teenagers are taught to place their trust in God. Thus we are seeking to guide them in the Christian way of life."

Our Children's Homes need the prayers of every individual Christian and more dedicated workers to care for their needs.

57. The Report of the General Board was moved for adoption by Bro. Bob Wainwright. Action was affirmative.

58. Mr. John Idol was not present. His P.O.A.U. report was adopted.

59. The Time, Place, and Preacher Report was unanimously adopted after a recommendation by Bro. Richard Byrd.

The First Baptist Church of North Wilkesboro has already invited the Association to meet with it on the first day of the 1968 Annual Meeting.

60. "Praise Him! Praise him ever in joyful song, Jesus who is our blessed Redeemer." The words lifted forth in a psalm of thanksgiving for the blessings of God upon the co-operative efforts of the churches as Mrs. Lucille Church stroked the strings of the piano.

61. Mr. Curtis Greene welcomed Mr. C. B. Eller, retired Superintendent of Schools, to the associational meeting. He commended Mr. Eller as one who has given a greater portion of his life in service to our children.

62. The American Bible Society representative, Bro. J. C. Shaw, called attention to the printed report and commented on the many aids to the Christian Minister and lay people offered by the society.

Report was adopted as printed on page 32 of the **Book Of Reports**.

63. Mrs. Rowe Teague, Social Service and Civic Righteousness Representative, referred to the paragraph on page 9 of the **Book Of Reports** which mentions the Citizens Committee For Decent Literature.

Her report was adopted as presented.

64. Bro. Clyde Church speaking for the Resolutions Committee expressed the feelings of the Association and its individual members for the

hospitality of the host churches and for the services rendered by the officers of the Association.

65. "The time has come when God's people must stand up and say what they are for and use what means they have to remove beer, wine, and obscene literature from our supermarkets."

A standing vote of the representatives gave assent to the resolution likewise recommended by Bro. Clyde Church.

66. Bro. Glenn Huffman led in the adoption of the Report on State Missions.

67. Bro. Hunter Church requested and received similar action on the Home Missions Report.

68. The Third area of missions, our world-wide efforts through the Foreign Board report, was adopted at the request of Bro. Clyde Church.

69. The History of Goshen Baptist Church was read by Mr. J. F. Jordan. As an introduction to his reading, he commented on the attributes of a good speaker, namely: a. Stand up; b. Speak up; c. Shut up.

The History was adopted for incorporation into the minutes.

70. "As we look at this page of the names of our brothers and sisters who have departed, we are solemnly reminded that some of our names could be on the list next year," stated Bro. Clyde Church as he prepared to read the list of our beloved dead.

"One life to live and when it is past, only what is done for Christ will last."

Following the reading of the list of deceased, Bro. Charlie Myers led in a dedicatory prayer reminding us of our own short pilgrimage in this life.

71. Bro. Curtis Greene expressed appreciation to Bro. Clinton Bailey, retiring associational Clerk, and also for the "kind and unkind things said about himself". He was especially appreciative for the kindness and courtesy extended to him as Moderator of the Association.

72. The hymn, "He Leadeth Me," was changed to "We'll Work 'Til Jesus Comes" in light of the admonition of the Moderator.

73. At the close of the song, Bro. Curtis stated that Bro. Clinton Bailey had said that he would serve as Associational Clerk for the coming year if it met the approval of the body.

The spiritual blessing shared by all was vivid evidence of approval.

74. With a greater sense of appreciation for the labors of those who had made the sharing of our achievements possible and a renewed dedication to the cause of Christ through his church, Mr. J. C. McNeil sent us forth to labor within the framework of the Benediction of God.

Thus ended the 95th Annual Session of the Brushy Mountain Association and only time and the continual working of God in the midst of his people shall discern the rewards and failures of those who labor in his vineyard.

EXECUTIVE COMMITTEE REPORT — 1966

January 14, 1966

The Finance Committee presented a recommendation that each church be asked to help finance the proposed Associational Office based on a gift of \$1.50 for each person holding membership. This plan was heartedly adopted by those present and was in accord to the wishes of the 1965 Annual Meeting. At this time they stated that replies had already been received from 11 churches indicating their support.

Since the approval of the office by the Association in October, several questions had arisen and needed clarification to pave the way for actual construction. Bro. Clarence Eden moved "that the Moderator, Clerk and Trustees meet and make specific plans and to present their recommendations to a special called meeting of the Executive Committee.

Mr. James Spicer was appointed to the Nominating Committee. Mrs. Tam Hutchinson and Mr. Paul Welborn were appointed to serve on the Committee On Committees. Bro. Harold Smith was "drafted" to replace Bro. Earl Webb as Associational Sunday School Superintendent.

Bro. John Wright proposed that the Association participate and endorse the Five Year Spiritual Growth Campaign and encourage each of the churches to participate by determining what each will do individually in its own five-year program. After approval, he indicated that Bro. Ed Bullock would be assigned to assist us.

January 21, 1966

A called meeting of the Committee was held in accord with the above.

The bid of \$11,700 as presented by the Walker Brothers and approved by the Association was discussed. The following specifications were presented: Walls—Block construction with brick veneer; Partitions—Block with three coats of paint; Floor—Concrete covered with a commercial grade of vinyl asbestos tile; Heat—Warm air oil furnace.

It was proposed that Cecil Street as laid out on the original plot of the property be opened and developed and that the building be located as to

facilitate the division of the property into three separate lots should the Association ever decide to sell all or part of the present property.

The bid of the Walker Brothers along with the specifications for the office was accepted and a Building Committee was elected composed of Mr. Curtis Greene, Bro. Clinton Bailey, Bro. John Wright, and up to seven other members selected at the discretion of these three. Construction was authorized to begin as soon as \$5,000 cash is on hand or \$8,000 has been subscribed.

July 22, 1966

A School of Missions was approved for October 27-November 1, 1968, under the direction of Dr. Spivey. This date is to be included in the Associational Calendar.

The Clerk was instructed to contact Carter-Hubbard to determine the price to be charged for the 1966 Associational Minutes.

The price of \$1.00 per copy will cover the cost for this year but some increase will be necessary in 1967.

REPORT OF RESOLUTIONS COMMITTEE — 1966

We, the Resolutions Committee, on behalf of the Brushy Mountain Baptist Association, wish to express our gratitude to the Pastor and members of the host churches, Second Baptist Church, North Wilkesboro and Goshen Baptist Church for their abundant hospitality shown during the ninety-fifth annual associational meeting. Especially do we appreciate those who prepared and served the delicious meals.

We deeply appreciate the prayers, time spent, and work done by the different committees in helping to make this associational meeting both interesting and informative. To our associational officers do we especially commend for their fine work and untiring efforts and wish for our new officers God's guidance in the work ahead.

We express our appreciation and thanks to our Associational Missionary, the Rev. John R. Wright, for the fine Christian leadership he has provided in our Association.

Whereas, so many of our supermarkets sell beer, wine and obscene literature, let it be resolved that we, as a Christian Community of the Brushy Mountain Baptist Association, use every legitimate means that is in keeping with our Christian duty and in compliance with our Church Covenant, to discourage this evil.

Whereas, some of our supermarkets do not sell beer, wine or obscene literature, let it be resolved that we use every Christian means to encourage them to keep their stores free from such merchandise.

COMMITTEE ON SOCIAL SERVICE AND CIVIC RIGHTEOUSNESS REPORT — 1966

To apply Christian principles to daily life is an aim of the Committee

on Social Service and Civic Righteousness.

The whole world is being engulfed in a rising tide of social ferment and moral revolution. The issues of family breakdown, racism, inadequate citizenship, technological revolution, unemployment, poverty, war and immorality are ever before us. We as Christians do not have a simple answer to these complex problems but we do know that Christ is the answer to all human needs, not only for individuals in their relationship to God but also in their relationships to others in society. God's people are therefore called to minister courageously and creatively in the midst of the social evils and moral compromises of our day as they accept the concept that Christianity must not be divorced from life.

Has your church met its Christian social responsibility in applying Christian principles in every area and relationship of life? If not, we encourage you to elect a Committee on Social Service and Civic Righteousness to relate the Gospel to everyday life. You may receive tracts and help from the Christian Life Commission of the Southern Baptist Convention.

Since citizens of our county have formed an interdenominational organization called "Citizens for Decent Literature," against the sale of pornographic literature on the newsstands and in our local stores, we as a committee, recommend that we Baptists wholeheartedly support this organization to try to rid our county of obscene and salacious literature.

HOME MISSION BOARD REPORT — 1966

The Home Mission Board of the Southern Baptist Convention seeks to minister to the spiritual needs of the people of the United States, Panama, Cuba, and Puerto Rico.

The objective of the Home Mission Board is to support the Southern Baptist Convention in its task of bringing men to God through Jesus Christ by developing and promoting, in co-operation with churches, associations and State Conventions, a single uniform Southern Baptist mission program for the U. S. A. and assigned territories. Missionaries number 3,150.

The programs of the Home Mission Board are: 1. Evangelism Development; 2. Chaplaincy Ministries; 3. Church Loans; 4. Establishing New Churches and Church-Type Missions; 5. Associational Administrative Service; 6. Pioneer Missions; 7. Rural-Urban Missions; 8. Metropolitan Missions; 9. Language Missions; 10. Work With National Baptists; 11. Chris-

tian Social Ministries; 12. Work Related to Non-Evangelicals.

Arthur B. Rutledge, Executive Secretary-Treasurer HMB, is concerned for the two-thirds of the people of our nation who are unchurched. He says: "Two-thirds of the people of the nation are ordering themselves by a secular rather than a spiritual philosophy of life; so it is not too hard to understand that, while our membership statistics are looking up, it is also true that crime rates are rising, illegitimacy is rising, divorce and alcoholic consumption continue to increase, and race relations problems are more apparent. Our morals are facing a crisis that gives us great concern over our spiritual vitality."

Southern Baptist pastors have led their people to support the work of home missions with finances, prayers and in appreciation for this each pastor can receive the "Home Mission Magazine" free. Cooperative Program gifts were \$4,365,353.

For just sixty cents a year, or five cents a copy, each of the families in a church can receive a subscription to "Home Missions."

We encourage each church to consider ordering the monthly magazine for every family. Also, we want to encourage your church to give liberally to the Annie Armstrong Offering for Home Missions. The offering this year was \$3,573,146.

Pray for your Home Missionaries. Their names are listed on the prayer calendar in Training Union and Home Life.

For further information write to the Home Mission Board, 161 Spring Street, N. W., Atlanta, Georgia, 30303.

EVANGELISM REPORT — 1966

We are living in an age of change and rebellion. People everywhere are restless and many are seeking satisfaction by rebelling against constituted authority. Rioting mobs roam the streets at night in our large cities, throwing rocks and fire bombs with precision, firing guns at random, destroying private property with no regard for anyone's rights, injuring innocent bystanders, killing some. Lawlessness seems to be the order of the day. Man is confused, bewildered, filled with despair, and has not found an answer to his problems.

In Wilkes County we have evidence of moral decay, lawlessness, rape, murder, suicide, robbery, racial unrest, destruction of property and drunkenness.

Do we have an answer to give the people in rebellion? We can positively say we do have the answer. God's answer, in the New Testament, is Christ. Christ is at work today in His Church, preaching the Gospel of the Kingdom, both by precept and by example. We who are members of His Church must become living epistles, demonstrating Christ's love and power through the working of the Holy Spirit.

God's answer to the critics and persecutors of the Church has been the hot fires of revival. From Pentecost to the last real revival in the local church, God's answer has been confession and repentance of sin following the witnessing of His people.

We wish to call your attention to the Crusade of the Americas in 1969.

Twenty-one countries are cooperating in the crusade. We must begin now to plan and prepare for this in our churches.

Therefore, I recommend that our Association go on record, as adopting this Crusade as one of our plans for winning the people of Wilkes County to Christ, and that each church vote to enter the Crusade.

Let us continue our evangelistic witness each week, in evangelistic revivals, individual soul winning, and preaching.

Respectfully submitted,
HUNTER CHURCH,
Chairman of Evangelism

STEWARDSHIP AND COOPERATIVE PROGRAM COMMITTEE REPORT — 1966

Christian stewardship, includes the total experience of the individual Christian. This includes one's acceptance of the Will of God for his life, following conversion. It is measured by the degree of commitment of life and possessions, in response to that Will. It is the fulfillment of a sacred trust involving the whole of life and the disposition of every conceivable possession entrusted to him.

As a Christian steward, one is responsible for the quality of life he lives in keeping with the ethical principles and practices of the New Testament; for the time he devotes to the development and exercise of his God-given abilities; and for the manner with which he uses the material possessions placed in his command.

One great need of each church is to undergird the Cooperative Program with prayer, praying for each missionary cause to which these mission gifts are distributed.

We are witnessing the greatest missionary advance in the history of Southern Baptist. More missionaries are being sent forth, more young people are training for world-wide service, and more benevolent work is being accomplished. This advance is being made through our missionaries, orphanages, in schools, homes for aged, Baptist hospitals and missions. To feed the hungry, clothe the naked, heal the sick, and preach the Gospel to the far corners of the earth, the Cooperative Program provides the channel.

We are making progress in our concern for those Jesus came to seek and to save. Each year more of our churches are increasing Cooperative Program gifts. Several associations in North Carolina have 100% of their churches giving through the Cooperative Program.

With enthusiasm let us be faithful in worshiping with our tithes and offerings, and our church sharing regularly through the Cooperative Program for the benefit of a lost world.

We recommend:

1. That every church plan a stewardship program to subscribe and thoroughly promote the church budget.
2. That we engage regularly in prayer for the Cooperative Program causes, especially during October.
3. That the churches give regularly through the Cooperative Program, increasing the amount each year.
4. That each church give regularly to the Association Mission work,

WOMAN'S MISSIONARY UNION REPORT — 1966

The work this year in the twenty-two missionary Unions in our Association has ranged from re-organization by improved plans in several groups, to just holding the organization together in other groups. Both these procedures are highly commendable. Outstanding in W. M. S. was Moravian Falls; in G. A.'s, Millers Creek; in Sunbeam, Wilkesboro; in Community Missions, Hinshaw Street.

We have had the following associational wide meetings:

1. Foreign Mission Study, arranged by Mrs. Roscoe Porter, led by Dr. and Mrs. W. E. Allen, retired missionaries from Brazil.
2. G. A. Rally, arranged by Mrs. R. M. Parker, with the Rev. Truman Smith, Foreign Mission Board, as speaker.
3. Sunbeam Day Camp, arranged by Mrs. Dwight Williamson, with Miss Shelia Ramon, Guam, as Camp Missionary.
4. The Annual Associational W. M. U. Meeting, with the message by Miss Ola Lee, retired missionary from China.
5. Leadership Conference, led by the Associational W. M. U. officers, to train for the new year.

We feel that bringing the above mentioned missionaries to our Association has been our greatest single accomplishment. Over-all attendance records of the meeting showed an increase over last year. In State-wide Conferences we have had representatives at Ridgecrest, Fruitland, and Caswell. Our budget for next year is \$290.00 with the Association donating \$50.00 and the remainder coming from the local W. M. U. membership. A new circle has been organized at Hinshaw Street Baptist Church.

The new year will begin with a Prayer Retreat at the Shady Grove Baptist Church, October 17, 10:00 a.m. to 2:00 p.m., conducted by our Prayer Chairman, Mrs. John R. Wright. Dr. John T. Wayland, Southeastern Seminary, Professor, will teach the Bible Study.

With this beginning and the continuing prayers of you all, how can we fail?

ANNUITY BOARD REPORT

THE SOUTHERN BAPTIST PROTECTION PLAN: For the first time in two years, all ministers who are not enrolled in the Southern Baptist Protection Plan are being informed about its benefits. A direct mail campaign has been conducted to give ample information to these ministers in each state.

The plan provides benefits for age, disability and widows. Cost is based on salary, 10% up to \$4,000 salary a year. The church is encouraged to pay the total cost. In some cases a minister shares half the cost. The maximum a church can pay in the basic plan is \$400 a year if the minister is under 60 years of age. The State Convention adds 5%, or 200 dollars a year for each minister participating.

THE HEALTH BENEFIT PLAN: Enrollment has reached 10,054 in the new Health Benefit Plan. This is an inclusive program of hospital, sur-

gical, major medical benefits. Enrollment is open on a semi-annual basis; deadline this fall November 30, 1966.

BENEFITS PAID: In 1965, almost \$4,000,000 was paid in age retirement, disability or widow benefits to annuitants. Checks to annuitants vary in amount, depending on the length of time in the plan. Since the beginning of the Annuity Board in 1918, almost \$51 million has been paid out in benefits. Some have called these payments "Manna from Heaven."

MEMBERS IN ANNUITY BOARD PLANS: More than 16,660 churches are in one or more plans for their ministers. About 10,764 of these churches pay the full 10% dues. There are 135 of 176 educational institutions, hospitals, children's homes, homes for the aged and other Convention agencies which have protection programs with the Annuity Board. There are more than 28,000 members in the plans. Seven states have 70% or more of their churches participating. North Carolina has 48% of the churches in the plans.

Rev. Guy Cain promotes the work of the Annuity Board in the State of North Carolina. For information you may contact him at 301 Hillsboro Street, Raleigh, N. C. 27603.

ASSOCIATIONAL PARTICIPATION: In the Brushy Mountain Baptist Association 28 men from 24 churches and the Association are in the protection programs of the Annuity Board. These churches are Beaver Creek, Cub Creek, Calvary, Edgewood, Fishing Creek, Goshen, Harmony, Hinshaw Street, Lewis Fork, Liberty Grove, Little Rock, Moravian Falls, Mt. Pleasant, Millers Creek, New Hope, North Wilkesboro First, Oakwoods, Pilgrim, Pleasant Home, Purlear, Roaring River, Walnut Grove, Welcome Home, Wilkesboro, and the Brushy Mountain Association. This means that 60% of the churches are providing protection for their pastors. In the other 16 churches the pastors do not have this vital protection. Every church should consider making it possible for the pastor to be enrolled in the Protection Plan, paying the full 10% of his salary up to \$400, per year.

NORTH CAROLINA BAPTIST HOMES FOR AGING

Reflection on the past year of life in our four Baptist Homes for the Aging is a reminder once again of the goodness of the Lord to us. We are constantly aware of the bountiful way in which He has blessed us, and this has been particularly true in 1965-66, since our last report to the Association.

During this year the Homes have ministered to 172 deserving older men and women. All of them have been blessed by the love gifts of North Carolina Baptists, thru the Special Day offerings the third Sunday in February, and thru the Cooperative Program! The large majority, at least 85%, have benefitted directly from these gifts and have actually been sustained at the point of their financial need.

The 1966 offering is at an all time high, and may be over one hundred thousand dollars for the first time. This is very good and the Homes are profoundly grateful. But we must not forget, that, even though this is a 5% increase, costs have advanced by 7%. The need is still great.

We are in the midst of miracles, and the past year has been one in which

we have witnessed unusual blessings from our Lord. There have been fewer deaths than previously; the critically ill have been brought back to a measure of reasonably good health in many cases. Nursing care has been of the highest quality, and you would rejoice to know how far your concern and gifts go in ministering to the needs of the residents, particularly at the point of "tender Loving care in illness."

Perhaps the outstanding paradox is that the first resident to receive a Medicare card is our oldest resident who never takes any medication and who does not need to see a doctor or go to the hospital. She is Aunt Fannie Drumwright, who celebrated her 105th birthday in July.

It is anticipated that construction will begin on our fifth home, at Yanceyville, during the coming year. When it is completed the Homes will be able to minister to 200 older men and women, and relieve, in measure, the terrific pressure of a long waiting list of 170 people.

This ministry of love, in Christ's name, is dependent upon the concern, love, prayers, and increased financial support of North Carolina Baptists. We are, therefore, going to count on you heavily, and believe that you will not disappoint the people who are looking to you urgently for help.

TRAINING UNION REPORT

With the new Life and Work Curriculum, which many of our churches are planning to use, beginning October 1, 1966, the Training Union is more vital than ever before. For many years we have said the aim of Training Union is "Training in Church Membership." Though a worthy aim, it will not suffice for the church's training program of today. Every church needs to expand its training program to include three great areas, namely: New Member Orientation, Church Member Training, and Church Leadership Training. Every Church needs this training program and we feel that to urge each one to consider these things seriously and prayerfully is more important now than a lot of figures about associational and church meetings.

However, the director does wish to express appreciation to the Associational Training Union officers and the Church Training Unions for the support they have given to the Associational Program.

All scheduled meetings were held; attendance at M Night was 271; March Mass Meeting was 127; Youth Night was 66; June Group Meetings was 208.

Miss Rebecca Thompson was winner in the Young People's Speakers Tournament in the Association, and in Region 7 and she participated in the

in order to provide the necessary finances for the regular program and to pay for the office.

BRUSHY MOUNTAIN BAPTIST PASTOR'S CONFERENCE REPORT 1966

The Brushy Mountain Baptist Pastor's Conference has held its regular monthly meeting this year with the exception of one meeting due to a holiday.

The meetings are for the purpose of fellowship and learning. The conference is also for other Baptist ministers who would like to come and visit with us.

The conference offers a time when the ministers can share ideas together.

Often we have some visiting speaker who leads us in some area of interest.

Often the group discusses the business of our Association, making suggestions concerning the business of the Association.

FRUITLAND BAPTIST BIBLE INSTITUTE AND CAMP — 1966

The Fruitland Baptist Bible Institute has increased its faculty this year from ten to twelve teachers. Dr. and Mrs. Riffey, who are retiring from Foreign Mission work in Brazil, are coming to teach this year.

Enrollment this year reached 145 with possibly more coming later. Additional courses have been added to the Curriculum. They are as follows:

Freshmen courses: All 101; English, Evangelism, Homiletics, Christian Education, Old Testament; Reading, Church Music, New Testament.

Junior courses: All 201; Christian Missions, Homiletics, English, Church History, Church Administration, New Testament, Old Testament, English Literature.

Senior courses: All 301; English, Church History, Homiletics, Speech, Christian Ethics, Theology, Church Administration, New Testament Theology, English Composition.

Plans are still moving forward on the proposed building on the campus. This building will house a first-rate library, conference rooms and administrative offices. About \$25,000 is on hand but much more is needed. The General Board will recommend to the Baptist State Convention in November that 20% of the State Mission offering in 1967 go toward the proposed building at Fruitland.

We want to encourage each pastor who needs additional education but is unable to go to college or seminary to study at Fruitland Baptist Bible Institute.

State Tournament. Mrs. Herman Searce was winner in the Association's Adult Bible Reader's Tournament.

In the various meetings attendance banners were won by Goshen, Pleasant Home, and Wilkesboro; Efficiency banner was won by New Hope Juniors every time.

A new Training Union was organized at North Wilkesboro Second Baptist Church.

May I urge each of you to study and stay up to date with current Training Union materials, especially the Training Union Magazine. This is essential in order to know what is going on in Training Union work. Also, may I thank each of you for your prayers, assistance and support in carrying on the Training Union work. I would like to pledge to you my best during the coming year, and beg you to support and use your Training Union as a means toward a more effective Christian witness through the local Church.

A HISTORY OF NORTH WILKESBORO SECOND BAPTIST CHURCH

On Sunday, January 27, 1907, a Presbytery consisting of the following ministers: J. S. Foster, W. F. Staley, L. B. Murray and A. T. Pardue met at Woodlawn, in North Wilkesboro, a mission of the First Baptist Church, and organized the Yadkin Valley Baptist Church, with the following charter members: Nora Reynolds, Beulah Gaither, Alfred Dearmon, Julia Campbell, Lattie Hall, Belle Anderson, Ellen Lovette, Oscar Gaither, Sina Shumate, J. F. Lovette, Florence Lovette, John Robinson, Willie Lovette, W. E. Havener, Emaline Robinson, Cora Owens, W. T. Hall, George Anderson, W. L. Owens, L. D. Clonch, Mrs. L. D. Clonch, R. F. Parker, I. P. Baker, Mrs. I. P. Baker, J. S. Anderson, Vessa Havener, Effie Gilreath, Bessie Gilreath, James Childress, Mrs. James Childress, Alice Anderson and Nabie Anderson, 32 in all.

The Rev. L. B. Murray was unanimously elected as the first pastor. The church was called to order by the Rev. George W. White, moderator pro tem. Mr. and Mrs. W. S. Reynolds and S. H. Lovette presented letters of dismission for the First Baptist Church, North Wilkesboro, and were received into full fellowship with the church. The following men were elected as deacons to be ordained at some future time: W. S. Reynolds, George Anderson, S. H. Lovette and Oscar Gaither. The following Church Covenant was adopted:

Having been led, as we believe, by the Spirit of God, to receive the Lord Jesus Christ as our Savior and on the profession of our faith, having been baptized in the Name of the Father, and of the Son, and of the Holy Ghost, we do now in the presence of God, Angels, and this assembly, most solemnly and joyfully enter into covenant with one another, as one body in Christ.

We engage therefore, by the aid of the Holy Spirit, to walk together in Christian love, to strive for the advancement of this church in knowledge, holiness, and comfort, to promote its prosperity, and spirituality, to sustain its worship, ordinances, discipline, and doctrines, to contribute cheerfully and regularly to the support of the ministry; the expenses of the church, the relief of the poor, and the spread of the Gospel through all nations.

We also engage to maintain family and secret devotions, to religiously educate our children, to the salvation of our kindred and acquaintances; to walk circumspectly in the world, to be just in our dealings, faithful in our engagements, and exemplary in our deportment, and to avoid all tatling, backbiting, and excessive anger; to abstain from the sale and use of intoxicating drinks as a beverage, and to be zealous in our efforts to advance the Kingdom of our Saviour.

We further engage to watch over one another in brotherly love, to remember each other in prayer, to aid each other in sickness and distress, to cultivate Christian sympathy in feeling and courtesy in speech, to be slow to take offense, but always ready for reconciliation, and mindful of the rules of our Saviour, to secure it without delay.

We moreover engage that when we remove from this place, we will as soon as possible, unite with some other church where we can carry out the spirit of this covenant and the principles of God's Word.

At the April, 1907, meeting, W. S. Reynolds, Oscar Gaither, S. H. Howell, and George Anderson were ordained as deacons. W. W. Bell was elected as the first clerk. At the August, 1907, meeting, the church voted to apply for membership in the Brushy Mountain Baptist Association. Winston Bell, Oscar Gaither and S. H. Lovette were elected as messengers. The church pledged \$12.00 as funds for the various missions of the association.

At the November, 1907, meeting, the church withdrew fellowship from two members for being drunk. Brother Owens brought a charge against Brother Lovette for refusing to pay him a labor bill. A committee was appointed to investigate the matter. At the next meeting the committee reported and the matter was dismissed, and Brother Lovette was restored to fellowship. At the February, 1908, meeting, charges were brought against W. E. and Vessa Havener, for public drunkenness and general disorderly conduct. They were given one month trial to reform. Charges were brought against Thomas Shumaker for drunkenness and a committee was appointed to visit him, report at the next meeting. At the same meeting L. D. Clonch and E. F. Shew were elected as deacons to be ordained later.

On Sunday night the church was again called to conference and withdrew fellowship from W. E. and Vessa Havener for reporting the above offenses. At the April meeting the charges against Brother Shumaker were withdrawn upon his confession of wrong-doing. On Sunday night a Sunday School was organized with Winton Ball as the Superintendent. At the same meeting the church withdrew fellowship from Brother Parker for not living right.

At the August, 1908, meeting, J. W. Porter was elected clerk. At the October, 1909, meeting, W. W. Porter and Thomas Shew were selected as deacons, to be ordained later.

At the August, 1911, meeting, the Rev. L. B. Murray was again elected as pastor. He served until October, 1912, when the Rev. Sam Jennings was elected as pastor. In March, 1913, Rev. J. A. Jordan and Rev. Edwards were elected as pastors. In April, 1913, the case of James Kinly and Newt Wood was laid over until the next conference so the church could investigate the

matter. In the June meeting, 1913, Adam Staley joined by letter, and was liberated by the church. In the July meeting, 1913, a revival was held and 12 joined the church. At the October, 1913, meeting, W. H. Wilson was elected clerk, Newt Wood and W. H. Wilson were elected as deacons. In November, 1914, the church withdrew fellowship from Adam Staley and Will Hall and appointed a committee to visit members not attending church services.

There are no minutes of the church available from November, 1915, to April, 1918. Pages 54 to 75 are missing. At the April, 1918, meeting, E. W. Minton and J. W. Porter were elected as clerks. At the March meeting in 1919 J. W. Porter and W. L. Minton were ordained as deacons and in August, 1919, the Rev. J. M. Absher was elected as pastor.

There are no minutes from March, 1921, to February, 1923, except one minute of December 13, 1922, which states the case of W. L. Wood was discussed. When he made acknowledgement of disorderly conduct the church forgave him and he was restored. The church then took up the case of Ellen Shumate and excluded her for immoral conduct. J. F. Davis was elected clerk and Rev. Clanton resigned as pastor.

In February, 1923, Rev. B. L. Minton was elected pastor. In July, 1923, a committee reported on the case of Lee Stone. He was excluded for disorderly conduct.

From December, 1924, to December, 1931, there are no minutes available. In August, 1932, 14 were baptized after a revival meeting. At a called meeting in August, 1932, Rev. Edd Hayes was unanimously elected pastor. In September, 1932, they voted to ordain James Shew to preach the Gospel of Jesus Christ and set the date in October, 1932. At the ordination service a presbytery composed of Rev. Edd O. Miller and Rev. Finley Hollar received Brother Shew, examined him and found him to be orthodox and sound according to Baptist discipline and faith. After the service he was received by the church as an ordained minister.

At the April meeting, 1933, E. P. Glass was dismissed for contempt for neglecting his duties.

In April, 1935, 18 made professions of faith in a revival.

In June, 1935, the church voted unanimously to dispose of the church property, and build at a new location. Tom Hall, George Stone, and N. T. White were appointed Trustees and were authorized to dispose of the property, find a new location agreeable to the church and make plans to start a new building.

In August, 1935, Rev. Noah Hayes was unanimously elected as pastor. The Trustees were ordered to sign the deed for sale of the property.

In January, 1938, a finance committee was appointed, as follows: Mrs. Foster, Minnie Glass, Opal Lovette, Beulah Blakely, Mary Johnson, Dorris Parker, Ella Walker and Selma White. In November, 1945, the church decided to buy a piano and a fund was started for this purpose. In January, 1946, a committee was appointed to see about grading around the church.

At the May meeting, 1946, the church called for the clerk to give a statement of the settlement made with the town but no record is made of the settlement.

The minutes for January, 1947, state a clerk was elected but no name is given. At the August meeting, 1947, Rev. Ralph Miller was elected pastor and in September a man was hired to grade around the church and beautify the grounds.

In October, 1947, the church appointed Frank Ham, James Foster and Rev. Jesse Adams to look after the work on the church. In November, 1947, the church decided to borrow the money for work done on the church.

In December, 1948, Tommie Adams and U. G. Wingler were elected deacons, to be ordained the 4th Sunday in December and Richard Byrd to be ordained for the ministry.

In August, 1949, Frank R. Ham was elected church clerk.

In April, 1950, Bruce Wyatt was ordained as a deacon and Wilson Owens was licensed to preach. The second Sunday in May, Wilson Owens was ordained. In August Mrs. Dossie Berrong was elected clerk and Rev. D. H. Blackburn pastor. In October, 1950, there were 10 additions in a revival.

In March, 1951, the church ordered the clerk to make 12 copies of the names of all church members who were unknown, to give these to the members for study, and to remove from the church roll all names of members who could not be located, until they were located. In May, 1951, Collie Mae Anderson, Christine Campbell, Mollie Jordan and Louise Gilbert were dismissed for contempt and their names marked off the record. The minutes do not state what the contempt was. At the June meeting, 1951, the church voted that Kathline Robertson and Roxie Anderson's names be marked off the books for contempt. Rev. Richard Byrd was appointed interim pastor. A committee was appointed to notify all former members to come to the homecoming the second Sunday in August, 1951, and the clerk was given permission to write each member to raise money for work on the church. A collection was taken and \$1.87 was received, making \$15.14 in the treasury. In August, 1951, John Owens was liberated to preach and the clerk was asked to write a letter of liberation for him. In October, 1951, Ray Shumate was asked to see about painting the church and report at the next conference. He made the report and was discharged. The church decided to wait before painting. In November, 1951, the old business of finishing the roof was discussed with a motion that all who could come on November 17 at 10:00 o'clock to help with the work. In December, 1951, the church voted to ordain John Owens in January.

In January, 1952, a committee was appointed to visit members who were not attending church and win them back. The church withdrew fellowship from W. H. Moore for public cursing.

In October, 1952, a building committee was appointed with the following members: Deacon Ray Shumate, Roscoe Porter, Rev. Richard Byrd and

Parks Robinson.

In May, 1953, the church voted to set aside three deacons as inactive, Famon Greene, Curtis Blevins and Bruce Wyatt.

In June, 1953, the church voted that any member not attending at least one service in a two months period, which would be ten regular services, would have his name removed from the church book. In July the rule was amended to read "The members would not be dismissed from the church if they had a reasonable excuse."

At a called conference, July 26, 1953, Edd Foster was elected clerk, Rev. Richard Byrd, pastor, Mrs. Lula Church, as pianist, Mrs. A. B. Church, choir leader, and Mrs. Mary Ann Shumate, church treasurer.

In September, 1954, Rev. Wade Miller was elected pastor, and Mrs. Fannie Benton, clerk.

In June, 1955, the church adopted the budget plan. A charge was brought against Vance Wingler for misconduct and a majority voted to withdraw fellowship from him.

There are no minutes from October, 1955, to April, 1956; and from April, 1956, to August, 1956. In August, 1956, Rev. Wade Miller was elected pastor; Roscoe Porter, clerk.

Again, minutes are missing until October, 1957, and then to May, 1958, when Rev. Ray Shumate was elected pastor. In July, 1958, the old building committee was dismissed and a new committee appointed of: Parks Robinson, Joe Brooks, Bob Porter, Reid Porter, Don Miller, Joe Johnson, and Robert Brooks, chairman. In August, 1958, Robert Brooks resigned as chairman and Robert Porter replaced him. In September, 1958, a special meeting was called to ordain Ray Shumate as a minister, so he could serve as pastor. Rev. John Wright, Associational Missionary, served as moderator. At the same meeting Bob Porter was elected clerk. In November, 1958, the church voted to remodel the building.

In a special called meeting Rev. Buddy Mathis was unanimously elected pastor and salary raised from \$25 to \$35 per month.

The minutes again skip from February to June. In the July, 1959, meeting, the entire time was devoted to discussing the building plans. In September, 1959, Sylvia White was elected clerk. In October, 1959, Charlie Shumate, Don Miller, James Elledge, Pate Benton, and Robert Brooks were elected deacons. Pate Benton, James Elledge, Charlie Shumate and Joe Johnson were elected Trustees.

In January, 1960, Rex Shumate was licensed to preach.

In March, 1960, the minutes state: "The new property we are getting to go with the other property we have was to be surveyed soon," but no record is made of how much property was purchased. In May, 1960, a committee was appointed to look at several churches and find one they approved. Those on the committee were: Don Miller, J. D. Berrong, Mrs. Don Berrong, Pate Benton, James Elledge, Sylvia White, and Robert Brooks. A special conference was called May 15th. A finance committee was appointed with Rex Shumate, J. D. Berrong, Pate Benton, Don Miller, James Elledge and Robert Brooks to find out which loan company would give the best terms. The plans for the new church building were approved and the best price was \$16,500. In August, 1960, a vote was taken with the majority in favor of purchasing new furniture and pews. In September, Joe Brooks was elected clerk and a building committee: Pate Benton, James Elledge, Don

Miller, J. D. Berrong and Rex Shumate, was appointed to obtain a loan from North Wilkesboro Savings and Loan of \$16,500. The church still owes \$8,242.73. In November, 1960, the church voted to ordain deacons in November. A vote also approved Don Berrong paying the note of \$130 on the church bus.

In January, 1961, Rev. Frank Walker was elected pastor. In February, 1961, the church voted to begin Training Union and Brotherhood work. J. D. Berrong, Don Berrong, Robert Brooks, and Rex Shumate were elected deacons, to be ordained in April. A conference was called March 26th, 1961, to ordain Rex Shumate as a minister. In April, 1961, J. D. Berrong, Mansfield Glass, Robert Brooks, and Joe R. Brooks were ordained deacons. In October, 1961, Don Berrong, J. D. Berrong, Pate Benton, Reid Porter, and James Elledge were elected as a finance committee. In November they reported the church bus had been sold for \$300.00. Other means of raising money were discussed. In January, 1963, Rex Reid was elected to replace Don Miller as a trustee. The trustees were asked to apply for a loan of \$12,200.00, at North Wilkesboro Savings and Loan to be used to pay for the building, pews, and a debt owed the Walker Brothers.

In September, 1963, Leonard Porter was elected clerk, and Rev. Earl Adams was elected pastor. In February, 1965, Rev. David Osborne was called as pastor. In May, 1965, Parking Lot Committee was appointed to find the cost of finishing the parking lot: J. D. Berrong, Junior Johnson, Don Berrong and Mansfield Glass. An estimate from Gene Caudill of \$749 was obtained, but the committee asked for more time to study the job.

In January, 1966, the church voted to raise the pastor's salary from \$50.00 to \$100.00 per month. In March, 1966, the deacons reported bids from Southern Paving and Carl Rose had been received on the paving of the parking lot. The church voted to award the contract to Carl Rose for \$2,600. The church still owes \$2,042.50 on this work.

