Be Dedicated to the Memory of**

Mr. R. Kyle Hayes

A farmhouse in the Purlear Community in rural Wilkes County was the birthplace of Kyle Hayes on October 4, 1905. His parents were Charlie Clayton Hayes and Flora Ida Huffman Hayes. He attended elementary school at Purlear, New Hope and Belleview. After graduating from these local public schools, he attended Millers Creek High School and graduated from Wilkesboro High School. School terms then were shorter than they are now, and his summers were spent working on his parents' farm. A few local roads were being improved, and he worked on some road construction jobs to earn money for his education. He attended Appalachian State Teachers College for two years. Deciding he wanted to pursue a legal career rather than being a teacher, he transferred to Wake Forest College (now Wake Forest University). He graduated with an LLB degree in 1931. He was admitted to the bar and, immediately after graduation, opened his office for the practice of law in North Wilkesboro. In 1932, he married Margaret Smithey and they made their home in Wilkesboro. In 1937, Kyle formed a partnership with his younger brother, Clyde, and continued as the senior partner in the law firm of Hayes and Hayes until his death.

During World War II, Kyle served in the U.S. Marine Corps, in which he enlisted on August 20, 1942. He was stationed at bases in California, South Carolina and Florida, and was discharged on November 8, 1944 with the rank of Staff Sergeant.

Returning home after the war, he was admitted to practice in all courts, including the Supreme Court of the United States. He was active in many outstanding legal associations, serving in positions of leadership, including the Board of Governors of the North Carolina Bar Association. He was also active in politics, and was his party's candidate for Lt. Governor in 1948 and for Governor in 1956. During the latter campaign, one of the things he advocated was that community colleges be established within driving distance of every student in the state. Although he was not elected, it was not long before community colleges were established throughout the state. Later, he served on the Board of Trustees of Wilkes Community College and the Board of Advisors of Gardner-Webb University. In 1970 he earned the JD degree from Wake Forest.

Kyle was past president of North Wilkesboro Kiwanis Club and Wilkesboro Business and Professional Men's Club. He was a Mason, Shriner, a member of the Elk's Lodge, Moose Lodge, the Junior Order and Knights of Pythias. He engaged in the retail furniture business, hardware business, cattle farming and the raising of Tennessee walking horses. He was the former president of Northwestern Finance Company and the owner of N. B. Smithey Stores Co., Inc.

Almost anything that was old or had local historical significance was a special attraction to Kyle. Opening the restored portions of the Smithey Hotel and the old law office on Court House Square so younger people could see how things used to be gave him much pleasure. He seemed to enjoy reminiscing with his many friends and acquaintances. He was especially proud to make available to public view the exhibits in the Kyle Hayes Transportation Museum which was opened only a few months before his death.

During his early years, the Hayes family attended New Hope Baptist Church just over the hill from their home. There Kyle made his public profession of faith on August 1, 1920, and was baptized in Lewis Fork Creek. He moved his membership to Wilkesboro Baptist Church on December 16, 1934 and was ordained as a deacon on October 3, 1965. From 1947 to 1970 he served as assistant teacher of the Young Men's Sunday School Class. This class was named the Johnson J. Hayes Men's Bible Class in 1970, and Kyle was the teacher from that date until 1988. During those years the Sunday School lessons from this class were broadcast on local radio. This allowed him to share his faith with thousands of listeners each Sunday morning. His lessons were Biblically based and were sprinkled with accounts of his personal experiences. His special dry wit made his presentations memorable to all who heard them.

His death came on January 3, 1994. To his memory we dedicate this annual.

UPDATE OF THE HISTORY OF HINSHAW STREET BAPTIST CHURCH

The history of Hinshaw Street Baptist Church was printed in the annual Minutes of the Association in 1986. The period prior to that date will not be addressed in this update. I want to thank Mrs. Nancy S. Gambill, Clerk of Hinshaw Street Baptist Church, for providing some of the information upon which this update is based.

The missions organizations at Hinshaw Street have been quite active during the period. Children's Bible Drill teams were organized in 1987 and they participated in local drills in 1992 and 1993. A Baptist Young Women's organization was formed in 1987, and Brotherhood organizations for RA's, Baptist Young Men and Baptist Men were formed in 1988. Organizations are now in place to provide opportunities for service to all age groups of men, women, boys and girls. An "old fashion day" was observed to celebrate the centennial of WMU.

The Baptist Young Women traveled to Red River Gorge, KY to teach a mission Vacation Bible School in 1989. The following year, WMU and Brotherhood members returned to the mission field in Kentucky, delivering clothing and supplies, and performing repairs that were needed on the mission church.

Hinshaw Street Baptist Church participated in the Here's Hope simultaneous revivals. Discipleship Training has been started and has grown during the past three years. Children's Church, for toddlers through second graders, has been started to provide services at a level to which they can relate. Back yard Vacation Bible School was conducted this summer, and a Team Kid Club is being organized to reach out to the unchurched children in the community.

A church directory was published in 1987. The next year, some of the offices for church staff were relocated and refurbished. The pastorium was sold. The sanctuary underwent a total renovation, including the installation of stained glass windows, in 1991. The next year, new furniture was provided for the pre-school and nursery departments. The Fellowship Hall was renovated and air conditioned. In 1993, a new parking lot was completed, as well as the third floor of the Education Building. The church was legally incorporated.

Rev. Richard Moretz served as pastor until June 30, 1990. Rev. Warren Kerr served as interim pastor until August, 1991, when Rev. James E. Horton accepted the call to become pastor. In 1992, Glen Moore was licensed to preach, and was elected as Associate Pastor. He was soon ordained, and now serves as Youth Pastor.

Those serving as Sunday School Director have been Rex Brown (1986), James Sullivan (1987-1988 and 1990-1994) and W. Len Moore (1989). Mrs. Elaine Michael was Church Clerk until 1992, at which time Mrs. Nancy S. Gambill accepted the position.

Church membership has remained stable throughout the period. Although fluctuating somewhat from year to year, total membership in 1993 was 519 - exactly the same as it was in 1986. The trend in Sunday School enrollment and attendance has been downward - from an enrollment of 273 in 1986 to 223 in 1993. Average Sunday School attendance has declined from 130 in 1986 to 121 in 1993.

The value of the church property is estimated to be \$1,000,000.

UPDATE OF THE HISTORY OF OAKWOODS BAPTIST CHURCH

The history of Oakwoods Baptist Church was printed in the annual Minutes of the Association in 1986. Events occurring prior to that date will not be discussed in this update. My appreciation is expressed to Mrs. Linda Revis, History Committee Member, for providing notes upon which part of this report is based.

The rapid increase in housing developments in the community and the resulting increase in attendance at church services has brought about many changes in the ministries and facilities at Oakwoods. The church adopted a constitution and by-laws in 1988 and revised the by-laws in 1992. The "Here's Hope" simultaneous revival and the Bailey Smith Crusade were supported. In 1992, an early morning worship service was added to the Sunday schedule. The Baptist Young Women's group was organized in 1994.

After learning of needs through the Brazil Partnership, the congregation was moved to contribute towards the purchase of land on which a church would be built in Sao Paulo, Brazil. In 1992, another contribution was made to help purchase a car for use by the Brazilian Baptist workers. Several members went on a mission trip to New York in 1992, and in 1993 the church started regular financial support of Wilkes Prison Ministry.

Remodeling and revising the church building have been ongoing projects. Columns were added at the front. The parking lot has been enlarged twice. The library was moved to a larger room. The inside of the church building was remodelled and the basement in the parsonage was finished. A sign was purchased to be placed near the road. More outdoor lights were installed. A room was set aside as a prayer chapel. A new roof was installed on the sanctuary and fellowship hall. A planning committee for a new building was elected in 1991. The next year, a half-acre of land was purchased and an architect was engaged to draw plans for a new sanctuary. The plans were reviewed by experts at the Baptist state office, and the congregation has approved the continuation of the preparation for the construction phase.

Rev. Dale Ellenburg resigned as pastor in December 1987, and Rev. Hunter Church was approved as interim pastor. He served until April 1988, when Dr. Buddy Moore was called as pastor. Dr. Moore announced his resignation in September 1989, and Rev. Robert Duncan accepted the call of the church, beginning his service as pastor on January 7, 1990. He continues to serve in that capacity. Rev. Wayne Osborne was called as associate pastor and Minister of Music in 1994. Melanie Mangum was employed as the part-time church secretary in 1987. She resigned in February 1989 because she was moving out of town, and was succeeded by Gail Welborn. The

secretary's hours of employment have been extended several times, and are now six hours a day.

Keith Miller was ordained as a deacon in December 1988; J. V. Reins in October 1989; John L. Jones, Steve Hauser and Kenneth Johnson in September 1990; Danny Johnson in October 1991; and Bruce Johnson in November 1993. Others, already ordained, who have been elected during this period to serve as active deacons include Tom Wyatt, James L. (Peannie) Anderson, Gwyn Church, Mayford Johnson, David Elmore, and Monty Mathis.

Sunday School Directors who have served during the period included in this update are Conley Johnson (1986), Carl McCann (1987-1991) and Danny Johnson (1992-present). Linda McCann was Church Clerk in 1986, Ina Reins in 1987 and 1988, and Pat Wyatt from 1989 until the present.

Church membership has almost tripled during the six-year period, growing from 191 in 1986 to 558 in 1993. Sunday School enrollment grew from 187 in 1986 to 298 in 1993, and average attendance increased from 118 to 210 during the period.

The present value of church property exceeds \$1,100,000.

CONSTITUTION

PREAMBLE

We, the Baptist Churches of the Brushy Mountain Baptist Association, unite according to the plan and for the purpose and work of New Testament churches in our world. To this end and according to the following articles, we cooperate to the fullest extent possible with the State and Southern Baptist Convention and subscribe to the principles of the 1963 Baptist Faith and Message statement.

ARTICLE I - NAME

This body shall be known as the Brushy Mountain Baptist Association of North Carolina.

ARTICLE II - PURPOSE

It shall be the purpose of this Association to consider and promote measures for increasing the harmony, the knowledge and the spiritual life of the churches and for developing and directing their energies and their contributions in the advancement of Christ's kingdom throughout the earth, always in harmony with the teachings of the New Testament. This Association shall be an auxiliary of the North Carolina Baptist State Convention and the Southern Baptist Convention in all their missionary, educational and benevolent work.

To accomplish this purpose, the association shall seek to: (1) enhance the fellowship among member churches; (2) present the Gospel of Jesus Christ to everyone in our area; (3) encourage and facilitate church growth and development and provide other services to the churches; (4) coordinate mission ministries in our area and promote cooperation in state, home and foreign missions; and, (5) provide an additional channel by which member churches may interact with Southern Baptist agencies and institutions.

ARTICLE III - MEMBERSHIP

SECTION 1. The Association shall be composed of cooperating Baptist churches desiring to affiliate with it. Any church desiring to become a member of the Association shall present, through messengers chosen for that purpose, its request for membership on APPLICATION FOR MEMBERSHIP form provided in the minutes along with a UNIFORM ASSOCIATIONAL LETTER provided by the clerk, at any annual session of the body. The moderator shall refer the application to the Committee on Membership for study and investigation. The church shall maintain for the year the status of associate membership until the committee makes its recommendation. If favorable, it will be received into full membership with all the rights and privileges at the next annual session. If the Association then votes to receive the church, the moderator shall extend the hand of fellowship to the messengers.

SECTION 2. The Association shall be sole judge of its membership and may receive churches, or reject churches,

according to its Constitution and Bylaws. Member churches may withdraw from the Association as they desire. Any church in the Association which fails to cooperate with the Association shall, upon the recommendation of the Executive Committee of the Association, be contacted by the Membership Committee to determine the intentions of the church regarding its remaining in the Association.

A cooperating church shall be defined as one which sends an annual report to the Association and messengers to Associational meetings, and contributes to the financial program of the Association.

SECTION 3. The Association shall withdraw fellowship from any church in its membership which shall be found to be disorderly in faith and practice, but not written charges are brought against it, which charges shall have been authorized by the official act of the church offering the same, or by the Membership Committee of the Association. Thereafter, any such charges shall be carefully considered by the Association at its next annual session.

ARTICLE IV - MEETINGS

SECTION 1. The Annual Session of the Association shall be held on Monday and Tuesday following the first Sunday in October.

SECTION 2. The Mid-Year Meeting shall be held on Monday following the first Sunday in April.

SECTION 3. The Association may be called into special session, if necessary, by a majority vote of the Executive Committee, provided the churches are given two weeks' notice and announcement of the purpose of the meeting.

SECTION 4. In case of emergency, the Executive Committee shall have the authority to change the time and/or place of meetings, and shall be responsible for providing churches with sufficient notice of change.

SECTION 5. Each church is entitled to be represented by its pastor, other ordained ministers holding membership in the church, and such additional messengers as will permit a total of 10 messengers. Churches with more than 500 members are entitled to an additional messenger for each 100 members more than the initial 500. Messengers shall be elected annually for all Associational meetings. It is suggested that at least five of the messengers be leaders of individual church organizations.

2. Welcome was extended to the 186 messengers and visitors representing 35 churches by Rev. Robert Duncan, pastor of Oakwoods Baptist Church.
3. The congregation joined in singing "To God Be The Glory" led by Morris Driggers accompanied by Mrs. Pat Faw at the piano.
4. Rev. Paul Hugger, Welcome Home Baptist Church, read scripture from John 13 and led in prayer.
5. Rev. Al Andrews, Chairman of the Program Committee, moved the adoption of the Order of Business with any necessary changes that may be needed. Seconded, adopted.

BUSINESS SESSION

- A. The Memorials Committee Report was given by Mrs. Alene Whittington who read the list of deceased. There was a total of 105 deaths.
- B. The Dedication of Annuals Report was given by Rev. E.W. McMurray and stated that the committee had selected Kyle Hayes. The report was seconded and adopted.
- C. Rev. E.W. McMurray gave the Place and Preacher Committee Report, seconded, adopted.
- D. In the absence of Chairman Paul Holbrook, Rev. Jim Gore moved the adoption of the Finance Committee Report. Seconded, adopted.
- E. The Treasurer's Report was given by Mrs. Teresa H. Taylor.
- F. Dr. Jimmy Hubbard gave the Ordination Report and stated that three men had been ordained.
- G. The Properties Committee Report was given by Mr. Clyde Bumgarner, Chairman.
- H. Director of Missions, Lawson Horton, moved the adoption of the 1994/1995 Calendar with any changes necessary to be made. Seconded, adopted.
- I. The Associational Historian, George McNeil, gave the histories of Hinshaw Street Baptist Church and Oakwoods Baptist Church. He also urged every church

to have their records microfilmed at Wake Forest University Library. He also stated that the Associational History Committee was working on a book for the association's 125th anniversary in 1996.

- J. In the absence of Carlton Waddell, Moderator Speas stated that the School of Christian Studies Report was printed in the Book of Reports.
- K. Dr. Jimmy Hubbard gave the Evangelism Report with emphasis on the 1995 "Here's Hope, Share Jesus Now" and "Here's Hope, Jesus Cares for You" revivals. The suggested date is April 2-9 although churches can hold their revival anytime between March 12 and September 30, 1995. He introduced Lawson to introduce the "Here's Hope" speaker, Larry McElreath, Director of Personal Evangelism for the Baptist State Convention.
- L. The congregation joined in singing "We Have Heard the Joyful Sound" led by Morris Driggers accompanied by Pat Faw at the piano.
- M. Mr. Larry McElreath spoke on "Here's Hope" and stated that he felt a sense of cooperation. He read Romans 16:16 and stated that the "Sixty days of Soul-Winning" begins by making friends. Acts 1:8 "You and I Shall Be Witnesses", "You and I do not witness on our own-the Holy Spirit helps us". "Share Jesus Now" gets us to be "doer's". In 1990 we had Simultaneous Revivals. In 1995 we will have Simultaneous Revivals again but with sixty days of witnessing January 9-March 9. During the Simultaneous Revivals, baptisms go way up. Churches need to set goals for baptisms, Sunday School enrollment, etc. We are not called to just sit, we are called to work. "God will bless our availability". Churches need to offer training to members to witness. Make evangelism a priority. (1) Spirit of love and friendliness, a user friendly climate; (2) Spirit of expectancy, expect something to happen; (3) A sense of urgency; (4) Awareness of the supernatural, God grows a church; (5) A team spirit; (6) A vision; (7) A positive attitude; (8) Have evangelistic prospects.

Too many churches have "come here" mentality instead of "go out" mentality. Each church prospect file should equal Sunday School enrollment, "we are not soaring". According to the Home Mission Board, 180 million people are not Christians. In 1994 50% of North Carolina residents were not affiliated with any church. In 1993 26.8% of Southern Baptist Convention churches offered Witness Training and 893 North Carolina churches had zero baptisms. Less than 30% have visitation programs. Existing churches stop growing after ten years. Church budgets do not budget for evangelism. "We as Christians are not "Hell conscious". Mr. McElreath stated that excitement was building for the "Here's Hope" revivals. We are going to have great media in

1995 during prime time TV. Include children and youth, nineteen out of twenty people who become Christians, do so before age twenty-five. One in 600,000 will be saved at age sixty-five. "Here's Hope" is a chance to act, not react. "We need to be fat in the Lord" - faithful, available, teachable. It takes forty of us to baptize one person. "Our problem is that we put more importance on our title than our testimony."

- N. Morris Driggers, Wilkesboro Baptist Church, sang "Who Will Be Jesus?" accompanied by Mrs. Pat Faw at the piano.
- O. The congregation joined in singing "God of Grace and God of Glory" led by Morris Driggers accompanied by Mrs. Pat Faw at the piano.
- P. Mrs. Linda Bentley moved that the Committee on Committees Report be adopted, seconded, adopted.
- Q. Rev. Ken Pardue moved the adoption of the Nominating Committee Report, seconded, adopted.
- R. Mrs. Elizabeth Billings gave the General Board Report. In December of 1993 she became a member of the General Board and stated that if she could be of service, to please give her a call.
- S. No miscellaneous business

END OF BUSINESS SESSION

- 6. Rev. Roy Holder was introduced to speak on Church Extension. Brushy Mountain Baptist Association increased in number and in amount given. In 1993 twenty-two churches contributed to the NC State Missions Offering. He stated that Foreign Missions and Home Missions are important, but that our State Missions are also important. In 1993 Brushy Mountain churches gave \$12,027.86 to State Missions.
- 7. Rev. Robert Duncan gave the Sunday School Report. He stated that there had been two workshops held. Phil Stone from the Baptist State Convention led one at Welcome Home Baptist Church. A Sunday School teachers workshop was held at Millers Creek Baptist Church with good attendance at both workshops. He urged support for our new Sunday School Director, Larry Farthing.
- 8. Mrs. Gladys Walker, Assistant Associational WMU Director, gave the WMU Report. She stated that October 9 would be World Hunger Day for our association and that it would benefit Wilkes Cares. The Foreign Mission Study this year will be "Growing and Serving with Baptists in Europe". Baptist Women's Day of Prayer will be held on November 2. The WMU theme this year is "A Time To Grow" (I Thessalonians 3:12). Mrs. Walker stated that they want to make this year a time to grow and asked everyone to pray for each other and for the WMU members, churches that do not have WMU, and the missionaries. She challenged all churches to grow in '94-'95 and stated that there are people in the association to help with all age levels.
- 9. Mr. Kirk Walker gave the Brotherhood Report. He stated that they have several ministries underway: Race Fan Ministry, New York Partnership, the RA Jamboree, and the Apple Festival. He

- stated that they had had the largest crowd ever at the racetrack ministry.
10. The Music Report was given by Rev. Morris Driggers. He stated that after sending out a survey twice, that he had only received responses from the following: Kay Steelman, Cub Creek; Randy Abernathy, Edgewood; Francis Woodie, Greater Vision; Kent Burchette, Lewis Fork; and Louis Elledge, Little Rock. He announced that the associational choir would be singing and expressed his appreciation to Mrs. Pat Faw for playing the piano.
 11. Moderator Speas recognized our guests: Mr. Bill Morrow, Baptist Children's Homes of NC.
 12. Being ahead of schedule, Moderator Speas asked that the congregation sing "Amazing Grace" led by Morris Driggers accompanied by Mrs. Pat Faw at the piano.
 13. Rev. Robert Duncan gave the directions and the benediction for the evening meal.

EVENING SESSION

14. Moderator Speas reconvened the meeting at 7:00 p.m. to the 220 messengers and visitors present, representing 36 churches. He expressed appreciation to Rev. Duncan and Oakwoods Baptist Church for the meal and their hospitality.
15. Welcome was extended by Rev. Robert Duncan.
16. The congregation joined in singing "I Love to Tell the Story" led by Morris Driggers accompanied by Pat Faw at the piano.
17. Rev. David Byrd read scripture from II Corinthians, chapters 2 and 3 and led in prayer.
18. Director of Missions, Lawson Horton, introduced the new pastors and staff in our association as follows: Rev. Steve Church (Beaver Creek), Rev. Nelson Granade, Jr. (First Baptist, North Wilkesboro), Rev. Earl Adams-Interim (Fishing Creek), Rev. Larry Adams (Gordon), Rev. Glen Moore-Associate Pastor and Minister of Youth (Hinshaw Street), Mr. Chris Lakey-Minister of Youth (Lewis Fork), Rev. Robert Earl Webb (Little Rock), Rev. Shannon Critcher-Minister of Youth and Children (Millers Creek), Rev. David Byrd (Mt. Zion), Rev. Wayne Osborne-Associate Pastor (Oakwoods), and Rev. Clifford Jones (Shady Grove).
19. The Associational Choir sang "The Name of Jesus" led by Morris Driggers accompanied by Mrs. Pat Faw at the piano.
20. Rev. Bill Morrow of the Baptist Children's Homes of NC (BCH) came to speak to the association. He stated "Children were and are precious to Jesus". Some children have come into the BCH very hungry and mal-nourished. One eleven year old, Kevin, that came was in second grade, had a speech problem and was very hungry. While at BCH, Kevin grew physically, mentally and spiritually. At age 13, he accepted Jesus. He is now out on his own and supports his family because of people who care and give of their resources. Poverty affected 320,000 children in North Carolina in 1993, 41 died of abuse and neglect. "North Carolina is never going to move ahead if we leave our children behind because children are precious to Jesus." He stated that BCH could not survive if NC Baptists did not give to the Thanksgiving Offering. Rev. Morrow extended an invitation to come and visit the campus of the BCH. They served 1,469

children in 1993. A young girl from a broken and alcoholic family came into BCH's care a very sad little girl. As the mother improved, the little girl could visit with her mother on weekends and then the mother died. The little girl was broken hearted. Later the little girl was saved and her father came to see her baptized. As a result, he was also saved and baptized. The father and little girl became a family.

21. Rev. Jim Gore gave a report on our 1994 World Missions Conference that was held in May. He stated that one-half of the churches in our association participated. We had an excellent conference and outstanding missionaries. Attendance averaged 73 people per night. Each church was able to hear four or five missionaries. If we have another World Missions Conference, he urged each church to participate. It would be held in 1998 or 1999.
22. The Associational Choir sang "People Need The Lord" led by Morris Driggers who also sang a solo part, accompanied by Mrs. Pat Faw at the piano.
23. Dr. Paul Brunner brought the evening message "Jesus: Who Is He For You?" The scripture text was Mark 8:27-35. (1) Jesus is the manifest of God in human form (the flesh). Jesus is called Lord 250 times in the Bible. (2) Jesus Christ is the Lamb of God slain for the sins of the world. (3) He's the One who asks us to take up our cross and follow Him. (4) He is the One who conquered death. All we need, the Bible says, is Jesus.
24. The congregation joined in singing "How Firm a Foundation" led by Morris Driggers accompanied by Mrs. Pat Faw at the piano.
25. Rev. Bill Yates was introduced to speak about the NC Baptist Hospital. He stated that he senses fellowship, trust, and friendship in our association. He stated that there is a new 800 phone number to get an appointment and also that pastors can receive up to a 25% discount. He stated "gratitude is incomplete unless it is expressed." The hospital logo consists of a cross (recognition that all healing comes from God) and a pair of hands in the upward position (prayer is important to Baptist Hospital), "Touching lives with hope." There are presently 15-25 chaplains at the hospital - one on call every day, every hour of the day. Rev. Yates thanked everyone for their contributions to the Mother's Day Offering which totaled \$425,000 in 1993 - 100% of the offering goes to help people.
26. Oakwoods Baptist Church Choir sang "Jesus Is Alive and Well" and "Steppin On The Clouds" led by Rev. Wayne Osborne.
27. Director of Missions, Lawson Horton, gave his report. He introduced his wife, Carolyn. He read scripture from James 4 and stated "We have not, because we ask not". He prays and asks God to give him wisdom and he asks for help from the people and churches in our association. We made our need known for a FAX machine and a man donated one. We needed cabinets and a man in our association volunteered to make the cabinets and another man provided the materials. We need volunteers to give of their time in our mission projects. He thanked everyone for giving of their time and the churches for their financial support. DOM Horton made the announcement that he is going to participate in the "60 Days of Witnessing." The Simultaneous Revivals are a great time to reach people. He spoke of the need for a Multi-family Housing and Hispanic Ministry. 95% of people who live in multi-family housing do

not attend church. At least two churches in our association are involved in doing a multi-family housing ministry. Another church is involved in an Hispanic ministry. The association exists because of you and the churches. The association is called to provide the resources to help people reach people for Christ. He thanked everyone for their support.

28. Rev. Clifford Jones gave the benediction and the meeting adjourned at 8:50 p.m.

SECOND DAY

29. Pre-session music was provided by Rev. Morris Driggers and the Wilkesboro Baptist Church Ensemble accompanied by Mrs. Pat Faw at the piano.
30. The second day of the 123rd Brushy Mountain Baptist Association Annual Meeting was called to order by Moderator Rick Speas at 7:00 p.m. at Hinshaw Street Baptist Church.
31. The congregation joined in singing "Victory in Jesus" led by Morris Driggers accompanied by Mrs. Pat Faw at the piano.
32. Rev. Steve Church, pastor of Beaver Creek Baptist Church, read scripture from Colossians 3:10-17 and led in prayer.
33. Welcome was extended to the 141 messengers and visitors representing 34 churches by Mr. Don Wachter, Deacon at Hinshaw Street Baptist Church.
34. Rev. O.D. Martin, NC Partnership Director with the Baptist State Convention, was introduced by Moderator Speas to give us a report on the Ukraine Partnership. He stated "We are a people of missions", "We are a missionary people", "Baptist are missionaries." Communication, transportation and financial resources have enabled us to be in partnerships with other groups. Over 2500 North Carolinians went to Sao Paulo, Brazil during our five year partnership. Our association is now in partnership with New York and the Ukraine. Every house in the Ukraine has electricity, but does not have running water. A small group of Baptists started making a difference - services and baptisms had to be done in secret. In 1991 the Ukraine opened and found out they had 1300 churches (only 80 had buildings). NC Baptists were asked to do three things: (1) help build churches, (2) Help build a seminary building, and (3) help support 100 missionaries. Mission groups go from April to October. NC Baptists have the opportunity to change the face of the Ukraine. We have the opportunity to tell people who have never heard the name "Jesus" about Christ.
35. Mrs. Lesley Speas sang "Each One Reach One."
36. Rev. Ken Pardue, pastor of Stony Hill Baptist Church, brought the evening message. The title of his message was "A Church of Persuasion." His scripture was I Corinthisans 1:10. "Church - be of the same mind, but reach out and persuade someone." We need to be an association of churches of one accord. It's easier to disagree than to agree. We must be a church that believes the Bible and goes out to win people to Christ. Philippians 1:27 and 2:2 - "Being of one accord and one mind." Jesus is counting on us to tell the story and be of one mind. It will take 56 people to win one person to Christ in our association. Rev. Pardue issued a challenge to the churches to go out and tell the story. (1) To know the terror of the Lord, God has a plan to bring judgement on this world; (2) To go out

and tell the story with zeal; (3) Go out like a lawyer to a jury to persuade them; (4) To go as a mother would for her children. "More men have been won by the preaching of the terror of God than of the love of God." We must tell people they are sinners, of the shortness of life, about Hell. We should persuade men to prepare. Challenge - "If the Lord doesn't come between now and next October, let the Book of Reports show an increase in baptisms."

37. The congregation joined in singing "I Am Thine, O Lord" led by Morris Driggers accompanied by Mrs. Pat Faw at the piano.
BUSINESS SESSION

- A. Miscellaneous business - Max Freeman is not a trustee of the association as stated on page 3 of the Book of Reports.
- B. DOM Lawson Horton announced that the associational office now has two more colors for the Risograph, green and red. Churches are welcome to use these for Christmas publications. He also announced that we have not been on the radio since July 30, but that we will be back on as soon as the WKBC finishes their renovation.
- C. The Resolutions Committee Report was given by Mrs. Wilma Sue German as follows: The Resolutions Committee has received no resolutions from anyone during this annual session of the Brushy Mountain Baptist Association for our consideration.

THEREFORE, the committee offers the following:

WHEREAS, we have had a wonderful and fruitful meeting in this annual session,

BE IT THEREFORE RESOLVED that we express our gratitude to the families of both host churches, Oakwoods Baptist Church and Hinshaw Street Baptist Church for their Christian hospitality extended to both messengers and visitors at the sessions.

BE IT ALSO RESOLVED that we express our appreciation to the Program Committee, and all those program participants; especially the Moderator, Rev. Rick Speas, for his guidance during the year and the manner in which the program was expedited.

BE IT ALSO RESOLVED that we express our Christian love and appreciation to our Director of Missions, Rev. Lawson Horton, for his work and leadership during this past year.

AND FINALLY BE IT RESOLVED that we express our gratitude and appreciation to Mrs. Teresa Taylor, Associational Secretary, and volunteers who have worked at the associational office. Special thanks to Mrs. Taylor for her dedication in compiling and editing the program for the annual meeting.

- D. The Moderator's Report was given by Moderator Rick Speas. He commended and thanked everyone in the association for their help and willingness to serve. He thanked the people for their response to his request for flood relief help for Newton, Georgia, which is his wife's home town. He thanked

Lawson and Carolyn Horton for all of their help during his time as Moderator. He also thanked the associational secretary, churches and workers for all of their work. Moderator Speas stated that it had been a joy and honor to serve as Moderator. He gave his church, Mt. Pleasant Baptist Church, a special thank you. He issued a challenge, using scripture from Matthew 5, to everyone at the meeting. "We are the Light to the world - it is to be lifted up!" We are to lift up Jesus. Moderator Speas made a challenge to everyone to let our light shine for Jesus. "There's a world of people who need Jesus - you are the light of the world - go shine!"

END OF BUSINESS SESSION

38. For our benediction the congregation sang "People Need the Lord" led by Morris Driggers accompanied by Mrs. Pat Faw at the piano and the meeting adjourned at 8:30 p.m.

We had a total of twenty-one honor clerks out of forty church clerks. These clerks had their church letter into the associational office by the deadline date with every blank filled, all totals correct, and all dollar figures rounded to the nearest dollar. Each of these clerks will be receiving a Certificate of Recognition (sent to the pastor) and have their name printed in the associational minutes. Their accuracy and promptness makes our job much easier.

DIRECTOR OF MISSIONS REPORT

It has been a rewarding experience to serve with the fine pastors and leaders among the churches of the Brushy Mountain Association. May I once again express my deep appreciation for the way the churches responded to my illness in November of this Associational year. Your prayers, personal contact, and financial support was tremendous. All of the concern that was shown to me and my family aided in the healing process. God answered your prayers and used your personal responses to bring encouragement.

During the year I have been able to visit every church at least once. I preached in revival services in three of our churches. I also preached in regular worship services at fifteen

of our churches. In some of the churches I preached more than once. It has been my privilege to have assisted in a deacon and pastor ordination, and to preach in the dedication service of a church building.

There were several events that occurred in the Association which included my participation. These events were the spiritual rallies that were conducted throughout the Association, the mission trip to the Calvary Christian Church in Buffalo, N.Y., team teaching the Home Mission Study, and attending the services in several churches during the World Missions Revival.

There have been many conferences and numerous committee meetings that I attended or conducted to help with my ministry in the Brushy Mountain Association.

It has been a good year in the Association. Your prayers, participation, and financial support has been a tremendous help. Thank you for your involvement. I look forward to the next Associational year with a spirit of humbleness and delight. God has much to show us. Let us look to Him, and then join Him in what He is doing. Let us remember that, "from everyone who has been given much, much will be demanded..." (Lk.12:48)

Lawson Horton

MODERATOR'S REPORT

As my time as Moderator of the Brushy Mountain Baptist Association comes to a close, I want to express my sincere appreciation to all who have given of their time, talents, and treasures to the ministry of the association. These two years have been challenging, educational, and rewarding. Perhaps the greatest blessing of the two years has been the people with whom God has given me the privilege to work. There are many dedicated men and women of God who have worked very hard and sacrificed a great deal to extend the association's ministry. For all of you who have meant so much to me and to the association, I say "thank you." Let me hasten to add, however, that I encourage one and all to continue in your ministerial efforts through the work of the association. There is yet much to be done in His kingdom's works.

A special word of thanks goes to Lawson Horton. His commitment and dedication to the Lord and to the association are unquestionable. I am grateful for the direction, guidance, and vision he brings to the ministry of the association as our director. In addition, a special word of gratitude is in order for Teresa Taylor for all she does as our association's secretary.

Once again this year our association has responded obediently to the call of our Lord to be "His witnesses". Our churches have answered that call in our own "Jerusalem" through various opportunities including Vacation Bible Schools and Backyard Bible Clubs. We have answered the call to go to "Judea and Samaria" by responding to needs in New York, Georgia and other states. The call to the "uttermost parts of the world" was answered with our continued involvement and ministry in Brazil.

Indeed, I am grateful for all that has been accomplished by each church and by each individual of the association. Now, we must look forward. There is much to be done. I am excited about the

"Here's Hope" revivals in the spring of 1995. I encourage you to pray for God's blessings through this effort.

Finally, I challenge each church and each individual of the Brushy Mountain Baptist Association to work diligently in the days ahead so the light of our Lord Jesus may shine brightly in this world of darkness. Simply stated, the challenge is pray, give, go, and work for the glory of God and for the edification of His church!

SUNDAY SCHOOL REPORT

We had two Associational Sunday School workshops this year. In March at Welcome Home Baptist Church we had a Pastor/Sunday School Director Workshop. Phil Stone, who is in the Sunday School Department of the State Convention, conducted our meeting. He led us in how to plan a good Sunday School. It was a great workshop! We had many Pastors and Sunday School directors in attendance.

Also in September at Millers Creek Baptist Church we had a Sunday School workshop for all Sunday School teachers. Denise Smith from Marion led our Adult teachers workshop. Joe London from Boone led our Youth teachers workshop. Susan Strickland from Burnsville led our Children teachers workshop. Wanda Foster from Lewisville led our Preschool teachers workshop. This was a great workshop. We had many Sunday School teachers in attendance.

YOUTH REPORT

On March 19, 1994 the Brushy Mountain Baptist churches sponsored "Youthquake". This event was held at the Walker Center estimated attendance was around 700. There were many decisions made for Christ. Follow up was done for children and youth who made decisions. "Youthquake" we hope will become an annual event.

On August 27, 1994 our association held a back to school bash for the youth. It was held at Millers Creek Baptist Church from 7:00 p.m. to 9:00 p.m.

PROPERTIES COMMITTEE REPORT

Since the beginning of the 1993-94 associational year, a few minor repairs and installations have been completed at the office and parsonage.

On Saturday, November 20, 1993 a work day was held on the associational property with four men participating. Leaves were raked and grass seeds were sewn. The total cost of work done on the buildings and property was \$1,039.59.

The parsonage will have a new furnace installed which will cost approximately \$2,300. The money for this project is being included in the 1994-95 budget.

There will be a need for another work day this fall. Churches will be notified if and when this date is determined.

WOMAN'S MISSIONARY UNION REPORT

God has blessed our association in many ways this past year. He has given us the courage and strength to try a few new things in which the outcome was certainly successful and a blessing to all who attended.

The G.A. Mother/Daughter Retreat at Blowing Rock was GREAT! The girls and their moms tell us they enjoyed it very much. Sandra Lane, our missionary, did a wonderful presentation about her trip to China. The girls were very attentive and asked many questions.

The Mission Friends Fun Day was also a GREAT success! All of the children and adults enjoyed this new experience for older Mission Friends. We would like this to also be an annual event.

We attended an overnight leadership training session at Caraway in July, using some of our time to plan and pray about the coming year and to fellowship together in the Lord.

September offers retreats for our Baptist Young Women, Baptist Women, and Acteens as well as a Leadership Workshop and Installation of Officers on September 22, at Hinshaw St. Baptist Church. October 9 is World Hunger Day - we will collect food for Wilkes Cares from 1:00 p.m. to 3:00 p.m. at Wilkesboro Baptist Church. November 7 is Baptist Women's Day of Prayer at Hinshaw Street Baptist Church from 6:00 p.m. to 7:00 p.m. (meal at 5:30 p.m.). Our Foreign Mission Study will be held on November 17 at First Baptist Church, North Wilkesboro from 7:00 p.m. to 9:00 p.m. (meal at 6:30 p.m.).

I want to THANK YOU for all the hard work you have done this year. I have truly been blessed in working with such fine, hard working Christian women and I thank God each day for the opportunity to serve Him in our Association.

Respectfully submitted,
Deborah Sullivan

BROTHERHOOD REPORT

This has been another busy year for Baptist Men in the Brushy Mountain Association. We have been involved in many mission projects this year in which we have helped further the gospel of our Lord Jesus Christ both locally and throughout the world.

Racetrack Ministry at N. Wilkesboro Speedway Baptist Men once again were at the racetrack at both the Fall and Spring races. We passed out flyers on Saturday afternoon throughout the campground inviting people to the services on Saturday night and Sunday morning. Baptist Men were also responsible for setting up the stage and getting the chairs to use in the service. We also had help from men and women in the Association in serving coffee on Saturday night and a continental breakfast on Sunday morning. Our speakers at the Fall race were Rev. Wade Ivy and Rev. James Horton. At the Spring race, Dr. Paul Brunner brought the message. The New Beginnings ministered with their music at services for both races. We would like to thank them for their ongoing support of this ministry. Groups from other churches in the Association also provided music at the various services. Attendance at the Sunday morning service once again exceeded 200. We praise God for the great opportunity He has given us here in the country to share His love.

North Carolina Partnership with New York Baptist Men continued their ministry at the Graffiti House in New York City this year with several trips to the city. The weekend before Thanksgiving, fourteen men and women took undergarments (T-shirts, thermal underwear, socks, gloves, and toboggans) to be distributed to the people throughout the neighborhood. In addition to passing out the undergarments and helping with the Free Lunch in the Park, these men and women helped clean Graffiti House and repair it to help keep out the rats!

Another trip was made to New York on the weekend before Christmas. Six men made this and took them over 1000 blankets to be distributed to the people in the neighborhood. Wilkes Cares donated over 150 of these blankets and donations from various churches in the Association purchased the others. We would like to thank each one who had a part in this ministry for their generosity and care for those less fortunate. On Saturday, we again helped with the Free Lunch in the Park and passed out the blankets in two different locations.

In April, Doug Rollins led another group to New York City. On this trip the Baptist Men built bunk bed partitions in the missionary, Pastor Taylor Field's apartment for his two boys and also built a storage loft at Graffiti House. Pastor Field and his family were very grateful for the work these men did. The materials for this project were donated by members of the Brushy Mountain Association and we sincerely thank you for your support of this ministry.

Baptist Men also sent money to Buffalo, New York to help with mission projects there. Once again, we thank each of you who had a part in this ministry.

RA Jamboree

On the first weekend in August, 140 men and boys assembled at

the W. Kerr Scott Lake for the 4th annual RA Jamboree. We would like to thank Lee Roy Church, Glen Moore, Tim Pierce, Terry Livengood, Harry Padget, Steve Call, and Dennis Love for helping plan another successful Jamboree. On Friday night, music was provided by Glen Moore and some of the youth from his church, Hinshaw Street Baptist. Lawson Horton was the speaker for the Friday night service. Saturday morning was filled with team work activities, physical activities, spiritual activities and a scavenger hunt. One profession of faith was made during the Jamboree and we praise God for that!

Work by Individual Brotherhood Organizations

Individual Brotherhood Organizations helped with many projects during the year. These are only a few of them that I am aware of:

Hinshaw Street Baptist: Doug Kerley led a group of men from the Association to Kentucky to help build a church there. These men worked there for about a week.

Millers Creek: Joe Hartzog led Baptist Men to Caswell for a week to do repair work there.

Liberty Grove: Tim Pierce led Baptist Men to repair the roof at Wilkes Cares.

I would like to personally thank all the churches that supported the Baptist Men this year. It has been a good year and I look forward to future projects. Again, thank you to all who have made these mission efforts possible.

Kirk Walker

ASSOCIATIONAL MUSIC REPORT

Being new in the position and relatively new in the association, I am not well equipped to report on the previous year. I will share some goals for the coming year. A survey has been sent out in order to learn of Music Ministry needs in the association. Music Directors are urged to complete this information and return it to the associational office as soon as possible.

Goals for 1994-95

1. Associational Music lending library beginning with 25 copies of "Here's Hope, Jesus Cares for You" Revival Choir Songbooks published for 1990 Simultaneous Revival Emphasis. Any music materials in good condition will be accepted.
2. Associational Music events, Associational Church Musicians Fellowship, Associational PraiSing, Associational Church Music Leadership Workshop(s).

ASSOCIATIONAL HISTORY COMMITTEE REPORT

At mid-year, the moderator appointed a nine-member History Committee to begin planning for an appropriate historical publication to mark the 125th anniversary of the formation of the Brushy Mountain Baptist Association which will be observed in 1996. At their first meeting, the committee agreed that they would like to publish a separate book to include narratives, tables, lists and pictures describing the growth of the Baptist activities and influence in this region from the time it was first settled to the present time. Information about the denomination, as well as about the earliest churches and associations in this region could be included. How the Brushy Mountain Association came to be during a time of turmoil and endured for 125 years can be explored. The activities, missions and ministries of the Association since its organization can be briefly described. Lists of churches that have been members of the Association, and lists of ministers who served those churches can be compiled. Tables showing the ups and downs in church membership and contributions can be updated. Perhaps we can locate pictures of some of the early leaders of the Association.

We hope to include a page or two about each church that is a current member of the Association. A picture of the modern buildings can be obtained. We can probably get a picture of old buildings used by many of our churches. A brief history, including lists of pastors, deacons, Sunday School Directors, etc. can be compiled for each church.

The things we first talked about would make a big book. We revised our list and now have a goal of about 200 pages. We are now struggling with the financial side of the project. To have books professionally printed and hard bound will be very expensive. We don't have that kind of money. Is there a demand for a book like this? Can we sell them if we have them printed? How many should be printed? These are some of the questions to which we are seeking answers, or at least indications.

We believe the history of Baptists in our local communities deserve to be preserved. We feel confident we can put together a book that will be meaningful. But we don't know how to pay for them, or what to do with them after they are printed. Think about it. Would your church buy one for your library? Are there a few members of your church who would buy one for their private collection? Cost is very dependent upon the number printed, but will probably run in the \$30 range.

You can help us tremendously by talking with a member of the committee during the next month or so, and helping us determine whether or not enough books can be sold to make the project self-supporting. Members of the committee are: Betty H. Church, Lawrence Critcher, John German, Bobbie Hawkins, Eula Little, Bill McKinney, George F. McNeil, Patsy Phillips and Laurel Shoupe.

BIBLE DRILL REPORT

Again this year, our children and youth Bible Drill participants did an outstanding job in the church, associational, and state drills. The following churches had seventeen children and youth advance to the Associational Drill held at Wilkesboro Baptist Church: Cub Creek, Goshen, Hinshaw Street, Liberty Grove, and Oakwoods. Many of those participants were eligible for the State Bible Drills held in Valdese and Lenoir. Again this year, our association had a Youth Bible Drill participant to advance to the State Finals in Salisbury. All these participants are winners for they made a sincere effort to learn more about God's Word.

Our Bible Drill motto is "Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth." 2 Timothy 2:15 It is imperative that our young people (and adults) become this kind of workman in order to live an abundant life and also reach others for Christ. God commands it.

Please pray for the 1995 Bible Drills, the participants, their parents, and their leaders.

EVANGELISM REPORT

The year 1993-1994 saw the chairman of evangelism move from our association. I was asked to fill out the year and accept the position for the next year. The work of the Evangelism Committee this past year included our ministry at the Apple Festival and the Fair. The main emphasis has been on the "Here's Hope Share Jesus Now" and "Here's Hope, Jesus Cares for You Harvest Revivals" in the spring of 1995.

We trust that every church in our association will participate in this revival effort in the spring of 1995. April 2-9, 1995 is the suggested date for the revivals in our association. However, you may have your revival anytime between March 12 and September 30, 1995.

Southern Baptist have the opportunity to reach our nation for Christ through this evangelistic effort. Let's get excited about "Here's Hope". Pray and participate. Call on your Evangelism Committee and our Director of Missions if we can be of any help to you in the area of evangelism.

VACATION BIBLE SCHOOL REPORT

Our associational Vacation Bible School team attended the state training conference at Millers Creek Baptist Church in February. We held the associational clinic at Wilkesboro Baptist on May 16. There were 17 churches represented with the total attendance of 78.

We appreciate the work of our associational team, and the

participation from the churches that were represented. This next year we want to have even better participation from the churches. Please enlist your workers by April 1, and have them ready to attend the clinic that will be held in late April or early May. Please let us know if any of our associational team members can assist your church in Vacation Bible School. We hope you will begin thinking and planning to have a great Bible school in 1995.

ORDINATION COMMITTEE REPORT

Our Ordination Committee was invited by Wilkesboro Baptist Church to be a part of the ordination process for David Byrd. The Director of Missions and myself were blessed to attend. The committee was unanimous in recommending the ordination of David Byrd.

At the request of Purlear Baptist Church, the Ordination Committee was convened to examine Steve Church as a candidate for ordination. The Ordination Committee was unanimous in recommending the ordination of Steve Church.

At the request of the Edgewood Baptist Church, the Ordination Committee was convened to examine Ken Minton as a candidate for ordination. The Ordination Committee was unanimous in recommending the ordination of Ken Minton.

STEWARDSHIP REPORT

In many churches the planning, preparation, and discussion of the budget and church finances causes a great deal of tension among Christians. This should not be! God, in His Word, has provided a wonderful plan for the financial needs of any church to be fully met. On the first day of the week, Christians are to give according to God's blessing. Obedient believers will do this and the financial needs of the church will be met.

I hope and pray that the information furnished throughout the year to the churches will be beneficial. Our convention has literally dozens of aids to assist churches in budget planning and promotion. Most of these helps cost very little and are worth a great deal.

I want to encourage each pastor and those responsible for the budget to attend a conference on Worship and Giving, January 26. You will be blessed.

Jim Gore

DISCIPLESHIP TRAINING REPORT

Jesus gave several commands to his early followers, one of which is known as the Great Commission. He challenged his disciples to share the gospel with the non-believers, and once they receive Jesus into their hearts, train them in biblical truths. A church cannot improve on this method. It is very important for the church to reach the unsaved and it is also important to guide the new converts in spiritual growth. Sometimes a church may have an over emphasis on one or the other which results in poor evangelism or spiritual weakness.

Discipleship training is a program that provides opportunities for individuals to discipline themselves in Christian growth. There are many dated and undated materials available from the Sunday School Board that can help any Christian at any age. Once a quarter literature order forms, and information about new materials are sent to each church by the Sunday School Board. I would suggest that you ask the person that is responsible for ordering literature for your church to let you see the order forms. I'm sure you will find some good material that will help you personally or would be beneficial for small group study.

I want to thank Vicky Dover for serving as our Discipleship Training Director for this year. I regret that Vicky could not continue serving because of having to move due to her husbands work. If things go well, I believe adequate replacement will be elected during the annual meeting.

Let me encourage each church to provide specialized learning opportunities for her members in keeping with Christ's command as you evangelize the unsaved.

Lawson Horton

SCHOOL OF CHRISTIAN STUDIES REPORT

Our Seminary Extension provided one course of study during the year entitled "Dynamics of Teaching." Four persons were enrolled in the class, and all received course credit.

As the committee looks toward the future, our desire is to furnish training that will better equip those who know Christ to minister more effectively for him. We would like to offer studies that will be of value both to pastors and to lay-people in our area.

Our goal is to be practical in our planning, in our perspectives, and in our procedures so that we may target the areas of greatest need and interest. In order to accomplish this goal, we need your suggestions and your prayer, as well as your assistance in promoting Seminary Extension.

FOREIGN MISSION PARTNERSHIP REPORT

The association is in partnership with the Ukraine. We have been sending \$62.50 a month to help support a Ukraine missionary. The following is information on our missionary:

Nikolai Vasilievich Kukushkin
Pr-t Kosmonavtov 17, Apartment 4
Vinnitsa, 286021
Ukraine

Nikolai Kukushkin is 53 years old, married, with three of four children still at home. They live in the city of Vinnitsa, 4 hours SW of Kiev. In 1990 he was ordained as pastor in Yampol, 172 kilometers from Vinnitsa. He travels by public transportation each week: bus, truck(hitchhiking), or electric train. They are rebuilding an old church building. He also runs a Sunday School for 130 kids in an orphanage. There are 23 villages in his district without a church. He is responsible for evangelizing these villages.

Thank you for supporting a Home Missionary form Ukraine. This is a vital part of the partnership agreement between North Carolina Baptist and the Ukraine Baptist Union. Your support will help "your missionary" reach more people with the Gospel. Your commitment to financial and prayer support for "your missionary" in Ukraine is greatly appreciated.

GENERAL BOARD REPORT

In December 1993 I became a General Board member of the Baptist State Convention. I am serving on the Stewardship Committee. We were asked to list our three (3) choices of committees - listing them as 1st, 2nd, and 3rd. Actually, my third choice was stewardship! I have learned a lot about stewardship and how I can be of help to my church and my association.

In August, I attended a three day Stewardship Seminar at Caraway. I thank God for this opportunity to serve in this capacity. I hope I can be an asset to my convention, association and church. I have been able to attend all meetings this year. Some highlights of activity in this year are as follows:

1. The Seminary Committee recommended that we allow funds to be designated for scholarships for North Carolina students attending Mid-America Seminary, and that such funds be considered Cooperative Program funds, effective with the current 1994 budget year.
2. In May 1994 Dr. Randy K. Kilby was unanimously approved as President of the Fruitland Baptist Bible Institute.
3. North Carolina has continued involvement in partnerships in Ukraine, Poland, and New York.

The Financial report that follows is a brief summary of some items from the period January 1, 1994 - July 7, 1994.

NC STATE MISSIONS REPORT

North Carolina is our primary mission field. The challenges for reaching this mission field are greater than they have ever been.

Our state continues to grow in its ethnic population. Asians and Hispanics are the two fastest growing ethnic groups in North Carolina. Most of them come to us without a church background.

The number of people living in multi-family housing complexes continues to grow faster than the number living in single-family dwellings. The majority of those in multi-family housing do not attend church.

The breakup of families has become epidemic. By the year 2000, one half of our children will spend part of their lives in a single parent home.

The issue of crime continues to plague us. A youth offender reported that he could not get a driver's license, but he could purchase a gun.

Those suffering from the HIV virus continue to grow in number.

The resort communities of North Carolina continue to attract millions of people every year, many of whom have not heard the Gospel of Jesus Christ.

North Carolina has over 21,000 inmates in its prison system. Many thousands of our citizens suffer from hearing or visual impairment. Over 50,000 of our population are in nursing homes.

These and many other issues describe our primary mission field - North Carolina.

The Missions Division of the Baptist State convention works with local churches and Baptist Associations in this mission field to meet these, and many other human needs.

A new mission statement was written by the division staff in 1994 to clearly identify the purposes of the division. The statement reads:

The Missions Division of the Baptist State Convention of North Carolina seeks to direct the mission work of Baptist in North Carolina and work cooperatively to open windows of opportunity for a worldwide mission program. The work of the division focuses upon (1) New Work Starts and Development, (2) Redevelopment of Existing Churches, (3) Leadership Development for Mission Work, (4) Mission/Ministry Response, (5) Cooperative Planning to assist churches and associations in realizing their vision for missions, and (6) Association Mission Support.

Behind the statement is our commitment to work with churches and associations in reaching their corner of our mission field. The Missions Division seeks to work with churches and associations in a partnership relationship. The way we achieve the goals of the convention for mission work is to help associations and churches achieve their mission goals in their community.

In 1994 the division will provide \$700,000 in funds for mission work in associations. This money is provided through Cooperative Program contributions and gifts to the State Mission Offering.

AMERICAN BIBLE SOCIETY REPORT

In the early 1800s, a young minister returned from the untamed Louisiana Territory with an urgent message: "Our people need Bibles and they need them now!" His rallying cry became a catalyst for action, resulting in the formation of the American Bible Society in 1816. The purpose was then clear: to supply God's Word to an expanding America, where entire communities on the far frontier did not possess a single copy of the Bible. Today, through the United Bible Societies, the mission reaches far beyond America's borders. But the purpose remains unchanged: to provide Bibles to people who need God's Word. The American Bible Society (ABS) is a group to which many of our churches and members give. These gifts assist in Scripture translation and distribution. In cooperation with the United Bible Societies (UBS) around the globe, the ABS can touch lives in the various language groups here and abroad. The ABS thanks Southern Baptist Churches for contributions totalling \$114,604 through November 1993.

The focus in 1993 for the ABS has been to provide PEACE. This world needs peace and the Bible offers the eternal peace that fills hearts when people understand the incredible glory of a risen savior. Jesus called it "the kind of peace that only I can give" John 14:27 (CEV). Through your support of the ABS you are sharing that peace with a world in need. Together, in 1993 we have shared over 287 million copies of Scripture - and yet, we have only begun. Millions cry out in China. Only 30 percent of all Russians have a Bible. And nowhere is the need for God's peace greater than in the crowded cities. Today, we must echo the cry heard nearly 200 years ago, "Our people need Bibles and they need them now!"

UNITED STATES

The year 1993 will long be remembered in the Midwest as the year of the great flood. Homes were swept away in the raging waters of the Mississippi and its tributaries. Families lost their most precious possessions. Many were in deep despair.

But others were there to help, including the American Bible Society. Working through local churches and volunteers, ABS provided replacement Bible free of charge to flood victims - a strong word of encouragement and hope in a time of need.

Many other Americans were served by ABS during 1993.

For distribution on the Navajo reservation, ABS supplied 200,000 bilingual English/Navajo Selections. Our Heritage Program responded to numerous requests from individuals and churches for Scriptures for Americans whose first language is not English. Over 71,000 copies of a bilingual Selection, "Vaya con Dios," were distributed through ministries serving migrant workers.

In support of the military 135,000 *Contemporary English Version* New Testaments with Psalms and Proverbs were granted to the Army and the Air Force.

The sick and dying were not forgotten. Chaplains and lay people serving in hospitals received thematic Portions to bring comfort and hope. And we provided special Scriptures for children's wards. For the elderly and those in nursing homes, we filled many requests for large print Scriptures and Bibles on cassette.

More than 875,000 copies of God's Word were provided last year to nursing homes and hospitals. Additionally, ABS supplied 23.6 million Scripture tray cards for patients.

Many visually impaired men, women, and children received low-cost or free Braille Bibles.

To reach the heart of America's troubled inner cities, our Urban Program supplied over 1.4 million Scriptures to Christian rescue missions and other urban ministries.

For the growing prison population in the United States, Christ's message of forgiveness carries special significance. Nearly 1.6 million Scriptures were distributed through prison chaplains, including Bibles and literacy Scriptures. One prison official wrote us, saying that an inmate "used to consider the Bible as an ordinary book, now he's reading it every day."

To help highlight the spiritual meaning of Easter, Thanksgiving, and Christmas for children, we supplied seasonal Scripture Selections to Catholic and Protestant day schools.

Evangelism was a primary focus of many of our programs. Over 24 million specialized Scripture Selections were furnished at no charge for special events and celebrations, such as Urbana '93 and the annual Gaithers' Praise Gathering.

Across the United States, ABS cooperated with churches and parachurch organizations to meet educational and evangelistic needs for God's Word. This expanding part of the American Bible Society's domestic program granted 2.5 million Scriptures during 1993.

Education grants were also crucial to our 1993 outreach. Campus ministries to international students in colleges and universities received Bibles, New Testaments, and Scriptures in a number of languages. Desk copies of Scripture and scholarly resources were provided to professors in universities, seminaries, and Bible colleges.

Our Good News for New Readers materials were used widely by literacy tutors. The CEV Bible is also being incorporated into local reading programs.

Thanks to our dedicated supporters, in 1993 the American Bible Society put more than 73 million copies of Scriptures into the hands of American men, women, and children. We reached out to young and old, students and immigrants, prisoners and professors, and brought hurting people the simple peace of God's Word.

INTERNATIONAL

In Siberia, an elderly man holds the book in his hands, turning it slowly, and exclaims, "Is this the Bible? I've never seen it!"

A small boy in an Ethiopian orphanage proudly displays his cherished New Reader Scripture. "It tells us about Jesus and that he loves us," he smiles.

In a dimly lit Argentinean prison cell, a man reads slowly, his finger tracing each word. He reads of God's forgiveness and Christ's sacrifice. And a silent tear falls on his cheek.

Last year, gifts to the American Bible Society helped to make those scenes - and untold thousands more like them - possible. Through the United Bible Societies, ABS donors helped share God's Word in 132 countries and territories worldwide.

For many people, reading the Bible is only possible once the Bible has been translated into their own language. The American Bible Society's commitment to putting God's Word into a language each person can readily understand drives us to produce first-time

translations such as the Mam: Huehuetenango Bible, which took translator Marciano Lorenzo over 21 years to translate for the mountain people of Guatemala. It also motivates us to revise older translations of the Bible to reflect more contemporary and understandable language use. One example is the effort that is about to be completed in Russia. As one older woman says of her new Bible, "When we read it in our own language, it's as if [the Bible is] talking to us . . . right to our hearts."

One of the most crucial needs was in the war-torn land of the former Yugoslavia. Late in 1993, Zvonimir Smiljanic, executive secretary of the Bible Society in Belgrade, reported that despite great difficulties, Scriptures were being distributed to Christians on both sides of the conflict, including 50,000 Scriptures for Croatian refugees, and 30,000 Bibles and New Testaments for Serbians in the war zone. "We must pray for an end to the killing in this stupid war, as soon as possible, so that life will return to normal, helped by the Scriptures," Smiljanic says.

While Bosnia-Herzegovina captured media attention, other parts of the world were in silent crisis. In Malawi, Africa, the Bible Society brought spiritual aid and comfort through God's Word to victims of the most devastating drought in the country's recent history. One elderly man, whose village's three churches were sharing a single Bible, expressed his gratitude: "You have given us eternal food. We have been receiving food aid, but we have not had Bibles."

In 1993, these stories have been multiplied many times over. You've helped to send Scripture cassettes to the hospitals of Sri Lanka. You've reached out to the remote jungles of South America, as the "Light of the Amazon" riverboat supplied medical aid and hope through God's Word. You've shared Bibles in the bustling streets of India, the rice paddies of China, and the sugar fields of Haiti.

Working with Bible Societies around the world, ABS has touched millions of lives - and will touch many more lives in the years to come - with God's message of forgiveness, hope, and eternal peace. Throughout the world, each translation of Scripture is done, as closely as possible, in the language of the people's hearts and in the form they can best understand.

In all, the American Bible Society celebrates with our co-laborers for the completed Bibles available in 337 languages and portions of the Bible available in 1,725 additional languages.

Still the task before us is formidable since perhaps as many as 350 million people in the world today still have no portion of the Bible in their language. The cry remains - "We need Bibles!"

Donor gifts to the American Bible Society made possible the following distribution of Scriptures throughout the world in 1993:

	Bibles	Testaments	Portions	New Reader Portions	New Reader Selections	New Reader Selections	Total
United States	2,199,425	1,607,899	1,026,373	90,000	69,090,380	-	74,014,077

Total Income - General Fund for the year ending December 1993: \$83,230,241. More than 95 denominations and agencies contributed a total of \$1,170,019 to the above figure.

Total Expenses - General Fund for the year ending December 1993: \$70,507,936.

The goal of the American Bible Society is to make sure that every man, woman, and child on earth shall have easy access to the Good News found in the Holy Scriptures. The Society hopes to achieve this goal by providing people, wherever they may be, with a wide variety of Scriptures in the languages they can most easily understand. These Scriptures are offered without "doctrinal note or comment" so that the churches may be free to teach or preach the Word according to their own respective creeds. They are produced and offered without profit and at prices well below the cost of production, or given free to those who cannot afford even a modest amount. This ministry is made possible through the generosity of the committed Christians who want to ensure that no one be denied the message of salvation.

Thank you for your interest in the American Bible Society.

HOME MISSIONS REPORT

The Home Mission Board (HMB) is a missionary-sending agency of the Southern Baptist Convention (SBC). Headquartered in Atlanta, Ga., the HMB's purpose is to serve Southern Baptists by assisting churches to proclaim the gospel of Jesus Christ, start and grow New Testament congregations, and minister to people in the name of Christ.

At the end of last year, 4,882 missions personnel were serving in the United States, the Caribbean, Guam, American Samoa, and Canada. The HMB also had endorsed more than 2,300 chaplains who were serving in healthcare agencies, institutions, businesses, the military, and pastoral-care roles. More than 1,700 Mission Service Corps volunteers were serving on home mission fields. During the year there were 1,500 church starts (more than four per day) and 349,073 baptisms.

Approximately half of the HMB's support comes from individual SBC churches through the annual Annie Armstrong Easter Offering for Home Missions. In 1993, gifts to the offering totaled \$36.31 million, about 3 percent less than the 1992 total. One hundred percent of the offering goes to support the work of home missionaries in the field. The 1994 Annie Armstrong Easter Offering goal is \$40 million. About 36 percent of the HMB's income comes from the denomination's Cooperative Program.

The following is a summary of program/support ministry highlights from 1993:

Chaplaincy Ministries--The 2,325 Southern Baptists now serving as chaplains and pastoral counselors reported more than 24,000 professions of faith and 4,500 baptisms.

Church Loans--Approximately 1,056 churches had active loans totaling \$131.1 million. The Church Loans Division closed 120 church loans totaling \$32 million, including \$3.8 million of refinancing.

Language Missions--Home missionaries and pastors in the Language Church Extension Division serve among 102 ethnic groups using 98 languages and dialects.

Evangelism--During Crossover Houston, the Mass Evangelism Department coordinated 35 street evangelism events, 25 block parties, nine evangelistic rallies, and 68 special Harvest Revivals and events. These activities resulted in 1,253 conversions. The Personal Evangelism Department produced and shipped materials for "Here's Hope. Share Jesus Now." This emphasis will include 60 Days of Soul-Winning, January 9-March 9, 1995.

Volunteers--More than 74,860 Southern Baptist adults, college students, and youth group members volunteered for long- and short-term projects. In addition, several thousand more were involved in disaster relief efforts in the Midwest.

Church Evangelism Development--Over 1 million teens participated in "See You At The Pole," gathering at their flagpoles to pray for the schools of our nation.

Administration--The Home Mission Board broke ground for a new national office building which will be completed in 1995. Customer Services received more than 51,000 calls and shipped almost 5 million pieces of HMB material.

BAPTIST CHILDREN'S HOMES REPORT

No matter how much adults try to convince themselves otherwise, children suffer when parents divorce.

Amber suffered. Because she blamed her mother for household turmoil, and because she was young and confused, Amber told her mother she hated her. She stopped communicating and became withdrawn. She chose wrong friends and attempted to take her own life.

In today's atmosphere, when divorce rocks as many marriages as it misses, thousands of children like Amber look for anchors. And in today's atmosphere, just as in the atmosphere of the 1880s, and every year since, Baptist Children's Homes provides that anchor for hundreds of children.

In 1992-93 BCH served 1,469 young people and their families. probably an all-time high.

Through services provided at 13 facilities statewide, BCH offered residential care, maternity care, a home for teenage mothers and their babies, therapeutic camping, model day care, emergency care and behavioral change.

Through the Cooperative Program, church budgets and the Thanksgiving Offering, Baptist churches provided about one-third of the \$11 million necessary to care for those children . Other revenue comes from payment for services on a sliding scale, foundations and corporations and individual gifts. A significant source of help comes from individuals who remember Baptist

Children's Homes, and the children it serves, in their estate planning.

"I couldn't handle what was going on at home," Amber said, after a year in the intensive group process at Kennedy

Home. "I wanted a way out. I saw (suicide) as the only way. I had totally turned my back on God."

Under the tutelage of Kennedy Home Baptist Church's pastor, Amber has rededicated her life to the Lord and was baptized. She is now memorizing Scripture and doing devotions.

Between her renewed faith and the peer group process, Amber has begun to resolve the differences with her mother. When she graduates from Kennedy Home, she plans to live with her mother and sister.

"Just being able to talk through it with group and with staff helped make it better," Amber said. "They helped me understand mom may have moved out, but she never left me. She's always been supportive."

Working through problems at BCH involves identifying your problems, putting a name to them. That helps a child realize he/she is not a "problem child" but is a "child with problems."

"If I was alive without this place, I wouldn't be in a happy life," Amber said. "I'm really thankful there are places like this."

Amber's gratitude expresses the feelings of hundreds of children each year, and the staff who serves them. Many young people need BCH. Thankfully, many Baptist adults are committed to providing their needs, for Jesus' sake.

Meeting the
Challenges of
Health Care

1994

Report to the Associations

"Touching Lives With Hope"

Founded in 1922, Baptist Hospital is a missionary enterprise of the Baptist churches of North Carolina. The essence of our purpose is to carry out a ministry of healing as taught by Jesus Christ. We remain as fully committed to this mission as were our founding fathers. In the midst of changing health-care norms, we have not, nor will we, deviate from this mission. The following paragraphs report, not only basic facts, but various results of how we have sought in the last year to remain true to our heritage while providing quality health care at affordable prices.

PROVIDERS AND RECIPIENTS OF HEALING

Our Hospital healing team now consists of 5,777 employees. The Medical Center (North Carolina Baptist Hospital and Bowman Gray School of Medicine) personnel total employment is fast approaching 9,000 people making us the second largest employer in Forsyth County. In our 806-bed facility, we had 23,545 inpatient admissions during our fiscal year 1993-94. Our Outpatient Department, physicians' clinics, and other related departments received 523,672 patient visits.

DEPARTMENT OF PASTORAL CARE

Our chaplaincy division joins with our health-care professionals to provide spiritual and emotional healing. With 15 to 35 chaplains present at various times, 58,747 ministries were provided to patients, families, staff and groups. Mission dollars from the Cooperative Program enabled this ministry to be carried out.

The Center for Congregational Health, in its second year of ministry as a part of our Department of Pastoral Care, continues to expand and strengthen. To date thru 1993, 40 ministers have completed intentional interim training and 29 are in training. The number of churches calling intentional interim pastors continues to increase. The training of consultants for conflicted churches and leadership training for young ministers were both begun.

The Pastoral Counseling Division now operates 12 counseling centers across the state. These centers provided 26,716 hours, a five percent increase over the previous year.

In December 1994, Dr. Dewey Hobbs will retire as Director of the Department of Pastoral Care. His eleven years of leadership and ministry have brought quality and expansion in every facet of the department.

BAPTIST BENEVOLENT CARE FUND

Last year Baptists across our state gave \$425,734 to our annual Mother's Day Offering. All of these monies went toward relieving the financial burden of scores of former patients who have little or no health-care insurance and no financial means to pay their hospital bills. The churches and individuals help make this ministry possible and we are grateful.

EXCELLENT FINANCIAL STEWARDSHIP

In the midst of escalating health-care costs, we have a proven record of superb stewardship.

- (1) The latest report of the North Carolina Database Commission comparing the average of other state academic medical center charges vs. Baptist Hospital for our most frequent diagnoses reveals our charges are 21% lower.
- (2) We are one of only 17 hospitals nationally with a "AA" bond credit rating.
- (3) Averaging the last two years and the projection for 1994, the Consumer Price Index will average 2.8% and the Medical CPI for hospitals will average 8.9%. Baptist Hospital rate increases for the same period will average 1.8%, under both the above-mentioned indexes.

MEETING THE CHALLENGES OF THE FUTURE

The health care environment is and will continued to be changing. Baptist Hospital is proactively facing these changes on a daily basis. Below are listed several visions which have recently been or will soon be realized.

Nursing Center at Oak Summit

Opened in July 1993 this 170-bed facility offers four levels of care. It is also one of only a few nursing centers in North Carolina that provides care for ventilator-dependent patients.

Emergency Department/Dietary Building

Progressing toward a late 1995 opening, this facility will expand our ED capacity to 70,000 visits annually. It will also house three floors of patient private rooms, our Pharmacy Department, a new kitchen and 900-seat cafeteria, and a 35-bed Day Hospital.

J. Paul Sticht Center on Aging and Rehabilitation

This building will usher in a new era in rehabilitation at our Medical Center. Housing a total of 128 beds, it will contain a geriatric day hospital which will aid the transition from hospital to home, inpatient rehabilitation nursing units, a psychiatric floor, geriatric research and education. Completion is targeted for 1996.

At home health care

Our Home Health Solutions provides our local region with parenteral nutrition and intravenous antibiotic therapy, chemo-

therapy and pain management. Home Health Specialists provides nursing care, personal care and physical and occupational therapy.

Center for Research on Human Nutrition and Chronic Disease Prevention

Our continued partnership with Bowman Gray School of Medicine enables our Medical Center to provide the highest quality of research, education, and patient care. Quoting Dean Richard Janeway, "We are trying to prevent the major killers such as cancer, strokes, and heart attacks. With this facility we'll be able to transfer the information straight to the patient's bedside."

COMMUNITY HOSPITAL ASSISTANCE

Developing relationships with community hospitals such as Stokes Reynolds in Danbury and Hoots Hospital in Yadkinville enables us to assist them in lowering costs as well as providing quality hospital and outpatient care. We anticipate expanding this endeavor to include other smaller, outlying hospitals. We also have significant affiliate relationships with hospitals in Wilkesboro, Lexington, and Mt. Airy and are in the process of developing other affiliate relationships.

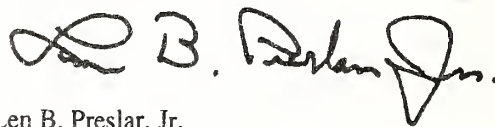

QUALCHOICE OF NORTH CAROLINA

Joining with BGSM and Wake Forest University, Baptist Hospital has developed a managed care plan. Our design is one which offers affordable quality health care while providing the insured freedom of choice. This plan will be opened for public enrollment beginning January 1, 1995.

A CLOSING WORD

We continue to esteem our heritage, celebrate our current capabilities, and strive to position ourselves for the future. Your partnership, prayers, and utilization of our services inspires our dedication to our mission. We are grateful to God and to the North Carolina Baptist family.

THE BIBLICAL RECORDER REPORT

The rapid changes taking place in our world have produced distorted values, violence, threats and uncertainty and the surrender of much that is good and wholesome while creating false heroes who fail. Baptists must rise up to face these decisions and issues before our window of opportunity is lost forever. We must not squander our heritage from yesterday and our mission for tomorrow.

There is no way to address these issues without correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. Never was the Recorder more needed than now, with charges and countercharges flying, with people trying to use and manipulate others.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age where many think they know the answers to the issues only to discover they do not. It is impossible to know in depth what is happening when we depend on "60-second sound bites" of news on television or radio.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the Recorder into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Anticipated increases in mailing costs makes CNS a greater value in 1995 than even when it was started in 1990.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed. With all the stress and disturbance in the world, "The North Carolina Baptist Way" has become even more important to us than ever before.

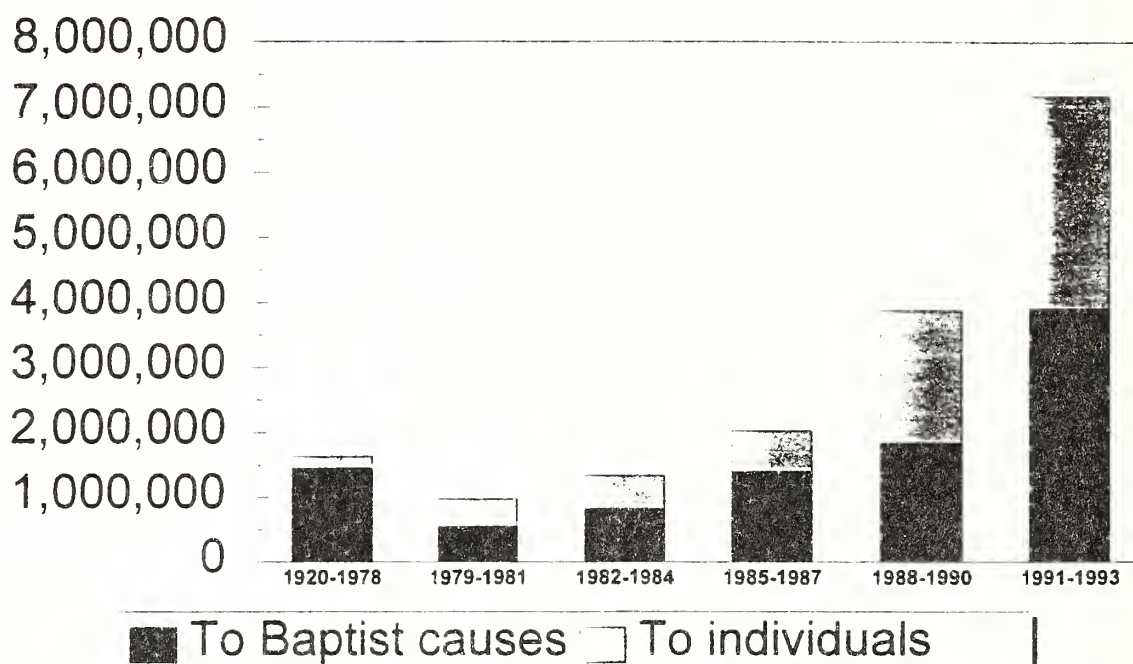

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

Income Distributions

1920-1993

With the 75th anniversary of the chartering of the N. C. Baptist Foundation approaching, it is exciting to reflect on the fulfillment of dreams of the founding fathers. The prayerful deliberation that led to the vote in the 1919 Baptist State Convention meeting for the beginning of "a trust agency" envisioned a viable entity which would promote and manage funds given by individuals for perpetual support of several struggling institutions and the mission programs at the heart of this missionary minded denomination.

