John Terrill Wayland and Mrs. Eunice Fowler Wayland

John Terrill Wayland was born in Moberly, Missouri, March 2, 1907. He graduated from Moberly High School a member of the honor society, and was one of four salutatorians. Upon completion of four years at William Jewell College in 1928, John Wayland enrolled at Southern Baptist Theological Seminary from which he received the Th.B. degree two years later. Continuing his education, John went to Yale, where, after a year, he received his B.D. degree, and in 1933 the Doctor of Philosophy degree. In 1932 John T. Wayland and Eunice Fowler were married in New Haven, Connecticut. They felt the call to become foreign missionaries and had hoped to be sent to Burma where he would have taught in Judson College. The depression and lack of funds, however, made this impossible.

In June 1933, Dr. Wayland was called to become pastor of the First Baptist Church in Monroe, North Carolina. The Temple Baptist Church in Durham was the next call to Dr. Wayland - he went there in 1937 and remained until he went into the military service as a Navy chaplain in 1944. After the war, Dr. Wayland became interim pastor at Pimlico Baptist in Baltimore. A year later he was asked by a committee from the First Baptist of North Wilkesboro to consider the church here. Dr. Wayland and his family arrived in North Wilkesboro in August 1947. Under the leadership of Dr. Wayland at the North Wilkesboro Church, the new parsonage was built. A much-needed educational building was constructed. A school for rural Baptist preachers was established under his leadership. This was increased in class load to accommodate lay people who wanted the courses.

Dr. Wayland resigned from the North Wilkesboro First Baptist to become

professor of Christian education at the Southeastern Baptist Theological Seminary in 1952. For 18½ years he taught at the seminary. On his retirement from the seminary, Dr. Wayland returned to Wilkes in 1972 and he is now serving as associate pastor of First Baptist Church. From 1972 until 1982 he was Adjunct Professor of Religion at Wilkes Community College. Many of the best things that have happened in Wilkes County have come into being with the aid of his gentle spirit and the urging of his strong leadership. Dr. Wayland has served as first president of the Board of Trustees of the North Carolina Baptist Homes for the Aging. He is a past president of the Board of Trustees of the Baptist Children's Homes of North Carolina. In 1961-1962 he served as visiting lecturer at Oxford University.

Through all of Dr. Wayland's years of leadership as pastor, friend of pastors, educator, compassionate citizen, and Christian servant, Eunice Wayland has been the "helpmate" *par excellence*. In addition to fulfilling her role as minister's wife, as mother, as community leader, Eunice has found time to develop and express her gifts as an excellent artist in several media.

**History of Oakwoods Baptist Church**  
 1967 - 1986

In the year 1967, Oakwoods Baptist Church entered upon a period of growth which merits special attention. A new parking lot was completed, the auditorium was recarpeted, new Sunday School furniture added and a ramp was constructed for the handicapped.

The church organizations for missions were strengthened by reorganizing to include all ages.

The grounds have been beautified with plants and shrubbery. A pastorium was added to the church property in 1976. The church has open office hours during the week for one-half day with a secretary.

Walter Stroud and wife Lula joined the church soon after it was organized. Both are still members at age 95.

In 1981, Jack Rose and wife Dorothy, came to serve as pastor. He served for three years.

Four young men from Oakwoods Church have been called into full-time ministry: In 1981, Carlton Waddell; in 1983, Robert Duncan and J.T. Jones. Both attended seminary for training. William Ellis is attending Campbell University and upon graduation will be a full-time music director.

In May 1985, Rev. Dale Ellenburg, with his family, became pastor.

In June 1986, Brother Jerry Smithey was ordained as a deacon.

Oakwoods gives nine percent through the Cooperative Program, three percent to associational missions and last year over \$4,700.00 was given to special missions offerings.

**History of Hinshaw Street Baptist Church**  
 1963 - 1986

The ground breaking ceremony for the educational building was held March 31, 1963, at twelve o'clock noon. Rev. J.C. Pruitt, charter member and first pastor, broke the ground and shoveled the first shovel of dirt. Construction began the next day, April 1, 1963, and the building was finished debt free on February 1, 1964, at the cost of \$112,579.00. On February 23, 1964, the first service was held in the new building. On October 9, 1968, the church voted to

sell the parsonage on C Street and to buy the present parsonage in Sherwood Forest. The following have served as pastors: Rev. J.C. Pruitt, 1927; Rev. L.B. Murray, 1928; Rev. J.E. Hayes, 1929; Rev. D.C. Clanton, 1930; Rev. Hubert Bullis, 1933; Rev. W.N. Hayes, 1934; Rev. Richard Day, 1935; Rev. W.S. Luck, 1943; Rev. Clate Simmons, 1948; Rev. Warren Carr, 1959; Rev. Harold Smith, 1965; Dr. W.L. Pitts, 1968; Rev. Frank Blevins, 1975; Rev. Robert Wilson, 1980; Rev. Curtis White, 1982.

Rev. Richard Moretz was called as pastor December 18, 1985. The church has experienced growth in many areas. Fifty new members have been added to the church roll and 20 persons baptized. Michael Mathery was called as music director. Martha Colwell has served as minister of education and youth. During this time, the upper parking lot was paved and beautification of church grounds was given priority. The parsonage has been remodeled with new carpet and paneling. The basement of the old church was remodeled. New cabinets have been installed in the kitchen.

## PREAMBLE

We, the Baptist Churches of the Brushy Mountain Baptist Association, unite according to the plan and for the purpose and work of New Testament churches in our world. To this end and according to the following articles, we cooperate to the fullest extent possible with the State and Southern Baptist Convention and subscribe to the principles of the 1963 Baptist Faith and Message statement.

## ARTICLE I — NAME

This body shall be known as the Brushy Mountain Baptist Association of North Carolina.

## ARTICLE II — PURPOSE

It shall be the purpose of this Association to consider and promote measures for increasing the harmony, the knowledge and the spiritual life of the churches and for developing and directing their energies and their contributions in the advancement of Christ's kingdom throughout the earth, always in harmony with the teachings of the New Testament. This Association shall be an auxiliary of the North Carolina Baptist State Convention and the Southern Baptist Convention in all their missionary, educational and benevolent work.

It shall be the purpose of the Association (1) to provide the mutual encouragement and fellowship of member churches through the definition and practice of Baptist distinctives; (2) to consistently seek to confront everyone in our area with the claims of Christ on his/her life; (3) to encourage and facilitate church growth and development; (4) to promote participation in missions and ministries on the foreign field, in the homeland, in the state, and in the area of the Association; (5) to provide services to the churches as needed and desired; (6) to provide an additional channel by which member churches may participate in the Southern Baptist Convention.

## ARTICLE III — MEMBERSHIP

SECTION 1. The Association shall be composed of cooperating Baptist churches desiring to affiliate with it. Any church desiring to become a member of the Association shall present, through messengers chosen for that purpose, its request for membership on APPLICATION FOR MEMBERSHIP provided in the minutes along with a UNIFORM ASSOCIATIONAL LETTER provided by the clerk at any annual session of the body. The Moderator shall refer the church to the Committee on Membership for study and investigation. The church maintains for the year the status of associate membership until the committee makes its recommendation. If favorable, it will be received into full membership with all the rights and privileges at the next annual session. If the Association then votes to receive the church, the moderator shall extend the hand of fellowship to the messengers.

**SECTION 2.** The Association shall be sole judge of its membership and may receive churches, or reject churches, according to its Constitution and Bylaws. Member churches may withdraw from the Association as they desire. Any church in the Association which fails to cooperate with the Association shall, upon the recommendation of the Coordinating Council of the Association, be contacted by the Membership Committee to determine the intentions of the church regarding its remaining in the Association.

A cooperating church shall be defined as one which sends an annual report to the Association and messengers to Associational meetings, and contributes to the financial program of the Association.

**SECTION 3.** The Association shall withdraw fellowship from any church in its membership which shall be found to be disorderly in faith and practice, but not until written charges are brought against it, which charges shall have been authorized by the official act of the church offering the same, or by the Membership Committee of the Association. Thereafter, any such charges shall be carefully considered by the Association.

#### ARTICLE IV — MEETINGS

**SECTION 1.** The Association shall meet quarterly on the Monday after the first Sunday in January, April, and July. In October the Association shall meet on Monday and Tuesday after the first Sunday.

#### 36. BUSINESS SESSION: NO BUSINESS

37. Dr. Bill McKinney gave the Director of Missions Report. He called attention to the printed report in the Book of Reports. He stated that he and Robbie have enjoyed the past 10 years. He also called attention to the Digest of Church Letters. Baptisms are down 16 percent from last year. Only by humbling ourselves, praying and turning from our wicked ways will we be ready for revival. He challenged every church to make prayer a priority and also evangelism during the coming year.

Dr. McKinney stressed that the Bible should be taken as the truth, not used as someone else's interpretation. Issues that confront Southern Baptists: (1) "Who are we?" "What are we?" (2) "What are we for? What is our reason for being?" (3) "What are missions?" (a) Is it seeking to win somebody to Christ? (b) Is it discipling to believers? (c) Is it ministering to hurts?

What is the future of Southern Baptists? Will they split? No one can more than guess. Dr. McKinney ended his report with prayer.

38. Moderator Huffman introduced Rev. Charles Edwards to give the Resolutions Report, but they were still meeting and were unable to give their report at the time.

39. Mr. Jim Triplett gave the Memorials Committee Report. There were 119 deaths last year. The report was adopted.

40. Rev. Charles Edwards gave the Resolutions Committee Report (report is printed elsewhere in this book). The report was adopted.

41. Moderator Huffman presented Dr. and Mrs. McKinney with a check for \$1,208.50 which was a gift from the churches for their tenth anniversary with the association. Dr. McKinney expressed his thanks for the gift.

42. Rev. Jerry Smith gave the benediction and the meeting was adjourned.

## Resolutions Committee Report

### RESOLUTION #1

The Brushy Mountain Association in its 115th annual meeting, October 6-7, 1986, expresses heartfelt appreciation to both Oakwoods and Hinshaw Street Baptist Churches for the fine expression of hospitality extended to the messengers of the association.

We acknowledge our debt of gratitude for the excellent meal that was provided by the ladies of the churches on Monday evening.

- A. We commend the officers of the association for the excellent work they have done in the previous year.
- B. We particularly thank Moderator Monroe Huffman for the manner in which he presided over the meetings.
- C. We offer a special word of appreciation to Dr. McKinney for the service he has rendered to the association during these past 10 years.
- D. We offer profound gratitude to all of the messengers and visitors who have contributed to the effective functioning of this, our 115th annual session.

### RESOLUTION #2

Whereas, the availability of pornographic films are readily available to guests of Holiday Inns through the satellite channel in many of Holiday Inn motels, and

Whereas, films of this nature contribute to the moral decline of our nation,

Be it resolved that we, the messengers to the 115th Annual Session of the Brushy Mountain Baptist Association, find the distribution of pornographic films to be deplorable, and call upon Mr. Rose, Chairman of Holiday Corporation, to initiate action that would curtail the distribution of such material.

Be it further resolved that members of our churches be encouraged to refrain from using the facilities of Holiday Inns where these films are available, until such a time as a change in policy occurs.

**State Missions Report**

The very center and star of our State Missions is, of course, Togo in West Africa. This was an outgrowth of the missions that was begun by Baptist Men in 1971-72 when our very first survey as to the very feasibility for such work was made by a group of men in N.C. who have been since known as the "Missions 25 Club," of which I became a member.

The status at Togo is that a training center has been completed and 63 wells bored and cased with the individual villages installing their own "made in Togo" yellow pumps being operated and maintained by the natives in each village. Also, the 210 foot bridge is nearly complete and may very well be so by the time you read this report. We have also made many catchment ponds and fish farms and are starting a second bridge.

Dr. Roy Smith was in Togo early this year and told a group of us of his pleasure and his impressions of the missionary efforts going forth in Togo today. Jim Lambert is in Togo now (August) conducting a Youth Conference. As of now the State Brotherhood has started a program for R.A.'s and materials are already there.

Of direct interest to us is the presence of Clayton Bond, our senior missionary in Togo at our State Convention to be held in Greensboro in November.

I will not report on the missionary effort being devoted to the NASCAR races in North Wilkesboro this year since they will be covered in more detail by the Brotherhood Report of Clinton Call.

Respectfully submitted,  
Max Freeman

**General Board Report**

Already with less than a year in service as your representative to the General Board, we have been involved in two special and two regular meetings with a great many things being discussed and work begun or ended.

Of course our very first meeting was an indoctrination meeting where our state and national work was explained to us. Since we had some experience along these lines in previous years and had a wide knowledge of both ministers and lay people, we found this quite easy and it was a lot like a reunion in many ways.

We first met at Caraway Conference Center where we have been attending meetings since it was constructed and where we approved the continuance of our graduate program for women only at Meredith College. Next, we were

assigned to the Wake Forest University Campus at Winston-Salem where the subject of Wake Forest was discussed at length especially by the members of the council on Christian Higher Education on which I am privileged to serve during my term on the General Board. I regret that I am unable to attend the called meeting regarding the Wake Forest situation on this September 5 since I will be on the West coast of the U.S.A. I expect a very serious alteration to our relationship with Wake Forest with the possibility of a "friendly separation." I will personally report on this at our October association meeting if time permits.

There are a number of things that should concern you that I may be able to report at that time also. These may concern our financial situation, the Campbell Study Committee, the Fleet Car report, the status of Eutaw Heights Church at Fayetteville and Fruitland.

Respectfully submitted,  
Max Freeman

## Brotherhood Report

Baptist Men continue to be deeply involved in North Carolina and Global Ministries. We have completed our five-year partnership with West Virginia Baptists, however, we will be involved by request only through homeland projects.

Many Baptist Men were involved in 42 Lay Renewal Weekends. Ministries were continued in prison units and in combatting pornography, alcohol, and drug use. The Disaster Relief Unit has been on display throughout the western section of North Carolina, recruiting volunteers to operate the unit. Ten men and women teams are needed to man this unit.

Volunteers from North Carolina have gone in steady numbers to Togo, West Africa, since July of 1984 to be a part of a "Partnership in Wholeness" that North Carolina and the Togo mission are involved in. A 210 foot bridge that spans across the Mono River has now been completed as of July 1, 1986. Five hundred yards of concrete and many hours of volunteer labor were used to build this bridge which makes it possible for people in Moretan and other villages to take their crops to market, get to medical facilities, and to other parts of the country. According to the village chiefs, this is one of the greatest needs.

Also, water wells have been drilled in record numbers. To date, 63 good wells that produce water have been drilled; also to date, seven supply ponds have been built, the smallest two acres and the largest twelve acres. There are 15 churches, 17 preaching points; total baptisms as of August 1, 1986 totaled 847. Note these go through a six month Bible study after their profession of faith. There are 20 two-room mud huts and one classroom building completed. One hundred volunteers to date have gone to Togo, West Africa in 1986.

At the Associational Level:

Several R.A.'s participated in bike-a-thons to help support the Leukemia Foundation. The Racetrack Ministry was formed and held at the North Wilkesboro Speedway for both the First Union 400 in April and the Holly Farms 400 in September.

## Projects for 1986:

Continued work in West Virginia at request. Continue to establish prayer ministry units across the state. Overseas mission teams for medical ministries, construction, and evangelism. Continuing activity in moral issues. Lay Evangelism and Lay-Renewal projects. Strengthened work to establish new Brotherhood and R.A. groups. Mission education and mission involvement are top priority concerns of North Carolina Brotherhood. Continue Racetrack Ministry. There will be a Brotherhood Training Session in November of 1986 and the time and place will be announced at a later date.

## Fruitland Baptist Bible Institute Report

The year 1986 may be a pivotal point for Fruitland Baptist Bible Institute. As a result of drastically reducing the program during 1986, the ministry ended that year with a surplus of more than \$16,000 after all expenses including \$17,000 paid on the deficit. An additional allocation of \$46,000 was provided through the Cooperative Program, and the regular schedule was resumed as of January 1986.

The endowment fund is growing. The effort on the part of the alumni to raise two million dollars has been put on hold for the present time. The fund at present has exceeded \$200,000.

The Advanced Diploma program is developing gradually. Two advanced diploma courses are being added in 1986; Missions 502 taught by David Langford, director of Brotherhood in North Carolina and Evangelism 502 taught by Robert Watson, director of Church Extension in North Carolina.

The enrollment remains fairly constant, averaging about 140 each quarter. The 25 faculty positions are filled with qualified persons, elected by the General Board of the Baptist State Convention.

A general statement about conditions at Fruitland during the year is that

there is a good spirit and good expectations among the staff and students with gratitude to God and N.C. Baptists.

## Missions Committee Report

At our 1985 annual session messengers approved the recommendation that Brushy Mountain Baptist Association provide partial support for West Union Baptist Mission in West Virginia for the next five years. The approved support schedule was \$6,000.00 for 1985-86, \$4,800.00 for 1986-87, \$3,600.00 for 1987-88, \$2,400.00 for 1988-89 and \$1,200.00 for 1989-90.

We are beginning our second year of this commitment. We rejoice in the work that is being done by Pastor Mark Partin and his congregation and we also continue to support them with much prayer and rejoice in this mission opportunity.

Closer home, our ministries at Wilkes Towers and Foster-Richardson Rest Home have continued throughout the year and we anticipate uninterrupted success during 1986-87.

The Missions Committee wants to encourage pastors and church leaders to promote missions in the churches through prayer, giving, going and doing.

Jim Gore

## Church Training Report

As the new Associational Church Training leader, I hope the coming year will be a year of growth for Church Training within our association.

I look forward to seeing existing Church Training Programs grow and the establishing of new Church Training Programs within the churches of the Brushy Mountain Baptist Association.

Please feel free to contact me if you are in need of assistance in any area of Church Training.

## School of Christian Studies Report

Please consult the Associational Annuals for 1981 and 1982 concerning information of introduction pertaining to Seminary Extension Programs throughout the United States and North Carolina. North Carolina leads all our states in Seminary Extension Programs.

Last fall we offered one course of study - BB 0100 - "How to Understand the Bible" a basic introduction course to the nature and purpose of the Bible and how to understand it. This course is a college-level study and was taught by Dr. Bill McKinney. We had only seven persons enrolled in this course (see description page 53 of 1985 annual).

In the spring of this year, 1986, we offered one course - EC 51 - "Evangelism in Action," but we did not have enough participants to proceed with the study (see description page 53 of 1985 annual).

This fall, we are offering two courses of study. (1) "First Corinthians" - NT 0176, a study of Paul's letter to the church at Corinth. The problems that Paul dealt with in this church have confronted the Christian church through the ages and continue to be the same today. Some of these problems are: unity in the church, marriage and divorce, and Christian gifts. There is always a need to study this Book of the Bible! This is a college-level course and the teacher is W. Paul Shoupe. The course will begin October 14, 1986 and continue on Tuesday nights through December 9, 1986, from 7:00-9:00 p.m. The cost of the course is \$21.00. The place of meeting is the Oakwoods Baptist Church. The text is "The First Epistle of Paul to the Corinthians," by Morris. The Study Guide writer is Dr. Billy Simmons, New Orleans Baptist Theological Seminary. (2) "Family Life Today" - AC 76 - a study of family life from a Christian perspective, with attention to biblical and contemporary patterns of family life. Christian teachings are applied to such issues as family communication, conflict, finances, divorce, sexuality, and worship in the home. This is a Basic Curriculum course and no exams will be required. The cost is \$15.00. The time and place is the same as course number one above. The teacher of this course will be Rev. Dale Ellenburg.

It is our hope that each pastor will consider participating in these courses,

and that persistent announcement will be given to the congregation encouraging participation.

Respectfully submitted,  
W. Paul Shoupe

## Woman's Missionary Union Report

What a great time to be a part of W.M.U. North Carolina Woman's Missionary Union completed 100 years of service to missions through our churches. S.B.C. W.M.U. will be celebrating its 100 years in 1988. There have been many changes. Sunbeams are now Mission Friends and Y.W.A.'s have become Acteens; Baptist Women meetings are groups instead of circles. But the tasks are the same! Teach Missions! Engage in Mission Action and Personal Witnessing; support missions; and interpret and undergird the work of the church and the denomination. We looked back over a rich heritage of dedication, faithfulness and hard work beginning with Fannie E.S. Heck and passing through many hands, especially the committed women of our local churches. W.M.U. begins a second 100 years with the Centennial theme of "Multiply the Vision." In cooperation with the Bold Mission Thrust, we are working toward doubling our membership in all age levels by 1988.

Lewis Fork Baptist Church started an Acteen, G.A.'s and Mission Friends organization. Beverly Cook, Associational G.A. Director, helped with the G.A. and this led to the other organizations.

Our year began on September 12 with an Associational W.M.U. Leadership Conference held at Hinshaw Street Baptist Church to train church leaders in all age levels. This is a time for getting to know the leaders and sharing with each other. Martha Colwell, Acteens Director, taught the mission study for foreign missions in six of our churches.

On November 14 the W.M.U. held a foreign mission study for all age levels, including the Brotherhood, at Oakwoods Baptist Church. The study was on "Models of Church Planting."

The G.A. leaders from our churches had a Christmas Coffee at the home of Beverly Cook on December 14. January 8, 1986 marked the 100th birthday of North Carolina W.M.U. Many of our churches observed the celebration with such activities as church-wide birthday parties; old-fashioned night with covered dish dinners; history of W.M.U. was told, histories of local churches were compiled; the life of Miss Fannie E.S. Heck was presented in dramas. January 8 was also the beginning of 100 days of prayer for missions.

The W.M.U. sponsored a mini prayer retreat on January 18 from 10:00 a.m. to 12:00 noon for all age levels, including the Brotherhood, at Wilkesboro Baptist Church. The emphasis was on 100 days of prayer and Good News America Revivals. The adults were led by Shannon Wyrick who gave a very inspirational message.

An Associational G.A. Lock-In was held on January 24 at First Baptist, North Wilkesboro. About 56 girls and their leaders enjoyed a good spiritual and fun time. W.M.U. sponsored a Home Mission study at Liberty Grove Baptist Church on February 20. The theme this year was "Challenge to Servanthood." The adults were led by Ellen Keller, retired from the Home Mission Board.

The Acteens of the association came together on March 14 for a Banquet and Coronation service at Hinshaw Street Baptist Church. The guest speaker was Stella Austin, retired missionary to Nigeria. The girls enjoyed hearing how teenagers of another place lived.

The North Carolina W.M.U. held its annual meeting in Raleigh on April 17-19 with many from Brushy Mountain attending. During the meeting a historical drama, "And Here Begins the Day," written by Carolyn C. Robinson, was presented. A Spring Fling was held at Cub Creek Baptist Church on May 1 to bring together our B.Y.W.'s. The guest speaker was Marian Phillips, retired missionary to Nigeria. A nursery was provided by Mission Friends Director, Brenda Caudill.

On May 8 the W.M.U. Annual Meeting was held at Pleasant Home Baptist Church. Lillian Foster, Centennial Director, gave a brief history and special "tidbits" from churches in our association. Robin Joines, a G.A., sang the "Sunbeam" song and Carlos Pardue gave a slide presentation of his recent trip to Togo, West Africa. This is a part of North Carolina/Togo Partnership in Missions.

The Associational W.M.U. Council worked hard to make this year a success. My special thanks and appreciation goes to Mae Duncan, Assistant W.M.U. Director; Ruth Craig, W.M.U. Director; Lynda Phillips, B.Y.W. Director; Martha Colwell, Acteens Director; Beverly Cook, G.A. Director; Brenda Caudill, Mission Friends Director; and Lillian Foster, Centennial Director. Also, to the church and leaders of our association, thank you for your prayers and support.

As another year comes to a close and shadows fall, may we look to God to light our path as church members in order that we might see the vision and commit ourselves to missions in order to share God's love with everyone with whom we come in contact.

Respectfully submitted,  
Betty Pardue

## Properties Committee Report

There has been no activity by the Properties Committee this year due to the lack of funds in the associational office. Normally, we would have done some work on the associational office and residence in our ongoing maintenance function. The association's properties are in relatively good condition at the present time, but routine maintenance should not be deferred on a continuing basis.

The caretaker position has not been occupied at all this year as funds were not available. The buildings and grounds have been cared for by the associational staff on an after-hours basis. We hope to be able to fill that position and to do deferred maintenance during the coming year.

Respectfully submitted,  
Clyde Bumgarner, Chairman

## Evangelism Report

“Good News America - God Loves You” consumed the major interest of most of us in 1985-86. Our united effort to win our land for Christ produced good results. In our association 56 professions of faith resulted in 56 baptisms as a direct result of Good News America. Four hundred twenty-one rededications resulted as well as 35 transfers of membership. Resulting from the Evangelistic People Search and Scripture Distribution of 4,655 New Testaments and the discovery of 1,664 prospects - 88 of these were immediately enrolled in Sunday School.

Final word is not yet in as to the number of persons eventually reached for Christ through the simultaneous effort. Churches are encouraged to sustain the momentum started in the campaign.

Lay Evangelism School is still perhaps the best tool local churches have in training soul winners. Interested pastors and lay leaders should contact me or the Director of Missions regarding plans to conduct a Lay Evangelism School in your church.

*Survival Kit for New Christians* is also a resource that is virtually untapped in nurturing disciples and training them as soul winners. This help can be acquired by ordering from the undated literature order form - Baptist Sunday School Board or by calling the Baptist Book Store toll free number - 1-800-621-1621. “GO - MAKE DISCIPLES!”

Paul Hugger

## Foreign Mission Report

Someone, somewhere, cares. This is the story of missions, all missions. As Keith Parks, our Foreign Mission Board Secretary, said after a recent tour of mission fields: “People of all kinds desperately need the Lord.” To give to all these people the message of Christ’s Salvation is still Bold Missions goal for A.D. 2000.

How much we know, pray, and give reveal how much Southern Baptists really care. Here are some facts:

- We have over 3,500 missionaries in 106 countries, a 2.57 increase
- 428 persons were baptized each day last year
- 1,354 persons were engaged in Partnership Missions between home and foreign mission fields, a 40 percent increase
- The Lottie Moon Offering totalled \$66,862,113.65 for 1985

What may be the first step in a new era of Foreign Missions was the recent convening of the Global Evangelism Strategy Consultation, with leaders of 21 countries participating. This Consultation opened windows to the future in the way we will be doing missions in the years and decades ahead. These Baptist leaders agreed that there must be changes made.

As we look forward to the Foreign Mission Week of Prayer, with the theme: “I Will Pray,” and our Lottie Moon Offering goal of \$75,000,000.00, we are challenged to personal and organized commitment to enlarge our missionary

force to 5,000 by A.D. 2000, and to 125 countries. We are happy to report that lay people from our own association have answered the call to volunteer missions. "Who follows in their train?"

Respectfully submitted,  
Ruth Craig

## Home Missions Report

Sharing Christ's love is what Home Missions is all about. Home Mission personnel go about it in many different ways. The Home Mission Board has three objectives: evangelism, church starting, and ministry.

More than 156 million people in the U.S. do not know Christ as Savior. Many more millions who claim Him as Savior do not let Him be Lord of Life. Many towns and countries have no evangelical church or mission. Millions are functionally illiterate, without jobs, without dignity, and without hope. The Home Mission Board's 3,635 home mission personnel and 49,728 volunteers are committed to meeting these spiritual and physical needs.

But they cannot do it alone. They need your help to reach the Bold Mission Thrust goal of sharing the gospel with every person in the U.S. by A.D. 2000. So look carefully about the many ways home missions work. Then decide where you may become involved in missions right where you live.

Evangelism must be the center of all we do. This is done by regular personal witnessing, mass evangelism and evangelism development as done through "Good News America, God Loves You" revivals. Dwight L. Moody said, "You may trace every revival to a single kneeling person." The Home Mission Board informs us of specific prayer needs through Home Mission studies and Weeks of Prayer for Home Missions, during which time the Annie Armstrong Easter Offering is given. Be a strong participant through Home Mission study, prayer, and giving. The greatest hope for the future is prayer. Missions is what the individual and church does beyond its own self interest in winning others to Christ and helping that person in the Christian walk.

There are 13 programs assigned to the Home Mission Board: (1) Evangelism, (2) Associational ministry, (3) Interracial ministries, (4) Christian Social Ministry - both physical and spiritual, (5) Chaplaincy, (6) Church Extension - starting new church, (7) Church loans, (8) Interfaith witnessing, (9) Language missions, (10) Mission Service Corps, (11) Special mission ministries - volunteers, (12) Bi-vocational pastors, (13) Education ministries.

Our great spiritual leader of the Home Mission Board, Dr. William G. Tanner, president of the Home Mission Board of the Southern Baptist Convention since 1976, resigned recently to become the director of the Baptist General Convention of Oklahoma, his home state, where his mission roots were planted. Dr. Tanner had been president of the Oklahoma Baptist University before going to the Home Mission Board.

During the period the Home Mission Board is without a president, the executive vice president, Bob Banks, and the four vice presidents and administrative assistants will continue their duties as members of the Home Mission Board Administrative Council.

Following the Home Mission Board bylaws, elected officers of the Board of Directors are appointing a search committee of five to seven board members. This committee will name a successor to Dr. Tanner.

Rena McNeil Spicer

## Director of Missions Report

This past year was the tenth year of my ministry as your Director of Missions. As we begin the eleventh year of working together in this section of the Father's vineyard, it is appropriate to have a look backward and to look toward the future. I have deeply appreciated your support of the association and of its ministry. You have given me a wealth of opportunities to serve among you, and you have been willing to support many avenues of ministry. In the decade just past, our county has experienced significant growth in economic ways and in population, but we have experienced a period of declining Christian commitment and an erosion of Christian values in society. These have been challenging times, and our response to change has not always matched the challenge. We have seen declines in commitment to Bible study, discipleship development, and mission education. Financial support has remained stable -- we have become a people who want to pay for ministry rather than be personally involved in ministry. This is the most distressing fact of our associational life.

The 1985-86 associational year has some very positive features. The Good News America revivals were certainly helpful to our churches. We have reached out and stretched ourselves to assist in the establishment of a new congregation at West Union, West Virginia. We have seen that work grow as the Lord has blessed our effort and the efforts of that small congregation. We have launched a ministry to racing fans at North Wilkesboro Speedway and have provided a worship opportunity at the First Union 400 race this spring and at the Holly Farms 400 this fall. This year has been a "mixed bag" statistically. As this report is being written, it appears that baptisms and Sunday School enrollment are on the down side. Church Training, Vacation Bible School, Brotherhood and W.M.U. have held about even. Total receipts by our churches appears to be up rather strongly with some gain in Cooperative Program Support and in Total Missions Support while Associational Missions Support has not shown a corresponding increase.

What does the future hold for Brushy Mountain Baptist Association? You are the ones who will answer that question. The leadership of your association is in process of dreaming some dreams for ministry. Your involvement and your support will determine which dreams become reality. As we begin the eleventh year of my ministry with you, I want to affirm my pledge to give myself to the doing of what our Father wants done to the full limit of my strength and capability. Will you join me in that pledge?