In May, 1966, Rev. David Osborne resigned as pastor and in June, 1966, Rev. Clifford Johnson was elected and is still serving as pastor.

Sunday School work is progressing with 159 enrolled and the Training Union has 89 members.

This church has made good progress spiritually and has increased in membership from 32 charter members to 180 members.

HISTORY OF GOSHEN BAPTIST CHURCH

The History of Goshen Baptist Church was written in 1953 and is recorded on pages 30-32 of the Associational Minutes. No further reference will be made to that period.

In April, 1953, H. A. Carlton and Rev. John Higgins were appointed on a committee to see about having the church grounds graded. \$200.00 was transferred to the building fund so Mr. Adams could do the work. A collection taken came to \$277.00.

At the June meeting in 1953 a letter was read from Rev. John Higgins and his wife, stating the land they had donated was a gift to the church. A unanimous vote of thanks was given to them for the donation.

In September, 1953, Rev. Clate Brown was elected pastor. After his

election a revival held in October resulted in 11 new members.

In December, 1954, Rev. Albert Pruitt was elected pastor.

In March, 1955, the church voted to raise the pastor's salary from \$25.00 to \$35.00 per month. A vote was also made to ask each member to give one day's work or one day's wages to beautify the grounds. A decision was made to gravel the parking lot and to stake off a lot for a cemetery on the land given by Rev. and Mrs. John Higgins.

A vote was taken in January, 1958, to change the meeting to second Sunday morning from second Sunday night. In September meeting, 1958, Richard Jarvis and Charlie Proffit were elected deacons. In October they were ordained, with the pastor, Rev. Roby McNeill, Rev. John Higgins, and deacons as a presbytery. In October, 1958, Rev. Richard Byrd was called as pastor and is still serving. The pastor's salary was raised from \$50.00 per month to \$100.00 per month in November, 1958. Also a committee was selected to work out a budget, but the minutes do not record that the committee reported.

In August, 1959, a janitor was employed for \$12.00 a month. In October, 1959, a committee was appointed as follows: Jesse Cardwell, R. J. Church and C. W. Proffit, to determine what to do if the church had to move because of the Wilkesboro dam, now known as the Kerr Scott Dam and Reservoir, and to find out how much the church could get for the land. Mrs. Linnie Bumgarner, Mrs. Ruby Cardwell, Mrs. H. A. Carlton, Mrs. John Higgins, and Jesse Walsh were appointed to assist the committee. In December, 1959, a Library Committee was appointed of Mrs. Linnie Bumgarner, Mrs. Helen Bumgarner, Mrs. Clay Crisp, Mrs. Irene Proffit and Mrs. Charlie Ferguson, to start a library. Mrs. Charlie Ferguson was asked to sort any books donated to be certain that only good clean reading matter was put in the library.

In April, 1960, discussions were held regarding plans for a new church and a place to relocate the church. In November, 1960, the church was offered \$33,000.00 by the Real Estate Office in Wilkesboro. The offer was finally accepted.

In February, 1961, a Property Committee was appointed, as follows: Mrs. Helen Bumgarner, Mrs. Linnie Bumgarner, Mrs. Ruby Cardwell, Mrs. Carolyn Crisp, Mrs. Irene Proffit, Mrs. H. A. Carlton, Mrs. J. T. Higgins and Mrs. R. O. Jarvis, to select a building site. H. A. Carlton offered two acres, without a cemetery. The church voted not to accept this offer.

In August, 1961, a Building Committee was appointed, Jesse Cardwell, Clap Crisp and Jesse Walsh. In September, 1961, a four-acre tract of land was offered by Jarvis Walsh for \$4400. The church accepted his offer and paid him for the property.

In October, 1961, plans drawn by Jesse Walsh were presented to the church by Clay Crisp were accepted. The new building cost \$42,000, all of which has been paid except \$4015.54.

In June, 1962, the church voted to sell the old pews and purchase new ones from Southern Desk Company of Hickory, N. C.

In March, 1963, the church voted to have Duke Power Company install two outside lights, one in front of the building.

In October, 1963, a vote was taken to have the ground around the church sowed in grass and fertilized.

In May, 1965, a Building and Grounds Committee was appointed as fol-

lows: Calvin Church, Odell Walsh and Arnold Bumgarner, to keep the lawn watered and take care of the building.

In June, 1965, the church voted to raise gifts for Associational Missions from \$2.00 per month to \$5.00 per month. In September, 1965, the church voted to pay the pastor \$200.00 per month. A vote to begin full-time preaching was taken in August.

In June, 1966, Troy Bumgarner, Calvin Church, George Barlow and Clyde Cox were elected as deacons, to be ordained later.

This church has 137 members enrolled in Sunday School, and 55 enrolled in Training Union.

REPORT ON CHRISTIAN EDUCATION — 1966

No phase of North Carolina Baptist work is more important and demands more considered attention than Christian higher education. The need is that the average Baptist take time to understand the role, nature, and function of Baptist colleges in North Carolina. Let this article challenge you to re-think your concept of Christian Education and its place in the life of North Carolina Baptists.

In North Carolina the Baptist State Convention has a Division called "Council on Christian Education," with Mr. Ben Fisher as Director. There are many facts which you should know about our Baptist colleges. This report will present some of these facts.

Enrollment for the fall semester, 1965, was:

Campbell College	2,192	Meredith College	942
Chowan College	1,179	Wake Forest College	2,996
Gardner-Webb College	1,191	Wingate College	1,486
Mars Hill College	1,428		
		TOTAL	11,414

One important function of our colleges is the training of church-related vocational workers. As of now, approximately 600 young people who expect to give their lives to one of the Christian vocations are enrolled in these colleges. Included are all phases of church and denominational life. A study is now being made by the Council on Christian Education on the need for Christian Vocational Workers. The general decline in the number of young people choosing a Christian vocation is a concern throughout the Convention. The Council will study ways the Baptist Colleges, State Convention, and local churches can join hands in enlisting more of our young people for the Christian ministry. The study will also concern itself as to how more financial aid can be made available to these students.

There are three college presidents retiring and two new presidents have been elected. Dr. Hoyt Blackwell, Mars Hill College, Dr. Carlyle Campbell, Meredith College, retired at the close of the school year 1966. Dr. Leslie Campbell, at Campbell College, has announced plans to retire June, 1967. These men have been of tremendous value to Christian education in North Carolina, particularly at their respective colleges. Dr. Fred Bentley is the new president at Mars Hill, and Dr. Bruce Heilman is at Meredith. Both of these men are devout Baptists and possess the highest Christian and educational qualifications.

The following figures represent the Cooperative Program income budget for the Council and the seven colleges.

Council Operations		\$ 29,600
Campbell College	\$ 225,850	
Chowan College	135,240	
Gardner-Webb College	128,478	
Mars Hill College	194,746	
Meredith College	194,746	
Wake Forest College	331,338	
Wingate College	142,002	1,352,400
GRAND TOTAL		\$1,382,000

In addition to this, each college will share in an anticipated Cooperative Program overage of approximately \$120,000. For 1966 the Cooperative Program income for the seven Baptist Colleges represents an endowment, in excess of \$35,000,000. This guaranteed annual income is an important factor in maintaining accreditation. The Cooperative Program has been called the life-line of North Carolina Baptist Colleges. **An advance for the Cooperative Program is always an advance for Christian higher education.**

It is tremendously important that each church participate in the observance of Christian Education Day, which is always on Father's Day, in June. There are two objectives in observing Christian Education Day: To afford each church an opportunity for the congregation to become better acquainted with the contribution of our Baptist Colleges to the denomination; To provide an opportunity to make an offering over and above the regular Cooperative Program giving. This offering now amounts to more than \$100,000 and could very easily go to \$200,000 with the cooperation of our Baptist churches. We urge every church to observe Christian Education Day in 1967.

REV. ROWE TEAGUE

BAPTIST FOUNDATION REPORT — 1966

The Baptist Foundation is experiencing a very good year. We are eternally grateful to each one who has had a part in promoting the work of the Foundation. Baptists of North Carolina are beginning to understand and use the services of the Foundation.

We are grateful for the pastors who have furnished the names of individuals who may be interested in the Foundation. We thank those who have invited us to their churches to speak. Many pastors have been most generous with their time in discussing the problems, programs, and purposes of the Foundation. Many of our lay friends, lawyers, bankers, trust officers, and other interested individuals have given of their time and helped us materially in promoting our work.

Assets of the Baptist Foundation have increased in the last year to approximately one million dollars, including real estate. Many people are setting up memorial funds, trust agreements, annuity agreements, and are using other services provided by the Baptist Foundation. Our organization is ready to help any individual or church by explaining the work of the Foundation. We can visit individuals to discuss how they may participate

in it and we can go to group meetings to provide opportunities to discuss will making and uses of the Foundation.

We covet your continued prayers for the work and hope you will make use of the North Carolina Baptist Foundation in the future.

FOREIGN MISSION BOARD REPORT — 1966

Rejoicing in the remarkable growth of the Advance Program of overseas missions with a record of 220 appointments in 1965 and in the record-breaking financial receipts approaching \$25 million dollars, of which 92% went overseas, Foreign Mission Board Secretary Baker James Cauthen said:

“We lift our hearts in praise and gratitude to God . . . We believe He is calling Southern Baptists to a vastly enlarged ministry on a world scale.”
Missionaries now total 2,159.

The 220 missionaries appointed included 156 appointees, 4 special project nurses, 14 associates, 46 journeymen. After special training and study these missionaries went forth to serve in many countries. There were 75 couples and six single women in career group; 14 men and 32 women in the Missionary Journeyman Program who went into 27 countries.

The average age of career missionaries appointed was 31.6 for men and 30.7 for women. Family average was two children with oldest child average age 6.4 years. The average new appointee had been in contact with the Foreign Mission Board for six years. Fifty percent had attended Baptist Colleges in preparation for appointment. They came from 19 states.

The demand for new work in old fields and opening doors in new fields calls for continued planning. In April, 1965, a plan was approved for locating regional personnel representatives throughout the Convention area to provide counseling, information and encouragement for persons considering God's call for missionary service.

In 1965, 1197 persons contacted the Department of Missionary Personnel for the first time to inquire about missionary service. Of these, 852 were college age or below; 345 were beyond college. The Board is now in contact with 5694 persons who are considering God's call to Foreign Missions.

Realizing the demands for advance demand quality work, a program for training and orienting all new missionaries, beginning in September, 1967, has been approved. The plans is designed to equip new missionaries more effectively for their complex tasks in these chaotic times. This includes training in linguistics, customs, culture, methods, environments, history, structures and many other practical subjects such as medicine, mechanics and bookkeeping.

Nationwide or area evangelistic crusades were held in Brazil, Thailand, Malaysia, Spain, New Mexico, Nigeria, and Paris, adding thousands of converts to more than 4,400 overseas churches.

The Crusade of the Americas in 1969 confronts us with a tremendous challenge.

Let us continue to pray for our missionaries and to give, not only our money, but our sons and daughters to this great world mission task.

Respectfully submitted,
REV. CLYDE CHURCH

BAPTIST HOSPITAL REPORT — 1966

Our Baptist Hospital and Medical School are centers of healing for body, mind and spirit, for training medical personnel and Christian workers, for scientific research in the advancement of medical care.

Without a vast amount of medical research, many who are alive today would be dead. There would be no heart surgery, nor any new methods of treating the sick. Without schools for training doctors, nurses, technicians and others, there soon would be no skilled persons to care for the sick people. Without a staff of highly trained and experienced specialists and a vast amount of expensive equipment, our Baptist Hospital could not offer the highly skilled medical care which is available to any who become seriously ill. One very important fact is that the skilled medical care of our Hospital is made available to anyone who needs it but cannot pay for it.

The kind of medical care provided by our Hospital is very expensive, and the Hospital has no choice but to ask full payment of all who can pay. The Hospital has been spending in free care for our people far more than it receives from our Mother's Day Offerings, the Cooperative Program, and all welfare and other agencies combined. The Hospital has run into debt the past two years and the same is true this year. Certainly this is a cause of concern. The Hospital cannot continue to operate this way. Medicare will not change the situation much. We must realize that our Baptist churches must provide much greater support for our Hospital.

In 1965 the churches gave \$2,447.82 to the Baptist Hospital. In 1966 total gifts were \$2,322.62, or \$125.00 less than last year. Two churches failed to record gifts last year and three churches did not send gifts this year. If your church did not send an offering, or if you wish to increase your contributions to the Hospital, please send that others may be healed.

ASSOCIATIONAL SUNDAY SCHOOL REPORT — 1966

The Great Commission is still the command of our Lord to His followers to go, teach, baptize. We will develop great Sunday Schools as we develop a compassion for the unreached.

Your Associational Sunday School Superintendent has just had the great joy of preaching in a revival in which people walked the aisle making decisions for Christ in all but one service. It is a great blessing to all of us to be in a meeting like that. Experience like that are remembered for a long time.

The Sunday School could be having experience like that EVERY WEEK. The Sunday School reaches over 90% of the converts of our churches. Thus, our Sunday Schools could be reaching people for conversion EVERY WEEK, if we used them in the best possible way.

The Sunday School is the OUTREACH ARM of the church. It has the purpose, methods, and facilities to reach out and enroll lost people and get them active in studying God's Word and winning them to Christ.

Your Associational Sunday School leaders are promoting the Church Growth Plan for 1966-1967. This is a continuing concern at work through a church-centered, Sunday School led, Adult focused, correlated effort to reach people for Christ. It is a comprehensive design for assisting churches to increase membership. When all tasks of the church organizations are programed, "church growth" will mean not only numerical increase but growth in grace and in the knowledge of our Lord and Saviour, Jesus Christ.

Our Associational Sunday School leaders met several times this year. We conducted two training meetings for the churches. The first meeting was held at Hinshaw Street Baptist Church, March 21, 1966. The theme was Evangelism. Your Associational Sunday School Superintendent was hospitalized at the time of this meeting. The second meeting was held September 5, 1966. This was Action Night at the Wilkesboro Baptist Church. There were 73 persons present, representing 16 churches. The Attendance Banner was won by Hinshaw Street Baptist Church.

Our plans for the coming year call for four meetings, one to be held each quarter. The meetings are as follows:

DATE	PLACE	THEME
November 21, 1966.....	Hinshaw Street	Training for Teaching: State Workers lead conferences
February 20, 1967.....	Millers Creek	Evangelism
May 22, 1967.....	Mt. Pleasant.....	Visitation
September 11, 1967.....	Wilkesboro.....	Action Night

We urge churches to teach the book of Amos in January Bible Study Week, to conduct Vacation Bible School, and to encourage workers to attend Sunday School Weeks at Ridgcrest or Caswell. Pray for your Associational workers as we endeavor to lead our work forward. Call upon us if we can be of any assistance in the churches.

HAROLD T. SMITH, Superintendent

BROTHERHOOD REPORT TO ASSOCIATION — 1966

A Brotherhood program in a Baptist Church is composed of one or more groups, Baptist Men, Baptist Young Men, and Royal Ambassadors. If a

church has any of these groups, it has Brotherhood work.

The Objective of Baptist Men is to assist the church, in its task of leading men to deeper commitment to missions, to a more meaningful prayer life for missions, to a larger stewardship on behalf of missions, and to a personal involvement in missions.

The Task of Baptist Men is to: Teach Missions to all Men, Lead all Men to Participate in Mission Activities, Provide Organization and Leadership for Special Projects for the Church and Provide and Interpret Information Regarding the Work of the Church and Denomination.

Baptist Men is "A fellowship of Baptist men, who are members of the Church, organized to advance the cause of Christ through a program of Missionary Education and Missions Promotion designed to inform, motivate, and involve men in the Mission Task of their Church."

The following poem well expresses the need for Brotherhood.

NO TIME

I knelt to pray, but not for long;
I had too much to do,
Must hurry off and get to work
For bills will soon be due.

And so I said a hurried prayer,
Jumped up from off my knees;
My Christian duty now was done,
My soul could be at ease.

All through the day I had no time
To speak a word of cheer,
No time to speak of Christ to friends;
They'd laugh at me, I feared.

No time, no time, too much to do,
That was my constant cry;
No time to give to those in need;
At last 'twas time to die.

And when before the Lord I came,
I stood with downcast eyes,
Within His hands He held a Book.
It was the "Book of Life".

God looked into His Book and said,
"Your name I cannot find,
I once was going to write it down,
But never found the time."

AMERICAN BIBLE SOCIETY REPORT — 1966

Several years ago a renowned Biblical scholar said that the Bible is "The Most Exciting Book in the world. It looks at life frankly; glosses over nothing; and in page after page, it reads as if it were written yester-

day." He went on to describe it as being "A most useful work; modern, and vibrantly alive for every generation." To translate that Book into every tongue, to publish that Book in every language and dialect, to distribute that Book world-wide, and to encourage that Book's use is the underlying purpose of the American Bible Society.

This year the American Bible Society is 150 years old, but the Book that is its purpose for existence is ageless. The message of the Bible is as relevant today as it was in 1816.

With the publication of at least one book of the Holy Scriptures in 1,232 languages by the end of 1965, the written Word can now reach 97% of the world's population. This is the greatest accomplishment in inter-language communication the world has ever known.

The task of spreading the light is not complete, however, since revisions of the Bible are urgently needed in scores of languages, especially in regions where languages are in the process of rapid change as the results of unprecedented social, economic and political developments. Millions of people as yet have nothing of the Word of God in their own language and there is a tremendous amount of work still to be done.

Giving people the message of the Bible in written form for the first time is no simple task. The American Bible Society is continually at work, helping missionaries and others translate the Bible and revise previous translations in many languages. As the agency of the churches to carry on this world-wide mission of the Written Word, the Society needs your prayers and your gifts.

The Society publishes tracts as well as Bibles, and many of these are free for distribution to your members. Many of the books of the New Testament are printed in booklet form. The 235 series of New Testaments are all printed so pages run the same. This inexpensive Book can be hand-marked for use in personal soul winning, using the tracts, "Witness With a Personally Hand-Marked New Testament." The same New Testament may be hand-marked for Stewardship enlistment, using the tract "The Hand-Marked New Testament for Stewardship." Also, the same New Testament may be used to minister to the bereaved, as the tract, "The Hand-Marked New Testament for the Bereaved" is used. You may order these tracts and the Testaments from the American Bible Society, 450 Park Ave., New York, N. Y. 10022.

STATE MISSIONS REPORT — 1966

When we speak of State Missions, what do we mean? State Missions is anything that our churches do to reach people with the message of the Gospel of Jesus Christ. State Missions begins in Every Christian Home, is proclaimed on the job, in social gatherings, in the church, to every person we meet to whom the message of God is proclaimed.

Our greatest missionary work is done through preaching of the Gospel. In churches, mission stations, on radio, and television, the message of redemption is presented and many respond to the claims of Christ.

State Missions is also carried out through our fine educational system of seven colleges, Fruitland, and Southeastern Seminary. Since World War

II, Baptist in North Carolina have started a school for those who were called late in life and needed training. The Fruitland Baptist Bible Institute is meeting this need, and this year all State Mission gifts over \$175,000 will go to Fruitland for new buildings.

State Missions also ministers to the deaf in churches, in homes, on television.

Ministry to Military Personnel is being carried out for the thousands of men and women in North Carolina at the military bases.

State Missions help with the purchase of building sites, for new missions and churches, assists associations with aid in this work; ministers to Cherokee Indians; works in the area of interracial cooperation; conducts Japanese witness at military bases; assists the North Dakota churches; promotes and conducts pastor's schools, schools of missions, Seminary-Extension and adult education classes, provides special summer ministries, such as Vacation Bible School work, and aids churches and pastors in many other areas of witness.

Last year the Brushy Mountain Baptist Association received \$804.00 from State Missions to assist with the work. The Association has been receiving help since 1925. Certainly, this is appreciated. We should, however, begin to give to State Missions, without asking anything from this source.

Pray for those who serve us in the work of State Missions. Give that the message of Christ may be shared with those who have not heard or who have heard, but have not believed.

BIBLICAL RECORDER REPORT — 1966

Many important issues are facing North Carolina Baptists. Churches are making decisions on the Life and Work Curriculum, especially whether to use it or the Uniform Lessons. For a period of at least six months the **Recorder** will run both lessons as a service to our churches.

In our state, changing conditions are raising serious questions about the fate of almost every institution we support. In the near future Baptists will have to decide the future course in higher education and Social Service Institutions. This is especially important in view of increased government participation in these areas. The **Recorder** will present the issues and possible choices open to us.

In the Southern Baptist Convention there is talk of a name change. A great Crusade of the Americas is in the planning stages. We all need to know about these developments.

In addition to issues within our own denomination, new and disturbing clouds are on the horizon elsewhere. Talk of a New Morality, the so-called Death of God movement, the drastic changes in young people's attitudes toward the church are being widely discussed. Christians need to be informed about the trends on these matters.

A drive is taking shape in North Carolina for liquor-by-the-drink. The 1967 General Assembly will consider such proposals and Baptists need a dependable source of information so they can act when necessary.

There are possibly some proposals being presented to legalize gambling

in North Carolina. These matters need to be faced by North Carolina Baptists.

Instead of merely receiving this as a report, please take definite action to see that the **Recorder** soon goes to every family in your church.

In these inflationary times, it is refreshing to have a magazine that is sold at old-fashioned prices. Under the Church Budget Plan the **Recorder** is available for only \$2.00, per year, for each subscription, the same price it was more than 100 years ago. Your church will be much stronger with every family receiving our State paper each week.

Don't delay this important decision.

P. O. A. U. REPORT TO ASSOCIATION — 1966

Pick up an American history book, thumb through the early formation of the colonies, and one finds the colonial theme of separation of the Church and State in the form of two threads entwining, and separating in the regulation of law and order that had its birth on American soil. In the main, the founders of American principles are based on the philosophy of the religious "thread". In 1636, Roger Williams founded Rhode Island to establish religious freedom and political freedom. In 1791, the framers of the Constitution added a Bill of Rights to the (then) completed Constitution that has been the "picture frame" for the most perfect concept of political and religious freedom of any (free) nation of the universe.

We, as Americans, (and Baptists), therefore believe that "Congress shall make no laws respecting an establishment of religion, or prohibiting the free exercise thereof . . .", which Thomas Jefferson declared, erects "a wall of separation between Church and State." We, as Baptists, believe and accept this point of view as being constitutionally sound doctrine; and further, we believe that one should adhere to the Civil liberties of Americans, rooted first of all in religious liberties. The principle of separation was, therefore a primary concern of the founders in their establishment of a free nation; and an outgrowth entwined in the concept of religious faith and religious tolerance in the midst of a multiplicity of religious beliefs of the people of our great country.

REPORT OF COMMITTEE ON ORDINATIONS — 1966

At the request of the Pilgrim Baptist Church, the Ordination Committee met at Pilgrim on July 24, 1966, to examine a candidate for the ministry, Wade Phillips, who had been called to Purlar Baptist Church. After the examination a unanimous vote was cast to recommend his ordination. Mr. Phillips was ordained September 28 at Pilgrim Baptist Church.

Your Missionary is grateful for all you have done to make our task easier. Thank you for your prayers, your love and sympathy expressed in the passing of my Father and Mother and Mrs. Wright's Father. Your love and concern has made it easier to bear our loss. We believe that our loss is Heaven's gain.

I want to thank all the Associational Officers for their work and guidance in the various organizations and for those who serve on the many committees.

We look forward to using the office which is under construction. This work has been anticipated for almost nine years. We believe it will make the ministry of Associational Missions much more effective. Let me urge all of the churches to help pay for this office building. Each Church will benefit from its use.

As we make plans for another year, it is my prayer that more unsaved people will be won to Christ, that more of our Churches in our Association will begin Full Time Services; that our Churches will study Pastor's Salaries and seek to raise them where there is need; that our Churches will seek to begin Mission work in areas around the church where Missions are needed; that our Churches will accept the Great Commission and increase Mission Gifts, not only to the Association, but to the State Convention causes, Home and Foreign Missions; that our Churches will follow the teachings of the New Testament in seeking to fulfill God's Purposes.

May God bless you, as you serve Him, this year.

Respectfully submitted,
JOHN R. WRIGHT,
Associational Missionary.

MUSIC MINISTRY REPORT — 1966

The Associational Music Committee has held a number of planning meetings this year. The main project to come from these meetings is a proposed Associational School of Music scheduled for four nights; October 24, 25, 26 and 27 to be held in the Wilkesboro Baptist Church. Mr. Joseph O. Stroud, State Secretary of Music, will come with two or three other workers to lead the school. Classes will be held for Juniors through Adult age.

In addition to this planned school of music, the committee sponsored a Carol Sing on the Court House lawn on Dec. 24th with well over 100 people in attendance. Another Carol Sing is planned for this next December 24.

A one-night workshop for pianists was held in the First Baptist Church, North Wilkesboro, on March 17, 1966.

The Music Ministry also gave assistance with the Bible School Clinics and various other associational meetings.

May we all work together to provide better music for our worship services. A fine way to do this is to urge our people to attend our School of Music in October.

Respectfully submitted,
ELLIHU E. SLOAN

REPORT OF THE GENERAL BOARD — 1966

The General Board has the responsibility to act for the Convention between annual sessions and to provide supervision for all agencies and insti-

tutions fostered by and receiving support from the Convention.

The General Board also has charge and control of all the Convention's work, including missions, evangelism, education, benevolences and all other general activities except those which are committed by charter to the trustees of the institutions and agencies.

The General Board has three regular meetings each year. They meet in January, July and October. The January and October meetings are held at the Baptist Building in Raleigh and the July meeting held at one of the Baptist's colleges. This past year Chowan College was host to the General Board of the Baptist State Convention.

Several changes in personnel took place throughout the year among the agencies of the convention.

Dr. Nathan Brooks is coming to head up the Program Services of the Convention. Dr. E. L. Spivey will be retiring in the near future.

Dr. W. Perry Crouch, general secretary and treasurer, continues to do an excellent job and to give our convention insightful leadership. We are grateful for this man's dedication and ability as he steers the great ship of North Carolina Baptists through some stormy seas.

It has been my privilege to serve on the Council on Christian Education and as secretary of the Administration and Finance sub-committee. The seven Baptist colleges of North Carolina will be facing some trying financial days ahead. One of the great problems facing the Baptists' colleges which will ultimately come before the General Board is the question of federal aid to our colleges. An intensive study is being conducted on the Southern Baptist Convention level, the benefit of which will be given to our local state conventions. You are asked to be much in prayer and thought concerning this very delicate subject in the months which lie ahead.

Space will not permit a complete report of the activities of the General Board. File cabinets are necessary to record the action of the General Board. However, if one keeps up in **Biblical Recorder** with the action of the General Board, he is fairly well up-to-date on the General Board Activities.

At the State Convention the General Board gives its complete report. We urge as many people as possible to take **Biblical Recorder** in an effort to learn the highlights of the General Board's action and to attend the State Convention and receive a Book of Reports on the General Board's action.

Respectfully submitted,

R. F. SMITH, JR.

REPORT TO THE ASSOCIATION—

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC., 1966

The following report was received from W. R. Wagoner, General Superintendent, and is hereby submitted to our Association:

As we continue to build upon foundations already laid, special attention is being given certain areas of child care. Already a strong program of group care is being strengthened at Mills Home, Kennedy Home and Odum Home. A good degree of progress has been realized in working with emotionally disturbed children at Greer Home in Chapel Hill. The demonstration Child Development Program for pre-school children, conducted on the Mills Home Campus, has had an excellent first year of operation. Churches throughout the state are studying the program and facilities preparatory

to providing similar services. Prospects are encouraging for a home for children in the western part of the state more adequately to serve the needs of our people who live west of the Blue Ridge Mountains. Constant attention is being given to more effective ways of meeting the highly specialized needs of children coming out of broken and inadequate home situations.

We have a large number of good Christian homes for the care of foster children. More are needed in all sections of the state. Foster homes serve children of all ages and are of particular advantage for some who have special needs. Foster home parents may be of varying ages and circumstances in life. Couples with or without children of their own who have an abundance of love find this to be a challenging and rewarding opportunity of Christian service.

Sincere appreciation is expressed to all who have, in any way, helped to support our child care ministry. We are indeed grateful for increasing income through the Cooperative Program. Last year's Thanksgiving Offering is approaching three hundred fifteen thousand dollars (\$315,000.00) and is the largest ever. Special gifts and designations such as the Once-a-month offering continue to provide a substantial part of our income. Through estate planning and the making of Christian wills an increasing number of individuals and families are investing in present and future generations of boys and girls who are in need of the services of the Baptist Children's Homes. Roger Williams, former pastor of the Mills Home Baptist Church, is devoting full time to working with our Baptist people in this area, and he or other members of our staff will count it a privilege to assist you in exploring this field of Christian stewardship.

Respectfully submitted,
R. F. SMITH, Jr.

MISSIONS COMMITTEE REPORT — 1968

The Missions Committee along with the Associational Missionary have sought to meet and plan the extension of missions among the churches and missions of the association.

In January:

The Associational Clerk, Bro. Clinton Bailey, was asked to serve as secretary of the Group.

Bro. John Wright was granted permission to participate in a S. S.

Enlargement Campaign in the Buncombe Association March 19-25.

Suggestion was made that the printed program for the Associational Meeting be set as per printing of the Associational Minutes that it may serve a dual purpose and cut down on the cost of printing.

In July:

Bro. John Wright announced a School of Missions for October 27-November 21, 1968.

Suggestion was made that a letter be sent to all of the churches requesting their help on the financing of the Associational work and proposed office.

Proposal offered that we participate in a Week of Prayer for Associational Missions.

In September:

A special meeting of the Missions Committee was called:
 Approval was given for application to the Baptist State Convention for the sum of \$804 for financial assistance toward the support of our Associational Missionary.

After a period of discussion, the following recommendation was approved for action by the Brushy Mountain Association:

“Approved that a study of the work of the Associational Missionary be made by the Missions Committee and that definite policies and guide-lines be established to facilitate the work and relationship between the Associational Missionary and the churches. It was further requested that the Executive Committee be authorized this report and recommendations.”

Respectfully submitted,
 REV. CLIFTON TUTTLE,
 Chairman

A BRIEF HISTORY AND CENTENNIAL CELEBRATION OF LITTLE ROCK BAPTIST CHURCH

On February 3, 1866, a group of members from Hollow Springs Primitive Baptist Church came together for the purpose of organizing a Missionary Baptist Church. Nine people brought their letters from Hollow Springs Primitive Church. Following the organization of the new Church, ten joined by experience and one by recommendation. The name, Meadow Hill, was selected. At first they met in the homes of the members. In the spring of 1867, plans were made to erect a building. In 1872 the Church voted to move the Church to a new location and to give it a new name. There was some discussion as to the new name. When a Mr. Baxter Roberts stumbled over a small rock, he suggested the name, Little Rock. Since that day it has been known as Little Rock.

In September, 1929, seven class rooms were built to the back of the Church. In July, 1941, the old Sanctuary was torn down and a new one built. In June, 1952, a new Educational Building with eight class rooms and a kitchen were erected. In May, 1956, the Church voted to buy a Parsonage. In May, 1964, ground was broken for a new Educational Building. This building consisted of twenty-one class rooms, Fellowship Hall, Church Office and Pastor's Study. Under the leadership of the Pastor, Rev. Clifton A. Tuttle, the Educational Building was completed. It is valued at \$65,000.00.

On September 25th the Church celebrated her one hundredth Anniversary. The program included Homecoming Dinner and related activities.

In April, 1948, the Church adopted the budget system which amounted

to \$125.10 per month. Each year the budget has been increased until this year it is \$884.00 per month.

The Church has made much progress since it's beginning. There has been continual growth. God has richly blessed in every phase of Church life.

FIRST BAPTIST CHURCH, NORTH WILKESBORO

We are happy to report that our new Sanctuary is completed. We had a Week of Dedication services September 11-17 to dedicate it to the worship of Almighty God. We invite you to come and worship with us when you have the opportunity.

Something else that might be of interest to you is the work being done at Northside Chapel. I, personally, feel that some of the most important work being done by our Church is at Northside.

Each Sunday morning at 9:30 a.m. there is a worship service led by The Reverend N. C. Teague, our interim pastor. At 10:15 Sunday School is held. Most of the teachers and workers are from our Church. We have choir practice on Thursday afternoon led by Mr. E. E. Sloan. On Thursday evening Mr. Teague has Prayer Service.

A Kindergarten is sponsored at Northside by the North Wilkesboro Presbyterian Church, the First Methodist Church and our Church during the school year. Children, four and five years of age, who would otherwise not be able to attend Kindergarten, are enrolled. Mrs. C. D. Wiles is the teacher and ladies from the community assist her.

We feel this is a most significant work and also invite you to visit Northside Chapel.

PLEASANT HOME CHURCH REPORT

Pleasant Home Church is located in a rural area which is rapidly being filled with new families and homes. Three years ago the first pastor to live on the church field, moved into the new pastorium, in order to devote his full time to the needs of the people. The presence of Bro. Clinton Bailey, plus the need of making preparations to minister to the community has led to many hours of planning.

The second stage of the building program, the remodeling of the present sanctuary, was completed in August of this year. The entire front area was changed; the choir loft enlarged, new Baptistry, and dressing rooms added to allow free passage for the third stage.

Floor plans have been approved for an Educational Building to accommodate a Sunday School enrolment of 492. This will be a three-story addition with three nurseries, four assembly rooms, added classrooms for Adults, Young People, Intermediates, Juniors, and Senior Adults; in addition to office, Pastor's Study, and dining facilities for 120. Preliminary inquiry indicates a cost of ninety to one hundred thousand dollars.

In July, a summer program began under the sponsorship of the Brotherhood. Property nearby was loaned for the erection of a softball field, along with a playground for young children. Volley Ball, Horseshoes, and Badminton for others.

A good response from the community points to the possibility of a community-wide program.

Mr. Johnny Phillips organized a soft-ball team, leading them to an undefeated season. Plans are being made to organize a Church League and

two teams next year.

Our Church has long been suffering from indifference and a lack of spirituality. In August a Revival was held with Bro. Garland Faw of Chattanooga, Tennessee, preaching the Word of God. The people prayed, and the Spirit of God was poured out. The immediate results were thirty-five professions of faith in Christ, and forty rededications. There is now a renewed interest in the things of Christ, increased attendance, and a desire to find ways to serve God more completely.

With the large influx of new members the church sought to face the increased responsibility. Thirty-two adults accepted the challenge to act as Elder Brother or Sister to those who have recently accepted Christ and they have responded with a clearer vision of the shortcomings in their own lives, but are encouraging, counseling, and leading those who are yet babes in Christ.

Today we are seeking to maintain the presence and power of God among the people. We are trying to find ways through which we may become a more effective channel of God's witness in our generation.

As we labor together with the other churches in the Association, we earnestly request your prayers in our behalf as we face the challenge of God's Will and Purpose.

DEDICATION OF THE 1967 BRUSHY MOUNTAIN BAPTIST ASSOCIATION MINUTES

THE REVEREND J. GLENN HUFFMAN

The 1967 Minutes of the Brushy Mountain Baptist Association are dedicated to the Rev. J. Glenn Huffman, a beloved pastor, a dedicated Christian, a humble servant of Christ, and a loyal worker and supporter of the Brushy Mountain Baptist Association.

The Rev. J. Glenn Huffman was born October 1, 1911 at Parsonville, North Carolina, to Mr. and Mrs. Wallace Huffman. He was ordained to preach December 12, 1931 at Stony Hill Baptist Church. He was married to the former Lizzie Whittington June 23, 1945. They have an adopted daughter, Lucille, who married Bobby Bowlin. There are two grandchildren, Kenneth Glenn Bowlin and Tommy Lee Bowlin.

Brother Huffman accepted Christ at the age of nine, but was seventeen years old when he joined Stony Hill Baptist Church.

He had felt the call to preach even before joining the church and surrendered at the age of 19. He was called to the Oak Grove Baptist Church, Stone Mountain Association, October 1, 1931. Since beginning his ministry, he has served full time in the pastorate, at times serving as many as five churches. He has served the following churches as pastor: Stone Mountain Association Churches: Mountain Valley, 7 years; Mt. Zion, 3 years; Oak Grove, 6 years; Piney Ridge, 13 years; Union, 7 years, and now pastor for second time; Mountain View, 12 years. Brushy Mountain Association: Boiling Springs, 1 year; Pilgrim, 8 years; Shady Grove, 3 years; Stony Hill, 7 years; New Hope, 15 years; Lewis Fork, now pastor; Elk Creek, 1 year; Purllear, 10 years; Rutherwood, Three Forks Association, 10 years; Rock Creek, Elkin Association, 8 years; New Hope, Briar Creek Association, 15 years.

He was educated at Millers Creek High School and Fruitland Baptist

Bible Institute where he was a student in the first class which began at Boone. He studied for three years in the Bible Institute, has done correspondance work, attended the Pastor's School at Mars Hill College 13 years in succession, and has taken many Seminary Extension classes in the Brushy Mountain Baptist Association. He served as Director of the Seminary Extension Department, Moderator of the Brushy Mountain Baptist Association 1964 and 1965. He has served as President of the Pastor's Conference, Chairman of the Missions Committee, Chairman of Evangelism, and on other committees and as representative of institutions in the Brushy Mountain Association. He preached the annual sermon at Boiling Springs in 1947, and at Pleasant Home in 1954. He has also preached the annual sermon in the Elkin, Three Forks, and Stone Mountain Associations.

Mrs. Huffman has taught public school in Wilkes County for 30 years.

The Baptists of the Brushy Mountain Baptist Association are grateful to the Rev. J. Glenn Huffman for his many years of faithful service in the name of Christ to our churches and the various organizations of the Association. We sincerely dedicate our Minutes to him.

