Dedicated to

To One of Gods Humble Servants, William Van Carroll, we dedicate this book. Born and reared in Rowan County and educated at Yakin Academy, Wake Forest College, and Southern Baptist Theological Seminary. He has taught in the high schools of our state. He has served as pastor of churches in both North Carolina and Virginia. Leaving the pastorate in 1947, feeling God's call in the associational missionary work, serving as associational missionary in the Liberty Association in Lexington, N.C. Leaving in 1957 to become missionary of the Sandy Run Baptist Association in which he is now serving and doing a wonderful job of leading our association.

HISTORY OF HOST CHURCHES

MT. PLEASANT (C)

Mount Pleasant Baptist Church originated from the concern of three unsaved men. Charlie C. Simmons, his brother, and a brother-in-law were cutting logs near the cemetery. While resting, they discussed the need for a Sunday School for their children. Mr. Simmons agreed to give the land and the timber for a building. In the fall of 1848 these three men, with the help of neighbors, built a log building near the southeast corner of the cemetery. This was an oblong building with a rock chimney.

Near Christmas of 1848, Elder Thomas Dixon, assisted by George Rollins and others, held a revival meeting in the new building. This meeting led to the organization of the church.

In 1849 a presbytery, formed by members of four churches met to organize the new church. The members came from Camp's Creek, Boiling Springs, Sandy Run and High Shoals. They were joined by three ordained ministers.

Eight men and thirteen women presented themselves for charter membership. They adopted the Baptist Articles of Faith and Church Covenant.

The church joined the Broad River Association in 1849. She remained a member of that association until she withdrew to help organize the Kings Mountain Association in 1851. In 1890, she withdrew from the Kings Mountain Association to help form the Sandy Run Association.

In November, 1903 the church bought an adjoining tract of land. Not until January, 1913 did the church agree to build. The location was on "the east side of the road about opposite the north-eastern corner of the grave yard land." The new church was dedicated on September 13, 1914. Additional rooms were built on the sides of the church in 1924. Later a basement was added to the church. In 1954, the present educational plant was erected. The church was remodeled and the auditorium was completed in 1960. At the same time, the parsonage was built.

During her 122 years of service, Mt. Pleasant Baptist Church has been served by thirty-three pastors including her present pastor, Roy J. Bradford.

Yearly, she gives 16% of her offerings to the Cooperative Program, 3% to Associational Missions, and 2% to Foreign Missions as well as special offerings. Also, \$350.00 is given each year to the Gardner-Webb College Library.

Today, October 26, 1971 Mt. Pleasant Baptist Church is proud to welcome the delegates from sister churches to the Eighty-Second Annual Session of Sandy Run Association.

SANDY MUSH

The Sandy Mush Baptist Church was organized September 2, 1951 with 66 charter members. The church was organized under the capable leadership of Rev. Guy Johnson. Rev. Johnson served as the first pastor of the church and his ministry continued for some twelve years.

On May 3, 1964 the church voted unanimously to call Rev. T. Earl Poole as pastor and he accepted the call.

A new parsonage was completed in 1967. A new fellowship hall was completed in 1969.

Rev. Poole served as pastor of the church for five years.

Rev. Jim Jones was called to serve as pastor on July 20, 1969, and is the third pastor to serve the church in its twenty year history.

Next on the program was Hugh Starnes, Superintendent of Broyhill's Children's Home and Baptist Maternity Home, telling us of the wonderful work being done in the Children's Home and in the Maternity Home. He urged us to support this work not only through our offerings, but also through our prayers.
11. In a period of business and announcements the following matter was presented:

(1) J.M. Simpson, Chairman of the Committee for Locating New Office Space, presented the following:

- A. We recommend that the Association rent the one room adjacent to the two now occupied by the Associational Missionary for the present.
- B. We recommend that this same committee, or one selected by the Association, be asked to continue their search for a more adequate quarters for the Associational Missionary.
- C. We recommend further that a building fund be authorized for the purchasing of land and building an Associational Building, or to purchase a building that would be suitable for associational office space, and that treasurer set up this separate fund and administer it.

After some discussion, all three items were approved.

service for those of our association deceased since our last session.

13. A message in music was rendered by Edgar Lineberger, accompanied by Mrs. R. Joe Hogan.

Reports

BAPTIST HOSPITAL

Your Baptist Hospital admitted 17,557 persons in 1970 for a total of 150,174 days

of care. In addition, there were 51,563 visits to outpatient clinics, including 17,241 to the Emergency Room. About 90% of these were "referral" patients - that is, patients who were referred to our Hospital by their local physicians because they needed the specialized medical care our Hospital is staffed and equipped to offer.

Our Hospital, from the day of its beginning, has provided good medical care for our people, including care for persons who cannot pay the cost. There has been great progress in medicine and tremendous increase in hospital cost, and these have made some policy changes necessary. The basic policy of providing care - now the highly specialized care for the more difficult cases - for those who cannot pay has not changed. This Christian ministry is at the heart of the work of our Baptist Hospital.

The financial situation of the Hospital is viewed by the administration with "cautious optimism." The operating deficit has been reduced and expenditures are being kept more nearly in line with income. The entire staff is cooperating in an effort to maintain a proper balance between sound financial policies and a spirit of Christian compassion.

The Medical Center Development Program is progressing on schedule. The new patient Tower is expected to be ready for partial occupancy by late 1972. The 14 bed coronary care unit will open about September, 1971. A statement Development Campaign, initiated with pledges totaling \$177,182 from employees of the Medical Center, is moving successful completion.

Baptist Hospital offers a ministry of healing in Christ's name to all who need it. It seeks to fulfill the same purpose in North Carolina that a Baptist Hospital operated by our Foreign Mission Board seeks to fulfill in Korea or Nigeria. It ought to be supported by missionary-minded Baptists with the same enthusiasm and for the same reason we support every other phase of our denomination's World Mission Program. This is missions too.

BIBLICAL RECORDER

At a time when some religious publications are losing circulation, it is good to report that the BIBLICAL RECORDER has passed 93,000 - the highest circulation in its 138-year history. This circulation is a tribute to the Baptists of North Carolina who support the paper so faithfully.

Even though inflation continues to create problems, you can receive the RECORDER under the Church Budget Plan for the same price it was in 1960 - only \$2.00 a year. It is not known how long this reasonable price can be made available and that is all the more reason churches should enlist immediately.

The RECORDER likes to report all the good news it can about Baptists. The paper is proud to be the instrument that communicates to the world what our denomination is doing. When evil needs to be exposed, however, the RECORDER does not shun it. This was evidenced again in the legislature this year as the liquor forces managed only small gains. And these may turn out to be unconstitutional. We are referring to the local option liquor by the drink elections in Moore and Mecklenburg Counties. The RECORDER stresses Christian citizenship. Perhaps this is one reason the paper continues to reach more and more people - it stands for something.

The RECORDER appreciates every reader and supporter. The cost is reasonable. You can receive the RECORDER under the Church Budget Plan for only 4¢ a week - half the cost of mailing a letter. There is no more economical way to have an informed membership than by sending the RECORDER to every family.

NORTH CAROLINA BAPTIST CHILDREN'S HOMES

The child care and family service ministry of North Carolina Baptists in Western North Carolina has undergone many new and thrilling experiences during the past year. Since the associations last met, our program of services has been strengthened in various ways.

The desire for a home to serve Western North Carolina has become a reality. In early May, after years of careful planning, diligent work and generous giving by many friends of the Homes, the first two cottages for children on the Broyhill Home campus were opened. These were filled to capacity by the early part of the summer making provision for twenty-five additional children in group care.

In October of 1970 a new service was begun with the opening of a maternity home in Asheville. The girls who have been served in this program have responded well to the love, concern and care which has been provided them. This facility was made possible largely by our Baptist people and other friends in Asheville and Buncombe County.

With the provision for more adequate services for children and members of their families in Western Carolina, it has been necessary to increase the size of staff to serve the area. Under the capable leadership of Hugh Starnes, Superintendent of Broyhill Home and administrator in Western North Carolina, members of the staff are seeking diligently to serve the many request that are being made.

The expansion of services and the improved quality of work being done requires additional financial support. Increased giving through the Cooperative Program, the Thanksgiving Offering, special gifts by individuals, families, businesses and industries is necessary to provide quality services for those who turn to us for help.

Members of the Board of Trustees and members of the staff of the Baptist Children's Homes use this opportunity of expressing genuine appreciation for your confidence and support. At the same time, they are seeking diligently to maintain the best program of child care possible.

CHURCH LIBRARY

We have 30 church libraries with 5 churches circulating printed audio visual materials. 30 churches have a literature librarian. We held 1 Associational Training opportunity during the year with 19 enrolled, representing 11 churches. 2 from our Association attended the Church Library Conference at Ridgecrest this summer.

Our plans for the new year are to meet monthly and to organize 12 new church libraries.

SUNDAY SCHOOL

The Great Commission of our Lord continues to be the marching orders of Christians in this decade of the seventy's. We are to continue to "Go and TEACH all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost; TEACHING them to observe all things"

The Sunday Schools of our churches have been assigned the tasks of teaching the Bible, reaching persons for Christ and church membership, leading all church members to worship, witness, learn, and minister daily, furnishing workers for various projects, and interpreting the work of the church and denomination.

Our Associational Sunday School Department is dedicated to the task of helping

the churches of our Association fulfill the command of our Lord to "Go and teach" In our efforts to help our churches this past year we have held four planning meetings with Associational Sunday School Officers and four Associational meetings for Officers and Teachers of our Sunday Schools.

Now let us look at some startling facts and a great challenge. At the close of the Associational year, 1965, we had 14,514 enrolled in the Sunday Schools of our Association. At the close of 1970 we had 12,953 enrolled. This means that we had a loss of 1,561 in a five year period! What can we do about it? If we will follow the simple growth formula advocated some years ago by Dr. Arthur Flake - locate the prospects, enlarge the organization, provide needed space, enlist and train workers, and VISIT THE PEOPLE - we will reach more people for Bible study; our baptisms will increase; Christian stewardship will become a reality; and our churches will be strengthened.

One of the best plans for reaching people for Bible study is the "People to People" campaign. I hope that many of our churches will consider using this plan of outreach and also the WIN (Witness Involvement Now) materials that are available to help us reach people for Christ. It's never to late to begin - but it could be to late for many who die without Christ.

Kenneth M. Bowen, Assoc. S.S. Director

STEWARDSHIP

STEWARDSHIP MEANS DIFFERENT THINGS TO DIFFERENT PEOPLE. To some it has no meaning at all. To others the word has been identified only with raising church budgets. - When most of us think of our stewardship, we think also of the Cooperative Program. We are taught to be good stewards of our possessions. A local church or convention also wants to disburse its funds wisely. No better plan has been conceived to do this than the Cooperative Program.

What the budget is to the local church, the Cooperative program is to the denomination. It supports all our missionary causes at home and abroad. It is preaching the gospel; it is healing in the name of Jesus through hospitals and clinics everywhere; it is teaching and training Christian leaders for all the great tasks of kingdom endeavor.

As our people worship with tithes and offerings Sunday by Sunday and as our churches channel a worthy part of their income through the Cooperative Program, we enter into partnership with God and one another in obedience to the command, "Go . . . preach . . . teach"

It is our prayer that each church in this association will examine what it is doing in the light of what it should be doing for missions. We also pray that when this report is made at our Annual Associational Meeting next year that it can be said that every church gave through the Cooperative Program. A lost world is waiting to hear about Christ, and thousands die each year who do not know Him. Many have never heard that He came. What part will we play in making our Savior known to the uttermost part of the earth? Only you can answer that question.

Let us not forget our associational finances. How wonderful it would be for our associational finances if our churches would aim at two percent of the regular church budget dollar, leaving off church building debts or other debts and building funds.

