FOREWORD

WOMAN'S AUXILIARY YEAR BOOK

The story of the program of the Woman's Auxiliary of the Protestant Episcopal Diocese of North Carolina is thrilling. It is told in the pages of this book. To those who know the full extent of the sacrifice, devotion, and effort that go into the program, the full meaning of the reports is highly encouraging. It might be bad policy to compare the program of the Woman's Auxiliary with the program of any other element of our diocesan life, but it stands out clearly that the program of the Woman's Auxiliary penetrates more courageously into the total program of the Church than any other officially organized group. Perhaps they have more time. Surely they have a greater experience, being an older organization. At any rate we give thanks to God for His bounty through the Woman's Auxiliary, for His Spirit and His Hand are both at work here.

We wish that everyone could read, mark, learn, and inwardly digest this story. It will encourage, challenge, and inspire you.

RICHARD H. BAKER

Bishop Coadjutor of North Carolina

PRAYERS

THE WOMAN'S AUXILIARY PRAYERS

Almighty God, our heavenly Father, bless, we pray Thee, our work for the extension of Thy Kingdom, and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labor diligently, and give liberally to make Him known to all nations as their Savior and their King: through the same Jesus Christ our Lord. Amen.

Almighty God, whose love reacheth unto the world's end, and who didst send Thy blessed Son to redeem all mankind: Help us, we pray Thee, so to reveal Thy love in prayer and work and stewardship, that by Thy spirit all nations and peoples may be baptized into one body, even as all are redeemed by one Savior; through Jesus Christ our Lord. Amen.

PRAYER FOR MISSIONS

Almighty God, help us, we pray Thee, to shed abroad the light of Thy Church in all the world. Give us greater zeal for thy Kingdom, that we may offer abundantly our prayers, our work, and our gifts; so that the earth may be filled with the knowledge of Thy glory, as the waters cover the sea; through Thy Son, Jesus Christ our Lord. Amen.

FOR GUIDANCE OF THE HOLY SPIRIT

O God, forasmuch as without Thee we are not able to please Thee, mercifully grant that Thy Holy Spirit may in all things direct and rule our hearts; through Christ our Lord. Amen.

PRAYER FOR CHRISTIAN SOCIAL RELATIONS

Jesus, our Master and our friend, who claimest our service through the needs of our neighbors; Grant us so to see thy image in all our fellow creatures that in serving mankind we may minister to Thee, the living Savior of the world. Grant to each one of us, that we may do our part in bringing about an order of society where there is no just cause for discontent or bitterness of spirit, and where every person may be enabled to come to the fullness of perfection for which he was made, through Jesus Christ our Lord. Amen.

FOR THE UNITED THANK OFFERING

O Lord, Our Heavenly Father, we pray Thee to send forth more laborers into Thy harvest, and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept from grateful hearts our United Thank Offering of prayer, and gifts and joyful service; and bless it to the coming of Thy kingdom, through Jesus Christ our Lord. Amen.

Accept, O Father, this joyful sacrifice of thanksgiving and praise, and bless these gifts to the setting forward of thy kingdom; that as we have gratefully received the benefits thy bounty has bestowed, so we may cheerfully share them with thy children in all the world; for his sake whose life and death and rising to life again were a song of praise to thee, O thou Most Holy, our Savior Jesus Christ. Amen.

FOR CHRISTIAN EDUCATION

O God, who has sent Thy beloved Son to be unto us the Way, the Truth, and the Life; grant that we, looking unto Him may set forward the teaching power of Thy Church, to the nurture of Thy children, the increase of Thy Kingdom and the glory of Thy Son, Jesus Christ our Lord. Amen.

THE PRAYER FOR THE SUPPLY WORK

Almighty God, who has taught us by Thy Son, Jesus Christ, that it is more blessed to give than it is to receive, look with favor, we beseech Thee, upon the supply work of Thy Church especially in this Diocese. Touch our hearts with compassion for the poor, the sick, and homeless, and make us strong to lift their burdens with our ready gifts and service; through Jesus Christ, our Lord. Amen.

PRAYER FOR THE THOMPSON ORPHANAGE

Almighty God, who are the Father of the fatherless, send Thy blessings upon the Thompson Orphanage, instituted in Thy name. Give patience and wisdom to the officers, teachers and matrons of this home, that they may faithfully discharge the duties committed to their charge. Let the boys and girls grow in grace and earnestness, day by day. Strengthen their bodies, enlighten their minds, purify their hearts and sanctify their wills. Bless all who have contributed to this institution, and raise up, we pray Thee, a never-failing succession of benefactors whose names may be perpetuated through all generations, as a blessed memory, and their good deeds be accepted; through Jesus Christ our Lord. Amen.

FOR THE EVERY MEMBER CANVASS

God our Father, who providest for Thy children in advance of their needs, bless we pray the work of our Every Member Canvass; and grant us all to share in it with glad and willing hearts for the sake of Thy Kingdom, through Jesus Christ our Lord. Amen.

FOR DIOCESAN MISSIONARIES

O Lord and Heavenly Father, without whom we can do no good thing, but with whose help even Thy little ones go forth as the mighty, we beseech Thee to prosper the work of all Thy missionaries, wherever they may be (and especially the work of Thy servant.....). Grant them the wisdom to know and the strength to do Thy will, and bless them with the hope and consolation of Thy heavenly promises, for the sake of the Son, Our Savior, Jesus Christ. Amen.

FOR PERSONNEL

Our Father, if it be Thy will, put it into the heart of some young man or young woman of this parish to choose one of the many vocations within the Church for his or her life work, whether it be in our own land or overseas. We pray Thee help each one of us, whatever our calling, to practice it as becomes a Christian in Thy Name and with Thy guidance. Amen.

NOONDAY PRAYERS

Blessed Savior, who at this hour didst hang upon the Cross stretching forth Thy loving arms; grant that all mankind may look upon Thee and be saved. Amen.

Blessed Lord, inspire our hearts and the hearts of all men everywhere with the love of God and of our fellowmen, that we may be worthy of world peace. This we pray in Jesus' name. Amen.

FOR WORLD PEACE

Almighty God, from whom all thoughts of truth and peace proceed; kindle, we pray Thee, in the hearts of all men the true love of peace, and guide with Thy strong and peaceful wisdom those who take counsel for the nations of the earth, that in tranquility Thy Kingdom may go forward, till the earth shall be filled with the knowledge of thy love; through Jesus Christ our Lord. Amen.

FOR USE BEFORE AND AT THE TIME OF THE ELECTION OF OFFICERS

O Holy Spirit, Whose guidance and inspiration alone can enable us to fulfill the Will of God, teach us, we pray Thee, the dignity of our missionary work; and give us grace to choose as our leaders those whom Thou dost call to Thy faithful service. To those so chosen give a spirit of reverence in the exercise of their office, and to all of us a deep sense of our obligation in the discharge of every duty, to do all the glory of God through Jesus Christ our Lord. Amen.

BENEDICTION

May the blessings of God Almighty, the Father, the Son, and the Holy Spirit, rest upon us and upon all work and worship done in His name. May He give us light to guide us, courage to support us, and love to unite us, now and forevermore. Amen.

SERVICE OF INSTALLATION OF OFFICERS FOR THE WOMAN'S AUXILIARY

Let those who have been elected stand before the Bishop and then let him say:

It is right and fitting that those who have been duly elected as Diocesan Officers of the Woman's Auxiliary should be formally received and admitted into their respective offices in your presence; and that we should ask the blessing of God upon them for their support and guidance in the performance of the duties which you have laid upon them.

O Lord, save these Thy servants.
Who put their trust in Thee.
 Send them help from the holy place,
And evermore mightily defend them,
 O Lord, hear our prayer.
And let our cry come unto Thee.
 Let us pray.

Our Father . . .

Direct us, O Lord, in all our doings, with Thy most gracious favour, and further us with Thy continual help; that in all our works begun, continued and ended in Thee, we may glorify Thy holy name, and finally by Thy mercy, obtain everlasting life: Through Jesus Christ our Lord. Amen.

Almighty God, the giver of all good gifts; give Thy Grace, we humbly beseech Thee, to these Thy servants who have been chosen to serve Thee in the special work for which they have been selected; grant unto them zeal and earnestness in the performance of their office; wisdom and strength to meet each day their task; and love in the doing of it; and give them the vision to see their opportunities for service, to the glory of Thy great name and the benefit of Thy Holy Church! Through Jesus Christ our Lord. Amen.

Bless us, O God, with the vision of Thy Being and Thy Beauty, that in the strength of it we may work without haste and without rest; Through Jesus Christ our Lord.

I receive and admit you to the office of Be faithful, zealous, sincere and humble in all your tasks, and may the Grace of the Lord Jesus Christ and the love of God our Father and the guiding fellowship of the Holy Spirit be with you evermore. Amen.

BENEDICTION

The Father, Son and Holy Ghost bless, preserve and keep you, in your work, in your worship, this day and always, through Jesus Christ our Lord. Amen.

OBJECTIVES OF THE WOMAN'S AUXILIARY BRANCHES FOR 1954-55

"The labor of the righteous tendeth to life" is our theme for this year. The goal of all our work for the Church is just this—life in Jesus Christ for ourselves and for others.

We labor diligently together in Worship, in Study of God's Word, of the missionary outreach of the Church, of the needs of God's children near and far, and in Service and Gifts to meet those needs.

This Year Book is a guide to the women of this diocese to be used in planning a year's work that will include every phase and all fields of the Church's activity. Each officer and chairman in every branch should know her Year Book, with special emphasis on the objectives listed for her own department. The following are a few general objectives to keep in mind:

1. Effort should be made to invite every woman in the parish to take some part in the life of the Auxiliary. Even those who cannot, or will not, attend meetings may use the United Thank Offering Blue Box, or sew for Supply work, or read, and all can pray for missions.
2. Set up a simple budget that includes all five fields of service—parish, community, diocese, nation and the world.
3. In every Branch at least one subscription to "Churchways" and to "Forth" for helpful ideas and information to pass on to the whole membership.
4. Share missionary speakers and other special programs with all Auxiliary Branches in your community, and when possible cooperate with women of other denominations in mission study.
5. Promote tithing as the basis of our personal pledges to the Church.
6. Encourage the growth of prayer groups.
7. See that your Branch is represented at the Quiet Day of Prayer, at your District meetings, at Annual Meeting, at the Woman's Auxiliary Conference at Vade Mecum or Camp Delany, or at some other summer conference.
8. Urge all women to attend the Corporate Communion of the Auxiliary, and to cooperate with the women of other churches in observing the World Day of Prayer World Community Day and May Fellowship Day sponsored by United Church Women.

ANALYSIS OF THE YEAR OF THE WOMAN'S AUXILIARY OF THE DIOCESE

1. The fiscal year of the Diocese and the branches runs from January 1st to December 31st. Reason: It must coincide with the fiscal year of the National Council.
2. The year of active study and action runs from the first meeting in the Fall to the last meeting before Summer recess. Reason: It must conform to the plans and material sent out from the National Council.
3. New branch officers should be elected in March. Reason: (a) The names of the new officers can then be listed in the new year book. (b) New officers should be considered in the election of delegates to the annual Meeting.

4. The Annual Diocesan Meeting is usually held the second week after Easter, conforming to the date of the Diocesan convention of the Church and to the Bishop's schedule.
5. New branch officers should be installed at the last meeting before Summer recess. The new president presides at the first Fall Meeting. A few branches meet during the Summer. Their officers should be installed at the June meeting. The new president presides at the July meeting.
6. New officers should spend the summer preparing for the coming year of study and action. The program of Christian Education should be prepared at this time.
7. Report blanks are sent to all the branches in March. Reports cover the period of time from previous June 1st to May 31st. Branch reports must be mailed to the District Chairman by April 1st. Lists of recently elected officers sent in on the reports then become correct in the year book for the longest period of the year possible.

PRESIDENT'S ADDRESS TO THE 72ND ANNUAL MEETING

It is my pleasure and privilege to welcome you all, delegates, guests and visitors to our Annual Meeting. The members of the Executive Board and Bishop Penick, who helped me to plan this meeting, and I myself have tried very hard to prepare a program that would be informative and stimulating but not so crowded as to exhaust you. It is a temptation, however, on this one occasion when we have the ear, so to speak, of most of the branches of the Auxiliary to present as many phases of our Church's work as possible so that the inspiration of what we have done and of the greater opportunity to do more may be carried back to every parish and mission represented here.

Thanks to your conscientious cooperation in sending in your Annual Reports earlier than usual this year it has been possible to get a picture of the past year's work in the Auxiliary. It is impressive in its volume and scope although there are areas in which we are less strong than one could wish. The report blanks themselves although revised this year are still evidently not as clear to you who have to fill them out as they were to those of us who

asked the questions. I hope in the Officers' Workshop at Vade Mecum this summer that we can iron out these difficulties. At this point I would like to urge each president to read the questions on the report blank that you have just filled out to your first meeting in the Fall. It will serve as a set of standards toward which to work for the year and will make your members aware of the scope of Auxiliary work.

A planned program has now become standard in almost every branch. The majority have a planned budget also and your replies as to income from pledges and projects revealed an impressive total, close to \$90,000, not counting United Thank Offering of course. It is interesting to note that on the average only one-half of your income is spent within your own parish or mission, and the other half, or much of it, is given to the Church's work in the community, the diocese, the nation and the world.

There is a marked growth in understanding of all that is implied by Christian Social Relations and the record of study and action in this field in some of the branches is most encouraging. Last April at our Annual Meeting you voted to study the measures that the State Legislative Council proposes to support before the Legislature in the Spring of 1955. The reports show that over half of the branches devoted one entire meeting to this study which is a very creditable result and apart from its effect on our action as members of the State Legislative Council the value must have been considerable in arousing Christian conscience on social legislation in our State. The recommendation of your Executive Board that members of our Negro District be invited to attend meetings and the Quiet Day of prayer and meditation held in the other eight districts was carried out in most districts, although not many accepted the invitation. If, with the guidance of the Holy Spirit, such cooperation within the Church from both groups can continue and grow the Auxiliary and the whole Church in this diocese will be strengthened.

Your answers to the question on attendance at summer conferences reveals that attendance at Vade Mecum is not as well distributed over the diocese as one could wish—Kanuga even less so—and yet in view of the amount of concentrated information and instruction available at these conferences no branch can really afford *not* to send at least one member to Vade Mecum or Kanuga.

It is only right that I should report to you as to my activities as your president. These have included teaching a course on the Woman's Auxiliary at the summer conference of the women of the Diocese of Atlanta last June and the following week at our own conference at Vade Mecum, and talking on this subject at the Annual Auxiliary Day at Camp Delany in July. I also made a report to the diocesan convention as required by our constitution. I was privileged to be one of your delegates at the Provincial meeting in Lexington, Ky. in October, and on my return I attended all nine Fall District meetings. I am grateful for the opportunity of serving on the Bishop's Executive Council, the Diocesan Department of Promotion, the Diocesan Department of Missions, the Board of Managers of Thompson Orphanage. On the invitation of its president, Dr. Trigg, I spoke on the Woman's Auxiliary to the student body of St. Augustine's College last

November, and have addressed eight branch meetings, including one organizational meeting of our newest branch, St. Matthew's, Rowan County. I was unable to meet with St. James, Shinville, when this branch was organized last September but rejoice that we have this new branch also. I have had many committee meetings and conferences with individuals, and when in need of counsel from members of the Executive Board or either of our Bishops I have found a ready and helpful response. In addition to her responsibility for editing the Year Book, our second vice-president, at my request, took over the editing of the Woman's Auxiliary page in the N. C. Churchman for which I am exceedingly grateful. This page and the president's monthly letters are our only channels for bringing current information to the branches, but I sometimes wonder if they are effective. Every officer in branch and district should feel it an obligation to read both these communications, just as she should undertake to see *Churchways* and *Forth* every month, and know the contents of her Diocesan Year Book, particularly those parts that deal with her department.

At every Auxiliary meeting we pray that we may "labor diligently—for the extension of Christ's Kingdom." Last year we recognized through our theme that we do not labor alone, that we are co-workers together with God. Our theme this year for this meeting and for our Conference at Vade Mecum is "The labor of the righteous tendeth to life," which is not a presumptuous statement that we *are* righteous, but a reminder that *unless* we are, all our working is little worth. It is also a call to us to do those things which will bring the abundant life of which our Lord spoke to all those whom we are called upon to serve through His Church. This means renewed emphasis on the Church's missionary program, including the current "Builders for Christ" campaign, and renewed concern for "the workers in the field". We pray in the United Thank Offering prayer "draw us into closer fellowship with them". Is our concern for them always a personal one? Is it really a lively concern? Let us make it so, and let us keep before us our primary purpose as women of the Church—to work and pray and give for the Extension of Christ's Kingdom.

Mrs. Lyon moved that the meeting accept this recommendation. The motion was seconded and carried. "The Executive Board recommends to the Annual Meeting that they follow the example of the Diocese of New Jersey in acquiring a silver alms basin for the United Thank Offering, by having one hand-wrought from old silver, the silver to be contributed by the women of the Diocese."

After a few words of explanation by the President, it was moved, seconded, and carried to proceed with plans for the silver alms basin. The President asked Mrs. William Steele to be chairman of this project.

The Secretary read from the Minutes of the Executive Board Meeting the following:

"The Executive Board passed the following motion: 'That for the convenience of the Diocesan officers in correspondence to the branches, the word *chapter* be used to designate the groups within the branches [i.e., circles, chapters, guilds, etc.], and the Board recommends that the branches cooperate by using this term.' "

After the singing of the noon-day hymn, the report of the Committee on the Constitution and By-Laws was made by Mrs. Leslie B. Evans, in the absence of Mrs. E. F. Lucas, the chairman. Mrs. Evans moved the adoption of the revisions to the Constitution combining the offices of Secretary of Personnel and Chairman of College Work. The motion was seconded and carried. Mrs. Evans then moved the adoption of the proposed revisions to the By-Laws. This motion was seconded and carried. The President stated that the Board wished to change the title Chairman of Devotions to Chairman of Worship. It was therefore moved that this change be made in the By-Laws. The motion was seconded and carried.

It was moved, seconded, and carried that the Committee's additional recommendation for the revisions of the By-Laws be adopted.

The Treasurer, Mrs. Tom Evins, reported that the offering the previous evening had amounted to \$156.08.

Mrs. Evins then reported on the 1954 budget. She stated that the \$350 voted in 1953 to be sent to the Dominican Republic, where it was thought at that time that the Rev. Hall Partrick was being sent, was to go instead to Haiti, where the Rev. Mr. Partrick actually went.

Mrs. Evins read the recommendation of the Executive Board for the allocation of the 1953 surplus. She moved that the meeting adopt the proposed allocation of the surplus Outside the Diocese. The motion was seconded and carried. Mrs. Evins then read the recommendation of the Board for the allocation of the surplus Inside the Diocese, and moved that this proposed allocation be adopted. This motion was seconded and carried.

Mrs. Evins presented the proposed budget for 1955. She reported the Executive Board's recommendation that the budget be increased to \$14,000, and moved the adoption of this recom-

mendation. The motion was seconded and carried. Mrs. Evins then moved that the section of the budget proposed for Outside the Diocese be adopted. The motion was seconded and carried. Mrs. Evins moved that the section of the budget proposed for Inside the Diocese be adopted. This motion was seconded and carried.

Mrs. Evins read the Executive Board's proposed allocations of the 1955 intercessory offerings: January 6th, Feast of the Epiphany, to Jocelyn Gordon, India; February 2nd, Feast of the Purification, to the Diocesan Scholarship fund to train women for church work. Mrs. Evins moved that these allocations be accepted. The motion was seconded and carried.

Mrs. James L. Godfrey, Chairman of the Resolutions Committee read the first proposed Resolution and the report of the Committee as follows:

"WHEREAS, the committee appointed to evaluate our membership in the North Carolina Legislative Council has raised the question of the effectiveness of our contribution to the Council and its value to us and has recommended that particular attention be given this matter, therefore,

BE IT RESOLVED: (1) that each branch of the Woman's Auxiliary devote a part of its Christian Education Program during the coming year to a study of the responsibilities of membership in the Legislative Council and to a consideration of the wisdom of belonging to it; (2) that after the above study a vote be taken by each Branch on the continuation of our membership in the North Carolina Legislative Council; and (3) that each Branch report to the 1955 Diocesan Convention the results of its study and vote."

The Committee submits this Resolution without prejudice.

The chair then stated, that on the advice of the Parliamentarian, the Resolution would be divided, and motion called for on the first and second sections. The Chair ruled the third section, in effect, out of order. A motion was made and seconded to consider the first part of the motion. After a lengthy discussion, a vote was taken on section one by a division of the house. The vote was: those in favor, 42; opposed, 101. The motion on this section did not carry. The vote on section two was then taken, and the motion on this section did not carry. The Chair having ruled that section three was, in effect, out of order, no vote was taken, and the motion to adopt this resolution was defeated.

Mrs. Godfrey then read the second proposed resolution, and the report of the Committee as follows:

WHEREAS, a sale tax is now in effect upon church rummage sales and Thrift Shops,

BE IT RESOLVED: that the Woman's Auxiliary to the National Council of the Diocese of North Carolina request the General Assembly of North Carolina to work for a reconsideration and revision of this law.

The Committee considered the resolution calling for

revision of the sales tax on rummage sales and believes it to be inadvisable and asks to be dismissed from further consideration of this subject.

Mrs. Godfrey then moved that the meeting accept the report of the Committee in regard to this proposed resolution. The motion was seconded and carried.

Mrs. A. W. Bachman, Chairman of the Courtesy and Findings Committee, presented the report of that committee. The report was accepted.

Bishop Penick installed the new officers, and then delivered an address, after which the meeting was adjourned.

CHRISTIAN EDUCATION

Objectives

In its simplest terms, the challenge of Christian Education in the Auxiliary is to present to the women of the Auxiliary an educational program that will enrich their spiritual lives, keep them better informed on the Church at work and help them to meet the demands of daily living as responsible citizens of their community and the world.

To meet this challenge there are many sources of inspiration and help. To the individual concerned with program planning and the educational field, there are the summer conferences at Kanuga and Vade Mecum where she may familiarize herself with the wealth of material available and the many areas of interest. She will not only receive this practical help, but also a better knowledge of the total program of the Auxiliary and the Church. The Woman's Auxiliary Conference at Vade Mecum particularly is set up to channel the resources of the National Church and Auxiliary Departments of Christian Education into the Parish Auxiliary program. For this reason it is strongly urged that every Christian Education Secretary attend this Conference if possible and participate in the Christian Education Workshop.

As each Auxiliary is different, no one plan or program would meet the needs of all. However we are all striving toward a common goal and there are certain aspects of a well-rounded, balanced program that can apply to every Auxiliary. I offer these suggestions as guide posts for 1954-55 with the hope that you will build your program with them in mind.

1. That every Auxiliary have a program planned jointly with other officers of the Auxiliary, representatives of parish organizations and the Rector. This is the only way that the Auxiliary educational program can be integrated with that of the Parish.

2. That we follow all or a part of the program suggested by the National Executive Board. This program has received the thought and study of the leaders of the Church, and this great corporate educational effort of all the women of the Church is important.

3. That we place greater emphasis on the Worship part of our meetings, making them a vital and valuable part of every program. Consult report of the Diocesan Worship Chairman.

4. That we foster special prayer and study groups, and place particular emphasis this year on individual reading—daily Bible reading and selected books. A recommended list of titles pertaining to the life and work of the Church will be offered.

5. That we continue to offer courses of study on the books of the Church's Teaching Series, preferably on a parish-wide basis. That we aid in obtaining these volumes for parish libraries.

6. That we include at least one program devoted to study, that can be translated into action, on one of the vital social or

economic problems that face us today either at home or abroad. Consult report of Diocesan Secretary of Christian Social Relations for emphasis, information and source material.

7. That we stress participation by as many women as possible and vary and improve our methods of presentation. The development of leadership is an important by-product of good program planning.

8. That we use our programs to further a real Christian fellowship within our Auxiliary, and that we extend this to the parish through joint meetings with the Laymen and/or the young people of the parish.

This has been a full, rewarding and interesting year, and I have kept in touch with the work of the Districts and Branches through three mailings to all District and Branch Secretaries, an article in the *North Carolina Churchman* (Jan.), speaking to two branches, conducting the Workshop on Christian Education at Vade Mecum, and carefully reviewing the 66 Year Books and programs that have been sent me and the Annual Reports from each Branch. I have also attended a number of committee meetings and met with the Diocesan Department of Christian Education.

It is not easy to measure progress in this field, but it is evident that program planning is receiving the earnest thought and effort of capable women, who are realizing more and more that Christian Education is the motivating force for Christian action.

There is a wide range of interest and a diversity of methods of presentation shown. Very few Auxiliaries did not include some phase of the interdenominational field of mission study with special reference to the work of our Church. As we lift our eyes and minds from the level of our own doorstep to the wide horizons of the whole of God's world, we open our hearts to opportunities for greater service. As we study the history of our Church and Faith and seek a firm foundation for Belief, we open our lives to new inspiration and light and become more effective witnesses. May God bless and help us in our work.

Program 1954-55

Outlined below is the 1954-55 program for the women of the Church as planned by the National Executive Board, together with other suggestions and study material that can be adapted for use with any Auxiliary group. For complete list of books and publications, write for the catalogues of Seabury Press, 28 Havemeyer Place, Greenwich, Connecticut, and Friendship Press, 257 Fourth St., New York 10, N. Y. Also you will find the May-June issue of *Churchways* most helpful. For further information or help write your District Secretary of Christian Education. She is an important link between the Diocese and the Branch, and is well informed on the latest materials and methods.

1954-55

1. Mission Study.

A. Overseas field: *India, Pakistan and Ceylon Under Three Flags*, by Bishop Stephen Neill.

This is a study of India, Pakistan and Ceylon. There is a guide prepared by our Church which will combine both discussion outlines and information on the relationship of the Episcopal Church and the work of the Church in India. (Seabury Press)

B. Domestic Study: *The City*

Man and God in the City by Kenneth D. Miller.
This is the basic adult book.

2. New study units and single programs:

You and General Convention—A new unit providing for group participation, giving a clearer understanding of how the Church's program is carried forward through these meetings of representative bodies of church men and women.

This is Personnel—A single program presenting in dramatic form this phase of Auxiliary work. For large or small group.

The Church's Program of World Relief and Church Cooperation—A single program presented as a map study. Use with wall map, *The Anglican Communion Around the World*.

This Is Our Business—two new titles under this series:

Christian Living and Our Community

The Triennial Meeting Said

3. There is a wide range of materials that are not new that are worthy of greater usage:

1. *The Church's Teaching Series*—the fundamental teachings of the Church. Excellent Lenten study material and a must for every churchman to read. Each book has its own guide.
2. *Communism and Christianity* by Theodore Switz, with discussions provided for six sessions.
3. *The Christian Faces Communism* by Rev. Gilbert Baker and Martha Baker—a single program which gives a penetrating analysis of Communism and suggests Christian attitude and action.
4. *What of the Women?*—This makes a lively program on the place of the women in the Church. One or more programs.
5. *A Day of Sewing*—dramatic program on Supply Department.
6. *The Nature and Problems of Alcoholism*—a subject emphasized by C. S. R. Dept. 1953 and still of paramount interest to our church.
7. *The Church School is Not Enough*—women of the Auxiliary should know the philosophy, program and approach of the National Department of Christian Education to the new curriculum.
8. *The Prayer Book Speaks in Our Uncertain Age*—five sessions, excellent study of a book we should all know.

CHRISTIAN SOCIAL RELATIONS 1954-1955

Program

I. WORSHIP

The rightness of our relationship with God and man and the motive behind what we do will determine whether ours are *Christian Social Relations*. Bible study, private devotions and corporate worship will provide us with the guidance and strength we need to do this work in His Name.

II. SOCIAL STUDY

(In all plans for this, work closely with your branch Christian Education Secretary.)

Subjects for Auxiliary Meeting or Discussion-Group Programs:

The Church's Program of World Relief and Church Cooperation

Man and God In the City

The Nature and Problems of Alcoholism—our diocesan department is continuing its emphasis on the importance of studying this.

III. SOCIAL ACTION

A. *Whatever the size of your branch or community*, encourage and promote the meeting of *small groups now* (1) to study, to discuss and to think through together *from an intelligent, Christian point of view* the Supreme Court ruling on the schools and segregation and (2) to make constructive plans to keep to a minimum and to ease, any tensions that might arise out of that court ruling. For practical reasons, such groups should include at least one person connected with the schools: a principal, superintendent or school board member. Material that has been prepared to help such groups can be ordered from: The Southern Regional Council, 63 Auburn Ave., Atlanta, Georgia. Ask for the material on the schools and courts in relation to segregation.

B. Every branch Christian Social Relations secretary is asked (1) to organize a Mission or Parish Committee for Resettlement of Refugees, (2) to serve as chairman of that committee (3) to appoint, in consultation with her rector, two laymen and two members of the Woman's Auxiliary to serve as members of the committee (4) to enlist the help of all auxiliary women in finding persons who will give the necessary job and housing assurances that will make the immigration of refugees possible under the provisions of the 1953 Emergency Immigration Act, (5) to *order and distribute* to every member of her auxiliary, the free copies of *THIS IS OUR BUSINESS—International Friendships*, and *Refugees And You* available through The Order Unit. (See material and source list.) (6) For any additional help or information, write the Chairman of the Diocesan Committee for Refugee Resettlement: Mrs. S. S. Saunders, 1322 Greenway Drive, High Point, N. C.

C. Keep constantly before your auxiliary the importance of

active Christian citizenship. Urge your branch members *as individual Christian citizens and as an auxiliary group* (1) to write their state and national legislators asking them to propose legislation that the members feel is indicated and good, (2) to work against that which, in the opinion of the members is bad, (3) where an existing law may need it, to work for its revision or repeal, (4) to watch closely what takes place in Raleigh and in Washington and (5) to follow up with a letter expressing thanks or disapproval.

Specifically, continue individual and group study and action on the proposed 1955 legislative program under the sponsorship of the North Carolina Legislative Council of which the Woman's Auxiliary in this diocese is a member organization.

D. As they become available, order for all members of your auxiliary and use new units in the series entitled *THIS IS OUR BUSINESS*.

The new units will be: *Christian Living In Our Community*, to be ready in September. It will offer suggestions for individuals, families and parish groups. *The Triennial Meeting Said*, ready about December 1st, will combine a review of action based on the 1952 Triennial Statement on Christian Citizenship and Social Responsibility and a preparatory consideration of concerns which any similar action of the 1955 Triennial Meeting should include.

E. *As a Christian group*, launch projects that meet community needs and problems.

IV. SOCIAL SERVICE

(a) *As a Christian group* and as individuals, cooperate in projects launched to meet community needs and problems.

(b) Promote individual and group participation in civil defense and in the work of health and welfare agencies.

(c) Keep your members regularly informed of special needs and opportunities for volunteer work in these agencies. Urge them to offer their services.

(d) Support in every way those institutions for which our diocese has particular responsibility, such as St. Agnes' Hospital, Raleigh, Good Samaritan Hospital, Charlotte, and Thompson Orphanage, Charlotte.

V. INTER-CHURCH COOPERATION AND WORLD RELIEF

The United Council of Church Women in Your Community

Help every auxiliary woman to understand that she makes an important contribution to the mission and unity of the Church by attending the meetings of her local Council, taking part in its projects and serving on its board.

The North Carolina Council of Churches: address, Box 6637, College Station, Durham, N. C.

Ministry to Migrants needs, sent to the above address:

(a) funds to under-write its program that is being extended to several thousand additional migrants.

(b) funds to establish a much needed, well equipped child-care center.

(c) things such as those listed on page 39 of the 1953 Auxiliary Handbook, and which many branches have been sending during recent years.

Overseas Relief—Our contributions to this should be “stepped up” if they are to hold a candle to what others are doing.

(A) *Send Money*, through *The Presiding Bishop's Fund for World Relief*, making checks payable to: M. M. Adinsell, Treasurer, 281 Fourth Ave., New York 10, N. Y. and designated for the above fund.

(B) *Send Grains and Food-stuffs* through the *Food Collection Center* that the agency CROP has set up nearest you. District C.S.R. secretaries are asked to write CROP at the same address as the North Carolina Council of Churches office, find out the location of the center nearest each branch in their districts, directions for sending food there, and send this information to each branch C.S.R. secretary, with a listing of current food needs. The present state goal of the agency CROP, for eventual transportation to foreign nations is: 35 car-loads of wheat, dried milk, peanut butter, garden seeds, canned meat and dried eggs.

(C) *Send clothing*: practical clothing in good condition, shoes low-heeled and tied together, blankets, household linen, sewing materials, knitting wool, yard-goods and sewing kits to the *Clothing Reception Center* nearest you or *direct to Church World Service*, New Windsor, Maryland. Addresses of *present Clothing Reception Centers*, contact person in each and times when these centers are open to receive clothing are as follows:

In Charlotte: First A.R.P. Church, 721 N. Tryon St., clothing received every Friday. Contact person: Mrs. R. M. Wheeler, Phone: 2-5881.

In Durham: Durham Bonded Warehouse, Ellis Road, clothing received on first and third Thursdays, from 7:30 A.M. to 4 P.M., Contact: North Carolina Council of Churches' office, Box 6637 College Station, Durham, N. C.

In Fayetteville: The Cumberland Warehouse, 704 Gillespie St., clothing received by appointment with Contact person: Mr. Raymond Hall, Phone: 2-1963.

In Winston-Salem: Old Centenary Methodist Recreation Bldg., 4 1/2 Street, clothing received by appointment with Contact person: the Rev. J. Clyde Auman, phone: 2-4101.

Clothing should be packed in card-board cartons that one person could carry, securely tied, box labelled with type of contents and clearly marked *Episcopal Church Project*. Wherever possible, 8¢ per pound should be given to cover handling and processing charges. (Food packages etc. sent food collection centers should also be marked clearly *Episcopal Church Project*.)

VI. FELLOWSHIP

Make yours a vocation of true lay ministry wherever you are. Incorporate new-comers into the life and fellowship of the Church. Bring others into its fold and make them welcome. Be sensitive and

respond to everyone's need to feel needed, wanted, loved, and cared for.

1953-1954 Christian Social Relations Report

The Diocesan Secretary: Held the Christian Social Relations workshop at the Vade Mecum Woman's Auxiliary Conference and for one district; spoke at two district meetings; sent fall, and January letters to all C.S.R. secretaries; attended the Provincial Meeting as your delegate; served as associate member of the Diocesan Christian Social Relations Department; made annual report to the Provincial C.S.R. representative; sent one column and the National Executive Board's resolution on disarmament, for publication in the North Carolina Churchman; provided all district secretaries with copies of the National Executive Board resolution that urged Congress to make immediately available to the United Nations International Children's Emergency Fund the full amount already appropriated; asked these secretaries to bring it before spring district meetings; in the fall, outlined for report to their districts what the Congressional action had been; mailed the National Department monthly bulletin to district secretaries.

District Secretaries: Several reported more than one meeting with branch C.S.R. secretaries; one visited four branches at whose meetings she spoke on C.S.R., described by one branch as the highlight of the year; 8 district secretaries submitted branch C.S.R. reports, 51 in all, called for by the diocesan secretary in advance of annual meeting.

The Branches: Of the 51 reporting, 27 studied the North Carolina Legislative Council or its program or both; 15 used one or more units in the series *THIS IS OUR BUSINESS*; 11 had a definite plan to keep the Church in touch with members in the armed forces or away at school; 8 had a program on the nature and problems of alcoholism; 13 contributed to the ministry to migrants; 27 to Thompson Orphanage; 5 to Camp Delaney and 5 to the Presiding Bishop's Fund for World Relief; 20 used other channels for overseas relief.

A resolution from one branch urged the establishment of a diocesan home for the aged. Several branches in one district were active in getting out the vote for a bond issue for school and mental institution construction. Several had a definite, good, program for visiting, in particular, St. Luke's, Salisbury, whose guide-sheet to visiting I commend to your use. In a monthly branch C.S.R. bulletin, St. Timothy's, Winston-Salem solved the problem of how to make every auxiliary member better understand Christian Social Relations and how to bring to the attention of each one the many aspects and opportunities of its broad program. St. Paul's, Smithfield, awakened the community to the need for study and action (now in progress) directed toward the setting up of a domestic relations court. One auxiliary is giving careful preliminary study to the possibility of establishing a negro day-nursery where one is badly needed.

The Woman's Auxiliary in this diocese is "on the move" toward a strong, well-rounded witness through Christian Social Relations.

Respectfully submitted,
 HARRIET ROCKWELL PURSER,
 Christian Social Relations Secretary

CIVIL DEFENSE

In this the Atomic Age, with the frightening implications of the H-bomb, the question in everyone's mind is, "How does this affect me?" Situated as we are in North Carolina, with few large cities and none approaching the size of New York or Chicago; we are told that our Civil Defense program should continue one of preparation and—perhaps most important of all—our continued and constant prayers for peace.

Throughout the diocese there has been evidence of keen interest and participation in this program—either as a group or as individuals working with other organizations. We hope you feel it worthwhile to continue doing this.

The latest pamphlet for home use entitled "Home Defense Exercises" is now available. We should like to see a copy in every home. Order as many as you need from your local or state office. You will only have to pay the postage.

Civil Defense is not just for an atomic war which we pray will never come. It is designed for day to day living. In any disaster the people are divided into two groups—those who need help and those who could help if they were trained in what to do, and where to go out and do it.

ELISABETH WHITTEN SMITH
Chairman, Civil Defense

SUPPLY

1. The NATIONAL Supply Department cares for the requested material needs of the church's world wide missions and institutions, through specific Diocesan assignments.
2. Our *DIOCESAN* assignment each year, provides for NEW clothing, linen, medical and other requested needs of our own Good Samaritan and St. Agnes Hospitals, and one assigned mission outside our Diocese, usually overseas. This year, St. Thomas Mission, Philippine Republic.

The Tuttle Community Center, negro welfare agency in Raleigh, begun by our church, though no longer supported by it, is remembered each year with a limited gift of requested supplies.

USED clothing is sent to Thompson Orphanage, the Tuttle Community Center and one assigned mission outside our Diocese. This year, St. George's and St. Elizabeth's Mission, Stanley, Virginia.

A gift of \$35.00, is sent to our National Supply Secretary's Gift Fund, for retired missionaries who receive little or no pensions.

It is the *responsibility of your Diocesan Secretary of Supply* to inform District and Branch Supply secretaries concerning the work and to handle Supply correspondence promptly and efficiently; to make *all* purchases; to assign and distribute Supply sewing; to pack and ship all other new supplies; to plan an equalized used clothing program; when possible, to accept Branch invitations to present the work of the Department; to participate in our annual Vade Mecum conferences when asked; to serve as a useful member of the Auxiliary Executive Board and to make proper reports to the Diocese and the National Supply Department.

3. Your *DISTRICT* secretary of Supply serves as a link between Diocese and Branch by receiving and distributing the sewing for her District. *All Branch reports—sewing and used clothing*—are to be sent to her. The Department could not function without this excellent cooperation.
4. The *BRANCHES* make all of this possible by sending *EARLY* each year, *DIRECTLY* to our *Diocesan Treasurer*, 50 cents per member, and any *SPECIAL GIFTS* designated for Supply; by participating in the sewing program; by gifts of good clean used clothing.

The *responsibility of your Branch secretary of Supply* is to know the work and needs of the Department and to present them to the members; with the cooperation of those interested, to complete any assigned sewing; to have *PLANNED* used clothing ingatherings; to make proper shipments; and send necessary reports to her District Supply secretary.

If the Supply work in your Branch seems small, remember, that while it is a very vital part of a tremendous National program, even the small, it is only one phase of our many Auxiliary obligations, so *do well that part*, and if you have more time to give, offer to help your secretary of Christian Social Relations.

Supply work is actually the "promised part" of Christian Social Relations and the two Diocesan departments used to function together, each growing, until the work became too great for one secretary. Working together on a Branch level may be very rewarding.

If the Supply work in your branch seems hard and unglamorous, imagine the comfort you are bringing to suffering patients, the joy to little children, the thankfulness to mothers and fathers—and—The love of God—in whose name we do it all.

PERSONNEL AND COLLEGE WORK

Personnel

There is today a great need for Women to work professionally for the Church in a variety of fields. Our Church has two wonderfully staffed institutions (having connections with leading seminaries and universities) for the training of women for Church Work. The satisfaction and happiness of women professionally engaged in Church Work is attested in several leaflets (e.g., the series entitled "Why I went into Church Work") and in the lives and conversations of those Church Workers we know. Yet the fact is that there are less than thirty women now training for Church Work. We are asked to consider seriously this problem and to take to heart that portion of the United Thank Offering Prayer wherein we pray "—send forth more laborers into Thy harvest—". Can we each strive to consider and have others consider professional Church Work a vocation of at least equal importance to any other Christian Vocation?

The following suggestions are made to Branch Personnel

Secretaries:

1. Consider your job important.
2. Order from 281 and familiarize yourself with the leaflets concerned with Personnel:
Why I went into Church Work (series), Free
Consider the Church, Free
Comments of a Mountain Missionary, Free
Church Social Work—A Vocation, Free
Women Church Workers (Articles from *Forth*), Free
When You're Personnel Chairman, .05
The Church: A Profession for Women, .50
3. Use these materials in developing programs on Personnel for the Auxiliary and for youth groups.
4. If there is a professional worker close by invite her to speak to your branch and to your youth groups.
5. Ask your rector for space in the tract rack and bulletin to publicize the leaflets and the opportunities for Church Work—Jobs are frequently listed in *Churchways*.
6. Encourage your branch to establish or extend scholarships to camps and conferences where young people might be reached through association with those already engaged in Church Work.
7. Stress the importance of the offering taken on the Feast of the Purification. This offering has been allocated for the establishment of a scholarship fund for young women in our diocese being trained for Church Work.
8. Pray that God's work may not be hampered because of our lethargy and lack of concern.

College Work

Don't forget your boys and girls who are away in college. As regards them we are asked to do the following things:

1. If your rector has not done so or if he would like you to relieve him of this responsibility, get from 281 Letters of Commendation. Mail to the college worker one for each of your students. These will help the worker know your students and their interests.
2. Keep the college students abreast of happenings in the parish.
3. Encourage students to take part in the Church activities on the college campus.
4. Show your interest in these activities and, where it is possible, ask students to talk to your branch and, perhaps, to the young people about the Canterbury Club.
5. When your branch has a surplus in the treasury, consider the possibility of sending an amount to one of the college centers. There are always life's extras, and frequently life's necessities, that we might help them enjoy.

MARTHA HALL

Secretary Personnel and College Work

UNITED THANK OFFERING

1. The great objective of the United Thank Offering is to have every member of the Woman's Auxiliary of the Episcopal Church take part in this joyous offering by using her Blue Box regularly, (not just twice a year,) giving thanks to God for daily blessings with each contribution, and praying for the extension of His Kingdom. It is a wonderful privilege we have, with a two-fold blessing. It blesses the one who gives and the one who receives, helping the needy both at home and abroad, and spreading the Gospel throughout the world. It is the perfect way of giving, for we give in thanks for our blessings and all that we give goes to bless others.
2. The methods are:
 - (2) Choose good custodians and cooperate with them.
 - (b) Have one program a year on the United Thank Offering and brief monthly reminders.
 - (c) Keep informed by reading the literature available from National Headquarters. Branches, order your supplies from your District Custodians.
 - (d) See that all newcomers to the Parish are informed of the United Thank Offering and have Blue Boxes.
 - (e) Turn in your offerings promptly at each In-gathering, Spring and Fall, and attend all services of Presentation, workshops, etc.
3. Factual report.
 - (a) Wrote letters to all District and Branch Custodians in August and again in January. Held a workshop at Vade Mecum and at a District Meeting. Supplied many parishes with skits which they used for programs in the fall. Wrote an article on the U.T.O. for the *North Carolina Churchman*.
 - (b) Results excellent, due largely to the splendid efforts of

the Branch and District Custodians, the cooperation of the women and the help of the Holy Spirit.

Ingatherings in the Fall, 1953 and Spring, 1954, larger than ever before, and 4 branches reached the goal of 100% participation each time. Our congratulations to them, and may the number increase with every Ingathering!

My heart is full of thankfulness for you all.

ELEANOR MILLER PATTERSON
*Diocesan Custodian of the
United Thank Offering.*

INTERRACIAL

The object of the Interracial Committee is to strengthen the work of the Woman's Auxiliary in the Negro District, and thereby, in the Auxiliary as a whole.

To this end the following recommendations were made by this committee, adopted by the Diocesan Executive Board, and are recommended to the branches.

1. "To abandon a separate Quiet Day for the Negro district, as in past years it had proved impossible for more than a half-dozen women to attend, after a priest had given the time to prepare the meditations and to give the day to holding the service. Instead, the members of the Negro district are asked to attend the Quiet Day in the district nearest to their homes.

2. "Since so many from the Negro district are unable to go to their own district meeting, it was decided to ask the other eight districts to invite all women in the Negro churches in each district to attend as guests the regular meetings of that district. This would afford opportunity for learning more of the work of the Auxiliary and for finding out methods and techniques and enjoying the fellowship which is so vital in the life of the church.

3. "In towns where there is a Negro church, the auxiliaries of the other churches, at some time during each year, arrange an exchange of meetings, or of program material, or of speakers.