This Association shall be an auxiliary to the North Carolina Baptist State Convention in all its missionary, educational and benevolent work.

ARTICLE III — Membership

Section 1. The Association shall be composed of Missionary Baptist Churches desiring to affiliate with it. Each church may be represented in the annual associational meetings by its pastor and any other ordained ministers holding membership in it and living within the bounds of the Association. In addition to these each church may elect three (3) messengers for the first one hundred (100) members or fraction thereof, plus one additional messenger for each additional one hundred (100) members or major fraction thereof, provided, that no church shall be entitled to send more than ten (10) messengers.

If the Association then votes to receive the church the Moderator shall extend the hand of fellowship to the messengers.

Section 3. Any church not representing itself in this body for three

successive years, either by letter or by messengers shall be stricken from the roll of churches, unless satisfactory reasons for such failure are given.

Sloan playing the piano.

2. The Rev. Charlie Myers, Interim Pastor, extended a warm welcome to the Messengers and Visitors, stating he hoped the day would be long remembered for the information, inspiration and fellowship shared

by those present. The Rev. Clinton Bailey, former Pastor, gave directions concerning the noon meal and other information. Brother Myers read the Great Commission, Matthew 28:15-20, and called upon the Rev. David Creech to lead in prayer. Registration slips were collected.

3. Mr. John Idol presented the program for the Order of Business Committee, with the theme "Mandate To Minister." He made a motion to adopt the printed program as the order of business for the Annual Meeting. The motion was seconded and passed.

4. The Rev. J. C. Shaw, Jr., Clerk, read the roll of the churches. Final registration for the two days showed all churches represented, with 311 Messengers and Visitors from the Churches, 15 Visitors from out of the Association, for total registration of 326. There were 29 pastors present, representing 32 Churches and Missions.

5. Mr. Jim Spicer read the report of the Nominating Committee and asked if there were nominations from the floor for Sunday School Superintendent. Mr. Bob Wainwright nominated the Rev. Rowe W. Teague. After a pause the Rev. J. C. Shaw, Jr., made a motion that nominations cease and that he be elected by acclamation. The motion was seconded and passed. Mr. Spicer made a motion that the officers and representatives be elected as read. The motion was seconded and passed, electing the officers to serve for the coming year.

6. In the absence of Mr. Paul Welborn, the Committee on Committees Report, on page three of the BOR, was presented by the Rev. John R. Wright, with a motion to adopt the report, electing the committees. The motion was seconded and passed.

15. Mr. Garland Johnson, from the Northwestern Bank, North Wilkesboro, representing the Baptist Foundation, was introduced and brought greetings from the Foundation. He stated the Foundation was chartered in North Carolina in 1920 for the purpose of promoting gifts for Baptist Institutions and Agencies in wills, bequests, deeds and gifts, and to provide information for individuals and corporations in the proper management

and distribution of gifts of property and money.

16. The Rev. Tom Green, Secretary of the Stewardship Development Department of the Baptist State Convention, was introduced and spoke concerning the work of the State Convention. He based his message on Acts 1:8, and asked "How serious are you in doing what God requested us to do in Acts 1:8" He gave a moving account of the passing of his 84 year old father, and of his final words to his children. He stated the words of Jesus in Acts were the last recorded words of the Saviour in which He asked His followers to be witnesses for Him at home, in the nation and around the world. He said this band of 120 disciples did some things which upset the world, and their example would be a good starting point for us. "They went into an upper room and prayed for 10 days and nights and God granted them the power to do the job He had asked them to do," he said. Mr. Green said we can witness by the way we live, the way we talk and the way we give. Referring to the early band of followers he said, "They not only prayed, not only spoke, but went out, sold their homes, and laid the money on the altar. They sent out missionaries to all the known world. If we fail to tithe we fail our church. If our church fails to support either the Association, the State, or the Cooperative Program, it is not witnessing as it should." He pointed out that last year when a church in North Carolina Baptized one convert, that the Missionaries paid by the Cooperative Program baptized two. Concluding his remarks, he said, "How much do you love God? Do you love Him enough to answer His last request- If so, you will pray. If so, you will speak. If so, you will give."

17. A quartet, composed of Mr. E. E. Sloan, Mr. Bob Wainwright, Rev. David Creech and Mr. D. E. Elledge, sang "Grant Us Wisdom."

18. The Rev. Fellman Cheek read Acts 2:42 and led in prayer.

19. The Rev. Frank Walker, reporting for the New Church Committee, said no formal application had been received, but the Rocky Creek Baptist Church, Rocky Face Association, was in the process of making application. The Rev. J. Glenn Huffman made a motion to accept the new church under watchcare for one year, pending receipt of the Application and the Church Letter to the Association. The motion was seconded and passed unanimously.

20. The Rev. He pointed out the early church was under the threat of the Sanhedrin and of Rome and added, "Perhaps we need more pressure, more threat. They tried much harder because the threat of life was on them. Those against Christ were bold. We should be ashamed to be in a lull." He said, "We are in a lull because: 1. We have no Involvement. 2. He said the early Christians had a greater motivation than fear of God, they believed He was Almighty. He said, "I use to think I preached because I loved God, but I find now I preach because God loves me." He pointed out the early Church believed that a man in Christ was changed, a new creation. The Bible today is produced not only in printed form, but in Braille and on records. He said, "Once the Bible is allowed to speak, it speaks to the heart." Dr. Peacock indicated portions, such as chapters of the Bible, may be obtained for as little as three cents each. The Gospels are printed in separate editions. PROPERTIES COMMITTEE REPORT

The Brushy Mountain Baptist Association owns one acre of land on which the parsonage and new office building are located. The office was finished and occupied in January, 1967, with a dedication service held January 29th, and open house at the office and parsonage.

The parsonage was painted by the Missionary, and the basement was cemented and a family room finished. Some of the floors of the parsonage were sanded and refinished, the ceiling in the living room and dining area was replastered, and other minor improvements were made. The pump for the well failed during the year and both the parsonage and the office are on water lines of the Millers Creek-Cricket system.

The grounds need to be graded and seeded around the office and additional painting and floor sanding at the parsonage.

The present properties of the Association, including the buildings, are worth more than \$30,000.00.

We appreciate the support from the churches and encourage each church to make a substantial contribution toward paying off the debt on the office.

Respectfully submitted,
 PAUL SNIDER

This is the ninth session to which I am making a report as your Missionary. Thank you for your spirit of cooperation and willingness to work. Much progress has been made in the life of our churches. Much remains to be accomplished. While our county is growing numerically, and our people are becoming more affluent, the spirit life has suffered. We are in an age of changing values, but Vital Bible Faith and Belief in the Fundamental Doctrines of the Church are essential.

Nine years ago nineteen churches were on unpaved roads, but now

have black topped roads to the churches: Beaver Creek, Elk, Sharon Walker, Stony Hill, Zion Hill, Mt. Carmel, Shady Grove, Pilgrim, Stony Hill, Friendly Grove, Pleasant Home, Pleasant Grove, Little Rock, Liberty Grove, Welcome Home, Davis Memorial, Oak Grove, Bethany, Edgewood. Of these, only three remain on unpaved roads, Davis Memorial, Oak Grove and Zion Hill, and these are less than one half mile from pavement.

Every church in the last nine years has built, relocated, remodeled, or in some way made improvements in building and property.

Let me thank each pastor, and each church member who serves on a committee, or as an officer of the Association. Without your volunteer help we could not operate. May God richly bless you as you serve Him this year.

Respectfully submitted,
JOHN R. WRIGHT,
Missionary.

ASSOCIATIONAL SUNDAY SCHOOL REPORT—1967

The Associational Sunday School workers conducted four meetings for the 1966-67 associational year.

Action Night on September 5, 1966 (actually held before the associational year began in October) found 16 churches represented, with a total attendance of 74 persons. The speaker of the evening was the Rev. Billy Rivers, pastor of the Lower Creek Baptist Church of Lenoir and the regional Sunday school worker.

November 21, 1966, was the occasion for the second meeting, held at the Hinshaw Street Baptist Church. The theme for this meeting was "Training for Teaching." State Sunday school workers were on hand to conduct these conferences for us. There were 15 churches represented, with a total attendance of 92 persons.

The third meeting was held on February 20, 1967, under the theme of "Evangelism in the Sunday School." The meeting was held at the Millers Creek Baptist Church. Departmental Conferences were conducted by pastors, using the theme of Evangelism. The Rev. David Creech brought the closing inspirational message for the evening. Twelve churches were represented, with a total of 56 persons present.

The fourth meeting was based on "Visitation." It was held at the Mt. Pleasant Baptist Church on May 15, 1967. The Rev. Paul Kesterson, of the Sunday School Department in Raleigh, came to present some very detailed material on a visitation program in a church. A total of four churches were represented, with 10 persons attending.

The associational Sunday School workers held five planning meetings for the 1966-67 year. We also had an ice cream social at W. Kerr Scott Reservoir.

I appreciate these workers very much and have enjoyed working with them in the Sunday School work of our association. I trust that you workers will continue to work with my successor as cooperatively as you have with me.

Respectively submitted,
HAROLD T. SMITH,
Superintendent

TRAINING UNION REPORT

During the past year two churches have re-activated their training programs. These are Boiling Springs and Welcome Home. For this we are thankful, but regret that at least this number have discontinued their Sunday night meetings. However, I trust that all our churches are making future plans for training in all three areas of training which is being promoted by Training Union at this time.

No. 1—New Member Orientation. No. 2—Membership Training, All Church Members. No. 3—Leadership Training.

All of our scheduled associational meetings were held and attendance at M Night was 309, March Mass Meeting was 201, Youth Night was 76

MOST URGENT: Get all the facts and start at once to enlist all your leadership to take advantage of Leadership School October 23-26. Some of our State Workers will be assisting. Classes will be held in First Baptist Church, North Wilkesboro.

WOMEN'S MISSION UNION REPORT—1967

The W. M. U. of our association began the 1966-1967 year with a prayer retreat at Shady Grove Church. Events for the day were arranged by Mrs. John Wright; and Dr. John T. Wayland, of Wake Forest, brought us a message based on the book of Ephesians. The deep spiritual experiences of this retreat inspired us to new endeavors.

Attendance by many members at associational, district, and state meetings, has kept our organization up-to-date; and has broadened our vision. The most notable change has been the expansion of community missions into mission action, combining witness with ministry.

Two new societies were organized: one at Gordon, and one at Hillcrest Mission. The Y. W. A., G. A.'s and Sunbeams have all had the advantage of associational-wide activities.

We held our annual meeting on April 24 at Wilkesboro Baptist Church, with members from most of the 24 unions attending. We had for messenger on this occasion our State W. M. U. President, Mrs. K. Roland Benfield, of Morganton.

The year concluded with a six-hour leadership training course for all W. M. U. officers the last week in September. To help with this course we had our State Mission Study Chairman, Mrs. Oren Bradley of Mt. Airy; and the State G. A. Leader, Miss Sara Ann Hobbs, of Raleigh.

This report marks the end of my four years as Associational W. M. U. President. I trust the new president, Mrs. Lynn Garmon, will have your prayers and help, as I feel that I have.

Respectfully submitted,
MRS. O. M. PROFFIT,
President

BROTHERHOOD REPORT—1967

The Brotherhood organization has not functioned during the past year due to several factors. We believe that every church should have a Brotherhood Program. Plans are being made to make an effort to introduce the Brotherhood program to each church. You will be hearing from your new Brotherhood Director in the near future. If you would like to have information about starting the program in your church, or if you need other assistance in your Brotherhood, please contact me.

REPORT OF THE MUSIC COMMITTEE

The Music Committee has been active during the year with several planning meetings being held, and in assisting with music for the various associational meetings held throughout the year.

The School of Music which was held in the Wilkesboro Baptist Church in October was very successful. There was a total enrollment of 112 with 37 awards earned for completion of one of the three study courses offered in the school. The State Music Secretary, Mr. Joseph O. Stroud, was present for two of the sessions and arranged for the three excellent instructors through his department in Raleigh to teach the courses.

The Committee has scheduled another such school during the week of October 14-17, 1968. It is hoped that you will keep this date in mind and that we can have an even more successful school than the previous one.

In the meantime, please feel free to call upon the members of your committee if we can be of service to you in the music program of your church.

Respectfully submitted,

ELLIHU E. SLOAN, Chairman

SEMINARY EXTENTION DEPARTMENT REPORT, 1967

The Seminary Extension Department has had a good year in our Association. The Committee met last fall to begin making plans for a school. After several meetings, it was agreed to plan a school beginning March 2, 1967, to run for ten weeks.

The following classes were held:

New Testament 122, Teacher: Harold Smith.....	Enrolled	15
	Completed Course	12
Life & Faith of Baptist 156 Teacher, John Wright	Enrolled	8
	Completed Course	5
	Total number enrolled	23
	No. Churches in B. M. Assoc. Represented	9
	Other Churches Represented	5

We received help on teacher remuneration this year from the Town and Country and Seminary Extension Department of the Division of Missions of the Baptist State Convention. This department paid \$72.00 to each teacher. Twenty-eight dollars (\$28.00) was added to this from the tuition fees received from the classes making a total of \$100.00 that each teacher received for his work.

This is still a small amount for the many hours of preparation and classroom time that the teachers must put in but it is much better than we had thought we would be able to do.

Financial Statement

Money Received	\$277.75
Paid Out:	
Books & Fees to Seminary Ex. Center	173.25
Freight	4.21

Teachers, Secretaries, Director 86.00

Balance \$ 14.29

Our next school is planned for March 7, 1968 to run for ten weeks. The following courses will be offered:

OLD TESTAMENT 131: A study of the Psalms and Wisdom Literature; prepared by Dr. Clyde T. Francisco, Southern Seminary. Texts: **Preaching from the Psalms**, Yates; **Introducing the Old Testament**, Francisco, \$14.75.

EVANGELISM 123: A study of the biblical basis of evangelism and the history of evangelism as they relate to the church and its evangelistic outreach in the Twentieth Century; prepared by Dr. Kenneth L. Chafin, Southern Seminary. Texts: **Basic Evangelism**, Autrey; **Pastoral Evangelism**, Southard, \$14.75.

Several churches last year paid the tuition and book fees for Sunday School teachers to attend the classes. This is some of the best money your church can spend in the area of Christian education. We owe our Sunday School teachers the chance to become better prepared when we ask them to teach a class every Sunday. We hope that more churches will encourage their Sunday School teachers to take a class this year.

I want to express thanks to the teachers and the Seminary Extension Committee for their fine help in making our school a success this year.

Respectfully submitted,
R. H. WAINWRIGHT, Director

EVANGELISM REPORT—1967

This past year the churches of our association baptized 399 persons. This represents a ratio of one baptism for every 27 members. We are grateful to God for every person who has been won and will confess Jesus Christ as Lord. We call upon our churches to give themselves to the work that brought Christ from heaven to earth, evangelism. Evangelism is the heart of our churches' existence. Evangelism must be a two-pronged thrust. We must publicly proclaim that Gospel, that is the power of God unto salvation, and we must personally win others to Christ. "Every Christian, a Witness" must be more than a slogan, it must be a reality in our lives.

Our churches face a tremendous evangelistic challenge in the Crusade of the Americas. This is more than just a two-week period of revivals. It is an emphasis on evangelism that should occupy our churches throughout 1968-'69 and '70. Our churches have been challenged by one of our mission fields, Brazil, to give ourselves to the work of evangelism and world missions for 1968-69. Some of the challenges in the Crusade of the Americas are:

NATION-WIDE EMPHASIS ON PRAYER: Two days of prayer, January 14, 1968 and January 12, 1969; **PACT:** A program of "prayer partners" with individuals, groups, and churches on the "Other Americas" initiated in July-August 1968; **Watch Night Prayer Service** December 31, 1968.

NATION-WIDE SEARCH FOR PROSPECTS: May-June-July-August, 1968.

NATION-WIDE VISITATION WITNESSING: September-November 1968.

NATION-WIDE CRUSADE OF THE AMERICAS REVIV-

ALS: **March 16-30**—April 6-20; April 27-May 11, 1969. Association date bold type.

NATION-WIDE EMPHASIS ON NEW MEMBER ORIENTATION: Following the Crusade of the Americas Revivals. Study of book "Daring Discipleship" and launch new member orientation.

SPECIAL EMPHASIS IN NORTH CAROLINA ON CHRISTIAN MATURITY: January 1-December 31, 1970.

ASSOCIATION EVANGELISM CLINIC: March 25, 1968.

Adequate guidance material for cooperation with and in preparation for the Crusade of the Americas is provided for us in the 1967-68 **Evangelism Plan Book**, and the 1968-69 **Evangelism Plan Book**. These and other helps will be sent to pastors and other leaders from the Division of Evangelism, 301 Hillsborough Street, Raleigh, North Carolina 27603.

COMMITTEE ON SOCIAL SERVICE AND CIVIC RIGHTEOUSNESS—1967

The Christian Life Commission of the Southern Baptist Convention reports that encouraging progress is being made by increasing convention support for the commissions program of Christian Morality Development. Most Southern Baptists are becoming aware of the need to apply christian principals to the world in which we live. One of the greatest needs is that the good news of God's grace in Christ be made known to man in the midst of the Moral Revolution take place throughout this nation.

The commission reports 71,290,000 circulation of materials. This is an increase of 17,453,977. Work has been completed on a new series of pamphlets entitled "Issues and Answers," providing basic information and a plan of action for christians on alcohol, honesty, race relations, juvenile delinquency, pornography, the mass media, communism, poverty, peace, and gambling.

New books, articles, and study materials have been published. Although this year has seen substantial program in the Christian Life Commissions service, there is even greater need for broader and even more effective ministries in the years ahead. We earnestly solicit your prayerful support of all efforts to develop Christians into mature citizens who are willing to take their place in christian service and in civic improvement.

LIBRARY REPORT—1967

The Associational Library is now located in the new office building. All books in the library have been classified by the Dewey Decimel System by Mrs. Barbara Day, Mrs. Rena Spicer, and Mrs. Nancy Walsh. Card holders need to be glued in the books.

Less than 100 volumes are now in the library. Most of these were donated by Mr. J. E. Spainhour. Donations of books would be appreciated. If you have appropriate books, history, biography, religious fiction, study course, sermons, commentaries, or any other religious books you could give to the Associational Library, we would appreciate obtaining them. Books in the library may be checked out, with return in two weeks.

There were thirteen libraries listed in the 1966 Associational Minutes. This year the Church Letters to the Association indicate 17 libraries, an increase of four. We are grateful for the increased interest of church leaders in the Library Ministry. We hope more churches will begin this important service.

If you desire assistance from your Library Council, please contact me or any member of the Council.

ASSOCIATIONAL FOUNDATION REPORT FOR 1967

In the history of the work of the Baptist Foundation, 1967 will be remembered as a year of tragedy with our leadership. For some months the Chairman, Dr. I. G. Greer, has been critically ill at his home in Chapel Hill. The Executive Secretary, C. Gordon Maddrey, was stricken with a series of heart attacks and is in critical condition in Rex Hospital. The loss of the leadership of these two faithful men at any time would be tragic, but especially as we approach the annual meetings of the Associations all across North Carolina.

This has been the most fruitful year in the work of the Foundation. Many new commitments mark the progress in developing some of the projects of large standing. This is especially true of the new Home for the Aging in Yanceyville. Certainly this will continue to constitute a great challenge to many of our people who can find in the Baptist Foundation their finest opportunity for investing in Kingdom Enterprises.

Let us all continue to remember Mr. Greer and Mr. Maddrey in prayer.

COOPERATIVE REPORT FOR THE ASSOCIATION—1967

Despite the fact that Southern Baptists have been sharing the gospel through the Cooperative Program since 1925 many do not know what this plan is. The question—What is the Cooperative Program?—is often heard.

The answer is simple. What the budget is to the local church the Cooperative Program is to the denomination. It is support for all missionary causes at home and abroad—it's preaching the gospel—it's healing in the name of Jesus through hospitals and clinics everywhere—it is teaching and training Christian leaders for all the great tasks of Kingdom endeavor.

As our people worship with tithes and offerings Sunday by Sunday and as the local church channels a part of its income through the Cooperative Program we enter into partnership with God and one another in obedience to the command, "Go . . . preach . . . teach . . .!"

Let us resolve to pray earnestly for all Kingdom work and support our prayers with sacrificial giving of self and substance.

Last year North Carolina Baptists gave \$5,787,311 through the Cooperative program. Supplementing this with Special Offerings amounting to \$2,897,639, we had a total of \$8,684,950 for all mission causes! Two associations (Anson and Yates) had 100% of their churches giving through the Cooperative Program.

According to the records available our association gave \$28,409.00 during the last year for World Missions through the Cooperative Program.

Recommendations

We recommend:

- (1) That each church plan, vigorously promote, and subscribe a worthy budget.
- (2) That special emphasis be given to prayer for Cooperative Program causes during October.
- (3) That each church give regularly through the Cooperative Program.
- (4) That in response to the special call of the General Board of the Baptist State Convention we increase our Cooperative Program giving by at least 10% during the coming year.

REV. HUNTER CHURCH

CHRISTIAN HIGHER EDUCATION REPORT—1967

Christian higher education is one of the basic sustaining forces of North Carolina Baptist and Baptist work around the world. The Baptist Colleges in North Carolina are deeply grateful for all the interest, support and prayers from churches and individuals. Our concern and prayer is that our colleges and churches will unite in the common purpose of reaching our State and world for Christ.

The Baptist State Convention of North Carolina supports a unique program of Christian higher education. There is one university, Wake Forest; three senior colleges, Campbell, Mars Hill and Meredith; and three junior colleges, Chowan, Gardner-Webb and Wingate.

As of October 1, 1966 there were 11,347 students enrolled in these seven institutions. Limited facilities in housing and instruction made it necessary to turn away many qualified students.

Two college presidents retired this year: Dr. Harold W. Tribble, at Wake Forest and Dr. Leslie Campbell, at Campbell. Capable men have begun work as new presidents: Dr. Norman A. Wiggins, at Campbell, and Dr. Ralph Scales, at Wake Forest.

A dream of many years was realized by Wake Forest College and the Baptist State Convention, when on June 12, 1967, Wake Forest College officially became Wake Forest University.

The contribution that Christian higher education makes is seen in many areas. The Baptist Colleges in North Carolina and in the Southern Baptist Convention continue to train the vast majority of church staff and vocational workers. As important as this church leadership is, one of the greatest contributions made by our Baptist Colleges is that of training Christian laymen and women, who return to their communities as responsible Christian citizens.

There are two channels of financial support through which our churches may contribute to these schools. First, the Cooperative Program is a vital life line of support. Each year a definite amount of Cooperative Program money is budgeted for each college, and for the Council on Christian Higher Education. Your contribution through the Cooperative Program helps each school. For the year 1967 \$1,578,960 has been budgeted for our colleges. Secondly, the Christian Education Day Offering is a means through which each church may give directly to the colleges. In 1966 this offering was \$132,046.

The Council on Christian Higher Education continues to serve as a coordinating agency of the colleges and the convention. We are grateful

for the invaluable service of this agency. The address is 301 Hillsboro Street, Raleigh, N. C. 27603.

The colleges ask for your prayers, your concern, your understanding, and your financial support.

OUR BAPTIST MEDICAL CENTER: THE NEW DAY IN MEDICINE

In this day of rapid change in almost every area of our lives, there are few places in which change has been more rapid than in the field of medicine. In the last 25 years we have witnessed a transformation in medical care as dramatic as in almost any other area of life.

This is true at our Baptist Medical Center in Winston-Salem. It began in 1941, when our Hospital and Medical School were joined to form the first and only such Baptist combination. Today it stands as one of the finest medical centers of our country, reflecting the vast progress which has come in the field of medical care. All indications are that this progress will continue at an ever growing rate.

It is a day of increasing specialization, with men and women highly trained and dedicated in their special fields of medicine. It is a day of expanding research in medicine, as in industry, agriculture and business.

Many of the fruits of this work are like modern miracles. There are new means to diagnose our ills; such as the brain scan and the use of sound waves. New drugs are being developed almost daily to combat disease, including antibiotics and chemicals. There are new techniques to treat our ills; heart surgery, inhalation therapy, and operations to replace organs of the body. There are new instruments to perform these miracles, the cobalt machine, the heart-lung pump, the pacemaker for the heart, the laser beam in surgery. There are new facilities for better care of the patient, such as the intensive care unit and the progressive or minimal care unit.

There has developed a new concept in medicine in recognizing the patient as a person, and not just as a virus or a broken bone. He is now treated as a whole person, recognizing his emotional and spiritual needs as well as his physical illness. Psychiatry, spiritual care and pastoral care are vital in the total care of the sick.

Such important progress has greatly increased the cost of medical care. The high cost is more than offset by service which gives us better health, more relief from suffering and handicaps, and added years to life.

This is not the work of an institution alone—it is a cooperative enterprise. It is a ministry in which we as churches and individual Christians join hands with those who serve in our Medical Centers. If this service is made available to all our people who need it, we must provide much of the means, for there are many who cannot pay for it. This is a wonderful opportunity when we by simply giving our money can share in so important a service to our brother in need—and even hear a “Well done,” for “Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me.”

HOMES FOR THE AGING REPORT—1967

The North Carolina Baptist Homes for the Aging have been on the move during the past year. In fact, the new home at Yanceyville opened in September and will care for 30 more of our aging people. When the home at Yanceyville is filled there will be 200 deserving older men and women in the five Homes.

As you know, in addition to the four Homes, Resthaven, and Hayes Homes in Winston-Salem; Albemarle Home at Albemarle, and Hamilton Home at Hamilton, an Infirmary is available for the care of those who become ill. Yanceyville will be the fifth Home to serve our people.

In these Homes we have an eternal investment and we can rejoice in the loving care which all of us are making possible for our older people. The majority are financially needy individuals who receive supplemental help through the love gifts of North Carolina Baptists. Two sources of income from the churches to the Homes are vital for the support of the residents: Special Offering 3rd Sunday in February and the Cooperative Program.

In 1967 the Special Day Offering increased more than 10% over last year. However, costs have advanced by 20%. With the maintenance of a new Home and care of 30 more residents at Yanceyville, the Homes may face a real crisis next year, unless the gifts from our Baptist people continue to increase proportionately to the needs.

The Homes are grateful for all the Baptists in North Carolina who make it possible for them to minister to the aging people in Christ's name. Your love, prayers, concern and financial support mean much to the staff at each Home.

Dr. William A. Poole, Superintendent of the North Carolina Baptist

Homes for the Aging states: "In the midst of our joys have been our sorrows. Our oldest resident, Aunt Fannie Drumwright, passed away in June, just short of her 106th birthday. She came to live with us at the age of 93, and the 13 years of her presence with us have been a shining example of the special significance of a Christian ministry to older people. The compassionate nursing care alone which this little lady received is reason enough to thank God for the people called Baptists, whose vision and concern for mankind have included the aging in answering the Master's call in the service of the Lord." May God bless you as you give to the Homes.

BAPTIST CHILDREN'S HOMES REPORT—1967

Helping children and young people to grow and develop toward Christian maturity is one of the greatest privileges in life. At the Children's Homes we seek to provide the proper atmosphere, encouragement and supervision to assure the development of inborn, God given talents of our children.

This agency offers a variety of quality services to the children of families who have not been able to continue a satisfactory pattern of living together. A total of 33 cottages on five campuses provide group care of different kinds. There are two residences for emotionally disturbed children, convenient to a great medical center where psychiatric services are available. This fall, for the first time, a single cottage at Wallburg is being opened for the rehabilitation of boys.

In addition to group homes, the needs of many children are met through the use of Foster Homes. Thus, many boys and girls, who otherwise would not have this opportunity, are privileged to grow up in Christian homes. Should you have an "extra measure of love" to share in

this way the Homes would like to know of your interest.

Regional case work centers, staffed by trained social workers, are located in six prominent areas of the state and add to the ability of the Homes to offer counseling services to distressed families.

In June of 1967 the first new family living cottage was completed and is being used by brothers and sisters who can profit by sharing the same home. This building was provided by Mr. and Mrs. William M. York of Greensboro, and is named the York Cottage. It is a model for the family living approach in group child care. A similar cottage is under construction at Mills Home and two at Kennedy Home.

The Child Development Center on the Mills Home Campus was established as a means of strengthening family life and to provide a demonstration and information program which can offer assistance to churches in beginning any phase of weekday care and education for pre-school children. During 1967-68 the Center will serve 70 children and their families in two kindergarten groups and nursery school groups, with 35 children in day care. The staff is providing consultation services upon request to churches interested in the program.

Members of the Board of Trustees and the Staff of the Children's Homes are committed to the task of maintaining a Christian Program of Child Care — a program that will merit the undivided support and loyalty of our people and that will bring favor to our Lord. To that end it is our purpose to meet, as effectively as possible, the challenges of our day.

1967 ANNUITY BOARD REPORT

The new Southern Baptist Protection Program provides additional benefits for disability, new benefits for children, education of children and dependent parent.

This program incorporates three plans in one certificate, which formerly required separate certificates for each plan. The three plans are: Southern Baptist Protection Plan, now Plan "A"; Age Security Plan, now Plan "B"; and Variable Benefit Plan, now Plan "C".

Because of action taken by the trustees of the Annuity Board in February, each person receiving a guaranteed benefit from the Board was mailed a "dividend" check. This year each check was for an amount equal to one-twelfth of the person's annual benefit. These checks were made possible because of excess interest earnings. Approval was given to mail these dividend checks annually, providing the Board realizes an excess in interest earnings.

In 1966, more than \$4,256,244 was paid in age retirement, disability or widow benefits to persons who had participated in the Protection Program. The checks vary in amounts, depending on the length of service and the amount of dues paid into the Program by the member. In the Brushy Mountain Baptist Association, we have two retired ministers receiving benefits, the Rev. Charlie H. Myers and the Rev. N. C. Teague.

The cost of living continues to climb. A retirement program based on \$4,000 salary is no longer adequate to meet the needs of a minister when he retires. There seems to be no hope of a leveling of the inflationary trends. Because of this, the new Protection Program was started so churches could help their pastors increase their retirement protection. Now a church may participate on the total salary of its pastor or other em-

ployees. Ten per cent dues on total salary are recommended as minimum.

Members in Annuity Board Plans

During 1966, some 1,492 new persons joined Plan "A" of the Program. A total of 18,328 churches were providing the Protection Program for their ministers and staff members. Also 12,600 of these churches were paying both member and church dues.

There are 137 of the 176 agencies in the state conventions and the Southern Baptist Convention which have Protection Programs with the Board. A total of 8,121 persons are protected in the agency programs.

Rev. Guy Cain promotes the Protection Program in North Carolina. He is jointly employed by the Annuity Board and North Carolina Baptist Convention. For information about any of the plans in the Protection Program contact Rev. Guy Cain, 301 Hillsboro St., Raleigh, North Carolina 27603, or write the Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

AMERICAN BIBLE SOCIETY REPORT — 1967

The American Bible Society, established in 1816 is a missionary agency for translating and publishing the Holy Scriptures in many languages around the world.

Mr. Edmund F. Wagner is the 21st President of the Society.

The nearly 15,000 members of the Bible-A-Month Club will provide Scriptures to two vital areas of the world in May and June, East Africa, with emphasis on Kenya, and the Philippines. In order to join the Bible-A-Month Club, write the Rev. H. B. Ogle, BAM Secretary, 1865 Broadway, New York, N. Y. 10023.

Some 70 million, between the ages of 15 and 50, leave their illiterate backgrounds and become new literates annually. The largest annual production and distribution of Bibles amounts to only 50 million copies. This means every year 20 million new literates have no background in the Bible's divine revelation and personal inspiration.

Also, 60 million children are added to the world every year.

The new translation, "Good News for Modern Man", of the New Testament has reached the best seller list, nearly 4½ million copies have been distributed and orders for 2½ million more have been received. Other popular editions of the Society include Dr. J. B. Phillips translation of John's Gospel, "One Way"; "The Inside Story" and the "New Testament With Pictures."

Please make contributions to the American Bible Society, at the address listed above.

FOREIGN MISSION REPORT — 1967

"With the upsurge in world population, we must take advantage of the media of mass communication. We must move with vision and courage along the avenues of sharing the Gospel of Christ massively in the world of our day." So says Dr. Baker James Cauthen, Executive Secretary of the Foreign Mission Board. This is indicative of the consciousness of our SBC leaders that the methods of the twenties will not suffice in the sixties and seventies.

At the close of 1966 the Southern Baptist Foreign Mission Board had an overseas staff of 2208. This included 65 missionary associates, seven special project nurses, and 92 missionary journeymen. Appointments during the year totaled 207 (131 career, 20 associates, 48 journeymen, 3 special project medical persons, and 5 reappointed). Between January and May, 1967, 45 more were added.

With all of these additions, many missionary personnel needs are still unmet. In addition to the theologically trained persons, there are calls for those trained in teaching, business, agriculture, radio and TV, journalism, and student work.

The leading of people to new life in Christ is still the ultimate purpose underlying all our missionary endeavors. At the year's end there were 4,707 churches, 6,542 mission points, and 3,904 national pastors related to SBC mission work. These reported 51,680 baptisms, 528,958 church members and 604,487 enrolled in Sunday School.

Money-wise, total contributions of Southern Baptists for foreign missions amounted to \$27,047,200, an increase of \$2,063,276 over 1965. The Lottie Moon Christmas offering had reached a total of \$13,760,146 by May 1, 1967.

Lest we be thought to place too much emphasis on statistics, let me close this report with a statement lifted from Dr. Cauthen's remarks in the October, 1967, COMMISSION magazine: "The twentieth century has called us to look with fresh attention upon people rather than upon bulidings, programs, institutions and organizations. We find ourselves called afresh to do what Jesus commanded in the Great Commission. We go to this task with full confidence that His implanted word in the hearts of people will continue to be fruitful under whatever circumstances must be faced."

In last year's Associational report there were 16 churches in our Association which gave NOTHING to Foreign Missions through our Convention! We trust that this situation can be remedied in the future.

HOME MISSION BOARD REPORT — 1967

Dr. Arthur B. Rutledge, Executive Secretary of the Home Mission Board said, "The United States is the most influential nation in the world. It is the nation whose churches provide the major thrust for the spread of the gospel worldwide. Amazing advances in communication provide unparalleled opportunities for sharing the gospel, but they also channel to the world information regarding our spiritual and moral weaknesses. In such a situation, every effort to win to Christ the United States takes on global dimensions. At this point in human history home missions must be a major concern of Southern Baptists."

A missionary force of over 2,100 assists Southern Baptists in their efforts to bring men to God through Jesus Christ in a period characterized by national and international tensions, inflationary economy, growing population, moral problems, and mounting social reforms. This force was reinforced in 1966 by the appointment of 427 missionaries, with 119 on career statue. Record support came during the year through the Cooperative Program, and the Annie Armstrong Offering, \$4 million.

Missionaries are needed to fill the following posts: 70 Spanish missionaries, 8 Italian, 18 Slavic, 14 Indian, 25 US-2, 25 other language groups,

9 couples and 11 single women for Baptist centers and weekday ministries, and 1 couple for migrant missions.

Funds for disaster relief, which started with \$50,000 in 1966, will reach \$235,000 during 1967 with increased funds coming through the Advance Section of the Cooperative Program. There are 97 men now working against time in Alaska to repair churches damaged by flood waters before winter freeze begins.

Viet Nam military forces were served by one hundred of the 849 Southern Baptist military chaplains serving on active duty. Strengthened efforts have also been made for ministries by chaplains with hospitals, institutions, and in industry, and with churches in meeting the needs of military personnel near them or from their membership who are away on active duty.

Financial assistance went to 270 churches for loans of more than \$4.5 million. The funds of the Church Loans Division now total more than \$17.5 million, and the agency seeks new methods of guaranteed loans that will multiply these funds.

Changes in attitudes among Southern Baptists toward racial problems and cooperation with National Baptists are slowly beginning to emerge with more open discussion and more involvement as we seek to know and to work with National Baptists.

In christian social ministries there has come a new awareness among Southern Baptists of the necessity to minister to all the needs of man; especially has this been noticed in the interest in weekday ministries. A research project is being conducted to discover how the church can make its message and ministry relevant to young people who are considered predelinquents or delinquents.

Other programs of the Home Mission Board include metropolitan work, academic evangelism, rural-urban mission projects, language missions, work with non-evangelicals, and summer student work in many areas of service.

GENERAL BOARD REPORT — 1967

The General Board of the Baptist State Convention is composed of the officers of the Convention plus one or more members from each association plus 10 members-at-large, one from each of the 10 regions of the state. During the past year the Rev. R. F. Smith, Jr., has been the member from the Brushy Mountain Association and I am the member from Region 7.

The General Board acts for the Convention between sessions. It also supervises the work of the various agencies of the Convention. The Executive Committee of the Board meets monthly and the complete General Board meets three times a year; in January, July and October. The July meeting normally meets at one of the Baptist Colleges. This year the meeting was at Gardner-Webb College. Next summer, however, the Board will meet at N. C. Baptist Assembly for the dedication of the new Auditorium.

During the current year the Board has employed Dr. Claude W. White as Sunday School Secretary and the Rev. Sam O'Neill as Training Union Secretary. Many other minor positions have been filled by the Board.

As one who has served on the General Board for nearly seven years (two terms) I am happy to report that in my opinion the quality of our Convention personnel is constantly improving. Dr. Crouch's leadership is fine indeed. And one of the best things we have done in recent years is the employment of Dr. Nathan C. Brooks as Director of the Church Programs Division. It has been my privilege to serve as Chairman of the Church Programs Committee of the Board this year and to work closely with Dr. Brooks. As Chairman of this committee I have also been on the Executive Committee which is a rare and happy privilege.