Billy M. Holland, Chairman

STATE MISSIONS

In general, State Missions are divided into two major categories:

1. Ministries that STRENGTHEN

2. Ministries that LENGTHEN, involving the witness of local churches.

The STRENGTHENING ministries involve the church program organizations as, Sunday School, Church Training, WMU, Brotherhood and others. Through these programs, the churches are better enabled to realize their own mission potential.

State missions helps provide resources and personnel that assist in the development of these ministries, such as workshops, seminars, and conferences across our state.

The second type of State Missions are those ministries that LENGTHEN the witness of local churches. These are cooperative efforts that "represent" the concerns of local churches and require the support of many congregations. Examples are: Urban Missions, Interracial Cooperation, Resort Ministries, Language Ministries, Chaplaincy, Fruitland Bible Institute, Seminary Extension, Ministry to the Deaf. The burning of the classroom at Fruitland Institute has brought about the need of an increase in State Mission offerings this year. I trust that our churches will feel a definite responsibility to do something extra for this fine school by way of increasing your gifts to State Missions.

Other extending ministries include Literacy Work, Migrant Missions, Mountain Missions, Week-Day Ministries and Youth and Family Services. All total, State Missions involves over 50 different ministries across North Carolina. These programs serve as a vital link in the total World Mission Responsibility of North Carolina Baptists.

ASSOCIATIONAL BROTHERHOOD

North Carolina has more than 1,400 Brotherhood organizations with a membership of 44,000 in our 80 associations. The Brotherhood Department, Rev. J. Edwin Bullock, secretary, sponsored some of the best workshops, mission rallies, and assemblies and camps for men and boys in its history. Camp CaRAway, near Asheboro, is our state-wide camp.

The Brotherhood of Sandy Run Association has sponsored a number of meetings during the year:

(1) Mission rallies, emphasizing the Week of Prayer for Foreign Missions, the Week of Prayer for Home Missions, and the Week of Prayer for Associational Missions, were inspiring to those who attended.

(2) The Brotherhood Workshop at Sandy Mush Church was led by men sponsored by the State Brotherhood Department. All who attended received information and inspiration to continue and improve the work of Baptist Men and Boys.

(3) The R.A. s, under the leadership of Brother B.A. Marshall, held an RA Conclave, an Associational RA Track Meet, and an RA Camp-Out. The next RA Conclave will be held on October 30.

Sandy Run Association has 55 RA chapters and 29 Brotherhoods with a total of 1,078 enrolled.

I wish to commend the officers of the Brotherhood for their good work this past year. They are as follows: Mr. Edgar Lineberger, Secretary and Music Director; Rev. Robert Toney, Men's President; Mr. James Marchman, Mission Action Leader; Rev. Johnnie Tiller, Mission Study Leader; and Mr. B.A. Marshall, RA Director.

EVANGELISM

As we come to the close of another associational year may we bow our heads in

gratitude to God for the souls won to Him this year through evangelism.

All Christians need to thank God for the renewed interest among youth in evangelism. This was evident during the Youth Evangelism Night this past February 2nd when almost 20,000 youth and adults overflowed the Greensboro Coliseum and War Memorial Auditorium. 1,519 decisions were made by these youth. Also many youth in churches across our state are involved in witnessing for Christ in unique ways.

There is tremendous interest in North Carolina and the entire Southern Baptist Convention in the new WIN materials on lay witnessing and the one week Lay Evangelism Schools. Over twenty-five associations have already started specific planning toward a one week Lay Evangelism School in their area. The first Lay Evangelism School sponsored by the Division of Evangelism will be November 1-7 in the Mecklenburg Association. Other one week dates have already been confirmed in several associations. Jesus reminded all Christian laymen of our task in Luke 24:48 - "And ye are witness of these things." Thousands of laymen and youth will respond if they are properly challenged and trained.

The 26th Statewide Evangelism Conference will be February 7-9, 1972 at the Cumberland County Memorial Auditorium in Fayetteville.

The next Statewide Youth Evangelism Night will be on Friday evening, August 18, 1972 at Greensboro Coliseum.

For the coming year plans are being made with the Billy Graham team to have a crusade in our county. Pray much for this evangelistic effort.

Remember to pray earnestly for the non-Christians in North Carolina and around the world that through our efforts together the Holy Spirit may lead many persons to commit their lives to Jesus Christ.

BAPTIST FOUNDATION

The North Carolina Baptist Foundation, Inc., was organized in 1920. It has a fifteen-member Board of Directors elected by the Baptist State Convention. The Policies and procedures of the Foundation and the support of the same is in the hands of the Baptist State Convention of North Carolina. It was seeking to provide an agency that would undergird the Baptist institutions, causes, and agencies of the Southern Baptist Convention, as well as southwide and worldwide institutions, causes, and agencies of the Southern Baptist Convention. In other words, this is your Foundation, and you should know more about its services and activities.

During the past twelve months, the Foundation has had a gradual growth, in that several individuals and churches have made contracts with the Foundation to accomplish specific purposes such as supporting an agency or institution of the Baptist State Convention, the Southern Baptist Convention, and world-wide objects. In one or two instances, individuals through their wills have added to existing memorials that were established during the life time of the donor. The Foundation stands ready to render service to individuals and churches as their requests are made known.

MUSIC MINISTRY

The year 1970-71 is a year of local activity for the music of the Association. The accomplishments are not numbered by so many meetings or even the corporate endeavors of an organized ministry. Each leader in his church has been active in trying to meet the needs of the local church. This is not to imply unconcern for others because the usual music has been provided for the various associational meetings. The

music for the Annual Session, the Church Training, Sunday School, W.M.U., and other organizational meetings was provided.

Some choirs participated in the spring music festivals.

SOUTH MOUNTAIN BAPTIST CAMP

There were many thrilling camp experiences during the summer. Over 3,500 came for some type of organized activity this season. 1,970 attended our camps. Hundreds came by for a visit. 323 attended from our Association.

We had 1,150 decisions for Christ. Of these 317 were professions of faith.

We are greatly indebted to our camp director, Rev. T.A. Lineberger, his able assistants and staff. There was a dedicated staff of 22-25 whom God used in a wonderful way. They went into fifteen churches on week ends to sing, show slides and give testimonies about their experiences with Christ at camp. Each week during the summer there was also a Missionary to help give each one a worldwide vision of missionary responsibility. Campers studied organization work each day.

We had a good year financially from camp receipts. During the year we deposited \$30,500.00 into the general fund, operating expenses were \$22,700.00. During the year we paid off a \$9,000.00 note plus \$700.00 interest. Funds came in well during the year for the future Chapel. \$4,177.00 is in this fund now.

IMMEDIATE NEEDS: Caretakers home to be built, winterize buildings, sow grass in play area, fix crossing at river, build bunk beds, build Chapel, finish missionary Cottage, increase Water Supply.

Improvements during the year: Painted assembly building, two cottages and store; covered water line, landscaping, enlarged play area, graded road to missionary cottage, paved basket-ball court, built office, and sowed grass.

ASSOCIATIONAL W. M. U.

With the changes in plans, names and groupings, Woman's Missionary Union of Sandy Run has had a decline in numbers as to membership. Although we cannot report an increase quantity-wise, we feel that quality work is being done. Most of all, we are not losing the real purpose of the organization - that is, to help the church fulfil its mission.

As an Associational organization we can report Council meetings have been held quarterly (sometimes more often, if necessary), representation at all State meetings and workshops and also at Ridgecrest, which is one of the National Meetings. For the third year in succession ours is a **DISTINGUISHED** organization. In August, co-operating with the Brotherhood, a special meeting was held in observance of the Week of Prayer for Associational Missions. This is the second year for this specific undertaking. Rev. Hoyle Allred, Superintendent of Missions in Gaston Association, was the featured speaker and presented many areas in which to strengthen mission work in the Association. The small number attending the Leadership Conference in September was especially of concern to Associational leaders. We realize that only as local leaders are trained for their particular tasks will they be able to help their churches as they should.

Baptist Women and Baptist Young Women had a Valentine Fellowship Tea for Presidents at the First Baptist Church, Forest City. This was one observance of WMU Focus Week. Contacts have been made to organize the work in churches where none exists. Hopefully, some of our churches will have new Baptist Young Women's or-

ganizations in the early part of this new year. The Baptist Women Director and Associate Director taught 19 study courses in the Association.

Three Associational activities were implemented in Acteens this past year. The Acteens Happening at Sandy Mush Church in February was an overwhelming event. An attendance of 149 girls and leaders was just marvelous. Health kits for the Migrant workers in Carolina Association involved 14 churches, and resulted in 120 kits being filled. In September the Manual was taught to leaders and directors. Several churches are working to revive and re-organize this phase of WMU work.

Girls in Action enjoyed a Mission Study Course at Caroleen Baptist Church in March. Sixty-three girls were present. The Director visited three churches to help organize G.A. work.

The Mission Friends Director has made contacts with many local workers about this work. In August she had a meeting of workers at Florence Church for Study and fellowship.

This year of 1971-72, Woman's Missionary Union is emphasizing Mission Action and family Missions activities. Through the year we will be singing, "All Hail the Power of Jesus' Name."

Mrs. J.E. Cargill, Assoc. WMU Dir.

FOREIGN MISSIONS

The heart beat of Southern Baptists have, in large measure, been measured by the scope of our Foreign Mission outreach. Southern Baptists have taken the Great Commission of Matthew 28:19-20, as the Divine Imperative to go into ALL the world and preach the Gospel.

The latest information lists a total of 2,501 FOREIGN MISSIONARIES. The call for more missionaries continues to come from the 76 geographical and political entities around the world. The need continues to be great, and the challenge staggers the imagination of mission minded people.

The answering of this challenge is dependent upon the support that comes from our churches and conventions. Last year, the support for Foreign Missions was \$31,503,218; included in this total was \$14,113,351 from Cooperative Program Funds, \$15,213,030 from the Lottie Moon Christmas Offering, and \$2,176,837 from other designated gifts.

Financial support is essential, but the basic missionary support in prayer, and study must not be neglected. Creating within our churches, and conventions the sense of URGENCY, and the sense of a DIVINE CALL is necessary for this great task. Our young people need the mission spirit in word and deed lived out in our churches and conventions that they can answer the Great Commission, "Here Am I, Send me." God has blessed us with material means to be greater, God has blessed us with a wealth of fine young people that we might be the greatest in scope of mission for Christ.

In critical times, the call to action is the answer. What can we do? What MUST we do? May we suggest four actions we can take NOW:

(1) Study and pray for a heart felt burden for this world that needs the message of Christ.

(2) Pray for OUR young people to answer God's call.

(3) Increase our Cooperative Program by at least 10%.

(4) Make a SPIRITUAL ADVENTURE with CHRIST during LOTTIE MOON CHRISTMAS OFFERING.

THE CHRISTIAN LIFE COMMISSION

"Am I my brothers keeper?" Cain may have been the first to raise this question but he was definitely not the last. Throughout history men have attempted to evade their responsibility to their fellowmen, even as they sought a right relationship to God. Our relationship to God and our Fellowman are inter-related. Always Christians have reflected their Lord's concern for the poor and oppressed, widows and orphans and for the sick and helpless. The very nature of the christian gospel thrusts believers into social action.

The Christian Life Commission helps Southern Baptists to become more aware of the ethical implications of the christian gospel with regard to such aspects of daily living as 1. Family life; 2. Race Relations; 3. Moral issues; 4. Daily work; 5. Christian Citizenship.

1. We are made acutely aware that God instituted the family as a basic unit of society. The Christian home fulfills God's divine purpose for the family as christian love guides it's practical decisions, helps resolve its difficulties and sustains it through the crisis of birth, sickness, financial difficulty and advancing age.

2. The christian religion either abolishes or transcends human barriers which set men against their fellowmen. Christians are motivated by the teachings and example of Jesus. Christians can overcome the staggering problems created by race prejudice.

3. Christians, like other people must face situations that require personal decisions having to do with entertainment, relating to the opposite sex, gambling, alcoholic beverages, drugs, smoking, obscenity, evil social structures which victimize and oppress people.