"There are only two Negro parishes in the diocese, the other sixteen churches are missions, five of them unorganized missions. The women of these churches work with devotion and faithfulness to build and maintain them, and at the same time, they share in the work of the Auxiliary as a whole. Anything that the women of the whole diocese can do to strengthen their hands and give them a sense of the corporateness of the church will promote the growth of the Episcopal Church in this time and place."

MRS. MATT WALL
Member Interracial Committee.

DIOCESAN FIELD WORKER

To speak of the work in the District I represent is a real privilege. This work is a great challenge to all Christian people who are thoroughly interested in fellow-laborers who are trying

to help in the "extension of God's kingdom" into the hearts and lives of all men. We have, and are endeavoring to work with zeal, ambition, and courage—having Christ as our guide.

Those of us who have shared in work and prayer through the years can more fully appreciate the strivings and longings of groups of people who are still without adequate leadership. All eighteen churches are still without much that means progress. They are small missions—save two—with very limited facilities for effective operations in Church Schools or other organizations. All are continually trying to find ways to improve their church buildings and equipment—the two Parishes not excepted.

We are happy to report progress. More women are becoming interested and are working. Like all worthwhile things, the progress is slow. You wonder sometimes, if you are really getting anywhere; then, you are really convinced. Progress is slow but sure! We are still far from our goals, but we have come a long way from where we were a few years ago.

Glancing backward, there are those of us who can remember when our contributions were very, very small—perhaps not more than \$100.00 in the Diocesan Budget for all purposes. In recent years, we show on record more than \$2000.00 in United Thank Offerings and more than \$1500.00 in Central Fund, Supply, Pledges, etc., besides "extras" in other projects at home and abroad. These may not seem very large sums, but we are sometimes inclined to put too much emphasis in financial returns for our labors. Finance is important—we must have money—but good deeds from sincere hearts will always outweigh anything measured solely in dollars and cents.

"He that planteth and He that watereth are one, and every man shall receive according to his labor, for we are all laborers together with God, says St. Paul.

We are more than grateful for having had the blessed privilege to serve our fellowmen and are greatly indebted to God and to all of you who have in any way contributed to whatever has been or may be accomplished.

We will not falter, we will continue to spend and be spent for the Master's cause.

YOUTH WORK

Is the Episcopal Church growing in North Carolina? If you heard Mr. Morrill and Miss Schnurbush during the Christian Living Conferences then you know that we lose seven out of ten young people between Baptism and Confirmation. Astounding, isn't it? Some come back, yes; but do we really need to lose these maturing churchmen? It seems to us that if we as adults—the parents and leaders of our young—took as genuine an interest in the spiritual development of our young people as we take in their physical and material development, we would not lose them. Rarely does a loved, well-cared for child leave his physical home;

nor would a spiritually well-cared for child leave his spiritual home.

The following list of "Duties of Youth Work Secretaries" is copied from the Youth Work Handbook:

MRS. ALEC SNEAD
Chairman, Youth Work

1. Keep your Auxiliary informed of the activities and needs of the youth.
2. Keep your Parish informed of the needs and activities of the youth.
3. Cooperate with the Rector, Sunday School, and other organizations in procuring adult leadership.
 - (a) While the Youth Work Secretary is primarily concerned with the age group twelve through the teens, in many small parishes there are few young people of this group, so her activity and interest may certainly cover the cradle roll, Sunday School, Brownie Scouts, Club Scouts, Junior Choirs, etc.
4. Study the needs of the youth in your parish and try to interest the parish in providing the means to fill them.
5. Subscribe to Youth Leaders Mailing List,—281 Fourth Ave., New York 10, N. Y.—cost \$1.00.
6. Urge observance of special communions for youth, as designated by the National Council.
7. Investigate possibility of interesting the Youth of your parish in one or more of the Youth Organizations, such as Girl's Friendly; Order of the Daughters of the King, Jr. Division; Order of Sir Galahad; Brotherhood of St. Andrews, Jr. Division.
8. Make the Youth feel that they are an important part of Parish life, and encourage them to participate in activities. See that they are given definite jobs to do—some in cooperation with adults and some on their own.
9. Work constantly to emphasize the importance of the parish's cooperation with the youth by supporting their projects. Too often only parents are aware or interested, and young people are hurt by the fact that the parish as a whole does not care.
10. Interest the parish and the Auxiliary in giving scholarships to the Youth Conference, Y. P. S. L. Convention, and to the camps at Vade Mecum and Camp Delany.
11. The Secretary is not necessarily required to act in the capacity of adviser or leader to the youth groups, unless she has the talent, and is requested by the Rector or organization.

CHAIRMAN OF MISSIONS

The Objectives of the office of Chairman of Missions are three-fold: to increase, among the members of the Woman's Auxiliary, interest in missions; to promote a feeling of personal responsibility for the advancement of mission work; and to provide a two-way channel between missionaries and Episcopal church women at home.

Toward these ends the following suggestions are made:

1. Choose for your branch Chairman of Missions a person with a talent for devising varied ways of presenting mission information and news.
 - (a) Branch Chairman of Missions should ask for a few minutes of each Chapter meeting for the purpose of missionary briefs. Let the first meeting cover the scope of the Church's work, naming the fields: Mexico, Nicaragua, Costa Rica, Panama, Columbia, Cuba, Puerto Rico, Brazil, Liberia, the Philippine Islands, Okinawa, Luzon, Corregidor, Leyte, Guam, Samar, Zamboango, Samoa, Midway, Japan, Alaska and the United States. Explain the use of the Calendar of Prayer (from 281, 25 cents). Explain also that certain missionaries, because of having come from our Diocese, come in for special nurturing, and read the list. In a two-year system of rotation, this list will be assigned to districts. This means that assignments will stand as made last fall except in a few cases where persons no longer connected with the Diocese will be dropped. Where this occurs, substitute assignments will be mailed to you by September 1st. Birthdays and a limited amount of information about each missionary will appear in the year book.
 - (b) Missionary briefs, culled from church publications or from personal correspondence should be brought to each meeting.
 - (c) An endeavor should be made to stimulate participation in

Mission news-gathering within the group by asking for volunteers to watch specific fields, in church publications.

- (d) Chairmen of Missions are urged to read the "Mission Corner" in each issue of the *Carolina Churchman* for messages from the Diocesan Officer.
 - (e) At least one program a year on Missions should be planned.
 - (f) Your rector should be reminded to have prayers for Missions at Corporate Communion.
 - (g) An attempt to get *Forth* in each home should be made.
2. District Chairmen of Missions are requested to:
- (a) Have their branch Christmas checks in hand by November 15th and forward the amount immediately, in a single check made out to the Diocesan Treasurer, accompanied by the following form:

Missicnary Cash Christmas Contributions

..... District	
Names of Missionaries assigned to District	Address
.....
.....
.....
Branches	Amt.
.....
.....
.....
.....
.....
.....
 Total \$

- (b) Send a copy of their news letters to their branches to the Diocesan officer in order that this may be a clearing house for all missionary news.

In the "Mission Corner carried in the April *Carolina Churchman*, I have asked you to help evaluate the methods we have used this year by writing in the answers to seven questions. Please do this without delay. My first year as your Diocesan Mission officer has been one of great inspiration and I look forward, with pleasure, to our continued working together. I am in hearty agreement with Dean Pike's declaration that "Christianity is taking on more of its original character as an active fellowship of people who put its cause above all causes and see its spread as a common task".

ELIZABETH B. PEARSALL,
Diocesan Chairman of Missions

As we make our monetary pledges to the church and the Woman's Auxiliary, and as we daily fill our Blue Boxes, let us think on these things: the thrilling scope of the mission work of our church, and the fact that it is only made possible by you and me. For in spite of the continuing miracle that provides those among us who chose to lead lives of ever present personal sacrifice to extend the Christian faith, they would not be able to go unless we gave.

THE DIOCESAN SERVICE OF EXCHANGE

OBJECTIVES: To furnish new and old mission churches in the Diocese with the material needs which can be provided by gifts from other parishes; also to put into use valuable Church furniture, altar vestments, etc., now lying idle in established parish churches.

PROCEDURE: The needs of the churches are to be written to the Director of the Diocesan Service of Exchange, who will cause them to be published in the column "Have's and Havenots" printed quarterly in the *North Carolina Churchman*. Those Churches having material to be given will follow the same procedure, as the Director should not personally handle any gifts. In some cases the Director is able to pass on knowledge of available items by letter.

The interest of all Auxiliary members in promoting this exchange is earnestly solicited.

MRS. C. V. COVELL, *Director*
Southern Pines, N. C.

WORSHIP

A year ago, when each chapter of each branch appointed or elected its Chairman of Worship, we all began to work together to further the growth of the spiritual life in our Auxiliary, in our individual lives and in our corporate life. We hoped to do this by several specific steps, and we announced them at that time as our objectives: the integration of worship with all of our Auxiliary work, through our programs; the promotion of devotional reading by every member; the observance of special occasions of corporate worship, such as the intercessory days and the interdenominational prayer days; the furthering of the annual Quiet Day; and finally the forming of prayer groups and schools of prayer in each parish.

Statistics are sometimes dry: the following seem full of life. They were compiled from a questionnaire sent to all chapters. The response was large enough to make the figures seem a trustworthy indication of the tangible results of our work.

Fifty-seven chapters replied. Of these almost 100% open and close their meetings with prayer, notably the Auxiliary and U.T.O. prayers, and Bible reading and other devotional reading. Many use the Calendar for Missions. Ten chapters find spontaneous prayer effective on occasion.

A half of the reporting chapters have and use a devotional library; many say it is customary to give a religious book as a memorial gift. Eight have a book-of-the-month plan.

Almost half of the parishes have a prayer group. Five have had a school of prayer.

Of the 57 replying, 35 had representatives at their district Quiet Day, with an attendance of 206 women. As the returns represent roughly half of our chapters, we may hope that about 400 women attended in all, from about 70 parishes.

The Quiet Day is *not* just another meeting; it is a day for spiritual refreshment, away from the hurry and care of our pre-Christmas schedule. It serves to emphasize to us something too easily forgotten: the penitential nature of the Advent season. A large attendance is not essential: the clergymen who so generously contribute their gifts and time, in leading us, all acknowledge this, but we all feel that every Auxiliary woman who possibly can, should try it once, to see if the procedures of the Day are congenial and helpful to her: the sense of retreat from the world for a day; the avenues of self-examination and inspiration into which our able leaders conduct us . . . and the silence . . . which makes us wonder if much of our conversation is not unnecessary, to say the least!

During this year, I have kept in touch with the Worship Chairmen by letter, giving book lists and resource material for prayer groups and programs and special needs. I have spoken at two district meetings, holding a panel program on devotional literature at one; I have spoken to Auxiliaries seven times, in three

districts. Quiet Days were set up in eight districts under the able leadership of the Reverend T. J. C. Smyth, and with the assistance of the eight clergymen who conducted them. Our heart-felt thanks are due them all for their unflinching help and encouragement. I have written a short article on this work, quarterly, in the *North Carolina Churchman*.

I give up the work with real thanksgiving for all that it has given me this year, and with regret that I must give it up; with pride in Mrs. Merritt, who succeeds me; and with confidence in you. And my thanks to every one of you who has responded so generously to this program, which *undergirds* and *crowns* all our efforts for service to God in His Church.

REPORT OF THE REPRESENTATIVE TO THE NORTH CAROLINA STATE LEGISLATIVE COUNCIL

The State Legislative Council under the promotion and cooperation of Christian Social Relations, has had a busy and fruitful year. It has been a period of laying the foundations for the real study and action which has resulted in a better understanding of the purpose and function of the Council, and a growing awareness of Christian responsibility for social action in the field of legislation. Much credit and appreciation is due more than two-thirds of the branches who have cooperated in this program.

Your Legislative committee is composed of: Mrs. U. T. Holmes, Mrs. W. W. Taylor, Jr., Mrs. H. C. Bourne, who is your representative to the Study committee, and Mrs. G. L. Lyon.

We are deeply indebted to Bishop Baker, Mrs. James Beckwith, and Mrs. Matt Wall who have presented the legislative program to several branches. Your representative has spoken to eleven branches and to two groups of the United Council of Church Women. Those who were unable to incorporate this study in their program this year, we hope you will do so next year.

This is a challenging part of our program and one in which every woman in the Auxiliary has an individual responsibility as a Christian witness in the life of our society.

Exercising responsibility for social legislation is essential to make Christian principles effective in certain areas of our society. This means that church people, after determining the Christian significance of proposed legislation, have the obligation to make their point of view known.

Your efforts have been salutary. We have taken a great step forward in accepting our obligations of Christian citizenship. Perhaps it is not wishful thinking that our Christian consciences and action will make an indelible impression on the welfare of our communities and state. It will be the single vote that will ultimately redeem politics, and the single voice which will make a world's insistence on peace.

Respectfully submitted,
ELIZABETH F. LYON

FOREWORD

An artist despairs of portraying on his canvas the glory of a sunset or the mystery of the dawn. There is always in such scenes an elusive, unutterable something that his brush can never capture. So it is with a little book like this. It tells the story of another year's achievement in the Diocese of North Carolina. It unfolds, page by page, the inspiring record of what the Woman's Auxiliary has done. It is a finger pointing to practical facts and figures and also to unseen things like leadership, loyalty, devotion, sacrifice and other deep qualities of character that no pen can define or describe. Here is the glowing account, so far as words can tell it, of another year's superb attainment by the consecrated women of the Auxiliary. It is a hand book of complete and useful information. It is also a guide book for people with thought and feeling who understand that Christianity is forever demanding deeper insights, further horizons for its faith and practice so long as any of God's children are in need. Its information is indispensable. Its inspiration is a daily experience. I commend it to your careful reading.

Bishop of North Carolina

PRAYERS

THE WOMAN'S AUXILIARY PRAYERS

Almighty God, our heavenly Father, bless, we pray Thee, our work for the extension of Thy Kingdom, and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labor diligently, and give liberally to make Him known to all nations as their Savior and their King; through the same Jesus Christ our Lord. Amen.

Almighty God, whose love reacheth unto the world's end, and who didst send Thy blessed Son to redeem all mankind: Help us, we pray Thee so to reveal Thy will in prayer and work and stewardship, that by Thy spirit all nations and peoples may be baptized into one body, even as all are redeemed by one Savior; through Jesus Christ our Lord. Amen.

PRAYER FOR MISSIONS

Almighty God, help us, we pray Thee, to shed abroad the light of Thy Church over all the world. Give us greater zeal for thy Kingdom, that we may offer abundantly our prayers, our work, and our gifts; so that the earth may be filled with the knowledge of Thy glory, as the waters cover the sea; through Thy Son, Jesus Christ our Lord. Amen.

FOR GUIDANCE OF THE HOLY SPIRIT

O God, forasmuch as without Thee we are not able to please Thee, mercifully grant that Thy Holy Spirit may in all things direct and rule our hearts; through Jesus Christ our Lord. Amen.

PRAYER FOR HUMAN RELATIONS

O God, our heavenly Father, who hast created all men after thy likeness, we beseech Thee to incline thine ear to us as we ask thy help in doing our duty as Christian citizens and as members of thy Holy Church. We acknowledge our many transgressions of thy righteous law and especially our failure to see thine image in thy children for whose sake thy Son was content to die. Grant that we may follow in the steps of Him with whom there was no respect of persons.

Make us ready to acknowledge the Truth as it stands written in thy Holy Word. Give us courage in our thinking and honesty in our decisions. Lift us above self-interest and prejudice and whatsoever else may hinder us from a just and righteous dealing with our neighbor. Guide with thy wisdom those to whom Thou hast committed the responsibility of government, that all things pertaining to the relationship of man with man may be settled upon the sure foundation of thy Holy Will as made known to us in thy Son, Jesus Christ our Lord. Amen.

—THE RT. REV. EDWIN A. PENICK, D.D.

PRAYER FOR CHRISTIAN SOCIAL RELATIONS

Jesus, our Master and our friend, who claimest our service through the need of our neighbors; Grant us so to see thy image in all our fellow creatures that serving mankind we may minister to Thee, the living Savior of the world. Grant to each one of us, that we may do our part in bringing about an order of society where there is no just cause for discontent or bitterness of spirit, and where every person may be enabled to come to the fullness of perfection for which he was made through Jesus Christ our Lord. Amen.

FOR THE UNITED THANK OFFERING

O Lord, Our Heavenly Father, we pray Thee to send forth more laborers in Thy harvest, and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept from grateful hearts our United Thank Offering of prayer, and gifts and joyful service, and bless it to the coming of Thy kingdom, through Jesus Christ our Lord. Amen.

Accept, O Father, this joyful sacrifice of thanksgiving and praise, and bless the gifts to the setting forward of Thy kingdom; that as we have gratefully received the benefits Thy bounty has bestowed, so we may cheerfully share them with Thy children in all the world; for his sake whose life and death and rising to life again we sing a song of praise to Thee, O Thou Most Holy, our Savior Jesus Christ. Amen.

FOR CHRISTIAN EDUCATION

O God, who has sent Thy beloved Son to be unto us the Way, the Truth, and the Life; grant that we, looking unto Him may set forward the teaching power of Thy Church, to the nurture of Thy children, the increase of Thy Kingdom and the glory of Thy Son, Jesus Christ our Lord. Amen.

THE PRAYER FOR THE SUPPLY WORK

Almighty God, who has taught us by Thy Son, Jesus Christ, that it is more blessed to give than it is to receive, look with favor, we beseech Thee, upon the supply work of Thy Church especially in this Diocese. Touch our hearts with compassion for the poor, the sick, and homeless, and make us strong to lift the burdens with our ready gifts and service; through Jesus Christ, our Lord. Amen.

PRAYER FOR THE THOMPSON ORPHANAGE

Almighty God, who are the Father of the fatherless, send Thy blessings upon the Thompson Orphanage, instituted in Thy name. Give patience and wisdom to the officers, teachers and matrons of this home, that they may faithfully discharge the duties committed to their charge. Let the boys and girls grow in grace and earnestness, day by day. Strengthen their bodies, enlighten their minds, purify their hearts and sanctify their wills. Bless all who have contributed to this institution, and raise up, we pray Thee, a never-failing succession of benefactors whose names may be perpetuated through all generations, as a blessed memory, and the good deeds be accepted; through Jesus Christ our Lord. Amen.

FOR THE EVERY MEMBER CANVASS

God our Father, who providest for Thy children in advance of their needs, bless the work of our Every Member Canvass, and grant us all to share in it with glad and willing hearts for the sake of Thy Kingdom, through Jesus Christ our Lord. Amen.

FOR DIOCESAN MISSIONARIES

O Lord and Heavenly Father, without whom we can do no good thing, but with whose help even Thy little ones go forth as the mighty, we beseech Thee to prosper the work of all Thy missionaries, wherever they may be (and especially the work of Thy servant.....). Grant them the wisdom to know and the strength to do Thy will, and bless them with the hope and consolation of Thy heavenly promises, for the sake of the Son, Our Savior, Jesus Christ. Amen.

FOR PERSONNEL

Our Father, if it be Thy will, put it into the heart of some young man or young woman of this parish to choose one of the many vocations within the Church for his or her life work, whether it be in our own land or overseas. We pray Thee help each one of us, whatever our calling, to practice it as becomes a Christian in Thy name and with Thy guidance. Amen.

NOONDAY PRAYERS

Blessed Savior, who at this hour didst hang upon the Cross stretching forth Thy loving arms; grant that all mankind may look upon Thee and be saved. Amen.

Blessed Lord, inspire our hearts and the hearts of all men everywhere with the love of God and of our fellowmen, that we may be worthy of world peace. This we pray in Jesus' name. Amen.

FOR WORLD PEACE

Almighty God, from whom all thoughts of truth and peace proceed; kindle, we pray Thee, in the hearts of all men the true love of peace, and guide with Thy strong and peaceful wisdom those who take counsel for the nations of the earth, that in tranquility Thy Kingdom may go forward, till the earth shall be filled with the knowledge of thy love; through Jesus Christ our Lord. Amen.

FOR USE BEFORE AND AT THE TIME OF THE ELECTION
OF OFFICERS

O Holy Spirit, Whose guidance and inspiration alone can enable us to fulfill the Will of God, teach us, we pray Thee, the dignity of our missionary work, and give us grace to choose as our leaders those whom Thou dost call to Thy faithful service. To those so chosen give a spirit of reverence in the exercise of their office, and to all of us a deep sense of our obligation in the discharge of every duty, to do the glory of God through Jesus Christ our Lord. Amen.

BENEDICTION

May the blessings of God Almighty, the Father, the Son, and the Holy Spirit, rest upon us and upon all work and worship done in His name. May He give us light to guide us, courage to support us, and love to unite us, now and forevermore. Amen.

SERVICE OF INSTALLATION OF OFFICERS FOR THE WOMAN'S AUXILIARY

Let those who have been elected stand before the Bishop and then let him say:

It is right and fitting that those who have been duly elected as Diocesan Officers of the Woman's Auxiliary should be formally received and admitted into their respective offices in your presence; and that we should ask the blessing of God upon them for their support and guidance in the performance of the duties which you have laid upon them.

O Lord, save these Thy servants.
Who put their trust in Thee.
Send them help from the holy place,
And evermore mightily defend them,
O Lord, hear our prayer.
And let our cry come unto Thee.
Let us pray.

Our Father . . .

Direct us, O Lord, in all our doings, with Thy most gracious favour, and further us with Thy continual help; that in all our works begun, continued and ended in Thee, we may glorify Thy holy name, and finally by Thy mercy, obtain everlasting life: Through Jesus Christ our Lord. Amen.

Almighty God, the giver of all good gifts; give Thy Grace, we humbly beseech Thee, to these Thy servants who have been chosen to serve Thee in the special work for which they have been selected; grant unto them zeal and earnestness in the performance of their office; wisdom and strength to meet each day their task; and love in the doing of it; and give them the vision to see their opportunities for service, to the glory of Thy great name and the benefit of Thy Holy Church! Through Jesus Christ our Lord. Amen.

Bless us, O God, with the vision of Thy Being and Thy Beauty, that in the strength of it we may work without haste and without rest; Through Jesus Christ our Lord.

I received and admit you to the office of..... Be faithful, zealous, sincere and humble in all your tasks, and may the Grace of the Lord Jesus Christ and the love of God our Father and the guiding fellowship of the Holy Spirit be with you evermore. Amen.

BENEDICTION

The Father, Son and Holy Ghost bless, preserve and keep you, in your work, in our worship, this day and always, through Jesus Christ our Lord. Amen.

OBJECTIVES OF THE WOMAN'S AUXILIARY BRANCHES

1955 - 1956

"*Labor that proceedeth of love*" is the theme of the Woman's Auxiliary Conference at Vade Mecum, and "*His Witnessing Community*" is the theme of the Triennial Meeting in Honolulu. These themes are closely related; for if we are willing to be part of a witnessing community, because of our love we will work to accomplish our goals.

Our objectives do not change greatly from year to year. Our continued aim is to work for the extension of Christ's kingdom through the study and teaching of His word and through informing ourselves and others of the program of the Church. Specifically let us

1. Take time for daily devotions, attend Corporate Communion and Quiet Days of Prayer and Meditation, make worship a vital part of every Auxiliary meeting, and strive to form at least one prayer group in each parish;
2. Plan in advance a program of study in accordance with the recommendation of our Diocesan Secretary of Christian Education and designed to meet the needs of our particular branches, read at least one church publication, and possibly send a representative to a summer conference;
3. Support both by gifts and prayer our orphanage, our missions, and such other projects as are suggested by our department of Christian Social Relations;
4. Give liberally of our means through our branch pledges, our specials, our United Thank Offering, and our Church's quota, and
5. Awaken our members to the opportunities for service and to the joy of it; to sponsor new branches where needed, to stress work in the Church as a career for women, to share our special programs and speakers, and to strive for greater understanding between classes, races, and creeds as evidence of our belief in the brotherhood of man under the fatherhood of God.

ANALYSIS OF THE YEAR OF THE WOMAN'S AUXILIARY OF THE DIOCESE

1. The fiscal year of the Diocese and the branches runs from January 1st through December 31st because it must coincide with the fiscal year of the National Council.
2. The year of active study and work runs from the first meeting in the fall through the last meeting before the summer recess so as to conform to the plans and material sent out from the National Council.
3. New branch officers should be elected in March so that the names of the new officers can be listed in the new handbook and be considered in the election of delegates to the Annual Meeting.
4. The Annual Meeting of the Woman's Auxiliary of the Diocese is usually held the second week after Easter so as to fit in with the date of the Diocesan Convention of the Church and with the Bishop's schedule.
5. New branch officers should be installed at the last meeting before the summer recess with the new president presiding at the first fall meeting. If a branch meets during the summer, its officers should be installed at the June meeting with the new president presiding at the July meeting.
6. New officers should prepare in the summer for the coming year of study and action. The program of Christian Education should be prepared at this time.
7. Report blanks are sent to all the branches in March. Reports cover the period of time from the previous June 1st through May 31st. Branch reports must be mailed to the District Chairman by April 1st. Lists of recently elected officers sent in on the reports thus become correct in the yearbook for the longest possible period of the year.

PRESIDENT'S ADDRESS TO THE 73rd ANNUAL MEETING

It is with great pleasure that I welcome you to the 73rd Annual Meeting of the Woman's Auxiliary of this diocese. We have come together for a day and a half to review what we have done as women of the Church since our last Annual Meeting and to look forward to what we may accomplish, with God's help, in the year that lies ahead. My report to you at this time will try to give in broad outlines what seem to me and to our Executive Board to have been signs of progress and to point out, perhaps, where we need to be strengthened. The reports of our diocesan officers and chairmen which follow will fill in with greater detail.

To begin with some figures — our membership, based on Central Fund, has grown by 276 over last year, reaching a total of 5,497, which is an increase of 54 in the past three years. We have joyfully added two new branches this year, St. Mark's, Siler City, and St. Francis's, Greensboro. The total number of branches remains 106, however. This is because in each of two branches of the Auxiliary these branches have united into one in accordance with the unified plan which is the ideal of the Woman's Auxiliary throughout the Church. This leaves only five parishes in our diocese which maintain two Auxiliary branches — perhaps we can persuade them of the value of unifying.

In order to make my annual report on your behalf to the National Executive Board, I consulted our Diocesan Executive Board for their answer to this question: What do you consider to be the most significant advance in women's work in your Diocese since the Triennial Meeting of 1952? By far, the majority of the replies gave as their first choice "a better understanding of Christian Social Relations and greater coordination between Christian Social Relations and Christian Education; conscious corporate participation in responsible citizenship, specifically in social legislation through membership in the State Legislative Council, and in better inter-racial cooperation." Second in number of listings was "increased emphasis on worship as shown by better attendance at diocesan Quiet Day, better preparation of the devotional part of programs, request for a workshop at our Summer Conference at Vade Mecum." Also noted was capacity attendance at Vade Mecum for the past two summers, and greatly increased enthusiasm in small branches and their fuller cooperation in the diocesan program.

To single out one phase of our work as outstanding does not mean that other departments have not also served with marked success. Carefully planned programs have now become routine in almost every branch — although not every branch remembers to send a copy of its program to the Secretary of Christian Education. All over our Diocese our churches are expanding their physical plants and in every case the women make sacrificial gifts of time and strength to make dollars for these building funds. A quick glance at your annual reports which reached me this week reveals, even though not quite all reports were in, the amazing total of \$44,115.77 raised by bazaars or similar projects. This is in addition to approximately \$35,000.00 pledged by members to their branches, and does not, of course, take into account your United Thank Offering. In the department of missions, I believe there is more awareness of the primary obligation of the Church, and, therefore, of the Woman's Auxiliary, to our missions both overseas and at home and a personal concern for the missionaries who represent us in the field.

We have found great value in our Diocesan Service of Exchange — or as it is also called "The Haves and Have-Nots", and now the Executive Board has decided to enlarge the functions of this committee to include some of the services of the diocesan Altar guild. This decision has been reached after three years of study and after submitting the proposal to the clergy of the diocese for their approval.

I referred above to greater cooperation in the diocesan program and this has been evidenced by your response to three special calls this year. Your generous support of the decision to sponsor the radio program "Another Chance" has been

mply justified by the warm reception this program has received. Mrs. Rakestraw, executive Secretary of the Episcopal Hour for the Province of Sewanee has sent to me excerpts from the hundreds of letters received by the radio stations which broadcast this series in praise of it. Letters have been sent to the sixteen radio stations in our Diocese which carried it, thanking them and asking them to carry the 1955 program which is now in preparation and will be ready by October 1st. You have all received this morning material on the 1955 program and you will hear later from our Treasurer how we propose to finance it. Our Province is unique in the Church in undertaking to evangelize by use of the air-waves and it is applauded by the whole Church for this great missionary endeavor. Please plan to give it wide publicity next fall in your community.

The second special call to which you responded was the emergency created by the selection of Honolulu as the meeting place for the 1955 Triennial. Your wonderful cooperation assures us of adequate if not full representation, and will thus contribute to the success of the Triennial Meeting as well as bring back to us all the help and inspiration it will afford for our work for the next three years.

Your third gift has, it seems to me, some of the quality of the box of precious ointment, for it consisted of personal belongings of silver and gold which have been converted into a most beautiful alms basin to adorn our special services of worship.

For the past two years there has been a growing awareness of our responsibility as Church women in the field of racial integration. It became apparent to our Bishops and other diocesan leaders that the next step in the Woman's Auxiliary should be the integration of the negro branches into the other eight Districts in which they are geographically located. I do not wish to anticipate reports by other officers or chairmen so I will only state that this has been effected this spring, and we no longer have a segregated District in the Woman's Auxiliary of this Diocese. The presidents of our Negro branches are now members of the Executive Boards of the Districts in which they are geographically located and it is to be hoped that they will realize their responsibility as well as their privilege in helping to plan District meetings and to encourage their members to participate in the work of the Auxiliary at the District level.

This leads me into the next thought that I wish to discuss with you very briefly at this time, and that is the necessity for using our District organization more effectively than we have. As I have shown, we are growing in membership and in activities and, the demands upon the diocesan president and other diocesan officers have greatly increased. Obviously in a three year term no diocesan officer can visit all branches or give the amount of guidance and leadership she is able and eager to give. If she can work through her opposite number on the District level, several values may be attained. District officers will be elected with the knowledge that their role is important and vital and they will accept nomination knowing that much will be expected of them. Branches will realize they have a resource at hand within their own district to advise, inform and encourage them. Recently I attended a meeting of a district executive board at which an excellent plan was suggested whereby each district officer would call together her branch officers for a planning session. Districts thus functioning will provide a training ground for diocesan officers.

It would greatly strengthen the fellowship and cooperative spirit of the Auxiliary if District Chairmen were able to visit each branch of their District at least once during their three year term of office. To do this, however, they have to be invited by the branches—so won't you branch presidents make a date with your District Chairman to come to one of your meetings, not necessarily as a featured speaker, but to be present and get to know you, your plans and, maybe, your problems? Remember your District Chairman, through her place on the Diocesan Executive Board, is not only in touch with the over-all picture of Auxiliary work in the Diocese, but she receives the quarterly News-letter of the Provincial Woman's Auxiliary, and the min-

utes of the quarterly meetings of the National Executive Board; so she is in a position to fire your imagination with opportunities for service and warm your heart with news from the great wide fellowship of the women of our Church.

For the next three years we have chosen an able and dedicated president, and I will leave this office tomorrow with sure confidence in her and in your ability to grow in service to our Lord and His Church.

Our theme for this meeting is the third I have chosen that is related to the phrase in our Woman's Auxiliary prayer "that we may labor diligently." I have been very conscious as we worked together this year that it is the love which motivates our labor — love for one another, love for God and for His children everywhere, love that is in response to His infinite love for us.

In each case the motion carried, the Secretary cast the ballot, and the slate presented by the Committee for Diocesan officers was adopted.

The meeting was recessed until 8:00 p.m.

At the service of Evening Prayer, Bishop Penick was assisted by Bishop Baker, the Rev. David W. Yates, and the Rev. W. Robert Insko. The sermon was delivered by Bishop Penick.

The Diocesan Director of Christian Education, the Rev. E. B. Jeffress, Jr., spoke to the meeting on the subject of summer camps and conferences.

The Secretary read the following from the minutes of the Executive Board meeting of April 18th:

"The Executive Board takes cognizance of the fact that Vade Mecum is not in the Diocesan Auxiliary budget, and the Board therefore recommends that each Branch put a sum for Vade Mecum in its budget each year, just as they do for Camp Delaney and Kanuga."

The President explained that although Vade Mecum does appear in the budget, this item is for the expenses of the Auxiliary conference, and is not a donation.

It was moved, seconded, and carried that the Meeting accept this recommendation, and that any money given by a branch be dispensed by the Director of Vade Mecum at his discretion.

Mrs. Leslie B. Evans, President-Elect, spoke on plans for the Woman's Auxiliary summer conference at Vade Mecum.

The Rev. James R. Fortune, Missionary to the Deaf, presented three members of his choir from Morganton, who sang in sign language two hymns and the Venite. Mr. Fortune read the words for the benefit of the congregation, thus effectively demonstrating that the music of the Church can be sung beautifully and reverently even when no sound is made.

Mrs. Brown Patterson, United Thank Offering Custodian, announced that the offering at the service of Holy Communion was \$151.35. The Thank Offerings from the branches in the Spring Ingathering amounted to \$10,728.94. She stated that this was the largest Thank Offering the Woman's Auxiliary of this Diocese had ever made.

She moved that this recommendation be accepted. The motion was seconded and carried.

Mrs. A. G. Corpening, Chairman of the Resolutions Committee, read the following proposed resolution as follows:

RESOLUTION I

BE IT RESOLVED, that the Woman's Auxiliary of the Diocese of North Carolina approve the following resolution which comes to us from the Racial and Cultural Relations Committee of the Diocese and has been passed by the Diocesan Executive Council with some minor word changes to make it conform to recent State legislation:

WHEREAS, the Supreme Court of the United States has recently rendered a decision declaring that segregation of pupils in public schools solely on the basis of differences in race is unconstitutional and unlawful; and

WHEREAS, the Executive Council of the Diocese of North Carolina believes that in these critical times of national and international tensions Christians are constantly obligated to bear witness to their faith by applying the basic principles of Christianity to important areas of human relations:

NOW, THEREFORE, BE IT RESOLVED, that the Executive Council of the Diocese of North Carolina urges the members of the Episcopal Church in the Diocese to accept, in the Christian spirit of the brotherhood of man, the decision of the Supreme Court of the United States invalidating segregation in public schools, and to use the influence of our leadership with legislative personnel, school authorities, parents, pupils and the public at large in an effort to effect an eventual, orderly transition to an integrated public school system in the Diocese of North Carolina.

Mrs. Corpening moved that this resolution be adopted as read. The motion was seconded and carried.

Mrs. Corpening read the second resolution proposed by the Committee:

RESOLUTION II

WHEREAS, the Diocese of North Carolina is engaged in the establishment of the North Carolina Episcopal Foundation;

BE IT RESOLVED: That the Woman's Auxiliary of the Diocese of North Carolina records its sincere concern for the success of the Capital Improvement Fund, and pledges its personal service to the local and Diocesan leaders in this movement in promoting the plans of this campaign.

Mrs. Corpening moved the acceptance of this resolution. The motion was seconded and carried.

Mrs. Corpening read the third resolution proposed by the Committee:

RESOLUTION III

BE IT RESOLVED:

That the Secretary be directed to record an expression of appreciation to the retiring President of the Woman's Auxiliary, Mrs. U. T. Holmes, Jr., for her untiring efforts and spiritual leadership.

Mrs. Corpening moved the acceptance of this resolution. The motion was seconded and carried by a rising vote.

Mrs. Palmer Pickard, Chairman of the Committee on Courtesy, presented the report of that Committee. The report was accepted.

Mrs. Thomas J. Pearsall, Chairman of Missions, reported that Novice Adelaide Smith, formerly of this Diocese, would make her profession on the following morning, April 21st, at All Saints' Convent in Baltimore, and moved that a telegram be sent her from the Woman's Auxiliary of the Diocese. The motion was approved.

The President announced that the Executive Board had accepted with thanks the invitation of the Woman's Auxiliary of St. Peter's, Charlotte, to hold the 1956 annual Meeting there.

After the service of installation of new officers, conducted by Bishop Penick, Mrs. Holmes presented the gavel to the new President, Mrs. Evans. After a brief speech of acceptance, Mrs. Evans announced that Mrs. Graham H. Andrews, Jr., Raleigh, would serve as Secretary for the Auxiliary. The meeting was then adjourned.

MRS. T. M. EVANS, Treasurer
Woman's Auxiliary of The Diocese of North Carolina
Oxford, North Carolina

In accordance with your request, we have prepared the following statements from the books of Woman's Auxiliary of The Diocese of North Carolina for the year ended December 31, 1954.

- Exhibit "A"—Summary of Treasurer's Cash Receipts and Disbursements
 - Schedule 1—Analysis of Treasurers Cash Receipts and Disbursements
 - Schedule 2—Receipts and Disbursements of Specials
 - Schedule 3—Receipts from Individual Branches

Exhibit "B"—Condensed Comparative Treasurer's Report

Cash in bank was reconciled with confirmation submitted by the depository. In addition to the cash in bank, the auxiliary had \$1,300.00 in full paid shares and \$96.84 in optional savings shares to their account in Security Savings and Loan Association, Durham, North Carolina.

We did not confirm receipts by direct correspondence with contributors. Cancelled checks were examined for the year in support of cash disbursements.

Since we did not confirm, by direct correspondence with contributors, the amount of cash received, we cannot express an opinion as to the correctness of this amount. Except for the omission of this generally recognized auditing procedure, it is our opinion that the attached financial statements present fairly the results of the financial transactions of the Woman's Auxiliary of The Diocese of North Carolina for the year ended December 31, 1954.

CHRISTIAN EDUCATION

Report

This is my final report as Diocesan Secretary of Christian Education and I would like to refer to some of the objectives toward which we have been working for the past three years, and summarize very briefly the progress that I feel has been made in our thinking and planning. The greatest progress seems to be along these lines.

First, that we have lifted our vision to broader fields of knowledge and concern, realizing that Christian Education is not an isolated area of study, but embraces all of the needs of women living in today's world as Christian citizens. It is concerned with the total program of the Auxiliary and the total program of the Church. We have stressed the point that program planning should be a joint effort of auxiliary and parish leaders so that the educational program of the Auxiliary may be coordinated with that of the parish, and become the motivating force and basic preparation for Christian action. There has been a steady increase each year in the number of functioning Education Committees, but our goal, not yet attained, is for this to be standard procedure in every Auxiliary.

Second, knowing that a planned program is essential to achieve balance, continuity and effectiveness, it is gratifying that about 95% of all branches report that they have a planned program this year! This shows an increasing awareness of the vast amount of material available to us and a better knowledge of where to find and how to use the resources, help and program offered by our Auxiliary and Church.

Third, that there is greater member participation and interest in the educational program of the Auxiliary. This is evidenced in the wider use of discussion, panel and dramatic methods of presentation, the formation of a number of small study groups, and especially in the excellent attendance at summer conferences and workshops.

A step forward has been the appointment of a Chairman of Worship to the Diocesan Board, and worship assumes its rightful place, not connected with any one department, but central and vital to all.

Although I am fully aware of how much more might have been accomplished particularly on the Diocesan level, I think that we can feel a justifiable pride in the high standards of work and planning that our branch and district secretaries of Christian Education have set for themselves, and their very great contribution to the on-going work of the Auxiliary. I thank you for the privilege that has been mine to meet, know and work with so many of them, and I pray that the Auxiliary will always find such women ready to give of themselves, their time and their talents to the important field of Christian Education.

PRISCILLA GREGORY MCBRYDE

Program 1955 - 56

Christian Education Secretaries, branch, district and diocesan, are planning together for the continuing education of our Woman's Auxiliary members in preparation for the fulfillment of God's purpose for us as expressed in the theme for the next triennial, "His Witnessing Community." Realizing that all areas of Auxiliary activity have a theological basis and that the witnessing community always functions in the spirit of togetherness, we hope above all to help our women see what they study related to principles in order that they may use materials effectively. In the work of educating for a Christian purpose it seems vital that Secretaries of Christian Education be regardful of the goals and of simultaneous activities of all departments of our Auxiliary community and of our Church community. The accomplishments of the whole family make joyful service of "Labor that proceedeth of love."

Remembering that the program of the Auxiliary is the program of the Church and that a primary aim is to enlist every woman in the Church's work, our first step

is to study our parish. In the words of the Rev. John B. Midworth, Executive Secretary, Adult Division, of our National Council Education Department, we find within it "a group of persons representing a multitude of vocational, economic, social and educational backgrounds; persons expressing a variety of personal goals, aspirations and spiritual needs. These are part of the Parish, not by virtue of their common concern for work, play, or political being but rather by their commitment to Him who created man for community.

"In and through these persons many and various interests and needs are expressed; programs and plans of worship, recreation and service ventured, areas of the Faith reconsidered, the Bible explored and in general the heritage of the Church surveyed. Men are in need of Christian service, reforms stand waiting to be born in the community, and projects, campaigns, errands of mercy continue to challenge and demand a response.

"Christian Education is concerned with the deepening of understanding and experience of the truth of the Gospel. Its primary area of operation is the parish . . . Adult Christian Education must lead (people) to understand and experience the reality of the Christian Gospel in their own lives at this and every moment of their lives, speaking meaningfully to each . . . through the whole life of the Church. This is a tremendous task. But the Gospel is a tremendous fact of life. The Church exists that it might do that which the Faith demands of it. By the power of God and always under His judgment, to strive for this is our only choice."

In common with that of all members of the National Council of Churches our mission study themes for 1955-56 will be "The Christian Mission in a Revolutionary World" and "Indian Americans." Through our study we must try to find answers to such searching questions as, "What is the Christian Mission in a revolutionary age?" "As long suppressed peoples awake, what is the Church's part?" If revolution means a total and drastic change in ideas or institutions, the transformation of social beliefs, as Dr. Shacklock, author of *This Revolutionary Faith*, states, certainly our American Indians are passing through a type of revolution as surely as are Japan and all the nations of Asia. How are the churches helping them make the adjustment? Dr. Skoglund, in *They Reach for Life*, writes, "Certainly the revolution presents the church its most dynamic challenge in centuries. We are living in one of those times that God offers to his church to bring to men of many cultures and from many levels of life the witness of his redemptive love. St. Paul, the greatest of missionaries, wrote from Ephesus where he was preaching in an atmosphere of danger and struggle, that he would continue, "For a wide door for effective work has opened to me *and* there are many adversaries."

The Program of the Women of the Church, as outlined by the National Executive Board of the Woman's Auxiliary, in addition to the materials for mission study published by the Friendship Press, lists eight brief missionary biographies, including one for Bishop Harris in Liberia, at 25c each. In the field of worship it recommends *With All Our Hearts* by Heffner, 50c, eleven complete services to be used in the devotional period of any meeting, *A Calendar of Prayer for Missions*, 35c, and *Read the Bible*, a plan for regular Bible reading. For programs of information and education it suggests several titles. *You and General Convention* may be used in one to five units. It is expected that the 1955 Triennial meeting will take action in the area of Christian citizenship and social responsibility and that additional suggestive materials will follow. *What of the Women?*, 50c, is a four unit discussion on the place of women in the church. For *Man's Need and God's Action* by Howe, a study guide *Man and the Gospel* by Howe and Switz, 60c, is available. *The Episcopal Church and Its Work* by Dawley, vol. VI of The Church's Teaching Series, is of first importance. A number of "single programs" on topics touching on emphasizing or describing various Auxiliary activities are also available from National Headquarters. Diocesan and district secretaries of all departments will be delighted to help with selection and adaptation of these materials to branch needs.

Calendar

Penick Lectures at Woman's College, Greensboro, Nov. 7, 8, and 9, 1955, will be delivered by Dr. Langmead Casserley, of the General Theological Seminary, whose articles on "Christian Interpretation of Vital Issues" appear in each issue of *Episcopal Churchnews*.

A diocesan wide teaching mission is planned for October and November. Five or six day missions to be held in each parish and mission will be conducted largely by our diocesan clergy. The principle theme will be basic doctrines of the Christian Faith.

The National Council's Leadership Training Team propose the dates of Feb. 27 to March 2, 1956, for a visit to our diocese. This team will offer assistance to those who are using or hope to use the Seabury Series. Please, plan with your parish Education Committee to keep these dates open.

Suggestive List of Books and Other Materials for Individual or Group Study

This list is intended to call attention to some materials adaptable to our need for worship and study that will eventuate in action. Through consultation with other secretaries and department heads, with other members of the parish or Woman's Auxiliary Christian Education Committee, with the rector and The Rev. Edwin B. Jeffress, Jr., our diocesan Director of Christian Education, the branch Secretary of Christian Education will receive recommendations of many other titles of value. The final choice must always rest upon the needs and potentialities of the local group. A review of the Christian Education section in previous Woman's Auxiliary diocesan yearbooks will furnish additional valuable checklists.