Respectfully submitted,  
Bill McKinney

## Annuity Board Report

Southern Baptists are launching a bold Expanded Church Annuity Plan. The plan is for churches and those who serve them. It is designed "For People With A Vision," like yourself, who want their retirement dreams to come true. To be a part of this Plan -- you must begin your preparation NOW.

For nearly 70 years the Annuity Board has worked as a partner with pastors, church staffs, churches and state conventions to provide the best retirement and insurance benefits and services available.

The Expanded Church Annuity Plan is a major step toward making your retirement dreams come true in the face of inflation and increasing financial demands.

Throughout the Southern Baptist Convention, churches, more than ever before, are establishing and expanding their retirement programs for those who serve the Lord.

NOW is the time for your church to adopt the EXPANDED PLAN. The Expanded Plan, with its increased benefits, goes into effect January 1, 1988. All retirement contributions under prior plans will continue to accumulate earnings as a part of the Expanded Church Annuity Plan.

Here is how the Expanded Church Annuity Plan benefits you. The key to this unique program is that contributions to your retirement income account come from three sources:

1. You the participant
2. Your church, and
3. Your Baptist State Convention

It is a partnership, a covenant relationship! A unique commitment to care for those who serve the Lord, exclusive to Southern Baptist Churches.

This Plan works and serves Southern Baptists as no other retirement program can. Because of these elements YOUR retirement program works harder for you today and will be worth more tomorrow.

Respectfully submitted,  
Jack Calloway

## Moderator's Report

I assumed the position of moderator at the close of the 1985 annual meeting at Goshen Baptist Church.

On January 6, 1986, I called the quarterly meeting to order at Oakwoods Baptist Church. Welcome was extended to the association by Pastor Dale Ellenburg. Devotion was by Rev. Bill Nicholson. The business session was held and announcements were made. Special music was by Harold Bass with Craig Little at the piano. A message was brought by Evangelist Billy Deason.

I called the April 14, 1986, quarterly meeting to order at Lewis Fork Baptist Church at 7:00 p.m. Pastor Sherrill Wellborn extended a welcome to the association. Rev. Jack Calloway gave devotions. Announcements were made and the business session was held. The Nominating Committee Report was given by Rev. Charles Edwards. Officers of the association were elected for the coming year. Music was by the church choir and David Walsh. The

message was brought by Rev. George Wallace. Benediction was brought by Rev. R.A. Call.

On July 7, 1986 I called the quarterly meeting to order at Wilkesboro Baptist Church at 7:00 p.m. Welcome was extended to the association by Brother Hal Melton in the absence of the pastor, Al Andrews. Congregational singing was led by Barry Shepherd. Announcements were made and no business was brought before the association. The meeting was devoted to Key Leadership Training.

I have attended the Coordinating Council meetings and various committee meetings during this associational year.

We are looking forward to the annual meeting in October and the good fellowship, preaching, and singing.

Respectfully submitted,  
Rev. Monroe Huffman, Moderator

## Ordination Committee Report

The Ordination Committee has not been called upon to examine any candidates for the ministry in the past year. Apparently we need to "pray, therefore, the Lord of the harvest to send our laborers into his harvest."

Respectfully submitted,  
Dr. John T. Wayland

## Sunday School Report

For a variety of reasons, all churches suffer from having a large number of inactive, uninvolved, and unenlisted church members. Currently there are about 14 million members of Southern Baptist churches. Approximately four million of the resident members are not enrolled in Sunday School. These statistics mean that 35 out of every 100 resident members are not involved in the church's major program and probably engage in little or no Bible study activities. Over 400,000 in North Carolina of our own church members are not in Sunday School. This would also hold true with our Baptist churches in Wilkes County.

A new emphasis in Sunday School work began in 1985-86 with "Challenge 10/90." The new challenge will encourage Southern Baptist to enroll 10 million persons in Bible study by 1990. A great part of the emphasis will be carried to the churches through the associational Sunday School program. With this in mind, we should look at what we have done in 1985-86 and also make plans and set goals for 1986-87.

Training Sunday School workers in evangelism was taught in many of our churches, and as you know, last fall 1985 was totally dedicated to the "Good News America" revivals, People Search Scripture Distribution, and related Sunday School emphasis. Then we promoted January Bible Study which does come under the Sunday School area as far as promotion is concerned.

The Vacation Bible School Clinic was held at Wilkesboro Baptist Church again this year in April. We were pleased with the number of churches who at-

tended and particularly the interest in Back Yard Bible Clubs by several of our churches. Our association won the "Edward L. Grice" award for the year because of the number of churches having V.B.S.

Among other training events, we did attend Key Leadership at Ridgecrest in May and also Mini-Sunday School Week at Caraway. The Pastor-Sunday School Council Planning Workshop was held at Hinshaw Street Baptist Church on August 14, 1986.

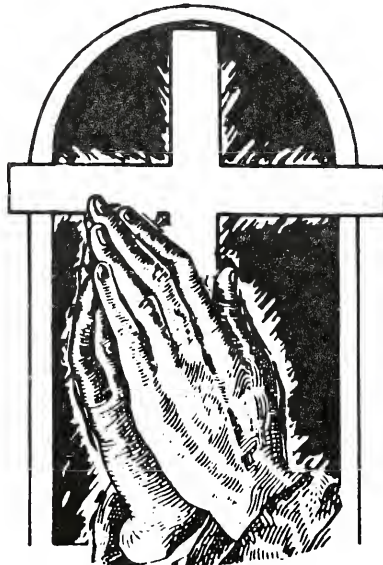

The Associational Training School this year was held at Wilkesboro Baptist Church and we presented the "How to Guide Series" for each age group and did special training for general officers. "Basic Sunday School Work," "Introduction to the Bible" and "What Baptists Believe" was led by Lewis Gentry who works with the State Sunday School Department as a part-time consultant.

With the help of Rev. Dale Ellenburg, who is our Sunday School Outreach Director, we planned a Growth Spiral Workshop which is scheduled for October 2-3 at Oakwoods Baptist Church. Rev. Bob Bodenharmer, pastor of the fast growing Grace Baptist Church - Gastonia, will lead this conference.

The ASSISTeam members and I feel that we must plan and conduct quality Sunday School training events using specialists from the State Sunday School Department and other local well-trained individuals in order to help improve our Sunday School work in our association. We pray that pastors and all Sunday School leaders in our churches will recognize the importance of training and sharpening our skills in our particular positions in our churches.

You will find the scheduled opportunities for next year in the calendar of the Book of Reports. We will promote these events in the associational newsletter, etc.

Rev. Richard Moretz, ASSIST Director

# The 1987 Annual of the Brushy Mountain Association is dedicated to

Carlos and Betty Pardue

Carlos and Betty are Wilkes County natives. They have been married for thirty years and have three children; Ricky (deceased), Diana who is married to Talmadge Mathis, and Carla, a freshman at Campbell University. They have five granddaughters. For twenty-five years they were dairy farmers. During that time Carlos was chosen Outstanding Young Farmer, Soil Conservation Farmer, and given the Woodmen of the Year Conservation Award. They were chosen North Carolina Grange Young Couple of the Year and given Honorable Mention at the National Contest in Portland, Oregon. They are active in civic affairs in their community. Carlos has been a coach of midget basketball and football, Boy Scout Master and volunteer fireman.

They are members of Wilkesboro Baptist Church where they have served as Sunday School teachers, Church Training Leaders, R.A., G.A. and Acteen leaders. Carlos is active in Baptist Men and has served as a deacon for twenty-five years. Betty is active in WMU and has served as Associational Baptist Women's Director and is presently serving as WMU Director. She is a member of the Associational Strategy Planning Committee, Coordinating Council and Missions Committee. They have participated in three Summer Youth Missions groups with their church. Carlos spent one month in Togo, West Africa last year as a volunteer member of the North Carolina-Togo Partnership team, helping to build ponds and a bridge and tell the Good News. Carlos and Betty have made a commitment to serve their Lord in Tanzania, East Africa for one year as volunteers, beginning in October of this year. They will replace a missionary couple.

Brushy Mountain Baptist Association is pleased to honor Carlos and Betty for their contribution to mission consciousness, for their service as church leaders here, and for their costly commitment to Christ as they live out the Great Commission under the leadership of His Holy Spirit.

## PREAMBLE

We, the Baptist Churches of the Brushy Mountain Baptist Association, unite according to the plan and for the purpose and work of New Testament churches in our world. To this end and according to the following articles, we cooperate to the fullest extent possible with the State and Southern Baptist Convention and subscribe to the principles of the 1963 Baptist Faith and Message statement.

## ARTICLE I — NAME

This body shall be known as the Brushy Mountain Baptist Association of North Carolina.

## ARTICLE II — PURPOSE

It shall be the purpose of this Association to consider and promote measures for increasing the harmony, the knowledge and the spiritual life of the churches and for developing and directing their energies and their contributions in the advancement of Christ's kingdom throughout the earth, always in harmony with the teachings of the New Testament. This Association shall be an auxiliary of the North Carolina Baptist State Convention and the Southern Baptist Convention in all their missionary, educational and benevolent work.

It shall be the purpose of the Association (1) to provide the mutual encouragement and fellowship of member churches through the definition and practice of Baptist distinctives; (2) to consistently seek to confront everyone in our area with the claims of Christ on his/her life; (3) to encourage and facilitate church growth and development; (4) to promote participation in missions and ministries on the foreign field, in the homeland, in the state, and in the area of the Association; (5) to provide services to the churches as needed and desired; (6) to provide an additional channel by which member churches may participate in the Southern Baptist Convention.

## ARTICLE III — MEMBERSHIP

**SECTION 1.** The Association shall be composed of cooperating Baptist churches desiring to affiliate with it. Any church desiring to become a member of the Association shall present, through messengers chosen for that purpose, its request for membership on APPLICATION FOR MEMBERSHIP provided in the minutes along with a UNIFORM ASSOCIATIONAL LETTER provided by the clerk at any annual session of the body. The Moderator shall refer the church to the Committee on Membership for study and investigation. The church maintains for the year the status of associate membership until the committee makes its recommendation. If favorable, it will be received into full membership with all the rights and privileges at the next annual session. If the Association then votes to receive the church, the moderator shall extend the hand of fellowship to the messengers.

SECTION 2. The Association shall be sole judge of its membership and may receive churches, or reject churches, according to its Constitution and Bylaws. Member churches may withdraw from the Association as they desire. Any church in the Association which fails to cooperate with the Association shall, upon the recommendation of the Coordinating Council of the Association, be contacted by the Membership Committee to determine the intentions of the church regarding its remaining in the Association.

A cooperating church shall be defined as one which sends an annual report to the Association and messengers to Associational meetings, and contributes to the financial program of the Association.

SECTION 3. The Association shall withdraw fellowship from any church in its membership which shall be found to be disorderly in faith and practice, but not until written charges are brought against it, which charges shall have been authorized by the official act of the church offering the same, or by the Membership Committee of the Association. Thereafter, any such charges shall be carefully considered by the Association.

#### ARTICLE IV — MEETINGS

SECTION 1. The Association shall meet quarterly on the Monday after the first Sunday in January, April, and July. In October the Association shall meet on Monday and Tuesday after the first Sunday.

SECTION 2. The Moderator shall call a meeting of the pastor and one representative from each church approximately 30 days prior to any quarterly Associational meeting at which business is to be considered for the purpose of publicizing and discussing such matters as may be presented for vote at the Associational meeting. Special meetings may be called by the Moderator provided two weeks notice is given to the member churches.

SECTION 3. In case of emergency, the Coordinating Council shall have the authority to change the time and/or place of meetings, and shall be responsible for providing churches with sufficient notice of change.

Churches with more than 500 members are entitled to an additional messenger for each 100 members more than the initial 500. Messengers shall be elected annually for all Associational meetings. It is suggested that at least five of the messengers be leaders of individual church organizations.

4. Dr. Welton Seal read scripture from Phillipians 4:8 and led in prayer.

5. Rev. Paul Shoupe recommended the adoption of the Order of Business with any changes during the meeting approved. Motion passed.

6. Moderator Huffman read the appointment of committees as it was printed in the Book of Reports and they were adopted.

### 7. BUSINESS SESSION:

A. Rev. Paul Hugger was called away and the association voted to have the Evangelism Report at a later time.

B. Rev. J.T. Vannoy was introduced to give the Missions Committee Report. He urged everyone to read the report in the Book of Reports and then he introduced Rev. Dale Ellenburg to give the Sao Paulo recommendation. Rev. Ellenburg gave several facts about the country (13½ million people). North Carolina was selected to go into partnership with Sao Paulo for evangelism. A motion was made to agree to the proposal, seconded, and then Rev. Ellenburg addressed the issue further. This will be a three to five year partnership - he referred to the copy of the letter from the Foreign Mission Board that everyone received with their Book of Reports. The trip that was scheduled for November was changed to March, 1988. Director of Missions, W.C. McKinney, spoke to the issue - we would be adopting an intent to investigate and proceed. Their primary need is for training the Brazilian people in evangelism and leading in church. Voting on an "intent to proceed and investigate" - adopting this would involve \$2,400.00 to send the Director of Missions and Rev. Dale Ellenburg to Brazil. The money would come out of the Ministry Reserve Fund. Adopted.

C. Rev. Al Andrews was introduced to give the Finance Committee Report. Rev. Horace Moree of Walnut Grove Baptist Church raised a question about the budgeted amount for the associational annuals. The Director of Missions, Bill McKinney, explained it and the report was adopted.

D. Rev. L.J. Culler was introduced to give the Membership Committee Report. There was no report printed in the Book of Reports, however, no church had contacted the association about joining. However, three or four churches were contacted about the three requirements of being a member of the association, which are sending messengers, sending the

association a Uniform Church Letter, and sending financial contributions to the association. Report was adopted.

- E. Dr. Wayland was introduced to give the Ordination Report. Only one pastor was ordained in the past year, Rev. Jerry Smith. Report was adopted.
- F. In the absence of Mr. Hoke McNeill, Moderator Huffman gave the Properties Committee Report. Dr. McKinney announced that Mr. Dennis Glasco and volunteers will roof the associational office on October 17, 1987 at 8:00 a.m. and the roof will be on by lunch time. This could save the association as much as \$1,000.00. If you can help, please call Dennis Glasco or Hoke McNeill. Report adopted. Rev. Ron Gilbert asked the associational Properties Committee to consider getting BTN.
- G. Director of Missions, Bill McKinney, was introduced to give the Calendar Report. He moved that it be accepted subject to any necessary changes. Adopted.
- H. Mrs. Alene Whittington was introduced to give the Dedication of Annuals Report. The annual was dedicated to Carlos and Betty Pardue. Report was adopted.
- I. Mrs. Madge Sturdivant gave the Histories of the churches. The History of Gordon Baptist Church was adopted as written in the Book of Reports. The History of Liberty Grove Baptist Church was adopted with the following changes: The association met at Liberty Grove in 1962 and 1970; and the church celebrated their 100th anniversary in 1986.
- J. Rev. Paul Shoupe was introduced to give the School of Christian Studies Report. He referred to the written report in the Book of Reports. Also, everyone was given a handout describing the course that is to be offered starting on October 13, 1987 and going through December 8, 1987 (every Tuesday night) to be held at the associational office at 7:00 p.m. The course is OTO141 - The Post-Exilic Prophets, Book of Malachi. The cost of the course is \$33.95. The report was adopted.
- K. In the absence of Rev. Charles Edwards, Director of Missions Bill McKinney gave the Nominating Committee Report.
- L. In the absence of Rev. Phil Chapman, Rev. Ron Gilbert gave the Committee on Committees Report. The report was adopted.
- M. The Treasurer's Report was given by Mrs. Teresa H. Taylor and was adopted.
- N. Mr. Max Freeman gave the General Board Report - urged everyone to read the written report in the Book of Reports. The General Board will meet again in January at Caraway. They voted to move the Baptist State Convention to Fayetteville from Greensboro, so the 1988 Baptist State Convention will be in Fayetteville. The Brazilian Partnership was brought up at the General Board meeting last week and they voted to bring it to the Baptist State Convention in November. They adopted the budget and the constitution and bylaws for Fruitland Baptist Bible Institute. Report was adopted.
- O. Mr. Edwin Coates was introduced to give the Baptist Foundation Report. They hope to increase the board members from fifteen to twenty. Services offered - making wills, establishing trust funds. He distributed a brochure titled "Give It Twice." Report adopted.

END OF BUSINESS SESSION

8. The congregation joined in singing "There's A Name I Love To Hear" led by Mrs. Galyn Page of New Hope Baptist Church accompanied by Mr. Craig Little of Wilkesboro Baptist Church at the piano and Mr. Steve Anglin of Liberty Grove Baptist Church at the organ.

9. Special music was presented by Mrs. Nancy Land of Wilkesboro Baptist Church who sang "For All My Sin" accompanied by Mr. Craig Little at the piano.

10. Rev. Hubert Bullis of Shady Grove Baptist Church was introduced to bring the message of the evening. He read scripture from Ephesians 4:1. The theme of his message was "The Church has a Duty, a Responsibility and an Obligation." One hope, One Lord, One faith, One baptism, One God and Father.

11. Rev. Paul Shoupe gave the benediction and the meeting was recessed for the evening meal.

12. The meeting was reconvened at 7:00 p.m. with Moderator Monroe Huffman presiding. Moderator Huffman announced that the 32nd Annual North Carolina Baptist Ministers/Wives Convention will be held November 9, 1987 at 2:00 p.m. at the First Baptist Church Chapel in Greensboro.

13. The congregation joined in singing "Brethren We Have Met To Worship" led by Mrs. Galyn Page of New Hope Baptist Church accompanied by Mrs. Glenda Barker of Liberty Grove Baptist Church at the piano.

14. Welcome was extended by Pastor Paul Shoupe.

15. Rev. Clifford Johnson read scripture from James 3:13-18 and James 4:14 and led in prayer.

16. Moderator Huffman introduced the new pastors in the association: Rev. E.W. McMurray of Cub Creek and Rev. Jerry Smith of Lewis Fork Baptist Mission.

17. Rev. Richard Moretz gave the Sunday School Report and urged everyone to read the report printed in the Book of Reports. We are in the third year of the 10/90 Challenge. There will be a Sunday School Training Seminar on October 26, 1987 at Hinshaw Street Baptist Church. Rev. Moretz urged everyone to get involved in the Sunday School Growth Campaign - Challenge 10/90. Report adopted.

18. Rev. J.T. Vannoy gave the Church Training Report. He stated that Church Training is a well kept secret in our association. He urged everyone to read the printed report in the Book of Reports and announced that November 23, 1987 is "M" Night. Report adopted.

19. Mrs. Mae Duncan gave the WMU Report. She stated that we have had a great year in our association. Every Christian has a gift. She highlighted the report in the Book of Reports. Prayer is going to be emphasized throughout the year. National Mission Prayer Plan - pray daily for missionaries. She asked that everyone please put Carlos and Betty Pardue on their prayer list. Goal for 1988 - have two million women enrolled. She emphasized some dates on the calendar - January 23, 1988 - Prayer Retreat; April 12, 1988 - Foreign Mission Board Appointment Service; May 13-15 - WMU, SBC Centennial Celebration. Mrs. Duncan asked for everyone's prayers to help her be the leader that God wants her to be. Report adopted.

20. Mr. Clinton Call gave the Brotherhood Report. He made a correction to the report. There are twenty Brotherhood organizations instead of seventeen. He urged everyone to read the report in the Book of Reports. Mr. Call talked of the

NASCAR Ministry - Sunday was a great service with 85 persons coming to the service. Six youth and one adult came from Gordon Baptist Church and six youth and one adult came from Millers Creek Baptist Church to give out brochures. Mr. Call asked that everyone pray that someone will come forward and accept the Brotherhood Director position. Mr. Call thanked the association for the opportunity to serve as the Brotherhood Director. Report adopted.

21. The congregation joined in singing "When We All Get To Heaven" led by Mrs. Galyn Page accompanied by Mrs. Glenda Barker at the piano.

22. Mr. Jim Lambert was introduced to give the Annuity Board Report. The Annuity Board was founded in 1917. Only 58 percent of our churches are participants in the Annuity Plan. The Bible talks about the minister being worthy of his hire. Seventy-five percent of pastors retire without a home. 439 churches in North Carolina still contributes \$33.34 a month. Pastors and churches have not taken responsibility. Fourteen of our churches have signed the new Annuity Board Plan. Mr. Lambert urged all churches to adopt the Expanded Church Annuity Plan.

23. In the absence of Mr. Harris, Moderator Huffman gave the Baptist Retirement Homes Report. Report was adopted. Director of Missions, Bill McKinney, spoke to the report and gave some facts about the Retirement Homes. He urged everyone to go back to their church and let everyone know about the Retirement Homes.

24. Mr Harry Sherwood gave a report on the North Carolina Baptist college. He works at Wingate College. Wingate has the Directors of Missions for a week every summer. He referred to the printed report in the Book of Reports. The only negative thing in the report is the cost of going to a Baptist college. Mr. Sherwood doesn't want anyone to decide against Baptist college until they talk to someone about help. There are ten scholarships; partners in education program; church and college work together to help financially; financial department will work out a plan for anyone. There are two new programs - (1) Missionary in residence, and (2) The Great American Heritage Trip - the whole sophomore class goes to five different cities. Report adopted.

25. Special music was presented by Mrs. Glenda Barker of Liberty Grove Baptist Church who sang "Share Jesus With Others" and also played the piano.

26. Rev Mark Partin, pastor of the First Southern Baptist Chapel in West Virginia, was introduced to give the report on the West Union Mission. He used some pictures to show the progress of the building. The last year has been the best but the toughest. People in West Virginia had no idea what Southern Baptists were. The people of the First Southern Baptist Chapel are keeping their eyes on the Lord to provide and God has provided. The first work crew came from South Carolina and was very inexperienced in carpentry, but they got the job done. More teams came - this was the best witness that Southern Baptists could have given the people of West Virginia. Rev. Partin thanked the association for their support.

27. Rev. Paul Hugger came to give the Evangelism Report - he referred to the report in the Book of Reports. We have fewer children in our churches now than in the past - the lost adult population is getting larger. The Year of the Laity is a way of reaching people. The Evangelism Committee recommended amending the report as follows: That the association take the initiative in holding a "Bailey Smith Evangelism Crusade" July 10-14, 1988. Rev. Paul Shoupe moved that the

amendment be put on the agenda for Tuesday night at 8:15 p.m. to discuss it because of it being so late -9:10 p.m. Rev. Horace Moree and several others wanted it voted on right away. Rev. Hugger seconded the amendment that it be voted on tomorrow night at 8:15 p.m. Rev. Jimmy Hubbard spoke against the amendment to wait to vote. Bill McKinney spoke of the nine months of Associational Strategy Planning that had already taken place and the five year plan involving evangelism. Everyone at the meeting received a copy of the A.S.P. summary. Mr. McKinney is not saying that we can not do both but if we are talking about a five year plan are we going to jump to a decision in 15 minutes about a crusade. Rev. Sherrill Wellborn and several others said they thought it should be voted on tonight. Rev. Horace Moree spoke a second time that we vote on the crusade tonight. Rev. Jim Rhoades suggested that we have prayer right now - Brother Rhoades came and had prayer for and with everyone. Rev. L.J. Culler suggested that Moderator Huffman state the amendment for everyone's understanding. The amendment was stated as follows: Since no time has been allotted to deal adequately with a recommendation of this magnitude involving *Massive preparation, Commitment of personnel and resources*, that the recommendation of an evangelistic crusade be fully discussed on Tuesday night at 8:15 p.m. The amendment passed with a majority vote of the association. The Evangelism Report was adopted as written in the Book of Reports.

## SECOND DAY

28. The second day of the 116th annual meeting was called to order by Moderator Monroe Huffman at 7:00 p.m. on October 6, 1987 at Gordon Baptist Church.

29. Rev. James Weaver of Gordon Baptist Church welcomed the 221 messengers and visitors.

30. Rev. Roy Dobyns of Wilkesboro Baptist Church led the devotion with scripture from James 1:22-25 and had prayer.

31. Special music was presented by Mr. Greg Wright of First Baptist Church. He sang "On Jordan's Stormy Banks" accompanied by Mrs. Ramona Curtis of First Baptist Church at the piano.

32. Rev. Paul Shoupe of Liberty Grove Baptist Church brought the message of the evening, "One Nation Under God?". Rev. Shoupe read scripture from Psalm 33 and the Revelation. God is Sovereign - all nations are in the hand of God. Prosperity lies in the morals and ethics of our people. Some say our nation is dying. How do nations die? Nations die the same way people do - of disease. Symptoms of the cancerous sore are (1) our nation is dying of sex obsession, (2) die as a result of spiritual starvation - we must feed our souls everyday from the word of God, and (3) the elevating crime rate in our nation. Suggestions: (1) a change of doctors - return to the great physician, Jesus Christ, (2) we can pray, believing and pray in the name of the Lord Jesus, and (3) need to have a blood transfusion - life that was in Jesus Christ. May God help us.

33. The congregation joined in singing "Nothing But the Blood of Jesus" led by Greg Wright of First Baptist Church accompanied by Mrs. Ramona Curtis of First Baptist at the piano.

## BUSINESS SESSION

- A. Mr. Clinton Call addressed the association about the Brotherhood Report that he gave on Monday night. He stated that he had overlooked Wilkesboro Baptist Church. They have been very involved in the NAS-CAR Ministry. He asked that Rev. Al Andrews convey his thanks and apology.
- B. Dr. Welton Seal of First Baptist Church came to give the Associational Strategy Planning Report, of which everyone received a copy. Back in January the association committed to Long Range Planning. They first called together a large number of people to form task groups. They met in March for the first time. Dr. Seal called the name of each chairperson. A total of forty-five people worked very hard for nine months. He asked each chairperson and any person that worked on a task group to stand and be recognized. They first studied the Statement of Purpose and formulated a revised statement of purpose - Dr. Seal detailed the Statement of Purpose for everyone. Dr. Seal highlighted the report and summarized each objective. He emphasized evangelism. Three things about Long Range Planning are, (1) it is a three to five year plan, each year we will review the program and make needed changes, (2) no one gave us this plan - it was hammered out by people in our association, and (3) it is a plan that should be owned by all of us. This is an open-ended plan. We will not vote on the report tonight because we want to give everyone ample time to study it. We will vote on it in the January quarterly meeting.
- C. The Director of Missions requested that he be able to wait to give his report until after the amendment for the Evangelistic Crusade was voted on.
- D. The secretary read the amendment that was voted on in Monday night's meeting.
- E. Rev. Paul Hugger, Evangelism Director, gave the recommendation again and it was seconded: That there be a Bailey Smith Crusade in July, 1988. Rev. Al Andrews and Rev. Bob Seatz counted behind the Moderator using a standing vote. The motion to have a crusade carried - 117 for and 46 against.
- F. The Director of Missions, Bill McKinney, came to give his report and urged everyone to read the written report and the Digest of Church Letters in the Book of Reports. Both reports were adopted. Rev. McKinney pointed out from the Digest of Church Letters that the statistics for this year are and are not encouraging. We had a gain in membership and Sunday School enrollment, however, Sunday School enrollment is only 56 percent of church membership. Out of 56 percent enrollment only 33 percent attend Sunday School. The Church Training enrollment is only 8 percent - one out of twelve church members. Our lack of commitment to Bible study lies at the heart of our flat statistics. The lack is not in quality of preaching but in our commitment to Bible study and Discipleship Training. Rev. McKinney stated we can preach until we are blue in the face, but until we make a commitment to Bible study and Discipleship Training, there will not be an evangelistic

movement. Thirteen percent are enrolled in missions organizations - mission giving was down from 16 percent to 13 percent - LACK OF MISSION EDUCATION.

For eleven years in August, Rev. McKinney has sought to be your servant leader in the association. He stated that he has tried never to be anything but a Christian gentleman, he can say out of a heart of love that he has seen here in this meeting the manifestation of something that strikes at the heart of our life. Cooperation lies at the heart of everything we try to do. Without cooperation we are not an association - we are a "Do your own thing" group. Everything on the agenda except the crusade proposal was available a month before the meeting in accordance with the constitution. Winning people to the Lord is the highest priority. Forty-five persons tried to help the preachers evangelize by Associational Strategy Planning. Rev. McKinney stated that he had no quarrel with any evangelistic effort or with anyone in the room, but that we have set aside the cooperation of the association. The action that was taken here was not one of cooperation. Rev. McKinney will do his best with this situation. He read scripture from James 3:17-18 and Galatians 5:22-26.

G. Rev. Horace Moree of Walnut Grove Baptist Church came to give the Resolutions Committee Report. Report was adopted. (Report is printed elsewhere in this book.)

H. Mr. Jim Triplett, Chairman of the Memorials Committee, was introduced to give the Memorials Committee Report. (Printed elsewhere in this book.) There was a total of 100 deaths. Report adopted.

#### END OF BUSINESS SESSION

34. Moderator Huffman asked Rev. L.J. Culler of Zion Hill Baptist Church to come forward and thanked the association for all the support given him and then he handed the gavel to Rev. Culler as the new moderator. Rev. Culler thanked the association for their confidence in him.

35. Rev. Hunter Church of New Hope Baptist Church spoke that he failed to see a lack of cooperation in the association about the evangelistic crusade. He stated that we could do both the crusade and Associational Strategy Planning.

36. Mr. Curtis Foster of Lewis Fork Baptist Church spoke about the crusade and talked of the number of people that were saved from Lewis Fork - as a result of the Bailey Smith Crusade, 30 persons were saved. This was what brought about the proposal of a Bailey Smith Crusade in Wilkes County.

37. Rev. Pat Fortner of Goshen Baptist Church thanked the association for all the prayers and support in the death of one brother and critical condition of another brother.

38. Rev. Frank Cooper of Poplar Grove Baptist Church gave the benediction and the meeting was adjourned.

These clerks had their church letter in to the associational office by the deadline date with every blank filled, all totals correct, and all dollar figures rounded to the nearest dollar. Each of these clerks will be receiving a Certificate of Recognition and have their name printed in the associational minutes. Their accurateness and promptness makes my job go so much smoother. I want to say to each honor clerk how much I appreciate the great job they did. I hope that this list will grow longer each year until we have 40 honor clerks.

## Ordination Committee Report

In September 1986, Lewis Fork Baptist Church requested that the Associational Ordination Committee examine Jerry Smith whom they had called to become pastor of Lewis Fork Mission. The Committee met with Brother Jerry Smith and his wife, Rita, and he was examined in accordance with all provisions of BYLAW IV, Section 5. The finding of the Committee was that Brother Smith met all requirements as outlined and was a worthy candidate. The committee's recommendation was communicated to Lewis Fork Baptist Church on September 29, 1987 and they proceeded to ordain Brother Smith on Sunday night October 5, 1987. The Committee on Ordinations was invited to participate in the service of ordination and assisted in the service.

## Director of Missions Report

The year just past has been an active and exciting time in the life of Brushy Mountain Baptist Association. It has been a busy and rewarding time for your Director of Missions. As an association we have continued our established ministries. Associational leadership training activities have been planned and carried out in each of our program areas - Sunday School, Church Training, WMU, Brotherhood, Music and VBS. We have continued to minister to residents of Wilkes Towers and Foster-Richardson Rest Home. Member churches have conducted ministries at Carolina Rest Home and Mount Pleasant Rest Home and at the North Wilkesboro prison unit. We have continued our ministry to racing fans at the NASCAR races here and preparations have been made to have a Spanish language ministry for migrant fruit harvesters this fall.