4. Christians must demonstrate the relevance of the gospel to the workaday world. Daily work should be more than a means of making a living; it becomes a vital way in which people reflect Christ.

5. Baptists know that exercising good citizenship is a vital part of Christian responsibility-Christians witness to their faith by the quality of their citizenship.

The Christian Life Commission promotes morality in social relations, including the problems of marriage and the family, crime, juvenile delinquency, industrial relations, race relations, the alcohol and drug problems. These programs are projected through Specialized Conferences, Study and Research, Special Emphasis, Literature, Consultative and advisory services, and specialized Service and Co-ordination.

COMMITTEE ON ORDINATIONS

The Committee on Ordinations had the privilege of examining four men for the gospel ministry during the past year.

On December 11, 1970, the committee met to examine Brother Marshall Ruppe. After questioning, he was recommended to the Lavonia Baptist Church for ordination. He was ordained on December 20, 1970. He is pastor of the Smith's Grove Baptist Church.

On March 11, 1971, the committee met to examine Brother John Godfrey. After questioning, he was recommended to the Prospect Baptist Church for ordination. He was ordained on March 28, 1971. He is pastor of the Gray's Creek Baptist Church.

On June 10, 1971, the committee met to examine Brother Boyce Bradshaw. After questioning, he was recommended to the Mt. Pleasant Baptist Church (C) for ordination. He was ordained on June 20, 1971. He is pastor of the Green River Baptist Church.

On August 19, 1971, the committee met to examine Brother Billy Rich. After questioning, he was recommended to the Faith Baptist Church for ordination. He was ordained on August 22, 1971. He is pastor of the Mountain View Baptist Church.

COMMITTEE ON THE LOCATION OF NEW CHURCHES AND MISSIONS

This Committee had three meetings during the year 1971 as follows:

On Sunday afternoon, February 21, at the Florence Baptist Church, the committee met with a group of men who had withdrawn from Gantt's Grove Baptist Church, and who wanted to start a new church. They said they had already organized into a church, and they had their officers and workers already selected. After conferring with them for some time, the committee made the following suggestions: (1) That they see if they could find a suitable lot which could be purchased; (They said they had three or four places in mind - either of which they thought they could purchase); (2) That this lot not be situated too close to another established Baptist Church; and (3) that the group should find an established Baptist Church which would sponsor and guide them for a period of one year.

The second meeting of the committee was on Sunday afternoon, September 19, 1971 at the Florence Baptist Church with a group of men from the Forest Lake area. Some of these men had withdrawn from Smith's Grove Baptist Church, but they said they had not left on account of any disagreement. These people had already bought a lot, and erected a lovely church building overlooking the lake. This lake is in the new development near WAGY Radio Station. They named the church "Forest Lake Baptist Church." This church has great potential if it can and will enlist the people living in this new development. Following this interview, the committee voted to recommend to the Associational Board in its October meeting that this Forest Lake Church be received under the watch-care of the Sandy Run Association for a period of one year during which time the committee could examine their credentials, advise them and guide them in their progress.

The third meeting of the committee was on October 3, 1971, at the Florence Baptist Church. This meeting was called at the request of the group from Gantt's Grove with whom we first met. At this meeting they reported that they had already purchased a lot, and that they planned to begin construction on a new Church building within a matter of a few weeks. This site is located on the New 74 highway between Swainsville and Forest City, in sight of Race Path Baptist Church - in open country which is sparsely populated. The committee suggested that they wait a year before seeking to come under watch-care of the Association, believing that they would have something more tangible to offer the Association. They did not wish to do this, but insisted on applying for watch-care at this Annual Session. Under the circumstances the committee voted to recommend to the Associational Board in its October meeting that this group be received under the watch-care of the Association this year.

These two recommendations were presented to the Associational Board in session at the Florence Baptist Church, Monday, October 11, 1971. They were presented separately, and after some discussion were accepted.

M.D. Blanton, Chairman

ASSOCIATIONAL MISSIONS

Our churches are beginning to understand the changes that took place a year ago in the new structures of the organizations and the new changes in the literature. Some of the difficulties are slowly fading away. Some of our associational organizations that were dormant are beginning to arouse themselves and to be helpful. The WMU, as usual, is leading all our organizations in doing things.

The associational missionary's activities were as follows: He delivered 16 messages; taught Sunday School classes, visited in most of the churches and in at least 157 services, presented pictures 16 times, helped in a ten-day VBS, helped ordain three preachers, held 155 or more conferences and a few telephone conferences, mailed 12 issues of bulletins containing 9,773 copies and mailed 9,868 letters and cards. Also, he helped promote group training schools last fall with a total enrollment of 309 from 32 churches. He attended 48 or more associational meetings of various kinds and 21 regional and state meetings. In addition, he attended the Associational Missionaries' Conference at Fruitland, and commuted to most of the morning sessions of Sunday School Week, Church Training Week, and Home Missions Week at Ridgecrest.

It is the judgement of this committee that the present associational office is neither desirable nor adequate. Approved to be brought before the Annual Session.

That we purchase an electric stencil cutting machine. The price of the machine is \$995.00, less church discount of \$99.50 and the trade in allowance of \$120.50 for the old stencil burning machine, leaving a balance of \$775.00.

3. After the following two changes were made the proposed budget was approved.

(1) Missionary's salary was increased \$700.00 from last year, because the cost of living has increased tremendously.

(2) South Mountain Baptist Camp was increased \$250.00 from last year.

CHURCH TRAINING

The year 1970-71 saw the introduction of all new materials into a broadened program of Church Training. We feel these materials have improved Church Training and laid the basis for future growth. To help the churches with this new material we co-sponsored Group Schools with the Associational Sunday School. Also, all our meetings were planned to this end. Events held were: "M" Night, Youth Night, Tournaments, Age Group Workers Conference, and a Central Training School. Although the attendance was not as good as expected, we feel each person who came was greatly benefited and

his church thereby.

A new Director, Mrs. Charles Hamrick, has been elected. She and her good staff of co-workers are planning a good and helpful program for the new year. I urge you to attend and support these meetings so we can accomplish more for God in this vital area of church life.

Keep up with all current Training materials, and above all be an active supporter of Training in your local church.

Robert Rownd, Church Training Director

HISTORY OF HOST CHURCHES

SANDY RUN BAPTIST CHURCH

In 1772 Sandy Run began its ministry as a church. When Sandy Run was organized there were only two known Baptist churches in the area. Buffalo just over the South Carolina line and Silver Creek located about 30 miles north of Sandy Run.

Records reveal that pence and shillings were given in offerings before the Declaration of Independence in 1776. Rev. Drewry Dobbins, who was a well known leader in Baptist work of this area for many years, was the pastor of Sandy Run for 44 years.

Sandy Run was privileged to have in its church to speak at an Associational meeting, in 1816, Luther Rice, pioneer of missions.

As far as the records reveal the first meeting house for Sandy Run was built in 1804 and was 32 by 24 feet. To the best knowledge that we have Sandy Run is now in its 5th building, two buildings have burned.

In 1946 the church began to pay \$1,000.00 toward the support of a missionary (foreign). Sometime later the amount was rased to the present amount of \$2,000.00 and through the Foreign Mission Board Miss Frances Roberts was selected, and we support her today. She is now in Argentina.

The Church, realizing the need for a larger ministry, in 1953 called Rev. W.G. Camp to full time service. Preceding this time, Rev. Camp had been serving the church on a part time basis. Rev. Camp's long and successful ministry is continuing to bear fruit today. He has served this church a total of 22 1/2 years.

Upon the retirement of Rev. W.G. Camp in 1957, Rev. Charles Ginn was called and served the church for 10 years. The church was blessed with Brother Ginn's leadership during this time. His ministry will continue to live in this church. Rev. Ginn resigned the church in 1967 to accept the Cove Creek Baptist Church and in 1968 the church called Rev. L.T. Lankford.

In this the Bi-centennial year we are having three outstanding occasions in our observance. We had a special service on Memorial Day, the 3rd Sunday in May, with Dr. W. Perry Crouch, speaking and then in August we were privileged to have the two living former pastors to help us in Revival services. The third occasion is the entertaining of our Association. The church felt it an honor to entertain the Association on its 200th birthday, especially since the Association was named for Sandy Run Church.

May the Lord bless you in this 83rd session of this body.

FOREST CITY FIRST BAPTIST CHURCH

The First Baptist Church of Forest City was organized as Cool Springs Baptist Church in December, 1848, with seventeen charter members. The present church buildings are the fourth to be erected in the history of the church. The first church building, built of logs, was located just north of Cool Springs cemetery. In 1867 the second house of worship was built following the construction of the Seaboard Railway near Cool Springs School. On February 22, 1889 the church voted to move to the present site. The present sanctuary was constructed and completed in 1915.

The membership of the church now exceeds 1,000 with an operating budget of nearly \$136,000. Having a strong mission emphasis, the church has consistently been one of the top ten Baptist Churches in North Carolina in Cooperative Program giving.

The strong music ministry of the church is extremely aided by the newly purchased Simmer Pipe Organ. For many years the church has carried out a detailed graded choir program.

Every attempt is made by the church to carry out a well-rounded educational program that would involve more and more people. Such ministries as the Prison Ministry, "Dial A Prayer", Kindergarten and Rest Homes have been valuable areas of outreach in addition to the traditional Baptist educational programs.

Believing strongly that missions and evangelism go hand-in-hand, the First Baptist Church has attempted to make such an application in carrying out our Lord's command and commission.

39. Lunch was served by the host church assisted by Bethany, Crestview, Faith, and Smith's Grove.

There were 287 messengers and visitors registered on the second day.

DEPARTMENT OF STUDENT WORK

The year 1972 marks the 50th Anniversary of Campus Ministry among Southern Baptists. The Baptist Student Union and the staff of the Department of Student Work are a specialized focus of the denomination as it seeks to work with those in the academic community.

There is a Baptist Student Union ministry on some 30 campuses in North Carolina.

In many of these situations local ministers and laymen serve in a part-time or volunteer capacity in order to make the ministry possible. Fourteen campuses are served by full-time campus ministers.

The ministry on these different campuses finds varying organizational expressions but each unit operates within a basic philosophy and guidelines decided upon by the Convention. The building of Christian community is perhaps the major emphasis of the campus ministry. Worship, study, service, witness and fellowship are other major facets of the work.

Two major state-wide student meetings are held each year with approximately 300 students participating in each of these conferences. Various student mission projects are conducted and financially supported by students each summer. These projects send students into the churches in youth ministry, into the inner-city, and into resort areas.

Other state-wide activities include evangelism clinics, area retreats, a basketball tournament, a conference for church workers with college students, a retreat for high school seniors, and a conference for International students. The department also cooperates with churches in the "On-to-College" and "Student Night at Christmas" emphases. Some of the projects are sponsored jointly with the program or department within the Convention; WMU, Youth Ministries, Sunday School, Resort Ministries, etc.

Those who serve as your ministers through the Department of Student Work really would like to share in worship services of special emphases or with small groups in the churches and associations of the Baptist State Convention.

COOPERATIVE PROGRAM REPORT

The Cooperative Program is a part of the tithes and your offerings given through your church. Thus, your dedicated life with a part of your day-to-day labor goes toward witnessing to a lost world.

The Cooperative Program is sharing your love of God through 6,000 state, home and foreign missionaries. Last year they were instrumental in bringing more than 66,000 people to Christ who in turn followed Him into the waters of baptism.

The Cooperative Program is busy training capable leaders by helping students with scholarships in more than 800 Baptist schools with more than 100,000 pupils around the world.

The Cooperative Program is ministering to the needs of the sick through 21 Baptist hospitals and 105 clinics in many nations. You helped more than 1,000,000 patients last year who could not pay the cost of their care. The Cooperative Program aids in bringing shelter, food, clothing and other necessities of life to 8,000 homeless children plus more than 2,000 elderly people through Children's Homes and Homes for the Aging throughout the World.