Diocesan Secretary, Christian Education

CHRISTIAN SOCIAL RELATIONS

Activities of the Diocesan Secretary: Held Christian Social Relations Workshops at four District Meetings, and will conduct one at the 1955 Woman's Auxiliary Conference at Vade Mecum; addressed seven branches; attended an institute on government sponsored by the State Legislative Council, and appeared before the joint appropriations committee in behalf of our bill for an appropriation for the employment of attendance workers to enforce the compulsory school law; attended three meetings of the Racial and Cultural Relations Committee under the Diocesan Department of Christian Social Relations; attended the Provincial Meeting in New Orleans as your delegate and became a member of the Provincial Christian Social Relations Committee; sent fall and spring letters to all branch and district Secretaries providing them with sources of information of our developing program and special interests; have kept in close contact with all chairmen under Christian Social Relations which include State Legislative Council, resettlement of refugees and Civil Defense.

The words of the Rt. Rev. Angus Dun, Bishop of Washington, set the mood and standard for Christian Social Relations: "God is concerned with everything that affects man. Christ is Lord of all. The church cannot withdraw into a corner and deal with a private specialty called religion, and leave vast areas of human life outside its concern."

Your reports show a growing recognition of this truth and a dedicated commitment to the witness of the church in your increasing expansion toward a world-wide task. As you extend yourself beyond the limits of your own Parish your vision will brighten with a renewed hope that we are justifying the real reason for the church's existence — to make an impact on the world, and not to just keep its own wheels in motion. Ask yourself this question, "If my Parish or Mission closed its doors, would there be a marked deterioration in my community?"

Your reports have been studied carefully, not only for tangible results, but for ways in which your Diocesan department can help you in study and program planning. There was almost a unanimous plea for more specific planning and coordination between Christian Social Relations and Christian Education and other areas of our work. We are already formulating plans toward that goal. Meanwhile, there are three "musts": (1) Plan to work in cooperation with your Christian Education secretary and other branch officers. (2) Study your needs before you act so there will be no duplication of effort. (3) Christian Social Relations must begin with worship, continue with study, and eventuate in action.

Almost without exception you observed Special Days of Prayer, and often in cooperation with other denominations or United Church Women.

On a parish level, you have specific programs for extending fellowship to newcomers, and care for the aged, the sick and lonely. The service to your community represents untold working hours as well as both personal and organizational financial assistance.

Our Diocesan institutions such as Thompson Orphanage, our hospitals, camps and conferences were supported magnificently.

The Presiding Bishop's Fund for World Relief, CROP and numerous other overseas relief programs, shows the astounding impact the Diocese of North Carolina is making throughout the world. This includes money, hundreds of pounds of clothing, and household, medical and educational supplies.

Of the 41 branches and 6 districts reporting, those who had committee-planned programs have borne fruits in many areas of Christian social relations. Fifteen branches reported programs on The State Legislative Council with a follow up of letters to representatives urging their support of the measures on our program. Fourteen had programs on the Supreme Court Decision, four report study on Alcoholism; two have had study and action on the ministry to the migrants; one branch extended hospitality to 31 foreign students representing 6 countries. One branch,

Christ Church, Charlotte, is nearing completion of the resettlement of the first refugee family in the Diocese. Twenty-four branches reported participation in the Presiding Bishop's Fund for World Relief, C R O P , Korean and other overseas relief. Two branches had specific study and action on our ministry to the migrant and two had programs on civil defense.

This is, by no means, a complete report with two districts and half of the branches not reporting. This situation leaves your Diocesan Secretary helpless to offer any assistance and advice. Your reports are not handled carelessly or indifferently, but are tabulated individually by districts, as accurate road signs pointing to our strength and weaknesses. No branch is too small to be significant in the area of Christian Social Relations. We beg your cooperation in your future reporting.

Special mention and appreciation should go to Guilford and Mecklenburg districts with their splendid cooperation with the Diocesan Department in sending such a high percentage of branch reports.

There were many fine reports showing thoughtful planning and effort, which we would like to mention if space permitted, but we will commend to your attention a few branches who have achieved outstanding success and merit. Seldom do we see such concrete evidence of Christian Social Relations in action as the "Children's Community Service" sponsored by the C. S. R. Committee of St. Peter's, Charlotte. This program grew out of the study, "Man and God in the City"; the inspiration was gotten from a radio panel broadcast on juvenile delinquency. These women seized the opportunity to meet a community need, and aimed their program to combatting juvenile delinquency by offering wholesome entertainment and friendship to underprivileged children. The city of Charlotte has welcomed this meritorious service by giving it publicity which has resulted in the cooperation from many agencies and firms. The chief probation officers and superintendent of Mecklenburg County Welfare Department stated, "This is the first time in years that I have seen real old fashioned Christian service exhibited by a group in this city."

St. Thomas, Reidsville, Holy Trinity, Greensboro and Christ Church, Raleigh have given outstanding service to their communities through specific planning and study, in the name of Christian Social Relations.

St. Martin's, Charlotte, is paying the full salary of a missionary in the Philippines (\$1500). They go the "second mile" by "adopting" his six children, which is done through six guilds.

We will make another reference to Christ Church, Charlotte, who are in the process of resettling the first refugee family in the Diocese, in the fond hope that the districts and some of the larger parishes will follow their lead.

The above branches are mentioned not only for their strong well-rounded program, but for your help and inspiration, hoping that you will contact those branch C. S. R. Secretaries for ideas and encouragement.

You will be looking ahead to the 1955-'56 program for detailed plans. Inasmuch as the action of the General Convention and the Triennial will form an important basis for our program, not only for next year, but for the next three years we cannot be explicit on subject matter or publications.

However, it is necessary to recognize the fact that the program of Christian Social Relations is continuous and needs continuous effort year after year. We shall still be responsible for resettlement of refugees, for world relief and for service to people in our own communities, among whom the aging population and our troubled young people, often in conflict with the law, need our special concern.

We also know that it is urgent for us as Christian citizens to exercise the rights and responsibilities of that citizenship. This means a beginning on the precinct level and moving outward with intelligent study and action on measures which we believe to be just and right. Specifically, we are responsible for bills of social legislation in our program under the sponsorship of the State Legislative Council of which we are a member organization.

In the national scene, among the important issues will be The Supreme Court Decision which will be our problem, not only in the public schools, but in other areas such as housing and in the churches.

We can also be sure that the issue of war or peace will be with us. We must be intelligently informed of those measures and of those public servants who are seeking to solve the problems and ease the tensions in ways that we believe to be right.

For source material for program planning, refer to the 1953-'54 Year Book, pages 43 and 44. Other references were included in the fall letter to the branch and district secretaries. Specific information will be sent following action of General Convention.

"—AND YE CLOTHED ME" is a new leaflet produced by Church World Service, 215 Fourth Ave., New York 3, N. Y. This contains practical suggestions for a material aid program for world relief.

"JUST, RIGHT AND NECESSARY" is a new study document and statement of guiding principles regarding segregation, commended to ALL churchmen by the National Council.

"THIS IS OUR BUSINESS" series is still available and is an excellent program aid. These should be used conscientiously for promoting action in line with the suggestions from National Council toward an expanding program.

"ASSIGNMENT CHILDREN." A new film on the work of the United Nations Children Fund (UNICEF) portraying the trip made by Danny Kaye to see the fund at work around the world. It was made by Paramount in full color, and is available as a "short" (19 min.) For use in commercial movie houses. The profits will be donated to UNICEF. It is suggested that you persuade local theaters to book the film and make a special effort to interest people in it and thus promote real interest in the work of the fund.

Obviously we can't do everything in a program that is so world-wide in scope, but we can do something. Where do we begin? RIGHT WHERE WE ARE. We can never be on the move with a self-centered program. We have a compelling call. The hope for which the world awaits is found within the church, but it must not be left there. The church must move out to share it with the world—and we are the messengers.

Respectfully submitted,

ELIZABETH L. LYON

Diocesan Secretary, Christian Social Relations

CIVIL DEFENSE

During the past year, North Carolina has made much progress in its Civil Defense program. State officials admit that this is largely due to the fact that a great mass of civic-minded women bombarded local and state government offices with questions. They wanted to know what was being done about Civil Defense and if little or nothing was being done, they wanted to know why it was not.

These women, and many of you were among them, requested classes in First Aid for school children, and for themselves and other adults. They organized classes in their communities for courses in Home Nursing, and Mother and Baby Care. They joined Ground Observer Corps training classes, and took lessons in mass feeding. They forced their legislators to appropriate funds for salaries and equipment. They provided themselves and their organizations with a pamphlet called "Home Protection Exercises." They read this pamphlet with care and followed its suggestions.

Through local P. T. A. organizations they requested air raid alert drills for their children; and copies of the handbook "Schools and Civil Defense" were sent to every school principal with the request that he put it into use.

These women, and women like them everywhere, have prayed constantly for peace and brotherly love. They might not singly be able to light up the world but they have lighted their own candles, and together they have made a very warm glow.

This is not my report — it is yours: You have written it with your own acts. I have only been a channel for information, and I pray that you will continue this program of prayer, and love, and action.

ELISABETH WHITTEN SMITH
Diocesan Chairman, Civil Defense

PERSONNEL AND COLLEGE WORK

Personnel

The pamphlet "Tell us about Personnel" defines our aim in this department as follows: 'Personnel has to do with women workers in the Episcopal Church. This means recruiting women, training and placing them, and keeping in touch with them in their work.' The following outline contains suggestions which I hope may help you in mapping your course of study and action for the coming year.

- I. To know, as Auxiliary women, (A) the need and (B) the opportunities for professionally trained Church Workers.
 - A. Each year the jobs available far outnumber the graduates of our two training schools.
 - B. Opportunities for Church work are almost as varied as the professions open to women. These opportunities are described in *Churchways* and in leaflets and programs distributed by the national headquarters of the Woman's Auxiliary.
- II. To know the qualifications required, training requirements and the process by which a girl is accepted to train for Church Work. This involves knowing about
 - A. The two training schools: Windham House in New York, and St. Margaret's House in Berkley, California, both of which will send information on request.
 - B. The Scholarships made available through the United Thank Offering and our own offering taken on the Feast of the Purification.
 - C. The relationship of Miss Ellen Gammack, National Secretary of Personnel, to the training and placement of women workers.

- III. To broadcast information on the opportunities by the following means:
- A. Talks or programs for youth groups in Church Schools, College Centers and camps.
 - B. The use of tract racks and Church bulletins to bring information before the whole congregation.
 - C. Personal Contact: If we know the above facts, we must surely be able to say to some qualified girl, "Have you ever considered going into Church work?" The importance of this aspect of our task cannot be overemphasized.
- IV. To provide in the branches scholarships for
- A. Camps and conferences such as Vade Mecum and Kanuga, keeping our young people in a definite and avowed Christian Fellowship and in contact with people who are already professionally engaged in Church Work.
 - B. Summer Service Projects designed not only to get certain jobs done but to help the participants discover whether they have a vocation in Church related social service. Many of these projects are interdenominational and are described in a pamphlet "Summer Service Projects" published by the National Council.
 - C. Summer refresher courses for women already doing Church Work.
- V. To face the problems of the Professional Worker, some of which are
- A. Salary. Individually we can do little about the salaries paid by the National Council, but in a parish where a Director of Christian Education is to be engaged we certainly can express an opinion.
 - B. Integration in the Parish. Everybody in the parish should be aware of the duties and the potentialities of the Director of Christian Education, co-operating with her where she can do her best work and not delegating to her jobs just as well done by somebody else.
 - C. Integration in the Community. The Church worker should be made to feel a part of the Parish Family and of the Social life of the Community.
 - D. To avail ourselves regularly of the Calendar of Prayers for Missions, remembering those who have already gone forth for the Church.

College Work

Our diocese is doing a magnificent work on the college campuses within its borders. The following are suggested ways of our sharing in and contributing to that work:

1. If your rector has not done so, or if he would like you to relieve him of this responsibility, get from 281 Letters of Commendation. Mail to the college worker one for each of your students. These will help the worker know your student and their interests.
2. Keep the college students abreast of happenings in the parish.
3. Encourage students to take part in the Church activities on the college campus.
4. Show your interest in these activities and, where it is possible, ask students to talk to your branch and, perhaps, to the young people about the Canterbury Club.
5. When your branch has a surplus in the treasury, consider the possibility of sending an amount to one of the college centers.

Materials suggested for Secretaries of Personnel and College Work

1. The seven Leaflets: "Why I went into Church Work"
2. "Consider the Church"
3. "Church Social Work"
4. "The Church: A profession for women"
5. "This is Personnel" a single program
6. "Summer Service Projects"
7. "As Personnel Chairman How far do my responsibilities go?"

THE UNITED THANK OFFERING

My report of the United Thank Offering is largely what you have done.

It has been my pleasure to do the regular things apportioned to the Diocesan Custodian:

Received the Spring and Fall Ingatherings and sent the money to the Bank in New York.

Dispatched letters to all Custodians, (District and Branch) in January and August.

Attended meetings of the

Diocesan Board

Finance Committee

Committee on the new Diocesan Alms Basin.

Met with the Custodians at Vade Mecum.

Gave talks to both District and Branch Auxiliary meetings.

Supplied skits and program suggestions to many Auxiliaries.

Wrote an article on the United Thank Offering for the March issue of the North Carolina Churchman.

But my *real* report is what you, Custodians and fellow members of the Woman's Auxiliary, have done. Let me begin by saying a big "Thank You" to each one for your loyal support in this important phase of our Master's work.

When you were called on last fall to give of your treasures for the Diocesan Alms Basin, the response was heart-warming and tremendous. I know you will feel it was worthwhile when you see the beautiful United Thank Offering Basin, fashioned from your own silver and gold keepsakes into a lasting memorial to the Glory of God.

Mrs. William L. Steele was appointed Chairman of the project. She has our heartfelt thanks for giving so generously of her time and labor.

The amount of the Fall Ingathering was \$11,760.56, and, added to the Spring Ingathering of \$11,266.49, made a total for 1954 of \$23,027.05, our largest annual offering so far.

The number of branches reaching our goal of 100 per cent participation has grown with each Ingathering. There were eight last time and our congratulations go to them. Let us press on to an ever increasing number of participants and a greater offering of thanksgiving to God, praying that He will "dispose the hearts of all women everywhere to give gladly as He has given to us."

It is so easy to take our many blessings for granted, day by day. The Bluebox is a constant reminder to praise and give thanks, and our prayers and offerings go over all the world to help further God's Kingdom.

You are familiar with the story in the Bible of Christ healing the ten lepers and only one returned and gave thanks. Jesus said, "Were not the ten cleansed but where are the nine? Were there none found that returned to give glory to God save this one?"

ELEANOR M. PATTERSON

Diocesan Custodian of United Thank Offering.

INTERRACIAL COMMITTEE

At the Fall meeting, the Executive Board was urged to take the necessary steps for dissolving the Negro District and absorbing it into the other districts. The matter was returned to the Negro District for proper endorsement and channeling. That body, at its district meeting at Raleigh, voted to dissolve the District and their action received the approval of the Executive Board.

Since that time, the former Negro District members have been informed of their respective districts and look forward to greater service and spiritual growth. The few parishes and missions which made up the Negro District need the help and support of the Woman's Auxiliary. We have the opportunity to do real missionary work here at home. These churches want your help and want to give theirs. The exchange of ideas, information about the routine and work in the district, and coming to know each other may seem very insignificant, but the work and growth of the Woman's Auxiliary and the extension of God's Kingdom need not depend upon the planning of *big things tomorrow*; we can begin and continue with little things. A word, a prayer, a call, a plan shared, a chance — this can be our work. For a greater service and a stronger Church and Auxiliary, we can dedicate ourselves.

ELIZABETH D. KOONTZ,
Diocesan Chairman, Interracial Committee

YOUTH WORK

Program

In this diocese the principal opportunity of the young people is the Y.P.S.L. People seem to think that young people automatically belong to the Y.P.S.L. because they are of the proper age. This is like thinking people know all about the Church because they are confirmed. The Y.P.S.L. does not attract all youth and we are likely to overlook these while working with those who do belong.

There is a National Program of the House of Young Churchmen which is for this very purpose—to help all young people feel part of the Whole Church, whether they belong to any organization or not. This program consists of four activities a year.

1. A National Corporate Communion in the fall when all youth in the nation come to Holy Communion on the same Sunday.
2. A National Youth Sunday in the spring when every church—large or small—in the nation takes special notice of its youth—either by having them participate in the services or in some other way calling attention to them. Also on this Sunday the youth send their offering to the treasurer of the National Church to go for some national youth project.
3. Either the assisting in, urging of or presentation of a service at Epiphanytide depicting the Manifestation of Christ to the Gentiles.
4. Using the Mission Study put out by the National Council each year.

All of these should be encouraged by the Youth Chairman whether there be one or one hundred young people in your Church. They are designed so that the young people can feel a part of the whole without having to belong to a part. It is hoped that the branch Youth Chairmen will take it upon themselves to encourage their rectors and young people to participate in this Whole Church Program and to stop thinking that to be Youth Chairman means being counselor of the Service League, and that if you don't have a service league there is nothing to do. The Youth Chairman is probably more important in the smaller branches where there are no paid professional workers than in the large churches which have large paid staffs.

This material was contributed by Gertrude B. Haney, Diocesan Advisor to the Y.P.S.L., with the approval of Mrs. Alex Snead, Diocesan Chairman of Youth Work.

Report

Money Raising—always at the top of any church achievement list—includes collecting and selling coat hangers and old clothing; selling china, chicken salad, and vanilla; making and selling Christmas corsages and wreaths; preparing and serving Brunswick stews, pancake suppers; and staging mock Mardi Gras—just about anything to turn a dime. Some of this money went to pay for their own

suppers, some of it went to purchase playground equipment for the church, some went toward the purchase of a much needed desk and light for a clergyman, some went to the Bishop's Scholarship Fund, and some went into the bank. But the most thrilling experience in getting money is in spending it. This year the United Youth Offering is being contributed to Reno, Nevada, where Bishop William F. Lewis will use the money to set up a service to offer counselling to the thousands of young people who escape to this city to be married and the thousands who escape to have their marriages undone. The dramatic story of what has already been done and what is to be done would fill a book—and does in "The Reno Story", a pamphlet available through the National Council.

In the line of organized Service, our Young People have left nothing to the dreamer. They have presented the impressive Feast of Lights and have assisted our clergy with every phase of the worship service—except the sermon. Less conspicuously, they have done baby-sitting, not only for the Sunday nursery, but every night for a week so that young parishioners could attend preaching missions. They cleaned and painted chapels and parish houses, cut the grass, and weeded the lawns of the church. One group made rhythm band instruments for the amusement of the children of migrant workers. Gift cards, baskets, Christmas caroling to shut-ins, Santa Claus parties and Easter egg hunts were managed in season. The refreshing approach our young folk have toward service is responsible for their considering it "fun" in their quarterly reports.

The week by week program of the Y.P.S.L.—the framework on which the strength of the organization depends—offers a schedule of fun, education, and worship. The fun ranged from adolescent horse play to honest to goodness stage production, from banquets for parents to hot dog gab fests, from silly parlor games to dress-up balls.

The educational programs showed a marked interest in comparative religions, with Jewish, Roman Catholic, and Protestants of other Communion speaking and opening the meetings to questions. Social workers and psychologists have spoken to them on problems of their age. There have been movies on behavior, boy-girl relationships, and travel.

This material was contributed by Mrs. P. S. De Saix, of High Point, with the approval of Mrs. Alex Snead, Diocesan Chairman of Youth.

CHURCH PERIODICAL CLUB

Objectives:

To stimulate interest in the C. P. C. program in every branch and have every branch actively participating in the program.

To provide, through contributions to the Book Fund, for the purchase of books or magazines especially requested by theological students, missionaries or other church workers at home and abroad.

To supply Bibles, Prayer Books and Hymnals, religious literature, books new and used, games and magazines to hospitals, prisons, missions, schools, clergy and lay workers.

SUGGESTIONS TO SECRETARIES:

District Secretaries: If new, obtain all available material from former Secretary. Have pamphlets at District Meetings and ask for a chance to say a word about C. P. C.

If some branches in your District are not active in C. P. C., endeavor to make them so.

New Secretaries notify Diocesan Director of appointment.

Obtain all records, information and material available from former secretary. Write Diocesan Director for manual if you have none. Study manual.

Keep accurate records of accomplishments during year. Fill in and return annual report form in January.

Send monetary contributions directly to Diocesan Director C. P. C. and not to Diocesan Auxiliary Treasurer.

Fifty-four branches participated in program by supplying magazines, books, games, Sunday School material, prayer books, hymnals, etc. Forty of these contributed to the Books Fund. Total amount received from branches Jan. 1, 1954-Dec. 31, 1954 was \$339.82. \$108.73 was spent by certain branches on specific projects relating to C. P. C. program.

Respectfully submitted,

CHAIRMAN OF MISSIONS

Report of the Diocesan Woman's Auxiliary Chairman of Missions

I am happy to report to you that a milestone in this department has been passed. A change in title for our missionary officers, diocesan, district, and parish, has been effected. As you know, those of us charged with the responsibility of enlarging the work of this department have felt for some time that the passive connotation of the title Missionary Correspondent was falling far short of the mark. Quite understandably parish officers were being appointed with the traditional idea in mind that their only responsibility was to write letters to their respective missionaries. In this day of mission-mindedness we envisioned something more than that for this department, an officer who would recognize it as the major part of her job to search continuously for ways for keeping her parish interested in missions, and to be available to work with her Rector along these lines; to have a concern for the missions in her community and to seek ways in which her group might help these missions. Keeping in touch with the missionaries assigned to her district will still be one of her objectives, as well as ferreting out general and specific news items from church publications for group consumption.

Proceeding on the theory that interest and inspiration increase with information, this officer will be an avid reader of several church publications which information she will, in turn, impart to chapter groups at each meeting. (This spot on each program is something we shall insist on, urging officers to be brief in conveying facts in simple, conversational style.) News, we hope, will cover any phase of the church's work, foreign, national or diocesan, with variety from month to month preferred. Informed people will be enthusiastic people. Enthusiasm will be translated into group gifts, letters and prayers to and for our missionaries, and into a personal feeling of responsibility for the accelerated extension of the work of our church. To these ends we dedicate our efforts as we drop the words Missionary Correspondent from diocese, district, and parish, and assume, all the way along the line, the challenging title of Woman's Auxiliary Chairman of Missions.

There are five items which appear in this yearbook, to which I should like to call your special attention:

- (1) A list of the foreign fields in which our church is represented.
- (2) A list of diocesan missions, with the names of the respective priests in charge. In order that we may have a clear picture of what is going on, those missions approaching parish status, or self-support, will be designated as such, a fact in which all members of the diocese rejoice. We realize, at the same time, that some of our oldest and best-loved missions, for reasons beyond their control, cannot for some time, hope to be self-supporting. These missions, however, will continue to have our moral and financial support.
- (3) A list of the missionaries who have gone out from this diocese, with a biographical sketch of each. According to our two-year system of rotation, new missionaries will be assigned to districts this spring.

- (4) Forms for mailing in Christmas checks to missionaries.
 (5) You are asked again to order a Calendar of Prayer for missions Form 281, to subscribe to "Forth", and to read "The Mission Corner" in the "Carolina Churchman."

ELIZABETH B. PEARSALL
*Womans Auxiliary Diocesan
 Chairman of Missions*

Branch Chairmen of Missions:

Please do everything possible to keep your news brief from being dull. Let the group know at the outset that you do not intend to take more than three or four minutes of each meeting. Suggestion: Ask your chapter chairman to call for it not as "missionary news", but as the "Did you See" part of the program. (You realize that we are not any longer depending solely on reading missionary letters or excerpts from them to stimulate mission interest. The field covers the whole scope of the Episcopal Church. We believe that *any* fact concerning *any* field will be entertaining if delivered in informal, concise, person to person manner).

Missionaries Affiliated With the Diocese of North Carolina

CHAPMAN, Mrs. Henry, Box 479, Sitka, Alaska
 Born in Scotland Neck; in 1921 went to teach in a mission in Anvik, Alaska, married a missionary. Now, in Sitka, she and her husband lead the parish life of St. Peters-by-the Sea. Mrs. Chapman was "Woman of the Year" in Alaska last year. Birthday—July 13th.

FORTUNE, The Rev. James R., 2305 Wilson Street, Durham, N. C.
 Born in Durham, the son of an Episcopal minister to the deaf. Both parents were deaf mutes. Mr. Fortune, in business when his father died, received a letter from Bishop Penick asking him to consider taking over his father's work because of his knowledge of the sign language. An affirmative decision made, "Jim" is living a life of unique usefulness, not only as priest in charge of

Ephatha Episcopal Church for the deaf in Durham, but is in constant demand over the state and other states where he conducts funerals and weddings and other religious services in sign language.

Birthday—October 19th.

GORDON, Miss Jocelyn, BCMS, P. O. Robertsganj, District Mizapur U. P. India
Evangelistic worker under the Church of England, formerly at Inland Waterway Mission, Holly Ridge, N. C. Sister to Bishop Gordon. Jocelyn is on furlough for the year 1955.

Birthday—June 16th.

GORDON, The Rt. Rev. William J., Bishop of Alaska

"Bill" as he is known in this diocese, is the son of the beloved Rev. and Mrs. W. J. Gordon of Spray, and the nephew of Miss Laura Clark of Scotland Neck who was for many years missionary to China. Bill and Shirley and their children lead a full life in Fairbanks, Alaska, from which city Bill flies to visit his widely scattered mission out posts in the "Flying Blue Box", the airplane provided for him by our United Thank Offering.

Birthday—May 6th.

GRUMBINE, The Rev. Robert, Box 366, Valdex, Alaska

Priest in charge of Cordova and Valdex (the region of the heaviest snows in Alaska). Working enthusiastically among the white population of which "70% is unchurched."

Birthday—June 7th.

HARRIS, The Rt. Rev. Bravid, W.D.D., Bishop's House, Monrovia, Liberia, West Africa

Born in Warrenton, N. C. Is carrying on a wonderful work in 122 churches served by only 18 active clergy and 75 lay leaders; is educating workers for the field among the natives at Cuttington College and Seminary, and is doing outstanding work among the lepers.

Birthday—January 6th.

Birthday—August 27th.

KROLL, Mrs. Leopold, Saint Andrew's School, St. Andrew's, Tenn.

Librarian at this Order of the Holy Cross Self-Help School. Born near Salisbury. Served for many years as missionary to Liberia where she married Bishop Kroll. Their work there continued until his health failed in 1946, followed by his death.

Birthday—March 28th.

MARTIN, The Rev. John Sargent, 1135 East 7th Street, Hermiston, Oregon

Formerly missionary in Tanana, Alaska, but because of Mrs. Martin's health was transferred to the missionary district of Oregon.

Birthday—September 20th.

PARTRICK, The Rev. Hall, Box 802, Port-au-Prince, Haiti

Carrying out his belief that the training of a native ministry is the key work in overseas missionary activity, Hall went to Haiti two years ago, planning just to teach, but a death and a resignation at the Seminary threw the whole business (teaching and operating the farm) on his shoulders. There are, at present, only five students until more teachers are added. Mrs. Partrick is the only woman and their children the only two in this apparently inaccessible spot.

Birthday—May 27th.

ATTENTION, Branch and District Chairmen of Missions:
 Please send your Christmas checks to your District Chairman of Missions
 by November 15th. She will send the total amount from her district in a single
 check to the diocesan treasurer by December 1st. Please; everybody, observe
 these deadlines. It seems too bad to have checks come in too late to be in-
 cluded, but it happens every year. It has been decided that since all our mis-
 sionaries are equally loved and since districts vary so in size and strength, the
 total amount received by the diocesan treasurer will be divided among the
 diocesan missionaries. However, each district will be given credit for the
 amount sent.

ALTAR WORK AND SERVICE OF EXCHANGE

This practical little committee bends its efforts toward the providing of the needed articles with which to supplement the furnishings of the churches and missions of the Diocese. The objective strived for is that all the unused church furnishings in the Diocese (altar hangings, communion vessels, chairs for parish houses, choir vestments, etc., be put to use where they are needed, and to this end an article is placed several times a year in the *Carolina Churchman*, listing items wanted and items available. The article in the *Churchman* is called the "Have's and Havenots." If the reader sees an item of interest to her church she should write to the address given in order to effect the exchange, then contact the chairman of the committee to inform her of the item's receipt.

By vote of the Executive Board of the Auxiliary, and of the Annual meeting in April 1955, this committee has been augmented to include the rendering of advice and instruction, (with the consent of the Rector or Deacon-in-charge of the parish) on altar work. The committee is now to contain several members, located strategically in different parts of the Diocese so that they may visit any parish or mission desirous of assistance.

KATHERINE COVELL
*Diocesan Chairman, Altar Work and
Service of Exchange.*

WORSHIP

It is hard to believe that only a year has passed since I expressed to you at the last Annual Meeting my hope that we would grow together in worship, so much has happened in that year. Preparing this report has made me deeply aware of the opportunity that my office allows me of sharing so fully in the devotional life and growth of the Auxiliary. It is thrilling work and I am very grateful for it. Let me give you a broad review of what has been developing this past year and then we will pass on to our plans for the year to come.

Suggestions to branch chairmen of worship have gone out in my letters and the branch chairmen have responded by sharing with me their experiences in planning and leading the devotional period of meetings, in encouraging the private devotions of their members, and in taking part in cell groups for prayer and study. Thus sharing our devotional life is a help and an encouragement and I hope that we will expand and deepen our fellowship in this way.

The material that I have commended most highly to branch chairmen for their use is the Packet for Leaders of Worship, ordered from 281 for \$1. This contains a variety of inspiring and practical aids, including the booklet *When You Lead Worship*, which can be ordered separately for 25 cents. A new booklet, *With All Our Hearts*, has been published by the National Council this past year and can be ordered for 50 cents. It contains short opening services planned especially for Auxiliary meetings and is a "must" for branch chairmen of worship; since the services can be used exactly as they are, or they can be adapted to the group's particular need, or they may be used as models for similar services on different themes.

The District Quiet Day was held in September last year instad of in Advent, on a Wednesday instead of a Friday. It seemed a good way to begin our Auxiliary year in the fall and also a more convenient day for women to attend. The attendance statistics bear this out and so this next fall the Quiet Day will again be held in September. Last year the Rev. Moultrie Moore was the clergy consultant, and to his wise counsel and generous assistance we are very much indebted for our Quiet Day. The clergy leaders who conducted the Quiet Days in the eight districts and to whom also we are very grateful are the Rev. Joseph O'Brien, the Rev. O'Kelly Whitaker, the Rev. Robert Davis, the Rev. Thom Blair, the Rev. C. E. B. Robinson, the Rev. Thomas Smyth, the Rev. Claude Guthrie, and the Rev. David Yates. Out of the experience of the District Quiet Day many planned with their rectors and held a parish quiet day during Advent or Lent. Some of these were closely modelled

on the schedule of the District Quiet Day, but most were adapted freely to meet varying parish needs. Because of the reports and suggestions that I have received from those who held a quiet day in their parish and from those who were hostess of a District Quiet Day we will be better equipped to plan toward this year's quiet days, with the help of the present clergy consultant, the Rev. O'Kelly Whitaker.

The offering from the Quiet Day was sent to me by three districts, Mecklenburg, Richmond, and Guilford. With this fund I hope to be able to present to each branch chairman of worship next fall a notebook of suggestions and bibliography. This will take the place to a certain extent of my letters, and, by presenting the work for the entire year, will allow the chairmen to do better advance planning and preparation.

Another new undertaking is the workshop on the Devotional Life to be held at the Woman's Auxiliary Conference at Vade Mecum this summer. Mrs. Francis Clarkson will help conduct the workshop, in which we hope to include as our topics our devotional life as redeemed members of God's family in three aspects: the corporate devotional life of the Church, the devotional life of the cell group, and the day-by-day devotional life of the individual.

The constant prayers of many of you have strengthened the work of this department this past year. Let us continue asking for His Holy Spirit that we may perfectly love Him and worthily magnify His Holy Name.

CAMA C. MERRITT

Chairman of Worship

STATE LEGISLATIVE COUNCIL

The past year's work of the State Legislative Council should be an important factor in the studied evaluation of our membership that we are to make in 1957. We should all have made mental notes of the liabilities and assets that have shown themselves as we participated in the work of the Council for this General Assembly. I hope every branch of the Auxiliary has been conscious of having a part in the activities of the Council. Your Secretary of Christian Social Relations has received communications from your Representative on the Council which were of interest to all members of the Woman's Auxiliary.

From this Diocese there have been thoughtful and intelligent criticisms of the machinery and procedures of the Council. They have had their influence, resulting in changes which we believe you will approve. The study committee of the Council met very soon after the 1955 session of the Legislature to begin preparation of a proposed program of measures to be sponsored in the 1957 Assembly. You will receive material concerning this program in time to study it before the Annual Meeting of 1956 votes on its adoption.

Our work as a member of the State Legislative Council should always be regarded as related to the Department of Christian Social Relations. Mrs. George Lyon, Diocesan Secretary of Christian Social Relations, has been most helpful in making this true. Your Christian Social Relations Secretary should assume responsibility for (1) passing on to the members of her branch the information that comes to her from the Diocesan Representative on the State Legislative Council (2) for providing a program or a special report on the proposed legislation which the Council sends out for your consideration in the years between meetings of the State Legislative Assembly (3) for leading the women of the branch to use their influence in favor of the passage by the Assembly of those measures finally approved by all member organizations of the State Legislative Council as worth of their support.

In addition to the above activities your branch could make a study of certain social conditions in your own community to determine whether or not better laws based on sound Christian principals could improve these conditions. If they are

communicated to the Representative on the Legislative Council your findings could result in legislative measures proposed by our Diocesan Auxiliary. They would of course have to go through a democratic process of acceptance by the whole Diocesan Auxiliary.

If your branch is large enough it would be wise to have a special chairman of social legislation, fitted by interest and ability to do this work and function as a part of your department of Christian Social Relations. She could have a committee working with her for greater effectiveness and broader interest.

The following is a report of the results of our work in the 1955 session of the Legislature.

1. Our efforts toward the separation of the prison system from the State Highway and Public Works Commission helped to influence the passage of a bill which gave the Director of Prisons a four year term which will expire one year after each governor goes into office. And the daily operation of the prison system will be in the hands of the director. The Highway Commission still controls the purse strings. This bill accomplished a good part of our purpose, probably as much as could be assimilated by the state administration at this time.

2. The State Minimum Wage Law was defeated in committee of the House.

3. The bill to provide funds for state supervised school attendance workers did not pass.

4. The bill to provide juvenile court protection for 16 year old first offenders was killed in committee. The principal reason was a lack of facilities in the State for special care of offenders in this age bracket.

Let us be critical of methods, of materials, of programs, of results—but let us not doubt the basic fact that as Christians we must concern ourselves with an effective and organized way of attaining constantly improving social conditions through legislation for the people of our community, the State of North Carolina. With a united voice we must say clearly that Christ is King in every area of life. We seek to do His will when we work in the field of social legislation.

FOREWORD

An opportunity to write anything that is to be included in the Yearbook of the Woman's Auxiliary of the Diocese of North Carolina is an opportunity to honor oneself. In addition the Bishop Coadjutor in charge of Theological Education is deeply obligated to this estimable organization. Then, too, I have many personal ties with the great number of people who occupy positions of leadership in this far flung field. Within the limited scope of my capacity and with the full extent of a deep and abiding enthusiasm I offer my services in support of this essential area of our Diocesan life.

Richard H. Baker

*Bishop Coadjutor of the
Diocese of North Carolina*

PRAYERS

THE WOMAN'S AUXILIARY PRAYERS

Almighty God, our heavenly Father, bless, we pray Thee, our work for the extension of Thy Kingdom, and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labor diligently, and give liberally to make Him known to all nations as their Savior and their King: through the same Jesus Christ our Lord. Amen.

Almighty God, whose love reacheth unto the world's end, and who didst send Thy blessed Son to redeem all mankind: Help us, we pray Thee so to reveal Thy love in prayer and work and stewardship, that by Thy spirit all nations and peoples may be baptized into one body, even as all are redeemed by one Savior; through Jesus Christ our Lord. Amen.

PRAYER FOR MISSIONS

Almighty God, help us, we pray Thee, to shed abroad the light of Thy Church in all the world. Give us greater zeal for thy Kingdom, that we may offer abundantly our prayers, our work, and our gifts; so that the earth may be filled with the knowledge of Thy glory, as the waters cover the sea; through Thy Son, Jesus Christ our Lord. Amen.

FOR GUIDANCE OF THE HOLY SPIRIT

O God, forasmuch as without Thee we are not able to please Thee, mercifully grant that Thy Holy Spirit may in all things direct and rule our hearts; through Christ our Lord. Amen.

PRAYER FOR HUMAN RELATIONS

O God, our heavenly Father, who hast created all men after thy likeness, we beseech Thee to incline thine ear to us as we ask thy help in doing our duty as Christian citizens and as members of thy Holy Church. We acknowledge our many transgressions of thy righteous law and especially our failure to see thine image in all thy children for whose sake thy Son was content to die. Grant that we may follow in the steps of Him with whom there was no respect of persons.

Make us ready to acknowledge the Truth as it stands written in thy Holy Word. Give us courage in our thinking and honesty in our decisions. Lift us above self-interest and prejudice and whatsoever else may hinder us from a just and righteous dealing with our neighbor. Guide with thy wisdom those

to whom Thou hast committed the responsibility of government, that all things pertaining to the relationship of man with man may be settled upon the sure foundation of thy Holy Will as made known to us in thy Son, Jesus Christ our Lord. Amen.

—THE RT. REV. EDWIN A. PENICK, D.D.

PRAYER FOR CHRISTIAN SOCIAL RELATIONS

Jesus, our Master and our friend, who claimest our service through the needs of our neighbors; Grant us so to see thy image in all our fellow creatures that in serving mankind we may minister to Thee, the living Savior of the world. Grant to each one of us, that we may do our part in bringing about an order of society where there is no just cause for discontent or bitterness of spirit, and where every person may be enabled to come to the fullness of perfection for which he was made, through Jesus Christ our Lord. Amen.

FOR THE UNITED THANK OFFERING

O Lord, Our Heavenly Father, we pray Thee to send forth more laborers into Thy harvest, and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept from grateful hearts our United Thank Offering of prayer, and gifts and joyful service; and bless it to the coming of Thy kingdom, through Jesus Christ our Lord. Amen.

Accept, O Father, this joyful sacrifice of thanksgiving and praise, and bless these gifts to the setting forward of Thy kingdom; that as we have gratefully received the benefits Thy bounty has bestowed, so we may cheerfully share them with Thy children in all the world; for his sake whose life and death and rising to life again were a song of praise to Thee, O Thou Most Holy, our Savior Jesus Christ. Amen.

FOR CHRISTIAN EDUCATION

O God, who hast sent Thy beloved Son to be unto us the Way, the Truth, and the Life; grant that we, looking unto Him may set forward the teaching power of Thy Church, to the nurture of Thy children, the increase of Thy Kingdom and the glory of Thy Son, Jesus Christ our Lord. Amen.

THE PRAYER FOR THE SUPPLY WORK

Almighty God, who hast taught us by Thy Son, Jesus Christ, that it is more blessed to give than it is to receive, look with favor, we beseech Thee, upon the supply work of Thy Church especially in this Diocese. Touch our hearts with compassion for the poor, the sick, and homeless, and make us strong to lift their burdens with our ready gifts and service; through Jesus Christ, our Lord. Amen.

PRAYER FOR THE THOMPSON ORPHANAGE

Almighty God, who art the Father of the fatherless, send Thy blessings upon the Thompson Orphanage, instituted in Thy name. Give patience and wisdom to the officers, teachers and matrons of this home, that they may faithfully

discharge the duties committed to their charge. Let the boys and girls grow in grace and earnestness, day by day. Strengthen their bodies, enlighten their minds, purify their hearts and sanctify their wills. Bless all who have contributed to this institution, and raise up, we pray Thee, a never-failing succession of benefactors whose names may be perpetuated through all generations, as a blessed memory, and their good deeds be accepted; through Jesus Christ our Lord. Amen

FOR THE EVERY MEMBER CANVASS

God our Father, who providest for Thy children in advance of their needs, bless we pray the work of our Every Member Canvass, and grant us all to share in it with glad and willing hearts for the sake of Thy Kingdom, through Jesus Christ our Lord. Amen.

FOR DIOCESAN MISSIONARIES

O Lord and Heavenly Father, without whom we can do no good thing, but with whose help even Thy little ones go forth as the mighty, we beseech Thee to prosper the work of all Thy missionaries, wherever they may be (and especially the work of Thy servant-----). Grant them the wisdom to know and the strength to do Thy will, and bless them with the hope and consolation of Thy heavenly promises, for the sake of Thy Son, Our Savior, Jesus Christ. Amen.

FOR PERSONNEL

Our Father, if it be Thy will, put it into the heart of some young man or young woman of this parish to choose one of the many vocations within the Church for his or her life work, whether it be in our own land or overseas. We pray Thee help each one of us, whatever our calling, to practice it as becomes a Christian in Thy Name and with Thy guidance. Amen.

NOONDAY PRAYERS

Blessed Savior, who at this hour didst hang upon the Cross stretching forth Thy loving arms; grant that all mankind may look upon Thee and be saved. Amen.

Blessed Lord, inspire our hearts and the hearts of all men everywhere with the love of God and of our fellowmen, that we may be worthy of world peace. This we pray in Jesus' name. Amen.

FOR WORLD PEACE

Almighty God, from whom all thoughts of truth and peace proceed; kindle, we pray Thee, in the hearts of all men the true love of peace, and guide with Thy strong and peaceful wisdom those who take counsel for the nations of the earth, that in tranquility Thy Kingdom may go forward, till the earth shall be filled with the knowledge of thy love; through Jesus Christ our Lord. Amen.

FOR USE BEFORE AND AT THE TIME OF THE ELECTION
OF OFFICERS

O Holy Spirit, Whose guidance and inspiration alone can enable us to fulfill the Will of God, teach us, we pray Thee, the dignity of our missionary work, and give us grace to choose as our leaders those whom Thou dost call to Thy faithful service. To those so chosen give a spirit of reverence in the exercise of their office, and to all of us a deep sense of our obligation in the discharge of every duty, to do all the glory of God through Jesus Christ our Lord. Amen.

BENEDICTION

May the blessings of God Almighty, the Father, the Son, and the Holy Spirit, rest upon us and upon all work and worship done in His name. May He give us light to guide us, courage to support us, and love to unite us, now and forevermore. Amen.

SERVICE OF INSTALLATION OF OFFICERS FOR THE WOMAN'S AUXILIARY

Let those who have been elected stand before the Bishop and then let him say:

It is right and fitting that those who have been duly elected as Diocesan Officers of the Woman's Auxiliary should be formally received and admitted into their respective offices in your presence; and that we should ask the blessing of God upon them for their support and guidance in the performance of the duties which you have laid upon them.

O Lord, save these Thy servants.
Who put their trust in Thee.
Send them help from the holy place,
And evermore mightily defend them,
O Lord, hear our prayer.
And let our cry come unto Thee.
Let us pray.

Our Father . . .

Direct us, O Lord, in all our doings, with Thy most gracious favour, and further us with Thy continual help; that in all our works begun, continued and ended in Thee, we may glorify Thy holy name, and finally by Thy mercy, obtain everlasting life; Through Jesus Christ our Lord. Amen.

Almighty God, the giver of all good gifts; give Thy Grace, we humbly beseech Thee, to these Thy servants who have been chosen to serve Thee in the special work for which they have been selected; grant unto them zeal and earnestness in the performance of their office; wisdom and strength to meet each day their task; and love in the doing of it; and give them the vision to see their opportunities for service, to the glory of Thy great name and the benefit of Thy Holy Church! Through Jesus Christ our Lord. Amen.

Bless us, O God, with the vision of Thy Being and Thy Beauty, that in the strength of it we may work without haste and without rest; Through Jesus Christ our Lord.

I receive and admit you to the office of----- Be faithful, zealous, sincere and humble in all your tasks, and may the Grace of the Lord Jesus Christ and the love of God our Father and the guiding fellowship of the Holy Spirit be with you evermore. Amen.

BENEDICTION

The Father, Son and Holy Ghost bless, preserve and keep you, in your work, in your worship, this day and always, through Jesus Christ our Lord. Amen.

OBJECTIVES FOR THE BRANCHES OF THE WOMAN'S AUXILIARY—1956-1957

His Witnessing Community, theme of this triennium, overspreads all our planning and action.

All that we do should be Christ-centered, with Worship the heart of our Auxiliary life: Worship through daily private devotions, through Corporate Communion and Quiet Days of Prayer and Meditation, through prayer groups and Bible study groups, through a Worship period set aside in every chapter and Auxiliary meeting.

Let us strive to be Christian witnesses through our family life, our church and ecumenical life, our business life, our community and social life, through our study, and through our stewardship of our means and our time.

As a part of a Christian community, let us share our fellowship with the lonely, the unaccepted, the underprivileged, the newcomers, so that in all phases of our Auxiliary work we may be "of one heart and soul", that we may be His witnesses.

ANALYSIS OF THE YEAR

1. The fiscal year of the Diocese and the branches runs from January 1st through December 31st because it must coincide with the fiscal year of the National Council.
2. The year of active study and work runs from the first meeting in the fall through the last meeting before the summer recess so as to conform to the plans and material sent out from the National Council.
3. New branch officers should be elected in March so that the names of the new officers can be listed in the new handbook and be considered in the election of delegates to the Annual Meeting.
4. The Annual Meeting of the Woman's Auxiliary of the Diocese is usually held the second week after Easter so as to fit in with the date of the Diocesan Convention of the Church and with the Bishop's schedule.
5. New branch officers should be installed at the last meeting before the summer recess with the new president presiding at the first fall meeting. If a branch meets during the summer, its officers should be installed at the June meeting with the new president presiding at the July meeting.
6. New officers should prepare in the summer for the coming year of study and action. The program of Christian Education should be prepared at this time.
7. Report blanks are sent to all the branches by March 1st. Reports cover the period of time from the previous June 1st through May 31st. Branch reports must be mailed to the District Chairman by April 10th. Lists of recently elected officers sent in on the reports thus become correct in the yearbook for the longest possible period of the year.