As of December 31, 1993, the Foundation held \$45,878,748 under management. In 1993, \$1,243,217 was distributed to Baptist work and \$1,196,748 was distributed to individuals for a total income distribution of \$2,439,965.

The income distributions for the entire 74 year history of the N. C. Baptist Foundation totals: \$7,009,154 income paid to individuals and

\$10,011,893 to Baptist churches, institutions and mission causes for a grand historical total of \$17,021,047.

In 1993, the staff of the Foundation consisted of seven full time employees and two persons who provided part-time service in accounting and legal services. In May of 1994, Rev. Coy H. Jeans, Jr. was employed by the Foundation Board as Western Area Manager of Trust and Endowment Development. Rev. Jeans will serve individuals in western North Carolina through estate stewardship planning to better provide for families and Christian endeavors. He will also work very closely with Associations and churches in the area. We encourage western North Carolina Baptists to contact Rev. Jeans at his office in Marion at 704-652-9548. The Foundation's main office is located at 201 Convention Drive, Cary, N. C. 27511, telephone 919-380-7334.

One year and 338 days after Pearl Harbor, the Council on Christian Higher Education was created: November 17, 1943. The first Council meeting occurred January 17, 1944, four months and 20 days before D-Day. Reports to the Baptist State Convention in those years contained many references to World War II and its effects upon churches, communities, the colleges and Baptist work in general. It was a time of weakness and confusion. War was raging in Europe and the Pacific, and the outcome was still in doubt.

In such a time there were visionary Baptists who by faith could see beyond the clouds of war to the needs of peacetime. A Convention committee of 64 members labored almost two years before recommending that the Council be established. Chowan College was closed in 1944, Gardner-Webb College was not yet funded by the Convention, and Wingate College received only \$5,000. The clear aim was to strengthen the colleges, increase their moral and financial support among Baptists, place Christian Higher Education high on the Baptist agenda, and to organize such efforts on a continuing basis.

In 1994, the Council on Christian Higher Education's 50th year of operation, let us give thanks for those pioneer Baptists whose foresight, insight and good works caused North Carolina Baptists to become leaders in the field of Christian Higher Education.

Making Life for Older Adults...

The Best of Times

As a result of the wonderful support given by North Carolina Baptists, 1994 will be remembered as one of the finest years in the 43 year history of Baptist Retirement Homes. The following are some highlights from the year:

In recognition of its commitment to the spiritual well-being of the residents that it serves, Baptist Retirement Homes hired W. Paul Riggs to serve as Chaplain to the residents of the Prince Nursing Care Center in Winston-Salem and the Rickman Nursing Care Center in Asheville.

Reaffirming its commitment to the idea that retirement should be a "step-up" for Older Adults, the renovation of the Taylor House in Albemarle was completed and renovation of the Hamilton Baptist Home in Martin County was begun. When the renovation of the Hamilton Baptist Home is completed in mid-1995, all of the facilities operated by the Baptist Retirement Homes will be "State-of-the-Art."

In recognition of the changing profile of institutionalized Older Adults (47% of the "oldest old" in North Carolina suffer from some form of dementia), a special small group approach to the care for institutionalized Older Adults suffering from dementia was

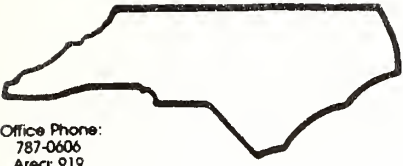

instituted at the Prince Nursing Care Center in Winston-Salem. Through the implementation of this program, Baptist Retirement Homes once again demonstrated its commitment to the principle that everyone has the right to age with dignity and to enjoy a certain quality of life throughout the aging process.

In an effort to provide Older Adults with affordable care, a sub-acute unit was developed at the Prince Nursing Care Center in Winston-Salem . . . a unit where frail Older Adults can receive such treatments as IV therapy, infusion, wound care, and stroke and bone fracture rehabilitation outside of a hospital setting.

In response to the need to provide quality long-term care services to the ever growing number of frail Baptist Older Adults, Baptist Retirement Homes expanded its nursing services in 1994 to include an additional 100 Older Adults (80% of that group being classified as the poor elderly . . . men and women who lack sufficient financial resources to pay for the institutional services they receive).

Thank you North Carolina Baptists for helping us make life for Older Adults . . .
The Best of Times!

Respectfully submitted,
Pauline Tedder

REPORT TO THE ASSOCIATION 1994

Can God's people make a difference concerning the moral climate of our state? There is no doubt about it! The \$300 billion gambling industry has targeted our state for legalized gambling. Why North Carolina? The fact is that N.C. is the largest state in the nation where the gambling industry has not been able to get their foot in the door. Furthermore, NC is the only state in the traditional Bible-belt where the gambling industry has not been able to make any inroads. In order to get their legislation enacted, they hired 14 of the most influential and effective lobbyists that money can buy to sell "their bill of goods" to the members of the N.C. General Assembly.

Is there anyway to defeat such money and power? Yes! Through the prayers and influence of God's people! It happened in 1994!

The legislature has adjourned - the members have gone home - the gambling lobbyists have packed their bags and left town.

How was it done? Baptists and other Christians fulfilled their Biblical responsibilities by influencing their legislators through their prayers, letters, phone calls, and personal contacts.

The Christian Action League along with the Christian Life Council of the Baptist State Convention; N.C. Baptist Men; and Woman's Missionary Union, has conducted 36 workshops, THE CHRISTIAN LOOKS AT GAMBLING, to educate and motivate our people into action against this insidious evil. You responded, and now, we can claim the victory.

Furthermore, when communities like Asheboro, Albemarle, Concord, Kannapolis, Thomasville, and Manteo, including Hyde and Harnett Counties, faced battles with the powerful \$140 billion dollar liquor industry during the year, we were delighted to provide campaign strategy, research documents, and publicity materials. The liquor forces did not win any of these referendums.

We thank God for your support of our Ministry of Applied Christianity, and we stand ready to assist God's people in being the "salt" and "light" that He would have us be.

Executive Director

Oakwoods re-organized the Baptist Young Women to their mission organization, with Renee Dills as director.

Due to the growth of the church over the past four years, the church saw the need for an associate pastor to assist with its ministry. Rev. Wayne Osborne was called to fill this position in June 1994, along with his duties as Minister of Music.

Oakwoods Baptist Church has several ordained or licensed ministers as members of its congregation, one of these, the Rev. Steve Church, was called to pastor Beaver Creek Baptist Church in June 1994. Another of these, Jeff Nichols, began his studies at Tennessee Temple University in preparation for the ministry.

As a continuation of the building program at Oakwoods, all of the architectural and engineering plans for the new sanctuary were approved in Raleigh, so as to be able to begin construction. As of September, 1994, Oakwoods had \$234,000 in its building fund.

Oakwoods supported several mission organizations this year giving \$1,650 to State Missions and \$3,090 to Home Missions. We gave \$5,450 to the Lottie Moon Christmas offering. The church gave an additional \$13,625 for other mission oriented projects; \$17,697 to the cooperative program; \$54 to the Children's Home and \$8,735 to Associational Missions.

Oakwoods baptized 16 and has 483 resident members and 115 non-resident members, for a total membership of 598. Our church continues to have two Sunday morning worship services due to lack of space in our sanctuary.

Oakwoods lost four members due to death this past year. They were Rector Hayes, Cleo Smithey Anderson, Gene Foster and Barbara McConnell.

The oldest member, Mrs. Lillie Dula Green White Reavis, died on December 13, 1993, at the age of 102. Rev. Floyd A. Minton died on October 9, 1993. He was a former pastor who served the church 1972-1975.

STONY HILL - All church debt was eliminated by a special offering.

WALNUT GROVE - The Baptist Women took clothing to the safe house. The youth and their leader went to Swansboro and Atlantic Beach. While there they attended a passion play about the life of Jesus, "Worthy is the Lamb". They all enjoyed this trip very much. Through donations we purchased new hymn books for our church. This year we also renovated our kitchen in the fellowship hall, paved our parking lot and the drive around the cemetery. We also made up a pictorial directory of our church.

WILKESBORO - TV ministry began in June. Youth went on a mission trip to Washington, DC/Ocean City. Ordained David Byrd as minister on April 10, 1994. Radio ministry began in July. Men's Ensemble formed. Three Acteens queens coronation.

ZION HILL - Church debt paid off, we became more actively involved in missions through men going on three trips to Kentucky to assist in the construction of churches in Tomahawk and Warfield.

**THE DEDICATION OF ANNUALS COMMITTEE
RECOMMENDS THAT THE 1995 ANNUAL OF THE
BRUSHY MOUNTAIN BAPTIST ASSOCIATION
BE DEDICATED TO**

MRS. MAE JOHNSON DUNCAN

Bertha Mae Johnson was one of eleven children born to Thomas C. and Hattie Hayes Johnson. When she was young, the family moved to the Rousseau farm on Cub Creek. From here she attended Wilkesboro Elementary School. When she was in the ninth grade, the family moved to the Oakwoods community, where her father ran Oakwoods Grocery. Mae graduated from Wilkesboro High School in 1949. In that same year, she started working in the Duke Power Company local office and was married to Shuford Duncan.

Mae was saved at an early age and joined a non-Baptist church. She joined Oakwoods Baptist Church in 1950, and has been involved with Baptist work ever since. She took leave from Duke Power Company for a few years when their two sons, Robert and David, were born, but she didn't take leave from her church. There she served as Sunday School teacher, assistant treasurer, VBS Director, choir member, nursery assistant, WMU Director, Food Committee chairperson and probably in other capacities that were not recorded.

As the boys grew, they were avid sports fans and participants. Although Mae had returned to her job, she was the one who encouraged them and was the chauffeur for them and other neighborhood boys. Many times after practice or a game, she would stop at Ray's and buy burgers and drinks for a car-load of hungry football players.

Mae was active in visitation - not just the hospital and nursing homes, but in the homes of her neighbors. If one of the neighbor adults was hospitalized, it was not unusual for Mae to take their children home with her and keep them until their parent was back home and well enough to resume normal activities.

continued next page

Retiring from Duke Power Company in 1985, Mae devoted her energies to Women's Missionary Union leadership at associational level. She came to associational leadership of WMU ten years ago, serving as Assistant Director in the associational years ending in 1985 and 1986. She then served as WMU Director for the years ending in 1987-89. After one year during which she served as Enlistment-Enlargement Director, she resumed her service as WMU Director for the years ending in 1991-93. During each of the years of her leadership the work of WMU flourished. We have seen mission giving by the churches of this association grow from about \$410,000 annually to its 1994 level of almost \$695,000, and from a reported WMU membership level of under 1,000 in 1985 to about 1,200 in 1994.

Those who have been privileged to serve with Mae on the Associational Missions Development Council and on the WMU Leadership Council have found her commitment to the Lord to be absolute, her love for mission ministries contagious, and her capacity for sustained effort in ministries inspiring. She has been very active in the formation of WMU organizations among those churches which had not formed WMU organizations. She is a person who practices the power of prayer and who cultivates a growing spiritual life.

The truly outstanding aspect of Mae's service has been her passion for missions - not just for knowledge about missions and prayer for mission work, but personal involvement in mission ministries here in our county, in our state and nation, and in international mission endeavors. Among the notable women of the Bible, Mark 14 records the anointing of Jesus by an unnamed woman. Though some criticized, Jesus accepted the act with these words, "she has done what she could". Mae, out of a heart of love for her Lord, has "done what she could", and has done it with great effectiveness. Thank God for women such as she!

On Christmas eve in 1993, Mae helped deliver baskets of Christmas goodies even though she did not feel well. After the deliveries had been completed, she went to the doctor and he diagnosed a heart attack. She made a good recovery and is back in service at Oakwoods Baptist Church, where her son, Rev. Robert Duncan, is pastor. Naturally she also enjoys being Grandma to Robin and Nathian, her grand-children.

Her style has always been to remain in the background herself, but to praise others for their accomplishments. Some have questioned how she will react to this dedication, of which she is not aware. We trust she will be pleased with our small tribute to a remarkable Christian woman.

Respectfully submitted,
Gladys Walker

We've been in this together.

For more than 200 years, Baptists have been on mission together.

Through associations, we have ministered, evangelized, started churches, helped other churches.

Strength comes from our sharing an enduring faith in God, a steadfast commitment to each other, a determined concern for our world.

We've been in this together. We'll stay in this together.

Churches in Association

Update to the History of
Lewis Fork Baptist Church
1984 - 1995

Historical sketches of Lewis Fork Baptist Church have been printed in the annual minutes of the Association in 1935, 1952, 1974 and 1984. Only those events occurring since 1984 will be included in this update. I wish to thank Mrs. Jackie W. Church, Church Clerk, for allowing me to borrow a copy of their bicentennial book published in 1992, and to Rev. Sherrill Wellborn for granting a short interview to discuss recent church ministries.

In 1985 the church purchased the land and building formerly used by Lewis Fork Advent Church located on US 421 about 3 miles northwest of Lewis Fork. A mission church was established at this location and is still operating. Sunday School and worship services, with Rev. Raytee Greene as mission pastor, are offered at the mission.

With a vision toward a new sanctuary and enlarged fellowship hall, Lewis Fork embarked on a building fund program in 1989. Although no definite date has been set to begin construction, the members are increasing the fund in anticipation of the day when construction actually begins. A large lighted cross was donated by Bill and Kathleen Ellis, and erected at the highest point in the cemetery, where it is visible from the church and the nearby neighborhood.

Three significant anniversaries were celebrated during this period. April, 1991 was the 20th anniversary of Rev. Sherrill Wellborn as pastor. The bicentennial of the organization of the church, and the centennial of organized Sunday School were celebrated in 1992. In recognition of the church bicentennial, special events were calendared for every month in 1992, and a special book was published. Also in 1992, Pastor Wellborn traveled to Germany, Hungary, Romania and Russia on a two-week mission trip.

Janene Jones and Chris Taylor were State Bible Drill winners in 1986. An active youth ministry continues with Chris Lakey as director. The senior adults are also a lively group. They get together for Bible study and meals, and often go to local places of interest. About once a year, they plan a longer trip, usually of 4 days duration, to places like Nags Head and Pigeon Forge. The choir, directed by Kent Burchette, always provides appropriate music for regular worship services and often renders special musical programs.

Vacation Bible School is always a special emphasis ministry and a highlight of the church year. Motivated teachers bring children to VBS with them, and church buses are dispatched to surrounding communities to gather children for Bible study, fun and fellowship. Pastor Wellborn says he considers VBS as the best source of candidates for baptism and church membership.

Revivals with nationally known evangelists are also a part of the ministry of Lewis Fork. Speakers featured recently include David Ring, Dr. J. Harold Smith, Richard Ratliff and Rick Ingle. Quite often these revivals result in a large number of baptisms.

Rick Tomlinson, David Wellborn and Victor Church have been ordained into the ministry by Lewis Fork during the period covered by this update.

Lewis Fork is located in a rural, relatively sparsely settled community. However, it has grown, both in physical plant and in membership, to be one of the larger churches in the association. During the past ten years, baptisms have averaged 32 per year. Membership increased from 794 in 1984 to 956 in 1994. As with many churches, Sunday School enrollment has declined during the period, dropping from 494 in 1984 to 379 in 1994. Average attendance in Sunday School, however, has remained quite stable, with 284 in 1984 and 279 in 1994.

In recognition of its growth and overall program, the NC State Grange in 1991 selected Lewis Fork as the Rural Church of the Year. This honor was nothing new for this church because they received the same award in 1979.

Rev. Sherrill Wellborn continues to be the pastor. Mrs. Jackie W. Church has served as Church Clerk during the entire period. Jim Bynum was Sunday School Director through 1987. At that time Curtis Foster assumed that position, where he is still serving.

The value of the church property is now estimated at \$1 million.

Update to the History of
Moravian Falls Baptist Church
1983 - 1995

The history of Moravian Falls Baptist Church, as compiled by J. F. Jordan, was printed in the annual minutes of the association in 1958. An update appeared in the minutes of 1983. Events occurring during the periods covered by those previous articles will not be discussed in this update. I want to thank Linda Brookshire, Church Clerk, for providing extensive notes upon which this update is based. These notes confirm that the Moravian Falls congregation actively participates in a well-rounded variety of Baptist ministries and programs.

Moravian Falls Church participated in the "Good News America" simultaneous revival in 1986, in the "Here's Hope-Jesus Cares for You" simultaneous revival in 1989 and in the World Missions Conference.

On June 2, 1985, the church honored a beloved member and former interim pastor, Rev. Nolan Coy Teague, as he prepared to move from his Moravian Falls home to the Baptist Retirement Home in Winston-Salem.

On August 10, 1986, the church celebrated its centennial. A book of the history of the church was printed and presented to all members by Mrs. and Mrs. Lawrence Critcher. After the morning worship on that day, a covered dish lunch was served, followed by gospel singing, arts and crafts displays, costume contests and games.

In 1989, Pastor and Mrs. Jack Calloway went on a two-week mission trip to Sao Paulo as part of the Brazil Partnership. A new van has been purchased and an outreach ministry begun.

The Youth Group has been involved in local projects, as well as traveling to Caswell Baptist Assembly and Carowinds. Participation in Bible Drill teams has helped increase scriptural knowledge as well as provide a source of excitement and competition. The "True Love Waits" campaign has been actively supported.

Good Neighbors, the senior citizens organization, meets monthly for breakfast. Outings to such places as the NC Zoo, Grandfather Mountain, Linville Falls, Natural Bridge, Roan Mountain, Biltmore House and Old Salem have been enjoyed by members of the group. Two members - Kathleen Hayes and Irja Brewer - started a tape ministry for shut-ins. Good Neighbors coordinators have been Gladys Walker and Brenda Brown.

WMU Directors during this period included Irja Brewer, Gail Calloway and Gladys Walker. Two Baptist Women's groups, Acteens, GA's and Mission Friends are active. For each of the last seven years, Moravian Falls WMU has received the Distinguished Achievement award. With enthusiastic promotion from WMU, missions giving has increased significantly during the period. Lottie Moon Christmas Offering for Foreign Missions is up 258% since 1983; Annie Armstrong Easter Offering for Home Missions is up 260%; State Missions is up 265% and the World Hunger offering is up 243%. Members of the WMU organization have attended many local, regional and state meetings, prayer retreats and workshops. The Girls in Action and Acteens have attended Camp Mundo Vista. Proceeds from the operation of the concession stand at Winkler Field Ball Park for the past nine years and the publication of two cookbook editions have been used to purchase equipment for the church, to renovate

and redecorate classrooms, vestibule and restrooms; annual contributions to state, home and foreign missions, Baptist Children's Homes, Baptist Retirement Homes, Baptist Hospital and World Hunger offerings; contributions to Camp Mundo Vista Capital Campaign; Brazil and New York partnership projects, several missionaries, and many other projects.

The Brotherhood and RA's have been busy, primarily with local neighborhood activities. They meet each month for breakfast and a missions program. With leadership from Directors Clinton Call, Jim Pipes, Freddie Sizemore, Richie Calloway and Trevis Smith, the Brotherhood restored the basketball court at the church and added a horseshoes area, raised money and donated a garage for the church van, and provided the Nativity Scene on the church lawn each Christmas. They "adopt" a needy child at Christmas, cut firewood for families and clean up the highway near the church under the Adopt-a-Highway program. They have painted two houses for church members. For each of the last two years, they have honored an elderly member on Baptist Men's Day. The first two honorees were Bernard Walker and Lawrence G. Critcher.

In addition to the inspirational songs at worship services, the congregation always looks forward to the performance of specially selected Easter and Christmas cantatas by the church choir.

During 1987-88 the parsonage was renovated. Then a building program was begun. An addition, joining the fellowship hall and sanctuary, and consisting of a pastor's study, library, office and three classrooms was completed in 1991. Other improvements to the building and grounds include landscaping, paving of the parking lot, new pew cushions, remodeling the choir room, handbells, new choir robes and updating the sound system. A family room was created by the redecorating a classroom. In 1994, Lloyd and Mary Sue Broyhill donated land to the church to permit extension of the fellowship hall.

A monthly church newsletter was started in 1988. The church was legally incorporated in 1990. Pictorial directories were printed in 1983 and in 1992.

Pastors who have served during the period are Rev. Jack Calloway, who resigned effective September 26, 1990; Interim Pastor, Rev. Latt Beshears, called October 21, 1990; and Rev. Ted M. Miller, who began his ministry at Moravian Falls on March 10, 1991 and is still the pastor.

Dean Walsh has served as Sunday School Director for the entire period. Church Clerks have been Gladys Walker 1980-1990; Dolores Broyhill 1990-1993; and Linda Brookshire 1993-present. Deacons ordained during the period are Clinton Call, October 2, 1983; Bob Hayes, September 9, 1984; David Rogers, September 21, 1986; Jim Pipes, September 20, 1987; Oren Golds, September 20, 1987; and Tim Joines, September 11, 1994.

Church membership increased from 263 in 1983 to 281 in 1994. Sunday School enrollment decreased from 164 in 1983 to 149 in 1994, and average attendance decreased from 86 in 1983 to 70 in 1994. The value of the church property is now \$476,300.

George F. McNeil

CONSTITUTION

PREAMBLE

To this end and according to the following articles, we cooperate to the fullest extent possible with the State and Southern Baptist Convention and subscribe to the principles of the 1963 Baptist Faith and Message statement.

ARTICLE I - NAME

This body shall be known as the Brushy Mountain Baptist Association of North Carolina.

ARTICLE II - PURPOSE

It shall be the purpose of this Association to consider and promote measures for increasing the harmony, the knowledge and the spiritual life of the churches and for developing and directing their energies and their contributions in the advancement of Christ's kingdom throughout the earth, always in harmony with the teachings of the New Testament. This Association shall be an auxiliary of the North Carolina Baptist State Convention and the Southern Baptist Convention in all their missionary, educational and benevolent work.

To accomplish this purpose, the association shall seek to: (1) enhance the fellowship among member churches; (2) present the Gospel of Jesus Christ to everyone in our area; (3) encourage and facilitate church growth and development and provide other services to the churches; (4) coordinate mission ministries in our area and promote cooperation in state, home and foreign missions; and, (5) provide an additional channel by which member churches may interact with Southern Baptist agencies and institutions.

ARTICLE III - MEMBERSHIP

SECTION 1. The Association shall be composed of cooperating Baptist churches desiring to affiliate with it. Any church desiring to become a member of the Association shall present, through messengers chosen for that purpose, its request for membership on APPLICATION FOR MEMBERSHIP form provided in the minutes along with a UNIFORM ASSOCIATIONAL LETTER provided by the clerk, at any annual session of the body. The moderator shall refer the application to the Committee on Membership for study and investigation. The church shall maintain for the year the status of associate membership until the committee makes its recommendation. If favorable, it will be received into full membership with all the rights and privileges at the next annual session. If the Association then votes to receive the church, the moderator shall extend the hand of fellowship to the messengers.

SECTION 2. The Association shall be sole judge of its membership and may receive churches, or reject churches, according to its Constitution and Bylaws. Member churches may withdraw from the Association as they desire. Any church in the Association which fails to cooperate with the Association shall, upon the recommendation of the Executive Committee of the Association, be contacted by the Membership Committee to determine the intentions of the church regarding its remaining in the Association.

A cooperating church shall be defined as one which sends an annual report to the Association and messengers to Associational meetings, and contributes to the financial program of the Association.

SECTION 3. The Association shall withdraw fellowship from any church in its membership which shall be found to be disorderly in faith and practice, but not written charges are brought against it, which charges shall have been authorized by the official act of the church offering the same, or by the Membership Committee of the Association. Thereafter, any such charges shall be carefully considered by the Association at its next annual session.

ARTICLE IV - MEETINGS

SECTION 1. The Annual Session of the Association shall be held on Monday and Tuesday following the first Sunday in October.

SECTION 2. The Mid-Year Meeting shall be held on Monday following the first Sunday in April.

SECTION 3. The Association may be called into special session, if necessary, by a majority vote of the Executive Committee, provided the churches are given two weeks' notice and announcement of the purpose of the meeting.

SECTION 4. In case of emergency, the Executive Committee shall have the authority to change the time and/or place of meetings, and shall be responsible for providing churches with sufficient notice of change.

SECTION 5. Each church is entitled to be represented by its pastor, other ordained ministers holding membership in the church, and such additional messengers as will permit a total of 10 messengers. Churches with more than 500 members are entitled to an additional messenger for each 100 members more than the initial 500. Messengers shall be elected annually for all Associational meetings. It is suggested that at least five of the messengers be leaders of individual church organizations.

ARTICLE V - AUTHORITY

While independent and sovereign in its own sphere, the Association does not claim, and will never attempt to exercise any authority over any other Baptist Body, whether church or auxiliary organization.

- K. Mrs. Cathy Wyatt shared about "TeamKid" at Hinshaw Street Baptist Church. She hopes she can inspire other churches to begin this program for grades one through six. Hinshaw does their "TeamKid" on Thursday nights and it runs with the school year. They enrolled 47 kids with 7 being from Hinshaw and 40 unchurched kids. It's like a "club" instead of a "class". They divide into age levels of grades 1,2,3 in one group and grades 4,5,6 in another. They also use a sticker program to encourage the kids. They have found that \$10 will sponsor a kid for a year in their program at Hinshaw.
- L. Rev. Jim Gore of Millers Creek Baptist Church gave a report on their church's multi-family housing ministry. Millers Creek has a large number of mobile home parks. Only 10% of the people in these mobile home parks attend church. Initial need of the ministry is a dwelling. Baptist State Convention will loan units, but there are just not enough units available. At this time, they do not have a unit, but have been renting a lot. They have conducted six "parents night out". The initial results of this are encouraging. They are starting a van ministry. Rev. Gore state that the ministry is not always an easy task, but is always rewarding.

- 7. Rev. Ken Pardue gave a report on the Apple Festival Ministry. He ask that volunteers take a certain hour. He read the schedule and the hour each church would be working at the associational booth. As Evangelism Director for next year he announced an Evangelism Strategy Meeting to held at Pilgrim Baptist Church on January 16 and led by Milton Hollifield. A meal will be served.
- 8. Moderator James Horton asked if there were any more announcements. There being none, he called for registration slips.

9. WMU Report was given by Deborah Sullivan using the current theme of "A Time to Grow". She stated that WMU had grown in the past year. She announced that the WMU would provide a "diaper changing" booth at the Apple Festival and for everyone to remember to take food for World Hunger to Oakwoods Baptist Church on October 8.
10. Mr. Doug Rollins gave the Brotherhood Report. Mr. Wade Bumgarner is the incoming Associational Brotherhood Director. Mr. Rollins praised Mae Duncan for her work in WMU. He announced that the annual RA Jamboree was very successful. He stated that we conduct a NASCAR Fan Ministry every spring and fall and that this is a very needed ministry. For five years he and others have been making trips to Graffiti House in New York to minister to the homeless and needy. He stated that "everyone who goes comes back with a burden for ministry." He introduced Charles Billings to share about his trip to Graffiti House. During his trip something happened to him inside - he is not sure what. Graffiti needs our help. He wants to go back several times. He thanked Doug and his own wife for staying on him to go.
11. Rev. Morris Driggers gave the Music Report. He announced that there would be a Music Directors/Spouse Fellowship on November 16.
12. The Discipleship Training Report was given by Mrs. Carolyn Horton. She listed three goals for the upcoming year: (1) set up a library at the associational office, (2) small group studies, and (3) support groups.
13. Rev. Darrell Poole gave the Vacation Bible School Report. He thanked everyone who was involved in the VBS Clinic. He stated that it was the best VBS Clinic ever and thanked all team members. He stated that the team members would be glad to help any church with their VBS. He urged all churches to turn in their VBS reports.
14. Moderator Horton recognized our guests: Mr. Bill Morrow, Rev. Edgar Whitlock and Rev. Rick Tomlinson.
15. Being ahead of schedule, Moderator Horton asked Mr. Bill Morrow to speak on the Baptist Children's Homes of NC. He stated that he is blessed with children and families to work with. "We are Partners in Ministry for children and families." They served 1,500 children this year. They would like for people to come and visit. The goal for the Thanksgiving Offering for the Children's Homes is \$650,000. He stated that prayer support is very important. There is a nine minute video promoting the Baptist Children's Homes titled "A Place Called Home." Mr. Morrow stated that we need to educate our people.
16. The congregation joined in singing "Blessed Assurance, Jesus Is Mine", "Amazing Grace" and "Grace, Grace, God's Grace" led by Morris Driggers accompanied by Mrs. Carolyn Horton at the piano. Mr. Driggers opened the floor for favorite hymn requests and the congregation joined in singing several hymns.
17. Rev. Sherrill Wellborn gave the instructions and the benediction for the evening meal.

EVENING SESSION

18. Moderator Horton reconvened the meeting at 6:45 p.m. and the welcome was extended by Rev. Sherrill Wellborn.
19. The congregation joined in singing "The Lily of the Valley" led by Morris Driggers accompanied by Mrs. Gwyn Stinson at the piano.

20. Rev. Charles Edwards, pastor of Fishing Creek Baptist Church, read scripture from Acts 11:19 and led in prayer.
21. Worship music was presented by Rev. Morris Driggers who sang "Who Will Lead Jesus to Him?"
22. Mr. R.G. Puckett gave the Biblical Recorder report. He stated that he loves to speak at associational meetings. Our world has changed but the basic purpose for our being has not. Need for a Baptist paper started 162 years ago. The paper is an instrument to reach people. The General Board Meeting last week was a very good meeting. Gifts are at an all time high. The budget is strong - a healthy situation. The first step was taken for a partnership with Africa. Many Africans have never seen a Christian/Baptist/Bible, etc. Our mission to NC - have to be careful not to overlook our own state - 6 million population, 3 million have no affiliation with any church. Increase in ethnic population in NC. Cary is now a suburb of Raleigh. The Baptist State Convention is in Cary. Cary is now larger than Wilmington. The number one religious affiliation in Cary is Roman Catholic. Mr. Puckett brought several copies of the Biblical Recorder for anyone who wanted to pick up one and stated "You are a Tarheel Baptist and need to know what is going on."
23. Mr. Carlos Pardue, Wilkesboro Baptist Church, gave a report on their church Hispanic Ministry. One and a half years ago the Baptist Men of Wilkesboro Baptist Church were looking for a project to do. Each month they had a missionary speaker. In January 1994 they had a missionary who worked with migrant workers and she encouraged them to start a Hispanic Ministry. Ada Jones, a teacher in Columbia, South America helped them get started. The Hispanics needed to learn English, have transportation to and from doctors, etc. Cheryl Kilby and Pat Lyall agreed to teach the English. No one showed up at the first class so the Baptist Men went into the trailer parks. In November they had three Hispanics, two weeks later they had ten adults and ten children. They had to open a nursery for the children. They have had a real good year.
24. Morris Driggers directed the Associational Choir who sang "The Name of Jesus" accompanied by Mrs. Gwyn Stinson at the piano.
25. The doctrinal message was brought by Rev. Paul Hugger, pastor of Welcome Home Baptist Church. The title of his message was "What Kind of Baptist Are You?" He read scripture from John 21:20-21 and stated "This message is between you and God delivered by His servant." As Baptists we have embraced the Priesthood of the Believer. Jesus had to confront Simon Peter with the same intrusive meddling that we are tempted to use with people we disagree with. Our response to others is more important than the differences. Our response and attitude is vital to our witness. Some of us more moderate, more conservative in our theology but we will all stand before God the same. Paul said to pursue the things that bring unity, belief, etc. We are to be of one mind with no division among us. Our witness is at stake - (1) Baptists are a people of prayer; (2) We should have patience with one another; and (3) Repentance for any condemning attitude we may have toward the person we disagree with. We are to get along so as not to hurt our witness for Christ.
26. The congregation joined in singing "We Are Called To Be God's People" led by Morris Driggers accompanied by Gwyn Stinson at the piano.

27. Rev. Bill Allen from Fruitland Baptist Bible Institute gave a report on Fruitland. Fruitland originally began at First Baptist Church in Boone. In 1946 the Southern Baptist Convention moved it to Hendersonville. The Southern Baptist Convention gives \$440,000 a year to help with expenses. Approximately one-fifth of the NC pastors have had their training at Fruitland. There have been 2,000 graduates. Rev. Allen brought some brochures to share with anyone who wanted them.

28. Director of Missions, Lawson Horton, recognized all of the pastors that had been students at Fruitland. Next, he introduced the new pastors and staff in our association: Rev. Charles Edwards, pastor (Fishing Creek); Dr. Paul Brunner, interim pastor (Liberty Grove); Rev. Nicholas Cheek, pastor (Pleasant Home); and Rev. Rex Foster, pastor (Roaring River).

Lawson gave his report - the association promotes team work in doing missions and evangelism. We do this locally - our racetrack ministry usually has 200 or more in attendance and several decisions have been made; at the Apple Festival we give out tracts and cold water and provide a diaper change station; and at the Agricultural Fair we give out tracts to spread the gospel. We conducted a Missions Fair in June to make the public aware of what is available. Our Missions Development Council meets monthly to determine what needs there are in our county. Some of our ministries are: multifamily housing, Hispanic ministry, radio ministry, State Missions, Home Missions, NY Partnership, Foreign Missions (Ukraine) Partnership and African Partnership. In March we will have a "Listening Team" from the Baptist State Convention to listen to you and help guide the association in the direction it should go.

The Southern African Partnership will be different from the Ukraine Partnership. The Association is a resource center: training church leaders. We had workshops to train leaders in Discipleship Training, Sunday School - in visits "One on One", VBS, WMU, and Brotherhood. Associational leaders are available to train your church leaders. We provide personal assistance to churches. Again this is through the different leadership teams which have been trained to assist with Deacon Retreats, Stewardship Conferences and various other things. We provide resources, video equipment, periodicals, and various things in trying to do what we can to answer your needs and to help you be on missions projects. We try to maintain a strong fellowship through the Annual Meeting and other meeting we have throughout the year. "All of this is possible because of you and your churches. You are our financial resource." We are constantly trying to improve and do what we can to assist and to help you in what ever you need. Thank you for your prayers, financial support, encouragement, and for the things you in many volunteering ways to help us as we seek to help you. Challenge - "Could you as a church claim an area as your mission field? Would you do everything you can to evangelize a certain group of people regardless of the color of their skin or economic background?"

29. The congregation joined in singing "We've A Story To Tell" led by Rev. Morris Driggers with Mrs. Gwyn Stinson at the piano.

SECOND NIGHT

30. Gathering music was provided by Rev. Morris Driggers.
31. The second day of the 124th Brushy Mountain Baptist Association Annual Meeting was called to order at 7:00 p.m. by Moderator James Horton at Moravian Falls Baptist Church and he recognized Mrs. Mae Duncan as an outstanding Christian.
32. The congregation joined in singing "Send the Light" led by Rev. Morris Driggers with Carolyn Horton at the piano.
33. Welcome was extended by Rev. Ted Miller, Pastor of Moravian Falls Baptist Church.
34. Rev. Shannon Critcher, Youth Minister of Millers Creek Baptist Church, read scripture from Ephesians 5: 1-4, 8-11, 15-16 and lead in prayer.
35. Mr. John Henderson came to give the Christian Action League Report. He read scripture from Proverbs 14:34. Christian Action League has been a part of North Carolina Baptist since 1934. We are at war with worldly things. I want to mention a few subjects and issues that the Christian Action League deals with on behalf of North Carolina Baptist and the other nineteen Christian Denominations. These include breakdown of the family, sanctity of human life or abortion, expansion of homosexual agenda, epidemic of teenage pregnancies, the deluge of alcohol and drugs upon our nation, and pornography. "We really need a spiritual awakening". There are 1-1/2 million abortions each year, 80% of our church going youth drink beer and 47% of them use mar and pornography is a 20 billion dollar business. North Carolina remains the largest state in the nation free of state sponsored gambling. When dealing with this issue the League goes against 15 highly paid gambling lobbyist. Alcoholism cost the American people is 140 billion dollars per year. Abortion without parental consent is no longer available because of the work of the Christian Action League and other Christian organizations. Brochures and copies of first newsletter, "The Beacon" are available at the door.

BUSINESS SESSION:

- A. Rev. Hadley Triplett, Membership Committee, recommended that Oak Grove Baptist Church of North Wilkesboro be considered under the watchcare until next October. Motion carried. Rev. Rick Tomlinson is Pastor of Oak Grove.
- B. Director of Missions, Lawson Horton, recognized Oak Grove Members. Informed messengers that Christmas in Wilkes brochures were available. He introduced Mary Carr to speak for a few minutes. Mary was a journeyman at Graffiti House in New York for three years and is a now a student at Southeastern Seminary. There is a fund at the associational office to help with her expenses. She thanked the association for all they have done, especially for the hats and gloves at Thanksgiving. The homeless wear their gloves and hats all

winter. At Christmas the association gives blankets to the New York homeless and they use their blankets all year. Thermal underwear is a very popular item. The association also helps the people who work at Graffiti by doing things like helping get rid of the rats inside the building.

- C. Rev. Rick Speas gave the Resolutions Committee Report as follows: The Resolutions Committee has received no resolutions from anyone during this annual session of the Brushy Mountain Baptist Association for our consideration.

THEREFORE, the committee offers the following:

WHEREAS, we have had a blessed and fruitful meeting in this annual session,

BE IT THEREFORE RESOLVED that we express our gratitude to the families of both host churches, Lewis Fork Baptist Church and Moravian Falls Baptist Church for the Christian hospitality they have extended to both messengers and visitors at the sessions.

BE IT ALSO RESOLVED that we express our appreciation to the Program Committee, and all the program participants; especially the Moderator, Rev. James Horton, for his guidance during the year and the manner in which the program was expedited.

BE IT ALSO RESOLVED that we express our Christian love and appreciation to our Director of Missions, Rev. Lawson Horton, for his work and leadership during this past year.

AND FINALLY BE IT RESOLVED that we express our gratitude and appreciation to Mrs. Teresa Taylor, and Mrs. Betty Pardue, Associational Staff, and volunteers who have worked at the associational office. Special thanks to Mrs. Taylor and Mrs. Pardue for their dedication in compiling and editing the program for the annual meeting.

END OF BUSINESS SESSION

35. Mr. Dale Brown, Edgewood Baptist Church, spoke on Small Group Discipleship Training. Discipleship Training is the greatest tool we have for discipling people. Edgewood has a small Discipleship Training group - their group was started by Dale after he went to Graffiti House in New York. While at Graffiti he discovered the "Experiencing God" study. This study needs to be done in a small group. Important items for small group Discipleship Training: (1) ongoing fellowship, (2) challenge, (3) accountability, (4) realize what's important to stay focused, (5) creates a closer bond to church family, (6) helps in prayer life, (7) creates a closer relationship to God, (8) growth in God's Word, and (9) creates courage, confidence and commitment.
36. A member of Pilgrim Baptist Church spoke on their Parents Night Out Ministry. This ministry started as a mission project for the Acteens and has developed into an outreach ministry.
37. Moravian Falls Baptist Church Choir presented the evening worship music, led by Mrs. Carolyn Horton. They sang "Beyond The Cross" and "He Purchased Me."

38. The evening message was brought by Rev. Darrell Poole, pastor of New Hope Baptist Church. The theme of the message was "A Formula For Evangelism" based on his personal experience. He read scripture from John 14 and John 8. The emphasis was "We are each one going to go"; "As you go, make disciples"; "Know the answer to the questions"; "Jesus is the answer"; "There is no way but Him." It's not enough to know who Jesus is, we have to allow Him to come into our life. Rev. Poole's father taught him about Jesus and stated that you cannot effectually share an experience you have not had. The only way to pay back everyone for what they have done and what God has done, is to share the news. God said "You are my witnesses." Rev. Poole's formula is: (1) Know the answer; (2) Know the truth; (3) Allow it to set us free; and (4) Be witnesses.
39. Mr. Dean Walsh gave the benediction and the meeting adjourned at 8:30 p.m.

We had a total of thirty-two honor clerks out of forty church clerks! These clerks had their church letter into the associational office by the deadline date with every blank filled, all totals correct, and all dollar figures rounded to the nearest dollar. Each of these clerks will be receiving a Certificate of Recognition (sent to the pastor) and have their name printed in the associational minutes. Their accuracy and promptness makes our job much easier.

George McNeil, Clerk
Teresa Taylor, Assistant Clerk

DIRECTOR OF MISSIONS REPORT

Once again it has been a joy serving the people of the Brushy Mountain Association. I preached twenty-three times, conducted four revivals in the association and two outside the association. I supplied for two churches outside the association. I participated in ordinations and commissioning services during the year. It was my privilege to visit in the churches one or more times. Several conferences and seminars were attended.

One of the highlights of the year was the emphasis on Here's Hope, Share Jesus Now and Jesus Cares For You Revivals. Many great things resulted from these special services. It will be reflected in many of the church profiles that will be presented in the annual report.

I want to express my deep appreciation for the spirit of cooperation that has taken place. I want to thank you for the contributions that have been made by the churches toward associational missions. Without the cooperation and contributions from the churches in our association we could not do the mission work that needs to be done.

Here are some things that I would like to see accomplished this next associational year. I would like for us to achieve the goal of becoming an incorporated body. I would like to see us make necessary changes in our constitution to keep in line with current business. I hope as an association that we will enthusiastically agree to participate in the Southern African Partnership that is being created by our State Convention. I want us to increase our efforts to evangelize specific target groups in our area such as Hispanics, multifamily housing, etc. I would like to see an Associational Singles Ministry be developed. I want to encourage our Evangelism Director and his committee to begin plans for a county-wide crusade that will be approved by our association. Let us also plan to have a great celebration of the **125th** anniversary of the association at our next annual meeting.

I hope you will dream, pray and plan with me for another great year in kingdom service, as we "Carry the Light" to all people. We together under the leadership of the Holy Spirit can make a difference here and around the world.

Respectfully submitted,
Lawson Horton

PLACE AND PREACHER REPORT

The 125th session of the Brushy Mountain Baptist Association will be held Monday, October 7, 1996 with Pilgrim Baptist Church (afternoon and evening sessions), and on Tuesday, October 8, 1996 with First Baptist Church, North Wilkesboro (evening session only). The sermons will be brought by Rev. Dennis Love on Monday, October 7, 1996 and by Dr. N. Nelson Granade, Jr. on Tuesday, October 8, 1996.

Respectfully submitted,
Rev. E. W. McMurray

MODERATOR'S REPORT

I first would like to thank each church, its pastor and leaders, and each individual in these many congregations for their vision and commitment to missions ministry. A special thanks of appreciation goes to Lawson Horton for his steadfast and competent leadership as our Director of Missions. Thanks goes also to Teresa Taylor for a job well done. To all those who served the associational level I offer sincere gratitude from the entire association.

The theme of "Here's Hope - Share Jesus Now" was used for simultaneous revivals in 1995. Many lives were touched as churches throughout our association participated in this evangelistic effort. There has been immediate results of these efforts, and I know God will continue to produce fruit from the many seeds of hope that were sown.

Our association has responded in faith to minister to the needs of others in many ways. Ministry efforts continue in New York and in other states as well. Please be in prayer for a new missions partnership with the Frontier Baptist Association in Buffalo, New York. This effort will require volunteers to pray, plan, and participate in sharing the Gospel in an area that is in great need of a Word from God.

Last but not least, I challenge us all to be faithful to the covenant of salvation God gave to us in Jesus Christ as our Savior and Lord. The theme for the coming year will be "Carry The Light".

When God's people commit to this theme which is expressive of the Great Commission of our salvation, our churches will experience spiritual revival. The unsaved sinners are not compelled to "come and hear". Rather, we as believers are commanded to "go and tell". Let us as an association declare to, "get off our seats, onto our feet, and into the streets". There is a mission field waiting outside our doors. I'll see you in the workplace. God bless.

Respectfully submitted,
James E. Horton

STEWARDSHIP REPORT

Total receipts, cooperative program, and total missions giving increased over the previous year. We are grateful to God for faithful givers.

Information from the stewardship divisions of our Baptist State Convention and the Southern Baptist Convention has been shared with churches during the past year. Several stewardship conferences were available for pastors to attend. An upcoming stewardship preaching conference is on the calendar.

Excellent "thank you" and challenging bulletin inserts are available from the convention. These are very affordable.

I would encourage each pastor and finance committee to present a challenging budget to the church and explain it fully. Christians will give if they know how the money is being used and that it is being spent wisely.

Respectfully submitted,
Jim Gore

VACATION BIBLE SCHOOL REPORT

Our Associational Vacation Bible School team attended the state training conference at First Baptist Church in Hickory in March. We held the association clinic on May 15 at Millers Creek Baptist Church. We had a total of 29 churches represented with the total attendance of 131. Thanks to all the pastors and leaders that came to make it the best Vacation Bible School Clinic ever!

I want to express my appreciation to our associational team as well as for the participation from the churches represented for a job well done. We hope the next year will be even better. Please try to have your workers in place as early as possible for next year's clinic, which will be held in late April or early May. Please let us know if any of our associational team members can assist your church in Vacation Bible School. Start now to begin thinking and planning to have a great Bible School in 1996.

Respectfully submitted,
Rev. Darrell Poole

ORDINATION COMMITTEE REPORT

At the request of the Millers Creek Baptist Church, the Ordination Committee was convened on Friday, May 12, 1995, to examine Galen Johnson as a candidate for ordination. The Ordination Committee was unanimous in recommending the ordination of Galen Johnson.

James A. Hubbard, Chairman

EVANGELISM REPORT

The year 1994-1995 has been a wonderful year for all of us as we were a part of Here's Hope, Share Jesus Now and the Here's Hope, Jesus Cares for You Harvest Revivals. We had 25 of our churches who participated.

We thank our Evangelism Committee and our Director of Missions for all of their help during the year. Pastors and members of the churches reported many blessings received from the Here's Hope, Share Jesus Now and Here's Hope, Jesus Cares for You Harvest Revivals. Souls were saved, lives blessed, and Christians became real witnesses for 60 days as they shared the gospel message.

Thank you for your support during the Apple Festival (hundreds of tracts were handed out and much witnessing was done). Thank you for your support of the Here's Hope Emphasis.

Rev. Ken Pardue will lead us next year in our evangelism work. We will support him and our committee by our prayers and in other roles as we are called upon.

May God bless our Association and the work of our Evangelism Committee in this coming year. Call upon your Evangelism Committee if they can be of any help to you in the area of evangelism.

Respectfully Submitted,
James A. Hubbard, Chairman

WOMAN'S MISSIONARY UNION REPORT

Our theme has been "A Time To Grow" and our Watchword was "May the Lord make your love for one another and for all people grow more and more." - 1 Thessalonians 3:12a (TEV).

GROWTH THROUGH TRAINING - Many women from our association attended the Missions Extravaganza, the 104th. Annual Meeting of the NC Woman's Missionary Union at Ridgecrest March 31-April 2. A Regional Training was held in April at First Baptist Church in Elkin and several women took advantage of this opportunity. Our Associational WMU Director attend Key Leadership at Ridgecrest in May. The Associational Leadership Team attended the state workshop at Camp Caraway in July. The Associational Leadership Workshop to train leaders of the churches for 1995-96 will be held on September 18 at Moravian Falls Baptist Church.

GROWTH THROUGH INVOLVEMENT - On World Hunger Day, October 9, our churches collected food for Wilkes Cares. In February, SBC WMU sponsored PROJECT HELP: HUNGER and 16 churches in our association gave more than 1,800 cans of food and \$786 to Wilkes Cares. The national goal of 1,000,000 cans and 25 cents for each can given was exceeded. North Carolina was the top state in food collected with 142,534 cans and was third in money collected with \$135,644.

GROWTH THROUGH EDUCATION - An Associational Foreign Mission Study was held at First Baptist Church in November. The adults were led by Sandra Lane the other age levels were led by their Associational Directors. Martha COLWELL, missionary to Rwanda, was home on furlough and spoke to many of our churches. A study of Mildred McMurry's book, SPIRITUAL LIFE DEVELOPMENT was taught by Maggie Moore at Cub Creek Baptist Church in January. A Menopause Seminar for the women of our association was held in February at Liberty Grove Baptist Church and was led by Mrs. Pauline Tedder. An Associational Home Mission Study was held in March at Wilkesboro Baptist Church. The adult study was led by Sheila Black, Social Ministries Director of the Metrolina Association in Mecklenburg County. The Acteens, GA's, RA's, and Mission Friends were led by the Associational Directors. An Associational WMU booth was set up the Missions Awareness Fair held at Millers Creek Baptist Church in June. The women also provided cookies for this event. The Associational Annual Meeting was held at Millers Creek on May 4. Pat Frazier of Greensboro gave a dramatization on the changes that will be taking place in WMU in October 1995.

GROWTH THROUGH PRAYER - Baptist Women's Day of Prayer was held at Hinshaw Street Baptist Church in November and Hinshaw also provided a meal. Many of our churches observed the weeks of prayer for Foreign, Home, State and Associational Missions.

GROWTH THROUGH GIVING - Our churches support missions through giving to the Lottie Moon Christmas Offering, The Annie Armstrong Easter Offering, State Missions Offering, Associational Missions Offering, The Cooperative Program, Mundo Vista Capital Campaign, and many other ways.

Some of the Associational Council members went to Stony Hill Baptist Church in March to assist in starting some of the WMU organizations there.

As of October 1, 1994, thirty-one of our churches had one or more WMU organizations with a total of 103 WMU officers and 1,093 members.

I want to take this opportunity to THANK each of you for your support and involvement in WMU, and a SPECIAL THANKS to our Director of Missions, Lawson Horton and his wife, Carolyn for their continued support.

Respectfully submitted,
Deborah Sullivan

BROTHERHOOD REPORT

This year has passed quickly and as always it seems as though we have less and less time to do the things we love to do. But, somehow in all the hussel and bussel a lot of men from a lot of different churches found the time to accomplish a tremendous amount of work in an effort to spread the gospel and uplift the name of our Lord Jesus Christ.

Along with our association with New York Baptist Men at their Graffiti House Ministry, the Brushy Mountain Association has taken on another much needed partnership with Buffalo, New York. I'm sure a lot of opportunities will be opened to witness and help our brothers in Christ.

Doug Rollins with the help of some volunteers made their Thanksgiving trip to Graffiti House and gave out 4,000 gloves, 1,500 pairs of socks, 760 pair of thermal underwear, 200 toboggans and several scarves and undergarments. The Christmas trip was made with 1000 blankets. We thank God for everyone that contributed to both of these trips.

The Racetrack Ministry at the North Wilkesboro Race Track was a success again at both the spring and fall races. Special speakers and singers gave of their time to help spread the Gospel. Kirk Walker and volunteers from Liberty Grove Baptist Church put in a lot of time and effort toward the Racetrack Ministry for which we are deeply grateful. Our hope is that in the future more church brotherhoods will help in these events. Thousands of flyers are handed out one at a time, providing an opportunity to witness for our Lord.

R. A. Jamboree

The fifth R.A. Jamboree was held on August 25-26 at Kerr Scott Dam and Reservoir. It would be impossible for me to name each person that took a part in the planning and overseeing of all the activities. I would like to say thank you so much for all you did. We thank God for the young man that came to know Jesus as his Lord and Savior. It made the whole trip worth the effort. Rain dampened the festivities but not the spirits of the young men. We are looking forward to next year and another opportunity to witness to more young men. Dennis Love of Pilgrim Baptist Church brought the message Saturday morning that inspired the man to accept Christ and that I would like to give him a special thanks.

Work By Individual Brotherhood Organizations

Many projects were taken on by individual brotherhood organizations over the past year. These are a few I am aware of:

CUB CREEK - Fixing stove for shut in; clean up around church and parsonage; moving furniture, roofing a home; cook-out.

ZION HILL - Replaced or repaired roof on three homes; New roof on Boomer Medical Center including trusses and sheathing; Community wide supper for all men and boys; Cut wood; Repaired plumbing; Replaced pump; Cleared land for church; Mowed yards for widows and shut-ins; Built carport for handicapped member; Jacked up and leveled home; Sent a child to camp; Sponsored Men's breakfast and Installed cabinets in Medical Center.

PILGRIM - Donated \$100. to church for tables and chairs, \$50 for mission to Japan, freezer for Ebenezer Garden Childrens Home, \$100 for you couple in need; Fruit baskets to widows for Christmas; Christmas treats for church; Bar-b-que dinner fund raiser for church debt; Along with WMU gave grille to Childrens Home, mowed grass for sick; Donated to Prison Fellowship; Installed roof, built deck and built porch on mobile home; placed

112 tons of Rip Rap Stone on grounds in back of church.

Thanks again to everyone that took part in the activities of the past year. We appreciate the support of each church for Baptist Men and it is our prayer that more churches in the Brushy Mountain Baptist Association will start a Baptist Mens group. With God's guidance more activities and outreach programs will be started in the coming year.

Respectfully submitted,
R. Wade Bumgarner

DISCIPLESHIP TRAINING REPORT

I have been elected as your Discipleship Training Director. Since I have taken this position, I have had the privilege of attending conferences to help me be better prepared to serve in this role. I have learned that my correct title now should be Associational Discipleship Supporter. My responsibility is to assist and lend support to our churches in disciple making.

Equipping the saints for ministry is a major responsibility of the church. People that are disciplined in biblical truths are stronger in their faith, more willing to serve, more involved in witnessing and more faithful in stewardship.

During my first year of service, there are three goals I would like to achieve. I would like to provide a display of Discipleship Training materials in the associational office to be examined and checked out by interested discipleship leaders. I plan to meet with pastors and their key leaders to see how I can best help them in discipleship. My final goal is to arrange for small group studies for interested persons in a neutral location, possibly the associational office. More will be said about these ideas as the year progresses.

If I can assist any of you in developing believers, please give me a call. May spiritual growth be experienced in each church.

Respectfully submitted,
Carolyn Horton

YOUTH REPORT

On March 25, 1995, the Brushy Mountain Association hosted it's second annual **"YOUTHQUAKE"** at the John A. Walker Community Center. Featured singing groups were "His Own", "Pathway", "Just Us", and "Jamie Carroll". Our Christian performer was William Stogner, a Christian illusionist from Durham, NC. William Stogners ministry is centered around trying to expose many of the tricks of the New Age movement like fortune telling, horoscopes, and many other deceptions that coincide with the movement. Many churches wanted to help support the event and in a matter of weeks raised over \$1,500.00 to cover some of the cost for the event. Hundreds attended and there were some decisions made for Christ.

Glen Moore

PASTORAL MINISTRIES REPORT

On March 20, 1995, Steve Sumerel, director of Family Life and Substance Abuse with the NC Baptist State Convention, provided some basic training for our pastors in ministering to families in crisis and in marriage counseling. Twelve ministers signed up for the three hour session. Those who attended were given an outline for Pastoral Counseling and Guidelines For Couples Counseling.

Future Pastoral Ministry workshops will be conducted in November 1995, and March 1996. In November, Dr. Larry Gregg of the Gardner Webb Divinity School will lead our ministers in the study of Amos which will be our Winter Bible Study Book. Then in March, Charles Fox with the NC Baptist State Convention will lead our ministers on "How To Reach The Baby Boomer".

The role of the Pastoral Ministries Director is to help meet the personal and professional needs of our ministers by setting up educational workshops and conferences. I am eager to hear from our ministers of other topics that they would like to have covered.

Thank you for supporting this ministry. It is a unique associational ministry in that it is the only one that is purely for the benefit of the ministers THEMSELVES. As the ministers are helped personally and professionally, they are then better equipped to lead the churches of the Brushy Mountain Baptist Association.

BIBLE DRILL REPORT

"Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth." II Timothy 2:15 (KJV). This is the principle on which Bible Drill is based. Over the years, we have seen many Bible Drill participants mature and become confident Christian leaders in the church and community. Many have stated how much being a participant in Bible has meant to them. We would like to encourage more churches to offer this study for their children and youth (Children's Drill-grades 4-6, Youth Drill-grades 7-9, and Speaker's Tournament- grades 10-12). This year, five churches from our association had a total of twelve children/youth eligible to advance to the Associational Bible Drills held at Wilkesboro Baptist Church. The following churches participated in the Associational Drills: Cub Creek, Goshen, Hinshaw, Liberty Grove, Oakwoods. These churches had participants who then advanced to the State Bible Drills held at the First Baptist Church in Lenoir.

We thank the Lord for our hard-working participants and their parents, for the support of our director of missions, and for all the dedicated Bible Drill leaders throughout our association. Please remember each one in prayer.

Sherrill and Wanda Love

ANNUITY BOARD REPORT

At a time when more and more persons are questioning the future of Social Security and Medicare, it is imperative for churches and pastors to give strong consideration to provisions for the retirement of pastors and staff. Even if (as seems probable) the future of these programs seems secure, they will not be sufficient alone to provide for the needs of future retirement. Churches should be encouraged to see to the matter of providing such funds. The churches should be budgeting ten percent of base salary as a benefit in addition to salary. Pastors also should be contributing five percent of salary toward retirement.

As more and more Southern Baptist ministers and employees retire and live longer in retirement, total benefits paid continue to rise.

About 300 persons retire each month, and the total number in pay status is nearing 26,000. In the first six months of 1995, benefits paid were approaching \$100 million.

Paul W. Powell, president, said, "We are immensely pleased to provide these richly deserved benefits to God's choice servants. They earned them. They deserve them, and they can enjoy the security that comes from their trust in the Annuity Board. Every benefit will be paid exactly as promised, for as long as you live.

What's RMSC? It's short for Retired Ministers' Support Corps.

The RMSC works to raise awareness and support for the Adopt An Annuitant ministry of the Annuity Board.

The Annuity Board can now help 1,608 persons with \$50 per month supplements to their annuities. This requires an annual cash flow of gifts totaling almost \$1 million. All this money is raised in designated gifts through our Endowment Department.

A gift of \$7,500 will fund an Adoption in perpetuity, but most gifts are small and must be raised each year to meet our commitment to each adopted annuitant.

For the first time in several years, the national Cooperative Program allocation for relief is providing the expected funds we distribute in relief.

In 1995, we will pay more than \$1 million to hundreds of aged and widowed Southern Baptist servants who are caught in desperate circumstances. More than half of the relief recipients do not receive any regular annuity because their churches never enrolled them in our Plan. Some do not even receive Social Security.

Thank God for Southern Baptists and for their commitment to the Cooperative Program. Every penny of Cooperative Program money we receive is used for relief. None is used for salaries or other operation expenses of the Annuity Board.

We urge each one of our congregations to give attention to this urgent business.

Bill McKinney

FOREIGN MISSIONS REPORT

The following are highlights of our foreign missions work for the past year:

MINISTRY IN THAI PRISONS and spiritual growth among prisoners continues at a fast pace, reports missionary Jack Martin in Thailand. Recently 120 women and 130 men made professions of faith in Christ following a special music program which featured U.S. Baptist musicians.

A VOLUNTEER MEDICAL PROJECT near Ormoc City in the Philippines witnessed to 1,173 patients. Two Bible study groups with the potential of becoming new churches resulted, according to FMB reports.

MALAYSIAN BAPTIST discussing plans for outreach have recommended efforts to begin work in 20 new areas, start 37 new language congregations within established churches and increase baptisms by 10 per cent a year through the year 2000.

THE WOMAN'S MISSIONARY UNION (WMU) of Texas is leading the way in praying for efforts of volunteers attempting to take the gospel into Albanian villages. Those employed in prayer are utilizing field-generated requests updated daily on CompassionNet, the FMB's on-line prayer service.

A BAPTIST SUNDAY SCHOOL that was started in an area where illicit drugs are produced on the Caribbean Island of St. Vincent drew 92 people by the fourth Sunday. Three hundred people came to see the "Jesus" film.

NAIROBI CRUSADE WINS 10,000 TO CHRIST. More than 10,000 people were expected to be won to Christ during the intensive six-week Greater Nairobi Crusade that began in June in East Africa's largest city. Leaders from 100 of Kenya's churches were joined by some 500 Southern Baptist volunteers representing 25 states in the effort. Although final statistics are not available, organizers expect 10,000 new Christians and some 100 new churches to result. During the crusade's finale, 100,000 people packed a downtown park to hear speakers close a five-day revival meeting. Already Baptist teams are following up on the thousands of people who have indicated a desire to know Christ. Participant, Jimmy Draper, honorary crusade chairman and president of Southern Baptist Sunday School Board, said, "The people are so responsive. They are hungry to know the truth. Kenyans believe there is one God. Too many just don't know who He is."

As a result of crusade efforts many Kenyans are finding out who God is through Jesus and are following Him.

We have had an increase of 101 missionary personnel since last years report. The current count now is 4,187 serving in 133 countries.

GENERAL BOARD REPORT

This is my second year to serve as a General Board member of the NC Baptist Convention. I am a member of the Stewardship Committee, which is chaired by Rev. Timothy C. Horltdt of the Catawba River Association. We meet in January, May and September. One of the responsibilities of the Stewardship Committee is to help promote the NC Missions Offering this year through our local church and the association.

Some highlights of activity in 1995 are as follows:

1. The partnership missions is going well with the Baptist Union of Ukraine. Approximately 200 volunteers will go to the Ukraine this year. Two medical teams have gone this year. There is a possibility of a partnership with South Africa. This will be voted on in our September meeting.
2. The results are very good from the various Listening Sessions led by the Visioning/Listening Team. The team is determining ways to focus attention on the health of churches and associations.
3. A State Missions Promotion Coordination Committee was appointed to promote the State Missions Offering. This is the only offering in North Carolina that has not reached its goal in the past three years.

The table that follows gives a brief summary of selected items from the financial statements of the Baptist State Convention. The top half of the table deals with Cooperative Program giving only and the remainder of the table deals with all other giving that comes through the State Convention.

Virtually 100 percent of NC Baptist Men's (Brotherhood) mission funding comes from the North Carolina Missions Offering. The Disaster Relief Van, the Medical-Dental Bus, and agricultural missions projects – all are heavily dependent on this special offering.

89 percent of WMU's program budget comes from the North Carolina Missions Offering. Prison ministry, support for missionaries and their children, and Camp Mundo Vista are just a few of the programs that are made possible by this offering.

AMERICAN BIBLE SOCIETY REPORT

Think for a moment what it must have been like, on that first Christmas night. Imagine yourself as a shepherd - two thousand years ago. You're on a hillside, somewhere near the little town of Bethlehem...watching over your flock. The wind is cold, so you draw that old rough cloak even tighter around your shoulders. It seems to be just another ordinary night...doesn't it. You've spent hundreds of nights like this...out under the stars. But then suddenly an Angel appears...and the glory of the Lord is shining all around you! Perhaps you begin to tremble. "Fear not," he says, "for behold, I bring you good tidings of great joy...which shall be to all people. For unto you is born this day, in the City of David, a Savior...which is Christ the Lord." And then suddenly your whole life is transformed! A simple shepherd becomes a messenger of the most incredible news in history..."Jesus Christ the Savior of the world is born!"

But for millions of people all over our world, there seems to be so little...or nothing to cling to. The year 1994 was one of much despair. For many it was a time of pure terror, a time of anger and tears. For much of the world it was a nightmare of hunger and death. Some of us lost everything we had through earthquakes and floods, war and disease. From the comfort of our living rooms many of us watched on television, all this chaos, destruction and pain. Some of us could only agonize with the victims--as they struggled to survive. Many of us are still wondering aren't we, why things like this must happen to our...already hurting world.

There is hope, but there is only one true hope, and His name is "Jesus". Much of the world does not know Him--because too many of us simply do not know how to share Him. Some of us are so confused. A missionary speaker presented a program about the country where he served. A young boy, eyes large, cheekbones protruding, stomach bloated from hunger, was pictured on one of slides. With a tear on his cheek, the boy was reaching out his hand. It was truly a moving picture. Following the presentation someone asked: "Whatever happened to that little boy?" The speaker hesitated for a moment and then said: "I don't know...all I did was take his picture."

God has always seen our needs, He's always understood our weaknesses. And so one day He chose to do something that could change our lives. Some of us know about the cross, but again, too many of us have not yet had that privilege. There are millions and millions of people all over our world who have never had a copy of the Holy Scriptures. On every continent, in every nation, hungry hearts and souls are waiting...like that little boy with outstretched arms...and tears. We can give these people the most precious gift of all, we can give them...hope. They too can meet Jesus, and their lives, like ours...will never be the same.

The world is waiting, and some of God's people are on the way. As Christian partners of the American Bible Society, our mission is a simple one. We just want to share the Light of God's Word. We want to share it with every man, woman, and child--in a language they can understand. We want to share the indestructible hope that can be found only on the pages of "His" word. We want to touch and change lives in the sweet name of Jesus. We have so many opportunities to do this--so many privileges.

As partners of the American Bible Society we have been on the move for one hundred seventy-nine years. We are there in the troubled Middle East--in the emerging countries of Africa. These are people who are so desperately seeking some kind of direction in their lives. We are there on the vast continent of Asia, with its conflicting cultures. We're in the turmoil of Central Europe, where brothers are fighting brothers. They are fighting for many reasons they themselves...don't understand. We are also in the Americas, where poverty and drugs often rule the lives of the people. We are here, in our own nation, where crime and fear are stalking the streets of our cities.

As partners of the American Bible Society, we offer the only kind of hope that lives-on and on. But we live in a world of five billion people, we speak more than six thousand languages. There is still so much work to be done. There's an African mother who needs the Gospel of John--in her own Swahili language. There's a South American farmer who needs a Spanish New Testament, a Moscow family who needs a new Bible, and oh yes, there's still an American teenager who needs the word of God--in English.

There are lost and hurting masses of humanity. The American Bible Society is reaching out to the world with comfort and hope. This is being done through the translation, production, sharing and love of God's Holy and precious Word.

If it can be said, "I was hungry," then let it also be said "Christian...you fed me." Yes, two thousand years ago, God chose the shepherds of the world to spread the good news of Jesus. Today, He's choosing...you.

The American Bible Society (ABS) is very grateful for all its dedicated partners. Through your support, since its founding in 1916, the ABS has shared a total of 6,671,479,223 scriptures around the world. This figure amounts to approximately one billion more scriptures than there are people on the earth today. People grow and change over the years, but so does the work and outreach of the ABS. Languages change, circumstances of life change, and needs change. But hope always remains in the hearts of those who know the Lord. To help provide this hope is the continuing mission of the American Bible Society.

In 1994 partners of the American Bible Society made possible the following distribution of scriptures around the world:

THE BIBLICAL RECORDER REPORT

The headlines each day--Bosnia, O.J. Simpson, interest rates, tax overhaul, etc.--often include Southern Baptists. The secular media show special interest in our conflicts but all too often do not tell the whole story of the good things Baptists are doing. The Biblical Recorder tells the whole story--the many positive things people are doing in their churches along with the negative issues which cannot be concealed and ignored if we honor our heritage from yesterday and fulfill our mission for tomorrow.

There is no way to address these issues without correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. In the 162 years of state Baptist papers in North Carolina, never was the Recorder more needed than now for people to have the truth.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age where many think they know the answers to the issues only to discover they do not. It is impossible to know in depth what is happening when we depend on "60-second sound bites" of news on television or radio.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The Biblical Recorder should be in every Baptist home in North Carolina. Your support as a subscriber and reader, coupled with your encouragement to others, will enable the paper to better serve the constituency with accurate and helpful information.

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Recent and anticipated increases in mailing costs makes CNS a greater value in 1995-96 than when it was started in 1990.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed. With all the stress and disturbance in the world, "The North Carolina Baptist Way" has become even more important to us than ever before.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

NC BAPTIST FOUNDATION REPORT

The messengers present at the Baptist State Convention meeting 75 years ago, when the establishment of the Baptist Foundation was approved, believed that the services to be provided by the Foundation could benefit both the individuals who would use its services as well as Christian purposes for which the Convention had organized many years earlier.

With a well trained and dedicated staff, the Baptist Foundation is now in position to assist any Baptist church member who has a desire to preserve their estate for their families and provide greater financial service to their church, association, missions, Baptist institutions or the Convention in its program of work.

Those who have become involved with the Foundation thus far, many of whom no longer are alive today are providing critically needed resources for either their family members and/or the Christian causes they dearly love. In many instances their use of a trust or endowment fund has helped reduce income and/or estate taxes and increased the value of assets they left for their families at their death. In addition, they continue to provide for sharing the Gospel with the income from endowment funds they created while they were living.

Many North Carolina Baptists are today enjoying the benefit of increased retirement income through the creation of an annuity trust with the transfer of property or other assets which the Foundation sold and invested under guidance of professional managers. When these trusts were created, the individuals were provided tax benefits which enhanced their estates. In most cases, the income they now receive is greater than that received prior to starting the trust. At some future date of their choosing, the assets in trust will serve the Lord in ways chosen by the donors.

During the past year, an area manager was employed to serve the western portion of the state. A twelve-minute video, "Pillars of the Church", was prepared which shares through personal example how the Foundation can serve every church member. A copy of this video is available by request in writing to 201 Convention Drive, Cary, North Carolina 27511. Personal and confidential assistance is available by calling our office at 919-380-7334 or written request directed to the above address.

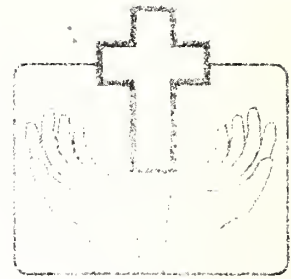

The total assets under management by the Foundation at the end of 1994 were \$47,312,575. A total of \$1,241,756 was paid to Baptist churches, institutions and mission causes during 1994. The amount paid to individuals from trusts, which will eventually pay to Baptist causes, was \$1,499,098 during the year. During the first six months of 1995, the total performance of the charitable endowment funds under management was 15.3% (annualized).

*Meeting the
Challenges of
Health Care*

1995

Report to the Associations

"Touching Lives With Hope"

Founded in 1922, Baptist Hospital is a missionary enterprise of the Baptist churches of North Carolina. The essence of our purpose is to carry out a ministry of healing as taught by Jesus Christ. We remain as fully committed to this mission as were our founding fathers. In the midst of changing health-care norms, we have not, nor will we, deviate from this mission. The following paragraphs report not only basic facts, but various results of how we have sought in the last year to remain true to our heritage while providing quality health care at affordable prices

"THE BAPTIST"

Affectionately known to many simply as "The Baptist", our hospital now employs 5,544 members who comprise our heading team. We are joined with Bowman Gray School of Medicine and thus The Medical Center has over 9,000 employees making us the largest employer in Forsyth County. In fiscal year 1994-'95, our 806-bed facility provided care for 23,712 inpatient admissions. Our rapidly growing Outpatient Department provided care for 557,511 patient visitors.

A NEW DIVISION: PASTORAL CARE AND CHURCH RELATIONS

In May restructuring created a new division with the consolidation of the departments of Pastoral Care and Church/Community Relations. This division consists of four ministry components which are listed below with a brief ministry synopsis:

DEPARTMENT OF CHAPLAINCY AND PASTORAL EDUCATION

Through spiritual and emotional healing to patients, families and staff, approximately 55,000 ministries were provided by our chaplains.

THE CENTER FOR CONGREGATIONAL HEALTH

This rapidly expanding ministry to churches, pastors and staff, and congregational leaders also enables the training of intentional interim pastors. Also, training is provided for leadership and church consultants. Workshops and other events are held as well.

DEPARTMENT OF CHURCH AND DENOMINATIONAL RELATIONS

This department serves as the liaison between Baptist Hospital and the churches, associations, and convention, as well as other church groups. By facilitating appointments, policy interpretation, understanding of our health care services, this function helps keep our vital bond with North Carolina Baptists strong. Mission dollars for benevolent care through this department in excess of \$452,000 were given by Baptists to the Mother's Day Offering. This mission effort helps relieve the financial burdens of patients who have little or no healthcare insurance. This is truly a ministry of renewing hope in their lives and is a source of great joy for us.

PASTORAL COUNSELING

With increasing requests from churches and associations across the state, this ministry continues to expand. Our thirteen strategically located counseling centers provided 27,000 ministry hours last year.

Thank You Letters From Mother's Day Offering Recipients

"I would like to take this opportunity to tell you how grateful I am for the generous contribution made to help me with my recent medical expenses. I have been extremely concerned as to how this account would be settled. I never dreamed that such a fund was available. To all Southern Baptists across the state of North Carolina, I sincerely thank them for their generosity and concern for my well-being. This gift has definitely lightened my life's load. The gratitude I have in my heart is difficult to express on paper, but truly one deeply appreciated."

"Please accept my sincere appreciation for the financial assistance you and Southern Baptists contributed toward my late husband's hospital bill. This was a gracious gesture on your part that truly helped lighten the financial burden left to me due to his extended illness. A gift of this magnitude will not be forgotten by me or my family. Through all this ordeal my faith in God has been unshaken, and your kindness only strengthens that faith."