Last year 1,020 Baptist churches in North Carolina increased Cooperative Program giving by 10 percent or more over what they contributed the previous year. Did the church where you serve increase this much?

Will you do two things?

1. Will you lead the church where you serve to make a worthy increase in Cooperative Program giving?
2. Will you pray for your missionaries and other Cooperative Program causes each day?

BAPTIST HOSPITAL REPORT

The distinctiveness of the Baptist Hospital's ministry lies not alone in its care for Charity patients for as an academic Medical Center it is engaged in research and in education. The educational ministry extends around the world, since graduates of the Bowman Gray School of Medicine serve in 88 counties of North Carolina, in 47 states and District of Columbia, and in 25 different countries.

The quality of patient care at the Baptist Hospital is distinct in at least two respects. First, it is a specialized type of medical care requiring highly skilled specialists in almost every area of medicine. Also, available is elaborate equipment necessary for diagnosis and treatment.

In addition to offering this kind of medical expertise, a second distinctive is the Christian care and concern shown for the total person with all his needs. This spirit is found among physicians, nurses, aides, and other personnel throughout the Center. The Department of Pastoral Care seeks to minister to the spiritual and emotional needs of patients and their families.

Baptist Hospital continues to serve patients who cannot pay for their hospital care. In 1971, charitable allowances amounting to \$1,370,000 were issued to patients unable to pay in full. The Mother's Day offering of \$371,000 helped make this charity work possible. The hospital is now operating "in the black".

I am very grateful for the opportunity to serve as your hospital representative in this association and I do appreciate your co-operation in the fine offerings you continue to give each year.

BIBLICAL RECORDER REPORT

The "Biblical Recorder" is nearing the 100,000 mark in circulation - thanks to churches and individuals all over the state who have helped to bring this about. Once this goal is reached, new ones will be set as part of a continuing effort to put the RECORDER in every Baptist home in North Carolina.

Not only in circulation progress, but in other ways this has been a good year for the Recorder. During the year, Woodrow W. Hill, well-known pastor and writer, came with the Recorder as field representative. He will be speaking in associations, churches, pastors' conferences and in other meetings all over the state. Thus he will join the editor and associate editor in seeking to carry the Recorder message to every corner of North Carolina.

This was also the year that the Recorder went to computer. Because of the growing circulation, this had to be done.

As it has in the past, the Recorder seeks to keep North Carolina Baptists informed on important issues. This is a heavy responsibility and the editor and his staff feel keenly the need of your prayers as they seek to be good stewards to North Carolina Baptists. If your church does not have the Recorder in the budget, or if it does not have a club at all, please take the leadership in seeing that this situation is corrected in the coming year. The Recorder will be 140 years old next January 18. Those responsible for its publication each week recommit themselves to this important ministry of the printed word.

STATE MISSIONS REPORT

Churches are on mission to people under the Lordship of Christ - Matthew 28: 19-20; Acts 1:8. Churches in a cooperative plan express their mission beyond the local congregation. State Missions is interrelated by planning and financing with associations, the State Convention, Home and Foreign Mission Boards. There is a ministry of State Missions expressed within the local church in evangelism, church programs, and stewardship promotion. State Missions is Christian Social Services expressed through institutions. State Missions is churches expressing a positive interest in Christian Education.

State Missions is a multiplicity of special ministries too big for any one church. These ministries to areas of need may be altogether supported by State Missions, or a cooperative arrangement of the local church, the association, the State Convention, and the Home Mission Board. Such specializing ministries include work at Cherokee and Pembroke, promotion and coordination of World Mission Conferences, support of part-time Chaplaincies in several correctional institutions, assistance in witnessing and enlisting for service orientals and spanish speaking people. A specialized ministry to the deaf includes evangelizing, teaching and counseling the deaf.

Also included is a cooperative plan for seminary extension and a rapidly growing Resort Ministry. Fruitland Baptist Institute is an area of State Missions. Our cities need Baptist Centers and other expressions of Christian social and evangelistic concern. State Missions promotes and supports a vigorous ministry in the inner city. State Missions continues a specialized ministry with other races.

State Missions serves the pastor and the local church. New churches are encouraged by loans and grants of lot aid. Needy churches are given financial aid until they can become self-supporting.

Our churches in the Sandy Run Baptist Association should extend maximum support to State Missions.

Respectfully submitted,
R. Joe Hogan

STEWARDSHIP REPORT

Southern Baptist continues to make large advances in their mission support program even at a time when major denominations are cutting back.

COOPERATIVE PROGRAM receipts at Southern Baptist convention level and in many states are well ahead of a year ago. This may well be a record year.

The Cooperative Program theme for 1972-73 is "COMMITTED to Care". Baptist have a goal of \$8,000,000.00 for the Cooperative Program, of this amount \$2,583,000 or 33.34% will go to Southern Baptist Convention causes.

To help the churches of our association grow in support of Cooperative Program work we recommend that:

- A. Each church remember the need of people around the world, keeping in mind the inflationary trends of our economy and plan to increase their contributions to missions.
- B. Every church observe Cooperative Program Month during October of each year.
- C. Contributions through the Cooperative Program be on a percentage basis rather than a fixed dollar figure, to implement a program of percentage increase to world missions through the Cooperative Program we suggest the following formula:
 1. Churches giving under 29% advance 2% each year up to 30%.
 2. Churches giving 20% but under 30% advance 1% each year up to 30%.
 3. Churches giving 30% advance 1/2% each year until the objective set by the church is reached.

We recommend that a stewardship chairman be elected in every church in our association, that an associational stewardship conference be held to make available to interested churches the various church budget subscription options, and that the state stewardship office be contacted to provide materials and assistance for this conference.

Hubert Street, Chairman

SOUTH MOUNTAIN BAPTIST CAMP REPORT

Our camp is being used more and more each year! Late in the fall of 1971 and early in the spring of 1972 church groups came for retreats.

The increasing popularity of the camp prompted our camp director to begin early to prepare for more campers. Repairing cabins, building bunk beds, drilling another well, etc., enabled the camp to take care of the overflow crowds that came.

Including the staff, the average attendance was 217 each week. 4,000 attended some kind of organized activity and hundreds came to visit our services. Including retreats and special groups, there were 289 attending from our Sandy Run Association.

The theme for the summer was "Listening to God". There was a staff of 25-30 dedicated young people who were very helpful in the camp program, Bible study, worship, mission study, and study for advancement helped campers to have a deep experience with God. 1,385 made a decision for Christ; 323 professions of faith, 46 commitments for full time Christian service, and 1,016 rededications. Word has been received from a number of churches that their entire church was blessed when campers shared with them their camp experiences. Our mission emphasis made the campers aware that every Christian has responsibility to share Christ with the world.

The staff, under the direction of Mrs. Rhea L. Ross, developed into a touring choir. She led worship services in 19 churches in which over 250 made decisions for Christ. They were unable to accept all the requests by the churches.

\$36,000.00 was deposited into the general camp treasury. This was several thousand dollars more than it took to operate the camp. However, there is urgent need of support of the churches in order to make improvements, build a caretakers home, build a chapel, and finish paying for our bus. Many churches that learn of the way the Lord is using your camp are putting us in their budget.

BROTHERHOOD REPORT

North Carolina now has 50,222 enrolled in 1425 Brotherhood organizations in its 80 associations. The Brotherhood objective is to support the local church in its task of bringing men and boys to a closer walk with Christ by leading them in a commitment to prayer, stewardship, and personal involvement in World Missions.

The Brotherhood of Sandy Run Association, along with the WMU, sponsors Mission rallies emphasizing the Week of Prayer for Foreign, Home, State, and Associational Missions during the year. Also, stewardship is encouraged in the churches through emphasis on special mission offerings and support of the Cooperative Program, the financial life line of Baptist Mission Accomplishment. The men and boys of the churches are also concerned with and involved in evangelism, sharing Christ with others through testimony and personal witness.

Thirty-three churches in the association have organizations for men and boys with a total enrollment of 1151.

ASSOCIATIONAL W. M. U. REPORT

Although we are far from enlisting all of the women and young people in Sandy Run Association in Woman's Missionary Union, we can feel that those who are enlisted are the ones who expect great things from God and attempt great things for God. Our hymn for the past year has been that marvelous "All Hail the Power of Jesus' Name." Many, many of our members have shown by their efforts and their works that this song had meaning for them.

The Directors of the different organizations have been most zealous in performing their duties. They have helped in training, teaching mission books, working to secure new organizations and in any way they might assist the local church. And they have been most faithful to attend all of the WMU Council Meetings as well as extra meetings.

To observe World Day of Prayer in November, the Baptist Women Director planned the program with the Gold Hill Women, and held a joint meeting at Forest City First Church. This was most successful and inspiring. In February many of the local churches observed WMU Focus Week and had very special and interesting programs, parties and other affairs. On one night of the Home Mission Week of Prayer the WMU joined the Brotherhood in an Association-wide meeting at Spencer Church. Another night, all of the women were invited to Forest City First Church for a prayer meeting. One of the program writers, Rev. B.F. Daniels from Winston-Salem, was the speaker.

The Annual WMU Meeting was held at Temple Church, Henrietta in April. This was a most wonderful meeting with Miss Jolene Ivey and Rev. Calhoun Johnson as the inspirational speakers. More than 200 attended this meeting.

The Sandy Run WMU has been represented at all State Meetings, the Southern Baptist Convention, WMU Week at Ridgecrest and the workshops for training Associational leaders.

The Leadership Conferences for training local church leaders was held two nights the first week in September, local leaders attending these conferences totaled 95 and 25 churches were represented.

We are proud to report that our Associational WMU is Distinguished again this year. This is an excellent achievement. With this record we feel that we are now ready to take the "Giant Step" for enlistment and enlargement in 1972-73.

Mrs. J.E. Cargill, Director

ANNUITY BOARD REPORT

As of December 31, 1971 the Annuity Board of Southern Baptist held in trust more than \$292 million. These funds are held in trust for 36,000 Retirement Plan participants, now active in churches and denominational agencies. Moreover, the Board paid out 25 per cent more in benefits to 7,500 annuitants last year than their contracts required, sending two extra checks, one in February and one in December. These extra checks totaled \$1,339,732. During the 54 years of the Board's existence it has paid out \$92.1 million, including \$10 million in 1971.

The Annuity Board offers protection for disability, death and for retirement, to cover every pastor, church and staff member and denominational agency employe. Many churches help by paying in full for their pastor and church staff. Retirement contributions may be made on the full salaries of pastors and other personnel by taking advantage of Plans B and C as well as Plan A. Information on the Annuity Board may be secured by writing its development office-511 North Akard Building, Dallas, Texas 75201, or to the Annuity Board Representative of our own State Convention, Baptist Building, 301 Hillsborough Street, Raleigh, N.C. 27611.

FOREIGN MISSION REPORT

Progress tempered with elements of tragedy and tension was the keynote for Foreign Missions in 1971. World conditions forming the background of missionary efforts were especially significant, such as the new U.S. policy toward Communist China and the developments in Pakistan. In addition to the developments in the total world picture, other developments of less significance have been important in relation to mission work, such as limitation on visas for Malaysia and Nigeria, growing leftist influence in Tanzania and continuing political uncertainties in Chile.

Several evidences of progress should be noted.

- Both missionary appointments and net gain in missionary staff were up from last year. The 226 missionaries appointed, a gain of 25%, brought the total number to 2,526 and gave a net gain of 25.
- Missionaries entered 3 new countries-Laos, Surinam and Upper Volta but were removed from Egypt. We now have missionaries in 75 countries.
- Steady growth in other countries is reflected in 192 new churches and 33,110 new members.
- Co-operative Program gifts to Foreign Mission Board grew to \$14,863,351, a 7% increase over last year.
- Lottie Moon Christmas Offering exceeded the \$16,000,000 goal by \$436,763.00.
- Other contributions of \$2,419,333 brought the total received to \$33,719,447.
- Sandy Run Association gave \$51,877.00 an increase of \$1,529 over last year.
- Spiritual revival and renewal was experienced especially in Southeast Asia.