PRESIDENT'S ADDRESS

I, too, am happy to welcome you. I hope that the 74th Annual Meeting now in session in St. Peter's Church will give to us in these one and a half days not only a clear picture of the achievements of the past year, not only directives and objectives for the year ahead, but a feeling of close fellowship in our thinking and working together and a sense of the very real joy which comes from service.

To take stock of our strength, let us examine the rolls. As of today, we have 107 Auxiliaries. This number includes two new ones: St. Luke's, Durham, organized on January 9th; and St. John's, Wake Forest, organized April 4th, just six days ago. We most sincerely welcome these new branches into the work and fellowship of this organization. We also commend that parish which this year united its two branches, thus bringing to within four our goal of 100% unification.

Our membership for 1956 totals 5,708, an increase of 195 over the number paying the Central Fund last year. We earnestly hope that in the fiscal year of 1956 every organized auxiliary will send in to the Treasurer the amount of the Central Fund and so have accredited delegates to the next Annual Meeting.

\$34,453.02 passed through the Treasurer's hands for 1955. This does not include the amount of the United Thank Offering, or the amount of \$460.45 sent to the Director of the Church Periodical Club, or a great part of the money made through bazaars and other projects and spent locally. Though at this writing only half of the annual reports are yet in my hands, it is heartening to realize the extent and diversity of our service of works and gifts.

I note that many auxiliaries use one-half their funds within the parish and send the other half outside the parish, the same plan used by the Diocesan Auxiliary, in which the budget totals are equally divided between inside and outside the Diocese.

There appears to be an increased interest in Bible study and a new awareness of our opportunities in the mission field, emphasis on the Worship part of our programs, an enlargement of the activities in the department of Christian Social Relations, and a greater participation in the ingatherings of the United Thank Offering.

A year ago we recognized the need of strengthening the District organization, realizing that the District officers were closer to the branches and so could be of more direct and immediate help to them. A study of the reports available reveals that this need is still evident. We earnestly ask the branches to attend their District meetings and to call on their District officers as well as their Diocesan officers for information and suggestions in all fields of their endeavor.

We anticipate having a part in the third annual series of the radio program, *Another Chance*, this fall, in which there will be at least one male voice. The Rev. Thomas Barrett, creator of the delightful "Mr. Entwistle", is helping with the script writing for the new series.

The eleventh annual Episcopal Hour will go on the air April 15th; we are particularly interested in the fact that the preacher on June 10th and June 15th will be the Rt. Rev. Edwin A. Penick of this Diocese.

The capacity enrollment at the Woman's Auxiliary Conference at Vade Mecum has had a large part in informing and nourishing the branches represented there. Better planned programs touching the many facets of our interest, and a clearer knowledge of the organization and workings of the Woman's Auxiliary on all levels are a direct result of these conferences. If your auxiliary is in need of this leadership training, plan now to send a representative to Vade Mecum in June.

As to my duties as your President, I helped plan and directed the Woman's Auxiliary Conference at Vade Mecum in 1955, attended a meeting of the Board of Directors of United Church Women in Raleigh and the annual meeting of the United Church Women of the N. C. Council of Churches in Burlington, attended meetings of the Executive Board of the Woman's Auxiliary of the Province of Sewanee in Atlanta and in Honolulu, attended meetings of the State Legislative Council, attended three meetings of the Executive Council of the Diocese of N. C., attended one meeting of the Department of Missions of the Diocese, attended the Adult Conference at Kanuga last July, was one of your delegates to the Triennial Meeting of the Woman's Auxiliary in Honolulu in September and reported on this meeting at each of the District Meetings in October, attended a meeting of the Board of Managers of Thompson Orphanage, represented our Diocesan Auxiliary at the Public Affairs Conference sponsored by the N. C. Farm Bureau Women, have presided over three meetings of the Executive Board of the Woman's Auxiliary of the Diocese, have attended committee meetings on the yearbook, Vade Mecum, Christian Social Relations, Finance, Nominations, and Annual Meeting, have spoken to a number of Auxiliaries over the Diocese, have written and sent out seven President's letters, have attended to a heavy correspondence, and only last Wednesday night had a part in the organizing of our newest Auxiliary.

Doubtless the most thrilling and far-reaching event in the Auxiliary year was the Triennial Meeting in Honolulu last September. Out of that meeting has come a new challenge for missionary activity and concern, evidence of the joyful witnessing of our women through the largest United Thank Offering in our history, a broadened statement of Christian citizenship, its principles and issues, and a call to rededication through private and corporate worship.

Bishop Everett H. Jones of the Diocese of West Texas, in his addresses on the theme of the Triennial Meeting and of the triennium, *His Witnessing Community*, pointed out that the Christian Community of the early Church lived through God's power, not their own; that His Community provides all for which we seek and long; and that while Witness begins at home, it does not end there, for "Christian Witness is witness unlimited."

So let us seek a new vision of ourselves, because as Bishop Jones said, "We cannot do our work aright, we cannot lead others aright, above all we cannot serve our Lord Jesus Christ aright, unless we understand clearly who we are, and what our work is, as members of His Holy Church, which is His Witnessing Community in the World."

COURTESY AND FINDINGS

It is my great pleasure on behalf of the delegates and visitors to the 74th Annual Meeting of the Woman's Auxiliary of the Diocese of North Carolina to extend our warm and sincere thanks to all who have made this gathering an outstanding experience. First, to St. Peter's. Yesterday as we walked toward the door of your church the dogwood and azaleas greeted us and then the tranquil little garden. Inside we were so cordially welcomed by Mesdames Harold Villas, James Lockhart, Guion Griffith, Harry Winkler, Frank Shannonhouse, W. W. Hobgood, Duke Florence, Edward Brody, and Miss Emma Hall.

And to all the hostesses who entertained us in their home—many, many thanks. We, too, are housewives and know the complications of juggling meetings, dinner and family. You have all done this so successfully.

Our thanks, also, to your friends of the First Presbyterian Church for serving yesterday's delightful lunch. And to yourselves, again, for managing breakfast this morning in spite of rain and locked doors.

And to Mr. and Mrs. Clarkson a very special "thank you" for so graciously opening their home and garden—a true haven for birds, flowers and weary delegates.

We are aware of the work done by our officers in the past year, in planning this meeting so well and in carrying on the work of the Diocesan Auxiliary.

And now let us consider for a moment the high spots of this, the 74th. Wasn't it exciting to hear Bishop Baker describe the growth of the Church in terms of buildings, land, and plans for expansion? Aren't you challenged to encourage active participation by your members in the program and activities of the Council of Church Women? We wonder how many before yesterday knew of the Church Army—and what better way to learn than from one who has ridden the rocky mission road on horseback? As we listened to the reports of our officers, telling of the jobs done and proposed, and as we heard Bishop Henry's inspiring message, we must all have realized again that we are truly witnesses of the love of God and His work.

Mrs. Warner Collier, Chairman
Courtesy and Findings Committee

Dear Madam:

In accordance with your request we have prepared the following statements from the books of account of the Woman's Auxiliary of The Protestant Episcopal Church Diocese of North Carolina for the year ended December 31, 1955:

- EXHIBIT A Summary of the Treasurer's Cash Receipts and Disbursements
- SCHEDULE 1 Analysis of the Treasurer's Cash Receipts and Disbursements
- SCHEDULE 2 Disbursements of 1954 Surplus
- SCHEDULE 3 Analysis of Ending Balances and Transfer of Funds
- SCHEDULE 4 Comparison of Budget with Disbursements—Pledge Fund
- SCHEDULE 5 Receipts and Disbursements of Specials Fund
- SCHEDULE 6 Receipts from Individual Branches by Funds
- EXHIBIT B Comparative Condensed Treasurer's Report

Cash in bank was reconciled with statements submitted by the depository. In addition to the cash in bank, the auxiliary had \$1,300.00 in full paid shares and \$142.60 in optional savings shares to their account in Security Saving and Loan Association, Durham, North Carolina. There was also \$666.00 deposited in the bank at the end of December 1955 that represented receipts for 1956. This amount and the building and loan are not included elsewhere in this report.

Cancelled checks and bank statements were presented to us for our inspection for the year under review and we found no exception to the treasurer's cash records for the period examined by us.

Respectfully submitted,
W. H. PHILLIPS & CO.

CHRISTIAN EDUCATION

"The theme of our Triennial Meeting is His Witnessing Community, and we should like to prepare ourselves to attempt to live by this theme during the ensuing triennium." This preamble to the Resolution in Preparation for Worship and Witness approved by the 1955 Triennial Meeting provides a challenge for Christian Education. We hope through an organized program of education to help to build His Witnessing Community. Believing in the validity of the goal of our National Department of Christian Education of enabling adults to respond to the immediate here-and-now tasks of the Faith as proclaimed in the Gospel of Jesus Christ, we hope to help people to see what they study related to Christian principles. This will mean greater emphasis on prayer and worship and Bible study.

Called by our Presiding Bishop Sherrill to "an awareness of the majesty and the infinite mystery of God's presence in and through His creation and as a result a concern for the whole of life," we hope to see response to learning in an increased understanding of the complex economic, political and social problems of our time and in active participation in efforts to solve them. We hope women of the Church will go out with joy to give evidence of the love of God by word and life in the community He has provided for us to live in.

Ever mindful of the fact that the Woman's Auxiliary is a missionary society, we urge the incorporation of missionary education into the basic fibre of all program planning. In the words of Dr. Skoglund, "Missions must be regarded as the heart of the Church . . . There can be no participation in Christ without participation in His mission in the world." Always of primary interest are the mission study subjects which we share with other members of the National Council of Churches. For 1956-57 these will be SOUTHEAST ASIA and MISSION FIELD: U.S.A. We are reminded of words in the Pastoral Letter from Honolulu: God speaks to us "of His Lordship over East and West, of our inescapable human oneness with all the peoples of the Pacific area and of Asia, of His will for His Church in the fulfillment of her mission in the Islands of the Pacific and in the vast continent of Asia." Reference to this letter is of first importance to mission study leaders.

Many branches have given attention to learning to view the situation of Indian Americans with clear understanding and to taking action that will contribute to a constructive process of change as Indians face new adjustments to the American community. This study can well be extended through use of the INDIAN AMERICANS packet. The next step might well be consideration of our opportunity and responsibility with regard to other Americans, nearly half of whom have no religious affiliation.

The planning of effective programs of Christian Education must start with ourselves, in personal devotion and commitment to our Lord. Let us remember, as the next step, to evaluate the past year's program before we attempt a new program. Let us give new purpose to our planning by thinking about the basic interests and needs of our members. Let us ask ourselves if we are really seeking to minister to them in the name of our Lord. Then let us set about to reach our church women and to think and learn together, acquiring knowledge of and a sense of responsibility for the work of the Auxiliary and exploring our relationships with God, with other persons and with ourselves.

The immediate responsibility for Christian Education rests with the parish or mission. Our National Executive Board suggests each year, however, a Program of the Women of the Church which serves as a valuable guide to program planning within the diocese. Incorporated in the list of printed and audiovisual materials below are the subjects and books recommended in the

national program. Final choice of topics must rest upon and be adapted to the needs and potentialities of the branch. Following purposeful examination of many materials, conferences and planning committee sessions, you who have the wonderful task of directing the branch educational program will be ready to prepare a plan that can effect constructive change and growth in the life of the Church and the community. IN SEPTEMBER, PLEASE, SHARE YOUR PLAN BY SENDING ONE COPY OF IT TO YOUR DISTRICT SECRETARY OF CHRISTIAN EDUCATION AND ONE COPY TO YOUR DIOCESAN SECRETARY OF CHRISTIAN EDUCATION.

CHRISTIAN SOCIAL RELATIONS

The social mission of the Church to love God and his neighbor as himself is a Christian imperative, and the real purpose of Christian Social Relations. This must "*Begin with Worship, Continue with Study and Eventuate in Action.*" Thus we are all involved in the social relations program which is an essential part of the Church's witness.

ACTIVITIES OF YOUR DIOCESAN SECRETARY: Conducted a workshop at Vade Mecum in June 1955; attended Triennial Meeting in September 1955; have attended three Executive Board Meetings; have addressed twenty-seven branches and one District Meeting on General Convention and Triennial Meeting, and three addresses on Christian Social Relations; have had one meeting with District Secretaries of CSR, and five branch conferences. I compiled a survey and evaluation of the work done in the Diocese of every branch by Districts which were put into the hands of District Secretaries. A letter was sent to all branches in August 1955 and a Newsletter in January 1956. I have kept in close contact with District Secretaries and Chairmen under CSR.

With the emphasis on Christian Citizenship in the General Convention of 1952, and again in 1955, the social witness of the Church is highly significant. In that light I have studied your reports carefully, particularly in the relation of your action to prior study. In general, there is a great improvement in your conception and consciousness of CSR. Your reports are giving meaning to the theme for the next Triennium: **HIS WITNESSING COMMUNITY.**

On a parish level, most of you have specific organized programs for integrating your members into the life of the Church Family; fellowship to the newcomers, the aged, the sick and lonely.

The service to your communities represents thousands of working hours and thousands of dollars in financial assistance.

You support generously our Diocesan institutions which include our schools, the Thompson Orphanage, hospitals, camps and conferences.

Many of you are working actively in cooperation with N. C. Council of Churches, and several branches are giving inspiring leadership to United Church Women.

Your reports reveal a significant growth in your conception of the world-wide task of the Church. Through your loving beneficence, many orphans from all parts of the world are being cared for. Support from your parishes is going to schools, hospitals and individuals to our far-flung missionary districts. There is a growing trend toward sending large sums of money into the mission field. St. Martin's, Charlotte, is paying the yearly salary (\$1500) to a priest in the Philippine Islands, while his six children have been "adopted" by six guilds in the parish. St. Philip's, Durham, contributed \$1,000 to build a church in Cuba. Since there is always a danger of spreading ourselves thin, these are excellent examples for large parishes of permanent aid which will insure future interest and action.

Two refugees—a Greek and a German are being resettled by Christ Church, Charlotte, and St. Mary's, High Point, the latter being done in cooperation with United Church Women.

Diocesan social action broken down in the many varied programs is as follows: Fifty-seven (57) branches reported a planned program in cooperation with Christian Education. Forty-seven branches studied the State Legislative Council Program. With such an interest manifested, I am sure these branches will follow up their study with concrete action when the 1957 General Assembly convenes. Fifteen branches studied the problems of our Indian Americans—particularly our N. C. Indians. Specific action is already underway following this

study. Eighteen branches supported the N. C. Council's Program of Ministry to the Migrants. Sixteen have studied and engaged in Civil Defense. Eleven sent contributions to the Presiding Bishop's Fund for World Relief. Eight contributed to Seaman's Institute. Five had programs on Alcoholism with some offering a meeting place to A.A. Six branches offered a constructive program and fellowship to foreign students. Ten had programs on the problems of our Aging Population and are working directly with them. Eight branches are studying Juvenile Delinquency and are working intelligently with other agencies to combat this major social problem. Four branches are doing splendid work with handicapped children. Two have studied Race Relations and report constructive action. Thirteen branches are affiliating actively with United Church Women and other ecumenical groups. Thirty-one other different community and State organizations are being given active support and financial aid by forty-seven branches.

Lest we become self-righteous and satisfied with this report, I will remind you that of the one hundred and four (104) branches in the Diocese, twenty-four (24) have no specific CSR program with the exception of contributions to the Thompson Orphanage, and three (3) of those made no contribution. We all have an obligation to one another, and I hope this deficiency will inspire each District to offer assistance to nearly one-fourth of our branches who are failing in their social witness.

For the coming year, I would recommend more study and action on the social problems which are prevalent in all communities, such as, Alcoholism, Juvenile Delinquency, the Aged, etc. The one that is affecting us more acutely are the problems arising from the Supreme Court Decisions. We can *pray* and we can *study* and be ready to relieve tensions as they arise. As Bishop Penick has said: "This gigantic challenge forces us to our knees—With an opportunity for immeasurable service to our generation and the future, let us beware, my brethren, as we come to grips with this thing, lest we Southerners make the word of God of none effect through our traditions."

In order for this report to be helpful to you, I will describe briefly the programs of three branches representing a large parish, a medium and a small parish which have effective, coordinated programs. You will notice that all three offer a variety of interests which include a maximum number of women for service. These are by no means the only ones deserving mention, but were chosen for size and locality.

Chapel of the Cross (large) Chapel Hill, is effectively using a book table with material for all departments, and a bulletin board for current news relating to their studies, which, this year has been Indian Americans, Supreme Court Decisions, Migrants, and an outstanding program for Foreign Students. Following their week day Communion, they gather in the Parish House over coffee and doughnuts to cut and sew for Supply, pack clothes, cards and educational material for the mission field. Using your imagination you can see how many people and interests and departments are involved.

In St. Timothy's, Winston-Salem, (medium) their program is planned in cooperation with Christian Education and have always had a strong CSR Program. Their special program this year grew out of concern and study of Juvenile Delinquency. They are combatting it positively by the organization of a "Drop-In-Center" for teen-agers at the Parish House on Saturday night. This venture has proved popular for the young people and rewarding to the parents and plenty of service for the members of the Auxiliary.

Calvary Church, Wadesboro, a small parish, is offering an intelligent and constructive program. (1) They report "extensive" study of State Legislative Council Program, even having discussion with their State Representatives. (2)

Their study of Indian Americans resulted in concrete action in behalf of our Indians in Maple Grove School near Dunn, N. C. (3) The problem of Juvenile Delinquency was carefully investigated through county and community agencies to discover the most urgent need, which proved to be a home for delinquent girls. The branch has offered assistance to the community to get such a home organized. (4) In the study of the problems of our Aging Population, they have worked actively, and have succeeded in assisting a number of colored people to receive old age benefits.

As you go forward in your task for another year, remember that *Christian* relations are *motivated* by a conscientious effort to bring them into conformity with our Lord's teachings; they should be *continuing*, and primarily let us recall the words of our Presiding Bishop: ". . . Religion must be relevant to life."

It has been a rare privilege to have served you as your Christian Social Relations Secretary, and an experience which I shall always cherish. As I go to my new home in the Diocese of South Florida, my prayers will be with you, that the Diocese of N. C. may continue to go forward full of promise under God.

CIVIL DEFENSE

There have been many changes in policy in our state and local plans for Civil Defense during the past year. I hope you have kept up with these changes by reading your local papers, by participating in programs sponsored by your various civic organizations, and through information which I have tried to channel to you. Episcopal women throughout this state have pioneered in all phases of the vast Civil Defense program, and the effect of their combined efforts is incalculable.

My term of office as your Civil Defense chairman has expired, and since its purpose has been served, Civil Defense will revert to its old place under Christian Social Relations. I hope you have all come to realize that there is a need for Civil Defense, and that you will continue to support it with your efforts and your prayers. The droughts and hurricanes of the last two years have made many of us realize that Civil Defense is not just a wartime emergency measure, but is homefront preparedness against any disaster.

SUPPLY

This is the report of what you have done in the Supply Department for the year 1955. The following cycle of events tells the story of Supply Work in this Diocese.

On the Diocesan level, we accepted the National Supply Assignment which included articles requested by St. Agnes' Hospital, Raleigh; Good Samaritan Hospital, Charlotte; Tuttle Community Center, Raleigh; Holy Family Mission, Saint Just, Puerto Rico; and the Pine Ridge Episcopal Mission, Pine Ridge, South Dakota.

The Diocesan Supply Secretary purchased, cut, packed and shipped the material for the Sewing Program. This was shipped to the eight District Supply Secretaries who have done a fine job of distributing the material to the 71 branches requesting sewing assignments.

The Supply Secretaries in the 71 branches have planned for the sewing to be accomplished. They have distributed the material, arranged for sewing together

in the Parish Houses or in the homes and they have seen to it that finished garments were pressed and carefully packed and then shipped to the designated Mission. The branch Secretaries in all the Parishes arranged for the Spring and Fall Ingatherings of good used clothing for Thompson Orphanage, Charlotte; Holy Family Mission, Puerto Rico in the Spring and Pine Ridge Episcopal Mission in the Fall. The reports on assignments completed were sent to their District Supply Secretaries, who forward their respective District reports to the Diocesan Secretary. Twice a year she reports to the National Supply Secretary, thus completing the cycle.

The objectives of the Supply Department are as follows:

1. To accept and complete the assignment sent by the National Supply Secretary. To furnish, when funds permit, articles requested by the designated Missions.
2. To furnish new and good used clothing to Thompson Orphanage, Charlotte. Fall and Spring Ingatherings are recommended in every branch. Certain branches are requested to send new and used clothing to Tuttle Community Center, Raleigh.
3. Participation in the Sewing Program when possible.
4. To have each Branch President report to the Diocesan President the Branch membership and the request of the Branch for a Sewing Assignment. To support the work of the Supply Department by sending .50¢ per member to the Diocesan Treasurer, and any Special Gifts Designated for Supply.
5. To have each District Secretary of Supply serve as a link between the Diocesan and the Branches by receiving and distributing the Sewing Assignments.
6. To have each Branch complete and ship assignments.

It has been my privilege as Diocesan Supply Secretary to have conducted three Workshops on Supply at District Meetings and five Branch programs. I have scheduled three more Workshops at District Meetings this Spring and a Supply Program for one Branch in June. These meetings with you have given me an opportunity to meet you and to express my appreciation for your cooperation.

Working together with our hearts and hands we show compassion for the poor, the sick and the homeless, and we make ourselves strong to lift their burdens with our ready gifts and service to the Glory of God.

PERSONNEL AND COLLEGE WORK

PERSONNEL

For the past three years it has been the purpose of your Secretary of Personnel and College Work to arouse in the Woman's Auxiliary a deeper consciousness of the Church's need for women workers. I hope the foundation has been laid and that we may go ahead now with an active campaign of recruiting young women for professional work in the Church. There is ample opportunity for presenting Vocations in the Church to our young people by seeking to participate in the already existing programs in the Church School, the Y.P.S.L., the Canterbury Clubs, and the diocesan camps.

In working out a program the following suggestions are made to the branch secretaries:

1. Order from the Woman's Auxiliary, 281 Fourth Avenue, New York, any or all of these materials:
 The seven Leaflets: "Why I went into Church Work," Free
 "Consider the Church", Free
 "Church Social Work—A Vocation", Free
 "The Church: A Profession for Women", .50¢
 "As Personnel Chairman How far do my responsibilities go?", Free
 "Summer Service Projects", Free
2. If there is a professional Church worker close by invite her to speak to your branch or to your youth group. If you don't know of one write to the new diocesan Secretary of Personnel and College Work for suggestions.
3. Ask your rector for space in the tract rack and bulletin to publicize the leaflets and the opportunities for Church Work.
 Specific jobs are frequently listed in *Churchways*.
4. Encourage your branch to establish or extend scholarships to camps and conferences where young people might be reached through association with those already engaged in Church Work.
5. Stress the importance of the offering taken on the Feast of the Purification. This offering has been allocated for the establishment of a scholarship fund for young women in our diocese training for Church Work.

COLLEGE WORK

Remember that we have a part in the College Work of the diocese and can help in the following ways:

1. If your rector has not done so, or if he would like you to relieve him of the responsibility, get from 281 Letters of Commendation. Mail to the college worker one for each of your students. These will help the worker know your students and their interests.
2. Keep the college students abreast of happenings in the parish.
3. Encourage students to take part in the Church activities on the college campus.
4. Show your interest in these activities and, where it is possible, ask students to talk to your branch and to the young people about the Canterbury Club.
5. When your branch has a surplus in the treasury, consider the possibility of sending an amount to one of the college centers.

Martha H. Holloman
 Diocesan Secretary of Personnel
 and College Work

THE UNITED THANK OFFERING

In making my last report as Diocesan Custodian, let me repeat what I said in the first. The great objective of the United Thank Offering is to have *every* woman in the Diocese know the joy of using her Bluebox regularly. We give thanks to God for our many blessings, and drop an offering in our box to provide blessings for others, and help spread His Kingdom throughout the world.

During the past year, as Diocesan Custodian, I sent out approximately three hundred letters to all Branch and District Custodians and answered many personal letters regarding the United Thank Offering. I wrote two articles for the North Carolina Churchman and attended several Executive Board and Finance Committee Meetings. I went to a different Auxiliary or District Meeting about every month (except during the summer) and gave a program or talk on the United Thank Offering. I was always accompanied by the beautiful new United Thank Offering Diocesan Alms Basin.

This brings me to the second and most important part of my report, namely what has been accomplished. It is with deep gratitude to Almighty God and to you, Custodians, and members of the Woman's Auxiliary that I report on the two important events of 1955.

First, the acquisition of the United Thank Offering Alms Basin, made possible by the donations of old silver and gold so generously given by the Women from all over the Diocese of North Carolina.

Briefly, the history of the Alms Basin is this:

Mrs. B. W. Roberts of St. Philip's, Durham, read in a church publication of the women in the Diocese of New Jersey having one made by an Ecclesiastical Jeweler in New York, Mr. Louis F. Glazier, who uses the actual silver donated. The idea was presented and accepted by the Woman's Auxiliary Executive Board for the Diocese of North Carolina. Mrs. William L. Steele was appointed Chairman of the project. The appeal for old silver and gold went out in September, 1954, and the women gave so generously of their treasures that Mrs. Steele had packed and sent off five barrels and two boxes of silver and gold by December, 1954. In the meantime the Alms Basin Committee, consisting of Mrs. William L. Steele, Mrs. U. T. Holmes and Mrs. Brown Patterson met several times to plan and design the Basin, Mrs. Patterson drawing the Seal of the Diocese of North Carolina to be used in the center of the bowl. This was made of the old gold wedding rings, pins and crosses that were donated. The inscription around the border, in silver, "Accept, O Lord, from grateful hearts our United Thank Offering" is in Old English lettering. The Alms Basin is valued at \$1500 and Mr. Glazier himself donated the lovely case for it. It was completed in April, 1955. Bishop Penick dedicated it to the glory of God at the Early Communion Service at the Annual Meeting in Chapel Hill at the Chapel of the Cross, April 20, 1955, when it was used for the first time.

During the first year the Districts displayed it at their Meetings and now the Branches are using it for their Ingatherings. It will always be used at the Annual Meetings of the Woman's Auxiliary to receive and present the United Thank Offering at the Early Communion Service.

The other accomplishment for 1955 is:

Our United Thank Offering was the largest we have ever had:

Spring Ingathering	\$11,685.56
Fall Ingathering	11,569.69

\$23,255.25

And the largest number of Branches reached the goal of 100 percent participation. There were *eleven* who had 100 percent participation in the Fall Ingathering,

each year showing an increase over the year before in both the number of contributors and the total amount.

My three years in office have meant more to me than I can possibly say, and I am deeply grateful for the privilege of serving as Diocesan Custodian of the United Thank Offering. I know you will give to my successor the same wonderful help and cooperation you have given me, and the United Thank Offering will continue to grow and grow, for anything as right as that is bound to succeed with right-thinking people.

United means not only all the women in the Diocese of North Carolina uniting with those of the Dioceses of our country, but also with Liberians, Japanese, Eskimos, Filipinos, Latin Americans and women all over the world.

Thank means not just lip service but our hearts uplifted daily in praise for all good things.

Offering means giving our prayers and gifts and joyful service to Jesus Christ our Lord.

This is what we mean when we say *The United Thank Offering*, and I pray that every woman in the Diocese will know the joy that comes from this way of giving.

Eleanore M. Patterson
Diocesan Custodian of the
United Thank Offering

INTERRACIAL COMMITTEE

The Interracial Committee, appointed a few years ago for the purpose of coordinating the work of the Woman's Auxiliary, has served you faithfully to the best of its ability in bringing about better and more effective relations among the districts. Last year you approved the abolishing of the Negro District as requested. This year the committee urged each district to offer its services and friendship to other branches in the districts. Some branches have included definite ways of doing this in their plans for the year. Some have expressed their sincere pledge to be witnesses. But there have been too few. Our Christian Social Relations program outlines what it means to give witness, though this is much easier to repeat than to do.

This committee is for you. It is not a complaint and grievance committee. It is for the purpose of coordinating the relationship between groups, and aiding in the promotion of better and more effective work for the extension of God's Kingdom here on earth. To do this, we need *you*, individually and collectively. We need to know what is being done within the diocese, the plans that have been made, activities and programs that were successful *or* unsuccessful, and how we can help.

Let us pray that God will look with favor upon the work done in His Name and pour into the hearts of us all that love of Him that makes us rise above pride, malice, greed and intolerance in our search for everlasting life and peace.

Elizabeth D. Koontz,
Diocesan Chairman, Interracial
Committee

YOUNG PEOPLE'S WORK

OBJECTIVE:

To aid and encourage the various organizations of the Church for young people, and thus instill in our youth a genuine desire to fill their place in the Church.

SUGGESTIONS TO SECRETARIES:

1. Keep your Auxiliary informed of the activities and needs of the youth.
2. Cooperate with the Rector, Sunday School, and other organizations in procuring adult leadership.
3. Study the needs of the youth in your parish and try to interest the parish in providing the means to fill them.
4. Make the youth feel they are an important part of Parish life, and encourage them to participate in activities of the Church.
5. Interest the Auxiliary in giving scholarships to the Youth Conference, Y.P.S.L. Convention, and to the camps at Vade Mecum and Kanuga.

Helen Snead
Diocesan Chairman of Young
People's Work

CHURCH PERIODICAL CLUB

OBJECTIVES:

To stimulate interest in Church Periodical Club program in every branch and have every branch actively participate in program.

To provide, through contribution to the Books Fund, for the purchase of books or magazines specifically requested by Theological students, missionaries and other Church workers at home and abroad.

To supply Bibles, Prayer books and Hymnals, religious literature, books, new and used, games and magazines to hospitals, prisons, missions, schools, clergy and lay workers.

SUGGESTIONS TO SECRETARIES:

District Secretaries: Strive for active participation in Church Periodical Club program from all branches in your District.

Have pamphlets and material at District Meetings and take this opportunity to say a word about Church Periodical Club.

Branch Secretaries: If new, notify Diocesan Director of appointment. Obtain all records, information and material available from former secretary. Write Diocesan Director for Manual if you have none and study Manual.

Take opportunity at Branch and Chapter meetings to tell about Church Periodical Club and urge participation in program with special emphasis on Books Fund.

Keep accurate records of accomplishments during year.

Fill in and return Annual Report form in January to Diocesan Director.

Send contributions to Books Fund directly to Diocesan Director of Church Periodical Club and *not* to Diocesan Auxiliary Treasurer.

Fifty branches participated in Church Periodical Club program this year by supplying magazines, books, games, Sunday School material, Prayer books and Hymnals, etc.; thirty-six of these contributed to the Books Fund. Total amount for Books Fund received from branches from January 1, 1955, through December 31, 1955, was \$380.45. \$50.00 was spent by certain branches on specific projects relating to the Church Periodical Club program.

Nella Purrington
Diocesan Director Church
Periodical Club.

CHAIRMAN OF MISSIONS

In this department two goals have been before us for the past three years:

First, to establish in the minds of the mission officers in the branches a realization of the importance of their jobs, and second, to shift the initiative for the work from the diocesan and district level to the branch level. In most cases this has been done, and I rejoice with you in your accomplishments and in the inspiration and imagination which you have manifested.

In preparation for this report, I sent out a questionnaire March 15th to every district and every branch Chairman of Missions. My first question, "Have you noticed an increase in mission interest?" brought affirmative replies from almost all. One branch reported as follows: "One thing which has influenced interest is choice of Chapter Chairmen of Missions. Most of them are young women and missions fill a big place in their hearts." The report goes on to say, "Though in touch with our affiliates, our planned programs are not confined, and our efforts go far afield. "The Mission Corner" in the Churchman has been an encouraging reminder."—Sifting these reports, it became clear that increase of interest was attributable to an effort to personalize missions and missionaries—not just the ones assigned, but others, as well.

This personalizing of missions and missionaries was done in a variety of ways: By having speakers, by film strips and slides, by programs built around skits dramatizing a particular field, followed by question and answer periods, or programs built around biographies of our outstanding missionary bishops; by special prayers, and by the regular use of the Calendar of Prayer for Missions; by gifts and letters to missionaries; by the promotion of broad church interest—the latter being brought about by making one or two short church current events an accepted part of chapter meetings. This served a twofold purpose. It not only informed the group, but stimulated the reading of church publications. One officer had encouraging results from asking at chapter meetings, "What church news have you found most interesting this month?" Reports show that many of us are now subscribing to two overseas magazines, The Alaskan Churchman and The Liberian Churchman, in addition to the better known ones at home. The National Cathedral's "Cathedral Age" is being taken also. Its contents have encouraged visits to the Cathedral and a feeling of national unity among us as churchwomen. Bazaars and food sales have been held, the more successful, those put on for a certain mission or missionary or a specific need of one of the two, there being more incentive in working for something concrete.

The foregoing methods for creating interest have produced the following results: Books to Hall Partrick's Seminary Library in Haiti; scholarships to Cuttington High School and College in Liberia for Bishop Harris to assign, and miscellaneous boxes to the Leper Colony there; funds toward a furnace for Robert Grumbine's church in Valdez, Alaska; a movie projector for Mrs. Chapman's work in Sitka, Alaska; a child from the Holy Land has been adopted by a diocesan mission for \$10.00 per month; and Christmas checks have gone to each of our diocesan missionaries, active and retired. Thousands of old Christmas cards were sent to Rachel Wolfe in India to brighten school work for impoverished pupils. Collecting these, in some parishes, was turned over to the young people, causing the project to serve a dual purpose. I know of five branches which held bazaars, the purpose of which was to give the profits largely to missions. One of these branches was able to give a thousand dollars to each of two struggling new missions in its community. Another branch obtained the name of a needy Philippino priest from Bishop Bentley at 281 and put on a bazaar for his benefit, making \$1,500.00. They paid his salary for

a year, gave him a small discretionary fund, and spiritually adopted his five children. Still another branch had this thrilling experience: For some years they had been a friend and helper of a native priest in the Philippines also. Arrangements were made for him to visit that branch after the Honolulu Convention. In anticipation, they put on a bazaar, sold cakes, stationery and aprons throughout the year, and gave money saved by fasting on ember days. At the end of his visit, he left with a tangible gift of over \$1200, but with a far richer gift in Christian love and fellowship.

When we examine our work at home, we find that Christmas, birthday, and graduation presents and many, many clothes have gone to Thompson Orphanage, and that some of you have had the rewarding experience of having one of the girls or boys in your homes for two weeks in the summer. Many of you have written of attending confirmation services in surrounding missions, of helping missions put on barbecues and other fund-raising projects.

A clear picture of the rounding out of a complete mission's circle is told in these lines from the report of St. Mark's, Wilson, itself a mission: "We receive fine letters from Miss Vivian Clark who now teaches at Cuttington College in Liberia. We are very proud of her because she was presented for confirmation at St. Anna's, Littleton, by our Dr. Johnson."

In conclusion let me share with you an inspiring example of a mother church in our diocese demonstrating her love and care for her missions. It comes from the report of the Chairman of Missions of Calvary Church, Tarboro: "We have visited the local missions. Went to homecoming at St. Mary's, Speed, that congregation has done over the chapel and it looks so nice.—All had dinner together and were happy over the announcement that a former member, now living in the north, is planning to install a modern heating system. At Grace Church, Lawrence, a new roof has been put on recently and a friend sent \$50.00 which they will use to improve the inside.—When we visited Calvary Chapel, Hart Mill, they spoke of needing a new roof. Hope Calvary Church can do something about it.—There were good congregations at a week's mission held at St. Ignatius, Old Sparta, where the young laymen from Calvary go every Friday night and Sunday morning."

These kinds of things show that it is in the *branches* that the mission story begins to be told. Diocesan and district officers, while ready and willing to help, are too far removed to do more than make *general* suggestions. The *initiative* rests with you.

After today, Mrs. J. A. Brown of Cleveland, will be your Chairman of Missions, and I know that your interest and your support will make her term of office as happy as mine has been.

ATTENTION, Branch and District Chairmen of Missions:

Please send your Christmas checks to your District Chairman of Missions by November 15th. She will send the total amount from her district in a single check to the diocesan treasurer by December 1st. Please; everybody, observe these deadlines. It seems too bad to have checks come in too late to be included, but it happens every year. It has been decided that since all our missionaries are equally loved and since districts vary so in size and strength, the total amount received by the diocesan treasurer will be divided among the diocesan missionaries. However, each district will be given credit for the amount sent.

ALTAR WORK AND SERVICE OF EXCHANGE

Your Committee on Altar Work and Service of Exchange was very ably led by Mrs. Charles Covell from 1952 until she left the diocese in July, 1955. Just prior to her departure she conducted an Altar Guild Workshop at the Woman's Auxiliary Conference in June. This Workshop was held for one hour a day for five days and was attended by approximately twenty-five women who came from all parts of the diocese and from large parishes and small missions. It was just after this conference that I accepted the chairmanship of this committee to fill out Mrs. Covell's term of office.

First—the Altar Work. It is our aim to advise and instruct any branch that needs help with any matters relative to their Altar Work. In order to do this we have some women strategically located in the diocese who have consented to go to any parish or mission and render any assistance that may be desired. They have visited many branches this year and we feel sure the women who attended benefited from these visits. At this time I'd like to thank Mrs. Walter Bade, Mrs. Arthur LeCraw, Mrs. Edwin A. Penick, Mrs. P. B. Smith and Mrs. E. F. Croxson who have worked on this committee in this advisory position. Some of them have traveled many miles and given much of their time. The Chairman has answered many letters requesting information and has sent copies of the notes taken at the Altar Guild Workshop to anyone requesting them. Our object in the future is to increase an interest and understanding in Altar Work—not only in the women whose sacred privilege it is to work on the Altar but *all* of our women—when we understand the ceremony in our liturgy we find our worship takes on a deeper meaning. It is definitely understood that different parishes have different habits and customs and the rector *always* has his wishes carried out.

Now about the Service of Exchange—frankly, not many articles have been exchanged this year. At present we have the following articles available:

Dossal Cornice—The Church of the Holy Family, Chapel Hill

Walnut Credence Shelf—St. James, Kannapolis

Brass Lectern—St. James, Kannapolis

8 or 10 light oak pews and altar rail—St. Timothy's, Winston-Salem

A White Stole, Green Stole and Tippet

A Paten

To my knowledge we have actually placed a green silk veil and burse from St. Stephen's, Oxford to Durham's new mission, St. Luke's.

If this Service of Exchange is to function properly the parishes must let it be known what they "Have" and "Have Not". We are grateful to the Editor of the *North Carolina Churchman* for always printing the list of "Have and Have Nots" when we send it to him. I'm thankful for the privilege of serving the Woman's Auxiliary in this capacity and ask your prayers for your new chairman, Mrs. O. C. Swanson from St. Luke's, Salisbury.

WORSHIP

A phrase from a familiar prayer says, "that in all our works, begun, continued, and ended in Thee, we may glorify thy holy Name." Our Auxiliary work begins in worship; through inspiration we are moved to set about this work. The strength to persevere, the courage to dare the difficult, the heart to do the truth in the face of criticism comes as our work is continued in Him. Finally, commending our work to His care, we rest confident that He will do far greater things than we could even ask.

Worship is essential to our Auxiliary program. Let me quote from a statement made by Bishop Emrich about the necessity for worship:

"What is it that will raise us from a thin and dull Christianity to a full and vital faith? If someone says that since God is love He will not permit us to come to harm if we do not pray deeply, we reply: Yes, God is love; but if you do not eat, He will let you die. Yes, God is love; but if you do not breathe He will let you die. Yes, God is love; but if we do not live with Him in prayer and worship, He will let His Church be dull, thin, listless, timid, and even corrupt. Since the life of God comes to us by the great means of Grace, we are rewarded when we turn to them, and severed from the Source of Life when we do not. I have said these words to impress upon us all the necessity for worship. Do you wonder that it is our duty to worship, and a sinful refusal of His will for our lives if we do not? The Church is renewed from above by God through prayer and worship. The more truly we worship the finer we will be; and the finer Christians we become the more we will worship."

We are, then, constrained to use all opportunities for prayer and Bible study and for worshipping in the fellowship of the Church. There are many means of deepening our life of worship. The Chairmen of Worship seek to learn about them and to share them. In many branches small groups are formed for Bible study and for prayer. Each Auxiliary meeting should open with a significant worship service in which all may join. There is excellent program material on prayer available. Many branches study worship and prayer during Lent. Many have parish quiet days. Some are collecting fine libraries of devotional literature and promoting its use.

The Notebook for Chairmen of Worship sent to each branch last fall contains general suggestions and sources of helpful material. I hope that each outgoing Chairman of Worship will pass the Notebook on to her successor and will discuss her work with the new Chairman, for no amount of general information can replace a careful evaluation of past work and new plans based on this experience. If you are unable to obtain a copy of the Notebook, you may request one from the new diocesan Chairman of Worship as there are a few extra copies. Basic material that you should order is: "When You Lead Worship" (.25) and "With All Our Hearts" (.50), published by the National Council, 281 Fourth Avenue, New York 10.

The District Quiet Day last fall was well attended. We recognize the fact that this day of meditation and prayer is important to many. Most of the planning for the Quiet Day was done by the District Chairmen of Worship, working with the hostesses and the clergy leaders under the guidance of our clergy consultant, the Rev. O'Kelley Whitaker. Their work was well done, for the reports as well as the good attendance indicate that the Quiet Day in each district was a fruitful experience. The District Quiet Day this fall will be held on Wednesday, September 26.

At the Auxiliary Conference at Vade Mecum last summer many participated in a workshop on the devotional life. Again this summer at the Conference

a worship workshop will be held, led by Mrs. Edwin A. Penick and Mrs. William L. Draper.

In order to have Corporate Communion at the beginning of the Auxiliary year one of the two annual Corporate Communions will be changed from the Feast of the Purification, Feb. 2, to the Wednesday of the September Ember Days, which comes during the third week in September. This change will take place in 1957. The Ember Day in September was chosen not only because of its being at the first of the Auxiliary year but also because of the emphasis upon the ministry during Ember Days: this vocation in the Church is one of our deep concerns. The offering from this Corporate Communion will be used in the Diocesan Scholarship Fund to train women for Church work. The missionary emphasis of the Feast of the Epiphany, the day on which the other Corporate Communion comes, makes it appropriate to send that offering to Miss Jocelyn Gordon, missionary in India.

It has been more than a pleasure to serve as your Chairman of Worship these past two years. It has meant a unique growth in my Church life, partly through my efforts at study and practice, but especially through my realization of this prayerful communion of devoted Church women in which we work. I turn this office over with confidence to Mrs. William Draper, knowing that she and the rest of us will work together in the fellowship of God's Holy Spirit toward our common goal, that we may all attain the unity of the faith and of the knowledge of the Son of God, the measure of the stature of the fullness of Christ.

Cama C. Merritt
Chairman of Worship

STATE LEGISLATIVE COUNCIL

Your Legislative Committee has three important events to report for this year. They are:

FIRST: A new history of the State Legislative Council has been written by Dr. Ellen Winston. This history shows that the Council was formed in 1920—36 years ago. Our Woman's Auxiliary was one of the very earliest members, joining in 1924. At present there are 19 member organizations, composing 300,000 individual members, and their joint efforts to secure social legislation for North Carolina have been truly magnificent. Among many others, they have helped to obtain such important laws as the child labor law; a nine months' school term; school bus safety; raising compulsory school attendance age to 16; strengthening the program for jail inspection; unemployment compensation laws; and laws requiring physical examination before marriage.

SECOND: A new and tremendous interest has been shown in this legislative program by the members of our Auxiliary. From all indications there has been far greater interest than ever before; there have been more programs devoted to studying the legislative program; there have been more inquiries and most intelligent comprehension of the program. We are indebted to Mrs. George Lyon, our Chairman of Christian Social Relations, to Mrs. Matt Wall, and to many others for their fine presentations of this program to many branches.

THIRD: The new program, to be presented to the General Assembly of 1957, has been formulated by the State Legislative Council. Representatives from the 19 member organizations spent long and rewarding hours in discussion and adoption of this important program. It has been sent to all Auxiliary Presidents and each Auxiliary has voted upon it. It consists of two parts—Program I,

which has 3 items, and for which the State Legislative Council shall assume major responsibility, or share this responsibility by agreement with other appropriate agencies or organizations; and Program II, which has 4 items, and for which some other organization or agency assumes major responsibility, but to which the Council gives active support.

Under provisions of the State Legislative Council a member organization must officially endorse a bill before submitting it to the Council. The Council then votes on it. It then goes back to each of the 19 member organizations for their endorsement of each item on the program. Thus, each item, or bill, when it is submitted to the General Assembly, has the unanimous approval of the 19 member organizations—or the majority approval of 300,000 individuals.

The Items on Program I are:

Item 1: Extension of Jurisdiction of Juvenile Courts to Children 16 Years of Age;

Item 2: A State Minimum Wage Law;

Item 3: Strengthen the Marriage Laws, with Respect to Age, by Requiring a Birth Certificate or Birth Card as Proof of Age.