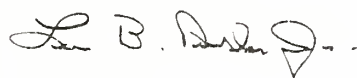

POINTS OF EXCELLENCE AND PROGRESS

- **FINANCIAL STEWARDSHIP** - Annually Baptist Hospital's rate increases consistently are less than both the medical consumer price index for hospitals and general inflation. The most recent North Carolina Database Commission report comparing the average of charges at other in-state academic medical centers for our most frequent diagnoses reveals our charges are 24% lower. For all hospitals statewide we are 7.7% lower on those same charges, despite treating the most critically ill patients from across the state.
- **QualChoice OF NORTH CAROLINA** - A managed care plan providing quality health-care and patient physician choice. Established by The North Carolina Baptist Hospitals, Incorporated and Bowman Gray School of Medicine and Wake Forest University, QualChoice is now expanding to employers in our region.
- **ACCREDITATION WITH COMMENDATION** - This distinction was awarded us by the Joint Commission of Accreditation of Healthcare Organizations. With a grade of 96 we earned the distinction as one of America's most highly rated hospitals.
- **EMERGENCY DEPARTMENT/DIETARY BUILDING** - With a Fall 1995 opening date this 300,000 square foot facility will expand our Emergency Department capacity to 70,000 visitors annually. It will also house a 35-bed Day Hospital, as well as a 900-seat cafeteria, and will double the proportion of private beds available to patients.
- **COMPREHENSIVE OUTPATIENT REHABILITATION FACILITY** - A 64,000 square foot facility scheduled for completion in the Summer of 1996.
- **STICHT CENTER ON AGING AND REHABILITATION** - Housing a geriatric research and education center, geriatric day hospital and inpatient acute rehab beds, geropsychiatry, and adult acute psychiatry, a planned completion and opening date for this center is the Spring of 1996.
- **HOME HEALTH SOLUTIONS AND HOME HEALTH SPECIALISTS** - Specialists provide at home care such as intravenous chemotherapy, pain management, nursing care, and physical and occupational therapy.
- **COMMUNITY HOSPITAL ASSISTANCE** - Baptist Hospital continues to develop relationships with hospitals and physicians in other communities inviting them to join our expanding healthcare delivery system.

A CLOSING WORD

Historical methods of delivering healthcare are changing in significant ways. We are constantly seeking to position ourselves to develop the methodologies, services, and delivery systems to meet these challenges. In the midst of the multiplicity of changes remain several treasured, time tested constants. Among these are our commitment to excellence and compassion in providing care, the demonstrated support of North Carolina Baptists, and most significantly, the providence of our Lord. Trusting in these, we move forward boldly and confidently into the future.

HOME MISSION BOARD REPORT

HOME MISSION BOARD, SBC
Christ for Our Nation

1994 ANNUAL REPORT SUMMARY/HIGHLIGHTS

The Home Mission Board (HMB) is a missionary-sending agency of the Southern Baptist Convention (SBC). With national offices in the Atlanta, Georgia area, the HMB's purpose is to serve Southern Baptists by assisting churches to proclaim the gospel of Jesus Christ, start and grow New Testament congregations, and minister to people in the name of Christ.

As of December 31, 1994, there were 4,913 missions personnel serving in the United States, the Caribbean, Guam, American Samoa, and Canada. This is only 87 short of the Bold Mission Thrust (BMT) goal of 5,000 home missionaries. The HMB also had endorsed more than 2,300 chaplains who were serving in healthcare agencies, institutions, businesses, the military, and pastoral-care roles. More than 2,000 Mission Service Corps volunteers were serving on home mission fields, exceeding another BMT goal six years early. During the year there were nearly 1,300 church starts. Southern Baptist churches baptized 378,463 people in 1994, an increase of nearly 30,000 over 1993.

Approximately half of the HMB's support comes from individual SBC churches through the annual Annie Armstrong Easter Offering for Home Missions. In 1994, gifts to the offering totaled \$37,177,500, about 2 percent more than the 1993 total and the second largest in HMB history. One hundred percent of the offering goes to support the work of home missionaries in the field. The 1995 Annie Armstrong Easter Offering goal is \$50 million, in commemoration of the HMB's 150th Anniversary. About 35 percent of the HMB's income comes from the denomination's Cooperative Program.

The following is a summary of program/support ministry highlights from 1994:

Chaplaincy Ministries--The 2,364 Southern Baptists now serving as chaplains and pastoral counselors reported more than 24,000 professions of faith.

Church Loans--The Church Loans Division closed 107 church loans totaling \$21.5 million, including \$3.9 million of refinancing.

Language Missions--Home missionaries in the Language Church Extension Division serve among 102 ethnic groups and 97 American Indian tribes, using 102 languages and dialects, in addition to sign language.

Volunteers--Volunteers continue to serve in record numbers and represent more than \$100 million in value to the HMB. In 1994, nearly 80,000 persons served as volunteers, about 5,000 more than in 1993. Mission Service Corps missionaries, numbering 2,016, and serving in 1,385 locations, represent a cadre of committed people responding to God's call to be personally involved in home missions.

Christian Social Ministries--More than 2,500 volunteers were trained to teach English as a second language, tutor children and youth, and assist adult non-readers.

Church Extension--Through Praxis, 47 men and 31 women from six Southern Baptist seminaries participated in church planting during the summer.

CHRISTIAN HIGHER EDUCATION REPORT

BAPTIST COLLEGE/UNIVERSITY REPORT 1995

The Baptist State Convention is 165 years old. For 161 of those years the Convention has been in the business of founding, adopting, supporting and nurturing Baptist colleges and universities. North Carolina Baptists are known for their broad and deep commitment to Christian higher education. Our seven Convention-related education institutions are: Campbell University, Chowan College, Gardner-Webb University, Mars Hill College, Meredith College, Wingate University and Wake Forest University.

For 1995 the Convention's Christian higher education budget is \$6,000,540, or 20.41 per cent of the total. These funds are divided among six colleges. Wake Forest is not in the budget, but receives designated gifts from churches and shares in student financial aid funding through the State Missions Offering.

The 1994 enrollment in North Carolina Baptist colleges and universities was 22,473, with 4,075 graduates. Approximately 476 students were enrolled in church-related vocation studies.

Making Life for Older Adults . . .

The Best of Times

As a result of the wonderful support given by North Carolina Baptists, 1995 will be remembered as one of the finest years in the forty-four year history of the Baptist Retirement Homes of North Carolina, Inc. The following are some highlights from the year:

In recognition of its commitment to the spiritual well-being of the residents that it serves, Baptist Retirement Homes hired Luther Osment of Sylva, North Carolina as its first full-time Chaplain. Reverend Osment's work responsibilities include ministry to the residents of the Brookridge Retirement Community in Winston-Salem and the Western North Carolina Baptist Home in Asheville.

Reaffirming its commitment to the idea that retirement should be a "step up" for Older Adults, the final phase of the renovation of The Taylor House Facility in Albemarle was completed in the Fall of 1995. The renovation of The Hamilton Baptist Home in Martin County was also begun in 1995 and hopefully will be completed by year end. When the renovation of The Hamilton Baptist Home is completed, all of the facilities operated by the Baptist Retirement Homes will be "state-of-the-art."

In recognition of the changing profile of institutionalized Older Adults (47% of the "oldest old" in North Carolina suffer from some

form of dementia), the Young Solarium addition was completed in the Fall of 1995. The Young Solarium will house a new small-group program designed to enhance the quality of life experienced by institutionalized Older Adults suffering from dementia.

In an effort to provide Older Adults with affordable care, a sub-acute unit was developed at the Prince Nursing Care Center in Winston-Salem . . . a unit where frail Older Adults can receive IV therapy, infusion, wound care, and stroke and bone fracture rehabilitation outside of a hospital setting.

In response to the need to provide quality long-term care services to the ever growing number of frail Baptist Older Adults who may not need institutionalized care, the Baptist Retirement Homes developed a new home and community based service program, In Home Care, Inc. . . . the new service designed primarily to extend the amount of time that frail Baptist Older Adults can remain in the home environment.

Thank you North Carolina Baptists for helping us make life for Older Adults . . .
The Best of Times!

BAPTIST CHILDREN'S HOMES REPORT

For six-year-old Malinda, darkness brought sleepless nights listening to her mother's boyfriend beat her brother and sister – and praying she wouldn't be next, watching her mom choose her lover's whims over her children's needs, and finally, being abandoned on Christmas Eve in pouring rain on a dirt road.

Her darkness, more than just a light switch clicked off, swirled with pain, fear, confusion and despair.

Today, a bright-eyed teenager living at Broyhill Home, one of four Baptist Children's Homes residential campuses, Malinda finally sees light. After becoming a Christian in 1992, she can forgive her mom and let go of her painful past. "Learning to deal with my issues is a lot easier since I became a Christian," said Malinda. "I'm happy here at Broyhill. The people believe in me, support me and are here for me."

Believing in children and families, offering light to pierce their darkness has been Baptist Children's Homes' goal since its beginning 110 years ago.

Serving 1,513 children and families in 1993-94 in 12 facilities across the state, BCH provides intentionalized programs of residential group care, emergency care, therapeutic camping, maternity care, teenage mother/babies, model day care and behavioral change for girls. Gaston County emergency care cottages in Dallas, operated on a yearly contract basis, were not renewed with BCH following Gaston County's decision to change the facilities' direction to a level of service BCH doesn't provide.

Commemorating 110 years of ministry, BCH published *Intent to Serve*, a history depicting the last decade of BCH's child-centered, family-focused services. Each church was to receive a complimentary copy in the Fall of 1995.

Founded in 1970, the Baptist Maternity Home in Asheville celebrated in October 25 years serving over 900 young, unmarried, pregnant women who were given a quiet, supportive atmosphere to make decisions about their future.

A chapter of BCH life closed with the death of alumni, employee and friend Bill Sisk. Investing 52 years of himself, Sisk, who came to Mills Home at age 8 and returned to work on staff 42 years, died May 21, 1995. "An era has passed," said BCH President Michael C. Blackwell. "It's extremely unlikely Baptist Children's Homes will ever see another individual who invests himself so fully in this place as did my friend Bill Sisk."

Adding to the light, Baptist churches, through the Cooperative Program, designated gifts and the Thanksgiving Offering funded about one-fourth of BCH's \$12 million budget with gifts totaling \$2,934,304.

Trustee Jim Goldston held his sixth annual Goldston's Carnival for Children raising \$28,633 and providing two fun-packed days of rides, games, entertainment and food for children and area residents. "There is nothing more important in this life than children," said Goldston. "This is just one thing we can do to show our commitment, to put our feet to our prayers."

Putting words into action described numerous individuals who gave time and effort with special campus work projects.

This year, the Friends of Children committee added a twist to their annual spring bus tour by pulling on gloves and work clothes to help beautify Odum Home in Pembroke and Cameron Boys Camp near Southern Pines.

A team of volunteers from Denver Baptist Church worked at Broyhill Home clearing brush, painting inside a cottage and building a storage shed; and at Kennedy Home tearing down an old gym built in the 1930's, restructuring an old picnic shelter into an arts and crafts center, removing old heating equipment from Biggs cottage and renovating family conference rooms in the new gym.

"We pray about these kids, and we pray that we will be an example," said Allen Holmes, Denver Baptist's mission trip coordinator. "This is more important than any building or construction work."

Trustees, intent on strengthening BCH's leadership position and continuing its tradition of giving light to families and children, approved a \$10.1 million campaign, "Light Their Way," to raise money for special projects, operational needs and endowment. The campaign will run September 1995 - May 1997.

Many children, like Malinda, suffer in darkness. Many families linger in pain waiting for answers, waiting for help. Because of Baptists' support, BCH is able to "Light Their Way," offering hope, security and love.

Respectfully submitted,
Mrs. Lexie Williamson

**THE DEDICATION OF ANNUALS COMMITTEE
RECOMMENDS THAT THE MINUTES OF THE
ONE HUNDRED TWENTY-FIFTH ANNUAL SESSION
BE DEDICATED TO**

REV. ALFRED E. ANDREWS, JR.

Alfred Edward Andrews, Jr. was the first-born to Mr. and Mrs. Alfred and Edna Smith Andrews of Charleston, SC. He has a sister, Anella Sansbury, who lives in Columbia, SC. He committed his life to God at the age of nine at Citadel Square Baptist Church. During his early years and in high school, his mother relates that he was always involved with people who had problems and wanted to alleviate their hurts. His compassion for others and love for God even stood out as a youth. He received many honors in school and graduated from St. Andrews High School in 1958.

From high school, Al went on to the University of South Carolina pursuing a degree in pharmacy, following in his father's footsteps. It was during these years that he met his wife, the former Margaret Floyd. Also while attending USC, he felt his call from God to be a minister of the gospel. He responded immediately and transferred to Campbell University in order to receive some Biblical studies before entering the seminary. In the summer of 1962, Al and Margaret were married. They have been married for thirty-four years and Mrs. Andrews has worked faithfully in Wilkesboro Baptist Church, and as a teacher in the Wilkes County School system for the past 17 years.

Rev. Andrews graduated from Campbell University in January of 1964 and entered Southeastern Seminary at Wake Forest, NC. He graduated from Southeastern in May of 1967. While at the seminary, his first son was born - Alfred Edward 'Eddie' Andrews, III. Eddie graduated from Gardner-Webb University in business in 1987, married Peggy Baird in 1989, and farmed for nine years. He has now, this past year, answered a call from God to become a minister and entered Gardner-Webb Divinity School in August of this year.

From Southeastern, Al and Margaret moved to Pollocksville, NC, where Rev. Andrews was called as pastor. Many rich and spiritually rewarding experiences are a part of the sweet memories of this pastorate. It was while there a new parsonage was built - a lovely home which the Andrews only got to enjoy for about a year. While serving in Pollocksville, their second son was born in New Bern, NC - James Keister Andrews. James graduated from Wake Forest University and Bowman Gray School of Medicine in 1994. He married the former Susan Earle and they live in Charlottesville, VA where James is in his last year of residency in Internal Medicine at the University of Virginia Hospital.

From Pollocksville, Rev. Andrews was called to First Baptist Church, Hickory, NC. Here he ministered to youth and was Minister of Education. During these two and a half years, he also served as interim pastor while the church searched for a senior minister. This was a time of spiritual growth and maturing as God continued to use his gifts through this special body of Christ.

In May, 1973, Rev. Andrews felt God's leadership, guidance and call to become the pastor of Wilkesboro Baptist Church, where for twenty-three years he has served as its pastor. In his years at Wilkesboro Baptist Church, the church has grown spiritually, numerically, built a new educational facility, added numerous church programs and added an 8:30 AM worship service. These are just a few of the ways God has used him as His instrument while serving Wilkesboro Baptist Church. Rev. Andrews would be the first to say that anything accomplished is not of his doing, but God's using him to serve His people. Rev. Andrews is first of all a servant of his Lord and master, and always reiterates how amazed he is that God can use a person like him - who only spoke "Charlestonese" - to speak before a group of believers. He will quickly tell you that only through God's guidance and strength is he where he is today. And, he is also acutely aware of whatever is done needs to be done only to glorify God. Rev. Andrews is a man of God and lives what he preaches.

He has served in many capacities as a community servant. Some of his involvement follows: Wilkes YMCA Board, Personnel Committee; Homeless Shelter, Chairman; President of the Kiwanis Club; Wilkes Day Care President; Chaplain, Wilkes Central High School; coach of Little League teams; Chairman of the Community Health Council; United Way Board; President, Business and Professional Men, and various others.

Upon his arrival in Wilkes County, Rev. Andrews became active in the Brushy Mountain Baptist Association. From 1973 until the present, there has never been a year when he did not serve in a position of leadership in the association, or serve on one or more of its committees. He has been Moderator 3 years, Vice-moderator 2 years, chaired the Ordination Committee 2 years, the Committee on Committees 2 years, the Program Planning Committee 3 years, the Nominating Committee 1 year, and the Evangelism Committee 1 year. Additionally, he has served as a member of so many other committees that it would probably be easier to list those committees of which he has not been a member. However, it is quite striking to see that he never tried to serve in so many capacities at the same time as to be seen as trying to dominate, or that would prevent him from performing the job in an outstanding manner. He has always been most gracious in making the facilities of his church available for Associational functions. Although we sometimes feel that we impose on the church by scheduling so many activities there, Al always makes us feel welcome.

To Rev. Alfred E. Andrews, Jr. - Al - who personifies the meaning of the word PASTOR, we wish to dedicate this annual.

Respectfully submitted,
Grace Shaw, Chairperson
George F. McNeil
Nellie Rash

Update to the History of
Pilgrim Baptist Church
1981-1996

Historical sketches of Pilgrim Baptist Church have been printed in the annual minutes of the association in 1932, 1963 and 1981. This update will deal only with the period since the last previous update. I wish to thank Mrs. Cathy Whittington, Church Clerk, for allowing me to borrow the minutes of the church business conferences, upon which this update is based.

This period has been an active time as the church upgraded its facilities and ministries to meet the desires of its members and to accommodate a steadily growing congregation.

Trees were removed from the newer part of the cemetery in 1981, and a plat prepared to determine the number of remaining spaces and to assist in an orderly arrangement of future burials. Formal rules dealing with the cemetery were adopted in 1982.

The church building has undergone several renovations and additions. Overhead insulation was installed in late 1981, along with storm windows. New furniture was purchased for the pre-school and childrens Sunday School classrooms. In 1982, an area was furnished as a nursery to accommodate the increased number of babies in the church family. That same year, the youth choir made a major contribution toward pew cushions for the sanctuary. Cabinets to house the sound system were bought in 1983, and a new tape deck was bought for the system. Later in the year, the air conditioner in the Fellowship Hall was replaced and underground drains installed for the downspouts.

Looking toward future needs, the church started a building fund in 1984 and invited contributions for that purpose. However, some other needs intervened before the projected plan got underway. The roof on the church had to be replaced. Floor covering was installed in the Fellowship Hall, and the basement was painted. Some termite damage was discovered and had to be repaired. A used bus was bought in 1985. The church signed up for "city water" from the newly formed 421 Sanitary District. Siding was installed on the wood portions of the building. By mid-1985, plans were approved to remodel the choir space and renovate the pulpit and baptistery areas. A long-range building program was approved. In early 1986, plans for the construction of an addition for Sunday School classrooms were approved and a building permit was issued. On August 25, 1986 excavation began for the foundation of the new addition.

Two lots in Mayflower Estates adjoining the parking lot were purchased in 1989. A new roof was installed on the Fellowship Hall in 1991. An addition to the parking lot was paved in 1992. Men of the Brotherhood installed new playground equipment at the Fellowship Hall in 1993. Right-of-way was given to the state and the road was paved in 1993. In 1994, plans for enlarging the Fellowship Hall were approved, and the expansion was completed by the end of the year.

The usual pattern for revivals seems to be a week-end each spring and a week-long revival in late summer. On several occasions, the spring revival has been focused toward the youth. The church joined the "Good News, America" and "Here's Hope" simultaneous revivals. Easter sunrise services are observed and Vacation Bible School is a highlight each summer. The first baby dedication service at Pilgrim was on June 16,

1985. Since then, it has become an annual event. Sunday evening services were started in 1991. WMU and Brotherhood for all age levels were organized in 1992. Members of the church enjoy fellowship meals and cookouts, and they are regularly scheduled.

Several special mission efforts have been supported. In 1982, a two year commitment was made to help fund "Campus Crusade for Christ". Love offerings are received when needed to help in special cases, and a benevolence fund was started in 1983. Contributions were made to assist First Southern Baptist Chapel, West Union, WV to acquire land on which to build. A contribution was made to help establish West Wilkes Medical Center. During the church renovation, some furnishings were donated to a smaller local church. Funds were provided to assist the Brazil Partnership, the New York Partnership and a continuing commitment was made to the Ukraine Partnership. The church supports the ministries of Graffiti House and Ebenezer Gardens Childrens Home.

The organizational structure was documented when a new church Constitution and By-laws were adopted in 1990. Legal incorporation was approved in 1993. The expanded Annuity Plan has been adopted.

The following men have been ordained as deacons: Kermit Whittington in 1981; Harold Fortner in 1983; and Gus Kerhoulas, Ricky Whittington and Wade Bumgarner in 1993.

Rex Eldreth served as pastor until June 1983, with Clyde Church filling in during a short period at the end of 1981. Glenn Huffman served as interim from mid-1983 until James Rhoades assumed the pastorate at the beginning of 1984. Earl Adams was called as Associate Pastor in 1987. Dennis Love was called as Pastor in 1991. The church, in May 1996, expressed encouragement and support for Rev. Love as he commits to continue his education during the next two years.

Mrs. Olin Foster served as church clerk through 1992. She was honored with a church-wide chicken barbecue two years earlier in recognition of 30 years service as clerk. Cathy Whittington has been clerk since 1992.

Sunday School Directors have been: Olin Foster through 1983; Kermit Whittington 1984-1986; Ricky Whittington 1987-1989; Wade Bumgarner 1990-present.

Membership increased from 234 in 1981 to 275 in 1995. During the same period, Sunday School enrollment grew from 121 to 176. The music program is quite active with about 55 participants. WMU and Brotherhood were organized in 1992 and now have enrollments of 34 and 41, respectively.

Value of the church property is currently estimated to be \$635,000.

Respectfully submitted,
George F. McNeil, Historian

Update to the History of

First Baptist Church of North Wilkesboro 1983 - 1996

Historical sketches of First Baptist have been printed in the annual minutes of the association in 1921, 1951, 1958, 1966, 1968 and 1982. This update will not include events included in previous articles. I wish to thank Mrs. Celia Maddry, Church Clerk and Mrs. Pat Day, Assistant Church Historian, who furnished this update.

The period began during the pastorate of Rev. William B. Rogers, who had served since 1976. The church was in the midst of a 3-year emphasis on Sunday School growth - an emphasis that resulted in a substantial increase in enrollment and attendance.

In 1982 First Baptist Church was saddened by the deaths of two staff members, Mrs. Alice Harvel, financial secretary, and Mr. Ellihu E. Sloan, Minister of Music for the previous seventeen years. Dr. Ellen Burgess served as music leader and organist during Mr. Sloan's illness and until Mr. Linwood E. Bratcher, Jr. came as Minister of Music in 1983. Following Mr. Bratcher's move to Smithfield in 1985, Mr. Gregg Wright joined the First Baptist staff as Minister of Music. Mr. Wright resigned to accept a position at Park Road Baptist Church in Charlotte in 1993. Mrs. Larisa Johnson Leapley became the Director of Music. Mr. Keith Maxey served as organist, 1993-94, and Mrs. Tammy Prevette became organist in 1994.

Continuing its tradition of varied ministries and community involvement, a new class for newly-weds was formed in early 1983. The Men of the Church helped winterize ten homes for the elderly and needy that winter. On September 26, 1982 First Baptist Church entered into a working relationship with Mrs. Diane Moore, pastoral counselor with the Life Enrichment Center, Morganton, NC. She served as counselor for several years. Dr. Steven Duncan of the Life Enrichment Center of Morganton, an affiliate of N. C. Baptist Hospital, began his counseling service in 1985 at First Baptist where he is provided an office and secretarial support. His service is now called the Pastoral Care and Counseling Center.

Northside Baptist Chapel, a mission of First Baptist, was the site of the first shelter for homeless, filling that need during January - March, 1988. For several years, the Women of the Church has sponsored a chili supper to raise funds for the Wilkes Habitat for Humanity.

In 1990, as the Persian Gulf crisis deepened, special gatherings and prayer services were conducted in the First Baptist sanctuary. These prayer services were led by various community ministers and lay people. The sanctuary was filled to capacity. The RA's and GA's distributed white bows for peace during the Community Prayer Service on January 14, 1991.

In August 1995 and 1996, First Baptist has celebrated its ministries with a community festival called First Fest.

During the period 1982-1996, the following persons have served in short-term missions work:

1982 Mr. Maurice Bumgarner to Martinique, West Indies

1983 Mr. Reid McKenzie to Chile

1988 Mr. Chris Carter to Holland

1992 Miss Maria McDonald and Mr. Neil Day to Homestead, FL following Hurricane Andrew

Mr. Conley Call participated in the associational missions work at Graffiti House, New York City.

First Baptist Youth have participated in summer missions, also.

1986 The Youth Mission Team to Hollister, N.C. included nine teenagers and two adults. The team spent a week working with Trinity Mission. They painted the church and conducted a Vacation Bible School for a community that is predominantly black and native Indian. Enrollment in VBS at Hollister was 72.

1988- A Youth Mission trip was made to Sequatchie, Tennessee. The team of 18 youth and 3 adult counselors helped lead a day camp for underprivileged children of the Cumberland Mountains.

1995 Mission/Bible Camp experience in Deland, Fla. for a week was led by Mrs. Betty Foster. The group of 10 stayed at Stetson University. During the day they helped with painting and cleaning up for Habitat for Humanity, an elderly community, and worked in local Bible Schools.

1996 The Youth, under the leadership of Rev. B. Todd Triplett, traveled to Myrtle Beach, S.C. to work for a week on a house for Habitat for Humanity.

During the period covered by this update, the office of Minister of Education and Youth has been filled by Rev. G. Alan Richey, Mrs. Tana P. Morrow, Mrs. Kimberly H. Laney, Mrs. Betty K. Foster and Rev. B. Todd Triplett. The position of Senior Pastor has been filled by Rev. William B. Rogers, Dr. Welton O. Seal, Jr., Dr. Paul E. Brunner and Dr. N. Nelson Granade, Jr. Dr. John T. Wayland retired, effective January 1, 1991 and was named pastor emeritus on January 27, 1991.

There have been two summer workers:

1982 Mr. Frank Porter was employed as Summer Ministry Intern for eleven weeks, May 30 - August 14.

1995 Ms. Paula Settle, formerly an SBC missionary to Togo, served as a summer worker in education and children's ministry.

Ordinations to the Gospel Ministry have been:

1982 Thomas David Moore, who served in resort area ministries.

1982 The official license to preach the Gospel was given to Mr. William Franklin Porter.

1984 Ordination of Rev. Linwood E. Bratcher, Jr.

1985 Eric Jennings announced his call to the music ministry and entered Southeastern Seminary. He was ordained in First Baptist Church on October 8, 1989. A graduate of Southeastern, Mr. Jennings served as minister of music at First Baptist Church in Laurinburg, NC.

1996 Rev. Todd Triplett was ordained.

Other significant events and ministries have included:

1982 The First Baptist Church family pledged \$2,000 of the 1982 World Missions Offering as salary support for Rev. and Mrs. Archie Jones, Southern Baptist missionaries to Chile. This support continued until their retirement.

1984 The new Ellihu E. Sloan Music Suite was prepared and occupied by the Music Ministry.

The church instituted a family night program for Wednesdays, including supper, an adult seminar and programs for children and youth.

- 1985 First Baptist Church participated in the World Missions Conference.
The Hubert C. Billings Memorial Educational Fund was established in August 1985. This fund will aid in the higher education of deserving youth from the First Baptist congregation.
- 1990 Northside Baptist Mission, sponsored by First Baptist Church, became Northside Baptist Church on May 20, 1990.
- 1991 An audio tape ministry for shut-ins was begun.

Dr. Welton O. Seal, Jr. was called as pastor in early 1986. Soon thereafter, the church voted to embark upon a campaign to build a new Fellowship Hall. It was agreed that no ground-breaking should occur until 80% of necessary funds had been pledged and fully 50% were on hand. Rising to the occasion with enthusiasm and cooperation, members had pledged the required amount within a month. The construction contract was let on October 18, 1989 and dedication of the new facility was on December 9, 1990. The building was named the "Wayland Fellowship Hall" honoring Dr. John T. Wayland and his wife, Eunice, for their many years of service to First Baptist and to Baptists everywhere. The building, having 7,880 square feet of floor space arranged in a multi-functional plan, is ideally suited to the needs of the congregation.

First Baptist observed its centennial in 1992 with a year-long celebration. Five subcommittees of the Centennial Committee worked diligently to make the year a memorable one. Invitations were extended to each of the surviving former pastors to serve as guest minister during the year. All of them accepted. Displays of memorabilia were set up, and bulletin boards throughout the building depicted the persons and scenes that contributed to the heritage of the church.

In 1995 First Baptist members were deeply involved in long range strategy planning. A three year plan with goals and strategies has been adopted in five significant areas of ministry. In 1994, 1995 and 1996 Vacation Bible School has been held in the evening with programs for both adults and children. During the past two years the Young Adult Fellowship Sunday School Class has experienced notable growth.

In May 1996, the congregation approved taking the necessary steps for legal incorporation.

Revival services led by Rev. Napp Granade, father of the present pastor, are planned for September.

George F. McNeil

History of Oak Grove Baptist Church
1946 - 1996
183 Rock Quarry Road, North Wilkesboro, NC 28659

Christians near the Knottville Community on NC Hwy 268 East saw the need for a Sunday School nearby. On September 24, 1944, with the assistance of Rev. W. A. Eichelberger of the American Sunday School Association, the Sunday School was organized. Because of consolidation, the old Orange Chapel School building was not being used by the Wilkes County Board of Education, and arrangements were made to use it as the meeting place. Before long, it was decided to organize a church at this location.

On March 17, 1946 a presbytery consisting of Rev. C. M. Caudill, Rev. G. W. Sebastian, Rev. J. G. Huffman and Rev. J. E. Hayes organized Oak Grove Baptist Church. Sixteen charter members were received: Mrs. Minnie Anthony, Mr. and Mrs. J. N. Blackburn, Rev. R. A. and Mrs. Ethel Call, Mr. and Mrs. Charles H. Dancy, Mr. Ernest and Mrs. Bernice Elmore, Mr. G. J. Myers, Mr. Grover and Mrs. Bessie Tharpe, Mr. L. D. and Mrs. Mabel Wiles, Mr. J. D. Wyatt and Mrs. S. E. Wyatt. It was decided that the Sunday School would continue to meet every week at the old school house, and worship services would be held there twice a month with Rev. R. A. Call as interim pastor.

Three months later a Building and Finance Committee was appointed. Grover C. Tharpe was able to acquire the Orange Chapel School property and donated it to the church. On the fourth Sunday night in September, 1946 the church agreed to build on that land. The following July, plans for a 34' x 54' building with full basement were approved. Much of the material and many hours of labor were donated by members and friends of the church. Only \$12,000 needed to be borrowed to pay for the new facility. The loan was fully repaid in June 1952 and the decision was made to begin work on Sunday School rooms. The completed building was dedicated on the third Sunday night in September, 1953.

As the congregation grew, additions were made to the building as needed. Five new Sunday School rooms and two rest-rooms were added in 1966-67. At that time, a deep well was drilled to provide water for the church. In 1970-71 the parking lot was paved and the building was air-conditioned. Stained glass windows were added in 1973, permastone put on the outside, and new pews purchased. The sanctuary was enlarged in 1980 and a fellowship hall and four more Sunday School rooms were built.

During the 1990's, there has been a phenomenal increase in membership and attendance. According to Baptist State Convention records, Oak Grove is among the 100 churches in the state having the greatest number of baptisms during the past five years. Membership currently exceeds 440. The church witnessed 31 emerge from the waters of baptism this past June 23rd, and four more were baptized on August 25.

The existing church could not accommodate the congregation on Sundays, so it became necessary to have two worship services every Sunday morning. On June 2, 1996 - the year of its fiftieth anniversary - ground was broken for a new 10,000 square foot brick building to be constructed adjacent to the present structure. After its completion, a part of the existing building will be demolished.

GA, RA and Mission Friends organizations meet regularly. The adults use the Mission Possible concept, in which men and women work together on mission projects. They frequently visit the Juvenile Detention Center. Other missions include children's overseas relief and Samaritans Purse.

Under the leadership of Mary Blackburn, the music program appeals to all ages. Choirs are organized for Children, Youth and Adults, with total participation of about 65.

Pastors who have served this church are: R. A. Call (Interim) 1946; Gilbert Osborne 1946-1953; L. J. Pardue 1953-1955; John West 1955-1957; A. C. Pruitt 1957-1962; Clete Simmons 1962-1963; A. C. Pruitt (Interim) 1963-1964; Dean Dillard 1964-1966; Herbert Caudle 1966-1969; Harvey White 1969-1977; Joel Johnson 1977-1990; and Rick Tomlinson 1990 to present.

Church Clerks have included Grover C. Tharpe 1946-1950; Mrs. Mary Watts 1950-1955; O. G. Tharpe 1955-1957; and Mrs. Mary Watts 1957 to present. Active deacons are: Buford Blackburn, David Brown, Jr., Lawrence Call, John Caudill, Sherrill Holbrook, Benny Miles, Jeff Mitchell, Monty Thompson, Wake Watts, D. L. Welch, Jr., William Whittington and Phil Wilson. Deceased deacons are Grover Tharpe, Roby Stone, Troy Felts, Earl Caudill, Jack Reid, Cager Alexander, Erlis Higgins, Bob Edwards, Ernest Elmore, Vern Stone and C. G. Johnson.

Shortly after its organization, Oak Grove affiliated with the Elkin Association. It has been active in associational affairs and proudly supports the Baptist State Convention and Southern Baptist Convention. In 1995, because it is more convenient to participate in their activities, Oak Grove applied for membership in Brushy Mountain Association, where they are welcomed as a full-fledged member this year.

(There was another Oak Grove Baptist Church a short distance further east along NC Hwy 268. It was established in 1904 and joined Brushy Mountain Association in 1907. With membership ranging from 18 to 76, it remained an active member of our association until 1932. Our minutes do not record what happened to that church, but it disappeared from our statistical tables in 1934. The existing Oak Grove Baptist Church is not a direct descendant of the earlier church in the same community bearing that same name.)

Respectfully submitted,
George F. McNeil
Associational Historian

CONSTITUTION

PREAMBLE

To this end and according to the following articles, we cooperate to the fullest extent possible with the State and Southern Baptist Convention and subscribe to the principles of the 1963 Baptist Faith and Message statement.

ARTICLE I - NAME

This body shall be known as the Brushy Mountain Baptist Association of North Carolina.

ARTICLE II - PURPOSE

This Association shall be an auxiliary of the North Carolina Baptist State Convention and the Southern Baptist Convention in all their missionary, educational and benevolent work.

To accomplish this purpose, the association shall seek to: (1) enhance the fellowship among member churches; (2) present the Gospel of Jesus Christ to everyone in our area; (3) encourage and facilitate church growth and development and provide other services to the churches; (4) coordinate mission ministries in our area and promote cooperation in state, home and foreign missions; and, (5) provide an additional channel by which member churches may interact with Southern Baptist agencies and institutions.

SECTION 3. The Association shall withdraw fellowship from any church in its membership which shall be found to be disorderly in faith and practice, but not until written charges are brought against it, which charges shall have been authorized by the official act of the church offering the same, or by the Membership Committee of the Association. Also she had received the following report from Fishing Creek: Mr. J. B. Wooten, Mrs. Meekie Warren Carlton, Mrs. Mable Mill Hollins and Mr. S. S. Anderson which made the total deaths 113. Mrs. Shoupe led in prayer and Mrs. McMurray finished the prayer.
- 8. The congregation joined in singing "Lead On, O King Eternal" led by Rev. Morris Driggers with Mrs. Carolyn Horton at the piano.
- 9. Special music was provided by Rev. Morris Driggers who sang "Jesus Is Tenderly Calling".
- 10. The Missionary Message was brought by Rev. Dennis Love, pastor of Pilgrim Baptist Church. The title of his message was "What's Wrong With Doing Nothing?" The scripture passage was from Matthew chapter 25:14-30. Would you agree with me that when our Lord spoke, He spoke the truth - the whole truth and nothing but the truth. He spoke as one who had authority and one without error. In this parable, Jesus talks about the sin of "doing nothing". Everyone has a talent given by God. Rev. Love ask us to pretend that we are sitting in a church conference and he is moderating. He ask for the church clerk to give a report and then the treasurer to give a report. Everything is fine and then an eye opening thing happens. Deacon Dewey Dependable speaks out against Ben Loafing for undermining the work of the church. Ben Loafing's sister, Ima Loafing, hit the floor and stated that her brother, Ben Loafing, had not done one single solitary thing in this church. Deacon Dewey Dependable said, "that is what I am charging him with. "He hasn't done a single solitary thing in this church." How many Ben Loafings do we have as church members that makes up the Brushy Mountain

Baptist Association. Our Lord regards it as a very serious thing - a very serious thing. He called the man wicked who was "doing nothing. Remember the story in the tenth chapter of Luke where our Lord talked about a certain man who was traveling from Jerusalem to Jericho and fell among thieves, who robbed and beat him and then left him for dead? The first person to come along was a priest (preacher) and he did nothing. The next person to pass by was a Levite and he did nothing. These two held high offices in the church. "Doing nothing" is a sin. Our Lord will judge us for "doing nothing". The man who buried his one talent knew he was doing something wrong. If we are doing nothing for the Lord, we know it. What can we do? We can pray. What are you doing with the talents (gifts) that the Lord has entrusted to you? What are we afraid of? Are you afraid of getting involved or what it might cost you? Is this why we do nothing and mention the name of Jesus? We have nothing to fear when we are doing something. There is someone you can reach for Jesus that no one else can. God did not give us the spirit of fear, but the spirit of power. Either you use your talent, or lose it. To destroy your talent, all you have to do is neglect it. We have looked at the character, cause, and cost of the sin of "doing nothing". Now let us look at the cure for "doing nothing". The cure is just what you might expect it to be. The cure for "doing nothing" is to "do something". Get involved with what is going on in your church such as the missions programs. If you don't have one, start one - but get involved. Some of us have buried our talents and we need to make a commitment to get involved. "Do something" in the name of Jesus. "Is the Lord talking to you? If you lose your talent here on earth, you will be in darkness when you stand before the Lord." Rev. Love closed with prayer.

11. Moderator Brunner called for attendance report. There were 37 churches represented with 207 in attendance.
12. Moderator Brunner recognized any visitors who were present. No visitors stood up.

BUSINESS SESSION AND COMMITTEE REPORTS

A. Committee on Committees Report was given by Rev. Gary Morrison. He moved the adoption and motion was seconded and adopted.

B. Nominating Committee Report was given by Rev. Ken. Pardue. He thanked the other members of the committee for serving. He moved the adoption, but noted an error in the report. Rev. Charles Edwards should have been the nominee for moderator instead of Dr. Paul Brunner. Motion then was adopted after correction was made.

C. There was no miscellaneous business.

ASSOCIATIONAL PROGRAM REPORTS

A. Sunday School Report was given by Mr. Larry Farthing. He had no formal report but wanted to commend the association, its membership and churches for the very excellent work that is going on in the Sunday School Programs. He said that he had been hearing good things about the Sunday School Program and how it is growing. He mentioned the statistical report on church profiles in the Book of Reports. The column for Sunday School says that we have 6,921 people enrolled in our churches in this association in Sunday School. That leaves about 54,000 people in this county that aren't in our Sunday School. We assume that a good many of them are in Sunday School Programs in other denominations. But, none the less there are many people that we are missing in our Sunday School outreach and we need to think of ways to pull them in. He urged everyone to take advantage of training events which are available. The Associational ASSISTeam are available to help our churches in any way they can.

B. Woman's Missionary Union Report was given by Mrs. Deborah Sullivan. She stated that the report could be found on page 29. She thanked Rev. Dennis Love for plug he gave Women On Missions in his message. She also thanked Teresa Taylor, Betty Pardue and Dottie Greer for their help with all the mailouts, etc. during the year. She thanked the churches for their attendance and participation in all the events held during the year. She announced that the Associational WMU Leadership Team is available to help the churches in any way they can.

C. The Brotherhood Report was given by Mr. Wade Bumgarner. He thanked the association for having the annual meeting at Pilgrim Baptist Church and for the opportunity to serve as Associational Brotherhood Director. He said that many things had been accomplished this year with one being the Annual RA Jamboree where one was saved. We are still sending clothing and other items to the Graffiti House in New York for the homeless. "After going to New York, I will never look at a homeless person in the same way that I did before going. If you ever have the opportunity to go on a mission trip, take it. You will never be the same". They are in need of a construction supervisor. Race track ministry is gone, but where one door is closed, God will open another. First Race Car Competition for the RA's was held last year and was a great success with some boys going on to compete at the state and did well. Nineteen people, representing five churches went to Cherokee on a mission trip for the first time this year. We hope to send another team next year. Tammy Jackson, a Cherokee Indian and a Home Missionary, is the coordinator for this ministry and is doing a super job. We are starting a Handy Man's Ministry. Individually our churches have done many mission projects in their communities. In conclusion Wade encouraged the brotherhood in our churches to get more involved in missions and doing something and if your church does not have a brotherhood or Baptist Men program, he will help you start one.

D. The Music Report was given by Rev. Morris Driggers. There was no written report. He stated that there are three basic purposes that he was seeking to fulfill as Associational Music Director. (1) To build and encourage fellowship among the various music directors among the churches in our association. (2) To provide opportunities for training and enrichment so that we can improve the skills with which we do our job. (3) To serve as a resource person. There are some standard annual things which we are seeking to establish. One is an Associational Music Director's Fellowship. An Associational Music Lending Library has been established. There is music available in the associational office.

E. The Discipleship Training Report was given by Mrs. Carolyn Horton. She stated that this report was on page 27 of the Book of Reports. Mrs. Horton asked that Dorothy Adams of Edgewood, Rev. Earl Webb of Little Rock, and Rev. Jim Gore of Millers Creek come forward while she gave her report. She stated that she wanted to support Discipleship Training in the churches. She mentioned that some of our churches do not have Discipleship Training, but are doing something to disciple people, so they are involved in some way. She then said that the reason she had ask the three people to come forward was to present them an award based on the Annual Church Study Course Summary of Churches that comes to us from the state office. Edgewood Church had the highest total number of awards within the association as recorded by the Sunday School Board of people who participated in some type of Discipleship Training. She presented Mrs. Dorothy Adams with a copy of "Heaven - Your Real Home" by Joni Eareckson Tada. Little Rock Church had the largest percentage of participation based on their resident church membership, Rev. Webb was presented a copy of "Ephesians: One Body in Christ". Millers Creek Church was the only church from our association that was included on the list of top twenty-five churches in the state that had the highest number recorded in a certain series or areas of study. Millers Creek had thirty people who received credit in the Christian Family Series.

Rev. Jim Gore was presented a copy of the Revised Edition of the "Baptist Faith and Message" which Dr. Hobbs was doing when he passed away. This book will be the Doctrinal Study for 1997.

13. Rev. Dennis Love gave the instructions for the evening meal.
14. Moderator Brunner had the members of Oak Grove, North Wilkesboro to get in front of the line for the meal. Director of Missions, Rev. Lawson Horton, gave them the Right Hand of Fellowship on behalf of the association.
15. Moderator Brunner led in prayer for the evening meal.

EVENING SESSION

16. Moderator Brunner reconvened the meeting at 6:45 p.m. and the welcome was extended by Rev. Dennis Love.
17. The congregation joined in singing "I Will Sing the Wondrous Story" led by Rev. Morris Driggers accompanied by Mrs. Carolyn Horton at the piano.
18. Rev. E. W. McMurray read scripture from Matthew 28:18-20 and led in prayer.
19. The Associational Choir sang "By and By Medley" led by Rev. Morris Driggers with Mrs. Betty McKew at the piano.
20. The Director of Missions Report was given by Rev. Lawson Horton, who thanked the churches and those present who were representing their church. I say thank you on behalf of the association and associational staff for first your financial support this year. You contributed \$116,938.13 and we are grateful for your mission endeavor, your vision for missions, and your involvement. We appreciate and thank you for your prayers and we thank you for your physical support. For those of you who have served on committees and served as an officer in some capacity in our association. Without you we could not function and we know that, therefore I want to say to you that I am indeed grateful and thankful for your support and your help in our associational work. We could use a handyman to volunteer to help us out around the office with little odd jobs. We will even pay you for doing this. We welcome into our fellowship, as has already been mentioned, the Oak Grove Baptist Church of North Wilkesboro. Last year he had asked each church to claim an area as your mission field and do all that you could to evangelize that particular area and some have been doing that. There have been churches who have reported through their newsletters and to him personally the things they have been doing. Some of these are: Marketing the church in the community where they are located such as First Fest; Parents Night Out, Youth going "door to door"; Ministry to Hispanics in a mobile home park; using zone maps; special events in apartment complexes; and mailouts. "Each of us need to be doing something." At the Associational Council Retreat a theme, "Hands Reaching Out to Churches", was developed that will be used throughout this year. The association is for the purpose of resource materials and be a resource center. Through Sunday School we make ourselves available by training people to train leaders of our churches in Sunday School work. Discipleship Training is often neglected but so important to the spiritual development of the people in our churches. There are things provided through Discipleship Training to assist your people and your churches in spiritual growth and development. Brotherhood is another means of "Hands Reaching Out to Churches". October 21 Mark Abernathy of the Baptist State Convention will lead a training event for Baptist Men leaders and RA leaders. WMU have many things that they will be doing throughout the year to assist your leadership and your people and encourage them in mission involvement. So we do the same through music. We have a Missions Development Council, which has been in touch with all of our churches trying to find out what you are doing. Our Evangelism Committee and director are also available. We try to provide youth events throughout the year that can be of help

to the people who are in your churches. The theme for Associational Missions Week will be "Dream Something New". We need to be innovated and creative in coming up with new ideas to reach people for Christ. It will be difficult to change the way we are doing things unless we are first willing to dream. Some of his dreams are that we might be able to employ a Church and Community Ministries Director. This would be in cooperation with the Home Mission Board and our Baptist State Convention and through what we may do ourselves financially as an association. Another dream is that we might in the very near future have a crusade. That we might do something together as churches to evangelize the community where we are located. Another dream is that we might have a fraternal working relationship with a black church that would be a black Southern Baptist Church, or one of another ethnic background. These are dreams and in hopes that when we have dreamed, things will begin to take place and we see them become a reality. In Mark's Gospel, chapter 7, Jesus makes some statements about breaking tradition. In Luke, chapter 10, in the story of the "Good Samaritan" we see how the priest and Levite went by on the other side in keeping with tradition. But one was willing to take a risk. When we begin to dream, things begin to happen and there are some risks involved. "What can we do in our churches? How can we reach out? What can be done to reach the people where you are located? For that is your mission field. I thank you for the privilege to serve as the Director. It is a challenge to me each day of my life. Everyday I look forward to with great anticipation. I believe that I am where God wants me to be and I am in the dreaming process. One day I trust that some of my dreams will become your dreams and they will become a reality as we continue to work together.

21. Director of Missions, Lawson Horton, introduced the new pastors and staff in our association: Rev. Derrick Holland, pastor (Elk) and wife Shawnasi; Rev. Rick Tomlinson, pastor (Oak Grove, N. Wilkesboro) and wife Teresa; Rev. James Williams, pastor (Goshen) and wife Virginia; and Rev. David Sparks, pastor (Liberty Grove) and wife Debra.

BUSINESS SESSION AND COMMITTEE REPORTS

A. The Resolutions Committee Report was given by Chairperson, Mrs. Wilma Sue German. She stated that the written report could be found on page 31 of the Book of Reports. Adopted.

B. As part of Miscellaneous Business, Moderator Brunner ask for an update on registration. There had been 247 who registered from 38 churches. No other business.

C. 125th Celebration Update was given by Rev. Al Andrews. He stated that the program was printed in Book of Reports. The different churches have collected artifacts and prepared posters that will be on display about different missions which have taken place in the different bodies in the fellowship. We will come together to celebrate what missions have been accomplished and what missions have taken place in the last 125 years.

22. The congregation joined in singing "To God Be the Glory" led by Rev. Morris Driggers accompanied by Mrs. Carolyn Horton at the piano.
23. Moderator Brunner gave an introduction of Dr. Nelson N. Granade who has been serving at First Baptist Church North Wilkesboro for two years.
24. Rev. Morris Driggers directed the Associational Choir who sang "When I Survey the Wondrous Cross" accompanied by Mrs. Betty McKew at the piano.
25. The Doctrinal Message was brought by Dr. Nelson N. Granade, Jr., pastor of First Baptist Church North Wilkesboro. His message was "What is the Church?" He read scripture from Matthew 16:13-19. He asked "Have you ever gotten a present that you didn't know what it was or what it was used for?" Jesus was speaking to

His disciples and Peter stepped forward and said to Him, "you are the Son of God, the Christ." Jesus said, "You didn't know that among yourselves, rather that was revealed to you by the very spirit of God." Jesus blessed us by giving us the church. Sometimes, we are not really sure what it is, what it is for, or what it does. One of his favorite images of the church comes from Billy Sunday who said, "The church is like a squirrel in a cage. There is lots of activity, but very little progress. The church is both divine and human. The church is divinely inspired, but is made up of "us". Paul wrote that Christ loved the church and gave Himself for it. The church is divine in its message - a message of grace and salvation from our Lord, Jesus Christ. Yet, it is human in its messengers. There is a bridge across the Ohio River which is connected to nothing. Often the church can be like this. The church must be connected to God. We must come into the church by regeneration - that is our Baptist Doctrine, that you cannot come into the church unless you have had a salvation experience through Jesus Christ our Lord. Through that, we are connected into Heaven itself. Yet, at the same time we are connected into humanity and through our own frailty, we can bring others to Christ. Christ Himself is that ultimate bridge between heaven and earth. Being both divine and human. We cannot understand about the grace of God, but grace has been given to us. So often the church is focused towards heaven, spending all its time praising God and that is a wonderful thing and a part of the church being connected to God. Yet, there is a world of people in need and we ourselves are in need. If we spend so much time focusing on the world, we will have no message to lead them to. That's what the church is. It is a group of folks who have received the grace of Jesus Christ - His salvation. People use the church for all kinds of things even as something to get mad at. For many the church has no purpose whatsoever. The church is for spiritual communion; the coming together of those who have been saved by Jesus Christ and having been given that special gift. The church is also a place where we are challenged to go out into the community. The church is at its best when it finds someone who is sick and says, "I am here for you and I love you". The church is at its best when it hears of a family who is hungry and it takes food and also says, "We are here for you and we will be with you in this". The church is at its best when it finds people who do not understand the grace of God and it finds ways to explain it in their own words who Jesus Christ is. The church is often misunderstood. People don't understand who we are or what we are about. Jesus ask in Matthew 16, "Who do people say that I am?" We need to understand who we are so we can go and tell others who we are. Peter knew who Jesus was. If we are going to ask "What is this gift we have been given?" - the starting is this, "Who do you say that Jesus Christ is?" Our ministries are diverse and we reach different people. If we are going to be the church of our Lord Jesus Christ and if this is going to be the doctrine of the church, you must answer for yourself tonight, "Who is Jesus Christ in your life and in your church?"

26. In the absence of Rev. Clifford Jones, Dr. Granade gave the benediction and the meeting adjourned at 8:30 p.m.

SECOND NIGHT

27. The second day of the 125th Brushy Mountain Baptist Association Annual Meeting was called to order at 6:45 p.m. by Moderator Paul Brunner at First Baptist Church of North Wilkesboro. He then passed the gavel to Rev. Charles Edwards.
28. Rev. Edwards thanked Dr. Brunner and accepted the gavel.
29. Pastor, Dr. N. Nelson Granade, Jr., welcomed everyone.
30. Rev. Sherrill Wellborn read scripture from Jeremiah 6:16 and lead in prayer.
31. The congregation joined in singing verses from "Amazing Grace", "When We All Get To Heaven", and "When The Roll Is Called Up Yonder" led by Rev. Morris Driggers with Mrs. Carolyn Horton at the piano.

32. Rev. Al Andrews recognized Beaver Creek Baptist Church as the oldest church in the association.
33. The Associational Choir led by Rev. Morris Driggers with Mrs. Betty McKew at piano sang "A Joyful Song".
34. Moderator Edwards introduced Rev. I. V. Couch who served as Superintendent of Missions (now known as Director of Missions) from July 1970 until 1975. Rev. Couch stated that the gavel used by the association was made from wood of a pew from Beaver Creek Baptist Church. J. C. Shaw made the gavel - just one of the reminders of our associational past. For the first two months I. V. and his wife, Mabel lived in the office because the parsonage was being renovated. He said that the first secretary was Christine Holman and that she did a wonderful job. Finances were low. The first Book of Reports was printed on a mimeograph and hand stapled. The first copier was donated by a local business. He said he tried to establish a relationship with the pastors. A Summer Ministries Program was held at W. Kerr Scott Dam to minister to the campers. I. V. built and wired a sound system in a trailer. Seminary classes were begun as well as January Bible Studies. First Pastor's Conference was held at the associational office. There was a Billy Graham Crusade and the association celebrated its 100th Anniversary with 33 churches represented by 176 people. I. V. stated that he helped build on what was already started.
35. Director of Missions, Lawson Horton, presented a slide presentation of the churches in our association which was done as a game. The congregation tried to guess which church as in the slide.
36. The Associational Choir led by Rev. Morris Driggers with Mrs. Betty McKew at the piano sang "My Offering of Praise". Mrs. Laressa Lepley was the featured soloist.
37. Moderator Edwards introduced Rev. Bill McKinney, former Director of Missions, to come and speak. Moderator Edwards spoke of consulting Bill before he (Moderator Edwards) took the pastorate of Welcome Home Baptist Church. Bill stated that it is a privilege to speak. He came to the association in August 1976. He stated that he and Robbie love living in this area. When he came to the association, he found that an excellent foundation built. He named over the previous Director's of Missions. Each Director of Missions took the association in their appointed time and took the association forward on the foundations that were already built. What the association accomplished was due to the churches and their members: (1) People interested in ministry; (2) Area wide evangelism efforts in combination with other associations; (3) Have seen many ministries started; (4) Sunday School class started at Wilkes Towers; (5) NASCAR ministry started; (6) Partnership mission projects; (7) Disaster relief teams; and updated equipment and building. Norma Jean Wood was secretary for 9 1/2 years. Teresa Taylor has been secretary for 12 years. He expressed his gratitude to the people for allowing him to serve. He asked that everyone remember him in prayer in his work in Ashe County.
38. Moderator Edwards told about his experience when his church went to the Billy Graham Crusade in Charlotte. People are hungry for the message. He encouraged the churches to evangelize our county.
39. Moderator Edwards asked all messengers who have been members of this association for 25 years to stand; then the church members; then the pastors - Rev. Fellman Cheek, Rev. Sherrill Wellborn, and Glen Caudill were the only three that had been in the association that long.
40. Rev. Al Andrews recognized our youngest church, Greater Vision, and our newest church, Oak Grove, North Wilkesboro.
41. Director of Missions, Lawson Horton, was recognized to give his report. He stated that it is a joy for him and Carolyn to serve the association. Accomplishments include: (1) Maintaining ministries; (2) Listening sessions; (3) Spiritual Rallies; (4) Some equipment updated; (5) Still maintaining New York Partnership and added

the South Africa Partnership. He stated that there needs to be a spirit of cooperation. We need to determine our purpose and go in that direction. He urged us to "Dream Something New" and to "Start Something New." He announced the following: (1) The NC Baptist Men Medical/Dental Van would be in our association April 25-26; (2) Possible Habitat for Humanity project; (3) Begin a single's fellowship; (4) will have a Backyard Bible Club at the associational office; (5) start a Life Support Service. He stated that there are three things a church needs to grow: (1) The church needs a vision; (2) Growth through Discipleship Training; (3) Decide what to do in evangelism and missions. Some things need to die so new things can begin "Need a Balance" - Matthew 23:23 "Lord, show me what is important to You, so it will be important to me." Challenge - **"Dream Something New"**.

- 42. Moderator Edwards recognized Rev. Webb as the new Vice-Moderator.
- 43. Rev. Nelson Granade gave directions for the fellowship meal.
- 44. Rev. Derrick Holland, pastor of Elk Baptist Church, gave the benediction the meeting adjourned at 8:35 p.m.

We had a total of twenty-four honor clerks out of forty-two church clerks! These clerks had their church letter into the associational office by the deadline date with every blank filled, all totals correct, and all dollar figures rounded to the nearest dollar. Each of these clerks will be receiving a Certificate of Recognition (sent to the pastor) and have their name printed in the associational minutes. Their accuracy and promptness makes our job much easier.

DIRECTOR OF MISSIONS REPORT

During the associational year, I spoke 48 times, conducted two revivals, one deacon retreat and visited in the churches 120 times. I was privileged to represent our association on a mission trip to South Africa. I attended several conferences, workshops, and committee meetings.

In preparing my report, I was able to do some evaluation of our association. Our churches last year baptized 72 more than the previous year. The information from the church profiles last year showed an increase in church membership of 190. The simultaneous revivals held in May of 1995 may have contributed to the increase both in baptisms and church membership. It will be interesting to see what the results will be as the reports are completed for this associational year.

As we come to the conclusion of this associational year, it helps us to see where we have been, where we are, and where we can go both for the church and the association. Several interesting things occurred during this year that have been meaningful. A Listening Team consisting of the Baptist State Convention staff came to our association to hear from various pastors, staff and lay people how the state convention and association can assist the churches in ministry and missions. The results of those listening sessions brought the following suggestions:

1. Provide ways to help the smaller church be prepared to do different kinds of ministries.
2. To inform and encourage youth and inform and encourage youth and adults to be more involved in hands-on mission activities in the local communities.
3. To provide more youth programs and activities.

Much of this will be done with the leadership provided by our Associational Program Directors and Mission Development Council. These two groups are responsible for leading the churches to be better equipped to be on mission in Christ's name.

This process is in keeping with the annual theme that surfaced during our Associational Council Planning Retreat which is Hands Reaching Out to Churches. Your associational leadership plans to carry out this theme effectively.

Another interesting event was the decision to enter the South African Partnership. During the next five years we should have several opportunities to reach out in the name of Christ to touch the lives of people in that part of the world. My prayer is that many of our people will hear the call of God to go and work with the Baptists of South Africa to reach the lost for Christ.

At our last annual meeting, we received Oak Grove Baptist Church of North Wilkesboro, into our fellowship under watchcare. It will be our great privilege to welcome them by the right hand of fellowship into our association at this annual meeting held in October.

During this annual session, we will have the joy of reflecting and celebrating what the Lord has done through the people of our association over the past one hundred and twenty-five years. For every soul that has been saved, every penny given to missions, every call to missions and ministry, and every life that has been touched, we must give God the credit and praise. Nothing good has happened without God's presence and power.

The Home Mission Board challenges us to dream something new, and the Southern Baptist Convention encourages us to start something new. We can, and we will again by the power and presence of God among us. I too want to challenge us to do something new this next year as God leads us. Come along and let's do it together.

Respectfully submitted,
Rev. Lawson Horton

MODERATOR'S REPORT

This has been an unusual year for our association in regard to moderators - three in one year! This may be a record. James Horton and Ted Miller have served with distinction during their tenures as presiding officers of Brushy Mountain Association, and we owe them much appreciation for their wisdom and leadership. I have had the privilege of serving out their terms.

It has been a joy to see our theme, "Carry the Light, Live God's Word" actualized through the ministries of the churches of our association by sharing the good news of God's grace throughout Wilkes County and far beyond. Our association has a strong mission mind-set, thanks to the leadership of the Rev. Lawson Horton, and his lovely wife, Carolyn. This splendid couple has been a role model of steadfast commitment to their calling of mission service to the churches and to the Christian leaders of our association. We are fortunate indeed to have them.

But, always we look from today onward. We think of hands reaching out to help our churches, seek a new vision of hands-on mission concern, and a renewed concept of global evangelization. United in this effort, we can find a new sense of associational togetherness that God's people discover when they are united in a common cause.

I pray that the associational year 1996-97 will find us following our Master with a new sense of urgency in presenting Christ to a generation crying out for a people eager to "Redeem the time, because the days are evil".

So together we sing:

Rise up, O church of God;
Have done with lesser things.
Give heart, and mind, and soul, and strength,
To serve the King of Kings.

What a joy to serve faithfully...

Here...now...for Him!

Respectfully submitted,
Dr. Paul Brunner

FRUITLAND BAPTIST BIBLE INSTITUTE REPORT

The golden anniversary year of Fruitland Baptist Bible Institute has been an eventful, exciting year. As we move toward our fifty-first year and the twenty-first century, we are convinced that God has an increasingly fruitful ministry for our beloved school.

Founded in 1946, Fruitland continues to fulfill the original mission of offering training for the Christian ministry to those whom God has called. Our aim is to offer a unique educational opportunity to those who have unique needs. We continue to provide an "entry level" opportunity to those who may not be academically or otherwise prepared to follow another course of study.

Dr. John F. Rymer retired at the end of 1995 from his post as Vice President for Academic Affairs. Dr. Thad R. Dowdle assumed the position vacated by Dr. Rymer's retirement. Dr. Rymer continues to teach, having been a faculty member for forty-three years. A special luncheon in his honor was one of the activities of this anniversary year.

This year we expanded our curriculum to include computer technology. A computer lab has been equipped and we offer a course of study designed to acquaint our students with computers and with ways this technology may be used in ministry. Also, we now have equipment and software in place to network our office computers to handle all school information.

Inquiries from prospective students continue to be numerous. The average enrollment throughout 1995-1996 was 186. Several of our alumni have made application to exchange the diploma which we formerly offered for the degree of Associate in Religion/Church Ministries which we presently offer.

Among the special activities of the anniversary year was a convocation to celebrate our relationship with the Baptist State Convention of North Carolina. The school was originally operated as a ministry of the Missions Division of the convention. At the present, Fruitland is operated as an agency of the General Board of the convention with a Board of Directors elected by the convention.

Great strides have been made this year in the improvement of our properties. Renovation has been completed on a house for the Vice President. The chapel has been renovated and pews installed, which increased the seating capacity and enhanced the worship atmosphere. The lobby of the Canipe Administration Building was renovated and refurbished greatly improving the appearance and usefulness of this "living room" of our school. We were able to purchase a house and lot near the campus and another lot with three mobile homes. This will enable us to offer suitable housing to student families. The former bath house related to the swimming pool is in the process of being remodeled into a prayer chapel which will provide a place of prayer for our students and provide a facility to house an ongoing prayer ministry. Our greatest capital need is provision for a library to house our growing collection of books and other educational materials and to provide more suitable space for study.

We are encouraged that many of our graduates are going out to serve in churches and in other ministry positions. A growing number of our graduates are continuing their education in other schools. Many of them are achieving outstanding academic records. We believe that some of these would never have entered formal study to prepare for the ministry without the unique opportunity provided for them by North Carolina Baptists through the ministry of Fruitland. Please join us in prayer that we may continue to be "True to God's Word and loyal to His purpose". We are happy to welcome visitors to our beautiful campus in "the Land of the Sky".

Respectfully submitted,
Rev. Hadley Triplett, Representative

GENERAL BOARD REPORT

The General Board meets three times each year - in January, May and September. All the meetings this year have been very exciting and inspiring. I am now a member of the Minister Support Committee. Some of the functions of this committee are assisting the Minister Search Committees in the churches, resume sharing, assisting pastors in forced terminations, retirement planning and other needs of the pastors and the churches.

The General Board has been very busy this year. Some of the highlights are as follows:

1. South Africa Partnership - This is a new and overwhelming opportunity. Two leadership groups went to South Africa in February and March to assess the opportunities and to begin a relationship with the people there. Our Director of Missions was privileged to go with one of these groups. North Carolina Baptist have five years to be a part of the ministry.
2. Visioning-Listening Team - This team has held listening sessions in twenty-four associations through the end of May of this year. One was held in our association this year. The team has focused on small church issues - their need for support and assistance - leadership issue - leadership training. The meetings have been very affective.
3. Child Advocacy - In October, WMU will be embracing Child Advocacy as a social and moral issue for the church year. WMU is encouraging and challenging 3,000 North Carolina churches to become involved with this ministry. A video by Governor Jim Hunt was shared about the programs already in place through the state government. We were encouraged to listen and pray and to become advocates for the children because they are often without a voice and are in hurting situations.
4. The Communications Department puts together a weekly TV program entitled "The Heart of the Matter". At the present the TV reception is limited to the Raleigh area but plans are being made to make this a more wide spread program. These videos are available to churches.

The table that follows gives a summary of selected items from the financial statements of the Baptist State Convention. The top half shows the Cooperative Program giving only and the remainder of the table shows other giving that comes through the State Convention.

Respectfully submitted,
Elizabeth E. Billings

DISCIPLESHIP TRAINING REPORT

According to the Baptist State Convention of North Carolina, my official title is Associational Discipleship Training Supporter. The purpose of my position is to provide information and resources to church leaders in the area of discipleship. There will be times when I will organize or conduct needed conferences, or serve as a consultant to churches and their leaders. I have attended three conferences at Ridgecrest and one at Caraway to prepare me for my role as the Associational Discipleship Training Leader.

I will also be working with Steve Church as co-supporter in discipleship training. Steve has attended one conference at Caraway and has been actively involved in leading small group discipleship sessions in his church. He has also helped me plan some activities for 1996-97 that we hope will be beneficial to our churches.

We are planning to conduct some strategy sessions to learn what the needs are among the churches and then determine the best way to help meet them. In these strategy sessions we will be meeting with pastors, and other key leaders who are interested in helping their fellow church members develop spiritually.

Discipling must be important. It was the plan Jesus used and encouraged his followers to do before he ascended into Heaven. The task of helping people to develop spiritually is not easy but is a necessary practice if Christians are going to become effective and productive ambassadors for Christ.

It will be our privilege as discipleship supporters to encourage each of our churches to be involved in disciple making. Please let us know if we can help you in the discipling process.

Respectfully submitted,
Mrs. Carolyn Horton

EVANGELISM REPORT

The 1995-1996 associational year was a year of planning for the Evangelism Committee. On January 16, 1996, we had an Evangelism Strategy Session to discuss ways that our churches could be more effective in spreading the Gospel. Eight churches participated in this session.

The Evangelism Committee met on two occasions to discuss ways to get churches more involved in evangelism. At the Executive Committee Meeting, the Evangelism Committee sought input from the Executive Committee members on their ideas for more effective evangelism. A Crusade was discussed but no decision or plans have yet been made.

Last years Apple Festival proved to be an excellent opportunity to pass out Bible Tracts and make personal contact with a large number of people.

Plans for next year include a Soul Winning Class and an Evangelism Events Class taught by Larry McElreath, former Associate Evangelism Director for the State Convention. Plans also include an Association Friends Day and Family Day. More information will be mailed concerning these.

The Evangelism Committee thanks you for your support and your prayers. We ask that you help us in making evangelism a top priority in all of our churches.

Rev. Ken Pardue, Director

BROTHERHOOD REPORT

This has been another good year for the Brushy Mountain Baptist Association Baptist Men in that God worked all around us and through the Baptist Men in several of our churches. I would like to say thank you for all you did in God's name. Many things have been accomplished this year, and many more things will be accomplished in the years to come, if we will only look to God for guidance, see where He is working and join Him to accomplish the work of His kingdom.

Baptist Men's Ministry has reached many homes and lives in repairs and with the testimony of Christ. It is true that people don't care how much you know, until they know how much you care. Christ cares!! and so do Baptist Men!!

With the loss of Winston-Cup Racing our Race Track Ministry may be a little uncertain at this time, so pray that God will open new doors with future events at the track. Graffiti House in New York is alive and well and enjoying the support of many of our North Carolina Baptist Men.

We had our First Annual R.A. Race Car Event this year which turned out to be a good time for our boys and Moms and Dads alike.

The Sixth Annual R.A. Jamboree was held at Warrior Creek Campground on September 13-14. It was an exciting event. One person made a profession of faith. The weekend was well planned and we are thankful for all those who helped prepare and support this campout.

A lot of support has been given to Ebenezer Children's Home through donations, time, and working. The Home appreciates so much what each of you has done.

We have a mission trip scheduled for the last of September to Cherokee, North Carolina. I am overwhelmed with the support we have received. I know God will bless our efforts.

For the churches which do not have a Baptist Men's program, I would urge you to prayerfully consider starting one. I'm sure God would bless the group and the church as well.

Please keep the Baptist Men in your thoughts and prayers.

Mr. Wade Bumgarner

STEWARDSHIP REPORT

Stewardship can be as rewarding or as punishing as any church chooses to make it. There are many tools available in the Stewardship Catalog---from monthly bulletin inserts encouraging and thanking your members for their faithfulness to budget promotion programs. Ken Batts of the Baptist State Convention stands ready to assist any pastor or church.

We had our last Stewardship Conference in the association in 1995 with 47 people attending. Plans are now being made for another conference in 1997.

I would encourage budget and finance committees to present a challenging budget and explain it carefully to the membership. Christians will give when they believe and have some input into the planning process.

WOMAN'S MISSIONARY UNION REPORT

This has certainly been a year of change for Woman's Missionary Union. Not for the worst, but for the better. Our emphasis for this year was "Risk the Journey". This is exactly what we have done. It was and is being done with much faith, many prayers, lots of meetings and workshops, as well as an increase in the number of ladies who have committed their time to do more work for the Lord through the WMU Leadership Team in our association.

We have been very blessed with six new women who serve as area directors for five to seven churches in their own church area. They have made the relationships between the leadership team and the churches a little closer and much more informed. The area directors as well as the other team members have played an important part in the process of the churches "Risking the Journey" into some things that underwent a few changes. Even though there have been some changes, our purpose still remains the same...to do and support missions.

This year the journey began with an increase in attendance at the leadership workshop, mission studies, and prayer retreats. Our support through giving was up as well with Lottie Moon, Annie Armstrong and also our canned goods in October. We also saw growth in new organizations and the rejuvenation of established groups.

As the year has progressed, some of the doubts and fears have been calmed. Our journey continues as we look forward to working "Hand-in-Hand" with the churches to continue working this coming year as "Laborers Together For God". Thanks to Teresa Taylor and Betty Pardue in the associational office for all of their help. Our watchword for this year is from Isaiah 41:16 -

"I will lead the blind by ways they have not known, along unfamiliar paths, I will guide them; I will turn the darkness into light before them and make the rough places smooth. These things will I do; I will not forsake them".

PROPERTIES COMMITTEE REPORT

Since our last annual meeting efforts have been made to landscape the yard, correct wallpaper problems at the parsonage, have wiring checked and minor repairs made at the parsonage, and correct minor plumbing problems at the parsonage and the office.

The property and buildings appear to be in good shape. There is a need for a person who will be willing to make minor repairs at the office and parsonage at a reasonable cost. Anyone willing to do odd jobs around the associational property should contact the office at 838-4407.

It is believed that there will be few if any repairs needed during the year. Since there is no anticipation of major repairs, it was suggested to the Finance Committee that the budget items for building maintenance be reduced. We look forward to a good year with limited maintenance needed.

Properties Committee

PASTORAL MINISTRIES REPORT

As Pastoral Ministries Director of our association, I am interested in helping us grow professionally and personally. The role of the Pastoral Ministries Director is to help meet the personal and professional needs of our ministers by setting up educational workshops and seminars.

On November 7, 1995, Dr. Larry Gregg, O.T. professor at Gardner Webb Divinity School led our pastors in a four hour educational workshop in the book of Amos. This workshop prepared fourteen pastors to lead their churches in the Winter Bible Study.

On March 26, 1996, Charles Fox from the Baptist State Convention of North Carolina led pastors and lay persons in a two hour seminar on "Churches Can Grow, Revitalizing the Rural Church". This seminar was also well attended.

On September 5, 1996, M. Wayne Oakes from the Baptist State Convention of NC led pastors and lay persons in a two hour seminar on "Understanding Behavioral Differences and Building Long Term Relationships. Those attending discovered how to anticipate conflict and how to resolve it productively.

In November 1996, Dr. Johnnie Tiller, N.T. professor at Fruitland Baptist Bible Institute will lead our pastors in an educational workshop in the Book of Ephesians. This will once again prepare our pastors to lead their churches in the Winter Bible Study.

Thank you for supporting this much needed ministry.

RESOLUTIONS COMMITTEE REPORT

The Resolutions Committee has received no resolutions from anyone during this annual session of the Brushy Mountain Baptist Association for our consideration:

THEREFORE, the committee offers the following:

WHEREAS, we have had a blessed and fruitful meeting in this annual session,

BE IT THEREFORE RESOLVED that we express our gratitude to the pastor and families of both host churches, Pilgrim Baptist Church and First Baptist Church for the Christian hospitality they have extended to both messengers and visitors at the sessions.

BE IT ALSO RESOLVED that we express our sincere appreciation to the Program Committee, and all program participants, especially the Moderator, Dr. Paul Brunner, for his guidance and the expedient manner in which the program was carried out.

BE IT ALSO RESOLVED that we express Christian love and appreciation to our Director of Missions, Rev. Lawson Horton, for his work and leadership during the past year.

AND FINALLY BE IT RESOLVED that we express our thanks and appreciation to Mrs. Teresa Taylor and Mrs. Betty Pardue, Associational Staff, and volunteers who have worked at the Associational office during the past year. We extend special thanks to Mrs. Taylor and Mrs. Pardue for their dedication in the compilation and editing of the program for our annual meeting.

BIBLICAL RECORDER REPORT

The Biblical Recorder attempts to tell the whole story--the many positive things people are doing in their churches along with the negative issues which cannot be concealed and ignored if we honor our heritage from yesterday and fulfill our mission for tomorrow.