We rejoice in the good news but tragedy struck when missionaries Paul and Nancy Potter were murdered in the Dominican Republic and Mavis Pate was killed by terrorist bullets in Gaza. Other tragedies, war and terrorist activities, directly affected the people to whom missionaries minister.

World economic conditions of spiraling inflation and devaluation of the U.S. dollar sorely tested the Foreign Mission Board's financial resources even with offering increases.

It is exciting to see God opening new doors for us in all the world and to help our missionaries enter to reap His harvest as we continue to increase our financial and prayer support. Yes, we have reasons for gratitude and encouragement from the report of the past year yet at the same time it reveals that the challenges facing Christian missions are great and the need for continuing advance based on strong mission support is an inescapable Christian imperative.

Respectfully submitted,
Mrs. James F. Marchman, Jr., Chmn.

MUSIC MINISTRY REPORT

The music ministry in our association provided special music for the pastor's conferences, for the various associational meetings and supported the music ministry in the churches. At our last Annual Session we were thrilled to have 120 of our youth singing special music for the first night of our meeting. We look forward to the new year with great hopes for a true revival in song throughout our association.

Malone Thomason, Director
Sandy Run Baptist Association

HOME MISSIONS REPORT

"Many of the nation's longstanding problems dominated the news of 1971 in home missions," states Dr. Arthur B. Rutledge, and "such problems as crime and violence, hostility and alienation, alcoholism and drug abuse, racial tensions and family problems, plus war and economic stress burdened concerned Christians." In the face of these problems, however, a new hunger for God, especially among youth, is providing a more favorable climate for our Christian witness.

Mission opportunities in America are tremendous. Approximately 80 million are not identified with any religious group. Many so identified are so only in a casual relationship. To meet this challenge we now have 2,229 home missionaries, 909 chaplains in the military, hospitals, institutions and industry, and over 900 student summer mission personnel. The Division of Evangelism is launching out in TV, bus, and renewal evangelism efforts.

The Division of Church Loans is broadening its service to include loans for groups in older, established states of the Convention, and for negro and other ethnic Baptist churches. Disaster relief was provided for Texas and California during the year, and other ministries in areas of critical human need are continuing. Missions among churches of other languages, other faiths, and in pioneer areas continues strongly. Associational missions, metropolitan missions, and rural-urban missions are being strengthened.

As in other areas of life, inflation hampers the work of home missions to some degree. The Annie Armstrong Offering is one answer to the problem. Increased gifts from the churches through this special offering are encouraged to help meet the increased needs.

Respectfully submitted,
John Lucas, Chairman

REPORT ON EVANGELISM

It is exciting what the Holy Spirit is doing through the ministry of evangelism in our state. 6,000 youth and adults in 425 churches have now participated in Lay Evangelism Schools or Pastor's Retreats. Forty-two associations already have confirmed dates for schools. We thank God for this tremendous response to the important emphasis of lay witnessing. This will be a continuing effort in future years.

Over 2,400 pastors and lay persons attended the 26th Statewide Evangelism Conference in Fayetteville last February. Special conferences were held with practical emphasis on different phases of evangelism during the first afternoon session. Outstanding speakers challenged pastors to involve their people in the total ministry of evangelism through the church.

The Division of Evangelism in cooperation with the Department of Communications, Evangelism and Administration Conference in Greensboro in May. The purpose was to help pastors and others communicate the Gospel of Christ more effectively.

A new week at the North Carolina Baptist Assembly at Southport during June 12-16 was Youth Ministries Week with inspiration and training in Evangelism, Vocational Guidance and Recreation. All evening sessions were centered around Bible Study and a workshop experience in learning how to witness for Christ. Over 600 youth and adults were present for the week. On Friday evening 113 youth made different kinds of public decisions. Next June we will have another Youth Ministries Week.

The 27th Statewide Evangelism Conference will be February 5-7, 1973 at the Ovens Auditorium, Charlotte.

The THERMAL BELT CRUSADE was a wonderful spiritual, glorious spiritual experience. This was once in a life time experience for many of us. This is the first

time most denominations in our County ever got together on such a project. It is the first time such crowds ever attended religious services in our County. The total accumulative attendance for the 12 services was 33,060, an average of 2,755 per service! This is the first time in our County such a big choir ever assembled to sing praises to our blessed Lord! And how beautifully the choir sang! And to add to all of this, there were 762 or more decisions for Christ, 258 or more trusting Christ as their Saviour and Lord! In the 12 to 19 years of age youngsters there were at least 437 decisions!

Remember to pray earnestly for the leadership of the Holy Spirit in the total ministry of evangelism in North Carolina, our nation and our world.

Respectfully submitted,
Charlie Blackwell, Chairman

ASSOCIATIONAL MISSIONARY'S REPORT

The only spectacular thing that took place in the area of our association the past year was the Thermal Belt Crusade for Christ (a cooperative effort with the Billy Graham Evangelistic Organization) on September 13-24. Most of the denominations, white and black, cooperated to some degree in this great and wonderful program. It was the first time in our history that so many cooperated in a soul-saving program. Total attendance amounted to 33,060, an average of 2,755 per night. There were 762 decisions registered and a total of 258 conversions.

Another thing of importance was the gradual pickup of interest on plans toward a new associational office building. The committee has been active in looking for property, a lot to build on or a suitable house, and a nice fund is being accumulated. Several churches have already sent in gifts and others have pledged a nice amount over a period of three years.

The associational missionary's activities were as follows: he delivered 21 messages, taught 17 Sunday School lessons, visited in most of the churches and in at least 134 services, presented pictures 12 times, helped in a ten-day VBS, held 116 personal conferences and numerous 'phone conferences, mailed 12 issues of bulletins of 9,940 copies and mailed 7,693 letters and cards. He attended 30 or more associational meetings of various kinds and 15 regional and state meetings. He also attended the Associational Missionaries' Conference at Fruitland. In addition, he attended 18 various kinds of preparation meetings for the Thermal Belt Crusade and also all the services of the Crusade.

NORTH CAROLINA BAPTIST CHILDREN'S HOMES

The child care and family service ministry of the Baptist Children's Homes in Western North Carolina is an exciting and rewarding experience. Children to whom we minister are responding in a wonderful way to the Christian love and care provided them.

Broyhill Home in Haywood County, opened last year has served to strengthen all of our services to children and members of their families in the Western area of the State. This facility has been a blessing to the twenty-nine Children who live there as well as those who have made it possible. The children have adjusted readily to school, church and community life in general. They are happy with the beautiful and comfortable cottages in which they live and with the care afforded them by members of the staff.

Through the generosity of many friends, we have under construction two additional cottages at Broyhill Home. One is being made possible by the people of the Haywood Baptist Association - the other by members of the J.E. Broyhill family of Lenoir, for whom the campus is named. When completed in December of this year we will have four cottages with a capacity for slightly over fifty children. Remaining to be built is the administration building and a home for the local superintendent.

The Maternity Home in Asheville has been in operation for two years and has met a great need in the lives of the more than thirty girls with whom we have worked. Many lives have been changed for good for time and eternity as a result of this ministry. There will be a continuing need for this as a maternity home and for teenage girls who can use this as a group care facility.

The contribution of our Baptist people through the cooperation program, the Thank-giving Offering and special gifts are essential to our continued operation and are received with deep appreciation. An increasing number of friends are finding rewarding

stewardship opportunities through the establishment of trusts for the Homes and by means of wills and estate planning for the needs of dependent children.

It shall be the purpose of the Homes in the future, as in the past, to provide a strong child care and family service ministry in an effort to meet the needs of those who turn to us for assistance. Your continued interest, prayers and support are essential to this vital ministry.

REPORT ON BAPTIST HOMES FOR THE AGING

This has been one of the best years that our North Carolina Homes for the Aging has had in its twenty-one years. The Special Offerings for the Homes and support through the Cooperative Program reflect an encouraging increase. Through these two vital sources, the Homes during the past year derived almost 30% of the total operating budget in the care of the residents and patients, with 20% coming from the offering, and 10% through the Cooperative Program. The most significant fact about this support from our Baptist people is that the majority of the residents in the Homes are persons with real financial needs, and these love gifts are used for their care.

MEDDOWELL COUNTY

SOUTH CAROLINA

Our Baptist Homes now operate five resident Homes, with two located in Winston-Salem, and one in Albemarle, Hamilton, and Yanceyville. These Homes have a capacity for 162 residents. In addition, there is a Nursing Care Unit, located in Winston-Salem, with a capacity for 63 patients. The York Wing of the Nursing Care Unit, completed in November of 1971 and dedicated in May of 1972, accommodates 18 additional patients. With this new addition, the Baptist Homes have been able to receive some new persons, on a limited basis only, directly as patients.

Ministry to an older person is a direct ministry to Christ and is one of the finest things that North Carolina Baptists are doing. Remember that our gifts are a real life-line in the on-going of this ministry.

Respectfully submitted,
W.F. Woodall, Chairman

REPORT OF COMMITTEE ON REVISION OF THE CONSTITUTION OF THE ASSOCIATION

ARTICLE II - Membership

Section 3. Insert the words "by The Committee on the Location of New Churches and Missions" following the word "examination."

Section 6. In case of internal dissention in a church resulting in two parties coming to the Association - each claiming to represent the church - neither party shall be seated as messengers until a decision has been reached deciding which party is the church in fellowship with the Association. This decision shall be determined by a majority vote of the messengers present.

ARTICLE V - Officers and Their Duties

Section 2. Substitute the word "devolving" for the word "revolving" in the latter part of the statement.

ARTICLE VII - Committees and Their Duties

Section 1. Associational Board Members.

5. Committee on the Location of New Churches and Missions.

(1) Investigate any suggestion which might result in the establishment of a new church or mission. Consult with such a group - or groups - and suggest what steps should be taken in the location and/or organization of a church or mission.

(2) Review and consider any request, from any group, for a mission to be organized into a Baptist Church, and make recommendations to the Associational Board concerning what action should be taken relative to such a request.

(3) Substitute the word "relative" for the word "as".

(4) Any group desiring to establish a new church or mission should first consult the "Committee on the Location of New Churches and Missions" before taking any other action. This committee can guide the group in the correct procedures to follow, and help it to conform to the Constitutional requirements that will meet the approval of the Association. Unless this procedure is followed carefully, such a request will not be considered by the Association.

Respectfully submitted,
M.D. Blanton, Chairman,
Glen Rushing,
A.B. Bumgarner

A LOOK AT OUR RECORD

We are glad to see even a little increase in baptisms, but in 1970 we had 551 baptisms, and in 1970 our ratio of baptisms was 1 to 35.

Our Sunday school enrolment has had a gradual decrease year by year since 1968. There were 50 Vacation Bible schools with an enrolment of 4,460, the largest since 1969.

Church Training has dropped below 3,000 for the first time in years and years. Likewise, the WMU and Brotherhood enrolments are the lowest they have been in years and years.

The receipts the past year were \$1,817,263, likely the largest in our history. Likewise our local expenditures and gifts to missions were perhaps the largest in our history. However, if we had tithed, see bottom of page 21?

Though our gifts through the Cooperative Program reached \$155,238, that was \$18,107 less than we gave in 1970.

The C.P. is also the part of the program that supports 5% of the Ministers Retirement Fund.

As we look at the Cooperative Program, the financial foundation of our world missions program and the channel through which we give special mission offerings, there are several churches that had no part in this.

How we appreciate the good support of the associational missions program by so many churches. If we have figured correctly, one church gave almost 4% of their expenditures to the associational program, three churches over 2%, and 18 churches over 1%.

Is this report a spiritual thermometer of our lives?

HISTORY OF HOST CHURCHES

CLIFFSIDE BAPTIST CHURCH

On April 26, 1903, a little more than 70 years ago, 34 persons met in the community of Cliffside, N.C. and organized Cliffside Baptist Church.