The Items on Program II are:

Item 1: An Appropriation for Employment of Attendance Workers with State Supervision for Improving School Attendance and Enforcing the Compulsory School Attendance Law;

Item 2: Separation of Prison Department from the State Highway and Public Works Commission;

Item 3: To Require Specific Plans for the Custody and Support of Children under 16 Years of Age Before their Parents May be Granted a Divorce; and

Item 4: To Require Driver-Training Programs in all High Schools Throughout the State.

As our own Bishop Penick has said:

“We draw one natural inference from this vision of St. John. It is that Christianity is a social gospel. It is a purifying mass movement. Its end is the establishment of a brotherhood. All the various relationships of life which are suggested by the word ‘city’: commerce, industry, business, labor, politics, friendships—all corporate movements of masses of people:—these are cleared of every evil, and recreated in an ideal state at the last. It is the certain consummation of a religion that is charged with powers of social reconstruction.”

FOREWORD

More than eyesight is needed to read this little book. Well-selected prayers are found here, but it is more than a manual of devotion. Inspiring reports are printed here, but it is more than a record of past achievements. Auxiliary officers are listed in these pages, but it is more than a calendar of names. This Handbook reflects a sure vision of things unseen. It intimates a something real and vital, that is, the mysterious way in which the Holy Spirit moves human minds and hearts and hands to work wonders among "bruised" people who are far off, as well as nigh: to give light for darkness, health for sickness and liberty to those who are bound. This is not a book of fancy or of fiction. Rather, it is the story of the love of God working in the hearts of good women who care for their neighbor. Read it gratefully.

Edwin A. Penick

Bishop of North Carolina

PRAYERS

THE WOMAN'S AUXILIARY PRAYERS

Almighty God, our heavenly Father, bless, we pray Thee, our work for the extension of Thy Kingdom, and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labor diligently, and give liberally to make Him known to all nations as their Savior and their King: through the same Jesus Christ our Lord. Amen.

Almighty God, whose love reacheth unto the world's end, and who didst send Thy blessed Son to redeem all mankind: Help us, we pray Thee so to reveal Thy love in prayer and work and stewardship, that by Thy spirit all nations and peoples may be baptized into one body, even as all are redeemed by one Savior; through Jesus Christ our Lord. Amen.

PRAYER FOR MISSIONS

Almighty God, help us, we pray Thee, to shed abroad the light of Thy Church in all the world. Give us greater zeal for thy Kingdom, that we may offer abundantly our prayers, our work, and our gifts; so that the earth may be filled with the knowledge of Thy glory, as the waters cover the sea; through Thy Son, Jesus Christ our Lord. Amen.

FOR GUIDANCE OF THE HOLY SPIRIT

O God, forasmuch as without Thee we are not able to please Thee, mercifully grant that Thy Holy Spirit may in all things direct and rule our hearts; through Christ our Lord. Amen.

PRAYER FOR HUMAN RELATIONS

O God, our heavenly Father, who hast created all men after thy likeness, we beseech Thee to incline thine ear to us as we ask thy help in doing our duty as Christian citizens and as members of thy Holy Church. We acknowledge our many transgressions of thy righteous law and especially our failure to see thine image in all thy children for whose sake thy Son was content to die. Grant that we may follow in the steps of Him with whom there was no respect of persons.

Make us ready to acknowledge the Truth as it stands written in thy Holy Word. Give us courage in our thinking and honesty in our decisions. Lift us above self-interest and prejudice and whatsoever else may hinder us from a just and righteous dealing with our neighbor. Guide with thy wisdom those

to whom Thou hast committed the responsibility of government, that all things pertaining to the relationship of man with man may be settled upon the sure foundation of thy Holy Will as made known to us in thy Son, Jesus Christ our Lord. Amen.

—THE RT. REV. EDWIN A. PENICK, D.D.

PRAYER FOR CHRISTIAN SOCIAL RELATIONS

Jesus, our Master and our friend, who claimest our service through the needs of our neighbors; Grant us so to see thy image in all our fellow creatures that in serving mankind we may minister to Thee, the living Savior of the world. Grant to each one of us, that we may do our part in bringing about an order of society where there is no just cause for discontent or bitterness of spirit, and where every person may be enabled to come to the fullness of perfection for which he was made, through Jesus Christ our Lord. Amen.

FOR THE UNITED THANK OFFERING

O Lord, Our Heavenly Father, we pray Thee to send forth more laborers into Thy harvest, and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept from grateful hearts our United Thank Offering of prayer, and gifts and joyful service; and bless it to the coming of Thy kingdom, through Jesus Christ our Lord. Amen.

Accept, O Father, this joyful sacrifice of thanksgiving and praise, and bless these gifts to the setting forward of Thy kingdom; that as we have gratefully received the benefits Thy bounty has bestowed, so we may cheerfully share them with Thy children in all the world; for his sake whose life and death and rising to life again were a song of praise to Thee, O Thou Most Holy, our Savior Jesus Christ. Amen.

FOR CHRISTIAN EDUCATION

O God, who hast sent Thy beloved Son to be unto us the Way, the Truth, and the Life; grant that we, looking unto Him may set forward the teaching power of Thy Church, to the nurture of Thy children, the increase of Thy Kingdom and the glory of Thy Son, Jesus Christ our Lord. Amen.

THE PRAYER FOR THE SUPPLY WORK

Almighty God, who hast taught us by Thy Son, Jesus Christ, that it is more blessed to give than it is to receive, look with favor, we beseech Thee, upon the supply work of Thy Church especially in this Diocese. Touch our hearts with compassion for the poor, the sick, and homeless, and make us strong to lift their burdens with our ready gifts and service; through Jesus Christ, our Lord. Amen.

PRAYER FOR THE THOMPSON ORPHANAGE

Almighty God, who art the Father of the fatherless, send Thy blessings upon the Thompson Orphanage, instituted in Thy name. Give patience and wisdom to the officers, teachers and matrons of this home, that they may faithfully

discharge the duties committed to their charge. Let the boys and girls grow in grace and earnestness, day by day. Strengthen their bodies, enlighten their minds, purify their hearts and sanctify their wills. Bless all who have contributed to this institution, and raise up, we pray Thee, a never-failing succession of benefactors whose names may be perpetuated through all generations, as a blessed memory, and their good deeds be accepted; through Jesus Christ our Lord. Amen.

FOR THE EVERY MEMBER CANVASS

God our Father, who providest for Thy children in advance of their needs, bless we pray the work of our Every Member Canvass, and grant us all to share in it with glad and willing hearts for the sake of Thy Kingdom, through Jesus Christ our Lord. Amen.

FOR DIOCESAN MISSIONARIES

O Lord and Heavenly Father, without whom we can do no good thing, but with whose help even Thy little ones go forth as the mighty, we beseech Thee to prosper the work of all Thy missionaries, wherever they may be (and especially the work of Thy servant-----). Grant them the wisdom to know and the strength to do Thy will, and bless them with the hope and consolation of Thy heavenly promises, for the sake of Thy Son, Our Savior, Jesus Christ. Amen.

FOR PERSONNEL

Our Father, if it be Thy will, put it into the heart of some young man or young woman of this parish to choose one of the many vocations within the Church for his or her life work, whether it be in our own land or overseas. We pray Thee help each one of us, whatever our calling, to practice it as becomes a Christian in Thy name and with Thy guidance. Amen.

NOONDAY PRAYERS

Blessed Savior, who at this hour didst hang upon the Cross stretching forth Thy loving arms; grant that all mankind may look upon Thee and be saved. Amen.

Blessed Lord, inspire our hearts and the hearts of all men everywhere with the love of God and of our fellowmen, that we may be worthy of world peace. This we pray in Jesus' name. Amen.

FOR WORLD PEACE

Almighty God, from whom all thoughts of truth and peace proceed; kindle, we pray Thee, in the hearts of all men the true love of peace, and guide with Thy strong and peaceful wisdom those who take counsel for the nations of the earth, that in tranquility Thy Kingdom may go forward, till the earth shall be filled with the knowledge of thy love; through Jesus Christ our Lord. Amen.

FOR CHURCH PERIODICAL CLUB

O Lord Jesus Christ, Who art the Light of the World, pour out, we beseech Thee, upon all Thy servants Thy Holy Spirit of Wisdom and understanding that they may know the hope of Thy calling, the riches of Thine inheritance in the saints, and the greatness of Thy power to usward who believe. More especially we pray Thee to direct and prosper the Church Periodical Club that in all its prayer and labor it may be enabled to make the light of Thy glory shine forth in the dark places of the earth. And do Thou of Thy mercy and grace stablish Thy Church in the truth of Thy Gospel who livest and reignest with the Father and the Holy Spirit ever One God, world without end. Amen.

FOR USE BEFORE AND AT THE TIME OF THE ELECTION
OF OFFICERS

O Holy Spirit, Whose guidance and inspiration alone can enable us to fulfill the Will of God, teach us, we pray Thee, the dignity of our missionary work, and give us grace to choose as our leaders those whom Thou dost call to Thy faithful service. To those so chosen give a spirit of reverence in the exercise of their office, and to all of us a deep sense of our obligation in the discharge of every duty, to do all the glory of God through Jesus Christ our Lord. Amen.

BENEDICTION

May the blessings of God Almighty, the Father, the Son, and the Holy Spirit, rest upon us and upon all work and worship done in His name. May He give us light to guide us, courage to support us, and love to unite us, now and forevermore. Amen.

**SERVICE OF
INSTALLATION OF OFFICERS FOR THE
WOMAN'S AUXILIARY**

Let those who have been elected stand before the Bishop and then let him say:

It is right and fitting that those who have been duly elected as Diocesan Officers of the Woman's Auxiliary should be formally received and admitted into their respective offices in your presence; and that we should ask the blessing of God upon them for their support and guidance in the performance of the duties which you have laid upon them.

O Lord, save these Thy servants,
Who put their trust in Thee.
Send them help from the holy place,
And evermore mightily defend them,
O Lord, hear our prayer.
And let our cry come unto Thee.
Let us pray.

Our Father . . .

Direct us, O Lord, in all our doings, with Thy most gracious favour, and further us with Thy continual help; that in all our works begun, continued and ended in Thee, we may glorify Thy holy name, and finally by Thy mercy, obtain everlasting life; Through Jesus Christ our Lord. Amen.

Almighty God, the giver of all good gifts; give Thy Grace, we humbly beseech Thee, to these Thy servants who have been chosen to serve Thee in the special work for which they have been selected; grant unto them zeal and earnestness in the performance of their office; wisdom and strength to meet each day their task; and love in the doing of it; and give them the vision to see their opportunities for service, to the glory of Thy great name and the benefit of Thy Holy Church! Through Jesus Christ our Lord. Amen.

Bless us, O God, with the vision of Thy Being and Thy Beauty, that in the strength of it we may work without haste and without rest; Through Jesus Christ our Lord.

I receive and admit you to the office of----- Be faithful, zealous, sincere and humble in all your tasks, and may the Grace of the Lord Jesus Christ and the love of God our Father and the guiding fellowship of the Holy Spirit be with you evermore. Amen.

BENEDICTION

The Father, Son and Holy Ghost bless, preserve and keep you, in your work, in your worship, this day and always, through Jesus Christ our Lord. Amen.

OBJECTIVES FOR THE BRANCHES OF THE WOMAN'S AUXILIARY—1957-1958

What are the objectives toward which we should strive in Auxiliary work?

First, good organization—not organization just for the sake of organization, but because work done in an orderly way can be done more quickly and more effectively. Regular board meetings and programs planned in advance are invaluable in the good stewardship of time, money, and effort.

Second, ample information. We hope that the branches not represented at Vade Mecum will make sure that they get the suggestions and material for the program of the Auxiliary, which is the program of the Church, through District workshops and Diocesan officers.

Third, interesting and varied presentation is important if we would have good attendance at our meetings and hold the interest of busy women.

Fourth, action should follow study, action through one or more of the departments of auxiliary organization. "But be ye doers of the word, not hearers only . . ."

Fifth, dedication. Worship stands at the beginning and at the end of all our plans and meetings. As a part of worship, let us so dedicate ourselves that we may give first place to the Church and to the Auxiliary.

The theme of the Triennium, *His Witnessing Community*, should continue to guide us in our planning, to be a yardstick by which we measure the objectives, efforts, and results of our work.

As we prepare ourselves through worship and study, express our faith in service and gifts, and bring Christian concern and fellowship to those around us, so we can expect a year of fruitful work blessed by Him in whose name we labor.

ANALYSIS OF THE YEAR

1. The fiscal year of the Diocese and the branches runs from January 1st through December 31st because it must coincide with the fiscal year of the National Council.
2. The year of active study and work runs from the first meeting in the fall through the last meeting before the summer recess so as to conform to the plans and material sent out from the National Council.
3. New branch officers should be elected in March so that the names of the new officers can be listed in the new handbook and be considered in the election of delegates to the Annual Meeting.
4. The Annual Meeting of the Woman's Auxiliary of the Diocese is usually held the second week after Easter so as to fit in with the date of the Diocesan Convention of the Church and with the Bishop's schedule.
5. New branch officers should be installed at the last meeting before the summer recess with the new president presiding at the first fall meeting. If a branch meets during the summer, its officers should be installed at the June meeting with the new president presiding at the July meeting.
6. New officers should prepare in the summer for the coming year of study and action. The program of Christian Education should be prepared at this time.
7. Report blanks are sent to all branches by March 1st. Reports cover the period of time from the previous June 1st through May 31st. Branch reports must be mailed to the District Chairman by April 1st. Lists of recently elected officers sent in on the reports thus become correct in the yearbook for the longest possible period of the year.

SEVENTY-FIVE YEARS OF SERVICE

In a review of seventy-five years of service of the Woman's Auxiliary of the Diocese of North Carolina, it is fitting for us to dwell on these words from the Epistle to the Hebrews:

And these all having obtained a good report through faith, received not the promise: God having provided some better thing for us, that they without us should not be made perfect.

This passage speaks to us of the progressive development of God's goodness and love, and His increasing revelation of Himself as age succeeds age in His dealings with men. We read the records of seventy-five years and we are touched by admiration and respect for the work of those who have gone before us. Yet they without us shall not be made perfect. Their work must be fulfilled in us. We pay tribute to them and gratefully recognize the fact that we add something to them in carrying on their work.

In 1881 when the Diocese of North Carolina was the whole area of the state, The Rt. Rev. Theodore Lyman, Bishop of the Diocese asked Mrs. John Wilkes of Charlotte to form a Diocesan organization of Woman's Auxiliary branches. At the Diocesan Convention in Tarboro in 1882 representatives from six branches with a total membership of one hundred were organized as The Woman's Auxiliary of the Diocese of North Carolina to the Board of Missions. This event makes our Diocesan Auxiliary one of twenty-six organized in the national Church prior to 1883.

The six branches present in 1882 were: Charlotte, Hillsboro, Asheville, Edenton, Fayetteville and Lenoir. Mrs. Wilkes was appointed by the Bishop to serve as Diocesan Executive Secretary. She served with this title for fourteen years. Later she was made honorary president and presided over Annual Meetings.

As long as its title was Woman's Auxiliary to the Board of Missions, the work of the Auxiliary was limited to the study and promotion of missions in the literal and limited use of that word. Work that was done locally unless it was for missions was not reported as Auxiliary work. It was not until the organization of the national Church was changed and we became the Woman's Auxiliary to the Presiding Bishop and the Council that the Diocesan president in 1920 announced to the Annual Meeting: "We are now the Woman's Auxiliary to the Presiding Bishop and the Council. Our work has been enlarged to include religious education and social service as well "as missions".

The first Annual Meeting was in 1883 in St. Peters, Charlotte. At this meeting the records show delegates from Asheville, Charlotte, Hillsboro, Lewiston, Lincolnton, Pittsboro, Tarboro, and Wilmington. Representatives were present from Elkin, Winston, Shelby, Raleigh, New Bern "and other parishes". The first year's financial report showed \$20.20 received as a central fund of ten cents from each member for administrative expenses, cash gifts of \$338.04 for missions; boxes valued at \$228.40 sent to missionaries.

The Diocese of East Carolina was organized in 1883, and the Missionary District of Asheville, later to become the Diocese of Western North Carolina, was organized in 1895. The Auxiliary branches in these areas gradually withdrew and formed Diocesan organizations of their own.

The Auxiliary was founded primarily for women but a junior department was added in 1890 with Miss Mary Horner of Oxford, as its head. In 1895 a Babies' Branch was formed with Mrs. Walter Smith of Charlotte in charge. These departments were under the supervision of the Woman's Auxiliary and reported to the Annual Meetings until they were placed under a Board of Religious Education.

Miss Mary Horner served as the second Diocesan Secretary for nine years. She was followed by Miss Kate Cheshire of Tarboro, whose title was President. She was the sister of The Rt. Rev. Joseph Blount Cheshire, Bishop of the Diocese. It is interesting to note that in the early days of the Auxiliary all rectors were active presidents of the Parish branches, making appointments of Auxiliary officers. The Bishop appointed all Diocesan officers. Beginning with Miss Cheshire's term the women chose the Diocesan officers by election and the Bishop then appointed them. This custom changed to our present method of electing officers in 1921 with the election of Mrs. T. W. Bickett of Raleigh, as president.

In 1905 Bishop Cheshire organized the Woman's Auxiliary branches for Negroes in the Diocese in a separate Convocation, reporting to him. Their leaders were Mrs. A. B. Hunter and Mrs. Henry B. Delaney, wife of the Suffragan Bishop of the Diocese.

The women of the Auxiliary showed an inspiring zeal for the growth of the Church in the Diocese of North Carolina. The president, Mrs. William A. Hoke, addressing the Annual Meeting in 1918 said: "I should like to see this association of women put itself on record as favoring a movement for the Diocese to assume the support of all missionary work within its borders and to send a message to the Bishop and the Diocesan Convention saying that the Woman's Auxiliary stands ready to help as soon as it is judged wise to begin such a movement".

Again in 1920 Mrs. Hoke reported: "Our action in contributing \$1,138.00 to release the Board of Missions (of the National Church) of any obligation last year for mission work among white people in this Diocese resulted in the Diocesan Convention assuming the responsibility for the future". She then asked that the work among Negroes also be put on a self supporting basis.

Until 1918 the Diocesan Convention and the Annual Meeting were held at the same time and place. Their growing size made it necessary to separate them.

In the Year Book of 1920 we find the term *United Offering*, used prior to that time, changed to *United Thank Offering*, in accordance with a resolution passed at the previous Triennial Meeting. The United Thank Offering treasurer reported at this time a total of \$5,277.29 as the amount presented by our Diocese in the three preceding years.

During Mrs. Bickett's term as president, 1921-1924, the Diocese was divided into the present eight geographical districts. An Interracial Committee was appointed to strengthen interracial relationships and to encourage the work in the Negro branches.

In the terms of Mrs. W. H. S. Burgwyn, Mrs. W. L. Wall, Mrs. W. W. Way and Mrs. Frank S. Spruill, our Diocesan organization was strengthened. We grew in a sense of responsibility for the missionary program of the Church at home and abroad.

In 1935 the Negro branches of the Diocese were listed in the Year Book as a ninth district. Delegates from the Negro Branches were accepted into the Diocesan Annual Meeting and their work was carried on under the same constitution and by-laws with the other branches of the Diocese. The Negro District was eliminated in 1954, and all Negro branches became integrated into the geographical districts in which they were located.

From 1918 to 1930 the women of the Diocese sent in their treasures and trinkets of gold, silver and semi-precious stones to a Diocesan chairman, Mrs. George Alston of Raleigh. Out of this collection six communion services were made and given for use in missions. A similar collection of gold and silver in 1953-54, with Mrs. William L. Steele of Raleigh, as chairman, was used to make

the alms basin which we now use for the presentation of the United Thank Offering at Diocesan Meetings.

At the Golden Jubilee meeting of 1932 in Henderson, in Miss Rena Clark's term of office, an offering of \$1,500.00 was given in appreciation of Bishop Cheshire. This offering was used to complete the Cheshire Building on St. Augustine's campus.

In 1925 we became a member of the State Legislative Council and with the exception of a period of about four years we have been a member ever since.

The depression of the 1930's brought great difficulties to the whole church. On March 1, 1933 the bank which held our Diocesan funds closed with our total deposit of \$1,137.47. For a short time there was no money for our use in any way. The records indicate no faltering of our work. The difficulties were accepted as a challenge. In 1934, the president, Miss Emma Hall said in her report to the Annual Meeting: "Our records give us a membership of 2434 women. My friends, there isn't anything that many women can't do if they prayerfully try, and the irreparable disaster our Church is facing makes it necessary for our women to stand up and be counted".

This 1934 meeting expressed a determination to have our Diocese come to the aid of the National Church in its financial crisis. Parishes were urged to give priority to payments on their missionary obligations.

The first Woman's Auxiliary Summer Conference at Vade Mecum was held in 1933, with Mrs. John L. Gilmer of Winston-Salem, as director. These conferences in the Summers since then have had an immeasurable influence on the life of the Church. They have trained our women in ways of Christian living and made them more effective instruments for the spread of Christ's Kingdom.

Mrs. U. T. Holmes was installed as president in 1942 and served for one year. She resigned and went to Washington where she and her husband worked in war time government service. It then became the task of Mrs. E. G. Peoples to lead us in the trying years of World War II. Only in 1945 did it become necessary to do without our Annual Meeting because of the difficulties of travel. The Diocesan Executive Board met in Wilson in this year and conducted necessary business with a worthwhile program carried out.

We have living within the Diocese at this time seven past presidents. It is interesting to have their view points on the life of the Auxiliary during their terms of office. I pass on to you their comments on the happenings during their administrations. (As I call their names I ask them please to stand).

In Miss Emma Hall's term we began the use of a sliding scale card to guide the branches in making their pledges to the Diocesan budget. Its use until 1947 inspired a degree of familiarity with items in the budget on the part of our members. It was during Miss Hall's term that the constitution was changed to provide a division of our budget, one-half for projects inside, one-half for projects outside our Diocese. The Bishop's purse became an established item in the budget at this time.

In Mrs. William Gordon's term she conducted Quiet Days of Prayer and Meditation for the Auxiliary in four different places in the Diocese on four consecutive days. She also led a Quiet Hour for the Executive Board before Annual Meetings. A comprehensive revision of the constitution and by-laws was made in 1937.

Mrs. W. S. Holmes tells of the special emphasis in her term on missions, expressed in our interest in Annie Cheshire Tucker and Laura Clark in China and Susan Smith Chapman in Alaska. We gave \$1,000.00 toward an endowment for the newly created diocese of Wuhu, China, of which The Rt. Rev. Robin Chen was made Bishop. We later helped to educate his daughter Grace in this country. In 1941, the custom began of electing the Diocesan president the year before she assumed office.

Mrs. Edward Peoples considers that the chief characteristic of her administration was one of adapting to circumstances during the war years. Out of this came at least two interesting things—a team visiting all district meetings and an effort at co-ordinating the work of men and women through joint planning. The beginning of a tradition of most lasting consequence was the initiating of Bishop Penick's Quiet Hour for the Executive Board before the Annual Meetings. We gave with great interest in these years to the education of Grace Chen and to St. Mary's School for Indian Girls, Springfield, South Dakota.

With Mrs. Henry Bourne's term the prosperity of the time was reflected in substantial increases every year in the total amount of our Diocesan budget. At the same time there were large surplus funds at the end of each fiscal year. These surplus funds were allocated at the following Annual Meeting to projects of special appeal to our members. At this time we employed Miss Constance Young to serve as a field worker for the promotion of the work among the Negro branches. Miss Young's work continued until 1954. A Quiet Day of Prayer and Meditation in Advent in each of the eight districts was started in this period. In 1948 in The Church of the Good Shepherd, Raleigh, The Rt. Rev. William J. Gordon was consecrated Bishop of Alaska. Our Diocesan Auxiliary gave him his Bishop's Cross.

Mrs. Edwin F. Lucas recognized that the growth of the Auxiliary work required an allocation of duties to a second vice-president, who was entrusted with the task of editing and having published the Year Book. A definite schedule was set up by which Department heads should contribute articles to the North Carolina Churchman. Mrs. Lucas considers her most vivid memory to be that of the consecration of The Rt. Rev. Richard H. Baker to be Bishop Co-adjutor of the Diocese. It was her privilege to present to him a gift from the 4253 members of the Diocesan Auxiliary.

In 1954, in Mrs. U. T. Holmes' administration, the Diocesan United Thank Offering amounted to \$23,027.05, the largest annual offering up to that time. The Diocesan budget had grown to \$13,200.00; \$1,210.00 was raised from the central fund; the surplus at the end of the year was \$1,703.95; and special gifts of the branches totaled \$12,409.58. We placed special emphasis at this time on an effort to make our membership on the State Legislative Council constructive and meaningful to all the women in the branches.

The record of Mrs. Leslie Evans' term is not complete; it will be a part of some future review. She led a delegation of five representatives from our Diocese to the Triennial Meeting in Honolulu in 1955. Her ability as a presiding officer is indicative of the way in which our women have grown in this respect since those earliest years when Bishop Lyman would appoint one of the Clergy to preside over the Annual Meeting.

Throughout our records the truth is plain that our work has been done on the foundation of faith in the power of God, mediated to us in prayer, Bible study, and the sacramental life of the Church. There are reports of Prayer Groups, Bible Study Classes, weeks set aside for self denial and prayer, Intercessory Days with Corporate Communion, and Quiet Days of Prayer and Meditation. This emphasis is best expressed by Miss Rena Clark in her president's address: "My desire has been to emphasize the spiritual side, not the mechanical,—to impress upon you the tremendous power derived from meditation, prayer and Corporate Communion; to have the Auxiliary a real force in the parish.—It is not the magnificence of glorious deeds that availeth, but the magnificence of a glorious spirit".

The Diocesan Auxiliary has provided leadership beyond the boundaries of the Diocese. Mrs. E. G. Peoples has served as president of the Woman's Aux-

liary of the IV Province; Mrs. Francis Clarkson has served on the National Executive Board and is now a Representative from the Woman's Auxiliary to the National Council.

The terms of Diocesan presidents have been mentioned for convenience in telling the story of our accomplishments, but our work has been the fruit of the combined efforts of all District and Diocesan officers and those members who have prayed fervently, labored diligently and given liberally.

The pages of our Year Books contain the story of the missionaries who have gone out from this Diocese. Their names are an honor roll of men and women to whom we have given our love, our prayers and our gifts. Their work has enriched our lives and enabled us in some measure to go into all the world and preach the gospel of Jesus Christ.

We conclude this review of seventy-five years of service with a tribute to our Bishop, The Rt. Rev. Edwin A. Penick. The strength of our Diocesan Woman's Auxiliary, which is noticeable in the life of the National Church, is due to a large degree to Bishop Penick's wise counsel and guidance. He has encouraged us to make decisions and to develop initiative; he has given us help when we needed it; he has made sure that our work was done for the good of the whole church. We recognize his influence upon us to be that of a great Christian leader.

I am deeply aware of the fact that some young woman probably here today, attending her first or second Annual Meeting, will stand before the Centennial Annual Meeting and review one hundred years of service. We look at the young women of our Auxiliary and recognize their gifts and training and our hearts are full of joy and hope for the future. We have faith that in the years to come the Holy Spirit will continue to use the Woman's Auxiliary of the Diocese of North Carolina, for the spread of Christ's Kingdom.

Marion Frances Alston Bourne

PRESIDENT'S ADDRESS

For the ninth time in its seventy-five year history, the Woman's Auxiliary of the Diocese of North Carolina convenes in the historic parish of Calvary Church, Tarboro. It is very fitting that we should observe here our birthday of three-quarters of a century. Later this morning we shall look back at our long and rich history; this is desirable, we think, since we build upon the past and take strength from it.

I am concerned now with looking back over the past year only, and with trying to evaluate in a general way the work of the Auxiliary since we last met together in St. Peter's Church, Charlotte.

For the fiscal and calendar year of 1956 our records show that there were in this Diocese 104 branches of the Auxiliary which paid the Central Fund for 5741 members, and 5 branches which did not pay the Central Fund for some 60 members. Of these five branches, three were beginning work as new Auxiliaries: St. John's, Wake Forest; St. John's, Charlotte; and St. Ignatius, Tarboro. Since January of this year six branches in four parishes have merged for greater strength and economy of effort to form three Auxiliaries. Our newest branch, organized on March the second at Trinity Church, Fuquay, brings our present total to 107 Auxiliaries in the Diocese. We cordially welcome these new branches into the work and Christian fellowship of this organization.

In 1956 the Treasurer's books showed receipts of \$38,581.35, an increase over the previous year of slightly over \$1000. If you will add to this figure the amount of the two United Thank Offering gatherings, \$23,260.62, and the contribution of \$656.95 to the funds of the Church Periodical Club, we have the impressive total, for which we have records, of \$62,498.92 contributed by our membership. This is truly gratifying. We would call your attention, however, to the fact that although both the Central Fund and the Supply Fund showed a slight gain, the pledges for 1956 showed a slight drop; and it is the pledges of the branches which support the budget adopted each year at Annual Meeting. In the light of these facts, perhaps you would like to re-examine your pledge to the Diocesan Auxiliary.

Turning aside from our material concerns, let us consider other aspects of the year's work. I shall not comment, as is customary, on the outstanding accomplishments of the various departments and committees; we shall call your attention to these presently under the heading, *Highlights of the Year, 1956-1957*. Instead I should like to share with you the information which the Executive Board included as part of its annual report to the National Executive Board of the Woman's Auxiliary.

A comparatively small number of the women in this Diocese have attended the Parish Life Conferences, but the effect of these conferences on the individuals participating has been considerable and has resulted in some practical action on parish problems, a wider cooperation with the Church's Program, and some progress toward the unification of all parish work. We reported that there was still a demand for a special Lenten study, with the Bible and prayer the two subjects most often requested for study on the parish level. We found that the Triennial theme, *His Witnessing Community*, continues to have a direct bearing on program planning and a resultant increase in the number of small Bible-study groups.

We look forward to being the host diocese to the meeting of the Synod and the Woman's Auxiliary of the Fourth Province at Christ Church, Charlotte, on November 12th and 13th. This meeting will afford us an excellent opportunity to see for ourselves, whether we are delegates or not, what goes on in this meeting of the Province, which is another link between the National Church and the Diocese.

Our support of the radio program, *Another Chance*, has had some small part in securing for this program national recognition. We commend to you the support of the Radio and TV Foundation, which serves with far-reaching effect as a missionary agency of the Church.

As your president I have during the past year attended a meeting of the Provincial Board in Atlanta and the Provincial Meeting in Miami, served on a panel at the annual meeting of the Department of United Church Women, reported for the Auxiliary at the Diocesan Convention of 1956, have attended four meetings of the Executive Council of the Diocese and three meetings of the Department of Missions, attended the summer conferences at Kanuga and Vade Mecum, presided over three meetings of the Executive Board and one Annual Meeting of the Woman's Auxiliary of the Diocese, attended three special meetings at which National Council leaders spoke on auxiliary work, have conducted workshops and made talks at a number of district and branch meetings, have helped to organize one new branch of the Auxiliary, have written seven president's letters to the branches, have attended to a heavy correspondence, and have held conferences with Board members, Branch boards, and committees on Finance, the State Legislative Council, Vade Mecum, Annual Meeting, and Nominations.

When you leave this meeting, you will be taking back to your branches not only the record of work accomplished, but a broader, clearer picture of the Church's mission as carried forward by the Woman's Auxiliary in this Diocese. We urge you, as individuals and as branches, to accept more readily and gladly your responsibilities for the work of the Church through the Auxiliary. We urge a closer affiliation of the branches with the district organizations, as this can mean a strengthening of the Diocesan Auxiliary through first, the creation of a reservoir of trained women from which we may draw for Diocesan work, and second the better dissemination of information to the branches. We urge a greater use of the trained Diocesan and district leaders in branch programs and problems.

You will realize that our efforts as individuals and as branches are multiplied a thousand-fold when we lift our eyes above the parish level and unite in the same aims and purposes in our diligent labor for the strengthening of the program of the National Council of our Church. And let us work together joyfully in this Christian fellowship, for it is our privilege to have a part, however small, in this giving of time, effort, gifts, prayer, and self as a thank offering to Him we serve.

Elizabeth M. Evans
President

The Rt. Rev. Richard H. Baker, who is a member of the committee, addressed the meeting on this study and its efforts toward church union.

The motion was seconded and carried. Mrs. Jackson moved that the section for disbursements Inside the Diocese be adopted. This motion was seconded and carried.

Mrs. Jackson read the recommendation of the Executive Board that the 1958 intercessory offerings be allocated as follows: that of January 6, Feast of the Epiphany, to Jocelyn Gordon, and that of Ember Wednesday in September to the Diocesan Fund to train women for church work.

The President explained to the meeting that, according to a resolution adopted at the last Annual Meeting, copies of proposed resolutions offered in advance of the Annual Meeting were to be submitted in writing to the branches prior to the meeting whenever possible. She told the meeting that no resolutions were offered early enough in advance to be submitted to the branches.

Mrs. John Perry Hall of Oxford, Chairman of the Resolutions Committee, then read the first proposed resolution as follows:

RESOLUTION I

WHEREAS, in recent years the Church has provided the Church's Teaching Series consisting of six volumes to assist in Christian Education and the Church spared no effort or expense to make this standard teaching; and the best minds in our Church have declared that the teachings presented in these volumes are sound and in accordance with the best in Anglican tradition, and

WHEREAS, in our Diocese there has been comparatively little use of these books:

THEREFORE, BE IT RESOLVED that every Parish and Mission purchase a set of these six books.

Chapters in Church History by Powel Mills Dawley
The Holy Scriptures by Robert C. Denton
The Episcopal Church and It's Work by Powel Mills Dawley
The Faith of the Church by James Pike and Norman Pittinger
The Worship of The Church by Massey Shepherd, Jr.
Christian Living by Stephen Bayne, Jr.

BE IT FURTHER RESOLVED that every Parish and Mission include one of these books in its program each year; that for the year 1957-58 the book for the Diocese of North Carolina be *Christian Living* by Stephen Bayne, Jr.

Mrs. Hall made the motion that the resolution be adopted. This motion was seconded and carried.

RESOLUTION II

WHEREAS, The Refugee Resettlement Act of 1953 expired December 31, 1956, and this means that the only immigration laws on our books at this time are contained in the McCarran-Walter Act which provides a rigid quota system: and

WHEREAS, a more liberal bill concerning immigration now resides in the Senate Judiciary Committee.

THEREFORE, BE IT RESOLVED that the Annual Meeting of the Woman's Auxiliary of the Diocese of North Carolina go on record as being in favor of liberalizing the existing quota system of our present immigration laws, the need for which is evidenced by the present plight of Hungarian Refugees; and that the Secretary of the Woman's Auxiliary of the Diocese of North Carolina be instructed to write our North Carolina Senators in Washington to this effect.

The motion was made and seconded that this resolution be adopted. After some discussion the motion carried to adopt this resolution.

The Secretary read Article X of the Constitution on Amendments.

Mrs. D. R. Schmieskors, Chairman of the Committee on Amendments, read three proposed amendments to the Constitution and explained that they were a matter of re-wording for accuracy and clarification. She proposed that the following sections of the Constitution be re-written to read as follows:

I. ARTICLE VI, Section 1.

"All Diocesan officers shall be elected for a term of three years: the Treasurer, the United Thank Offering Custodian, and the Secretary of Personnel and College Work to be elected at the first annual meeting after the Triennial; the President-Elect, the Secretary of Supply, and the Secretary of Christian Social Relations to be elected at the second annual meeting after the Triennial, the President-Elect to take office as President at the third annual meeting after the Triennial; and the Vice-Presidents and Secretary of Christian Education to be elected at the third annual meeting after the Triennial."

II. ARTICLE IX, Section 1.

"The Executive Board in consultation with the Bishop shall prepare a budget for the year. The budget shall be presented to the branches at annual meeting for their approval and support."

III. ARTICLE IX, Section 2.

"From the total amount pledged toward the budget, one-half shall apply to work outside the Diocese and one-half to work inside the Diocese."

As each proposed amendment to the Constitution was read, Mrs. Schmieskors made the motion that it be adopted. Each motion was duly seconded and carried.

The Rev. E. B. Jeffress, Jr., Director of Religious Education for the Diocese and Director of Camps and Conferences, spoke on the subject of summer camps and conferences. Mrs. Hoyle F. Beam, who will direct the Woman's Auxiliary Conference at Vade Mecum this summer, told of plans for this conference.

Mr. M. D. Whisnant, Superintendent of Thompson Orphanage, clarified for the Auxiliary the recent leasing of the City Orphanage property, plans for removal of the Orphanage to a new site, and stressed their continued need for help.

The Rev. Joseph W. O'Brien, Chaplain of Episcopal students at Duke Uni-

versity, addressed the meeting on student work in the colleges and the building of the Duke Episcopal Student Center.

The Rev. James R. Fortune, Missionary to the Deaf, spoke on some special services he rendered to the deaf.

The President announced that the Annual Meeting of the Woman's Auxiliary would meet in 1958 in the Church of the Good Shepherd, Raleigh.

Mrs. Evans explained that the elected President-Elect would be installed at the next Annual Meeting as President and the nominated Representative on the Executive Council would be elected by the Diocesan Convention.

Bishop Penick conducted the service of installation of the following new officers: Mrs. Henry B. Chandler, Jr., Secretary of Supply, and Mrs. Richard H. Lee, Secretary of Christian Social Relations.

COURTESY AND FINDINGS

It is my great pleasure, on behalf of the delegates and visitors to this historic and thrilling 75th Annual Meeting of the Woman's Auxiliary of the Diocese of North Carolina, when I express our sincere thanks to all who have made this meeting one we will long remember.

First, to Calvary Church in its unique setting of beauty and tradition. Many of us had driven a long distance and it was so refreshing to walk along the shaded paths to the quiet restfulness of the Church, and be met by the warm welcome of our hostesses.

OUR DEEP APPRECIATION—To our many hostesses, who so graciously took us into their homes; To those who prepared and served such delicious lunches; To the Methodist Church women who assisted in this hospitality; and—To the attractive young Pages, who so beautifully carried out their duties.

We are well aware of the hard work and excellent planning that has gone into this meeting and are grateful for the inspired leadership that brought to us a program that has given us a full and vivid picture of the Woman's Auxiliary and the Church at work.

We thank our Lord for the perfect spring weather, but especially we thank Him for the many Blessings He has granted us at *this memorable* 75th Annual Diocesan Meeting.

CHRISTIAN EDUCATION

As we explore further and ever more deeply in this third year of the triennium our theme, "His Witnessing Community", a proper standard for our program may be found in Dr. Massey Shepherd's statement, "The goals of Christian Education are not essentially different from the fundamentals of Christian worship." We are reminded by Dean Sperry that we are failing both ourselves and others unless we go deep enough to find an increasing joy and reality in our life of prayer and worship. Worship can be adventurous, it can be a discipline, it can be intimately near and loving, it can be exciting. It must inspire and set us to work.

"You are good witnesses when you have a growing knowledge of God and of His purpose for the world . . . Will you not become pioneers in seeing that no meeting of yours is held without some portion of time devoted to the things contained in God's word? A new era in Christian Education calls for participation by every individual in the Church. The goal is to make the people of God informed and aware, ever growing in their grasp of whom God is and what He would have them do."

In these thoughts from Bishop Jones' Triennial addresses are expressed the special challenge to educational planners for the parish or for any organization within the parish. Diocese and National Council supply guides and tools, but "nothing is real that is not local and personal."

James Hoffman put our task succinctly in MISSION: U. S. A. when he wrote, "What we're really trying to do is very simple and very profound. It is what the earliest Christians did around the Mediterranean basin. We want to speak with young mothers, with girls and boys, with business and professional men, with soldiers, sailors and marines. We want to convince all of them, each in his own terms, that their lives are infinitely worth living. Now. And we want to show them how we know that this is true."

To this end it is proposed that there be one unified adult program. The Auxiliary can support this proposal by participating in a parish Christian Education Committee. A joint program planning committee could be appointed for Laymen's Association and Auxiliary. We should study the Laymen's diocesan yearbooks as well as our own. The needs and interests of both men and women for study can be ascertained by surveys, questionnaires and discussions, and topics of importance to both can be selected for program use. Wider use of Adult Study Courses and of the Church's Teaching series on a parish wide basis, in line with the Resolution passed at Annual Meeting in Tarboro, is urged. Activities growing out of study in men's groups and in Auxiliary branches may be coordinated. How better could we implement the most recent letter from the House of Bishops? "It is the will of God that every member of the Church exercise his reconciling ministry in the community in which he lives, that every member seek to create fellowship . . . In our own communities we can lift up our hearts in prayer and fulfill our prayers by reconciling word and effective action."

It is requisite that the branch program be planned by a committee, consisting of at least the Secretaries of Christian Education and Christian Social Relations, the Chairmen of Worship and Missions, the President and with the Rector as advisor. It is helpful to prepare the branch for the program by presentation of a simple, basic plan at the first fall meeting and by putting it into the hands of the members in written form. Continuous evaluation and constructive revision from month to month will keep it vital and stimulating. Through this means, Annual Reports will become increasingly living, exciting accounts of

intelligent action flowing from worshiping hearts and informed minds, and the world will indeed listen when we say, "This is what I have discovered out of my study and experience."

Mindful of our obligation of gratitude to make known the Gospel to others in thankfulness for its being brought to us, let us create the conviction that Christian education is missionary education. The 1957-58 Mission Study Themes, shared with all members of the National Council of Churches, are "Japan" and "Christ, the Church and Race." The study of Japan aims to help North Americans discover the implications of the Japanese renaissance for all Christendom. Materials for study of "Christ, the Church and Race" include scriptural teachings, scientific facts and ordinary common sense aimed toward growth in understanding this interdependent world, where race relations anywhere have become the legitimate concern of people everywhere and where Christian perspective is greatly needed on this nation's most urgent domestic problem. The work of the Episcopal Church can be admirably keyed to both these studies.

Remembering our obligation to General Convention to study the new body in Christendom, the Church of South India, and to "make up our minds about our duty toward it," it is recommended that consideration be given to using the REPORT OF THE DELEGATION SENT . . . and EMPTY SHOES. In examining this new pattern of unity, we must also look at ourselves and our principles in relation to the great field of ecumenical relations.

In complying with our obligation to implement the Triennial Statement on Christian Citizenship, it is suggested that much may be accomplished through use of THE SOCIAL MINISTRY OF THE LOCAL CHURCH by Muriel Webb, who is Assistant Director of our National Council Department of Christian Social Relations. Questions pertaining to stimulation of interest in local problems, ways and means of meeting them, the role of the Church, and whom to approach for support all receive definite attention in this guide.

Let your creative imagination and ingenuity go to work. The size of the parish is no determining factor. Concernedness is the only prerequisite. Tools, skills, materials—a goodly number of which are listed in the accompanying bibliography, methods of presentation exist in abundance. There remains for the branch Secretary of Christian Education the joy of selecting specific meeting topics, the questions to be answered, problems to be solved or changes hoped for as a result of the program and step-by-step blocking out of the situation in which real learning can take place and following which something will happen. There remains for District and Diocesan Secretaries the joy of assisting as resource people, serving as a channel of inspiration and information. Toward this end you are asked to correspond with them, invite them to attend meetings and share with them your year's plan and helpful individual programs.

CHRISTIAN SOCIAL RELATIONS

On both Diocesan and Parish levels the powerful theme of the Triennium *His Witnessing Community*, serves as a continuing challenge to our way of living and serving God and our fellow man. No other yardstick is more revealing and its constant use, we believe, will continue to guide and direct our thoughts and actions in every phase of life.

The year has seen much study resulting from great conferences such as the World Council of Churches and our own General Convention and Triennial. The Province of Sewanee and the National Council co-sponsored one of the two workshops on C. S. R. Such problems as the Supreme Court Decisions, Mental Health, Alcoholism, and Alcohol Education, problems of the Aging, and Urban-Industrial Churches were studied. One of the most helpful aspects of such a workshop is learning how to use the services of the existing divisions of the Department of C. S. R. and not only how to use public agencies but to have as one of our far reaching goals the best ways to strengthen and support these agencies by our serious study and cooperation. *Diocesan interest and growth* are very good.

The exact number of Branches covering each field of activity will have to be sent you later as all branch reports are not yet available, but those evaluated to date show a larger number of branches cooperated with the Department of Christian Education in planning the Parish C. S. R. Program. Almost every Branch reported a well planned coverage in Parish, Community, and Diocesan fields. The Thompson Orphanage is the one field that interests every Branch in the Diocese. It is a much loved institution and so worthy of the concerned responsibility of each Branch in our Diocese.

A large number of Branches reported a study and presentation of the Program sponsored by the State Legislative Council. Fully half of our Branches indicated their interest in our ministry to migrants. The number reporting a participation in Civil Defense was much less than last year.

In the World Field, *Hungarian Relief* with its compelling urgency has been the object of much of our attention. In many Branches this action has been in the sending of hundreds of boxes of warm bedding and clothing to Church World Center, New Windsor, Maryland. In other Branches, gifts of money to the Presiding Bishop's Fund for World Relief has been an answer to this disturbing need. Some of these gifts of money have gone through our Diocesan Treasurer but other Branches have contributed to a general fund from the entire Parish. However done, a deep feeling of responsibility toward our less fortunate brothers in their hour of need has prompted immediate action to meet this specific need.

