FOREWORD

Duke Memorial Church had its origin in a small Sunday School in Duke's Factory in May, 1886. A short while later, on October 10, 1886, a group of forty-four persons became charter members of Main Street Methodist Church when it was formally organized. Seventy-five years later the little company has become a membership of over 1900, and the little brick church (40 by 70 feet) has become the lovely sanctuary and the expanded facilities we now use in the spiritual development of that larger membership. While we can have a sense of just pride in the physical growth of the church during these 75 years (both in building and in membership) we must remember that the church, of all institutions, cannot boast of its material equipment or its numbers. As so well stated in Mr. D. W. Newsom's "History of Duke Memorial Church", "it's richest traditions and treasures must always be the memory of Godly lives—the long line of such lives sanctified and beautified through the inspiration of its sacred altars. The test of the true church in the world is its ability to redeem and purify and electrify human life, to put the Kingdom of God into the hearts of men, and send them forth into the world conscious of the presence of God and of a desire to serve Him."

To serve such high ends Duke Memorial Church must forever be dedicated. To achieve such ends we must be a "family of God", knowing one another, serving one another and all mankind, and loving one another. We must grow in our knowledge of and love of God. We must have an organization in which we can offer our talents to serve God at home and unto the uttermost parts of the earth. This Directory is designed to help the "family" know one another and to give a picture of the organizational structure in which our "family" operates. We are grateful to those whose devoted labors have brought the Directory into being, and we hope it will help bind us all closer together in spiritual fellowship and will challenge us all to more devoted service for God and His church.

ROBERT W. BRADSHAW, Minister

DUKE MEMORIAL HISTORICAL HERITAGE

Duke Memorial Methodist Church's earliest predecessor came into being on the first Sunday in May, 1886, when a Sunday School known as Bethany Sunday School was established. Its first quarters were in a spacious section of one of the Duke tobacco plants. There were thirty-three members, with the Rev. Amos Gregson serving as preacher in this informal location.

Soon after the organization of Bethany, B. L. Duke donated to the little congregation a lot on the corner of West Main and Gregson Streets, and on October 10, 1886, a brick church 40 x 70 feet was occupied following the program begun by the group that had begun as one of the missions from Trinity Church. Bethany's name passed into history when the Main Street Church came into existence with forty-four members, seventeen of whom had brought their letters from Trinity. Eighteen persons transferred from other churches and nine joined on profession of faith.

On April 24, 1887, Bishop Charles B. Galloway conducted an impressive dedication service for the first church home of what later became Duke Memorial Methodist Church. The Rev. Amos Gregson was pastor at that time for the church that had become an independent station appointment while yet barely a year old.

When the question of the indebtedness on the church came up, Washington Duke, rather than have the congregation canvassed, most of the members of which were employees of his factory, agreed to give his own check to liquidate the debt, an act characteristic of himself and other members of his family throughout their history.

The new church expanded soundly and rapidly, and by 1889 the Sunday School had increased ten fold in membership and during the year 138 members were added to the church, 109 of them by profession of faith. Organization within the church had developed and multiplied and their scope of service broadened.

About this time a 40 x 20 annex was built and presented to the church by B. N. Duke, but with the removal of Trinity College to Durham in 1892, another period of increased activity was begun, and the church quickly outgrew its facilities. The influx of faculty members and students from the college, which later became Duke University, aided the church in its growth so that by 1906 it had become apparent that Main Street Church would eventually have to seek a new location and home.

That year the site of the present church building was purchased and in the following year the cornerstone was laid. The Sunday School section was first constructed and for a time church services were held in the auditorium of the Sunday School. The Rev. T. A. Smoot was pastor at the time.

At the Annual Conference of 1907, held at Trinity Church in Durham, Bishop A. W. Wilson assigned the first pastor to the church after its move, and he was the Rev. M. Bradshaw, the father of our present pastor, the Rev. Robert W. Bradshaw. The elder Bradshaw served until 1911, during which time church services were held in the Sunday School section while the church sanctuary was being completed. He returned to Duke Memorial again in 1918 for a five-year pastorate, and later was presiding elder of the Durham District.

The change of the location of the church had also necessitated a change in the church name, and it was appropriate that the name of Duke Memorial Church should be chosen, since from the church's beginning and through the early years in the present location, the Duke family had contributed magnificently to its physical expansion and wholeheartedly to its spiritual life.