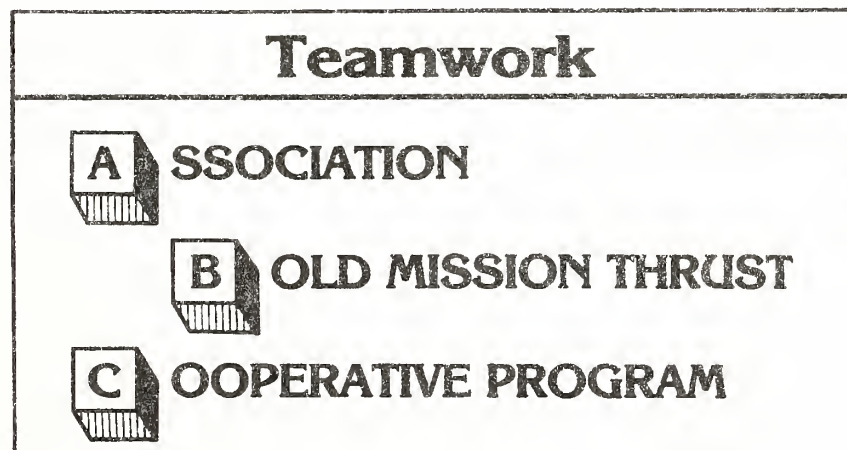

There is no way to address these issues without correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. In the 163 years of state Baptist papers in North Carolina, never was the Recorder more needed than now for people to have the answers to the issues but they do not because they do not read, only look and listen!

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The paper focuses more and more attention on North Carolina Baptist with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Recent and anticipated increases in mailing costs make CNS a greater value in 1996-97 than when it was started in 1990.

ANNUITY BOARD REPORT

At a time when more and more persons are questioning the future of Social Security and Medicare, it is imperative for churches and pastors to give strong consideration to provisions for the retirement of pastors and staff. Even if (as seems probable) the future of these programs seems secure, they will not be sufficient alone to provide for the needs of future retirement. Churches should be encouraged to see to the matter of providing such funds. The churches should be budgeting ten percent of base salary as a benefit in addition to salary. Pastors also should be contributing five percent of salary toward retirement.

As more and more Southern Baptist ministers and employees retire and live longer in retirement, total benefits paid continue to rise.

About 300 persons retire each month, and the total number in pay status is nearing 26,000. In 1995, benefits paid were \$190,126,876 with 2,179 participants in the Voluntary Annuity Plan.

Paul W. Powell, president, said, "We are immensely pleased to provide these richly deserved benefits to God's choice servants. They earned them. They deserve them, and they can enjoy the security that comes from their trust in the Annuity Board. Every benefit will be paid exactly as promised, for as long as you live.

What's RMSC? It's short for Retired Ministers' Support Corps.

The RMSC works to raise awareness and support for the Adopt An Annuitant ministry of the Annuity Board.

The Annuity Board can now help 2,516 persons with \$50 per month supplements to their annuities. Total benefits paid in 1995 were \$1,290,124. All this money is raised in designated gifts through our Endowment Department.

A gift of \$7,500 will fund an Adoption in perpetuity, but most gifts are small and must be raised each year to meet our commitment to each adopted annuitant. In 1995 the Cooperative Program provided \$1,082,190 and the churches provided \$39,966.

In 1995, we will pay more than \$1 million to hundreds of aged and widowed Southern Baptist servants who are caught in desperate circumstances. More than half of the relief recipients do not receive any regular annuity because their churches never enrolled them in our Plan. Some do not even receive Social Security.

Thank God for Southern Baptists and for their commitment to the Cooperative Program. Every penny of Cooperative Program money we receive is used for relief. None is used for salaries or other operation expenses of the Annuity Board.

We urge each one of our congregations to give attention to this urgent business.

Respectfully submitted,
Bill McKinney

NORTH CAROLINA MISSIONS REPORT

The mission needs in North Carolina are substantial. Did you know that in North Carolina there are:

- Over 7.3 million residents
- Over 32,000 prison inmates
- Over 21,000 blind persons
- Over 12,000 deaf persons
- Over 50,000 migrant farm workers
- Over 8 million tourists who visit our state every year
- Over 3.5 million unchurched people.

Through the North Carolina Missions Offering, we can offer help and hope!

- \$1 a day provides materials to reach 10 unchurched people.
- \$3.50 serves a hot meal to a disaster victim.
- \$5 puts a Bible in the hands of someone helped during disaster relief efforts.

These are just a few of the ways the North Carolina Missions Offering helps to meet the needs of people. Be advised also that beginning with the 1996 offering, North Carolina WMU and North Carolina Baptist Men will receive 100% of their budget from the offering. As you give, you support missions around our state of North Carolina, but you also support missions here in the Brushy Mountain Baptist Association. In 1995, for example, the Brushy Mountain Association received approximately 10 percent of the 1995 special offering collected in the association.

As you can tell, North Carolina is a mission field with great opportunities. God has placed us here in this part of His vineyard to be His laborers. As we are faithful to Him, we will be able to offer help and hope!

Respectfully submitted,
Rick Speas

PARTNERSHIP AT ITS BEST

100% of North Carolina WMU and Baptist Men's budgets for ministries across our state is provided through the North Carolina Missions Offering. Much of the ministry budget for the Missions Division of the Baptist State Convention also comes from this offering...including new church starts for language ministries. Almost 10% of the offering comes back to our local association to support ministries in this community. That's partnership at its best. Let's support the North Carolina mission field the same way we do the foreign and home mission fields.

NC BAPTIST FOUNDATION REPORT

With the apparent leadership of the Holy Spirit, a dedicated young attorney, Gilbert T. Stephenson in 1919, appealed to the Baptist State Convention to establish a Foundation which could promote and care for love gifts supporting Baptist missions and Baptist institutions on a continuing basis through endowment. From a Christian perspective he knew the value of investing in the future. He felt Baptists should be encouraged and provided a way to use their God - given resources to help in His kingdom's work. As a result the North Carolina Baptist Foundation was found.

The Foundation founders and the early participants took a great step in faith, and today could not imagine the significance of setting aside a small portion of what the Lord has so richly blessed us with. For the future needs of people who have been and will be served in the name of Christ we owe these people a great debt.

For over 75 years the Baptist Foundation has been an emerging force in the perpetual support of Baptist causes throughout our state and the world. Assets in excess of 40 million dollars have been given by North Carolina Baptists for various ministries and institutions. These include individual churches and associations, Baptist colleges and universities, state missions, Baptist Men, and WMU are just a few of the organizations funded through the generous giving of individuals supporting our Christian causes. Others include Baptist Retirement Homes, North Carolina Children's Homes, North Carolina Baptist Hospital and Baptist Nursing Fellowship.

Each of us have different financial situations, and varied goals. This is especially true for Christians who want to include the Lord in their plans. I Peter 4:10 tells us, "each one should use whatever gift he has received to serve others, faithfully administering God's grace in it's various forms".

The Baptist Foundation can serve as trustee for any person who has the desire to support financially the Baptist's causes through trusts and endowments. Personal and confidential assistance in estate stewardship and financial planning can be provided by a Foundation staff member at no cost or obligation to you.

NORTH CAROLINA BAPTIST FOUNDATION, INC. 1995 ANNUAL REPORT

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in generating endowment to enhance their permanent financial support. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased individual collective financial support. AMERICAN BIBLE SOCIETY REPORT

We open up our Bible and read of angels. We read of wise men coming from the East...and why. We read of Mary and Joseph. We read of the Christ-Child in a manger. We read of how this little Baby grew into manhood, of how He taught us and...healed us. In the Bible we read of how Jesus spoke to beggars and priests, fishermen, shepherds and soldiers...and thieves. He spoke to both the educated and the illiterate. He showed us all, didn't He, how to find our way...to God. In the Bible we read of the cross, and of how Jesus died for our sins. We read of His resurrection, of how He sent His disciples out into all the world. We read of God's Holy Spirit filling His people with power. In the Bible we read...and read...and read.

Imagine now for a moment, what your life would be like...without the Bible. For those of us who have several copies of the Bible in our home, this may be difficult.

The story is told of a woman in Thailand. While in a bookstore one day, she saw a pocket-sized New Testament. She paused in momentary disbelief. Walking over to the shelf, her eyes never left the small treasure that she had just discovered. In a slow reverent manner, she reached out for the little book and grasped it in her fingers. She just stood there for a moment. Both arms outstretched, both hands now cradling, caressing, her eyes...simply beholding...the Book. She then drew that small New Testament to her face and gently kissed it. The tears that had been welling up in her eyes began to spill over and run down her cheeks. The staff in the bookstore tried to comfort her. They asked why she was crying. The woman took a deep breath and began her little story. "I was raised," she said, "in a home where my family was violently opposed to anything Christian. But somehow---miraculously, I was witnessed to by a Christian friend. As a result of this witness, I came to know and to accept Jesus Christ as my Lord, and my Savior. I was given a Bible, but from that point on, whenever I would take it out, my family members would angrily snatch it away from me. In time, my Bible was severely torn and battered. That precious Book you see, was so large, it was just impossible to hide. In my despair I cried out to God, 'Help me Lord to find a smaller, less conspicuous version of Your Word. I need one that I can carry with me, and yet hide whenever it becomes necessary.' I'm crying now because God has just answered my prayers."

There are five billion people in our world today. As recently as 1985, one-third of us were forbidden to own a Bible. In China, for example, (the world's most populous country), Bibles were banned and systematically burned until just a few years ago. In the former Soviet Union (with a population exceeding 350 million people), no Bibles were published.

But we have a faithful and all powerful God. Once again He is breaking through the darkness of our world. This is such an exciting time for the Bible Cause! Areas of the world that were once closed to the Scriptures, are now more open than ever before. Governments that once banned the Bible, are now cooperating in its printing and distribution. Churches that once had to meet in secret, are now openly sharing the beautiful message of God's love.

But in spite of the growing publication and distribution of Scripture, there is still so much work to be done. Over half the world is still waiting for a Bible. Three billion people...that's an enormous number of souls! Too many of them still do not know that Jesus loves them. They do not know that He's the only hope for this...suffering humanity. They have never experienced the life-changing love, the hope, the forgiveness found only in Christ. We need to tell them that in the birth of our Lord, God was declaring for all eternity--His promise to love us...beyond measure.

"Go ye therefore and teach all nations"...

So now we know what's expected of us. But the very thought of it can be--overwhelming. Too often we look at all the negatives and we begin to feel defeated. We may even wonder at times, if progress is really being made.

The demand for Bibles is greater today than at any other time in history. People are begging for the Word of God. They long to read for themselves, in the language of their own heart, the incredible story of Jesus, The Christ. Over and over again we hear them crying out to us, "Please...don't forget me."

The American Bible Society is working very hard to fill this spiritual void. They are deeply committed to keeping the Word of God alive, active, and available to all who seek His truth. All across America for 180 years, and in more that 200 countries around the world, ABS has been sharing Holy Scripture. As a result, countless lives have been changed for all eternity. There is simply no greater gift than God's Word. We Americans are not alone in this great Bible cause. We are only one of 120 Bible societies throughout the world. So God has hundreds of thousands of us working...praying...giving.

Togetherness...what a beautiful word.

So whenever we feel "overwhelmed" by all the work that is yet to be done, we need only to stop and remember: This is our Father's world. This is..."His" work, and not just our own. We need only to follow wherever He leads.

The American Bible Society is recognized as a world leader in Bible translation. One new translation that is causing much excitement, is the Contemporary English Version (CEV). It's been described as expressing God's truth in today's clear, simple, down to earth English. So while many of us still value the old majestic phrases of the traditional translations, it's been said we can come away with greater understanding by reading the new CEV.

A new year is now upon us. Again, it's brimming with new possibilities, new opportunities and new challenges, but the ABS can give only what it continues to receive from faithful friends like you.

Because the ABS has changed its accounting calendar to a new fiscal year beginning July 1, 1995, the audited financial report covers the 18 months from January 1, 1994 through June 30, 1995. The ministry narrative of the report however, reflects the 12-month period from July 1, 1994 through June 30, 1995. The next annual report will reflect activity for fiscal year July 1, 1995 through June 30, 1996. A full audited financial report is available on request from ABS.

In the 12-month period ending June 30, 1995, partners of ABS made possible the following distribution of Scripture around the world.

Americas	Africa	Europe & Middle East	Asia Pacific	Total
8,106,310	2,452,858	2,677,193	7,240,449	20,476,810
Eighteen month period ending: June 30, 1995				
Total income:		\$103,156,631		
Total Expenses:		\$101,106,226		
Contributions from Southern Baptist Churches: \$143,571

CHRISTIAN ACTION LEAGUE REPORT

In a recent survey released by the Family Research Council, 66% of those polled said that our country was headed down "the wrong track". When asked whether the nation's wrong direction could be attributed to the lack of jobs and economic health or a decline in moral values and family breakdown, over 60% indicated the latter. We at the Christian Action League agree that our state and nation need a restoration of biblical, moral and family values. In 1996 we were honored to assist communities in their battles for civic and moral righteousness and to promote laws in the General Assembly that have helped to restore family values to the State of North Carolina.

A. Christian Values

The Christian Action League joined with other Christian organizations to promote Christian Heritage Week in North Carolina, March 17-23. We experienced a wonderful week as presentations and commemorations were held in many churches, schools and communities across our state. The week culminated with an awards ceremony and reception for the winners of the state-wide essay contest and their families. The League provided decorations and programs for the event and hosted the reception at the State Archives and History Building in Raleigh..

The League undertook a project in association with the American Rights Coalition to distribute thousands of copies of the Ten Commandments throughout North Carolina. To date, over 5,000 copies of the 11 X 14 prints have been distributed throughout the state to individuals and churches.

B. Lottery

We saw renewed efforts to push a lottery bill through the General Assembly for a state-wide referendum. Representative Fitch introduced two lottery bills: HB 6060 (Rules Committee) and HB 838 (JII Committee). The League actively lobbied against these bills and both bills died in their respective committees. North Carolina continues to be the largest state in the nation and the only state in the Bible belt with no state-sponsored gambling. Please keep us in prayer as the League faces this battle each year.

C. Sex Education

CAL actively lobbied for HB 834, Abstinence Until Marriage, a law that mandated that abstinence until marriage be the focus in sex education in North Carolina schools and was passed in the 1995 session.. CAL and other pro-family, Christian organizations have been working with the Dept. of Public Instruction and State Board of Education in 1996 encouraging them to implement the law through abstinence-based curricula. We have also assisted communities in seeing that this law is properly implemented at the local level.

D. Homosexuality

CAL participated in efforts to get SB 1487 (No Same-Sex Marriage) passed during the short session of the General Assembly. The bill passed both houses and became law.

Alerted our members in the Winston-Salem area about the Family March on June 30 and encouraged them to notify their churches to participate. This march was in response to the homosexual community march held in that city. The Family March attendance was estimated at 8,000.

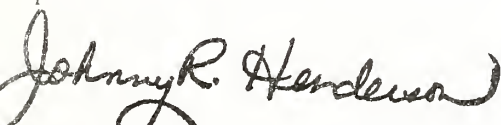

E. Abortion

The League actively supported Representative Decker's HB 624, a Woman's Right to Know. This bill would have required the doctor to share vital information with the patient about the risks of abortion and would require a 24-hour waiting period. We were disappointed that the bill did not pass this session; however, we will work for its passage again next session.

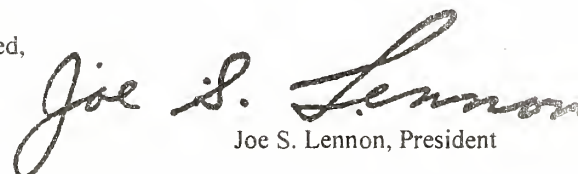

F. Alcohol

CAL assisted several communities in setting up an organization to combat liquor referendums.

My friends, we are living in times when the Christian community needs to exercise spiritual discernment and stand strong for Biblical principles that further righteousness, strengthen families and bless our state and nation. We are grateful to God for the prayer and financial support that the League receives from the churches of your association that allow us to be on the front lines in this spiritual warfare.

CHRISTIAN HIGHER EDUCATION REPORT

BAPTIST COLLEGE/UNIVERSITY REPORT 1996

Since 1834 North Carolina Baptist Colleges and Universities have been privileged to have many splendid presidents. The current presidents are listed on this page. They were elected to take the lead in dreaming, shaping and managing Baptist higher education in North Carolina.

Two colleges, Mars Hill and Chowan, have new presidents. Let us introduce them to you.

Dr. A. Max Lennon was named president of Mars Hill College, effective March 1. Both he and Mrs. Lennon (Ruth Ann) are graduates of Mars Hill. Dr. Lennon brings a rich background in business and higher education to his new task. After earning the B.S. and Ph.D. degrees at North Carolina State University, he served in the administration of Texas Tech University, the University of Missouri, Ohio State University and Clemson University, where he was the president. He comes to Mars Hill from the presidency of Eastern Foods, Inc. in Atlanta, Georgia. Dr. Lennon, an active Baptist churchman, has been a member of the National Fellowship of Baptist Men. In Atlanta they were members of the First Baptist Church in Peachtree City, where he taught Sunday School and was a member of the strategic planning committee. He is on the board of directors of numerous corporations and foundations, among them First Union Corporation and Duke Power. In accepting the presidency of Mars Hill he said, "This is a wonderful opportunity to provide leadership for this college and boldly proclaim our faith in Jesus Christ."

Dr. Stanley G. Lott moved to North Carolina in July to become president of Chowan College. He comes from Louisiana College, a Baptist school, where he was vice president for academic affairs for 15 years. Earlier he has been a faculty member at Tift College in Georgia. Dr. Lott earned two doctorates, one in systematic theology from New Orleans Baptist Theological Seminary, and the other in higher education administration from the University of Georgia. An ordained Baptist minister, he has held two pastorates in Louisiana. Mercer University president Kirby Godsey said, "Stanley Lott is one of the finest educators and leaders in higher education today." Dr. and Mrs. Lott (Johnnye) were long-time, active members of Emmanuel Baptist Church, near Louisiana College. Upon his election the new president said, "I look forward to joining hands with all who are part of Chowan College. I am also eager to join North Carolina Baptists in their efforts to spread the gospel and to preserve historic Baptist principles."

Report to the Association

HOSPITAL HIGHLIGHTS FOR 1996

DIVISION OF PASTORAL CARE

During this year the 18 to 40 Chaplains present at various times at the Hospital made over 55,000 pastoral contacts. As of July 1, 1996, the counseling centers will be called CareNet, Inc., of The North Carolina Baptist Hospitals, Inc. Over 26,000 hours of counseling were provided through the eleven centers across the state of North Carolina. Two additional centers will open in the fall of this year.

The Center for Congregational Health has, since inception in 1992, provided ministry at some level to over 225 North Carolina Baptist Churches.

Mission dollars from the Cooperative Program enabled the above ministries to be carried out and to touch thousands of lives.

BAPTIST BENEVOLENT CARE FUND

North Carolina Baptists joined us in a mutual mission through the Mother's Day Offering. We channeled every penny of the MDO, which amounted to \$461,647, to help patients who had no health-care insurance and no financial means to pay their hospital bills. We are grateful to everyone who made this ministry possible.

POINTS OF EMPHASIS AND PROGRESS

Financial Stewardship - The Medical Center is constantly seeking ways to lighten the financial burden of those who are ill. Recently the room rates were reduced by \$50 per day.

Aegis - This is an alliance of primary-care clinicians who serve patients regardless of their medical plans or HMO/PPO affiliated. "Aegis" means protection or sponsorship; Aegis Family Health Centers is a network of primary care physicians affiliated with The Medical Center. It now has 33 providers in 10 practice sites.

QualChoice of North Carolina - QualChoice is The Medical Center's managed care company. Eighteen months old, it serves approximately 30,500 enrollees, giving quality health-care and patient/physician choice.

Regional Integrated Information Network - RIDS is a regional computer network now in the pilot phases. The network allows providers in the region to exchange patient information electronically, saving time and money. RIDS is a plan which assists communities in our service area to develop a coordinated continuum of care. In this plan, primary care physicians, community hospitals, nursing homes and other patient care providers link their services with those of The Medical Center. The desired outcome is improved patient care and cost-effective services.

The J. Paul Sticht Center on Aging - The Center devotes itself to the special problems of older adults. When the center moves to its new home in 1996, its services will not only provide specialized health care but will also include a day care program for the elderly that will serve as a link between hospital and home, helping to reduce rates of rehospitalization and premature placement in nursing homes.

A CLOSING WORD

Since its founding in 1922, the Hospital has taken pride in our ministry of service. In doing so, we seek to make tomorrow's patient care and tomorrow's workplace constantly better. That has been our mission historically, and it continues to this day. I firmly believe that our best lies yet ahead, and I am committed to that reality.

NC BAPTIST RETIREMENT HOMES REPORT

BAPTIST RETIREMENT HOMES

The continuing goal of Baptist Retirement Homes is to provide more and better services for Older Adults. During 1996 several developments have moved us toward this goal.

Some new staff members have been added to help provide the kind of total care which residents need and deserve. Tanja Keay has been employed as Vice President of the Health Services Division. Paulette Richmond came as the new manager of the Hamilton Baptist Home. Carla Hyde was named director of the small group program for residents with dementia, a program designed to enhance their quality of life. Patricia Fling is the director of the In Home Care program which began a few months ago. Dr. Earl Watts, an Associate Professor at the Bowman Gray School of Medicine, is serving as the medical director for In Home Care.

Early in the year, renovation of the Hamilton Baptist Home was completed providing a more attractive and comfortable place for residents in that facility. The new Cecil and Gertrude Young Solarium at the Rickman Nursing Center in Asheville will provide space for the small group program for residents with dementia. At Brookridge, renovated space in the Assisted Living section, and named "Stokes Court", will house the new Assisted Independent Living Unit. A new passenger van will facilitate transportation for residents at the Taylor House in Albemarle as they attend church, keep appointments, go shopping, or participate in

social/recreational events.

During the year, Baptist Retirement Homes has provided assistance in the planning for Cliffwood, a new continuing care retirement community being built in Fayetteville. Two Fayetteville churches, First Baptist and Snyder Memorial Baptist, have formed a non-profit corporation to lead this project. A 27 acre site has been selected. Plans call for 105 Independent Living units, 20 beds in Assisted Living, and 20 beds in a nursing care unit. All units will be available on a rental basis with no entrance fees.

The James M. Hayes Society has been formed to recognize and thank those persons who remember the Baptist Retirement Homes in their estate planning. Thirty-three charter members constitute this group named in honor of the "Homes" founding superintendent.

Finally, we recognize with deep gratitude those North Carolina Baptists who gave through their churches to support the ministry during the past year. Through the cooperative program, the special February Offering, and other church gifts, the "Homes" received a total of \$1,030,052 during the 12 month period ending September 30, 1995.

The trustees and staff are grateful to North Carolina Baptists for helping us to make life for Older Adults... **The Best of Times!**

The WBC Youth and Clown team, made up of 27 local high school students, were selected from over 200 other groups to perform during the Olympics in the center of Atlanta at a hospitality booth and at the "More than Gold" headquarters. This was an honor and a thrill for the youth to be able to share their beliefs with the world in one city. We had an attendance of 473 in Sunday School on High Attendance Day. In December, the Adult Choir presented Handel's "Messiah". This was a first for WBC. Our Royal Ambassadors continue to be very strong by studying missions, visiting nursing homes and shut-ins on a regular basis, raking leaves in the fall for the elderly, helping the needy at Thanksgiving, and participating in the annual RA Jamboree and camp-out at Kerr Scott Lake. HOME MISSION BOARD REPORT

HOME MISSION BOARD, SBC
Christ for Our Nation

1995 ANNUAL REPORT SUMMARY/HIGHLIGHTS

The Home Mission Board (HMB) is a missionary-sending agency of the Southern Baptist Convention (SBC). With national offices in the Atlanta, Georgia area, the HMB's purpose is to serve Southern Baptists by assisting churches to proclaim the gospel of Jesus Christ, start and grow New Testament congregations, and minister to people in the name of Christ.

As of December 31, 1995, there were 4,857 missions personnel serving in the United States, the Caribbean, Guam, American Samoa, and Canada. The HMB also has endorsed more than 2,400 chaplains who are serving in healthcare agencies, institutions, businesses, the military, and pastoral-care roles. Nearly 2,300 Mission Service Corps volunteers are serving on home mission fields. During the year there were 1,458 church starts, the second highest number in 10 years. Southern Baptist churches baptized 393,811 people in 1995, an increase of nearly 15,000 over 1994.

Approximately half of the HMB's support comes from the annual Annie Armstrong Easter Offering for Home Missions. In 1995, gifts to the offering totaled \$38,908,339, the largest in HMB history. One hundred percent of the offering goes to support the work of home missionaries in the field. The 1996 Annie Armstrong Easter Offering goal is \$42 million. About 35 percent of the HMB's income comes from the denomination's Cooperative Program.

The following is a summary of program/support ministry highlights from 1995:

Chaplaincy Ministries--The 2,412 Southern Baptists now serving as chaplains and pastoral counselors reported more than 27,000 professions of faith. During the year, 179 Southern Baptist ministers were endorsed for the first time by the Chaplains Commission of the SBC.

Church Loans--The Church Loans Division closed 98 church loans totaling \$25 million, including \$3.4 million of refinancing.

Associational Administrative Service--In more than 1,025 associations, 950 associational missionaries have an extremely significant role in leading churches to strategize and work in partnership to evangelize, minister, and start churches in all places and among all people groups.

Language Missions--Home missionaries in the Language Church Extension Division worked among 106 ethnic groups and 98 American Indian tribes, using 106 languages and dialects, in addition to sign language.

Volunteers--Volunteers continue to serve in record numbers and represent more than \$100 million in value to the HMB. In 1995, more than 70,000 persons served as volunteers. Mission Service Corps missionaries, numbering 2,193, represent a cadre of committed people responding to God's call to be personally involved in home missions. They were responsible for leading more than 5,600 people to Christ.

Prayer and Spiritual Awakening--The Home Missions Intercessory Prayerline received 82,000 calls in 1995. Missionary prayer requests were given in more than 178,000 English and Spanish *PrayerGrams*.

Mass Evangelism--This department assisted in implementing the *Here's Hope. Jesus Cares for You*. Harvest Revivals. An estimated 25,000 to 35,000 churches participated in some portion of the *Here's Hope* emphasis.

Alternatives to Abortion Ministries--As a result of ministries in 37 crisis pregnancy centers, 806 persons prayed to receive Christ and 1,823 babies were born.

Respectfully submitted,
Mrs. Gertrude Hubbard,
Associational Representative

**THE DEDICATION OF ANNUALS COMMITTEE
RECOMMENDS THAT THE MINUTES OF THE
ONE HUNDRED TWENTY-SIXTH ANNUAL SESSION
BE DEDICATION TO**

MR. RICHARD DOUGLAS ROLLINS

Richard Douglas Rollins is the son of the late Mr. & Mrs. J. Brooks Rollins, Sr. He was born and raised in Rock Hill, South Carolina. Doug graduated from Rock Hill High School, attended Furman University and served in the United States Air Force.

Later, he married Sharon Billings of Boomer. They have two children; a son, Brooks, who is 15 years old, and a daughter, Laura, who is 9.

Doug is an active member of Wilkesboro Baptist Church where he is a deacon and has served as a Sunday School teacher. He is also a much desired speaker for the Gideon's International.

The association has been richly blessed by Doug in that he has served as our Brotherhood Director, developed partnership relations with Graffiti House in New York City, and Calvary Christian Church in the Frontier Baptist Association in Buffalo, New York. Doug has coordinated several mission trips to "Graffiti" in New York. This entailed his having to solicit donations of money and goods to help feed and clothe the homeless during the cold winter months. Several van loads of blankets, T-shirts and gloves have been distributed thanks to his leadership.

He has served on the steering committee with the Medical/Dental Ministry and has agreed to be our project coordinator in our linkage with Habitat for Humanity.

Outside the Brushy Mountain Association, Doug was elected as Regional Brotherhood Director by the North Carolina Baptist Men's Convention and is a board member of the Ebenezer Garden's Christian Children's Home here in Wilkes County.

A fellow Gideon writes, "I thank God for people he places me around who teach me and disciple me. None have taught me more than my friend, Doug Rollins; but, the lessons weren't taught in the Sunday School Class. I have learned about sharing Christ, loving unconditionally, and being a servant as I have watched him. I watch him as he gives blankets to the homeless. I watch him as he dresses the wounds on an old man's rotting feet and puts clean socks on them. I watch him as he walks along dark streets and gives gloves and socks to people who have no home to shelter them. These were New York homeless folk who could only smile and say, 'thank you', in return. I watched Doug as he organized work teams to help elderly people here in Wilkes County. He hopes to make their lives a little more comfortable and joyful by showing Christ's love and concern for them too....

...Thank you Doug for being God's instrument he uses to teach me and many others who watch you."--with love, Mr. Dale Brown. II Corinthians 4:5-"For we preach not ourselves, but Christ Jesus the Lord; and ourselves your servants for Jesus' sake."

Matthew 25:35-36

"...for I was hungry and you gave me food; I was thirsty and you gave me drink; I was a stranger and you took me in; I was naked and you clothed me..."

I have witnessed Doug Rollins do all this and more to help people both here and on the streets of New York City.

Doug is a very impressive speaker; but, he is much more - Doug "walks the walk." He is the same no matter where he is or who he is with - you can always trust and depend on him to do what he says he will do. Doug is a man of integrity; and, in today's world, a truly rare find.

Doug inspires and challenges those around him to use their talents, skills, and gifts for God's service and glory. He has even been known to give a push when necessary.

Malachi 3:17 speaks of God's jewels. The way Doug sparkles and shines, he must surely be a diamond.--Mrs. Debbie Harless.

In his spare time, Doug enjoys spending time with this wife and children; and, of course, playing golf.

As a small token of our appreciation for his dedication and service to the Lord and this association, we wish to dedicate this annual to **Richard Douglas Rollins**.

Respectfully submitted,
Mrs. Grace Shaw, Chairperson

Update to the History of
Millers Creek Baptist Church
1990-1997

The 1990 Annual of the Brushy Mountain Baptist Association contains the history of Millers Creek Baptist Church through that year. Events prior to that date will not be included in this report.

Millers Creek Baptist Church continues to grow under the leadership of Pastor Jim Gore, who has served as our pastor for fifteen years.

In 1992, the church called our first full-time Minister of Education and Youth, Reverend Arnold Gosnell. Reverend Shannon Critcher assumed the position of Youth and Children in 1994, and had implemented a number of programs for youth and children.

Millers Creek Baptist continues to be mission-minded in the support of the associations programs and the Southern Baptist Convention and its cause. The church has joined God in His work through a number of mission projects over the past years. Pastor Gore and his wife, Becky, participated in mission trips to Brazil in 1991 & 1992 which resulted in our church sponsoring a fund raiser to help purchase land for a Brazilian church. Also in 1991, one of our college students took part in a Back Yard Bible Club in Washington, D.C.

In 1993, thirteen of our members went to Florida City, FL to help with the Hurricane Andrew clean-up. In 1995, one of our deacons, David Childers, went to the Czechoslovakian Republic to help train seminary students on the computer.

In 1995, a Parents Night Out Program began and has been very successful in reaching about 200 kids in our community with the love of Jesus. Also in 1995, the Lord led our church to begin an outreach ministry in the Mountaineer Village Mobile Home Park. Through efforts for the North Carolina Baptist State Convention and much hard work by many of our members, the mission has now been established and services are being held there. Children's meetings are conducted each Tuesday night; Vacation Bible School has been held for the past two years and the first revival service was on June 21, 1997.

Pastor Gore and our DOM went to South Africa in 1996 to study the needs of our three year partnership. Members of Millers Creek Baptist have participated in three organized mission trips to Graffiti House in New York as well as individuals going to the Graffiti House with other groups. The Brotherhood has helped with repairs and renovations at Fort Caswell. One of our own, Martha Colwell, continues

serving God as a missionary to Rwanda. The church has assisted her by mailing her personal newsletter and the Rwanda Baptist Prayer Request Newsletter. In 1995, a fund raiser was held for Rwandan widows.

Members of our church distributed 800 JESUS videos throughout the Millers Creek community on Easter weekend 1997. A Lay Witness Revival was conducted in May of this year pairing members of the church with lay people from across the state. This effort resulted in twelve professions of faith and six rededications.

We are very excited about the Early Education Christian Preschool for 2, 3, and 4 year old children that began in September, 1997 with an enrollment of 34 children. The curriculum offered is designed to help children grow physically, spiritually, and intellectually.

What a joy to serve our risen Lord!

The past few years have been busy as far as the physical plant is concerned. Renovations have continued in sections until the entire church has now been renovated. These renovations have included erection of a steeple, the addition of 10 classrooms, an alarm system, a new fellowship hall. A covered drive-through has been added, and expanded facilities for the choir have been provided. New hymnals have also be purchased for the sanctuary. New rooms have been added to the gymnasium, a new backstop has been installed on the ball field, and a walking rail completed. Paving has been completed around the entire church to add a number of additional parking spaces. Electrical and wind storms in 1996 and 1997 caused about \$40,000 worth of damage to our facilities.

Deacons ordained during this period are:

David Childers in 1992

Michael Duncan & William Parsons in 1994

John Overby & Darrell Staley in 1995

Eddie Shelton in 1996

Millers Creek Baptist has experienced continual growth during the period of this history update, with current membership at 590. The value of the church property is estimated to be \$3,000,000.

History of

Stony Hill Baptist Church
1888 thru 1997

Before Stony Hill Baptist Church was erected in the Parsonsville Community in Purlear, NC, fellow Christians met to worship and praise the Lord Jesus Christ at Little Fork School House near Brother J. M. Parsons' home. Nineteen members from neighboring churches presented letters for membership after a worship service. On motion, the members called J. M. Davis, W. F. Carlton, and William M. Lee as presbytery.

After studying the nineteen said members and finding them to believe by faith, willing to believe in the Savior Jesus Christ, the said presbytery set them apart and on the 11th day of August, 1888 A.D., Stony Hill Baptist Church was erected.

These people came to worship at a wooden church building with a dirt floor and a black pot belly wood stove. In these days, singing to praise and rejoice in the Lord was done from memory. At this same time, women came dressed for church services with bonnets and long dresses. The men came to worship in their overalls and boots.

The first pastor of Stony Hill Baptist Church was the Reverend W. F. Carlton, who was called in September, 1888. The first church clerk was T. A. Church. G. W. Walsh and L. E. Phillips were the first deacons of Stony Hill Baptist Church.

At this time, attending church was very important. In 1889, the church passed an ordinance which stated any male member who missed more than three church meetings had to state his reason in church conference for not attending.

Also, in 1889, Stony Hill Baptist Church joined the Brushy Mountain Association. Stony Hill invited the Association to hold its annual session in 1904 at the Church. The Church has only held the annual associational meeting one other time since 1904 and that was in 1929.

Stony Hill Baptist Church has no record of the date its first building was actually built. The second building was formed and completed in 1922. L. D. Whittington, V.R. Hamby, M. A. Hamby, M. A. Welch, C. O. Parsons, and J. B. Baker served as the first known fund raising and supervising committee at the church.

Stony Hill Baptist church's first central heating system was installed between the years of 1953 and 1957. Also, at this same time partitions were added in order to provide two more Sunday School rooms.

A new piano was bought in 1958 and a building fund was started in 1959. In September of 1962, construction began on the present building. In November of 1963, the building was completed. The debt was paid in full in October of 1964. The church bought new pews and other furniture, including the memorial plaque in 1965, and paid for these in full at that time.

Between 1970 and 1980, the church received yet another improvement to its facility; a new paved parking lot and also installed a larger heating and air conditioning system. In March of 1985, the church built a 19' X 28' addition and also finished the church basement. Since then, the church bought an activity bus to transport members to and from church and also to use on church outings.

On November 23, 1986, the church voted to add two new bathrooms, a vestibule and a baptistry. The church organ was donated in 1987 by the members of the church.

In 1988, Stony Hill Baptist church had one hundred and forty resident members and thirty-five non-resident members, tallying one hundred and seventy-five members. The average Sunday School attendance in 1988 was 89.

Here we grow again. January 8, 1995, Stony Hill Baptist Church established a building fund for the next expansion of the church. On January 22, 1995, the church members voted on the expansion project of the sanctuary, the baptistry and a new sound system.

In August 1995, Stony Hill Baptist Church had a dedication ceremony for the completion of the new Sanctuary.

Stony Hill Baptist Church continues to grow more and more. There are now two hundred and fifteen resident members and fifty-five non resident members tallying two hundred and seventy members. The average Sunday School attendance is one hundred and five. Stony Hill Baptist Church has come from some hard times; from having dirt floors and a little pot belly stove, to a completed sanctuary and classrooms with carpet and a central cooling and heating system.

Stony Hill Baptist Church believes as long as we brothers and sisters in Christ believe in the Lord Jesus Christ as our Lord and Savior, and that we take everything to the Lord in prayer, our church will continue to grow form day to day and year to year.

EVANGELISM COMMITTEE REPORT was given by Rev. Ken Pardue. Rev. Pardue thanked the Council-Rev. Jim Gore, Rev. Tim Wilcox, Rev. Paul Brunner and Rev. Lawson Horton-for their help and support. He stated that baptisms only increased 19 persons associational wide. Since last year, Rev. Pardue stated that classes on soul winning and strategies, "Friend Day", and "Family Day" were held during the past year. For the upcoming year, the committee recommends that Rev. Greg Mathis be contacted to lead an area wide crusade in the Fall of 1998 or spring of 1999. The location of the event has been narrowed down to either the John A. Walker Center or a football stadium. Rev. Morris Driggers would be in charge of the music. Motion was approved. Rev. Pardue closed by saying that he would be calling on everyone for their help.

PROPERTIES COMMITTEE REPORT - Rev. Darrell Poole spoke to the report. Rev. Poole stated that major plumbing repairs were needed this past spring. These problems have been corrected; however, additional repairs made be needed. Funds have been set aside for this purpose if the need does arise. The committee read the names as printed in the Book of Reports, asking that representatives from each church stand as the deceased members from their respective churches were honored. Mrs. McMurray reminded us that the Lord giveth and taketh away.

YOUTH COMMITTEE REPORT - Rev. Shannon Critcher provided the following information in his report. He stated that the youth had three associational events during the past year and that 20 churches were involved. The events reached approximately 200 youth. Upcoming events in October and November are being planned at present. The youth workers meet every two months for prayer and to glorify Jesus and for guidance.

Rev. Jimmy Hubbard was recognized for his faithfulness to the association and his love for the church and the Lord. Rev. Hubbard is experiencing medical problems and will be moving to Virginia. A love offering was received of his behalf and a round of applause was expressed by everyone, showing their love and best wishes in his new undertaking. Rev. Hubbard spoke briefly, thanking everyone for their support both monetarily and the prayer support for both he and Gertrude.

A special music presentation of "Because His Love is Binding" was given by Rev. Morris Driggers. The congregation participated in this special time of musical praise. Rev. Driggers' closing prayer was that His love bind us together.

The Doctrinal Message was presented by the Rev. Jim Gore, pastor of Millers Creek Baptist Church. The topic was "Know for Sure and Certain that I am Saved Forever, Eternally and Nothing Can Change that Salvation." Assurance of our salvation was expressed using the following examples in scripture.

Perseverance of the spirit of God as found in Philippians 1:5. It is not of God to start anything He cannot finish. Perfection of Sacrifice of our Lord Jesus Christ found in Hebrew 10:14 says that when He died, God perfected forever our Salvation. The position that we have in our Lord Jesus lives in us and is a position as Paul wrote in I Peter. Also in Genesis we find that Noah had security. God is going to carry out his great purpose in us. If God predestines, God will fulfill. The Lord Jesus himself prayed on our behalf in Hebrews 7:25. We know Jesus is able to save as is written in John 17. Jesus prayed not only for the disciples, but for others which are in His church.

COMMITTEE ON COMMITTEES REPORT - Mr. Clate Miller in the absence of Rev. Sherrill Wellborn. Mr. Miller asked that the Committee on Committees Report be accepted as printed in the book of reports. Motioned carried.

MISCELLANEOUS BUSINESS SESSION - Rev. Lawson Horton stated that three years ago the association began thinking "How are we doing and what is our purpose?" A new proposed PURPOSE STATEMENT - Article II-Purpose states: "THE BRUSHY MOUNTAIN BAPTIST ASSOCIATION IS A FELLOWSHIP OF CHURCHES WHO ARE

REACHING THE LOST WITH THE GOSPEL OF JESUS CHRIST, GROWING DISCIPLES, AND HELPING TO MEET THE NEEDS IN OUR COMMUNITIES AND AROUND THE WORLD." A vote will be taken at the Tuesday, October 7 session to be held at Stony Hill Baptist Church.

PASTORAL MINISTRIES REPORT - Rev. Dennis Love announced the following actives which will be taking place. October 27, Tom O'Neil with the N C Baptist Pastoral Care will be conducting a session on coping with stress. The meeting will be held at Pilgrim Baptist Church. November 8, at the associational office, Chris Shelnut will be showing men's clothing. November 24, at Pilgrim Baptist Church, a "Pastor and Deacon" workshop will be held which will deal with the Deacon Family Ministry. Rev. Harold McDonald of the First Baptist Church in Albemarle will be the speaker. On December 1, a winter Bible study will be presented by Dr. Johnny Tiller for Pastors, Deacons and their wives. The study will feature the "Parables of Luke."

SUNDAY SCHOOL REPORT - Rev. Rick Speas noted that there is no longer an ASSIST team. The name is now ACTeam Consultants. He stated that if any church needs one or all of the consultants, please let them know. Associational meeting for ACTeam will be held in the Spring. All Sunday School workers and leaders were asked to stand and be recognized.

VACATION BIBLE SCHOOL REPORT - Rev. Darrell Poole gave the date for the 1998 Vacation Bible School Clinic as May 4, 1998 at Millers Creek Baptist Church. He noted that the clinics have been very successful.

WOMEN ON MISSION - Mrs. Deborah Sullivan gave the following report. She asked that the report be accepted as written adding, "A GA Mother/Daughter Retreat" which was held in the spring was left out. Mention was made of the World Hunger Day, October 12, 1997 at Wilkesboro Baptist Church. On November 24, 1997 the International Missions Study will be held.

BROTHERHOOD REPORT - Mr. Wade Bumgarner thanked each church and each person involved in Baptist Men's work. He stated that there are a lot of needs which can only be met with God's support. The "race event" and "Graffiti House" are some of the actives completed last year.

MUSIC REPORT - Rev. Morris Driggers said that his objective is to build fellowship, provide leadership training and to be a resource person.

DISCIPLESHIP TRAINING REPORT - Mrs. Carolyn Horton said that the associational discipleship goal in the Brushy Mountain Association is to serve as a support system for the churches. The goal is: more new discipleship units available. She added that eighteen churches are utilizing discipleship training materials. Mrs.

Horton also mentioned that she and Rev. Steve Church are now called "Discipleship Supporters" instead of "directors" and she encourages anyone needing assistance contact either Rev. Church or her.

All committee reports presented in the afternoon session on Monday, October 6, 1997 were approved.

Rev. Shannon Critcher led in the Benediction and Blessing of the evening meal.

Meeting adjourned at 6:00p.m.

EVENING SESSION

6:45p.m., Monday, October 6, 1997

The session was called to order by Rev. Robert Earl Webb. Rev. Morris Driggers led the congregation in singing "All the Way My Savior Leads Me."

Rev. Jay Johnson, Moravian Falls Baptist Church, read scripture from John 3:16, and thanked God for His Salvation and love. Rev. Johnson led the congregation in prayer.

SPECIAL EDUCATION MINISTRY REPORT - Mrs. Christine Walker asked the question, "Who does your congregation reach out and touch? Does your visitation reach the handicapped?" These are questions which the Southern Baptist Convention has literature to help you answer and to assist churches in meeting the needs of the handicapped worshiper. Mrs. Walker challenged everyone to reach out and help because the handicapped are people too and they need the Lord as their Savior just the same as we do.

Millers Creek Baptist Church choir presented a special musical selection.

DIRECTOR OF MISSIONS REPORT - Rev. Lawson D. Horton, Jr. Rev. Horton began by saying that our association is a fellowship of churches that choose to work together. "Cooperation is our trademark!" We work together for a common purpose and reconcile to a life of missions. I Corinthians 3:9 says, "we are laborers together with God." Cooperation makes us a team. Our common cause is missions. Taking the news of Jesus Christ across the nations, doing and supporting missions with our prayers is necessary. Praying is a responsibility of the church. Money is only a part of mission work. Mission involvement is a task for every believer, not just a few.

Rev. Horton asked that we remember several mission efforts going on in the association. Some are: New York Partnership (Calvary Christian Church and Graffiti

House), South Africa Partnership, Habitat for Humanity (home to be built), Evangelism Crusade, and many more. When working together, hindrances often come our way such as struggles and presence of sin. Differences in practice and beliefs may often appear. We should continue to pray and support missions through our works and giving.

Rev. Horton introduced new pastors and staff members. They are: Rev. Jay Johnson, Moravian Falls Baptist Church; Rev. Hadley Triplett, Beaver Creek Baptist Church; Rev. Tim Wilcox, Purlear Baptist Church; and, Rev. Don Blevins, Bethany Baptist Church. Mrs. Diane Shaw was introduced as the new full time secretary of the Brushy Mountain Baptist Association.

Attendance - 36 churches represented, 207 present

BUSINESS SESSION

RESOLUTIONS COMMITTEE REPORT - Mr. Clate Miller stressed appreciation to Rev. Robert Earl Webb, moderator, Rev. Lawson Horton, and Mrs. Diane Shaw.

Congregational song "We Have Heard the Joyful Sound" was led by Rev. Morris Driggers. A choir special was presented by the Millers Creek Baptist Church Choir, under the direction of Mr. Vernon Mitchell.

SOUTH AFRICAN PARTNERSHIP CHALLENGE - Rev. Dennis Jones is an international missionary serving in South Africa. He is in the United States on furlough and is on his way to Richmond, Virginia for debriefing.

In South Africa, there are approximately 42,000,000 people and only one in 1,000 are Baptist. In the association Rev. Jones is associated with, it takes approximately ten hours to get from one point to another and it is 150-180 miles across. There are approximately 80 churches, as well as other mission points and preaching points, in South Africa, but many areas do not have a church.

Rev. Jones emphasized the International Mission Board's Vision Statement, "We will lead Southern Baptists to be on mission with God to bring all the people of the world to the saving faith in Jesus Christ." We need to partner together to work on the mission field, international and home. Until Jesus comes back, we are here for others who need Jesus Christ. Scripture was Acts 14:24-28.

Rev. Hadley Triplett led the benediction prayer.

Meeting was adjourned at 8:35p.m.

SECOND NIGHT

6:45 p.m., Tuesday, October 7, 1997. Meeting was called to order by Rev. Charles Edwards, moderator, who thanked Rev. Robert Earl Webb for serving as moderator on Monday, October 6.

Rev. Ken Pardue welcomed everyone to Stony Hill Baptist Church. Rev. Pardue stated that Jesus Christ should be given praise in the business session as well as during the messages.

Rev. James Williams led in scripture and prayer by reading Mark 5:25. Rev. Williams emphasized the theme "Reaching and Touching." His prayer was for all the blessings that we take for granted.

WAKE FOREST DIVINITY SCHOOL REPRESENTATIVE - Dr. Nelson Granade mentioned that scholarships and financial aid are available for Baptist students.

BUSINESS SESSION

Rev. Charles Edwards, moderator, asked for a motion to accept or reject the proposed amendment change to the Brushy Mountain Association constitution. The amendment was presented on Monday, October 6, 1997 and could not be voted on until the next day, October 7, 1997. A motion was made by Rev. Rick Speas to accept the amendment. The Purpose Statement - Article II - Purpose - states "The Brushy Mountain Baptist Association is a fellowship of churches who are reaching the lost with the Gospel of Jesus Christ, growing disciples, and helping to meet the needs in our communities and around the world." Motion was seconded and approved.

Rev. Al Andrews stated that he read the Treasurer's Report and learned that receipts of the association exceeded the budget demands. Rev. Andrews said, "I move the Finance Committee study the Treasurer's Report and budget to see how best these excess receipts can be made available for missions and ministries and report their findings in the January Executive Committee Meeting." Motion seconded by Rev. Howard Laney, approved by messengers.

MISSIONS DEVELOPMENT COUNCIL REPORT - Mr. Greg Cornett was scheduled to give this report but was absent due to his father's health.

The Stony Hill Baptist Church choir, under the direction of Mrs. Kimberly Parsons, presented the special music for tonight's meeting.

5

SPECIAL GUEST SPEAKER - Dr. Roy J. Smith, Executive Director/Treasurer of the Baptist State Convention of North Carolina. Dr. Smith thanked the association for the opportunity to speak. He commented on the good number present, the moderation, and the fellowship of the association. The association's importance is second only to the church congregation. The association is close to the church, and through the association we learn denominationalism and mission work. God will not get excited about our missions in other parts of the world if we cannot work in our association. Scriptures used were Acts 1:8, Matthew 28:18-20, and Matthew 25. Dr. Smith said that most of the people in North Carolina are not professed Christians; however, we have had remarkable church growth and church starts in the state. Statistics given include: 130 languages in our nation, \$6,000,000 given to support Home Missions in the United States, and 4,271 missionaries serving in 127 countries. Dr. Smith's closing statement was that churches exist by doing missions and we should continue to be faithful until the last person in the last place has heard the gospel.

Rev. Driggers led the congregation in singing "O God, Our Help in Ages Past" and "Great is Thy Faithfulness." The Stony Hill Baptist Church Choir presented special music.

MISSION MESSAGE - Rev. Ken Pardue, pastor, Stony Hill Baptist Church.

Message: Heaven and Jesus. We were told to quit looking at people and look at God. "What is our mission?" was the challenge given. Scripture was from John 20:21. Rev. Pardue stated that happiness is people giving, working, and people being saved. Sadness is that churches are not producing Christians. They are falling behind in work and the disappointment is that doors are being closed in areas where people need to hear the gospel. Mission definition is the delegation of people. The church has the authority to take the gospel to others and people are to be sent as well as money. Scripture was Luke 19/10, 1 Timothy 2:4, Acts 1:8 and Matthew 28:19. Rev. Pardue said that churches are in decline with 3500-4000 churches closing their doors each year. Eighty to eighty-five percent of the churches have reached their peak, or are declining. These statistics mean that the power of God is not being taught. Closing challenge given was: "Do we hear what the Spirit of God says?" Preach the gospel, prepare the people and they will go tell others. "Feed My sheep...follow Me." John 21:17

Attendance report was 28 churches represented, 174 messengers and four visitors present.

Rev. Robert Duncan was recognized as being the moderator for the 1998 associational year.

Motion was made and seconded to adjourn the 126th annual meeting of the Brushy Mountain Baptist Association.

Closing prayer was led by Rev. Robert Duncan. Meeting adjourned at 8:30p.m. Reception followed in Church Fellowship Hall.

HABITAT FOR HUMANITY REPORT

At the mid-year meeting in April, our association voted to build a house in conjunction with the Habitat organization once the funds were available. Eighteen churches have already responded and agreed to support the effort with money and volunteers. Hopefully others will join in the action as time progresses. Support monetarily and physically can come from individuals, groups within a church, or be an entire congregational effort.

Each participating church is furnishing one to two people to be representatives carrying information to and from the associational Habitat organization back to the local congregation.

The first organizational meeting was held September 22 to form a steering committee to help develop a plan to secure funds and volunteer labor for the construction of the house.

Much work is yet to be done before any construction begins. There appears to be a growing interest and enthusiasm toward this project. The greater the interest and support, the sooner we can accomplish this task. Your help will be welcomed.

A money market account has been established at one of our local banks until enough money is available to start the house.

Now is the time to join in and help us achieve our goal. Will you help?

NC BAPTIST FOUNDATION REPORT

The North Carolina Baptist Foundation is an agency of the Baptist State Convention of North Carolina committed under the guidance of the Holy Spirit to serving North Carolina Baptists and others in generating an increased awareness of Christian estate planning and stewardship principals as a means of financially undergirding churches, institutions, and mission endeavors on a permanent basis.

The Baptist Foundation Staff and Board of Directors are committed to being scrupulously moral, legal, efficient and accurate in carrying out the intent of each donor and trustor whose funds are placed under the management of the Foundation.

The Foundation is dedicated to sustaining a tangible and perpetual involvement in presenting the Gospel, meeting human needs, and strengthening all bodies of Christian fellowship where Christ is the Head. Since 1919, its goal has been to establish a Foundation which could promote and care for love gifts supporting Baptist missions and Baptist institutions on a continuing basis through endowment.

We live in a world that is changing rapidly. In the midst of all this change is a world full of people looking for something that is lasting and permanent. As Christians, we know that the only thing lasting is Jesus Christ. We believe it is our mission to share that hope of Jesus by providing and facilitating resources to the various agencies and ministries that are dear to the hearts of all North Carolina Baptists.

The counselors at the Baptist Foundation are happy to offer assistance and Christian guidance for your estate planning needs. Please call or write the North Carolina Baptist Foundation for your free information package at:

DIRECTOR OF MISSIONS REPORT

This past June I completed my fifth year as your Director of Missions. It has been my privilege to serve among the good people of Wilkes County. I trust that God will give us many more years of enriching service together.

This year has been a very active year for your director. I have preached 19 different times among our churches. I was asked to speak in one church on the subject of missions. I preached in four revivals among our churches besides the other preaching opportunities. I was able to worship in all of our churches at least once. I was called upon several times during the year to give assistance and counsel to pastors and churches. I was asked to teach youth in Vacation Bible School in one of our churches, which I accepted. I conducted one deacon retreat, and participated in one deacon ordination service. I led an "Experiencing God" study, and two Christian Money Management Conferences. In addition to these activities, I met often with various committees and program directors to pray and plan the work of the association.

I was involved in some activities outside of the association. I served on the board of the prison ministry and Wilkes Cares. I have completed my second and final year as president of the North Carolina Directors of Missions Conference. I taught one term in the Seminary Extension program in the Stone Mountain Association. Although it has been a busy year, it has been very rewarding.

It has been a very active year for the people from among our churches that have participated with the planning and completion of several associational events. I issued a challenge during last year's annual meeting that the association and/or churches should consider starting something new. In this associational year, we initiated a medical/dental ministry to the underprivileged, conducted a backyard Bible club in the yard of the associational office, and agreed to build a house in conjunction with Habitat for Humanity.

We conducted several other training and mission events. We had two of our men to be involved in the construction of a church building in South Africa. A group from our association did some construction work among the Cherokee Indians. There were three training meetings to help pastors and other key leaders in the areas of Bible study, ministry to apathetic church members, and evangelism.

I look forward to another busy and enjoyable year. Hopefully, we will be able to begin and finish the construction of a house with Habitat. This will take much support from our churches, and an act of faith for this goal to be achieved.

The Constitution Committee will be called upon to help us become an incorporated body and suggest some constitutional revisions.

There is discussion being generated among some of our leaders to have an evangelistic crusade planned during this year. Several are planning to become involved in the South African Partnership. Whatever we do, let us know that it is the work of God, and on His time scale. If that is our determination, it will be another great year.

Respectfully submitted,
Rev. Lawson Horton

BROTHERHOOD REPORT

It doesn't seem long since last year's report was due, but when you look back on all the things that have been accomplished in God's name and for His Kingdom, it makes me proud and happy to be a part of a group of men like we have in our associational Brotherhood. I would like to take this opportunity to thank each one for the unselfish giving of your time and talents this year. A lot has been done and a lot is still to be done. With God's help and leadership 1998 will be an even better year.

Several trips to Graffiti in New York were made with hundreds of gloves, knit caps, sock, etc. being handed out. Many people were fed through the Feeding Program. A team traveled to Cherokee and worked in repairing homes, giving some a safe and clean place to live. The best thing accomplished at Graffiti and Cherokee was **we were able to tell someone about Jesus!**

Our R.A.'s had a big year also with the Second Annual R.A. Car Race, camping and the addition of the Track Meet. More activities for our R.A.'s are being planned.

In an effort to serve God and our association better, a Brotherhood Council has been formed. The new Baptist Men's Director will be Bill Hinds and the R.A. Director will be Kirk Walker. I welcome both to their new positions and look forward to working with them in the coming year.

Thanks to each church for supporting your Baptist Men. Continue to pray for them and support them financially as you have in the past.

To God be the Glory for all that has been accomplished.

Respectfully submitted,
Mr. Wade Bumgarner, Director

DISCIPLESHIP TRAINING SUPPORTER REPORT

The associational discipleship goal in the Brushy Mountain Association is to serve as a support system for the discipling efforts of the local church. We want to encourage and assist the churches to discover discipling needs, determine strategies and methodologies to meet those needs, and make every effort to provide for the spiritual progression of the people. Our goal, therefore, is to begin new discipling processes and to strengthen and support existing growth options.

In the last year, two Association Strategy meetings were held in an effort to assess discipling needs in our churches. An associational-led Experiencing God group was held at Moravian Falls Baptist Church. Fourteen people participated from two of our churches. Also an associational-led Christian Money Management Seminar was held at Moravian Falls and Greater Vision. Approximately fifty people participated in these two seminars.

In the coming year there will be a greater attempt to help each church know what is available for each church's particular needs. Hopefully, more of our churches will become involved in the discipling process.

Do call on Steve Church or me with further discipling needs, ideas, or impressions. Let us know if you or your church would be interested in an associational-led group.

Respectfully submitted,
Mrs. Carolyn Horton
Associational Discipleship Supporter

EVANGELISM REPORT

The year 1996-1997 has been a good year for our churches. We have been introduced to many new ideas to use in developing a more effective Evangelism Program. One of the programs offered was training on how to be more effective soul winners. We also had training on various ways for churches can become more involved in reaching people through evangelism.

The Evangelism Committee asked our churches to set aside a Sunday for Friends Day and one for Family Day. Good support and good attendance was reported. All our churches were asked to appoint an Evangelism Director to work with our committee. If your church has not done this, please do so to help expand the work of Christ.

We would also like to thank all those who helped with our booth at the Apple Festival. Many tracts were handed, out and we were able to witness to many people. Special thanks to the members of the Evangelism Committee for their work and their attendance at the planning meetings. Special thanks also to Rev. Lawson Horton for the leadership he provided to our committee.

Please pray for the committee as we continue seeking the leadership of the Holy Spirit concerning a crusade for our county. May God continue to bless our Association and our Evangelism Committee. If we can be of any help to the churches concerning evangelism, please feel free to contact us.

Respectfully submitted,
Rev. Ken Pardue, Director

FRUITLAND BAPTIST BIBLE INSTITUTE REPORT

Fruitland Baptist Bible Institute experienced both crisis and blessing in the fifty-first year of it's ministry. The crisis, which brought great sorrow, came on February 11, 1997, when President Randy Kilby died of an apparent heart attack after delivering a sermon. His vision and dynamic leadership made a great impact on the life of the school and his influence will continue to be a challenge and an encouragement to those who attend Fruitland Baptist Bible Institute.

Fruitland Baptist Bible Institute serves those who have experienced a call from God to vocational Christian service and have unique needs for academic, spiritual and practical preparation. The average enrollment of '96-'97 was 192. The last survey showed that the average age of the students is thirty-two. The school continues to grant the degree of Associate in Religion/Church Ministries. Many of the graduates continue their education in other institutions. These students exhibit academic competence, some of them with exceptional achievement. The school is grateful for the faithful and effective Christian ministry which the graduates are fulfilling in many different settings.

This year the school had the joy of dedicating the Evelyn Gillespie Davis Prayer Chapel. Mrs. Davis is a 1934 Fruitland Institute graduate, a Baptist secondary school which occupied the campus until 1936. The chapel also memorializes Martha Sullinger who was an administrator and teacher at the institute. This chapel provides a place for personal prayer for the students.

An additional two acres of land and a building have been acquired which will provide for the relocation of the Maintenance Shop to allow for further development. The residence known as the "Mission House" is being renovated to provide two apartments for student housing.

The major development for the present and immediate future is preparation for the construction of the Randy Kilby Memorial Library. This new facility will provide needed space for the growing collection of books and media materials, for faculty office space and study space for the students. This will permit the present classroom building to be used entirely for classrooms and chapel.

By providing this opportunity for preparation for ministry, North Carolina Baptists are implementing the fulfillment of the second half of the Great Commission; the commission to teach. The school is grateful for the vision that led to the founding of Fruitland and for the continued faithful support that provides for this vital ministry to continue. Your prayers are solicited for the Board of Directors, administration and faculty as decisions are made concerning the school in the days ahead.

Respectfully submitted,
Rev. Dennis Love, Representative

MODERATOR'S REPORT

Once again it is time for the association to get geared up for the annual meeting of our churches. This is always a meeting that we look forward to, as we fellowship with the churches of our association.

Our churches made a major decision at the semi-annual meeting by voting to enter into a relationship with "Habitat for Humanity" by funding and building a house. This mission project will provide us with a wonderful opportunity to bear witness of God's wonderful love for all people.

As of now, only a few churches have given information to the associational office regarding their measure of support. I encourage you to lead your church in this joint effort.

I feel that it needs to be mentioned that at our quarterly meeting in July, we did not have a quorum and were not able to conduct any business. I encourage each church to be sure that your elected messenger and pastor have these meetings on their calendars.

Thank you very much for the opportunity to serve as moderator this past year. I have met some outstanding people from our churches during the past year, and hope to see many more of you in the future. Our association is surely blessed to have at the helm the Reverend Lawson Horton, and his dear wife, Carolyn. They have made a significant contribution to the ministry of our churches.

As we enter into the new year, may we seek the will of our Father and make an effort to present the gospel of Jesus Christ to all who will hear.

Respectfully submitted,
Rev. Charles Edwards

ORDINATION COMMITTEE REPORT

The Ordination Committee was not called upon this past year to render their services in helping churches with the ordination of people into the gospel ministry. If this service is desired by any church, please contact the chairman of the Ordination Committee.

Respectfully submitted,
Ordination Committee

MISSION DEVELOPMENT COMMITTEE REPORT

The Missions Development Committee has been in session once every month for purposes of discussing, planing and implementing various mission endeavors, primarily within our county spectrum. Among the various outreach efforts in which this committee has partaken are as follows.

--Comprising a master list of all mission related efforts from all of the churches that make up the Brushy Mountain Baptist Association. We were very elated to see that our churches are truly reaching out for Christ to meet the needs of those in our communities and around the world! Through this effort, we challenged our associational churches to assimilate new ides and to "start something new." In addition to regular support of the Cooperative Program and weekly visitation efforts, there were 38 different mission outreach programs/efforts that our churches, which comprise our association, have previously or are currently involved in.

--Associational Prayer Chain was established and was made effective March 1, 1997. The intended purpose of this prayer chain is to unite all churches within our association in prayer for associational and church related prayer concerns. The majority of all the churches in our association has a representative on this Prayer Chain. We continue to look forward to seeing God answer prayers as a result of our Associational Prayer Chain.

--Medical/Dental Bus to Wilkes County, April 25 & 26, 1997. A special committee, with Dr. Larry Kilby serving as chairperson, was established to organize and implement this outreach effort. The Medical/Dental bus is sponsored through N C Baptist Men. It is a mission effort designed to meet both physical and spiritual needs of those in need. The bus was stationed in North Wilkesboro at the former Frankie Fairlanes' location at the entrance to West Park Shopping Center. The Health Foundation of WRMC provided the building at no cost; and, Paul Barlow, Director of Engineering/Safety/Security at WRMC, was very instrumental in helping us to secure this location as well as preparing this site for the event. There were many volunteers, both medical and non medical, who put forth a tremendous effort to make this project a success. We plan to consider this effort again as a future mission project.

--Backyard Bible Club held July 21-25, 1997. This program was under the direction of Betty Pardue. Volunteer effort was outstanding. We averaged nine children per day. Plans are underway to repeat this effort next year, possibly expanding our horizons outside of the community where our associational office is located.

--Habitat for Humanity project was voted in favor of during the April Semi-Annual meeting. A motion, as a result of that meeting, pertaining to Habitat for Humanity reads as follows:

"Since there has been a great deal of interest shown, and pledges of money and labor have been made, the Associational Council makes a motion that we undertake the responsibility for funding and constructing one house through Habitat for Humanity and that we proceed as soon as the funds become available from the churches, asking each church to consider contributing a fair financial share and a fair labor share toward this mission goal. This venture has an estimated cost of \$35,000 to \$40,000." To date, the Mission Development Committee and the associational office have made efforts to contact all associational churches to gain knowledge of their interest in this project and to seek the name(s) of a representative(s) to serve on a "steering committee" which is made up of representatives from participating churches. The committee will be led by Mr. Doug Rollins, project director. His responsibilities include presiding at meetings and overseeing the coordination of the project. We look forward to experiencing God's blessing in allowing those who may participate to be a witness to our county through their giving efforts.

Respectfully submitted,
Mr. Greg M. Cornett, Director

PERSONNEL COMMITTEE REPORT

On June 16, 1997, our associational office employed a full-time secretary, Mrs. Diane Shaw. She will be in the office from 8:00 a.m. until 5:00 p.m., Monday through Friday. Diane is an active member of Mt. Pleasant Baptist Church, and serves her church as financial secretary, and is also a member of the choir. She is married to Tim Shaw and they have one daughter. Welcome Diane!

We would like to express our love and appreciation to Teresa Taylor for her twelve years of dedication and service to our churches and Director of Missions. Thank you for everything, Teresa!

Respectfully submitted,
Mrs. Melissa Hamby, Chairman

PLACE AND PREACHER REPORT

The 127th session of the Brushy Mountain Baptist Association will be held Monday, October 5, 1998 at Oak Grove Baptist Church (Hwy. 268 East), and on Tuesday, October 6, 1998 at Greater Vision Baptist Church.

The message will be brought by Rev. Howard Laney on Monday, October 5, 1998 and by Rev. Jay Johnson on Tuesday, October 6.

Respectfully submitted,
Rev. Hadley Triplett, Chairman

PROPERTIES COMMITTEE REPORT

The committee would like to report that major plumbing repairs were needed in the early spring. It was discovered that the pipes in the office building had deteriorated, causing several thousand gallons of water to be lost. This required emergency installation of new pipe. There is a possibility that additional repairs may be needed to the pipe leading from the office to the meter. Money has been requested for that purpose in the new budget.

There were also a few minor repairs and adjustments made at the office and parsonage which were relatively inexpensive, thanks to some volunteer help. After making these renovations, the property and buildings appear to be in good condition.

During this next year, the committee will be doing an evaluation of our facilities to see if changes are needed to maintain the comfort and convenience of the structures.

Respectfully submitted,

STEWARDSHIP REPORT

We had 16 people in attendance for our stewardship conference on March 6 at Quincey's. Our focus was on worship, giving, and preaching on stewardship. These conferences have proven profitable for those who attend. Another conference will be planned for 1998.

Many faithful Christians are losing the worship aspect of giving because we give our offerings in the Sunday School class. Teachers may be encouraged to make this a time of worship as it is in the eleven o'clock hour.

I have tried to learn all I can from Ken Batts of the Baptist State Convention who is a very capable leader in the area of stewardship. If either of us can be of assistance to you in planning your budget, or helping in other ways, please let us know.

WOMAN'S MISSIONARY UNION REPORT

The Woman's Missionary Union theme for this year was "Hand In Hand." It is our mission to work "hand in hand" with the churches and with the Brotherhood of this association.

We work hand in hand by providing leadership training, sharing concerns of our churches to the association leadership, help to begin new organizations, and/or motivate existing ones that need a little boost in growth and involvement.

The following are some of the projects our churches have participated in this year.

In July the associational leadership team went to Caraway to receive training from the state WMU leaders from Cary and to pray and prepare for the upcoming year. During the month of September, our associational leadership team provided training for all age level leaders in the churches at Pilgrim Baptist Church. We also promoted the State Missions Offering and the importance of it. In October we sponsored the canned food drive for World Hunger. This food was collected at Wilkesboro Baptist Church.

November led us to prepare for the Foreign Mission Celebration which was held at Hinshaw Baptist Church, as well as leading the promotion of the Lottie Moon Christmas Offering. The month of February is set aside for the Focus on WMU Week. This is where individual churches celebrate and promote special activities, accomplishments, and awareness of the work of their organizations. Oak Grove, North Wilkesboro hosted the Home Mission Celebration in March.

In March and April, church WMU groups provided items for the associational leadership team to make 100 hygiene kits to be given out at the Medical/Dental Van which was sponsored by the Brotherhood.

Our Annual Meeting/Celebration was in May at Greater Vision Baptist Church which included the installation of new officers and a special guest speaker, Martha Colwell, who is serving as a missionary in Africa.

Our watchword this year comes from I Chronicles 3:9...

**"For we are partners working together
for God, and you are God's field. You
are also God's building."**

We are prayerfully anticipating our 97-98 year with the emphasis being:

"Come, Go With Me"

PASTORAL MINISTRIES REPORT

As Pastoral Ministries Director of our association, I am interested in helping our pastors, staff, and lay leadership grow professionally and personally. The role of the Pastoral Ministries Director is to help meet the personal and professional needs of our people by setting up educational workshops and seminars. Over the past year our association offered the following.

On November 26, 1996, Dr. Johnny Tiller, New Testament professor at Fruitland Baptist Bible Institute, led our pastors and interested laypersons in an educational workshop in the book of Ephesians. Paul's letter to the church at Ephesus was our Winter bible Study. Those attending received some valuable information to use in teaching through the book of Ephesians.

On May 27, 1997, Eddie Hammett, Leadership consultant for the North Carolina Baptist State Convention, led pastors, deacons, and their spouse's in a seminar titled "Assimilating the Apathetic Church Member." This seminar was well attended with more than 100 people present. Those attending learned that it's those in leadership positions who often need assimilated from apathy.

In October, a Clergy Care Workshop will take place at Pilgrim Baptist church with a meal being served before the meeting. This workshop will focus on stress in the ministry and how to deal with it.

Another Winter Bible Study will take place either in late November or early December. This year, our Winter Bible Study is on the parables found in the Gospel of Luke.

I would like to thank Pilgrim Baptist Church for providing us with a meeting place and a delicious meal at both of our meetings.

Thank you for supporting this much needed ministry in our association.

Rev. Dennis Love, Director

BIBLICAL RECORDER REPORT

The Biblical Recorder should be in every Baptist home in North Carolina. Your support as a subscriber and reader, coupled with your encouragement to others, will enable the paper to better serve the constituency with accurate and helpful information.

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated in the Biblical Recorder which saves staff time, postage and printer costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Recent and anticipated increases in mailing costs makes CNS a greater value now than ever before.

The paper deliberately focuses more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to an effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

SUNDAY SCHOOL REPORT

Associational Sunday School work is ever-changing and improving. As with other entities in Southern Baptist life, the Sunday School program has been given a new title and new responsibility on the associational, state and national levels. No longer do we have a Sunday School department. We now have a "Bible Teaching-Reaching" ministry. With the change in name came a change in responsibility. No longer are we primarily expected to plan and host associational seminars, conferences and workshops. Now your associational Sunday School Council is to be comprised of individuals who are trained as consultants. No longer do we have a Sunday School ASSIST team. Now we have an ACTeam, which stands for Associational Consultant Team.

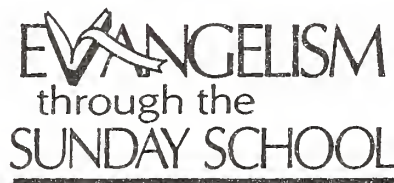

The purpose of the ACTeam is to be equipped to help churches on a more personal basis. The team is trained to support these tasks: reach people, teach people, care for people, witness to people and lead people to worship. We have an excellent ACTeam in our association which has worked very hard over this past year attending training sessions so that the team might be equipped to help our churches to the very best of their ability. This has been a lengthy transition for the team members as well.

ACTeam consultants can help churches in many ways. We are available to help organize the Sunday School, improve teaching and outreach/evangelism skills, select the appropriate curriculum for your church, discover additional space and many other things to help your Sunday School grow and be the best it can be.

The ACTeam will come to your church and meet with your Sunday School teachers and leaders and help you in any way we can. Our plans for the next year include some regional consulting sessions with interested churches as well as individual church consultations as requested. Although our primary responsibility is not the conducting of association-wide conferences, your ACTeam still sees value in these and will offer one or two such conferences in the next year.

Your ACTeam is prepared and willing to serve in any way we can be of assistance. Please contact us through the associational office or by calling me directly. Let's all work together to make our Sunday Schools the very best we can. As we do, His Kingdom will be edified and Jesus will be glorified.

YOUTH COMMITTEE REPORT

It has been well stated that youth are not the church of tomorrow as we so often hear, but instead they are the church of today. As believers in the Lord Jesus Christ, they have been baptized into the same Body (of Christ) that all believers have. And as members of the Body, they have a job to do. As we know, the Body of Christ is a unit consisting of many parts...each part different and unique for the other. Yet they form one Body. The bible teaches that each part needs the other. So it stands to reason that if youth are part of the Body, then they can and should have a role in the Lord's activity in our local churches. Only when it works in unison will the body be healthy. First Corinthians 12 reminds us that if one part suffers, every part suffers with it; if one part is honored, every part rejoices with it.

Each of our associational churches has assigned a worker to help encourage and challenge their young people to know and follow Jesus. These youth directors

are invaluable to the movement and function of each local body. What a joy and privilege it is to work with young people! But this job is not without its struggles and frustrations. This is one of the reasons the Brushy Mountain Baptist Association has a youth committee.

This year, the committee met every other month and has begun several valuable activities. One is simply a time to share our prayer concerns and struggles as well as learn from each other and support one another in prayer and encouragement. Twenty of our associational churches participated in this year's meetings and activities giving the churches a chance to merge their resources, ideas, and kids in a way no single church could do alone. The Brushy Mountain Association worked in conjunction with the Three Forks and Ashe Associations to host a Youth Leader's Training Session on March 15. Training was available for getting a youth ministry off the ground, reaching teens, crisis counseling, family ministry, and recreational ideas for youth. Over 80 youth workers attended the event and left with many valuable ideas and resources.