Much has been done in the areas of Christian Social Relations in our various levels, Branch, Diocese, and in the general Church through the National Council. To continue this high rate of growth constant effort is necessary and one very important way to give a clear overall picture of this broad area of service is to hold carefully planned workshops on each level, our Diocesan one at Vade Mecum, and often in our Districts, and where possible in our Branches as well. Then we should work toward a further strengthening of the links between our worship, our education, and our action particularly on the Branch and District level.

Our small study groups and prayer groups have a real and powerful place in our effort to take the strength and fellowship of our Christian Community into new areas. For only as we ourselves study and worship are we able to grow into the brotherhood that owes its beginning to the glad acceptance of our common Fatherhood in God.

Among the well planned and executed Christian Social Programs are four that I have found to be so interesting and far reaching that copies of their reports are being sent to the National Secretary of C. S. R. and to the Provincial Secretary for distribution throughout the Province of Sewanee.

1st—The report from the C. S. R. Secretary of one of our smaller Branches, Galloway Memorial, Elkin. The scope and planning of their activities in this field have been so unusually broad that copies of their report will be used in C. S. R. workshops both in our own Diocese and in the Province to prove that you can have a good program in a small Branch.

2nd—The programs of three Charlotte Branches, Christ, St. Martin's, and St. Peter's are so well planned in every detail of service that these will be used at workshops throughout the Province. Copies of these four programs may be obtained from the Diocesan Secretary of C. S. R.

SUPPLY

The Supply assignment inside the Diocese for the Auxiliary year 1955-56 was to furnish, when funds permitted, articles requested by Saint Agnes' Hospital, Raleigh—Good Samaritan Hospital, Charlotte—Tuttle Community Center, Raleigh. We were also requested to send good used clothing to Thompson Orphanage, Charlotte and to Tuttle Community Center, Raleigh. The National assignment outside the Diocese was to furnish articles requested by Pine Ridge Episcopal Mission, Pine Ridge, South Dakota, and St. Elizabeth's Mission, Whiterocks, Utah. They also requested warm, used clothing and good used blankets. For the 1956-57 Auxiliary year we have been requested to furnish articles sent to St. Vincent's School for Handicapped Children in Port-au-Prince, Haiti. Good used clothing, summer weight, has been requested for children up to 18 years of age. Especially needed, are clothes for children under two years.

In 1956, 76 branches completed 2060 articles in the Sewing Program. We purchased 1632 additional articles. Total number of articles furnished amounted to 3692.

The objects of the Supply Department are as follows:

1. To accept and complete the National Supply assignment. To furnish, when funds permit, articles requested by the designated Missions.
2. To furnish new and good used clothing to Thompson Orphanage, Charlotte. Fall and Spring Ingatherings are recommended in every branch. Certain branches are requested to send new and good used clothing to Tuttle Community Center, Raleigh.
3. Participation in the Sewing Program when possible.
4. To have each branch President report to the Diocesan president the branch membership and the request of the branch for a sewing assignment.
5. To financially support the work of the Supply Department by sending \$.50 per member to the Diocesan Treasurer, and any Special Gifts designated for Supply.
6. To have each District Supply Secretary serve as a link between the Diocesan Supply Secretary and the Branch Supply Secretaries, by receiving and distributing the Supply assignments.
7. To have each Branch Supply Secretary plan for the completion of the Supply assignment. To arrange for sewing in the Parish House or in the homes. To see to the pressing, careful packing and shipping of the sewing assignment. To make arrangements for the Spring and Fall Ingatherings of good used clothing. To send reports on Supply assignments completed to the District Supply Secretary.

The activities of your Diocesan Supply Secretary included conducting a one day Supply Workshop at Vade Mecum in June; attended the Provincial Meeting in Miami in October; attended three Executive Board meetings; addressed three District Meetings on the Provincial Meeting and one on Supply; addressed eleven branches on Supply; purchased, cut, packed and shipped the material for the Sewing Program to the eight District Supply Secretaries for distribution to their branch Supply Secretaries; purchased and shipped ready made articles for designated Missions; prepared and sent two semi-annual reports to the National Supply Secretary.

It has been a privilege to have served as your Diocesan Supply Secretary for the past three years. I am deeply appreciative of the splendid cooperation of each member in the Auxiliary in assisting the carrying out of this Diocesan Supply Program. You have worked together with your hearts and your hands. and you are strong because you have helped to lift the burdens of the needy. Let us go forward in our Auxiliary work this coming year, praising God with our ready gifts and service.

PERSONNEL AND COLLEGE WORK

PERSONNEL

What is Personnel? Personnel means the same in the Church as it does in industry or the army—the recruiting and training of the right people for the work that needs to be done. Many positions in the Church, both at home and overseas, remain unfilled because the women who might fill them do not know of the opportunities for professional work in the Church, nor of the ways of obtaining training for that work. It is the responsibility of the Secretary of Personnel to call these opportunities to the attention of Church women and to tell them of the training which is available. Girls and young women in high school and college, especially, should be made aware of the careers that are open to women in the Church. Speakers, panel discussions, and other types of programs at Young People's Service Leagues and Canterbury Club meetings are one way of doing this. Pamphlets and bulletins are available for distribution. Write to your Personnel Secretary or order from The Woman's Auxiliary, 281 Fourth Avenue, New York 10, N. Y. Study these pamphlets yourself and from them and the specific jobs listed from time to time in Churchways become acquainted with the types of professional work open to women in the Church.

Two new opportunities for professional training for careers in the Church are being made available this year. The Apprenticeship Training Program of the Committee on Recruiting of the National Council is designed for women college graduates who wish to work on a trial basis in parish work, college work, social work, or other fields. During an apprenticeship period of one to two years, they will have an opportunity to evaluate their abilities and come to a decision about further training. The program is an introduction to the Church's life and work, without commitment to extensive graduate training. It is not an alternate method of full training.

Another new plan for those who are not in a position to take the full two year program of graduate training is the Training Program for Parish Assistants in Christian Education, which will be conducted by the Department of Christian Education of the National Council. It is open to women twenty-five years of age or older, who are already employed as Parish Assistants or have the assurance of such a position. Applicants who do not have a position or the promise of one may apply to the Diocesan Department of Christian Education, which will offer such help as is possible in putting them in touch with available positions. The plan is to hold from two to three twelve-week training sessions a year. After attending a training session the trainees will work under supervision in their respective jobs.

For women college graduates who are ready to take full training for professional work in the Church, the two year graduate programs at Windham House in New York, and St. Margaret's House in Berkeley, California, are available.

A good way for qualified high school and college girls to try out their abilities in Church work for a brief period is through the Summer Service Projects, which give young people an opportunity to engage in various types of Church work under qualified supervision during the summer.

The Woman's Auxiliary of the Diocese has some funds available to assist women who wish to take part in any of these training programs. Those interested in obtaining such help should apply to the Secretary of Personnel and College Work. Do not forget that the offering for this fund is now taken on the Wednesday Ember Day in the Fall, September 18th and not on the Feast of the Purification, as formerly.

COLLEGE WORK

It is the responsibility of the Secretary of College Work to assist in keeping young people in touch with the Church while they are away at College. Arranging for an annual Corporate Communion and breakfast, or some other special service and/or social event for the college students of the parish, either before they go away in the fall or during a holiday, is a good way of showing the Church's interest in its young people. Also, your rector may appreciate your help in sending letters of Commendation for your students to the College Worker who is responsible for them. Sending the parish bulletin and news of special events in the parish to college students is a good idea, too.

Parishes located near a student center have the additional opportunity of ministering to the college group there. Consult with the Student Chaplain or College Worker to find how you can be of most assistance. There are many things that might be done, from serving suppers to supplying volunteer clerical assistance.

Parishes too far away to minister directly to students may still have a part in the work through financial contributions. Branches having a surplus in their

treasuries might well consider sending something to one of the student centers. The student worker at Duke, in particular, needs our help this year, to construct a much needed student center building.

and College Work

THE UNITED THANK OFFERING

It was with a heart full of joy and anticipation that I began my three year term of office as your United Thank Offering Custodian. The year which has already passed has been a time of learning for me—learning what the job entailed, learning to know auxiliary members all over the Diocese, and learning what a great and wonderful work our offering of thanks is doing in our own country and in the rest of the world. All of these things which I have learned and am still learning I hope to pass on to you in one way or another.

During the past year I have sent out two letters to all District and Parish Custodians, one in August and one in February. I have written an article for the North Carolina Churchman for the November and March issues. I expect to conduct a workshop at the Auxiliary Conference at Vade Mecum in June and will conduct workshops at some of the District Meetings. Please remember all United Thank Offering supplies may be obtained through your District Custodian. She will endeavor to meet your needs at all times. There is a nominal charge for some items but most of them are free.

The most inspiring part of being your Diocesan Custodian comes after the ingathering when all the offerings are sent to me and I send them on to New York to start doing their work for you. The total of the offering from the Spring and Fall Ingatherings of 1956 amounted to \$23,269.62. There were 17 branches reaching the goal of 100% participation. Let us keep up our efforts constantly to bring others to the realization of what our gifts of thankfulness can mean to them. Let us ever be mindful of the great work our United Thank Offering does by training people to serve, and paying their salaries after they are trained, then caring for them when they retire. Among other things there are many special needs such as buildings and equipment in the mission fields and on college campuses, which this offering makes possible.

Your beautiful Diocesan alms basin which is in my custody is available to you for your Ingatherings. Parish custodians may arrange for its use by asking for it on a specific date.

In conclusion, let me ask you to be sure that every woman in the Diocese has a Blue Box and knows its purpose. Always keep before you and pass on to others the Joy of Thanksgiving as expressed by our United Thank Offering that it may grow and grow in the number of participants and in size for its use in our work for the extension of His Kingdom.

United Thank Offering

YOUNG PEOPLE'S WORK

The purpose of the Church's ministry to its youth is to provide the framework within which young people can practice their Christianity. We should share our Christian convictions and provide opportunities for them to take an active

part in the whole life of the Church. Youth work includes every contact the young people of the Church have with every member, and some impression is made for good or bad. The young people have an opportunity to talk and help solve their problems in every day life through their crisis years by meeting together. It is up to us to encourage and make this possible for them through Y.P.S.L., Junior Brotherhood of St. Andrew meetings, Junior Altar Guild or other meetings. In this way they are able to receive instruction and learn about God and His relationship to their lives.

Here are a few suggestions and we hope you will add your own experiences. Let me know what you add so it can be passed on to others.

1. Let's concentrate on "being" instead of "doing". They aren't hungry for food but are hungry for Christlike living.

2. Encourage the parents to have family prayers in each home where there are young people. Suggest that they share in family devotion.

3. Encourage parents of young people to worship with them at Church, particularly to receive Holy Communion.

4. Encourage parents to have some of the young people's social activities in their homes. Plan activities which parents can share with their young people.

5. Contact the leaders of all organizations of youth activities assuring them of the constant interest of the Woman's Auxiliary. Talk to the leaders about the things mentioned above. Ask them if they are using the Episcopal Young Churchmen's Notebook available at Seabury Press.

6. Do everything you can to interest women and men in becoming leaders. This could be through programs or suggesting books to read. Do you have books in the Church library for parents?

7. Let's encourage our young people. Speak to them and compliment them for things well done in the Church.

8. Keep alert to articles about youth when you read magazines. Good articles are in Findings and Churchways. When you read articles of interest talk to the leaders about them, they could have overlooked it.

9. Interest the Auxiliary in giving scholarships to Youth Conferences and Y.P.S.L. Convention.

What greater contribution could we make to the life of the Church today than that of bringing our young people into better relationship with our Lord. God has given us these young lives to bring up for Him. If we notice their needs and offer our help, if we are friendly, patient and kind and show them we care for them because we care for Christ, then they will surely give their best through Worship and Service in His Church.

Young People's Work

WORSHIP

Recurring throughout Lent, the Passiontide, and Easter we have been hearing the words of Christ, from St. John 12:32, "And I, when I am lifted up from the Earth will draw all men unto myself." The gospel continues, "He said this to show by what death He was to die." But as men are drawn unto the Son of Man lifted in Crucifixion, so are they also drawn to the Risen Lord of the Resurrection and the Ascension. So, too, are they drawn to the Incarnate God whom we can lift before their eyes "as Moses lifted up the serpent in the wilderness" (St. John 3:14) that all may see and believe and have eternal life.

In the objectives for the branches of the Woman's Auxiliary as stated in the 1956-1957 yearbook we read, "All that we do should be Christ-centered with worship at the heart of Auxiliary life." Therefore as we would lift up Christ, we ourselves must be both drawn to Him and lifted, too, if we would keep Him at the center of all we undertake in His name. An earnest seeking—through prayer, meditation, and study of Scripture—must lead us to know and to do God's will, and must guide and direct our choice and understanding of Christian Education subjects. The knowledge gained through such study must give rise to activity that lifts our Lord in His glory whether that action be in the mission field, with migrants, with immigrants, with social problems, or with the sick, the lonely, or those imprisoned by cares at home.

To make this felt, the worship chairmen in the branches have tried to integrate the devotional programs with Christian Education and with local activities. They have used as source material the Bible, The Book of Common Prayer, the Hymnal, *When You Lead Worship, With All Our Hearts, A Calendar of Prayer for Missions*, such Forward Movement pamphlets as *Prayers New and Old*, and *Prayers for All Occasions*. The Notebook compiled by Mrs. Robert Merritt has proved most valuable to many. Where their planning has been successful, the otherwise mundane bits of necessary business have immersed as grateful means of serving and glorifying God. Proceeds from a White Elephant booth have become primers and Bibles in the hands of a missionary; baked goods have become walls in new church buildings.

During the year to come, the branches will be encouraged to form more Bible study groups. A survey taken shows that only one-fifth of the parishes have either Bible study or prayer groups. We act as the Body of Christ in the World; we accept our role as the branches of the Vine that is God; yet too few of us take time to find through study or prayer what action He would have us take, what particular fruit He would have us bear. As Chairman of Worship I am extremely grateful that the planning committee for the Woman's Auxiliary conference at Vade Mecum has included this year, besides the worship workshop, daily classes in "How to Study the Bible" led by the Rev. Martin Caldwell and in "Prayer Life" by Dr. William Lea. These two vital means of spiritual growth are often neglected simply because groups "do not know how to get started". Branches represented at Vade Mecum can now have the start they need.

Finally, through our designated days for Corporate Communion and our district Quiet Day, the entire Auxiliary can be united to offer "prayer and gifts and joyful service". At the Feast of the Epiphany our intercessions and offerings go specifically in behalf of Jocelyn Gordon for her work in India; on Ember Wednesday, September 18th, our interest is in the women who are aided in training for church work by the Diocesan Scholarship Fund. The need filled by a Quiet Day is a different one. With the psalmist we, as the Woman's Auxiliary, continually should pray that God will "Create a clean heart, and renew a right spirit" within us; Quiet Days whether district or local, such as those held in many parishes during Lent or Advent, offer unparalleled opportunities for the answering of such prayer. The district Quiet Day last September drew almost three hundred women in spite of near-hurricane winds and rains. We are indebted to the clergy for their guidance and their help; especially, in this instance, to the Rev. Stephen Walke who led them, and to the district worship chairmen and hostesses who made and carried out the necessary plans. The district Quiet Day this year will be held October 2nd.

I am very grateful for the help, co-operation, and prayers I have leaned upon so heavily in my first year in this office. Every phase of the work has

come to mean a great deal to me. Now I ask your prayers that in the year to come each of us may find our spiritual perception deepened until we see every opportunity for service as a gift from God, and are able with overflowing love and gratitude to use each gift that He may be lifted up and all men drawn unto Him.

ALTAR WORK AND SERVICE OF EXCHANGE

When entering a cruciform church through the vestibule, going down the center aisle, and looking toward a spotless chancel to the altar with its clean, white linen and wrinkle-free silk hangings and gleaming cross, straight wax-free candles and flowers—neatly and beautifully arranged—with an immaculately-vested priest, altar boys and choir there is an atmosphere of reverence, awe, and joy for a congregation of worshippers. They are “glad to be there”.

Very often all this is taken for granted, but there is a nucleus of devoted, faithful, and dependable people who are privileged to work systematically, patiently, and lovingly together to the glory of God and to help worshippers to worship in the beauty of Holiness.

When the minister, who is always the head of an altar guild, has instructed them in a study of church building and history, its furnishings, ornaments, symbols, seasons, and services, together with the lessons they teach, this group should, in turn, be able to answer questions and to stand by, ready to render services quietly to visiting ministers, church workers and strangers by knowing where working materials are and how and when to use them. They take a tremendous load off the rector by leaving him more time for other duties.

At times of bereavement, the joys of weddings and Baptisms, the sacredness of Holy Orders and Confirmation—in fact the preparations for all rites and ceremonies of the Church—the congregation has the satisfaction of relying on the Altar Guild with their information and knowledge in seeing to the comforts and needs of everyone.

We hope every woman will acquaint herself with this group of women who want no thanks or praise, but only the inward satisfaction of knowing all things have been “done decently and in order” and that their work may be acceptable in God's sight and that it will obtain His Blessing.

Here I will have to make a confession. “I have left undone those things I should have done”; however, we have received wonderful financial support from the Diocesan board, St. Luke's Auxiliary, Salisbury, and the Orange District meeting to the amount of \$87.07, with which four sets of linen for Episcopal Chaplains in the Armed Forces were purchased. Each set consisted of one fair linen, one burse and veil, one pall, two corporals, two lavabo towels, and four purificators. In addition to these, the following have also been provided: one set of linen for the Veterans' Administration Hospital in Salisbury and three

kneeling pads, a white and red silk burse and veil, Eucharistic vestments, and a number of small linens for missions.

I appreciate the efforts of all who have been working on the embroidery and hemming of these silks and linens. Thanks to the "North Carolina Churchman" for publishing the "have and have not" column. The results have not come to me; however, I am sure use has been made of it. It is hoped that those who have things they are not using will notify us and that others will express their needs.

It is the committee's desire to care for any Diocesan altars not otherwise provided for, and to extend help in sewing for mission altars. This is valuable educational work. Guilds are being formed in many places to take over the work of one devoted communicant on whose shoulders has rested this care for many years.

INTERRACIAL COMMITTEE

A committee chairman usually longs, to no avail, for the opportunity to go through one year without any complaints and all smooth sailing. However, your Interracial Committee can report just that. It is probable that many branches have much to report in the way of what has been done in their areas to include all parishes and missions in the life of the Church and have simply neglected to let us know.

We are interested in knowing these things and how they were done so that we may share them with others who seek "know-how" and suggestions. We still hold that it is not the big things that need be done, but the little acts of fellowship that grow into a way of life and finally into that "Heaven on Earth".

It is not too late to report whatever your branch has done this past year. We are at your service, and will be glad to have you use us.

Elizabeth D. Koontz
Diocesan Chairman,
Interracial Committee

CHAIRMAN OF MISSIONS

"There are two places in the worship of the Church where we offer our work to God. When our gifts of money are presented at the Altar, they symbolize the work by which that money was earned. And again, when we offer all of ourselves, our souls and bodies, to God, that includes, of course, the work which is such an important part of our lives. All Christians, therefore, must make their offering of work as good, as true, as honorable as possible". So writes Bishop Emrich in his pamphlet "Our Work as a Divine Vocation".

We should make our work for Missions and our Missionaries, "as good, as true, as honorable as possible". We must remember, "We are serving Christ and seeking to fashion forms in which His Body on earth can give witness, and offer Worship". In our Auxiliaries we are increasing our interest in missionary work and, showing our interest by ACTION. Action, such as reading and learning about the lands and people where our Missions are located. Many of the branches have had programs on Missions and have adopted special Missionary Projects.

Our personal interest has increased and the branches are helping many missionaries not assigned to their districts. Money has been sent to missionaries to be used in caring for needy and sick families in their area. Ministerial Students have been aided in their education by money sent from some of our branches. Hospitals and schools have received gifts of money and linen supplies. Lenten offerings were sent to missionaries, money for altar linens was sent to the Armed Forces Chaplains. The Missions in our Diocese have been aided. Schools such as Patterson at Happy Valley and St. Andrews at St. Andrews, Tenn. were helped. The branches have helped the Young Peoples Service Leagues in their Parishes and Missions.

One district reported the years work in outline form and I want to pass on to you some of the things done in that district. For example: (Mecklenburg—Mrs. Thomas Nelson, Chairman of Missions.) AIM: To stimulate, through a program of worship, Education and Action, an interest in "The Extension of God's Kingdom" as expressed in our Woman's Auxiliary prayer.

WORSHIP: Several branches reported having prayers for missionaries and missions at all chapter and general meetings and special prayers for missionaries at other times.

EDUCATION: Each parish reported programs on mission subjects, some of which are as follows: Talk on "The Holy Land", Mission Field, USA, Costa Rica, East from Burma, The picture "Hope of the East", and a talk by Mr. Robert Keen, a missionary home on vacation.

ACTION: Most of the branches reported remembering the missionaries assigned to us on special occasions such as birthdays and Christmas with cards, handkerchiefs and pajamas for Mr. Willey. The branches reported the offering from the Epiphany Corporate Communion sent to Jocelyn Gordon and several guilds have sent extra checks to her to be used to help with her work. Boxes of clothing were sent to the Thompson Orphanage and Matrons and individual students were given gifts at Christmas. Also money for the Thompson Orphanage Christmas stocking and boxes of clothing to Haiti. Thirty Christmas gifts were sent to the Good Samaritan Hospital.

To keep us informed about the work in the Mission fields there are periodicals such as: From Haiti, *Haiti Today*; Alaska, *The Alaskan Churchman*; Liberia, *Liberia Today*; Philippines, *The Diocesan Chronicle*; and many others. Also slides, films and the magazines, *Forth* and *Episcopal Church News*. Also there are books and pamphlets about our home mission fields.

Our towns and cities are growing, adding new housing developments, new

shopping centers, new schools, etc., certainly fields for new Churches. We must meet this challenge for it is the Church that passes on the heritage of devout people.

My sincere thanks to each District and Branch Chairman of Missions, to Mrs. Evans and the Executive Board for their help and confidence. Let us all embody the friendliness of Jesus and pull together in one fellowship.

ATTENTION, Branch and District Chairmen of Missions:

Please send your Christmas checks to your District Chairman of Missions by November 15th. She will send the total amount from her district in a single check to the diocesan treasurer by December 1st. It has been decided that since all our missionaries are equally loved and since districts vary so in size and strength, the total amount received by the diocesan treasurer will be divided among the diocesan missionaries. However, each district will be given credit for the amount sent.

CHURCH PERIODICAL CLUB

Objectives:

To stimulate interest in the C. P. C. program in every branch and have every branch actively participating in the program.

To supply Bibles, Prayer Books and Hymnals, religious literature, books new and used, games and magazines to hospitals, prisons, missions, schools, clergy and lay workers.

SUGGESTIONS TO SECRETARIES:

District Secretaries:

1. If new, obtain all available material from former secretary.
2. Have pamphlets at District Meetings and ask for a chance to say a word about C. P. C.
3. If some branches in your district are not active in C. P. C. endeavor to make them so.

Branch Secretaries:

1. Notify Diocesan Director of appointment.
2. Obtain all records, information and material available from former secretary.
3. Write Diocesan Director for manual if you have none. Study manual.
4. Keep accurate records of accomplishments during year. Fill in and return annual report form in January.

STATE LEGISLATIVE COUNCIL

At Annual Meeting in Tarboro on May 1st the majority of the delegates of the Auxiliary Branches of the Diocese re-affirmed their conviction that through our membership in the State Legislative Council we can take constructive action in matters of social welfare in North Carolina. (See Minutes of Annual Meeting, page 24). This decision carries with it an obligation, however, to inform ourselves on the social problems for which the State Legislative Council seeks remedies, and to support actively as Christian women those measures which we are satisfied are good social legislation.

We do this in three ways: 1. We may, as a member organization, propose a legislative measure or measures, which, if officially endorsed by us will be submitted to the Council's Study Committee when it meets immediately after the General Assembly adjourns. One of our four representatives on the State Legislative Council is always a member of the Study Committee.

2. After the State Legislative Council has adopted a tentative program in November, 1957, from the measures studied and recommended by the Study Com-

mittee—and I might add, these measures proposed by the member organizations are most thoroughly and carefully considered—each Branch in the Woman's Auxiliary in January, February or March of 1958 should, either in Chapter or general meetings, study this tentative program. To enable the Branches to do this, information on the measures included in the Program will be sent to the Secretary of Christian Social Relations of each Branch. Further information, if needed, or a speaker on the subject, can be obtained through your Legislative Chairman or the Executive Secretary of the State Legislative Council, Mrs. Frances Miller, 820 Lake Boone Trail, Raleigh. When all member organizations of the Council have considered the tentative measures and approved them, the Legislative Council will adopt in November 1958 the program which it will sponsor before the 1959 General Assembly.

3. When the General Assembly meets in 1959 we can, as individuals, inform our Senators and Representatives of our support of the State Legislative Council Program. Any members of the Auxiliary who were not in favor of any of the measures can, of course, make known to their legislators their opposition.

This is Christian citizenship. The legislation which results may be far from perfect but in the long run the weight of opinion expressed by concerned, prayerful, loving, unselfish people can build a State "whose laws are love, whose ways are brotherhood, and where the sun that shineth is God's grace for human good."

Foreword

Year after year one of the bright spots in the life of the Bishop Coadjutor is attendance at the Annual Convention of the Woman's Auxiliary. Here we get in a concentrated form the wonderful picture of the work of the women of the Diocese of North Carolina. The clearly outlined effectiveness of this Diocesan organization is reflected in the efficiency with which these meetings are carried out. The devotional atmosphere of the entire procedure is a reflection of the corporate spiritual qualities of the program and the people.

Of course, the impact of this program could not possibly be so acute if it were not for the presence of the people. The gracious Christian fellowship that manifests itself in all that is done and said warms the heart of any discerning person who is privileged to be within range.

So long as the mothers of our children and the wives of our vestrymen continue to work in the Diocese through the Woman's Auxiliary, we can be assured that there will be a vital ongoing program through which to work and to which to give.

Bishop Coadjutor

PRAYERS

THE WOMAN'S AUXILIARY PRAYERS

Almighty God, our heavenly Father, bless, we pray Thee, our work for the extension of Thy Kingdom, and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labor diligently, and give liberally to make Him known to all nations as their Savior and their King: through the same Jesus Christ our Lord. Amen.

Almighty God, whose love reacheth unto the world's end, and who didst send Thy blessed Son to redeem all mankind: Help us, we pray Thee so to reveal Thy love in prayer and work and stewardship, that by Thy spirit all nations and people may be baptized into one body, even as all are redeemed by one Savior; through Jesus Christ our Lord. Amen.

PRAYER FOR MISSIONS

Almighty God, help us, we pray Thee, to shed abroad the light of Thy Church in all the world. Give us greater zeal for thy Kingdom, that we may offer abundantly our prayers, our work, and our gifts; so that the earth may be filled with the knowledge of Thy glory, as the waters cover the sea; through Thy Son, Jesus Christ our Lord. Amen.

FOR GUIDANCE OF THE HOLY SPIRIT

O God, forasmuch as without Thee we are not able to please Thee, mercifully grant that Thy Holy Spirit may in all things direct and rule our hearts; through Christ our Lord. Amen.

PRAYER FOR HUMAN RELATIONS

O God, our heavenly Father, who hast created all men after thy likeness, we beseech Thee to incline thine ear to us as we ask thy help in doing our duty as Christian citizens and as members of thy Holy Church. We acknowledge our many transgressions of thy righteous law and especially our failure to see thine image in all thy children for whose sake thy Son was content to die. Grant that we may follow in the steps of Him with whom there was no respect of persons.

Make us ready to acknowledge the Truth as it stands written in thy Holy Word. Give us courage in our thinking and honesty in our decisions. Lift us above self-interest and prejudice and whatsoever else may hinder us from a just and righteous dealing with our neighbor. Guide with thy wisdom those

to whom Thou hast committed the responsibility of government, that all things pertaining to the relationship of man with man may be settled upon the sure foundation of thy Holy Will as made known to us in thy Son, Jesus Christ our Lord. Amen.

—THE RT. REV. EDWIN A. PENICK, D.D.

PRAYER FOR CHRISTIAN SOCIAL RELATIONS

Jesus, our Master and our friend, who claimest our service through the needs of our neighbors; Grant us so to see thy image in all our fellow creatures that in serving mankind we may minister to Thee, the living Savior of the world. Grant to each one of us, that we may do our part in bringing about an order of society where there is no just cause for discontent or bitterness of spirit, and where every person may be enabled to come to the fullness of perfection for which he was made, through Jesus Christ our Lord. Amen.

FOR THE UNITED THANK OFFERING

O Lord, Our Heavenly Father, we pray Thee to send forth more laborers into Thy harvest, and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept from grateful hearts our United Thank Offering of prayer, and gifts and joyful service; and bless it to the coming of Thy kingdom, through Jesus Christ our Lord. Amen.

Accept, O Father, this joyful sacrifice of thanksgiving and praise, and bless these gifts to the setting forward of Thy kingdom; that as we have gratefully received the benefits Thy bounty has bestowed, so we may cheerfully share them with Thy children in all the world; for his sake whose life and death and rising to life again were a song of praise to Thee, O Thou Most Holy, our Savior Jesus Christ. Amen.

FOR CHRISTIAN EDUCATION

O God, who hast sent Thy beloved Son to be unto us the Way, the Truth, and the Life; grant that we, looking unto Him may set forward the teaching power of Thy Church, to the nurture of Thy children, the increase of Thy Kingdom and the glory of Thy Son, Jesus Christ our Lord. Amen.

THE PRAYER FOR THE SUPPLY WORK

Almighty God, who hast taught us by Thy Son, Jesus Christ, that it is more blessed to give than it is to receive, look with favor, we beseech Thee, upon the supply work of Thy Church especially in this Diocese. Touch our hearts with compassion for the poor, the sick, and homeless, and make us strong to lift their burdens with our ready gifts and service; through Jesus Christ, our Lord. Amen.

PRAYER FOR THE THOMPSON ORPHANAGE

Almighty God, who art the Father of the fatherless, send Thy blessings upon the Thompson Orphanage, instituted in Thy name. Give patience and wisdom to the officers, teachers and matrons of this home, that they may faithfully

discharge the duties committed to their charge. Let the boys and girls grow in grace and earnestness, day by day. Strengthen their bodies, enlighten their minds, purify their hearts and sanctify their wills. Bless all who have contributed to this institution, and raise up, we pray Thee, a never-failing succession of benefactors whose names may be perpetuated through all generations, as a blessed memory, and their good deeds be accepted; through Jesus Christ our Lord. Amen.

FOR THE EVERY MEMBER CANVASS

God our Father, who providest for Thy children in advance of their needs, bless we pray the work of our Every Member Canvass, and grant us all to share in it with glad and willing hearts for the sake of Thy Kingdom, through Jesus Christ our Lord. Amen.

FOR DIOCESAN MISSIONARIES

O Lord and Heavenly Father, without whom we can do no good thing, but with whose help even Thy little ones go forth as the mighty, we beseech Thee to prosper the work of all Thy missionaries, wherever they may be (and especially the work of Thy servant-----). Grant them the wisdom to know and the strength to do Thy will, and bless them with the hope and consolation of Thy heavenly promises, for the sake of Thy Son, Our Savior, Jesus Christ. Amen.

FOR PERSONNEL

Our Father, if it be Thy will, put it into the heart of some young man or young woman of this parish to choose one of the many vocations within the Church for his or her life work, whether it be in our own land or overseas. We pray Thee help each one of us, whatever our calling, to practice it as becomes a Christian in Thy name and with Thy guidance. Amen.

NOONDAY PRAYERS

Blessed Savior, who at this hour didst hang upon the Cross stretching forth Thy loving arms; grant that all mankind may look upon Thee and be saved. Amen.

Blessed Lord, inspire our hearts and the hearts of all men everywhere with the love of God and of our fellowmen, that we may be worthy of world peace. This we pray in Jesus' name. Amen.

FOR WORLD PEACE

Almighty God, from whom all thoughts of truth and peace proceed; kindle, we pray Thee, in the hearts of all men the true love of peace, and guide with Thy strong and peaceful wisdom those who take counsel for the nations of the earth, that in tranquility Thy Kingdom may go forward, till the earth shall be filled with the knowledge of thy love; through Jesus Christ our Lord. Amen.

FOR CHURCH PERIODICAL CLUB

O Lord Jesus Christ, Who art the Light of the World, pour out, we beseech Thee, upon all Thy servants Thy Holy Spirit of Wisdom and understanding that they may know the hope of Thy calling, the riches of Thine inheritance in the saints, and the greatness of Thy power to usward who believe. More especially we pray Thee to direct and prosper the Church Periodical Club that in all its prayer and labor it may be enabled to make the light of Thy glory shine forth in the dark places of the earth. And do Thou of Thy mercy and grace stablish Thy Church in the truth of Thy Gospel who livest and reignest with the Father and the Holy Spirit ever One God, world without end. Amen.

FOR USE BEFORE AND AT THE TIME OF THE ELECTION
OF OFFICERS

O Holy Spirit, Whose guidance and inspiration alone can enable us to fulfill the Will of God, teach us, we pray Thee, the dignity of our missionary work, and give us grace to choose as our leaders those whom Thou dost call to Thy faithful service. To those so chosen give a spirit of reverence in the exercise of their office, and to all of us a deep sense of our obligation in the discharge of every duty, to do all the glory of God through Jesus Christ our Lord. Amen.

BENEDICTION

May the blessings of God Almighty, the Father, the Son, and the Holy Spirit, rest upon us and upon all work and worship done in His name. May He give us light to guide us, courage to support us, and love to unite us, now and forevermore. Amen.

SERVICE OF INSTALLATION OF OFFICERS FOR THE WOMAN'S AUXILIARY

Let those who have been elected stand before the Bishop and then let him say:
It is right and fitting that those who have been duly elected as Diocesan Officers of the Woman's Auxiliary should be formally received and admitted into their respective offices in your presence; and that we should ask the blessing of God upon them for their support and guidance in the performance of the duties which you have laid upon them.

O Lord, save these Thy servants.
Who put their trust in Thee.
Send them help from the holy place,
And evermore mightily defend them,
O Lord, hear our prayer.
And let our cry come unto Thee.
Let us pray.

Our Father . . .

Direct us, O Lord, in all our doings, with Thy most gracious favour, and further us with Thy continual help; that in all our works begun, continued and ended in Thee, we may glorify Thy holy name, and finally by Thy mercy, obtain everlasting life; Through Jesus Christ our Lord. Amen.

Almighty God, the giver of all good gifts; give Thy Grace, we humbly beseech Thee, to these Thy servants who have been chosen to serve Thee in the special work for which they have been selected; grant unto them zeal and earnestness in the performance of their office; wisdom and strength to meet each day their task; and love in the doing of it; and give them the vision to see their opportunities for service, to the glory of Thy great name and the benefit of Thy Holy Church! Through Jesus Christ our Lord. Amen.

Bless us, O God, with the vision of Thy Being and Thy Beauty, that in the strength of it we may work without haste and without rest; Through Jesus Christ our Lord.

I receive and admit you to the office of..... Be faithful, zealous, sincere and humble in all your tasks, and may the Grace of the Lord Jesus Christ and the love of God our Father and the guiding fellowship of the Holy Spirit be with you evermore. Amen.

BENEDICTION

The Father, Son and Holy Ghost bless, preserve and keep you, in your work, in your worship, this day and always, through Jesus Christ our Lord. Amen.

OBJECTIVES FOR THE BRANCHES OF THE WOMAN'S AUXILIARY—1958-1959

Our current theme, *His Witnessing Community*, has given us such a personal challenge toward our responsibilities in all group relationships that we eagerly look forward to deepening this same Spirit in the new theme, *One Family in Christ*.

The Vade Mecum Conference theme, *Come, Holy Ghost, Our Souls Inspire* will serve as a strengthening guide for our worship, study and fellowship.

As our *first* Diocesan objective for 1958 and 1959, may we seek to find purpose, strength and inspiration in corporate and private worship, knowing always that only upon this foundation may we build a dedicated life of service.

As our *second* objective may we appreciate and understand the usefulness of good organization. Good organization provides an orderly and planned means of sharing responsibility. Good organization results in better work done by each officer and member of the Woman's Auxiliary and makes more effective the work of the Auxiliary as a whole. To have a good organization it is necessary for each officer to know fully the mechanics pertaining to her office. It is equally important for this same officer to pass on to her successor the information and responsibilities of this same office. The importance of keeping open and active all our channels of information and inspiration cannot be over-estimated. District and Diocesan officers are elected, trained and informed to serve Branch officers.

Our *third* objective pertains to a long range educational program for the whole Church. The Woman's Auxiliary through experience and interest will be foremost to support and promote the unified parishwide educational program, believing as we do that studying together leads to worship and action together and that the whole leads to closer family and Church relationships.

Our *fourth* objective is to make a careful and thoughtful study of our Budget to understand the usefulness and purpose of our gifts. Each member of the Auxiliary should know how Auxiliary funds are used and the responsibility for sharing this information rests with our program planning committees.

For our *fifth* objective—Let us gladly remember that a unique characteristic of the Christian Gospel is that for it to be kept alive it must be shared, and that this is the purpose for which the Woman's Auxiliary came into being and which must always demand our best effort in thoughtful prayer, study and action.

ANALYSIS OF THE YEAR

1. The fiscal year of the Diocese and the branches runs from January 1st through December 31st because it must coincide with the fiscal year of the National Council.
2. The year of active study and work runs from the first meeting in the fall through the last meeting before the summer recess so as to conform to the plans and material sent out from the National Council.
3. New branch officers should be elected in March so that the names of the new officers can be listed in the new handbook and be considered in the election of delegates to the Annual Meeting.
4. The Annual Meeting of the Woman's Auxiliary of the Diocese is usually held the second week after Easter so as to fit in with the date of the Diocesan Convention of the Church and with the Bishop's schedule.
5. New branch officers should be installed at the last meeting before the summer recess with the new president presiding at the first fall meeting. If a branch

meets during the summer, its officers should be installed at the June meeting with the new president presiding at the July meeting.

6. New officers should prepare in the summer for the coming year of study and action. The program of Christian Education should be prepared at this time.
7. Report blanks are sent to all branches by March 1st. Reports cover the period of time from the previous June 1st through May 31st. Branch reports must be mailed to the District Chairman by March 23rd. Lists of recently elected officers sent in on the reports thus become correct in the yearbook for the longest possible period of the year.

THE PRESIDENT'S ADDRESS

My welcome to you, as your diocesan president and also as a member of the hostess auxiliary, is doubly warm. Fifteen years ago the Annual Meeting of this organization was held here in the Church of the Good Shepherd. Since that time the Auxiliary has grown in numbers and strength, as well as in age.

I wish to present briefly some facts about our work during the past year, which you, the individual members, have made possible. For the fiscal year of 1957 there were 107 branches paying their Central Fund on a membership of 5821 members. In one parish the two branches united to form one auxiliary, and another parish announces that its two branches will unite in June to form one auxiliary. So we have almost reached our goal of only one branch of the auxiliary in a parish. No new branches were organized during the year. The percent of auxiliary members in each parish is small in relation to the total number of women in the parish; and while the reported membership of some branches shows an encouraging growth, too many auxiliaries report the same number of members or even a loss in membership. I ask your particular concern for these facts.

Our 1957 budget of \$15,000 was paid in full with a surplus of \$650.01. Our pledges, Central Fund, and Supply Fund showed an increase for 1957 over the previous year, but our Specials, amounting to \$20,165.73, show a decrease over the preceding year. The gratifying amount of the United Thank Offering of \$24,509.11 and our contributions of \$741.03 through the Church Periodical Club bring our contributions for 1957 to \$61,065.88, exclusive for the most part of the sums spent within the parishes for which we have no record. Sixteen auxiliaries have increased their pledges to the 1958 budget. This is due, I think, to the emphasis of the Treasurer and other officers on the fact that the pledges *arr* the budget. So, financially speaking, the state of the auxiliary is good.

Through parish, district, and diocesan workshops more and more branches are coming to realize that good organization is a necessary framework for a smoothly running auxiliary and brings the greatest returns from the expenditure of money, time, and effort. One of the eight districts, Wake, instituted a Wake District Day after the Vade Mecum Woman's Auxiliary Conference last June. At that time the workshops in all departments of auxiliary work were conducted with 130 members registered. If the methods and information learned at Vade Mecum were passed on by these 130 women to their branches, surely this would seem an ideal way of presenting the program of the Church to "the last woman in the last pew".

However, while contributions and organization are basic and necessary, we now turn to the greater emphasis on worship, study, and service.

There is always ample material available for study; and insofar as we make use of this material, the whole Church is strengthened through our increased knowledge and understanding. Parish evening groups are being organized for study here and there over the diocese but not so generally as is desirable. A considerable part of our membership cannot attend daytime meetings because of having young children to care for or of holding jobs in the business or professional world. Those general meetings and study classes held at night are of great importance in drawing those groups I have mentioned into the life and worship of the Church. Especially do we recognize the need to share our faith and fellowship with the newly confirmed members of the Church. We see a definite growth in the number of prayer groups throughout the diocese, a closer coordination between the periods of worship and the programs, and the effectiveness of following the study of Christian Education with the action of Christian Social Relations.

Through the department of Supply, the Church Periodical Club, the Service of Exchange, and especially through the United Thank Offering do we see evidence of an increasing sense of responsibility for our workers in the field, both at home and overseas. The presence in this diocese in the past months of such missionaries as Miss Rachel Wolff of India, of the Reverend and Mrs. William Draper and of the Reverend Beverly Tucker of Japan has served to focus our attention on these areas and to open our eyes to the unlimited opportunity to share in their ministries.

At the Annual Meeting a year ago we were impressed by the large number of younger women attending an annual meeting for the first time. We are encouraged and pleased by the interest of these women just coming of auxiliary age. And we would not forget to emphasize the concern of the Auxiliary for the college students and the even younger communicants of our parishes.

During the past year as your president I attended meetings of the Executive Board of the Woman's Auxiliary of the Fourth Province in Atlanta and in Charlotte, served on a committee and as a delegate to the Provincial Meeting, reported to the Diocesan Convention of 1957, attended four meetings of the Department of Missions, attended the Woman's Auxiliary Conference at Vade Mecum and the Adult Conference at Kanuga, presided over three meetings of the Executive Board of the Woman's Auxiliary and the Annual Meeting, attended all district meetings in the fall, spoke to a number of branches, wrote eight president's letters to the branches, attended to the Auxiliary correspondence, and attended meetings of a number of standing and special committees.

Last November when the Synod and the Woman's Auxiliary of the Fourth Province met in Charlotte, the women of Christ Church made a great contribution to the success of that meeting. We commend them for this service.

We note the sustained interest of the women of this province in the Episcopal Radio-TV Foundation; the interest of this diocesan auxiliary is evidenced by the yearly item in the budget.

The purpose of this address is to give you an overall picture of the diocesan auxiliary. Presently you will hear from the Executive Board in more detail. I urge you to make greater use of the tools at hand: the periodicals of the Church; the material suggested for study and that in the yearbook; the directives of the president's letters to each woman of the auxiliary; the trained branch, district, and diocesan leaders; and the leadership training conference at Vade Mecum.

I am sincerely grateful for your response and enthusiasm during my three years as your president, for the cooperation of the Executive Board, and for the helpful advice and the encouragement of Bishop Penick and Bishop Baker at all times.

As we near the end of the present Triennium, we humbly believe we have grown somewhat in "witnessing" as individuals and as branches; and as we look forward to the General Convention and Triennial Meeting in October and think of the challenging theme of the meeting, *One Family in God*, we hope that we are growing, however slowly, in an awareness and understanding of "oneness" as children of God.

The President called for nominations from the floor and there being none it was moved, seconded, and carried that the Secretary be instructed to cast a unanimous ballot for the slate presented by the Committee for alternates to the Triennial Meeting, and the ballot was cast by the Secretary.

Mrs. W. H. R. Jackson, Treasurer, gave the recommendation of the Executive Board for the disposition of the evening offering, that the offering be given to the Rev. Beverley D. Tucker of Sapporo, Japan, the speaker at the evening service, for his discretionary fund.

The President introduced Mrs. Caroline Rakestraw, Executive Secretary of

the Episcopal Radio-TV Foundation, who stressed the necessity of, and our responsibility for, getting the word of God and the Scriptures to all people. She stated that many people can not, or will not, get Christian training but can be reached by radio and TV through the *Episcopal Hour*. She told of summer plans to release for radio *The Best of Another Chance*, a thirteen-week series, and for religious spot announcements for radio and TV to be used on special holidays.

Mrs. Anderson, member of the Hospitality Committee, invited those in attendance to the Parish House for refreshments after the business session and also to breakfast in the Parish House dining room after the celebration of the Holy Communion the following morning.

The meeting was recessed until 8:00 P. M.

At the service of Evening Prayer Bishop Penick was assisted by Bishop Baker, the Rev. James McDowell Dick, Rector of the Church of the Good Shepherd, and the Rev. W. H. R. Jackson, Chaplain at the State Prison. The address at the evening service was given by the Rev. Beverley D. Tucker, Rector of St. Michael's Church, Sapporo, Japan.