On May 24, 1904, the Church called its first pastor, the Rev. R.A. Hedgepeth. For a short time the Church met in community homes and later moved into the old town hall. The old school that stood where the Rescue Squad Hut now stands was used for a short time as a meeting place. The first Church building, a wooden structure, was erected on North Main Street. It was dedicated August 15, 1909. When services were held in the first building, there were 292 members.

The Church developed rapidly. By 1922, it had outgrown its first quarters. Plans to erect the present building at a cost of approximately \$100,000 was adopted. It was one of the finest buildings to be found in any town of this size. By May 1941, 17 years after holding the first services in the new plant, the debt was fully paid.

In December 1964, a renovation committee was elected to survey redecoration, renovation, and necessary construction for this Church. The congregation approved a \$124,000 program. The sanctuary was completely remodeled, the vestibule enlarged, new classes built and extensive repairs and refinishing done. Work was completed and a dedication service held November 6, 1966.

Rev. John W. Lucas has been pastor from 1959 to now. Church membership is 894 total, 693 resident members.

BOSTIC BAPTIST CHURCH

In the year of 1910 the people in Bostic decided to organize a Baptist Church. A contract was let to Broyher M.L. Clemmer at \$700.00 to build the first church building.

On the fourth Sunday in February, 1911, a Presbytery was called together to organize the Bostic Church with a membership of thirty six. The first pastor was the Rev. C.E. Beaver. The cost of the building and furnishing was about \$1,150.00. In October 1913, at a regular meeting, the church decided to dedicate the house. Rev. W.R. Bradshaw brought the Dedicatory sermon on November 14, 1913.

On March 26, 1927 a Committee was appointed to consider the advisability of erecting a new building. On August 24, 1930, the church voted in conference to tear down the white frame church building and erect a brick building on the grounds where the old building stood at a cost of \$2,500.00.

Church services were held in the Bostic School building across the road from the church while the old church was being torn down and a new building erected. On May the 31st, 1931, the first service was held in the new building. Rev. I.D. Harrill preached the sermon.

Rev. Tyler A. LeRoy is now serving as pastor. He came to the church in June of 1964. Total church membership is 348.

RESOLUTION NO. I

Whereas, Members of the Sandy Run Association of the North Carolina Baptist State Convention, because of their faith and their commitment to uphold Christian ideals and standards, choose to voice their convictions concerning the Liquor-by-the Drink issue;

Whereas, We feel that passage of liquor-by-the-drink will increase the sale of alcoholic beverages which in turn will contribute greatly to more individual depravity, crime, break-up of families, neglected children, traffic accidents and deaths, and all of the other society ills related to alcoholism;

Whereas, The Bible tells us to order our conduct so as not to hurt our weaker brother, and we believe that conduct depends on total abstinence rather than one individual choice and privilege;

Whereas, We believe the God-created beauty of the State of North Carolina can

take precedence over any serving of alcoholic beverage as an enticement for tourism; and

Whereas, We feel that God will honor Christian decisions at all times; therefore, be it

RESOLVED, That we be much in prayer for Dr. D.P. McFarland, J. Marse Grant, Coy Privette, Allen Bailey and others who are laboring so faithfully to inform all citizens of the results we might expect by passage of liquor-by-the-drink, and that we plead with the Christian people to give serious study to the issue and to vote their convictions;

RESOLVED, That as a body we oppose the liquor-by-the-drink proposal to be voted on November 6, 1973, by citizens of North Carolina;

RESOLVED, That as individuals we vote NO to the referendum; and

RESOLVED, That we instruct the secretary to send copies of these resolutions to the Rutherford County newspapers, the CHARLOTTE OBSERVER, the SHELBY DAILY STAR, and the BIBLICAL RECORDER and to the three radio stations in Rutherford County and the stations in Cleveland County.

Mrs. J.E. Cargill, Chm. of the Resolutions Committee

RESOLUTION NO. 2

The chairman of the Resolutions Committee presents this resolution from Rev. Lawrence Stewart;

Whereas, Members of the Sandy Run Baptist Association deplore the use of profanity in broadcasts and other news media; therefore, be it

RESOLVED, That Sandy Run Baptist Association of North Carolina express to the Columbia Broadcasting System and its program sponsors our concern over the taking of God's name in vain over nationwide television;

RESOLVED, That we request that this practice be dispensed with in the future; and

RESOLVED, That copies be sent to National Broadcasting Company and American Broadcasting System so that they might prevent such abuse before it begins.

Mr. J.E. Cargill, Chm. of Resolutions Comm.

(7) The Budget which is found on page 39 of this Annual was presented and adopted;

(8) The Hospitality Report was presented as follows:

R. Libbes once said, "Our whole life should speak forth thankfulness; every condition and place we are in should be a witness of our thankfulness."

October 30 and 31, 1973 will be two memorable days for the members of the churches of the Sandy Run Baptist Association in the eighty-fourth annual session. God has blessed us in such a marvelous way during this past year. These two days He has given us extra portions of His grace through Christian fellowship, spiritual inspiration, enrichment of our minds and providing sustenance for our physical bodies. For all of these and every blessing - joy, happiness, sunshine and yea, the sorrows, shadows and clouds that come to us - we thank our God.

The program committee deserves our special appreciation for planning and executing spirit-filled and orderly sessions. They have brought to us a program personnel of dedicated, well-informed Christian men and women who have stirred our hearts. We express our gratitude to all of these and to those who have participated in the musical features.

We want to say "Thank you" to Mr. Carroll and Mrs. Campbell our Associational Missions staff, to Rev. Olin Hefner, moderator, and to all of the Associational officers who serve in the various capacities. Theirs is a "labor of love" because they feel constrained to serve.

Last, but certainly not least, we are truly grateful to the churches who have welcomed us into their midst these days. Cliffside Church and Bostic Church have provided their lovely building facilities for us. Assisted by the churches in their groups, (Prospect, High Shoal, Lavonia, Concord, Fairview, First Broad, Mt. Harmony, and Mountain View), they have entertained us royally and set before us feasts for kings. Our very heartfelt thanks and appreciation for all of their courtesies.

When this eighty-fourth session is adjourned, may each of us leave with a stronger desire not only to "Share Christ Through His Word," but also to follow Him through dedicated Christian living and precept.

Mrs. J.E. Cargill, Chairman

Reports

SUNDAY SCHOOL

The Sunday Schools of our Association are being challenged by the Sunday School Department to SHARE THE WORD NOW for 1973-74. This is an imperative for a church that genuinely cares for people. The Share the Word Now can be achieved through three dynamic emphases: 1. PEOPLE TO PEOPLE NOW - using dedicated Christians to reach others; 2. EXTEND NOW - extending the witness of the church beyond its walls; 3. WITNESS NOW - training Church members to share Christ.

The main emphasis of our Associational Sunday School work this year is teacher

improvement. We are scheduling an Associational Teaching Improvement School for April 1-4. We believe that the accumulated results of this training program could be enormous. I hope the churches of our Association will get involved in the Share The Word Now and in teacher improvement.

Respectfully submitted,
R.J. Hogan, Director

CHURCH TRAINING

Thank you for making this year a rewarding one in Church Training. Our two most popular Church Training sponsored meetings . . . "M" Night and Youth Night were both a tremendous success.

At "M" Night we had approximately 1200 attending. 44 churches were represented with 38 pastors and 34 church training directors. Hick's Grove won both the Attendance and Achievement Banners.

We had 22 churches represented at Youth Night with approximately 400 in attendance. This is not doing our best but it is an improvement.

Our Theme in Church Training for the coming year is CHURCH: The Sunday Night Place. I would like to encourage all churches to make Church the Sunday Night place and also to become more involved in all facets of Church Training.

I want to especially thank you who have been so co-operative during these two years I have served as Church Training Director and I pray you will give the same or a renewed dedication to the tasks for the year ahead.

Respectfully submitted,
Mrs. Charles Hamrick, Director

ASSOCIATIONAL MUSIC

Your Minister of Music conducted a music school for two nights September 10 and 11. A class was provided for every area of the music ministry in the church. Childrens Choirs was taught by Mrs. Malone Thomason. Clyde Buckner taught a course for the pastors and non musicians. Harold Ellis taught a course in congregational singing and Al Melnick taught music for recreation and fellowship. Ralph Branham, Minister of Music at First Church, Spindale taught a course in conducting. Music Reading and Voice production was taught by Malone Thomason.

It has been a very good year for the music ministry in the churches and we look forward to the next year.

Respectfully submitted,
Malone Thomason, Director

ASSOCIATIONAL BROTHERHOOD

North Carolina churches have more than fourteen hundred Brotherhood organizations in its eighty associations. The Brotherhood objective is, "To support the local church in its task of bringing men and boys to a closer walk with Christ." Work of the Brotherhood by emphasizing the Baptist Cooperative Program and all special offerings for the mission boards, colleges, hospital, homes for the aging and North Carolina Baptist Children's Homes. Thirty churches have Brotherhood or Royal Ambassador organizations in the Sandy Run Association. The enrollment is approximately one thousand.

Pray for the Brotherhood work as it will be directed by Rev. Joe Richards, the newly elected Associational Brotherhood Director.

Respectfully submitted,
Graham Brooks, Director

ASSOCIATIONAL W. M. U.

We are proud that there have been some new W.M.U. Organizations organized this year, but of course we need more. All the Directors more than adequately performed their duties in organizing the different organizations in your churches, and teaching the Foreign Missions Study Course book that was taught to the leaders of the churches that were participating in the World Missions Conferences. Also, teaching in the Leadership Conference at Floyd's Creek.

The W.M.U. State Convention was attended by your W.M.U. Director, and other Associational Directors. The Southern Baptist W.M.U. Convention was attended by your Baptist Women Director. This meeting was in Portland Oregon.

The Annual Associational Meeting was held at Spencer Baptist Church, Spindale, N.C. in April.

The W.M.U. week at Ridgecrest was attended by almost all the Associational W.M.U. Directors and at the Fruitland meeting, all the Directors attended.

Your W.M.U. Director attended all board meetings, financial committee meetings, and all the call meetings pertaining to our World Missions Conferences, and spoke at three churches to encourage the W.M.U. leaders in these churches.

We are proud to report that our Associational W.M.U. is Distinguished again this year. This is a great achievement.

We pray that this coming year, 1973-74 will be the best year in our Association for the glory of the Lord.

Respectfully submitted,
Mrs. Tyler LeRoy, Director

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

One of the most meaningful things that you do as a Baptist is the share that you have in the ministry of your North Carolina Baptist Homes for the Aging. As you look back with us upon the twenty-two years of this ministry, and the last year in particular, there are distinctive blessings that we would like to call to your mind and heart.

In the first place, there is no greater realization that we can have together than the awareness of the fact that this special ministry to older people is a venture of faith in God. It always has been. We hope that it always will be. God has brought us from one Home to five resident Homes, with two located in Winston-Salem (Resthaven and the Hayes Home), and one each in Albermarle, Hamilton, and Yanceyville. These Homes have a capacity for 162 residents, and there is a Nursing Care Unit in Winston-Salem, with a capacity for 63 patients, and serving all of the Homes' residents, when nursing care is needed. Four out of every five persons who come to us in our Homes for the Aging are persons whose income is very limited. They look to you, through your love gifts, for a supplement to their care, and all of us look to the Lord continually for His great love. This, therefore, is a venture of faith.

Specifically, during the past year, through your gifts, you contributed \$185 a month for the care of the majority of the residents in your five Baptist Homes. Through the Special Offering you contributed 20% of the total income of the Homes, and through the Cooperative Program, you gave 10% of the total budget needed. The tie that binds this ministry to the hearts of our Baptist people and our Baptist Churches is a very special one and a very distinctive one indeed.