We hosted two major events for the youth this year. One was a "School's Out Bash" at the YMCA held on April 21. The other was an "All-Nighter" held on August 8-9 at various locations. Over 200 young people were involved in these events.

I would like to express my appreciation first of all to the Lord Jesus who loves us all, even teenagers. I rejoice that He has placed people in this association and in our churches who love kids and have a desire to see them grow spiritually. It has been an honor and a joy to serve you this past year as the Associational Youth Director. Seeing Christians work together in love and unity to honor Jesus and to minister to kids thrills my heart. Thanks also to Rev. Lawson Horton for his support of associational youth work; and to each of you who encourage your kids to be involved in Christian activities. Special thanks to Wanda Lowe, Gail Parsons, Steve Smith, and Steve Call who served on the youth committee this year. Seeds of eternal benefit are being sown in the hearts and lives of kids because of you.

Please be much in prayer that the Master may direct someone to fill the Associational Youth Director position. If you know of someone who would be interested in this position, please contact the associational office.

INTERNATIONAL MISSION BOARD OF THE SOUTHERN BAPTIST CONVENTION REPORT

QUESTION: IN THE NEXT CENTURY, HOW WILL SOUTHERN BAPTISTS
DO MISSIONS OVERSEAS?

ANSWER: IF YOU SAID, "THROUGH THE FOREIGN MISSION BOARD", YOU'RE
ALMOST RIGHT.

The right answer is the **International Mission Board**. The way we see it...there's nothing "foreign" about God's love for the world. And "international" better describes the scope of our work. As always, we'll continue to appoint missionaries, plant churches and push back the darkness.

THE FOLLOWING IS AN IMB PROFILE:

Early in 1845 the Virginia Foreign Mission Society called for a meeting in Augusta, Georgia. the meeting, began May 8, lasting five days. During that time, the Southern Baptist Convention was formally organized. The Foreign Mission Board and the Domestic Mission Board also were created.

In 1874, the domestic Mission Board became known as the Home Mission Board. Eight years later it moved from its original site in Marion, Alabama to Atlanta, Georgia. The Foreign Mission Board has occupied various locations within Richmond, Virginia.

Effective June 1997, the agencies were renamed to more accurately define their evangelistic reach. The Home Mission Board is now the North American Mission Board. The Foreign Mission Board is now the International Mission Board, and it continues as the largest evangelical missionary-sending agency in the world.

REACHING THE UNREACHED: The guiding force of the International Mission Board is our vision statement: **We will lead Southern Baptists to be on mission with God to bring all the peoples of the world to saving faith in Jesus Christ.** This vision becomes reality as Southern Baptists are mobilized to encourage, nurture, enlist and support short-term and long-term missions personnel.

Of crucial importance are countries in which people have little or no access to the gospel. Collectively, those countries are known as **The Last Frontier**, and the people living within this vast region are known as unreached people groups. Despite geographic, cultural and political barriers, **The Last Frontier** is a responsive harvest field. Personnel targeting this region baptized 6,329 people and started 261 churches in 1996. One people group, with only 65 known believers just a few years ago, now has more than 200,000 believers.

Basic financial support comes from the Cooperative Program and the Lottie Moon Christmas Offering. With a budget of \$205.5 million, the board now has more than 4,200 missionaries in more than 127 countries. Overseas churches are more than 4.1 million members strong. About 777 baptisms occur daily in areas where Southern Baptist missionaries minister.

Career missionaries are Southern Baptists called by God, affirmed by their local church, and approved by trustees. Working with them are short-term personnel who serve from four months to two years and thousands of volunteers who spend from a few days to four months working on special projects.

Besides its main purpose of evangelism and starting churches, the International Mission Board also is involved in a variety of ministries which include Christian leadership training, print and audio visual media, health care and relief work.

MISSIONS ON-LINE: Access the International Mission Board's Web site at www.imb.org for more information about Southern Baptist international missions. While you're there, be sure to use CompassionNetR, which provides an instantaneous link with missionary prayer requests. Computer users also may type initia.contacts@imb.org to access the most current list of missions opportunities overseas.

NORTH CAROLINA MISSIONS REPORT

The mission needs in North Carolina are substantial. Did you know that in North Carolina there are:

- Over 7.3 million residents
- Over 70,000 children with one or more parents in prison
- More than 50 different language groups
- Nearly 200 children infected with the AIDS virus
- Over 8 million tourists who visit our state
- Over 70,000 seasonal farm workers
- Over 4.5 million people affected by recent disasters
- Over 3.5 million unchurched people

Through the **North Carolina Missions Offering** we can offer help and hope!

\$1.00 a day helps the Church Extension department provide materials to reach 10 unchurched people

\$5.00 puts a Bible in the hands of someone helped during disaster relief efforts

\$6.00 covers costs for a child to attend Vacation Bible School for migrant children

North Carolina is truly a mission field. We as North Carolina residents need to do all we can to reach out and help the cause of Christ. GOD IS FAITHFUL TO US, SO LET US BE FAITHFUL TO HIM, THROUGH **NORTH CAROLINA MISSIONS**.

Rev. Rick Tomlinson

PARTNERSHIP AT ITS BEST

100% of North Carolina WMU and Baptist Men's budgets for ministries across our state is provided through the North Carolina Missions Offering. Much of the ministry budget for the Missions Division of the Baptist State Convention also comes from this offering ...including new church starts. Almost 10% of the offering comes back to our local association to support ministries in this community. That's partnership at its best. Let's support the North Carolina mission field the same way we do the foreign and home mission fields.

for we are labourers
together with god.

1 corinthians 3:9

PARTNERSHIP REPORT

We continue to share working relationships with New York although the partnership has technically ended through our Baptist State Convention. At the present time, we are still answering requests from Graffiti in New York City, and the Frontier Association in Buffalo. This will continue until some action is taken by the association in session.

This past year, our churches supplied Graffiti with warm clothing for the winter, built additional classrooms at the church, made repairs for missionary housing, sent school supplies, paid for several girls to attend camp, and supported Mary Carr financially. Many of these same services will be conducted again this year. Doug Rollins serves as our coordinator for this mission effort.

I have been given the task of responding to requests from the Frontier Association. During the year, money and gifts were provided from among our churches for the Director of Missions and his family. At Christmas, money was also sent to provide for administrative needs in the association. Mt. Pleasant Baptist Church took a mission team and conducted Backyard Bible Clubs in the communities around Calvary Christian Church.

We have been involved in a foreign partnership in Southern Africa. We have had three men participate in the partnership during the year. Bob Johnson from Cub Creek went in March with a group from Three Forks Association. Charles Billings and Dennis Glasco went in May also with a group from Three Forks.

There will be a team of nine going in October to conduct evangelistic services and do construction work in an Asian Indian Church.

Other teams are being formed to do various kinds of work in the country of South Africa. If you have an interest, please contact the office. We will do our best to keep you informed of future activities in this partnership. Your prayers and volunteer support will be greatly needed and appreciated.

ANNUITY BOARD REPORT

Recent figures from the SBC Annuity Board yield a disturbing picture of the plight of some of God's choice servants. Some of our retired ministers and/or their widows receive such a small amount of retirement income that they have to choose between receiving the medications they need and the food they require.

Approximately 10,000 retired Baptist ministers or their widows receive less than \$200 per month in annuity benefits. There are more than 397 in North Carolina alone who receive a monthly benefit of \$100 or less. It is true that some are in these circumstances because they started their retirement fund too late. It is also true that many suffer because the churches they served were not as supportive as they should have been. Some are not even covered by Social Security, which poses a multitude of problems even beyond the lack of annuity income from the annuity board. Whatever the reasons may be, they do not alter the fact that real needs exist.

Each year the Annuity Board receives, from the Cooperative Program, a small amount of funds to help with the most severe of these needs; however, it is basically true that if the ministers do not provide funds for retirement, no funds are available to them.

Please encourage your church to require that the pastor set aside some amount for his retirement, and to supplement that amount by a contribution from the church so that your pastor may not come to retirement age without resources.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA REPORT

During the past year Baptist Children's Homes received \$1.5 million through the Cooperative Program, and \$724,000 through the Thanksgiving Offering. Total church gifts of \$3.05 million comprised 25 percent of the BCH budget.

In June 1997 BCH successfully completed the \$10.1 million "Light Their Way" Campaign to raise money for operations, capital needs and endowment. Two major priorities of the campaign will be completed in early 1998; the Winifred Lindsay Education/Administrative Center at Odum Home in Pembroke, and the John D. and Amelia W. Johnson Cottage at Mills Home. A third priority, the Hubert M. Craig Lodge at Cameron Boys Camp, has been completed.

A new video, "Families Under Construction" is available to promote the 1997 Thanksgiving offering, which has a statewide goal of \$750,000, the largest ever.

A model program for family preservation has been initiated at Mills Home in Thomasville. Two social workers are on staff to work intensively with families which are at risk of being separated, but who, with help, can overcome their issues and stay together.

Thomasville Area Director Bill Scarlett also is initiating ways for churches and their members to be directly involved on campus, from tutoring, to cooking, to spending early evenings giving personal attention to residents to free staff for more intensive counseling.

Baptist Children's Homes' work was featured in November on "The 700 Club" and in December on CNN. BCH also adopted a missions statement this year, which is "helping hurting children, healing broken families."

Wherever children are hurting and families are strained, BCH strives to heal.

AMERICAN BIBLE SOCIETY REPORT

I want to begin by telling you about a little boy named Rolando. Maybe you know someone like him. His self-esteem was as low as it could go. Can't you just seek his little hands buried deep in those empty pockets? His head is bowed, his eyes are glued to the floor. Don't you just want to reach out and hug a child like this? A boy like Rolando needs lots of hugs, lots of...love. He lived in Peru, in a place called Ayacucho. He was only six years old when he ran away from home. he was such a fragile child...couldn't read nor write. After he ran away, he found the big city crowd too much for him. In all the commotion he soon felt confused, helpless---scare. And then one day, like a little lost lamb, he was taken away from those mean streets...and placed in a children's home. But there was still no one to show him any love, or compassion. He so desperately needed this. Rolando's pain of isolation only continued to grow. The other children were so cruel! They nicknamed him "Cockroach," someone to be avoided, someone better left...in the dark. It's frightening and sad isn't it, to think of what Christmas must have been like for this lonely child. But there was one special Christmas--Rolando was twelve years old. He received a Bible from some friends...just like you. And that little book has changed his life...forever. After accepting Jesus into his heart, Rolando returned home. He shared the Gospel with his mother and two brothers. And now Rolando's future looks so much brighter. "I'm so thankful to God," he says, "for speaking to me through the Scriptures." This particular Bible was published by the Brazilian Bible Society. But like some of us, Rolando worries about those who continue to live in hopelessness...and fear. It makes me sad," he says, "to think of all the children in this world who are suffering. There are so many little victims of violence, abuse, and neglect. They, too, desperately need to experience the love of God."

We wonder, don't we, how many more pleas for a Bible will come from other scared and lonely children around our world. Only God knows.

Millions and millions of people, both here at home and abroad are open to the Gospel, but have no access to the Scriptures. Some of us, in our own little cocoon of comfort, have Bibles in almost every size and color. It's hard to believe there are places in this world where people value the Scriptures more than food itself. But that is the reality.

As Christians, we know that Spiritual pain is just as intense as physical need. As Christians, we also know the power of God's Word. We believe the Bible can bring hope--lasting hope and healing to even the darkest situations in life. Let us not forget that God has entrusted his people, you and me, with the responsibility of sharing His precious life-changing Word, with the rest of our world. Nothing we do can bring more healing to hurting hearts and broken lives...lost and struggling souls. This is why our prayers and gifts are so important to our own American Bible Society.

Yes, it is alright to hurt at times when we remember. But let us also rejoice in what God has accomplished in the past 180 years, through our support of the American Bible Society. Let us never forget that their work, and ours, is far from over.

Through the efforts of countless individuals, the American Bible Society, in fellowship with 135 members of the United Bible Societies and other Bible agencies, distributed 564.5 million Scriptures in approximately 200 countries and territories, including the United States.

During Fiscal Year 1996, the American Bible Society received more than \$27.0 million in direct support from churches and individuals, which represented 25.4% of our total income. Contributions from Southern Baptist churches during that time was \$123,596.69.

Scripture sales for this same period amounted to \$10.9 million, or 10.3% of income.

The remaining 64% of American Bible Society income was generated by the Bible Society's long-term investments, endowment, other investments established by the Board of Trustees, and other income which makes it possible for the American Bible Society to do its share in partnering with donors dedicated to making God's Word available to everyone.

To that end, the Bible Society spent \$31.2 million for Bible distribution in the US and another \$25.8 million for distribution overseas.

Of the total \$77 million in expenses during the year, \$3.0 million was spent on Bible translation. This considerable investment, made year after year, is what has established the American Bible Society as one of the world leaders in Bible translation. Thank you for your interest in ABS. NC BAPTIST HOSPITAL REPORT

Since opening its doors in 1923, The North Carolina Baptist Hospitals, Incorporated has remained fully committed to the purpose of carrying out a ministry of healing as taught by Jesus Christ.

Baptist churches from all across North Carolina joined us in mutual mission through the Mother's Day Offering. This annual ingathering of love was approved by the Baptist State Convention of North Carolina in 1924. In 1996 the MDO amounted to \$456,497. It was used exclusively to help patients who had little or no health care insurance or other financial means to pay their hospital bills. From this past year's offering, over \$200,000 was used to assist members of our Baptist Churches. May God bless all those who gave so generously.

During the year the Chaplains and Staff of the Pastoral Care Department provide worship services in Davis Chapel on Monday, Wednesday, Friday and Sunday for patients and family members. The Pastoral Care Department staff supervised 65 students during the year. They made more than 50,000 ministry contacts, an increase of 10% over the previous year.

CareNet, Inc. continues to grow. There are now 13 counseling centers located in strategic areas across the state. During the year these centers will provide over 26,000 hours of counseling.

The Center for Congregational Health, Inc., continues to expand its assistance to ministers and churches. Programs and assistance offered to churches include Consultants and Intentional Interims working with churches as they face the challenges of today. The Young Leader's Program helps in leadership development, and the Clergy Wellness Program, Turning Point, is designed to foster a holistic growth-approach to the individual minister's life calling.

There are several key emphases that I would like to share.

In April the J. Paul Sticht Center on Aging and Rehabilitation opened the doors of a new 240,000 square foot state-of-the-arts building. Here services are provided to older adults. The services include a geriatric assessment clinic, Acute Care for the Elderly clinic, Alzheimer's disease and memory disorders clinic, osteoporosis clinic, geriatric gynecology clinic, a women's health center, education services, and a legal clinic for seniors. It houses a true "Day Hospital" for seniors - the first in the state - which provides therapy, examinations and rehabilitation as day-time treatment, eliminating costly overnight stays.

On November 4, 1996, the doors were opened to The Medical Center's new CompRehab Center. The 70,000 square-foot building houses a full spectrum of physical rehabilitation and related clinical services, including a Sports Medicine Center, Foot and Ankle Center, The Hand Center, Outpatient Physical Therapy Center, Spine Center, and the Neurorehabilitation Center.

The Medical Center has the only designated Level I trauma center in Northwest North Carolina. In the trauma center our goal is for the patient to be in an operating room 10 minutes after arriving at the Emergency Department. Surgeons, anesthesiologists and staff remain on duty 24 hours a day to handle such emergencies.

According to a report in the February issue of Applied Clinical Trials, Bowman Gray School of Medicine ranked in the top 10 U.S. clinical research institutions.

CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA, INC. REPORT

According to Dr. James Kennedy of Coral Ridge Ministries, approximately 6 million crimes are committed in the United States annually. Murder arrests of teens are up 92% since 1985; the number of 13-15-year-olds arrested for murder nearly doubled between 1982 and 1992; 1.6 million cars are stolen each year; America spends \$39 billion a year on police protection, \$29 billion on prisons and \$10 billion on legal and judicial costs for criminal cases; drunk drivers cost us \$110 billion a year, and drug abuse costs \$40 billion a year. With these alarming statistics, the Christian Action League of North Carolina is constantly working to restore moral and biblical principles to our state and nation through the legislative process and the public education system and by assisting communities in our state with local battles for civic and moral righteousness.

A. Christian Values

- * It was the pleasure of the Christian Action League to sponsor the Second Annual Christian Heritage Week in North Carolina, March 16-22. The League encouraged schools, churches and communities to recognize, commemorate and learn about the Christian heritage and history of our nation.
- * Lobbied for and promoted SB 442, The American History Act. A bill that would allow public school teachers to read or display historical documents even though they contain religious references. This bill passed the legislature and is now a law.
- * The League continued a project in 1997 to distribute copies of the Ten Commandments throughout North Carolina. To date, over 10,000 copies of these prints have been distributed.
- * Promoted Sanctity of Human Life Sunday.
- * Promoted and worked for the passage of HB 511, Evolution Not Taught as Fact.
- * Published The Beacon newsletter quarterly with circulation of 22,000. Kept concerned citizens informed on moral issues via e-mail, fax networks, church and civic club presentations.

B. Lottery

The League, through letters, e-mail and faxes, kept the Christian community updated on lottery information and encouraged its members to contact their legislators. The lottery seems to have been defeated for another session.

C. Sex Education

Worked with other Christian and pro-family groups to see that the state mandate for "Abstinence Until Marriage" education was implemented state-wide. Also supported efforts to insure that federal grant money was used to promote abstinence education.

D. Abortion

The League lobbied for and encouraged its members through Legislative Alerts to write in support of HB 303 and SB 536 (Ban Partial Birth Abortion), HB 594 (Fetus Death from Criminal Act) and HB 536 (Abortion/Woman's Right to Know). We offered the video "Reversing Roe" through our newsletter. This

video tells the story of Norma McCorvey (Jane Roe) of the infamous Roe vs. Wade Supreme Court case who after 25 years and 35 million aborted babies tells of her transformation from an abortion industry pawn to a pro-life Christian.

E. **Homosexuality**

CAL supported efforts to strengthen the traditional family and addressed the radical homosexual agenda. Successfully lobbied against legislation that would have eradicated present N C law making homosexuality illegal. Offered the powerful and emotional video of Michael Johnston "On Wings Like Eagles". This tells of Michael's 11 years in the homosexual lifestyle and his struggle between right and wrong and about forgiveness and grace. Michael is the founder of Kerusso Ministries, an organization to help others struggling with this sin.

F. **Alcohol**

Monitored all legislation concerning alcohol and other drugs. Successfully supported efforts to strengthen current DWI laws. Worked with communities in helping them set up an organization to combat liquor referenda. Lobbied against SB 838 (ABC Tourism Resorts Permits); SB 837 (Sports Club ABC permits), SB 447 (Lumberton Economic Development District) and HB 651 (Interstate Economic Zones). These bills allow alcohol sales without the vote of local citizens. Provided awareness, education and resource materials related to substance abuse problems to churches, communities, etc.

G. **Pornography**

Lobbied for SB 452 (Local Regulation of Adult Establishments) and notified citizens to contact their legislators and encourage them to vote for this legislation that would give local governments more control in regulating these establishments.

**THE DEDICATION OF ANNUALS COMMITTEE
RECOMMENDS THAT THE MINUTES OF THE
ONE HUNDRED TWENTY-SEVENTH ANNUAL SESSION
BE DEDICATED TO**

MS. SANDRA LYNN LANE

SANDRA LYNN LANE was born on February 16, 1970 to SSG. Franklin and Martha Lane in Columbia, South Carolina. Her parents involved her in church at an early age, where she enjoyed singing and attending Vacation Bible School. After moving to the Millers Creek Community, Sandra and her family attended Pleasant Home Baptist Church, where she was baptized and became an active member in the congregation. As she looks back on her youth, Sandra credits strong youth directors and a willing Sunday School teacher for teaching her about the Bible.

After her graduation from West Wilkes High School, Sandra attended Queens College in Charlotte, where she pursued a degree in Music Therapy. While at Queens, Sandra was stationary in developing a Baptist Student Union, where she and fellow students could come together to worship and learn about Christ. She became involved in the State BSU committees, and her senior year at Queens, felt God's calling to apply to be a student in Asia through the Baptist Student Union in partnership with the International Mission Board. After an excruciating interview, Sandra was given the news that she had been chosen to fulfill her desire to study for six months in Asia. Although her time there was not always easy, Sandra developed a love for those who had never heard of God's love for them.

Sandra is now an active member of Mt. Pleasant Baptist Church, where she serves as the pianist. She has devoted her life to telling and sharing the love of God. God has called her to many mission projects, including recent trips to South Africa and Brazil. Sandra has been blessed with the opportunity to join Mt. Pleasant on several mission trips to Buffalo, NY where she has used her gift of teaching children in backyard Bible clubs.

However, she has also realized that there are people in our own community that need to hear of God's love. She is a volunteer at Wilkes Crisis Pregnancy Center and enjoys her work with local WOM. Sandra enjoys speaking at churches, schools, and for girls scout meetings, and has never turned down the opportunity to share the experiences God has graciously given to her.

All those who have ever met Sandra are blessed by what she has to say. She willingly gives of herself to help those in need, and looks for opportunities to share the gospel. God has called Sandra to tell others of his mercy, and she has never hesitated when He asked her to go. Instead, she packs her suitcase with the armor of God and marches on!

As a small token of our appreciation for her devotion and service to the Lord and this association, we wish to dedicate this annual to **SANDRA LYNN LANE**.

Respectfully submitted,
Mrs. Grace Johnson, Chairperson

SUNDAY SCHOOL OFFICERS

The Associational Sunday School Director works with an ACTeam. The name "ACTeam" is an acronym for "Associational Consultant Team." These consultants are from local churches who make a commitment beyond their own church to assist local church leaders to improve in knowledge and understanding of Sunday School work and teach them good Sunday School methods.

At the printing of this annual, we do not have an elected Sunday School Director or an ACTeam. Assistance to our church pertaining to Sunday School can be provided upon request.

History of

Oak Grove Baptist Church-North Wilkesboro 1946-1998

Christians near the Knottville Community on NC Hwy 268 East saw the need for a Sunday School nearby. On September 24, 1944, with the assistance of Rev. W. A. Eichelberger of the American Sunday School Association, the Sunday School was organized. Because of consolidation, the old Orange Chapel School building was not being used by the Wilkes County Board of Education, and arrangements were made to use it as the meeting place. Before long it was decided to organize a church at this location.

On March 17, 1946, a presbytery consisting of Rev. C. M. Caudill, Rev. G. W. Sebastian, Rev. J. G. Huffman, and Rev. J. E. Hayes organized Oak Grove Baptist Church. Sixteen charter members were received: Mrs. Minnie Anthony, Mr. & Mrs. J. N. Blackburn, Rev. R. A. & Mrs. Ethel Call, Mr. & Mrs. Charles H. Dancy, Mr. Ernest and Mrs. Bernice Elmore, Mr. G. J. Myers, Mr. Grover & Mrs. Bessie Tharpe, Mr. L. D. & Mrs. Mabel Wiles, Mr. J. D. Wyatt and Mrs. S. E. Wyatt. They decided that the Sunday School would continue to meet every week at the old school house, and worship services would be held there twice a month with Rev. R. A. Call as interim pastor.

Three months later, a Building and Finance Committee was appointed. Grover C. Tharpe was able to acquire the Orange Chapel School property and donate it to the church. On the fourth Sunday night in September, 1946, the church agreed to build on this property. The following July, plans for a 34' x 54' building, with a full basement, were approved. Much of the material and many hours of labor were donated by members and friends of the church. Only \$12,000 needed to be borrowed to pay for the new facility. The loan was fully repaid in June, 1952 and a decision was made to begin work on Sunday School rooms. The completed building was dedicated on the third Sunday night in September, 1953.

As the congregation grew, additions were made to the building as needed. Five new Sunday School rooms and two rest rooms were added in 1966. At that time, a deep well was drilled to provide water for the church. In 1970-71, the parking lot was paved and the building was air-conditioned. Stained glass windows were added in 1973 and new pews purchased. The sanctuary was enlarged in 1980 and a fellowship hall and four more Sunday School rooms were built.

During the early 1990's there was a phenomenal increase in membership and attendance. According the Baptist State Convention records in 1996, Oak Grove was among the 100 churches in the state having the greatest number of baptisms during the past five years. Under the leadership of Rev. Rick Tomlinson, the church continued to grow and it became necessary to have two worship services every Sunday morning. On June 2, 1996, the year of its fiftieth anniversary, ground was broken for a new 10,000 square foot building, which included a new sanctuary and more Sunday School rooms. The fellowship hall was remodeled and more Sunday School rooms were added on an upper floor, for a total of about 18,000 square feet in the entire new building. More parking space was provided after the removal of the old building.

The church moved into its new sanctuary, which seats approximately 400 people,

May 18, 1997. The choir loft has room for approximately 50 members. The new furniture and windows are beautiful and the church now provides a Pastor's Study and church office in downstairs rooms. The church has one employee in the church office each day from 9 to 12, Monday through Thursday. There is also a small library and room for Children's Church.

Oak Grove continues to be very active in many missions. GA, RA, and Missions Friends meet regularly and the adults of the church have organized a group called *Missions Possible*, a concept in which men and women work together on mission projects.

They regularly visit the Juvenile Detention Center and other missions include Children Overseas Relief, Samaritan's Purse, Graffiti House and Ebenezer Gardens Children's Home.

Under the leadership of Mrs. Mary Blackburn, the music director, the music program appeals to all ages and continues to grow in number. Choirs have been organized for children, youth and adults with a total participation of about 100.

Mrs. Jenny Wilson is in charge of a very active Children's Church which meets each Sunday morning for ages 3 to 10. Peggy Smith and Irene Patrick are training the younger children in music groups and other activities. We are very proud of the youth of Oak Grove who meet every Wednesday night at 6:30. Grant Caudill was called on December 31, 1997 as our youth director and associate pastor and he has activities planned each weekend for them.

Pastors who have served this church are: R. A. Call(Interim) 1946; Gilbert Osborne, 1946-1953; L. J. Pardue, 1953-1955; John West, 1955-1957; A. C. Pruitt, 1957-1962; Clete Simmons, 1962-1963; A. C. Pruitt(Interim) 1963-1964; Dean Dillard, 1964-1966; Herbert Caudle, 1966-1969; Harvey White 1969-1977; Joel Johnson, 1977-1990; and Rick Tomlinson, 1990 to present.

Active deacons of Oak Grove are Buford Blackburn, David Brown, Jr., Lawrence Call, John Caudill, Sherrill Holbrook, Benny Miles, Jeffrey Mitchell, Monty Thompson, Wake Watts, D. L. Welch, Jr., William Whittington and Phil Wilson.

Shortly after its organization, Oak Grove affiliated with Elkin Baptist Association and has been active in associational affairs and proudly supports the Baptist State Convention and Southern Baptist Convention. In 1995, because of the convenience of participating in their activities, Oak Grove applied for membership in Brushy Mountain Baptist Association where they were welcomed as a full-fledged member in 1996.

Under the leadership of Rev. Rick Tomlinson, we are experiencing continual growth and pray that we can meet the challenge of reaching the lost and meeting the needs of our church members here in this community. Through our visitation program we hope to grow for the glory of our Lord and Savior, Jesus Christ.

History of
Greater Vision Baptist Church
1991-1998

In October 1998, Greater Vision Baptist Church will only be seven years old. It was organized on October 27, 1991 as a Southern Baptist Missionary Church. Forty-seven charter members voted on its name, "Greater Vision." The first three deacons elected were Wayne Greer, Jerry Woodie, Sr., and Tony Randall. Membership has more than tripled in less than seven years, and God has blessed Greater Vision to grow to 159 members.

January 1992 was named "Charter Member Month" and these persons joined as charter members: Debbie Bell, Jane Bynum, Kathy Cardwell, Chuck and Leigh Combs, Cindy and Terry Eller, Nolan Eller, Taft and Ola Eller, Tony Eller, Jade Eller, Wayne and Dottie Greer, Greg and Vickie Harris, Bill Hawkins, Carl and Janet Huffman, Angela Huffman, David and Sandy Jennings, Zach Jennings, Earl and Rachel Johnson, Earl and Lynn McNeil, Jesse Morton, Randi Morton, Larry and Wanda Nichols, Jeff Nichols, Kathleene Osborne, Sharon Osborne, Effie Parsons, Gail Parsons, Jonathan Parsons, Tony and Barbara Randall, Alma White, Frances Woodie, Jim and JoAnn Woodie, Jerry, Sr. and Lois Woodie, Jerry Woodie, Jr., and Sarah Woodie.

Church members began meeting in the Charter House Restaurant on US 421 in the private dining area each Sunday morning at 9:45 a.m. for Sunday School and 10:45 a.m. for worship service. Services were held there at two different intervals and for one year at the Wilkes Auto Auction building on US 421. The first offering taken was given to the visiting minister. A treasury was set up shortly thereafter to take care of the church business and visiting ministers were paid a set fee. Business meetings are held on the fourth Sunday night in each month. The Constitution and By-Laws were adopted on December 15, 1991.

CONSTITUTION

PREAMBLE

We, the Baptist Churches of the Brushy Mountain Baptist Association, unite according to the plan and for the purpose and work of New Testament churches in our world. To this end and according to the following articles, we cooperate to the fullest extent possible with the State and Southern Baptist Convention and subscribe to the principles of the 1963 Baptist Faith and Message statement.

ARTICLE I - NAME

This body shall be known as the Brushy Mountain Baptist Association of North Carolina.

ARTICLE II - PURPOSE

The Brushy Mountain Baptist Association is a fellowship of churches who are reaching the lost with the gospel of Jesus Christ, growing disciples, and helping to meet the needs in our communities and around the world.

ARTICLE III - MEMBERSHIP

SECTION 1. The Association shall be composed of cooperating Baptist churches desiring to affiliate with it. Any church desiring to become a member of the Association shall present, through messengers chosen for that purpose, its request for membership on APPLICATION FOR MEMBERSHIP form provided in the minutes along with a UNIFORM ASSOCIATIONAL LETTER provided by the clerk, at any annual session of the body. The moderator shall refer the application to the Committee on Membership for study and investigation. The church shall maintain for the year the status of associate membership until the committee makes its recommendation. If favorable, it will be received into full membership with all the rights and privileges at the next annual session. If the Association then votes to receive the church, the moderator shall extend the hand of fellowship to the messengers.

SECTION 2. The Association shall be sole judge of its membership and may receive churches, or reject churches, according to its Constitution and Bylaws. Member churches may withdraw from the Association as they desire. Any church in the Association which fails to cooperate with the Association shall, upon the recommendation of the Executive Committee of the Association, be contacted by the Membership Committee to determine the intentions of the church regarding its remaining in the Association.

A cooperating church shall be defined as one which sends an annual report to the Association and messengers to Associational meetings, and contributes to the financial program of the Association.

SECTION 3. The Association shall withdraw fellowship from any church in its membership which shall be found to be disorderly in faith and practice, but not until written charges are brought against it, which charges shall have been authorized by the official act of the church offering the same, or by the Membership Committee of the Association. Thereafter, any such charges shall be carefully considered by the Association at its next annual session.

Rev. Rick Speas gave the Sunday School Report, stating that the State Convention will be hosting an outreach study at Caraway. Rev. Lawson Horton and Rev. Speas will be attending. As a member of the ACTeam, he emphasized that one, or all, consultants were available at any time. On March 10, 1998, Linda Thompson from the Sunday School Board in Nashville, Tennessee will be here to discuss all literature available. This includes how to use the literature as well as what is available to order. The meeting will be held at Mt. Pleasant Baptist Church.

The Youth Report was given by Rev. Shannon Critcher. He advised that at least three associational events will be held in 1998. Those mentioned were: School's Out Bash, All-Nighter in July, and a mission project in the fall. He encouraged all churches to send a representative to the meeting on January 27, 1998 at the associational office to discuss dates and details.

An Evangelism Report was given by Rev. Ken Pardue. Rev. Pardue was very excited about the upcoming Crusade scheduled for August 16-20. The guest speaker will be Rev. Greg Mathis. A Crusade Chairpersons meeting will be held on January 8, 1998.

Rev. Pardue gave the challenge to start praying now for God to show us who we are to take to the Crusade. "Work Together" was his prayer.

Mr. Wade Bumgarner gave the Brotherhood Report. Mr. Bumgarner was pleased with the 1997 results but is even more excited for 1998. He advised that the Brotherhood Program has expanded. A guest speaker from South Carolina will be conducting a session on Mormonism and Cults on March 24, 1998 for the Association. It was reported that the "ANNUALS" are completed and ready to be picked up. Rev. Horton also reported there was a concern for the lack of participation of three churches that either do not attend any meetings, send in annual reports or make any contributions to the Association. A motion was made for the Membership Committee to contact these churches to see if they need any assistance or find out their intentions. Motion was seconded and approved.

Rev. Horton also stated that two committees were losing members and since the Committee on Committees had not yet been appointed, he wanted to recommend the replacement of these persons. The committees affected were: Evangelism and Dedication of Annuals. Dr. Jimmy Hubbard and his wife, Gertrude, served respectively on these committees and were now having to move away due to Dr. Hubbard's health. It was recommended that Rev. David Sparks replace Dr. Hubbard on the Evangelism Committee and Rev. Leon Church replace Mrs. Hubbard on the Dedication of Annuals Committee. Motion was made, seconded and approved.

The necessity of a Hispanic ministry was discussed. There are over 2500 Hispanics in our area. The Brushy Mountain and Stone Mountain Associations are working on the need together. Rev. Horton asked that Rev. Robert Duncan and he be given the authority to appoint five (5) people who have an interest from the association to serve on the Hispanic Task Force. Motion was made, seconded, and approved.

Mr. Doug Rollins gave an update on the Graffiti House in New York. Four trips have been taken to New York in the past year. On these trips some of the mission activities included installing showers, painting, picnics, and cooking hot dogs for the homeless or anyone hungry. Items given out were gloves, insulated underwear, knit caps, socks and blankets.

Rev. Rick Speas gave an update on the South African Trip taken by nine people from this association last October. Mission activities included leading a crusade, visiting the schools to preach the gospel, sewing classes, visiting retarded children and doing construction work by building church pews.

There are thirty-three honor clerks out of forty church clerks! These clerks had their church letter into the associational office by the deadline date with every blank filled, all totals correct, and all dollar figures rounded to the nearest dollar. Each of these clerks will be receiving a Certificate of Recognition (sent to the pastor) and have their name printed in the associational minutes. Their accuracy and promptness makes my job much easier.

DIRECTOR OF MISSIONS REPORT

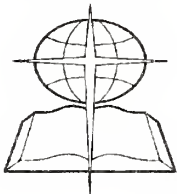

It has been a pleasure serving in the Brushy Mountain Association this year. Things have worked very smoothly throughout the year. It has been like serving as a conductor of an orchestra. Each participant has planned and performed well during the year. My responsibilities have been made easier because of the good dependable leadership that has been available.

I see my role as coordinating the ministry of the association, keeping the churches focused on missions and evangelism, and promoting the fellowship. I have had the privilege of accomplishing these tasks by visiting each church at least twice during the year, taking the opportunity to encourage mission involvement and outreach when called upon to speak on various occasions, and providing leadership training with the aid of our program directors and other resources as needed.

Each year an attempt is made to evaluate where we are and what needs to be done as I meet with different leaders in our association. It will be my goal once again to find out what is needed among our churches and, along with our leadership, determine how we can best meet those needs.

The support afforded me is greatly appreciated. I covet deeply your prayers as I seek to lead this association in these significant days. God has blessed us with adequate finances and people to achieve many things.

My prayer is that we will continue concentrating on the main business of reaching people to become followers of Christ and teaching them to be responsible servants. If we spend more time concerned for others and less time concerned for ourselves, we will be too busy to find fault with or judge our neighbor which will help us have a strong, healthy fellowship. I will once again be able to express great joy over another year's achievements.

Respectfully submitted,
Rev. Lawson Horton

BROTHERHOOD REPORT

Several Brotherhood meetings, events, and training seminars were held during the associational year.

My co-workers in Brotherhood have been Kirk Walker, serving as RA leader, and Bill Hinds, Baptist Men's Director. Due to a change in employment, Bill Hinds had to leave my team in April. These men have been a tremendous help. We have met several times during the year for planning.

I have been involved in two training events during the year. I attended leadership training for associational directors, sponsored by the Baptist State Convention at Ridgecrest, in May. I also planned a church leadership training session for RA, Challengers, and Baptist Men in September at Pilgrim Baptist Church.

My council helped me plan a special event called "*A Gathering of the Flags*" that was held at Oakwoods Baptist Church in June. The purpose of this meeting was to help people know of mission needs and encourage their involvement.

BROTHERHOOD REPORT (contd.)

The Royal Ambassadors conducted two events that provided an opportunity for fellowship. The RA Car Competition was held February 25 at Millers Creek Baptist Church. There was a large attendance and plenty of fun. On April 25, the boys from various churches participated in a track meet that was enjoyable.

There were several opportunities for men and boys to get involved in mission activities. A few men from our association attended the Baptist Men's Convention held in Raleigh. A team of six were joined by one man each from Ashe and Three Forks Associations to do construction work on a native Zulu Church in South Africa in May. It was a very rewarding experience for this group.

Some men in our association have made trips to *Graffiti House* in New York to do repair work for the missionaries serving in that area.

During the Spring, a *Free Lunch in Public Housing* was initiated by the Brotherhood to furnish a light meal for the underprivileged living in low rent housing. Hopefully this project will continue and expand.

Many men in our association have been helping construct the Habitat House. All help has been greatly appreciated.

Again, this next associational year, which begins in October, we plan to provide other opportunities of mission interest for men and boys.

If you would be interested in organizing or working in Brotherhood work in your church or the association, please contact me.

Respectfully submitted,
Mr. Wade Bumgarner, Director

WMU REPORT

The theme for the year was "Come, Go With Me." Many women served our association by working with various mission projects.

Leadership Training at Caraway was attended by several members of the team. These ladies then led training for our church leaders at Oakwoods in September.

The WMU Leadership Team promoted the North Carolina State Mission Offering in September, World Hunger Food Drive in October, as well as providing supplies for a diaper changing station at the Apple Festival. In November, Baptist Women's Day of Prayer was observed at Wilkesboro Baptist Church. Also in November, the International Mission Study was presented at Millers Creek Baptist. The Lottie Moon Christmas Offering was promoted in our churches.

In February, we observed WMU Focus Week, beginning with our Prayer Retreat with Diane Daniels. This was held at Moravian Falls and was well attended.

Millers Creek Baptist hosted our North American Mission Study in March. Participants enjoyed the dramatic skits spotlighting several places where mission work is occurring along the Mississippi River. In March and April, the Annie Armstrong Offering was promoted in our churches.

On May 23, the Mission Friends' Fun Day was held at Millers Creek Baptist with 48 attending.

WMU REPORT (contd.)

The WMU Annual Meeting/Celebration was held in May at Hinshaw with Cara Lynn Croom, State WMU Staff Consultant, as the featured speaker. An artist's print of the history of WMU over the past 100 years was presented to our DOM, Rev. Lawson Horton, to be placed in the associational office in memory of Mrs. Mae Duncan. Mrs. Duncan served our Lord in WMU work faithfully for numerous years.

Our GA's ended the year with a study on World Hunger at Oakwoods Baptist on August 15.

Many prayers have been answered in the past year. However, the need is still great to strengthen our WMU work. As our new year begins, it is our sincere wish that new groups will form and work with us to do missions as we have been commanded.

Respectfully submitted,
Mrs. Judy McGee, Director

DISCIPLESHIP TRAINING SUPPORTER REPORT

The associational discipleship goal in the Brushy Mountain Association is to serve as a support system for the discipling efforts of the local church. Those serving in associational discipleship leadership do so in order to encourage and assist the churches to discover discipling needs, determine strategies and methodologies to meet those needs and make every effort to provide for the spiritual progression of the people. Therefore, the goal is to begin new discipling processes and to strengthen and support existing growth options.

The associational office has materials to inform you of current studies that are available for spiritual growth, either long or short term.

Do call on Steve Church or me with further discipling ideas, needs, or impressions.

Respectfully submitted,
Mrs. Carolyn Horton
Rev. Steve Church

EVANGELISM REPORT

The year 1997-1998 has been an exciting year for the Evangelism Committee and our churches. We have spent most of this year in planning for the *Greater Northwestern Area Crusade*. We would like to thank all the people who were involved in helping make the Crusade a success and a special thanks to all the Crusade chairmen for all the hard work they did. We would like to thank all the churches who participated and were actively involved in the Crusade. We cannot determine what all God did in the meetings, but hopefully we will see the results in the days to come. We also want to thank God for the souls He saved. We believe the Crusade helped all our churches as we experienced revival and accepted new challenges to work in our homes and in our churches.

We would like to thank all those who helped with our booth at the Apple Festival. The opportunity to hand out tracts and to witness to people was a wonderful experience for each of us. We look forward to working with each of you at the Apple Festival this year.

EVANGELISM REPORT(contd.)

The Evangelism Committee also sponsored a workshop on Mormonism and we had an excellent attendance.

Our plans for the coming year include having each church establish an Evangelism Director for her congregation. We also look forward to working with the churches as we work toward ***Celebrate Jesus 2000***.

Please pray that God will continue to bless the work of our association and our Evangelism Committee. Special thanks to Lawson Horton for the leadership he has given to our committee.

Respectfully submitted,
Rev. Ken Pardue, Director

FRUITLAND BAPTIST BIBLE INSTITUTE REPORT

This year has been an eventful year in the life of Fruitland Baptist Bible Institute. On Tuesday, March 3, 1998, Kenneth W. Ridings was inaugurated as the seventh president of the school. He has been on the faculty for over twenty-nine years as Professor of Homiletics and previously served as the Vice President for Development. The inauguration of the new president was held in conjunction with the annual Bible conference with D. L. Lowrie of Lubbock, Texas, and Ron Dunn of Irving, Texas as speakers.

The school continues to serve those who have experienced a call from God to vocational Christian service and have unique needs for academics, spiritual, and practical preparation. The average enrollment for this year was 195. These students represent a wide range of ages and academic backgrounds. The degree of Associate of Religion/Church Ministries is granted. Many graduates continue their education in other institutions of higher learning. These students exhibit academic competence, some of them achieving outstanding distinction. Graduates from the school are filling a variety of ministry positions, many of them with superior effectiveness.

Preparation and fund-raising continue toward the construction of the Randy Kilby Memorial Library. A site plan has been adopted and the general design of the building has been approved by the Board of Directors. J. D. Grant, a graduate of the school and a current faculty member, has been enlisted to serve as Director of Development. With the agreement of Miller Cavin, the contributor, some scholarship funds have been reallocated to the Library Fund. This has given a considerable boost to the campaign for funds. The current projection is that ground breaking for the new building be held in conjunction with Alumni Day, October 15, 1998.

Max Smith, a local pastor, has been enlisted to teach Clinical Pastoral Education following the resignation of Dan Robinson. Candice Jones is the new Administrative Assistant. Todd Edmiston, Campus Services Director, is promoting visits by groups from local churches who wish to visit the campus for a tour and lunch in the cafeteria. Interested groups may make plans for a visit by contacting the campus at (828) 685-8886.

Special annual activities included Women's Mission Leadership Conference in July which was conducted by state leaders, the annual Alumni Day in October with Junior Hill as the guest speaker, and Founders' Days in May with Tom Hays of the faculty and Herb Revis of Jacksonville, Florida as guest speakers. An annual Sunday School Seminar is conducted by state leadership in November.

FRUITLAND BIBLE INSTITUTE REPORT(contd.)

The renovation of the Melton/Mission House is now completed and two apartments are now occupied by student families. The new president will reside in his own home off of the campus. The former president's house will be occupied by the Vice President. The Maintenance Shop is being moved to a new site to prepare for the construction of the new library.

North Carolina Baptists continue to fulfill a needed and effective ministry through Fruitland. The school continues to contribute to the fulfillment of the Great commission by offering an entry level opportunity for preparation for Christian service. The school is committed to the vision with which it was founded in 1946. The commitment of Fruitland is to be "true to God's Word and loyal to His purpose."

Respectfully submitted,
Rev. Dennis Love, Representative

SCHOOL OF CHRISTIAN STUDIES REPORT

We began a study on Tuesday, September 8 entitled "New Testament Survey, Part I."

Rev. Carlton Waddell is an excellent instructor. The classes are good for learning, fellowship and having a closer life in the daily walk with the Lord.

Seminary Extension Classes are for preachers, teachers, or any lay person interested in this learning opportunity to help preach, teach or just to know more about the Word of God.

Respectfully submitted,
Rev. Leon Church, Director

MODERATOR'S REPORT

This has been a great year for our association. I am so happy about how our churches are working together for the cause of Christ. The Crusade was so good with all the churches working together. Brother Ken Pardue and all the committees did such a great job. I was so pleased with the great attendance every night of the Crusade. Praise the Lord for the many decisions that were made.

I am also so happy for the many associational churches that had mission trips this year. It is good for churches to go on mission trips. I hope in the coming year that more churches will be able to participate in a mission trip.

I want to thank Lawson Horton, our director, all the committees and all the workers for a great year. Let's all look forward to another great year. Let's seek to be more involved in evangelism, missions, prayer, discipleship, and working together for the glory of God. I am so excited to be a part of an association that is doing great things for God. Thank you for allowing me to serve.

Respectfully submitted,
Rev. Robert Duncan, Moderator

ORDINATION COMMITTEE REPORT

The Ordination Committee is available to assist churches with the ordination of men who have responded to the call of God to the gospel ministry.

If at any time the assistance of this committee is needed, please contact the chairman or any member of the committee.

This past year we assisted with the questioning of Rev. Tim Wilcox who is now serving as Pastor of the Purlear Baptist Church.

Respectfully submitted,
Rev. Horace Moree, Chairman

MISSION DEVELOPMENT COMMITTEE REPORT

As another associational year draws to a close, we reflect back to the many blessings God has granted to our association. I am particularly pleased with the unity that has been displayed with the planning, developing, and implementation of the "Agape House"-Habitat for Humanity Home. It has been through the generosity of people in our association that this goal has come to be a virtual reality where we are able to show love and concern for those in our community. I would like to express my sincere thanks to the Missions Development Committee members and to all who have shared in this endeavor through their giving of labor and monies towards this project. The "Agape House" is well underway and is expected to be completed soon. We encourage all of our churches to continue to reach out to those in need through the Gospel of our Lord Jesus Christ.

Respectfully submitted,
Mr. Greg M. Cornett, Director

PLACE AND PREACHER REPORT

The 128th session of the Brushy Mountain Baptist Association will be held Monday, October 4, 1999 at Fishing Creek Baptist Church, and on Tuesday, October 5, 1999 at Northside Baptist Church.

The message will be brought by Rev. Ed Taylor on Monday, October 4, 1999 and by Rev. Stewart Roten on Tuesday, October 5, 1999.

Respectfully submitted,
Rev. Hadley Triplett, Chairman

PROPERTIES COMMITTEE REPORT

The committee met in early spring and observed the condition of the parsonage and the office. The committee decided that some wallpaper and carpet needed replacing in the parsonage after many years of service. These two projects were completed in July. It was discussed that the conference room at the office needed painting; this task was completed in May.

In the near future, additional painting will need to be done inside and out at the parsonage. We will need to keep a close look on the roof at the office to see if repairs are needed due to wind damage.

An insurance engineer has requested that we change two doors to open outward for safety purposes and also install smoke detectors. Someone will have to be contracted to achieve these tasks. We will continue to check for repairs to these buildings. It is only good stewardship for us to maintain our facilities that the Lord provides.

Respectfully submitted,
Dean Walsh, Chairman

STEWARDSHIP REPORT

While numbers and statistics can be used to manipulate and prove desired points, when used correctly, they also reveal a lot about what's going on. This is true in our association of churches. As you look at the following statistics, you might want to compare your own church to the average and see how you stand.

TOTAL OFFERING GIVEN BY ALL CHURCHES IN BMBA

<u>COOPERATIVE</u>	<u>ASSOCIATION</u>	<u>STATE</u>	<u>HOME</u>	<u>FOREIGN</u>	<u>OTHER SBC</u>
<u>Program</u>	<u>Missions</u>	<u>Missions</u>	<u>Missions</u>	<u>Missions</u>	<u>Missions</u>

---------	---------	--------	--------	---------	--------

Total receipts for all churches were \$4,130,745. Total mission giving was \$413,074, or 13.9% of our receipts. This means we keep 86.1 cents of every dollar for use in our own church.

As stewardship director, I encourage each church to increase their mission giving each year. God blesses churches who have a heart and mind to share the gospel with those outside its walls.

Thanks to each church for all that you do. Pray that we can and will do more.

PASTORAL MINISTRIES REPORT

As Pastoral Ministries Director of our association, I am interested in reaching out and helping the pastors, staff, and lay leadership of our churches to grow professionally and personally. The role of the Pastoral Ministries Director is to help meet the personal and professional needs of our people by setting up education workshops and seminars. Over the past year our association has offered the following.

On October 27, 1997, a Clergy Care Workshop for Pastors, Deacons, Spouses, and Key Lay Leaders was led by Tom O'Neal. Tom is a certified pastoral counselor and C.P.E. Supervisor. Tom's topic was "Coping with Stress."

On November 8, 1997, Chris Shellnut, "The Suitman," made his first appearance at the associational office. Chris sells suits, sport jackets, and other items at a reduced price. Many of our churches took advantage of the bargains offered by "The Suitman."

On November 24, 1997, Rev. Harold McDonald, pastor of the First Baptist church of Albermarle, led a workshop for Pastors and Deacons concerning the "Deacon Family Ministry Plan." This workshop was well attended by Pastors and Deacons representing our churches.

On December 1, 1997, Dr. Johnny Tiller, New Testament Professor at Fruitland Baptist Bible Institute, led Pastors, Teachers, and interested Lay Persons in a overview of our Winter Bible Study. Our Winter Bible Study continues to provide excellent resources for leaders and lay people in our churches.

This November another Winter Bible Study has been planned and "The Suitman" has been scheduled. If your church would be interested in hosting one of these upcoming events, or some other event, please let me know.

Thank you for supporting this much needed ministry in our association.

Rev. Dennis Love, Director

SUNDAY SCHOOL REPORT

Sunday School is one of the most important ministries of any and every Baptist church. Our association has a well-equipped Associational Consultant Team (ACT) to assist churches with their Sunday School ministries. The ACTeam is designed to function as consultants. ACTeam consultants can help churches in many ways. The team is available to help organize the Sunday School, improve teaching and outreach/evangelism skills, select the appropriate curriculum for your church, discover additional space and many other things to help your Sunday School grow and be the best it can be.

The ACTeam will come to your church and meet with your Sunday School teachers and leaders and help in any way possible. The team was invited to one church this year and enjoyed a good and beneficial seminar.

The ACTeam also sponsored the Sunday School Literature Conference held in March at Mt. Pleasant Baptist Church. Linda Thompson of the Baptist Sunday School Board conducted the meeting and there were approximately 100 people in attendance.

Your ACTeam is prepared and willing to serve in any way we can be of assistance. Please contact the team through the associational office. Let's all work together to make our Sunday Schools the very best we can. As we do, His Kingdom will be edified and Jesus will be glorified.

VACATION BIBLE SCHOOL REPORT

On Monday, May 4, 1998 our annual Vacation Bible School Clinic was held at Millers Creek Baptist Church. There were 115 people in attendance, representing 22 of our 39 associational churches.

I would like to thank those who attended and those who taught for making this clinic a success. Furthermore, I wish to thank you for this opportunity I have had to serve you as VBS Director and look forward to serving you in other ways.

If you need assistance in any way with VBS, please feel free to call the associational office or the new VBS Director, Rev. Stewart Roten.

Rev. Darrell Poole, Chairman

YOUTH COMMITTEE REPORT

It's been a great year of ministry and activities for youth in our association. The Youth Committee has worked hard to provide opportunities for the youth of our churches to get together for times of fun, worship, and ministry. Thanks so much to the members of this committee: Ryan Weaver, Wanda Lowe, Gail Parsons, Doug Davis, and Steve Call!

I'd also like to thank all the youth directors in our churches who are many times in the trenches fighting for the spiritual growth of our kids. And most importantly thanks to the Lord Jesus who loves us and gave Himself for us and who has guided us as we planned together as a committee. We offer Him all praise, for it is His work that we are striving to accomplish.

continued next page . . .

YOUTH COMMITTEE REPORT(contd.)

The Youth Committee met at least every other month for prayer and planning of the scheduled events. So far in 1998, only 16 of our thirty-nine churches have participated in the associational youth activities. (This is down from 20 participating churches in 1997.)

But those who have participated, have been encouraged by the merging of resources, ideas, and kids that no church could do alone.

So far in 1998 we have had a *Spring Fling Thing* at the YMCA before school was out and an All-Nighter during the summer. Nearly 200 young people participated in these events. We also helped sponsor Youth Night at the *Greater Northwestern Area Crusade*. About 175 teens showed up for our pizza blast before the service and approximately 300 were present to hear the gospel that night.

On September 19, we have scheduled a Children's Fun 4 All. Since I am preparing this report before this date, I have no figures to report, but am trusting God to provide a great time for these children and to move in their hearts. We also have planned an Associational Youth Missions Blitz on Saturday, October 17 in which the youth of our churches will simultaneously be sent out to do mission work in our county.

Next year, we are prayerfully considering an area-wide youth crusade and how to better challenge our kids to live for Christ at their local schools. The public school system is a great mission field with many children and youth that need the love of Christ. One of our roles as youth directors is to encourage and support the kids as they grow and serve Christ on their school campuses.

Please remember the youth committee in your prayers that we would clearly hear the voice of the Spirit as He leads us in our planning. Our desire is to reach and impact kids for the Kingdom of Jesus. Seeds of eternal benefit are being sown and some are being harvested because of the youth directors in our churches. Remember them in your prayers and encourage them often.

INTERNATIONAL MISSION BOARD OF THE SOUTHERN BAPTIST CONVENTION REPORT

The following is the most recent account of the information and statistics available from the International Mission Board located in Richmond, Virginia.

Southern Baptist ministries through the International Mission Board (IMB) will require an annual budget of more than \$210 million in 1998. In 1997, 13 percent was used for stateside administration and promotion; 87 percent went to the mission field.

Funds for this budget come from two primary sources: the Cooperative Program and the Lottie Moon Christmas Offering for International Missions.

THE COOPERATIVE PROGRAM

The local church gives a portion of its offering through the Cooperative Program (CP). The CP uses undesignated gifts to support missionary, education and benevolent work in state conventions as well as the work of the Southern Baptist Convention.

State conventions keep and use 62 percent of CP funds. Of the remaining 38 percent, the IMB receives half.

continued next page . . .

INTERNATIONAL MISSION BOARD REPORT(contd.)

The remainder goes to other SBC agencies and institutions.

A significant majority of the Cooperative Program received by the IMB is used in its overseas budget, with the remainder used for stateside administration and promotion expenses.

CP thus ensures that 100 percent of Lottie Moon receipts, the other major source of funding for international missions, is used in the overseas budget.

THE LOTTIE MOON OFFERING

One hundred percent of your giving to the Lottie Moon Christmas Offering (LMCO) supports Southern Baptist Missionaries and their work.

About 75 percent of the LMCO goes to fund missionary salaries, medical/dental expenses, housing, life insurance, transportation, retirement, language study and education expenses for children. The remainder goes to fund missionary work and capital expenses for their work.

OTHER FUNDS

There are two other sources of funds the IMB depends upon for support. Donors periodically send funds earmarked for specific ministries of missionaries. These funds provide for evangelism, construction, education, media and other needs which cannot be met through CP and LMCO. The other is human needs giving. It supports agricultural projects, food distribution and job training while also helping in times of crisis, such as earthquakes, floods and civil unrest.

Ultimately, your giving mobilizes about 4, 300 missionaries who make the name of Jesus known among 336 ethnic people groups. Without you, these groups might never hear the name of Jesus.

\$6.00 covers costs for a child to attend Vacation Bible School for migrant children

\$10 helps supply crafts and Bible session materials for Happiness Retreats for persons with mental handicaps

PARTNERSHIP AT ITS BEST

100% of North Carolina WMU's and Baptist Men's budgets for ministries across our state is provided through the North Carolina Missions Offering. Much of the Missions Division's budget, such as new church starts, also comes from this offering. Nearly 10 percent of the offering comes back to our local association to support ministries in this community. That's partnership at its best. Let's support the North Carolina mission field the same way we do the foreign and home mission fields.

NORTH AMERICAN MISSION BOARD REPORT

The North American Mission Board (NAMB) is an agency of the Southern Baptist Convention (SBC). Its purpose is to cooperate with SBC churches, associations and state Baptist Conventions to reach the United States and Canada for Jesus Christ. NAMB was created as part of the SBC restructuring on June 19, 1997 by combining the resources and ministries of three former agencies - the Home Mission Board, the Brotherhood Commission and the Radio and Television Commission. The new agency retains many of the assignments of its predecessors, but is intended to be more effective and efficient in assisting Southern Baptists in reaching North America for Christ.

SUPPORTING MISSIONARIES IN NORTH AMERICA

Nearly 5, 000 North American missions personnel serve in the US, its territories, and Canada. Their work is supported by more than 2,500 SBC-endorsed chaplains and 100,000 adult and student volunteers who make significant contributions in starting churches, evangelism and disaster relief. NAMB also produces mission education resources which help Southern Baptists learn about, support and be on-mission with their missionaries.

More than one-third of NAMB's financial support comes from the annual Annie Armstrong Easter Offering for North American Missions (AAEO) and 100% of the offering goes to support missionaries on the field. The 1997 offering was the largest ever received at more than \$45 million with a challenge goal of \$50.

Also, crucial to NAMB's work is the \$34 million that comes from the SBC Cooperative Program which also funds six SBC seminaries, 4,000+ international missionaries, and other national agencies.

TWO MAJOR THRUSTS: EVANGELISM AND CHURCH PLANTING

Last year, Southern Baptists baptized over 412,000 people, nearly 9% more than the previous year. However, an estimated 200 million people in the US and Canada still do not know Jesus Christ as Savior. The agency provides assistance to churches, associations and state conventions in soul-winning training, interfaith witness, church and community ministry, including alternatives to abortion ministries, and special evangelistic events.

Southern Baptists have started nearly 1,500 new churches every year for several years, and did so again last year. That's more than any other faith group, yet we are still not even keeping pace with population growth. NAMB provides resources and strategies for establishing churches and missions among all ethnic and language groups in the United States and Canada.

Rev. Lyn Lambert, Representative

PARTNERSHIP REPORT

Since our last annual meeting, there have been two groups that have served as volunteers in South Africa. One team worked in an Asian Indian Church in the small town of Dundee in the Northern Natal area. This group conducted Bible studies, held evangelistic services, spoke in several schools and built pews for worship purposes. We also had a construction crew to help work on a church building for a native Zulu congregation. Both of these groups were very effective in the type of ministry they rendered.

There continue to be several volunteers making trips to New York to assist our missionaries in the **Graffiti House** ministry. The people that have been going are making an impact on the lives of individuals that live there in the inner city.

We have also sent money to aid pastors in the Frontier Association in Buffalo, New York that would like to receive specialized training at various conference centers. The Director of Missions in Buffalo has been using the money to provide scholarships for his pastors to attend these training events.

We will try to keep our people informed about the needs of these ongoing partnerships to encourage their participation. Mission needs will only be met by people that hear the call and understand its purpose.

Rev. Lawson D. Horton, Jr.

BIBLE DRILL REPORT

This was an extraordinary year for Bible Drill in our association. After several younger children and their leaders expressed an interest in Bible Drill, a new Younger Children's Drill was developed for that age group; and as a result, Bible Drill had twice the number of participants as in recent years.

After all church drills were held, thirty-six Bible Drill participants had qualified for the Associational Drill which was held April 5, 1998 at Wilkesboro Baptist Church. The following churches had younger children, children and/or youth participated--Goshen, Liberty Grove, Lewis Fork, and Millers Creek. Our children and youth did an outstanding job and many of them advanced to the State Drills held on April 25, 1998 at Baptist Home Church in North Wilkesboro.

We thank the Lord for the diligence of our participants and their parents for the support of our associational director and youth director, and the dedication of our Bible Drill Leaders.

Please pray for the 1999 Bible Drill Leaders, the continued spiritual growth of our children and youth, and a deeper commitment to the study of God's Word by all.

ANNUITY BOARD REPORT

Recent figures from the SBC Annuity Board yield a disturbing picture of the plight of some of God's choice servants. Some of our retired ministers and/or their widows receive such a small amount of retirement income that they have to choose between receiving the medications they need and the food they require.

Approximately 10,000 retired Baptist ministers or their widows receive less than \$200 per month in annuity benefits. There are more than 397 in North Carolina alone who receive a monthly benefit of \$100 or less. It is true that some are in these circumstances because they started their retirement fund too late. It is also true that many suffer because the churches they served were not as supportive as they should have been. Some are not even covered by Social Security, which poses a multitude of problems even beyond the lack of annuity income from the annuity board. Whatever the reasons may be, they do not alter the fact that real needs exist.

Each year the Annuity Board receives, from the Cooperative Program, a small amount of funds to help with the most severe of these needs; however, it is basically true that if the ministers do not provide funds for retirement, no funds are available to them.

Please encourage your church to require that the pastor set aside some amount for his retirement, and to supplement that amount by a contribution from the church so that your pastor may not come to retirement age without resources.

Dr. W. C. McKinney

HOSPITAL CELEBRATES 75 YEARS OF SERVICE

In May 1998 the North Carolina Baptist Hospitals, Incorporated celebrated 75 years of service to the community and the region. During these years the hospital has been faithful to the vision of the North Carolina Baptist State Convention when the hospital was birthed: to extend the healing ministry which was demonstrated by Jesus Christ. Many challenges have been faced through these years, but the commitment to compassionately strive for innovative excellence has remained the same.

Baptist Benevolent Care Fund

Baptist Churches from all across North Carolina joined us in mutual mission through the Mother's Day Offering. This annual ingathering of love was approved by the Baptist State Convention of North Carolina in 1924. In 1997 the MDO amounted to \$500,747. It was used exclusively to help patients who had little or no health care insurance or no other financial means to pay their hospital bills. From the offering this past year, well over \$200,000 was used to assist members of our Baptist Churches in North Carolina. May God bless all those who supported us with prayers and gave so generously.

Division of Pastoral Care

During the year the chaplains and staff of the Pastoral Care Department provide worship services in Davis Memorial Chapel on Monday, Wednesday, Friday and Sunday for patients and family members. The Pastoral Care Department staff supervised 64 students during the year and made more than 53,000 ministry contacts.

The Department of Pastoral Counseling, CareNet, Inc. continues to expand its ministries. There are now 13 Christian counseling centers located in strategic areas across the state. During the year these professionally staffed centers will provide over 26,000 hours of counseling.

The Center for Congregational Health, Inc. continues to expand its mission of helping congregations become healthier communities of faith. **Programs and assistance** offered to churches include: Consultation, Intentional Interim Ministry, and Leadership development. **Resources for ministers** include: Young Leaders Program, Turning Point, Interim Ministry Training, Intentional Interim Ministry training.

Facts about Wake Forest University Baptist Medical Center

- With more than 10,000 employees, four restaurants, two banks and a post office that handles more mail than some towns, the Medical Center has been called a city-within-a-city.
- The Medical Center successfully proposed to Forsyth County Commissioners to purchase the county's indigent health care clinic, Reynolds Health Center. The Center also serves as a primary care training facility for our medical students and residents. Construction is expected to begin in the spring on a \$5 million, state-of-the-art facility.
- Building strong relationships with community hospitals and other academic medical centers was a hallmark of the past year. Hospital and clinical affiliations grew to 22 by December '97.

Points of Emphasis and Progress

ALS CENTER - Wake Forest University Baptist Medical Center has opened a specialized center to provide coordinated care for patients with amyotrophic lateral sclerosis (ALS), often referred to as Lou Gehrig's disease. The Medical Center's ALS program is the only center in western North Carolina devoted to ALS patients.

TRAUMA CENTER - The Medical Center has the designated Level I trauma center for northwest North Carolina. In the trauma center our goal is for the patient who needs surgery to be in an operating room 10 minutes after arriving at the Emergency Department. Surgeons, anesthesiologists and staff remain on duty 24 hours a day to handle such emergencies.

TOPS IN RESEARCH - According to a report in the February 1997 issue of *Applied Clinical Trials*, Wake Forest University School of Medicine ranked in the top 10 U.S. clinical research institutions.

RANKED AMONG THE NATION'S BEST - The North Carolina Baptist Hospitals, Incorporated is among the nation's best hospitals in nine of 17 specialties, according to rankings published in the July 1998 issue of *U.S. News & World Report*.

NEW HEART VALVE - Wake Forest University Baptist Medical Center is one of the first centers in the country to offer a new "natural" valve replacement to patients with diseased or damaged aortic heart valves. The Freestyle valve was tested extensively in six centers — including Wake Forest University Baptist Medical Center - before being released for general use.

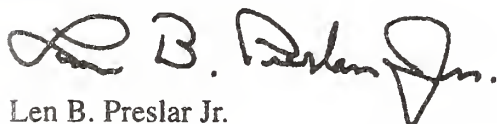

NEWEST TREATMENT FOR EPILEPSY - Wake Forest University Baptist Medical Center offers a new treatment for epilepsy — a "pacemaker for the brain" that can help control seizures in patients who are not helped by medication and are ineligible for surgery.

A CLOSING WORD

Seventy-five years ago the North Carolina Baptist State Convention gave us a directive to extend the healing ministry of Jesus Christ. For three-quarters of a century, we have sought to carry out this ministry of healing with compassion and integrity. Those who come here for care expect outcomes unachievable elsewhere. We must constantly rise to meet and exceed this expectation. Every patient and family member has a right to expect from us excellence in health care, delivered with compassion.

BAPTIST RETIREMENT HOMES

Making Life for Older Adults...

The Best of Times

Treasures Old and New

In concluding a series of parables related to the wise use of God's gifts, Jesus ended with these words, "Every scribe which is instructed unto the Kingdom of heaven, is like unto a man that is a householder, which bringeth forth out of his treasure things new and old," Matthew 13:52.

During this past year God has enriched Baptist Retirement Homes with special treasures.

Treasures Old

THE TREASURE OF OUR NORTH CAROLINA BAPTIST FAMILY - Our 500 residents plus all the staff who make up the Baptist Retirement Homes part of the family, say, "Thank You", to the rest of our North Carolina Baptist family.

Thank you for giving so generously through the Cooperative Program and through the North Carolina Offering for Older Adults enabling Baptist Retirement Homes to lead the way for the state of North Carolina in providing benevolent care for Older Adults. Every dollar that comes through these channels is designated to provide care for the "poor elderly."

THE TREASURE OF OUR BAPTIST VOLUNTEERS - These volunteers range from a W.M.U. group that provides regular monthly programs plus special activities such as ice-cream socials at The Taylor House in Albemarle, to a friend who spends hours each week giving manicures at The Hamilton Baptist Home in Hamilton, to a B.S.U. group that provides a weekly program at the Prince Nursing Care Center at the Brookridge Retirement Community in Winston Salem, to a preschool day care class that comes twice a month to visit their "grandfriends" at the Western North Carolina Baptist Home in Asheville.

Treasures New

TAYLOR GLEN RETIREMENT COMMUNITY IN CONCORD - For more than a decade Baptist Retirement Homes has been dreaming with North Carolina Baptists of the Cabarrus / Mecklenburg / Rowan / Stanly area about providing quality residential and health care living opportunities and services to Older Adults. Because of the encouragement given by Baptists of the area, and as a result of the philanthropy of Cabarrus County natives, Carrol and Geneva Taylor, this dream will soon be a reality.

FIVE NEW TWO BEDROOM APARTMENTS AT BROOKRIDGE - These apartments are nearing completion as an addition to the Main Building at the Brookridge Retirement Community in Winston Salem. Bringing the total number of independent living apartments to 146.

RESIDENTIAL UNITS FOR MEMORY IMPAIRED - Special units for those Older Adults dealing with dementia related conditions such as Alzheimer's Disease, will be developed at the Western North Carolina Baptist Home in Asheville and the Brookridge Retirement Community in Winston Salem. In Asheville the unit will be created via a significant renovation within the current home. In Winston Salem new construction will be required.

This report is sent with heartfelt gratitude for your prayers, your deeds of kindness and your gifts enabling us to make life for North Carolina Baptist Older Adults... *The Best of Times!*

THE BIBLICAL RECORDER

Associational Report--1998

"A democracy can only survive and flourish as a nation of readers," says Daniel J. Boorstin, a Pulitzer Prize-winning historian and former Librarian of Congress.

He is correct! Thomas Jefferson said the purest form of democracy he had ever seen was Baptist churches. We Baptists cherish our soul-liberty, and its corporate corollary--the autonomy of the local church.

But Baptists will never preserve their democratic form of decision-making if they are not properly informed. A democracy demands an informed constituency, whether they like the news or not!

The Biblical Recorder tries to tell the whole story with a focus on the many positive things people are doing in their churches and world missions, along with the crucial issues which cannot be concealed and ignored if we honor our heritage from yesterday and fulfill our mission for tomorrow.

There is no way to address these issues without correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. In the 165 years of state Baptist papers in North Carolina, never was the Recorder more needed than now for people to have the truth.

Because people are reading less than any time in recent history at the very time there is an increased number of publications and periodicals, the Recorder has kept pace with the state-of-the-art in print media, and entered the world of electronic communications with an attractive and effective Web site. The Web site address is: <http://www.biblicalrecorder.org>.

The Recorder Web site was officially launched in September 1997. The number of persons using the Web site has grown substantially. Each month there are 15-18,000 hits from around the world, literally--from Asia, Africa, Europe, South America, the Pacific Rim, even Australia! In the United States, people from several states regularly use the Recorder as their source of dependable Baptist information.

The Biblical Recorder should be in every Baptist home in North Carolina. Your support as a subscriber and reader, coupled with your encouragement to others, will enable the paper to better serve the constituency with accurate and helpful information.

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation.

The paper deliberately focuses more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

**ANNUAL REPORT TO THE ASSOCIATIONS
1998**

It is a joy for the Christian Action League of North Carolina to serve the churches of this great state. We continue to work to inform the Christian community about the moral issues that face our state and nation. Our goal is to address these issues with the principles of God's Word, the cornerstone of all truth.

A. Christian Values

- It was the pleasure of the Christian Action League to be one of the sponsors of the Third Annual Christian Heritage Week of North Carolina held March 15-22. The League encouraged schools, churches and communities to recognize, commemorate and learn about the Christian heritage and history of our nation. CAL sponsored a state-wide essay contest for high school students (public, private and home schools) and presented state winners with awards for excellence.
- Continued to promote Christian citizenship throughout the churches and communities of our state. CAL has distributed over 12,000 copies of the Ten Commandments to churches, businesses, schools and homes across North Carolina. Promoted Sanctity of Human Life Sunday and the National Day of Prayer statewide.
- Held a Church Leadership Legislative Day on June 23. The purpose of this day was to have pastors and church leaders to come together and enjoy fellowship, meet and hear some of our legislators and become more aware of how state government and the legislative process works.

B. Gambling

Lottery proponents continue in their efforts to bring a state-sponsored lottery to North Carolina. CAL monitors these efforts and updates the Christian community on lottery information through letters, calls and our fax and electronic mail networks. Lawmakers have continued to receive a barrage of communications from across the state saying that the lottery is a bad bet for North Carolina.

CAL also monitored the work of the Legislative Study Committee on Bingo Regulations.

C. Sex Education

Worked with other Christian and pro-family groups to see that the state mandate for Abstinence Until Marriage education is implemented state-wide. Also, supported efforts to insure that federal grant money designated to promote abstinence education was used properly. Informed citizens and legislators concerning attempts to fund school-based clinics in North Carolina schools.

D. Abortion

CAL promoted HB 303 (Ban Partial Birth Abortion), HB 536 (Woman's Right to Know before Abortion) and HB 594 (Fetus Death from Criminal Act). We also encouraged lawmakers to maintain funding reductions and restrictions on the state abortion fund. These actions have resulted in only two qualifying abortions being paid with taxpayer funds in the last two years.

E. Alcohol

CAL monitored all legislation concerning alcohol and other drugs. Successfully supported efforts to strengthen DWI laws. Assisted communities in organizing committees to fight alcohol and drug use. Worked to defeat legislation that would have approved alcohol sales without the vote of the people. Provided awareness, education and resource materials related to substance abuse problems to churches, communities, etc.

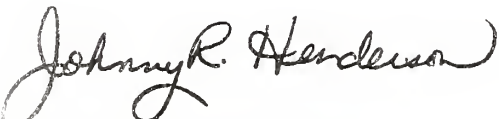

CAL will host a national conference in September of the American Council on Alcohol Problems.

F. Pornography

Promoted and saw ratified SB 452-Local Regulation of Adult Establishments. This legislation gives more authority to local communities to regulate and control adult entertainment establishments.

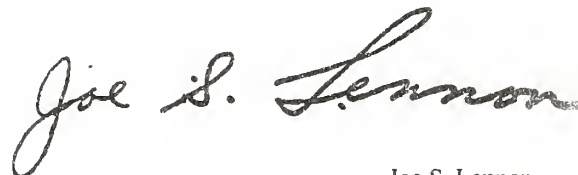

G. Homosexuality

CAL supports efforts to strengthen the traditional family and continues to monitor and inform the public about the activities of those who promote the radical homosexual agenda. Successfully lobbied against legislation that would have made homosexuality legal in North Carolina. Offered the video "On Wings Like Eagles", the testimony of deliverance from homosexuality by Michael Johnston of Kerruso Ministries.