Bishop John C. Kilgo preached the first sermon in the main auditorium of the present building on Sunday, June 2, 1912. The church membership during the first year in the building we now occupy was 709 persons, with 698 on the Sunday School rolls. The value of the church property was listed as \$132,276, the parsonage \$9,000, with a total value of \$141,276. The parsonage was located on the corner of Chapel Hill and Duke Streets.

A number of years passed before it became necessary to make further build-

ing expansion, and it was in May, 1931 that the present educational building annex was occupied. This addition, of complementary materials and architecture to the main building, gave the church enlarged facilities that at that time made its program considerably more effective. The building program was conducted during the pastorate of the Rev. W. A. Stanbury. The membership at the time the annex was opened was 1,432, with a Sunday School enrollment of 1,356. There were seventy officers and teachers on the school staff. The value of the church property was then \$501,562.

At the time during which the annex was erected, an extensive renovation program was carried out in the main building and this provided for adequate expansion of several departments of the Sunday School. The basement area under the church sanctuary was excavated and the areaways on both sides of the building were provided for easy access to the newly opened section and to allow for ample windows in the basement.

The former "Akron Plan" Sunday School auditorium and class room area in the rear of the building was converted into use as it now stands, and a second floor was added into the once two-story auditorium section. It was at this time the Memorial Chapel was furnished on the first floor level that once was the lower portion of the auditorium.

Although there have been no additions to the church buildings since 1931, a number of significant improvements have been made over the years that have both met the needs of the continually growing congregation, and have enhanced the attractiveness and usefulness of the church property.

In 1949 the present parsonage was erected and the former parsonage on the corner of the church site was removed and the areas were landscaped. A few years prior to this, three houses that occupied the present playground area were removed and the area was developed as part of the church site, which now occupies the entire block.

In 1953 a renovation program was carried on throughout the main building of the church and extensive improvements were made to the organ. The church was host to Annual Conference that same year, and the indebtedness on the parsonage was paid off that same year.

The air-conditioning of our Church in 1954 and the Education building in 1956 was given in loving memory of Mrs. Gertrude Teer by the members of her family. She was a devoted member of Duke Memorial for 32 years and a member of the Board of Stewards for 14 years.

The parking lot was established in 1955, and interior changes were made in the educational building in 1957 and 1959. A parsonage for the associate minister-of education was purchased in 1959 and during that year the congregation deeded to the City of Durham a portion of the lawn on the east side of the main building, adjacent to Duke Street, for the widening of the street. This was done in recognition that the growth of the city had made the project a vital one of benefit to the church as well, and the action was taken as the congregation and the city look toward even greater growth.

As Duke Memorial Methodist Church stands on the threshold of its 75th Anniversary Year, it is with a great sense of pride that we review this history of our church from its beginning as a small Sunday School in a factory, down to the present day. The present value of all our church properties is now \$750,000.00 and our church membership is 1906. The church school has an enrollment of 1118 at the present time. For the current year we have a budget in excess of 92,000 that encompasses the far-reaching program that our church has always carried out and which it is attempting to continue and expand, and which we trust shall always be our aim.

A special committee at work over the past year has reported to us that it has found in its study of our present program and facilities that future expansion and rearrangement of our physical plant is necessary in order that we meet the needs of our growing congregation. They tell us that our present program is providing many effective ministries to our membership and community at large, and they

add that some aspects of this program are strong, while other aspects need strengthening. It is therefore, then, that we must continue to look to the future and set our goals toward fulfilling the needs of our people.

As church members, we must not forget that the church, of all institutions, cannot boast of its material equipment, however. These are only the consecrated implements for our high task. Whether small or great, the test of the true church, as we have often been reminded by our pastor, is its ability to redeem and purify and electrify human life, to put the Kingdom of God into the hearts of men and send them forth into the world conscious of the presence of God.

To such high ends may Duke Memorial Methodist Church forever remain dedicated.

THE WOMAN'S SOCIETY OF CHRISTIAN SERVICE

The purpose of the Woman's Society of Christian Service is to unite all the women of the Church in Christian living and service.

Therefore, we seek to enlist all women to study the needs of the world, to help develop and support Christian work, and to take part in such activities as will strengthen the local church, improve civic and world conditions for the establishment of a Christian community.

The Society meets each first Monday of the month. At 11:00 a.m. the Spiritual Life Group meets in the Church Parlor, followed by the General circles. There are 13 circles arranged to suit the needs of the individual, having morning, afternoon and night groups.