One of the happiest tasks of the General Board this year has been the acceptance and consideration of a sizeable bequest of property from Miss Elizabeth Hatch at her death. The property, consisting of some 1400 acres of land in Duplin County and other assets, should bring to the Convention some \$200,000 more or less. This money will be used on the construction of the new auditorium at N. C. Baptist Assembly.

Inasmuch as the General Board has oversight over the Convention Budget, it has been a matter of some concern that the Cooperative gifts this year are running somewhat behind recent years in the percentage of gain. The most recent report shows a gain of only about 2% over the same time last year. With the efforts of the Convention staff to economize on spending this years budget, we will get by without any serious effects. However, the General Board is asking every Church to consider budgeting at least a 10% increase in Cooperative Program giving in 1968. I hope that the churches of the Brushy Mountain Association will heed this request.

Henry Morgan

P O A U REPORT — 1967 SEPARATION OF CHURCH AND STATE

Modern history has seen the compelling force of people seeking "human freedom", and indeed has been the cornerstone of American policies such as the separation of Church and State. While usually maintaining a friendly attitude toward religion, the United States attempts to maintain a strict neutrality between various faiths or religions; herefore, assuming complete freedom to all religious groups. It has been said that America's greatest gift to mankind was her concept of separation of Church and State, a commitant of religious liberty.

In recent years minority groups have challenged this principle that most Americans believe in. It is found in our history from colonial times, with their faith set in a pluralistic society where each man could live with his neighbors without any preferential recognition of Protestant, Catholic, or Jewish faiths; but each enjoying the religion of his choice without the State selecting one over the other two, compelling man to pay tribute to that established by the "State". The term "State" denotes civil or political authority, and is used loosely in America to cover our form of government. We are citizens of the United States who expect our government on the local level, state level and national level to protect us, maintain law and order, provide for defense, and promote common good; expecting at the same time, an education for all who can be educated without interference from the "church". Anson P. Stokes stated, "The state should not control the church, nor the church the state, but both exist to serve the nation and the world in their respective fields."

BIBLICAL RECORDER REPORT — 1967

The **Biblical Recorder**, our Baptist State Paper is one of the best State papers in the Southern Baptist Convention. It is available to individuals for only \$3.00 per year, individual subscription, or 6c per week. Club plans, for four or more families from the same church, \$2.50 per year, or only 5c per week. Every Family plan, sent to each members home for only \$2.00 per year or 4c per week.

Many features are carried in its pages each week, both the Uniform and Life and Work commentaries; Spice Box; ARCH-eology; timely editorials; news from churches, pastors and people in North Carolina; articles concerning issues facing the Baptists of North Carolina and the Convention; and many other important matters.

We hope every church will at least provide the information available free, with free copies of the **Recorder**, to help the members decide to begin a club.

Several of our churches have had active clubs, but dropped them when the subscription expired. Why not plan to reactivate these clubs?

Call on your missionary or your **Recorder** representative for help, if you would like to know more about the **Recorder**.

At June meeting, 1957, the deacons suggested that Homecoming date be set on the second Sunday in August each year, which was voted on and carried.

At June meeting 1957, air condition of the church was discussed and a committee composed of Clate Bumgarner, Charlie Bishop, Howard McNeill were appointed to investigate the matter. They reported at the July meeting that because of the expense of air conditioning it be dropped, which the church approved.

At the August meeting, 1957, the committee reported that the paving of the parking ground would cost \$2,245.00 and the Board of deacons recommended that they go ahead with the plans. The church approved the motion. The mission also requested approval to ask the Baptist State Convention for a donation of \$5,000 to be used to purchase land on which to build the new church. The trustees were authorized to borrow sufficient funds to complete the project.

At January meeting, 1964, Joe Faw was awarded the contract for a Parsonage for \$13,700. A motion was made by Wrenn Minton, seconded and carried that a carport be added to the parsonage building. At February meeting, 1965, the Sunday School Superintendent recommended that the Sunday School adopt the department plan of organization to become effective when the educational building was finished and that classes be arranged according to the graded system, which motion passed.

OAKWOODS BAPTIST CHURCH CELEBRATES ITS GOLDEN ANNIVERSARY

On Saturday night, November 17, 1917, a Presbytery consisting of Elders W. C. Meadows, M. McNeill, and W. S. Edwards, met in the Oakwoods School, Oakwoods, N. C., to organize a Missionary Baptist Church.

The following were received as charter members: John Laws and wife Sally Laws, M. C. Jones, and wife Pansy Jones, W. A. Ellis, G. G. Steelman, W. T. Stroud and wife Catherine Stroud, George Stroud, J. T. Jones and wife Valley Jones. The last two charter members, Mr. and Mrs. M. C. Jones, passed away during 1967.

After the organization was completed a motion was carried to name the new church the Oakwoods Baptist Church.

Rev. W. C. Meadows purchased a small wood frame building, (formerly a Presbyterian church), for the sum of \$100.00 and moved it to an acre of land donated by M. C. Jones and wife Pansy Jones.

In 1950 eight Sunday School rooms were added to the Sanctuary. In 1958 R. S. Ogilvie and Mrs. B. S. Foster gave the church some more land

making room for a new building and parking lot. In 1958-59 a new sanctuary was erected at a cost of approximately \$33,000.00. In addition to the initial cost of the new building the church has financed the purchase of two acres of land which was graded and landscaped, a parking lot paved, and a recreational area developed. Also an outside bulletin board was constructed, the sanctuary carpeted, and an electric organ purchased. At the beginning of a 1966-67 Associational year the church debt was \$8,500.00. On August, 1967, the debt had been reduced to \$1,800.00 and with a gift of \$1,000.00 from the R. S. Ogilvie estate the first Sunday in September, the debt was cleared.

On Sunday, October 8, 1967, the church will hold a dedication service note burning, and homecoming, in celebration of the Golden Anniversary. Fall revival services will begin that night with the Rev. Mack McCurdy preaching. Oakwoods Baptist Church is now full time with pastor, the Rev. Clate Brown, living on the field.

Ministers ordained from the membership of the church include, Fred Blevins, Frank Walker, Clifford Johnson, John Miller, Claude Soots, and Tommy Johnson.

At November meeting, 1961, several ordinances were passed as follows: "No committee member be appointed to transact any business who was not a member of the church. No Sunday School teacher be elected who was not a Christian and did not teach the Holy Bible as the inspired word of God. No check be written or money paid out except for the expenses incurred by the church without the approval of the church. No business be transacted without the deacons and pastor present."

We also want to express our sincere appreciation to the First Baptist Church for making their facilities available for the Revival.

We are grateful to the Program Committee for a splendid, and informative program. We are appreciative for the Rev. Harold Smith, and the Rev. Clate Brown, who brought inspiring messages to the Association. Also, we are appreciative for the visiting brethren who brought us greetings, and messages from our Colleges and other organizations. We are grateful for the two excellent messages brought by Dr. Heber Peacock in the Revival.

To our Associational Missionary, the Rev. John R. Wright, we extend our thanks for the fine work he has done. We are grateful for the excellent work of our Clerk, the Rev. J. C. Shaw, Jr.; for the untiring service of our Historian, Mr. J. F. Jordan, and the splendid leadership of our Moderator, Mr. R. Curtis Greene, who served for two years. To the other officers and department heads of our Association, for the many services too numerous to mention, we express our sincere thanks.

We take this opportunity to extend our best wishes to our Moderator, the Rev. Clifton Tuttle, and to the officers who will serve with him this year. We welcome the new ministers who have been called into our As-

sociation and extend to them our best wishes and sincere cooperation.

Respectfully submitted,
Rev. Clyde Church, Chairman
Mrs. Rowan Motsinger

He was ordained to preach March 16, 1918, at Oak Grove Baptist Church, where he was a charter member.

He was married to Mary Brown in 1900. She departed this life in June, 1937. Two daughters were born to this union. Exie, who married Luther Earp of Vilas, North Carolina and Bonnie, who married Curtis Hodges of Boone, North Carolina. There are ten grandchildren and thirteen great grandchildren.

On August 12, 1939 he was married to the former Rea Welch. One son, Welch Edward Hodges was born to this union. Welch married the former Gwynda Jones of Ferguson, North Carolina.

Rev. Mr. Hodges accepted Christ early in life and joined Howard's Creek Baptist Church, later moving his membership to Brushy Fork Baptist Church. He was instrumental in organizing Oak Grove Baptist Church where he remained a member until moving to Wilkes County in 1939, when

he joined Mt. Zion Baptist Church where he remained a member until death.

The first church he served as pastor was his home church, Oak Grove in Three Forks Association. During his ministry he served twenty-seven churches. His pastorates include: Watauga County Churches: Oak Grove, Stony Fork, Laurel Springs, Middle Fork Coal Springs, Shulls Mills, Clarks Creek, Mt. Before entering the ministry, he taught singing schools for several years. He was song leader at Oak Grove Church until he started to preach.

He pastored churches full time until 1950. A lot of years he had as many as eight churches at one time and one year pastored nine churches.

He retired from pastoral work in 1952, but was active in revivals and other phases of church work until 1956 when his health would no longer permit. He attended church until 1965 when he became unable to attend.

He was called home to be with his Lord November 21, 1966.

After giving some historical background for the crusade, he stated the purposes as: (1) To challenge every Christian to review and renew his own commitment to Jesus Christ as Saviour in the light of the Scriptures and to pray for a true revival; (2) To confront non-Christians with the truth of the Gospel of Christ so that they can come into the fellowship and service of God; (3) To begin a special and serious effort to help every church member continue in spiritual growth and in involvement in the total Christian life. In order to realize these purposes, Mr. Smith stated that the churches need to: (1) inform the church members about the Crusade and encourage them to participate; (2) pray diligently that the Holy Spirit will lead us as we plan the Crusade, setting the date in each church and using the plan book and the guide book; (3) enlist your evangelist

early; (4) enlist each church member in daily prayer for spiritual renewal of Christians, revival in the church and the salvation of the lost; (5) start a training program to train members how to witness to the lost.

It hardly seems possible that ten years have passed since I made my first report to the Brushy Mountain Baptist Association as Missionary. These have been wonderful years filled with many happy memories, thrilling experiences, a few disappointments and illness, but years of joy in services to Christ in the Land of Wilkes.

God has been good to me and my family and you have made our years among you meaningful and helpful. We appreciate everyone who has contributed to the growth and development of the churches and the associational work.

Association is an integral part of the life of Southern Baptist work, is the oldest unit of organization by which Baptist relate themselves, and is the smallest unit to which Baptist belong. The Association is also nearest to the churches geographically.

The purpose of the Association is to assist the churches in carrying out the Divine Commission, to win the lost, to train and educate the saved, and to develop the churches in the New Testament Pattern.

The Association seeks to serve the church by providing organization, committees and representatives who will instruct, inspire, and lead the churches to achieve maximum service in the Kingdom of God.

An Association is an extension of the life and ministry of a church, depending upon the church for support, yet accomplishing far more for Christ in cooperative efforts with the other churches than either church could do alone.

The relationship of an Association to the churches is—

UNITY, NOT CONFORMITY

COOPERATION, NOT COERSION

VOLUNTARY PARTICIPATION, NOT PUSHING IN
FELLOWSHIP, NOT FRICTION

SERVICE, NOT SERVITUDE—

As the Association informs, inspires and challenges church leaders in evangelism, missions, conservation, doctrinal integrity, soul winning and study.

Our Association recognizes and upholds the autonomy of each church. Someone has likened the SBC Program to a cafeteria line, with far

more available than one church needs or could use effectively.

The Missionary can help the churches decide which program, organization, or activity is best for each church. He can help by informing the churches of activities, events and programs which will enrichen the lives of the members of the church. He can work in cooperative efforts with other associations, agencies and conventions, seeking to develop greater unity of thought and effort between the churches and these other groups. He can help to establish new churches and missions and help each church develop into the kind of church Jesus intended the church to become.

I offer my services as your Missionary to every church, on a first call, first served basis. If you need help, call upon me and I will do my best to serve you.

We have a very good corp of volunteer officers and committee members who will work where asked to help you in your Sunday School, Training Union, Brotherhood, Music, WMU, organization to help you understand and interpret the program best suited for your church.

Be ever alert to the needs of the people in your area for a new church or mission. Be much in prayer for the Crusade of the Americas one of the most crucial and important Revival efforts ever to challenge Southern Baptists.

May God bless you as you serve Christ in your service to your fellowman.

JOHN R. WRIGHT

REPORT OF THE BRUSHY MOUNTAIN PASTOR'S CONFERENCE 1967-68

The Brushy Mountain Pastors' Conference held regular monthly meetings during 1967-68, on the first Monday of each month in the Associational office.

The officers for the 1967-68 Pastors' Conference were: Rev. Clifton Tuttle, President; Rev. Hunter Church, Vice President; Rev. David E. Creech, Secretary-Treasurer; Program Chairman number one, Rev. N. C. Teague; and Program Chairman number two, Rev. Joe Crouch.

There were a number of outstanding events with regard to the Pastors' Conference of 1967-68. Briefly they are as follows:

The Ministers and Wives Banquet was held at the Little Rock Baptist Church in December with the Home Demonstration Club providing the meal.

At the January meeting of the Pastors' Conference Dr. Henry Burton, Psychiatrist with the staff of the New River Mental Health Association, was guest speaker. Dr. Burton shared with us helpful ideas concerning the minister's relationship to the mentally disturbed.

The meeting of the Pastors' Conference in April carried with it a note of sadness. The Rev. Clifton P. Tuttle resigned as President since he had resigned as pastor of Little Rock Baptist Church to accept the pastorate of Meadowbrook Baptist Church in the Caldwell Association. He will be missed very much in our Association.

During the month of May the Brushy Mountain Baptist Association participated in a workshop provided by the staff of the New River Mental Health Association. The First Baptist Church was host to the workshop. Upon talking with many who were present, we concluded that this type of meeting was most helpful. Many expressed a desire to have another

of these workshops in the near future. The program dealt with a variety of problems concerning mental health as it relates both to the secular and religious aspects of life.

The Ministers and Wives Family Picnic was held at the Kerr Scott Reservoir in September. A time of fellowship was enjoyed by those present.

COMMITTEE ON ORDINATION REPORT—1968

The Committee on Ordination had one meeting during the year. At the request of Fishing Creek Baptist Church the Committee met on May 30, 1968 at Wilkesboro Baptist Church to examine for ordination Brother Dewey Foster. Six members of the committee in addition to our Association's Missionary participated in the examination.

After considerable discussion with the candidate, following by considerable discussion concerning the practice of ordaining men to the ministry who have not been called to a church, the following motion was passed by the committee:

"That we find Brother Dewey Foster sound in faith and practice and that we approve the work that he is doing and upon request of the Fishing Creek Baptist Church we recommend his ordination. However, it is the feeling of the Committee that ordination should be preceded by a call to a church."

It is our understanding that Brother Foster was subsequently ordained to the ministry by the Fishing Creek Church.

SUNDAY SCHOOL REPORT

The workshop of the Associational Sunday School Department this year has been in organization and establishing a core of workers. We only enlisted a partial state of officers on the Associational level. There were two sessions to interpret the purpose of the Associational Sunday School Program and the role of the various officers. Dr. Claude White led in one period and the Reverend Billy Rivers conducted the other.

The annual Sunday School Action Night held at Welcome Home was

a joint meeting with the Evangelism Department. Dr. Julian Hopkins of the State Evangelism Department spoke about the Crusade of the Americas.

VACATION BIBLE SCHOOL REPORT

This has been a very successful year for Vacation Bible Schools in our Association, considering the fact that many summer schools, too, were in operation. Following is the best report we could make due to the fact that only thirty-five of the forty schools have filed a report at this time.

There was a total enrollment of 3050. Out of this number there were 71 conversions. This we consider very rewarding. The sad part of the report is there were 269 parents of these children who did not attend Sunday School.

In view of these facts, let's try harder to enroll more children in Vacation Bible School in the future, knowing that it is the only time many of them have an opportunity to study God's Word or attend an evangelistic service.

Respectfully submitted,
BELVA GREGORY, VBS Supt.

TRAINING UNION REPORT—1968

These are important days in the ministry of Training Union. Many new ideas, new materials, and a new seriousness to our need for Christian Training are coming to us through our Training Unions.

It is hard to evaluate and impossible to measure in numbers the good done through the training ministry in our association the past year. This will come to fruition through the future leadership in our churches, but we know the need for Christian Training is still great in all of our churches.

We began this year with a Leadership School October 23-26, 1967 with classes for the leadership in each age group. Three workers were furnished by our State Training Union Department and the others were from our association. We had 94 people enrolled and 18 churches represented.

Attendance at M Night was 343; at March Mass Meeting was 180; at Youth Night was 119 and at June Group Meetings was 200. Attendance banners were won by Goshen, Millers Creek, New Hope, Pleasant Grove and Wilkesboro. Efficiency banner was won by New Hope Intermediates and New Hope Juniors. We had participation in each of the tournaments and several attended the summer assemblies.

Please keep in mind Leaders and Officers conference November 11, 1968, in Millers Creek Baptist Church.

Please pray for this work and for the directors within the churches, as well as the associational director and other officers who will serve this year.

Respectfully submitted,
MISS LUNDA HENDREN,
Associational Director.

WOMAN'S MISSIONARY UNION REPORT—1968

The Woman's Missionary Union of our association has had a busy

and an unusual year. Shortly after the year began Mrs. Lynn Garmon, the president, resigned and moved away. Mrs. Lawrence Miller, the vice president, served as president until the annual meeting when Mrs. Belva Gregory was elected to finish out the year.

The annual meeting was held at Hinshaw Street Baptist Church, April 23, with the Rev. John Smith, Missionary to Indonesia, as the speaker. This meeting was well attended.

The annual G. A. banquet was held at C. C. Wright School. Mrs. Allen Laymon was speaker of the evening.

The Sunbeam Day Camp was again conducted by Mrs. Dwight Williamson.

The WMU Council has been busy studying the new organization and training the officers and leaders of the local churches. Members of the Council attended the three sessions of the training meeting at Black Mountain. They conducted an associational wide workshop at Wilkesboro Church, September 12.

Much interest is being shown and work being done as we pass through this transitional period to a new organization.

Respectfully submitted,
MRS. BELVA GREGORY,
President.

BROTHERHOOD REPORT—1968

The Brotherhood is a fellowship of Baptist Men, Baptist Young Men and Boys which consist of all of the men and boys of the Church. It is designed to organize and advance the cause of Christ through these men and boys by the promotion of Missionary Education and Missionary Action. This is to cause men and boys to be more informed, to help motivate and involve them in the TASK of the church.

We could say more, but what is really important that it shows us how to achieve the purpose of the church. It shows us how to answer HIS call in carrying out the MISSION TASK OF THE CHURCH.

About one fourth of our churches in this association now report Brotherhood work. We know that a greater majority than this is doing something in regard to missions. We would like to see all the churches taking a part in this program.

Over past months we will mention activities which took place in our Association.

The Associational Director and R. L. Leader of the NW First Baptist Church attended a Brotherhood Seminar at Eagle Eire in Virginia.

A study course on the Brotherhood Program of a Baptist Church was held in one of our churches and was directed by our Associational Missionary.

Several churches were visited by the Associational Brotherhood Director and some are considering the program for their church now.

Brushy Mountain Association men and boys met at the Wilkesboro Baptist Church, with eight churches represented at this meeting.

A district meeting was held at the Dodge House with local brotherhood workers present.

The Fishing Creek Baptist Church has approved the Brotherhood Program.

The Bethany Baptist Church has approved the Brotherhood Program for their church.

A Brotherhood Workshop for all the officers was held at the First Baptist Church in North Wilkesboro.

You can make a commitment, you can be more prayerful and you can have a larger stewardship on behalf of missions, but until we have been involved in missions we have missed our Master's call to carry out the mission of the church.

Respectfully submitted,
MR. DON ABERNETHY,
Associational Brotherhood President.

Your Music Committee stands ready to help at all times. Please feel free to call upon us.

EVANGELISM REPORT—1968

This past year the churches of our association baptized 241 persons. This represents a ratio of one baptism for every 43 members. We are grateful to God for every person who has been brought to confess Jesus Christ as Lord. We call upon our churches to give themselves to the work that brought Christ from heaven to earth, evangelism. Evangelism is the heart of our churches' existence. Evangelism must be a two-pronged thrust. We must publicly proclaim that Gospel, that is the power of God unto salvation, and we must personally win others to Christ. "Every

Christian, a Witness" must be more than a slogan, it must be a reality in our lives.

Our churches face a tremendous evangelistic challenge in the Crusade of the Americas. This is more than just a two-week period of revivals. It is an emphasis on evangelism that should occupy our churches throughout 1968-69 and '70. Our churches have been challenged by one of our mission fields, Brazil, to give ourselves to the work of evangelism and world missions for 1968-69. Some of the challenges in the Crusade of the Americas are:

NATION-WIDE EMPHASIS ON PRAYER: Two days of prayer, January 14, 1968 and January 12, 1969; PACT: A program of "prayer partners" with individuals, groups, and churches on the "Other Americas" initiated in July-August 1968; Watch Night Prayer Service December 31, 1968.

NATION-WIDE SEARCH FOR PROSPECTS: May-June-July-August 1968.

NATION-WIDE VISITATION WITNESSING: September-November 1968.

NATION-WIDE CRUSADE OF THE AMERICAS REVIVALS: March 16-30; April 6-20; April 27-May 11, 1969.

NATION-WIDE EMPHASIS ON NEW MEMBER ORIENTATION: Following the Crusade of the Americas Revivals. Study of book "Daring Discipleship" and launch new member orientation.

SPECIAL EMPHASIS IN NORTH CAROLINA ON CHRISTIAN MATURITY: January 1-December 31, 1970.

Adequate guidance material for cooperation with and in preparation for the Crusade of the Americas is provided for us in the 1967-68 Evangelism Plan Book already available to us and in the 1968-69 Evangelism Plan Book which will be available after July of 1969 from the Division of Evangelism, 301 Hillsborough Street, Raleigh, North Carolina 27603.

REV. CLATE BROWN,
Representative.

LIBRARY COUNCIL REPORT—1968

Your Associational Library Council would like to take this opportunity to congratulate each church in the Association that has an active library. To us this shows a deep concern for the reading materials that children and young Christians come in contact with.

The church library offers a wealth of educational as well as recreational materials for all organizations that make up the church.

We wish to congratulate New Hope Baptist Church on reactivating their library and wish them well with it.

If there is a church wishing to start a new library and need help in its organization, selection of books and the service it will render, please feel free to call upon this council and we will gladly do our best to be of service to all churches.

If you don't have a library, think about starting one.

Respectfully submitted,
The Library Council
MRS. PHILLIP DAY, Chairman.

BAPTIST HOSPITAL REPORT—1968

This has been a full year at our Baptist Hospital, with over 30,000 sick people given medical service and Christian ministry, and more than 165,000 visits made to the clinics of the hospital. Also, more than 700 persons are receiving training in the various fields of medical care and Christian service, and a vast amount of medical research is being done in the causes and treatments of the diseases which afflict mankind.

The Development Program, which will greatly increase the capacity of the Medical Center is progressing on schedule. The new power plant is scheduled to go into operation in October. The Paramedical School building is due to be ready by next April. It will provide the best in teaching facilities, double the capacity of our nine schools, and allow us to add new schools. The Medical School addition, to be ready by September, 1969, will allow that school to enlarge by 35%. Contracts are due to be let in October for the new patient building, to be completed in 1971. This building and the remodeling of the oldest part of the present plant will provide more than 200 new patient beds and space for offices.

The cost of this Development Program is being provided by interested individuals, corporations, foundations and government agencies, which recognize the valuable service our Medical Center is rendering and the urgent need for enlarging these services.

But this has been a very difficult year financially. Our hospital has been forced to make important changes in its financial policies because of a growing deficit. We have been told this for several years but the gap has continued to increase between the cost of free service and the money provided for this service. The amount of the free service now will have to be governed by the amount of the Mother's Day Fund. A patient's hospital bill will be estimated in advance, any available hospital insurance will be deducted, and the balance must be paid before the patient is admitted unless he is certified by his county welfare department or some other agency. Any balance beyond the estimated bill must be paid before the patient is discharged. In case of an emergency, the patient may be admitted but the hospital bill must be paid as soon as possible after admission. The Mother's Day Fund will be used, as it has been, to pay the difference between the amount paid by the certifying agency and the total cost of caring for the patient. In view of the circumstances, we believe the majority of our pastors and people will understand these changes and give their full cooperation. The Mother's Day Offering will need to be increased greatly if our hospital is to fulfill its mission to our people who most need it. We want to assure our hospital that it can depend upon us in full measure.

Respectfully submitted,
REV. J. C. SHAW, JR.

1968 HOMES FOR AGING REPORT

The past year in your Baptist Homes for the Aging has been one of the most eventful in the history of the Homes. Of primary significance was the opening of the Yanceyville Home on November 1, 1967, and dedicatory services on April 25, 1968, with Governor Dan K. Moore as the principal speaker.

When the Yanceyville Home, accommodating 31 residents, is filled to capacity, the number living in all of our Homes will reach 200. Residents of Yanceyville, Resthaven, the Albemarle Home, the Hayes Home,

the Hamilton Home, and Infirmary constitute a large and ever-growing family of elderly people who receive compassionate and tender care.

The waiting list for admission to one of our five Homes continues to grow, but has been revised and is a bit more realistic than ever before. The opening of the Yanceyville Home has relieved the pressure greatly on this waiting list, and persons are encouraged to make application from the various sections of our great State.

Baptist of North Carolina can be grateful for their record in ministering to the residents in their homes for the Aging. Recent reports reveal that our Baptist Homes are giving more financial assistance to their needy aging than any other denomination Home in North Carolina. About 85% of the residents receive assistance through the love gifts of North Carolina Baptists: (1) The Special Day Offering, received on the third Sunday of February each year, from which the Homes derive 22½% of their total support; (2) the Cooperative Program from which we receive 12½% of total income. Gifts for 1967 through these two sources were at an all time high and amounted to around \$200,000.00. The 1968 Special Day Offering, at this time, is reflecting an encouraging increase. Unless these two vital sources of income are increased considerably, your Baptist Homes cannot be maintained, either on the basis of quality of care, or quantity.

More than in any previous years the ministry of the Homes has been extended beyond the day care of the residents to our local churches and communities. Experiences have been shared in more than one Association, in World Missions Conference, Family Life Conference, High School classes in Family Living, etc.

Life among the residents in the Homes is most interesting, and if one wonders about activity among those whose average age is 80, let him come and see. Let everyone who is contributing to this great area of human need be grateful to the Lord to be a part of a great denomination that has had the vision to plan for the aging, and is moving forward in meeting the needs of this very deserving group.

Respectfully submitted,
REV. J. GLENN HUFFMAN,
Representative.

1968 BAPTIST CHILDREN'S HOMES REPORT

North Carolina Baptists and other friends of the Children's Homes are making possible a Christian way of life for hundreds of boys and girls who otherwise would be denied many of life's best opportunities. More than 1300 children were assisted in some type of service during the past year.

All associated with the Children's Homes are deeply grateful for every type of support. Co-operative Program income through the churches is increasingly important. Last year's Thanksgiving offering is the largest ever—now approaching \$325,000. Special gifts, bequests through wills and estate planning provide much needed income and wonderful opportunities to invest in the lives of children and young people.

Encouraging progress is being made in the capital funds campaign to build a home for children in Western North Carolina to be located in Haywood County between Waynesville and Clyde. It is hoped that construction can begin in early 1969. The Western Home, in addition to providing group care, will strengthen all types of services now being provided

children and their families in the Western area.

Four family style cottages have been constructed and dedicated during the past year—two at Mills Home and two at Kennedy Home. Two additional cottages will be constructed at Mills Home during the coming year. Funds for these buildings have been from bequests through estate planning by friends of neglected and dependent children.

The number of good Christian homes for the care of foster children is growing. More are needed in all sections of the state. Foster homes serve children of all ages and are particularly helpful for some who have special needs. Couples with or without children of their own, who have an abundance of love, find this to be a challenging and rewarding opportunity for Christian service.

Members of the Board of Trustees and members of the staff of the Homes are dedicated to a program of child care that will merit the undivided loyalty and support of our people and that will be worthy of the blessings of our Lord. We covenant with you to face the future as we have the past; to offer Christian nurture to children in distress in the name of Christ our Savior and Lord.

Respectfully submitted,
REV. DAVID CREECH

1968 REPORT OF ANNUITY BOARD

Important Date for all New Members in Plan "A"

The three-plan Southern Baptist Protection Program has one provision in Plan "A" that will affect all prospective new members soon; this provision is called "Delayed Participation," commonly known as a "grace period." The provision states that the grace date is established in one of three ways; (1) as of January 1, 1969; (2) on the member's 26th birthday; or (3) one year from the date he first becomes eligible, whichever is the latter. This means that if a member joins Plan "A" of the Protection Program later than his grace date, the disability, widow, child, education and dependent parent benefits will be proportionally reduced by the years of delay bear to the total years from the grace date to the normal retirement date. Therefore it is important that all who are now eligible join the Program before January 1, 1969.

Response to the new Program has been good. During 1967, 3,146 members joined some part of the three-plan Program. A total of 17,400 churches were providing the Program for their ministers. Of the 174 agencies in the state convention and the Southern Baptist Convention 145 were providing the Program for 7,140 employees.

Annuitants Receive "13th" Check

For the second consecutive year, all persons receiving a life benefit were mailed a "13th" check. Each check was for an amount equal to 12 per cent of his annual benefit. These checks were made possible because of interest earnings in excess of what the plans required. The trustees approved, two years ago, the issuance of the "13th" checks, providing the Board realized such excess interest earnings.

Dues on Total Salary Encouraged

Inflation continues to affect the buying power of the dollar for everyone, including those who have retired. No sign of a leveling off period of the inflationary trend is indicated. The Protection Program is designed to help any church provide as much retirement income for the minister and staff as it desires. Many churches are moving to ten per

cent dues on total salary, recommended as a minimum by the Annuity Board and state convention secretaries.

Rev. Guy Cain promotes the Protection Program in North Carolina. He is jointly employed by the Annuity Board and North Carolina Baptist Convention. For information about any of the plans in the Protection Program contact Rev. Guy Cain, 301 Hillsborough Street, Raleigh, North Carolina, or write the Annuity Board, SBC, 511 North Akard Building, Dallas, Texas. 75201.

Respectfully submitted,
REV. CHARLIE MYERS,
Representative.

1968 COOPERATIVE PROGRAM REPORT

What the budget is to the local church, the Cooperative Program is to the denomination. It is support for all missionary causes at home and abroad—it's preaching the gospel—it's healing in the name of Jesus through hospitals and clinics everywhere—it is teaching and training Christian leaders for all the great tasks of Kingdom endeavor.

As our people worship with tithes and offerings Sunday by Sunday and as your church channels a worthy part of its income through the Cooperative Program, we enter into partnership with God and one another in obedience to the command, "Go . . . preach . . . teach . . .!"

Let us resolve to pray earnestly for all Kingdom work through the Cooperative Program and support our prayers with sacrificial givings of self and substance. The Yates Association had 100% of their churches giving through the Cooperative Program during 1967.

A new Eight Day Stewardship Program will be available from the Stewardship Commission of the Southern Baptist Convention on April 1. It will suggest visitation of every family in the church by the Deacons, prayer by every church and Week-end Stewardship Revival. Many of the pilot churches have found this an effective way to increase giving and pledge the church's budget.

According to records available our association gave \$32,159.00 during the last year for World Missions through the Cooperative Program.

RECOMMENDATIONS

We recommend:

- (1) That each church plan, vigorously promote, and subscribe a worthy budget.
- (2) That each church have a special prayer for Cooperative Program causes during each church service in October.
- (3) That each church give regularly, a worthy percentage of each offering plate dollar throughout the Cooperative Program.

Respectfully submitted,
REV. HUNTER CHURCH

REPORT OF BAPTIST FOUNDATION 1968

I bring you greetings from one of our youngest and, yet, one of our most dedicated and serviceable institutions—THE NORTH CAROLINA BAPTIST FOUNDATION.

A few days ago I was at Myrtle Beach attending an INSTALLMENT LOAN SEMINAR of our bank. On Saturday afternoon while I was on

the beach, I saw two SANDPIPERS after a large bug or a small crab. Each sandpiper was eager to get possession of this rarity.

After a little while, one of the sandpipers snatched the object and flew out over the ocean. But, he had not flown very far, until something happened. The sandpiper lost his control and this delicious lunch sank in the water.

Apparently this little bird did not want to share his possession with his neighbor. He was SELFISH and therefore, lost everything.

I represent an organization today which has a different philosophy of life.

One founded on the joy and privilege of SHARING.

One designed to be helpful to our Baptist institutions across the great state.

But let me continue my SANDPIPER story.

On the following day, I went for an early walk on the beach.

Soon I saw an unusual sight. I saw 30 SANDPIPERS standing at attention—while the leader issued his instructions. It was the most orderly covey of birds I ever saw. They were well organized—they co-operated beautifully—and they were united. They reminded me of a Baptist Association when everything is going well.

Suddenly—the leader of the sandpipers gave the signal and off they flew almost in perfect formation.

Then the signal was given and this group of 30 birds landed some distance down the beach with equal precision.

I ended my walk with a greater appreciation of the little birds which live on the beach.

These little SANDPIPERS have characteristics found in our Baptist people.

I refer to ORGANIZATION and CO-OPERATION—which is so admirably demonstrated in the institution which I represent here today.

But, some of my Brushy Mountain friends could very well ask, "What is the Baptist Foundation?"

The North Carolina Baptist Foundation is an incorporated agency of the Baptist State Convention of North Carolina. It was created by the Convention for the purpose of procuring endowment funds and for administering such funds, for all institutions and agencies, owned and controlled by the Convention. It is independent of the causes it serves, but committed to their best interests. It is not a competitive agency, but a service agency dedicated to the task of undergirding all of our Baptist work.

In the procuring of funds, the Foundation does not function as a professional fund-raising organization, but as an agency endeavoring to help people do what they wish to do with their material possessions.

The Foundation is chartered also to administer trust funds for all institutions and agencies of the Southern Baptist Convention.

Through the Foundation one can get lasting value from his or her earthly possessions by contributing to the endowment funds of any North Carolina Baptist or Southern Baptist cause.

How Does It Operate?

Income from the funds entrusted to the Foundation are disbursed in strict accordance with the wishes of the donor. Their every wish will be carried out by the Foundation.

All contributions, including bequests in wills, should be made to: The NORTH CAROLINA BAPTIST FOUNDATION, a CORPORATION, and

the cause or causes to benefit from the gift, designated.

The Foundation invests funds only in first class securities, approved by its directors. Security of funds is insured by combined forces of the state laws and the highest moral integrity and honor of the Baptist denomination.

Who Manages It?

The Foundation is managed by a Board of fifteen Directors, elected by and accountable to the Baptist State Convention. The business ability, moral responsibility, and integrity of each Board Member is carefully considered. Active members of a Baptist church—they serve without compensation. All officers who handle funds are fully bonded. The investment committee is carefully chosen from business men of proven ability and long experience.

Whom Does It Serve?

It Serves Individuals:

(1) IN ESTATE PLANNING. The Secretary of the Foundation will assist you in analyzing your estate problems, studying tax liability, and suggesting arrangements of your affairs to accomplish your desires. Any person intending to make a will with Baptist causes as beneficiaries, should advise with the Secretary of the Foundation. He will be glad to meet in conference with such persons, including their attorney, accountant, banker and insurance underwriter, to study their estate problems.

(2) IN PREPARING WILLS AND LIVING TRUSTS. The Foundation will assist you and your attorney in the drafting of your will or Living Trust, when a Baptist cause is remembered.

It Serves Churches:

(1) By managing trust funds for churches.

(2) By furnishing speakers for pulpit supply, and to speak on other occasions. Contact the Executive Secretary.

It Serves Baptist Institutions and Agencies:

(1) By assisting people like you in doing what you want to do with any of our material possessions for any Baptist cause or causes. Baptist Institutions and agencies are greatly in need of endowment and building funds.

(2) By safeguarding, investing and administering all types of trust funds for North Carolina Baptist and Southern Baptist institutions and agencies.

(3) By disbursing trust funds according to the designation of donors.

During the past year much progress has been made by the Baptist Foundation. We really feel that our name is now recognized by many who just a year or so ago might not have known us. This was largely due to the gracious people in our state who have helped promote our work—pastors, associational missionaries, attorneys, our Foundation Representatives in the churches, and numerous Baptist agencies—to name a few. We are most grateful for every opportunity offered us.

Many new funds have been established with the net returns to the particular cause closest to the individual's heart. Whether large or small amounts—we are happy to accept any sum. Our assets are now over a million dollars.

We still encourage each individual to make his or her will and to consult with their lawyer in order that every detail is just as they want it.

We also encourage each individual to remember some Baptist agency or cause in his or her will.

You will be delighted to know that the new Home for the Aging in Yanceyville is a recent example of good foresight on the part of Christian friends and the co-operative execution by the Baptist Foundation in caring for our aging people.

Money and property were left to the Foundation several years ago through wills of a brother and sister for this purpose. It is wonderful that these two fine Christians could have had such a generous concern for elderly people. I trust that there are friends here today who will open their eyes to the needs of our aging people. They need our LOVE—our CARE—and our CONCERN.