The Council on Christian Higher Education was founded by the Convention in 1944. It was established to assist colleges and churches within the Convention. The Council does not exercise any authority over the Baptist colleges. The competent leadership of trustees, administrators, and faculty guide them as they fulfill their missions. It does, however, study and recommend to the General Board in matters related to Baptist colleges and the Baptist State Convention.

Four men have led the Council as its Executive Director. Claude Gaddy served as the Council's founding leader. Harold Cole served briefly. Ben Fisher succeeded him. T. Robert Mullinax joined the Council in 1971. Mullinax retired this year from the post he has faithfully guided for 27 years.

The Council and Executive Committee of the General Board invited Wayne D. Wike to become the Council's fifth leader. Wike comes to his post from the pastorate. He has served four North Carolina churches as pastor.

He and his wife, Debbie, are alumni of Gardner-Webb University. In addition, he is a graduate of the Southern Baptist Theological Seminary and Union Theological Seminary.

Wike has already served North Carolina Baptists in a number of ways. He served on the Committee on Committees, Chaired the Committee on Nominations, and Chaired the General Board Membership Study Committee.

Council members have greatly assisted each one of these leaders through the years. The college presidents, provosts, and chairmen of Boards of Trustees, along with an equal number of General Board members, serve as members of the Council.

The strength of the Council lies in its voluntary concept of community rather than competition. The Council has proven to be a mediating influence in relating the colleges to each other, to the church, and to the Convention.

The Council is currently involved in strategy planning. It is seeking to prepare for the new millennium. The future holds great promise. The Council and its member colleges want to be prepared for it. The Baptist churches in North Carolina will benefit as a result.

Baptist Children's Homes of NC 1998 Book of Reports

Sybil Stewart, *Trustee Chair*
Michael C. Blackwell, *President*

Her voice steady and quiet, Christy delivers her personal story like a letter dropped into an anonymous mailbox at a shuttered house on a nameless street.

Her grandparents' murder had unleashed memories of her own abuse. Family members encouraged her to leave her home and repeatedly told her she was worthless.

"I've had a rough life," she says. "I've been through about anything I can possibly go through."

Christy admits carrying a short fuse and outbursts, physical abuse and a dangerous living situation brought her to Mills Home in November 1997.

She continues her quiet story about coming to Mills Home, about doing well in school, and tutoring two residents in Alumni Cottage. She's glad she can help, because "learning comes easy to me, and I want to help someone if I can."

Julie, her first child care worker at Mills Home, became a real friend who "helped me turn my life around," Christy says, her face at last beginning to brighten. "She was there for me when I needed somebody. My parents weren't there. Nobody wanted me. It was fun being around Julie. She showed me she cared about me and that I could be loved."

She Didn't Plan to See 16

Julie couldn't realize how important her friendship was, or how close Christy came to giving up. Christy admits to two suicide attempts, and believed she would never see age 16.

"I used to dread getting up," she said. "I didn't know if I would get my mouth busted or my arm broke."

Even now, there are days Christy doesn't want to get out of bed. But she does, and she goes to school and earns mostly "A"s and stars on the varsity basketball team, and tutors other residents in math, and went to New York for a summer basketball tournament and is planning to attend college to study a helping profession.

Now she is planning to live, not planning to die. BCH is giving her opportunities to live for.

Christy's story is repeated hundreds of times each year at BCH. Not all are as dramatic but every one tells of a young person and a family at the end of an unraveling rope.

At four residential campuses, two homes for behaviorally troubled girls, a maternity home, a home for teenage mothers and their babies, therapeutic camping and model day care, 1,560 young people found help in troubled times last year.

During the past year BCH received \$1.6 million through the Cooperative Program, and \$752,000 through the Thanksgiving Offering. Total church gifts of \$3.3 million comprised 18 percent of the nearly \$18 million in revenue. Because of a positive investment environment, BCH investments of endowment funds provided 33 percent of revenue.

Buildings Dedicated

Two major priorities of the \$10.1 million "Light Their Way" Campaign were dedicated: The Winifred Lindsay Education/ Administrative Center at Odum Home in Pembroke on Jan. 20, and the John D. and Amelia W. Johnson Cottage at Mills Home on May 12.

U.S. Congressman Mike McIntyre, co-chair of the Congressional Task Force for Responsible Fatherhood, spoke at the dedication of the Lindsay Center. He said BCH has the "purpose, people and passion" to successfully help children and families turn their lives around."

"When we reach out to our children we're making the best investment for tomorrow we could ever make for our country," he said.

Winifred Lee Herbert Lindsay, for whom the Lindsay Center is named, died Nov. 21, 1997.

Primary funds for building Johnson Cottage were given by Phil and Sharon Drake, of Franklin, in memory of Sharon's father and in honor of her mother, a BCH trustee.

"God has given me more than I deserve," Drake said in a brief, emotional address at the dedication. He said giving money to build the cottage was the "easy part" compared to the cottage worker's task of making a difference in children's lives.

Michael C. Blackwell celebrated his 15th anniversary as president of BCH on July 1, 1998.

The video, "A Long Walk Home" is available to promote the 1998 Thanksgiving Offering, which has a statewide goal of \$800,000, the largest ever.

Wherever children are hurting and families are strained, BCH strives to heal. To secure a video, or a speaker for your church or civic group, or to access services, call (800) 476-3669.

Mrs. Linda Bentley, Representative

REVEREND LAWSON DUPREE HORTON, JR.

LAWSON DUPREE HORTON, JR. was born in Harriman, Tennessee on October 29, 1943 to Lawson Dupree Horton, Sr. and Ruby Fitzgerald Horton. He was the youngest of four children and the only boy. The Lord miraculously brought Lawson into this world for a divine purpose. His mother was a diabetic, and she was given a 50/50 chance of survival, while Lawson wasn't expected to live. The church in Harriman, where Lawson's family attended, prayed all night while his mother was delivering. Both his mother and Lawson were fine.

Shortly after Lawson's birth, his family moved to Chattanooga, Tennessee where he attended Bess T. Shepherd Elementary School and graduated from Tyner High in 1961. During these early years, Lawson was very active in East Ridge Baptist church, singing, serving in the youth organizations, and even enjoyed the "business meetings."

At the age of sixteen, Lawson felt God's call to the gospel ministry while attending a Youth for Christ Campus Crusade meeting in Washington, D.C. He came back and surrendered to that call at his home church. He immediately started preaching at local prison ministries and youth meetings in Chattanooga.

In the fall of 1961, Lawson entered Truett-McConnell College in Cleveland, Georgia. It was here that he met his wife, the former Carolyn Skelton. While at Truett-McConnell, Lawson served as the preacher on the Youth Revival Team. Lawson later transferred to Belmont University in Nashville, Tennessee where he graduated in 1965 with a BA degree in History. While at Belmont, he was active in the BSU and sang in Belmont's Men's Chorus.

Upon completion of college, Lawson and Carolyn were married June 26, 1965. They immediately headed to Texas where he entered Southwestern Seminary. During those seminary years, Lawson served as pastor of the Oakland Baptist Church in Canton, Texas and toured with the Southwestern Men's Chorus all over the United States. On May 13, 1967, God blessed them with

a son, Landon Dupree Horton. Landon graduated from Furman University in 1989 and Southwestern Seminary in 1992. He is presently the Associate Pastor and Minister of Education at Lake Norman Baptist church in Huntersville, North Carolina.

Lawson graduated from seminary in May 1969, and was called to pastor Rawlinson Road Baptist Mission in Rock Hill, South Carolina. The mission was constituted into a church in July 1970. During the sixteen years Lawson pastored these loving people, the church grew from 50 to over 500 and they were involved in four building programs. God proved Himself strong as He led both pastor and people together.

While serving in Rock Hill, God blessed Lawson and Carolyn with two daughters. Kelley Renee Horton Davis was born March 17, 1970. She graduated from Campbell University in May 1992 and presently is an Assistant State Auditor for North Carolina serving on the North Carolina State University Audit Team. Carey Denise Horton Huff was born May 21, 1972. She graduated from East Carolina University in May 1995. She is a Recreational Therapist at Beaufort County Hospital in Washington, North Carolina.

In August 1985, Lawson felt God's call to serve as Pastor of Beverly Hills Baptist Church in Rockingham, North Carolina. During the seven years Lawson served this church, the church went through a building program, bought all the surrounding property which has allowed them further growth, and started several new active ministries. God gave many rewarding and precious memories with this pastorate.

In June 1992, after much prayer seeking God's leading, Lawson accepted the call to be the Director of Missions for the Brushy Mountain Baptist Association. Since that time, God continues to be faithful, proving Himself strong, as he works here among these wonderful, caring, compassionate people. Lawson has always loved associational work. In fact everywhere he pastored, he served in the association as Moderator, Sunday School Director, and even as a member of the Director of Missions Search Team in both associations. God was preparing him all along the way. Lawson will tell you that he believes associational work is an anchor that holds churches together to further the Great Commission of our Lord. He made his positions a priority where he served in any capacity of the association while pastoring.

Ministry, whether local, state, national, or worldwide has always been important to Lawson. He has served on the General Board of South Carolina, and since becoming a Director of Missions, he was President of the Director of Missions here in North Carolina for two very transitional, organizational years. He has also been involved with the Pastoral Care Counseling Committee, Prison Ministry Board, Wilkes Cares, United Way, Habitat for Humanity, The Catherine H. Barber Shelter Home, West Wilkes Medical Board, and Wilkes County Senior Citizens' Board. He is continuously leading all of us to be involved in mission efforts not only here but also in partnerships such as New York, South Africa, Alaska, Brazil, and wherever God may call.

Lawson's greatest desire is to be obedient to God in leading people to know the Lord and teaching them to grow in that relationship with God. He has a deep love and compassion for all the pastors and churches with whom he serves. His vision is for all of us to bind together under the leadership of God to be a "fellowship of churches who are reaching the lost with the gospel of Jesus Christ, growing disciples, and helping to meet the needs in our communities and around the world" until Jesus comes.

Respectfully submitted,
Mrs. Grace Johnson, Chairman
Rev. Leon Church
Mrs. Becky Duncan

FISHING CREEK BAPTIST CHURCH 1882-1999

Fishing Creek Baptist Church was constituted August 4, 1882. Jesse Adams was the first Pastor of the church. Sunday school was organized in 1899 and the first WMU was organized in October of 1933. October 6, 1963 was the first time in the history of the church that full time services were held. Full time services consist of Sunday morning and evening services, with the exception of fifth Sundays.

In November 1974, the church voted to begin construction of an educational building with members of the church doing most of the work.

Our current pastor, Rev. Charles Edwards, was voted on and accepted the call to Fishing Creek in March of 1995. The first message to the congregation by our new pastor was on April 23, 1995.

The church has ordained several ministers from our congregation.

Homecomings are held in August of each year. During Homecoming, many former pastors and members attend. Covered dish meals are brought and everyone enjoys a wonderful time of loving fellowship.

On Sunday, August 3, 1997, we celebrated the 175th anniversary of our church.

Fishing Creek Baptist Church holds spring and fall revivals each year. Sunday school is held at 9:45 a.m., worship service begins at 11 a.m., and evening services are held on Sundays and Wednesdays at 7 p.m. Visitation is held on Tuesday nights at 7 p.m. Vacation Bible School is held each summer. A warm welcome is also extended to the senior citizens once a month at a "Young at Heart" luncheon.

Currently, Fishing Creek Baptist Church participates in missions through the Cooperative Program on the state level and through the Brushy Mountain Baptist Association on a local level.

Within the church, we have the following groups that are active in missions: Women on Missions, Baptist Men, RA, and Acteens. Fishing Creek Baptist Church also supports the efforts of the Gideons, American Bible Society, Wilkes Cares, State Missions, Wilkes Habitat for Humanity, and assists with the needs of the local community. We have a deacon's ministry within the church that ministers to the needs of our church members. Also an outreach program headed up by our Sunday school Department.

NORTHSIDE BAPTIST CHURCH 1940-1999

Northside Baptist Church was initiated in 1940 as a community Sunday school for the people living in the Woodlawn section of North Wilkesboro. It utilized a small building on the west side of Odell Street which had been constructed by the WPA in the 1930's and which belonged to the Town of North Wilkesboro, for its meeting facility. The mission was begun as a joint venture of North Wilkesboro's First Baptist, First Methodist, and Presbyterian churches. Twelve years later, in April 1952, First Baptist Church assumed sole responsibility for the mission, with members of First Baptist serving as workers. D. E. Elledge was elected first Sunday school superintendent. John West, Mr. Elledge's assistant, took full control a few months later, serving until 1955. In that year, Rev. C. S. Welborn, the mission's first pastor, began worship services. R. H. (Bob) McNeil was elected Sunday school superintendent and he served until 1958.

When Rev. Welborn resigned the pastorate in 1958, the mission found itself in a precarious situation in that many First Baptist members appeared to have lost interest in the mission and were reluctant to take posts outside the main church family. However, under the leadership of Raymond Blevins, the chairman of the nominating committee for First Baptist, sufficient workers were secured to adequately staff Northside's Sunday school. Wayne Church agreed to become superintendent, with Frank Allen, Mr. and Mrs. Dennis Greene, Miss Marcile Deal, Raymond Blevins and James M. Bentley serving on the teaching staff. Dr. Hebert Peacock, who had become First Baptist's pastor, volunteered his services as preacher at the mission. He conducted worship services at 9:30 a.m. each Sunday, a practice that is still in effect today, and prayer services on Thursday evenings.

In February 1960, Rev. C. J. Poole was called as associate minister of First Baptist. His primary duty was to be the regular pastor of Northside. He held this position for six years and the mission was very prosperous under his leadership.

Wayne Church served as Sunday school superintendent until Frank Allen was elected in 1961. Mr. Allen served until James M. Bentley was elected in 1962. Mr. Bentley would retain this position for 34 years. By 1963, Sunday school enrollment had increased to 151, with an average attendance of 68, and an average offering of \$55.81 per week.

From this time until the middle 1970's, Northside became a beehive of activity. In 1963, the North Wilkesboro sister churches, First Methodist and Presbyterian, renewed their interest. Under the sponsorship of the three churches, Northside Kindergarten was begun with Mrs. Ann Wiles as the teacher. The kindergarten promoted basic social, health, and spiritual training for all pre-school children in the Woodlawn community. Donations provided by many individuals insured that the children had warm clothing for the winter months. The kindergarten discontinued its operation when the public schools instituted the kindergarten program in 1976.

After the interim pastorate of Rev. N. C. Teague for five months in late 1966, Rev. David Creech became pastor in January 1967. When Rev. Creech resigned 1970, Rev. Allen Laymon, who had become First Baptist pastor in 1967, took up preaching duties at the mission. This coincided with another major development for Northside. Several Wilkes County citizens owned property adjoining the Northside building and the Town of North Wilkesboro owned the building. Most of the lots were small in size, and from 1967 to 1971, First Baptist church acquired, through a series of purchases and donations, full ownership of the building and land which accommodated parking and playground facilities. First Baptist members who donated property were Mr. and Mrs. Max Ferree, Mr. and Mrs. Wayne Church, and Mr. and Mrs. James M. Bentley. Many others made monetary contributions toward the purchase of some of the other property. Through the quiet but deep generosity of Mr. and Mrs. Robert M. Brame, Jr. and Mrs. Margaret Coffey, a playground for the children in the

community became a reality in early 1971. A record high attendance of 154 was attained on Easter Sunday, April 11, 1971, with Rev. Allen Laymon leading the service.

Rev. Keith Howell became pastor in February 1973 and served until December 1973, at which time Rev. Laymon resumed his Sunday services, alternating Sundays with Dr. John T. Wayland, who had now returned to First Baptist as associate minister. The next year saw additions and renovations to the Northside building. The expanded sanctuary, a new foyer and four additional Sunday school classrooms were completed in May 1975. On August 24, 1975, the congregation observed a dedication service with Rev. C. J. Poole, former pastor, delivering the dedication sermon. Glenn Graves, a Mars Hill College graduate and Southeastern Seminary student who had become the new pastor of Northside in June 1975, led the service.

When Rev. Graves left as pastor of the church in September 1976, he was replaced in October 1976 by Rev. Grady Kerley who served until June 1980. At the resignation of Rev. Kerley, the staff at First Baptist, as in years past, stepped in. Rev. William B. Rogers, Dr. John T. Wayland, and Rev. Alan Richey served as interim leaders for several months until Rev. Hobert Key was called as pastor in November 1980. They again served as interims when Rev. Key resigned in July 1983. Late in November 1983, Rev. Hadley Triplett became the new pastor, remaining until June 1989, when Rev. Hobart Key was recalled.

On May 20, 1990, with a church attendance of 123, Northside became a duly constituted Southern Baptist Church with 48 charter members. Rev. Hobert Key was called as the first pastor of Northside Baptist Church and continues to serve in that capacity at this writing.

The church has experienced excellent growth since being constituted as a church, and on May 21, 1995, groundbreaking ceremonies were held on the construction of a 3975 square foot addition to its existing building. This addition was completed in September 1996, and contains a fellowship hall with fully equipped kitchen, handicapped restroom facilities, choir loft, baptistery, Sunday school classrooms, pastor's study and office. New pews and carpet were installed in the sanctuary, new outdoor church sign constructed, and parking lot enlarged and paved.

Northside has an active visitation program and has always contributed a minimum of fifteen percent of its undesignated receipts to missions. Two members, Rev. Jerry Alexander and Rev. Richard Harrold, have been ordained as Baptist ministers. At this writing, the church has 143 members and an average worship service attendance of 100.

One only has to view the lovely Northside Baptist Church building and the surrounding area to realize that many Christian hearts and hands, through the leadership of the Holy Spirit, have responded to the challenge and have shaped Northside's present and its future.

And further move that the Brushy Mountain Baptist Association, and unincorporated association, be disbanded and dissolved at such time as these Articles of Incorporation are filed with the Secretary of State of North Carolina. And further move that this body approve that set of by-laws which has been presented to this body and direct and empower the initial directors set forth in the Articles of Incorporation to adopt those by-laws as the bylaws of the Brushy Mountain Baptist Association, a Non-Profit Corporation. And further move that this body authorize and direct its Trustees to transfer any and all assets belonging to the Brushy Mountain Baptist Association, an unincorporated association, to the Brushy Mountain Baptist Association, a Non-Profit Corporation, at such time as it has become officially incorporated."

MISSION MESSAGE – Rev. David Sparks, Pastor of Liberty Grove Baptist Church gave the mission message. Scripture was II Peter 1:2, I Cor. 12:12-13, John 9:4, I Cor. 12:4 and I Cor. 10:31-33. Rev. Sparks said that we are all believers on a mission. We have a great command to go and witness. By our words, deeds and actions we are on a mission. The scripture tells us to do the work of our Father while it is day and we have the ability. God gives us talents to use for him and we must do so. We are to do everything for the Glory of God. We were asked the following questions: Are you satisfied with your work for Jesus now, your church's work and your association's work? A servant's heart is required for true service. We were challenged to commit ourselves to the work of the Lord.

YOUTH COMMITTEE – Rev. Shannon Critcher gave the Youth report. He reported on the third annual all-nighter about 100 persons were present. The speaker was Rev. Neal Hatfield. An Air Walk was provided at Celebrate Jesus Crusade. He asked that we all pray for the children because they need our prayers and support.

WORLD CHANGERS – Rev. Landon Horton gave an overview of the work of World Changers. World Changers was formed in 1990 by the Brotherhood and was designed for all ages. World Changers involves a group of people who get together and go on mission work together. A commitment is made to go to a location and help people in need. Rev. Horton read scripture from Matthew 25:31-46.

MISSIONS DEVELOPMENT COUNCIL – Mr. Greg Cornett gave the report. He stated that moving into the millennium Mr. Dale Brown will be the new director. He encouraged unity of all people and the churches working together for the cause of serving

Jesus Christ. Mr. Cornett thanked all for their support and asked that we would seek what God would have us do.

DIRECTOR OF MISSIONS REPORT – Rev. Lawson D. Horton, Jr. gave his report as follows: The church clerks are to be commended for keeping good records and preparing the annual church profiles. The profiles help each church to observe her progress, determine areas of improvement, reveals the value on human life and its importance to the Kingdom of God. Throughout the Bible names and numbers have been recorded because they were important to God. Our names as believers are recorded in the **Book of Life**. If records were important and necessary to God, surely they are to us.

I want to thank those of you who serve as officers and on various committees in the association. You are important to the work of the association though your responsibilities may be few. The association functions just like a church and can be included in the comparison that the Apostle Paul made between the physical body and the Church. There are many parts of the body and each is important and necessary even if they are not always seen in action. Each person that serves in our association contributes to the Baptist body which enables it to accomplish its goals.

The strength of our ministry in this association is dependent upon the cooperation and support we receive from the churches and their members that serve with us. Again, thank you for all your help.

I would like to say at this point that our ministry is worldwide. We work cooperatively with our Baptist State Convention by being involved in ministry and missions in North Carolina and the partnerships in North America and foreign countries. Many of you have responded. You have volunteered to help or financially support disaster relief or recovery efforts in the state or other states and areas such as Honduras due to inclement weather. Mission teams having various functions have served in West Virginia and New York in cooperation with our Baptist State Convention. Money from our churches and our associational budget has been appropriated for these causes. We have participated through our budget and by sending mission teams in partnership missions overseas. Through the years we have been in Togo, Brazil, Ukraine, and now South Africa.

I am proud to say that as an association, we have been involved in World Missions. We soon will have an opportunity to be involved in an Alaskan Partnership and an Appalachian Region Ministry covering nine (9) states, 262 counties, 10 conventions, 119 associations, 4,258 SBC churches, and over 15 million in population.

I have often heard people say missions begins at home. This understanding probably is taken from the Book of Acts, Chapter 1, verse 8 where it says, "But ye shall receive power after that the Holy Ghost is come upon you: and ye shall be witnesses unto me both in Jerusalem, and in all Judea, and in Samaria and unto the uttermost part of the earth."

Since we believe that missions begin at home, I would like to share with you a question I raised before the Associational Missions Development Council. How can we best impact our county for Christ and Share in the advancement of His Kingdom? I pose the same question to this body. We have 38 churches and two missions; over 13,000 members, 6.5 million in total church receipts, total mission giving \$843,000, 240 baptisms. Incidentally, we had two churches that had not reported when these figures were totaled.

Here are some suggested ideas for this association to consider that certainly can help us make a difference in Wilkes County and especially a two mile radius of each church.

They are canvassing, revivals and harvest celebration, prayer walking, adopt-a-school and distributing Jesus films at \$5 each.

I am committed, under God's leadership, to making our association a GREAT COMMISSION association. Reaching the unsaved in Wilkes County with the gospel, and helping them to develop as believers. Everything we do in this association should be centered around these two spiritual emphases. Each church should agree to do the same. The things we do in this association and our churches should be centered around reaching the lost and discipling them in spiritual growth. This may mean that we need to stop doing some things that have become sacred cows and begin using new methods to achieve the God commanded plan of the *Great Commission*. Let us think and pray for a God-size task and commit ourselves to doing it.

When Jesus issued the command to "Go and make disciples of all nations and teach them," He also promised to be with us.

The scripture tells us that there isn't anything too hard for God, and that all things are possible through Him.

If we decide to take on a big task as an association, and it is in keeping with the *Great Commission* challenge to the early disciples, we can know that He will be with us and it will make an impact in Wilkes County and advance His Kingdom.

Special music was provided by the Ensemble from First Baptist Church. They sang "Yes Lord Yes" and "Hallowed Be Thy Name." The ensemble was directed by Mrs. Larisa Leapley.

SPECIAL MESSAGE – Rev. Mike Cummings, President of the Baptist State Convention brought the message with the topic being "Don't be Afraid of God's Will" Scripture was Acts 3:1-26. Rev. Cummings stated that he was anxious that something in his life be useful. People will understand what is on the hearts of others as they come to church. There are not only lame people, but also lonely people coming to church. Most all people coming to church have some kind of problems. We were advised not to be surprised if while at church we find there are people with problems and we are there to pray and help comfort them. While we come to church we will come into the presence of God and if we allow ourselves we will be humbled to the needs of others and be humbled within our own hearts. Coming to church will give us an experience with God and when we receive this experience we will be ready to preach Jesus.

RESOLUTIONS COMMITTEE – Dr. Nelson Granade, Jr. thanked the host churches, Moderator; Rev. Robert Duncan, Director of Missions; Rev. Lawson Horton, and Mrs. Diane Shaw for their hard work and dedication to make the Annual Meetings a success.

Attendance – 34 Churches, 140 messengers, 33 visitors, 2 staff, 175 present.

Closing Prayer was led by Rev. Robert Duncan.

Meeting adjourned at 9:25 p.m.

Respectfully submitted,
Lois Woodie, Clerk

DIRECTOR OF MISSIONS REPORT

I could report the number of meetings conducted, conferences attended, speaking engagements fulfilled and miles traveled, but I want to share my feelings about this association and the role I perform.

It is a joy to serve the Lord with the people in our churches of the Brushy Mountain Association. I have found pastors and congregations most cooperative and willing to help.

Many of you have held an office or served on committees. You have made my task more pleasurable. I am indeed grateful for the support that many have given. Let me also express my appreciation for the financial contributions and prayers that are made concerning the ministry of our association.

God continues to give us opportunities to meet the needs of others. I'm sure it is because of the willingness on the part of our people to give of themselves, their time and monetary means to the Lord's work. The Bible indicates in Luke 19:11-27 that if we are faithful in carrying out our responsibilities with what God provides He will reward us with greater and harder tasks to do. If God is going to keep giving us more work to do, then I want to do everything I possibly can to assist our people in achieving those assignments. I believe my call to this role, as Director of Missions is to commit myself and the resources of the associational office to aid our churches in ministry. I believe our main goal is reaching people with the Gospel of Christ, encouraging them to trust Christ for salvation, and grow in their relationship with Him. Most of this is accomplished through the doing of missions. The idea is to show people we care as God's dear children, and as they respond to Him, help them develop a love relationship with Him. My aim in doing missions work is to evangelize the lost. If this is the main objective, all else we do in the association in programs and events will be to equip our churches for that important business.

I encourage the people in the churches of our association to tell us what you need, and I pledge myself and the office staff will make a valiant effort to meet that need. We are here to serve, not to be served.

Respectfully submitted,
Rev. Lawson Horton

BROTHERHOOD REPORT

Royal Ambassadors is the mission organization for boys in Brotherhood work. This year the association sponsored a "RA Jamboree", a model car competition, and track meet for this mission group. These same events are scheduled for this next year. Details will be made available as the time draws nigh.

Baptist Men is the mission organization for men ages 18 and up. Many of our churches observe Baptist Men's Day, recognizing the men in the church and giving them an opportunity to lead in worship. This usually is done in January. Baptist Men can also attend the annual Baptist Men's Convention held during the year. This convention is conducted the last weekend in January. Men can learn much about mission projects that are being requested nationally and internationally at this meeting.

We have tried, through the association, to encourage men to get involved in these activities and other mission needs locally and out of town as we learn and can share information about them.

BROTHERHOOD REPORT (continued)

We have had several brotherhood groups to participate in various mission projects during the year. They have worked on the Habitat House our association sponsored, traveled to New York to put a roof on a church, distributed blankets and other warm clothing in New York City, remodeled cabins at Mundo Vista, rebuilt homes in Honduras, and provided construction for churches in South Africa.

We will be encouraging men to continue being involved in the South African Partnership and the long-standing relationship with Graffiti Ministry in New York. There will be other opportunities for men this next year. Men can learn how to strengthen their own church brotherhood by attending the leadership training meetings provided by the association.

Two new mission projects will be introduced this year. They will be an Alaskan Partnership and an Appalachian Mountain Ministry, covering 10 states in the Appalachian Region, which is adopted by our Baptist State Convention. More information will be available on these happenings as they further develop.

One other major event will take place in our association that may interest our Baptist Men. This will be Disaster Relief and Recovering Training that will be held in the Spring. Tim Shaw, who is currently serving as our Brotherhood Director, is organizing this meeting. God has given each man something he can contribute in ministry. It may be public speaking, witnessing, or working with your hands. Listen to the call that comes for help. If your God given gift fits the need, then share it that others may be blessed and our Lord glorified.

WMU REPORT

As the year is coming to a close and we are hearing a lot about a new millennium, we cannot help but ponder. "What does God have in store for us in the next thousand years." The WMU theme for this last year of this century (1999) has been "Transformed" with the theme for 2000 being "Transformed Take the Stand." What a great time in history to be "Transformed" and take the Stand for Christ.

Our year began with being a part of the Apple Festival Ministry on October 3, and attending and reporting to the Brushy Mountain Annual Meeting on October 5-6. On October 11th we collected 1,094 food items for World Hunger Day and gave these to Wilkes Cares.

On November 2 we joined Baptist Women from around the world for Baptist Women's World Day of Prayer. Welcome Home Baptist served as host for this event. We collected \$104 to be used for women's projects around the world. November 29th – December 6th was the week of Prayer for International Missions and a time to collect the Lottie Moon Christmas Offering.

North Wilkesboro First Baptist hosted the Women on Missions Prayer Retreat on February 13th "Transformed" the book and our theme was lead by Ailene Whittington and Linda Phillips with several of our women and men participating and Jan Anderson lead the music.

During the Focus on WMU Week, February 14-21, 1999, we encourage the individual churches to recognize their Mission Friends, GA's, Acteens and Women on Mission organizations along with their leaders and accomplishments. The theme for this week was, "From WMU with Love."

WMU REPORT (continued)

The churches were encouraged to participate in the Week of Prayer for North American Missions in March and collect the Annie Armstrong Easter Offering.

On May 4th, Mt. Pleasant Baptist was host to the WMU Annual Celebration. Colleen Huffman, Camilla Lovette, and Pauline Taylor provided a skit. The guest speaker was Barbara Hill, a NC State Resource Team, who related how WMU had “Transformed” her life through Mission Friends, GA’s, Acteens, and Women on Mission. Food for thought that she left with us was, “They don’t care how much you know until they know how much you care.” Lawson and Carolyn Horton provided special music. Several GA’s were recognized for their achievements in World Adventures and Angela Martin, an Acteen from New Hope Baptist, was recognized and given a gift for having completed all levels in StudiAct and was continuing to work on her NC State Citation Award. Great job Angela!

Many women from our association received extra training by attending WMU Extravaganza at Ridgecrest in April.

A great morning of fun led by Dottie Greer for Mission Friends was held at Greater Vision Baptist on May 22. They learned about missions, did crafts and enjoyed a hot dog luncheon.

On July 9, associational leadership team members attended a workshop at Caraway Conference Center. July 31 found Acteens and their mothers enjoying a tea held at Hinshaw Street Baptist and lead by Maggie Moore.

A giant yard sale was held by the associational WMU at Millers Creek Baptist Church’s parking lot on August 28 to benefit Camp Mundo Vista.

Wilkesboro Baptist was host for the Annual Church Leadership Workshop on August 23.

It is great to be able to say that all our events this year were well attended and a special thank you to those who attended, led, made refreshments and to the churches who allowed us to use their facilities.

Our “curtain fund” was finally depleted this year as Willa Crysel volunteered to make curtains for the associational office. These were hung by members of the leadership team – “Thanks” to each of you.

We also had an Acteen, Miranda Mathis, from Wilkesboro Baptist serve on the NC Acteen Advisory Panel.

May each of you find the place God wants you to serve in the new millennium, as we are “Laborers Together with God.”

Mrs. Judy McGee, Director

DISCIPLESHIP TRAINING SUPPORTER REPORT

Discipleship Training is important and necessary because it is Biblical. In one of Jesus’ appearances after His resurrection, He said to His followers, “go ye therefore; and teach all nations, ...teaching them to observe all things whatsoever I have commanded you:...” (Matthew 28:19-20) Christians need to be disciplined in the truths of God’s word to be effective followers, servants and leaders.

Several helps are available through the Southern Baptist Lifeway Christian Resource organization and other religious entities that will assist new and established believers in their

Rev. Ed Taylor will serve as the consultant in Discipleship Training during this year. According to the new associational calendar, he plans to provide some meetings to assist churches in discipleship training. Discipling believers is not an option for the church, it is a command from our Lord. It can only strengthen the fellowship of church members and better equip them for ministry.

EVANGELISM REPORT

The year 1998-1999 has been an exciting year for the Evangelism Committee as we have tried to prepare for the year 2000. We have not had as many meetings or events as in the past, but our main focus has been on *Celebrate Jesus 2000*. Our goal this past year has been to involve as many churches as possible in this effort. I would love to have seen more churches involved in this tremendous spiritual undertaking. The first part of this year we spent much time in planning and preparation for each step that we would take. Our goal then was to reach out to all the people in our county and that is still our objective.

On August 7, we had a *Celebrate Jesus 2000* Family Festival with approximately five to six hundred people attending. This was a gospel singing and a family day of fun, including horseshoe pitching, games, astro jump, dunking booth and plenty of food. The purpose of the event was simply to share Jesus with people. We are excited to report that two people came to know Jesus as a result of the event and I would like to thank all the people who helped make this possible.

We also planned a prayer walk for Saturday, September 18th from 9 a.m. to 11 a.m. and had a booth at the Apple Festival on October 2. We are grateful for the churches that participated in these events.

Plans for the coming year include a meeting in November 2000 at the Walker Center with Brother Kenneth Ridings as the guest speaker.

Please pray that God will continue to bless the work of our association and our Evangelism Committee. Special thanks to Lawson Horton for the leadership he has given us.

FRUITLAND BAPTIST BIBLE INSTITUTE REPORT

The vision of Fruitland as a school for ministerial training was born among North Carolina Baptist leaders in 1946. That vision of providing academic, spiritual and practical training still sustains the ministry of the school today. The door of opportunity for preparation to serve is still open to those who, for various reasons, do not find that other avenues of preparation meet their needs.

This past year has been another good year for Fruitland. Inquiries and visits by prospective students continue to be numerous. The enrollment has held steady during this year with an average enrollment of 204 and an enrollment of 222 in the fall quarter of 1998. The student body is diverse with a variety of ages and backgrounds represented. Recently, international students have been enrolled from Barbados, Haiti, Ukraine and Bulgaria. A large percentage of our graduates continue to enroll for further study in a number of institutions of higher learning. The good records of these graduates confirm the fact that our academic program prepares our students to proceed toward higher academic goals. Graduates are serving in various positions of ministry including pastor, staff member, chaplain, missionary, evangelist and director of missions. Sixty-two students graduated this year.

During the year our curriculum has been expanded by the addition of a course in the area of youth ministry taught by Mark Hunnicutt, Minister of Students at Mud Creek Baptist Church, Hendersonville, NC. He is a graduate of Fruitland and a graduate of North Greenville College, Tigerville, SC. He is enrolled in further studies leading to the Master's degree. J. D. Grant has become a full-time member of the administration as Vice President for Development. He is a graduate of Fruitland, Western Carolina University and New Orleans Baptist Theological Seminary from which he holds the Master of Divinity degree. He continues to teach in areas of discipleship and literature.

Campus life was enhanced this year by a number of special events. The annual preaching week was held in October in conjunction with Alumni Day. The speaker was Evangelist Bill Stafford of Chattanooga, Tennessee. The annual Bible conference was another highlight of the year with D. L. Lowrie of Lubbock, Texas, and Ron Dunn of Irving, Texas, as the visiting speakers. Founders' Days were observed in May with Herb Revis of Jacksonville, Florida, and Ron Barefield of Ripley, Mississippi, as visiting speakers. An annual Sunday School conference was held in November led by the Sunday School staff of the Baptist State Convention.

The final architectural plans for the Randy Kilby Memorial Library have been completed. Groundbreaking for the new facility was held in connection with Founders' Days on May 4, 1999. Participating in the groundbreaking were: President Kenneth Ridings; Vice President for Development, J. D. Grant; Chairman of the Board of Directors, Steven Walsh; Vice President for Academic Affairs, Thad R. Dowdle; Roy Kilby, brother of Randy Kilby, representing the Kilby family; a representative of McCulloch and England of Charlotte, architects; and a representative of McCarroll Construction Company of Arden, NC, builder. Plans are projected for a possible date to begin construction during the summer quarter. Also, an additional house with two acres of land, which joins the school property, has been purchased. The house will provide housing for a student family.

The "Fruitland Family" is happy to be part of the continuing ministry of North Carolina Baptists. Visitors are welcome on the campus at any time. Senior adult groups continue to visit with regularity. Anyone interested in bringing a group to visit may contact the Campus Services Director, Todd Edmiston, at 828-685-8886 or by e-mail at Fruitland@brinet.com. The campus is beautiful during every season.

SCHOOL OF CHRISTIAN STUDIES REPORT

This past year has been successful for our studies. Classes on New Testament Survey, Parts I & II, were held. Rev. Carlton Waddell was instructor for both studies. He is an excellent instructor.

A class began September 7 on "Introduction to Christian Beliefs". This class, taught by Rev. Waddell, meets at Oakwoods Baptist Church each Tuesday night from 7-9 p.m. A second class, "Survey of the Old Testament-Part I," began September 9 and meets each Thursday night at the associational office from 7-9 p.m. The instructor for this class is Rev. Steve Church. I want to encourage everyone, pastors and lay leaders, to consider attending our Christian education classes. They are an excellent way to increase your knowledge.

MODERATOR'S REPORT

I appreciate so much the privilege to serve our Association for the past two years. I am so proud to be a part of an Association that's busy for the Lord. I want to thank our director, Lawson Horton, and all the committees for all the hard work this year. I am so thankful for the many churches that are involved in our Association. I pray that all of our churches in the Brushy Mountain Association will get involved in the coming year. We can do so much for our Lord if we work together. I pray everyone will get involved in the *Celebrate Jesus 2000* effort to share the gospel with every person in our area. As we continue on for our Lord, let's all seek to be more committed to prayer, evangelism, missions, and discipleship.

Thank you so much for allowing me to serve.

ORDINATION COMMITTEE REPORT

The Ordination Committee is available to assist churches with the ordination of men who have responded to the call of God to the gospel ministry.

If at any time the assistance of this committee is needed, please contact the chairman or any member of the committee.

This past year we assisted with the questioning of Tim Roten and Grant Caudill who are now serving as Associate Pastors, working with youth at Edgewood Baptist Church and Oak Grove Baptist Church, NW, respectively.

MISSION DEVELOPMENT COUNCIL REPORT

As the 1998-1999 associational year draws to a close, we reflect back to how God has allowed this council to be involved in many mission minded endeavors. As we began the associational year, we were well underway with the "Agape House" Habitat project. The unity

of our churches working together was overwhelmingly pleasing. The Sparks family moved into the home and it has been graciously evident that God has blessed this family and all those who had a part in this special "building for Christ" project. Once again I would like to express a special thanks to those who shared in this endeavor through your giving or labor, monies, and prayers.

Some other areas of service that the Missions Development Council has partaken in are completing a Hispanic Survey, establishment of the "Praise" section of our associational newsletter to highlight and recognize various occupational and vocational interest, promoting and encouraging Camp Mundo Vista work groups, establishment of a benevolence fund at WRMC to aid and assist needy patients with such things as medicine prescribed at discharge and cab fare to transport discharged patients, placement of cellular phones, donated by U S Cellular in the Intensive Care Unit and the Labor and Delivery Unit for those needing to maintain contact with the hospital while being away from their friends and loved ones in these units on a short term basis, Soccer Tournament Ministry outreach, Disaster Relief/Recovery planning through NC Baptist Men, and planning of ministering to the employees and patrons of the upcoming County Agricultural Fair. We look forward to seeing what God has in store for the Council and for the Brushy Mountain Baptist Association for the upcoming year as we encourage all of our churches to continue to reach out to those in need through the gospel of our Lord Jesus Christ!

PASTORAL MINISTRIES REPORT

As Pastoral Ministries Director of our association, I am interested in reaching out and helping the pastors, staff, and lay leadership of our churches to grow professionally and personally. My role as Pastoral Ministries Director is to help meet the personal and professional needs of our people by setting up education workshops and seminars. Over the past year our association has offered the following.

On Monday evening, November 16, 1998, Dr. Ronnie Owen, an Old Testament professor at Fruitland Baptist Bible Institute, led our Pastors, Deacons, Spouses and interested Lay Leaders in an overview of our annual Winter Bible Study. Last year's Winter Bible Study was the Book of Joshua entitled, *Joshua, Courage for the Future*. The study was held at Pilgrim Baptist Church. A free meal and free Winter Bible Study book was given to those who attended. Our Winter Bible Study continues to be an excellent resource for Leaders and Lay People in our churches.

On Saturday, November 21, 1998, Chris Shelnut, "The Suitman," made a return visit for the ministers of our association. Chris sells suites, sport jackets, and other items of clothing at a reduced price. Chris displayed his clothing in the fellowship building of Pilgrim Baptist Church. Several of our churches took advantage of the bargains that were offered by "The Suitman".

On Monday, May 10, 1999, Dr. Alan Malchuk from **Rapha** led the ministers and leaders of our churches in an "Introduction to Christ Centered Counseling." Those who attended were impressed with Dr. Malchuk's approach and simplicity to Christ Centered Counseling. **Rapha** is a caring group of highly trained Christian professional counselors. **Rapha** is a resource that is available to all of our churches. A free meal was once again provided for those who attended. The session was held at Pilgrim Baptist Church.

I would like to personally express my thanks to the association for allowing me to serve as Pastoral Ministries Director over the past several years. I would also like to personally express my thanks to those who have worked so hard over the years at Pilgrim Baptist Church to make these workshops a pleasure and success.

Rev. Dennis Love, Director

PROPERTIES COMMITTEE REPORT

During the year, minor repairs were made at the parsonage that did not require excessive spending. We did experience problems with the septic tank connected to the office. The committee also learned that the water pipes under the office floor are old and brittle and are subject to produce water problems. Repairs will probably have to be made this next year to the roof at the office. The Director of Missions asked the moderator to appoint, at the annual meeting last year, two people to serve with the Properties Committee in determining what the future needs are for the office. That group continues to study and decide what recommendations to bring before the associational body in session.

We need to thank the churches in the association that contributed money to have new curtains made and installed at the office. The Associational WMU Council was responsible for this project. The curtains have improved the looks of the office interior. Please pray for us as we seek to suggest the direction we should take with our facilities.

Respectfully submitted,
Mr. Dean Walsh, Chairman

RESOLUTIONS COMMITTEE REPORT

The Resolutions Committee has received no resolutions from anyone during the Annual Session of the Brushy Mountain Baptist Association for consideration.

THEREFORE, the Committee offers the following:

WHEREAS, we have had a blessed and fruitful meeting in the annual session:

BE IT THEREFORE RESOLVED that we express our gratitude to the Pastor and families of both host churches, Fishing Creek Baptist Church and Northside Baptist Church, for the hospitality they have extended to both the messengers and visitors at this session:

BE IT ALSO RESOLVED that we express our sincere appreciation to the Program Committee, to all program participants, especially to the Moderator, Rev. Robert Duncan, for his guidance and manner in which the program was carried out.

BE IT ALSO RESOLVED that we express Christian love and appreciation to our Director of Missions, Rev. Lawson Horton, for his labor of love and leadership on behalf of our association for the past year.

AND FINALLY, BE IT RESOLVED that we express our appreciation and support for our Associational Secretary, Mrs. Diane Shaw, and to all who worked in the compilation of the program for our annual session.

Respectfully submitted,
Dr. N. Nelson Granade, Jr., Chairman

SUNDAY SCHOOL REPORT

Throughout the year, articles have been written by the Director of Missions explaining that changes are inevitable. This is true of Sunday School work. In the past, the Sunday School Board, which is now called Lifeway Christian Resources, has provided curriculum and training for state and associational leaders, but that is no longer the case. Each state must design its own methods of doing Sunday School work.

The "Reaching and Teaching" division of the North Carolina Baptist Convention has developed its own way of promoting Sunday School tasks. There will be state resource teams to assist associational resource teams in consulting opportunities to the local church.

A resource team has been formed in our association and they were to attend a training session in September, which would have prepared them to provide help to our churches but the meeting was canceled due to bad weather.

You may contact the associational office or Keith Wagoner, 973-7470, if you would like for the team, or any member of the group, to give assistance in Sunday School.

VACATION BIBLE SCHOOL REPORT

The Associational Vacation Bible School Clinic was held May 13, 1999 at Millers Creek Baptist Church in Millers Creek. There were approximately 125 people in attendance. The clinic for 2000 will be held on March 27, 2000.

INTERNATIONAL MISSION BOARD OF THE SOUTHERN BAPTIST CONVENTION REPORT

As we come to the end of 1999, we also come to the end of our **BOLD MISSIONS THRUST**.

As of May 25, 1999, the 143 new missionaries who had left for the International Mission Field made a total of 4,787 missionaries serving in 126 countries – but involved in reaching people groups in 184 countries. This is still some 213 short of our Bold Mission Goal of 5,000 for the year 2000 – but we still have a few months to go in this year. Our first goal of 10,000 volunteers had been met by the end of the 1980's and the second goal of 20,000 was just short by 1,011 at the end of May with 18,989 having served. There have been 185 Associates and Apprentices accepting the call to go where needed. These have been strengthened by 547 Journeymen and ISC Volunteers joining our missionaries to help them in their daily work.

At the end of 1998, there were 46,833 churches with 4,223 being started in 1998 and a church membership of 4.4 million. Also in 1998 there were 333,034 baptisms. The world population is 5.9 billion with 1.7 billion belonging to the Last Frontier peoples group. So you see there is still much to be done in reaching the world by 2000, which was one of our Bold Missions goals.

The Brushy Mountain Baptist Association had a good year in overseas missions this year. Six of our churches sent 30 short-term volunteers to 8 different countries. These volunteers ministered through Backyard Bible Clubs, construction projects, door to door witnessing, music and conducting worship services – or doing just whatever was needed for them to do.

Still, the hardest part of any mission trip is saying **YES**, but the best place in the world to be is in **GOD'S WILL**.

Mr. Carlos Pardue, Chairman

NORTH CAROLINA MISSIONS REPORT

The theme for this year's N.C. Missions Offering (NCMO) is "Hands of God" – emphasizing the ways we become God's hands on earth when we get involved in missions and ministry projects. While there are some we know who go to other continents for missions work, and some who go beyond our state borders, most of us spend the majority of our time, and likewise, have the greatest opportunity to minister in Jesus name, here in our home state of North Carolina. Jim Royston, Executive Director-Treasurer of the BSC, writes in the September 4 issue of the Biblical Recorder—

"One of the persistent myths that plagues our state convention is that virtually every North Carolinian is a member of a church or synagogue, and probably attends with some degree of regularity. I still hear those who question why we need to start new churches, re-double our efforts in evangelism, and strengthen the disciple and witnessing skills of our church members. Evangelism and missions, they feel, no longer need to be primary emphases."

Yes, North Carolina is a mission field in itself, from "Murphy to Manteo." By supporting the N.C. Missions Offering we can share in supporting projects that are "close to home."

NORTH CAROLINA MISSIONS REPORT(Continued)

Did you know that the entire budgets for our state Woman's Missionary Union (WMU) and N.C. Baptist Men as well as much of the ministries of the Mission Growth Evangelism Group comes directly from this offering? Approximately ten percent of offering receipts from each association is returned to them for local missions in their community. Last year, Brushy Mountain received approximately \$1,844 for our use in reaching out to our county. While most churches received the NCMO in the month of September, any funds received in the accounting office of the Baptist State Convention by December 31, will be included in the total given this year for the NCMO.

Some may wonder what areas of ministry they are supporting when they support the NCMO. Here is a sampling of where our gifts go:

Agricultural Missions
Assistance of Mission Volunteers
Associational Missions Leisure Projects
Baptist Nursing Fellowship

Chaplain's Conferences
Child Advocacy
Disaster Relief
Gifts to NC-born Missionaries

This list shouldn't limit us in our desire to be God's "hands" wherever we find ourselves in the journey of life. PARTNERSHIP REPORT

Partnership involves a mutual sharing of ideas and activities toward one or more goals. Our association has participated in several partnerships in cooperation with our Baptist State Convention. Technically, our state convention has only one working relationship existing which is Southern Africa. We have been privileged to have a team go this past May and provide construction on a church building. Another team will be leaving in late October to do evangelistic work in an Asian Indian church. There will be opportunities for others to go in the near future. Our Baptist State Convention tells me that there are more requests than can be filled, which means there will always be a need for volunteers to go meet the pleas.

There will be two more occasions to be involved in missions as our state convention links up with Alaska and the Appalachian Mountain Ministry that will be launched by January 2000. As information becomes available, an effort will be made to pass it along.

Though the New York Partnership connected with our state convention has officially ended, there continues to be a keen interest among several in the association for this ministry. Until further direction from our association, an effort will be made to supply money and manpower for this worthy endeavor.

A word of appreciation is extended to all who pray, give and go in the name of our Lord to reach the lost and develop believers here and around the world. Only God knows the ultimate good that has been accomplished through the volunteer Christian service rendered by the people in the Brushy Mountain Baptist Association.

THE NORTH CAROLINA BAPTIST FOUNDATION, INC. 1998 ANNUAL REPORT

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

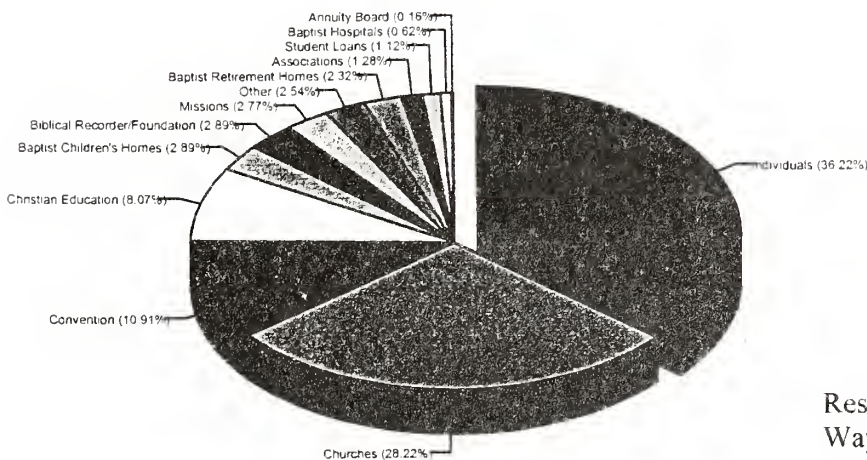

During 1998, the Foundation provided assistance to individuals in establishing 28 endowment funds and 11 charitable remainder trusts totaling \$1.4 million and received \$3.8 million in contributions to existing endowments all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for 94 churches and associations during the year to promote Make Your Will Month, Christian estate stewardship, and church fund management. Some \$639,000 from churches came under management to enhance numerous church ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes.

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund and a fixed income fund. During the third quarter of 1998, the Foundation enhanced its position even more by engaging the services of Salomon Smith Barney to help select top money managers in the country.

As of December 31, 1998, the Foundation held \$80,874,628 under management. This is an increase of more than \$8 million over 1997. During 1998, \$1,741,923 was distributed to individuals and \$2,772,599 to Baptist work for a total distribution of \$4,514,522. During the 79-year history of The North Carolina Baptist Foundation, Inc., \$14,217,160 has been distributed to individuals and \$22,305,008 to Baptist churches, institutions and mission causes for a grand historical total of \$36,522,168.

Meeting the
Challenges of
Health Care

Report to 1999 the Associations

HOSPITAL CARRIES THE TRADITION

In May of 1999, The North Carolina Baptist Hospitals, Incorporated celebrated 76 years of service to the community and the region. During these years the Hospital has been faithful to the vision of the North Carolina Baptist State Convention. When the Hospital was birthed, the Convention stated the reason for doing so was: *to extend the healing ministry which was demonstrated by Jesus Christ*. Many challenges have been faced through these years, but the commitment to compassionately strive for innovative excellence has remained the same.

BAPTIST BENEVOLENT CARE FUND

Baptist churches from all across North Carolina joined us in mutual mission through the Mother's Day Offering. This annual ingathering of love was approved by the Baptist State Convention of North Carolina in 1924. In 1998 the MDO amounted to \$530,874. It was used exclusively to help patients who had little or no health care insurance or no other financial means to pay their hospital bills. From the offering this past year, well over \$200,000 was used to assist members of our Baptist churches in North Carolina. May God bless all those who supported us with prayers and gave so generously.

DIVISION OF PASTORAL CARE

During the year, the Department of Chaplaincy and Pastoral Education provided worship services in Davis Chapel on Monday, Wednesday, Friday and Sunday, as well as services in the J. Paul Sticht Center. Chaplain supervisors, residents and interns made more than 50,000 ministry contacts last year. Seventy-five students graduated from the Department's fully accredited Clinical Pastoral Education program. Maurice Briggs retired from the Department in February after 30 years of service. He was known throughout the Hospital for his pastoral presence and the depth of his sensitivity and care.

The Department of Pastoral Counseling/CareNet, Inc. continues to expand its ministries. There are now 13 Christian counseling centers located in strategic areas from Franklin to Wilmington. During the year these professionally staffed centers will provide over 26,000 hours of Christian counseling.

The Center for Congregational Health, Inc. continues to expand its mission of helping congregations become healthier communities of faith. **Programs and assistance** offered to churches include: Consultation, Intentional Interim Ministry, and Leadership Development. **Resources for ministers** include: Young Leaders Program, Leadership Development Group, Interim Ministry Training, and Intentional Interim Ministry training.

FACTS ABOUT WAKE FOREST UNIVERSITY BAPTIST MEDICAL CENTER

- With more than 11,000 employees, four restaurants, two banks and a post office that handles more mail than some towns, the Medical Center has been called a city-within-a-city. We are the largest employer in Forsyth and Guilford counties.
- The North Carolina Baptist Hospitals, Incorporated has opened *BestHealth*, a community health information center, at Hanes Mall in Winston-Salem. The center will provide a library of books, audio and videotapes, limited Internet access, computer software and a variety of on-site programs to help area residents become better informed about their health and how to remain well.
- Building strong relationships with the community is important to us. A recent survey indicates that Medical Center employees donate more than 30,000 hours of volunteer service a year to more than 300 different organizations in our area.

POINTS OF EMPHASIS AND PROGRESS

Gamma Knife – The North Carolina Baptist Hospitals, Incorporated will have the only one in the state by this fall. Patients with inoperable or inaccessible brain lesions benefit from the availability of this noninvasive procedure that gives the same results as surgery but with no need to open the skull or make an incision. This procedure has been found to be three times more effective in treating recurrent cancerous brain tumors than other radiosurgical tools. The Gamma Knife uses radiation to destroy tumors, vascular malformations and other benign brain lesions with pinpoint accuracy without destroying healthy, normal tissue.

Trauma Center – The Medical Center has the only designated Level I trauma center for northwest North Carolina. In the trauma center our goal is for the patient who needs surgery to be in an operating room 10 minutes after arriving at the Emergency Department. Surgeons, anesthesiologists and staff remain on duty 24 hours a day to handle such emergencies.

NASCAR – The North Carolina Baptist Hospitals, Incorporated is working with Motor Racing Outreach (MRO) to serve the fitness and rehabilitation needs of NASCAR Winston Cup Racing. A mobile fitness and rehabilitation unit is being provided for NASCAR Winston Cup Racing drivers, crews and families.

Ranked Among the Nation's Best – The North Carolina Baptist Hospitals, Incorporated is among the nation's best hospitals in ten of 16 specialties, according to rankings published in the July 1999 issue of *U.S. News & World Report*. These 10 areas are: cancer, cardiology and heart surgery, geriatrics, gynecology, neurology/neurosurgery, orthopaedics, otolaryngology, rheumatology, digestive tract, and urology.

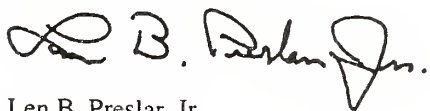

Newest Treatment for Epilepsy – Wake Forest University Baptist Medical Center offers a new treatment for epilepsy - a "pacemaker for the brain" that can help control seizures in patients who are not helped by medication and are ineligible for surgery.

Information and Appointments – For more information and to make an appointment with a physician, contact HEALTH ON-CALL® at 1-800-446-2255.

A CLOSING WORD FROM THE PRESIDENT

From the beginning in 1923, The North Carolina Baptist Hospitals, Incorporated has dared to reach and grasp that which others thought was impossible. For many years we have been thought of as a referral hospital where we received the most severe medical cases. Over the years we have become one of the leading research centers in the Southeastern United States. Each role compliments the other. It is a great challenge to innovatively treat these extremely difficult cases and heartwarming to see our compassionate physicians and staff assist in the healing process. People have learned through the years to expect from us the very best in health care. We are committed to make sure that their highest expectations are always met or exceeded.

*"Lord . . . you have made my lot secure. The boundary lines have fallen for me
in pleasant places; surely I have a delightful inheritance."*

- Psalm 15:5-6

Because of your generosity, Psalm 15 can be the testimony of over 500 elderly saints who reside at the Baptist Retirement Homes of North Carolina. Their lot is secure. They live in pleasant places. They have a delightful inheritance.

" . . . You have made my lot secure"

Through Cooperative Program gifts and special offerings, Baptist Retirement Homes is providing \$1.7 million in benevolent care for the elderly poor of North Carolina during 1999.

Additional benevolent funding will provide care at The Gardens at Taylor Glen, a new continuing care retirement community being built in the Concord/Cabarrus County area.

For the growing numbers of individuals and families facing life-changing decisions about care for their aging loved ones, Baptist Elder Care Network offers cost-free information from knowledgeable and caring resource counselors. Regardless of the aging-related issues families face, our statewide system of counselors can provide answers that are reliable and reassuring.

" . . . The boundary lines have fallen for me in pleasant places."

In June, the Fowler Memory Enhanced Residence at the Western North Carolina Baptist Home in Asheville was completed. This new area is designed to meet the needs of the many older adults who experience memory-related conditions, such as Alzheimer's Disease. At the Fowler unit, residents whose perception of reality may change noticeably from day to day find stability in a "home-like" environment. They function more confidently amid the familiarity of a traditionally furnished living room, kitchen, dining room, and bedroom, and they sense peace and serenity as they wander among the flowers, fountains and walking trails of the garden area.

Similar facilities will soon be available at Baptist Retirement Homes' Brookridge Community in Winston-Salem and at the Gardens at Taylor Glen Community in Concord.

" . . . Surely I have a delightful inheritance."

Being part of the Baptist Retirement Homes Family and resting comfortably in its care is a wonderful inheritance. Thank you for helping us make life for our elderly . . . The Best of Times!

***Biblical Recorder* Associational Report**

The *Biblical Recorder* is the official news journal of North Carolina Baptists. The earliest version of the *Recorder* was founded in 1833 by Thomas Meredith, who had also been influential in the birth of the Baptist State Convention in 1830. The *Biblical Recorder* was owned and operated as a private enterprise in support of Baptist work in North Carolina until 1938, when the paper was purchased by the Baptist State Convention and incorporated as an agency of the convention. A number of able editors have served the *Biblical Recorder*, which is widely acknowledged to be in the top echelon of state Baptist papers. The current editor is Tony W. Cartledge, whose tenure began on January 1, 1999.

The *Biblical Recorder* plays a strategic role in promoting God's kingdom work through North Carolina Baptists. On April 22, 1999, the Board of Directors of the *Biblical Recorder* adopted the following mission statement: "*Our Mission is to further Christ's kingdom by providing relevant news, insightful opinions and supportive resources to North Carolina Baptists in a timely and accessible fashion.*"

The *Biblical Recorder* belongs to all North Carolina Baptists, and appropriately reflects the geographical, ecclesiological, and theological diversity that is typical of the churches making up the Baptist State Convention. The editors and staff of the *Recorder* work diligently to offer a fair and balanced presentation of the news that most affects the life and ministry of North Carolina Baptists. Opinions advanced through editorials, letters, and analytical essays help to spark the thinking of North Carolina Baptists who want to make up their own minds about important issues. Feature stories about notable or innovative activities of churches and associations, regular reports on partnership missions efforts, and weekly commentaries on the most popular Sunday School lessons offer ideas, encouragement, and inspiration to readers of the *Recorder*.

To communicate more effectively and to present the most important news in a more timely fashion, the *Biblical Recorder* has developed a popular presence on the World Wide Web. The *Recorder's* website at <http://www.biblicalrecorder.org> offers Internet users an opportunity to read much of each paper's content several days before printed versions arrive. This is particularly helpful during convention meetings and at other times when frequent updates are desirable. As time and resources allow, additional features will be added to make the website an even more valuable source of information for North Carolina Baptists.

The *Biblical Recorder* works in partnership with the Baptist State Convention, and receives annual support from Cooperative Program gifts as an agency of the Convention. This support makes it possible to offer the *Recorder* at very affordable subscription rates. Currently, the annual rates are:

- ◆ Church News Service (incorporates church newsletter into the *Recorder*) - \$6.36
- ◆ Every Home Plan (20%+ of church families, paid through the church budget) - \$7.42
- ◆ Club Plan (4 or more persons in a church subscribe together) - \$8.48
- ◆ Individual Subscription - \$10.60

ANNUAL REPORT TO THE ASSOCIATIONS
1999

It is a joy for the Christian Action League of North Carolina to serve the churches of this great state. We continue to work to inform the Christian community about the moral issues that face our state and nation. Our goal is to address these issues with the principles of God's Word, the cornerstone of all truth.

A. Christian Values

- It was the pleasure of the Christian Action League to be one of the sponsors of the Fourth Annual Christian Heritage Week of North Carolina held in March. The League encouraged schools, churches and communities to recognize, commemorate and learn about the Christian heritage and history of our nation. CAL assisted in sponsoring a state-wide essay contest for high school students (public, private and home schools) and presented state winners with awards for excellence.
- Continued to promote Christian citizenship throughout the churches and communities of our state. CAL has distributed over 14,000 copies of the Ten Commandments to churches, businesses, schools and homes across North Carolina. Promoted Sanctity of Human Life Sunday and the National Day of Prayer statewide.
- Held a Church Leadership Legislative Day on April 6, 1999. The purpose of this day was to have pastors and church leaders to come together and enjoy fellowship, meet and hear some of our legislators and become more aware of how state government and the legislative process works.
- Promoted awareness of the worldwide persecution of Christians through faxes, emails and newsletter.

B. Gambling

Lottery proponents continue in their efforts to bring a state-sponsored lottery to North Carolina. Four lottery bills were introduced this session. CAL monitors these efforts and updates the Christian community on lottery information through letters, calls and our fax and electronic mail networks. Lawmakers have continued to receive a barrage of communications from across the state saying that the lottery is a bad bet for North Carolina.

C. Sex Education

Worked with other Christian and pro-family groups to see that the state mandate for Abstinence Until Marriage education is implemented state-wide. Also, supported efforts to insure that federal grant money designated to promote abstinence education was used properly. Informed citizens and legislators concerning attempts to fund school-based clinics in North Carolina schools.

D. Abortion

CAL monitored SB 349/HB 1066 (Act to Ban Partial Birth Abortion), this legislation would have made this type of abortion a class H felony for anyone who performed the late-term procedure. This bill died in committee. Successfully encouraged legislators to limit the State Abortion Fund to cases resulting only from rape, incest and the life of the mother. In the last four years, only one abortion has occurred under these circumstances using tax-payer funds.

E. Alcohol

CAL monitored all legislation concerning alcohol and other drugs. Successfully supported efforts to strengthen DWI laws. Assisted communities in organizing committees to fight alcohol and drug use. Informed citizens statewide about legislation that would have approved alcohol sales without the vote of the people. Four bills were introduced this session that would have permitted alcohol sales without a voter referendum; SB 17, SB 173, SB 606, SB 607 and HB 1043. Provided awareness, education and resource materials related to substance abuse problems to churches, communities, etc.

F. Pornography

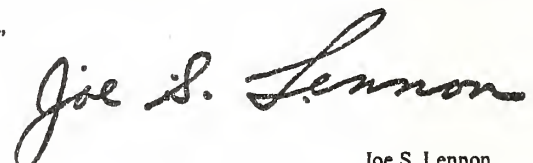

Worked against HB 1248 which would have allowed individuals to perform in the nude if it "occurs as part of a play, dance, performance or artistic creation that contains serious literary, artistic, political or scientific value." The bill died in committee.

G. Homosexuality

CAL supports efforts to strengthen the traditional family and continues to monitor and inform the public about the activities of those who promote the radical homosexual agenda. HB 884 and SB's 701, 884 and 759 were all introduced to promote the acceptance of homosexuality as an alternative lifestyle. CAL with other like-minded organizations fought these bills and they were defeated. Worked against HB 1398 (Needle Exchange Program) which would have allowed the state to furnish free needles to drug users using tax-payer dollars.

"N.C. Baptists have been involved in Christian higher education literally since the day the Baptist State Convention (BSC) was born," wrote Dr. Jim Royston, Executive Director-Treasurer, Baptist State Convention of North Carolina, for *The Biblical Recorder*.

Dr. Royston's correct. North Carolina Baptists have placed a high priority upon Christian higher education through the years. As a result, a large number of our pastors, staff ministers, and lay-leaders have been educated by one of our Baptist institutions, helping our churches develop as places where the Gospel is treasured and Christ is honored.

Maintaining close ties to our churches and associations is important to our institutions. This is one of the primary missions of the Council on Christian Higher Education. Founded in 1944, the Council seeks to foster good communications between our churches, associations, and institutions of higher education.

Divinity schools and centers for congregational growth serve as positive demonstrations of our institutions' desire to enhance the life in our churches and associations. Current and future leaders are being trained through these facilities.

According to the Executive Director of the Council on Christian Higher Education, Dr. Wayne D. Wike, "North Carolina Baptists are fortunate to have administrators and faculty members who are committed to enriching the life of our Convention."

Gifts to the Cooperative Program assist in helping our institutions fulfill their missions. Members from cooperating churches are eligible, as a result, to be considered for scholarships to attend one of our colleges or universities. In addition, North Carolina Baptists who meet the admission requirements for the divinity schools at Campbell and Gardner-Webb Universities are eligible to receive \$8,100 grants toward their theological education. Students who choose to attend another divinity school are eligible to receive \$3,000 toward their educational expenses. All of these are made possible as a result of gifts presented to the Cooperative Program of the Baptist State Convention of North Carolina.

As Dr. Royston wrote, "Baptist colleges are still a priority of our state Convention. It is my hope and dream that more and more students from our churches will attend our schools, and graduate as leaders for our state and nation, as well as for our churches."

Our colleges and universities share Dr. Royston's hope and dream. They, too, believe graduates from our campuses will make a difference in our state, nation, and Convention.

Michael C. Blackwell, *President*

Three rocks beside her trailer house warned four-year-old Mamie not to tell anyone of the way her father was abusing her.

If she ever told, her father said, those stones would mark her grave and the graves of her two best friends.

"He had already killed my dog," says Mamie, now 16. "So I believed him."

When authorities discovered Mamie's abuse at the hands of her father, she was taken from him, and he was charged, but released on bond. He came to the house where Mamie was staying to kill the people in the house...and her. But he was subdued. She heard him through the wall threaten her death while she cowered inside.

Mamie's mother, who left the family when Mamie was six weeks old, attended her father's trial, but only "to see if Mamie looked like me." Mamie never saw her.

George and Linda Hogan, believing "every child deserves a childhood," took Mamie in and raised her as their own. They met her while delivering communion elements to her grandmother.

"It's been a struggle, but you do the best you can," said Linda, who suffers with diabetic ulcers. After her 71-year-old husband had a second heart attack, Mamie became too much for the couple to handle.

She lives now at Moody Home, a structured value change home for girls in Franklin, one of 13 facilities operated by Baptist Children's Homes of North Carolina.

Shredding the Safety Net

Mamie pressed the boundaries of love, and George and Linda weren't physically able to pull her back to safety.

"I tried to push the boundaries a little further and a little further, to see how far I could push before they snapped. Finally, they couldn't take it anymore," Mamie said.

Baptist Children's Homes serves families who "can't take it anymore," who have children or grandchildren whose behaviors are out of bounds.

In 1998-99 BCH served 1,646 children and their families through 13 facilities statewide. BCH operates residential campuses in Thomasville, Pembroke, Kinston and Clyde; a maternity home in Asheville; a teen mother/baby home in Lenoir; values change

homes for girls in Franklin and Lenoir; therapeutic camping in Cameron; crisis cottages at the residential campuses and in Waynesville; and model day care in Thomasville.

Beginning with Easter 1999 and continuing through Thanksgiving 2000, BCH instituted a 20-month institutional emphasis of "Quality Service Through Quality Relationships." Michael C. Blackwell, president since 1983, is "committed to keeping our staff and our services fresh and vital to meet ever changing needs."

The emphasis places top priority on relationships to achieve the highest quality of service possible. The QSTQR operating theme will permeate every action, program and effort within the institution and without.

The word "quality" has been overused and under-realized, and it too often cloaks mediocrity with imagined value. There will be no such veneer at BCH.

Building and Renovating

BCH moved ahead its Odum Home campus in Pembroke to meet new challenges April 27, 1999 by dedicating two major campus renovations. Space for 10 boys was added to the old "main" building which was named Luther and Audrey Carter Hall, in honor of the donor couple who left their estate to BCH.

The former house used for a director's residence was renovated to serve five girls in transitional care and named for longtime trustee and supporters Abe and Jackie Elmore.

Total renovations increased capacity at Odum Home from 28 residents to 45. Additionally, 10 day students from Pembroke Middle School will be served at the Winifred Lindsay Education/Administrative Center. These students have issues to resolve that do not require them to be in residential care.

At Cameron Boys Camp May 4, two important staff lodges were dedicated: the A.J. Fletcher Lodge and the Hubert M. Craig Lodge. These lodges provide staff housing, a rare commodity in wilderness setting in which Cameron Boys Camp operates.

"North Carolina's largest family" is grateful to our North Carolina Baptist partners, as together, we help hurting children and heal broken families. To secure our new video about BCH, schedule a speaker or access services call (800) 476-3669.

They also attended the Western Youth Conference at Mars Hill College, a week of Bible Study and spiritual enrichment. First Baptist Church hosts the Samaritan’s Kitchen of Wilkes which serves meals on Saturday at noon. We are sponsoring a family of six from Kosovo. We have furnished a home for them helping with supplies and adjusting to Wilkes. We also have helped with the needs of two other families consisting of 16 people. Groundbreaking was held in August for a second Habitat for Humanity house, a joint effort between FBC, the Presbyterian and Methodist churches of North Wilkesboro. We sponsored the annual chili supper to benefit the home. One of the highlights of our church was our “Pulpit Exchange”. During the month of July, our pastor, Dr. Nelson Granade, and his family traveled to Broad Haven Baptist church in Pembrokeshire, Wales. He filled the pulpit four Sundays for Rev. Ifor Williams. Rev. Williams and family came to FBC. It was a delightful experience for ministers, their families, and the congregations of FBC and Broad Haven. Mr. Mickey Leapley was ordained to the Diaconate. Our high attendance Sunday for the year was 254 in Sunday School and 375 in Worship.

Accepted challenge to help start a new church in Oak Creek, Arizona, sending them an offering to help on down payment on property they purchased. Had 23 adults and youth go on a mission trip to Savannah, Georgia in July. We praise God for a good VBS. We enrolled 110 and had four professions of faith. Rev. Harvey Clark served until March when church called Rev. Jeff Gibby as pastor.

LEWIS FORK BAPTIST CHURCH – New sanctuary begun.

LITTLE ROCK – Led by our Pastor, we have had a most inspirational year. Our mission groups have followed through on several projects, including the organization of church members to donate needed items for worthwhile charities. As part of our Senior Adult Program, they have enjoyed several festive trips. Our most recent accomplishment was the donation of time and energy by several church members to supervise the complete renovation of our Education Building. Air conditioning was also part of this project, adding cool air to all of our Sunday School classrooms. Special dedication services were held following the renovation of the kitchen and Fellowship Hall of the Education Building on May 16, 1999. There were brief messages by Rev. E. W. McMurray and Rev. OAK GROVE-MILLERS CREEK – Ordained two deacons, Mr. John Greene and Mr. Richard Caudill, to serve the church on Sunday evening, April 18, 1999.

OAKWOODS – Oakwoods continued its strong support of missions this year, both financially and with participation. Our church was blessed to be able to give \$67600 in our total mission support this year. Many members participate in local missions with our tape ministry, handyman ministry, and housewarming ministry. Our pastor and several members have participated in the prison ministry this year. Fruit baskets were made and taken to our elderly neighbors. The WOM provided personal care packages for the children in foster care in Wilkes County. Several members participated in national and international mission work. In December, six members went with other associational members to the Graffiti House in New York to distribute 1150 blankets, along with toboggans, socks, and gloves to the homeless there. This summer our Associate Pastor and Youth Minister, Rev. Victor Church, along with five other adults and fourteen of our Youth, went to Forestville, NY to conduct backyard Bible clubs there. They went door to door handing out gospel tracts and visiting with residents in that area. In August, our pastor, Rev. Robert Duncan, and Kevin Hitchner traveled to Caraoicuiba, Sao Paulo, Brazil. Rev. Duncan preached in churches every night and preached to the pastors in the association there. He and Kevin visited in the schools. Rev. Duncan and Kevin saw many saved during their time in Brazil. Andy Siegrist, a young man from our church, announced his call to preach this year. He will be entering seminary later this year. We have been blessed in increasing our staff this year. In August, the church called Rev. Victor Church a full-time Associate Pastor and Youth Minister and Rev. Carlton Waddell as part-time Minister of Education, effective September 1, 1999. Our Outreach Director, Chris Wilcox, has been busy this year. He has prepared a map and noted every household within two square miles of the church. The goal of Chris and the church is to visit in every household on this map and provide them with a gospel tract and church information by the end of 2000. Improvements to the church this year include completion of the library and conference room and replacement of some of the office furniture and equipment. Purchases include a grand piano and a metal garage at the parsonage to park the van. Through faithful giving, the church debt was reduced by \$135,300 this year. Oakwoods continues to be growth oriented. Our membership now totals 725 and 20 new members were

baptized this year. Oakwoods lost three members to death this year. They were Jetty Prevette on November 25, 1998; Sarah Baker on August 4, 1999; and Marjorie LaFollette on August 21, 1999. Submitted by: Joan Call and Linda McCann

PARKWAY GARDEN – Fellowship Hall added, along with kitchen, pastor's study, air conditioning added downstairs. Fellowship Hall dedicated to Rev. Gwyn Kilby on September 12, 1999. A portable PA system was purchased to be used for singing and benefits.