In addition to our local activities we have continued to support West Union Southern Baptist Chapel in West Virginia. The story there is an exciting one. A new church building has been erected and the mission congregation plans to meet in their new facilities on October 4. We have also rejoiced as our Associational WMU Director, Betty Pardue, and her husband, Carlos, have departed for one year of volunteer service replacing an agricultural missionary in Tanzania. Miss Martha Colwell is now awaiting appointment as a career missionary whenever tensions in the Middle East will permit.

One of the most exciting events of the past year has been the Long Range Strategy Planning activity. About 50 leaders have been involved in an examination of our association's resources and our opportunities. As this

report is written that work is nearing completion. We believe that you will be excited about the challenges discovered and the proposals that will be made for response to these opportunities.

Thank you for allowing me to visit among you and to speak to you from time to time. As I enter upon my 12th year of working among you, I stand ready to serve our Lord among you in any way He may lead and to respond to your needs in whatever ways I am able. May our gracious Father lead us in paths of service during this present year, and may we be willing to respond to his direction with firm commitment of time, talent, and resources.

Yours in His vineyard,  
Bill McKinney

## Missions Committee Report

This year has seen the association continuing its support of the West Union Baptist Mission in West Virginia as part of our five year commitment to the Lord's work in that area of the country. Furthermore, the association voted in the July quarterly meeting to loan the West Union Mission \$17,500.00, interest free, so that they could continue the building of their structure.

The association engaged in a five week ministry to the migrant orchard workers in the Wilkes/Alexander area. It involved weekly services with a meal afterward at Walnut Grove Baptist Church. We would like to thank Walnut Grove for graciously permitting the use of their church for this worthy ministry.

The association and/or its member churches are involved on an ongoing basis in many ministries. Each rest home and nursing home, along with Wilkes Towers, within the county has at least one service per week, sometimes two. The racetrack ministry is ably handled and executed by the Baptist Men within our association. We have an ongoing prison ministry handled by Welcome Home Baptist Church and Prison Chaplain Ken Byrd.

We are a mission-minded people and a mission-minded association.

### SAO PAULO RECOMMENDATION

The Missions Committee recommends the adoption of a motion of intent to participate in this partnership and its inherent needs. We further recommend that Dale Ellenburg serve as project co-ordinator and accompany our Director of Missions to the March 1988 planning session in Brazil at associational expense, said expense to come out of the reserve ministry fund.

Respectfully submitted,  
John T. Vannoy, III

## Church Training Report

The Church Training year began on an optimistic note. In November our "M" Night service was reasonably well attended. We were blessed to have our keynote speaker, Rev. William T. Mills from Hickory, North Carolina. He captivated and challenged our hearts to become more committed to the role of Church Training in our churches and in the association.

Numerical growth has not been very evident. I feel, though, that as the clerks become more aware of properly reporting Church Training activities, that we will see some growth in the area of Church Training within the association.

I do notice subtle signs of encouragement and interest as far as Church Training is concerned. Please make Church Training in your church and within the association a matter of prayer in the coming year.

Respectfully submitted,  
John T. Vannoy, III

## Evangelism Report

Concern for souls is perhaps the most basic duty of Christ's church. To be sure, the love of God within us compels us to consider ALL of our neighbor's needs and then ACT to meet those needs with the resources at our disposal.

Statistics are a tool to help us measure ourselves and the progress we have made. This past year 40 churches in our association reported 217 baptisms - a good indication of how many were saved and sincere in following our Savior and Lord. We praise God for these 217 converts and those who led them to the Lord.

But how about the big picture? How are we doing in reaching our community for Christ? On the average, this past year it took 56 church members to lead one person to faith in Christ. Two years ago (1985) we could say it took 38 to lead one to Christ; seven years ago (1980) it took 30 to lead one to Christ. You decide. Are we making progress?

Our county continues to grow. Projected figures indicate a population of 64,000 plus by the year 1990. It is estimated that as many as 51 percent or 32,000 of these are lost in their sin! The largest growing segment is middle aged and senior adults. Figures indicate many families are moving into our suburban communities from other areas.

What are we going to do to reach the growing number of persons who are spiritually lost?

Personal, one-on-one concern - consistent, compassionate, concern is the model the New Testament provides. Brushy Mountain churches need a renewal of compassionate concern for the lost.

One good way to rekindle concern in your church is through *Lay Renewal*. The first phase, "The Journey Inward" will enhance the life within your church. The second phase, "The Journey Outward" will direct the renewed concern your church has for people through the exercise of spiritual gifts in ministry - including the ministry of reaching the lost. Lay Evangelism School, Continuing Witness Training, and discipleship training are all part of the process.

The current interest our Home Mission Board has in "The Year of the Laity" will encourage you to do what is necessary to reach the lost.

Have you got a better idea? If so, I would like to hear it.

Respectfully submitted,  
Paul Hugger

## Place and Preacher Committee Report

The sermons will be brought by the Rev. Paul Laws and by the Rev. Jim Gore.

## Sunday School Report

"Touch Lives....Change People" is the theme for 1987-88. It is not only a part of the Challenge 10/90 emphasis, but more importantly it is the intent and purpose of Jesus Christ our Lord. Hear Jesus' words as He spoke with a deep love and concern for people: "They that are whole need not a physician; but they that are sick." (Luke 5:31)

We are in the people business. We have no other business. It is what we are about. We want to tell the gospel to the people, and we want to teach the gospel to the people. That is why we have Bold Mission Thrust. That is why we have Challenge 10/90. We are approaching the third year of the Challenge 10/90 emphasis to enroll ten million people in Sunday School by 1990.

As your Sunday School accepts its own challenge for the next several years, and joins with other churches in similar challenges, Southern Baptists will move ahead. Let's get at this tremendous task of touching lives and changing people.

This past year was a very productive year for our churches. We continue to offer such training opportunities as Vacation Bible School Clinics in April, Outreach and Evangelism Workshops, Age-Group Projects, Teaching Improvement through the Associational Training School. This year's study is the "Bible Teaching Series" and will strengthen and help in developing good teaching skills, methods, etc; Outreach Bible Study, Pastor/Director/Sunday School Council Planning Workshops, etc.

We are excited about what the Lord has done in our association to encourage growth through our Sunday Schools. As we look into 1988 we would ask Pastors, Sunday School Directors and workers to begin praying now about a possible Challenge 10/90 Growth Effort in our association next year by increasing Sunday School Enrollment.

Reaching, teaching, winning, and developing people has been committed to us. The coming Growth Campaign in 1988 can help us do a more effective job in reaching out through our Sunday School. We would appreciate your prayers and organizational support in this special project. We hope that many of our churches will involve themselves in this cooperative effort to reach our county for Jesus Christ.

Respectfully submitted,  
Richard Moretz

## Properties Committee Report

Due to limited funds the Properties Committee has not been very active this year. The Committee received an offer to buy an old amplifier which the Association no longer used. The amplifier was sold to a church for \$125.00 - the appraised value. Floor coverings were replaced in the kitchen, dinette, hall, and den of the parsonage by the Director of Missions at a cost of \$795.00. In view of the fact that this item has been budgeted for in 1984-85, 1985-86 and had not been done, the Finance Committee authorized reimbursement of this cost. Next year's budget includes funds for re-roofing the office building.

The custodian position has not yet been filled. We hope that it will be possible to do so next year. The properties of the Association are in reasonably good order. Some preventative maintenance needs to be done as funds become available. Much of the office equipment is getting old. Consideration needs to be given to moderizing office equipment and adding new audio visual equipment.

Respectfully submitted,  
Hoke McNeill, Chairman

## School of Christian Studies Report

Please consult the Associational Annuals for 1981 and 1982 concerning information of introduction pertaining to Seminary Extension Programs throughout the United States and North Carolina. North Carolina continues to lead all our states in Seminary Extension Programs.

Last fall we offered two courses of study: (1) AC 76 - "Family Life Today," but we did not have enough participants to proceed with the study (see description page 50 of 1986 annual). It is possible that we will offer this same course this coming spring, depending upon response. IT IS NEEDED DESPERATELY! (2) NT 0176 - "First Corinthians" was our second course of study, a study of Paul's letter to the church at Corinth. We had ten persons enrolled and seven persons completing the study. This study was taught by W. Paul Shoupe.

This fall we are offering one course of study - OT 0141 - "The Post-Exilic Prophets" - a study of the prophets after the period of Judah's exile, with major attention given to the message of Malachi. This course has just become

available. The text is the *Broadman Bible Commentary*, Volume 7 (text also includes the other minor prophets). The cost of this course is \$33.95. The place will be the Associational Office. The course will begin October 13 and continue on Tuesday nights at 7:00 p.m. through December 9 (two hours each night). This is a college-level course and exams will be required for college credit. However, you do not have to take the exams if you wish not to do so. A SPECIAL NOTE! *Malachi* is our January Bible Study Book and this course will help you prepare for this study! It is the hope of our committee that each pastor will consider participating in this course, and that persistent announcements will be given to the congregations encouraging participation. The teacher will be W. Paul Shoupe.

Respectfully submitted,  
W. Paul Shoupe

## The Church Annuity Board Report

Now is the time for your church to begin providing a retirement plan or to consider upgrading your participation in retirement planning for your minister, staff and employees.

The less time you have before retirement, the more money you must save in order to have adequate retirement income.

Financial planners judge retirement income as "adequate" if it allows the retiree to maintain pre-retirement lifestyle. Because some expenses related to working are eliminated in retirement, a retiree generally needs income equal to 70 percent of the salary he earned in his last year of full-time employment. However, some retirees may require 100 percent of their last working year's income.

Are you sure that contributions to your minister's retirement fund are adequate?

Southern Baptist churches don't have to take full responsibility for their ministers' retirement preparation. On January 1, 1988, an innovative approach to retirement planning for Southern Baptist ministers and church staff becomes effective.

The expanded Church Annuity Plan, when implemented, creates a cooperative effort between the minister, the church and the state convention. The plan must first be adopted by a vote of the church. After the church adopts the expanded Church Annuity Plan as retirement policy, a Cooperative Agreement must be signed by a church officer and sent to the state convention office. Upon approval, your church will receive a monthly statement reflecting the amount you and your minister have agreed to contribute.

Contributions begin with the employee (minister or staff). The Annuity Board encourages a monthly contribution of at least 5 percent of salary (cash plus housing). Churches are then encouraged to match the employee's contribution two-for-one, up to an amount equal to 10 percent of salary.

For eligible Plan members, state conventions will contribute one-third of the total contributed by the employee and church, up to \$35 a month. Each state

convention determines eligibility requirements. The first \$17.50 per month contributed by the state convention will provide a supplemental longterm disability benefit of up to \$200 per month and a survivor benefit of up to \$45,000.00.

Any amount over \$17.50 will be credited to the member's retirement account, up to an additional \$17.50 per month. This state convention contribution alone could mean as much as \$5,000 in additional retirement income annually for a 30-year-old who retires at age 65.

Young ministers, whose salaries reflect their experience and whose living expenses will most likely increase, can participate at a level in line with their budgets and increase participation as salary increases. A five percent member contribution, plus the 10 percent contribution from their churches and maximum state convention contributions over the years, should be adequate to meet these young ministers' needs in retirement.

However, older ministers who start their retirement programs at later ages, or who do not contribute adequately in earlier years, need some way to catch up. Churches could do these ministers great service by contributing extra money on the ministers' behalf to the expanded Church Annuity Plan.

Is your minister making adequate preparation for retirement? Why not ask; it's not being nosey. Your church, for all practical purposes, is the minister's employer. There could be a need in the minister's life that you and other church members can do something about.

## Brotherhood Report

Baptist Men continue to be deeply involved in North Carolina and Global ministries. The five year partnership with the West Virginia Baptists has been completed, however, we will be involved by request only through homeland projects. Baptist Men of North Carolina are assisting in erecting a building in West Virginia to hold worship services.

Many Baptist Men were involved in 20 Lay Renewal weekends. Ministries were continued in prison units and in combatting pornography, alcohol, and drug use. The disaster unit has been on display throughout the state of North Carolina recruiting and training volunteers to operate the unit. Ten men and women teams are needed to man this unit. The disaster relief van with volunteers cooked and served 475 meals for the men at the Baptist Men's Convention held in Raleigh this year.

The Togo, West Africa project, a "Partnership in Wholesness" that North Carolina and the Togo mission have been involved in, ended June 1987. A 210 foot bridge that spans across the Mono River has been completed; 120 good wells that produce water and 160 supply ponds have been built. There are 25 churches, 29 preaching points, over 1,000 baptisms reported to date. There are 18 two-room huts and one classroom building completed. Over 300 volunteers to date have gone to Togo, West Africa.

## At the Associational Level:

Several R.A.'s participated in bike-a-thons to help support the Leukemia Foundation. There are 20 Brotherhood departments at the associational level, some more active than others. The racetrack ministry continued and held at the North Wilkesboro Speedway for both the First Union 400 in April and the Holly Farms 400 in the fall.

A training seminar was held in November of 1986. A workshop was held at the Moravian Falls church for R.A. and Brotherhood officers and leaders.

### Projects for 1987-88:

Continue work in West Virginia at request. Continue to establish prayer ministry units across the state. Overseas missions teams for medical ministries, construction, and evangelism. Continuing activity in moral issues, lay Evangelism and Lay Renewal projects. Strengthened work to establish new Brotherhood and R.A. groups. Continuing mission education and involvement. A GOAL to register at least 5 R.A. and BROTHERHOOD DEPARTMENTS with THE Baptist State Convention. Evaluate the racetrack ministry for possible continuation. Have missions projects coordinated with the WMU.

## Woman's Missionary Union Report

Our theme "Gifted to Serve, Called to Act" has been a challenge as we have strived to know our spiritual gifts. As our gifts are discovered, we need to remember the verse: "Each one should use whatever gift he has received to serve others, faithfully administering God's grace in its various forms." (Peter 4:10 NIV)

We have had a great year in missions in our churches. Most of our churches exceeded their goals in mission giving. We are still without a Baptist Women's Director and an Acteen's Director. Please pray that someone will feel the "call" and "act" by filling these positions using their gifts to serve.

Stony Hill began Baptist Women and Wilkesboro started Young Baptist Women. We now have 24 churches with at least one WMU organization. We are thankful but pray that other churches will see the need for these mission education organizations.

We held a very successful leaders workshop at Moravian Falls Baptist Church. Our Foreign Mission Institute was at Hinshaw Street Baptist Church. In spite of being "snowed out" once, we rejoiced in a very uplifting Prayer Retreat led by Ruby Reese in the adult group and Martha Colwell in the youth at Wilkesboro Baptist Church. The Brotherhood joined us at this retreat which was followed by a fingerfood lunch. Our Home Mission Study was at New Hope Baptist Church and was taught by Martha Colwell. Special music was provided by three R.A.'s of New Hope. Several of our members attended the annual state meeting at Ridgecrest. The BYW held a Spring Fling at Oakwoods Baptist Church. The Acteens held a Studiact workshop and an Acteens Special. Margie Laney, Director of Missions of Stone Mountain Association, delivered a most inspirational message at our annual meeting at Lewis Fork Baptist

Church. Our mission action project was "Pennies for Postage." We collected stamps for the Christmas packages for the North Carolina Correctional Center for Women. Our support to the association was to help purchase a refrigerator for the office. Our local churches have been involved in many mission activities.

Our goal is to work in our local churches and join hands and hearts in our association to work for the Lord through missions wherever He leads. Thank you, WMU Council and churches, for all your hard work and support.

There is something to be captured in this moment that we can never give nor receive at any other time or in any other situation. Let's be alive to what Christ wants us to do here and now.

Betty Pardue

## General Board Report

The General Board meets three times a year between our State Convention. The first meeting is in January at CaRAway Conference Center, the second is at one of the schools, retirement centers, hospital, orphanages, or other State-owned properties. As usual, we also meet in September and May as well as during the State Convention in November. The new Board members were installed at our January, 1987 meeting at CaRAway Conference Center at which time we welcomed Mrs. Nan H. McNeill to the Board and to serve on the Council for Higher Education. She serves on this prestigious committee along with Max Freeman and both are from our Brushy Mountain Association.

Our second meeting was held May 18-19 at Gardner-Webb College in Boiling Springs. At that time the most important business that was concerning us was the distribution of Cooperative Funds to our five colleges and one university. After considerable debate especially from the Campbell university officials, the plan was advanced to equally distribute these funds for the next five years and that this procedure be brought up for additional study at that time.

President Bill Poe gave a report of the Peace Committee of the S.B.C. and an additional report will be given to the General Board when it meets again on September 29, 1987 at the CaRAway Conference Center.

Respectfully submitted,  
Max Freeman

## State Missions Report

Our theme for this year is "CHANGING LIVES through State Missions." We have made two publications to publicize this offering and have distributed them to the various churches and associations for their use. One is a leaflet and very beautifully done in four colors. It is an eight-day prayer leaflet with emphasis on each day for a very particular mission effort on our part. The second is a newspaper type layout that gives much factual evidence of each of our mission efforts throughout our state.

I have found that our North Carolina Missions are very closely related to both our Foreign and Local missions in that it calls on many of our very fine people to serve as missionaries for short terms. It is pleasing to note that a large number of our people have served in West Virginia and other states since our last annual meeting. Some have taken short terms in Latin America and, I am pleased to report, that Carlos and Betty Pardue will be reporting to the Mission School in Richmond, Virginia on October 2. By the time we are meeting they will have already begun to be trained and indoctrinated for duty in The International Baptist Seminary of East Africa and then Carlos will supervise our farming operations and Betty will act as secretary in the Mission Pilot's Office in Tanzania. We are sad to lose them for a year but realize that their service was a result of their direct involvement in our own North Carolina State Missions. Others are bound to follow. God will surely bless us all for this.

Respectfully submitted,  
Max Freeman

# The 1988 Annual of the Brushy Mountain Baptist Association Is Dedicated To

W.C. McKinney, Jr.

William Charles "Bill" McKinney, Jr. was born September 6, 1926, in Spruce Pine, North Carolina. The product of a Christian home, he accepted Jesus Christ as Lord at the age of 12 and was baptized into Grassy Creek Baptist Church. Following military service in World War II, he married Robbie Shuford -a schoolmate from childhood. They have two daughters and four grandchildren.

Bill received his education at Mars Hill College, Wake Forest University (B.A. in Religion, 1963) and Southeastern Baptist Theological Seminary (B.D., 1966, D. Min., 1975). He served English Road Baptist Church in High Point as Associate Pastor, Gum Springs Baptist Church in Pittsboro as pastor, and New Bethel Baptist Church in Cleveland County as pastor. When he became Director of Missions for Brushy Mountain Baptist Association in August 1976, Bill brought a diverse background of education and experience. Having served his home church as a deacon and lay leader for several years, he brought to the ministry a keen appreciation for the role of laypersons in the life of the church. His experience as a staff member lent insight into the circumstances surrounding work as a minister of music, minister of youth, minister of education. His years as a churchman and pastor enabled him to identify with pastors of churches small and large. His years in the business world gave experience in administration and human relations. While serving among Brushy Mountain Baptist people he has been deeply committed to evangelization, missions, church development, discipleship training, and leadership development.

While serving among us, Bill has been very active in the community. He has been an active participant and leader in Wilkes Ministerial Association where he has assisted with Wilkes Cares, nursing home ministries at Vespers and Britthaven, and starting the prison chaplaincy program at the North Wilkesboro Prison Unit. He has worked with Wilkes Day Care Center - a

developmental program for handicapped children - for 11 years, serving as a director and as chairman of the board. He was instrumental in starting Hospice of Wilkes, Inc., and continues to serve as a Hospice volunteer. He was instrumental in establishing the Catherine H. Barber Homeless Shelter, and was involved in founding Wilkes Teen Pregnancy Council which he continues to co-chair. In addition to these activities he has maintained an active counseling ministry. He has also been active in denominational life; having served as president of the NC Directors of Missions Conference, and now serves on the NC Baptist Convention Long-Range Strategy Planning Committee.

## History of Oak Grove Baptist Church

Oak Grove Missionary Baptist Church was organized April 1, 1945. Six charter members and seven members in regular standing joined at that meeting. The Reverend Quincy Yates was the first pastor.

In June 1956, the church voted to start a building fund, and in 1960 a new church building was constructed. Until this time, the church had been meeting in the old Oak Grove Methodist Church Building.

Over the years the church has bought, traded, and been given property. Many improvements to the present building have been made. In 1967 improvements were made to the interior of the sanctuary. In 1971 the church purchased new pews and pulpit furniture. In 1973 the church was air-conditioned and carpeted. A split rail fence was placed around the cemetery and within the next few years the pews were cushioned and a new piano was purchased. In 1977 two Sunday School rooms, a choir area, a vestibule and rest rooms were added. New carpet was put in the sanctuary and the parking lots were paved. In 1983 the basement was remodeled, an organ purchased and a new steeple placed on the church.

Since Oak Grove Baptist Church was formed, just over 43 years ago, almost 300 persons have been baptized into the fellowship and over 150 members have joined by letter.

Oak Grove has had fifteen pastors. The present pastor, the Reverend Glenn Caudill, has served for 18 years. Three ministers have been ordained by Oak Grove.

From its beginning, Oak Grove has been a compassionate church, giving several thousand dollars in love offerings to members in need, as well as to other churches and other people who needed help.

Oak Grove continues to grow and progress. Construction of a new sanctuary is planned.

Respectfully submitted,  
 Mrs. W.K. Sturdivant

## History of Pleasant Home Baptist Church 1973 - 1988

Pleasant Home Baptist Church began giving 10 percent of its gross undesignated receipts to the Cooperative Program in 1975, rather than taking special offerings for the program.

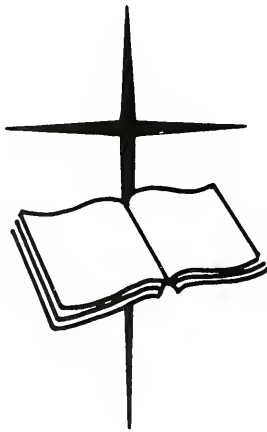

A new educational building was dedicated in 1979 and coincided with the celebration of the 100th anniversary of the church. The church was established in 1880.

A modified rotating system of the diaconate was adopted in 1981.

The church participated in the Good News America people search in 1985. 1986 was a very busy year. The church participated in the Good News America Simultaneous Revival. An irrevocable trust for cemetery maintenance was established, which is now almost self-sustaining. A Lay Renewal Weekend and the Journey Inward were experienced. The sanctuary and older classrooms were renovated. A new grand piano was purchased. The land behind the church was cleared, fenced, and equipped for a playground. At Christmas 1987, members took gifts to the residents in a cottage at Children's Home, Thomasville.

Church membership and Sunday School enrollment have grown slowly during these past 15 years. However, the church has Sunday morning and Sunday night worship services, a fully organized Sunday School, mid-week prayer service, graded choirs, WMU and R.A.'s.

Respectfully submitted,  
Mrs. W.K. Sturdivant

## PREAMBLE

We, the Baptist Churches of the Brushy Mountain Baptist Association, unite according to the plan and for the purpose and work of New Testament churches in our world. To this end and according to the following articles, we cooperate to the fullest extent possible with the State and Southern Baptist Convention and subscribe to the principles of the 1963 Baptist Faith and Message statement.

## ARTICLE I - NAME

This body shall be known as the Brushy Mountain Baptist Association of North Carolina.

## ARTICLE II - PURPOSE

It shall be the purpose of this Association to consider and promote measures for increasing the harmony, the knowledge and the spiritual life of the churches and for developing and directing their energies and their contributions in the advancement of Christ's kingdom throughout the earth, always in harmony with the teachings of the New Testament. This Association shall be an auxiliary of the North Carolina Baptist State Convention and the Southern Baptist Convention in all their missionary, educational and benevolent work.

To accomplish this purpose, the association shall seek to: (1) enhance the fellowship among member churches; (2) present the Gospel of Jesus Christ to everyone in our area; (3) encourage and facilitate church growth and development and provide other services to the churches; (4) coordinate mission ministries in our area and promote cooperation in state, home and foreign missions; and, (5) provide an additional channel by which member churches may interact with Southern Baptist agencies and institutions.

## ARTICLE III - MEMBERSHIP

SECTION 1. The Association shall be composed of cooperating Baptist churches desiring to affiliate with it. Any church desiring to become a member of the Association shall present, through messengers chosen for that purpose, its request for membership on APPLICATION FOR MEMBERSHIP form provided in the minutes along with a UNIFORM ASSOCIATIONAL LETTER provided by the clerk, at any annual session of the body. The moderator shall refer the application to the Committee on Membership for study and investigation. The church shall maintain for the year the status of associate membership until the committee makes its recommendation. If favorable, it will be received into full membership with all the rights and privileges at the next annual session. If the Association then votes to receive the church, the moderator shall extend the hand of fellowship to the messengers.

SECTION 2. The Association shall be sole judge of its membership and may receive churches, or reject churches, according to its Constitution and Bylaws. Member churches may withdraw from the Association as they desire. Any church in the Association which fails to cooperate with the Association

Gilbert stated that there are three principles important for Cooperative Missions: (1) work together to give, (2) distribute funds more effectively, and (3) deepen our fellowship with one another. Fulfill God's commission.

He stated that there were some new ways of treating heart disease - there is a new drug that can lessen the damage done by a heart attack or stop the attack completely. He summarized the report printed in the Book of Reports. The hospital has just performed their first artificial heart transplant. The patient didn't survive, but it was a step forward. Something new is ligament transplants, especially for severe knee injuries. Air Care has been expanded, they now have a "fixed wing" aircraft (airplane) to transfer patients a further distance. The hospital ministers to physical needs but also ministers to the spiritual needs of the patients, families, and staff members. The benevolent fund helps people who cannot pay their bills.

God has continued to greatly bless them, their church building is worth one quarter million and is paid for except for \$17,000. They started with ten people and now have thirty-five. Rev. Partin had

3 requests; (1) prayer for Ray Slaughter, former Director of Missions, who has cancer, (2) pray for their revival which will be led by Rev. Thomas Kinchen, and (3) pray that they will be able to gravel a bigger parking lot so people will have somewhere to park without having to walk in the mud.

32. Rev. Jerry Lail of New Hope Baptist Church read scripture from Luke 2:49 and led in prayer.

33. Special music was presented by the choir of Oak Grove Baptist Church led by Mr. Eugene Triplett accompanied by Mrs. Rosalee Church on the piano. They sang several songs.

34. Rev. Jim Gore of Millers Creek Baptist Church brought the message of the evening, "Why Is Prayer So Important?". Rev. Gore stated that "Prayer releases the energies of God in us and through us". Prayer will result in three things; (1) presence of God in us, (2) filled with the spirit, and (3) speak the word of God with boldness. Rev. Gore stated that he is afraid that we are unaware of God's presence. He asked "When was the last time the presence of God was perceived in your life?". He also stated, "When we perceive the presence of God in our life, the sandhedrin can take their best shot, and we will be alright". "When we learn to get a hold of God and when we do it, people in this county are going to know there is God". He ended his message with a prayer.

35. The congregation joined in singing "What A Friend We Have In Jesus" led by Mr. Gregg Wright of First Baptist Church, North Wilkesboro accompanied on the piano by Mrs. Rosalee Church of Oak Grove Baptist Church.

36. Carlos and Betty Pardue were introduced to give a report on their year in Tanzania, East Africa. They told about missionary Boyd Pierce who helped them through customs and stated that God helped them because of all the prayers being offered up for them on that day. They thanked everyone for everything that had been done for them and that it was good to be back home then they presented a short slide presentation. Betty urged us all to pray for our missionaries continuously. "The safest place in the world is when you are in God's will and you are where He wants you to be."

### 37. BUSINESS SESSION

A. First item of business was the vote to be taken on the proposed new constitution. Rev. Rex Shumate suggested a minor change in Article 3, Section 3 in the last sentence - add to the end of the sentence "at its next annual session". Moderator Culler then asked for a standing vote on the adoption of the new constitution. The constitution was adopted without any votes against.

B. Rev. Jim Gore came before the association to make a motion - "In view of the matters brought forth October 3 in the Properties Com-

mittee Report, I make a motion that the association reconsider the action taken to disburse the Ministry Reserve Fund." Motion was seconded by Rev. Paul Shoupe. Rev. Gore stated that the Properties Committee listed a great number of items that need work on the associational property and needs of the associational office. He stated that these were urgent needs and we were about to spend our last nickel. Rev. Gore has contacted people on the Coordinating Council and Finance Committee to re-evaluate the way we are doing the Ministry Reserve Fund. Motion carries. Next, Rev. Gore made the following motion - "I make a motion to disburse the Ministry Reserve Fund in the following way: (1) \$7,000 to Fruitland Baptist Bible Institute for the training of ministers, (2) \$7,000 to the Northeast Baptist Association in the state of Sao Paulo, Brazil for the purchase of a building site for a church, and (3) the balance of approximately \$7,450 to be used based on the recommendations contained in the report of the Properties Committee." Motion seconded by Rev. Rex Shumate. Change in motion is one item, number 3, which changed  $\frac{1}{3}$  of the money going to build a chapel at the prison unit, which would have been put in a building fund and had the possibility of creating the same problem we had with the past fund. Moderator Culler called for a standing vote - was adopted without any votes against.

- C. Director of Missions, Bill McKinney, came to give his report. He urged everyone to read the written report in the Book of Reports. He issued 4 challenges to the association - (1) to meet the need for a parking lot for the First Southern Baptist Chapel in West Virginia, (2) churches to make it possible for their pastor or others to go on the Brazil trip on May 3, 1989, or to go ourselves, (3) churches participate in the World Missions Revival April 16-22, 1989, (cost approximately \$300 per church), and (4) churches get ready to participate in the 1990 simultaneous revivals "Here's Hope, God Cares for You."
- D. Rev. Hadley Triplett gave the Resolutions Committee Report. He thanked the hosting churches, Pleasant Home and Oak Grove, for everything they had done and he also thanked all of the committees.
- E. Mr. Jim Triplett gave the Memorials Committee Report (printed elsewhere). There was a total of 100 deaths.

#### END OF BUSINESS SESSION

38. Moderator Culler gave the benediction.

39. Rev. Hunter Church stated that he thought we should do something about the challenge to help the church in West Virginia tonight. An offering was taken and \$420.00 was received.

40. Moderator Culler thanked everyone for their support, prayers, kindness and Christian attitude that prevailed in the meetings and led in prayer. Meeting was adjourned.

We had a total of 24 honor clerks out of 41 church clerks. These clerks had their church letter into the associational office by the deadline date with every blank filled, all totals correct, and all dollar figures rounded to the nearest dollar. Each of these clerks will be receiving a Certificate of Recognition and have their name printed in the associational minutes. Their accurateness and promptness makes my job so much easier. I want to say to each honor clerk how much I appreciate the great job they did. I hope that this list will grow longer each year until we have 41 honor clerks. There were also several clerks who made only one or two mistakes which is also to be commended.