THE CIRCUIT-RIDERS

Advisor — Thomas H. McCauley

This group is composed of young people who seek, in a time of individual transition, to maintain ties with the eternal values of our religious heritage. They find inspiration in the activity, the courage, and the dedication of the circuit-riders who carried the message of Methodism with them across the face of a new nation.

The program takes into consideration all those pressures bearing upon young people on the threshold of maturity and is designed for flexibility commensurate with the varying size and interests of the group. From Sunday to Sunday the program may take the form of seminar, symposium, forum, directed conversation, lecture, debate, or excursion. The program further contemplates expansion to include activities of a social and recreational nature appropriate to the interests of the group.

ADULT CHURCH SCHOOL CLASSES

Superintendent of Adult Division: Mr. Thomas S. Coble, Jr.
2005 N. Club Blvd. 286-2697

HOME BUILDERS CLASS

Teacher: Dr. Earl Brown, 411 North Gregson 682-8213

Young married couples who are just getting started with their families and careers have joined together for fellowship and study on Sunday mornings using study themes which are related to their common interests. The class works under the direction of a teacher advisor and program committee who arranges the Sunday morning study. Frequently members of the class lead the discussions. Principally, membership in this group is composed of those in the 20 - 35 age group whose interests are directed toward a discussion type class. The class meets in the church basement.

THE YOUNG ADULT CLASS

Teacher: Dr. Herbert O. Sieker, 204 Forestwood Dr. 489-9041

Single young adults and married couples form the membership of this class of young adults. Their common interests center around mutual vocational life and the need to develop social fellowship. This group appeals especially to single young men and women who experience a need for making new acquaintances and making a contribution to church life. This group also uses the unit plan for their Sunday morning study, setting up periodic areas of study and selecting resource leaders as teachers. The class is located in a room adjacent to the sanctuary.

THE ANCHOR CLASS

Teacher: Resource Leaders and Unit Plan

The Anchor Class is composed largely of professional men and women, married couples and single adults in the general age range of 25 - 45 years. The objective of this group is to provide study in the Christian faith and to explore its application to their vocational, community and home life. The class sets their own areas of study, using reputable teachers in their field. This group meets at 9:45 in the church parlor.

PASTOR'S AIDES CLASS

Teacher: Dr. H. E. Spence, 3629 Hope Valley Road 489-5227

The Pastor's Aides Class was organized in 1913 by the church pastor. This class for men has had many distinguished teachers including Dr. W. P. Few and Dr. H. E. Spence. The class has a regular Sunday morning service which begins at 9:45. The aim of the class is, as suggested by its name, to aid the pastor in any way possible. New members are always welcome to this class.

THE LILLIE DUKE BIBLE CLASS

Organized in 1914 as The Daughters of Wesley, with thirty-one members, the class now has an enrollment of one hundred-fifteen. The first teacher was Miss Lillie Duke, who retired in 1938. Mrs. C. W. Pepler taught from 1938 until her death in 1953. In 1941 the name was changed to Lillie Duke Class. The present room was decorated as a memorial to Mrs. Pepler. Since 1953 Mrs. A. H. Borland has taught the class.

THE MINNIE P. GATES BIBLE CLASS

Teacher: Mrs. James W. Holsinger, 2306 Wilson St. 286-2673

In 1947 a small group of women of the Duke Memorial Church congregation formed a Sunday School class and asked Mrs. A. M. Gates to serve as their teacher. This class has grown in size and stature and presently has about fifty members. Its members are largely mothers, professional and employed women. We are sorry to lose our former teacher, Miss Helen Oyler, who was forced to resign because of illness.

THE KATIE JOHNSON CLASS

Teacher: Mrs. Holland Holton, 809 Watts St. 286-8004

This class for adult women attracts as members business women and homemakers of varying ages. The class is very active and has a variety of projects which absorb the interest and energies of the members. A business meeting is held monthly on the first Tuesday night at 7:30 usually in the homes of the members, but sometimes in the Church Parlor.

THE GLEANER CLASS

Teacher: Miss Dorothy Kirkland, 1408 Washington St. 681-2480

"Let us not be weary in well doing for in due season we shall reap if we faint not." This Motto—that of the Gleaner Class—tells of the spirit of this class of ladies of varying ages. Interest in service to the church and community and interest in others give purpose to the class activities.

This class was organized in 1906 and has grown through the years. It has always been a very active group of adult women and welcomes to its membership kindred spirits. Monthly meetings are held the first Thursday.