PILGRIM – This year we had several members go out on mission trips. We had some men that went to the Graffiti House, and eleven men went to upstate New York to help re-roof a church. One man went to Honduras to help with cleanup after a hurricane. One lady went to Mexico on a mission trip. This past summer we hired a Youth director. Mission group activities are as follows; Mission Friends collected balls and teddy bears for Christmas in Wilkes. GA's and Acteens collected coats for kids, sponsored 14 children at Mr. Pleasant Elementary School and had their annual drive for the Rescue Squad collecting bottled water. WOM participated in the Samaritan's purse shoebox ministry. RA's helped several people with some yard work, and they participated in the Brushy Mountain RA Jamboree and RA car race. Baptist Men sponsored the men on their mission trips and are in the process of upgrading the cemetery.

PLEASANT GROVE – Twenty-fifth anniversary service for our pastor, Rev. Phil Chapman.

PLEASANT HOME – Pleasant Home is seeing the mighty hand of God in several areas of ministry. Three men were called into the ministry and another into missionary service. One young lady who is called into mission service traveled to Mexico and two other young ladies served at Uplands Reach Conference Center during the children and youth camps. Seventeen participated in our summer mission trip to Morehead City. The ministry of Equipping assisted eight pupils in completing "Survival Kit" and fourteen studied "Experiencing God." The Ministry of Education developed a "Bible Class" teaching through the Books of Mark and James. The Minister of Intercession was created, being lead by a men's leader and a ladies' leader. The following improvements were made to the church during the past year: Repainting of all classrooms downstairs, repainting educational building, and fellowship hall. Equipped downstairs classrooms with cork strips, additional bulletin boards, clocks and lockable storage cabinets. Mini-blinds and chair rail molding were added to adult classrooms and offices. Additional lighting was installed in sanctuary over pulpit and choir loft. New air conditioning unit in sanctuary.

Emergency lighting installed in church and fellowship hall. Dedication of 1998 Chrismon Christmas tree was held "In Honor of" and "In Memory of" the church deacons. Donations made to Gideon Ministry, Wilkes Senior Citizens building fund and Broughton Cheer Fund. Successful and inspirational Spring and Fall Revivals were held.

STONY HILL – Paid off church remodeling debt.

WALNUT GROVE – Our Pastor, Rev. Horace Moree, resigned after 25 year and six months on June 27. The church gave Rev. Moree and his family an appreciation dinner for his many years of service.

WILKESBORO – We have had a great year. The Lord has really blessed us. WE have also experienced much sadness with the loss of thirteen members by death. We recommended three members who took extended studies under the Seminary Extension offered by the Brushy Mountain Baptist Association. October 25, 1998 was High Attendance day in Sunday School. We had a goal of 542 – we had 630 in attendance! Committees for *Celebrate Jesus 2000* were selected and have been working on ways that WBC might *Celebrate Jesus 2000*. Our Youth Ministry continues to grow. In June they went to Lakeland, Florida in partnership with the South Florida Association, working with them in Backyard Bible Clubs, with the Northside Missionary Church, an African-American congregation, doing some construction work and also some ministry at night with the puppets and

clowns for Senior Adult Retirement Centers. Our Royal Ambassadors have also been very active, raking leaves for the elderly and shut-ins, visiting the nursing homes on a regular basis, collecting money and food for the needy, participating in the Associational Pinewood Derby, State and Local RA Track Meet and several attended Camp Caraway. The Mission Friends, GA's, and Acteens have been hard at work with missions, visiting nursing homes and giving to local charities. The Acteens and Challengers attended a conference at Ridgecrest in December. Several Acteens did baby-sitting for the Sunday School parties and all monies received were given to the Youth Mission Trip. The Young Musicians Choir presented "The Rock Slinger and his Greatest Hit" under the direction of Morris Driggers. The "Handymen" have helped numerous families this past year, replacing roofs, bathrooms, installing handicap ramps, etc. Our attendance in Sunday School Services averaged 434 and our Wednesday Family Night Services averaged 233. WBC was fortunate to ordain Alfred Edward Andrews, III, son of our Pastor, Rev. Al Andrews, into the Gospel Ministry. This was a wonderful experience for all and especially the ones who had seen Eddie grow up into an adult. The "big" highlight of the year was for 15 adults from WBC to go to Romania on a mission trip. This was the first adult mission trip. Fourteen went in July and one went in June as a member of a medical team. Memories of this trip will last forever in the hearts of the ones who attended. A "Praying for You" seminar, directed by Howard A Tryon, Jr. of Phoenix, AZ, whose "goal is to train believers, ministry groups, and churches throughout American to reach their family, friends, neighbors, work associates through relational prayer witnessing" was held on August 8th and 9th. This was a wonderful experience for those that attended. On August 29th an Ordination and Installation of Deacons was held and David Byrd was ordained as a new Deacon.

ZION HILL – From January 24 through July 4, 1999, the church met a goal of \$4,000 to plant a church in India. College student Amber Glasco spent her second summer working with children at Graffiti House in New York through the North American Mission Board, and her youngest brother, Andrew, was part of a mission team who traveled there in April. Youth Group member Adam Glasco accompanied his father, Dennis Glasco, and Charles Billings on a mission trip to South Africa.

There are 28 honor clerks out of forty church clerks! These clerks had their church letter into the associational office by the deadline date with every blank filled, all totals correct, and all dollar figures rounded to the nearest dollar. Each of these clerks will be receiving a Certificate of Recognition (sent to the pastor) and have their name printed in the associational minutes. Their accuracy and promptness makes my job much easier.

Respectfully submitted,
 Mrs. Lois Woodie, Clerk

(Date)

Vote to make formal application for

membership in the Brushy Mountain Baptist Association. We have been introduced and have knowledge of the Baptist Faith and Message statement and do accept its teachings in belief and practice. We pledge to contribute financially to the Cooperative Program of the Southern Baptist Convention which supports the work of Baptists in the state, nation, and overseas, to give evidence of our missionary zeal. We further pledge to adhere to the Articles of Incorporation and By-laws of the Association and fully understand that we must comply with the guidelines for membership set forth in Article IV of the By-laws.

We commit to be a duly-constituted and organized Southern Baptist Church, and will maintain this status at all times, or will voluntarily withdraw from the Association.

We understand that upon submitting this application, accompanied with a Southern Baptist Convention Annual Church Profile, to the Association and its Membership Committee, and an investigation is completed and found favorable, the committee may recommend at any regular quarterly meeting that the church applying for membership be granted associate membership for one full year. The association may, then by majority vote, receive them as associate members. During that year, the associate member church must submit monthly written reports on forms provided by the associational office, and shall have the right to send non-voting messengers to the associational meetings.

We also understand that when the year has expired, the membership committee will further review the status of the church making application, and, if found favorable, will then recommend to the association in a regular quarterly meeting full membership of the church into the association. the association may vote to grant full membership, to extend the associate member status for another year for further review, or deny the application and terminate the associate member status. If the association then votes to receive the church, having the same rights and privileges as the other member churches, the moderator shall extend the hand of fellowship to its messengers.

**THE DEDICATION OF ANNUALS COMMITTEE
RECOMMENDS THAT THE MINUTES OF THE
ONE HUNDRED TWENTY-NINTH ANNUAL SESSION
BE DEDICATED TO**

MR. CHARLES EDD BILLINGS, SR.

AND

MRS. ELIZABETH EARP BILLINGS

CHARLES EDD BILLINGS, SR. was born June 24, 1942 to Rob and Jo Billings. He lived in Alleghany County for the first few years of his life before his family moved to the Boomer Community of Wilkes County where he still lives.

His wife, **ELIZABETH EARP BILLINGS**, was born October 3, 1942 to Bill and Topsy Earp. She has lived in Wilkes County all her life.

Both Charles and Elizabeth attended Wilkes Central High School. Charles was involved in many sports. After graduation, Charles attended Presbyterian Junior College (now known as St. Andrews College) on a baseball scholarship. Elizabeth enjoyed being a part of the band at Wilkes Central.

The two met while in high school. Elizabeth was a member of Zion Hill Baptist Church and while she and Charles were dating, Charles attended church with her. Charles was saved during this time and they are still very active members of Zion Hill Baptist Church. They love their church and fellow members very much and are always willing to serve the church in any way, anywhere they can.

Charles and Elizabeth were married September 2, 1961. They have two children: Charles Edd Billings, Jr., married to Pat, lives in Charlotte, North Carolina. They are expecting a baby girl, Olivia, in November. Their daughter, Sarah Elizabeth Billings Johnson, lives in Boomer. She has a son, Tyler, who was 7 years old in September of this year.

Charles has allowed his Christian dedication and willingness to serve to show in his workplace. He first was employed by Lowe's in Sparta before going into the construction business with his father, Rob Billings, and his uncle, Jake Billings. It was during this time that his father passed away. Later, Charles accepted a position with the Town of North Wilkesboro, where he eventually was named the Public Works Director. Charles retired from this job after thirty years of service in March 1999. He has been a dedicated worker and commended very highly by his co-workers, town managers, mayors, and anyone else with whom he had contact. He still "visits" the Town Hall regularly because everyone loves to see him and they always have some kind of "odd job" that they need him to do.

Elizabeth first became a secretary for the First Baptist Church in North Wilkesboro and then moved to the Town of North Wilkesboro. Later, Elizabeth accepted a position with the Department of Social Security. She retired from this job in December 1998 after thirty years of service. She, too, was very dedicated to her job and was praised very highly by her co-workers and others that associated with her.

Both Charles and Elizabeth have always shown the love of God through their loving and caring ways, no matter where they were.

As was stated, both are very active in their church, Zion Hill Baptist Church in Boomer. Charles is the Choir Director, Chairman of Deacons, Sunday school teacher, Financial Secretary, Brotherhood Director, and has served on various committees. He is always willing to do what is needed.

Elizabeth is a Sunday school teacher, WMU president, Bible School Director, Financial Secretary, Choir member.

Charles and Elizabeth have always enjoyed singing God's praises. They both have beautiful voices and have sung at many churches on many different occasions.

Both are very active in the association and missions. They have on numbers occasions been elected as messengers to the Brushy Mountain Baptist Association and served in other positions. Charles has been on four mission trips to South Africa; been to Kentucky; Buffalo, NY; Ohio; New York City and Warsaw, NY; Caswell; Camp Mundo Vista; helped with victims of Hurricane Floyd; worked with Samaritan's Kitchen; and worked with Habitat for Humanity (where he assisted with the building of Brushy Mountain's Habitat House). He will do anything he possibly can to help others, including telling of God's love. Charles is one of the most unselfish people God has ever created. Elizabeth volunteers at the associational office on a monthly basis, helping with the newsletter and other associational work. She works very closely with the Graffiti House in New York City; has worked with Caswell, Samaritan's Kitchen; Habitat for Humanity; and helped with Youth mission trips. She is willing to help where it is possible. She, too, wants to spread God's love when the opportunity arises.

They are also involved in their community. Charles serves on the Board of Directors for the Wilkes Telephone Corporation and Elizabeth volunteers at the Wilkes Crisis Pregnancy Center each week.

This couple truly shows love for their Lord by their willingness to serve him and their fellowman. For this reason, the 129th Annual of the Brushy Mountain Baptist Association is dedicated to **MR. CHARLES EDD BILLINGS, SR. AND MRS. ELIZABETH EARP BILLINGS. To God be the Glory!**

Respectfully submitted,
Mrs. Vicki Nichols, Chairman
Rev. Leon Church
Mrs. Becky Duncan

LEWIS FORK BAPTIST CHURCH 1792-2000

The Lewis Fork Baptist Church is located 11 miles west of Wilkesboro on Highway 421 and 21 miles east of Boone, in the foothills of the beautiful Blue Ridge Mountains in Wilkes County.

The year was 1792. The Declaration of Independence was only 16 years old, the United States Constitution hardly three. The President was George Washington. It appears that some time in 1792, a small group of Christians decided that they wanted a church in their community to worship in. As a result, Lewis Fork Missionary Baptist Church was organized, with Rev. George Wm. McNeill reported to have been the founder of the church. This church was organized in a log building near where the present building stands today. Services were held in this building for a period of about 28 years. Free school was also taught in this building for a number of years. In 1820 this building was dismantled and another log building erected in its place. It was used to hold preaching services in until about 1909.

As to whom the first pastors of this church were, we do not know. A member of the church at that time remembered hearing his father and mother tell about one, Rev. Daniel Welborn, who lived at Boomer, NC, a distance of about 12 miles from Lewis Fork Church, pastoring the church for 13 years, and riding a horse and fording the Yadkin River each time he came to preach, and was paid one pair of home-made knitted stockings each year for his 13 years of service. These stockings were knitted by Elvira Triplette.

There have been 27 pastors from 1841 until the present time.

The first time that we find Sunday School mentioned in the minutes is at the April meeting in 1879. Again in May 1889 the minutes show that the church voted to have a Sabbath School, and appointed George F. Manual as Superintendent; and at the May meeting in 1892, the church met at 10 o'clock on Sunday morning and organized a Sunday School, but did not state who was appointed as superintendent.

In 1909 it was decided to erect a new building. This building was a frame building, ceiled and weather boarded, and used for church services until 1947, when the church decided to erect a new building. It was remodeled in 1965 and a complete renovation in 1976. Another new building was completed in the year 2000 consisting of a sanctuary and fellowship hall.

The church voted to call a full-time pastor in January 1970. Rev. Sherrill Wellborn was called in April 1971 and still serves as pastor today.

We purchased a little church in our community (three miles from ours) that had not been open for several years. We remodeled it and now have services on Sunday mornings with approximately 25 people gathering to worship. It is called Lewis Fork Baptist Mission. The Pastor is Rev. Raytee Greene.

Our Senior Adults have a great time of fellowship and Bible study each Tuesday at 1 p.m. in our fellowship hall. At least once a year they take trips. Various points of interest have included the Bahamas; Niagara Falls, Canada; Williamsburg, Virginia; Amish Country, Pennsylvania; Chattanooga, Tennessee; Saint Augustine, Florida; Savannah, Georgia and shopping trips to different cities.

Our Youth have gone on mission trips to Myrtle Beach, South Carolina and West Virginia a number of times.

We have won the North Carolina State Grange Rural Church of the Year Award twice, once in 1979 and again in 1991.

We have had seven men called from our church into the ministry. They are Rex Foster, Wayne Adams, Hadley Triplett, Rick Tomlinson, Victor Church, David Wellborn, and Gary McLellan. Five are now pastoring churches.

Lewis Fork is a very rural church. Less than fifty people live within a mile radius of the church. We are the second oldest church in the Brushy Mountain Baptist Association. We are now enjoying our beautiful new sanctuary that was just finished this year.

Members alone, acting in the manner and through the messengers as set forth in the bylaws, shall have the authority to adopt and amend bylaws, approve budgets, receive members and govern and conduct the affairs of this corporation.

SECTION 2. Independent.

He challenges all brotherhood to go. February 12 – Car competition at Millers Creek Baptist Church at 9:00 a.m., and May 20 – Disaster Relief Recovery Training. Mr. Shaw stated that Romans Chapter 12 tells us that by grace we have been given gifts and we are to use them.

The Treasurer's Report was given by Mrs. Diane Shaw. She reported that as of January 10, 2000, total balance of all funds is: \$94,449.05. Of this amount, \$25,560.41 is designated for future building needs; \$23,033.95 is designated for the Prison Chapel; \$9,257.45 is designated for the Hispanic Ministry and Missions Development; and \$1,568.04 remains in the "Crusade" fund. \$29,782.75 of the fund balance is designated for budget use and the remainder is miscellaneous donations as noted in the printed report for items such as the digital duplicator, Graffiti mission, etc.

The Properties Committee Report was given by Rev. Jim Gore. Rev. Gore made motion as follows: "Based on the building survey, 13 of 17 pastors preferred relocating our office facilities. The Properties Committee elected by the Association requests permission to investigate the available options of relocating." Rev. Gore asked for any discussions concerning the motion. There were none. Motion carried.

Rev. Lawson Horton, Director of Missions, stated that the goal of the quarterly meetings was to be informative and spiritual for everyone.

Congregational Hymn – "We're Marching to Zion" was led by Rev. Lawson Horton and Mrs. Carolyn Horton accompanied on the piano.

TESTIMONY - Mr. Robert Pipes, a member of Moravian Falls Baptist Church gave his personal testimony. Mr. Pipes said he grew up in a family of nine children. His father was a Baptist minister and he attended church every time the doors were opened. He stated that his childhood in the church helped him through his military years. He then married and his wife was diagnosed with cancer in 1976 and the doctors gave her six

months to live. She lived until spring of 1994. One month before his wife died, his daughter was diagnosed with cancer and later died. Mr. Pipes said that when we get in a valley and climb out that we are stronger and with God all things have a purpose.

Special Music was given by Mr. Armit Tevepaugh who sang "Victory in Jesus."

The guest speaker was Rev. Bobby Stafford from the Baptist State Convention who led the Brushy Mountain Messenger Training. Rev. Stafford gave an overview of the history of associations and messenger duties. Messengers are stakeholders. The association is a faith-based nonprofit service organization with a bottom line task of "changed lives." The association can only change lives through its member churches so it focuses on its congregations. A general mission of the association is to partner with congregations to help them make quality decisions as they send maturing believers into the world to live and share their faith.

The idea of associations came from England in the mid 1600's. Philadelphia, Charleston, and Sandy Creek (North Carolina) Associations were the first in America in the 1700's. During the 30s – 50s the Southern Baptist Convention and state conventions viewed associations as a pipeline to channel their church programs to congregations. During the 60s – 80s Associations were self-centered. During this period of re-discovery, some larger associations saw themselves as conventions and grew staffs, started great ministry programs, and in general disregarded the Southern Baptist Convention.

Mr. Stafford believes the task of the association for 2000 comes from the following basic assumptions:

- God's vision for the people of this world is that all may know Him through Jesus Christ.
- God's plan is that mature believers are to live and share their faith with the unchurched.
- The church must assume the task of transitioning unbelievers into missionaries and sending them into the world to live and share their faith. The church is successful when it is sending, reaching, mending, and maturing believers to be sent.

The mission or purpose of the association is: The Brushy Mountain Baptist Association is a fellowship of churches who are reaching the lost with the gospel of Jesus Christ, growing disciples, and helping to meet the needs in our communities and around the world.

Attendance – Thirty-two churches, 150 messengers and visitors were present.

Rev. Dennis Love, Moderator, led the benediction prayer.

The meeting adjourned at 8:25 p.m.

Respectfully submitted,

Lois Woodie, Clerk

The Hispanic Ministry amount includes offerings received during their regular Sunday night church services. Plus other funds designated for such items as Graffiti, Crusade, Digital Duplicator, etc.

Rev. Jim Gore gave the Building Committee Report. He stated that the committee continues to explore options regarding relocation of our Associational facilities. Other than following up on several leads, the committee has nothing concrete to report at this time. The committee feels that we have the need for other persons to be on the committee. Rev. Gore made a motion that Rev. Dennis Love, Moderator, be authorized to appoint one other lay person and one other pastor to serve on the committee. Motion carried.

Miscellaneous Business:

Stony Hill Baptist Church is proposing to have a *Celebrate Jesus* Family Fun Day on September 30, 2000 and they encourage all other churches to start working toward this day.

Rev. Horton stated that the current computer was purchased in 1997 and cannot be upgraded anymore. Due to the complexity of publications and the necessity of downloading information from the NAMB, BSC, Lifeway, etc., from the internet, the current computer cannot handle the amount of memory required to do some of these functions and is continually "freezing" or "timing out."

The proposal for a new computer would include a Pentium III processor, 20.4 gigabytes of hard disk space and 128 megabytes of RAM. It would include special back-up system for backing up all files as well as a three-year "onsite" warranty and a high-tech power surge protection device.

Recommendation for approval was "That the associational office be given permission to purchase a new computer system, cost not to exceed \$3,600. This would increase the budget line item "Office Equipment" to \$6100 making the total budget for 1999-2000 \$159,351.44."

Once the new computer is in place and all files successfully transferred to it, the files on the old computer will be deleted and that computer will be used by the Associational Missionary for internet access and word-processing. A motion was made and seconded to accept the recommendation. Motion was approved.

Goshen Baptist Church youth, ages 4-13, conducted a special presentation of a Bible Drill. Mr. Sherrill Lowe led this. The presentation was to be an inspiration to all churches to begin Bible drill activities in their church. The youth did an excellent job.

Congregational Music was led by Rev. Lawson Horton and pianist was Mrs. Carolyn Horton. Songs sung were: "At Calvary" and "Children of God."

The Cub Creek Baptist Church Choir presented the Special Music. They sang, "He Purchased Me" and "He Still Reigns."

Rev. Homer Greene, Pastor of Cub Creek Baptist Church brought the message. Scripture was Colossians; Chapter I. Rev. Greene gave a special tribute to Rev. Lawson Horton and said that he was grateful for his vision and leadership in the association. He also said that he was thankful for members of churches who make up the association and stated God make me worthy of my friends. We are to worship for inspiration and challenge. The greatest witness that the world can experience is Jesus Christ because he saves us from our sins. Rev. Greene challenged all to go make disciples of all nations because less than 8% of the people are saved each year. Jesus Christ came to save that which is lost and the program of our Lord Jesus Christ is reaching the lost. We need to have the fire and passion that burned in our Lord. We are to ask ourselves "How much of Jesus Christ is in me"? Rev. Greene closed by saying let us continue the proclamation of the Lord Jesus Christ and be hot on the trail with God as your Master.

Rev. Lyn Lambert, Pastor of Greater Vision Baptist Church, led closing prayer.

Messengers Present:	110
Visitors Present:	36
Staff:	<u>3</u>
Total Present:	149

The meeting adjourned at 8:30 p.m.

He brought a motion on behalf of the Nominating Committee to approve Mr. Glenn Efird for Associational Sunday School Director. Rev. A meeting will be held with the school system to obtain more information and then the council will be in touch with the churches.

Mr. Harold Bass, Associational Music Leader, led music. Congregational songs sung were: "I Stand Amazed In The Presence" and "When We All Get To Heaven".

Concerned for the harvest means lost people are to be saved. God is trying to get our attention to do what he left us here to do. Dr Royston gave us four ways to partner. They are:

1. Make Christ the Priority.
2. Prayer the Principle.
3. Giving in Attitude.
4. Going our Practice.

ASSOCIATIONAL MISSIONARY REPORT

The word to describe what we were all about this associational year is "change." Change means to make or become different. That has definitely happened to us. During the past twelve months, we have entered a new millennium and due to modern technology changes have occurred rapidly which most likely will continue until the end of time. Sometimes these changes are subtle and at other times they are drastic.

Changes that have affected our association are the forming of a corporation, modifying our by-laws to meet current needs, changing our program structure to function better, voting to relocate to update our facilities and provide more space to hopefully minister effectively.

Our annual church profiles indicate we have been actively involved in being used by God to make a difference in people's lives. May our number one priority always be to evangelize lost humanity, not just to scrutinize our administrative organization. It is more important that we help prepare people to pass from this earthly life into the life beyond. It is my desire as we begin a new year that efforts will be made among us to develop a strategy that will help us be more diligent in influencing people through the ministries of our churches to be responsible followers of Christ. If changes are necessary in the future to accomplish this important task, let us cooperate as an association of churches under the leadership of the Holy Spirit to see it happen.

I would like to see an Evangelism Strategy Team formed to develop a five-year plan of reaching people for Christ through the work of the churches. Therefore, I would like to present a motion at the 129th Annual meeting, stating the following.

"The Executive Officers of the Brushy Mountain Baptist Association, which includes the Moderator, Vice-Moderator, Clerk, and Treasurer, work with the Associational Missionary in appointing a task force of 15 people consisting of laymen and ministers who will develop a five-year evangelism study plan for our Association and be prepared to report at the January Quarterly meeting in 2002."

Respectfully submitted,
Rev. Lawson D. Horton, Jr.

BROTHERHOOD REPORT

This year we were able to accomplish several goals set for our associational Brotherhood. In September 1999 a Leadership Training event was held at Mt. Pleasant Baptist Church for Baptist Men, RA, and Brotherhood Directors. While attendance was small, those who did attend were given wonderful guidance by the instructors provided by our Baptist State Convention.

The Royal Ambassadors (RA's) participated in the associational "Jamboree", model car competition, and track meet. Several went on to participate in the state sponsored car and track meets. These events are scheduled for the coming associational year as well. Watch for details!

The Brotherhood assisted the Missions Development Council and WMU with the Fair Ministry last October. A light breakfast was provided to Fair workers one morning and we also provided a hot lunch and hygiene kits, containing gospel tracts, to those workers who wanted them. The association is planning to continue this ministry to these forgotten workers.

The Baptist Men's Convention in Raleigh was cancelled this past January due to the unusual amount of snow; however, look for this event to be held in January 2000. You won't want to miss it. Remember, Baptist Men's Day in our churches is observed in January as well. This is a good time to promote the work of the Brotherhood and Baptist Men in the local church.

We were also able to provide Disaster Relief and Recovery Training for members in our association and Stone Mountain Association in May of this year. Approximately fifty people attended and were given the necessary training to assist with feeding units and disaster recovery efforts maintained by the Baptist Men's Department of the Baptist State Convention of North Carolina. These people have already been called upon and responded to needs caused by storms and flooding in our state and elsewhere.

Your new Associational Brotherhood Director is Bob Taylor. I know he has many great ideas for involving the men (and women) of our churches in missions. Please be much in prayer for Bob as he seeks God's will for the work our associational Brotherhood is to be about.

Respectfully submitted,
Rev. Tim Shaw, Director

WMU REPORT

As our new century has started, we find another associational year ending. Our WMU has been busy beginning with the Apple Festival Ministry in October. Also in October we collected food for World Hunger and donated this to Wilkes Cares to distribute. We assisted in the ministry to Fair workers by preparing hygiene bags with salvation tracts included.

On November 1 our women joined with other Baptist Women around the world in our Day of Prayer. Also this month we saw women searching for the correct size of lotion for the State Women's Correctional Center. We met our commitment of 700 bottles being collected.

In December we observed our International Mission Study and Week of Prayer for Lottie Moon. This was held in the individual churches in hopes of reaching more people.

February brought snow; however, our faithful prayer consultants Aliene Whittington and Linda Phillips held a wonderful retreat at Pleasant Home on February 5. Our attendance was smaller than usual, but we were all challenged to use our "Spiritual Gifts" to serve God in greater ways.

Continued next page

WMU Focus Week was observed in our churches February 13-19 with special speakers and programs.

The Annie Armstrong Easter Offering and Week of Prayer for North American Missions was held during March with some churches continuing through April due to the date of Easter.

Our annual meeting was held on May 16 at North Wilkesboro First Baptist. Elizabeth Ford from South Carolina spoke on Christian Women's Job Corps. There were twelve churches represented with a total of 38 present. I urge each church to strive to have a representative(s) present next year.

Dottie Greer and Wendy Porter led our Mission Friends Fun Day that was a huge success. Everyone had fun learning about missions, doing crafts and eating!

Oakwoods hosted a GA Mother/Daughter Retreat on Saturday, August 26.

Our two-year drive for Mundo Vista ended with a total of \$4,324.73. This fell short of our goal of \$5,000; however, much work can be accomplished with this. "THANK YOU" to all who assisted in this project.

Many ladies attended Mission Extravaganza at Ridgecrest for new ideas and materials. Also, members of the leadership team attended the Leadership Conference at Caraway to get more training on how to better assist our churches. Some of this training was shared with all church WMU leaders on August 29 at Hinshaw Street Baptist Church.

My prayer for WMU in our association is that all women will work together to share God's love through mission actions. God bless each of you!

Respectfully submitted,
Mrs. Judy McGee, Director

DISCIPLESHIP TRAINING SUPPORTER REPORT

Rev. Ed Taylor served as the Associational Discipleship training Consultant during the year. He designed a manual that is available for churches to use to develop their own discipleship program. The manual explains the Biblical foundation for discipleship, defines what is discipleship, stimulates the thinking of church leaders concerning the need for a discipleship process, gives information about available resources for a discipleship program that is available from several sources, including the Association, and concludes with a step-by-step method of starting a discipleship class in the local church.

Rev. Taylor held an associational conference for church discipleship leaders during the Church Key Leadership Conference held in August at Hinshaw Street Baptist Church. Several ideas surfaced during the meeting. Future plans call for providing information on new products and conducting training events as needed.

Respectfully submitted,
The Associational Staff

EVANGELISM REPORT

The year 1999-2000 has been a year of planning and completing the missions of evangelism goals. We have been following up on the efforts to achieve our goal of reaching every home in Wilkes County by the end of the year 2000. Many lives and families have been reached through these efforts; however, the mission is far from being accomplished. We would have liked more participation from our local churches to help achieve this goal. The *Celebrate Jesus 2000* Festival at Millers Creek School was a large part of the evangelism planning and work for this year.

Last year's festival was a huge success. Approximately 600 people attended the celebration and some even received Christ through this mission. The booth at the Apple Festival was once again a success. We greatly appreciate all of the people who helped in attending the booth. Small acts of kindness can go a long way.

This year has been a busy year of planning and preparing for this year's *Celebrate Jesus 2000* Festival on September 30. Individual churches participated in planning activities and various booths to have at the festival. We have also been planning for the Jubilee to celebrate the successes of our fall revivals. This event will be held at the John A. Walker Center in the fall.

I would like to thank the Evangelism Committee for their ideas, support, and effort to help the Brushy Mountain Baptist Association Evangelism Team reach their goals. I would also like to thank Lawson Horton and Diane Shaw for their help and support in the evangelism efforts.

Respectfully submitted,
Rev. Ken Pardue, Director

FRUITLAND BAPTIST BIBLE INSTITUTE REPORT

The campus of Fruitland Baptist Bible Institute has been dedicated to Christian education since 1899, when some local Baptists began a high school that served both commuting and boarding students. After the original school, called Fruitland Institute, closed in 1936, the Baptist State Convention of North Carolina bought the property. Fruitland Baptist Bible Institute began in 1946. The original vision for the school was to provide academic, spiritual and practical training for those called to the Christian ministry whose needs were not being met by other institutions. The original vision still guides the school today.

The past year has been a time of continued effectiveness in the ministry to teaching and training. Contacts with prospective students continue to be numerous and steady. The enrollment for the year has averaged 195 with the largest enrollment in the Fall Quarter of 1999 when 206 students registered. The student body continues to be diverse in age, background and ethnic groups. International students from Bulgaria, Africa, and Haiti have been enrolled this year. The number of graduates has reached beyond twenty-four hundred. Many graduates enroll in other institutions, proving the effectiveness of the preparation received at Fruitland. Graduates serve as pastors, evangelists, directors of missions, missionaries at home and abroad, counselors, chaplains and staff members in local churches.

Some faculty changes have taken place during the past year. The Rev. Scott Thompson has begun to teach Christian Ethics, replacing Dr. Roy Houston, who has transferred to the class in Computer Technology. The Rev. Thompson is a graduate of Fruitland, a graduate of Criswell Theological Seminary, Wake Forest, NC. Dr. Carlisle Sanford is now teaching Theology. Dr. Sam Gore, who has taught Supervised Ministry for nine years, resigned to move to a new

Continued next page

ministry. Following the resignation of the Rev. Oscar Horrell, the Rev. Steve Briggs has assumed the responsibility for teaching in the field of Christian Education. He holds degrees from Dallas and Southwestern Baptist seminaries.

Fund raising continues for the construction of the Randy Kilby Memorial Library. Gifts continue to be made by churches, foundations, and individuals. With the approval of the Baptist State Convention, the school promoted "June Jubilee" on Sunday, June 4, 2000. Early response has been encouraging. The total response has not yet been tabulated. The dream of having a library for the use of faculty, students, and ministers of the surrounding area brightens the hopes for a strong future at Fruitland.

The "Fruitland Family" is glad to be a part of the continuing missions ministry of North Carolina Baptists. The Board of Advisors, administration, the faculty and staff endeavor to be good stewards of the resources that are provided for this strategic ministry. Visitors are welcome on the campus at any time. Our address is now 1455 Gilliam Road, Hendersonville, NC 28792.

Senior Adult groups visit our campus frequently. Any group interested in a visit may contact the Campus Services Director, Todd Edmiston, 838-685-8886, or e-mail, Fruitland@brinet.com.

The campus is beautiful throughout the seasons of the year.

SCHOOL OF CHRISTIAN STUDIES REPORT

The new director for this Christian education organization is James Carson. Several meetings have been conducted since April with his committee. During these meetings, several new changes have developed.

The name has changed from the School of Christian Studies to Christian Life and Leadership Training classes. This new name appears to identify the purpose of the organization better. The goal is to offer good training opportunities, not only for inexperienced pastors, but the lay people as well. The idea is to make learning an enjoyable event for lay people and specially called churchman.

Another change is to offer 'basic' courses from the Seminary Extension curriculum that appeals to those people who would not want credit, but would like to have an opportunity to grow spiritually in some better form. These courses last approximately six weeks and do not require testing or grading. The seminary credit courses will also continue to be taught upon request.

This past year, three seminary credit courses were offered. The average class participation was five. We hope to increase that number by adding the new basic courses.

The Associational Staff

MODERATOR'S REPORT

This has been a monumental year for our association in the area of missions and movement. More and more of our churches are getting involved in local and global hands-on missions. As mission teams continue to carry out the Great Commission here in Wilkes County, on the coast of North Carolina, various other states and around the world. may our wonderful Lord continue to add to His church and bless the efforts and unity of this association. May we continue with great boldness to answer the call of God to go minister and meet needs in His name.

On July 10, 2000 the association voted unanimously to relocate the associational office building. This was a monumental move that went unopposed. This movement required faith, commitment, and vision. I commend the churches, the pastors, the messengers, and the Properties Committee in exercising their faith, commitment and vision for ministry in this new millennium. Where the new office building is located, may it be seen as a bright light shining in a dark world. May this new facility reflect the great faith, commitment, and vision of the churches that she represents.

I would like to express my thanks to Lawson Horton for his great love and leadership abilities as our Associational Missionary. Special thanks also to Diane Shaw for all the work she does as our associational secretary. I offer my sincere gratitude for all who serve on the associational level. Without you, we could not function as an effective and vibrant association.

As we continue moving forward in this new millennium, may missions, evangelism, discipleship, and ministry be the driving forces behind all that we do and say as an association.
To God be the glory!

Respectfully submitted,
Rev. Dennis Love, Moderator

ORDINATION COMMITTEE REPORT

The Ordination Committee is available to assist churches with the ordination of men who have responded to the call of God to the gospel ministry.

If at any time the assistance of this committee is needed, please contact the chairman, or any member of the committee.

This past year, we assisted with the questioning of Tim Shaw who is now serving as Pastor of Goshen Baptist Church.

Respectfully submitted,
Rev. Hobart Key, Chairman

MISSION DEVELOPMENT COUNCIL REPORT

The purpose of the Missions Development Council is to encourage our churches and individual church members to be on mission to win the lost to Christ. The Council works to make the churches aware of the needs and opportunities available to them in their particular mission area. Our Council director and Council members are available to assist churches with their mission efforts. If we can help with developing mission plans or training leaders, we would be happy to help.

Recently, we have been continuing our support to the WRMC Benevolence Fund, Crisis Pregnancy Center, Camp Mundo Vista support, Hispanic Ministry, the Apple Festival booth, and planning for another outreach to the Agricultural Fair workers and Fair patrons. Last year, we had a wonderful response from the Fair workers as we provided them with a meal on their set-up day and distributed hygiene kits to them provided by the WMU. Volunteers helped staff a tent at the Fair to pass out tracts and to witness. We are planning for this same mission effort this year.

We are currently working on some exciting things with the leadership of our Associational Missionary, Lawson Horton. These include possibly promoting another Habitat House or missionary retirement home, World Missions Conference, a partnership with our schools to aid in building character in our students, an Associational missions team for individual church members whose churches have not had an active work team, and of course, we continue to promote mission efforts to aid the flood victims in the eastern part of our state.

Again, if we can help you, please contact us through our associational office. We encourage you to look around your community, to listen, to see and hear the needs and opportunities available to you and your church to share Christ through many different means.

Mr. Dale Brown, Director

PROGRAM PLANNING AND WORSHIP COMMITTEE REPORT

This committee is responsible for planning the program for each of the four Quarterly Meetings we are now having. The group meets on numerous occasions to finalize the plans for each meeting.

This committee also makes arrangements for the meetings to be held in different churches. In 2001 the Quarterly Meetings will be held:

January 8, 2001	Hinshaw Street Baptist Church
April 9, 2001	Little Rock Baptist Church
July 9, 2001	Liberty Grove Baptist Church
October 8, 2001	Oakwoods Baptist Church

The October meeting will be the 130th annual meeting and Rev. Sherrill Wellborn has been asked to preach, with Rev. Glenn Caudill being the alternate speaker.

It will be the concern of this group to plan worshipful and informative meetings for this next year. We trust that the messengers will experience these objectives.

PASTORAL MINISTRIES REPORT

Since 1995, I have been offering education workshops, seminars and other opportunities for the pastors, staff, and lay leaders of our churches to grow professionally and personally. I want to thank each church that has participated in any of these efforts throughout my tenure as Pastoral Ministries Director. I have thoroughly enjoyed arranging the workshops, seminars, winter Bible studies and of course "The Suitman" for our association. I hope that many of you have been helped through these efforts.

Once again, we offered the ministers and lay leaders of our association an overview of our Winter Bible Study on Monday, November 1, 1999. Dr. Johnny Tiller, New Testament professor at Fruitland Baptist Bible Institute led us in an overview of 1st and 2nd Thessalonians. A meal was served and the session was well attended.

On Saturday, November 20, 1999, "The Suitman" made a return visit to the fellowship building of Pilgrim Baptist Church. Several churches took advantage of the bargains offered by "The Suitman."

Rev. Charles Edwards is our new Pastoral Ministries Director. Charles is very capable of leading and providing the pastors and lay leaders of our churches with great educational help and training.

Thanks for allowing me to serve you in this capacity over the past five years. **To God be the glory!**

PROPERTIES COMMITTEE REPORT

This year has been a very challenging, busy, and exciting one for the committee. The committee has continued to explore options regarding the relocation of our associational facilities. At the Quarterly meeting in April the association approved to appoint two more persons to the committee consisting of one other Pastor and one lay person. During the Quarterly meeting in July, the Properties Committee made the following motion to the association.

1. That the associational offices, now located at 396 Welcome Home Church road, be relocated;
2. That the association authorize the Properties Committee to seek a lot(s) suitable for building a new office facility or an equally suitable existing building;
3. That the Finance Committee consider setting aside the sum of \$1,000/month in a Building/Relocation Fund. Further, the Properties Committee requests the Finance Committee consider the eventual need of a housing allowance for the Associational Missionary.

The committee this year has explored the possibility of several existing properties that were for sale or rent. Please continue to pray for the committee as we seek God's leadership in the relocation of our facilities and the association as we work together and have the need for expansion and change.

Respectfully submitted,
Mrs. Lois Woodie, Chairman

RESOLUTIONS COMMITTEE REPORT

The Resolutions Committee has received no resolutions from anyone during the Annual Session of the Brushy Mountain Baptist Association for consideration.

THEREFORE, the Committee offers the following:

WHEREAS, we have had a blessed and fruitful meeting in the annual session:

BE IT THEREFORE RESOLVED that we express our gratitude to the Pastor and families of the host church, Lewis Fork Baptist Church, for the hospitality extended to both the messengers and visitors at this session:

BE IT ALSO RESOLVED that we express our sincere appreciation to the Program Planning/Worship Committee, to all program participants, especially to the Moderator, Rev. Dennis Love, for his guidance and manner in which the program was carried out.

BE IT ALSO RESOLVED that we express Christian love and appreciation to our Director of Missions, Rev. Lawson Horton, for his labor of love and leadership on behalf of our association for the past year.

AND FINALLY, BE IT RESOLVED that we express our appreciation and support for our Associational Secretary, Mrs. Diane Shaw, and to all who worked in the compilation of the program for our annual session.

SUNDAY SCHOOL REPORT

During the year, adjustments have been made in the associational team as well as the state work.

In the state, Sunday school work has gone through a reorganization process. There are now regional specialists which provide training for associational Sunday school team leaders over a period of time.

The associational team workers will provide training for the local church leaders. Our association is in Region 7.

During the year, we had an Associational Sunday School Director and a team of workers, but changes have been made because some of our leaders had to relocate. This group received new training in Greensboro in March, but because of uncontrollable circumstances this group needs to be reorganized.

In July the Association elected a new Director. His name is Glen Effird. He has met with the Associational Missionary to begin the process of reorganization. Contacts are being made to form a new leadership team in the association to assist our churches in Sunday school work. Please pray for this work.

BIBLE DRILL REPORT

The purpose of Bible Drill is to help children and youth increase their knowledge of the Bible and develop skills in effectively using the Bible. Participants learn books of the Bible; memorize selected verses and references and where to locate them. Bible Drill helps our young people to hide God's Word in their hearts (Psalm 119:11).

This year, after church drills were held, twenty-five children and youth advanced to the Associational Bible Drill held at Wilkesboro Baptist Church on April 9, 2000. The following churches had participants at the associational level: Goshen, Lewis Fork, Liberty Grove, Millers Creek and Mt. Pleasant. The participants did an outstanding job and many of them advanced to the State Drills held on May 6, 2000 for children at Baptist Home Church in North Wilkesboro and April 28, 2000 for youth at First Baptist Church in Valdese.

We would like to encourage all churches to prayerfully consider and become involved in Bible Drill. Please remember our 2001 participants and leaders in your prayers.

INTERNATIONAL MISSION BOARD OF THE SOUTHERN BAPTIST CONVENTION REPORT

As we entered the new millennium, we find that the Brushy Mountain Baptist Association has experienced another good year in International Missions with many volunteers from our Association going to South Africa, Brazil, Honduras, India, and Romania. While on the field, the volunteers ministered through Backyard Bible Schools, Construction Projects, Medical/Dental Clinics, Music, Personal Witnessing and Preaching the Gospel.

Another event which our association took part in was a Disaster Relief/Recovery Training. This training was to help equip those who participated to meet the needs of disaster victims around the world when disasters occur.

As of May 21, 2000, there were 4,902 missionaries under appointment, with 902 of these being appointed in 1999, ministering in 126 countries and bring involved in approximately 180 countries. Serving along with these missionaries are 317 Career/Associations/Apprentices and 585 Two-year ISC and Journeymen. During the last year, there were also many volunteers such as 163 ISC (4 months –2 years); 1,756 Students on Mission; 1695 Youth; 1350 Medical Professionals; and, 406 sports coaches and player serving in many countries.

At the end of 1999, there had been 363,703 baptisms. There are 52,186 churches with 4,748 beginning in 1999 with an overseas membership of 4.9 million. Total people groups in the Last Frontier is 2,161, consisting of a population of 1.7 billion people.

The Lottie Moon Christmas Offering® remains a lifeline for missions overseas. One hundred percent of this offering goes to the IMB overseas missions budget. Receipts in 1999 were \$105,443,787 and the goal for 2000 is \$120 million. Also, fifty percent of the Cooperative Program gifts received by the SBC Executive Committee goes to the International Mission Board.

May God lead each of you as you seek His will for your place in His mission field.

NORTH CAROLINA MISSIONS REPORT

In 1999, North Carolina Baptists gave more than \$2 million to the North Carolina Missions Offering (NCMO). This year's offering theme is "North Carolina Partners In The Harvest" – emphasizing how our partnership of churches across the state join together to support "workers" being sent to the harvest.

"Then Jesus said to his disciples, 'The harvest is plentiful but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field.'" (Matthew 9:37-38, NIV)

We have numerous opportunities to respond to God's call to the harvest field. Many of these are made possible through the NCMO. Some examples of where the "money goes" are:

- Provides resources for ministry to seasonal farm workers in both eastern and western NC.
- Provides resources for training disaster relief workers to rebuild homes, churches and other buildings. Last September, more than 650,000 meals were served by the NC Baptist Men's feeding units in the first three weeks following Hurricane Floyd.
- Provides materials for resort ministries in our state. These ministries occur in the mountains, at the coast and at events like fairs and carnivals.
- Funds are used to teach many that do not speak English how to read.
- Ministries to prisoners in our state and their families are supported by the NCMO.
- New church starts, the medical/dental van, and ministries to the homeless and shut-ins are all supported by this offering.

Through these ministries many people are helped and introduced to Christ. Each of us play a part in the harvest when we **pray** for missions, **give** to support missions, and as we get personally involved by "**going**" into the fields that our Lord calls us to.

Mr. David Childers, Representative

NORTH AMERICAN MISSIONS REPORT

"The harvest is plentiful but the workers are few. Ask the Lord of the harvest...to send out workers into His harvest field." Matthew 9:37-39

The North American Missions Board is responsible for the areas of Canada, United States, and the American Territories (Puerto Rico, American Samoa, Guam, U S Virgin Islands, Northern Mariana Islands). The population of these areas in 1999 was 309 million people. In the United States alone it is estimated there were 191 million lost people in 1999.

There are 5,025 North American Missions personnel, plus a host of others serving as chaplains, pastoral counselors, the Mission Service Corps and as SBC volunteers, working together to reach these lost peoples. Money to help in their efforts comes from the Annie Armstrong Easter Offering and the Cooperative Program.

Several goals have been set for the NAMB. They are:

- Baptisms for 2000500,000
- Baptisms for 20051,000,000
- Church plants, 20002,000
- SBC congregations, 2020.....100,000
- AAEO, 2000\$47,000,000
- AAEO special challenge\$55,000,000
- AAEO, 2001\$50,000,000

More than 30 million people have been baptized into Southern Baptist Churches in the 155 years since the Convention was founded.

Mrs. Elizabeth Billings, Representative

PARTNERSHIP REPORT

The State Convention has agreed to work with the State of Alaska and the Country of South Africa in a partnership working together to evangelize and minister in these areas.

This past year, Millers Creek Baptist took a group to do mission work in Alaska. Other requests from this state are being made for mission teams to do Bible schools, training, evangelism, construction and conducting enrichment conferences. If you would like to go, contact the associational office and we will help you make arrangements.

We continue to have mission teams going to South Africa. Most have been construction, but some have been in evangelism and leading Bible studies.

Our Association also sponsors a native church planter. His name is Nathaniel Tanda. He is a very energetic leader. Much progress is being made. People are being saved and joining the fellowship. The money we provide is a decreasing rate. We are in our third year of a four-year sponsorship. We have sent extra money for building materials as well as helping with the expenses of the church planter.

We also have churches and volunteers supporting the ministry in Brazil and New York, although the partnerships with these two areas have officially ended.

This past year, \$2,500 was used to do mission work in New York City. This mission effort will continue as long as the Association desires.

No money has been used for the Brazilian ministry. Local churches and individuals have supported all who have been involved in this ministry.

Continued next page

It could be that a partnership will be developed once again with an Association in Brazil. A request has been made and discussion will continue concerning this issue.

The Missions Development Council is trying to organize an Associational Mission Trip to an area for individuals that would like to go but do not have a church that plans to have a mission trip. One of the areas being considered is the Appalachian Region Area that is also an area that is being offered to our state. If a trip is not arranged from the Appalachian territory, maybe another site will be.

In the Appalachian Region Ministry, churches and/or associations can make requests and may be filled by a group from within that Region. The region consists of churches in the following states: Tennessee, Georgia, North and South Carolina, Virginia, West Virginia, Kentucky, Pennsylvania, South Jersey, Ohio, Maryland, and Delaware.

Please be watching for further details.

AMERICAN BIBLE SOCIETY REPORT

The American Bible Society confirms that many doors are now open and we must distribute God's Word while we can. We can't afford to lose momentum in China, Russia, the Middle East, and many other areas around the world.

Their records show that during the fiscal year 1998-1999 their distribution increased by 23% over the prior year: 14.64 million Bibles and New Testaments; 63.00 million portions and selections of the Scriptures, making a total of 77,632,315 copies being distributed throughout the world.

With more doors opening and greater opportunities for spreading the gospel through The Word, we quote the mission statement of the American Bible Society, "The purpose of the American Bible Society is to provide the Holy Scriptures to every man, woman and child in a language and form each can readily understand, and at a price each can easily afford. This purpose, undertaken with doctrinal note or comment, and without profit, is a cause which all Christians and all churches are urged to support."

Let us continue to give and increase the amount as much as possible.

BIBLICAL RECORDER REPORT

Since 1833, the *Biblical Recorder* has served North Carolina Baptists as the official news journal of the Baptist State Convention. Founded by Thomas Meredith, the *Biblical Recorder* was owned and operated as a private enterprise until 1938, when the paper was purchased by and incorporated as an agency of the Baptist State Convention.

The *Biblical Recorder* promotes God's kingdom work in accordance with its mission statement: ***"Our Mission is to further Christ's kingdom among North Carolina Baptists by providing relevant news, insightful opinions and supportive resources in a timely and accessible fashion."***

As an agency belonging to all North Carolina Baptists, the *Biblical Recorder* provides balanced news coverage of Baptist news from throughout the state and reflects opinions representative of the diversity that is typical of our churches. The *Recorder* also includes periodic features designed to offer ideas, encouragement, and inspiration to readers.

In keeping with current needs, the *Biblical Recorder* maintains a frequently used site on the World Wide Web. This site (www.biblicalrecorder.org) offers Internet users an opportunity to read much of each paper's content several days before printed versions arrive. This is particularly helpful during convention meetings and at other times when frequent updates are desirable. As time and resources allow, additional features are being added to make the site an even more valuable source of information for North Carolina Baptists.

The *Biblical Recorder* works in partnership with the Baptist State Convention and receives annual support from Cooperative Program gifts as an agency of the Convention. This support makes it possible to offer the *Recorder* for just pennies per issue. The *Biblical Recorder* has not raised subscription rates in five years, but a string of steep postage hikes will almost certainly necessitate modest increases in subscription prices beginning in 2001.

Currently, the annual rates (including tax) are:

- ◆ Every Home Plan (20%+ of church families, paid through the church budget) - \$7.42
- ◆ Club Plan (4 or more persons in a church subscribe together) - \$8.48
- ◆ Individual Subscription - \$10.60

Subscription packets and free sample issues are available. For more information, please contact:

CHRISTIAN LIFE COMMITTEE REPORT

During the year, this committee met twice. One meeting was for orientation. The second meeting was held jointly with the Missions Development Council. In that meeting, the Associational Missionary suggested that an effort be made to develop a way to furnish volunteers and other resources to assist the public schools in Wilkes County with student and faculty needs. The plan has been completed and adopted by the school system. Efforts are now underway to recruit workers to meet a school's requests.

Other meetings will be conducted as needed when a social or family issue should be addressed. Your support for this school project will be greatly appreciated and could eventually help evangelize students, faculty and their families.

HISPANIC MINISTRY

Our Hispanic work began nearly three years ago when we contacted the language division of our State Convention for start-up assistance. They helped with a survey in the Wilkesboros, gave money to initiate the ministry, and provided counsel as we began the work. Since that time, money continues to come from the percentage of State Missions Offerings that returns to the Association, local churches, and the Mission Church regular offerings.

The Mission Church has a pastor, Bro. Jesus Padilla, who serves two congregations. One is in West Jefferson and the other is in our Association. Several of our churches have provided volunteers to assist with the children while the adults are worshipping. The congregation is currently meeting regularly on Sunday evenings at Cub Creek Baptist Church. We appreciate our sister church allowing this family of faith to use their facilities.

The church is now averaging between thirty and forty per Sunday. Growth continues to slowly progress.

This group now wants to meet on Sunday morning at 11 a.m. for worship and also provide Bible study. A building is needed for this purpose. Pray that one will be available soon. This should help further growth, which should bring gladness to our hearts. May God be praised!

*Meeting the
Challenges of
Health Care*

Report to 2000 the Associations

HOSPITAL CONTINUES THE MISSION

In May of 2000 The North Carolina Baptist Hospitals, Inc. celebrated 77 years of regional, national, and international service. During these years the hospital has been faithful to the initial vision of the North Carolina Baptist State Convention. When the hospital opened the convention stated the reason for doing so was: to extend the healing ministry which was demonstrated by Jesus Christ. Many challenges have been faced through these years, but the commitment to compassionately strive for innovative excellence has remained the same.

BAPTIST BENEVOLENT CARE FUND

Baptist churches from all across North Carolina joined us in mutual mission through the Mother's Day Offering. This annual ingathering of love was approved by the Baptist State Convention of North Carolina in 1924. In 1999 the MDO amounted to \$531,452. These funds were used exclusively to help patients who had minimal or no health care insurance and had no other financial means to pay their hospital bills. From the offering this past year, well over \$200,000 was used to assist members of our Baptist churches in North Carolina.

SCHOOL OF PASTORAL CARE

During the year the Department of Chaplaincy and Pastoral Education provided worship services in Davis Chapel on Monday, Wednesday, Friday and Sunday as well as services in the J. Paul Sticht Center. Chaplain supervisors, residents and interns made more than 50,000 ministry contacts last year. The Department's fully accredited Clinical Pastoral Education program graduated 65 students.

The Department of Pastoral Counseling, CareNet, Inc., continues to develop its ministries. There are now 16 Christian counseling centers located across the state. The newest center is now open in Greenville and is the staging ground for serving northeast North Carolina. During the year these professionally staffed centers provided 27,293 hours of Christian counseling, making CareNet the largest pastoral counseling system in the United States.

The Center for Congregational Health, Inc. continues to develop its mission of helping congregations become healthier communities of faith. **Programs and assistance** offered to churches include Intentional Interim Ministry, strategic planning, staff and team development, and conflict management. **Resources for ministers** include: Young Leaders Program, Leadership Development Group, Interim Ministry Training, and Intentional Interim Ministry training. The Center has served an average of 21 North Carolina Baptist congregations a month during the past year.

ADDITIONAL POINTS OF EMPHASIS AND PROGRESS

New Dental Program For Indigent Children - Baptist Hospital has become a major participant in a community partnership to provide dental care for indigent children. NCBH opened a dental clinic on May 8, 2000, where three dentists are treating hundreds of children who previously had little or no access to dental services. Children who had known dental pain as a way of life, or who never had routine services because their parents could not afford it, are now being treated.

Physician Excellence - In 1999, 600 physicians in North Carolina were listed among "The Best Doctors in America"; 95 are WFUBMC physicians.

Nursing Excellence - Baptist Hospital was one of the first hospitals in the nation to receive Magnet Recognition for Excellence in Nursing, demonstrating exemplary nursing leadership and quality patient care from the American Nurses Credentialing Center, the nation's leading nursing credentialing organization.

Ranked Among The Nation's Best - North Carolina Baptist Hospitals, Inc., continues to be ranked among America's best hospitals in ten of 16 specialties, according to rankings published in the July, 2000 issue of *U.S. News & World Report*. This ranking reflects the reputation of specialists at NCBH as seen by their peers across the nation.

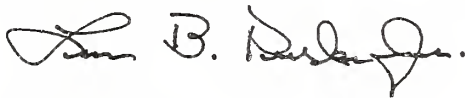

Newest Treatment For Epilepsy - Wake Forest University Baptist Medical Center offers a new treatment for epilepsy - a "pacemaker for the brain" that can help control seizures in patients who are not helped by medication and are ineligible for surgery.

**THE NORTH CAROLINA BAPTIST FOUNDATION, INC.
1999 ANNUAL REPORT**

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

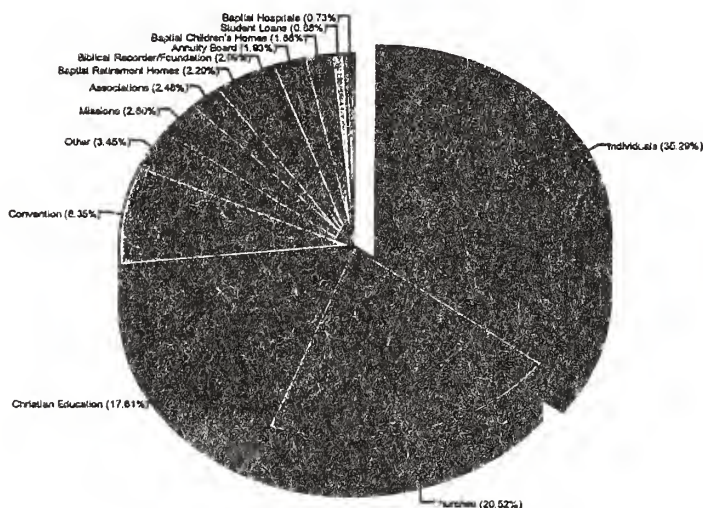

During 1999, the Foundation provided assistance to individuals in establishing 20 endowment funds and 12 charitable remainder trusts totaling \$3.8 million and received \$2.8 million in contributions to existing endowments all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for 122 churches and associations during the year to promote Make Your Will Month, Christian estate stewardship, and church fund management. Over \$3 million from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes.

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund and a fixed income fund. The Foundation uses the services of Salomon Smith Barney to help select top money managers and evaluate performance.

As of December 31, 1999, the Foundation held \$93,355,200 under management. This is an increase of more than \$12.5 million over 1998. During 1999, \$1,864,044 was distributed to individuals and \$3,418,543 to Baptist work for a total distribution of \$5,282,587. During the 80-year history of The North Carolina Baptist Foundation, Inc., \$16,081,204 has been distributed to individuals and \$25,723,551 to Baptist churches, institutions and mission causes for a grand historical total of \$41,804,755.

Baptist Retirement Homes: "A Half-Century of Service"

For almost 50 years, the front porch has been a favorite spot of residents and guests at The Taylor House in Albemarle. This residence is an assisted living community made possible by the gifts of North Carolina Baptists.

Hamilton Home in Hamilton and The Taylor House in Albemarle, communities that offer assisted living services. Later this year the "Homes" will begin construction on a new community — The Gardens of Taylor Glen, a continuing care community near Concord.

The generous support the "Homes" has received from North Carolina Baptists has enabled it to make a unique promise to its residents: *whatever the future may hold, Baptist Retirement Homes will care for them for the rest of their lives.* Keeping this promise means overcoming many challenges. By 2020 North Carolinians past retirement age will make up 20 percent of the population. While medical science has prolonged life, the effects of aging are often intensified and extended over many years. Many Older Adults exhaust their personal resources and look to the "Homes" for significant financial assistance.

Still Baptist Retirement Homes stands ready to make good its promise of ongoing compassionate and quality care.

In March 2001, the Baptist Retirement Homes of North Carolina will celebrate 50 years of service to Older Adults. It has been a wonderful half-century, and the "Homes" is thankful for the privilege of sharing in the life journeys of thousands of "Aging Saints."

The quality of life the "Homes" has brought to these Older Adults has been its best measure of success as it has helped ensure that residents live out their lives with autonomy, dignity, and comfort. The "Homes'" dream is to make life for North Carolina Older Adults what God intended it to be... "The Best of Times."

The "Homes" corporation now owns and operates four retirement communities across the state: the Brookridge Retirement Community in Winston-Salem, a continuing care community offering independent living, assisted living and nursing care; the Western North Carolina Home in Asheville, a community that offers assisted living and nursing care; and the

Christian higher education represents one of our enduring values as North Carolina Baptists. From the founding of our Convention in 1830, we have supported Christian higher education. Our churches, associations, and state have benefited as a result.

Last year North Carolina Baptists provided special scholarship assistance to members from our churches who chose to attend one of our affiliated colleges or universities. Sixty-eight out of eighty associations were represented among the hundreds of students who received this special Convention sponsored scholarship assistance.

The institutions matched the Convention's support of these Baptists students through institutional support. For every dollar provided to students through the Cooperative Program, the institutions matched it with \$2.50 of additional financial assistance. Forty-five percent (45%) of the on-campus student populations are Baptists.

In addition to support of undergraduates, North Carolina Baptists assisted 297 divinity school students last year. This financial assistance was made possible through churches giving through optional giving Plans B and C. Members from our churches who have sensed God's call upon their lives to serve as ministers or missionaries are eligible to receive a theological educational grant from the Convention.

If a student pursues their degree from the divinity schools at Gardner-Webb or Campbell, the student is eligible to receive a grant of \$3,100. If a student pursues his or her theological education from other institutions, the student is eligible to receive a grant of \$3,000 for their studies.

Reverend Shane Kirby recently graduated from the M. Christopher White School of Divinity at Gardner-Webb University. Upon graduation, Mr. Kirby said, *"I couldn't be more happy that I was able to obtain my master's at a North Carolina Baptist institution. I look at it like the Baptists of this state invested in me. Now, I feel a sense of responsibility to the good people of my denomination to serve them."*

North Carolina Baptists can take pride in graduates, like Mr. Kirby, who want to serve our Lord and his churches in North Carolina.

Without the faithful support of the Cooperative Mission Budget of the Baptist State Convention, opportunities for our members to attend Campbell, Chowan, Gardner-Webb, Mars Hill or Wingate would not be possible.

Thank you North Carolina Baptists for your continued support of Christian higher education in our state.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

"Quality Service Through Quality Relationships" is not just a slogan. It is a foundational statement of philosophy. In our ministry, relationships are everything -- relationships with children, with families, with placement agencies, with our own families and churches, and with each other. We are blessed by God in this work because we honor God in relationships.

During the QSTQR emphasis, all BCH staff at every ministry point have made extra efforts to strengthen relationships with the people we encounter. We have incorporated the terms quality, service and relationships into a plan of action. We have reflected our desire for quality relationships in everything we do in order to deliver quality services that change lives. QSTQR, celebrating the mission . . . the millennium. . . the ministry, was BCH's theme from Easter, 1999 through Thanksgiving, 2000.

Through Baptist Children's Homes of North Carolina, hundreds of children and families are given new hope for their futures...

Children like Linda and her two younger sisters. Linda feared for their well being. It was her responsibility to care for her sisters. Linda remembers moving to a shelter where she finally felt they were safe; there was enough food for the sisters and warm beds. The three children were later placed at BCH. Now, Linda is in a place where others care for her. Linda has discovered God cares for her, too.

The McDonalds found the challenge of being a blended family difficult at times. Their son began to exhibit anger toward his parents. He would challenge their authority and began getting in trouble with some neighborhood kids. The situation was getting out of control. Corey's parents called BCH, where they found a staff willing to embrace their family with hope. Today, Corey has begun to deal with his anger, mistrust and behavior issues. His parents are learning how to better communicate with each other and with Corey.

During the past year, BCH served 1800 children and families through 13 facilities statewide. BCH operates residential campuses in Thomasville, Pembroke, Kinston and Clyde; a maternity home in Asheville; a teen mother/baby home in Lenoir; values change homes for girls in Franklin and Lenoir; therapeutic camping for boys in Cameron; emergency care cottages at the residential campuses and in Waynesville and Asheville; and a model day care center in Thomasville.

In 2000, BCH began a new, innovative ministry caring for developmentally disabled adults and their families. Our Trustees unanimously approved a major undertaking this year by committing more than \$3.5 million to replace, repair, construct and make-much needed improvements at every BCH location. Most of the work is complete. You are invited to visit our campuses and other facilities to see first hand the difference you are helping us to make.

The commitment to quality has been a cornerstone of this institution since its beginning. **"Quality Service Through Quality Relationships"** was a 20-month public demonstration of this cornerstone. The emphasis places top priority on relationships to achieve the highest quality of service possible. Significant growth has been realized during this period. BCH has dedicated new structures at Odum Home, Cameron Boys Camp, Kennedy Home, Broyhill and Mills Home campuses and added new work in Waynesville and Asheville as well as Moody Home, Care House, Noel Group Home. Several significant anniversaries have been observed: the 85th of Kennedy Home in Kinston, the 30th of Baptist Maternity Home in Asheville, the 20th of Cameron Boys Camp, the 40th annual Western Area Conference, and the 115th anniversary of Baptist Children's Homes of North Carolina.

To help commemorate BCH's 115th anniversary and to celebrate the impact QSTQR has had on staff and children, approximately 600 children, administrators, childcare workers, social workers and staff were brought together June 28, 2000 from around the state for a day of inspiration, fellowship, food and fun. **"The Family Gathering"** was held at Mills Home where BCH began in 1885. This is the first time all the Baptist Children's Homes' "family" have been together at the same place and at the same time.

Baptist Children's Homes QSTQR emphasis will culminate at Thanksgiving. We invite you to attend BCH's 30 minute presentation at the 2000 annual meeting of the Baptist State Convention in Winston-Salem on Tuesday, November 14, 2000 at 2:10 pm. We encourage you to be part of our ambitious \$1 million Thanksgiving Offering goal. That number may seem enormous, but there is also enormous need. For all the good North Carolina Baptists are doing to help children and families, there is still so much that needs to be done. We are confident our churches will help us meet this important goal!

The support of North Carolina Baptists through the Thanksgiving Offering, Cooperative Program, and individual gifts, memorials, honors, bequests and estate gifts help enable us fulfill our mission statement: **"helping hurting children . . . healing broken families."**

North Carolina's **"largest family"** is grateful to North Carolina Baptists for prayers and support. To secure a video or a speaker for your church, or for information about our services, please call (336) 474-1209.

ANNUAL REPORT TO THE ASSOCIATIONS 2000

It is with humble gratitude that the Christian Action League of North Carolina serves the Lord Jesus Christ and the churches of this great state as a Beacon of light, guiding referendums and legislation through the murky waters of special-interest groups and educating God's people about the moral problems in our state and nation. Our goal is to encourage and organize the people of God so that our light will be seen brightly throughout our state; and when we speak, it will be in one accord and will resound loudly.

A. Christian Values

- a. The Christian Action League again co-sponsored the Fifth Annual Christian Heritage Week of North Carolina held in March. It was our pleasure to provide awards for excellence to those high school students who won the essay contest on America's Christian background.
- b. CAL has continued to promote and distribute copies of the Ten Commandments throughout North Carolina. To date, over 15,000 copies have been mailed.
- c. Promoted awareness of worldwide persecution of Christians (particularly in Sudan) through email alerts and radio.
- d. Participated with the American Family Association in distributing copies of our national motto posters "In God We Trust".
- e. Joined with Family Life Ministries in promoting and distributing copies of the Marriage Covenant Certificates.
- f. Participated in the National Day of Prayer.
- g. Set up CAL exhibit at Baptist State Convention and the East and West Districts of the Wesleyan Church conferences.
- h. Worked in the General Assembly to stop a bill that would allow physicians to take immediate custody of a child that they felt had been abused. The bill died in committee.

B. Radio

"Christians In Action", Station WAGO (88.7 FM) Snow Hill, started Monday, January 3, 2000. This broadcast consists of a five-minute commentary on issues that affect our lives today. We will begin airing this program on Aug. 7 on New Bern (WAAE, 91.9 FM). Our projection is to ultimately reach the whole state.

C. Gambling

- a. Video Poker Machines - The Christian Action League worked round the clock to get video poker banned in this state. We failed getting the ban but were successful in getting SB 1542 to strengthen the law and restrict the operation and expansion of video gambling in the state. We will work vehemently next session in pushing for a ban.
- b. Joined Christian Coalition in survey on how Gubernatorial candidates stood on lottery/released results in newsletter.
- c. Next session the Christian Action League will be on the front line in the Legislature fighting a state-sponsored lottery.

D. Abortion

- a. CAL has purchased the rights through donations of a surgical procedure on a 21-week old fetus that proves that partial-birth abortion is murder. We want to see this picture used extensively in making our case for the pro-life agenda.
- b. CAL participated in the Right to Life Rally held in Raleigh.

E. Alcohol

- a. Participated in four LBD campaigns since January 11, 2000, and there are three scheduled for a September referendum. We help with their organizational meetings, rallies and providing educational materials.
- b. Worked in the General Assembly for passage of HB 1499-Interlock/Open Container law. This bill bans open alcohol containers in the passenger area of a motor vehicle on the highway or highway right-of-way. The bill was ratified on July 13.

E. Pornography

Have produced and aired several radio programs to inform the public of the internet pornography crisis. Educate communities on how they can rid their neighborhoods of adult establishments.

G. Homosexuality

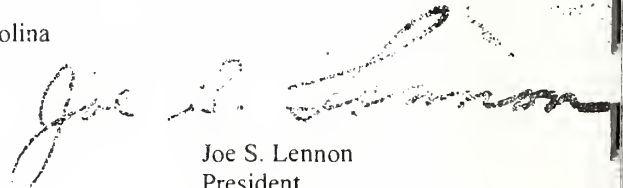

CAL monitors and informs the Christian community of the current homosexual agenda through our email alert.

The Christian Action League of North Carolina produces a quarterly newsletter *The Beacon* that has a distribution of over 21,000. We also send out an email alert every Friday to over 150 members to keep them abreast of current moral, ethical and political issues that affect our state and nation. All services of the Christian Action League are provided at no charge. We depend on God's people to provide for His work.

There have been two father/son ministers—Rev Finley Watts and Rev. Victor Watts; and, Rev. Charlie Poole and Rev. Darrell Poole (the current pastor)—who have pastored the church. Refurbishment of the sanctuary was completed in time for the homecoming with wall-to-wall carpeting being installed in the sanctuary and vestibule as well as new chandeliers and recessed lighting in the sanctuary. The pews, choir seats and pastor chairs were recovered. The nursery was remodeled at no expense to the church.

NORTHSIDE – Celebrated 10th Anniversary of being established as a church, not a mission.

OAK GROVE-MILLERS CREEK – On August 6, 2000 we held a dedication service for our new steeple. Special guests included family members from Oak Grove's early founders who had also contributed monetarily to the purchase of the steeple.

This involved many teenagers and helped many families in a destitute area. They took food and Christmas presents to around 250 families.

OAKWOODS – The Church continued its strong support of missions this year, both financially and with participation. Our Church was blessed to be able to give \$72,200 in our total missions support this year. Many members participated in local missions with our tape ministry, handyman ministry, and housewarming ministry. Fruit baskets were made and taken to our elderly neighbors. The WOM provided personal care packages for the children in foster care in Wilkes County. Several members participated in national and international mission work. Last fall, a total of eight men from our church went to eastern North Carolina to assist in clean up after the flooding caused by the hurricane. In December, four members went with other associational members to the Graffiti House in Manhattan, NY to distribute blankets, along with toboggans, socks and gloves to the homeless there. While there, these members went into lower Manhattan and witnessed with visits and skits. In July, our Associate Pastor and Youth Minister, Rev. Victor Church, along with four other adults, fifteen of our Youth, and two children went to Harvey, Illinois, a suburb of Chicago. While there, Rev. Church held a Youth Revival from Sunday through Wednesday. The other adults and Youth conducted a Bible School for three to seven-year-olds simultaneously with the Youth Revival. They went door-to-door handing out gospel tracks and visiting with residents in that area. In August, our pastor, Rev. Robert Duncan, Rev. Joe Owings, and Chris Wilcox traveled to Caracicaiba, Sao Paulo, Brazil. Rev. Duncan and Rev. Owings preached in churches every night and Rev. Duncan preached to the pastors in the association there. They visited in the schools. They witnessed many souls saved during their time in Brazil. We are in the process of beginning a new CARE ministry, headed up by our Minister of Education, Rev. Carlton Waddell. The purpose of this minister is to show people in our church and community that we care about them and love them. Each member has been asked to commit to one Thursday night each month to come to the church to work in this ministry. The work might involve phone calls, written correspondence or home visits. The response by our members for this new ministry has been great and is scheduled to begin the first Thursday in October. Improvements to the church this year include completion of the renovation of the church offices and replacement of the fence running along the road frontage to the church parking area. Through faithful giving, the church debt was reduced by \$113,949 this year. ---submitted by Linda McCann

PARKWAY GARDEN – Fellowship hall was dedicated to our Senior Pastor, Rev. Gwyn Kilby, on September 12, 1999.

PILGRIM – This year we had members participate on several mission trips and projects. Men and women went to Eastern North Carolina to help with hurricane Floyd cleanup and went to work at the Graffiti House in New York. The Baptist Men have purchased and are stocking a "handyman" trailer with tools and other supplies to help with mission trips. Women on Mission made Santa Sacks and delivered those to the Graffiti House. They also sent toiletry bags for GA's that went to camp from the Graffiti House. WOM sponsored a church wide project of making and collecting shoeboxes for Samaritan's Purse. RA's participated in the associational RA Jamboree and the car race. The Acteens collected supplies for Christmas in August for the missionaries. Mission Friends collected toys for Christmas in Wilkes. A new air conditioner was installed in the fellowship hall. A new vacuum cleaner was bought for the church. Mr. Lewis Dillard Blevins was added to the deacon board. He was ordained at Edgewood Baptist Church a few years ago. The historical committee updated the church history and wrote of events for the years 1980-2000 (the years since the 100th anniversary).

WALNUT GROVE – Mr. & Mrs. Larry Broyhill have worked with the Youth in our community this year. They have gone on trips with them, taken an active part in the worship services and over all have worked hard to build up the Youth Program at Walnut Grove. A lot of work has been done to the church property. We installed new carpet and floor coverings, new drapes and recovered the pews. We have also installed a sound system.