Respectfully submitted,  
Teresa H. Taylor, Associational Clerk

## Missions Committee Report

Over the past year our association continued its active involvement in several areas of missions ministries. First, we contributed \$3,600 of church pastoral assistance in our ongoing effort to support the West Union Baptist Mission in West Virginia. Second, we provided another effective "Ministry to Racing Fans" this year through the efforts of Brushy Mountain Baptist Men. Third, we continued to undergird the local prison ministry directed by Chaplain Ken Byrd. Plans are now being made for the construction of a chapel at the prison unit with the aid of Brushy Mountain Baptists. In addition, volunteers from our association maintained their usual busy schedule of devotional programs in area nursing homes and other residential facilities.

Besides furthering these ministries, we are currently doing groundwork to pave the way for the sending of mission teams to Brazil. Our association made a commitment at the 1987 Annual Meeting to participate in the Sao Paulo Partnership, a project of the Foreign Mission Board. Since that time, the Rev. Gore and Dr. Bill McKinney have visited the mission site, prepared a slide presentation on this mission opportunity, and presented it at several churches. Our goal is to recruit, train, and send 10 volunteer missionaries in the spring of 1989 from Brushy Mountain and neighboring associations.

Respectfully submitted,  
Welton O. Seal, Jr.

## Ordination Committee Report

We regret to report that the services of the Ordination Committee were not called upon during this associational year. Let us pray to "the Lord of the Harvest to send out more laborers into his harvest." (Matthew 9:38)

John T. Wayland, Chairman

## Moderator's Report

At the close of the Annual Meeting of the Association October 6, 1987, the out-going Moderator, Rev. Monroe Huffman, called me to the front, recognized me as the in-coming Moderator, and turned the gavel over to me. I closed the meeting.

October 14, 1987, I met with and presided in the Coordinating Council meeting.

November 5, 1987, I presided in the Coordinating Council meeting. I have met with the Coordinating Council each time in the monthly meetings, except one; the Vice-Moderator, Dr. James Hubbard, presided in that meeting.

In December 1987, I called a meeting of Pastors and one representative from each church, as the Constitution provides, to consider business coming up in January 1988 Quarterly Meeting. We met in Wilkesboro Baptist Church.

January 4, 1988, I called the Quarterly Meeting to order, meeting in the Zion Hill Baptist Church, Boomer. I presided in this meeting. The message was given by Rev. Ray Roberts, which was well received by all.

April 4, 1988, I presided in the business session, meeting in First Baptist Church, North Wilkesboro.

The July Quarterly Meeting was held in Hinshaw Street Baptist Church. There was no business. I recognized the Director of Missions, Rev. Bill McKinney, who presented the program and recognized Rev. Richard Smith, from the Baptist State Convention Office, who spoke to the Pastors and Chairmen of Deacons, concerning incorporation of churches. This message and information given by Brother Smith was well received.

In addition to the above, I have attended numerous committee meetings and other meetings relative to my office as Moderator.

Respectfully submitted,  
L.J. Culler, Moderator

## Evangelism Report

Paul Hugger was called to a church in Georgia, and I was asked to fill his unexpired term. Therefore, this report may not be as detailed as Paul would have made it.

The major emphasis this year was the Bailey Smith crusade in which over 500 decisions were made. I am convinced the results of this crusade was our Heavenly Father responding to the many prayers of His people. Thank all who gave of their time and talent for this endeavor.

Many opportunities remain in evangelism, in our association. One that is far reaching is our commitment to help establish churches in Brazil. Our Director of Missions has been there and will return to Brazil to co-ordinate our efforts there. Please pray for the Evangelism Committee that we will be sensitive to the needs around us, and that we will respond as our Lord leads.

Respectfully submitted,  
W. Rex Shumate

## Sunday School Report

People who need to have their lives touched by the saving love of Christ is what Sunday School is all about. Challenge 10/90 is reaching 10 million people through Sunday School by the year 1990. We have a lot to do in our Sunday Schools in helping to accomplish these goals. 1987-88 was centered on the theme "Touch Lives, Change People". That is what Christ commanded us to do, touch lives and change people. We are commanded by Christ to go and make disciples.

"Gather the People" expresses the urgency to reach all persons for Christ, and continue moving toward the Bold Mission Thrust goal of 10 million persons enrolled in Sunday School by September 30, 1990. The goal for 1988-89 is

to gather 350,000 new persons for Sunday School enrollment. These goals can be accomplished through these levels of actions: the Basic Sunday School Program, Priority Projects, and Challenge Projects.

The following paragraphs describe briefly the major events of 1988. We attended Key Leadership at Ridgecrest and Vacation Bible School Clinic at Viewmont Baptist Church, Hickory. Our VBS Clinic was held at Hinshaw Street this year. We appreciate Wilkesboro Baptist Church for hosting the Regional State Sunday School Conference this spring. This special training was well attended by our local churches. It was a very informative training event. We look forward to having our Associational Training School this fall. We will study the series entitled "The People Challenge: Sunday School Outreach" by Spooner and Piland. Also we will try to interpret "Get in Touch - Keep in Touch: A Sunday School Outreach Communication Plan" by Floyd A. Craig. This plan will work if developed properly.

Through Bible study and outreach we bring people who need to know Christ into a support system designed to instruct them into a relationship with the Jesus Christ. Every Sunday School worker needs to be visiting and cultivating prospects.

We need to thank God for Dedicated workers who are committed in His service. May each Sunday School set goals and work hard to meet those goals. The ASSIST Team is certainly willing to help in every way possible in the new year.

Respectfully submitted,  
Richard Moretz, Sunday School Director

## Woman's Missionary Union Report

What a great year to be in Woman's Missionary Union. We have had a great year as we celebrated WMU's 100th birthday in a grand and glorious way. Birthday parties, old fashion days with covered dish dinners and centennial dramas were held in many of our churches.

We began our year on September 15, with an Associational WMU Leadership Conference at Hinshaw Street Baptist Church for training leaders in all age levels. We participated in the Migrant Workers Ministry and prepared a fellowship meal after each service in September and October.

On November 17, our Foreign Mission Study was held at Moravian Falls Baptist Church, the best ever with over 150 present. Mrs. Gail Calloway told of the work in South Korea. A Korean meal was enjoyed by all. Our National Mission Prayer plan was initiated during the Week of Prayer for Foreign Missions. Each person was asked to sign a commitment card committing themselves to pray daily for missions.

On January 23, Miss Martha Franks, retired missionary to China for over 30 years, led us in our Prayer Retreat at Wilkesboro Baptist Church. Over 100 men and women were given a challenge to wake up and pray for a spiritual revival in America.

On March 10, our Home Mission Study for all age levels was held at Roaring River Baptist Church. The Rev. Neal Hatfield and Mr. Don Davis spoke to us on the theme "Planting Churches". To highlight the Week of Prayer for Home Missions, on March 13, Mr. C.H. and Patricia Frazier from Greensboro, NC presented a monologue on Pioneer Missionary Miss Annie Armstrong at Oakwoods Baptist Church. In her monologue Mrs. Frazier seemed to actually become the person she portrayed. A full house was present to see and here this heart moving message.

The NC WMU held its annual meeting in Greensboro March 18 and 19. Twelve from the Brushy Mountain Association attended.

Around 65 from our association had an opportunity of a lifetime when they attended the Foreign Mission Board Appointment Service in the Greensboro Coliseum on April 12. Baptist from all over NC filled the coliseum to capacity, 16,500, to experience the heart warming and unique missionary appointment service, where 38 missionaries were appointed to twenty different countries. Weeks prior to the service many signed a prayer commitment scroll committing themselves to pray for this service with other prayers of our state.

The WMU annual meeting was held at Oakwoods Baptist Church on May 3. The women of Oakwoods presented the centennial drama "Let Me Count the Ways". A certificate from the State Office was presented to the WMU of Brushy Mountain Association by Dr. Bill McKinney in recognition of the achievements made in 1986-87. Following the meeting a birthday party celebrating 100 years of Woman's Missionary Union was enjoyed by all.

The Centennial Celebration in Richmond, Virginia on May 13 and 14 was one of the most moving and memorable experiences of a lifetime and the 42 men and women from our association were thrilled to be a part of this celebration. People from all over the world enjoyed the full two day events of picnics in the park, parades, assemblies, banquet, tours of the Foreign Mission Board and the Missionary Learning Center in Rockville, VA. It was a great honor to represent the Brushy Mountain Associational WMU in the parade of all WMU Associations in the Southern Baptist Convention.

An Associational G.A. Sleepover was held on May 20 at Hinshaw Street Baptist Church. About 60 girls and their leaders enjoyed a good spiritual and fun time. The BYW Spring Fling was held at Mt. Pleasant Baptist Church. The guest speaker was Brenda Harris, Journeyman to Korea.

Our Mission Action project was "Pennies for Postage". We collected 48 books of stamps for the Christmas package for the NC Correctional Center for Women. Our spring mission project was to help the Rainbow Center of Wilkes, Inc. Bedspreads, sheets, towels, bath sets, blankets and \$393.00 in cash was given. We also participated in the "Karts for Kids" sponsored by Food Lion where they gave 5 percent of all groceries bought on April 18, 19 and 20. Over \$70,000 was given to Baptist Children's Homes for the Cameron Boys Camp by Food Lion in this venture. Many who could not go to a Food Lion store bought their groceries locally and sent 5 percent of their receipt to the Baptist Children's Home.

This year has been busy and exciting; many things have been accomplished; things have been felt and received that we can never recapture. Our first century is over and our second century has begun. We are writing our second

century history as we go. We will surely have to plan wisely and work hard to come up to the foremothers of our organization. As we labor together we will provide the best channels for Southern Baptist women and girls to grow in missions, leadership and service. My special thanks to all of you for your love, prayers and support.

Respectfully submitted,  
Mae J. Duncan

## Church Training Report

We rejoice over the many souls won to the Lord during the crusade effort in Wilkes County this summer. These babes in Christ need to be disciplined in accordance with the commands of our Lord. The Church Training Department has made available a great deal of discipleship material. I hope each church will take advantage of these in the coming year. This coming year can be a great year for Church Training in our association.

Respectfully submitted,  
John T. Vannoy, III

## Associational Music Report

The past several months have been spent in organization for the coming year. Zone Directors have been appointed to help keep in touch with all of our churches. These Zone Directors are: Ms. Glenda Barker (Liberty Grove), Mrs. Martha Childs (Little Rock), Mr. Vernon Mitchell (Millers Creek), Mrs. Galyn Page (New Hope), and Mr. Emmett Elledge (Oakwoods). Music surveys were mailed to each church in the association asking for input into musical events for the future. One event has already been planned for early spring. March 13, 1989 is the date for a big Region VII Choral Festival at Wilkesboro Baptist Church.

Respectfully submitted,  
Gregg Wright

## Director of Missions Report

This year in the life of our Association has been a very interesting one. It has appeared at times that little was being accomplished, but that was hardly the case. Much time was spent in attending almost weekly meetings of the Evangelism Committee and the special committee on Lay Renewal. The latter activity failed to materialize due to a lack of participation from the churches. That was also the case with our planned Sunday School Growth Campaign. However, many good things did happen.

Our support of First Southern Baptist Chapel in West Union, West Virginia was continued at the levels to which we were previously committed. A planned VBS at that church could not be held due to hazardous conditions related

to the completion of their construction. The work has gone well in this mission.

We have continued to provide excellent local ministries in several ways. The racing fan ministries in October and April were well received. Our Baptist Men and our youth have worked well in assisting with services of worship at the NASCAR races. Our ministries to rest homes (Mt. Pleasant, Wilkes Towers) have had excellent participation. The Bible Study at North Wilkesboro Correctional unit has continued and the part-time prison chaplain is having an effective ministry on a daily basis.

Pastor Jim Gore and I were privileged to travel to Brazil on your behalf. We examined the mission opportunities available in Nordeste Do Estado Association of the state of Sao Paulo. The nine-day trip was filled with preaching, witnessing, and other speaking opportunities. We are urging that Brushy Mountain Baptist Association seek to send at least one ten-person evangelism team to that association during each of the next four years. The Elkin Baptist Association will be supplying the only other team to go in 1988 and we hope to enlist a team for March or April of 1989. Pastor Gore and I have had eight invitations to share our slide presentations with churches.

We rejoice on behalf of every person who experienced a saving encounter with the Lord Jesus Christ during the Bailey Smith Evangelism Crusade. Many of our churches have been blessed by the harvest. Other persons made significant renewals of commitment. We must now nurture and disciple those who have made commitments "...Till we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fulness of Christ...Ephes. 4:13."

During the past year noteworthy achievements have been made in Bible Skills. We had a very good number of children and or youth who were successful at the associational, the regional, and the state levels. WMU achievements were also noteworthy. Forty-nine persons attended the WMU Centennial celebration in Richmond, Virginia. WMU has been especially active in prayer support of Carlos and Betty Pardue as they served in Tanzania this past year.

It has been my privilege to work with an unusually large number of pastor search committees during this year. Other counselling opportunities have been plentiful and those who have been served are most appreciative of the Association for making it possible to offer personal counselling at the associational office. I have served on the Baptist State Convention Long-Range Strategy and Planning Committee during this year and have been able to attend all meetings of that group which is reporting to the Convention in November the proposed priorities of ministry for the period 1989-1995. Much time has also been spent in such local helping ministries as Wilkes Day Care Center (of which I am president), Wilkes Teen Pregnancy Council (which I co-chair), United Way, and Catherine Barber Shelter For The Homeless.

These are only the most public of my functions as your Director of Missions. I do trust and pray that all of us - as churches and as individuals - will be deeply involved in carrying out whatever ministry and service opportunities which our Lord makes available to us during the year just ahead.

Respectfully submitted,  
Bill McKinney

## Properties Committee Report

The major project involving Associational properties during this year was the re-roofing of our office building. Dennis Glasco, roofing contractor from Zion Hill Baptist Church arranged a special price on materials. He, along with other men from Zion Hill Church and Tom Vannoy of Purlear Baptist Church donated two Saturdays to put the roof on. The project was completed with a very significant saving.

The present condition of Associational properties is as follows:

1. The Associational parsonage is in good shape except for the need of exterior painting which should be scheduled within the next 2 years. Portions of the interior need repainting and the bathrooms need new fixtures as these are worn and parts are difficult to obtain.
2. The Association's lawn mowing equipment is quite old and difficult to keep in running condition.
3. Our office equipment needs to be upgraded. We have received as a donation from Millers Creek Baptist Church a more satisfactory mimeograph machine. The typewriter is badly worn and should be replaced. Associational functions could be facilitated by securing a small computer with word-processing capability.
4. There is a drainage problem at the entrance of the office. When rains occur water ponds in the carport. The parking lot is in need of surface treatment.

Respectfully submitted,  
Will Fletcher

## School of Christian Studies Report

Please consult the Associational Annuals for 1981 and 1982 concerning information of introduction pertaining to Seminary Extension Programs throughout the United States and North Carolina. North Carolina continues to lead all our states in Seminary Extension Programs.

Last Fall we offered one course of study - OT 0141 - "The Post-Exilic Prophets" - a study of the prophets after the period of Judah's exile, with major attention given to the message of Malachi. We had ten persons enrolled, with four taking the examinations and receiving college-level credit. Rev. W. Paul Shoupe was the teacher. We did not have a course of study this past Spring.

This fall we are offering one course of study in the THEOLOGICAL-HISTORICAL AREA - CH 0210 - "Life and Faith of Baptists". This course introduces the student to some phases of Baptist history so that he/she will have a better understanding and appreciation of our Baptist heritage. Section I deals with Baptist history from the 17th century in Europe, featuring the history of Southern Baptists since 1845. Section II concentrates on a survey of important Baptist doctrines. The course writer is Dr. James E. Tull, professor emeritus, Southeastern Baptist Theological Seminary. The texts are: *Our Baptist Story*, Duncan (1972 edition) and *What Baptists Stand For*, Cook (1961 edition). The course will begin October 11 and continue on Tuesday nights through November 29 at 7:00 p.m. at Oakwoods Baptist Church (two hours each night). This is a college-level course and examinations will be required for college credit. However, you do not have to take the examinations if you wish not to do so. The cost of the course is \$25.00. The teacher will be Dr. John T. Wayland. It is the hope of our committee that each pastor will consider participating in this course, and that persistent promotion and announcements will be given to the congregations encouraging participation.

This coming year (Winter-Spring) we are offering a new college-level course in the PRACTICAL AREA - PB 0300 - "Clinical Pastoral Training". This course is designed to provide the skills necessary for effective hospital ministry. Using ½ inch VHS video-taped presentations, pastors and lay ministers analyze their own approaches to those who are hospitalized. Clinical exercises are included in the 30-hour schedule. The course writer is G. Wade Rowatt: Diplomate, American Association of Pastoral Counseling; Supervisor Association of Clinical Pastoral Education; Associate Dean of School of Theology and Professor of Psychology of Religion, Southern Baptist Theological Seminary. The textbook is *The Hospital Handbook* by Lawrence Reimer and James Wagner. The course will begin January 10 and extend through March 14 (3 hours each night). We will have a certified teacher from our North Carolina Baptist Hospital School of Pastoral Care. We are endeavoring to hold the cost to \$25.00. The course will be taught at Wilkes General Hospital.

Respectfully submitted,  
W. Paul Shoupe

## Associational Long Range Strategy Planning Committee Report

The Long Range Strategy Planning Committee proposed a five-year plan for the work of the Association at the 1987 Annual Meeting. In the January 1988, Quarterly Meeting, the plan was approved. These six goals were adopted: (1) enhance the fellowship among member churches; (2) present the Gospel to everyone with a view toward a 25 percent increase in baptisms per year; (3) encourage and facilitate church growth and development; (4) coordinate mission ministries in our area and promote cooperation in state, home and foreign missions; (5) provide an additional channel by which member churches may interact with Southern Baptist Convention agencies and institutions; (6) strengthen the organization of our association.

During the course of this year, the following actions have been taken toward meeting the above objectives:

1. To involve member churches in associational missions, Dr. McKinney and Rev. Gore have given a slide presentation at several churches promoting the Brazil project.
2. In observance of the Year of the Laity, several churches have conducted a doctrinal study on "The Priesthood of the Believer."
3. Many member churches worked together to spread the gospel through support of the Bailey Smith Evangelistic Crusade.
4. Other mission outreach efforts, such as the Youth Mission Projects of Wilkesboro and North Wilkesboro First, have been carried out by individual member churches.
5. The pastors active in the Wilkes Ministerial Association have been designated to serve as an informal "committee" to promote cooperative efforts between Brushy Mountain Baptists and other area churches.
6. To encourage church development, the associational office has supplied to each church a study of local population trends.
7. To enhance continuing education for pastors, a course in pastoral counseling is being organized for implementation.
8. To further the training of lay leaders, a telephone campaign has been conducted to invite all of them to Key Leader training.
9. To improve the coordination of mission efforts, a study committee has been formed to consider the creation of an Associational Missions Development Council. Their recommendation is forthcoming.
10. In support of local efforts to provide institutional chaplains, funds have been requested and received from the state convention.
11. Work has begun to recruit churches for participation in a World Missions Conference set for April 16-23, 1989. Also, missionary personnel have been invited, and accommodations for them are being arranged.
12. Involvement in state missions has been promoted through the September weekend with state personnel, an event supported and enjoyed by many member churches.
13. To strengthen the organization of the association a study group has been appointed. Their recommendation is forthcoming.

Regretably, many goals for the current year have not yet been met. But the preceding list of actions taken represents a fine effort among many Brushy Mountain Baptists to work together to further the cause of Christ in our community and to fulfill God's purposes for our association of churches.

Respectfully submitted,  
 Welton Seal, Chairman

## Brotherhood Report

During March 1988, E. Clinton Call was succeeded as Associational Brotherhood Director by John T. German. Mr. Call had served in this position for seven successful years. During his service the number of Brotherhood organizations was increased and the programs were strengthened. Mr. Call

directed the Brotherhood members to become more involved in church, associational, and state activities. A significant contribution was the race track ministry, at the North Wilkesboro Speedway, which was established for NASCAR race fans. Only one other church association provides this service in the Baptist State Convention of North Carolina. The services to the First Union 400, in April, and the Holly Farms 400, in October, have been attended by hundreds of race fans who expressed sincere gratitude for this opportunity to worship away from home. Clinton Call is noted with special recognition to these years of successful service.

For 1988-89, John German plans to continue in the same spirit of Christian service as demonstrated by Clinton Call. The objectives for 1988-89 are; to become acquainted with and to provide organizational support for the leaders of each Brotherhood group in the association, to become involved with activities of the North Carolina State Brotherhood Department, to provide leadership workshops for Brotherhood leaders and members, and to serve the association by keeping the different Brotherhood groups informed of activities on the state level.

Respectively submitted,  
John T. German

## Baptist Hospital Report

Perhaps the word which best sums up the past year at Baptist Hospital is expansion - expansion of facilities and services.

The hospital, together with the Bowman Gray School of Medicine, is still in the midst of the largest health related expansion program ever in North Carolina.

New programs in health care, initiated in recent months, include the Brenner Children's Hospital, the Sticht Center on Aging, a new hand center, ligament transplants, new methods of treating certain types of cancer, new procedures for helping patients with heart problems, and the beginning of Air Care International.

During the past fiscal year, the total hospital revenue budget has been \$181 million. Total personnel is over 3,800. There were 22,085 patient admissions for a total of 196,554 patient care days. Some 13,680 surgical procedures were performed including 1,022 open heart operations and 32 kidney transplants. There were 282,907 radiological procedures, 4,401,552 clinical laboratory tests, 14,500 chemotherapy treatments, 833 lithotripsy treatments, and 480 Air Care missions.

The Department of Pastoral Care continues its ministries to: the patient in the hospital; the family and friends of patients; the medical staff who minister to the patient; the person requesting counseling in our centers in Winston-Salem, Fayetteville, Morganton, Charlotte, Rockingham, North Wilkesboro; the ministers who seek our courses in clinical instruction, equipping them for specialized and pastoral ministries.

Added to these are our "Pastors' Sabbath" and "Interim Church" programs...as we work closely with the North Carolina Baptist State Convention in addressing the needs of pastors and churches.

The faithful delivery of pastoral care, beginning within our Medical Center and reaching around the world, is the ministry to which we make renewed commitment.

In January Dr. John Lynch, who had been president of the hospital for more than seventeen years, submitted his resignation. The trustees have appointed a Search Committee which is seeking his successor. Mr. Len B. Preslar, Jr., who for many years has been vice-president for Financial Management, has been named chief executive officer.

During the past fiscal year, Baptist Hospital received \$659,062 through the Cooperative Program and \$290,585 through the Homes and Hospital Offering. The trustees, staff and patients are all extremely grateful for this financial support.

Respectfully submitted,  
Pauline A. Tedder

## The Church Annuity Board Report

The Annuity Board of the Southern Baptist Convention is charged by the denomination with the responsibility of administering retirement and insurance programs to meet the needs of ministers, church employees, denominational employees, and seminary students. A relief and assistance program assists needy, disabled and retired ministers and widows of ministers. This program is funded by the Southern Baptist Convention Cooperative Program and by private donations to the Annuity Board's Endowment Department.

The Southern Baptist Convention gave approval this year in San Antonio to the Annuity Board's proposal to begin offering property and casualty insurance to churches and associations. These services include church-owned property coverage (fire and theft), general liability, worker's compensation, bus liability, day-care liability, and minister's mal-practice insurance coverages. Let us be thankful our convention sees our needs as churches and takes steps to help us.

The recent Expanded Annuity Plan is an effort to upgrade the retirement programs of ministers. The plan stresses the cooperative effort of the local church, the individual minister, and in North Carolina, our state convention, in supplying an adequate retirement plan for ministers. Our churches need to consider the needs of their ministers in the area of retirement and take responsible steps toward I Corinthians 9:11, New King James Version, "If we have sown spiritual things for you, is it a great thing if we reap your material things."

Respectfully submitted,  
Rev. Sam H. Childs

## American Bible Society Report

If one were to generate a list of all the languages spoken in the world today, one per line, 60 lines per page, how many pages would it take? It would take 100 pages to list all the spoken languages--almost 6,000. English would be only one of those (Northern and Southern are not considered separate languages here).

At last count 1,884 of these languages have at least one book of the Bible translated--that is 90 percent of the world's population (303 have the whole Bible, 670 have the New Testament only, and 911 have one or more books of the Bible translated). With these, of course, the problems are that many have no copy of the scriptures, and even if they did illiteracy would keep them from reading the Bible.

One other group, the people who have no translation of the Word at all--over 300 million people--also remains a large prayer need.

The American Bible Society is a three ring circus of activity with Scripture translation projects, overseas Bible distribution, and United States ministries with God's Word. Around 555 Scripture translation projects receive assistance from the A.B.S. In Foreign lands, the A.B.S. works with other Bible societies in distributing millions of Bibles every year. At home the A.B.S. shares over 100 million copies of God's Word in over 80 languages annually.

Special emphases include "Act Now--Go With the Word!" (for young people in the 13-18 age group); Scriptures for Evangelism (customized editions for soul winning); Scriptures for the Military (customized editions for each branch of service); Scriptures in Languages Other Than English (notably Chinese and Spanish); and Church Representative Programs (volunteers who serve as liaisons between the A.B.S. and their congregations--over 15,000).

The only sad note is that every year decisions must be made about who will *not* receive translations of the Word. In spite of the growth in the distribution of the Scriptures, there is more demand than there is supply.

Bible translation and distribution is one of our better investments as an association toward building up the body of Christ.

Respectfully submitted,  
Tam S. Hutchinson, Jr.

## Fruitland Baptist Bible Institute Report

Fruitland Baptist Bible Institute provides training for adults called to church related vocations. At present there are approximately 130 students enrolled. The average age of students is about 37.

In an effort to reach the people who need Fruitland most, the school now offers a full first quarter scholarship to pastors of small Baptist churches in North Carolina who apply for the winter, spring, and summer quarters. This scholarship covers tuition, room and board.

Full information on Fruitland has been provided for every pastor in the Baptist State Convention. Each Baptist Association in North Carolina has a video tape on the school.

Fruitland is in the best financial condition in its history. School facilities are modern and well equipped with a value of more than four million dollars.

There are twenty-five faculty members at present. Each member teaches four hours per week in one subject. Remuneration for teachers is an honorarium without benefits.

The president of Fruitland Baptist Bible Institute has announced retirement early as of October 24, 1989. It is hoped a new president will be elected and on campus by July 1, 1989.

Respectfully submitted,  
Hadley A. Triplett

## General Board Report

The NC State Baptist Convention General Board has met this year at the Caraway Conference Center and Mars Hill College and will meet once again at Caraway in September. Of course our State Convention will be held at Fayetteville and many of us have already made our hotel reservations for that event.

The primary subjects under discussion were as to the distribution of funds to our Colleges and University and also as to the options available for our churches for the distribution of Cooperative Program funds. We have also heard a financial report and noted that our Cooperative Program is slightly below what it was at this time last year. We have retained Mrs. Velma Ferrell as Director of the Youth and Campus Ministries and we have invited Scott David Freese to be the intern as Intern at Charlotte Mission Ministry. We had previously talked about a consultant in Chaplaincy and Military ministries and some literature was disseminated at last year's annual State Convention. We are recommending that Rev. Gerald Richards take this post. Some changes were made in office personnel and we also began to note the fast approach of the retirement of Rev. Bill Jackson for Caraway.

Respectfully submitted,  
Max Freeman

## North Carolina Missions Report

Last year NC Baptists agreed to join with Sao Paulo, Brazil and their State Baptist Convention in a partnership. We would like to start 1,000 churches. O.D. Martin has been down there and he reported that our very first group of volunteers went to Sao Paulo last November to do mostly planning and we sent our second group in March of this year. It is pleasing to report that we now have 52 associations in NC paired with 27 associations in Sao Paulo. We still need to pair three more associations. Mr. Martin told us that a group of Baptist Men from the Mitchell Association at Spruce Pine put up a pre-fab building in three days and that they did this at their own expense. We also learned that a Brazilian family with a child in need of special medical help was brought to Duke Hospital where not only physical and medical help was ob-

tained but also spiritual help. Many of those who became so involved have been so impressed with the Baptist work and presence that they have chosen to become further involved.

### *The Biblical Recorder Report*

There is an old saying, "When Baptists know, Baptists will do." There is also an old saying, "Tell the truth and trust the people." The *Biblical Recorder* believes and tries to practice both!

In a rapidly changing world, it is more important than ever before that Baptists be well informed which is not easy in an age that is complex, busy and competitive. But we must never forsake the ideal.

Baptists, like the population in general, are watching more television and listening to more radio than they are reading. Somehow it just seems easier to watch and listen than read and think, but we must be informed and involved in the work of the Lord as Baptists do it....if we are to make progress.

For 155 years, the Baptist paper in North Carolina has issued a call to greater missions and greater commitment to the Commission of our Lord to win, teach and baptize persons.

As the *Recorder* informs it also gives opportunity for Baptists to freely exchange points of view. Baptists do not have a hierarchical form of church government and operation. Every person is important and opinions are valid in direct proportion to the accuracy of information upon which they are based. Democracies do not survive without an informed people!

With all the upheaval in the world, the nation, and even in Baptist ranks, stability can be maintained only when good and sincere people know the truth and take their stand upon it.

To make it possible for as many people as possible to read the paper each week at the lowest possible cost, there will be no increase in subscription rates for 1988. If your church does not have the Every Family Plan, please consider it for 1989; the cost is only \$5.00 per subscription for the year. Special introductory offers are available. Please contact:

God has given us a great opportunity and a great responsibility. Let us be informed about what is happening. Let us be involved in meeting the challenge, in being a part of the answer to take the Gospel to a lost world.

## Baptist Children's Homes Report

You took the time, you cared. You gave much when you didn't have to. In behalf of Dr. Blackwell, the children in care, our staff and trustees, thank you for your prayers, your caring and financial support. You are special to this child care ministry.

A major thrust beyond our quality child care this year was the completion of our Long-Range Plans. To continue being bold in child care, several challenges were accepted by our staff and trustees from the results of our five-year LRP. We plan to add two emergency care homes - another one on the Kennedy Home campus and one where the need is greatest. The Cameron Boys Camp will be expanded to care for 50 boys. Two specialized small group homes will be opened by early 1989 - a teenage mother-baby home and a behavior change program for teenage girls in Lenoir.

Fifty percent of our children have had little or no spiritual training prior to their being in our care. We rejoice that 79 were baptized into the family of God. Our ministry is "Mission in Miniature."

To meet these challenges and continue the current ministry to children, our budget must move from 7 million dollars (which it has been for 5 years) to 11 million dollars by 1992-93. We hope that by 1993, the Baptists of North Carolina will be giving 50 percent of our daily operating budget. Currently we receive 34 percent. This can be achieved by increasing church receipts through the Cooperative Program, the Homes & Hospital Offering and designated gifts from churches and individuals. The future of child care in North Carolina is in the hands of the Baptists of our great state. We believe they will meet the challenge.