MRS. R. N. WILSON'S BIBLE CLASS

Forty years ago two classes of young girls without a teacher joined forces. Prof. R. N. Wilson taught them one Sunday. Feeling sorry for their plight, he told them he would get them a good teacher if they would support her. He sent his wife, who was everything he promised. Mrs. R. N. Wilson's Bible Class has been particularly fortunate in its two teachers, Mrs. Wilson who kept the class until her death, and its present teacher, Mrs. Fred Darkis. Both these women have fostered a spirit of integrity, helpfulness, and Christianity applied to everyday living. From this small class of about twenty professional women have come many teachers and leaders in all phases of church life.

DUKE MEMORIAL CHURCH TRUST FUNDS AND THEIR USE

Duke Memorial Church is the fortunate beneficiary of the generosity of a number of its early members. Through the years the donors of these funds have provided incentive for our Church to achieve large and progressive undertakings. In no sense were these funds intended to relieve the membership of its stewardship responsibilities or to serve as a crutch.

Certain of the gifts made to Duke Memorial have been expendable funds for particular purposes. For example, the late Mrs. Lyda Duke Angier left the sum of \$1,000.00 to the Church for physical improvement to the Nursery. This money, spent in 1960, provided the rugs on the floor and other needed items.

Other gifts to our Church have been given in perpetuity and have been invested as trust funds, the income from which benefit Duke Memorial. Presented herewith are descriptions of these funds and brief financial statements:

THE PERPETUAL MEMORIAL FUND

The income earned by the investment of the principal funds is to be used in the current budget of the Church. To this fund the following amounts were bequests:

Mr. B. N. Duke	\$15,000.00
Mr. Angier B. Duke.....	10,000.00
Mrs. B. N. Duke	4,800.00
Mrs. Lucy Wilson	2,100.00
	\$31,900.00
Income for the current Budget	\$1,250.00

THE CLAUDE FLOWERS BEQUEST

The will of the late Claude Flowers gave to Duke Memorial Church the sum of \$5,000.00 which is invested and the earnings added to the current budget of the Church.

Income for the Current Budget	\$200.00
-------------------------------	----------

THE ANNIE RONEY BEQUEST

The will of the late Annie Roney gave to Duke Memorial Church the sum of \$1,100.00 which is invested and the earnings used to aid the poor and sick of Durham. None of this money may be used for the current budget.

Anticipated income	\$45.00
--------------------	---------

THE MEMORIAL CHURCH FUND, INC.

This fund is much the largest of the trust funds which have been created for the benefit of Duke Memorial. The income from the principal funds cannot be used for the current budget of the Church, but rather the income must be used for the physical plant. Only extraordinary repairs or capital expenditures are allowed.

The fund was created August 26, 1926. A board of trustees was set up to administer this fund. There are seven members of this board, of whom the President and Secretary of Duke University and the Chairman of the Board of Stewards of Duke Memorial Church shall be members by virtue of their offices. The other four are to come from the membership of the Church. At the present time (1961), the trustees of the fund are: Dr. Deryl Hart, President; Mr. Charles E. Jordan, Vice-President; Judge M. T. Spears, Sr., Vice-President; Mr. John M. Dozier, Secretary-Treasurer; Mrs. Mary D. B. T. Semans, and Dr. John Glasson.

To this fund the following amounts were bequests:

Mr. B. N. Duke	\$50,000.00
Mrs. B. N. Duke	50,000.00
Mrs. Mary Duke Biddle.....	50,000.00
Mr. C. W. Toms	5,000.00
Mr. W. W. Flowers	5,000.00
Mrs. Mary W. Stagg.....	5,000.00
	\$165,000.00

These original funds have been wisely invested and as of March 31, 1961, the market value of the holdings of the fund was \$666,099.61. As of the same date the fund had earned \$348,567.29 since it was created and 307,108.27 had been spent for repairs, additions, and maintenance of the physical properties of our Church.

Among the major expenditures since the fund was created are these:

Construction of Sunday School Building	\$42,385.99
Purchase of land	4,250.00
Construction of Parsonage	13,555.78
Purchase of additional Parsonage	12,000.00
Roof repairs (renovation inc.)	25,804.31
Renovation of Organ	10,190.00
Parking Lot	2,878.62
Alterations to Church School Areas	9,973.03
Painting (major items only)	18,892.35

It is apparent that our endowment funds have done a great work for us and our Church. It is equally apparent that they offer opportunity and challenge to move to a larger and finer program of Christian action.