During the past year, The North Carolina Baptist Foundation, Inc., has made regular and systematic progress. More and more of our Baptist people are inquiring about the services of the Foundation and are following these inquiries with concrete evidence of their concern. Some have made direct monetary contributions through the Foundation for a particular agency or institution. Others, with the help of their lawyers, have made provisions in their wills that, through the Foundation Christian causes, have been remembered.

One of our major emphases has been in the area of will making. Our pastors, associational superintendents, and our church representatives have given encouraging help in this educational campaign. The response in each instance, whether in an association or individual church, has been most gratifying.

We solicit your prayers and your continuing co-operation. The Foundation remains ready to assist you in any phase of our endeavors. We are no farther away from you than the nearest telephone. Please call us—or write us—or come to see us.

May I remind you that Mr. C. Gordon Maddrey, Executive Secretary, and his very efficient Secretary, Mrs. Marie R. Denmark, would enjoy seeing you on your next trip to Raleigh. Their offices are in the Baptist State Convention building at 301 Hillsboro Street.

In closing, may I challenge you:

To have a part in training young men and women for lives of useful service—as preachers, religious workers, missionaries, or business and professional leaders—by an investment in the NORTH CAROLINA BAPTIST FOUNDATION.

To help bring new hope to homeless and neglected children—brighten their smiles—give them Christian training—insure their care and education—by your investment in the NORTH CAROLINA BAPTIST FOUNDATION.

To invest in the ministry of healing in Baptist hospitals, you are aiding suffering humanity, helping train Christian nurses, supporting the Chaplaincy programs—all possible by an investment in the NORTH CAROLINA BAPTIST FOUNDATION.

To aid in carrying the Message of Christ to home and foreign lands, helping endow a missionary or build mission stations, wherever Southern Baptists operate, by an investment in the NORTH CAROLINA BAPTIST FOUNDATION.

Respectfully submitted.

REPORT ON CHRISTIAN EDUCATION — 1968

One of the most important phases of Baptist life in North Carolina is the contribution of the seven Baptist Colleges. Let us see some phases of Christian higher education. The Christian college has been and can be today a great moral and ethical force in American culture. Baptists have a mandate to re-establish a sense of Christian values in American life. To do this we must work with and through the college young people because they will be the core of Christian witness in America in the future.

ENROLLMENT

(Oct. 15, 1967)

Campbell College	2,351
Chowan College	1,302
Garner-Webb College	1,300
Mars Hill College	1,370
Meredith College	969
Wake Forest University	3,163
Wingate College	1,569
	<hr/>
	12,024

At the unanimous request of the college presidents, the Council on Christian Higher Education will again schedule forums on each campus of the seven Baptist colleges, to which pastors and other church leaders will be invited. This decision came as a result of the very successful BEST forums which were held last year, and a number of pastors and laymen have suggested that this type of communication between the colleges and our Baptist people might well become an annual event. As quickly as the schedule can be arranged, announcements will be coming to your pastors and Sunday School Superintendents.

The continued growth of the support by our Baptist people of the Co-operative Program is most encouraging, and we wish to take this opportunity to thank our Baptist people for the generous support through this means. For the year 1968, the following amounts were budgeted: Campbell, \$272,377; Chowan, \$163,100; Gardner-Webb, \$154,945; Mars Hill, \$234,864; Meredith, \$234,864; Wake Forest University, \$399,595; and Wingate, \$171,255.

We are grateful for the increased interest in the Baptist College Day and the number of churches participating. The Baptist College Day has two main objectives: to inform our people about the purpose and program of Christian higher education, and to provide an opportunity through the Baptist College Day offering to give much-needed help to our schools. We urge churches to contact colleges or the Council office and plan this Day in your church.

The Council on Christian Higher Education is a service organization, as well as a coordinating agency for the Baptist colleges in our state Convention. The Council also cooperates with local churches, Pastors' Conferences, and the associational missionaries in furnishing speakers on Christian higher education.

1968 REPORT OF AMERICAN BIBLE SOCIETY

Christianity enters the space age with a handicap to its hopes because of a world shortage of Scriptures. Seven out of eight Christians do not possess a New Testament; 50% of all Christian families do not have Bibles and more than 2½ billion of the three billion people in the world are without any portion of the written Word of God at all.

Christianity will conquer the inner spaces of man's lives only as they encounter the Living Word of God.

The American Bible Society, a vital arm of the Church, has existed for over 150 years for the sole purpose of preparing and supplying Scriptures to all mankind, in a language he can understand. Printing without note or comment . . . supplying the blind with special Scriptures and distributing without profit, ABS has reached millions of people in the world. At least one book of the Bible has been published in 1326 different languages and dialects to date but there are still over 1,000 languages to go.

Southern Baptists have always been in the fore-front of active participation and cooperation with the ABS Ministries, leading the 74 denominational groups in financial support.

North Carolina Baptist churches contributed \$7,614.25 to the ABS cause in designated gifts through the Convention office last year. Officials of ABS continue to urge churches to make their contributions in this way, in order that more accurate records may be kept for our own information.

Because of these gifts, and other contributions, ABS continues to minister through institutions, armed forces, hospitals, prisons, schools and other vital targets. One request recently brought more than 2,600 North Carolina residents of several different institutions copies of the Scriptures from ABS grants. These included Samarcand Manor, McCain Prison, McCain Hospital, Leonard Training School, Odum Prison, Morrison Training School, Barium Springs Home, Jackson Training School, Florence Crittenton Home and one public school requesting portions for 550 children.

Miss Ruth Culley, Special Ministries Secretary for ABS, welcomes any request for information concerned with assistance to institutional ministries. Address mail to 1865 Broadway, New York, New York, 10023.

The American Bible Society depends entirely upon concerned churches and individuals who have the vision to feed men's souls.

The world will not wait. And it need not, as long as dedicated Christians continue to manifest their concern for God's world by increased support of translation, publication and distribution of His Word.

FOREIGN MISSIONS REPORT — 1968

Our first and supreme work as Baptist Christians is Foreign Missions. The Bible says, "God so loved the world; the field is the world; go ye into all the world and preach the Gospel to every creature." We are to share our Christian Gospel with every lost person of all the world.

WORK OF FOREIGN MISSION BOARD—Southern Baptist Missionaries are at work today in 65 countries; under appointment to four more, pending official government permission to enter. At the close of 1967 our Foreign Mission Board had an overseas missionary staff of 2,277. This included career missionaries, associates, journeymen, and special project medical personnel. Appointments in 1967 totaled 222; and 115 more have

been added in 1968. We have approximately 2,400 missionaries on the field. Several hundred calls for more missionary personnel are still unanswered. Preachers and medical people continue to be the most urgently requested.

CHURCHES AND EVANGELISM—Dr. Baker James Cauthen says, "The leading of people to new life in Jesus Christ and the cultivation of New Testament Churches is the ultimate purpose of all our work." We have in all our mission fields 4,119 national pastors; 4,918 churches (65% of them self-supporting); an increase of 215 pastors and 211 churches. These churches reported 571,647 members and 46,275 baptisms during the year. This is an increase of 42,689 members for the year. Mainland China, closed to missionaries at present, was last estimated as having 392 churches and 123,000 members related to Southern Baptist Mission work. The Foreign Mission Board shared in seven evangelistic campaigns during the year (Chile, Portugal, Jordan, East Africa, Zambia, Indonesia, and Japan). More than 17,000 decisions were reported from these special campaigns. Also, amazing results continue to accompany Baptist Radio and Television efforts.

SCHOOLS AND PUBLICATION WORK—We have 1,295 schools in 42 countries. Also, we have publication work in all countries. Baptists opened new book stores and reading rooms in Israel, Japan, Nigeria, and other lands. In Rhodesia, a new Baptist Publications Building was dedicated. "The Commission", our Foreign Mission Journal, reported an average monthly circulation of 87,541 last year.

MEDICAL AND OTHER MINISTRIES—In many countries we have hospitals, clinics, and dispensaries with a total of 1,438 beds. These are staffed by national and missionary physicians and nurses. Public health broadcasts were initiated from the Baptist Hospital in Korea; the Gill Memorial Baptist Hospital in Brazil was inaugurated; and a Leprosy Building was completed at the Baptist Hospital in Thailand. To meet urgent relief needs, emergency funds were sent to 12 countries during the year. Also, 25 good will and community centers were maintained in 14 countries. We have 15 children's homes. All these benevolent institutions are staffed by missionaries and nationals.

SUPPORT FROM OUR CHURCHES—Foreign Missions is supported by contributions through the Cooperative Program, the Lottie Moon Offering, by our Prayers, and the giving of our youth and others to active work on the fields. Total contributions of Southern Baptists for Foreign Missions in 1967 amounted to \$28,286,597 (an increase of \$1,239,397 over 1966). The 1967 Lottie Moon Christmas Offering was \$14,664,679 (an increase of \$904,533 over 1966). Needs continue to be far beyond financial resources. Unfilled requests from the Missions for urgently needed land, equipment, and buildings amounted to several million dollars. In the Brushy Mountain Baptist Association nine of our churches gave nothing to Foreign Missions either through the Cooperative Program or a special offering. This was an increase from five churches last year.

One of our Southern Baptist mission-minded leaders said recently, "This is no time for uncertainty. This is no day for a wavering message. It is a day for maximum daring. It is a day when we can well consider ourselves expendable for the glory of Jesus Christ."

HOME MISSIONS

In approaching a consideration of Home Missions there is sometimes a tendency to think first of geography. This must not be. The consideration is people—unsaved and unchurched—and the goal is to lead them to Christ and to service in the church.

In the social crisis that envelopes our nation today, responsibility falls heavily on the Home Mission Board. At the Southern Baptist Convention in Houston, Texas, last June, the messengers requested the Board to assume leadership in the areas of the Convention Programs directly related to this crisis.

On the home field this year there were 3,006 workers, a substantial increase over the year before. The Agency operated its 12 programs on a budget of over nine million dollars, with almost half this amount coming from the Annie Armstrong special offering in March. The new headquarters, a seven-story structure on Spring Street in Atlanta, Ga., has nearly twice the space of the old building. Pioneer missions in the north-eastern U. S. with a 25 percent increase last year, and the enlarging program of Christian Social Ministries are indicative of the board's expansion. There is a continuing and intense search for new approaches to the work of proclaiming the gospel in the homeland.

Project 500 and the Crusade of the Americas presently dominate the work of the Home Missions Board. Each church, and indeed each individual Christian in our association, can contribute to the success of these two undertakings by prayer, an increase in financial support, and personal witnessing.

Every Baptist home should subscribe to "Home Missions". This informative and stimulating magazine will inspire a greater service.

May we join Dr. Arthur B. Ruthledge, Executive Secretary and Treasurer of the Home Mission Board, as we look to the future with the prayer that this agency, may be used increasingly to develop in America a nation whose God is the Lord . . . "

STATE MISSIONS IN NORTH CAROLINA — 1968

THE DIVISION OF MISSIONS

The Division of Missions work thru five departments and numerous specialized ministries, under the leadership of Dr. Howard J. Ford who travels across the state to mission areas, offers counsel and guidance wherever needed and whenever requested by local leadership. These departments are Town and Country and Seminary Extension; City and Metropolitan; Interracial; Deaf Work; and Fruitland Baptist Bible Institute and Camp.

SPECIALIZED MINISTRIES

Specialized ministries include Military, Cherokee, World Missions Conferences, Work with Associational Missionaries, Chaplaincy of Leonard Training School, McCain, Samarcand Manor for Girls, Morrison Training School, Hoffman, Odom Prison, Jackson, and field work in the Burnt Swamp Association. State Missions provides \$800.00 per year for our Associational Missions work.

TOWN AND COUNTRY AND SEMINARY EXTENSION

This ministry is placing strong emphasis on inservice training to ministers who need it through Seminary Extension Centers. Each year at Mars Hill and Chowan Colleges a week of Christian Study and Fellowship is held. The Association has a Seminary Extension Center at North Wilkesboro First Baptist Church.

Many small churches need to join other churches in a field. The department encourages this and assists where possible.

Many thousands of people are in resort areas for their vacations. One ministry of this department is to offer special services.

CITY AND METROPOLITAN MISSIONS

Assistance is given in establishing new churches and missions in our cities. Special studies in a metropolitan area may be made to determine mission needs. Pastoral and lot aid of a financial nature is granted according to need. There is also work with non-evangelicals, literacy work, juvenile, alcoholic and ex-prisoner rehabilitation and migrant ministry. City and Metropolitan Missions Conferences are planned and sponsored at various times in the year. The program of Christian Social Ministries is a project of this department. Baptist Centers, Rescue Missions, juvenile prevention and rehabilitation, adult alcoholics, drug addicts, ex-prisoners, migrants are a part of these ministries.

DEAF WORK

The work with the deaf is a rewarding and wonderful ministry. Sunday School classes, and preaching with interpreters trained for this work have won many deaf to Christ. A Television teaching and preaching ministry is sponsored. The Liberty Grove Baptist Church has a class for the deaf and an interpreter for each service.

INTERRACIAL COOPERATION

This department attempts to build bridges of understanding and acceptance between the races. A present objective is to help build stronger Baptist churches by teaching and training Negro leadership.

FRUITLAND BIBLE INSTITUTE

Adult education is emphasized in the training of Christian leaders at Fruitland. The institute offers excellent opportunity to those who have not had the opportunity of a college education.

MILITARY MINISTRIES

North Carolina Baptists have a significant ministry in Military areas. We have a heavy concentration of military personnel at Fort Bragg, Camp Lejune, Cherry Point, Seymour Johnson Air Base, and several smaller bases. Financial aid is given to many churches in military areas.

CHEROKEE MINISTRIES

We have a cooperative ministry with the Home Mission Board at Cherokee, N. C. A Child Care Center is in operation in the Baptist Church at Cherokee.

LOT AND PASTORAL AID MINISTRIES

The need for financial aid to small missions and churches is great and will continue. Many of them grew into strong churches that literally support the whole mission program of our convention. The need is far beyond what we can now meet. Prayerful vision, mission education and balanced stewardship is the only hope for many who now wait for the redemptive message of our Saviour. Several churches have received lot and pastoral aid in our association.

STATE MISSIONS OFFERING

The third Sunday in September is State Missions Offering Day. We hope each church in the Association will make a special offering through this means each year. The need is great. You can help meet that need.

FRUITLAND BAPTIST BIBLE INSTITUTE REPORT — 1968

The school year now consists of three twelve-week quarters. Twenty-four courses are required for completion of work; usually six are taken each quarter, meeting twice each week per course. Each course requires two quarters, making it possible for a student to take the first half or the second half of the course during any quarter. This arrangement has been very helpful to students who are forced to drop out of school for one or more quarters.

The present student body has 147 enrolled, 97 from North Carolina, and 50 from other states. The age range is from 19 to 70, with the majority in 20 to 30 years age span. There are 39 serving as pastors while in school, one as minister of music and one as minister of education.

There are 12 serving on the faculty.

In order to make it possible for every man who needs the services of the Institute to become a student the costs are kept to a minimum. To help still further, a work scholarship program is in operation to assist dormitory students. In addition, a student loan fund has been set up to extend interest free loans to students who need such help.

REPORT OF THE GENERAL BOARD — 1968

The General Board of the Baptist State Convention of North Carolina has the responsibility to act for the Convention between annual sessions and to provide supervision for all agencies and institutions fostered by and receiving support from the Convention.

The General Board also has charge and control of all the Convention's work, including Missions, Evangelism, Education, Benevolences and all other general activities except those which are committed by Charter to the Trustees of the institutions and agencies.

The General Board met in Raleigh this past January; at Campbell College in July and has a meeting scheduled in Raleigh this October.

Highlights of the January meeting was the encouraging financial report. Cooperative Program receipts for 1967 were \$5,989,000.00, an increase of 3.49 over 1966, and total Mission gifts of \$9,386,000.00. Also announced at the January meeting was the settlement of the Hatch Estate

which resulted in a gift of \$200,000.00 from Miss Rachel Hatch, a non-Baptist, who died in Richmond, Virginia, this past year.

Elected as General Board officers for 1968 were: President, Gilmer Cross, Goldsboro; Vice-President, John Lawrence, Raleigh; Recording Secretary, Lois Edinger, Greensboro; and Staff Secretary, Ruth Williams, Raleigh.

Many items of importance were discussed, including the petition by Chowan College to participate in Title III of the Higher Education Act. You may recall that a similar request by Mars Hill College was passed by the Asheville Convention. The Executive Committee and General Board discussed the matter thoroughly and in keeping with the Asheville Convention action, voted its approval.

At the July Board meeting, the Executive Committee reported that the Cooperative Program had shown a stronger increase this year than last and that Special Offerings and Foreign Missions Offerings realized substantial increases.

The Executive Committee also submitted the following recommendations for action by the General Board and the Convention:

1. That Gardner-Webb be allowed to move toward four year status, when in the judgment of its Trustees and Administration, qualifications for accreditation can be reached.
2. The development of a Christian Life Division within the Convention structure.
3. That the General Board meet January 1969 at Meredith College, July 1969 at Mars Hill College and July 1970 at Meredith College.

I might add that during the year it was my privilege to serve on the Social Services Committee of the General Board. Meetings of this committee were held at the Baptist Hospital in Winston-Salem and the Children's Home in Thomasville.

Space will not permit a complete report of the General Board, however, files containing activities of the Convention are available to each of you.

P. O. A. U. REPORT — 1968

SEPARATION OF CHURCH AND STATE

The Lord said, "Render therefore unto Caesar the things which are Caesar's; and unto God the things that are God's." (St. Matthew, Chapter 22:21.) Here we have one of the immortal truths; and an indication that one is asked to support the government with our taxes in order to perform the duties of the state such as law and order; while on the other hand, one should be (so) free to have a choice to worship God in his own way without persecution from the state.

In colonial America one of the advocates of Separation of the Church and State was Roger Williams who preached soul-liberty to the colonists. He was too modern for his time, and was driven from the colony. He fled to Rhode Island where he founded the first government in modern history where separation of church and state was written into law. Williams taught that the state was a man-made institution created for the sole purpose for the welfare of man. The church was a voluntary association with no legal rights to dictate to the individual his choice of church. This was deviating from the old orthodox line, and was "new and dangerous".

Baptists today are proud of their role in American religious growth. Baptists have ever held the basic doctrines of Salvation by Grace, the inspiration of the Scriptures, the deity of Christ, and many other fundamental tenets. But the unique contribution that Baptists have made to the religious life of the world is, we believe, the doctrine of soul-liberty.

1968 REPORT OF THE BIBLICAL RECORDER

This is a period in history when some church publications are struggling to exist. Smaller circulation, rising cost of publication, mergers, and other factors are creating hardships for many publications.

Your BIBLICAL RECORDER is not immune from some of these problems, but there is a brighter side to its ministry. In January, the RECORDER had its 135th birthday so this indicates it is durable and hardy. While circulation did not set any new records in the past year, a healthy gain was noted. Inflation, accompanied by increased printing costs, caused the RECORDER to have to buckle its belt, but necessary economy steps were well-accepted by our Baptist people. One of these was to be let the churches pay the state sales tax, thus saving the RECORDER nearly \$5,000 a year.

There is every indication that the RECORDER is continuing to be read closely. Letters to the editor reflect this growing interest on the part of readers. This is healthy and is one of the strong points of Baptists democracy. The RECORDER runs well over 200 letters a year, many of them expressing strong feelings on a variety of subjects. Baptists are individualists and since this is part of our heritage, the RECORDER is glad to receive letters on the issues facing Christians today. There must be dialogue among Baptists and the RECORDER is glad to serve our denomination in this capacity.

The tragedy is that more of our Baptist don't get the RECORDER. Although hundreds of churches send it to every home, there are too many churches that do not have it in the budget. Frequently the interest and hard work of one person can mean the difference. Try it and see. Elect a RECORDER secretary for your church, to get subscriptions, or better, adopt the every family plan.

The RECORDER staff has rededicated itself to the job of getting out the best paper possible in these days of serious upheaval. Speaking the truth in love is the goal of the RECORDER at all times. The support of all Baptists is needed in carrying out this objective.

A BRIEF HISTORY OF NORTH WILKESBORO FIRST BAPTIST CHURCH

Whereas since the history of this church was written by Mrs. H. C. Duncan in 1951, and is recorded in the Minutes of this Association on pages 9, 10, 11, 12, and 13 of that year, and in 1958, the Association met again in this church, with the history recorded on pages 23, 24 and 25 of that year no further reference to those periods will be mentioned here.

At the October meeting, 1959, a motion was made and carried that Pegram and Adams, Architects and Engineers, make a survey of the building needs at a contract price of \$500.00. At the November Meeting, 1959 a motion was made, seconded, and carried favorably, that the Trustees be authorized to sell the 140 feet of property facing eighth street to Dr. H. C. Landon, for \$4,000.00. In January, 1960, a motion was made, second, and carried favorably that the church sell its interest in the Hayes Darlington property to the First Methodist Church for \$4,000.00 and that \$3,000.00 be used to create a memorial to Mrs. Mattie Darlington. At the February meeting, 1960, the Planning Committee was given authority to secure preliminary working plans for the entire building program, the cost not to exceed \$4,000.00. At the March meeting the Board of Deacons recommended that the Rev. Charlie J. Poole be called as Associate Pastor, with definite responsibility as Pastor of Northside Mission, which carried favorably. At the August meeting, 1960, the new constitution as prepared by J. H. Whicker Sr. and his committee was read, a motion was made, seconded, and the constitution adopted.

In September, 1960, the church approved the building plans as recommended by the Building and Planning Committee and at the same meeting Dr. Heber Peacock read his letter of resignation in which he indicated his call as Chairman of the Department of Religion of Baylor University. His resignation was accepted with regret.

At the same time a Pulpit Committee of twelve members was appointed. At the February meeting, 1961, Mr. Raymond Blevins, Chairman of the Pulpit Committee recommended that the church call Rev. R. F. Smith as Pastor. The motion was seconded and carried favorably. At the same meeting, Isaac Duncan, Chairman of the Building Committee, made a motion that bids be let for construction of project one and two, consisting of the renovation of the education building and construction of the new childrens building at a total cost of \$143,331.18, which was seconded and carried.

At the July meeting, 1961, Mr. Raymond Blevins stated the deacons recommended that the First Baptist Church authorize the Board of Trustees to sign a deed of trust for a loan up to \$100,000.00 to be used on pay-

ment of the new building and not obligate the church over \$1,000.00 per month.

At the January meeting, 1962, the committee recommended that Jimmie Mize be called as Minister of Education. Upon a motion and seconded it carried unanimously.

The Deacons recommended: No. 1, "Each member shall be instructed to nominate six men from the church membership to serve as deacons. The Nominating Committee to tabulate the results and the twelve men receiving the highest number of votes shall be notified of duties and responsibilities of deacons. The membership will select only 6 of them." No. 2, "One third of each committee shall be elected to serve a period of three years unless otherwise provided in the constitution."

At the July meeting, 1962, Blan Minton, a graduate of Wake Forest College and a student at the Southeastern Seminary, requested ordination to the ministry by the church.

A Presbytery was called in session by Rev. R. F. Smith, composed of the following: Rev. R. F. Smith, Dr. George Griffin, Dr. Alan Easley, Rev. John R. Wright, J. Floyd Woodward, and Rev. Henry Morgan. The Presbytery was opened with prayer. Then they proceeded with the examination after which he was found to be sound and orthodox in the teaching of the scripture. Then a motion was made and seconded and carried favorably that he be received into the church as an ordained minister.

At the December meeting, 1962, the following proposal was presented by the Board of Deacons and unanimously adopted: "1. We propose a \$400,000 Sanctuary Fund. 2. We suggest that a promotional effort be initiated to raise \$200,000.00 during the next three years. 3. That ground be broken when said amount is in hand. 4. At the end of three years pledge, we suggest that another promotional effort to secure another three year pledge for the remaining \$200,000.00 be made. 5. That the present indebtedness of \$80,000.00 be liquidated at the rate of \$12,000.00 a year. 6. We suggest a Sunday be set aside by the church to celebrate its 70th Anniversary."

In January, 1963, a meeting of the Promotion Committee was held and recommended to the Deacons a \$400,000.00 building fund, that pledges be solicited over one, two and three years.

At the February meeting 1963, the Promotion Committee of the new sanctuary building program presented the proposal that money and pledges be solicited in the amount of \$400,000.00 and that when \$150,000.00 of that amount had been received, ground for the new sanctuary be broken, the goal for actual ground breaking, May 1, 1964. The vote was unanimously. It also established a Nursery School (or Week Day Church School), with the three year olds attending two days per week, tuition \$10.00 per month; four year olds attending three days per week, tuition \$15.00 per month; with Mrs. Kurt Conner as teacher. With the tuition prices the school will be self supporting.

On October 27, the Promotional Committee made a report to the deacons of its progress in the proposed sanctuary building program. It recommended the church proceed without delay with the overall building program which vote carried favorably.

At the May meeting, 1964, the preliminary plans and drawing for the new sanctuary were presented and explained by the Chairman of the Executive Committee of the sanctuary building program. The Deacons unanimously recommended the plans. After Mr. Culloch's excellent presentation

a motion was made by Wayne Coffey and seconded by W. K. Sturdivant, and the church voted unanimously in favor of going forward with the plans. At the July meeting, 1964, Mr. Church, told of the discussion with Mrs. J. B. Gilreath, relating to purchasing her property, which measured 62½ by 140 feet. He made a motion that there be made a firm offer of \$15,000.00 plus cancellation of her \$1,000.00 building fund. When the vote was called for it was unanimously in favor of the motion.

At the May meeting, 1965, the Pastor reviewed the steps that had been taken and the plans made for a new sanctuary from 1962 to the present. He then presented Wayne Coffey, Chairman of the Executive Committee of the Sanctuary Building Committee. He then recognized the members of the Sanctuary Executive Committee, Finance Committee, Legal Committee and Promotional and Planning Committee, telling the part each had played in bringing the program to its present status. After each member had been given an opportunity to read the material, he moved for the adoption of recommendation: No. 1 which reads as follows: "The Sanctuary Executive Committee with the unanimous approval of the Deacons, recommends that the contract for the sanctuary be awarded in the amount of \$287,989.00 to J. S. Massey and Co. Inc. of Winston-Salem." The motion was seconded and carried. Recommendation 2, which reads as follows: "The Finance Committee and Promotion Committee with the unanimous approval of the Deacons jointly recommends that the church borrow up to \$350,000.00 from the Northwestern Bank at 5%, with annual payment of \$20,000.00, plus quarterly interest, for a period of five years, and the Trustees be authorized to execute a deed of trust up to \$350,000.00." The moderator then called for a vote, which was made seconded and carried favorably.

Total cost of the complete sanctuary was \$347,268.34. The contract called for 380 calendar days for completion with a \$100.00 penalty for each day beyond the 380 days. At the October meeting, 1965 the building construction was moving along good and progress was being made on the baptistry. At the June meeting 1966, Charlie Pool, offered his resignation as Associate Pastor to become effective July 3, 1966, as he felt that God had called him to another field. His request was granted.

At the July meeting, 1966 the Deacons recommended that a committee be formed to select a man, who would serve as Pastor of Northside Mission and Associate Pastor of First Baptist Church. On September 24, 1966, a contract was entered into between the Trustees of the church and Howard Griffin party of the second part. The party of the first part sold to the party of the second part a house located in "E" Street just back of the First Baptist Church sanctuary, known as the Gilbert house. The contract conveyed only the house which party of second part was to have moved and all debris moved by September 26, 1966.

At the October meeting, 1966, W. K. Sturdivant stated that he, Cecil Lee Porter, and D. E. Elledge, had been appointed for the examination of Hale Hayes for the ministry. After the examination they recommended he be given license to preach, which was unanimously approved. On October 12, 1966, Ellihu Sloan, reported that the organ had been completed and was in fine working order.

At the January meeting, 1967, the pastor reported that \$92,000.00 had been given in through envelope during 1966 and \$30,000.00 given to the building fund. At the May meeting 1967, Rev. R. F. Smith asked for his resignation, effective June 30, 1967, to become Pastor of the First Baptist

Church in Durham on July 1, 1967. He had served this church faithfully from March 26, 1961 to June 30, 1967. His resignation was accepted with regret.

On June 4, 1967, the church in special conference, with Raymond Blevins, Chairman of the Deacons, presiding, a pulpit committee was elected. Two recommendations were made. 1. Twelve people were nominated to serve on the committee: Don Abernethy, J. M. Bentley, Clint Bentley, Wayne Coffey, Wayne Church, U. W. Foster, Max Foster, Cecil Porter, Maurice Walsh, Pat Day, Vivian Green, Madge Sturdivant. The church voted their approval. 2. Deacons recommended that Dr. John T. Wayland, Professor at Southeastern Seminary and former Pastor be called as Interim Pastor. The church approved the recommendation. At the August meeting, 1967, W. O. Absher, Chairman of the Finance Committee, reported that the church needed about \$725.00 per week to pay for the new sanctuary. The cost of the new sanctuary was discussed and a figure of \$350,000.00 was given as the approximate cost.

At the September meeting, U. W. Foster, Treasurer, gave a detailed report of the cost of the new Sanctuary. The total amount was approximately \$366,000.00.

On September 21, 1967, a special church conference on Sunday morning was opened with prayer by Mr. Raymond Blevins, Chairman of the Deacons. Then he called on Mr. Wayne Church, Chairman of the Pulpit Committee for his report.

The Pulpit Committee recommended Rev. Allen Laymon as Pastor. The church voted to extend a unanimous call to Brother Laymon, of Benson, N. C. Mr. Laymon accepted the call and began serving the second Sunday in October 1967, and is still serving as pastor.

At the May meeting, 1968, the Ground Committee recommended that they be authorized to dispose of the old organ and pews, in the old sanctuary. The church gave permission that the pews be offered to Northside Chapel and those remaining be sold.

On September 29, 1968, the Culmination of the Seventy-Fifth Anniversary Observance was held. Dr. John T. Wayland delivered the morning worship. A special anniversary service was held in the afternoon in which the cornerstone of the old sanctuary was removed. Recognition of papers and a Bible that had been placed behind the cornerstone in 1912 was made.

A BRIEF HISTORY OF BETHANY BAPTIST CHURCH

On October 29, 1892, the following brethren and sisters were set off from the Bethel Baptist Church to constitute a new church; E. D. Hendren, A. E. Hendren, W. E. Hendren, E. C. Moore, J. G. Hayes, N. W. Baker, T. C. Tevepaugh, M. C. Campbell, J. N. Hendren, Mrs. C. M. Hendren, Mrs. L. C. Hendren, Mrs. A. M. Hendren, Mrs. M. L. Hendren, Mrs. A. F. Moore, Mrs. L. P. Hayes, Mrs. C. R. Hendren, Mrs. L. K. Hendren, Mrs. Susan Baker, Mrs. Louisa Baker, Mrs. C. E. Hendren, Mrs. T. K. Tevepaugh, Mrs. I. N. Smith, Mrs. L. E. Baker, Mrs. L. P. Hendren, Mrs. C. C. Campbell. They met in the new church. Elders C. C. Poole, J. P. Gwaltney and A. N. Baker, served as a secretary.

Articles of Faith were called for and read as follows: 1. We believe

the Holy Bible was written by men divinely inspired and is a perfect treasury of heavenly instruction. That it has God for its author, salvation for its end, and truth without mixture of error for its matter. 2. We believe the Scriptures teach that there is one and only one living and true God, an infinite and intelligent Spirit whose name is Jehovah, the worker and supreme ruler of Heaven and earth. That in the unity of the Godhead there are three persons, the Father, Son, and Holy Ghost. 3. We believe the Scriptures teach that man was created in holiness under the law of his maker, but by voluntary transgression he fell from that holy and happy estate, in consequence of which all men are now sinners. 4. We believe the Scriptures teach that salvation is wholly of grace through the conditional office of the Son of God. 5. We believe the Scriptures teach that the great Gospel blessings which Christ secures to such as believe in him is justification. 6. We believe the Scriptures teach that the blessings of salvation are made free to all by grace. 7. We believe that in order to be saved, sinners must be regenerated and born again. 8. We believe the scriptures teach that repentance and faith are sacred duties and also unseparable grace wrought in our souls by the regenerating Spirit of God. 9. We believe the Scriptures teach that election is the eternal purpose of God according to which he graciously regenerates, satisfies, and saves sinners. 10. We believe the Scriptures teach that sanctification is the process by which, according to the will of God, we are made partakers of his Holiness. 11. We believe the Scriptures teach that such only are real believers as endure to the end. 12. We believe the Scriptures teach that the law of God is the eternal and unchangeable rule of his moral government. 13. We believe the Scriptures teach that the visible Church of Christ is a congregation of baptized believers. 14. We believe the Scriptures teach that Christian baptism is the immersion in water of the believer in the name of the Father, Son, and Holy Ghost; that it is a prerequisite to the privilege of a church relation, and to the Lord's Supper. 15. We believe the Scriptures teach that the first day of the week is the Lord's day or Christian Sabbath. 16. We believe the Scriptures teach that civil government is of divine appointment for the interest and good order of human society. 17. We believe the Scriptures teach that there is a radical and essential difference between the righteous and the wicked. 18. We believe the Scriptures teach that the end of the world is appearing, that at the last day Christ will descend from Heaven and raise the dead from the grave for final restitution; that a solemn separation will then take place, that the wicked will be adjudged to endless punishment and the righteous to endless joy and that this judgment will fix forever the final state of men in heaven or hell, on punishment or righteousness.

COVENANT

Having been brought, as we trust, by divine grace to embrace the Lord Jesus Christ and to give ourselves wholly to him and so now believing, we joyfully consecrate with each other in him with brotherly love to his glory as our common Lord. We do therefore in his strength engage: 1. That we will exercise a Christian care and watchfulness over each other and faithfully warn, exhort, and admonish others as occasion may require. 2. That we will not forsake the assembling of ourselves together but will uphold the public worship of God and the ordinances of His house. 3. That we will not omit closet and family prayer and religion at home; nor neglect the great duty of religiously training our children and those

under our care for the service of Christ and the enjoyment of Heaven. 4. That as we are the light of the world and salt of the earth, we will seek divine aid to enable us to avoid all ungodliness and any worldly lust and to work circumspectfully before the world, that we may win the souls of men. 5. That we will cheerfully contribute of our property, accordingly as God has prospered us, for the faithful and evangelistical ministry among us for the support of the poor and the spread of the Gospel over the earth. 6. That we will in all conditions even till death strive to live to the glory of him who called us out of darkness into his marvelous light. 7. And may the God of peace who brought again from the dead our Lord Jesus Christ that great shepherd through the blood of the everlasting covenant make us perfect in every good work to do his will, working in us that which is well pleasing in his sight, through Jesus Christ to whom be glory forever and forever.

After the reading of the Covenant and the Articles of Faith the brethren and sisters were examined by the Presbytery and found to be orthodox, and were regularly declared to be a constituted Baptist Church.

The Baptist Church, constituted on this day, at the new church building, conference proceeded to business as follows: on motion, Elder C. C. Poole was made moderator protem. The church door was opened and received the following by letters: J. N. Moore, Mary K. Moore, Mary Hendren, Fidelia Moore, Viola Moore and Dova Hendren; J. J. Hendren joined by experience. RESOLUTIONS FOR 1968

We, the Committee on Resolutions for the Brushy Mountain Baptist Association, meeting in its Ninety-Seventh Annual Session, wish to express our deep appreciation to North Wilkesboro First and Bethany Baptist Churches for their hospitality made evident through the bountiful meals, and the lovely flowers for both sessions.

We are grateful to the Program Committee for an excellent and informative program. We are appreciative for the Rev. Albert Pruitt and the Rev. Allen Laymon, who brought inspiring messages to the Association. Also, we are appreciative for the visiting brethren who brought us

greetings, and messages from our institutions and organizations.

To our Associational Missionary, the Rev. John R. Wright, we extend our thanks for the fine work he had done. We are grateful for the excellent work of our Clerk, the Rev. J. C. Shaw, Jr.; for the untiring service of our Historian, Mr. J. F. Jordan, and the splendid leadership of our Moderators, the Rev. Clifton Tuttle and the Rev. Hunter Church, who served during the years. To the other officers and departments heads of our Association, for the many services too numerous to mention, we express our sincere thanks.

We take this opportunity to extend our best wishes to our Moderator, the Rev. Hunter Church, and to the officers who will serve with him this year. We welcome the new ministers who have been called into our Association and extend to them our best wishes and sincere cooperation.

Whereas the interest rates are at an old time high, we would like for all the churches in our Association to cooperate in some special way to retire, as early as possible the debt on our Associational office.

We suggest, if it meets the approval of your church to designate all fifth Sunday offerings for this purpose, until our debt is retired. By this we can save a considerable sum of interest.

We suggest, if it meets the approval of your church to support the Wilkes County Boys Town, with prayers and offerings.

Respectfully submitted,
REV. CLYDE CHURCH, Chairman
MRS. ROWAN MOTSINGER
MRS. LLOYD PARDUE

**DEDICATION OF THE 1969 BRUSHY MOUNTAIN
BAPTIST ASSOCIATIONAL ANNUAL**

THE REVEREND N. C. TEAGUE

The 1969 Annual of the Brushy Mountain Baptist Association is dedicated to an interim and supply pastor, the Rev. N. C. Teague, of Moravian Falls, N. C.

He was born June 29, 1899, in Chatham County, near Siler City, to W. C. and Mary Teague. Rev. Mr. Teague is a graduate of Siler City High School, Duke University and Southern Baptist Theological Seminary, Louisville, Kentucky. He was ordained to the Gospel Ministry at Temple Baptist Church, Durham, N. C., on May 24, making his ministry 45 years up to the present.