### UPDATE FROM THE LENOIR FAMILY SERVICES CENTER:

This has been an exciting year. A partnership between the Caldwell Department of Social Services and the Baptist Children's Homes of NC is imminent. A gift from Mrs. Marguerite Noel of Kannapolis will facilitate the purchase of a house for the behavior change program in Lenoir. A gift from the Broyhill Foundation will enable us to purchase a house for the teenage-mother-baby program also in Lenoir. The partnership calls for equal financial responsibility with the Baptist Children's Homes also providing the program and staff. The Lenoir office will be moved to the Noel Home in Caldwell County.

Katrina Shields joined the Lenoir staff as a social worker in August providing much-needed assistance with the increasing number of applications for all BCH ministries.

Group meetings for parents of boys at Cameron Boys Home has proven helpful to staff, boys and parents.

We are a service institution ready to meet the needs of hurting children and their families, in partnership with you to serve the children of North Carolina.

## Baptist Foundation Report

For several years, Montagress Mercer has provided an example of estate stewardship which members of the Foundation staff have often related, but always without revealing her identity. It was her wish that "nobody know". Mrs. Mercer died this spring. We can now share her name as well as her testimony. It was her wish that "Lottie" should have her farm. To accomplish that, the farm was deeded to the Foundation but she retained all benefit from it for as long as she lived. As the plan for doing this was explained to her and the possibilities unfolded, she clasped her hands together and exclaimed, "I'm so happy!" Now her happiness has been justified. That which she desired is now a reality: the income from her trust will be paid forever to the Lottie Moon Offering. It is incidents like this which tell the story of Baptist Foundation. Facts, figures and statistics have their place, but the people behind them are the real story.

Another unique expertise provided by the Foundation is in helping to analyze a person's total estate picture and assisting them in their complete plan of estate stewardship. One couple, utilizing the Foundation's expertise for total estate planning, rather than making piece-meal plans and small bequests here and there, took full advantage of the tax laws available for them and provided fully for their son *and* the Baptist causes which they desired to support. Their satisfaction now comes from a coordinated estate plan. It is in total estate stewardship planning, not in "getting a gift", that the Foundation renders the greatest service.

The "unfunded" trust simplified planning for many persons in the past year and continues to provide a way to help meet the objectives of many stewards. The trust document is prepared to incorporate the provisions of the trustors wishes. It will not take effect, however, until the individual is deceased. Then their Will provides the funding, most often the residual estate being assigned to the trust, hence the term "unfunded". The individual has the joy of having a plan in place, all signed and legal.

The Baptist Foundation added 62 new trust funds to its numbers in 1987. Gifts to trust increased its holdings to a record \$14,452,258. Trusts already in place provided \$578,697 in support of Baptist causes. As important as these statistics are, a significant aspect of The Baptist Foundation program is that it provides individuals, such as Mrs. Mercer, with an avenue for continuing their support of Christian causes beyond their lifetime.

## HISTORY OF EDGEWOOD BAPTIST CHURCH

1979 - 1989

Edgewood Baptist Church was organized on September 23, 1893 under the name "Lovely Baptist Church." The church was renamed "Edgewood Missionary Baptist Church" on October 7 of that same year.

A wood building was constructed and the first service held on November 11, 1893. In February 1894, the church voted to join the Brushy Mountain Baptist Association.

The growth of the church made it necessary to construct a new building. A brick structure was completed in 1959.

The Sunday School has shown a steady growth. In 1959 the average attendance was 55; in 1979 it was 100, and in 1986 was 130. Church membership has grown from the original 16 members to 325 as of June 1987.

A beautiful new educational building was dedicated on May 23, 1982, providing additional classrooms and much needed space. The church has also added a new

steeple, a front porch, and an additional parking lot. A new multi-purpose building was completed in 1988, including a fellowship hall and gymnasium.

The Reverend Rex Shumate has served as pastor of Edgewood since 1977.

## HISTORY OF ROARING RIVER BAPTIST CHURCH

1981 - 1989

This nine year period of history has been an active and beneficial one for the church. From eighteen charter members in 1908 the membership has grown to 141. The Sunday School is graded with an average attendance of 65 and has 11 regular teachers. The church has an active missions program including Brotherhood and WMU with all age level organizations. It has experienced a steady increase to the Cooperative Program (8%), Association (4%), Lottie Moon, Annie Armstrong and State Missions in giving.

Pastors serving during this time period are Rev. William Pardue, 1978-1983 and Rev. Ronald Gilbert now serving.

The Baptist Foundation of NC has been appointed as a permanent Trustee for the Church's Trust with the interest from it being distributed semi-annually to six worthy mission causes. This leaves the church self-supporting. A note burning ceremony was celebrated in March of 1988, thus leaving the church free of indebtedness.

Improvements experienced are renovation of the parsonage, purchase of a utility building, repaving the parking lot, recarpeting the outside steps, porches and handicap ramp, providing marked parking spaces for the handicapped, purchase of copy machine, vinyl covering for the wooden parts of the church including steeple, insurance increased for adequate coverage of all church property and cemetery improvement: gravestones cleaned and aligned.

The value of church property has increased from \$5,000.00 in 1925 to \$380,000.00 at the present time.

## PREAMBLE

We, the Baptist Churches of the Brushy Mountain Baptist Association, unite according to the plan and for the purpose and work of New Testament churches in our world. To this end and according to the following articles, we cooperate to the fullest extent possible with the State and Southern Baptist Convention and subscribe to the principles of the 1963 Baptist Faith and Message statement.

## ARTICLE I — NAME

This body shall be known as the Brushy Mountain Baptist Association of North Carolina.

## ARTICLE II — PURPOSE

It shall be the purpose of this Association to consider and promote measures for increasing the harmony, the knowledge and the spiritual life of the churches and for developing and directing their energies and their contributions in the advancement of Christ's kingdom throughout the earth, always in harmony with the teachings of the New Testament. This Association shall be an auxiliary of the North Carolina Baptist State Convention and the Southern Baptist Convention in all their missionary, educational and benevolent work.

To accomplish this purpose, the association shall seek to: (1) enhance the fellowship among member churches; (2) present the Gospel of Jesus Christ to everyone in our area; (3) encourage and facilitate church growth and development and provide other services to the churches; (4) coordinate mission ministries in our area and promote cooperation in state, home and foreign missions; and, (5) provide an additional channel by which member churches may interact with Southern Baptist agencies and institutions.

## ARTICLE III — MEMBERSHIP

SECTION 1. The Association shall be composed of cooperating Baptist churches desiring to affiliate with it. Any church desiring to become a member of the Association shall present, through messengers chosen for that purpose, its request for membership on APPLICATION FOR MEMBERSHIP form provided in the minutes along with a UNIFORM ASSOCIATIONAL LETTER provided by the clerk, at any annual session of the body. The moderator shall refer the application to the Committee on Membership for study and investigation. The church shall maintain for the year the status of associate membership until the committee makes its recommendation. If favorable, it will be received into full membership with all the rights and privileges at the next annual session. If the Association then votes to receive the church, the moderator shall extend the hand of fellowship to the messengers.

SECTION 2. The Association shall be sole judge of its membership and may receive churches, or reject churches, according to its Constitution and Bylaws. Member churches may withdraw from the Association as they desire. Any church in the Association which fails to cooperate with the Association shall, upon the recommendation of the Executive Committee of the Association, be contacted by the Membership Committee to determine the intentions of the church regarding its remaining in the Association.

A cooperating church shall be defined as one which sends an annual report to the Association and messengers to Associational meetings, and contributes to the financial program of the Association.

SECTION 3. The Association shall withdraw fellowship from any church in its membership which shall be found to be disorderly in faith and practice, but not until written charges are brought against it, which charges shall have been authorized by the official act of the church offering the same, or by the Membership Committee of the Association. Thereafter, any such charges shall be carefully considered by the Association at its next annual session.

#### ARTICLE IV — MEETINGS

SECTION 1. The Annual Session of the Association shall be held on Monday and Tuesday following the first Sunday in October.

SECTION 2. The Mid-Year Meeting shall be held on Monday following the first Sunday in April.

Churches with more than 500 members are entitled to an additional messenger for each 100 members more than the initial 500. Messengers shall be elected annually for all Associational meetings. It is suggested that at least five of the messengers be leaders of individual church organizations.

#### ARTICLE V — AUTHORITY

While independent and sovereign in its own sphere, the Association does not claim, and will never attempt to exercise any authority over any other Baptist Body, whether church or auxiliary organization.

#### END OF BUSINESS SESSION

7. Moderator Culler recognized Mr. Harry Sherwood from Wingate College as one of our out of town visitors.

8. Bill asked to hear from the churches about any storm damage they might have incurred from Hugo and there were no reports of damage. He extended a

special thanks to First Baptist, North Wilkesboro for making their equipment available to us while our electricity was out for the printing of our Book of Reports.

9. Ms. Donna Lail of the Baptist Children's Homes was introduced to speak to the association. She stated that they were in partnership with Caldwell Social Services with two new homes opened - Noel House and Care House. These homes are not only for Caldwell County but they do have first choice. She stated that their Therapeutic Camping Program for troubled boys was always full. All Homes work on a Peer Group Program. Teenagers help each other with guidance from Christian leaders. The Homes work hard to lead the child to Christ because they have not been reared in Christian homes. She asked that we come to visit and that we continue to give financial support.

10. Mr. Harry Sherwood from Wingate College was introduced to give a report. Wingate did have storm damage and they are cleaning up and had no injuries. Wingate is a Baptist College. They have asked for a name change, to Cannon-Wingate University. Wingate began as an academy then became a two-year college, then in 1977 became a four-year college. Mr. Sherwood stated that they are located in the fastest growing metropolitan area and want to be the largest Baptist College in the area. Why Cannon-Wingate? In 1953 Bud Smith came and it was a good college then but they needed more money to operate and grow. Dr. Smith went to see Mr. Cannon about support. Mr. Cannon gave \$100,000 with one string attached - that Wingate must raise \$100,000 from other sources. Mr. Cannon gave \$12 million in his life time. The campus has a \$48.2 million value. At the November meeting of the Baptist State Convention, Wingate is going to ask that the name be changed to Cannon-Wingate University.

11. Moderator Culler called attention to the N.C. Baptist Foundation Report on page 36 of the Book of Reports and asked that everyone take time to read it. He summarized the report and urged everyone to consider leaving something in their will for the Foundation.

Are we the born-again children of God? We are a peculiar people. We are the chosen people. We are chosen individually to do an individual task for the Lord. He stated that we should do our Father's Will and that we can become the type of people that God wants us to be. He ended his message with the question, "Can we find ourselves doing God's Will in God's Time?"

15. Rev. Rex Shumate gave instructions for the evening meal.

16. Benediction was given by Rev. Ken Pardue of Stony Hill Baptist Church and the meeting was recessed for the evening meal.

Rick Felts (Pleasant Home), Rev. Kenneth Pardue (Stony Hill), and Rev. Larry Broome (West End).

22. The Sunday School Report was given by Rev. Richard Moretz on page 26 of the Book of Reports. He asked that everyone notice the activities on the calendar. The Outreach Workshop has been rescheduled for Thursday, October 26 at 7:00 p.m. at Hinshaw Street Baptist Church. He urged all churches to use all of the "Here's Hope" materials and to participate in the People Search/Scripture Distribution. (1) Identify persons not in Sunday School, (2) Gather information about them, and (3) Invite them to church.

23. Director of Missions, Bill McKinney, presented the associational ASSIST Team with certificates for their years of service.

24. The Church Training Report was given by Glen Efird. He stated that there was not a lot going on in Church Training - only 16 churches in the association reported any Church Training on the Digest of Church Letters. He stated that Church Training trains leaders to be qualified leaders in the church. He suggested that all churches have a training class for all new Sunday School teachers, deacons, and church workers.

25. The WMU Report was given by Mae Duncan. She summarized the report on page 23 and made a correction to the report in the amount sent to Mark Partin and also that Stony Hill started a BYW. The Associational WMU honored Rev. Ron Gilbert as "Pastor of the Year". This was the first year for this award and they hope to continue it each year.

26. The Brotherhood Report was given by John German on page 25 of the Book of Reports. This year has been an active year and he met with five churches this year.

28. Bill presented Gregg with a Certificate of Achievement from the Baptist State Convention.

29. The Associational Strategy Planning Report was given by Bill in the absence of Welton Seal. He stated that we have done well in many respects but not in others. He also went over the Digest of Church Letters. Overall the figures were flat - we did a lot of stuff but did not gain a lot of people.

30. Rev. Ken Jones announced the Evangelism Conference on October 23 and 24 at Millers Creek Baptist Church. The four speakers will be Vick Cole, Wesley Grant, Ron Barker and Raymond Williams.

31. The congregation joined in singing "I Am Thine, O Lord" led by Gregg Wright accompanied by Cindy Deacon at the piano and Sue Shumate at the organ.

32. Special music was presented by the Hawkins Family Quartet (Sam, Angela, Rebecca and Daniel) who sang "He Is Risen".

33. R. G. Puckett, editor of the *Biblical Recorder*, gave the *Biblical Recorder* Report. He read scripture from Acts 2 and quoted Bill's statement from his Director of Missions Report, "Far-reaching changes are taking place in our society at large and these present great challenges to all of us as individuals and as churches. We shall not be able to respond adequately to these changes and challenges with a 'business as usual' philosophy." The *Biblical Recorder* began in 1835 and is the fourth oldest Baptist paper in the state. "The Front line of the Baptist work is in the local church."

A Bill stating "The people should have a right to vote whether they want a lottery" has passed the Senate. House Bill 1231 "Abortion Control Act" has been introduced into the House. House Bill 93 "Consent for a minor's abortion" has also been introduced. House Bill 964 "Schools teach abstinence" has passed the House and is before the Senate. Alcohol is the number one drug problem in America. One out of every ten who drink will become addicted.

36. The congregation stood and greeted each other while the Hawkins Family got ready to sing. They sang "Son, Go Bring My Children Home".

37. Rev. Rex Foster of Fishing Creek Baptist Church brought the evening message. He read scripture from Revelations 1:9, 10, 11, 17 and 18 and stated that we cannot witness to or in Wilkes County or anywhere else if we are not in the spirit. 45. Rev. J. W. Hutchens of the Baptist State Convention brought the message of the evening. He introduced a guest that was with him, John Herrington, Director of Missions and Director of Evangelism in Wyoming. Rev. Hutchens' message was based on "Here's Hope. Jesus Cares For You". He read scripture from 1 Peter 3:15 and led in prayer. He brought out seven points:

- (1) God's definition - you have a call, place and purpose
- (2) How we feel about people - we have to have a feeling for lost people
- (3) We have to recognize that we need to be team members, not lone rangers
- (4) We need to be church centered and community committed
- (5) We need to be evangelistic in purpose and compassionate in commitment
- (6) We need to be biblically informative and spiritually energized
- (7) Inspire longevity and know how to dream the dream

Rev. Hutchens closed his message with a prayer.

46. The congregation joined in singing "Open My Eyes That I May See" led by Mrs. D. R. Goodnow accompanied by Gregg Wright at the organ.

47. Moderator Culler welcomed the new pastor of Mt. Pleasant Baptist Church, Rev. Ricky Dale Speas, and gave him the right hand of full fellowship. Moderator Culler also recognized Rev. R.A. Call who is recovering from heart surgery.

## BUSINESS SESSION

A. Rev. Horace Moree read the constitutional changes on page 22 of the Book of Reports, Article X, Bylaw III, Section 17 and Section 18. Rev. Moree moved the adoption of this report, seconded, voted on (approx. 90%) and adopted.

B. Director of Missions, Bill McKinney, gave his report on the previous night and used this time to bring a brief message. He read scripture from Galatians 1:6-12 and the theme of his message was "Why we need 'Here's Hope' revival" and the title of his message was "This Is The Lord That The Day Hath Made". There has been a major change in the way people conceive of God - gross misconception prevails.

- (1) 7 out of 10 believe Jesus is God/Son of God
- (2) 6 out of 10 attended church as a child, 8 out of ten cite some church preference
- (3) 6 out of 10 believe the Bible to be inspired by God
- (4) 8 out of 10 say they sometimes pray to God
- (5) 79% of the *churched* say religion is at least fairly important in their lives
- (6) Only 30% of *unchurched* say religion is *unimportant*

The Lord *this* day has made:

- (1) Is uninvolved in the operation of the universe. While we are dependent in many areas, we are not aware of being dependent upon God. . . we are a "I'd rather do it for myself" generation.
- (2) Winks at sin; ignores immoral conduct, just "recommends" purity (author of the "Ten Suggestions").
- (3) Makes no demands, requires no commitments, asks no sacrifices, exacts no penalties.
- (4) Can be regarded as "buddy" - just a larger-than-life brother/sister/friend - no AWE.
- (5) Acts like some sort of cosmic Santa Claus - responsible for seeing to our *wants*, providing pleasures, enjoyments.

(6) Forgives without repentance - unconcerned for moral purity; condones greed, prejudice, materialism, sloth . . . has forgotten the "seven deadly sins".

(7) Can be *manipulated* like a puppet - is stupid enough not to see through our schemes and games.

We don't know the difference between spiritual and emotional stimulation . . . crave excitement. Nine out of ten *unchurched* believe a person can be a good Christian without attending church. Two out of three *churched* persons feel the same way. We are not going to make much impact upon our communities *until* we rediscover the God of the *Bible* . . . the CREATOR/REDEEMER God.

C. Rev. Al Andrews announced that due to Hugo Wilkes County has been declared a disaster area and there will be a disaster relief center set up at the Woodlawn Community Center on October 5, 6 and 7 from 9:00 a.m. to 7:00 p.m. each day. They need help staffing the center and would like to have two laypersons and one clergyman on duty at all times. Training will be on Wednesday, October 4 at the United Methodist Church in Wilkesboro. If you have any questions, you can call Olin Eisenhower at 667-5401.

D. Rev. Al Andrews gave the Resolutions Committee Report as follows:

Whereas, Edgewood Baptist Church and the Roaring River Baptist Church so graciously and bountifully shared their facilities and food with those gathered for the 118th Brushy Mountain Baptist Associational Annual Meeting, Be it resolved that the association express our grateful appreciation to the families of these two churches.

E. The Memorials Committee Report was given by Mr. D. F. Beshears. There was a total of 113 deaths.

## END OF BUSINESS SESSION

48. Moderator Culler thanked everyone and stated that Rev. Jimmy Hubbard is away in revival and cannot receive the gavel from Moderator Culler, so he left the gavel with Bill.

49. Rev. Horace Moree stated that he has known L. J. Culler for 35 years and that Rev. Culler has served very well as Moderator and is now retired from the pastorate and that we may not be seeing a lot of him and suggested that we give Rev. Culler a round of applause and so we did. Rev. Culler once again thanked everyone.

50. Rev. Ken Jones of Welcome Home Baptist Church gave the benediction and the meeting was adjourned at 8:30 p.m.

These clerks had their church letter into the associational office by the deadline date with every blank filled, all totals correct, and all dollar figures rounded to the nearest dollar. Each of these clerks will be receiving a Certificate of Recognition and have their name printed in the associational minutes. Their accuracy and promptness makes my job so much easier. I want to say to each honor clerk how much I appreciate the great job they did. I hope that this list will grow longer each year until we have forty-one honor clerks.

## DIRECTOR OF MISSIONS REPORT

Our programs of activity as an association during the year 1988-89 have been those which emerged as priorities in our Associational Strategy Planning report which was adopted in the January 1988 quarterly meeting. Some of the highlights of our 1988-89 year were:

1. We held the first semi-annual pastor/deacon/spouse fellowship. This activity was effective and enjoyable. The second such fellowship is being planned for a date later this year.
2. Plans for evangelistic outreach are underway and we pray that much will be accomplished to the glory of God. People Search/Scripture Distribution is being prepared by several of our churches. An associational evangelism

conference is planned for October 23-24. Simultaneous Revivals in April 1990 will be encouraged and promoted by our excellent Evangelism Committee. What remains to be done is spiritual preparation in all of our churches through fervent prayer and active prospect identification/cultivation.

3. Interest in mission outreach has been encouraged. Several of our churches have participated in mission projects in this state and in other states.
4. Stewardship will be emphasized during 1990 with a workshop featuring The Witnessing-Giving Life.
5. Mission project work in association with state convention commitments resulted in an 8-person evangelism team ministering in Brazil. The result of that two-week effort was around 200 firm decisions for salvation in Barretos and Franca. Our commitments to mission efforts in West Virginia have been maintained. We have assisted Mark Partin in his new work at St. Albans as well as continuing to undergird the West Union Southern Baptist Chapel ministry. That church has just received a new pastor and appears to be doing well. The 1989-90 year will fulfill our five-year financial commitment to that work.
6. The distribution of our Ministry Reserve Account was completed. The Foreign Missions portion of that distribution made possible the purchase of one church site in Franca and one church site near Barretos. Congregations are being developed on those sites and many are being saved.
7. A very successful World Missions Revival was held with twenty churches participating.
8. Office and properties upgrading were made possible by funds set aside in the Ministry Reserve Fund distribution. The associational parsonage received a new roof and interior renovations. A small computer has been installed in the associational office. This equipment is of significant help to associational staff. The Associational parking lot received a new surface and the drainage problem was addressed.

There is much to be done in Brushy Mountain Association. Far-reaching changes are taking place in our society at large and these present great challenges to all of us as individuals and as churches. We shall not be able to respond adequately to these changes and challenges with a "business as usual" philosophy. Indeed, extraordinary efforts on our part will be necessary just to "stay even" with where we have been. We are even now experiencing a major restructuring of religious life in our nation and here in our communities. Extraordinary challenges must be met with extraordinary prayers and extraordinary commitment to the doing of God's will. It will not be easy but, if we respond appropriately, the Lord's blessing and resources will enable us together to glorify the matchless Name of our Lord even in this day. As I enter upon the fourteenth year of my service among you, I pledge you my best efforts and my continual prayers.

Respectfully submitted,  
W. C. McKinney, Jr.

## DEDICATION OF ANNUALS COMMITTEE REPORT

On May 5, 1989 a meeting was held at Gordon Baptist Church to discuss and decide who would be recommended to the association to be honored in the 1989 annual of the Brushy Mountain Association.

After much discussion the committee unanimously decided that two (2) people should be recommended and that the committee would also recommend that future committees consider honoring two (2) people each year. After discussion of approximately twenty (20) to twenty-five (25) names which were presented by various members of the committee, a motion was made and seconded that the Reverend Mr. Earl Adams be one of those recommended. This was passed unanimously. Rena Spicer made a motion, seconded by James Weaver, that the Reverend Mr. Robert Andrew Call be the other person honored in the 1989 annual and this motion carried. Conley Call abstained from voting since he was the nephew of Mr. Call.

Rena Spicer then made a motion that Conley Call be appointed to gather some preliminary information on the Reverend Mr. Earl Adams and the Rev. Mr. Robert Andrew Call to present to the association by around August 1, 1989 or when Mr. Weaver was called on to furnish this information.

It was agreed upon by the committee that the above notes would be made without asking Mr. Adams or Mr. Call for any information and that after it has become public that they are to be honored in the 1989 annual that they can submit a picture and make any changes in the write-up that they wish.

Respectfully submitted,  
Rev. James Weaver, Chairman  
Mrs. Rena Spicer, Mr. Conley Call

## BRAZIL PARTNERSHIP REPORT

1989 has proved a very productive year in the North Carolina-Sao Paulo, Brazil Partnerships. Our association is very much involved with the cities of Barretos and Franca. A team of seven people (Buddy Moore, Jack and Gail Calloway, Ken Jones and Alicia, Jim and Becky Gore) went to Brazil on May 4 and returned May 17. All of the team members, except the Gores, worked in the City of Franca. Conservative estimate of salvation decisions is 175. Other decisions were made in our churches during this evangelistic crusade.

The Brushy Mountain Association had provided the Sao Paulo Convention with \$5,690 to purchase a lot in Barretos for a mission. The approximately one-half acre lot was purchased and a small building was completed the latter part of April, of this year. Upon arrival in early May, we discovered much growth in that mission from a year earlier. The building is already full and the First Baptist Church of Barretos, the sponsoring church, is working diligently in the area of evangelism and discipleship in this mission. The prospects for this mission, named Villa America, is that the growth will exceed that of the mother church within several years.

Money was also provided to the Second Baptist Church in the City of Franca for a complete PA system on the pastor's car for evangelistic purposes and also, some \$1,310 was provided to the association for a down payment on a lot for a mission in the city, in the general area of Franca.

This was my second trip to Brazil. In addition to those who were saved this year, the most encouraging thing that I witnessed was the tremendous personal involvement of people who made Professions of Faith in 1988. The Brazilian churches do a marvelous job in new member training and discipleship, and getting their people involved at some level of service.

I do hope you will continue to pray and to provide the resources for those team members from the Brushy Mountain Association who will be going to Brazil in 1990. There is a great work going on there and I truly hope that every church in our association will have a part in this partnership before it ends in 1992. The expense involved is nothing compared to the souls that are saved and the enthusiasm that is received for those who go. If someone goes from your church, they will come back and be a blessing to you. God bless you as you pray about giving and going.

Respectfully submitted,  
Jim Gore, Brazil Partnership Chairman

## EVANGELISM REPORT

HERE'S HOPE, JESUS CARES FOR YOU! The preceding is a great message and the theme for our Convention's 1990 Simultaneous Revivals that will happen this spring in our association and all across America. I trust that each church will have a part in this great event. Soul-winning is the very thing the church exists for and when we are too busy to be involved in evangelism and missions we are too busy!

I trust that every church is involved in the People Search/Scripture Distribution this fall. We can't win them if we don't know who and where they are. In two Sunday afternoons most churches can complete this important part of "Here's Hope, Jesus Cares For You."

October 23 and 24 are two important days for our association. We will be having our first Associational Evangelism Conference. It will be held at Millers Creek Baptist Church on those dates beginning at 7:00 p.m. We have four great speakers and choirs and are expecting a great time in the Lord.

Pastors will be trained in Here's Hope in the fall Regional Evangelism Conference which is in Boone on October 4 for our association. Be sure to mark this on your calendar and be there. Many of our pastors miss a great opportunity when they fail to schedule this on their calendars.

The Statewide Youth Evangelism Conference was held at Carowinds this year on July 28 with over 18,000 enrolled who bought tickets for this "Super Summer" event. At this writing this event has not taken place yet, but we are praying for a great harvest of young souls in the two worship services that are scheduled.

I just want to encourage each church to elect an Evangelism Committee and Chairman so that we might plan an ongoing evangelism program in our churches and association.

Let me ask each of you for prayer for our Evangelism Committee and our work. We are here to serve you and assist you in your evangelism efforts.

Respectfully submitted,  
Ron Gilbert, Evangelism Director

## SCHOOL OF CHRISTIAN STUDIES REPORT

Please consult the Associational Annuals for 1981 and 1982 concerning information of introduction pertaining to Seminary Extension Programs throughout the United States and North Carolina. North Carolina continues to lead all our states in Seminary Extension Programs.

Last fall we offered one course of study in the THEOLOGICAL-HISTORICAL AREA - CH 0210 - "Life and Faith of Baptists." This course introduces the student to some phases of Baptist history so that he/she will have a better understanding of our Baptist heritage. (Consult the 1988 Annual for further information, p. 55). This course was taught by Dr. John T. Wayland. Nine persons were enrolled in this study.

This past Winter-Spring we offered a new college-level course of study in the PRACTICAL AREA - PB 0300 - "Clinical Pastoral Training." This course is designed to provide the skills necessary for effective hospital ministry. Clinical exercises were included in this 30-hour schedule. (Consult the 1988 Annual for further information, p. 55). This course was taught by Steve Duncan. Ten persons were enrolled in this course.

We will not be offering a course of study this fall due to our churches making preparation for the "Here's Hope" Revivals coming next spring.

This coming year (January 9 - March 6) we are offering a course in the BIBLICAL AREA - NT 0185 - "Hebrews." This is a college-level course which will accommodate those in the Diploma Curriculum. However, you may still enrol in the study even if you will not be taking it for credit. The textbooks for this study are: *Hebrews* by Dr. Herschell H. Hobbs and *No Easy Salvation* by R.E. Glaze. The cost is \$25.95 (\$8.95 for the textbooks and \$17.00 for tuition).

Our place of meeting will be at our Association Office. We will begin Tuesday evening January 9 and meet nine consecutive Tuesdays concluding March 6, 1990. We will begin our meeting at 7:00 p.m. and conclude at 9:00 p.m. each evening. The course will be taught by W. Paul Shoupe.

## GENERAL BOARD REPORT

I will finish my four year term and a new member will be elected at our State Convention in November of this year. This has been both educational and enjoyable to me and I am glad I was given the opportunity to serve you. I have been a member of the Council on Christian Higher Education and served this year as the vice-

president of that committee. We have four meetings a year with two of them at CaRAway and two at Baptist Institutions. This year we met at Meredith College and at Caswell Baptist Assembly. We have had several things of a sensitive nature to deal with and they were and are the name change to Wingate College which I have opposed and to the set up of a divinity school on the Wake Forest University Campus. I have not endorsed that project either nor do I support it as yet. The other thing that is taking a lot of time is the proposal by Campbell University that it be given half of outstanding funds given to our Colleges and Universities and that the remaining half be given to the remaining five schools. When this was first brought up, we rejected it but now we are faced with a professional organization from Florida making a new recommendation and I must attend a special interview and meeting with their people on Wednesday October 4th next. It will not be an easy meeting nor will the answer be given until our annual convention in Greensboro. I hope to be there as a messenger and exit as a board member then.

Max Freeman

## FRUITLAND BAPTIST BIBLE INSTITUTE REPORT

Fruitland Baptist Bible Institute, an agency of the General Board of the Baptist State Convention, provides training for adults called to church related vocations. There are approximately 130 students enrolled. The average age of students is about thirty-seven.

In an effort to reach the people who need Fruitland most, the school now offers a full first quarter scholarship to pastors of small Baptist churches in North Carolina who apply for the winter, spring, or summer quarters. The scholarship covers the cost of tuition, room and board for the initial quarter.

For counseling prospective students, full information on the school has been provided for every pastor in the Baptist State Convention. Each Baptist Association in North Carolina has a video tape which is available to churches and interested groups.

With support through the Cooperative Program and generous giving by Friends of Fruitland, the school is in the best financial condition in its history. School facilities are modern and well equipped with a value of more than four million dollars. Each of the twenty-five faculty members teaches four hours per week of school in one field. The president of Fruitland has announced retirement at the age of sixty-five (October 24, 1989).

## ASSOCIATIONAL MUSIC REPORT

This year we are proud to announce that we met all of the requirements of the state and national convention to achieve the Basic Standard of Excellence in Music. We held two musical events in '88-'89. Last fall, we had a "music leaders choir" and a covered dish dinner. This past spring we had the Region VII choral festival. Plans this year include a music leadership conference on September 26 at Oakwoods Baptist Church. The conference will include a covered dish dinner and be followed by four classes covering a variety of musical subjects. In March, we will have two associational choir rehearsals on March 12 and 19 to prepare for an associational choir concert on March 25. The zone directors for this year are Barry Shepherd, Patsy Bauguss, Galyn Page, Martha Childs, and Kay Stillman.