WELCOME HOME – Renovation of Educational Building, added playground for children

WILKESBORO – Well, what can we say? WBC has experienced another wonderful year! We have experienced much growth and the Lord is blessing us every day. Our High Attendance in Sunday school was October 31. We had a Victory Goal of 583 and had 621 present. During the fall, our Minister of Music, Morris Driggers, joined the North Carolina Baptist Singers on a South Africa Mission Trip. In December, we sponsored the Bloodmobile and had a "great" turnout. In December we also started exploring the idea of a new Educational Building with elevator and enclosed walkway. Two of our members traveled to Honduras to help construct a house and start another. We also formed the WBC "Down East" Mission Project and several of our members, both men and women, traveled east to help a family put their house back into living condition following the damage from Hurricane Floyd. On New Year's Eve, to see the year 2000 in, we met at the church, sang favorite songs until midnight, and then had a prayer time. We recommended Curtis Dean Privette to study ministry at Campbell Divinity School. In April, we voted to begin "Our Time to Build" and the excitement began. Two of our members traveled to Romania with a medical team in June. In July, we again sent an adult mission group to Romania. This was a wonderful time for both groups. Our youth traveled east and helped a family who had experienced loss and damage during Hurricane Floyd. They also went to Massachusetts on their mission trip. In June, the Music and Drama Ministry of WBC presented a musical, *Bright New Wings*. This proved to be a blessing to all that attended. We were then saddened when our Minister of Music, Morris Driggers, turned in his resignation effective July 3rd. We wish Morris and his family the best. The Royal Ambassadors, GA's, and Acteens continue to be very active, raking leaves in the fall and visiting our nursing homes on a regular basis. The RA's rake leaves annually for the elderly and shut-ins. We also experienced much sadness with the loss of nine members by death. On August 20th, Deacon Installation and Ordination Services were held and Bill Bennett, Mark Church, and Chris Privette were ordained as new deacons. As you can see, we have had a GREAT and WONDERFUL year. We thank God for His many blessings.

ZION HILL – Alan Marley was ordained as Deacon on September 12, 1999. Richard Wade Collins was called as Minister of Youth/Children on October 31, 1999. At least 50 shoeboxes were prepared for the Samaritan's Purse Operation Christmas Child. The first Zion Hill Baptist Church scholarship was awarded in July to Amanda Brooke German.

All reporting churches presented us with perfect Annual Church Profiles. Thank you to each and every person who assisted in the compilation of these reports!

**APPLICATION FOR MEMBERSHIP IN THE
BRUSHY MOUNTAIN BAPTIST ASSOCIATION OF
NORTH CAROLINA**

This is to certify that the

(Name of Church)

(Address)

in church conference

(Date)

Vote to make formal application for

membership in the Brushy Mountain Baptist Association. We have been introduced and have knowledge of the Baptist Faith and Message statement and do accept its teachings in belief and practice. We pledge to contribute financially to the Cooperative Program of the Southern Baptist Convention which supports the work of Baptists in the state, nation, and overseas, to give evidence of our missionary zeal. We further pledge to adhere to the Articles of Incorporation and By-laws of the Association and fully understand that we must comply with the guidelines for membership set forth in Article IV of the By-laws.

We commit to be a duly-constituted and organized Southern Baptist Church, and will maintain this status at all times, or will voluntarily withdraw from the Association.

We understand that upon submitting this application, accompanied with a Southern Baptist Convention Annual Church Profile, to the Association and its Membership Committee, and an investigation is completed and found favorable, the committee may recommend at any regular quarterly meeting that the church applying for membership be granted associate membership for one full year. The association may, then by majority vote, receive them as associate members. During that year, the associate member church must submit monthly written reports on forms provided by the associational office, and shall have the right to send non-voting messengers to the associational meetings.

We also understand that when the year has expired, the membership committee will further review the status of the church making application, and, if found favorable, will then recommend to the association in a regular quarterly meeting full membership of the church into the association. the association may vote to grant full membership, to extend the associate member status for another year for further review, or deny the application and terminate the associate member status. If the association then votes to receive the church, having the same rights and privileges as the other member churches, the moderator shall extend the hand of fellowship to its messengers.

**THE DEDICATION OF ANNUALS COMMITTEE
RECOMMENDS THAT THE MINUTES OF THE
ONE HUNDRED THIRTIETH ANNUAL SESSION
BE DEDICATED TO**

MRS. LINDA LAWS PHILLIPS

LINDA LAWS PHILLIPS has been an asset to her community practically since birth. She graduated from West Wilkes High School in 1964, Appalachian State University in 1968 with a teaching degree, and also received a degree in Postal Management from Wilkes Community College in 1984. Linda has been married to Wayne Phillips for 36 years and they have one daughter, Belinda.

She was saved at the age of nine and has been a member of New Hope Baptist Church in Purlear since that time. Linda has served her church and Lord well by volunteering to be a Sunday school teacher for any age class (from Preschool to Adult), serve as the Vacation Bible School Director, GA Director, Acteens Director, and Women on Missions Director. Also, Linda has been an Assistant Church Clerk since 1986, and became a member of the Church's Building Committee in 1990. She was also privileged to go with a team on a summer mission trip to Parkersburg, West Virginia to help a church start a Sunday school department.

Since 1982, Linda has served in various positions with the Associational WMU Leadership Team—most recently as Prayer Coordinator. She also served one year as a member of the Committee on Committees and three years on the Membership Committee. Presently, Linda is Scripture Secretary for the Gideons International-Wilkes South Camp-Ladies' Auxiliary.

After graduation from college, Linda taught Algebra and math at Wilkes Central High School for two years. Later, Linda accepted a part-time position with the United States Postal

Service. She has served the USPS in many ways; first as a clerk for three years and as Post Master for 27 years. Twelve of those years were working in the Purlear community where Linda lives. The past 15 years she has used her pleasant smile and positive attitude in serving the residents of Millers Creek. She plans to retire March 1, 2002, which will probably give her more time for the Lord's work and family.

Always willing to help, always wearing a smile—loving her Lord and Savior, Jesus Christ...what better way to describe Linda Phillips! For this reason, the 130th Annual of the Brushy Mountain Baptist Association is dedicated to **MRS. LINDA LAWS PHILLIPS---TO GOD BE THE GLORY!**

Respectfully submitted,
Mrs. Vicki Nichols, Chairman
Mrs. Becky Duncan

OAKWOODS BAPTIST CHURCH

UPDATED 2001

The history of Oakwoods Baptist Church was printed in the annual minutes of the Brushy Mountain Baptist Association in 1994. God continues to bless at Oakwoods.

On April 14, 1996 a groundbreaking ceremony was held at Oakwoods for our new sanctuary and construction began in May 1996. The new sanctuary will seat 500 in the congregation and 106 in the choir. The first service in the new sanctuary was held May 18, 1997 with a full house. Through faithful giving, we anticipate the debt for the new sanctuary to be paid in full by August 2001. In 1997 we started and completed renovation of the old sanctuary into five new Sunday school classrooms. We have also redone the church offices and library in the past two years.

Rev. Robert Duncan continues as Pastor. He began his service as Pastor on January 7, 1990. In October 1996, Rev. Victor Church was called as part-time Associate Pastor and Youth Minister. He was called to full-time service effective September 1, 1999. We also added a new part-time staff position, Minister of Education. Rev. Carlton Waddell was called as Minister of Education effective September 1, 1999.

Oakwoods continues its strong support of missions, both financially and with participation. A total of eight men from our church went to eastern North Carolina to assist in the clean up after the flood caused by the hurricane in 1999. Members from our church have gone for the past few years to New York each December with other members of the Brushy Mountain Baptist Association to distribute warm clothing to the homeless there. Our partnership with the Brazil churches continues. Rev. Duncan and other members of our church go to Caraoicuiba, Sao Paulo, Brazil each year. Rev. Duncan preaches and he and the other participants witness there, while visiting in homes and schools. They have witnessed many souls being saved. This year, Rev. Jairo Riberio and his wife, Joelma, from Sao Paulo have lived in Wilkes County. They have visited many local churches, preaching and singing. They have worked long and hard with the new Hispanic Mission in Wilkes.

Our Youth go on a mission trip each year, led by Rev. Victor Church. Rev. Church preaches and they hold backyard Bible studies, give out tracts, and witness. This year they went to Missouri.

Our members also participate in many local missions such as our tape ministry, handyman ministry, and housewarming ministry.

In October 2000, Oakwoods began a new CARE ministry, headed up by our Minister of Education, Rev. Carlton Waddell. The purpose of the ministry is to show people in our church and community that we love them. Each member was asked to commit to one hour, one Thursday night, each month to come to the church to work in this ministry. The work might involve phone calls, written correspondence, prayer, or home visits. We have received tremendous response from this ministry.

Church membership continues to grow from 558 members in 1993 to 723 in 2000.

PROCEEDINGS

Rev. Lawson Horton encouraged everyone to review the Announcement information sheet that was given to them.

January has been designated as "Make your Will Month." Attorney Tim Joines spoke about the need to make a will. He stated that a will needs to be made to insure that property and titles are passed to generations as you wish. A will is a legal document except not legally enforceable until the person is deceased. Each state governs wills and the rules are different state to state. The most important reason to make a will is to make the passing of a loved one easier. A will insures that a persons wishes and desires are carried on after their death. Attorney Joines gave three ways that a will can be made. The ways are: A handwritten will on plain paper, use a kit, and seek the advice of an attorney.

Rev. Coy Jeans was the guest speaker from the Baptist Foundation. Topics discussed were Last Will and Testaments, Estate Planning and Trust Funds. He encouraged charitable trust funds because the owner's earn, beneficiary earns and then endowment fund earns. Tax sheltered dollars are the greatest asset more people have. Everyone needs to consider trust funds to avoid paying lump sum tax. The Baptist Foundation assists people in estate planning, charitable trusts and charitable endowments. Another area that the Foundation helps is managing monies. They will help churches at no charge because the Baptist Foundation is there to help churches. Rev. Jeans emphasized that if anyone is interested in these services, please contact the Foundation because they will be glad to help.

Mr. Harold Bass led the congregation in the chorus "I Love Him." Mr. Robert Matthews sang "Through it All." "O For a Thousand Tongues to Sing" was sung by the Hinshaw Street Baptist Church choir.

Devotional was given by Rev. Jeff Gibby using scripture Genesis 21:22. Rev. Gibby stated that TROUBLE describes Abraham's life. Some of the troubles were his wife and nephew, Lot. Concerning his son, Isaac, Abraham got a promise from God that he is with you wherever you are and he proved it by sending his son.

Attendance was given as: Messengers-96, Visitors-27 totaling 123 present. Thirty churches were represented.

Closing prayer was led by Rev. Dennis Love, Moderator.

The meeting adjourned at 8:40 p.m.

Respectfully submitted,

Love reminded us that we need to see some miracles in our lives, state, association and churches. The three miracles spoken about were: love, faith and sacrifice. He stated that sometimes we love religion more than Jesus and that tradition and religion is not necessary. We should be thrilled about life by loving our Lord. God wants us to exercise our faith like children because the Lad put all he had in the Lord's hands. When you put al little in the hands of God and he blesses it, it becomes much. *The Long-Term Care Insurance has been included in the Medical/Disability/Life Insurance in the past. This coverage was purchased with money that was allotted for the Associational Missionary's salary and instead of increasing the base salary, this coverage was purchased for the Missionary. In order to more accurately reflect benefits costs, we have broken out these items.

**The Office Equipment includes allocation for a new copier as well as furniture needed if the office relocates during the budget year 2001/2002.

***At the suggestion of the associational staff, the North American Mission and International Mission Funds are now included in the "Mission Ministries" line item. This "Mission Ministries" item will be administered by the Associational Council (Board of Directors) who will determine the dispensing of these funds. Fund requests must be submitted to the Council in writing.

Thank you to all the churches and individuals who have supported the work of the Brushy Mountain Baptist Association with their time, prayers, and with the monetary gifts over the years. Without your sacrifices, we could not have accomplished so much during the past 130 years.

To God be the glory!

AMERICAN BIBLE SOCIETY REPORT

In the United States, the American Bible Society work takes a two-pronged approach; providing quality Scriptures at affordable prices and motivating people to become engaged with the Word—read it and then respond to the Bible’s life-giving message. With this goal guiding their work, the American Bible Society reports the following for their fiscal year 1999-2000:

- Total domestic Scripture distributed by the American Bible Society reached 105.4 million units—up 33% over the previous year.
- Total worldwide United Bible Societies distribution for 1999 was 627,925,260 Scriptures, while the financial support to UBS for international distribution and translation was 26% (or \$6.8 million) increased over the previous year.

The American Bible Society invested \$6.72 million in translation work around the world in 1999-2000. To date, at least a portion of God’s Word has been translated into 2,233 languages. Even with 21 new languages added this year, 4,000 groups remain without any portion of Scripture in their native tongue.

Honoring their sacred charge “to call Christians of every tradition together to share the Word of light,” the American Bible Society has been at the forefront of this global ministry for nearly two centuries. Staying focused on the Word brings the church together as no other cause can. We are grateful that we can share with them in this ministry.

Mrs. Gerry Beshears, Representative

ASSOCIATIONAL MISSIONARY REPORT

Since October of 2000 I have visited in all of our churches at least twice. I have led revival services in Greater Vision, Goshen, and Roaring River. I have supplied in 21 of our churches and some more than once. I have attended several training events related to my ministry, served on several boards in the county, provided counseling to pastors and church parishioners, taught in Seminary Extension, been asked to give information to people about the ministry of the association, and provided administrative leadership regarding the work of the association—meeting with associational leaders and committees. These activities have brought joy to me as I served our Lord by serving the people of Brushy Mountain Baptist Association.

It was also a joy and privilege for my wife and me to purchase our first home during the year. Many of you responded graciously to us in our transition from the parsonage to our own home. We are indeed grateful.

May I now turn your thoughts toward the activity of the association. . .

The Properties Committee continues to look at land and buildings for us to relocate our office for further expansion. At the present time, there are no definite leads toward finding either land or a building suitable for our needs. As an association, our focus should be more on reaching the unsaved and developing believers through missions and evangelism than relocating our office.

Recently, I looked at the past six years of our statistical tables to see how we are doing in our effort to evangelize our community. According to our records, we have maintained the same number, or declined, in Sunday school enrollment, average attendance, membership, and Baptisms. If we are going to be more effective, we must commit to numerical and spiritual growth to penetrate the community with the gospel.

The Evangelism Task Force is still meeting to pray and seek our Lord’s guidance in knowing how we can best minister and reach people for Christ in our area. This group would like you who read this report to join in finding out what God wants us to do. Please pray and obey our Lord as this group intends to do.

Respectfully submitted,
Rev. Lawson D. Horton, Jr.

BIBLE DRILL REPORT

Bible Drill is designed to encourage children and youth to expand their knowledge of God's Word and develop skills in effectively using the Bible. Participants learn books of the Bible, memorize selected verses, and references and where to locate them. Bible Drill encourages our young people to hide the Word of God in their hearts (Psalm 119:11).

This year twenty-eight children and youth were winners in their Church Drills that qualified them to participate in the Associational Bible Drill held at Wilkesboro Baptist Church on April 8, 2001. These winners were from following churches: Goshen, Lewis Fork, Millers Creek, Mt. Pleasant and Pleasant Home. The participants did an outstanding job and many of them advanced to the State Drills held on April 20-21, 2001 at Bethlehem Baptist Church in Taylorsville.

We would like to encourage all churches that are not currently participating to prayerfully consider beginning a Bible Drill ministry. Please remember our 2002 participants and leaders in your prayers.

Respectfully submitted,
Mr. Sherrill Lowe and
Mrs. Wanda Lowe, Co-directors

BIBLICAL RECORDER REPORT

2001 Associational Report

Baptists cling stubbornly to the idea that people should think for themselves and make up their own minds about issues of importance. For this reason, Baptists affiliated with the Baptist State Convention of North Carolina (BSCNC) are fortunate to have a resource that provides regular, dependable and balanced news coverage of wide-ranging matters relating to Baptist life.

The *Biblical Recorder*, the official news journal of the BSCNC, has served this purpose since its establishment in 1833 by Thomas Meredith, a prime mover in founding the Baptist State Convention in 1830. The *Biblical Recorder* was privately owned and operated in support of Baptist work in North Carolina until 1938, when the paper was purchased by the Baptist State Convention and incorporated as an agency of the convention.

The *Biblical Recorder* is widely acknowledged to be in the top echelon of state Baptist papers, winning national honors for news and editorial writing in 2000.

The *Biblical Recorder's* strategic role in promoting God's kingdom work through North Carolina Baptists grows from its mission statement: ***"to further Christ's kingdom by providing relevant news, insightful opinions and supportive resources to North Carolina Baptists in a timely and accessible fashion."***

As a BSC agency, the *Biblical Recorder* belongs to all North Carolina Baptists, and appropriately reflects the geographical, ecclesiological, and theological diversity that is typical of the churches making up the Baptist State Convention. The editors and staff of the *Recorder* work diligently to offer a fair and balanced presentation of the news that most affect the life and ministry of North Carolina Baptists. Opinions advanced through editorials, letters, and analytical essays help to spark informed thinking on important issues. Feature stories about notable or innovative activities of churches and associations, regular reports on partnership missions efforts, and weekly commentaries on the most popular Sunday School lessons offer ideas, encouragement, and inspiration to readers of the *Recorder*.

In addition to its printed form, the *Biblical Recorder* maintains a popular presence on the World Wide Web, significantly enhanced through major upgrades in early 2001. The *Recorder's* website at www.biblicalrecorder.org offers Internet users an opportunity to read much of each paper's content online, and allows for the posting of breaking news prior to the printing of the next issue. New features include an internal search engine, a church locator service, classified ads, Bible study resources and a news/weather portal. Thousands of interested readers around the world consult the online version regularly.

As a BSCNC agency, the *Biblical Recorder* receives annual support from Cooperative Program gifts, making it possible to offer the *Recorder* at very affordable subscription rates. Currently, the annual rates are:

BROTHERHOOD REPORT

This year the association sponsored a “RA Jamboree” at Kerr Scott Lake and a model car competition at Millers Creek Baptist Church for the Royal Ambassadors, the mission organization for boys in Brotherhood work. A special thanks to Eddie Shoupe and John Triplett for leading these projects, and to Millers Creek Baptist Church for the use of their gym.

Baptist Men is the mission organization for men age 18 and up. Several of our churches have purchased trailers for “Handy Man” ministries over the past year. Many of the churches observed Baptist Men’s Day in January recognizing the men in the church and giving the men an opportunity to lead in worship.

We had several groups participate in various mission projects during the year, mainly in Eastern North Carolina repairing damage from Hurricane Floyd. We also continued our long-standing relationship with “Graffiti Ministries” in New York by distributing blankets and warm clothing.

The North Carolina Baptist Men’s office in Cary continually gets calls from other states when disasters occur. If God has gifted you for this type of ministry, prayerfully consider sharing your gift, that others may be blessed and our Lord glorified.

Respectfully submitted,
Mr. Bob Taylor
Associational Brotherhood Director

alternates shall not exceed fifty (50) percent of the number of messengers allowed to a member church. No elected alternate shall be allowed to represent a member church unless the elected alternate is substituting for a duly elected messenger of the member church who does not attend the Association meeting.

B. Election. Messengers **and alternates** shall be elected annually by each member church for all associational meetings **and reported to the Associational Office or Associational Clerk within ten (10) days after their election. If vacancies occur during the year and a member church elects new messengers and/or alternates to complete the number of messengers and alternates allowed to a member church, the names of those newly elected messengers and/or alternates shall be reported to the Associational Office, or the Associational Clerk, at least ten (10) days prior to the meeting which they will be attending to transact business.** Messengers shall not have authority to act for their church or represent it except during associational business sessions. It is suggested that some of the messengers be leaders of individual church organizations.

CHRISTIAN LIFE COMMITTEE REPORT

There were no formal meetings conducted during the year. Money was contributed to the Wilkes Crisis Pregnancy Center from the funds allocated in the budget for the Christian Life Committee.

Most likely the committee will become more active this next year because of the gambling menace that will cause much interest during the year.

Rev. Mark Creech has been invited to speak during the annual meeting being held at Oakwoods Baptist Church Monday, September 8.

DISCIPLESHIP TRAINING SUPPORTER REPORT

Building on some of the ideas expressed in the Key Leadership Conference last August, a list of discipleship resources available in the association office was made available to every church. In addition, an attempt was made to secure a list of resources that the individual churches have and would agree to loan to other churches. The material for several training courses was added to the library at the association. One of these was Total Church Life by Darrell Robinson, retired vice-president of the North American Mission Board. It teaches how to enable every facet of the church to "Exalt the Savior, Equip the Saint, and Evangelize the Sinner." Any church desiring assistance in the area of Discipleship Training should feel free to contact the new director, Mrs. Sherri Haithcock, or the associational office.

Rev. Ed Taylor
Discipleship Training Director

EVANGELISM REPORT

Since there has not been an Evangelism Director, no events were conducted during the year. Rev. Robert Duncan has agreed to serve as the Evangelism Director, subject to the approval of the body in session at the October meeting.

Several gospel tracts have been bought and distributed by various church groups giving an evangelistic appeal. Additional tracts have been purchased and are to be distributed at the Apple Festival in early October.

The association supported the "Back 2 School Bash" held at Millers Creek Baptist Church in August by making a contribution from the budget item for Evangelism and also from money that had been designated for a crusade. The "Back 2 School Bash" had approximately 500 people in attendance. The number of professions of faith is unknown.

There is an Evangelism Task Force that has been meeting with the Associational Missionary to pray and determine God's will for our association. The group is to report at the January meeting of progress that is being made. Hopefully more will be done to reach people with the gospel in Wilkes County in this new associational year.

FRUITLAND BAPTIST BIBLE INSTITUTE REPORT

The Fruitland Baptist Bible Institute continues to be directed by the vision that led to its founding by the Baptist State Convention in 1946. The aim of the school is to provide academic, spiritual and practical preparation for ministry to those students who have unique needs. The curriculum is designed to take students at various levels of academic achievement, spiritual development and practical experience and lead them forward to readiness for further studies and/or practical ministry. Enrollment for the year has averaged 169 with the highest enrollment during the Fall Quarter of 2000 at 187. Our student body is diverse in ethnic background, ages and life experiences. A number of our students had no plans for higher education until they experienced a call to Christian ministry. Our program offers a unique blend of academics, inspiration and practical instruction. Currently, we have international students from Liberia, Tanzania and Ukraine.

The Fruitland family is looking forward expectantly to the completion of the Randy Kilby Memorial Library. The projected completion date is the end of February 2002. This is the first building on the campus to be devoted primarily to the housing of a library. The present collection is approaching 30,000 volumes. With the new building, space will be provided for 60,000 volumes. The collection of books, audio and video materials will be catalogued by the latest computer technology. Plans are being made to provide means for being linked to major libraries across the country. The vision for using this new facility includes serving the surrounding area as well as the faculty and students at the institute. Fund raising to allow for the completion of the building without debt is continuing under the direction of Vice President for Development, J.D. Grant.

During the past year some faculty changes have taken place. Gayle Brown is now serving as instructor in supervised Ministry. John H. Knight resigned as the teacher of Church Administration after serving almost twenty-one years. Presently, David Treadway is serving as an interim teacher in this course. With the resignation of Steve Scoggins, Carlisle Sanford is now serving as interim teacher in New Testament 201-202. Plans are being made for a visiting professor program with outstanding teachers serving from time to time as adjunct professors.

Fruitland continues to be a part of the mission ministry of the Baptist State Convention of North Carolina. The Board of advisors, administration, faculty, staff and students appreciate the support of Baptists by prayer, recommending the school to prospective students and contributing financial resources. A continuing effort is being made to be good stewards of the resources, which are provided. Visitors are welcome to our beautiful campus. Any group interested in a guided tour should contact our Campus Services Director, Todd Edmiston, at (828) 685-8886 or e-mail, fruitland@brinet.com.

HISPANIC MINISTRY

There is a growing population of Hispanics taking up residence in Wilkes County and the surrounding area. It is believed to be the fastest growing area in the State.

We currently have one Hispanic Baptist Mission meeting at Cub Creek Baptist Church every Sunday. They are averaging around 30 worshippers. Our goal is to provide a place for the Hispanics to have worship and Bible Study on Sunday mornings, rather than Sunday evenings.

The following churches are making contributions to the Hispanic ministry in addition to their regular giving to the association: First Baptist – North Wilkesboro and Moravian Falls. The mission that is currently associated with us is also receiving an offering from among her members, which is being collected and deposited in our associational bank account. Money is also allocated in our operating budget for this ministry. The money designated for this ministry goes to pay travel expenses for the Pastor, and to purchase literature and other supplies as needed.

Another group of Hispanics has been organized into a church, which is Baptist in faith, and plans to apply for membership in the association. They are averaging between 30 and 40 for worship. They are currently meeting at the Moravian Falls Campground.

Your prayerful support and generous giving for this ministry is greatly appreciated.

INTERNATIONAL MISSION BOARD OF THE SOUTHERN BAPTIST CONVENTION REPORT

During the last year the churches in our association have sent volunteers to Brazil, South Africa, Germany, and Romania. These volunteers ministered through Backyard Bible Clubs, Vacation Bible Schools, construction projects, personal witnessing and preaching the Gospel. Many lives were touched, many heard the Gospel for the first time and decisions for the Lord were made. Thank you for volunteering and for supporting those who went.

By the end of 2000, 4,946 missionaries were under appointment through the International Mission Board, serving among people groups in 153 countries.

In 2000, 879 Southern Baptists were appointed or commissioned through the IMB to join God to take His gospel across the world. Of these 879 new missionaries: -275 were approved for long-term missionary service; -604 committed to serve two or three years through the International Service Corps, Masters or Journeyman programs.

In 2000 there were 30,805 volunteers sent overseas by the board. These volunteers include college and seminary students, youth health-care workers and sports coaches and players.

Last year a record 451,301 baptisms were reported and 6,525 churches were started on mission fields worldwide.

Southern Baptists support international missions through concerted prayers and sacrificial giving. Prayer prepares the path as we share the gospel around the world.

The Lottie Moon Christmas Offering®, named for a devoted missionary to China, is still the lifeline for missions overseas – with 100 percent of the offering going to overseas missions' budgets. Also, 18 percent of the Cooperative Program goes to overseas missions – other income is through gifts by individuals and state foundations.

“For the administration of this service not only supplieth the want of the saints, but is abundant also by many thanksgivings unto God.” II Corinthians 9:12

MISSION DEVELOPMENT COUNCIL REPORT

The Mission Development Council's purpose is to work with our Associational Missionary in planning, developing, and implementing different means of involving our churches in missions. The usual things have been done this past year, such as, the ministry to the Agricultural Fair workers, the Apple Festival booth, and promoting warmness of needs and opportunities to do missions. We have worked on having an Associational Mission Team to give opportunities to individuals whose churches do not have an active missions team. We set a date for an "On Mission Celebration" for April 6-9, 2003. We tried to help our Associational Missionary start a program to help in our public schools. We had opportunity to work with children in reading—listening to them read, etc., but there was no response from our churches.

At the present time there is still much need around us as the Hurricane Floyd recovery is still going on in Grifton, NC. The floods in West Virginia and Kentucky will cause recovery needs for some time into the future. The new Appalachian Region Ministry provides many opportunities for missions that are nearby us.

Contact our associational office if you have questions or want to know more about ways to serve our Lord in doing missions.

Mr. Dale Brown, Director

MODERATOR'S REPORT

The Brushy Mountain Baptist Association is blessed to have dedicated people on staff and in many places of shared leadership spreading throughout the various committees of our association. To our associational staff and the many dedicated Christians that give of their time, talent, energy, and prayers to make this association great in the Lord's eyes, I say *thank you* and may the Lord bless you richly. A thumbs up goes to all of our churches, Pastors, and messengers for the personal and financial support of your association. A special thanks to our Associational Missionary, Rev. Lawson Horton, for his unconditional love and unwavering leadership to make this association stronger in missions ministry, world and local evangelism, and personal discipleship. A special thanks of appreciation goes to Mrs. Diane Shaw for using her secretarial skills for the Lord and the advancement of our association.

Our quarterly meetings continue to be a blessing from the Lord. These meetings are well attended by the messengers of our churches. What a blessing it is to enter one of our churches as one body in Christ and experience a time of holy inspiration and receive some much needed head and heart information. To God Be The Glory for all that He is accomplishing in and through these quarterly meetings. I encourage our churches to elect your messengers and encourage their attendance and participation in these quarterly meetings. Quarterly meetings take place in January, April, July, and October. In our July 2001 meeting the messengers voted to continue our partnership with the Graffiti ministry in New York City for at least two more years. In our October 2001 meeting, we will be celebrating our 130th anniversary as an association with information on our past and inspiration for our pilgrimage that lies ahead.

In closing, I would like to express my gratitude and appreciation to our association for allowing me to serve as Moderator. It has been a loving and learning experience! May we move forward with bold determination individually and collectively as we claim that great promise from our Lord, "*That greater is He that is within you, than he that is in the world.*" (1 John 4:4b)

Respectfully submitted,
Rev. Dennis Love, Moderator

MUSIC REPORT

This year has been positive in musical activity throughout the association. Many Music Directors and Choirs fulfill traditional commitments to their churches, presenting the gospel in seasonal special presentations. Some have developed musical presentations to share not only with their congregations, but also neighboring churches.

In the Fall of 2000, practice began with association singers preparing for the "Jubilee Celebration" at the Walker Center. Singers prepared under the direction of Joel Groce from Winston-Salem, NC, presenting special choir music by approximately 60 voices each night of the celebration. Rheta Absher and Pat Faw, both of Wilkesboro, NC, played piano preludes for each service. Special thanks goes to Kent Burchette for valuable assistance.

At each associational quarterly meeting, the host-church choir is asked to present approximately a 15-minute musical presentation as a prelude to the formal meeting opening. Messengers, therefore, gather in a timely manner, glean exposure to the varied musical talents throughout the association. We find a variety of musical presentation within our churches. Most likely because we find a variety of worshipping people who see a need to spread the Gospel. All a part of our...*March to Zion*.

NORTH AMERICAN MISSIONS REPORT

"The harvest is plentiful but the workers are few. Ask the Lord of the harvest...to send out workers into His harvest field." Matthew 9:37-39

The North American Mission Board exists to proclaim the gospel of Jesus Christ, start New Testament congregations, minister to person in the name of Christ, and assist churches in the United State and Canada in effectively performing these functions.

The breadth and depth of the North American mission field is unprecedented. There are 312 million people living in the United States and Canada. It is estimated that 200 million of them do not have a personal relationship with Jesus Christ. Yet, the depth of North America's lostness is evident when 91 percent of respondents in a recent survey considered themselves Christian, even though less than one-third said they had been born-again.

Our culture is hungry for truth but is developing its own understanding of a relationship with God. These unprecedented days of opportunity demand the church deliver the gospel truth in every conceivable way.

In coordination with state Baptist conventions, associations, and other Great Commission partners, NAMB has developed strategies and resources to help Christians and their churches share the gospel as never before. Some of NAMB's breakthroughs this past year include:

- More than 2,000 schools are using the FiSH! strategy. The average number of commitments to Christ on each of these campuses is four per month.
- More than 100,000 people per month are spending an average of 10 minutes each on one of NAMB's Internet Web sites. This past year hundreds made professions of faith through NAMB's Web sites and were referred to local Southern Baptist churches for follow-up.
- 2,614 SBC-endorsed chaplains led 21,000 people to faith in Christ.
- The Evangelism Response Center is making it possible for specially trained Southern Baptist volunteers to accept calls in their homes from people responding to evangelistic advertising about a personal relationship with Jesus. Information is forwarded to local SBC churches. There were 34,635 calls received and 673 people made salvation decisions during the calls.
- Pregnancy care centers ministered to 28,382 clients, resulting in 2,186 babies born and 29 adoptions, 832 professions of faith. There are 2,770 Southern Baptist churches involved in the Alternatives for Life ministry.

Continued next page

- As a result of church and community ministries, there were 28,384 professions of faith.
- Development of cutting-edge evangelism resources for families, women, children, and church leaders.

These efforts are only possible through your support. Please pray and give as our Lord leads you to help in these causes. Our Annie Armstrong offering each Easter goes to support the work of the North American Mission Board. Please promote this offering among the people of your churches.

Respectfully submitted,
Mrs. Elizabeth Billings, Representative

NORTH CAROLINA MISSIONS REPORT

Why do we have a special emphasis on North Carolina Missions?

- Because in a state that has a population of over 8,000,000 people, only fifty percent of the people attend church
- Because the two largest ethnic groups in the state are Hispanic and Korean
- Because 120 of our Baptist churches have special education ministries
- Because 85 of our Baptist churches have deaf ministries
- Because North Carolina churches minister in 27 different languages
- Because 33 non-English language churches were started in 2001
- Because 52 of the NC Baptist associations and churches are involved in WMU's Literacy Missions
- Because 1,361 campers attended Camp Mundo Vista in 2000
- Because over 1,400 homes damaged by Hurricane Floyd have been or are being rebuilt by NC Baptist volunteers
- Because 14 NC Baptist associations and churches held an "Operation Inasmuch" community missions blitz in 2000

The North Carolina Missions Offering (NCMO) makes possible many of the mission ministries of the Baptist State Convention of North Carolina. The offering provides the entire operating budgets of the North Carolina Woman's Missionary Union and North Carolina Baptist Men. In addition, many of the Mission Growth Evangelism ministries (such as church planting and language churches) are supported by the offering. Moreover, approximately 10 percent of the receipts from churches in each association are returned to that community for local ministries.

Our gifts to the NCMO are vital to the mission work here in our own community as well as state. If your church does not participate in this Week of Prayer and Offering, please encourage your church leaders to promote and support this important cause. When our Lord assured his disciples that they would "...receive power, after that the Holy Ghost is come upon you: and ye shall be witnesses unto me both in Jerusalem, and in all Judea, and in Samaria, and unto the uttermost parts of the earth..." (Acts 1:8), He was telling all His people to witness both home and abroad. North Carolina *is* our Jerusalem...spread the Good News of Christ to your family, friends, and neighbors through the work of North Carolina Missions.

Mrs. Diane Y. Shaw, Representative

ORDINATION COMMITTEE REPORT

It is the great privilege of the Ordination Committee to assist churches with the ordination of men who have responded to the call of God to the Gospel ministry.

If at any time the assistance of this committee is needed, please feel free to contact the chairman, or any member of the committee.

During this past year, we joined with Mt. Pleasant Baptist Church in the examination of Craig Church who is now associate pastor at Millers Creek Baptist Church.

PARTNERSHIP REPORT

The following letter was received and does a wonderful job in summarizing the work done by Brushy Mountain Baptist Association in partnership with Graffiti Ministries.

Dear Lawson and Churches of the Brushy Mountain Baptist Association:

The Brushy Mountain team did a great job on their August mission trip to Graffiti in New York City. They cooked close to 1,000 hot dogs for hundreds of people and did so many other things that is hard to list, but we will try.

Wednesday, August 1

The group arrived and we unloaded the supplies (which involved going to numerous locations) and some of the group put together a loft bed for a missionary family while the others prepared for the meal for the homeless people. Later that evening the group cooked the meal and then served it to the people. After the meal the group led the outreach Bible study.

Thursday, August 2

The group loaded the van and traveled to the park. They had to clean the park and make sure it was safe for the children. They then roasted hot dogs and played with the children from Graffiti's summer programs. The children looked forward to playing with the group and interacting with them. In the evening, the men put together another loft bed for Graffiti's US/C-2 missionary couple and the ladies baked cookies for the outreaches on Friday and Saturday.

Friday, August 3

Fun day at LES III. This is an outreach in a housing project next to the space we rent for church. The group led games and music for the children. Naturally, hot dogs were roasted and served.

Saturday, August 4

We did an outreach we have never attempted before. We cooked 400 hot dogs and served them to people outside the church where we rent space. Not only were people served food, but the children played games, faces were painted, and balloons given out all by group members. It was a mixture of people that were reached that day. There were homeless people, gang members, drug dealers, low-income people, community people, etc. It was a wonderful outreach where Christ's love was shown and shared to many people who have never experienced His love before. This was all done in extremely hot weather.

After the hot dog/game outreach, the group put together sandwiches and toiletries to give to people in the park. Not only did close to 100 people receive food and toiletries, but several group members were able to talk to people and tell them about Jesus. It was a wonderful outreach.

Sunday, August 5

Even though the group had worked all week long and was getting ready to leave, they still helped at the summer graduation for our children. The graduation is like a VBS commencement service. They helped set up and keep things running smoothly. We have people at this service who have never been to church or heard about God. It is always an exciting time, but this year there were more people than ever before in attendance.

None of the above outreaches would have been possible without the Brushy Mountain Baptist Association and the people who came. Thank you for allowing all of this to happen. So many people who do not know Jesus were reached and helped. God is moving in a miraculous way and you are a part of it.

Over the past eleven years Brushy Mountain Baptist Association has sent well over 40 mission teams to the Lower East Side. It has been a miracle to see needs met through food, clothing, blankets, medical care, construction, etc. It has been a miracle to see people come to Christ and grown in Christ through your association's ministry here at Graffiti. Your association has been a part in helping people in this neighborhood move from hopeless fear to fearless hope in Christ.

Thank you for your continuing heart for missions in the inner city. You are an enormous part of Graffiti, the ministry, and the church. We appreciate you.

Warmly,

Taylor Field, Director, Graffiti Community Ministries

PASTORAL MINISTRIES REPORT

Rev. Charles Edwards served in this capacity until April 2001 when Rev. Lyn Lambert was elected as the new Pastoral Ministries/Church Administration Director.

During this past year an attempt was made to provide a time for Pastors to meet for fellowship and prayer. Only a few were present for this event.

Pastors and key leaders from our churches were invited to participate in a Ministry Planning and Coordinating Seminar held at Millers Creek Baptist Church on May 21 from 7 p.m. – 9 p.m. Phil Stone with the General Board Staff of the Baptist State Convention of North Carolina led this very helpful conference. Those who attended were well pleased with the results.

PROGRAM PLANNING AND WORSHIP COMMITTEE REPORT

Your Program Planning/Worship Committee has had eight planning meetings during the year.

Quarterly associational meetings planned and subsequently held were those at Hinshaw Street Baptist Church in January; Little Rock Baptist Church in April; Liberty Grove Baptist Church in July and the present meeting at Oakwoods Baptist Church, October 8.

Meetings scheduled for next year (2002) are: First Baptist Church-January 14; Cub Creek Baptist Church-April 8; Oak Grove Baptist Church, Millers Creek-July 8; and, Wilkesboro Baptist Church-October 14.

The preacher for the annual sermon will be the Reverend Jeff Gibby with the Reverend Glenn Caudill serving as alternate.

Rev. Robert Webb, Chairman

PROPERTIES COMMITTEE REPORT

This year has been a very busy and eventful year. The committee has been busy looking at buildings, properties, and other options. Everyone was asked to continue to pray for a location until the Lord says this is the new location that meets the association's needs.

Respectfully submitted,
Mrs. Lois Woodie, Chairman

RESOLUTIONS COMMITTEE REPORT

The Resolutions Committee has received no resolutions during this year for consideration. Therefore, the committee offers the following resolutions: Be it therefore resolved that we express our thanks to the host churches of our associational meetings, Hinshaw Street Baptist Church, Little Rock Baptist Church, Liberty Grove Baptist Church and Oakwoods Baptist Church and their pastors, for the hospitality shown to both messengers and visitors of our association. Be it also resolved that we express our appreciation to the associational staff for their labors of love within the past year.

Rev. Hadley Triplett, Chairman

SCHOOL OF CHRISTIAN STUDIES REPORT

This past year, the School of Christian Studies added something new to the curriculum. Known as “basic” courses, these six-week, or twelve hour, courses are non-credit, seminary courses requiring no testing or grading. These new courses are designed for pastors, Sunday school teachers, or the laypersons that do not wish seminary credit, but would like to gain a better understanding of the Bible. This past year we scheduled three such “basic” courses with an average attendance of eight in each course.

Although there was not enough interest in a seminary credit course this year, we will continue to make these courses available also.

We are always in need of qualified teachers to teach both the credit and the non-credit courses. If you feel qualified and are willing to teach, please contact the Brushy Mountain Baptist Association office or one of the committee members for qualification requirements.

Respectfully submitted,
Mr. James Carson
School of Christian Studies Director

SUNDAY SCHOOL REPORT

Glenn Efird has been serving as our Associational Sunday School Director during the year. He has made an effort to contact several church Sunday School Directors to determine needs.

No training event was planned during the year; however, an Associational Literature Workshop explaining the breakdown of the new literature structure was presented in April 2000 at Welcome Home Baptist Church.

It has been suggested that a leadership training conference for Sunday school workers be conducted during this current associational year. An effort will be made to plan such an event.

Millers Creek and Mt. Pleasant Baptist Churches hosted area Sunday school worker training events during the year that were well attended by the host churches and those in the surrounding area.

Moravian Falls hosted a Sunday school workshop in September for their church leaders and other interested persons.

If any Sunday school leaders have a need for help, contact Glenn Efird at 921-4332, or the associational office at 838-4407.

VACATION BIBLE SCHOOL REPORT

Our Associational Vacation Bible School Clinic was Held April 3, at Millers Creek Baptist Church. There were approximately 170 people in attendance, representing 25 different churches.

This year our theme was *Truth Trackers, Searching for the Secret of the Stone Tablets*. There was an excitement in the air and I feel like this went back with us into our churches. We had several different classes, with lots of ideas represented. As Associational Director, I am learning that when we come together as a group, we are limitless in what we can accomplish and I witnessed this happening this year. I am so very excited for our Vacation Bible School Teams and I know if we continue to keep our eyes upon the lord, and give Him the glory, we will accomplish many things in His name.

Plans are already being made for the 2002 Associational Bible School Clinic and more classes will be added for this clinic. May God bless each of you and I know great things happened in your church's VBS and the Lord's work was accomplished!

Respectfully submitted,
Diana Goodman, Director

WMU REPORT

WMU is a dynamic, active organization that makes a real impact on peoples lives. Once again, we began our ministry for 2000-2001 at the annual Apple Festival on October 7, 2000. Our women, as well as our GA's and Acteens, volunteered to help man the Brushy Mountain Baptist Association's booth. The next day, October 8, we collected food items for Wilkes Cares. The food drive was a great success with over 6,000 items collected and much needed monetary donations were received as well.

In November we provided a nursery during the Harvest Festival held on the 4th & 5th at the John A. Walker Center. On November 13th we tried something new—we combined Baptist Women's World Day of Prayer with a "Missions Fair" which was hosted by Millers Creek Baptist Church. After a session of prayer for the Baptist work around the world, we toured the booths of such places as Brazil, India, China, Honduras, South Africa, Romania, Japan, and the Bahamas. As we stopped at each booth, we were able to sample some of the country's native food. It was an exciting way to see and "taste" missions. Also at this meeting we had "red boxes" to collect toothbrushes for the NC Women's Correctional Center. We had committed to collect 600 toothbrushes and when the count was made, we had collected over 1,200—to God be the glory! We sent about 800 to the WMU office in Cary for the red boxes for the correctional facility and shared the others with Ebenezer Gardens Christian Children's Home, Safe House, Broughton Hospital, Romania, Wilkes Cares and other areas of need.

In February we held our prayer retreat at Moravian Falls Baptist Church and collected money for Martha Colwell to use in her ministry in Rwanda—over \$1,000 was collected. Also in February, we had several Acteens and their leaders to attend "Acteens' Day" at Campbell University.

It seems to be a habit, but our North American Missions study was snowed out again!

WMU Focus was a success in many of our churches—one church did their emphasis by hosting its own "Missions Fair."

The Associational WMU hosted a "Housewarming/Appreciation Day" for our Associational Missionary, Lawson Horton, and his wife, Carolyn, on Sunday afternoon, March 4.

Many of our leaders and members attended the Missions Extravaganza (State Annual Meeting) at Ridgecrest the last of March.

We were asked to do another Missions Fair at the April Quarterly Meeting of the association held at Little Rock Baptist Church. This, too, was enjoyed by all who participated.

WMU held its Annual Celebration in May at Wilkesboro Baptist with Jan High of the BSCNC in Cary as guest speaker. The Youth Puppet/Clown Ministry of Wilkesboro and the Acteen Mime Team from Liberty Grove Baptist Church performed beautifully, much to the delight of the attendees.

Greater Vision Baptist Church hosted Mission Friends Fun Day at the Merle Watson Stage at Wilkes Community College on Saturday May 19. The children, and leaders, had a great time! The GA's were recognized at a GA Mother/Daughter Retreat on August 18, hosted by Oakwoods Baptist Church. They participated in a missions study and then were treated to lunch before dismissing.

This is just a portion of the work done by WMU in our association. In addition to all that the members did on the associational level, they did much more in their own churches. Our cup for missions surely runneth over.

Our year ended with our leadership team attending Caraway's WMU Associational Leadership Training and returning to teach and to share with the leaders of our churches what they had learned. This training was held at Liberty Grove in their new fellowship hall. We were served a light supper by our host church.

I would like to take this opportunity to say "Thank you!" to all the churches that were hosts to our events and for the wonderful refreshments you provided.

In looking at the new material for 2001-2002, I found this tagline that I want to leave with you—*Discover the Joy of Missions™*.

Mrs. Betty Pardue, Director

YOUTH COMMITTEE REPORT

It has been said that “The future of our churches lies on the shoulders of our youth.” We are so fortunate to be a part of an association that recognizes the many wonderful talents God has given our young people.

In October our association sponsored a Youth All-nighter. This event was held at Millers Creek Baptist Church with the Rev. Neal Hatfield as the keynote speaker. Activities during this event included games, skating, bowling, swimming, basketball, video scavenger hunts and breakfast. Approximately 150 youth, representing 10 churches, attended this event.

In November I was fortunate enough to attend the Youth Specialties National Youth Workers Convention in Atlanta, Georgia. All Youth Leaders in our association were then invited to a mini-session to obtain copies of literature I brought back from this conference. Information is still available upon request.

In an attempt to increase the fellowship of Youth Workers association-wide, the first Tuesday night of each month has been set aside as a time to informally meet for a meal at Ryan’s Steakhouse and get to know each other. The goal of this meeting is to increase participation in each church’s youth events. There is no agenda and everyone is welcome. Feel free to call for more information.

Associational Youth Funds were given in support of Millers Creek Baptist Church’s “Back 2 School Bash” held in August.

Future plans are tentative for a “Progressive All-nighter” as well as Youth Revivals.

Please continue to pray daily for our youth and that they will be in God’s will.

Respectfully submitted,
Mr. Wade Collins, Associational Director

REPORT for 2001 BOOK of REPORTS

OFFICE of ANNUITY

The Annuity Office of the Baptist State Convention of North Carolina in partnership with the Annuity Board of the Southern Baptist Convention provides services related to retirement planning, financial support of ministers and other church employees, life and health insurance, ministry to seminary/divinity students, and church/clergy tax issues. These services are provided in a variety of ways to churches and church employees.

As a result of an expanded mission statement and two new ministry assignments given to the Annuity Board in 2000, the year 2001 is proving to be one of transition. Specifically, much of the Board's work during 2001 has focused on preparing to offer personal investing and institutional investments with the accompanying need for all the investment funds to be registered during this year. Despite a disappointing year in the financial markets, ten of the fourteen Annuity Board investment funds out-performed their benchmark for the year. More specifically, all six equity funds and all four blended funds exceeded benchmark returns while all four fixed income select funds under-performed.

Insurance continues to be one of the greatest challenges as the Annuity Board continually seeks to maintain viable products for participants. New insurance products and services have been developed and plans outlined for implementation. Two new Medicare supplement plans were designed and implemented. The Annuity Board paid more than \$139 million in insurance benefits last year.

The Endowment Ministry, designed to give support to retired ministers, denominational employees and their widows with special needs, enjoyed a banner year. The relief ministry reached a record monetary level as \$5.3 million was distributed to needy retired ministers and widows. Guidelines for the Adopt An Annuitant ministry were revised to allow more applicants to qualify for the gift.

As of May 31, 2001, there were 4,842 active participants in the retirement plan with 62% of our North Carolina churches participating. The number of persons receiving retirement benefits has increased to 2,815 with another 361 being assisted through the Adopt An Annuitant ministry plan.

It is our strong desire to serve all of our churches, ministers, and church employees. Baptist Children's Homes of North Carolina

Baptist Children's Homes serves record number of children. In 2000, Baptist Children's Homes of North Carolina served a record 2,000 children and more than 1,600 families statewide. BCH operates residential campuses in Thomasville, Pembroke, Kinston and Clyde, a maternity home in Asheville, a teen mother/baby home in Lenoir, value change homes for boys and girls in Franklin and Asheville and for girls in Lenoir, a wilderness camp for boys in Cameron, emergency care cottages at each of the residential campuses and in Waynesville, and a model day care in Thomasville.

Children tell their stories during Baptist State Convention report. Standing ovations, applause and heartfelt hugs greeted the children and staff at their 30-minute presentation during the 2000 Baptist State Convention in Winston-Salem. More than 130 BCH children, child care workers and staff sang, shared their stories and said "thank you" to the approximately 4,500 messengers attending the Tuesday afternoon session. Messengers heard the special testimonies from Citadel graduating senior and former Broyhill Home resident Jason Davis and Hannah Adams' mother Donna. Hannah has participated in both the 2000 and 2001 BCH Respite Camp for Developmentally Disabled Adults.

Jason Davis thanks messengers. Jason was featured in the 1995 Baptist Children's Homes report to the convention. At that time he was 17 and dreamed of a career in the Air Force. During his testimony at the 2000 convention, Jason appeared in the full dress uniform of The Citadel. He reminded messengers that if it had not been for their care and support he could have never realized his dream. He told messengers that he credited them for the opportunities he has known. Jason said he plans to always come back to visit the children and just as others gave to help him, he would give to help the other children who would come to BCH after him. Upon his graduation from The Citadel in May 2001, Jason Davis was commissioned as a Lieutenant in the United States Air Force.

Donna Adams claims Developmental Disabilities Ministry an answer to prayer. The final testimony of the BCH presentation was not given by a child, but by a mother. Donna Adams of Laurinburg strained to maintain her composure as she shared how BCH's new ministry for developmentally disabled adults was the answer to her prayers. Adam's daughter Hannah suffered brain damage as an infant. Today, Hannah is a beautiful young woman. Donna said she is comforted in knowing North Carolina Baptists and the Baptist Children's Homes would be there as her family plan for Hannah's future. She thanked messengers on behalf of other parents and families of developmentally disabled children for their support and commitment to this ministry.

North Carolina Baptists reach \$1,000,000 Thanksgiving Offering goal. Because of the support of Baptist churches all across North Carolina, Baptist Children's Homes met the 2000 Thanksgiving Offering goal of \$1,000,000! The goal was record for the agency. BCH president Michael C. Blackwell said he was "enormously gratified at this outpouring response." Baptist Children's Homes is grateful to all North Carolina Baptists who committed themselves to help meet this challenging goal.

First Baptist Church of Salisbury sets goal they couldn't reach. Interim pastor Dr. Dale Steel said collecting a church record of \$18,300 for the 2000 Thanksgiving Offering was fun.

Dr. Steel recounted the meetings that led to setting the church's goal at 1% of the total BCH goal of \$1 million or \$10,000. In 1999, the church gave approximately \$3,500. The church's leadership decided to set a goal they could not reach on their own. Leading with prayer and a commitment to meet their goal, the church watched as they passed their goal and reached their record amount. One month after receiving the record Thanksgiving Offering, the First Baptist Church of Salisbury collected the third-largest Lottie Moon ingathering in 11 years. Dr. Steel credits the church's vision, enthusiasm and determination to do their part for missions as being the key to their success.

BCH breaks ground on two new DDM homes, and dedicates new children's cottage in Marshville. In June, Baptist Children's Homes broke ground for two new group homes for developmentally disabled adults in Winston-Salem. The homes – Davis House and Hinkle House – are being built adjacent to BCH's Baptist House at Bethabara and will open in early 2002. The R.P and Ella Mae Stegall Home was dedicated August 19, 2001. The new group home is located in Marshville and provides residential care for nine boys.

***New Millennium Families* study guide offered to churches.** The study guide to accompany Dr. Michael C. Blackwell's book *New Millennium Families* is being made available to churches for group Bible studies this fall. Dr. Blackwell believes BCH can help strengthen families in North Carolina Baptist churches and is committed to providing the necessary resources. Dr. Blackwell's new book, *A Place for Miracles*, is a history of Baptist Children's Homes, and will be available in late 2001.

BCH anticipates another record Thanksgiving Offering. The 2001 Thanksgiving Offering goal is \$1,100,000. This represents a \$100,000 increase over last year's record-setting amount. The number may seem enormous, but there is an enormous need. Children and families turn to BCH broken, battered and burdened. But with the help of North Carolina Baptists, BCH shows them God's love. BCH is counting on North Carolina Baptist churches to help meet this important goal during this time of economic uncertainty. Call 1-800-476-3669, ext. 1209 to order promotional material, the new Thanksgiving Offering video, last year's BCH Convention Presentation video or to request a speaker to tell the BCH story in person.

The support of North Carolina Baptists through the Thanksgiving Offering, Cooperative Program, church-designated and individual gifts, memorials, honors, and estate gifts enables us to fulfill our mission statement: "helping hurting children...healing broken families.

BCH is grateful for North Carolina Baptists' prayers and support.

THE NORTH CAROLINA BAPTIST FOUNDATION, INC. 2000 ANNUAL REPORT

The mission of the North Carolina Baptist Foundation since its inception in 1920 has been to assist the Convention and its institutions and agencies in increasing an awareness among North Carolina Baptists of Christian estate stewardship principles as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis. The uniqueness of the ministries and services provided by the institutions and General Board staff merits increased financial support. The Foundation accomplishes these objectives by offering assistance in estate planning counsel, Will preparation, planned giving, charitable remainder trusts, endowment funds and church fund management.

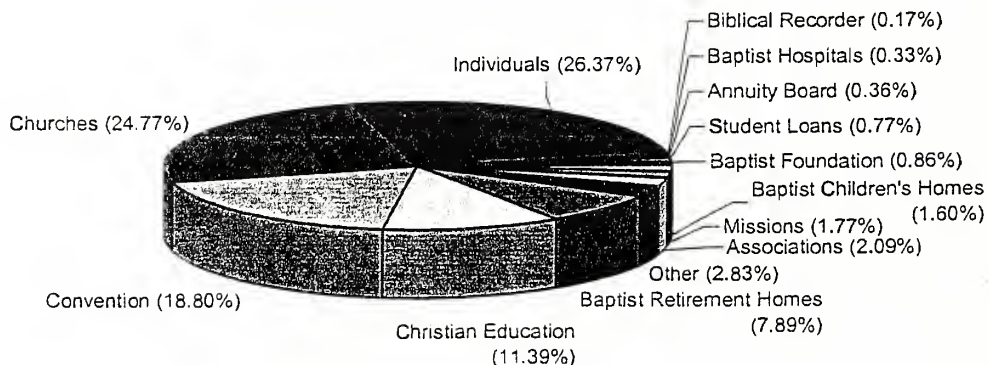

During 2000, the Foundation provided assistance to individuals in establishing 30 endowment funds and 18 charitable remainder trusts totaling \$1.9 million and received \$3.6 million in contributions to existing endowments all of which will ultimately benefit countless Baptist causes on a permanent basis. Programs were provided for 164 churches and associations during the year to promote Make Your Will Month, Christian estate stewardship, and church fund management. Over \$4.6 million from churches and institutions came under management to enhance numerous ministries including scholarships, building funds, cemetery funds, benevolence funds, general operating funds and other various mission causes. With a total of \$10.1 million in contributions, it was the best year ever eclipsing the previous high of \$9.3 million recorded in 1999.

The Foundation employs professional money managers to invest these funds according to an investment policy adopted by its Board. Four investment pools are offered: a growth fund, a balanced fund, an income fund and a fixed income fund. The Foundation uses the services of Salomon Smith Barney to help select top money managers and evaluate performance. As of December 31, 2000, the Foundation held \$97.4 million under management. This is an increase of more than \$4.1 million over 1999.

The Foundation also experienced a record year in distributions in 2000. The previous high in distributions was 1999, with \$5.3 million distributed to charity and individuals. In the year 2000, our distribution totaled 9.1 million dollars, with charity receiving \$6.7 million and individuals, through trusts, receiving \$2.4 million. During the 81-year history of The North Carolina Baptist Foundation, Inc., \$18.5 million has been distributed to individuals and \$32.4 million to Baptist churches, institutions and mission causes for a grand historical total of \$47.1 million.

HOSPITAL FOCUSED ON PARTNERSHIPS IN HEALING

"We desire to build a hospital to bring the healing art more definitely under the dominion of the Great Healer." Baptist Hospital's founding commission penned these words in 1921, and this partnership in healing has been our defining purpose. Our Christian heritage remains the foundation of Baptist Hospital and undergirds our daily commitment to provide compassionate, state-of-the-art medical care to those we serve. The Christian faith is truly the "soul of our institution."

SCHOOL OF PASTORAL CARE

The mission of the School of Pastoral Care at Baptist Hospital is: *To provide ministries of growth, hope, and healing in the Spirit of Christ.* We are thankful that North Carolina Baptists are a significant partner in this mission, helping us bring hope to thousands of people each year.

The Department of Chaplaincy and Pastoral Education provided ministry during the past year through more than 61,000 pastoral visits, and worship services every Sunday, Monday, Wednesday, and Friday. The department's Clinical Pastoral Education (CPE) program received a 10-year accreditation from the Association of Clinical Pastoral Education site review team. Fifty-eight students received training in one of the largest and finest CPE programs in America.

The Department of Pastoral Counseling, CareNet, Inc. continues to develop its ministries. Rev. Steve Scoggin became the director of the system's newest center, the East Carolina Counseling Centers, Inc., in Greenville, N.C. CareNet's counseling centers provided more than 25,500 hours of compassionate pastoral counseling in 17 locations across the state during the year. It is the largest pastoral counseling system in the nation. Thanks to N.C. Baptists, free or reduced rate counseling is made available to lower income people.

The Center for Congregational Health, Inc. continues to assist churches in becoming healthier communities of faith. The Center provides consultation to 25 congregations a month. Over 600 church leaders received training in educational events conducted by the Center during the past year. These include the Young Leaders Program for ministers under age 40, and Intentional Interim Ministry training. Thanks to N.C. Baptists, the Center receives essential support for its ministries. This support pays for initial consultation for all Baptist churches, and provides subsidies for churches and ministers who need special financial assistance.

The Department of Church and Community Relations continues to serve as a liaison between the Hospital and churches of the Baptist State Convention. The department's director, Rev. Paul Mullen, provided ministry through 150 requests for assistance with obtaining medical care or concerns about medical bills. More than \$65,000 was provided to N.C. Baptist ministers and their families by the 25% subsidy for their hospital bills. A variety of benevolent ministries was also coordinated, primarily the Baptist Benevolent Care Fund.

BAPTIST BENEVOLENT CARE FUND

North Carolina Baptists, through the Mother's Day Offering, opened their hearts to patients in financial need and gave \$560,624 in 2000 for the compassionate mission of benevolent care at Baptist Hospital. All of these funds were used to pay the hospital bills of patients in financial need. The fund helps patients who "fall between the cracks," making too much for government assistance but not enough to pay for healthcare insurance. They are deeply thankful to N.C. Baptists for this gracious witness to God's love. As one recipient said, "God smiled on us through the Baptists of North Carolina." Her son is a 13-year-old cancer patient.

ADDITIONAL HIGHLIGHTS AT NORTH CAROLINA BAPTIST HOSPITAL

Ranked Among the Nation's Best – Baptist Hospital, part of the Wake Forest University Baptist Medical Center, ranks among the nation's top hospitals according to the July 2001 issue of *U.S. News and World Report*. One hundred eighty-eight of the nation's 6,299 hospitals appear on this list.

Comprehensive Cancer Center Recognized for Excellence – The Medical Center's Comprehensive Cancer Center received a 5-year renewal of its status from the National Cancer Institute. The Comprehensive Cancer Center is one of only 37 such centers in the nation, and is the only one in western North Carolina. It includes Prostate and Breast Cancer Centers of Excellence.

Medical Center Earns Recognition for Trauma Care – Baptist Hospital, a Level One Trauma Center, received verification in both adult and pediatric trauma services in February 2001 by the American College of Surgeons. It is the first Level One Trauma Center in North Carolina to receive such recognition.

Downtown Health Plaza Opens – The 47,000 square foot Downtown Health Plaza opened in 2001 to provide healthcare for underserved people in Forsyth and surrounding counties. Thousands of indigent children, adolescents, and adults have received compassionate and thorough medical care during the year.

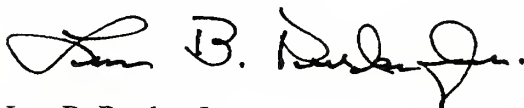

Expansion of Brenner Children's Hospital – Construction of a 400,000 square foot, 11-story addition to the hospital's Ardmore Tower is moving toward completion. Six of the floors will provide space for Brenner Children's facilities, such as private patient rooms, family resource centers, and programs for children with disabilities. The Tower will also include new cardiac catheterization labs and operating rooms.

A CLOSING WORD FROM THE PRESIDENT

This commitment reflects our heritage and shapes our vision for the future. We are thankful to North Carolina Baptists for being our partner in this healing mission. The Homes' new continuing care retirement community called The Gardens of Taylor Glen is under development near Charlotte. BRH also owns and operates a home health program that provides certified nursing and therapy services to homebound individuals. Baptist Retirement Homes is a not-for-profit organization affiliated with the Baptist State Convention of North Carolina.

ARE RESIDENTS OF BAPTIST RETIREMENT HOMES PRIMARILY BAPTISTS?

WHAT IS THE COST OF SERVICES? ARE FINANCIAL RESOURCES AVAILABLE FOR THOSE WHO CANNOT PAY?

Fees vary according to facilities and the level of care chosen or required by residents. A full schedule of fees for each facility is available upon request. There are no entrance fees associated with any of the health-related facilities owned and operated by Baptist Retirement Homes. The Hamilton Baptist Home and The Taylor House are among the few not-for-profit, church-related, long-term care facilities in North Carolina with no financial requirements for admission. Contributions received from the Baptist State Convention Cooperative Program, the North Carolina Offering for Older Adults, and from local Baptist churches across the state are used exclusively to help BRH provide care for those Older Adults in either assisted living or nursing care who are unable to pay the full cost of the services they need.

Baptist Retirement Homes is affiliated with the Baptist State Convention of North Carolina but is a separate and distinct corporate entity. Messengers of the churches that compose the Baptist State Convention elect BRH Board members. ANNUAL REPORT TO THE ASSOCIATIONS 2001

It is with humble gratitude that the Christian Action League of North Carolina serves the Lord Jesus Christ and the churches of this great state as a Beacon of light, guiding referendums and legislation through the murky waters of special-interest groups and educating God's people about the moral problems in our state and nation. Our goal is to encourage and organize the people of God so that our light will be seen brightly throughout our state; and when we speak, it will be in one accord and will resound loudly.

A. Christian Values

- a. The Christian Action League again co-sponsored the Sixth Annual Christian Heritage Week of North Carolina held in March. It was our pleasure to provide awards for excellence to those high school students who won the essay contest on America's Christian background.
- b. CAL has continued to promote and distribute copies of the Ten Commandments throughout North Carolina. To date, over 17,000 copies have been mailed. CAL was instrumental in getting HB 195 passed that would allow public schools to post the Ten Commandments. This bill passed 94-18 on 7/26/2001.
- c. Promoted awareness of worldwide persecution of Christians through email alerts and radio.
- d. Participated with the American Family Association in distributing copies of our national motto posters "In God We Trust" through our newsletter and providing a link from our website for the purchase of these posters.
- e. Joined with Family Life Ministries in promoting and distributing copies of the Marriage Covenant Certificates.
- f. Set up CAL exhibit at Baptist State Convention

B. Radio

"Christians In Action", Station WAGO (88.7 FM) Snow Hill, has expanded to WAEE, 91.9 FM in New Bern and WRNA (1140 AM) and WRKB (AM 1460) in Kannapolis. This broadcast consists of a five-minute commentary on issues that affect our lives today. Our projection is to ultimately reach the whole state.

C. Gambling

- a. The Christian Action League has been instrumental in keeping a lottery referendum bill in Committee. Through our newsletter, emails, radio and postal service, we have encouraged the Christian Citizens of North Carolina to keep letters and calls constantly coming in to the N. C. General Assembly telling their legislators they do not want a lottery in North Carolina.
- b. The Executive Director and President of CAL joined Citizens United Against the Lottery in a grassroots effort to fight the lottery. The Executive Director spoke at a news conference held at the Press Room of the Legislative Building by this group. Members of CUAL are Chuck Neeley, former gubernatorial candidate, Frank Daniels, Jr., former publisher of the News and Observer, Dr. William Friday, former President of the UNC System; Dr. Billy Graham, U. S. Senator Lauch Faircloth, former State Treasurer Harlan Boyles and former Governor Robert Scott.
- c. CAL has held "A Christian Looks at Gambling" workshops in Statesville, Burlington, Morehead City, New Bern, Laurinburg, Asheville, Charlotte, Beulaville and Salisbury, areas whose legislators were targeted as "on the fence" on the lottery issue.
- d. The League has provided a packet of gambling materials for preachers across the state to use in educating their people about the dangers of a lottery.

D. Abortion

- a. The Executive Director of CAL spoke before a Senate Committee to promote HB 275 – Infant Homicide Prevention Act. The bill, which nearly failed to get out of the House in the spring, gained near unanimous support after the Christian Action League got behind the legislation. The bill allows mothers under certain circumstances to avoid abandonment charges if they leave their newborn with a responsible adult or health care provider. The League believes that this is an alternative to abortion and infant homicide after birth.
- b. CAL has encouraged its members to call President Bush to encourage him to stand firm for the sanctity of human life on the issue of stem cell research through emails.

E. Alcohol

- c. Participated in four LBD campaigns since January, 2001. We help with their organizational meetings, rallies and providing educational materials. Wilson Mills was successful in defeating off-premise beer and wine sales.
- d. Worked in the General Assembly for defeat of HB 1143 – Sports Club ABC Permits which would allow liquor-by-the-drink without a vote of the people. Rev. Mark H. Creech, Executive Director of CAL, spoke before the Senate Committee against this bill. Unfortunately, the Governor signed this bill into law on 5/30/2001.

E. Pornography

Have produced and aired several radio programs to inform the public of the internet pornography crisis. Educate communities on how they can rid their neighborhoods of adult establishments.

G. Homosexuality

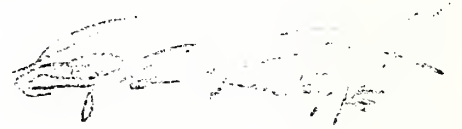

CAL monitors and informs the Christian community of the current homosexual agenda through our email alert and newsletter. We tract bills that would give protected status for homosexuals. Several bills this session are HB 941, HB 871 and SB 547; all remain in committee.

The Christian Action League of North Carolina produces a quarterly newsletter *The Beacon* that has a distribution of over 21,000. We also send out an email alert every Friday to over 600 members to keep them abreast of current moral, ethical and political issues that affect our state and nation. All services of the Christian Action League are provided at no charge. We depend on God's people to provide for His work.

On every 5th Sunday, we have a service of songs for our evening worship service and on occasion other singing groups and instrumental groups are invited to join us in songs of praise. Our fall revival was September 17th through September 20th with Rev. Gerald Riggs as our speaker. A "letter of retirement" was received from our Pastor, Rev. Robert Earl Webb, indicating his retirement would be effective December 31, 2000. However, he accepted the opportunity to be our Interim Pastor until the Pastor Search Committee finds a replacement. Our pastor had extensive surgery and Rev. Lawson Horton helped us during this period. Our parsonage is in the process of being renovated with installation of central heating and air conditioning. On August 12, 2001, we had a note burning celebration, praising God for allowing us to pay off the church debt so quickly. We continue to receive tremendous response for the CARE ministry started in October.

PILGRIM – This has been a busy year for Pilgrim. The church had timber cut and land cleared for the new sanctuary. In preparation for the spring revival, four cottage prayer meetings were held in members' homes. We started a television ministry on cable TV and have started a CARE ministry once a month that consists of praying, phoning, writing and visiting people. The church quartet "For His Glory" made their first CD/tape entitled, "Praising Our Savior." Three members went to Hot Springs, Arkansas to help with clean up from ice storms. Our pastor and another member went to Brazil, South America on a mission trip, and many people were saved. Our church hosted a benefit chili supper for Rev. & Mrs. Earl Adams. They also delivered Wednesday evening meals to people in our church and community. WOM collected food for World Hunger Day and donated it to Wilkes Cares. They have supported the Crisis Pregnancy Center through money, baby booties with scripture cards attached, and a baby shower. They supplied soap for hygiene bags for carnival workers, and sent toothbrushes to the women's prison in Raleigh. In February, they hosted an International Missions Fair at Pilgrim, and sponsored a girl from the Graffiti House in New York to go to GA camp. Church wide shoeboxes collected for Samaritans Purse-Operation Christmas Child which was coordinated by the WOM. Brian Sampson announced his calling to preach the gospel of God. He was licensed by Pilgrim Baptist Church on September 24, 2000. He is now at school in West Virginia.

In January the church voted to install six fans with light in the church sanctuary and to buy a new refrigerator for the fellowship hall. In March it was voted to buy a heating/air conditioning unit for the fellowship hall. Our pastor, Clifford Jones, and his fiancée, Kay Myers, were honored with a shower that was given on April 14, 2001. A spring revival was held April 22-27, 2001. During this year our church has held several fund raising events to help with the expansion program. The church shared their testimony for Christ during two visits to United Fellowship Church in Yadkinville and to Hill Top Church in Wilkesboro. The church also participated in Operation Christmas Child with shoeboxes to Samaritans Purse and Gideon ministries.

STONY HILL – Mr. Keith Blackburn was ordained as a Deacon in September of 2000.

WALNUT GROVE – Our youth had 2 youth rallies this past year. We also raised \$422 for World Hunger- there were about 22 people walking for this worthy cause. Walnut Grove has also started having a gospel singing once a month. WMU raised \$1,340 for Lottie Moon.

WELCOME HOME - Remodeled education building.

WILKESBORO – We started our year off with a “bang” and initiated a new building program, “Our Time to Build.” This will consist of a new education building, elevator, drive-thru and renovations to existing classrooms. Everyone was thrilled!! The Special Event Day was held on September 24th. During the year we participated in two Bloodmobiles. We were very fortunate to add two (2) new members to the staff at WBC. Patricia D. Turner, Minister of Education and Children, joined us in May 2001 and Michael B. Norman, Minister of Music, joined us on June 1, 2001. We are very happy to have this additional staff “on board.” The “Down East” Mission Team continued work in the eastern part of the state. We sent Adult Mission Teams to Alaska and Romania. The Youth Mission Team went to Oklahoma. Our RA's continue to be very active – visiting the nursing homes, raking leaves, collecting food for the needy. The GA's and Acteens also are very active. They had a wonderful Mother-Daughter Banquet, which featured a Fashion Show with the teens wearing wedding dresses dating back in the '50's. It was an enjoyable event and loads of fun for the girls. Deacon Installation and Ordination Services were held on August 26th. Harold Bass and Monty Shaw were ordained as new deacons. Our building is progressing and we hope to be in the new facility in January 2002. The Lord has truly blessed us!

ZION HILL – Pastor Norman Edward (Ed) Taylor, II graduated in May 2001 with his Doctor of Ministries degree from Luther Rice, Atlanta, Georgia. The church prepared approximately 100 shoeboxes for Samaritan's Purse-Operation Christmas Child in 2000. A new roof and paving are underway at the church.

**APPLICATION FOR MEMBERSHIP IN THE
BRUSHY MOUNTAIN BAPTIST ASSOCIATION OF
NORTH CAROLINA**

This is to certify that the

(Name of Church)

(Address)

in church conference

(Date)

Vote to make formal application for

membership in the Brushy Mountain Baptist Association. We have been introduced and have knowledge of the Baptist Faith and Message statement and do accept its teachings in belief and practice. We pledge to contribute financially to the Cooperative Program of the Southern Baptist Convention which supports the work of Baptists in the state, nation, and overseas, to give evidence of our missionary zeal. We further pledge to adhere to the Articles of Incorporation and By-laws of the Association and fully understand that we must comply with the guidelines for membership set forth in Article IV of the By-laws.

We commit to be a duly-constituted and organized Southern Baptist Church, and will maintain this status at all times, or will voluntarily withdraw from the Association.

We understand that upon submitting this application, accompanied with a Southern Baptist Convention Annual Church Profile, to the Association and its Membership Committee, and an investigation is completed and found favorable, the committee may recommend at any regular quarterly meeting that the church applying for membership be granted associate membership for one full year. The association may, then by majority vote, receive them as associate members. During that year, the associate member church must submit monthly written reports on forms provided by the associational office, and shall have the right to send non-voting messengers to the associational meetings.

We also understand that when the year has expired, the membership committee will further review the status of the church making application, and, if found favorable, will then recommend to the association in a regular quarterly meeting full membership of the church into the association. the association may vote to grant full membership, to extend the associate member status for another year for further review, or deny the application and terminate the associate member status. If the association then votes to receive the church, having the same rights and privileges as the other member churches, the moderator shall extend the hand of fellowship to its messengers.