Mr. Teague married Miss Moselle Breeze of Durham, on September 18, 1924. Their three children are Mrs. Roy Vickers (Ruth), of Falls Mills, Virginia; W. Nolan Teague of Roanoke, Virginia; and J. Ned Teague, of Raleigh, N. C. They have eight grandchildren, one of whom is a High School Senior this year. Rev. and Mrs. Teague now live in Moravian Falls where they bought property and built a new home five years ago. The Moravian Falls Baptist Church is their home church now.

Since entering the ministry in 1924, Rev. Teague spent 41 years of continuous pastoral ministry to churches in Northwestern North Carolina. The following churches are the ones he served as pastor:

Sparta, Liberty, and Chestnut Grove Churches in Alleghany County.

Wilkesboro, Roaring River, Cub Creek, and Traphill Churches in Wilkes County.

Southside Church, Winston-Salem.

Reeds and Churchland Churches, Liberty Association, Davidson County.

Calvary Church, Rowan County.

Pleasant Hill Church, Elkin.

New parsonages were built and paid for in three of the churches served. An educational building costing \$83,000 was built and 90% paid for at Pleasant Hill Church during his ministry there.

Rev. Teague has been an interested and participating member of the Southern Baptist Convention, the Baptist State Convention of North Carolina and of every Association where he has served. His work in addition to his continuous pastoral ministry has been many revivals, service on the General Board of the Baptist State Convention; service as Clerk in the Alleghany Association as well as preaching the Annual Sermon there; service for two years each as Moderator of Liberty, Rowan and Elkin Associations; Pastor-Advisor of Associational Training Union work for two years; Annuity Board Representative for two years, and Associational Preacher in the Brushy Mountain Association one year. He is also a Director of the Senior Citizens' Council of Wilkes County.

Since September 16, 1965, when he retired from the pastoral ministry at the Pleasant Hill Baptist Church, Elkin, and moved to Moravian Falls, Rev. Teague has been serving as a supply preacher, holding revivals; and has served as interim pastor for three to six months duration in several churches. On the average he has been occupied with this work two-thirds of the time. Churches he has served as interim pastor are:

Macedonia, in Elkin Association; Millers Creek (twice), Northside Chapel, Moravian Falls, Hinshaw Street and Cub Creek in the Brushy Mountain Baptist Association. He has been called as interim pastor of Lewis Fork.

The Baptists of the Brushy Mountain Baptist Association are grateful to Mr. Teague for his faithful service, for his wonderful example of a dedicated Christian life, and for his continued interest in the work of the Lord.

John R. Wright, Missionary, with Mrs. O. M. Proffit playing the piano. The Moderator asked that registration slips be turned in, and that everyone register.

2. The Rev. Albert Pruitt, host pastor, extended a warm welcome to the messengers and visitors and led in a period of worship, reading I Corinthians 2 and leading in prayer.

3. Mr. John Idol presented the printed program for the Order of Business Committee, with the theme "**Living in the Spirit of Christ.**" He expressed appreciation for the help given by Miss Betty Mikeal, Miss Nora Laws, and the Rev. John R. Wright, in preparing the program. He noted changes in speakers: Dr. L. H. Hollingsworth, Christian Education; Rev. Fred Barnes, Children's Homes; Dr. Andy Lester, Hospital; Rev. C. W. Bazemore, **Biblical Recorder**. He made a motion to adopt the printed program as the order of business for the Association, which was seconded and passed by show of hands.

4. The Rev. J. C. Shaw, Jr., Clerk, read the roll call of churches. Final registration for the two days showed every church represented except Cricket; Gordon; Mt. Carmel; with 257 registered messengers and visitors from the churches and 15 visitors from outside the association, making a total of 272. There were 26 pastors present representing the churches. The Clerk recognized the Pastors and visitors present, and introduced the new pastors who had come into the Association during the year.

He stated that the committee recommended to the Finance Committee that \$75.00 for the Clerk and \$75.00 for the Treasurer be included in the budget for the year. EXECUTIVE COMMITTEE REPORT — 1969

The Executive Committee of the Brushy Mountain Baptist Association met for its four regular meetings in November, March, May and August.

In the November meeting the Moderator appointed the following on an Office Equipment Committee: Rev. Henry A. Morgan, Rev. G. Cecil Arney, and Rev. Hunter Church, to consider the equipment needed for the office.

In the May meeting, Dr. W. L. Pitts was welcomed into the Association, and led the devotion. All churches were asked to give \$15.00 for the support of the Association, to pay debts of over \$1,000.00. A request made by the Elk Baptist Church for Pastoral Aid in the amount of \$1,500, and the request was approved. The Office Equipment Committee reported a special drive for funds had enabled the purchase of an electric typewriter and mimeographing machine.

In the August meeting, Brother Chalmer Dyer, Treasurer, reported the churches had responded to the request for help in paying off the debt of the Association. It was reported that the request by the Elk Baptist Church was approved in the amount of \$492.00 for the rest of the year.

There were reports made by the leaders of the organizations in all of the meetings of the committees.

We would like to encourage each church to elect a representative for the Executive Committee, who along with the pastor should attend these quarterly meetings to help us carry out the work of the Association.

Respectfully submitted,
HUNTER CHURCH, Moderator

1969 STEWARDSHIP AND COOPERATIVE PROGRAM COMMITTEE REPORT

When the word "stewardship" is used, most of us begin to see dollar signs \$ \$! If we think of stewardship only in terms of money, we are missing the mark. Stewardship means responsibility in ALL areas of life. We are stewards or trustees of our time, our talents, and our abilities. The Christian attitude is that we are responsible beings who must one day give account to our Maker for all that God has provided. The worship of God with tithes and offerings through our local churches and through our mission giving provides one way of expressing our gratitude to God for His blessings.

Materials for informing our people are produced and distributed by the Department of Stewardship Development, Rev. R. Tom Greene, secretary, and Mrs. Susan Cochrane, office secretary.

Teaching and training in the Forward Program, Growth in Christian Stewardship and Simple Plans for Stewardship Development is the responsibility of Rev. Harold White and his associate, Rev. Cleve Wilkie. Mrs. Dorothy Smith is office secretary. Mrs. Smith is also office secretary for the Annuity Department, Rev. Guy Cain, secretary.

The distribution of films, filmstrips and other audio visual materials and a radio and television ministry is carried on by Mr. L. J. Morriss. Mrs. Esther Kidd, office secretary, is assisted by Mrs. Frances Riley and Mrs. Sylvia Neely in this work.

Rev. O. J. Hagler is Director of the Division of Stewardship Promotion and Mrs. Lacy Coates is secretary.

The Cooperative Program is the main channel for supporting World Missions, Christian Education, Social Services and an ever expanding State Missions program. The goal for these causes this year, 1969, is \$6,750,000.

A special State Missions Offering goal of \$250,000 is a challenge to all Baptist churches. Other approved special offerings are: The Lottie Moon Christmas Offering, The Annie Armstrong Easter Offering, the Heck-Jones Memorial Offering, the Hospital Special Mother's Day, the Thanksgiving Special for the Baptist Children's Homes, Christian Education on Father's Day and Homes for Aging in February, all combine to an amount that will approach ten million dollars in 1969.

As dedicated Christian stewards, will you try to lead your church:

1. To use a stewardship program to help subscribe your own church budget.
2. To increase the percentage of the offering plate dollar given through the Cooperative Program.
3. To increase your gifts to the agencies and institutions listed above in the special offerings.
4. To increase your gifts to your Associational Missions program.

May God bless you and your church as you grow in your understanding of the challenge of Christian stewardship.

Respectfully submitted,
REV. GWYN BLACKBURN

REPORT OF THE NEW CHURCH COMMITTEE

The Rocky Creek Baptist Church, in the Moravian Falls Community of Wilkes County, submitted an Application for Membership in the Brushy Mountain Baptist Association at the Annual Associational Meeting two years ago. The Church at that time was received under the watchcare of the Association.

The Church has now submitted an Application Form for member-

ship in the Brushy Mountain Baptist Association, properly filled out, listing the date the church voted to make formal application for membership. The form was signed by the Pastor, Clerk, and Deacons. A Church Letter to the Association was also completed and sent with the Application, along with a check for copies of the Minutes.

From the point of view of doctrine, practice, policy, and denominational cooperation the Church was found to be in order. Your Committee recommends that the Rocky Creek Baptist Church be received into the membership of churches of the Brushy Mountain Baptist Association, with all rights and privileges.

Respectfully submitted,
FRANK WALKER, Chairman

1968-1969**

The Brushy Mountain Pastor's Conference held regular monthly meetings during 1968-1969 usually on the first Monday of each month. Most of the meetings are conducted in the office of the Associational Missionary.

The officers for the 1968-1969 Pastor's Conference were: Rev. Allen Laymon, President; Rev. E. W. McMurray, Vice President; Rev. G. C. Arney, Program Chairman; Rev. R. W. Teague, Program II; and Rev. David E. Creech, Secretary-Treasurer. The services rendered by each of these officers during the past year is deeply appreciated by everyone.

There were a number of outstanding events concerning the Pastor's Conference in 1968-1969. Briefly they were as follows:

Mr. Zane Bumgarner and Rev. Robert Westmoreland were guest speakers at the November meeting of the Pastor's Conference. They informed us of the critical condition in Wilkes County brought about by alcohol. A committee was appointed to see if a ward could be made available at Wilkes General Hospital for acute alcoholics.

The Minister's Wives Banquet was held December 14, 1968 at the First Baptist Church of North Wilkesboro. It was a meaningful experience for everyone present.

The significance of the January Pastor's Conference was the agreement of common consent for the pastors, to write a letter of commendation to the astronauts for their Bible reading during the lunar orbit.

The Pastor's Conference met March 3, 1969, and was privileged to hear Mr. John P. Stevenson, Executive Director of the Hope Harbor Home for Alcoholics. Mr. Stephenson indicated that he would offer his assistance in establishing a home for alcoholics in this area if we desired one.

It is also of interest to note that the pastors voted to purchase a piano to be used at the Pastor's Conference or any other activity of the association being held at the Associational Missionary's Office. The total cost was \$375.00. There is a current balance of \$85.00.

The 1968-1969 Pastor's Conference came to a happy ending with the annual picnic of the ministers and families at Smoot Park on September 8. Seventeen ministers were present with their families and other guests.

New officers were elected for the 1968-1969 Pastor's Conference.

HOME MISSION BOARD REPORT — 1969

The Churches of the Brushy Mountain Baptist Association can extend their services and influence throughout the United States, Panama, and Puerto Rico, through the work of the Home Mission Board. There are 2,385 missionaries to do this work. (This number was augmented during the summer by 897 student workers). In the most recent statistical summary advancement was noted in ten of the sixteen situations reported on.

There has been great advancement in urban missions, and it is expected by 1970 that every city in our land with more than 75,000 population will have been entered by Southern Baptist missions.

The Crusade of the Americas has had an awakening influence in many areas, and great spiritual results that will never go down on paper as a statistic.

A new "climate of openness" has developed in Home Mission work as programs are being geared to forging together of evangelism and social services. The so-called conflict between these two approaches has been a dominant theme with our Baptist leaders since the crisis statement adopted by the 1968 Convention in Houston, C. E. Autry, Director of Evangelism (now retired) says this question will be resolved within three years.

This report would be incomplete if the work of the W.M.U. were not mentioned. This organization is one of the main forces aiding the Home Mission Board. During Home Missions week last March their study was "The Living Church at Work." Those participating were brought to a new realization that the local church is "the cutting edge" of the change we hope to achieve to a greater servitude. And the W.M.U. spearheaded the drive for the Annie Armstrong Easter Offering with the goal of \$6,500,000.

Dr. A. B. Rutledge, the Executive Secretary, has written a new book. "Mission to America," which is a complete and inspiring history of the Home Mission Board's work since 1845.

In the work of this board there are as many needs as there are aspirations. Let us work, pray and give to help fulfill the needs so that the hopes may be realized.

Respectfully submitted,
MRS. O. M. PROFFIT

1969 TRAINING UNION REPORT TO THE ASSOCIATION

These are exciting days for Church Training. Many new ideas, new materials, and a new seriousness to our need for Christian training are coming to us through the Church Training Ministry.

We were fortunate to have Rev. Maurice Cooper of our State Church Training Department to lead us in a New Member Orientation Clinic April 14, 1969.

We had two churches represented in the Junior Memory Work

Tournament, one in the Intermediate Sword Drill, one in the Speaker's Tournament, and two in the Adult Bible Reading Tournament, in our Association. In the Regional Tournaments we were represented by Miss Glenda Stanley, Millers Creek, in the Speakers' Tournament; by Miss Rhonda Day, Millers Creek, in the Intermediate Sword Drill; by Miss Pandora Johnson and Miss Beth Blevins from Moravian Falls in the Junior Memory Work Tournament. Miss Johnson and Miss Blevins also took part in the State Junior Memory Work Tournament.

As it is necessary to write this report before reports are received from the various churches for the Associational Minutes it is impossible to state the exact number of churches regularly engaged in Church Membership Training, but it is about half of our churches and others are engaging in New Membership Orientation and Church Leadership Training. We are thankful for this, but every church should have each phase of the training program, and we urge them to seriously consider the matter.

We had M Night attendance of 300; Youth Night 84; Tournament Night 120; and June Group Meetings 284. Attendance Banners were won by Goshen (3), Millers Creek (2), and Moravian Falls. Efficiency Banners went to New Hope Adults and Purlear Juniors.

May I urge each of you to study and stay up to date with current Training Union materials, especially the **Training Union Magazine**. This is essential in order to keep up with the larger ministry of Church Training. Also, as I undertake another year in this work I covet your prayers, assistance and support. Let us covenant together to make use of the Church Training Ministries as a means toward a more effective Christian Witness through the local church.

Respectfully submitted,
MISS LUNDA HENDREN, Director

1969 SUNDAY SCHOOL REPORT TO THE ASSOCIATION

The Associational Sunday School Department had a full slate of officers this year.

A conference was held at the First Baptist Church, North Wilkesboro, April 21. The theme of the conference was "Christian Involvement."

The annual Sunday School Action Night was held at the Wilkesboro Baptist Church, with conferences for each age group. The Sunday School Program 1969-1970 was the theme.

Many changes will take place in the Sunday School in the 70's. The Associational Sunday School workers stand ready to help any church to understand the changes that will be coming about.

Respectfully submitted,
REV. G. C. ARNEY

PROPERTIES COMMITTEE REPORT

Work on the Associational property for this year included termite extermination at the office and a new hot water heater at the parsonage.

The lawn was greatly improved with the application of fertilizing and reseeded the lawn by men of the Beaver Creek Baptist Church. Mr. Earle Wolfe gave the fertilizer and Mr. Parks Hayes spread it.

The problem with the septic tank was found and corrected. Mr. E. C. Eller of the Elk Baptist Church donated his work in this project.

There was some minor electrical damage by lightning to the associational office. This repair incurred very little expense.

The Properties Committee wishes to commend the people of the Association for their willingness to keep the property in good condition. We show our gratitude in some small way for the ministry of the Associational Missionary and his family by providing adequate living and working facilities. Too, these facilities show to some degree our own pride and interest in the Associational work. We also wish to thank the janitors of First Baptist Church for cleaning and waxing the floors at the office.

SCHOOL OF CHRISTIAN STUDIES REPORT 1969

The School of Christian Studies had one ten week class this year with seventeen persons enrolled. The class was Christian Doctrines taught by Rev. David E. Creech. The attendance and the spirit of this class was good and we appreciate the time and effort that Mr. Creech gave to the class.

The Town and Country and Seminary Extension Department of the Baptist State Convention gave us assistance on the teachers honorarium. as they have done the past two years.

The financial report is as follows:

RECEIPTS	\$231.25
EXPENDITURES:	
Books and Tuition	\$199.95
Teachers Honorarium	25.00
Postage and Supplies	6.30
TOTAL EXPENSES	225.25

The School of Christian Studies will offer one class beginning March 3 in the New Testament area on the Epistle to the Galatians. We commend those churches that paid the tuition cost for some of their Sunday School teachers to attend.

BAPTIST CHILDREN'S HOMES REPORT FOR 1969

North Carolina Baptists are fortunate to have one of the finest programs in the nation for the care and development of dependent children and for strengthening and supporting family life. More than 1,200 children and their families are served annually. This is an application of the teaching and an example of Christ in His earthly ministry.

The Children's Homes, a family service agency, through the work of a well trained and professional staff, provide group care programs, foster home care, family services, consultation with churches to pre-school programs, and planning for higher education of children who have been in care. There are six campuses and many casework centers throughout the State.

More requests for services are coming to the Children's Homes than at any time in the past. All beds are filled, and all available money is in use. The Homes have been caught in the rising costs of living and in the inflationary economy. A wider variety of quality services are being demanded to meet the needs of children who are the product of today's complex society. Additional funds must be found before any expansion of the ministries of the Homes can be considered.

Friends of the Children's Homes in Western North Carolina have given generously to raise funds to establish the Broyhill Home. Land has been purchased, and two cottages are under construction. When the campus has been completed there will be four cottages, a multi-purpose administration, and activities building, and a home for the superintendent. Another ministry is being developed in Asheville to serve unwed mothers and their offspring in a home to be opened this fall.

By the use of designated gifts and bequests from individuals and families, significant progress is being made in the long range plans for upgrading the facilities. Two cottages are under construction at Mills Home. A recreation building and an infirmary at Kennedy Home and two cottages for children at the Broyhill Home are scheduled for construction during next year.

The contribution of our Baptist people through the Cooperative Program, the Thanksgiving Offering and special gifts are essential to our continued operation and are received with deep appreciation. An increasing number of friends are finding a rewarding stewardship opportunity through the establishment of trusts for the Homes and by means of wills and estate planning for the needs of dependent children. Members of the staff are available for consultation in estate planning and the preparation of wills.

A BRIEF HISTORY OF ROARING RIVER BAPTIST CHURCH

In April, 1906, several citizens of Roaring River met in the school house and organized a Sunday School. It was conducted there for two years and kept growing in membership during this time. The people saw the need of a church being organized.

In 1908 a Presbytery composed of Rev. N. T. Jarvis, Rev. R. N. Garner and Rev. W. T. Comer met in the school house and organized the Roaring River Baptist Church. Rev. N. T. Jarvis acted as moderator until the organization was completed.

It seems that there is no record to be found of the Covenant and Rules of Decorum that were adopted. The New Hampshire Confession of Faith was adopted. The only rule found in the by-laws is that no member shall go to law against another member without permission of the church. This applied to civil actions.

The following were charter members: J. A. Blackburn, Mattie Blackburn, J. R. Boldin, Julia Boldin, Bessie Boldin, R. L. Church, and wife, Jane Woodruff Church, Charity Church, Aurora Church, W. G. Church, E. R. Felts, Theo A. Felts, Hassie Felts, L. N. Salmond, T. J. McNeill, and wife Minnie McNeill, and Nannie Salmond.

Rev. W. A. Myers was called as the first pastor, with a salary of five dollars a month. Worship service was held on the second Saturday afternoon and the second Sunday morning of each month. Since the church did not have a building it rented the school building for one dollar a month and met in it for two years until a building was erected. L. J. Salmond donated one acre of land, which is part of the present church property. He was to supervise the building; T. J. McNeill was elected to buy materials and W. C. Church was to collect the funds. A boundary of timber was bought for \$100.00 and enough lumber was cut for the building, the remainder was sold and the money was put in a building fund, which completed the building. The pews were purchased from the First Baptist Church of North Wilkesboro for \$50.00. The first service was held in the new building in October, 1910.

In 1947 Harry Salmond donated to the church a parcel of land joining the church property and agreed to sell the church another parcel of land which joined the land donated. The church accepted the first tract and purchased the second tract.

In 1952 a rug was purchased from Gray Brothers at a cost of \$490, for the aisle and pulpit. In 1953 a driveway was graded and gravel spread around the building.

In 1955 a gas furnace was installed in the sanctuary and small gas heaters were placed in each Sunday School room. In 1957 stained glass window panes were installed in the sanctuary, and four

Sunday School rooms were added, two on each side of the building and two in the basement. In 1958 the church held its first home-coming. In 1964 five Sunday School rooms and two rest rooms of cement block were added to the back side of the building. In 1964 the church adopted the budget system and voted to pay the pastor \$100.00 per month.

The gas heating system was replaced with an oil furnace. In 1966 Carlise Wayne and Lawrence Staley presented a Hammond electric organ to the church in memory of their mother, Mrs. Roxie Mathis Staley.

In 1968 the sanctuary was redecorated with new pulpit furniture and new pews installed.

Roaring River and Liberty Grove Baptist Churches formed a field in 1954 with each church having part time preaching until 1959, when Liberty Grove went on full time.

The church joined the Brier Creek Baptist Association when it was organized and remained with it until 1950 when it withdrew and presented its application to the Brushy Mountain Baptist Association and was accepted in full fellowship in 1952.

The church has been served by the following pastors: W. A. Myers; A. T. Pardue; R. N. Garner; T. E. Redmon; L. B. Mury; C. S. Norval; J. S. Johnson; Lloyd Teague, from 1923-1925; N. C. Teague, 1926-1930; N. T. Jarvis, J. M. Rash and J. A. Duren supply 1930-1931; Avery M. Church, 1932-1935; J. M. Wright, 1936-1942; Lloyd Pardue, 1942-1943; D. L. Temple, 1943-1946; Roger Gwaltney, 1946-1948; Eli Smith, 1949-1950; D. G. Reece, Supply 1951; W. D. Byrd, 1951-1953; Leroy Thomas, 1954-1956; Howard Laney 1956-1959; Fred Morris, 1960-1963; Jackie Luffman, ministerial student, supply, 1964; Joe Blackburn, 1964-1966; Albert Pruitt, elected in 1966, and is still serving as pastor. In 1961 the pastorium was completed and Rev. Fred Morris was the first pastor to occupy it.

The church has had clerks as follows: T. J. McNeill; F. R. Harris, 1923-1924; Mrs. F. R. Harris, 1925-1926; Miss Durnald Greene, 1926-1928; Alston Pardue, 1929-1942; L. W. Smithey, 1942-1944; B. C. Jordan, 1944-1946; Mrs. Eula Lytton, elected in 1947 and is still serving as clerk.

In 1933 the church turned Brother A. J. Jackson over to a Presbytery, composed of Rev. A. T. Pardue, Rev. J. S. Elliott, Rev. A. M. Church, who after examination reported him orthodox in faith and belief and recommend that he be ordained. Rev. A. T. Pardue delivered the charge, Rev. J. S. Elliott presented the Bible and Rev. A. M. Church led in prayer. There was a motion that the church accept Brother Jackson into the church as a fully ordained minister which was passed and he was presented with his ordination papers.

There are at the present time 92 enrolled in Sunday School, with Maurice Nichols serving as Sunday School Superintendent. A Vacation Bible School was held this past summer with 40 pupils enrolled. The Church participates in most of the activities of the Baptist denomination and has increased in membership from the 18 charter members to 122 members.

You will find the statistical report of your missionary in the preceding pages. Many hours, miles and thoughts have been consumed as I have sought the best way to serve you and the churches of the Association this past year. We are a people blessed of God in so many ways. Many of our churches are growing in numbers, buildings have been improved, roads improved, and our churches are blessed with excellent pastoral leadership.

Some churches have experienced financial difficulties in the inflationary economy. Others have the problem of lack of interest on the part of church members, some have had difficulty in finding a pastor.

The challenge of the future is bright as we accept the promise of God that when we call upon Him, He will answer. God's "Good News"

still wins the lost, inspires the dedicated Christian to service, and challenges us to do our best in our ministry to others. We have problems of race, poverty, illiteracy, of unredeemed man, and increasing secularization of our society. Rather than cause us to become despondent that the world is in this condition, it should cause us to increase our efforts to present the claims of Christ in every possible way. We have the answer to the needs of mankind in the Gospel of Jesus Christ.

Please call upon me if I can be of service to you or your church. I will count it a privilege to be of assistance, to counsel or advise you in this ministry.

JOHN R. WRIGHT

1969 ANNUITY BOARD REPORT

Inflation and meeting needs of ministers and other church workers are a challenge to Southern Baptists. During 1968, neither inflation nor the economy showed any evidence of a slow-down. Even as late as the second quarter of 1969, there was no sign of a leveling-off by the inflationary trend. The cost of living rose 4.7%. This was the greatest increase since 1951. This inflationary trend affects the buying power of everyone, especially the retired.

To meet the needs of retiring ministers and other church and denominational employees, the Annuity Board has developed the Southern Baptist Protection Program to provide an adequate retirement income. As the inflationary trend continues, many churches and agencies are upgrading their retirement programs by contributing 10% of total salary. The Annuity Board heartily recommends this action. Response to the Three-Plan Protection Program was good during 1968. The Program includes the Plan "A," the Basic Retirement Fund; Plan "B," The Age Security Plan and Plan "C," The Variable Fund. Response was also good in the Life and Health Benefit Plans and in the Life Benefit Plan.

HIGHLIGHTS OF 1968:

1. 3,451 new members in the Southern Baptist Protection Program.
2. 23,714 members now participating in Plan "A," 1,538 more than in 1967.
3. 18,086 Churches providing protection for their pastors.
4. 145 agencies providing protection for 9,894 employees.
5. \$173,863 given in relief grants.
6. \$6,543,169 paid in total relief and protection benefits.
7. 3,106 applications for Health Benefit Plan; 1,677 net gain.
8. 790 applications for Life Benefit Plan; 134 net gain. Some new additions and changes to this plan have been made recently.

According to the latest figures we have, 24 of the 40 churches in our Association, including our Associational Missionary, and staff members in one church, are participating in the Southern Baptist Protection Program. Information about this program and the Life and Health Benefit Plans may be obtained from your Associational Office, or from our State Representative, Rev. Guy Cain, 301 Hillsboro Street,

Raleigh, N. C. 27603, or from the Development Division, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

BAPTIST FOUNDATION REPORT FOR 1969

The assets of the North Carolina Baptist Foundation, Inc., have now reached beyond the one million dollar mark, including trust funds and real estate. Since the reactivation of the Foundation the total assets have increased from \$350,000 in 1962 to the one million and above figure. This is positive proof that the Baptists of North Carolina have discovered that the Foundation is a service arm of the Baptist Convention of North Carolina.

The Foundation renders a service to: (1) God, (2) individuals, (3) Baptist agencies and institutions. Every Baptist has an opportunity through his Foundation to provide for continuing stewardship in the agencies and institutions in which he has an interest.

The Foundation has again this year put particular emphasis upon the making of wills. Several churches have used the facilities of the Foundation to conduct Will Clinics and reports from the clinics indicate that they were most successful. We have also had an opportunity to counsel with many people concerning their own wills, and in some instances we have provided the information and direction necessary for inclusion of Baptist causes in their wills.

We have had a most successful year and can attest to the fact that the Foundation is on the move and is rendering service to Baptists in a most concrete way.

BROTHERHOOD REPORT — 1969

The Brotherhood is a fellowship of Baptist Men, Baptist Young Men and Boys which consists of all the men and boys of the Church. We now have 41 churches in the Brushy Mountain Association. A greater majority of these need to look into the Brotherhood Program. An active Brotherhood Program, reaching its objectives in the Church Program can help your church in many ways. To start with, all you need is one man who is concerned about the mission of the church.

The percentage of our churches that have Brotherhood work in the Association is low, but some progress was made last year. We believe we are on the incline, and hope to stay this way throughout this new year.

WELCOME

We are happy to welcome you into the fellowship of Baptist Men. We trust that you will find this program of missionary education interesting and helpful and that you will **become active** in the **mission actions** which your church has asked us to lead.

Over the past months we will mention activities which took place in our Association.

I have had the privilege of visiting in several of the churches, talking to Pastors, Laymen and individuals concerning our program. All seem to be interested. Will you pray with me that God's Will will be done concerning our duty as Christian men and boys?

Edgewood and Liberty Grove Baptist Churches have approved the

Brotherhood Program. Bethany, Cub Creek, and other Churches are considering it seriously at this time.

Another Regional Meeting was held at the Dodge House with Brotherhood workers from surrounding areas present.

On August 22-23, the Associational Brotherhood Director and the Associational R. A. Leader attended the State Briefing at the First Baptist Church, High Point, N. C., and attended the Brotherhood and R. A. Workshops.

An Associational Brotherhood Workshop for all the officers of Brotherhood work was held at the First Baptist Church, North Wilkesboro, on August 28-29.

Please contact me in regard to your program, if I can help. Please contact me if you are interested in beginning the program, and I will inform you about the work. You can reach me by phone: Business 838-3131 (9:00 a.m. - 5:00 p.m.) Residence 838-5850 (to 11:00 p.m.).

Remember this: All Baptist Men and Missions go together. It is a combination that with the help of God through the work of the Holy Spirit, can revolutionize a Church, a neighborhood, a community, a city, a nation, and the world for Christ.

Make Baptist Men, Baptist Young Men and Boys' Brotherhood program a reality in your church. Can it happen to your church? It can and will if

W.M.U. ANNUAL REPORT — 1969

From its beginning the church has been under the urgent command of Jesus Christ to carry His Gospel into all the world. Increasingly, the W.M.U. recognizes her responsibility for helping the church fulfill this missionary task.

Many of you, who are working in your Woman's Missionary Unions with vigor and enthusiasm, have caught an ever broadening vision of the world's need of a Saviour, and have become aware of the privilege and obligation that is yours. But discouraging are my thoughts when I realize what the Baptist Women of the Brushy Mountain Baptist Association could have done, if we had all been wholly dedicated to our Lord. In this new year, 1969-1970, may we make a new commitment to our task, may our concern for the whole world steadily increase, and may we find many ways of sharing the Good News of the Gospel of Jesus Christ.

How grateful I am for having the privilege and opportunity to serve as your WMU Director this past year. The work has required much prayer and planning, many meetings and extensive traveling. Interesting, challenging and discouraging experiences have been mine.

Let me express my deep appreciation to the Associational WMU Council for their service and faithfulness in the work. The members have been an inspiration and blessing to me.

During the past year we have promoted our Southwide and State Meetings, local meetings, Weeks of Prayer for Foreign and Home Missions. Our Association was represented at the Annual WMU Meeting in Charlotte, March 11-13 and at the Annual WMU Meeting of the Southern Baptist Convention in New Orleans, June 9-10. Some of our YWA's, under the leadership of Mrs. Lawrence Miller, were represented at the Convention in Greensboro, April 11-13. Many G.A.' attended GA Camp at Camp Mundo Vista, under the leadership of Mrs. Raymond Blevins. The Sunbeams, under the leadership of Mrs. Dwight

Williamson, had a wonderful Day Camp on the Brushies, with many Sunbeam boys and girls attending.

The Annual Associational WMU Meeting was held April 24 at the Oakwoods Baptist Church. Members from different churches gave a drama entitled, "Me, In Mission Action?" An Associational Leadership Course was held at the Wilkesboro Baptist Church, January 27-28. Our State WMU Leaders were here to lead each conference.

Many of our women participated in the Crusade of the Americas in March and April.

We are always discouraged when so few of our women attend our summer assemblies, especially since Ridgecrest is so near. There is no better way to prepare ourselves for greater service for our Lord than to attend this week of inspiration in Bible study, expert information and deeply spiritual messages from our missionaries, and wonderful Christian fellowship. Several of our women attended this summer.

The WMU Council, Mrs. O. M. Proffit, Mrs. Gilbert Foster and Mrs. Frank Jarvis attended a Conference in Hickory in September. On September 29th these leaders led in an Associational Conference at Wilkesboro Baptist Church.

The WMU Council met quarterly during the year to plan, coordinate and evaluate the work of the Association.

Two new societies were organized, one at Bethany and one at Elk, making the total number of WMS organizations twenty-four.

This coming year I will serve as your WMU President, instead of WMU Director. I welcome this new role which gives me the opportunity to work more closely with the WMS. I earnestly ask your prayers and help as I seek to lead the WMS work in our Association.

Pray for our new Director, Mrs. Belva Gregory, and give her the same wonderful cooperation that you have given me.

Respectfully submitted,
MRS. MARTHA WRIGHT,
WMU Director

EVANGELISM REPORT — 1969

The simultaneous revivals held last spring as a part of the Crusade of the Americas were conducted in 20 churches and one mission in our Association. There was evidence of real spiritual revival in many of our churches, and we are grateful for the results.

In every church where an unusual revival was reported there had been an unusual prayer concern and prayer participation for several months on the part of some of the church people. Some of the most powerful revivals started among the young people.

As we look to the future, we must be aware of the forces that would destroy the church and overcome them with a deepening spiritual concern. We must be completely assured in our own hearts that the only hope for man is Christ, as He and His Gospel are revealed by the Holy Spirit. We must engage daily in Bible study and spiritual renewal in prayer. We should proclaim the glorious gospel to every person who will listen.

At the end of this year the Director of the Division of Evangelism in North Carolina will be the Rev. William C. Lamb, who replaces Dr. Julian S. Hopkins upon his retirement.

We look forward to a new year of emphasis upon evangelism un-

der the direction of Dr. W. L. Pitts, our new Superintendent of Evangelism for the Association.

Respectfully submitted,
REV. RALPH STANLEY

REPORT ON OUR BAPTIST COLLEGES — 1969

The seven Baptist colleges supported by North Carolina Baptists are ministering to our state in the name of Christ and the Baptist people and churches.

The theme of Baptist College Day this year was "Ministering to the Whole Person." If our colleges minister at all they must minister to the whole person, for during the college years the young person's whole life is lived in the context of the college community.

Our seven Baptist colleges are operated independently of each other by their own boards of trustees and administrators. However, they are unified to some extent by the Council On Christian Education of the Baptist State Convention. This Council is the oldest educational cooperative in North Carolina and one of the oldest in the nation. The Council is made up of the college presidents, the college deans, chairmen of the college boards of trustees, and sixteen members of the General Board's Committee of Christian Higher Education.

Our seven Baptist Colleges and their enrollment as of October 15, 1968 are:

Campbell College	2,402
Chowan College	1,338
Gardner-Webb College	1,316
Mars Hill College	1,306
Meredith College	994
Wake Forest University	3,177
Wingate College	1,588
<hr/>	
Total	12,122

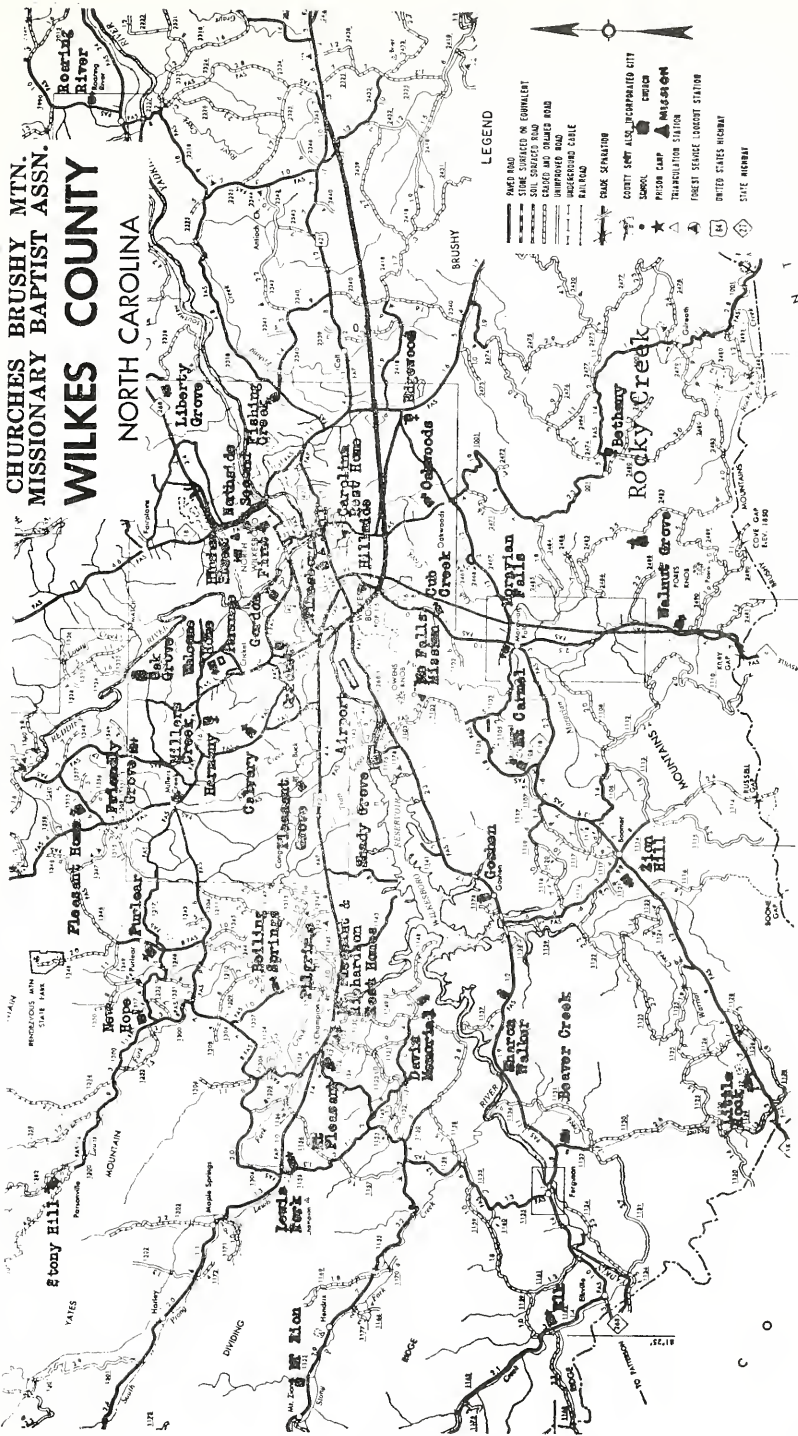

Baptist Colleges, as is true with most private and religious schools, are facing trying times financially. They need our help, our prayers, and our genuine concern as they and we together face up to the problems of Christian Higher Education in the years ahead. Our cooperation rather than our criticism is needed. Or, better we should say: Our cooperation along with helpful criticism is needed. For none of our institutions are above criticism. As Dr. L. H. Hollingsworth of Wake Forest says: "We don't have to be alike to be cooperative. But we do have to be cooperative to be effective."