## WOMAN'S MISSIONARY UNION REPORT

"A Future to Fulfill, Launching Century 2" began September 19, 1988 with an Associational W.M.U. Leadership Conference at Hinshaw Street Baptist Church for training leaders in all age levels.

October 28-30, 1988 several attended the Mission Education Weekend at Ridgecrest Conference Center.

Our Foreign Mission Study was held on December 1, 1988 at Millers Creek Baptist Church. Around 100 people were present. John and Doris McGee, retired missionaries from Nigeria, now living in Hendersonville, NC led in this study. They showed slides and gave an excellent report on their work in Nigeria.

The W.M.U. sponsored a prayer retreat on January 21, 1989 from 10:00 a.m. to 12:00 noon for all age levels, including the Brotherhood, at Wilkesboro Baptist Church. The adults were led by Mrs. Paul Hugger from Lawrenceville, GA formerly of Millers Creek, NC.

On February 26, 1989 "Volunteers in Missions Day" was led by our own missionaries Carlos and Betty Pardue, who gave a great program on their year in Tanzania.

Our Home Mission Study was held on March 6, 1989 at Mt. Pleasant Baptist Church. Mrs. Shannon Wyrick led in the study "Many People, One Mission".

The North Carolina W.M.U. held its annual meeting in Fayetteville, NC on March 31 and April 1, 1989 with twelve from Brushy Mountain Association attending.

The Brushy Mountain W.M.U. Annual Meeting was held at Hinshaw Street Baptist Church on May 2, 1989. Dr. William McKinney installed the new officers for 1989-1990 with an impressive service. Recognition for outstanding accomplishments were given to Oakwoods Baptist Church, Moravian Falls Baptist Church, Hinshaw Street Baptist Church and Mt. Pleasant Baptist Church. A play written by Martha Colwell "20/20 Vision" was given by several of our Acteens.

An Associational G.A. Fun Time was held on June 2, 1989 at Moravian Falls Baptist Church. Hotdogs and hamburgers with all the trimmings was enjoyed by all. The New Life Ministries gave a spiritual program in song.

The Acteens Summer Serendipity with a Spaghetti Supper was held at Moravian Falls Baptist Church on June 23, 1989. The New Life Ministries gave a spiritual program in song.

The Baptist Young Women Spring Fling was held at Oakwoods Baptist Church on May 23, 1989. Max and Joan Furr, missionaries from Peru gave an interesting program on their work in Peru. Refreshments from Peru were enjoyed by all.

The Baptist Women Retreat was really a fun time as we learned. Martha Colwell led in a "Wheel of Fortune" game with questions concerning Woman's Missionary Union.

On August 27, 1989 at Oakwoods Baptist Church, C.H. and Patricia Frazier from Greensboro, NC presented a monologue on Miss Fannie Exile Scudder Heck. Everyone caught a glimpse of the vision which Miss Heck had of and for missions.

For our Mission Action Projects we filled Wilkes Cares Truck with all kinds of nonperishable goods for the hungry people of the world. We sent 84 books of stamps for the Christmas package for the NC Correctional Center for Women. We participated again in the "Karts for Kids" sponsored by Food Lion where they gave 5% of all groceries bought on April 17, 18 and 19 to Cameron Boys Camp.

We sent \$493.25 to Mark Partin of West Virginia to purchase Soul Winning Testaments. We were happy to be a part of the World Missions Revival. We prepared a meal each night for the mission team and visiting speakers.

Walnut Grove Baptist Church started an Acteens Organization, Shady Grove Baptist Church started a Baptist Women Organization, Millers Creek Baptist Church and Stony Hill Baptist Church started Baptist Young Women Organizations, and Zion Hill Baptist Church started Woman's Missionary Union with Baptist Women, Acteens, G.A.'s and Mission Friends Organizations.

We have been busy this year and feel Century 2 has gotten off to a great start in our association. My special thanks to all of you for your love, prayers and support and especially to the W.M.U. Council, Betty Pardue, Assistant W.M.U. Director; Carolyn Gilbert, Baptist Women Director; Martha Colwell, Baptist Young

Women Director; Lynda Phillips, Assistant Baptist Young Women Director; Delores Broyhill, Acteens Director; Deborah Sullivan, G.A. Director; Brenda Caudill, Mission Friends Director and Judy Martin, Assistant Mission Friends Director.

## FOREIGN MISSION REPORT

As we end the 1980's, we begin the last ten years of our **BOLD MISSIONS THRUST**.

The Brushy Mountain Association has come to life in Foreign Missions' work during the past year. We have had a team of volunteers from Welcome Home to go to Jamaica to help with construction work and witnessing after the destructive Hurricane last fall. Our many thanks and our appreciation goes to this team.

Our Partnership with Brazil is off to a great start. In May we had a team of seven volunteers from our association to go to Sao Paulo for two weeks to do evangelistic work.

We now have 3,850 missionaries assigned to 116 countries, which is still some 1,150 short of our Bold Mission Goal. The volunteers goal of 10,000 has been met and has now been increased to 20,000. So, there is still lots of time before the year 2,000, but there are many countries to serve and spread the "Good News" of Jesus. The hardest part of any missions' trip is to say **YES**. Let us hear from you or your church.

Asante sana,  
Carlos Pardue

## BROTHERHOOD REPORT

The Brotherhood had a very active year during 1988-89. Representatives from Wilkesboro, Baptist Home, Moravian Falls, Gordon, and Zion Hill participated in the Racetrack Ministries Program either at the September or at the April races. In October, twenty-three men from local church Brotherhood groups met with Brotherhood groups from the Stony Fork Baptist Association for a leadership training program, which was sponsored by the State Convention. Men's groups from four churches met with the Associational Brotherhood Director to organize a Brotherhood, these churches were Hinshaw Street, Oakwoods, Stony Hill, Welcome Home and Zion Hill.

Several activities were conducted by the Brotherhood which included: providing wood or fuel for the needy; completing minor construction projects for church members; and providing leadership for youth activities. The most notable activity of any Brotherhood was the missions activity to a small town in Jamaica by the Welcome Home Brotherhood. This trip of twelve Brotherhood members was for the reconstruction of a church and related buildings after tropical storm damage. These men participated in carpentry work, Bible studies, and personal witnessing. The Lord's work was tremendously enhanced by the efforts of these men.

## PROPERTIES COMMITTEE REPORT

The special allocation of funds for capital improvements provided at our 1988 Annual Meeting enabled this committee to make significant improvements this year. The associational parsonage was found to need substantial work due to water damage to the sub-roof and subsequently to the interior ceiling. The parsonage roof was replaced, repairs made, and the dormer treated with vinyl siding. The cost for this job was \$2,404.55. All downstairs ceilings were repainted, damaged sections replaced, all downstairs woodwork was repainted and the living room received new wallpaper. The cost of interior repairs was \$2,145.46. A computer system was installed in the associational office at a cost of \$2,799.75. The parking lot was found to need resurfacing as well as a means of diverting water from the carport of the office building. The cost of this work was \$1,478.00.

The above capital improvements have brought all of the associational properties into a satisfactory condition. Routine maintenance will require the painting of exterior trim on the associational parsonage in the 1989-90 associational year and the exterior trim on the office building should be painted as soon thereafter as funds are available.

Clyde Bumgarner, Chairman

## SUNDAY SCHOOL REPORT

The decade of the 80's should come to a close with a celebration of victory in reaching persons with the redeeming gospel of Jesus Christ. This victory will come when all the programs in the churches and all the denominational efforts are combined and found to call our members to one supreme purpose: to share with all persons the good news that Jesus Christ is their hope for meaning and peace in this life and for eternal salvation. "**HERE'S HOPE, JESUS CARES FOR YOU**" is suggested as the theme in the 1989-90 church year. The Sunday School program suggestions and field service promotion will focus on the theme: **Share Hope . . . Reach 10**. Following simultaneous revivals, churches will continue to communicate through all the available media that the hope in Christ about which they are hearing is being shared through the churches where they see the sign "**Hope Shared Here**".

Sunday Schools will provide the primary support for this emphasis as they lead in efforts to discover, lovingly cultivate, and witness to the hope that is in Jesus Christ, as well as involve in Bible study and encourage church membership for those persons -- the millions -- who do not have the hope that is in Jesus Christ. A massive effort to discover and cultivate prospects will be made through a new Sunday School Outreach Communication plan, for example, beginning in 1988-89.

The following events were held this past year: Sunday School Preparation Week Promotion, Associational Training School, Vacation Bible School Clinic in April, Key Leadership: Instruction on the "Here's Hope Revival" and People Search/Scripture Distribution, promotion of area and state-wide Sunday School Training events.

Because our own personal hope is in Jesus Christ, and because we believe that God is going to bless an effort based entirely on providing hope to the

multitude, we call all programs to join in an effort that looks forward to a victorious celebration of hope shared and hope received as we move into the 90's with all the programs of the churches strengthened to join in the final decade of Bold Mission Thrust.

Richard Moretz  
Sunday School Director

## ORDINATION COMMITTEE REPORT

The Ordination Committee was not called upon this last year to render their services in helping churches ordaining candidates to the ministry. This indicates a need for prayer on our part that God would lead His people into the ministry and also that some, who should, may surrender to His call.

Respectfully submitted,  
Sam H. Childs, Chairman

## MODERATOR'S REPORT

Having moved from the association territory, I have attended less meetings, (committees, planning, etc.), the vice-moderator, Dr. James A. Hubbard agreeing to take these for me to relieve me of long-distance driving.

I presided at the Annual Meeting in October, 1988 meeting with the Pleasant Home and Oak Grove Baptist Churches.

The January Executive Meeting was held at the Wilkesboro Baptist Church - I presided at this meeting.

The semi-annual meeting was held April 3, 1989, at the Zion Hill Baptist Church - I presided at this meeting.

In each of these meetings reports were heard from the organizations of the association, plus the Brazil Project, Treasurer's Report, Director of Missions, etc.

The July 1989 Executive Committee was held in the Wilkesboro Baptist Church; reports from the various associational organizations were heard, and a report from the Brazil Project. I presided.

I wish to thank the association for permitting me to serve these past two years as Moderator. I pray the Lord to bless you as you continue His work here in Wilkes County and beyond.

Respectfully submitted,  
L.J. Culler, Moderator

## BAPTIST HOSPITAL REPORT

The past year at Baptist Hospital has been characterized by growth in facilities and personnel, advancement in medical technology and continuation of the spirit of personal concern which springs from the hospital's Christian heritage and its denominational tie.

Occupation of the new North Tower is almost complete, increasing the hospital's bed capacity to 806. Construction of the Clinical Sciences Building is expected

to be completed by 1990. The Medical Center Boulevard is currently being moved to make ready for expansion of the Patient/Visitor Parking Deck. Two new helicopter pads, one for the AirCare helicopter and a second for helicopters from other medical centers, will be located on top of the parking deck. The J. Paul Sticht Center on Aging will be built on the approximate site of the current helicopter pad. These new facilities will make it possible not only for our hospital to serve more people but to serve them better.

In recent months the hospital's Level One Trauma Center has seen further development of its critical care transportation system by adding to the helicopter ambulance service its own neonatal ambulance for critically ill infants. The CommView Computer System, developed jointly by the Department of Radiology and A T & T, digitizes images, stores large volumes of data and transmits the images via fiberoptic cable throughout the Medical Center and via satellite to other hospitals without any x-ray film. Some brain tumors can now be successfully treated by implanting a tiny radioactive pellet directly into tumor. Other types of cancer can be treated by hyperthermia which carefully focuses microwaves to raise temperatures inside a tumor to 102 degrees to 105 degrees Fahrenheit to kill or injure cancer cells. A technique called Mohs Micrographic Surgery allows the removal of skin cancer with minimal damage to normal skin.

These and other advances in patient care attract patients from across the country and around the world. Last year the 22,100 persons admitted to Baptist Hospital came from almost every county in North Carolina, from thirty-five states, and from eight foreign countries.

The Department of Pastoral Care continues its ministries to: the patient in the hospital; the family and friends of patients; the medical staff who minister to the patient; the person requesting counseling in our centers in Winston-Salem, Fayetteville, Morganton, Charlotte, Rockingham, North Wilkesboro; the ministers who seek our courses in clinical instruction, equipping them for specialized and pastoral ministries.

Added to these are our "Pastors' Sabbath" and "Interim Church" programs, as we work closely with the North Carolina Baptist State Convention in addressing the needs of pastors and churches.

We renew our commitment to the faithful delivery of pastoral care, beginning in our Medical Center and reaching around the world.

Baptist Hospital continues to feel the effect of the health care personnel shortage, especially as it attempts to open new facilities. However, we do not have any beds closed due to shortages. The Code Blue Program in high schools of northwestern North Carolina and the appeal to Baptist youth through Acteens is also creating interest in health care careers.

During the past fiscal year Baptist Hospital received \$668,937.39 through the Cooperative Program and \$303,133.07 through the Homes and Hospital Offering, including church gifts directly to the hospital. The hospital staff and patients are grateful for the services made possible by these gifts.

Baptists and their colleges have been doing Christian education together for a long, long time. Look at those dates listed with each college above. When they are totaled, the cumulative number of service years for our seven colleges is 807! North Carolina Baptists have grown up with their colleges, so much so that it is difficult to imagine our total mission program without them. During the 1988-89 school year there were 18,534 students and 2,249 faculty and staff engaged in the programs of Baptist colleges.

If you should ask our college leaders what is uppermost on their minds these days, you would get an answer such as this: "Christian education, Baptist students and Cooperative Program support." A sentence or two about each of these will complete this report.

*Christian Education.* There are large and important differences that belong to Baptist colleges. They are smaller, friendlier campuses where Christian community is present and encouraged and where education and the Christian faith are compatible.

*Baptist Students.* Young people from our churches are encouraged to apply to Baptist colleges. Pastors and parents can help students with their life plans when they guide them toward Baptist schools. Generous student aid and work study programs make it possible for any qualified student to attend a Baptist college.

*Cooperative Program.* Your North Carolina Baptist colleges say "Thank you" for the generous dollar support through the Cooperative Program. Baptist dollars buy quality Christian education and make healthy institutions possible.

## ANNUITY BOARD REPORT

The Annuity Board's annual report states that it "is charged by the denomination with the responsibility of administering retirement and insurance programs to meet the needs of ministers, church employees, denominational and institutional employees, and seminary students. Money contributed by churches, agencies, and individuals is held in trust by the Annuity Board to provide these benefits. A relief and supplemental assistance program assists needy, disabled and retired ministers and widows of ministers. This program is funded by the S.B.C. Cooperative Program and by private donations to the Annuity Board's Endowment Department".

Retirement benefits paid for 1988 were \$71,349,334 with the total number of annuitants being 18,873 for the entire Southern Baptist Convention.

In North Carolina there are 3,406 members making contributions to the Annuity Board's retirement plans, and 1,764 annuitants receiving benefits each month totaling \$440,929.89. Only 64% of North Carolina Southern Baptist Churches are participating in our retirement plans.

Churches need to consider their responsibility in this area and do as the Lord would have them. Faith does not exclude adequate preparations in the will of God.

## NORTH CAROLINA MISSIONS REPORT

Our 100 counties comprise a true mission challenge to our churches, associations, state convention and its institutions and agencies. No longer can we take for granted our "Baptist heartland". No longer can we assume that we have enough churches, enough ministries, enough missionaries, enough money. More than three million of our state's six million residents claim no membership in a church, anybody's church. The numbers aren't much better within our own denomination. Of our 1.1 million members on the roll, less than one-third of that number attend worship services and Bible study on a "good" Sunday. Enrollment in our church program organizations declines more years than it grows. There were 100,000 more people enrolled in Sunday School twenty years ago than today. We're not keeping up and we're certainly not growing as we should.

There is also a growing challenge in our direct mission ministries programs. Foreign nations have literally come to live on our doorstep with hundreds and thousands of people of different lands now calling North Carolina home. Migrant and seasonal farm workers can now be found in virtually every section of our state. There are greater challenges from people with special handicaps like the deaf, the blind, the mentally retarded. And there are new groups in need of our ministry - like those who abuse drugs and alcohol, those who are homeless, those who live without much hope.

But there is hope. Our churches, associations, state convention, institutions and agencies still stand ready to minister in Christ's name to all people. Unfavorable odds have never deterred our energies. We must reach out, minister, touch people wherever and by whatever means necessary.

**This is State Missions.** Our churches, associations, state convention coming together to reach these seemingly unreachables. State Missions is Walter Jones teaching a Seminary Extension course in a correctional institution. State Missions is Alma Helton going on volunteer mission projects from Alaska to Uruguay, State Missions is Shinlowe Powell leading in a lay revival weekend. State Missions is Amy Perez working with Hispanics in Charlotte. State Missions is Jesse Bowman; he's the first pastor of the First Baptist Church of the Deaf in North Carolina. State Missions is Woodie Dozier and Martin Harris - they fix things for people in Fayetteville who need help.

State Missions is scholarships at Baptist Colleges for Baptist students and scholarships for Baptist young people at Camp Caraway (Royal Ambassadors) and Camp Mundo Vista (Girls-in-Action and Acteens). State Missions is support-

ing Fruitland Baptist Bible Institute and North Carolina Baptist Assembly (Caswell). State Missions is supporting the Christian Action League. State Missions is supporting associational missions.

State Missions is all of these ministries, these people, these concerns, these institutions. State Missions is our way of responding to the Great Commission in our part of the world. State Missions is our way of changing lives.

## AMERICAN BIBLE SOCIETY REPORT

The American Bible Society (ABS) is a group to which many of our churches and members give. These gifts assist in Scripture translation and distribution. In cooperation with the United Bible Societies (UBS) around the globe, the ABS can touch lives in the various language groups here and abroad. The ABS thanks Southern Baptist Churches for contributions amounting to \$251,951.11 in 1988.

There are several interesting trends coming to light in the Bible Society realm. One area is sources of income. In the 1940's American churches of all denominations provided 30% of the Society's annual income. In 1988 they gave an all time low of 3%. ABS appeals to all churches to respond to the growing world hunger for God's Word (the requests for copies of the Scriptures increased 11% from 1987 to 1988).

Another trend is a renewed interest in Bible translation, revision of outdated translations, and simplified translations for new readers. During 1988 the UBS fellowship published new Scriptures (New Testaments and complete Bibles) in 23 languages. There are now 1,907 languages which have at least one book of the Bible printed. Society workers and volunteers have been sponsoring Bible translation workshops and literacy centers. What good is a copy of the Scripture if one cannot read?

A final trend is the shift in Christianity's center of gravity. From an ABS chart it appears that in 1900 there were approximately 450 million Christians in the Northern Hemisphere and 100 million in the Southern Hemisphere. In 1988 there were 700 million Christians in the Northern Hemisphere and 800 million in the Southern Hemisphere. Thus, while we have not yet doubled our numbers, the church below the equator has doubled in size three times since 1900.

The People's Republic of China and the Soviet Union have opened doors to Scripture distribution that, until recently, were somewhat closed. The Amity Printing Company (founded by Chinese church leaders and the UBS) was established in December 1987 for the primary purpose of printing Bibles and other Christian publications for the Chinese church. By the end of 1988, Amity had produced approximately 700,000 Bibles and New Testaments.

The UBS shipped twice as many Scripture portions to the Soviet Union in 1988 (570,000) as it had the entire period from 1946--the year it began--to 1987. The Chairman on Religious Affairs in the USSR, Konstantin Kharchev, has invited ABS and Southern Baptist Convention supporters to provide ONE MILLION BIBLES AND NEW TESTAMENTS to the USSR and Eastern Europe. At \$3 per Bible, the ABS needs \$3 million above the regular budget to "fill the order." Since less than one Christian in 20 even has a Bible in the USSR, we should give prayerful consideration to this special invitation.

The 1989 ABS budget is a whopping \$49,600,000, the largest in its history. It is wonderful that we can have a part in placing God's word in the hands of those who not only don't know us, but also would probably have a difficult time understanding us if they did know us. The ABS address is 1865 Broadway, New York, NY 10023.

## BAPTIST CHILDREN'S HOMES REPORT

Like salmon, Baptist Children's Homes this year struggled upstream to get ahead of the problems that plague America's children and families.

While maintaining group care services in place since 1885, BCH also inaugurated two innovative services in Care House; the first home for teen-age mothers and their babies we know of anywhere, and the Philpott Parent Aide Program.

Care House, where five teen-age mothers will learn to parent their babies, was dedicated June 4 during services at Lenoir's Lower Creek Baptist Church. Also dedicated then was the Marguerite Noel Home for Girls, our second behavior change home.

Until Care House, a young girl who had a child often could not return home. If she wanted to bear her child and keep it, the child had to go to one foster care home and the young mother to another until she was of age.

The Noel Home, like Moody Home in Franklin, cares for girls whose difficult behavior prohibits them from living at home or in traditional group care settings.

On June 21 BCH dedicated the Philpott Parent Aide Program in Davidson County. Trained volunteers will establish relationships with homes labeled "at risk" for child abuse. The volunteer will be counselor and friend, critic and confidant to help families spot and correct areas that lead to child abuse or neglect.

With renewed emphasis on church communication, BCH named two men to act as directors of church relations and planned giving. Charles Tanner and Bill Morrow will arrange BCH speakers for your church and help your members with estate planning.

BCH continues to implement "intentionalized services" according to the long-range plan it adopted in April 1988. Peer culture therapy is being utilized on children

at Odum Home and Noel Home and is being phased in at Mills Home. This program makes the children more responsible, both for themselves and others in their cottage.

BCH continues to garner popular support with North Carolina Baptists who contributed \$1.52 million through the Cooperative Program last year. In the 1988-89 fiscal year, more than \$1 million has been received in bequests.

The executive committee of the General Board of the Baptist State Convention of North Carolina this year declined to adopt a report of a special study committee that would have drastically reduced BCH's share of the Cooperative Program. The committee recommended, and the General Board supported, a return of individual special offerings to Baptist Children's Homes, Baptist Retirement Homes and Baptist Hospital. All three social services agencies support such a move, which would eliminate the Homes and Hospital Offering they share. The state convention will vote on that proposal in November.

BCH, which began as an orphanage in Thomasville in 1885, operates four group care campuses, eight emergency care homes, a home for unwed mothers, a teen mother/baby home, two behavior change homes for girls, therapeutic camping and a model child development center. It has work in 17 locations across the state, serving more than 1,000 children and families each year.

All campuses and facilities welcome involvement by local churches, RAs, GAs, WMUs and Sunday school departments. Baptist support is strong for children and families and we pray it will continue to strengthen as needs grow every day.

## THE *BIBLICAL RECORDER* REPORT

After more than 150 years as the Baptist paper serving North Carolina Baptists in particular and Southern Baptists in general, the *Biblical Recorder* is launching a new era of service and ministry for the decade of the '90s and the 21st Century.

We have just completed a year-long readership survey at substantial cost and investment of time and energy, but we believe it is going to be helpful in charting the course for future service to our family of faith.

Baptists must have a single source of news and information upon which to make decisions and evaluate ministries. The *Recorder* is that source; nothing else matches the paper as a single resource of news, information, inspiration and challenge in our mission efforts together.

Competition for reading time is keen. Baptists are facing more and more demands upon their time and resources. The *Recorder* is never a luxury; it is a necessity if we are to work together in this complex and demanding age.

We have exciting plans for the future. More feature articles about North Carolinians, more articles geared to youth, family and women. An even greater focus on laypersons will continue after the beginning we made in 1988.

And we are trying to work out the mechanics of church pages whereby we can save churches time, money and staff work by offering them a page in the *Recorder* in lieu of their weekly newsletter. Watch for more details in the *Recorder* in the near future concerning this time and money-saving device for the churches (and associations).

We have a large readership now but we want more--that is the purpose of the paper. We serve hundreds of thousands of Baptists but we want to serve even more. More than 60 percent of our news is from North Carolina now, but we want a higher percentage soon!

The most important thing facing us at this point is to get the paper into more Baptist homes than ever before. Will you help us? Not only subscribe to and read the *Recorder* yourself but please speak a good word for the paper and urge others to subscribe and read it also. ## BAPTIST FOUNDATION REPORT

“Strengthening for Greater Service” had special meaning for the trust agency of the Convention during the past year. Noting the progress made during its 69-year history in undergirding the financial support for the Convention, its churches, institutions, and mission causes, the Foundation recommitted itself to greater service to these causes.

With concern that it performs its mission efficiently and that it involves more Baptists effectively in supporting the cause of Christ, the Foundation carefully embarked upon a capital campaign to secure funds for the construction of its own building to house its development and administrative offices.

Since its staffing in the early 1950's, space for the Foundation has been provided in the Baptist Building. With the consistent rapid growth in assets managed and services provided by the Foundation, the current space has become inadequate to properly perform the on-going work of the agency. We are pleased to report that the majority of the funds necessary to construct the new building has been secured. The new building will be erected beside the Baptist Building in Cary and we are hopeful that it will be ready for occupancy by the end of this year.

In engaging in this project, it has been of utmost importance to our Board of Directors and Staff that the on-going responsibilities of the Foundation not be neglected during the campaign. Indeed, the need for increased financial support for Baptist institutions, missions, and other ministries has not diminished, and has remained our first priority. It is essential that more individual Baptists become aware of the possibility of sharing the message of Christ beyond their lifetime. Seeking to fill this role, the Baptist Foundation is the only entity which receives endowment gifts for any and every Baptist cause. Through trust and endowment funds established by individuals, churches, and associations, the principal is invested and income is paid regularly and perpetually to the cause or causes named by the donor.

Total assets of the Foundation is now approaching \$17 million, of which \$3.8 million was added in 1988 alone, making this the greatest year of growth in the Foundation's history. Last year, \$1,258,775 was paid to Baptist work and to in-

dividuals designated in charitable remainder-type trusts. This latter agreement provides for income to be paid to the donor (or other individuals) for a specific period of time and then to charitable causes thereafter. Through this method of making gifts to Christian causes, the donor is assured that heirs are not neglected and that Christian causes will eventually benefit from the estate.

We are continually grateful for the support of Baptists across the state who support the mission and ministry of the Foundation. We welcome the opportunity to serve.

# The 1990 Annual of the Brushy Mountain Baptist Association Is Dedicated To

REV. W. PAUL SHOUBE

W. Paul Shoupe has humbly and compassionately served the Brushy Mountain Baptist Association as a man of God for nearly 25 years. Born in the hills of eastern Kentucky he began his post-secondary education at Cumberland Junior College in Williamsburg, KY and then at Carson Newman College in Jefferson City, TN. It was at this time that he left the mountains to continue his education at Southeastern Baptist Theological Seminary in Wake Forest, NC where he holds the Bachelor of Divinity, Master of Divinity, and Master of Theology degrees.

The Rev. Shoupe was ordained in 1951 by the First Baptist Church of Jefferson City, TN at which time he became minister of their Eastside Baptist Mission. In 1953 he moved to Hillsboro, NC to pastor Cross Roads Baptist Church. It was in 1960 that Rev. Shoupe and his family were called to the Wilkes area where he became pastor of Liberty Grove Baptist Church until 1965 when he was called to leave Wilkes and pastor Ridgecrest Baptist Church in Durham, NC and subsequently Falls Baptist Church in Wake Forest, NC. In 1971 Liberty Grove Baptist Church recalled Rev. Shoupe to be their pastor where he faithfully served until his retirement in 1989. Since that time, he has been actively involved as a supply and interim pastor at several area churches.

In addition to fulfilling his pastoral duties, the Rev. Shoupe served twice as Moderator of our Association and headed the Seminary Extension Program for over 20 years. He also taught Seminary Extension courses in neighboring associations. On the faculty of Gardner-Webb College, Rev. Shoupe served as an adjunct professor of the Old Testament.

The Rev. Shoupe is married to Laurell Hendee Shoupe, and they have five children: Betsy of Durham; Peggie of Efland; Marc of Cincinnati, OH; Eddie and Tony, both of North Wilkesboro.

Paul Shoupe's sincere devotion to living out the gospel of Jesus Christ is an example to be revered and emulated by all. The Brushy Mountain Baptist Association would like to thank the Rev. Shoupe for sharing his life and ministry with the people of our area.

REV. W. PAUL SHOUBE

## HISTORY OF BEAVER CREEK BAPTIST CHURCH

1979 - 1990

The early history of Beaver Creek Baptist Church is recorded in the 1979 Annual of the Brushy Mountain Baptist Association. This brief report is for the eleven years since that time.

Paul Kendall Hatton was called as pastor June 3, 1979 and served until March 1983. Rev. Ralph Culler served as interim from May 1983 until October 20, 1983, at which time the present pastor, Rev. Robert Seatz, was called.

At the request of Rock Springs Baptist Church, Stony Fork Association, Burl Jones was ordained to the ministry by Beaver Creek Baptist Church, October 21, 1979.

Beaver Creek has always been a mission-minded church with a commitment to support associational and Southern Baptist programs. Their interest is in teaching their own and sharing with others the gospel of the Lord Jesus Christ.

Beaver Creek is a rural church in a stable community which results in a slow membership growth. 32 new members have been added since 1983. Attendance has grown from an average of 32 in 1983 to an average of 48 this year.

In October 1984, the church adopted a constitution and by-laws, along with guidelines for the cemetery use. Several additions and maintenance procedures have been completed.

Total receipts in 1979 amounted to \$18,339.00 and in 1989 grew to \$48,727.00. In 1983 the building fund had over \$1,700.00 which has grown to over \$35,000.00. Plans are underway for the construction of a fellowship hall and additional educational facilities.

## HISTORY OF MILLERS CREEK BAPTIST CHURCH

1959 - 1990

Millers Creek Baptist Church was organized December 6, 1959 with 26 charter members. The first services were held in the Millers Creek Fire Station.

The first sanctuary was constructed in 1962. Six classrooms, an office and restrooms were added in 1972.

In March 1981, the old Millers Creek Elementary School property was purchased. The gymnasium was used for youth activities. In 1983 the church voted to renovate the old school building and utilize those facilities for the church's membership and ministries.

Millers Creek Baptist Church has from the beginning been mission-minded in its support of the associational program and the Southern Baptist Convention and its causes.

The following list of ministers have served as pastors: Dean Dillard, 1960-1963; Earl Webb, 1964-1966; David Osborne, 1966-1967; Ralph Stanley, 1968-1975; I.V. Couch, 1975-1981; and Jim Gore, 1982 to present.

Sunday School Directors have been: Wrenn Minton, Jim Spicer, Clate Bumgarner, Joe Parsons, Tommy Walsh, Douglas Taylor, Jack Reid, Cecil Greene, Bob Duncan, Max Colwell and Bill Faw.

The church uses a rotation system for the election of deacons each year.

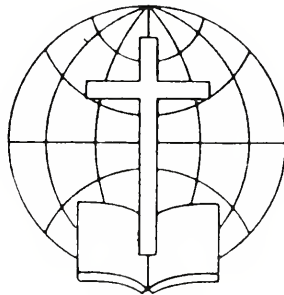

The church entered a building program in 1984. Construction on the new church was started in October 1987. The first phase included a sanctuary and educational space. The first service in the new sanctuary was held September 18, 1988. The dedication service was observed October 9, 1988.