At 7:30 A. M., April 16th, there was a celebration of the Holy Communion with Bishop Penick as the Celebrant, assisted by Bishop Baker, the Rev. James McDowell Dick, the Rev. James Beckwith, Rector of St. Michael's Church, Raleigh, and the Rev. George Hale, Rector of St. Saviours Church, Raleigh. The United Thank Offering was presented, and those members of the Auxiliary who had died during the past year were remembered before the altar.

The meeting reconvened at 9:45 A. M. After the singing of a hymn, opening prayers were led by the Rev. B. Daniel Sapp, Rector of Christ Church, Raleigh.

The President presented the Bishop Coadjutor, the Rt. Rev. Richard H. Baker, Chairman of the Department of Missions of the Executive Council. He told of the importance of missions to keep the Church alive and stated that the Department of Missions is responsible for keeping 75 missions in this Diocese supplied with clergymen and for seeing that they are led in their work and worship. He stated that in seven and one-half years, seven missions have become parishes and fourteen new congregations have been formed.

Mrs. U. T. Holmes, Jr., Legislative Chairman, presented the proposed Program of the State Legislative Council consisting of six items as follows:

- I. A STATE MINIMUM WAGE LAW
- II. TO AMEND INHERITANCE LAWS IN NORTH CAROLINA TO REMOVE INEQUITIES AND TO PROVIDE EQUAL LEGAL RIGHTS FOR MEN AND WOMEN
- III. CLARIFICATION AND EXTENSION OF JURISDICTION OF JUVENILE COURTS
- IV. TO REQUIRE SPECIFIC PLANS FOR THE CUSTODY AND SUPPORT OF CHILDREN INVOLVED IN DIVORCE PROCEEDINGS
- V. PROVISION FOR SAFE TRANSPORTATION AND REGISTRATION OF MIGRANT WORKERS
- VI. RESTRICTION OF THE SALE OF LYE

As each item was explained, Mrs. Holmes made the motion that it be adopted, the motion was seconded, and delegates were asked to mark their ballots, which had previously been distributed.

Mrs. Frank Forsyth, of St. Paul's, Winston-Salem, read a statement giving reasons for their abstaining from voting on the Program of the State Legislative Council. Delegates from St. Timothy's, Winston-Salem, and Galloway Memorial, Elkin, announced that they would also abstain from voting.

Mrs. E. P. Ripley, Chairman of the Elections Committee, and members of

her committee collected the ballots, counted them, and gave the President their official count. The President announced that all items on the Program of the State Legislative Council had been adopted.

Mrs. W. H. R. Jackson, Treasurer, explained the proposed allocation of the 1957 surplus of \$650.01 as follows:

Outside Diocese—Youth Program, Fort Hall, Idaho	----\$325.00
Inside Diocese—Gift to Miss Lillie Hill	-----\$325.01

She moved that the proposed allocation as recommended by the Executive Board be accepted. The motion was seconded and carried.

Mrs. Jackson presented the proposed budget for 1959 item by item. She moved that the section of the budget proposed for disbursements Outside the Diocese be adopted. The motion was seconded and carried. Mrs. Jackson moved that the section for disbursements Inside the Diocese be adopted. This motion was seconded and carried. She then moved that the proposed budget for Administration be adopted. This motion was seconded and carried.

Mrs. Jackson read the recommendation of the Executive Board that the 1959 intercessory offerings be allocated as follows: that of Feast of the Epiphany in January to Jocelyn Gordon, and that of Ember Wednesday in September to the Diocesan Fund to Train Women for Church Work.

Mrs. Jackson then made the motion that the entire budget as presented be adopted. The motion was seconded and carried.

Mrs. Roy Bowen of Charlotte, Chairman of the Resolutions Committee, read the following proposed resolution:

WHEREAS It is clear that House Resolution 108 (83rd Congress) and Public Law 280 are attempts to deal with complex social, economic, and cultural factors clearly beyond their domain, and with long historical relationships not so easily broken;

WHEREAS these factors of culture, economy, and social relations must be recognized;

WHEREAS under the current Bureau of Indian Affairs Administration it appears to be the policy to order the termination of federal responsibility to tribes with the most valuable assets, many of which have been developed in such a way that any dislocation of the holding will devalue all the property;

WHEREAS the evidences of the inadequacy of current health services are apparent;

WHEREAS although it is the essence of our American form of government that the consent of the people governed be obtained, we find instead Indian organizations and associations protesting the economic and social policies of the Federal Government; and

WHEREAS these organizations have submitted positive, workable programs for building decency and self-government by Indian leadership in co-operation with both the Federal Government and the several State governments, which have thus far been ignored:

NOW THEREFORE BE IT RESOLVED THAT
THE WOMAN'S AUXILIARY OF THE DIOCESE OF NORTH CAROLINA
ASK

1. Congress so to modify House Concurrent Resolution 108 (83rd Congress) that it state positive services to the development of the Indian tribal resources in capital investments, full utilization of natural and physical resources for the benefit of the people, and technical assistance in planning and establishing services to provide for the utilization of the resources.
2. That Congress so amend Public Law 280 that consent of recognized Indian tribal organizations must be obtained prior to any transfer of jurisdiction of Indian reservations from Federal to State governments.

3. That the Relocation Program be so defined as to present to the Indian peoples accurate and true information about Relocation and its attendant responsibilities and satisfactions. That the Relocation Program be not undertaken until all physical and human resources—actual and potential—within the reservation or its environs, fully utilize the skills and abilities of the people. That the above should not be construed to hinder or discourage an individual who may desire to leave the reservation for outside employment or living.

That the Relocation Program be developed in such a way as to give full consideration to the human dignity and value of each individual, including all family members so relocated.

4. THAT CONGRESS ADOPT AS ITS BASIC POLICY OF PRINCIPLE AN AMERICAN INDIAN POINT IV PROGRAM, EMBODIED IN *SENATE CONCURRENT RESOLUTION 3*, STRESSING THAT OUR NATION CANNOT CONSIDER THAT IT HAS DISCHARGED ITS OBLIGATION TO THE AMERICAN INDIAN, UNTIL IT HAS RAISED THE INDIAN COMMUNITIES TO THE LEVEL OF HEALTH AND WELLBEING PREVAILING AMONG OTHER COMMUNITIES OF THIS COUNTRY.

Mrs. Bowen made the motion that the resolution be adopted. After discussion, the motion was seconded and carried.

The President presented Mrs. Arthur LeCraw of Holy Trinity, Greensboro, Director of the Woman's Auxiliary Conference at Vade Mecum in June. Mrs. LeCraw told of Vade Mecum before it became the place of Camps and Conferences, and gave plans for the Conference this summer.

The President presented Miss Sylbert Pendleton of Christ Church, Raleigh, a Trustee of the Kanuga Conferences, who told of the opportunities for fellowship, worship, and study at Kanuga.

Mrs. Jackson, the Treasurer, announced that the Tuesday evening offering, which was to be given to the Rev. Beverley D. Tucker, amounted to \$186.50. Mrs. E. Dudley Sanders, United Thank Offering Custodian, announced that the offering at Holy Communion on the morning of April 16th was \$118.89.

Mrs. Angus McBryde of St. Philip's, Durham, Chairman of the Courtesy Committee, presented the report of that Committee. The report was accepted.

The President announced that the Annual Meeting of the Woman's Auxiliary would meet in 1959 at St. Paul's Church, Winston-Salem.

Mrs. Anderson, member of the Hospitality Committee, was presented and invited those at the meeting to lunch in the Parish House.

After the service of installation of new officers, conducted by Bishop Penick, Mrs. Evans presented the gavel and the President's cross to Mrs. T. P. Thomas. After a brief speech of acceptance, Mrs. Thomas announced that Mrs. Charles P. Franklin would serve as Secretary for the Auxiliary.

Bishop Penick gave his address to the Annual Meeting and pronounced the benediction. The Seventy-sixth Annual Meeting of the Woman's Auxiliary was then adjourned.

COURTESY AND FINDINGS

As we near adjournment of this, the 76th Annual Meeting of the Woman's Auxiliary of the Diocese of North Carolina, we are filled with a sense of gratitude and privilege to have shared these two days of fellowship in service.

So it is with particular pleasure that, in behalf of delegates and visitors, we express our very real appreciation and sincere thanks to those who have made this meeting possible:

To the members of the Church of the Good Shepherd, its Rector and Staff, whose lovely church has been the setting for our services and sessions. To the members of our hostess Branch whose four years of planning has brought forth abundant fruit. Their warm welcome and gracious hospitality have made us comfortable and happy, and their "spring tonic" has proved a most potent elixir! To our hostesses who entertained us in their homes, the First Presbyterian Church that assisted in luncheon arrangements, and the pages who add a practical and delightfully youthful touch.

To our Bishops, Clergy, Auxiliary and Church leaders who have brought to us a thrilling picture of our Church at work, and given us glimpses of our hopes and plans for the future.

Lastly, we would like to take this opportunity to thank our retiring officers for their splendid leadership for the past three years. To Mrs. Evans, who has so beautifully presided over this meeting, and who has given unstintingly of her time and talents, and a deep devotion to a very demanding job. And to Mrs. U. T. Holmes, 1st Vice-President, Miss Dolores Pitt, 2nd Vice-President, Mrs. Graham Andrews, Secretary and Mrs. Allen Surratt, Chairman of Christian Education—all of whom has served so well and faithfully and inspired us to greater effort.

For all of these people, places and things we offer ultimate thanks to our Father, in whose name we service.

Priscilla Gregory McBryde
Chairman Courtesy and Findings Committee

RALEIGH, N. C.

January 22, 1958

Mrs. W. H. R. Jackson, Treasurer
 Woman's Auxiliary of the Diocese of North Carolina
 840 W. Morgan Street
 Raleigh, North Carolina

Dear Madam:

We have examined the books and records of The Woman's Auxiliary of the Diocese of North Carolina as of December 31, 1957. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

Practically all of the receipts of The Woman's Auxiliary of the Diocese of North Carolina consist of contributions, over which no accounting control can be exercised prior to their initial entry in the accounting records.

With the above explanation, in our opinion, the accompanying Exhibits and Schedules, as set forth in the Index next following, present fairly the financial position of The Woman's Auxiliary of the Diocese of North Carolina at December 31, 1957, and its operations for the calendar year 1957.

Respectfully submitted,
 R. L. Steele & Co.
 Certified Public Accountants.

INTERCESSORY OFFERINGS — CORPORATE COMMUNIONS:

Feast of Epiphany—January—Jocelyn Gordon

Ember Wednesday—September—Diocesan Fund to Train Women for Church Work

REPORT OF SECRETARY CHRISTIAN EDUCATION 1957-1958

The beginning of a new Auxiliary triennium calls for evaluation of the old and particularly of its concluding year. Women of the diocese have had splendid opportunities to discover in this triennium what the Christian mission is in a revolutionary world, where "humanity is asserting itself against all that destroys humanity."

They have recognized through study some of the neediest mission fields in the United States: Indian Americans, migrants, juvenile delinquency, race relations, ministry to the aged, ill, infirm, underprivileged, institutionalized. Then in many instances they have moved to meet needs. We *are* learning "how to use the existing divisions of the Department of Christian Social Relations and not only how to use public agencies but to strengthen and support these agencies by our serious study and cooperation."

We have come to understand better the people of Southeast Asia and the place of the Church among them. This year one third of our branches have looked at Japan and studied the implications for all Christendom of its multiple religions, achievements, shortcomings and new directions. "Christ, the Church and Race" has been studied by more branches than any subject except Japan and in ways that have led to new insights and to affirmation with Bishop Bayne that "the judgments of the Lord are still true and our hopes are secure." 15 branches reported study of the theology of missions or of specific fields in which the Episcopal Church works. Such imagination and care went into presentation of mission programs that 10 branches reported them their most creative of the year, 17 their most interesting.

The Triennial theme, *His Witnessing Community*, declared above everything else that God is the primary fact and that he must come first in all our plans and work. This meant greater emphasis on prayer, worship and Bible study. 27 groups this year reported study of such topics in the field of worship as prayer, the PRAYER BOOK, the Church's Teaching volume, THE WORSHIP OF THE CHURCH, and Holy Communion. In the last instance, study led one branch to decide to institute a celebration preceding all general meetings. Thrilling indeed was the report that described as one branch's most creative programs, "those that have helped to make our worship more meaningful."

With 24 Biblical studies reported, we have yet need for further education in God's Holy word. How else can we have a *growing* knowledge of Him and of His purpose for the world?

We met our obligation to General Convention to study the Church of South India through distinguished and authoritative addresses to large groups of women by Bishops Baker and Lichtenberger and through 18 branch studies. Thus we share in the great ecumenical movement of our times.

Churchwomen use their United Thank Offering as the tangible sign of their gratitude for strength and serenity to meet the demands of life and for daily blessings. In view of our Diocesan Custodian's report that only one half our women are using their blue boxes, we need more study of this vital part of the Church's program than the 14 sessions reported. We would teach *all* women how this recognition of blessings received from our loving Father can keep clear and steady the flame of joy that each Christian has in the center of his being.

We can rejoice over progress made in number of members participating in the educational program. We have yet a long way to go to reach the goal of participation by every individual. We have taken encouraging first steps in the direction of one unified adult educational plan for each parish.

I hereby conclude a wonderful, heart satisfying experience, which the Auxiliary

has given me, and for which I shall ever be grateful. At the end of the day, I am the most happy to say that I feel we have been together in closeness of fellowship and mutual concern for growth in grace that indicates true desire to learn to build a community that lives by God's power.

Elmina Hearne Surratt

CHRISTIAN EDUCATION

As we think and plan our study and service for the new triennium with the theme, "One Family in Christ", it is clear the key word will be *Unity*. From the beginning Christ's people have been struggling to keep or regain unity in the face of the divisive forces always at work. "It is high time the average member of the churches begins to share in studying and feeling responsible for the disunity of Christendom, and harkens to God's call to help with the great task by working along every line possible toward unity. It means enlisting the laity, not only in their prayers, but in their active participation, for speeding the fulfilment of Christ's prayer 'that they may be one, even as we are one'. The response lies with each individual Christian." So writes Dr. Kennedy in his book, *Exploring Paths of Church Unity*.

After the Triennial Meeting in October, the addresses, talks, and discussions, based on the theme, "One Family in Christ", will be made available.

The Middle East and Christian Concerns of North American Neighbors, are the mission study themes for 1958-1959. "As we become convinced of the fact that God alone is the cure for the brokenness of our world, we see anew the urgency of missions in our day." It is hoped that the study of these two themes will increase our understanding, reduce our tensions, and draw people into a closer fellowship with one another.

It is proposed that there be one unified adult program in the parish. A program planning committee with representatives of the Laymen's Association and the Woman's Auxiliary, with the Rector as advisor, could determine the needs and interest through a survey, then plan programs for adults on a parish-wide basis. Remembering that the programs are the life of the parish, and that Christian Education is involved in everything the parish does, the committee should seek to plan each meeting to inspire, inform, and present opportunities for action.

When planning for the adults of the parish, whether the group be a study class, the Woman's Auxiliary, or the Laymen's Association, the long-range objectives are the same. Opportunities must be provided to: (1) Help the adult to become a new man in Christ. He must understand the full meaning of the Gospel for himself, in his individual circumstances, in order to respond in a Christian way; (2) Assist the adult, through his participation in a variety of learning activities, to grow in his understanding of and concern for the nature and heritage of the Christian Church; (3) Help the adult to do his share within the community of God's people to fulfill the mission of the Church to all mankind.

Christian Education is for all of God's children, regardless of age. By learning together and working together, may we move forward toward our goal "— to make Him known to all nations as their Savior and their King."

CHRISTIAN SOCIAL RELATIONS

When I began my study of the reports of the work done in this Department of the Diocesan Auxiliary this year, I was reminded of those little kaleidoscopes we had as children when all sorts, shapes, and colors rushed around madly before forming a beautiful pattern. We have done such a variety of things that it is interesting to see that, while some branches have neglected some fields, as a Diocese we have been concerned in all "Five Fields of Service" and that we are realizing more and more the importance of Social Education as a means of increasing and properly directing our Social Action.

It is gratifying to see that we are emphasizing our duty to our neighbor and leaving "the red carpet" out of our reports on work done in the parish. Instead we are assisting the Rector in visiting and making newcomers feel accepted in the Church. Isn't the Church Welcome-Wagon a good idea? And what a help those church baby-sitters must be. Giving real thought to the needs of a Parish has resulted in assisting the Rector to minister effectively to the people in his congregation and contributions to his Discretionary Fund have enabled him to smooth over more than one rough spot.

A session with the Superintendent of Public Welfare has given one group of women the opportunity to plan intelligently the work they will do for their community. One Branch was especially commended for its gift of money to be used as an allowance for school age children in foster homes. The work of some of our branches with the retarded children is one of the finest things that we do.

Support of the Thompson Orphanage was of interest to practically every branch. Let's try to make this participation 100 percent next year. The smallest branch can send birthday cards or simple letters to a child who would like to receive mail. One Branch sent Symphony Concert tickets to some children who were especially fond of music. See what imagination can do?

It was disappointing to know that no one reported any work with the Clergyman who works among the deaf in this Diocese. Perhaps a program on this subject at one of our meetings would give us a better understanding of the work and of our opportunities to help. We have urged everyone's interest in the proposed Home for the Aging, with many reporting action on this. Our Execu-

tive Board sent a resolution to the Committee on Location, asking that it be placed where the residents can get to church, shops, movies, etc. independently.

Medical supplies continue to flow all over the world and letters from the recipients express deep gratitude and a hope for continuation.

Reports of the study of *The Church in South India*, *Christ, the Church and Race*, and *The Church in Human Affairs*, have come in—but not enough. As Mrs. Surratt said of the Christian Education reports of these studies: "We have come a long way but we still have a long way to go."

Through our contributions to the Presiding Bishop's Fund For World Relief, to CARE, to the Share our Surplus, we have aided the Protestant Episcopal Church in settling 5,000 refugees in this country, and in cooperation with the World Council of Churches we have assisted refugees in other countries. We must keep up our work in both of these areas. Our National Department of Christian Social Relations says it would seem that the world is asking the Church: "Do you have an answer to give to people and to nations in a world with 40,000 refugees and at a time when the lights of freedom seem to be going out one by one?" In a lecture which I heard given by Dr. Arnold Toynbee, he said: "Our task is to make God our center instead of ourselves—and in our time to live as good neighbors in spite of differences in religion, ideology and race." God grant that we may be equal to the task.

SUPPLY

It is with a heart full of thanks and gratitude that I finish my first year as your Supply Secretary. This year has been a busy one, getting to know you and learning what a wonderful job our Supply Department does. Let me take this opportunity to thank each of you for your wonderful cooperation.

The objectives of the Supply Department are as follows:

1. To complete our National assignment.
2. To furnish Thompson Orphanage with new and good used clothing for children from 6 to 18 years of age. Also sewing for the Orphanage when material is available.
3. To send used clothing to Tuttle Community Center in Raleigh.
4. To participate in the Sewing Program when possible.
5. To have each branch President report to the Diocesan President the branch membership and the request of the branch for a sewing assignment.
6. To financially support the work of the Supply Department by sending 50¢ per member to the Diocesan Treasurer.
7. To have each District Supply Secretary serve as a link between the Diocesan Supply Secretary and the branch Secretaries, by receiving and distributing the Supply assignments.
8. To have each Supply Secretary plan for the completion of the Supply assignment. To see that the articles are sewed, pressed, packed and shipped. To make arrangements for the Spring and Fall Ingatherings of good used clothing. To send reports on Supply assignments completed to the District Supply Secretary.

For 1957-58 our National assignment outside the Diocese has been to furnish Ascension Mission, Manait, Puerto Rico, all types of clothing suitable for a temperate climate. Inside the Diocese to furnish articles requested by Saint

Agnes' Hospital, Raleigh; Good Samaritan Hospital, Charlotte; and Tuttle Community Center, Raleigh. We were also requested to send good used clothing to Thompson Orphanage and Tuttle Community Center. This year we have also been sewing for Thompson Orphanage when material has been available.

In 1957, 74 branches completed 1728 articles in the Sewing Program. We purchased 1268 additional articles. Total number of articles furnished amounted to 2996.

PERSONNEL AND COLLEGE WORK

PERSONNEL

Personnel and College Work are really two separate, though somewhat related, jobs. This fact is confusing to Secretaries who are taking over this double-headed responsibility for the first time. Personnel is another name for recruiting. It consists of keeping the women of the Church aware that the Church needs professional women workers, and that there are opportunities for careers for women in the Church. Reports from the Branches indicate that most Branches have confined their efforts along these lines to providing programs on careers in the Church for their Young People's Service Leagues. Some have included such programs in their own meetings; a few combining this emphasis with their mission study. This is a good idea if it is kept in mind that there are careers for women in the Church beside those offered by the mission field.

Many Branches seem to feel that as their members are for the most part mature women who are already settled in their careers, whether it be that of housewife or business or professional woman, there is no need in their program for a consideration of the Church as a career. This is a mistaken idea, however, for it is only as all the women in the Church, particularly those who are the mothers of daughters, know about these things, that girls and younger women can be led to learn about them.

An opportunity which all Branches should follow up is that offered by the vocational guidance programs being developed by our high schools. Many girls are already thinking about choosing their careers while they are still in high

school. This is the time to present the claims of Church work as a career to them. Posters, bulletins, and leaflets are available for this purpose. Write to your Diocesan Personnel Secretary for copies, and for suggestions as to speakers.

The Branch Secretary of Personnel should inform herself as to the various training programs which are available for women who wish to go into Church work. These are the Apprenticeship Training Program, the Training Program for Parish Assistants in Christian Education, and the two year graduate programs at Windham House and St. Margaret's House. Write to The Woman's Auxiliary, 281 Fourth Ave., New York 10, N. Y., for information about these programs.

COLLEGE WORK

Reports from the Branches indicate that most make some effort to keep in touch with their own young people who are away at college. The means most often used is sending them the weekly bulletin and other news of the parish. Some include copies of *Forward Day by Day*. Some send birthday cards and other personal messages. A good many Branches have corporate communions for their college young people; some have a dinner for them in addition. Many make a point of using their college boys as ushers and acolytes when they are at home for holidays.

A much smaller number of Branches have given expression to their responsibility for college young people who are not of their own parish. Branches located near colleges where there are Student Chaplains have assisted these chaplains in various ways. In college communities where there is no Student Chaplain Branches have done what they could to provide a Church home away from home for the students. A few Branches have shared in this general responsibility by making a contribution to one of the student centers. The Diocesan Woman's Auxiliary made a substantial contribution to this cause when it gave \$1,000.00 to the Duke Student Center this year, from the Diocesan budget. Plans are under way to make another substantial contribution next year through helping with the salary of an Apprentice Student Worker for women students at Chapel Hill. This money will come from the Scholarship Fund for Training Women for Church Work (the Ember Day Offering), since it will not only be a contribution toward student work, but also, of course, training for the Apprentice Student Worker in question.

and College Work

THE UNITED THANK OFFERING

Did you realize the United Thank Offering is sixty-nine years old this year? Since it was begun in 1889 it has grown from the relatively small amount of two thousand dollars to more than three million when it was presented in Honolulu in 1955. Now we are looking forward to see what the increase will be in Miami Beach this fall. We may well be proud of the part the Diocese of North Carolina has played in the growth of this offering. The total amount of our offering in 1957 was \$24,509.11 with twenty-four branches having 100% participation, six of these being at both spring and fall gatherings. However, let us not look back to what has been accomplished but let us look forward

to the coming years when we may open the door to many, many more of our auxiliary members to experience the feeling of satisfaction which can be theirs after their offering of thankfulness has been sent on its way to do its job.

There are many new Episcopalians among us as well as young girls and women who are just beginning to be interested in auxiliary work. These are the ones to whom we must explain the meaning of the United Thank Offering and its use. This cannot be done entirely by our parish custodians or through auxiliary programs though these play a large part. Great help is needed from every member who understands the use of her blue box to pass the word on to those who are yet to realize what its use can mean to them. We must try first by a personal call to place a blue box in the hands of all members and then follow up this beginning to be sure the offerings of thankfulness are being placed in it, with a meaningful prayer. Then when our ingatherings are held in the fall and spring we should invite these members to accompany us to the service where they may know the wonderful feeling one receives when her voluntary offering of herself is placed on the Altar.

In the past two years it has been my purpose to get some statistics on the participation of the women in the Diocese. Through perseverance most of this information has been obtained from most branches. It has been learned from these reports that slightly more than half of our auxiliary members are participating in the offering. Next it is hoped we can find out how many attend the Ingathering Corporate Communion. When you realize how many women are not being reached you see the work ahead. The instructions for procedure before each ingathering are sent in my letters in August and February. Please keep these letters and go by them. Each parish custodian will send a letter to each member of her auxiliary with a blue envelope enclosed for the presentation of her offering. The parish custodians are requested to order all supplies from their district custodian.

Make your presence felt in your auxiliary in whichever way you feel is best and is easiest for you. Material for announcements about how and where the United Thank Offering is being used may be found in all the church publications. Keep your eye out for them. Come to Vade Mecum. After the Triennial in October there should be a great deal of material on plans for the use of the offering during 1958-1961.

There is a great job to be done. Let us put our shoulders to the wheel and go forward!

Helen Boykin Sanders
Custodian of the United
Thank Offering

YOUNG PEOPLE'S WORK

Let's take a new look into what this office entails in our local branches. The Chairman of Young People's Work in the Woman's Auxiliary is not to run the Youth programs for the Parish but to keep the members of the Auxiliary constantly aware of the needs and activities of the Youth organizations functioning in the Parish. As chairman you should always be ready to suggest to the women of the auxiliary the type of help which is needed by the Young People. For example, you might encourage parents of Young People to worship with them in church, particularly at the service of Holy Communion. Help the Mothers and all women to see how important this is in the life of a young person.

You can stress the fact that the Young People's organizations are not separate

and apart but as a Church we are one Family in Christ. Look on them with Love and understanding. If we do these things we will be complimentary of their good works and deeds and give them our full support in any of their fund raising or other activities, be friendly and make them feel at home always.

Talk to your Rector and the advisors and tell them the Auxiliary is interested and wants to help in any way when requested help is needed. If you are not interested in this Youth movement resign in favor of one who is. As a chairman you are interested in Young People in your Parish, in turn you will interest the women of the Auxiliary and we will have more active young people interested in a life of Christ and how we can give of our time and energy in a more useful way helping build a better youth.

A Church is a dead Church without young people and young people need adult leadership that is active in the Church, by our example and the Christian way of life they recognize in us.

Helen C. Lofton
Chairman of
Young People's Work

WORSHIP

"Let your light so shine before men that they may see your good works and glorify your Father which is in Heaven." Matthew 5:16.

That counsel to His followers was never meant by Christ to apply to alms alone, although its frequent repetition as an offertory sentence may make it seem so to us. For me, it sums up the purpose and responsibility of the Worship Program of the Woman's Auxiliary. If the spiritual life in a branch is deep and strong, each member knows that the light of knowledge, of concern for others, and of good works only shines because the motivating force and power of God is at work within, and to Him alone belongs the glory.

The reports sent in this Spring indicate that almost every branch has begun and ended meetings with prayer, one with Holy Communion; and that the devotions are planned around the educational program to be presented. This involves work on the part of the Worship chairman; she must find suitable passage of scripture, prayers that acknowledge the presence of the Holy Spirit and seek that guidance, and prayers that offer the group to God for His purpose. She must be articulate enough to show that the subject matter for Christian Education is chosen and studied so that the members may be informed instruments of God in carrying out His work in the world. Participation in the many avenues of service offered through the Auxiliary, as well as in myriad money-making ventures, all are done prayerfully in recognition that it is to be accomplished by co-workers with God for the extension of His Kingdom. Closing prayers ask His blessing on all undertaken in His Name.

Unfortunately, every branch does not do its work in this spirit. Some actually omit the worship portion if much business looms on the agenda; others use the same prayers over and over with no attempt to make them meaningful to the work at hand; others resort to published devotions such as those in FORWARD DAY BY DAY that are excellent in themselves but not necessarily pertinent to that particular Christian Education program or the activity underway.

I cannot undertake my final year in this office without a plea to every single president, to every worship chairman, and to every woman to make it obvious to all who "see your good works" that we are more than an efficient organization, more than a group of do-gooders, more than a social outlet—we are more than

the sum of all that we can imagine ourselves to be. For we are the Body of Christ, and unless we keep ourselves constantly aware of that fact, we have failed of our purpose. The spiritual life of the branch should be the strongest, deepest, most emphasized part. It is the nerve system through which the wishes and commands of Christ, "the Head over all things in the Church" (Ephesians 1:22) is carried to the members of the Body in order that action for Him can be taken in the temporal world.

Plan your worship program prayerfully after discussion with the Christian Education chairman and your rector; however, do not let the spiritual life of the Auxiliary be confined to guild meetings. Inspire, cajole, and escort members to attendance at the Corporate Communion (September 17 and January 6 in the year ahead); to World Day of Prayer, May Fellowship, and World Community Day. Begin in late summer to interest others in the experience of Quiet Day, September 24. Plan a parish Quiet Day or Quiet Hour during Advent and/or Lent. Your rector will help you with this if you start it far enough ahead.

There has been a definite increase in Bible Study and Prayer Groups among members of the Woman's Auxiliary in this Diocese this year. Was your branch represented among them? Some write that they "do not know how to get started." I must answer that there are probably no two groups alike. Start with prayer and "two or three gathered together". Read, think, and pray. In Bible study fall back on a Commentary after searching first among yourselves for meaning. Ask your rector's advice and God's blessing and you will find your group and your life enriched.

The successful worship program of a branch would include among good works seen to glorify God a growing number of women who withdraw from the world, and the worldly, for at least a few minutes each day to read, pray and meditate. Those who find the time find peace, joy and fulfillment.

If I can help any of you, please write. This year I will once again have information and display material available at Vade Mecum. I will send out a report and specific suggestions for programs on given subjects, as well as general suggestions to help you in your planning. Through your district worship chairman and THE NORTH CAROLINA CHURCHMAN, reminders will come to you of special opportunities for spiritual emphasis in your branch. With the usual excellent cooperation of the clergy, to whom we are always so grateful, Quiet Day plans will be made and published in time to permit your branch to participate fully.

Finally, my prayers are with you, as I ask yours, that your work be so effective that the light may shine as never before, and that your good works may truly witness to the Holy Spirit working within you so that the glory may be God's, forever.

Mildred Thorp Draper,
Chairman of Worship.

ALTAR WORK AND SERVICE OF EXCHANGE

The Committee on Altar Work and Service of Exchange consists of a chairman from each district. Your Diocesan Chairman has written each of them, asking for suggestions and reports from branches. We found there is interest in beautiful hangings and well organized Altar Guild work, preparing the sanctuary of God with care and reverence.

These are some of the specific responses our Committee has received:

1. Forty-eight women replied, seeking information and instruction.
2. Twelve "Have and Have-Not" requests were received. Some of them we were able to grant and others we gave to the *North Carolina Churchman* to publicize the needs in our diocese.
3. The response for a request for funds was received, with which we gratefully were able to provide linens to missions.
4. Letters of thanks came from many. To mention some: From St. Philip's, Salisbury, for a burse and veil, a protector and the embroidering of a fair linen; from the Rev. O'Kelley Whitaker, for a set of linens; from the Veteran's Hospital, Salisbury, for a reversible red and white communion set, consisting of chasuble, maniple, stole, burse and veil; from the Rev. Porter Brooks, Hospital Chaplain, Tokyo, Japan, for a complete linen set made for the Armed Forces Division at 281.
5. A Work Shop was held at Vade Mecum last summer, with the assistance of Mrs. Arthur LeCraw and Mrs. W. D. Boles.

Your Chairman has had the privilege of visiting Sacristies and Altar Guild meetings in nine states, as well as in our own diocese. A lecture on flower arrangements in the Church proved helpful, with the suggestion that all flowers be arranged in the vases in the Sacristy, the number to be judged by the size of the Altar. Both vases should have an upward look, and be as near alike as possible, not extended in front of the cross, and should be no higher than the arms of the cross. Flowers should not be left to die on the Altar; should be taken to the sick, or shut-ins. Empty vases, artificial flowers and potted plants have no place on the Altar.

It is a privilege to serve our Lord at His Altar and your Committee is grateful for the privilege. The reverence, devotion and joy which a member of any guild brings to her work are a real contribution to the spiritual life of the parish—and it is in that spirit that we wish to serve Him and you.

We hope you will report to your District Chairman your needs and activities.

Dora Egger Swanson
Chairman of Altar Work and
Service of Exchange

THE INTERRACIAL COMMITTEE

A major step has already been taken by the Executive Board. This action recommends that brochures concerning the summer conference at Vade Mecum be sent to invite all the women of the Church to the conference. This participation will encourage a more informed, more effective membership as well as leadership.

You ask: "What can we do to help?" *Help* is a two-way proposition. Those needing it must be aware of their need and be willing to request and receive assistance. Similarly, those in position to render this assistance must know the areas in which their assistance may be needed—and offer it.

The *first* problem seems to be one of awareness. A simple evaluation of the branch program and a comparison of it with others of similar needs may well be a beginning point.

Second, the district chairman may include in her plans for the year a meeting of branch presidents in her district, at which time activities may be discussed and suggestions offered.

Third, the presidents of the Negro branches may request visitation by Diocesan

or District officers to give leadership to local chairmen or secretaries of the various departments.

Fourth, though small in number, Negro branch officers must know the work of their diocesan counterparts and work to promote active participation in the general program.

Fifth, we must all realize that help or assistance need not be great, showy displays, nor formally arranged programs. Fifteen minutes of informal chatting on the "know-how" of promotion interest, membership and participation; a telephone conversation to pass along some unique idea or plan; or an exchange visit among branches may be very effective.

The key persons in effecting greater participation in the Diocesan program are still the individual members of the branches and the district officers.

Elizabeth D. Koontz, Chairman
Interracial Committee

MISSIONS

It was with great concern and regret that the members of the Woman's Auxiliary learned last Fall that Mrs. J. A. Brown, our Diocesan Chairman of Missions, had been compelled to resign on account of her health. However, it has been obvious to all of us that Mrs. Brown's work in no way stopped with her resignation. The wide interest in Missions which has been evident in nearly every branch throughout the year was stimulated and inspired by her, and we are all grateful for her guidance. Our prayers and good wishes are for her continued and complete recovery.

There has been much interest in the work of the Church in India. The Church of South India was the subject of an enlightening talk by Bishop Baker at the Annual Meeting in Tarboro in 1957. The same subject was vividly presented to the delegates to the Provincial Synod in Charlotte by Bishop A. C. Lichtenberger, and India was made more personal for us by Miss Rachel Wolf who spoke at all the District Meetings last Fall. We are kept so well informed by Miss Jocelyn Gordon of her varied experiences in Etmadpur and, through our correspondence with her and Miss Wolf, India has become as vivid to most of us as any mission field. Miss Gordon is working officially under the auspices of the Church of England, while Miss Wolf is now affiliated with the National Council. Many branches have identified themselves with the work in India by sending special gifts of money, used Christmas cards, clothing and other items, and we are all able to help through our prayers, through our Christmas gifts and through the Epiphany Corporate Communion offering which is given for Miss Gordon's work.

The other major area of mission study during the past year has been Japan. The Rev. and Mrs. William Draper, who were home on leave, told many groups of their work there. These talks were supplemented by further study, by movies and film strips and interest has increased throughout the year. Various gifts, including kindergarten supplies have been sent to Japan to the Rev. and Mrs. Draper, and a final highlight was the address given at the Annual Meeting in Raleigh by the Rev. Beverley Tucker describing his life and work in the Japanese Church.

Several branches had the good fortune to hear the Rev. Lewis Hodgkins speak of his work in Alaska, while the Philippines, Liberia, Brazil and Haiti were among other mission fields which were studied and helped with gifts of money, clothing, magazine subscriptions, school supplies, Christmas cards, etc.

In reading the branch and district reports, one is repeatedly impressed by remarks such as "We try to stress the importance of Christian witness where we are as a tremendous missionary opportunity". In this we have wonderful examples in the lives of the missionaries, both active and retired, who live in our diocese. The work of the Rev. James Fortune is a perpetual inspiration to us and, along somewhat the same lines, there is a report from one branch of study on missions for the blind. Special schools, hospitals, prison camps and sanitarium have all been mentioned in connection with local missionary outreach and, while these activities might more accurately be classified in a report on Christian Social Relations, they do represent the missionary spirit of our branches. We rejoice that Miss Lillie Hill was the Tri-City Woman of the Year for 1957. Miss Lillie's work has in large measure been responsible for the awakening of many of us to the possibilities of service around us.

At the Annual Meeting this year Bishop Baker outlined the plan now being implemented by the Diocesan Board of Missions to help the mission congregations take their place more effectively in the family of the Diocese. There is endless opportunity and need for missionary outreach by all members of the Auxiliary in these smaller groups, as well as in the parishes, to extend the fellowship of our Church to those around them.

Bishop Baker will represent our Diocese at the Lambeth Conference this July and, by following the course of this conference closely, we shall learn of the world-wide missionary efforts of the whole Anglican Communion. The recommended study for the coming year "The Middle East" will bring a new aspect to our thinking about that area. Our fuller understanding of the Church's efforts there will be added to our attempts to understand the historical, economic, political, ethnic and geographical complexities. Informed Christian concern can do much to enlighten our attitude. Perhaps, though, from a personal standpoint, study of "Our North American Neighbors" will be more appealing. The lands in which so many of our missionary friends live and work will be covered by this study and, as a result, we should be able to help and work with them more closely and effectively.

NOTES FOR BRANCH AND DISTRICT CHAIRMEN OF MISSIONS

Please send your Christmas checks to your District Chairman of Missions by November 15th. She will send the total amount from her District in a single check to the diocesan treasurer by December 1st. It has been decided that since all our missionaries are equally loved, and the districts vary so in size and strength, the total amount received by the diocesan treasurer will be divided equally among the diocesan missionaries. However, each district will be given credit for the amount sent.

Form to be used by District Chairmen of Missions when sending cash Christmas Gifts to the diocesan treasurer:

THE CHURCH PERIODICAL CLUB

The Church Periodical Club is a channel for sharing. It fulfills an important function because it is the channel through which reading material goes from those who have it to those who do not, but desperately need it.

What do we share? — Books, magazines, games, puzzles, scrapbooks, better comics, music, Church School material, greeting cards, friendly letters.

Where do we share? — As close as our next door neighbor, or as distant as trains, planes or ships can carry. In our own diocese—in foreign lands—in Mission Schools—hospitals, homes for children, aged or handicapped—prisons—shelters for seamen—veterans' centers—libraries.

Why do we share? — — To give what we have in abundance to those who would otherwise be without. To cheer the lonely, shut-ins or isolated. To help in the educational and spiritual work of Christianity. Sharing promotes friendliness and good will.

SUGGESTIONS TO SECRETARIES:

1. Notify Diocesan Director of appointment and request literature if needed.

2. Keep accurate record of accomplishments and fill in and return annual report form in January.
3. Send monetary contributions directly to Diocesan Director of C. P. C. and not to Diocesan Auxiliary Treasurer. All money received after December 23rd will be credited to the following year's report.

Through the Books Fund, built up by the parish gifts and administered by a National Committee, specific requests for theological, medical and other needed books are supplied to our Church colleges, hospitals, schools and clergy in the United States and missions all over the world. As one of the great missionary enterprises of the Church, it furnishes Church workers the necessary tools with which to carry on their work, and in many instances provides their only means of recreation.

Sixty-six branches participated in Church Periodical Club work this year, distributing more than 25,000 books and magazines. A total of \$741.23 was spent by the branches in carrying on the work—\$558.97 of this amount was contributed to the Books Fund. Each Branch is urged to appoint a C. P. C. Secretary and become active in this important field of extending Christ's Kingdom.

Helen R. Easty,
Director, Church Periodical Club.

STATE LEGISLATIVE COUNCIL

As your representative on the State Legislative Council I attended one meeting of the Study Committee of the Council in September. A previous meeting of the Study Committee in June which I was unable to attend had authorized various member organizations to study proposed items for the 1959 Program and report their recommendations to the September meeting of the Committee, at which time the Committee drew up its report for the Annual Meeting of the State Legislative Council in November.

I attended the November meeting of the Council at which time six items were adopted for the Tentative Program of the Council for 1959. This Program was then sent by me with a covering letter to the Secretary of Christian Social Relations in every Auxiliary Branch urging that the six items be studied by the Branch before voting upon them at Annual Meeting. Two Branches invited me to discuss the measures at a general Auxiliary meeting.

Since Annual Meeting I have reported to the Executive Secretary of the State Legislative Council that all six measures were approved by a majority of the delegates at our Annual Meeting on April 16th.

Foreword

Fellow workers, may I call you to a consideration of our common task: The Proclamation Of The Gospel.

Let's remind ourselves that this simply means to tell people the basic fact that God really loves us. I do not need to remind you that each and every one of us knows how hard it is to keep this in mind. But this IS the Gospel.

The task before us is to reach people. Our difficulty is that so frequently people are distracted to a point so that they are not in a condition to hear what is said.

There is no place where people are more attuned to the Gospel than in the Christian family. Too many of our families do not meet this classification. They simply are not Christian.

During the coming year the Diocese of North Carolina is going to emphasize the Christian Family and the Church.

You must see that I am approaching this in a very realistic fashion, for there is no group in the Diocese more conscious of the family than the Women of the Diocese. Women know more about the family than anybody else. We must be sure that the Gospel gets every chance to be heard, and the place where people are more apt to hear it than any other is in the Christian family.

Richard H. Baker

Bishop of North Carolina

PRAYERS

PRAYERS FOR EPISCOPAL CHURCHWOMEN

Almighty God, our heavenly Father, bless, we pray Thee, our work for the extension of Thy Kingdom, and make us so thankful for the precious gift to us of Thy beloved Son, that we may pray fervently, labor diligently, and give liberally to make Him known to all nations as their Savior and their King: through the same Jesus Christ our Lord. Amen.

Almighty God, whose love reacheth unto the world's end, and who didst send Thy blessed Son to redeem all mankind: Help us, we pray Thee so to reveal Thy love in prayer and work and stewardship, that by Thy spirit all nations and people may be baptized into one body, even as all are redeemed by one Savior; through Jesus Christ our Lord. Amen.

PRAYER FOR MISSIONS

Almighty God, help us, we pray Thee, to shed abroad the light of Thy Church in all the world. Give us greater zeal for thy Kingdom, that we may offer abundantly our prayers, our work, and our gifts; so that the earth may be filled with the knowledge of Thy glory, as the waters cover the sea; through Thy Son, Jesus Christ our Lord. Amen.

FOR GUIDANCE OF THE HOLY SPIRIT

O God, forasmuch as without Thee we are not able to please Thee, mercifully grant that Thy Holy Spirit may in all things direct and rule our hearts; through Christ our Lord. Amen.

PRAYER FOR HUMAN RELATIONS

O God, our heavenly Father, who hast created all men after thy likeness, we beseech Thee to incline thine ear to us as we ask thy help in doing our duty as Christian citizens and as members of thy Holy Church. We acknowledge our many transgressions of thy righteous law and especially our failure to see thine image in all thy children for whose sake thy Son was content to die. Grant that we may follow in the steps of Him with whom there was no respect of persons.

Make us ready to acknowledge the Truth as it stands written in thy Holy Word. Give us courage in our thinking and honesty in our decisions. Lift us above self-interest and prejudice and whatsoever else may hinder us from a just and righteous dealing with our neighbor. Guide with thy wisdom those

to whom Thou hast committed the responsibility of government, that all things pertaining to the relationship of man with man may be settled upon the sure foundation of thy Holy Will as made known to us in thy Son, Jesus Christ our Lord. Amen.

—THE RT. REV. EDWIN A. PENICK, D.D.

PRAYER FOR CHRISTIAN SOCIAL RELATIONS

Jesus, our Master and our friend, who claimest our service through the needs of our neighbors; Grant us so to see thy image in all our fellow creatures that in serving mankind we may minister to Thee, the living Savior of the world. Grant to each one of us, that we may do our part in bringing about an order of society where there is no just cause for discontent or bitterness of spirit, and where every person may be enabled to come to the fullness of perfection for which he was made, through Jesus Christ our Lord. Amen.

FOR THE UNITED THANK OFFERING

O Lord, Our Heavenly Father, we pray Thee to send forth more laborers into Thy harvest, and to grant them Thy special grace for every need. Guard and guide the workers in the field, and draw us into closer fellowship with them. Dispose the hearts of all women everywhere to give gladly as Thou hast given to them. Accept from grateful hearts our United Thank Offering of prayer, and gifts and joyful service; and bless it to the coming of Thy kingdom, through Jesus Christ our Lord. Amen.

Accept, O Father, this joyful sacrifice of thanksgiving and praise, and bless these gifts to the setting forward of Thy kingdom; that as we have gratefully received the benefits Thy bounty has bestowed, so we may cheerfully share them with Thy children in all the world; for his sake whose life and death and rising to life again were a song of praise to Thee, O Thou Most Holy, our Savior Jesus Christ. Amen.

FOR CHRISTIAN EDUCATION

O God, who hast sent Thy beloved Son to be unto us the Way, the Truth, and the Life; grant that we, looking unto Him may set forward the teaching power of Thy Church, to the nurture of Thy children, the increase of Thy Kingdom and the glory of Thy Son, Jesus Christ our Lord. Amen.