Sincere efforts are being made by all of our Baptist Colleges to establish rapport with the Baptist Churches and Baptist people of North Carolina. In an effort to do this more effectively, the Baptist State Convention has arbitrarily assigned each of the colleges a number of Associations in their own geographic regions. The colleges and their representatives are expected to make a special effort to reach these areas with information and special appeals. The Brushy Mountain is one of seventeen Associations assigned to Wake Forest University.

Last year, 1968, ten of our Brushy Mountain churches gave a total of \$1,268 to our Baptist schools. This seems very small. However, it is a gain over 1967: Eight churches and \$1,042, and over 1966: Six churches and \$717. The amount of money contributed is not so im-

1969 BAPTIST HOSPITAL REPORT

Our Medical Center continues a high quality program of medical care, training of medical personnel, and research in the causes and treatment of the diseases which afflict us. In the face of serious financial problems, the hospital staff is working more diligently than ever to minister to our people in keeping with their needs and to the limit of the hospital's resources.

The hospital has instituted more efficient admission procedures regarding patients' financial resources and plans for payment of hospital bills. Trained counselors are interviewing patients and their families regarding advance payments which are now required and for getting more accurate information on those who will need help. In this way they are able better to discover those patients who may be eligible for medical care assistance through Social Services departments or other health agencies, and can start proceedings at once for getting these patients certified if this has not already been done. These agencies pay a major part of the cost for a patient they certify, but not the total cost, and the Mother's Day Fund must pay the balance. A member of the family must go to the agency and give the necessary information, and getting this done is often a real problem. Many of our pastors have helped in this connection and have rendered important service for the patients and the hospital.

If it were not for the help which comes from these health agencies, our Mother's Day Fund would not last for three months. After paying the difference between what the agencies pay and the total cost for these patients, the Mother's Day Offerings are used to help as many as possible of those who are not eligible for certification and who themselves cannot pay the total cost of their care. First preference must be given to those patients whose needs are greatest and most urgent. The free care the hospital gives must now be limited in keeping with the funds provided for this purpose, however, because the hospital cannot continue to go deeper in debt.

It is important that our people understand that all of the Mother's Day Offerings and designated gifts for the ministry are used for this purpose alone, and the hospital makes them go as far as it possibly can. The Trustees and Administration of the hospital are most grateful for the fine cooperation our pastors and our people are giving, and they earnestly solicit our understanding and generous support.

1969 REPORT OF THE BIBLICAL RECORDER

The year 1969 has been one of the most significant in the 136 year history of the **Biblical Recorder**. True, we cannot point to any spectacular gains in circulation, but each week the **Recorder** is read by almost 300,000 North Carolina Baptists in some 90,000 homes. For almost a century and a half the **Recorder** has played a vital role in the life of our convention and state, and it will continue to do so.

Our pages this year have carried a variety of reports of the activities of Baptists all across the state. Early this spring membership in our 3,454 churches passed the one million mark—an historical mile-

stone. We also carried numerous stories and reports of the progress of the Crusade of the Americas.

The first half of this year, of course, saw much of the news interest focused on the General Assembly. Possibly more than any other assembly, to date, this year's session was of vital importance to Baptists and other Christians across our state. Because of this importance, the **Recorder** gave special emphasis to reporting moral and social issues being considered by the legislature. Our readers responded in marvelous fashion, making the impact of the church felt throughout the state.

Whenever something significant was happening among North Carolina Baptists, our readers were aware of it. We hope to offer expanded coverage in the future and will always strive to improve our effort. We want to be good stewards of the trust North Carolina Baptists have placed in us.

Naturally, we hope that this stewardship will be rewarded with more participation in readership on our churches. The **Recorder** should be in every Baptist home.

We will continue to speak the truth in love.

HOMES FOR AGING REPORT FOR 1969

Never before have your Baptist Homes for the Aging been more conscious of the Lord's Presence and of His Goodness than during the past year. At a time when the economy of the Homes was at its lowest ebb, with a sizeable deficit looming larger by the moment, when the weather was at its severest, on the third Sunday of February, the day of the Special Offering, the churches came through with an offering that promises, at this point, to be the greatest in the Homes' history. The Lord, who is in charge of the weather and in charge of the Baptist Homes for the Aging, has surely rewarded our faith and moved upon our Baptist people to see the urgent needs, and we are grateful.

Ours shall continue to be a relationship of trust in the Lord and of faith in our Baptist people. We earnestly hope that a continued and sustained effort will be made by our churches to increase and strengthen the amount of the two main means of support for our ministry to the aging — the Special Offering and the Cooperative Program, from which one-third of the total income of the Homes is derived, helping 85% of the residents, who are financially dependent. If we are to continue to assist these many needy persons, and if we are to reduce the deficit in the operation of the Homes brought about by the rising cost of living, we must have more liberal support from our churches.

We do not believe that our Baptist people want to curtail any of the vital ministries of our Homes and that they will meet these vital needs.

Since last year, the Yanceyville Home, our newest facility, has been filled to capacity, and we now have almost 200 deserving older men and women living there and in the four other Homes. Resthaven, and Hayes Homes, Winston-Salem; Albemarle Home, Albemarle; and Hamilton Home, Hamilton. The residents are finding much happiness in Christian companionship with people of their own age groups, and great security in knowing that they will be loved and cared for in sickness as well as in health.

It is a deeply rewarding experience to see the light and joy of Christ on an older person's face and to hear words of deep appreciation almost daily for the Christian love and nurture that North Carolina Baptists are making possible through this ministry. We believe that our Baptist people will want to have an ever-increasing part in so worthy a labor of love in the Master's Name. We know that the Lord will not fail us, and we also believe that our people will want to be as faithful as possible.

LIBRARY COUNCIL REPORT — 1969

Your Library Council wishes to take this opportunity to congratulate all churches who have organized libraries this past year.

In every active, progressive Baptist church there are calls for materials to meet the needs of individual members and to supplement the activities of the church educational program.

A library will put all church aids and resource material at one central place, which assures its availability to all the people.

To help churches establish a resource center, the Sunday School Board offers free library materials to a church or mission beginning a library for the first time. These materials include 15 books, 2 filmstrips, a recording, and several vertical file items. There are 7 basic requirements to qualify for this which are as follows:

1. Vote in Church business session to establish and support a library.
2. Elect a church librarian and at least two staff members in a church business session.
3. Arrange a definite place in the church building for the library.
4. Set up definite times when library will be open.
5. Plan to use an adequate loan system.
6. Promote the use of materials through church organizations.
7. Secure materials for the library.

If any church needs assistance in organizing a church library please contact your Asso. Librarian, Miss Gladys Rector. She will be glad to help at any time.

How about starting a library in your Church ? ? ?

POAU REPORT — 1969

SEPARATION OF CHURCH AND STATE

Roger Williams had arrived in Massachusetts Bay in 1631. He had been trained at Cambridge. From the outset this minister represented the continued tie between the Massachusetts church and the Church of England.

From his pulpit in Salem he preached insistently that clerical interference in politics was limiting the freedom of congregations to deal with matters as they saw fit. In 1635 Massachusetts passed laws requiring church attendance and the payment of taxes to support the church. Williams maintained that the laws were unwarranted interference with religious freedom. For these reasons he was brought to trial, and banished. He went to Rhode Island and founded Providence which was run on the township basis. The most important thing

about his colony was there was no religious requirement for voting, and the church and the government were (forever) separated. This concept is the very basic, principal glories of the United States in general, and of the Baptist Church in particular; each man's religion is a matter of his own conscience. In 1787 there was a separation of the church and state. For his devoted stand for freedom, he is rightfully honored in the American Hall of Fame.

Many famous men have also, down through the years to our present time, spoken out on the separation of church and state.

The first clause of the first Article of the Bill of Rights of the United States Constitution states that "Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof . . ." Thomas Jefferson referred to this as a "wall of separation between Church and State."

On June 17, 1963, the Supreme Court Justice Clark said, "The place of religion in our society is an exalted one, achieved through a long tradition of reliance on the home, the church and the inviolable citadel of the individual heart and mind. We have come to recognize through bitter experience that it is not within the power of government to invade the citadel, whether its purpose or effect be to aid or oppose, to advance or retard. In the relationship between man and religion, the state is firmly committed to a position of neutrality."

REPORT OF THE GENERAL BOARD 1969

The General Board of the Baptist State Convention of North Carolina has the responsibility to act for the convention between annual sessions and to provide supervision for all agencies and institutions fostered by and receiving support from the convention. The General Board also has charge and control of all the convention work, including missions, evangelism, education, benevolences and all other general activities, except those which are committed by charter to the trustees of the institutions and agencies.

The General Board met at Meredith College this past January; Mars Hill College in July and Camp Mundo Vista in October.

Elected as General Board officers for 1969 were: Reverend James Cammack, Fayetteville, President; Dr. James Potter, Charlotte, Vice Chairman; Dr. Lois Eddinger, Greensboro, Secretary and Miss Ruth Williams of the Staff, as Staff Secretary.

The Baptist Convention of North Carolina is supported by the Cooperative Program. Even though receipts increased substantially during 1969, the convention will show a small deficit which will be passed on to the General Board programs.

The over-all proposed budget for 1970 is \$7,200,000.00 of which 33 percent will be allocated to the Southern Convention; 25 percent to Christian Education; 11 percent to Social Service Institutions (Homes For The Aging, Hospital, and Children's Homes) and 30 percent to State Missions, (General Board Programs).

The 1970 proposed budget report also points out that total church gifts will approach 80 million during 1970 as compared to 66 million in 1965; 46 million in 1960; 33 million in 1955; 21 million in 1950 and 10 million in 1945.

The various institutions of the convention are all vigorously growing with most of them enlarging their work through funds from individuals and foundations; however, of course they continue to depend

on the Cooperative Program to provide funds for their operating budgets.

Space will not permit a complete report of the General Board, however, files containing activities of the convention are available to each of you.

AMERICAN BIBLE SOCIETY REPORT — 1969

Donor gifts to the ABS in 1968 made possible distribution of Scripture in the USA of 51,642,211, and worldwide 104,680,772. It is hoped that in 1972 world distribution will be 150,000,000 copies.

More than 400,000 blind people are being helped with Braille; and for those who are unable to read newsprint (about one million) an 18-point is produced in type. The Scriptures are also produced on records and tapes.

In 1968, 2,153,015 Scriptures were distributed to servicemen and women, an increase of 80.8% over 1967.

New Scriptures in a wide variety of formats and diverse features were produced for distribution on college campuses.

One of the most popular editions ever published by the ABS is its own translation of the New Testament in Today's English Version, "Good News For Modern Man." Over 17,000,000 copies have been sold.

Churches of 74 denominations and communions contributed to the work of the ABS and 1,075,208 gifts were received from individuals in 1968. We encourage each church to give to this important work.

SOCIAL SERVICE AND CIVIC RIGHTEOUSNESS REPORT — 1969

In 1968 the Southern Baptist Convention made very significant progress in Christian social concerns. There was increased acceptance of the Conventions emphasis on applied Christianity among pastors, lay people, youth, local churches, and the Baptist mass media than ever before.

Local churches over the Convention projected programs applying Christian principles in their communities, involved themselves in Christian social ministries, and generally accepted the moral imperatives of the Gospel as never before.

Twice as many pamphlets on family life, race relations, daily work, Christian citizenship, and specific moral problems were ordered by Southern Baptists as ever before. Ten new titles in the "Issues and Answers" series were released in June 1969 and ten more are in preparation.

It is hoped that the churches of the Brushy Mountain Baptist Association will be especially alert to new opportunities to apply Christian principles in the area of social concern. The expression of such concern will strongly undergird our total witness for Jesus Christ.

STATE MISSIONS IN NORTH CAROLINA — 1969

North Carolina Baptists are challenged in September with a goal of \$250,000 through the special State Missions Offering. If each of our 781,364 resident church members takes a part in this mission offering one can quickly see that the mission goal plus even broader areas could be easily reached.

State Mission allocations this year are these:

- \$170,000 — Regular support of State Missions Program
- 30,000 — Repayment for building at Fruitland
- 10,000 — Remodeling Fruitland facilities
- 10,000 — Loan fund for missions points
- 10,000 — New Missions
- 10,000 — Assist in Associational work
- 10,000 — Loan fund for lots and buildings

Dr. Howard J. Ford is the Director of this program through the Division of Missions. This work runs the gamut from the mountains to the seashore. The scope is wide and includes five departments and numerous specialized ministries.

CITY AND METROPOLITAN MISSIONS: Baptist centers under the supervision of Rev. Ernest Upchurch fall under this department. The fact that the church is not reaching many people with both physical and spiritual needs brings the realization that man is not inclined to dwell on spiritual things when he is hungry. We must feed his body and soul.

Youth and Family services also come under this department which is directed by Eugene Scarborough. This work may more easily be recognized as Juvenile Rehabilitation.

Assistance with new churches and missions, pastoral and lot aid, literacy work, alcoholic and drug rehabilitation, work with ex-prisoners and migrants are all ministries under this department.

DEAF WORK: The ministry to the deaf is a wonderful and rewarding experience. Liberty Grove Baptist Church has done extensive work in this field.

INTERRACIAL COOPERATION: Rev. Corbin Cooper directs this work. Each summer fifteen workers, predominantly college students and some adults, are employed to do Vacation Bible School work. Most of these are black but some whites are asked to work. About 6,000 children were reached in 60 schools last summer with about 300 professions of faith.

FRUITLAND BIBLE INSTITUTE: Adult education is emphasized in the training of Christian leaders at Fruitland. The institute offers excellent opportunity to those who have not had a college education.

SPECIALIZED MINISTRIES: Under this department falls many ministries, including Associational Missionaries, World Mission Conferences, work with training schools, child care center in the Cherokee Indian Baptist Church, and the ministry in many congested military bases.

In the Brushy Mountain Baptist Association this year, additional assistance was requested to help with the associational clerical work. Aid was granted in the amount of \$1,200.00. Also in this association, aid was requested and \$600.00 was received for pastoral assistance in Elk Baptist Church. Our State Mission Board offers counsel, guidance and financial aid if needed and requested by local leadership.

Pray and give that this ministry may be increased.

MRS. REX WHITTINGTON

FOREIGN MISSION REPORT — 1969

The Foreign Mission Board is our arm of outreach and missions to other parts of God's world. I wonder how much we have helped in the strengthening of this arm? How can we help strengthen it? Through gifts to the Cooperative Program and the Lottie Moon Christmas Offering. There are three categories of the Foreign Mission Board that we can help to strengthen through our moneys.

There is the requirement for maintaining over twenty-five hundred missionaries on their fields of labor. This includes two thousand, one hundred and sixty-seven career missionaries; one hundred and forty-five missionary associates; one hundred and twenty-nine missionary journeymen; and four special project medical missionaries under appointment to seven countries. This support includes much

more than their personal salaries. It involves travel to the mission fields, furlough travel, outfit allowance before going, and refit allowance upon returning to the field. Also, education of missionary children, medical allowance, travel on mission fields, language study, and other requirements.

The second major portion of the recommendation calls for funds to implement work on the fields. The largest portion of the work funds is utilized for evangelism and church development. In addition, there are amounts for schools, student work, publications, medical work, and benevolent ministries.

A third section of the budgeted items go for needs for buildings and lands. It is necessary to provide houses for missionaries, church buildings, hospitals, seminaries, publishing houses, and other needed structures.

The Cooperative Program is regarded as the life-line of world missions. It produces funds for work that Southern Baptists do at home, and throughout the world.

The Lottie Moon Christmas Offering is reinforcement in Foreign Missions financing. It is a love offering given at Christmas which represents an out-pouring of concern and compassion in response to our Lord's great commission.

It is a blessing to know that every person, through the Cooperative Program and the Lottie Moon Christmas Offering, can have a share in the work done throughout the world. None of us can be in all of these seventy countries at one time but by means of our gifts and prayers we can be effective sharers with God's servants who labor on mission fields.

Missions requires a great deal of money. But it represents far more than money. Missions represents life, dedication, loving service, patience, stability, and standing firmly in the midst of uncertain conditions and danger. Whatever the great total amount of moneys needed, it is far exceeded by the gifts of loving service, heroic dedication, and faithful witness of God's servants who go in response to our Lord's call. What are we doing about supplementing our witness on foreign fields?

Respectfully submitted,
ALLEN LAYMON

REPORT OF FRUITLAND BAPTIST BIBLE INSTITUTE — 1969

Students attending the Fruitland Baptist Bible Institute come not only from North Carolina, but from South Carolina, Alabama, Delaware, Florida, Indiana, Oregon, Virginia and West Virginia. Two-thirds of the students come from North Carolina, from about 50 of the 100 counties.

The students range in age from 18 years old to 59 years old; and there are 133 married students, 18 single students; 80 day students who commute, 71 dormitory students; 46 who serve as pastors and one who is serving as a Minister of Youth. There are 23 students receiving help from the G. I. Bill. Their educational background ranges from one who has a 4th grade education to one who has had three years of college. Of the 151 students, 83 have completed high school. Those employed outside at public works total 67.

The students who attend this institution generally find it impractical to go on to higher education. Out of the graduating class of last June, only four are known to have enrolled in a college program or a seminary.

The Director of our Bible Institute is Mr. Gary Harthcock.

At the present time we have one student from our Association, the Rev. Jack Church, Pastor of Elk Baptist Church. Brother Mace Johnson, from Millers Creek Baptist Church plans to enroll soon.

Respectfully submitted,
REV. CLYDE CHURCH

A SHORT HISTORY OF LITTLE ROCK BAPTIST CHURCH

Whereas since the history of Little Rock Baptist Church was written in 1948, and recorded in the minutes of that year on pages 17-24, and since the Association met at the church again in 1961, and a short history is recorded on pages 41-43 of that year, no further reference to those periods will be mentioned here.

At the October meeting, 1964, the deacons instructed the trustees to secure money from the bank for a new educational building, not to exceed \$40,000.00. At the November meeting a motion was made and carried that the budget be increased \$150.00 for the revival speaker.

At the January meeting, 1965, Lloyd Broyhill presented a check to the Little Rock Baptist Church for \$3,500.00 as a gift from the T. H. Broyhill estate, which was accepted with pleasure. A motion was made and carried that the skating rink be sold and the trustees were instructed to dispose of it as they saw fit. The Sunday School Superintendent and Department Superintendents were asked to recommend furnishings for the new building. At the January meeting a recommendation from the Board of Deacons was passed that the revival, usually held in August, be held in September, 1966, due to the one hundredth anniversary, which would be observed with a homecoming September 25, 1966. A request from the equipment committee was presented by Lloyd Broyhill, asking for \$1,200.00, with which to buy new equipment for the new educational building. A motion was made and carried favorably.

At the April meeting, 1966, Rowan Motsinger presented a recommendation from the Deacon Board that the church accept insurance on the church building, educational building and parsonage, and contents of the parsonage, as follows: \$50,000.00 on the church building, \$4,000.00 on the educational building, and \$1,000.00 on the contents of the parsonage, with liability coverage up to \$25,000.00, medical payments of \$250.00, and each person \$10,000.00, at a total cost annually of \$241.00.

A recommendation was presented by Lloyd Broyhill from the equipment committee that the church purchase four pianos and some chairs to be used in the new educational building, which carried favorably.

At the October meeting, 1966, a vote of appreciation was extended to Herman Lackey and Charles Ham for the many hours of work and the fine job they had done on the new educational building. The pastor stated he had received information from the Wake Forest University Library stating they would microfilm the church's records and history without any cost to the church. The church accepted the offer.

At the December meeting, 1966, the church received the recommendation of the budget committee, of \$9,995.34 for the year 1967, covering the total expenses of the church. The budget was adopted in January, 1968.

At the May meeting, 1967, R. H. Transou recommended that the church purchase enough land from O. B. Smith, on the West side of

the church on which to erect a parsonage, for \$4,000.00. The church accepted the recommendation.

At the July meeting, 1967, a request was presented to the church from the Board of Deacons that a new pastorium be built, which motion carried favorably. A motion was made by Plez Munday, and passed, that Herman Lackey, Carlyle Weston, R. H. Transou, and Mrs. Arlee Andrews be members of the Planning and Building Committee, and that Charles Ham supervise the heating and wiring of the pastorium.

At the October meeting, 1967, a motion was made by Rowan Motsinger that Robert Livingston be granted a license to enter the ministry, which motion carried favorably.

At the December meeting, 1967, the Board of Deacons recommended that the church purchase a portion of land adjoining its property from Sherman Kilby, in the amount of \$400.00, which motion carried favorably. At the same meeting Rowan Motsinger, Plez Munday and Carlyle Weston were named by the Board of Deacons to serve as a committee for the Royal Ambassadors, to secure materials and study the work of the R. A.'s and to help organize the R. A.'s in the church.

At the March meeting, 1968, a pulpit committee was appointed to secure an interim pastor for the church, as Rev. Clifton Tuttle resigned March 10th to assume the pastorate of the Meadowbrook Baptist Church, Lenoir, N. C.

At the April meeting, 1968, R. H. Transou gave a brief report of the Planning and Building Committee concerning plans for the new pastorium to be built, which carried favorably. He stated that the cost of the pastorium would be \$19,921, and that the receipts from the sale of the old parsonage of \$7,000 could be applied on the cost of the new pastorium. At the same meeting a motion was made and carried favorably that the church serve a meal at the church the first Sunday in May, immediately following the worship service in honor of Rev. and Mrs. Clifton Tuttle and family, and that a love offering be given them at the dinner. Ray Parsons, Chairman of the Pulpit Committee, announced that the Rev. Charlie Pool would serve as interim pastor beginning the second Sunday in May. At the October meeting, 1968, Lloyd Broyhill gave a report on the church's debt of around \$18,000.

At the December meeting, 1968, the Pulpit Committee recommended to the church that the Rev. Harold Rumpfelt, of Winsor, Virginia, be called as pastor. A motion was made and seconded and carried that the recommendation be accepted. On December 8, 1968 Ray Parsons announced that he had received a letter from Rev. Rumpfelt stating that he had accepted and would begin his pastorate February 1, 1969.

At the April meeting, 1969, the Board of Deacons recommended that a library be established in the church, which carried favorably. At the August meeting, 1969, a recommendation was made that Vaughn Walsh be ordained as a deacon, which carried. An impressive ordination service was held August 31 and Mr. Walsh was ordained as an active deacon.

He graduated from the Gamewell High School in Caldwell County and attended Clevenger Business College in Hickory, N. C., Fruitland Baptist Bible Institute, Hendersonville, N. C. and the New Orleans Baptist Theological Seminary, New Orleans, Louisiana.

Mr. Arney was ordained by the Fleming Chapel Baptist Church, Lenoir, N. C., in 1953. He served churches in Caldwell, Rutherford, Buncombe and Wilkes Counties in North Carolina. After seminary he was pastor at Hermandale Baptist Church, Hermandale, Mississippi. He came to Liberty Grove Church in the Brushy Mountain Association in 1968 where he served until his untimely death August 10, 1970.

He was married to the former Miss Mary Etta Sector, November 27, 1946. They have one son, Barry Lee, a student at North Carolina University, Raleigh, N. C.

George Arney's life was characterized by his willingness to follow the will of God for his life. As a devoted pastor over a period of 17 years his unselfish service, his sincere conviction and sacrificial loyalty will live in the lives of those he served.

**BRUSHY MOUNTAIN BAPTIST ANNUAL 1970
DEDICATED TO THE REVEREND JOHN R. WRIGHT**

John Rowland Wright was born March 11, 1925 in Wilkes County, North Carolina, the son of David and Eula Bumgarner Wright.

At the age of ten he accepted Christ as his Saviour and was baptized into the fellowship of Edgewood Baptist Church, Wilkes County, N. C. He was licensed to preach October 8, 1950 and ordained December 27, 1953, at the Edgewood Church.

Mr. Wright attended public school at Traphill, N. C., Polkton, N. C., and Union Grove, N. C., where his father was principal. He graduated from Wilkesboro High School in 1942. After high school he attended North Carolina State College, Raleigh, graduating in 1949 with a B.S. Degree in Mechanical Engineering. After answering the call to the Ministry he continued his education at Southern Baptist Theological Seminary, Louisville, Kentucky, receiving the B.D. Degree in 1954. He also attended the School of Pastoral Care in Winston-Salem, and during the summer of 1969 and 1970 returned to the Seminary to update his B.D. Degree to Master's Degree in Theology.

Upon completing the Seminary Mr. Wright served as assistant pastor of Norview Baptist Church, Norfolk, Virginia, Pastor of Bayside Baptist Chapter of Norview, which was constituted as a church January 6, 1957. He remained as pastor during the first year. He accepted the call to the Brushy Mountain Baptist Association as Missiary in 1958 and served for over eleven years. In the fall of 1969 he accepted the call to the Chipola-Apalachee Association in Northwest Florida.

While in the Seminary he met and married his wife, the former Martha Aleta Faile of Charlotte, N. C. They have five children.

By dedicating this Associational Annual to Brother Wright, we are expressing our gratitude for his life and service among us. He was sincerely committed to the work of the Lord in our association and our churches will long remember his untiring service in our midst.

CHURCH TRAINING REPORT — 1970

Our usual schedule of meetings was carried out the past year. Some of the highlights in these meetings are as follows:

In our March Meeting Tournaments we had two winners in Intermediate Sword Drill. They were Pandora Johnson and Loren McMurray. We had six winners in Junior Memory Work. They were Curtis Johnson, Juanita Bolick, Clara Bolick, Sharon Walker, Beth Blevins and Mara Lynn Tugman. The following Juniors went on as winners in Regional and State Tournaments: Sharon Walker, Juanita Bolick, Curtis Johnson and Beth Blevins. Miss Beth Blevins was a second year winner in state.

Attendance banners were won by Goshen, Calvary and Moravian Falls. Efficiency banner was won by New Hope Juniors and Millers Creek New Members Class.

Our attendance at M night was 213, at March Tournament meeting was 7 and at Youth Night was 63.

During this year we have tried to look forward to and get ready for the year which starts October 1, 1970 with our new literature and grading. Our Associate Director, Mrs. Rena Spicer, has had opportunity to attend a three day conference in Greensboro, a one night conference in Elkin and one week in Caswell State Training Conference. Between the writing of this report and this meeting she will have attended a four day conference in Winston-Salem. In the two leadership conferences she has already held in our association she has demonstrated that she has learned some things and will be able to help you if you will call on her. Besides the two conferences led by Mrs. Spicer we have all had opportunity to attend the four day conferences in Winston-Salem and will have opportunity to attend a four night Church Training School for all your Church Training Leadership. This will be association-wide and will be held in First Baptist Church, North Wilkesboro, November 16-19, 1970. There will be

conferences for pastors and directors and one for each age group. This can be very helpful and we urge you to take advantage of it.

Lunda Hendren, Director

The Wilkesboro Church held a School of Music during the last week in October with Mr. and Mrs. Gerald Carter assisting in the school. Also in October, A First Timers Choir Festival was held in the Liberty Grove Church with the Liberty Grove adult choir participating.

Mrs. Rowe Teague, a member of our committee, moved from the association during the year. We were sorry to see her go, but wish her well, and appreciate deeply her interest and help while in our association.

REPORT OF THE BRUSHY MOUNTAIN BAPTIST PASTORS CONFERENCE 1969-1970

The Brushy Mountain Baptist Conference conducted regular monthly meetings during 1969-1970. These meetings were usually held on the first Monday of each month at the Office of the Associational Missionary.

The Pastor's Conference voted to hold two night sessions primarily for the benefit of those pastors who work in secular employment in addition to their pastoral duties. This would enable them to attend some of the meetings.

The officers for the 1969-1970 Pastor's Conference were: Rev. Rowe Teague, President; Rev. G. C. Arney, Vice-President; Rev. David E. Creech, Secretary-Treasurer; Rev. W. L. Pitts, Program Chairman I; and Rev. N. C. Teague, Program Chairman II.

There were a number of events of special interest concerning the Pastor's Conference of 1969-1970. They were as follows:

Mrs. Pauline A. Tedder, Director of Nurses at Wilkes General Hospital spoke to the Pastors at the October meeting. Mrs. Tedder spoke concerning the minister's visitational ministry in the hospital. It was a very helpful program.

The Pastor's Conference was privileged to hear Mr. H. D. Caudill of Reins-Sturdivant Funeral Home. Mr. Caudill's subject was: "The Minister and the Funeral Director. Many helpful suggestions were made by Mr. Caudill.

The month of December was highlighted by the Ministers-Wives Banquet. The host church was the Wilkesboro Baptist Church. It was a very happy and meaningful experience for everyone in attendance.

The April meeting of the Pastor's Conference was honored by the presence of Mrs. Jan Royal as the guest speaker for the program. Mrs. Royal is Director of the Wilkes Day Care Center. She gave a resume of the work of the Day Care Center and mentioned several children who were benefiting greatly from the program. Mrs. Royal

and her staff are to be commended highly for the fine work they are doing in their field.

The Pastor's Conference for 1969-1970 did not conclude without a note of sorrow. Three very fine ministers were lost to the Conference by death.

Reverend Charlie H. Myers, beloved minister for many years who had officially retired from the ministry, died October 5, 1969.

Brother Hale Hayes passed away on July 18, 1970. Although confined to an iron lung for many years, Hale blessed and inspired everyone with his courage and unshakable faith. He was one of the finest young Christian ministers ever.

And, Reverend G. C. Arney, Pastor of the Liberty Grove Baptist Church, died suddenly at his home. The sudden and unexpected death of Rev. Arney was a shock to everyone.

These pastors, Charlie Myers, Hale Hayes, and G. C. Arney were held in the highest esteem. Their love for God and their devotion to the Gospel Ministry were of the highest quality. They gave themselves unreservedly and sacrificially to the work they loved most and to which God had called them.

We shall miss these gentlemen very much. As we carry on the work of God, we do so with a sense of thanksgiving in our hearts for the privilege of knowing Charlie Myers, Hale Hayes, and G. C. Arney.

David E. Creech, Secy-Treas.

SCHOOL OF CHRISTIAN STUDIES REPORT — 1970

The School of Christian Studies had two classes this year with a total of ten persons enrolled.

Mr. Harold Rumpfelt taught **New Testament 152** and Mr. Allen Laymon taught **Principles and Practices of Preaching**. We appreciate the time and effort given by these two men in teaching these classes. We deeply regret that so few of our people take advantage of this opportunity for learning and preparation in the Lord's work.

We could not have these classes with such small number in attendance if it was not for the assistance given by the Town and Country and Seminary Extension Department of the Baptist State Convention in providing the teachers honorium.

The Financial Report is as follows:

Receipts	\$111.75
Books and Tuitions	93.75

STATE MISSIONS IN NORTH CAROLINA — 1970

State Missions is the story of people in need, and our concern for people is the story we tell by the proportion of our income we lay on God's altar. September 20th is State Missions Sunday at which time more than 3,400 Baptist Churches across North Carolina will give to meet the goal of \$250,000.

State Missions means: giving assistance to smaller congregations, providing chaplains to witness in special areas like prisons, Military bases and sanatoriums, telling the **Good News** to more than 6,000 deaf in North Carolina, bridging the gap between the races by providing missionary work to help develop leadership in Negro churches, training church pastors who have been denied earlier educational opportunities, providing Seminary Extension classes and adult education for better trained church lay people, and helping make the Bible an open book in every day life.

Does your concern cause you to pray for State Missions?

REPORT ON FRUITLAND BAPTIST BIBLE INSTITUTE — 1970

The Fruitland Baptist Bible Institute is a very unique institution, the only one of its kind in the N. C. Baptist Convention. It is financed through the Cooperative Program of the N. C. Baptist Convention, and other gifts from churches and individuals.

The chief purpose of this institution is to train God called men to the gospel ministry. Any person who feels he is called of God to the ministry and feels he needs this training is eligible to attend regardless of how little or how much former education he has.

This year, 1970, there was enrolled the first quarter 185, 137 came from N. C., 40 from S. C., and the remainder came from seven other states: Tennessee, Alabama, Florida, Oregon, Virginia, Indiana, Maryland.

Ages of the student body range from 18 years to 65 years. The majority are from 20 to 40 years old. One student is 65 years old. The educational level ranges from 4th grade up to three years of college. The average level of school work completed is the 11th grade.

We feel this is one of our great institutions of Christian education in the N. C. Baptist Convention. There are hundreds of churches who have Fruitland graduates in their pulpits, who are doing a great work for the cause of Christ.

We also feel this institution is deserving of any and all support given it.

We believe it is worthy of a place in every church budget in the Brushy Mountain Association.

Rev. T. Clyde Church

ANNUITY BOARD REPORT — 1970

Good Experience Credit a New Term in Protection Program:

This means larger benefits for active and retired members as of Jan. 1, 1970. Briefly, here is how it works:

For the active member and his family the stipulated amounts of eligible benefits in the Southern Baptist Protection Plan now are the minimum. Good experience credit will add an extra to retirement credits. For 1970 it will be about 2% added; other years will add varying amounts according to investment profits of the Board.

Most retired members are finding the good experience credit in larger monthly checks in 1970. In addition all retired members received the "13th check" in February.

Highlights of 1969:

1969 ranks as one of the most successful years in Annuity Board history. The good experience credit has already been named as an impressive accomplishment. Other highlights of the work during the year are:

Total active members in Plan A of Protection Program	24,256
Active members of other Protective Programs	13,114
Active members of Health and Life Benefit Plans	24,207
Churches participating	18,081
New benefit recipients	1,059
Total benefits paid during the year (including relief, retirement, education, disability, widows, etc.)	\$7,273,851

Participation in our association:

21 churches in the Brushy Mountain Association are participating in the Protection Program as of August 20, 1970. A minister, church, or denominational employee can have a protection program with the Annuity Board that will cover all his needs. Many churches are helping by paying dues in the retirement, health, and life insurance plans. Information on any part of the Annuity Board's programs may be obtained from the State Convention office, Raleigh, N. C., or from the Development Division, Annuity Board of Southern Baptist Convention, 511 N. Akard Building, Dallas, Texas 75201.

BAPTIST FOUNDATION REPORT — 1970

The fact that The North Carolina Baptist Foundation, Inc. has tripled its assets during the past eight years is proof that this service arm of the Convention has found favor with North Carolina Baptists.

Since the Foundation was reactivated in 1966, assets have increased from \$350,000 to more than one million dollars. This includes trust funds and real estate.

THE FOUNDATION advances the Kingdom of God in two major ways: by serving individuals and by serving Baptist agencies and institutions. This includes the Cooperative Program, Missions, Higher Education, the Baptist Hospital, and Baptist Homes for the Aging.

SPECIAL EMPHASIS ON TRUST AND WILLS

THE FOUNDATION has again this year put a major interest on the making of wills.

Many churches have used the facilities of the Foundation to conduct Will Clinics, and reports from these clinics indicate that they have been very successful.

THE FOUNDATION also has an opportunity to counsel with many people concerning their own wills, and in some instances has provided the information and direction necessary for inclusion of Baptist causes in their will.

THE BAPTIST FOUNDATION has had a most successful year, is on the move, and is rendering service to individual Baptists in a concrete way.

Respectfully submitted,
Dr. C. Gordon Maddrey

MISSIONS COMMITTEE REPORT — 1970

The Missions Committee has been very active this year. Much of our activity in addition to the regular meetings, has been due to securing a new Superintendent of Missions. As you know, Rev. John Wright resigned as Superintendent of Missions the first of the year. Rev. Wright has moved to Florida.

We, after many meetings and much prayer, recommended to the Executive Committee the name of Rev. I. V. Couch to serve as the new Superintendent of Missions for the Brushy Mountain Association.

The Executive Committee voted unanimously to extend a call to Rev. Couch. The Rev. Couch is now on the field and everyone is real pleased to have him working with us in our Association. We are very fortunate in having Rev. Couch as our new Superintendent of Missions. He served as Superintendent of Missions in the Green River Baptist Association. May we give him our finest support in every way possible.

Joe B. Crouch

AMERICAN BIBLE SOCIETY REPORT

The American Bible Society, established in 1816 is a Missionary agency for translating and publishing the Holy Scripture in many languages around the world.

Only two years ago Bible Societies around the world reached one out of every 33 persons on earth with a copy of the Scripture. Last year, the United Bible Societies distributed 145,335,092 copies of Scripture throughout the world, one copy for every 24.5 persons, a significant jump on the population expansion.

The United Bible Societies is a fellowship of 49 Bible Societies that have pooled their efforts and resources to achieve better their common objective — a copy of Scripture for everyone in the world in a language he can read and understand and at a price he can afford to pay.

The Bible is a "Must" in missions and evangelism. If the people of the world are to know Christ, the only hope of men and nations, they must have the Bible.

Because the Bible Society serves mission work and because Southern Baptist missionaries depend on the Society for Scriptures they need for distribution to their people, Southern Baptists are encouraged to give to the American Bible Society.