In early 1989 a baptistry was installed and the parking lot paved. Later in 1989 a fellowship hall was constructed and furnished.

The congregation has experienced a steady growth in the two years since occupying the new building.

## PREAMBLE

We, the Baptist Churches of the Brushy Mountain Baptist Association, unite according to the plan and for the purpose and work of New Testament churches in our world. To this end and according to the following articles, we cooperate to the fullest extent possible with the State and Southern Baptist Convention and subscribe to the principles of the 1963 Baptist Faith and Message statement.

## ARTICLE I - NAME

This body shall be known as the Brushy Mountain Baptist Association of North Carolina.

## ARTICLE II - PURPOSE

It shall be the purpose of this Association to consider and promote measures for increasing the harmony, the knowledge and the spiritual life of the churches and for developing and directing their energies and their contributions in the advancement of Christ's kingdom throughout the earth, always in harmony with the teachings of the New Testament. This Association shall be an auxiliary of the North Carolina Baptist State Convention and the Southern Baptist Convention in all their missionary, educational and benevolent work.

To accomplish this purpose, the association shall seek to: (1) enhance the fellowship among member churches; (2) present the Gospel of Jesus Christ to everyone in our area; (3) encourage and facilitate church growth and development and provide other services to the churches; (4) coordinate mission ministries in our area and promote cooperation in state, home and foreign missions; and, (5) provide an additional channel by which member churches may interact with Southern Baptist agencies and institutions.

## ARTICLE III - MEMBERSHIP

SECTION 1. The Association shall be composed of cooperating Baptist churches desiring to affiliate with it. Any church desiring to become a member of the Association shall present, through messengers chosen for that purpose, its request for membership on APPLICATION FOR MEMBERSHIP form provided in the minutes along with a UNIFORM ASSOCIATIONAL LETTER provided by the clerk, at any annual session of the body. The moderator shall refer the application to the Committee on Membership for study and investigation. The church shall maintain for the year the status of associate membership until the committee makes its recommendation. If favorable, it will be received into full membership with all the rights and privileges at the next annual session. If the Association then votes to receive the church, the moderator shall extend the hand of fellowship to the messengers.

SECTION 2. The Association shall be sole judge of its membership and may receive churches, or reject churches, according to its Constitution and Bylaws. Member churches may withdraw from the Association as they desire. Any church in the Association which fails to cooperate with the Association shall, upon the recommendation of the Executive Committee of the Association, be contacted by

the Membership Committee to determine the intentions of the church regarding its remaining in the Association.

A cooperating church shall be defined as one which sends an annual report to the Association and messengers to Associational meetings, and contributes to the financial program of the Association.

SECTION 3. The Association shall withdraw fellowship from any church in its membership which shall be found to be disorderly in faith and practice, but not until written charges are brought against it, which charges shall have been authorized by the official act of the church offering the same, or by the Membership Committee of the Association. Thereafter, any such charges shall be carefully considered by the Association at its next annual session.

## *One Hundred Nineteenth Annual Meeting*

1. The 119th Annual session of the Brushy Mountain Baptist Association was called to order at 4:00 p.m. at Millers Creek Baptist Church by Moderator Jimmy Hubbard.

2. The congregation joined in singing "Stir Thy Church, Oh God Our Father" led by Mrs. Martha Childs of Liberty Grove Baptist Church accompanied by Mrs. Judy Eller of Roaring River Baptist Church at the piano and Mr. Steve Anglin of Liberty Grove Baptist Church at the organ.

4. Al Andrews was introduced to give the theme interpretation. The theme ". . . Created in Christ Jesus unto good works. . ." is taken from Ephesians 2:10 (b). Al stated that we must have grace first, good works will follow. What is created? Our born again experience - created in Christ Jesus to do the things God would have us do. We must be zealous for good works. Al asked us to give ourselves an honest test - "Is my zealous witness for Jesus honestly revealed in my monetary gifts to the Lord?"

5. Ricky Speas, pastor of Mt. Pleasant Baptist Church, led in prayer and asked special prayer for Jim and Becky Gore and also for Bill McKinney who will be undergoing surgery soon.

6. Ken Jones, pastor of Welcome Home Baptist Church, moved that the Order of Business be adopted with any changes that may be needed. Seconded, adopted.

### BUSINESS SESSION:

- A. Rev. Ken Jones stated that the Evangelism Report could be found page 30-31 of the Book of Reports. He also referred everyone to Digest of Church Letters on page 41. Baptisms are up from 1989 but down from 1988. We are to measure our effectiveness in evangelism by how we do what we are called by God to do. Rev. Jones announced that there will be an Evangelism Conference on October 22 & 23, 1990 at Millers Creek Baptist Church. The service will start at 7:00 p.m. each day. The guest speakers on Monday night will be Dr. Bobby Sunderland of the Home Mission Board and Dr. Charles Fuller, Pastor at the First Baptist Church in Roanoke, Virginia. Singers for Monday night will be the Wilkesboro Baptist Church Choir and Mrs. Anna Marie Bengé of Welcome Home Baptist Church. Guest speakers on Tuesday night will be Dr. J. W. Hutchens, Director of our State Convention Evangelism Department and Dr. Mark Corts, Pastor of Calvary Baptist Church in Winston-Salem. Singers for Tuesday night will be the Associational Choir and Mrs. Leslie Speas of Mt. Pleasant Baptist Church.
- B. In the absence of Rev. Jim Gore, Director of Missions Bill McKinney gave the Brazil Partnership Report which was found on page 15 of the Book of Reports. In the two years since Jim and Bill went down to examine the prospect of entering the partnership, two evangelism teams have gone to Brazil from our association. For every person that went, there were at least 30 con-

verts. The last team that went had a wonderful experience where there was no church, a church has now been founded there. Our next Brazil team is planning to leave May 2, 1991. We are now in the process of recruiting ten pairs of persons. If you cannot go, help someone else to go.

- C. The Membership Committee Report was given by Rev. Bob Seatz, page 29 in the Book of Reports. Northside Baptist Church has come under the Watch Care of the association. Northside was previously a mission of First Baptist Church, North Wilkesboro. The committee recommended that Northside be received under Watch Care. Seconded, adopted. The pastor and messengers of Northside Baptist Church were asked to stand.
- D. Rev. Sam Childs gave the Ordination Committee Report. The committee has not been called upon in the last year.
- E. In the absence of Rev. Bill Nicholson, Moderator Hubbard called attention to the Place and Preacher Committee Report on page 17 in the Book of Reports. He made a recommendation that the report be adopted. Seconded, adopted.
- F. The Properties Committee Report was given by Mr. Clyde Bumgarner. Mr. Bumgarner read the report from page 18 in the Book of Reports and made one change in the report.
- G. Rev. Bob Seatz gave the Finance Committee Report as printed on page 11 of the Book of Reports. He made the motion that the Finance Committee accept the recommendation from the Properties Committee and that we finance the recommendation as given. The motion was seconded. Rev. Al Andrews asked for clarification - Are we voting on the Finance Committee Report and the Properties Committee Report? Yes. Director of Missions, Bill McKinney, asked Rev. Seatz to read the letter that went out to all the churches along with the Properties Committee Report, which he did. The recommendation of the Finance Committee is as follows: The Finance Committee recommends that the renovations and additions to associational property as proposed by the Properties Committee be funded by:
  - (1) \$10,000.00 from existing funds now available in the association's treasury.
  - (2) By asking the churches to receive a special offering or to make a special budget allocation to cover their proportional share of the remaining funds needed amounting to \$7,946.75 (approximately \$1.00 per resident church member is suggested).
  - (3) Authorizing the trustees of the association to borrow such funds as may be lacking at completion of the work.The motion was adopted.
- H. Director of Missions, Bill McKinney, moved the adoption of the Calendar as printed with any changes that may be necessary. Seconded, adopted.
- I. Rev. Jim Weaver gave the Dedication of Annuals Committee Report. The committee recommended that the 1990 annual be dedicated to Rev. Paul Shoupe. Seconded, adopted.
- J. In the absence of Lillian Foster, Moderator Hubbard called attention to the Histories of Millers Creek Baptist Church and Beaver Creek Baptist Church that were on page 9 of the Book of Reports.
- K. Rev. Tom Vannoy gave the School of Christian Studies Report on page 17 of the Book of Reports. He made the change from Tuesday nights to Thurs-

day nights and the location from the associational office to Welcome Home Baptist Church. Rev. Vannoy urged participation especially in the Spring, 1991 course "Teaching the Bible to Adults".

- L. Rev. Rex Shumate gave the Nominating Committee Report and moved its adoption. Seconded, adopted.
- M. Dr. John Wayland gave the Committee on Committees Report and moved its adoption. Seconded, adopted. Dr. Wayland expressed appreciation to all of the members that had agreed to serve.
- N. The Treasurer's Report was given by Mrs. Teresa H. Taylor.
- O. Mr. Pete Lovette gave the General Board Report, which was printed on page 19 in the Book of Reports. He made several comments on the Cooperative Program giving in our state. Churches have given \$20.6 million, slightly less than 1989. Churches have given \$5.7 million to Foreign Missions, \$4.0 million to Home Missions - 8.1% greater than 1989. Offerings for North Carolina Ministries were up by 6.8% with \$1.7 million being given. The new proposal in the Baptist State Conventions is:

- (1) A commitment to world wide missions
- (2) A commitment to voluntary cooperation in honoring the autonomy of each church
- (3) A commitment of Southern Baptist Missions
- (4) A commitment to increased number of options to the church

What the new proposal is not:

- (1) Not an alternative funding plan
  - (2) Not an effort to exert authority from the Baptist State Convention Board
  - (3) Not an attempt to move away from Foreign Missions
  - (4) Will not effect messenger qualifications
  - (5) Magnifies missions, voluntary cooperation and church autonomy
- P. Mr. Roy Holder, Church Growth Consultant for the Baptist State Convention spoke of Opportunity 2000. Fifty-one percent of people are unchurched. New churches grow faster. He stated that the Church Extension Department stands ready to help. He spoke of a new program, PACT, which is Program Assistance for Churches in Transition. If the church is ten years old or older it is in transition. Sixty-seven percent of churches in North Carolina are either plateaued, declining, or somewhere in the middle. Another program is "Church Care" - a consultant will sit down with you and discuss possibilities for growth. Contact the Director of Missions or the Baptist State Convention to find out how you can receive assistance without any cost to the church.
  - Q. Moderator Hubbard recognized our visitors which were Mr. and Mrs. Roy Holder and Rev. I.V. and Mabel Couch.
  - R. Mrs. Mabel Couch was asked if she would like to speak. She spoke on being a Church Growth Multiplier for the Baptist State Convention which focuses on Sunday School, Discipleship Training and WMU. Church Growth Multipliers are available to encourage the leaders and start new work. She has spoken with pastors and members, Director of Missions' and associational officers. The emphasis in Sunday School is "Breakthrough", Discipleship Training is "DiscipleAll" and in WMU is "Empowered".
  - S. Moderator Hubbard moved that all of the reports be adopted. Seconded and adopted.

## END OF BUSINESS SESSION

7. The congregation joined in singing "Victory In Jesus" led by Mrs. Martha Childs of Liberty Grove Baptist Church accompanied by Mrs. Judy Eller of Little Rock Baptist Church at the piano and Mr. Steve Anglin of Liberty Grove Baptist Church at the organ.

8. Special music was presented by Rev. Sam Childs and his wife, Martha, through an instrumental duet. Sam played the banjo and Martha played the piano. They performed "Marching to Zion".

9. Rev. Rex Shumate, pastor of Edgewood Baptist Church, brought the afternoon message. He read scripture from Galatians 2:20 and 5:24. He stated that any preaching that excludes the cross is lacking. His sermon title was "The Fourth Cross" (our old nature). He stated that we need to take up our cross - get rid of our old nature. If the Word is implanted in us, James said three things will happen:

- (1) Help us control our tongue - we should listen twice as much as we speak
- (2) Help us to care for the troubled
- (3) Will keep our testimony clean

10. Moderator Hubbard announced that a United Way video would be playing during the dinner.

11. Dr. John Wayland stated that he is really thrilled with Northside Baptist Church becoming a church. He asked that we give them the right hand of fellowship and make them special guests for the evening.

12. Rev. Robert Duncan, pastor of Oakwoods Baptist Church, gave the benediction and the meeting was recessed for the evening meal.

13. The meeting was reconvened at 7:00 p.m. with Moderator Jimmy Hubbard presiding. Moderator Hubbard recognized Mr. and Mrs. W. K. Sturdivant who have served in the association for many years. He also recognized Ms. Annie Harris who is 77 years young and has attended the Annual Associational Meeting since 1946.

14. The congregation joined in singing "Stir Thy Church, Oh God Our Father" led by Martha Childs of Liberty Grove Baptist Church accompanied by Judy Eller, Little Rock Baptist Church, at the piano and Steve Anglin, Liberty Grove Baptist Church, at the organ.

15. Rev. Jim Gore, pastor of Millers Creek Baptist Church, welcomed the 234 messengers and visitors representing 38 churches. Rev. Gore thanked everyone for their prayers and stated that Becky, his wife, does not have a tumor, MS, etc. and hopes to eventually have a diagnosis.

16. The second part of the theme interpretation was given by Rev. Al Andrews " . . . created in Christ Jesus unto good works . . ." Ephesians 2:10 (b). Why were we created in Christ Jesus? For good works! Works do not earn salvation. Works do express our salvation. Good works proclaim what a difference Jesus makes in our lives. Good works demonstrate our gratitude for God's love, advertize our allegiance to God, exemplify the work of God in us, prove our faith in God, reveal the sincerity of our commitment to use, provide us a way to use the opportunity to glorify His name. Is your witness reflected in your gifts to God?

17. Rev. Jerry Wayne Fuller, pastor of Little Rock Baptist Church, led in prayer.

18. Moderator Hubbard introduced the new pastors and pastor's wives in the association: Rev. Ricky Speas (Mt. Pleasant), Rev. Robert Duncan (Oakwoods), Rev. Jerry Wayne Fuller (Little Rock), Rev. Hadley Triplett (Purlear), Rev. Ben Eller (Roaring River) and Rev. Edgar Whitlock (New Hope).

19. The Sunday School Report was given by Rev. Robert Duncan which was printed on page 16 in the Book of Reports. There will be an Associational Sunday School Outreach Workshop on October 25, 1990 at 7:00 p.m. at Oakwoods Baptist Church. Bob Wise of Lincoln ton will be the guest speaker. Rev. Duncan stated that after the new ASSIST Team is trained, there will be more workshops offered.

20. Mr. Glen Eford gave the Discipleship Training Report. On September 17 at the Discipleship Training Rally, 73 people attended to hear the Associational Choir and 37 remained to hear Dr. Jim Ryan, the speaker for the rally, who spoke from Ezekiel 37 and stated that the call to discipleship was very prevalent in the Bible. Our job is to make disciples.

21. Mrs. Betty Pardue gave the WMU Report which was printed on page 27 of the Book of Reports. She stated that we need to join together to win people to the Lord. REACH - TEACH - TOUCH was the theme for this past year. She read a letter from a female prison inmate thanking everyone for their Christmas gifts. Mrs. Pardue announced that there would be a truck at Wilkesboro Baptist Church to collect non-perishable goods for World Hunger on Sunday, October 14, 1990 from 2:00 - 4:00 p.m. Rev. E. W. McMurray was selected as WMU Pastor of the Year.

22. In John German's absence, Moderator Hubbard gave the Brotherhood Report and urged everyone to read the printed report on page 20 of the Book of Reports. Moderator Hubbard also announced that Mr. German is resigning as Brotherhood Director.

23. The Music Report was given by Mrs. Martha Childs. The report is located on page 29 in the Book of Reports. She stated that on September 18, 1990 the Associational Choir performed. They will also perform at the Evangelism Conference on October 23, 1990. She made one change to her printed report which was that Shelley Lane had resigned and will be replaced as soon as possible.

24. The congregation joined in singing "Brethren, We Have Met to Worship" led by Martha Childs accompanied by Judy Eller at the piano and Steve Anglin at the organ.

25. Mr. Edwin Coates, Executive Director of the Baptist Foundation, spoke of how God has really blessed the ministry of the Foundation and that 1989 has been their best year. He stated that there are other ways of stewardship than tithes and offerings. There are two things in individuals lives - the Christian cannot do enough for the Savior and most people want to save everything they can from taxes for their heirs. There are creative ways you can do the Lord's work. Have a good will. You can continue to give even after you die. He brought our attention to the report printed on page 34 of the Book of Reports. They received two of their largest gifts this year - one through a will, the other through a trust agreement.

26. William B. Stillerman, President of the Baptist Retirement Homes was introduced to speak. He thanked North Carolina Baptists for their support of the Retirement Homes and also the churches in our association for helping start the Retirement Home in the 1950s. Their institution is based in Jesus Christ. Through the power of the gospel many older adults have security. The news of Jesus Christ pleases older adults as well as children. Mr. Stillerman stated that we support an institution that takes care of older adults. One of our richest resources is in older adults. The North Carolina Offering for Older Adults will be February, 1991 (Baptist Retirement Homes Offering).

27. In the absence of Robert Parsons, Mr. Larry Sale with the Development Office of Gardner-Webb College, was introduced to speak. He thanked everyone for

their support of Baptist Colleges and Universities. He stated that our individual contribution to the colleges do make a difference. "Greater Opportunity of Adult Learners" is a program of Gardner-Webb offered through Wilkes Community College. Mr. Sale invited everyone to attend Gardner-Webb's Homecoming '90 on October 27, 1990.

28. Special music was presented by the Pastor's Choir who sang "I Am Resolved" and "A Medley of the Cross" with Bill McKinney playing the piano and Steve Anglin at the organ. A quartet made up of Bill McKinney, Sam Childs, Ben Eller and Hadley Triplett sang "When the Roll Is Called up Yonder" accompanied by Martha Childs at the piano.

29. The Moderator's Message was brought by Jimmy Hubbard. He thanked the association for letting him serve as moderator. Moderator Hubbard shared his vision for Southern Baptists. He asked the question, "Have Southern Baptists lost their vision?" He read scripture from Proverbs 29:18. We need to turn from conflict to cooperation, from mistrust to trust and recommit ourselves to the Great Commission of the Lord. Vision can become reality if Southern Baptists call themselves into solemn assembly for confession and prayer. Moderator Hubbard stated that he believes the Cooperative Program was given to men by God. He called upon everyone to reject an alternate funding program. Need to recognize the autonomy of the church and individuals. The spirit of cooperation, trust, missions, evangelism and discipleship has led our association to one of the best years ever. Evangelism resulted in 417 baptisms. Brazil Mission Teams resulted in over 300 new Christians. If his vision becomes reality, the best is yet to come for Southern Baptists.

30. The benediction was given by Director of Missions, Bill McKinney, and the meeting adjourned at 8:45 p.m.

## SECOND DAY

31. The second day of the 119th Annual Meeting was called to order by Moderator Jimmy Hubbard at 7:00 p.m. on October 9, 1990 at Beaver Creek Baptist Church. Moderator Hubbard asked prayer for Judy Eller's brother who has cancer.

32. The congregation joined in singing "Stir Thy Church, Oh God Our Father" led by Charles Billings of Zion Hill Baptist Church accompanied by Martha Childs, Liberty Grove Baptist Church, at the piano.

33. Rev. Bob Seatz, pastor of Beaver Creek Baptist Church, welcomed the 161 messengers and visitors representing 33 churches.

34. Rev. Al Andrews gave the third theme interpretation - ". . . Created in Christ Jesus unto good works. . .". The results of being created in Christ Jesus for good works is that we are his workmanship. Workmanship - from which we get our English word "poem". Thus, the life of God's people is His work of art. As God's workmanship, His poem, we (through "good works") express, convey, create an image and stir the senses of those who are the recipients of the good works as well as those who witness the good works. A Christian follower is incomplete, unfinished, when not doing good works. Is your zealous witness for Jesus the Christ through good works balanced by your zealous monetary gifts to the Lord?

35. Rev. Edgar Whitlock, pastor of New Hope Baptist Church, led in prayer.

36. Special music was presented by the Pastors' Choir who sang "Jesus Paid It All" and "Are You Washed In The Blood" led by Mrs. Martha Childs, Liberty Grove Baptist Church, accompanied by Bill McKinney at the piano. A quartet made

up of Sam Childs, Bill McKinney, Hadley Triplett and Jim Gore sang "Revive Us Again" accompanied by Martha Childs at the piano.

37. Rev. Sam Childs, pastor of Liberty Grove Baptist Church, brought the message of the evening. He read scripture from Isaiah 54:1. We need to apply scripture to ourselves, our association and our convention. "All of God's Word is profitable to us today". The title of Rev. Childs' sermon was "God's encouragement to us".  
As God's servants -

- (1) We need to be excited about God's work.
- (2) We need to go forward - advance, witness to people. Be open to new ideas.
- (3) Don't be afraid - to step out and do what God has called you to do: God is with you.

God's encouragements to us:

- (1) God tells us that He has called us.
- (2) God will not ultimately forsake us. God will keep us.
- (3) Remember that God at certain times gives us special blessings.

God promises His providence and protection to us. God is always with us.

38. The congregation joined in singing "Rise Up O Men of God" led by Charles Billings accompanied by Martha Childs at the piano.

## BUSINESS SESSION

- A. Moderator Hubbard stated that it was time for the signing of the Witnessing/Giving Life Commitment Declaration. Moderator Hubbard stated that he is sold on the Witnessing/Giving Revivals and all that is entailed in this program. We can reach our county for the Lord. Director of Mission, Bill McKinney, stated that the Witnessing/Giving Declaration of Commitment was signed in front of messengers this past year in New Orleans. This world will not be won with "business as usual". It is imperative that leaders and laypersons commit to grow by some degree in personal witnessing and giving. The Declaration of Commitment for the association was signed in front of the messengers by Bill McKinney (Director of Missions), Jimmy Hubbard (Moderator), Ken Jones (Evangelism Director) and Al Andrews (Stewardship Director).
- B. Bill McKinney gave the Director of Mission Report. He called attention to the fact that Martha Colwell's commissioning service was taking place at the same time as the associational meeting. Bill stated that a civil war is going on in Rwanda, which is where Martha is going, and hopes that it will be over before Martha goes to Rwanda. Bill led in a special prayer for Martha.

Due to the absence of Robert Duncan, Bill did not distribute the ASSIST Team Certificates. Bill asked that all of Lewis Fork's messengers come forward to receive a Certificate of Appreciation for outstanding baptisms in youth evangelism. Irene McNeil and Mr. and Mrs. Vernon Dyer came forward to accept the certificate. Bill presented it to Mr. Vernon Dyer, chairman of deacons at Lewis Fork Baptist Church. Bill named several churches in the association that had a significant increase in baptisms.

Bill expressed his appreciation for the privilege of carrying out God's mission here for 14 years and how grateful he is for all of the great leaders in the association. He stated that the Cooperative Program of mission support was born in 1925 and that he was born in 1926. He grew up with the

Cooperative Program. When he was growing up, there would be representatives from the seven Baptist colleges and an orphan from the orphanage to push support for the Cooperative Program. Later came the Retirement Homes and hospital. The Cooperative Program of mission support became the way we could share Christ's love.

Bill stated that some people have never been able to trust and that he wished everyone could be united. There is now a disconnected group - about 30 of 50 top giving churches. The Cooperative Program may dissolve if we don't give them an option. He trusts that all of our churches will do what God leads them to do.

Bill read scripture from Ephesians 3:16,8-11,14 and from chapter 4:1,11. Christianity must not be separated from its historical roots. Lessons we find in these scriptures:

- (1) Lesson of humility - we are not the head of anything - God is the head. We are only one part of the body. We are servants, not superintendents.
- (2) Our service is a ministry of proclaiming God's love. We are not to judge or convict. Our job is not defending God's power, as if we could. We are not in the business of purging God's society. Our assignment is to live the Christ life.

We have one spirit - peace and love. We have one calling - to be His. We have one aim - to grow up into Christ. We have one commitment - to build up the body in love.

- C. In the absence of Rev. Larry Broome, Rev. Ken Jones gave the Resolutions Committee Report as follows:

Whereas, Millers Creek Baptist Church and Beaver Creek Baptist Church so graciously and bountifully shared their facilities and food with those gathered for the 119th Brushy Mountain Baptist Associational Annual Meeting, be it resolved that the association express our grateful appreciation to the families of these two churches.

- D. Rev. Hadley Triplett read the Memorials Committee Report. There were a total of 100 deaths. Moderator Hubbard led in a prayer for the deceased and their loved ones.

## END OF BUSINESS SESSION

39. Moderator Hubbard asked that the new Moderator and Vice-Moderator step up to the podium. He introduced Rev. Jim Gore as the new Moderator and Rev. Rick Speas as the new Vice-Moderator.

40. Rev. Hadley Triplett led in prayer and the meeting was adjourned at 8:45 p.m.

We had a total of thirty honor clerks out of forty-two church clerks (the most we have ever had!). These clerks had their church letter into the associational office by the deadline date with every blank filled, all totals correct, and all dollar figures rounded to the nearest dollar. Each of these clerks will be receiving a Certificate of Recognition and have their name printed in the associational minutes. Their accuracy and promptness makes my job so much easier. I want to say to

each honor clerk how much I appreciate the great job they did. I hope that this list will grow longer each year until we have forty-two honor clerks.

## DIRECTOR OF MISSIONS REPORT

This associational year has been packed with much activity. I am grateful for the privilege of serving our wonderful Lord among you. Several factors have prevented me from making a complete round of the churches this year, but I have been able to visit more than three-fourths of our congregations. There have been many meetings of program groups - Sunday School, Discipleship Training, WMU, Brotherhood, and Evangelism. Many activities related to Here's Hope revivals were engaged in, and planning meetings have been many. I have been privileged to work with eight pastor search committees this year and with several pastors in ministry crisis. Some special activities which provided blessings were:

Teaching three study courses

Teaching a One-Day Soul Winning Workshop

Participation in the constituting of Northside Baptist Church, the dedication of Cub Creek's new fellowship hall, the commissioning service for Brazil evangelism team.

We have continued our ministries at NASCAR races at North Wilkesboro Speedway and I have conducted services six times in nursing homes. Your support has enabled me to carry on an active counselling ministry (more than 100 hours) which has included ministerial crises, personal problems, emotional dysfunction, marital problems, post trauma stress syndrome, and spiritual development crises.

Beyond my specifically associational functions I have been actively involved in the prison chaplaincy ministry jointly sponsored by this association, Wilkes Ministerial Association, and Baptist State Convention of North Carolina. I have been privileged to serve at the state level on the Long Range Strategy and Planning group and on the Committee on Committees. Within the local community I have been involved as a board member of Wilkes Developmental Day School (for children with handicapping conditions), Katherine H. Barber homeless Shelter, and "I Care About Teens" (hotline for teenagers).

The year 1990-91 (my fifteenth year as your Director of Missions) holds its own special challenges and opportunities. I look forward to working with all of you as we seek to respond in Jesus' name to the tasks and opportunities which will constitute our ministry together in this portion of His vineyard. All praise to our Lord Jesus Christ!

Respectfully submitted,  
Bill McKinney

## DEDICATION OF ANNUALS COMMITTEE REPORT

## BRAZIL PARTNERSHIP REPORT

1990 was an outstanding year in the partnership between our association and the Northeastern Association in the state of Sao Paulo, Brazil.

We had nine team members leave for Brazil in early May. They were Mark Boone, Mike Bowers, Rick Felts, Ken Jones (Team Leader), Jenny Nelson, Doug Rollins, Ann Smith and Rick and Leslie Speas.

Although they encountered some difficult times of sickness during the two week trip, more than 300 first time conversion decisions were made along with other decisions of lifetime commitment to the gospel ministry.

We continue to praise the Lord that He is using us in a great way and we offer our gratitude to you, the people of Brushy Mountain Association, for allowing us to go as your representatives and as ambassadors for Christ.

The planning stages for our next trip in 1991 have begun. We think there is potential for a maximum of 20 team members. The opportunity is growing because we have helped the Brazilian churches to establish several missions and several preaching points that hopefully will result in additional missions and churches.

There is one major question that must be asked and answered. IF YOU CANNOT GO, IS THERE ANYWAY YOU CAN HELP SOMEONE ELSE GO? The answer is a resounding YES! You and your church can do several things: (1) You can pray constantly that God will touch the hearts of those who should go; (2) You can keep this mission opportunity before the people of your church; (3) You and your people can receive love offerings at regular intervals to help offset the cost of those who volunteer. You can also receive offerings so the team can purchase New Testaments, tracts, materials that share the gospel, and even some gifts and attention getters for the kids.

What a privilege we have in this Brazil partnership. Please increase your support in all areas for the glory of our great God.

Respectfully submitted,  
Jim Gore, Brazil Partnership Chairman

## MODERATOR'S REPORT

"Thank you" is an expression of gratitude from one's heart, a grateful acknowledgement of something received by or done for one. As moderator of the Brushy Mountain Baptist Association, my heart is filled with thankfulness. I wish to thank Dr. Bill McKinney, our Director of Missions, for his help in the work. I thank Teresa Taylor, our secretary for her assistance in the work. Thank you to all the dedicated leaders in our associational work for capable, efficient, effective, and spiritual leadership. Thank you for your prayers, giving, and service through the association. The churches of the Brushy Mountain Association are made up of a family of believers in fellowship on mission for God. We are family and I thank God for the Brushy Mountain Association family.

My parting message to you as moderator of the Brushy Mountain Association is to GO with the GOSPEL to all people. Let us be BOLD MISSIONARIES. As we work in the part of God's great vineyard He has assigned to us, and feel His abiding presence in our work, we occupy, "achri hou elthei" (till He comes). As

we ponder the promise of His coming, we say, "Marnatha" (Lord, Come!).

I thank all of you for your friendship and for your faithfulness to the Lord, His Word, and His work.

Respectfully submitted,  
James A. Hubbard, Moderator

## SUNDAY SCHOOL REPORT

Many Sunday School events are in the planning stages for our association. At the present a new associational Sunday School ASSIST team is being formed. As soon as this team is together, Phil Stone from the Sunday School Department of the State Convention will be coming up to help train these workers. The ASSIST team will consist of workers in Preschool, Children, Youth, Adults, and Outreach. After this team is well prepared, they will be conducting Sunday School workshops in our association. Our goal is for the first workshop to be in the Spring. This ASSIST team, as well as myself, will be available to help individual churches in any way in their Sunday Schools.

This fall there will be an associational workshop for all Pastors and Sunday School Directors. The workshop will be on outreach through the Sunday School. This workshop is scheduled for October 25 at 7:00 p.m. at Oakwoods Baptist Church. Bob Wise of Lincolnton will be the guest speaker.

We want to help individual churches schedule Sunday School growth campaigns and in a couple of years we may have an Associational Sunday School Growth Campaign. Please pray as we plan and work to have many association events to help our Sunday School.

Respectfully submitted,  
Robert Duncan

## SCHOOL OF CHRISTIAN STUDIES REPORT

I would like to begin my report by paying tribute to my predecessor, Rev. Paul Shoupe, who has done an admirable job as our School of Christian Studies Director. His commitment to learning is exceeded only by his commitment to his Lord. I hope to continue the high quality educational opportunities that have been a trademark of Paul Shoupe.