There is someone serving around the clock, watching over the residents and patients even as they sleep. One of our Supervisors, or "Mothers", as they are often called was given the name of "Guardian Angel", when a resident, during an illness discovered later that the "Mother" was keeping vigil just outside her door.

God bless you for your share in this ministry to the Aging, which is both special

and distinctive. Pray for us, come to see us, and continue to support as you have in the past.

Respectfully submitted,
Glenn Rushing, Chairman

BAPTIST FOUNDATION

The North Carolina Baptist Foundation, Inc., is a charitable corporation, chartered under the laws of the State of North Carolina by the Baptist State Convention in 1920. The Foundation, as an agency of the Convention, encourages, receives and manages gifts and bequests for benefit of all Baptist institutions, agencies, and causes fostered and supported by the North Carolina and Southern Baptist Conventions. The Foundation is not a competitive agency, but a service agency dedicated to the task of undergirding all Baptist work. It encourages the donor to use the local church as a channel for directing the income from Foundation trusts to the benefiting cause. The operating expense of the Foundation is received from the Cooperative Program of the Convention.

The Foundation Executive Secretary is available to assist churches and individuals interested in a program of perpetual stewardship, particularly as it relates to estate planning, involving gifts to Baptist institutions, agencies, and causes. The Foundation provides a means for establishing trusts to benefit these Christian causes as well as providing an opportunity for perpetual stewardship witness. Through gifts of property, cash, or securities during lifetime, donors and/or other beneficiaries can receive annuities from the Foundation during their life time, and can also receive certain tax benefits provided for such gifts.

For information relative to establishment of a trust fund through a gift or a bequest or for details regarding a gift annuity, life income agreements, or charitable remainder trusts, please contact The North Carolina Baptist Foundation, Inc., P.O. Box 26508, Raleigh, N.C. 27611, or telephone: 919-833-1605.

CHRISTIAN HIGHER EDUCATION

In North Carolina, Baptist churches and Baptist colleges enjoy a supportive partnership. It is still true that most of our pastors, missionaries, church staff members and denominational leaders are educated in Baptist colleges. Another outstanding example of church-college cooperation is the Baptist Youth Corps, which provided dedicated student leadership for more than eighty North Carolina Baptist churches during the summer of 1973. On campus, the college presidents interpret to the faculty and staff that our churches and colleges play important, complementary roles in the Christian missionary enterprise.

Your North Carolina Baptist colleges continue to be grateful for the support which comes through the Cooperative Program. During 1973, more than two million dollars will be given to support Christian higher education.

The colleges make a special effort to recruit North Carolina Baptist students. In fact, no qualified student is turned down in any of our colleges because of inability to pay. The churches help to make this possible through the Cooperative Program and the Baptist College Scholarship Offering on Father's Day. Baptist colleges stress the importance of the individual student, and are anxious to enroll the youth from our churches who plan to attend college. Churches can help their students and their colleges by encouraging interested young people to apply for enrollment in one of the seven North Carolina Baptist colleges.

Since 1945, the cooperative efforts and relationships of North Carolina Baptist colleges have been coordinated by the Council on Christian Higher Education of the Baptist State Convention. The Council office is eager to assist both the churches and the colleges as together they help to create persons and a world as Christ would have them.

EVANGELISM

"SHARING CHRIST NOW" was the theme of the 27th Statewide Evangelism Conference at Ovens Auditorium, Charlotte - February 5-7, 1973. Over 2,400 pastors and lay persons were challenged by outstanding speakers to lead their people to become more involved in the work of evangelism. The closing session on Wednesday, February 7, was held at Pritchard Memorial Church, with an emphasis on prayer and personal renewal.

The Division of Evangelism has encouraged churches to participate in KEY 73. One hundred and fifty denominations are sharing in this evangelistic effort. The purpose of KEY 73 is to unite all Christians in the task of evangelism and to enable Christians to confront every person in the United States and Canada with the Gospel of Christ.

It is thrilling what the Holy Spirit is doing through the ministry of our first summer youth evangelism team. Three college students - Steve Stout, Cooleemee; Terry Crouse, Lenoir, and Christy Farrior, Williamston, are leading in music preaching in youth revivals, and directing youth witness training sessions in churches from Marshall to Washington.

During June 11-15 over 730 youth and adults were present for the Youth Ministries Week at the North Carolina Baptist Assembly, with the emphasis on Evangelism, Vocational Guidance, and Recreation. Eighty-one youth made various decisions, including sixteen professions of faith.

The response of youth and adults to Lay Evangelism Schools in the past twenty months has been outstanding. 9,564 youth and adults have participated in this lay witness training from 720 churches and 34 associations. Also, 107 pastors from nine associations shared in a Pastor's Retreat to learn how to lead their churches in Lay Evangelism Schools.

The 28th Statewide Evangelism Conference will be at War Memorial Auditorium, Greensboro, during February 4-6, 1974.

Let us thank God for the excellent reports of revival meetings, city-wide crusades, and evangelism clinics. Remember to pray for the TOGETHER WE ADVANCE emphasis that we may strive to attain a 10% increase in baptisms. C.P. gifts, Bible Study enrolment and Assoc. Missions gifts.

Charlie Blackwell, Chairman

FINANCIAL ASSISTANCE

This has been a good year for the Sandy Run Association. The Committee on Financial Assistance has had only one request for aid or assistance from the pastors and churches in the past year. An application has been approved by the Association so that one pastor is receiving aid from the Baptist State Convention.

In the past year our Association has also approved applications from 12 Gardner-Webb College students who have received or are receiving aid from Gardner-Webb College. We pray that God will bless not only our Association and adjoining associations through our Christian colleges, but the State and Southern Baptist Convention as well.

ASSOCIATIONAL MISSIONARY'S REPORT

Two things of special interest took place in our association this year. The first was the purchase of an associational lot for an office building on highway 221-A between

Alexander Mills and Sandy Mush. The second was the World Missions Conferences held the week of September 16-21 with 42 churches participating. We are real proud of these two accomplishments.

In addition to promoting the above, other activities of the associational missionary are as follows: he delivered 22 sermons and talks; taught 14 Sunday school lessons; visited in most of the churches and in at least 178 services; presented pictures 9 times; helped in a ten-day VBS; held 119 personal and committee conferences and numerous 'phone conferences; mailed 10 issues of newsbulletins and a total of 8,485 copies; and mailed 8,826 letters and cards. He attended 32 or more associational meetings of various kinds and 18 regional and state meetings.

The associational office has helped our churches and church organizations by doing mimeograph work and handling mimeograph supplies.

We would like to express appreciation for our associational secretary and clerk, Mrs. Campbell.

FOREIGN MISSIONS

Support of world missions by Southern Baptist yielded mixed results in 1972. While 171 new missionaries were appointed, the Foreign Missions Board suffered a net loss in its total force, which dropped from 2,526 to 2,507, a decline of 19. The lower than usual appointment figure plus a higher than usual loss accounted for the drop. It was the first year in more than three decades without a net increase in foreign mission personnel.

Southern Baptist gave \$35,439,515 in 1972 to finance its missions program. This money came from three basic sources: Cooperative Program \$15,252,685; Lottie Moon Christmas Offering, \$17,785,413; and other gifts, \$2,401,417. The Foreign Mission Board was a good steward of these gifts, dispersing them in the following ways: Promotion (1.82%), \$650,943; Administrative and General (7.65%), \$2,741,800; and Foreign Fields (90.53%), \$32,433,950.

Involved in the work of Southern Baptist overseas are 6,554 churches and 7,447 mission points. This ministry has reached a church membership 754,231. In 1972 these churches and mission points recorded 57,366 baptisms, a ratio of about 1 to 13. Through mission gifts Southern Baptists ministered in 454 schools, 19 hospitals, 214 clinics and dispensaries, 28 publication centers, 18 children homes, and 42 good will and community centers.

Our Foreign Mission Board's 127th year ended on a theme of urgent need to reinforce Southern Baptist efforts towards advance in foreign missions. This urgency was made evident by requests from the mission fields for 800 new missionaries. In view of this urgency, Dr. Baker James Cauthen, Executive Secretary of the Foreign Missions Board, recently called for the number of missionaries to be increased well beyond the 3,000 mark by the end of this decade.

ORDINATION COMMITTEE

The Constitution states that the Committee on Ordination, "shall serve in an advisory capacity when called upon to assist in the examination and ordination of deacons and candidates to the gospel ministry."

On November 18, 1972, the Ordination Committee convened at the Trinity Baptist Church to examine Brother Bill Crowe who had been called by the Graceland Avenue Baptist Church of New Albany, Indiana, and had requested his ordination to the gospel ministry.

After a period of questioning and consultation, under the direction of Reverend Charles F. Cobb, the Committee recommended Brother Crowe for ordination.

On Sunday, November 19, at the Drury Dobbins Baptist Church in an ordination service Brother Bill Crowe was set apart to the gospel ministry.

The second, and last time the Committee assembled was on July 15, 1973, at the Glenwood Baptist Church to examine Brother George Magill. The ordination of Brother Magill had been requested by the Faith Baptist Church of the Polk Baptist Association.

After a period of asking questions and of sharing experiences of the pastorate with Brother Magill the committee recommended that the church proceed with the ordination.

On August 19, 1973, the Glenwood Baptist Church ordained Brother George Magill to the gospel ministry.

ANNUITY BOARD

The Annuity Board of the Southern Baptist Convention this year added new benefits or increased benefits for most active and retired pastors, church staff members and denominational workers it serves.

For annuitants (retirees, widows and disabled persons) on the roll December 31, 1972, monthly income checks have been permanently increased by 6 percent. Just before Christmas, 1972, more than 7,000 annuitants received "13th Checks" amounting to the size of two extra months' benefits. The "13th Checks" are paid in addition to the regular monthly payments.

Participants in Plans A - 10, A - 11, and A - 25 on January 1, 1973 had their accrued credits increased by 10 percent in "good experience credit," and Plan B participants received an additional interest credit based on the Board's good experience on its investments. In addition, the Board approved (subject to action by state conventions) an increase in widow benefits under Plan A to 50 per cent of the potential or actual retirement benefit; previously it was 40 percent. This increase applies to those retiring January 1, 1973 and thereafter.

At the same time, a temporary income benefit under Plan A was established for a widow, child or dependent parent of those who die before early or normal retirement, or after disability retirement, and who have met the required participation. The temporary income benefit can amount, at maximum, to \$333.33 per month for 36 months (or a total of \$12,000) if the participant died before age 40. The length of payment of the benefit decreases with the age at death. This benefit is payable to those who died January 1, 1973 or thereafter.

More than 9,000 insurance policyholders transferred from the previous Health Benefit Plan with Blue Cross-Blue Shield to the new plan begun January 1, 1973 with Aetna Life Insurance Company.

Income from premium and dues topped \$30 million, another record.

COMMITTEE FOR COUNSELING WITH CHURCHES, CHURCH GROUPS AND PASTORS

On the evening of July 12, 1973 at 7:30 p.m. The Committee for Counseling with Churches, Church Groups and Pastors was called together at the Glenwood Baptist Church. Three members of the committee were present, as follows: Rev. M.D. Blanton, Rev. B.A. Cooper, and Mr. Leonard Rhymer. In addition to these, the following people were present. Rev. Olin D. Hefner, Moderator of Sandy Run Association; Rev. W. Van Carroll, our Associational Missionary; and, by special invitation, Rev. A.B. Bumgarner, chairman of the "Committee on the Location of New Churches and Missions."

The pastor had resigned and left the field. There was some confusion among the members as to what procedure to follow in seeking to find a new pastor - as well as some other problems and misunderstandings.

The moderator opened the meeting with a prayer for guidance - both for the church and for the committee - in seeking to resolve the problems. Following the prayer, the meeting was opened to all present, giving each one an opportunity to express himself or to ask questions. After an extended discussion the members present realized the need for unity. They accepted the suggestion of the committee that the truly Christian thing to do was to forgive and forget their differences, and to begin to work for their own interests and for the welfare and future of the church.