THE PRAYER FOR THE SUPPLY WORK

Almighty God, who hast taught us by Thy Son, Jesus Christ, that it is more blessed to give than it is to receive, look with favor, we beseech Thee, upon the supply work of Thy Church especially in this Diocese. Touch our hearts with compassion for the poor, the sick, and homeless, and make us strong to lift their burdens with our ready gifts and service; through Jesus Christ, our Lord. Amen.

PRAYER FOR THE THOMPSON ORPHANAGE

Almighty God, who art the Father of the fatherless, send Thy blessings upon the Thompson Orphanage, instituted in Thy name. Give patience and wisdom to the officers, teachers and matrons of this home, that they may faithfully

discharge the duties committed to their charge. Let the boys and girls grow in grace and earnestness, day by day. Strengthen their bodies, enlighten their minds, purify their hearts and sanctify their wills. Bless all who have contributed to this institution, and raise up, we pray Thee, a never-failing succession of benefactors whose names may be perpetuated through all generations, as a blessed memory, and their good deeds be accepted; through Jesus Christ our Lord. Amen.

FOR THE EVERY MEMBER CANVASS

God our Father, who providest for Thy children in advance of their needs, bless we pray the work of our Every Member Canvass, and grant us all to share in it with glad and willing hearts for the sake of Thy Kingdom, through Jesus Christ our Lord. Amen.

FOR DIOCESAN MISSIONARIES

O Lord and Heavenly Father, without whom we can do no good thing, but with whose help even Thy little ones go forth as the mighty, we beseech Thee to prosper the work of all Thy missionaries, wherever they may be (and especially the work of Thy servant-----). Grant them the wisdom to know and the strength to do Thy will, and bless them with the hope and consolation of Thy heavenly promises, for the sake of Thy Son, Our Savior, Jesus Christ. Amen.

FOR PERSONNEL

Our Father, if it be Thy will, put it into the heart of some young man or young woman of this parish to choose one of the many vocations within the Church for his or her life work, whether it be in our own land or overseas. We pray Thee help each one of us, whatever our calling, to practice it as becomes a Christian in Thy name and with Thy guidance. Amen.

NOONDAY PRAYERS

Blessed Savior, who at this hour didst hang upon the Cross stretching forth Thy loving arms; grant that all mankind may look upon Thee and be saved. Amen.

Blessed Lord, inspire our hearts and the hearts of all men everywhere with the love of God and of our fellowmen, that we may be worthy of world peace. This we pray in Jesus' name. Amen.

FOR WORLD PEACE

Almighty God, from whom all thoughts of truth and peace proceed; kindle, we pray Thee, in the hearts of all men the true love of peace, and guide with Thy strong and peaceful wisdom those who take counsel for the nations of the earth, that in tranquility Thy Kingdom may go forward, till the earth shall be filled with the knowledge of thy love; through Jesus Christ our Lord. Amen.

FOR CHURCH PERIODICAL CLUB

O Lord Jesus Christ, Who art the Light of the World, pour out, we beseech Thee, upon all Thy servants Thy Holy Spirit of Wisdom and understanding that they may know the hope of Thy calling, the riches of Thine inheritance in the saints, and the greatness of Thy power to usward who believe. More especially we pray Thee to direct and prosper the Church Periodical Club that in all its prayer and labor it may be enabled to make the light of Thy glory shine forth in the dark places of the earth. And do Thou of Thy mercy and grace stablish Thy Church in the truth of Thy Gospel who livest and reignest with the Father and the Holy Spirit ever One God, world without end. Amen.

FOR USE BEFORE AND AT THE TIME OF THE ELECTION
OF OFFICERS

O Holy Spirit, Whose guidance and inspiration alone can enable us to fulfill the Will of God, teach us, we pray Thee, the dignity of our work as churchwomen, and give us grace to choose as our leaders those whom Thou dost call to Thy faithful service. To those so chosen give a spirit of reverence in the exercise of their office, and to all of us a deep sense of our obligation in the discharge of every duty, to do all to the glory of God through Jesus Christ our Lord. Amen.

BENEDICTION

May the blessings of God Almighty, the Father, the Son, and the Holy Spirit, rest upon us and upon all work and worship done in His name. May He give us light to guide us, courage to support us, and love to unite us, now and forevermore. Amen.

**SERVICE OF
INSTALLATION OF OFFICERS FOR THE
EPISCOPAL CHURCHWOMEN**

Let those who have been elected stand before the Bishop and then let him say:
It is right and fitting that those who have been duly elected as Officers of the Episcopal Churchwomen, Diocese of North Carolina should be formally received and admitted into their respective offices in your presence; and that we should ask the blessing of God upon them for their support and guidance in the performance of the duties which you have laid upon them.

O Lord, save these Thy servants.
Who put their trust in Thee.
Send them help from the holy place,
And evermore mightily defend them,
O Lord, hear our prayer.
And let our cry come unto Thee.
Let us pray.

Our Father . . .

Direct us, O Lord, in all our doings, with Thy most gracious favour, and further us with Thy continual help; that in all our works begun, continued and ended in Thee, we may glorify Thy holy name, and finally by Thy mercy, obtain everlasting life; Through Jesus Christ our Lord. Amen.

Almighty God, the giver of all good gifts; give Thy Grace, we humbly beseech Thee, to these Thy servants who have been chosen to serve Thee in the special work for which they have been selected; grant unto them zeal and earnestness in the performance of their office; wisdom and strength to meet each day their task; and love in the doing of it; and give them the vision to see their opportunities for service, to the glory of Thy great name and the benefit of Thy Holy Church! Through Jesus Christ our Lord. Amen.

Bless us, O God, with the vision of Thy Being and Thy Beauty, that in the strength of it we may work without haste and without rest; Through Jesus Christ our Lord.

I receive and admit you to the office of----- Be faithful, zealous, sincere and humble in all your tasks, and may the Grace of the Lord Jesus Christ and the love of God our Father and the guiding fellowship of the Holy Spirit be with you evermore. Amen.

BENEDICTION

The Father, Son and Holy Ghost bless, preserve and keep you, in your work, in your worship, this day and always, through Jesus Christ our Lord. Amen.

OBJECTIVES FOR THE BRANCHES OF EPISCOPAL CHURCHWOMEN, DIOCESE OF NORTH CAROLINA

1959-1960

In a very real sense our objectives as churchwomen must remain basically the same from year to year. The high purpose of these objectives is to more clearly interpret for the women of this diocese the idea that the attempt to attain high goals is much more than the work of an organization rather it is a way of thinking, serving and living as a part of the great Triennial theme; The task of becoming One Family in Christ.

As you study the objectives for 1959-1960 will you not determine to accept them wholeheartedly? May we use them as a frame to create in each parish and mission an organization simple in structure, ambitious in education, missionary in spirit, broad in service, sacrificial in the offering of our gifts and ourselves, made possible through our determination to center and root it all in a spirit of worship and thanksgiving.

As our *first* Diocesan objective for 1959-1960 may we seek to find purpose, strength and inspiration in corporate and private worship, knowing always that only upon this foundation may we build a dedicated life of service.

As our *second* objective may we each make a greater effort to fully accept individual responsibility for the complete and prompt fulfilling of the tasks belonging to any office we assume. Any neglect at any point along the line weakens the link that binds the whole and only through shared responsibility can we accomplish the goal of our women—For any officer the routine is the same (1) Learn what you can from the officer that served before you (2) Make your personal preparation to serve through study and prayer (3) Then with thoughtful concern for those with whom you work, deep interest in your task, and faith that it can be done—*work* (4) As a further means of preserving important continuity and of insuring growth, help your successor and the work of Episcopal Churchwomen by teaching her what you know that she may begin to build where you left off rather than where you began.

For our *third* objective, first the more serious use of the Year Book. The importance of individual preparation must be stressed and emphasized. If each officer knew the contents of the Year Book, which contains the information needed for each office, this alone would eliminate much of our endless correspondence. The cost of printing this Year Book is a major expense but its very simplicity makes it indispensable for every officer. It is the responsibility of each Branch President to carefully distribute the Year Books, purchase additional ones if needed, and to explain its usefulness thoroughly.

For our *fourth* objective let us think with humility and yet with imagination and alertness concerning the acceptance of our new name of Episcopal Churchwomen—Diocese of North Carolina, which simply means we share more in the *whole* life of the Church; and work to make this all inclusive name a reality rather than just a new name. Let us make the effort to help every woman in our churches find her place to serve—Missions, welfare and community agencies, young people, children, the ageing, Church and Vacation Bible Schools. Let it be where she wants it but through a church provided opportunity to participate in study and action programs of the whole church.

For our *fifth* objective, let us seek to become a membership informed in as many areas of interest as our united programs includes; our parish life and program, our thoughtful cooperation with other churches, our Diocesan budget, Diocesan institutions and the work and planning of our various Diocesan de-

partments, our Provincial interests of study and future usefulness, our National Council with its divisions, departments and world wide program for sharing the Christian Gospel.

ANALYSIS OF THE YEAR

1. The fiscal year of the Diocese and the branches runs from January 1st through December 31st because it must coincide with the fiscal year of the National Council.
2. The year of active study and work runs from the first meeting in the fall through the last meeting before the summer recess so as to conform to the plans and material sent out from the National Council.
3. New branch officers should be elected in March so that the names of the new officers can be listed in the new handbook and be considered in the election of delegates to the Annual Meeting.
4. The Annual Meeting of the Episcopal Churchwomen, Diocese of North Carolina, is usually held the second week after Easter so as to fit in with the date of the Diocesan Convention of the Church and with the Bishop's schedule.
5. New branch officers should be installed at the last meeting before the summer recess with the new president presiding at the first fall meeting. If a branch meets during the summer, its officers should be installed at the June meeting with the new president presiding at the July meeting.
6. New officers should prepare in the summer for the coming year of study and action. The program of Christian Education should be prepared at this time.
7. Report blanks are sent to all branches by March 1st. Reports cover the period of time from the previous June 1st through May 31st. Branch reports must be mailed to the District Chairman by March 30th. Lists of recently elected officers sent in on the reports thus become correct in the yearbook for the longest possible period of the year.

THE PRESIDENT'S ADDRESS

For the great joy and privilege of serving as your President during the past year, I am most grateful. It has been a full year, made rich through the opportunities you have given me to see many of our branches, large and small, throughout the entire Diocese, each different with individual problems and personalities yet of one basic pattern and purpose in serving Our Lord at home and abroad through the best use of our time, talents and convictions. You have been busy, but not so occupied that you were concerned with work, rather than people—determined to accomplish goals, but not at the expense of neglecting the real values. You have been forceful and efficient, yet humble in your deep effort to do things through the love of Him Whose work it is, and in Whose Service we would chart our lives.

In a Triennial year much time and effort is always necessary to bring its messages back to our women. I feel that we were most fortunate in our delegates; their preparation for the Triennial was conscientious and expectant. Their participation in every detail of General Convention and Triennial Programs was meticulous and most thorough. Through their joy and enthusiasm in using every opportunity to bring back to our membership the experiences of this great Triennial I feel we have a broader picture of our Church and its mission in the world.

Your delegates were Mrs. Roy Bowen of Christ Church, Charlotte; Mrs. M. E. Motsinger, Jr. of Roaring Gap and Galloway Memorial Church, Elkin; Mrs. Lula H. Robinson, St. Augustines College, Raleigh; Mrs. Hoyle F. Beam, St. Michael's Church, Raleigh; Mrs. Leslie B. Evans, Church of the Good Shepherd, Raleigh; and myself. Mrs. Evans was the only delegate with previous experience as a Triennial delegate and we were happy that she could be with us.

I ask your careful attention to the following factual statements concerning our diocesan work as a whole.

For the Fiscal year of 1957 there were 107 Branches paying central fund on 5821 members. For the Fiscal year of 1958 there were 100 Branches paying central fund on 5789 members. To account for these figures there are seven branches that did not pay central fund, one branch disbanded and one new branch organized.

In reporting this to you I not only express my concern and that of the Executive Board, but ask that you, as delegates, as you return home, carry with you a strong sense of responsibility to the diocesan organization to do something about this problem here in our own Diocese.

In the provincial study concerning the problems of Missions the recommended procedure was for the nearest Parish Church to sponsor the Mission and to lend all possible assistance that would contribute to the Mission's growth, not only in physical assets but also in diocesan feeling and participation, and in the life of the spirit. As to our Woman's Auxilliary interest there may only be a sharing of special programs—but help your District and Diocesan Officers to know when their assistance is indicated. Let us all face together the seriousness of any situation that indicates going backward rather than forward and examine carefully each area within the scope of our influence and *there* be "The Church" at work.

There were fifteen branches that raised their pledges, four reduced them. To include our U.T.O., C.P.C., supply contributions, conference funds, specials etc. with our budget there appears a total of \$63,755.73 for the year. It would be impossible to estimate amounts given on the parish and community level. These figures would be many times that of the total quoted. We continue to make

every effort to make the items in the budget familiar to us all so that we will know where our gifts will go and feel the personal privilege of being a real part of the missionary work of our Church.

From personal observation I know something of the tremendous effort that is necessary to bring to all Branches the full programs offered by the various departments and divisions of the National Council. Your officers are constantly seeking to find new ways and means to do this. Our Secretary of Christian Education, Mrs. Beam, is looking forward with great pleasure to attending the IV Province Education Work Shop at the DuBose Training Center, Mont Eagle, Tenn. this Spring—this is an undertaking of the Department of Christian Education of the National Council and we are delighted with Mrs. Beam's invitation.

During the year 1959 beginning in July the United Nations will have for its special study and interest the world wide problem of refugees. At the present time there are known to be something over twelve and one half million refugees from war torn countries. While what we will do at this Annual Meeting will only be a beginning in the interest and effort necessary to inform ourselves yet it is with particular pleasure that we look forward to hearing one of our speakers, the Reverend Alexander Jurisson of the Committee on World Relief and Church Cooperation from the National Council.

We have also prevailed upon the C. S. R. Department of the National Council to arrange an exhibit for us. This has been prepared through the combined efforts of the Promotion and C. S. R. Departments and we are happy to be the first diocese to use it. We urge you to examine it carefully and thoughtfully in order that you may carry some of its ideas back home to create Parish interest in C. S. R.

As the strong emphasis on our thinking and planning in the field of Christian Social Relations is to be on the local parish and community level, it should have a strong appeal to us all.

At the Evening Service of our last Annual Meeting we heard the Reverend Beverly Tucker tell us about his work in Japan. Again last summer we heard many interesting things (about the work of the Church in Japan) from the Rev. Harry Hansen concerning the same field, so it is with great pleasure that we note that this year 1959 marks the 100th Anniversary of the work of our Church in Japan. Bishop Lichtenburger, Presiding Bishop, and Mrs. Arthur Sherman, Executive Director of the General Division are in Japan for this Centennial Celebration and General Convention of the Nippon Sei Ko Kai and the Triennial of the women. These dates are April 7-12.

During the past year as your President it was my privilege to attend two meetings of the Executive Board of Episcopal Churchwomen Province of Sewanee. The Triennial Meeting at Miami Beach, The Woman's Auxiliary Conference at Vade Mecum, the Adult Conference at Kanuga, four spring District Meetings, all eight Fall District Meetings, Executive Council Meetings, meetings of the Department of Missions. I spoke to a number of Branches, have written President's letters, attended to the Auxiliary correspondence, and when possible attended Special and Standing Committee Meetings, and presided over three Executive Board Meetings.

During the Triennium 1955-1958 we put into every facet of our work the great theme—His Witnessing Community. We believe that it helped us grow into a more concerned awareness for each other. We learned enough about the First Witnessing Community to test the basic characteristics of our attempts at witnessing with that of the early Church. We have found that the spirit moves more truly and surely when realizing our innate weaknesses, we gain

strength from doing and being together. It is this spirit of community that brings us into the challenge of what we refer to as the Ministry of the Laity, or the acceptance of our total commitment to a life so rooted in Christ's Love and Message of Salvation that we again seek to share in the whole thinking of our Church as it looks for new and better directed ways to help us be the Church in the world and to grow in grace as we accept the theme of the present Triennium, *One Family in Christ*.

Two years ago in honor of the 75th Anniversary of the Woman's Auxiliary of the Diocese of North Carolina, which was celebrated in Tarboro, Marion Bourne wrote the Record of our work over a 75 year period. One of the most cherished tributes in this history concerns one who is so much in our thoughts today. Marion Bourne spoke of the interest and encouragement and leadership that Bishop Penick has always given to the Woman's Auxiliary. Now that he is not with us we seem doubly aware that he not only gave of himself generously to council us, to speak to us often at our District Meetings, to teach us at Vade Mecum, to be always present at Annual Meetings, to help create the very spirit of them, but above all managed to make us feel that he counted upon us, needed us and wanted our help with all the work in the Diocese. For the leadership that has been so personal and yet so dynamic we are profoundly grateful, and express with our love and gratitude for many blessings of guidance and fellowship, the united and deep grief of the women of the Diocese.

To Caroline, Edwin, George and Charlie and their families we would say—we too are bereaved, and yet we share with you many happy memories and a confident sense of glorious victory for a life spent among us all and thank God for the record of a ministry that will live far beyond any of us. We hear again the words of Isaiah, Thou wilt keep him in perfect peace whose mind is stayed on Thee, and for us all it must be repeated with the greatest conviction, the words of St. Paul when he said—Eye hath not seen, nor ear heard neither have entered into the heart of man the things which God hath prepared for them that love Him.

May we stand in silent tribute to our Bishop.

Catharine M. Thomas
President

COURTESY AND FINDINGS

As we draw near to the close of this Annual Meeting we are filled with thankfulness and the sense of achievement. No longer are we simply an Auxiliary, but rather, a very real and equal part of a great church organization. Throughout these wonderful two days we have felt the amazing power of spiritual progress. Women working together in love and fellowship for the extension of God's Kingdom, and achieving a new awareness of Christian living.

Although our feelings have been overshadowed by the death of our beloved Bishop Penick, we have been given the strength to carry on in a manner he would have wished. This has made this meeting a success. We are truly thankful to God for this privilege.

On behalf of the delegates and visitors to this 77th Annual Meeting of the Episcopal Churchwomen of the Diocese of North Carolina, it is with great pleasure that we extend heartfelt thanks and praise to those who have planned and organized this memorable meeting.

First to the Rector and Staff, and membership of St. Paul's who have so graciously welcomed us to their beautiful church. And to the Hostess Branch for their quiet efficiency of planning and attention to detail that has made this meeting of over 300 women so pleasant.

We are deeply grateful to those who have entertained us in their homes, and to the Y.W.C.A. who helped serve the delicious lunch on Tuesday, and to the ever charming young pages.

We appreciate the hard work and outstanding leadership of our President and the Executive Officers during the past year, and particularly for the arrangements and excellent program for this meeting. To everyone who has had a part, many thanks for a job well done. Last, but not least, to our Bishop and Clergy, many sincere thanks for their continued guidance and inspiration.

In closing we reflect on the wonderfully sound heritage that has been handed down to us throughout the ages. At the same time we look into the future with considerable faith and confidence. Faith that the God of ages is the God of modern living, forever and unchanging. Confidence that the simple wisdom of Christianity holds the solution to the complex problems of today. May we always keep these truths in mind and by unselfish service become "One Family In Christ."

January 27, 1959

Mrs. W. H. R. Jackson, Treasurer
 Woman's Auxiliary of the Diocese of North Carolina
 840 W. Morgan Street
 Raleigh, North Carolina

Dear Madam:

We have examined the books and records of The Woman's Auxiliary of the Diocese of North Carolina as of December 31, 1958. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

Practically all of the receipts of The Woman's Auxiliary of the Diocese of North Carolina consists of contributions, over which no accounting control can be exercised prior to their initial entry in the accounting records.

With the above explanation, in our opinion, the accompanying Exhibits and Schedules, as set forth in the Index next following, present fairly the financial position of The Woman's Auxiliary of the Diocese of North Carolina at December 31, 1958 and its operations for the calendar year 1958.

Respectfully submitted,
 R. L. Steele & Co.

UNITED THANK OFFERING REPORT, APRIL, 1959

"Dispose the hearts of women everywhere to give as thou hast given to them" is the thought from the Thank Offering Prayer I would like to leave with you in this my final report as the Custodian of your United Thank Offering. This work has been a most rewarding experience and I wish to thank you for allowing me the privilege of closer association with those who administer the offering. The total offering for the Diocese of North Carolina in 1958 was \$24,408.60 given by slightly more than half of the women in the diocese. The 1959 spring offering was \$11,564.55 which includes the \$128.89 offered at the communion service at Annual Meeting. Since this offering too was given by about the same number of women, it seems to me that where our work lies is to find out why the other half of our women are not participating. There is a great field for education here and the custodian cannot do the job alone. Every woman who uses her Blue Box should take it upon herself to tell anyone she knows about her Blue Box and what the using of it can mean.

During the past year I have sent out letters to all branch and district custodians in August and February. I have held workshops and made talks whenever asked to do so. I wrote three articles for the Carolina Churchman and participated in the Women's Conference at Vade Mecum.

In planning your programs for next year thank offering custodians should consult their branch president and secretary of christian education as to the year's program. Ingatherings should be carefully planned for fall and spring well in advance in consultation with the rector. Attendance at the ingatherings should be stressed. It shall be my constant hope and prayer that the numbers participating in our United Thank Offering will advance in the coming years.

Helen Boykin Sanders
Custodian of the United
Thank Offering

THE CHURCH PERIODICAL CLUB

The Church Periodical Club of the Episcopal Church is a channel for sharing. What do we share? — Books, magazines, games, puzzles, scrapbooks, better comics, music, Church school material, greeting cards, friendly letters.

Where do we share? — As close as our next door neighbor, or as distant as trains, planes or ships can carry. In our own Diocese—in foreign lands—in Mission Schools—Hospitals—Homes for Children, aged or handicapped—Prisons—Shelters for Seamen—Veteran's centers—Libraries.

Why do we share? — To give what we have in abundance to those who would otherwise be without. To cheer the lonely, shut-ins or isolated. To help in the educational and spiritual work of Christianity. Sharing promotes friendliness and good will.

It fulfills an important function because it is the channel through which reading material goes from those who have it to those who do not, but desparately need it.

Through the Books Fund, built up by the Parish gifts and administered by a National Committee, specific requests for Theological, medical and other needed

books are supplied to our Church Colleges, Hospitals, Schools and Clergy in the United States and Missions all over the world.

As one of the great missionary enterprises of the Church, it furnishes Church workers the necessary tools with which to carry on their work and in many instances provides their only means of recreation.

Each Branch is urged to appoint a C. P. C. Secretary and become active in this important field of extending Christ's Kingdom.

Notify Diocesan Director of appointment and request literature if needed.

Keep accurate record of accomplishments and fill in and return annual report form in January.

Send monetary contributions directly to Diocesan Director of C. P. C. and not to Diocesan Auxiliary Treasurer.

All money received after December 10th will be credited to the following years report.

Seventy branches participated and fifty-one branches contributed \$745.37 to the Books Fund.

This does not include the local C. P. C. work undertaken by the branches.

Helen R. Easty,
Diocesan Director,
Church Periodical Club.

CHRISTIAN EDUCATION

It has been gratifying to learn, through the the study of the educational programs of the branches, that many have promoted the theme of this Triennium, "One Family in Christ", in their parishes this year. This has been accomplished primarily through joint meetings with other parish organizations and family worship services. It seems right that we should spend the first year of the triennium working actively with the theme on a *parish* level, which is the foundation of the Church. It is hoped that this next year you will emphasize the theme on a *community* and *diocesan* level through study and work with other denominations, and through the diocesan organizations and institutions. A great deal that needs to be done must be done *together*. The competitive element must be replaced by the cooperative. Christ is not divided. Only the Church acting together can make the kind of impact on the world that will move it into the acceptance of the way of Christ.

One of the objectives we have in our Department of Christian Education is that we follow all or part of the program suggested by the National Department. This program has received the thought and study of the leaders of the Church, and this great corporate educational effort of all the women of the Church is important. Only four themes are offered in the 1959-1960 program: *Lambeth Looks at the Family*, *Christian Responsibility on a Changing Planet*, and the two mission themes, *The Church's Mission in Town and Country*, and *Africa*. The material available on each theme includes suggestions for worship, study, and action adaptable to meetings of the women or to parish-wide projects. Since the mission themes are intended for interdenominational study, we are given an excellent opportunity to progress in the field of Ecumenical Relations, through study and action with members of other churches.

As we begin planning for the year ahead, let us not forget that the educational program is the life of our Episcopal Churchwomen. Therefore, it is our responsibility to put forth every effort to make the programs interesting and to stimu-

late action from them, to promote worship, study, service, and fellowship. We should inspire, inform, and present to every woman opportunities for participation and action so that each one may grow along the way of Christian living.

CHRISTIAN SOCIAL RELATIONS

Interesting things have been happening in the realm of Christian Social Relations in the Diocese of North Carolina this past year. It would do your hearts good if you could read some of the reports which have come in to me telling of the worship, study, fellowship and gifts of the Branches. In some Parishes the enthusiasm, the imagination and the intensive study which has gone into the work shows the eagerness of the women to increase the usefulness of their activities.

The study of the Moral Issue of Highway Safety has brought some startling facts to some groups which have studied this themselves and to some which have sponsored the study of it in their Youth Groups. "When in youth prepare for age" has been a new idea to some of our younger women who have had interesting programs on the problems of the Aging. Panels and Round Tables on Race Relations have been reported as interesting and gratifying in a number of places.

One thing which has delighted me has been the variety of sustained activities of some of the groups—the continuing interest in the Parish which takes its blind member to church and to dinner EVERY SUNDAY—the group which sponsors a Japanese student—the rehabilitation of the young woman being discharged from the State Hospital and the member of a chapter "who is a costume designer and became so interested in a Negro patient at Gravelly that she bought two lovely dolls, cut patterns and gave material so the patient could make the doll clothes and have the joy of giving the dress herself to her two little girls. This member said she never enjoyed Christmas so much".

How I wish I could find this same spirit in every one of our Parishes. There are still some who have not caught the true meaning of Christian Social Relations and feel that their small size or their financial condition hinders their effectiveness. I would like to remind them of that little band of early Christians who set out to change the whole world. Had they been bound down by their own housekeeping we would never have had the Kingdom extended to us. In what Parish are there no lonely people or who would deny the Japanese women the privilege of re-working old nylons or the Refugees the advantage of three hundred pounds of food when it can be had for one dollar?

A small, brand new Parish in Atlanta reports, in the Provincial Newsletter, that "the women of St. Mary's decided that they would not be or become an ingrown self-centered group, despite the many local needs, but would support the Body of Christ, the Church, in all fields—Community, Diocese, Nation and World, as well as in our own Mission."

No matter what our size if we will take this as our goal—plus a determination to study some of the social conditions which we feel need our understanding and our help, 1959-60 will be a year of purposeful activity.

Secretary Christian Social Relations

SUPPLY

The supply assignment inside the diocese for 1958 was to furnish articles requested by Saint Agnes Hospital, Raleigh—Good Samaritan Hospital, Charlotte—Tuttle Community Center, Raleigh. Good used clothing from sizes 6 to 18 were requested for Thompson Orphanage, Charlotte; all sizes of used clothing for Tuttle Community Center, Raleigh.

For the last several years we have requested the making of dresses for the Thompson Orphanage. This was a trial assignment and after two years we feel

it has not been satisfactory. We do appreciate your wonderful cooperation and if we can find a better solution we will inform you in the fall.

The National Assignment outside the Diocese was to furnish requested articles for the Episcopal schools, Robertsport, Liberia, West Africa. In 1958 seventy-one (71) branches participated in the sewing program. This is about three-fourths of all branches. We would like to make it one hundred percent if possible. We can always furnish simple sewing that can either be done by hand or machine. The 71 branches completed 1513 articles and purchased 1213.

The objectives of the supply department are as follows:

1. To complete our National Assignment.
2. To furnish Thompson Orphanage with new and good used clothing for children from 6 to 18 years of age.
3. To send good used clothing to Tuttle Community Center in Raleigh.
4. To participate in the sewing program when possible.
5. To have each branch president report to the Diocesan President on the branch membership, and the request of the branch for a sewing assignment.
6. To financially support the work of the Supply Department by sending 50¢ per member to the Diocesan Treasurer.
7. To have each district supply secretary serve as a link between the Diocesan supply secretary and the branch secretaries, by receiving and distributing the supply assignments.
8. To have each supply secretary plan for the completion of the supply assignment. To see that articles are sewed, pressed, packed and shipped. To make arrangements for the spring and fall ingatherings of good used clothing. To send reports on supply secretaries.

In my travels the question most asked has been the difference between Supply and Christian Social Relations. Supply is anything designated by the Supply Department, anything else goes under Christian Social Relations.

Please let me take the opportunity to thank each of you for your prayers and cooperation during this last difficult year. Due to my illness it has been a very hard year for all of you. I do appreciate your tolerance and I am looking forward to a better year with you.

PERSONNEL AND COLLEGE WORK

Personnel begins at the parish level with efforts to make young women and their parents in our parishes aware of the many challenging careers for women which the Church offers, and of the opportunities which are available for training for these careers. There is a group approach and an individual approach to doing this. The group approach consists of having programs or distributing pamphlets on Church work as a career for women at Young People's meetings and Auxiliary meetings. The Diocesan Secretary of Personnel is always ready to provide help for such programs.

The individual approach involves giving information, encouragement and financial help to specific girls and young women who are interested in considering the Church as a career. The Woman's Auxiliary of the Diocese made a substantial contribution towards doing this in the case of three young women this year, through its scholarship fund provided by the Ember Day Offering. Miss Barbara Babcock of Calvary Church, Tarboro, a junior at the Woman's College of the University of North Carolina, was able to try her hand at Church work through a Summer Service Project in New Haven, Conn., because the scholarship fund provided the money needed for her transportation to and from New Haven. Another girl from our diocese, Miss Genelda Kepley of St. Matthew's Church, Rowan County, and a recent graduate of the Woman's College, is completing a year as an Apprentice Student Worker at the University of Oregon. We made this possible by giving her a scholarship to the Summer School which is required of all those taking part in the Apprenticeship Plan. A third young woman, Miss Barry Neal, who was graduated from the University of Maryland last year, has been Apprentice Student Worker for women students at the University at Chapel Hill this year because the scholarship fund provided \$1,000.00 towards her salary.

In addition to the above, two other young women have applied to the fund for similar assistance for the year 1959-60, one to take part in a Summer Service Project at San Juan Mission, Farmington, N. M., and another for help in attending the Summer School of the Apprenticeship plan.

Interesting young women in the Church as a career is, of course, only one phase of College Work. Only a small percentage of our young men and women in college will be interested in or fitted for Church work as a profession, but we should like to help all of them become the best possible Church members. That is the purpose of College Work, to see that young people do not drift away from the Church during their college years, but instead use them to develop a richer, deeper, and more fruitful Church life. In addition to helping Miss Neal try out her own vocation for Church work, we have also helped the many young women with whom she has come in contact at Chapel Hill this year. To a lesser extent, Branches located near other college centers have helped college students by doing what they could to assist those doing College Work at these centers. Finally, on the parish level, most Branches have continued to feel a responsibility for their own young people who are away at college, seeing that the college Chaplain or Student Worker knows about them, and trying in various ways to make them feel still a part of parish family, though temporarily away from home.

Katherine S. Adams
Secretary of Personnel
and College Work

YOUNG PEOPLE'S WORK

The purpose of the Church's ministry to its youth is to provide the framework within which young people can practice their Christianity. We should share our Christian convictions and provide opportunities for them to take an active part in the whole life of the church. Youth work includes every contact the young people of the Church have with every member, and some impression is made for good or bad. Enthusiasm and interest for young people goes on at a Parish level even though we don't have a Diocesan or District chairman to turn to for suggestions.

Ask your Rector what the needs are and keep in your budget a set amount to be given to him to be used for youth work, either for scholarships to Vade Mecum or Kanuga or any way he sees the need greatest. Maybe the Scout work needs financial help or perhaps he needs a volunteer to help with a dinner for acolytes or a breakfast after a corporate Holy Communion service.

We could go on and on with suggestions but each Parish has an individual need and so the Women of the Episcopal Church should always be ready to help.

There is also an every day need for each one of us to be showing our love and setting good Christian examples for our Young People. Young people are interested in religion and the Church if we make it interesting. Our Young People are the Church of the future, will it be a better and growing Church because of us?

WORSHIP

For the women of the Diocese the work of the current year was begun with worship. Corporate Communion services were held in each parish on Ember Wednesday, September 17th, and on September 24th over five hundred women gathered in the eight districts for the Quiet Day of Prayer. The meditations were lead by the Rev. Messrs. John W. S. Davis, George Kemp, Huntington Williams, Loren Mead, Herbert Tucker, Eric Collie, Henry Egger, and Dan Sapp under the direction of the Rev. Thomas J. C. Smyth.

The Quiet Day meditations were centered upon "Our Bounden Duty" as set forth in the Prayer Book on page 291. Where grounded in worship, the work undertaken in the Woman's Auxiliary represents our efforts to fulfill that duty.

"To follow Christ" . . . To follow him we must know him and keep trying to draw closer to him. Under the chairman of Worship most branches have made Bible study an important part of the year's program, through small groups or in the Christian Education planning. As with study, following Christ grows out of the meaningful contemplation of the great events in his life; his coming, in the Incarnation and in judgment, received such consideration in the many branches that held a parish Quiet Day in Advent. Because we know of his manifestation to the Gentiles at the Epiphany, our Corporate Communion on that date enables us as followers to make him made known now to the people of India. The Lenten Quiet Day held in many parishes lead us in grateful response to commit our lives more fully to the crucified Christ and Risen Lord. Aware of such commitment and following Christ's example, some members of the auxiliary form prayer groups to offer themselves in love as channels of God's grace and as witnesses to his healing, reconciling, and forgiving power.

"To worship God every Sunday in his church" . . . Through regular worship we find strength and inspiration to carry out the work that we would do in his name. As an organization, we seek the same kind of help in our Quiet Day observances and Corporate Communion. As individuals, we increase our own usefulness for God's purposes by personal devotional reading and prayer. With others of his followers all over the world we unite in service and in worship on World Community Day and World Day of Prayer. Because we know how much our regular Sunday worship adds to our effectiveness as Christians, we carry worship into our meetings, beginning each program with prayer and meditation. Thus we offer our study and work to God and ask his blessing upon them.

"To work, pray, and give for the spread of his Kingdom" . . . The Woman's Auxiliary prayer ends with the petition that we may do this and more—That our prayer may be fervent; our work, diligent; and our giving, liberal "to make him known to all nations as their Saviour and their King." It is the responsibility of the Worship Chairman to find means of making this prayer a constant reality in the lives of the women with whom she works. On the branch level she plans worship programs that point through scripture and prayer to our function as the Body of Christ, since it is only in this spirit that our work and study can become worthy. She encourages the formation of prayer and Bible study groups, reminds members of the importance of Quiet Days and Corporate Communion, and offers every means available to interest others in adopting a "Rule of Life".

The district Chairman of Worship conducts workshops when called upon and works toward helping the branch chairmen with reminders and suggestions. She publicizes all special observances in her area.

As Diocesan Chairman I have worked through the district chairmen for the planning of Quiet Days and in their contacts with the branches regarding worship opportunities and suggestions. In the Fall and during Lent I have corresponded with the branch Chairmen of Worship in order to help them set up their plans for the year. This included recommending themes, prayers, Scripture selections, devotional reading, Lenten meditations, and an attempt to clarify for them their duties in the branches. Further help has been made available through the Worship workshop at Vade Mecum and in articles written for *The North Carolina Churchman*. I am grateful for the complete co-operation given to me by everyone, for the helpful suggestions I have received, and for the prayers offered for our work. Mrs. James McKee follows me now as Chairman of Worship; she will find, as I have, that no matter how much she gives to this office, she will receive far more. Prayer for her and for the service she gives, that all of us may find that this which we accept as our "bounden duty" becomes in reality an endless joy, ever offered to the eternal glory of God.

Chairman of Worship

ALTAR WORK AND SERVICE OF EXCHANGE

Altar work is one of the necessary functions of the Church. It goes on under the direction of the Priest-in-charge, whether we hear about it or not. We are constantly making and building new furnishings to beautify our altars and buildings. I have not heard what you have done with those things that have been replaced. Are you storing them away somewhere?

Last summer at Vade Mecum there was a goodly number of articles brought in for exchange. The Rev. Harry Hansen, missionary to Japan, was delighted to receive them. He also asked for used candle-ends.

Altar Guild members had the privilege during the Summer Conference to care for "The Chapel of Thanks".

We have had six requests for linens, twelve for confirmation veils, requests for help on remodeling a sacristy, and many requests for silk hangings, stoles and vestments. Since these are so expensive we began to look for ways and means of supplying them at a minimum cost. As a result your chairman attended a course in Birmingham, Alabama given in management and technique of silk embroidery by the Diocese Altar Sewing Guild of Alabama. Also visited "The Cathedral Studio" Washington, D. C.

At the Annual Meeting we had a display of palm crosses, the Veiling of the cross, linens, confirmation veils, and vestments. Among our display were beautiful hand-embroidered silk hangings loaned by the Diocese of Alabama. Quite a lot of interest is being shown in making these silk embroideries. Several sewing groups have been formed and we hope to have one in every district or parish. Information and instruction may be had by writing to: "Sewing Guild", St. Paul's Episcopal Church, South Church Street, Salisbury, N. C.

It has been a wonderful privilege to serve as Chairman of Altar Work and Service Exchange.

To the new chairman I pledge my services.

Sincerely,
Dora Egger Swanson
Chairman of Altar Work
and Service Exchange

RADIO AND TELEVISION

The Woman's Auxiliary of the Diocese of North Carolina sponsored the One-Minute Radio-TV Series as follows:

Thanksgiving Day and Christmas Day in 1958, and the seven days in Holy Week, Easter Sunday, July 4th and Labor Day in 1959.

Two distinct advantages accrue to our Church from the use of One-Minute programs. Many stations run the radio and TV spots in the middle of popular commercial shows, giving the Church the opportunity of reaching a large audience which might not stay tuned for a longer religious presentation; and, secondly, many stations run the spots several times during the holiday season giving the Church the benefit of saturation coverage—the secret of the one-minute commercial.

The three cities receiving TV One-Minute programs are: Charlotte, Greensboro and Raleigh. The ten cities receiving Radio One-Minute programs are: Albemarle, Asheboro, Charlotte, High Point, Mayodan, Raleigh, Salisbury, Southern Pines, Tarboro and Thomasville.

The distribution costs are \$6.00 for each package of eleven Radio programs and \$28.00 for each package of eleven TV programs. This is a total expenditure of \$144.00.

Our Presiding Bishop launched the 14th Episcopal Hour on Easter Day over 350 radio stations across the country and the Armed Forces Network which circles the world. This was Bishop Lichtenberger's first address to a worldwide audience since his installation as head of some four million Episcopalians, including 80,000 in foreign countries. Bishop Bayne is the speaker each week from April 5th through May 31st.

The home parish is the co-operating agent in getting the program placed on the air in their community. This is the point at which the local congregation

comes into play. There is no distribution charge for the Episcopal Hour. The Episcopal Radio-TV Foundation is supported by gifts from Provinces, Dioceses, Parishes, Church Groups and Individuals.

Information regarding the details in booking "The Episcopal Hour" may be obtained by addressing:

MISSIONS 1958-1959

In October, 1958, Dr. A. W. Tucker passed away after a long illness. He was one of the retired missionaries affiliated with our diocese. Dr. Tucker, son of Bishop Tucker of Virginia, served for many years as a medical missionary at St. Luke's Hospital, Shanghai. Two of his children, the Rev. Beverly Tucker and Mrs. William Eddy are now missionaries at Sapporo, Japan, and another son, the Rev. Joseph Blount Tucker, is rector of a Church in Clarksville, Tennessee. Our sympathy goes to Mrs. Tucker who is an invalid and to his entire family.

General Convention at Miami Beach in October, 1958, brought many Bishops, priests and lay representatives from the mission fields to this country, and among them were Bishop Gordon of Alaska and Bishop Harris of Liberia who addressed the Triennial delegates stressing especially the work of the Church at Cuttington College and the support which we are giving to interdenominational medical facilities for the Liberians. Bishop Gordon visited the Woman's Auxiliary Conference at Vade Mecum while enroute to the Lambeth Conference earlier in the summer. Following General Convention, Mrs. Kroll and Mrs. Simmons at St. Andrew's School, Tennessee, were visited by Mrs. Robert Gray, President of the Woman's Auxiliary in Liberia whom they both knew well while living in that country.

Also visiting in this country last year were the Rev. and Mrs. Robert Grumbine and their three children from Valdez, Alaska, and the Rev. and Mrs. Lewis Hodgkins and their little daughter from Cordova, Alaska are here this spring.

Whether we hear from the missionaries in person or through their letters their story is substantially the same—in Alaska, in India, in Liberia or in Haiti—great financial need in the face of spiralling living costs, but even more important, the need for sympathetic and intelligent help in combating ideologies which undermine the historic Christian faith. Sometimes these come as a direct assault, as in the case of Communism, but sometimes they appear as highly emotional forms of Christianity which confuse and bewilder those who have already become Christians but who lack the regular ministrations of a priest. This is brought out vividly in a letter from the Rev. Robert Grumbine ". . . we are trying to meet the spiritual needs not only of Episcopalians but all Churches affiliated with the National Council of Churches. This is because there are four other Churches in town and none of them are National Council members. Therefore we deem it essential to try to meet these needs". Later, having described the problems of unemployment and a transient population, Mr. Grumbine concludes "As far as the relation

of Church to community goes, just the fact that the Church is an unchanging bulwark in a constantly shifting community is vital to the idea of Church itself".

The study of "Our North American Neighbors" has made many of our branches more aware of the conditions under which some of our missionaries work. Most branches correspond frequently with the missionaries assigned to their District, sending letters and Christmas and Birthday cards. Many mission programs have been given and special gifts sent as the result of mission projects. Each of the sixteen missionaries affiliated with the diocese was sent a Christmas gift of \$72.98 and much of the work reported in Supply, Christian Social Relations and Christian Education is, of course, an expression of missionary concern.

Referring to Home Missions, Bishop Sherrill said at General Convention "We need a lift from the Spirit of God to serve our Church with greater strategy and greater sacrifice", and the first item mentioned in his opening sermon was the necessity of strengthening the overseas program of our Church. By unflinching and ever increasing support of our own missionaries, the Episcopal Churchwomen of North Carolina can contribute substantially in this direction.

NOTE TO BRANCH CHAIRMEN OF MISSIONS. Please send your Christmas checks to your District Chairman of Missions before November 15th, giving name of branch and amount of gift.

NOTE TO DISTRICT CHAIRMEN OF MISSIONS. Please send the total Christmas gift from your District, itemized by Branch and amount, to the Diocesan Treasurer before December 1st.

Margaret K. Motsinger
Chairman of Missions.

REPORT OF THE REPRESENTATIVE TO THE STATE LEGISLATIVE COUNCIL

Since our last Annual Meeting I have attended one meeting of the State Legislative Council—its Annual Meeting, November 20th, 1958—at which time the tentative program of proposed legislation which we approved at our Annual Meeting last April was put in final form and printed for distribution. This Program for 1959 of the State Legislative Council was sent to all our Branches in our president's letter for January. On request from the Executive Secretary of the Legislative Council I sent the names of all Branch Secretaries of Christian Social Relations so that they could be notified by the Legislative Council when these measures were to come before the General Assembly during its 1959 session. Thus our Auxiliary Branches could be altered and, individual members if they wished to do so, could write or speak to their Representatives and Senators in the Legislature in support of these measures.

As a matter of fact two of these six items are now before the General Assembly—the state minimum wage law and the bill for revision of laws relating to inheritance. With respect to the minimum wage bill, its long-awaited adoption seemed brighter as of last Friday than at any time in the past twelve years although the anti-wage lobbyists continue their frantic efforts to kill it. The revision of the laws relating to inheritance applies only to cases in which a man or woman dies without a will—but such cases frequently result in great hardship since North Carolina is one of only two or three states in the Union whose inheritance laws have not been changed since colonial days and actually go back to mediaeval English law. It is time for action on our part as christian citizens to let our Legislators know how we think on these important measures.

There is one function as a member of the State Legislative Council which we have not exercised up until now, so far as I know, and that is our opportunity to submit to the Study Committee an item of proposed legislation. Shortly after this General Assembly adjourns the Study Committee of the Legislative Council for 1959 will meet to consider whether to retain those measures on its 1959 Program which did not come before the Legislature, or were defeated, and to add new items to its tentative program for consideration by its member organizations during 1960. At the meeting of our Executive Board on Monday evening we discussed the advisability of asking the Study Committee to consider the question of abolishing capital punishment of criminals. As you are aware the Episcopal Church at its General Convention in Miami last October went on record as opposed to capital punishment. Our Executive Board was in favor of our Representative introducing this subject with as much supporting data as she could gather when the Study Committee meets, probably in June or July. It requires a minimum of twenty months for any item of proposed legislation to be included in the program of the Legislative Council and as a rule a considerably longer time than that. Once in the program a measure may be carried through several sessions of the Legislature before it is passed, or dropped from the program. When we assemble again in our Annual Meeting in 1960 we shall be interested to learn what has become of this bread that we have cast upon the legislative waters.

State Legislative Council