In an attempt to generate more interest in the course offerings, I have chosen to offer something a little different this coming associational year. We feel more participation on the part of the laity in the churches would be to everyone's advantage. We will offer this year a basic course from the Ecclesiology area - EC-53 - "How Southern Baptists Work Together". This is not a college level course and the only textbook is the study guide. There will be no test or other graded requirements. Hopefully, this will help dispel the misconceptions that exist about the Southern Baptist Convention and member churches' relationship to it. This course will be offered Thursday, October 11 and each succeeding Thursday night through December 13. Our place of meeting will be Welcome Home Baptist Church beginning at 7:00 p.m. each Thursday evening. The teacher will be Rev. Rick Felts.

In an attempt to combat what seems to be a common and serious problem among our churches, trained Sunday School teachers, we will be offering a course from the college level curriculum. You may take this course for credit or without credit. It is from the practical area and is entitled RE-0304 - "Teaching the Bible to Adults". This course will be offered this winter beginning Tuesday, January 8 through Tuesday, March 5, 1991. I hope each church will encourage their adult Sunday School teachers to participate in this training tool. This course will also begin at 7:00 p.m. each evening and will conclude at 9:00 p.m. Place and teacher to be announced later.

Respectfully submitted,  
John T. Vannoy, III

## PLACE AND PREACHER COMMITTEE REPORT

The 120th session of the Brushy Mountain Baptist Association will be held Monday, October 7, 1991 with Welcome Home Baptist Church (afternoon and evening sessions), and on Tuesday, October 8, 1991 with Zion Hill Baptist Church (evening session only).

The sermons will be brought by Rev. Robert Duncan on Monday and by Rev. Rick Speas on Tuesday.

Respectfully submitted,  
Rev. Bill Nicholson, Chairman  
Rev. Fellman Cheek, Rev. Clifford Johnson

## PROPERTIES COMMITTEE REPORT

The heating system at the Associational residence gave significant problems during the past year and it was necessary to over-spend the budgeted amounts in order to correct these problems. For that reason, no improvements were made to associational property this year. We did discover that unforeseen deterioration of the exterior trim has taken place and will require correction during the coming year. The committee also was made aware of the need for conferencing space in the office building. The office is quite crowded and needs a meeting room. Various alternatives were explored and the committee recommends the following:

1. That the parsonage appearance be upgraded by ceiling the back porch and replacing a section of wall plate which is decayed, that the exterior trim be covered with vinyl and one section of decayed facing board on the front be replaced, and that rusted guttering be replaced. The cost of this work will be \$2,569.00.
2. (a) That the present carport on the office building be enclosed so as to make a 20' x 24' conference room. This would necessitate removal of the present floor and repouring it so as to provide proper alignment with the remainder of the building. Present heating-cooling equipment is adequate for the addition. The cost of this work will be \$11,299.00.
- (b) That the exterior trim on the office building be vinyl covered and rusted guttering replaced. The cost of this work will be \$2,092.00 (estimated).

3. That a two-car pre-fabricated metal carport be placed on the southeast corner of the parking lot adjacent to the associational residence. The cost will be \$1,989.75.
4. That the churches of the Association be asked to receive a special offering or to make a special budget allotment to provide funds for the cost of these improvements (total \$17,946.75). The committee recommends that the trustees be authorized to borrow such funds as may be necessary to complete the project after utilizing such moneys from the general fund as may be available without jeopardizing the on-going ministries of the Association. It is the committee's hope that response from the churches will be such that borrowing will be minimal if it is necessary at all.

## GENERAL BOARD REPORT

In January 1990, I began a four year term as a General Board member and have attended two meetings of the board, one in January and again in May. My responsibilities include serving as a member of the Business Management Committee which is chaired by Mr. Gene Floyd of Wrightsville Beach, North Carolina. The next General Board meeting is scheduled for September of this year. There are ten committees that handle various areas of responsibility of the General Board.

In North Carolina, overall giving to the Cooperative Program is lagging behind this year versus 1989. Part of the reason for this may be the turmoil between factions within our Southern Baptist Convention. At our May meeting, we learned that some of our churches in North Carolina are contributing to the Cooperative Program and restricting to various degrees the amount that they give to the Southern Baptist Convention. Others give to the Southern Baptist Convention and restrict the amount of the gift to be used by the N.C. Baptist State Convention. In this state our Cooperative Program policy statement allows a church to restrict up to three items and still count the total contribution as going to the Cooperative Program. One of those three items can be to restrict the entire Southern Baptist Convention. There are churches that do not want to restrict everything in the Southern Baptist Convention, but they want to change the percentage of their money that goes to the Southern Baptist Convention. There are churches on both ends of the spectrum and churches that vary all the way in between.

As follows is a brief summary of selected items from the financial statements of the Baptist State Convention that shows the trend of giving by our North Carolina churches through June 30, 1990.

Cooperative Program Receipts  
 Baptist State Convention of North Carolina  
 Comparative Report of Church Contributions  
 for Six Month Period Ending June 30, 1990 and 1989

	Budget Requirements	Gifts Received	Over (Under) Budget	Percentage Excess (Short-Fall)	Other Budget Receipts
Year-to-Date - 1990	\$14,150,000.00	\$13,124,613.08	(\$1,025,386.92)	-7.25%	\$2,115,984.57
Year-to-Date - 1989		13,462,676.69			1,788,682.76
Increase (Decrease)		<u>(338,063.61)</u>			<u>327,301.81</u>
Percentage		-2.51%			18.30%

I am told that the national average for Southern Baptist Convention churches is to give approximately 8.5% of total receipts to the Cooperative Program. The Brushy Mountain Baptist Association churches in total gave 5.4% to the Cooperative Program in 1989.

We know that the Cooperative Program is a powerful force for sharing the gospel with unsaved people. Let us all continue to pray that we daily seek God's will for our Southern Baptist Convention and its Cooperative Program. We need to always remember Jesus' teaching as to the second most important commandment, "that we love one another, as Jesus has loved us." If we could just obey that commandment a little better each day, we will make greater progress for our Lord.

 Pete Lovette

## BROTHERHOOD REPORT

The Brushy Mountain men's groups have completed a very active year. Twenty-two groups participated in projects relating to Brotherhood projects. The churches involved were: Cub Creek, Sharon Walker, Zion Hill, Pleasant Home, North Wilkesboro, First, Boiling Springs, Millers Creek, Mt. Pleasant, Stony Hill, Gordon, Hinshaw Street, Wilkesboro, Oakwoods, Lewis Fork, Purlear, Moravian Falls, Roaring River, Beaver Creek, Liberty Grove and Welcome Home.

Most all of the groups sponsored boys' R.A. Five of the men's groups took the R.A.'s camping and fishing. Approximately one-half of the groups were involved in Hugo clean-up. Six groups provided firewood to the elderly. Six groups sponsored a men's softball team in the County Church League. Three groups selected, and cared for, needy families at Christmas. Gordon's Brotherhood raised funds and purchased a van for church use. Wilkesboro's Brotherhood spent a weekend at Mills Home and painted a cottage. Doug Rollins represented the Wilkesboro Men in a missionary trip to Brazil. Eight Brotherhood groups sponsored youth trips to Carowinds. Oakwoods men's group raised funds by washing 155 cars to send 20 youth to the Bailey Smith Camp. Beaver Creek's men replaced carpet and cleaned carpet in the church. Five church men's groups participated in the Adopt a Highway Program. Three Brotherhood groups took their youth to college athletic events. Mt. Pleasant Brotherhood remodeled an elderly couple's home. Boiling Springs men took the WMU ladies out to eat at Shatley Springs.

These examples represent a few of the many hours spent by Brushy Mountain Baptist Men.

## AMERICAN BIBLE SOCIETY REPORT

In this ABS report last year, there were two particular challenges that have since been met with good response. One was that the level of participation by churches was declining, and the other was the opportunity to send one million Bibles into the Soviet Union. According to the American Bible Society Report to the Denominations 1989, from which the following information is taken, the 1989 contributions from churches were up 32% to \$2,263,534. Southern Baptists, numbering 14,722,617 gave \$299,232, an average of about two cents per member.

As of the end of 1989, the "Gifts of Love" program of sending Bibles and New Testaments to the USSR and Eastern Europe had shipped over 850,000 Scripture portions. The program continues as they seek to complete the commitment of the \$3 million to provide one million Bibles.

As was true last year, at the end of 1989 the ABS was faced with having more requests — \$50 million — than pledges — \$34 million — from member Bible Societies. They predict that over the next three years the demand will exceed the supply of funds by \$60 million. The ABS is asking churches to consider it in a "full and conscious partnership" by sharing in the Scripture needs of the world's peoples. Presently, the Southern Baptist Convention participates in the ABS Partners-in-Mission program in the following selected countries: India, Tanzania, Brazil, Nigeria, Mexico, Zambia, Ghana, Thailand, Ecuador, Peru, Angola, Venezuela, Chile, Philippines, Haiti, and Panama.

Last year Bible Societies throughout the world distributed 666,734,464 items of Scripture. Included in last year's accomplishments is that twenty-one languages received at least one book of the Bible for the first time. Now 1,928 languages have at least one book of the Bible. There are currently 605 additional languages (424 for the first time) in which United Bible Society translation projects proceed.

Of the estimated 3,000 to 6,000 spoken languages in the world, only 78 have developed literature. That means the opportunity of literacy training, and, hence, sharing the gospel, is enhanced. Last year, 60,118,481 copies of these specialized New Reader Scriptures were distributed worldwide. Several governments are cooperating with Bible Societies in these literacy programs.

Changes of direction for the ABS include an attempt to recruit above the current 5% level of denominational leadership representation on the ABS Board of Managers. There is also a plan to develop a mailing list of 600 future church leaders in seminaries (Seminary Promotion program), and increase it by approximately 1000. The intent is to mail the ABS newsletter, *The Bible Cause*, to seminarians who will eventually help educate local churches on the effectiveness of Bible translation, distribution, and literacy training. Finally, the new Bible-a-Month club offers individuals or churches the opportunity to contribute a relatively small amount monthly and receive the ABS newsletter and discounts on Bibles.

The American Bible Society address is: 1865 Broadway, New York, NY 10023. The phone number there is: (212)581-7400. The ABS thanks you for your contribution toward a partnership with them in sharing the Good News.

## FRUITLAND BAPTIST BIBLE INSTITUTE REPORT

W. Mack Roberts was elected President of Fruitland Baptist Bible Institute by the General Board, September 27, 1989. The transition began October 1, 1989. He succeeded Alex Booth who faithfully served Fruitland for twenty-five years as Dean, Director, and President.

Work will soon begin on additional housing for married students. This continues to be a pressing need with several families on the waiting list for an apartment at any given time. It is believed that this project can be completed with funds on hand and current gifts.

There has been a 12% increase in enrollment over last year with one of the largest July classes ever enrolled. The October potential looks good at the time of this report. Plans are also underway for evening classes to begin with the Fall Quarter. It is hoped that many additional students will be able to enroll who otherwise would find it difficult to attend.

Three additional courses are now available to our students. These are Clinical Pastoral Education, Youth Education, and Spiritual Formation. In addition, the school now has an "In-service Ministry" which provides an opportunity for the students to work for twenty weeks with a pastor in a church setting.

The President and Fruitland Board wish to re-emphasize their intention to remain true to the original purpose of the school which was to provide Christian training for everyone who is serious about preparing for Christian service regardless of educational background; and further, to remain a Bible-centered institution while remaining true to her purpose.

## HOME MISSIONS REPORT

The Home Mission Board is committed as ever to reaching the goals of Bold Missions Thrust, namely that there will be 50,000 congregations winning and baptizing at least 500,000 people per year and that there will be at least 5,000 home missionaries by the year 2000 A.D. This past year was filled with many victories and challenges as work occurred to make these goals a reality. All the praise and glory go to God.

Gifts totalling \$32,993,023 were received through the Annie Armstrong Easter Offering, which is a 9.93% increase over 1988. The missions personnel force of 3,808 helped start 1,467 churches and 795 missions, and, along with the chaplains and Atlanta staff, recorded 81,869 professions of faith and 7,832 decisions for special service. The number of volunteers on mission reached an all time high with 56,972 and there are now 2,132 endorsed chaplains.

Let us pray for Larry Lewis, President of the Home Mission Board, the staff of the Board, our Home Missionaries and our volunteers in Home Mission work as we enter a new year of reaching our beloved land for Christ.

Respectfully submitted,  
Gertrude E. Hubbard

## FOREIGN MISSIONS REPORT

As we end the 1980's and begin the last decade of this century, let us glance back for a moment to see our accomplishments.

In 1980, we had 2800 missionaries in 85 countries. We had about 1000 volunteers. As we begin the 1990's, we have 3780 missionaries in 120 countries. Volunteers have grown by leaps and bounds with some 10,287 working hand in hand with the missionaries on foreign ground. There have been some 20,000 new churches or chapels started with around 227,564 new Baptisms each year.

During the 80's, the Brushy Mountain Baptist Association has sent some 45 volunteers to 10 different countries and all have returned excited about mission work.

Let us not dwell too long in the past. The future is here and we have many goals to reach during the time ahead. With all the changes taking place in Europe, possibilities of mission work should improve in the Communist Countries and should make our Bold Missions Goals reachable. Let us continue to give to our Lottie Moon Christmas Offering so the money will be available when needed to reach the lost.

Carlos Pardue

## STEWARDSHIP REPORT

Witnessing-Giving Life is a joint emphasis for 1990-95 by the evangelism section of the Home Mission Board and the Stewardship Commission. Its primary objective is to challenge Southern Baptists to grow in their commitment to these two vital aspects of the Christian life, witnessing and giving.

A Witness-Giving seminar was held on May 29, 1990. J. W. Hutchens and O.D. Martin, Jr. of the Evangelism and Stewardship divisions of the N.C. Baptist State Convention led the seminar. The seminar was attended by thirty-one people from twelve churches.

In 1990-91 the emphasis is for Church Witnessing-Giving Life Commitment Revivals which will include Bible Study on the witnessing-giving life and a series of revival services.

Respectfully submitted,  
Al Andrews, Stewardship Director

## ORDINATION COMMITTEE REPORT

## WOMAN'S MISSIONARY UNION REPORT

First of all I would like to say thank you to the Associational WMU Council and each leader in our individual churches for your prayers, help and support; to Mae Duncan for the good job she did in leading us; and to Dr. W. C. McKinney and Teresa Taylor for their help and support. Because of all of you we were recognized as a Distinguished Associational WMU at the N.C. Annual Meeting.

### REACH! TEACH! TOUCH!

**REACH** - Our WMU this year has REACHED out to the hungry by giving \$61.00, which was collected on Baptist Women's World Day of Prayer, to World Hunger and by collecting non-perishable goods for Wilkes Cares. We also collected \$275.00 for the North Carolina Correctional Center for Women to be used in preparing a Christmas Box for each inmate.

**TEACH** - Our WMU TAUGHT the age level leaders in our churches at a workshop held in the fall. We taught a Lifestyle Witnessing Seminar in the winter in preparation for our Here's Hope Revivals. We joined with the Brotherhood in teaching the Foreign Mission Study on Japan. We enjoyed samples of Japanese food and a great study taught by Margie Laney, Director of Missions of the Stone Mountain Baptist Association. In the Spring, we again joined with the Brotherhood to hear our Home Mission Study taught by Judy Branch of Boone.

We held a prayer luncheon for Baptist Women's World Day of Prayer and a Prayer Retreat in the Spring for preparation for our Here's Hope Revivals.

**TOUCH** - Our WMU touched many lives by being volunteers on the mission field at the hospitals, rest homes, nursing homes, Wilkes Cares, many community activities and in our individual churches. By having an Associational Appreciation Day, we gave each of you the opportunity to express your appreciation to Dr. and Mrs. W. C. McKinney and Teresa Taylor for the GREAT JOB they do. The following is a letter received of lives being TOUCHED:

"I received your gift today. And I want you to know that I thank you with all my heart. I am an inmate here in Raleigh at the North Carolina Correctional Center for Women serving time. I really enjoyed my gift from you all. And may God bless each and every one of you with Peace, Joy, and Goodwill. You just don't know what you have done for all of us here and I speak for all."

"And the King shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me." (Matthew 25:40)

Betty Pardue

## BAPTIST HOSPITAL REPORT

"The largest health-science building program ever in North Carolina has changed the landscape on Hawthorne Hill, and the changes continue in rapid succession. . . One thing that hasn't changed is the institution's tradition for delivery of compassionate health care. That will never change." This statement, from Dr. Charles P. Nicholson, Jr., Baptist Hospital Trustee and Chairman of the Medical Center Board of Directors, is both a report and a commitment.

Another building in this \$190 million expansion program has recently been completed and occupied. The Clinical Sciences Building will house most of the Medical Center's ambulatory services, and has been termed a "medical supermarket," where patients may do "one-stop shopping." The building will also accommodate an Ambulatory Surgery Unit, Medical Center Administrative Offices, and other functions. Nearing completion, is the Day Care Center for children of medical center employees. Under construction, is an addition to the MRI (Magnetic Resonance Imaging) Building, and a significant addition to the Patient/Visitor Parking Deck. Construction on the Center on Aging Building is scheduled to begin in early 1991 with the completion date set for the spring of 1993.

The purpose of all these new facilities, according to hospital president, Len B. Preslar, Jr., is to "enable us to respond to patient needs better than ever before." In addition to continuation and improvement of many established procedures, several new diagnostic and treatment programs have been started recently. The Organ Transplant Program added a new dimension when it performed the first single-lung transplant in North Carolina. Bone marrow transplants are also being performed now in our Baptist Hospital. A Cranio-facial Clinic, to correct major deformities of the skull and upper face during the first year of life, opened recently. New laser technology provides an improved method for clearing out atherosclerotic deposits in the carotid arteries of the neck. New surgical techniques make possible better treatment of complicated retinal detachment. Orthopedic Surgeons began use of the Ilizarov Technique for the repair and lengthening of broken bones. New approaches are being used effectively in the treatment of children with Cerebral Palsy. Bowman Gray/Baptist Hospital is the only medical center in the nation using and evaluating Clinodean, a non-narcotic pain killer which has proven effective in controlling pain following surgery and for cancer patients.

Through these various services we provided 210,456 days of care for 22,607 patient admissions last year. In addition to these, there were approximately 388,000 ambulatory patient visits in the various clinics, the Emergency Department, the Day Hospital, and in Ambulatory Surgery. These patients came from all across North Carolina and from thirty-four other states. Also the number of patients being referred to us from foreign countries is increasing as the reputation of the Medical Center spreads throughout the world.

The Department of Pastoral Care continues to strengthen its reputation both as a service agency and as a teaching facility. Last year, the department provided more than 29,000 ministries to hospital patients, almost 19,000 services to families, and more than 14,000 services for hospital and church staff members and their families. The Minister's Care Plan, a joint program with the Baptist State Convention, had 1,446 sessions with more than 200 different clergy families last year. The new Missionary Counseling and Support Services Program saw 48 individuals

in its first six months. The Division of Clinical Pastoral Education/Chaplaincy had 53 students enrolled.

During the fiscal year ending June 30, 1990, the hospital received \$692,946.24 through the Cooperative Program and \$271,361.24 through the Homes and Hospital Offering and direct gifts. Cooperative Program Funds are used for the Department of Pastoral Care, and other church gifts help to provide Benevolent Care for financially needy patients. The hospital staff and patients are most grateful for this continuing financial support.

Respectfully submitted,  
Pauline Tedder

## ANNUITY BOARD REPORT

The Annuity Board of our Southern Baptist Convention is a useful service to the churches. Seventeen hundred thirty-four new annuitants were added to the roll, and retirement and relief benefits of \$83,835,300 were paid to 20,130 persons, according to the Seventy-Second Annual Report of the Annuity Board. In July 1989, trustees of the Board unanimously elected Paul W. Powell president, effective March 1, 1990.

Video presentations available at the associational office are:

1. "How to Determine Financial Support for Ministers and Church Staff Members".
2. "How to Build an Adequate Retirement Income".
3. "Helping Our Family, An Annuitant Story".
4. "Choices: Benefits that Work for You".

Churches need to consider their responsibility in this area of stewardship and do as the Lord would lead them.

## NORTH CAROLINA MISSIONS REPORT

North Carolina men continue to be very much involved in state and overseas missions. North Carolina Baptist Men's Medical-Dental Bus was exhibited at the February 9-10, 1990 meeting of the NC Baptist Medical-Dental and Nursing Fellowships at Caraway. John and Betty Sally of Raleigh, volunteer bus coordinators, were introduced to the 125 in attendance. Each was challenged to become involved in this new avenue of ministry. These health care organizations have three purposes: Christian Fellowship, growth, and mission service from community service to worldwide involvement we seek to use our skills in sharing Christ's love. We welcome all health care professionals in North Carolina Baptist Churches to join our organizations. We want to be involved in your community in ways that your ministry may be increased through this service. If you are interested in the Medical-Dental Bus outreach, call Baptist Men's Director, David Langford at 1-800-395-5102. The bus is a purchase on faith. We welcome any contributions toward the \$140,000. Dr. Tabor is president of the NC Baptist Medical Dental Fellowship, 1360 Pinebluff Road, Winston-Salem, NC 27103.

On Saturday, April 28, 1990 a one day training session was conducted for Disaster Relief Team Members at the Baptist Building in Cary. The following sessions were offered:

- I. Crisis Counseling - Caring people who are good listeners and have had some counseling experience.
- II. Recovery Services - Construction skills would be helpful, but not required; clean up is much of what this involves.
- III. Radio Operations - Need licensed ham radio operators.
- IV. Feeding Unit Crew - no skills necessary.
- V. Truck Drivers - must be licensed.
- VI. Developing Associational Disaster Response - This is especially for Directors of Missions and Associational Brotherhood Directors.

Your ideas and interest in Disaster Relief are welcomed. If you are interested, call 919/756-4332 or 919/355-2127 or write Mr. Richard Crapps, State Disaster Relief Coordinator, 2401 Memorial Drive, Greenville, NC 27834.

### OVERSEAS MISSIONS

The year 1990 holds great expectations for NC Baptist Men. Many have committed to be used in service. This year High School Baptist Young Men are involved in a mission trip to Peru. We are being challenged as never before to use our gifts as servants around the world. We are given talents to be used, not to hide under a "bushel". Whatever our talent or gift is, God has a special place to use it, and the way is already being prepared. What you and I must do is be willing to listen and answer that "still small voice".

A request for a team to go to Budapest, Hungary to work at the seminary there has been received. This is a new opportunity to share with the Baptist of Europe. 1990 will be and has been for NC Baptist as we plunge full force into a new partnership with Poland. Almost every time slot has been filled for 1990. There are many people across our state who are excited about the prospects of this partnership. This will be challenging from the standpoint that we do not have career missionaries there. Please be prayerful about God's work around the world and where you and I are called to be involved. Please be in prayer for those from North Carolina that are in other countries in the service of your land. We have people in Togo, Ivory Coast, Botswana, Brazil, Ethiopia, Mexico, and the list goes on around the globe. FIND YOUR PLACE. If you have questions about overseas missions, write Mr. Skip Greene, State Overseas Missions Projects Coordinator, 102 Appalachian Drive, Boone, NC 28607.

## ASSOCIATIONAL MUSIC REPORT

On September 18, 1990 members of several church choirs plan to participate together in a joint choir. This choir will be in conjunction with a Discipleship Training Rally. I have contacted our State Music Director and plans are being made to have a Music Leadership Conference later this year when the State Music Department can help out. The Zone Directors for this year are: Galyn Page, Charles Billings, Kay Stillman and Gregg Wright.

## MEMBERSHIP COMMITTEE REPORT

Northside Baptist Church (formerly Northside Chapel - mission of First Baptist Church, North Wilkesboro) was formally constituted as a Southern Baptist Church on May 20, 1990. The charter membership roll included forty-two persons. The first formal action after its formation was to call the Reverend Hobert Key as pastor; the second action was to request membership in Brushy Mountain Baptist Association. Since that time the congregation has been in fraternal relationship and in financial support of the Association.

Since Northside Baptist Church has met the membership requirements of the Association, the Membership Committee recommends that the congregation be received under the watchcare of the Association.

Robert Seatz, Chairman

## EVANGELISM REPORT

“HERE’S HOPE. JESUS CARES FOR YOU.” That was the theme for the year just ended in the Southern Baptist Convention. That was the theme for the North Carolina Baptist State Convention. That was the theme for the Brushy Mountain Baptist Association. That was the theme for the vast majority of the churches in our association. In reviewing the year we are encouraged at the good participation in evangelism this past year. There were certainly two highlights in my mind: The first Annual Evangelism Conference that was held at Millers Creek Baptist Church in October of 1989. This was the official “kick off” for “Here’s Hope”. This was a two day event that featured outstanding speakers and music. Our guests were Dr. Victor Cole of the Evangelism Department of our State Convention; Rev. Wesley Grant, a pastor from the Asheville area; Mr. Bo Mitchell, with the Home Mission Board, and Rev. Raymond Williams, pastor of Southside Baptist Church in Crestview, Florida.

Many of our churches took advantage of the many materials that were available to them to help in the planning and the carrying out of the simultaneous revival emphasis. Many churches participated in Scripture distribution, people searches, soul winners commitment day, personal evangelism training, special prayer meetings and other evangelistic activities. When the revival time came many churches really did experience revival. We praise God and give Him the honor and glory.

In addition to the simultaneous revival emphasis some of our churches worked in many other areas to make this a good year for evangelism. Much of the work in evangelism was done among the children and the youth. Vacation Bible Schools were especially evangelistic this year. Many churches reported good results in their Bible Schools. Several churches sponsored various youth rallies and other activities that had evangelism as their goal.

All the reports are not in and we do not know exactly how the association as a whole fared but in talking to individual churches it appears that the number of baptisms will be up considerably this year.

Evangelism was the emphasis of the Brazilian mission trip. Nine people were involved in this year’s trip. There were over three hundred professions of faith reported and those that went came back with a renewed zeal for doing evangelism here in our own “Jerusalem”.

The Apostle Paul said that we cannot rest upon the laurels of our past performances but we are to forget those things and press forward toward the mark for the prize of the high calling of God in Christ Jesus.

In light of that thought be reminded of the need to continue to think, pray, plan, and implement ways of reaching Jerusalem, Judea, Samaria, and the uttermost part of the earth.

The convention emphasis for 1990-91 is "WITNESSING/GIVING LIFE". This is a five year emphasis calling for commitments by Southern Baptists to grow in Christian witnessing and giving. This involves a lifestyle response that makes it possible for the believer to most effectively present Christ to a lost world and to make a Bold Mission Thrust to witness to that world.

"WITNESSING/GIVING LIFE" will be the theme of the second annual Evangelism Conference to be held again at Millers Creek Baptist Church on October 22 and 23. Guest speakers on Monday night will be Dr. Bobby Sunderland of the Home Mission Board and Dr. Charles Fuller, Pastor at the First Baptist Church in Roanoke, Virginia. Singers for Monday night will be the Wilkesboro Baptist Church Choir and Mrs. Anna Marie Bengé of Welcome Home Baptist Church. Guest speakers on Tuesday night will be Dr. J. W. Hutchens, Director of our State Convention Evangelism Department and Dr. Mark Corts, Pastor of Calvary Baptist Church in Winston-Salem. Singers for Tuesday night will be Mrs. Leslie Speas of Mt. Pleasant Baptist Church and a choir composed of several churches of our association. We trust that this will be just what our churches will need to help to keep us all motivated to be about our Father's business.

Ken Jones

## BAPTIST CHILDREN'S HOMES REPORT

For 105 years Baptist Children's Homes of NC has been giving children a chance at life. This year we formalized that phrase into our first state-wide fund-raising campaign.

The "Give a child a chance!" Campaign seeks to raise \$11 million over three years to expand Cameron Boys Camp, boost general operating income and increase endowment.

We will also be able to begin a before and after school care program in Davidson County, to give security to children of working couples, who won't have to go home to empty houses anymore.

Some of the new endowment earnings will increase training to help staff deal with ever changing needs among the 1,000 children and families they serve each year.

Baptist Men of North Carolina have agreed to build the new Tommy and Jeanie Eller Chuckwagon at Cameron, saving approximately \$75,000 in construction costs.

Children's hopes also were bolstered by the return of the Thanksgiving Offering voted by messengers to the 1989 State Convention. While suffering through its 12-year absence, BCH lost more than \$1 million in revenue.

In the change from a Homes and Hospital Offering to the Thanksgiving Offering, BCH will go 18 months without a special collection, a period that encompasses more than an entire fiscal year. For the past five years that special collection has meant \$400,000 to the ministry, a sum that will be difficult to make up in the 1990-91 budget. Some churches, aware of the difficulty, have promised to begin receiving the Thanksgiving Offering in 1990.

The Cooperative Program continues to anchor our budget planning from the churches. We urge renewed commitment to cooperative giving among our North Carolina churches. It is essential, not only for us, but for the entire missions enter-

prise built painstakingly for a century and a half. Baptist Children's Homes receives \$1.5 million from Cooperative Program receipts each year. That is the stackpole around which we build our other income planning. A decrease in Cooperative Program dollars to Baptist Children's Homes would seriously jeopardize our ability to care for children.

In August, BCH signed an agreement with Gaston County Department of Social Services to operate two emergency care homes owned by the county. That raises to 11 the number of emergency care homes BCH operates. That service, in which a child at risk of abuse or neglect can receive shelter right away, is the service most in demand throughout the state. Children stay a maximum of 60 days while BCH works with the custodian to determine a long-term plan of care.

In 1991 BCH will celebrate the 20th anniversary of the founding of Broyhill Home, our westernmost campus, in Waynesville/Clyde. With the help of J.E. Broyhill and his family, the home was opened in 1971 on 91 hilly acres. It has capacity for 48 children in group care and for eight girls in emergency care.

Baptist Children's Homes has a 105-year history. But its history is just the knot that ties it to a boundless, unbroken ribbon of promise that stretches beyond the future to wrap children and families with eternal blessings.

### WHAT IS THE QUESTION?

A preacher once entitled his sermon, "If Christ Is the Answer, What Is the Question?" The sermon had three points. "How can I live with myself?" "How can I live with others?" "How can I live with God?"

Your Baptist colleges attempt to confront students with life's most important questions:

What is the purpose and meaning of the created order?

How will I spend my one life?

How should I measure success?

How much is enough?

How can I best serve God and my fellow human beings?

The best gift churches and parents can give to their youth is a college education where Christian people are seeking answers to truly important questions. The Baptist college experience provides challenges and opportunities, in and out of classes, for young people to become whole, healthy persons both intellectually and spiritually. People who can think clearly about life, including faith and vocation, are the kind of persons needed to establish homes, grow churches and build a better world.

Colleges educate. Churches call persons to faith and encourage spiritual growth. Colleges and churches, then, have distinct roles. Baptist colleges lead students to link learning with faith to produce whole, mature men and women equipped for a lifetime of learning and service.

**No question about it, Baptist students and Baptist colleges belong together!**