The American Bible Society depends entirely upon concerned

churches and individuals who have vision to help meet this need. The Southern Baptist Convention membership of 11,400,000, 1969, gave \$232,765.03 in support of the American Bible Society. North Carolina Baptists contributed \$6,840.47 to the American Bible Society for the year 1969.

Donor gifts made possible Scripture distribution in the United States 660,250 Bibles, 6,876,794 Testaments, 8,063,216 Portions, 60,-240,150 Selections, the blind 376,143. Total 76,216,553. By the close of 1970, around 21 million paper-back Testaments will have been distributed.

Joe B. Crouch

1970 REPORT OF THE BIBLICAL RECORDER

More than ever before, North Carolina Baptists need a dependable source of information. It is difficult these days to get an honest and accurate report on important issues.

In some cases, half truths and rumors are circulated, some of them designed to embarrass and ridicule Baptists. Since it takes so long for truth to catch up with error, some of these impressions in people's minds are never corrected. This makes progress and unity more difficult.

For 137 years, North Carolina Baptists have had the **Biblical Recorder** as a dependable source of information. Week by week it goes into the homes of nearly 90,000 families, striving to speak the truth in love.

In the past year, the **Recorder** was pleased to have had a part in the election of Dr. Carl Bates of Charlotte as president of the Southern Baptist Convention. A **Recorder** editorial endorsing him was considered a factor in his election on the first ballot at Denver. It is an honor to have the convention president from our state. This is just one example of the influence of the **Recorder** has had in the past year.

Looking to the future, the **Recorder** promises to continue its fight against liquor by the drink, even in the face of strong opposition from those who are pushing for a greater flow of liquor in our state. If your church is not sending the **Recorder** to every home, try doing this for the coming year so your members can receive the full story on the 1971 General Assembly.

Your church would not think of trying to carry out its mission without literature devoted to the Sunday School, Church Training, WMU, Brotherhood and all other church organizations. The **Recorder** is just as important and should be in the budget just as this literature is. The cost is only 4c a week, a penny less than a post card. Your church is the loser by not taking this step. Won't you do it this coming year?

Respectfully submitted,
C. M. Brown, Jr.

REPORT ON EVANGELISM — 1970

As your Superintendent of Evangelism in this Association, it has been my privilege to conduct several revival meetings this year in the association. I have seen several churches with over-flowing crowds; from one to eight professions of faith in some of these churches. I believe that we are on the upward trend in soul winning.

The theme adopted by the Southern Baptist Convention for the year 1966 was, "Proclamation and Witness." In our association I believe we have begun to carry this theme out.

The past president of the Southern Baptist Convention, Dr. W. A. Criswell, says, "The major issue facing us is whether the Southern Baptist Convention, the largest protestant denomination, is going to accept its role and launch the greatest evangelistic thrust in history." No informed child of God would argue with Dr. Criswell about this being the major issue before us. The purpose of winning souls in this year that is ahead of us is to help get others saved and moving toward the object of helping win others to Christ.

The evangelistic thrust needed now waits not on new methods, but on new men. Men and women who have been made new in Christ Jesus and are totally committed and surrendered to Jesus Christ in mind, body, and soul. Materials and programs are available to the churches in our denomination should each church decide on the object and course it is convinced the "Holy Spirit" has pointed for it to pursue in its witness for Christ in the community and the world today. Material and helps in the work of evangelism may be requested as needed from. Division of Evangelism, Baptist State Convention, Raleigh, North Carolina.

We, as Christians, must never forget the words of Jesus, "As the Father has sent me, even so, send I you." Are you as a Christian doing your part in telling the story?

Respectfully submitted,
Dr. W. L. Pitts

POAU REPORT — 1970

The crossing of the Delaware made the victories at Trenton and Princeton possible. The success electrified the American Colonials, restored their faith that independence could be won eventually, and revitalized their will to fight, and endure the hardships whatever they might be. As a result, a nation was born offering hope and aspirations to a people who had never known such. And so it was that a famous document was written, and into this document was imbedded distinct wishes of a rugged victorious people guaranteeing freedom of speech, freedom of body politics and freedom to worship God in a manner of dignity to the conscience of man. And so it was that the State had no control over the denominational groups that established themselves within the framework of the new Republic.

The American tradition of the separation of church and state represented on behalf of the founding fathers, a bold experience unparalleled in human history. Religion was very fundamental in developing American culture. Perhaps the separation of church and state has been the greatest achievement in the cause of human progress. America's contribution to civilization, to which we made it an article of organic law that the relation between man and his Maker were of a private nature, into which other men have no right to intrude. Totalitarian states grant a qualified freedom of religion, but especially restricts the activities of the church and clergy. The free society does not restrict religion per se, but on the contrary excludes the state's jurisdiction from religious affairs. The disability is with the state, not on religion. Within the very first right of man as alluded to within the Bill of Rights; the right to attend the church of one's

choice had priority. May we never forget this great and important privilege that some of us hold so dear.

SOCIAL SERVICE AND CIVIC RIGHTEOUSNESS COMMITTEE REPORT — 1970

In the decade of the 1960's the Christian Life Commission's emphasis on applied Christianity may be said to have come of age with Southern Baptists. Throughout Southern Baptist churches, associations, state conventions, institutions, and various agencies there has been a strong upsurge of involvement in matters related to Christian social ethics.

During the past year, materials on applied Christianity were channeled by the Commission through various state Baptist papers, Southern Baptist Convention agency publications, and other mass media outlets in total quantities of tens of millions. The Commission's literature program was expanded by the addition of ten new titles in the "Issues and Answers" series on the subjects of abortion; black power; civil disobedience; drugs; extremism; guaranteed income; totalitarianism; urban crisis; violence; and law, order and justice. Ten additional "Issues and Answers" pamphlets have now been produced on aging, capital punishment, consumer credit, generation gap, open housing, pollution, population explosion, revolution, sex education, and taxation. The Commission now has some 70 tracts in print and available for helping churches emphasize the practical dimensions of the Christian faith.

The Commission's recent conferences on extremism, authentic Christian morality, drugs, and Christianity and sexuality have been well attended by a representative cross-section of Southern Baptist leaders and have been widely influential. The 1971 national conference topic is "Southern Baptists and National Priorities." The churches and Convention agencies are continuing to make wide use of the tapes, printed proceedings, and other materials produced by these conferences.

Special attention has been paid to the problem of pornography. In New Orleans the Convention instructed the Commission "to unite, organize, and mobilize to correct and overcome the abuses of pornography now being perpetrated against the citizenry, young and old, in our nation." In a response the Commission has developed a theological critique as a formal testimony before the President's Commission on Obscenity and Pornography, has released to all the state Baptist papers three articles on pornography entitled "Questions and Answers About Pornography," "Telling It Like It Is About Pornography," and "What Can Christians Do About Pornography," and has prepared an action guide for churches concerned about helping to solve this problem.

To be true to God's high calling in Christ Jesus, Christians today must be both the converted, gathered church and the reconciling, dispersed church, going into the community to be the salt of the earth and the light of the world. To the end that this calling in all its power and significance may be faithfully realized, the Christian Life Commission is dedicated to the task of emphasizing applied Christianity. A **Christian Life Committee Guidebook** is available free of charge for those individuals, churches, and associations seeking specific suggestions as to how to plan and work in the area of Christian social

concerns. The Commission's objective is to help develop the kind of Christian morality, private and public, which will substantially undergird our total Southern Baptist witness for Jesus Christ.

Mrs. Clay Church

HOMES FOR THE AGING REPORT FOR 1970

God has blessed our Homes for the Aging through all of our nineteen years, and during the past year in a very special way. We acknowledge His goodness and thank Him for every manifestation of His love. We also want to express sincere gratitude to our Baptist people for their increased love and concern for the 195 dear elderly people to whom we are ministering in our five Baptist Homes — Resthaven, the Hayes Home, and Nursing Care Unit, in Winston-Salem; the Albemarle Home, in Albemarle; the Hamilton Home, in Hamilton; and the Yanceyville Home, in Yanceyville.

An urgent appeal was made to our Baptist people before our offering in February to help us reduce the alarming deficit in the operation of the Homes. This pleas was heard, and the offering, of \$168,349.34, from July 1, 1969 through June 30, 1970 from our Baptist Churches, has exceeded all other offerings in previous years. How grateful we are for this increase. We want to urge our people, however, to continue giving liberally to our Homes and to remember that we are still confronted with the staggering cost of living and the great need to strengthen the total economy of the Homes as we try to move forward in developing and expanding this vital ministry to the aging. For example, even though our offering reflects an increase over the previous year, this increase will only take care of approximately half of the additional amount necessary in operating the Homes for the coming year, due to inflationary pressures.

Of great interest in our Development Program is a proposed new addition to our present Nursing Care Unit. Judge and Mrs. William M. York, of Greensboro, North Carolina, have offered a gift of \$80,000.00 by September 1, 1970. If this proposal is fulfilled, 10 to 12 additional rooms would be made available, with accommodations for 20 to 24 people, and bringing our total nursing care capacity to 80 beds. We appeal to Baptist people to pray for the success of this very special project in the care of our elderly sick.

There is no greater security for an older person than that of the Christian nurture and love offered in our Baptist Homes, and we thank the Lord, and our Baptist people, for this ministry. We shall continue to look to Him, and to our people, on behalf of these to whom Christian love means so much, in the faith that our needs will be supplied.

Respectfully submitted,
Rev. Vaughn Brown

COOPERATIVE PROGRAM REPORT — 1970

Hundreds of churches, including every size church, increased Cooperative Program giving last year. One thousand and seventy-three churches increased Cooperative Program giving by ten per cent or more over the previous year. This increased sharing will enable all to have a greater part in the healing of the sick, feeding the hungry, clothing the naked, visiting the imprisoned and preaching the gospel

to the poor. Congratulations are in order to every individual and church making this ministry possible.

Helping churches advance in stewardship and missions is one of the basic aims of your Stewardship-Cooperative Program Chairman, General Board member, Superintendent of Missions, Moderator, and the Division of Stewardship Promotion of the Baptist State Convention. Do you need help with Annuity and Insurance for your pastor and/or other staff personnel, Week End Stewardship Revivals, Growth in Christian Stewardship Program, The Forward Program, Study and Preaching Program, Tithers Enrolment Week, Planning a Budget, Youth in Stewardship Program, Family Stewardship Program, Visual Aids, Communications, Developing a Special Stewardship Program, Principles of Family or Church Budgeting, Setting up Better Financial Record keeping for your church or leaflets and other information on the Cooperative Program, State Missions, and Family or Church Finance?

The Cooperative Program is the main channel of supporting World Missions, Christian Education, Social Services, and ever increasing State Missions programs. The goal for these causes this year is \$7,000,000.

As dedicated Christian stewards will you try to lead your church:

1. To use a stewardship program to help subscribe your own church budget?
2. To increase the percentage of the offering plate dollar given through the Cooperative Program?

Your associational officers and your Division of Stewardship Promotion personnel are delighted to offer friendly service to aid your stewardship program, Cooperative Program sharing, visual aids or annuity requests. On your invitation we stand ready to assist in every possible way.

W.M.U. ANNUAL REPORT — 1970

The Woman's Missionary Union was well aware that much training was needed in order to keep abreast with the program that the Southern Convention was beginning to promote. The first gesture toward acquiring this training was that some of the officers for 1969-70 attended the WMU workshop at Camp Mundo Vista, September 26 and 27, 1969.

We were also aware that the first requirement for a successful program was prayer. An evening prayer retreat was held at Welcome Home Church November 4. The youth organizations participated in the program. Rev. Dean Simpson delivered a great Foreign Missions

message, which served as a stimulate for us as we began our Foreign Mission study.

In December the YWA members were given a banquet by Mrs. Lawrence Miller, Associational Director. This was held in the social hall of Wilkesboro Church. Mrs. Jane McRae of Elkin was the speaker of the evening.

The WMU Director attended the conference, Shaping the 70's, which was held in Greensboro, and the follow-up session in Elkin. As a result of this training we conducted a two night training session in Wilkesboro Church. Fifty-seven women enrolled, with nineteen Missionary Unions represented.

The G.A. Director, Mrs. Raymond Blevins, was quite busy during the spring months seeing that a large number of girls completed the required number of "Forward Steps" to be eligible to attend the camp at Camp Mundo Vista. A number of churches in the Association sent their girls to this camp.

The last Sunbeam Day Camp, to be known as such, was conducted by Mrs. Dwight Williamson, the Associational Director, May 23. The camp had outstanding leaders who provided fun and much valuable information concerning our Baptist program to this large group of boys and girls.

The annual meeting was held at Cub Creek Church, April 27. Mrs. Boyce Brooks of Boone, North Carolina, was the guest speaker of the evening. At this meeting Mrs. Virginia Jarvis was elected Associational WMS President to succeed Mrs. John Wright who moved away.

The Associational WMU Council was represented at Ridgecrest during the WMU week and at the workshop for associational officers at Camp Mundo Vista, August 28-29, 1970.

We humbly request the prayerful support of all pastors and Christian people of our association in order that our Missionary Union may do a better job of undergirding our church related programs or anything that pertains to the work of our Lord.

Respectfully submitted,
Belva Gregory
WMU Director

HOME MISSION BOARD REPORT — 1970

This year, 1970, marks the 125th anniversary of the Home Mission Board. During these years Southern Baptist Missions at home has grown from small beginnings in a few southeastern states to a penetration into everyone of the fifty states. We are all grateful to God for this advance, and are justly proud — a pride that must be translated into a greater commitment in the future.

The Home Missions study courses this year were based on Pioneer Missions in the northeast. This metropolitan area presents the greatest challenge the board has ever faced.

The budget voted for conducting the twelve programs for 1970 was \$14.5 million. The Annie Armstrong Easter offering was \$6,000,-000. Summer student workers numbered 937.

The ever enlarging program of Christian Social Ministries is opening many doors. This program is balanced by an intensified sense of responsibility for evangelism on the part of our leaders. Authur B. Rutledge says: "The purpose of every home mission activity is to lead people to know and serve Christ as Saviour and Lord." In the Brushy

Mountain Association there is a notable increase in service to those deaf at Liberty Grove; the day care center for retarded children at in need on the local level. Representative projects are services to the North Wilkesboro First Church; and the distribution of food, literature, and a worship service at the Love Valley Rock Festival by Moravian Falls Church.

As we look to the decade of the 70's with its tremendous possibilities may the Home Missions Week theme for this year be our prayer: "Lord Speak Through Me."

Respectfully submitted,
Mrs. O. M. Proffitt

ORDINATION COMMITTEE REPORT — 1970

The Ordination Committee of the Brushy Mountain Association met at the Millers Creek Baptist Church, Friday, December 5, 1969, to examine Mr. Mace Johnson for ordination into the pastoral ministry.

After due examination, the Ordination Committee recommended to Millers Creek Baptist Church that Mace be ordained.

This committee continues to offer its services to churches in the Association. If help or advice is needed, please request it.

Respectfully submitted,
Allen Laymon, Chairman
Ordination Committee

FOREIGN MISSIONS REPORT — 1970

The Foreign Mission Board is our arm of outreach and missions to other parts of God's world. I wonder how much we have helped in the strengthening of this arm? How can we help strengthen it? Through gifts to the Cooperative Program and the Lottie Moon Christmas Offering. There are three categories of the Foreign Mission Board that we can help to strengthen through our moneys.

There is the requirement for maintaining our twenty-five hundred missionaries on their fields of labor. This includes two thousand, one hundred and forty-five missionary associates; one hundred and twenty-nine missionary journeymen; and four special project medical missionaries under appointment to seven countries. This support includes much more than their personal salaries. It involves travel to the mission field, furlough travel, out allowance before going, and refit allowance upon returning to the field. Also, education of missionary children, medical allowance, travel on mission fields, language study, and other requirements.

The second portion of the recommendation calls for funds to implement work on the fields. The largest portion of the work funds is utilized for evangelism and church development. In addition, there are amounts for schools, student work, publications, medical work, and benevolent ministries.

A third section of the budgeted items go for needs for buildings and lands. It is necessary to provide houses for missionaries, church buildings, hospitals, seminaries, publishing houses, and other needed structures.

The Cooperative Program is regarded as the life-line of world missions. It produces funds for work that Southern Baptists do at home, and throughout the world.

The Lottie Moon Christmas Offering is reinforcement in Foreign

Missions financing. It is a love offering given at Christmas which represents an out-pouring of concern and compassion in response to our Lord's great commission.

It is a blessing to know that every person, through the Cooperative Program and the Lottie Moon Christmas Offering, can have a share in the work done throughout the world. None of us can be in all of these seventy countries at one time but by means of our gifts and prayers we can be effective sharers with God's servants who labor on mission fields.

Missions require a great deal of money, but it represents far more than money. Missions represents life, dedication, loving service, patience, stability, and standing firmly in the midst of uncertain conditions and danger. Whatever the great total amount of moneys needed, it is far exceeded by the gifts of loving service, heroic dedication, and faithful witness of God's servants who go in response to our Lord's call. What are we doing about supplementing our witness on foreign fields?

Allen Laymon

BAPTIST HOSPITAL REPORT — 1970

Our Baptist Hospital continues to grow, in spite of its serious problems. Physical growth is the result of the long-range development program which has already seen the completion of the new power plant, the School of Nursing and Allied Health Building, and the additions to the Medical School. Construction of the new patient tower is progressing, after some delays, and is expected to be completed by mid-1972.

There is continued growth in the quality of patient care provided. There is improved equipment in the heart diagnostic center in the fight against heart disease; the department of nuclear medicine continues to make progress in the diagnosis and treatment of some of our most dreaded diseases; the stroke center renders valuable service to the study and treatment of strokes and brain tumors. New equipment for the intensive Care unit includes an instrument which is attached to the patient and measures his heart action and blood pressure; if either varies from a safe range the machine signals the attendant immediately.

Changes in admission procedures have been made necessary by the financial crisis the hospital faces. When a doctor reserves a bed for a patient the admissions office contacts the patient to obtain the needed information, including the type and amount of his hospital insurance coverage. After estimating the hospital bill and determining the amount of insurance coverage, the patient is notified of the difference which he is expected to bring when he enters the hospital. An effort is made to counsel with all patients who need financial aid and assist them in getting help.

With all the growth, one thing remains unchanged: the desire and determination to care for the needy sick. This has been at the heart of the hospital's ministry since it opened in 1923. Last year it ministered to 5,225 Service Patients for 47,499 days of hospital care, in addition to the large number served in the Outpatient Clinics. The free care amounted to more than a million dollars beyond what these patients, their insurance, and all supporting agencies paid. North Carolina Baptists provided \$565,000 of this amount — \$237,000 through

the Cooperative Program and \$328,000 through the Mother's Day Offering. To date this year 29 churches in our association contributed \$2,424.26 of the Mother's Day Fund, thus helping the hospital keep faith with its purpose.

Though our Mother's Day Offerings have grown they have not kept pace with the rising costs and our hospital is running a heavy deficit. If full use is to be made of the new medical procedures and facilities in fulfilling our mission, we are going to have to give our Baptist Hospital additional support.

BAPTIST CHILDREN'S HOMES REPORT FOR 1970

The Baptist Children's Homes of North Carolina, Inc., is a multiple-service agency of the Baptist State Convention of North Carolina. It seeks to provide care, support, and training for dependent and neglected children and to provide a variety of services to strengthen wholesome Christian family life in contemporary society. It attempts to develop the child mentally, spiritually, and emotionally as well as socially and physically. It was eighty-five years ago that North Carolina Baptists, following the teachings and examples of Christ and led by the Holy Spirit launched a Christian ministry of Child Care. John H. Mills, an ardent leader of Child Care, was instrumental in opening the Thomasville Baptist Orphanage in 1885. That home is now known as the Mills Home. Through the years this ministry has grown considerably and is widely recognized for its quality of service. Sons and daughters of the Children's Homes are scattered throughout the world. They are actively engaged in all walks of life and are making a significant contribution to the uplift of mankind as a result of their early Christian training made possible by North Carolina Baptists and other friends.

A variety of quality services at the Children's Homes is made possible by well-trained and professional staff who provide leadership for group care programs, foster home care, family services, consultation with churches in pre-school programs and planning for higher education of children who have been in care. This program unfolds on seven campuses and through the work of regional casework centers throughout the state. In the East, Odum Home at Pembroke continues its vital ministry and Kennedy Home at Kinston is entering its intensive development program. Our ministry in Piedmont North Carolina focuses in Mills Home at Thomasville, Greer Home at Chapel Hill, and Wall Home at Wallburg, Broyhill Home at Waynesville and the Maternity Home at Asheville are scheduled to open within the next few months extending our ministry into Western North Carolina.

The contribution of our Baptist people through the Cooperative Program, the Thanksgiving Offering and special gifts are essential to the continued operation and are received with deep appreciation. Many individual families, and groups make significant contributions to the lives of the children through the sponsorship programs which provide basic needs, birthday and Christmas gifts. An increasing number of friends are finding a rewarding stewardship opportunity through the establishment of trusts for the Homes by means of wills and estate planning for the needs of dependent children. The Children's Homes will be happy to provide information and assistance to

those who desire to live in the hearts of tomorrow's children through these means.

No ministry is more important than helping a child, hurt by life, to grow into healthy, well-adjusted, responsible citizens.

Respectfully submitted,
Mrs. Eleanor McMurray

REPORT ON OUR BAPTIST COLLEGES — 1970

From the Council on Christian Higher Education we have received most of the facts and figures for this report.

Our seven Baptist colleges and their enrollment as of October 15, 1969 are:

Campbell College	2,306
Chowan College	1,333
Gardner-Webb College	1,461
Mars Hill College	1,294
Meredith College	1,142
Wake Forest University	3,210
Wingate College	1,607

12,353

The North Carolina Baptist Colleges are a part of a great Convention-wide program for Christian higher education. There were enrolled last year in these Southern Baptist colleges and universities 7,070 who have chosen to give their lives to the service of the denomination. These include 3,671 ministerial students, 863 home and foreign mission volunteers, 610 church education volunteers, 853 church mission volunteers, and 1,081 who have volunteered for some category of Christian vocational service.

The seven North Carolina Baptist colleges had enrolled last year more than 600 students who have dedicated their lives to full-time Christian service. The largest number of these young people will become pastors, missionaries, directors of religious education, directors of church music, chaplains, denominational workers, and Christian college teachers.

Outside of student charges, the Cooperative Program continues to be the largest single source of annual income for our colleges. The North Carolina Baptist colleges are grateful for the generous support they have received during the past year: Campbell College — \$93,223; Chowan College — \$175,583; Gardner-Webb College — \$166,804; Mars Hill College — \$252,840; Meredith College — \$252,840; Wake Forest University — \$430,178; and Wingate College — \$184,362.

Last year, 1969, ten of our Brushy Mountain churches gave a total of \$1,695 to our Baptist Colleges in special offerings. This was an increase of \$427 over the previous year. We urge upon our churches the needs of our Baptist schools!

SUNDAY SCHOOL REPORT

At last year's Associational meeting the Rev. G. C. Arney was elected Associational Sunday School Superintendent. Shortly afterward he became ill and was hospitalized for several weeks in Wilkes General and Baptist Hospitals. There followed several months of

convalescence and limited services in his own church field. After apparently regaining a considerable degree of health Brother Arney died suddenly on August 11, 1970. He will be greatly missed in our Association and its work. We remember him with great fondness and express to Mrs. Arney and Barry our sincere sympathy and prayerful goodwill.

Due to Mr. Arneys' illness he was not able to carry out the work of Associational Superintendent and I was asked to take certain responsibilities in regard to the Shaping the Seventies work as it related to Sunday School.

- On January 20 and 21 several leaders from our Association attended the Shaping and Seventies Conference in Greensboro for all organizational leaders. I attended in Brother Arney's place.

The Shaping the Seventies Clinic for the Brushy Mountain Association was held at Wilkesboro Baptist Church on February 23 and 24, 1970. All organizations held clinics at this time. I was asked to direct the Sunday School Clinic which was conducted primarily for Sunday School Superintendents and other general officers. The attendance was very good with many churches being represented.

A Visitor-Trainor clinic was held in Elkin on April 3, 1970 at which time several men were trained to be able to assist the churches of the Association in planning their Sunday School work for the seventies and with ordering of appropriate literature. Rev. E. W. McMurray, Rev. Harold Rumpfelt, Rev. Bob Wainwright and I attended this meeting as representatives of the Brushy Mountain Association.

Since I have been asked to serve as Associational Sunday School Director for the coming year I would like to assure the churches that I or any of these other men will be happy to advise and assist any Church which needs our help in the area of Sunday School work.

With many new ideas, organizational structures, and literature pieces available for our use in the seventies, we feel that The Bible teaching program in our churches is in for better days than in the last few years.

A BRIEF HISTORY OF WILKESBORO BAPTIST CHURCH

Whereas the history of this church was written in 1953 and recorded in the minutes of this Association on pages 20, 21, 22 and 23 of that year, further reference to that period will not be mentioned here.

At the November meeting, 1953, the Board of Deacons recommended to the church that a Brotherhood be organized. The date of the organization meeting was set for November 20 with Horace Easom, State Brotherhood Secretary, as the speaker.

At the March meeting, 1954, the following members were appointed to serve with the Board of Deacons on a building program: Ray Stroud, T. M. Foster, Judge Hayes, Presley Myers, A. A. Sturdivant, Sr., Dave Hall, Claude Kennedy, Arthur Lowe, Mrs. O. K. Whittington. As T. M. Foster's term as a deacon expired the deacons recommended he be appointed as deacon emeritus.

At the April meeting, 1955, the church accepted a recommendation by the Board of Deacons that the church buy the property owned by Paul Osborne, located back of and adjacent to the parsonage, for the sum of \$3,500.

At the meeting of October 8, 1955, Rev. Robert L. Franklin read his letter of resignation to be effective November 8, 1955, in order that he might accept a similar position with a church in Georgia. Dr. Edwards reported that the Board of Deacons recommended that the church give Rev. and Mrs. Franklin a silver service set as a going away present. November 29, 1955, the church was asked to choose between Rev. Burgin and Rev. Young as visiting ministers until a regular pastor could be secured. A motion was made and carried favorably that we alternate between them.

In April 1956, the church extended a call to Rev. Henry Morgan to serve as pastor. He accepted the call and is still serving at present. Rev. Morgan delivered his first sermon as pastor on May 6, 1956. Also in April a planning committee for a building program was appointed: George Kennedy, Kyle Hayes, Alvin Sturdivant, Sr., Elmer Lowe and Ray Stroud.

At the October meeting, 1956, plans for a new sanctuary and an additional educational building were accepted by the church. The planning committee recommended that the church start a building fund and the deacons of the church serve as a building campaign committee. The drive to begin December 23, 1956 and to run to September 30, 1957, and the goal to be \$25,000 by anuary 3, 1957.

At the February meeting, 1957, the pastor presented to the church the recommendation from the building and planning committee that the new educational building be constructed first so that the church program may continue uninterrupted on the church property. That the present sanctuary be dismantled so that construction of the new sanctuary may be started. In March the pastor recommended that a building fund drive be launched in May 1957 and continue for 20 months ending January 1959 and the goal be set for \$60,000. A motion was made and carried favorably. A ground breaking ceremony was held for the new building on April 22, 1957. July 15, 1957, the church accepted a recommendation from the deacons that the church sponsor a group in the west end of Wilkesboro as a Baptist Mission.

August 18, 1957, an ordination service was held and Phillip Baxter Davis was ordained as a Baptist Minister. Rev. Henry Morgan delivered the ordination sermon, Dr. W. D. Wagoner gave the charge, Rev. E. A. Dillard presented the Bible.

October 20, 1957, the deacons unanimously recommended that Judge Hayes be elected deacon emeritus of the Wilkesboro Baptist Church. The motion carried favorably.

On October 26, 1958, the morning service was held in the basement of our new sanctuary. This was the first service held in the new building. January 4, 1959, the first service was held in the new sanctuary. A dedication program for the new church was held May 3, 1959. Among those assisting in the dedication service were three former pastors: Rev. Avery Church, Rev. N. C. Teague, and W. W. Brookshire. Ray Stroud presented the building and it was accepted by T. E. Story representing the Board of Trustees. A dedication dinner was held in the fellowship hall.

At the August meeting, 1960, the pastorium committee recommended that a new pastorium be constructed at a cost not to exceed \$20,000 and recommended that the church accept Mr. and Mrs. George Kennedy's offer to donate a lot in Ken Acres for the purpose of erecting a pastorium. The pastorium was completed at a cost of \$29,000 and open house was held May 19, 1963.

July 23, 1961, Rev. Earl Webb was called as minister of education. He served the church until February 1964 when he received a call to serve as pastor of Millers Creek Baptist Church.

September 1964, the trustees were authorized to borrow \$7,500 to purchase the Spencer Harris property in Wilkesboro for the use of Hill Crest Mission. The property having an eight room house on it which could be used by the mission until a new building could be erected. At the Oct. meeting, 1964, the Hill Crest Mission recommended that Glenn Dameron, Willie Higgins and Seymore Johnson be elected deacons for the Mission. September 14, 1965, it was voted to build an educational building for Hill Crest Mission and to negotiate with the North Carolina Bank for a loan in the amount of \$16,000 to apply on the cost of erecting the building.

At the August meeting, 1966, Wilkesboro Church called Steve Price, a recent graduate of Golden Gate Seminary, as minister of education. At the same meeting, the church voted to increase the amount and percentage of our gifts to all mission causes through the cooperative program each year to the various organizations of the Baptists.

June 18, 1967, Steve Price, Minister of Education, tendered his resignation effective July 1, in order to continue his education. Mrs. Price also resigned her position as secretary to the church.

At the evening service of September 22, 1968, Rev. Morgan announced that the Hill Crest Mission had voted unanimously to call Rev. Raytree Greene as pastor.

May 18, 1969, the church observed a note burning service, which cleared the church of indebtedness.

At the March meeting, 1970, a motion was made and carried to paint the sanctuary and to air-condition the educational building.

At the June meeting, 1970, a motion was made and carried to elect Mrs. I. V. Couch as Minister of Education.

The system of rotation was adopted for deacons in July 1954. Since then 33 deacons have been ordained into the church.

This church under the present leadership has held two revivals a year. One in the spring and one in the fall, and has increased in membership from 365 to 602.

Respectfully submitted,
Mr. J. F. Jordan, Historian

BRIEF HISTORY OF LIBERTY GROVE BAPTIST CHURCH

Whereas the history of this church was written in 1963, and recorded in the minutes of this association on pages 55, 56, 57, and 58 of that year; further reference to that period will not be mentioned here.

At April meeting, 1963, the deacons recommended that they proceed with the paving of the parking lot, which was completed. The parsonage drive was also paved at the same time and the halls and rooms of the parsonage were covered with inlaid linoleum.

The church discontinued night service for a while. Then at July meeting, 1964, it voted to go on full time. A special conference was called at June meeting 1965, for the purpose of electing a pastor. Rev. C. L. Corbet was voted on and unanimously elected as pastor. Then the church voted to purchase a mimeograph machine, which has speeded up the printing of the programs. The church also voted to have the officers and teachers meeting the last Wednesday night in

each month. The church voted to have a constitution and by-laws. The pastor and deacons were to prepare this. The pastor donated one hundred books to the church to start a library.

At the October meeting, 1967, Rev. Corbett tendered his resignation as pastor. Rev. Poole was secured as interim pastor until a new pastor could be secured. The church voted to give the pulpit committee authority to pay \$120 per week salary if needed to service the pastor.

At December meeting, 1967, the pulpit committee presented the name of Rev. G. C. Arney as pastor, which was voted on and carried favorably. The deacons recommended to the church an air condition system for the sanctuary and heating and cooling unit combination for the pastor's study be installed when one fourth of the money was pledged. The building and grounds committee to seek bids and present to the church for approval to the lowest bidder then borrow the remaining amount. The B&R Sheet Metal bid was the lowest at the price of \$3,439. The deacons recommended to pay Rev. John Wright twenty-five dollars for teaching a class. They also recommended that a sign be placed at Highway #268 showing directions to the church. The motion was made and carried favorably.

It was voted to give the pastor twenty dollars extra per month for travel expenses. At April meeting, 1969, the church voted to accept the constitution that was presented to the church. At the July meeting it voted to have a Brotherhood and a Y.W.A. organized and have a covered dish supper at 6:30.

At February meeting, 1970, the deacons recommended that Rev. Charlie Poole be called to preach Sunday nights until the pastor recovers from his illness and is able to resume his full duties again, and that Rev. Poole be paid ten dollars per week.

Rev. G. C. Arney passed away August 10, 1970, and the church has been without pastor since.

GENERAL BOARD REPORT — 1970

The General Board of the Baptist State Convention of North Carolina has the responsibility to act for the Convention between annual sessions, and to provide supervision for all agencies and institutions fostered by and receiving support from the Convention.

The General Board also has charge and control of all the Convention work, including missions, evangelism, education, benevolences and all other general activities, except those which are committed by Charter to the Trustees of the institutions and agencies.

General Board meetings were held during the Convention year at Meredith College in January, Wingate College in June and Camp Mundo Vista in October.

Serving as Board Officers are: James Cammack, President; Woodrow Hill Vice-President; Mrs. Charles Hillard, Secretary and Miss Ruth Williams, Staff Secretary.

The Baptist Convention is supported by the cooperative program. The present budget is \$7,200,000.00, of which 33 percent has been allocated to the Southern Convention: 25 per cent to Christian education; 11 per cent to Social Service institutions and 30 per cent to State Missions, including General Board programs.

Currently, co-operative program giving is slightly ahead of last

year while State missions and gifts to the homes for the aging have shown significant increases.

The financial goal of the Convention for 1971 will be \$7,500,000.00 with a budget of \$7,350,000.00, a five per cent increase over 1970. Distribution would be primarily the same as 1970.

Various institutions of the Convention continue to grow with most of them enlarging their work through funds from individuals and foundations; however, of course they continue to depend on the co-operative program to provide funds for their operating budgets.

EXECUTIVE COMMITTEE REPORT 1970

The Executive Committee of the Brushy Mountain Baptist Association met four times during the year.

At the November meeting Rev. John Wright resigned as associational missionary effective December 31, 1970. He had accepted a call to become Suuperintendent of Missions for the Chipola-Apaloochee Association in Florida. We accepted his resignation with regrets.

In the May meeting a motion was made that the Properties Committee get an estimate for repairs on the parsonage and report to the Executive Committee. W. L. Pitts made a motion that the Moderator meet with the Properties Committee and call a special meeting to make the report. Joe Crouch gave a report for the Missions Committee, stating that they had been in contact with a prospective Superintendent of Missions.

On May 28, 1970, the Executive Committee and the Missions Committee met in a special conference at the Wilkesboro Baptist Church. This meeting was called by the Moderator of the association to consider the matter of calling a Supt. of Missions for the association. After presenting the qualifications of Rev. I. V. Crouch, Supt. of Missions for the Green River Association, to the Executive Committee, the chairman of the Mission Committee moved that he be called as Supt. of Missions for the Brushy Mountain Association. The Executive Committee voted unanimously to call Reverend Couch. A motion was made and carried that the Properties Committee be empowered to renovate the kitchen of the parsonage including cabinets, appliances, light fixtures, floor, sink, and removal of one wall if possible.

At the August meeting Rev. Couch was introduced and the meeting turned over to him. He discussed the condition of the parsonage and outlined his objectives as our Supt. of Missions. Rev. Henry Morgan made the motion to have the parsonage living room and dining room carpeted. The motion passed by a unanimous vote. Jim Mason,

Chairman of Wilkes County Blood Program, spoke briefly and requested the support and co-operation of churches in the blood program.

Respectfully submitted,
E. W. McMurray, Moderator
J. C. Shaw, Jr., Clerk

SUPERINTENDENT OF MISSIONS REPORT

"The District Association is the oldest and most important unit of the Baptist denominational life outside the local church," states S. F. Dowis.

Three churches met in Wales in 1650. In 1689, one hundred churches met in London and formed the London Assembly. Their program of work was to strengthen the churches and to spread the gospel. Then in 1709, the Philadelphia Association was formed. In 1751 the Charleston Association came into being.

From this small beginning in 1650 until today Baptists have realized that we can do a better job of carrying out the Great Commission by working together than we can separately. The task of the Superintendent of Missions is to encourage every church to have a part in World Missions in obedience to the command of our Lord. "For we are labourers together with God." I Cor. 3;9a.

Since coming to the Brushy Mountain Association on July 20, it has been my privilege to be a part of the association in the following ways:

Church visits	29	Pastor's Conference	2
Sermons preached	11	Weddings	1
Sunday School Lessons taught	3	Funerals	1

PROPERTIES COMMITTEE REPORT — 1970

At the Executive Committee meeting in May the Properties Committee was instructed to proceed with renovating the associational parsonage including kitchen cabinets, sink, appliances, light fixtures and floors, and if possible, the removal of one wall.

At the August meeting Rev. Henry Morgan made a motion that the association carpet the living room and dining room. The motion was carried.

As the work progressed it was found that termites had done considerable damage to the structure of the house, water damage caused by no cover over the back porch was discovered. All this damage led to a great amount of work at a considerable cost. To date the following has been completed:

Repairing and painting two rooms and the bath upstairs, painting and carpeting the living and dining rooms. However due to the paint cracking in the living room, it will have to be papered.

Removing the wall in the kitchen would have required a great amount of work and cost since it was a supporting wall, and was not removed. The kitchen cabinets are completed, the family room is finished and the carpet for this room was furnished by interested friends.

The first floor bath is yet to be completed and a few more details to be completed. It will probably be several weeks before the Couch's will be fully settled in the parsonage.

Respectfully submitted,
Lillian Foster, Chairman
Rex Yates
Dale McNeil