Since that time the church has called a new pastor, and the work is making continuous progress.

Respectfully submitted,
M.D. Blanton, Chairman

STATE MISSIONS

The churches are on mission to people under the Lordship of Christ - Matthew 28: 19-20; Acts 1:8. Churches in a cooperative plan express their mission beyond the local congregation. State Missions is interrelated by planning and financing with associations, the State Convention, Home and Foreign Mission Boards. There is a ministry of State Missions expressed within the local church in Evangelism, Church Programs, and Stewardship Promotion. State Missions is Christian Social Service expressed through institutions. State Missions is churches expressing a positive interest in Christian Education.

State Missions is a multiplicity of special ministries too big for any one local church. These ministries to areas of need may be altogether supported by State Missions budgeting, or a cooperative budgeting arrangement of the local church, the association, the State Convention, and the Home Mission Board. Such specialized ministries include work at Cherokee and Pembroke, promotion and coordination of World Mission Conferences support of part-time Chaplaincies in several correctional institutions, assistance in witnessing to and enlisting for service Orientals and Spanish speaking peoples. A specialized ministry to the deaf includes evangelizing, teaching and counselling the deaf.

Also included in a cooperative plan for Seminary extension and a rapidly growing Resort Ministry. Fruitland Baptist Institute is an area of State Missions. Our cities need Baptist Centers and other expressions of Christian social and evangelistic concern. State Missions promotes and supports a vigorous ministry in the inner city. State Missions continues a specialized ministry with other races.

State Missions serves the pastor and local church. New churches are encouraged by loans and grants of lot aid. Needy churches are given financial aid until they can become self-supporting. Pastors are directly helped through Annuity supplements.

State Missions is a cooperative ministry by the churches to people who need God and other churches that need help.

A total of \$9,315.00 was given to State Missions from the Sandy Run Association this past year.

Robert Rownd, Chairman

NORTH CAROLINA BAPTIST HOSPITAL

In May of this year Baptist Hospital observed its 50th Anniversary. The hospital

opened its doors in May of 1923 "to bring the healing art more definitely under the dominion of the Great Healer."

The anniversary was celebrated jointly with the dedication of the new Reynolds Tower, a 16-story patient care facility. The completion of the Tower brings the total bed capacity to 655, placing Baptist Hospital within the top 10 per cent (in size) among hospitals in the United States. When the renovation of older sections of the hospital is completed the total number of beds will be 717.

Construction has begun on an ambulatory care building which will house the emergency room, several outpatient clinics, the Physical Therapy Department, and an Oncology (Cancer) Clinic and Research Laboratories. This building and the above mentioned renovation will complete the present Medical Center Development Program.

Last November the Baptist State Convention heard the report of the Committee of 15 and adopted its recommendations. The hospital has been seeking to implement these recommendations:

1. A Medical Center Committee, composed of 8 Trustees from the Baptist Hospital Board and 8 from the Wake Forest University Board, has been appointed. This committee will consider matters involving the Medical Center and its future operation.

2. In January the hospital trustees appointed a committee of three to review appropriations from the Mother's Day fund and assist hospital personnel in making decisions on some specific requests for assistance. The hospital continues to provide care for people who cannot pay, valued at far in excess of the total Mother's Day Offering. The auditors' confirmed value of this care in 1972 was \$1,390,000 - nearly four times the amount of the Mother's Day Offering - and this does not include the value of physicians' service, provided without cost to these service patients.

3. The Department of Pastoral Care is expanding its services to provide training for lay people. Dr. Mahan Siler joined the staff June 1 to head up this new work. The Department also anticipates the establishment of several satellite counseling and training centers in the state, beginning in the near future. Your Cooperative Program gifts support the work of this department.

The hospital's financial operation is "in the black", and there has not been a general room rate increase in 2 1/2 years. As of this date, the Mother's Day Offerings are running ahead of last year.

AMERICAN BIBLE SOCIETY

The American Bible Society and the Southern Baptist Convention work cooperatively as "partners" in sharing the Good News of Jesus Christ to people around the world.

The sole purpose and mission of the Bible Societies is to make God's Word available to all men everywhere in a language and form they can easily read and understand and at a price they can afford.

To fulfill this urgent need, the Bible Societies have embarked on an ambitious program for the development of Scripture Literacy Selections to meet the rapidly mounting rate of literacy growth around the globe. This program is being built on the theme: "Let the Word Speak."

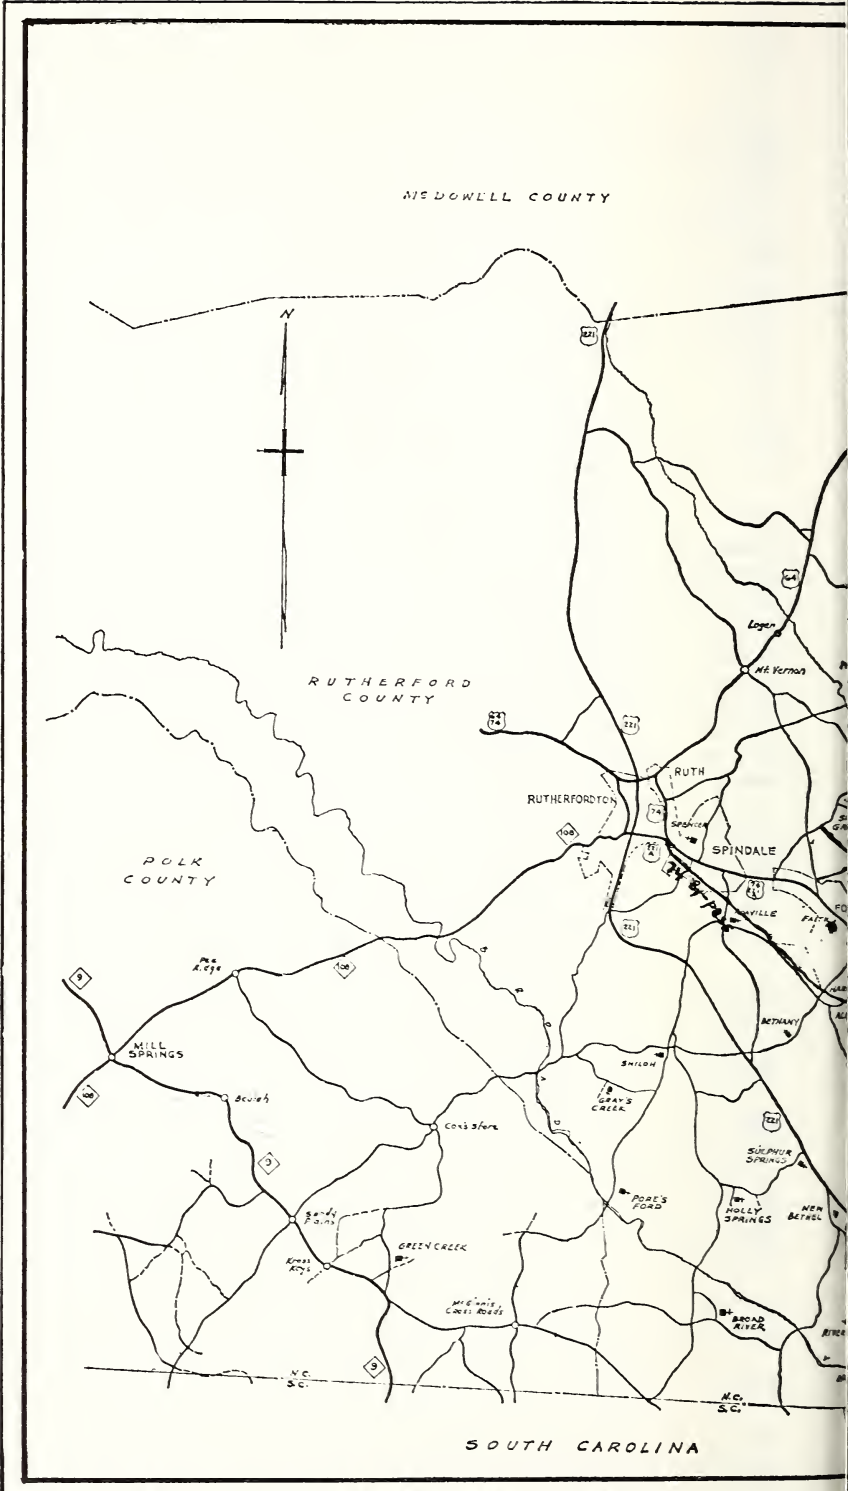

At the present time, nearly 97% of the world's people can secure at least a Portion (a single Book of the Bible) in their own language. Approximately 3,000 translators are presently at work on some 600 new translations and revisions.

Southern Baptists have long considered the American Bible Society an essential part of their worldwide mission program and support it as such.

Through gifts to the ABS, SBC churches show their deep and continued interest in providing the Word of God for people everywhere in their native tongues.

Gifts from churches are appreciated by the Society and gifts from our Southern Baptist Convention last year amounted to \$233,752. All gifts for the Society from your

CHILDREN'S HOMES

Christian child care is a creative opportunity. The Baptist Children's Homes of North Carolina is committed to quality care which nurtures the whole person, physically, mentally, emotionally, socially, and spiritually. It is our hope that each child in our care will have the opportunity to develop the full potential which is his by God's creation.

Hundreds of children, scattered between Manteo and Murphy, are dependent upon North Carolina Baptists and other friends for whatever opportunities and security life will afford them. These are served from three primary centers of operation, namely: Kennedy Home in the East, Mills Home in the Piedmont and Broyhill Home in the West. We provide assistance through group care, foster home care, family services, pre-school education, higher education and maternity care.

Our services continue to be strengthened in Western North Carolina. Several additions have been made on the Broyhill Home campus. Two new cottages were completed and occupied in January of this year, increasing the capacity of that campus to approximately fifty boys and girls. The lake has been completed and stocked with Rainbow Trout. The circular drive has been extended and considerable landscaping and beautification is in evidence. An administration building and recreation building are under construction.

We need many families who will open their hearts and homes to foster children. We do not have room at Broyhill Home for all the boys and girls in Western North Carolina who need our help. Any family interested in exploring this Christian service to children should write or call our nearest office.

We are dependent upon our Baptist people and other friends for financial support through the Cooperative Program the Thanksgiving Offering and Special gifts. The increase in cost of food, clothing, supplies and services make these sources of income all the more important to our continuing operation.

It shall be our purpose in the future, as in the past, to keep faith with our Baptist people in providing a Christian home and way of life for promising boys and girls. Thank you for the numerous ways you help to make this ministry possible.

SOUTH MOUNTAIN BAPTIST CAMP

God continues to pour out His Spirit upon our camp. Campers were made aware of His Presence. His Demand for Commitment, and to make Him known AROUND THE WORLD. Our program was built around the theme "MAKING CHRIST KNOWN". Campers were led in a discussion each day that helped them to know Christ or to know Him better. Mission education is a strong emphasis in our program.

Including the staff, our average attendance was 249 each week. 4,600 attended some kind of organized activity. 313 attended from your association.

1,340 made a decision for Christ. 304 were saved, 949 made rededications and 84 made commitments for full time Christian service. Everyone was challenged by missionaries, missionaries' kids, and by Joshua Chow, a Chinese member of our staff. An additional 350 made decisions through the outreach ministry of our staff. We have already conducted services in 20 churches this year.

We are indeed grateful to all of the churches who let us use their cottages. It would have been impossible for us to have reached the great numbers that we did without their help.

CONSTRUCTION AND IMPROVEMENTS: Addition to the assembly building for a store, storage space, sleeping room for the boys on the staff, enlarged parking area and built a retaining wall and sowed grass on play area near assembly, new floor and painted staff cabin, repaired and winterized Harris cottage, winterized assembly building. The missionary cottage and care taker's home is near completion and we now have bunk beds in 9 cabins.

IMMEDIATE NEEDS: Improvements of cabins and beds, single and double mattresses, picnic tables, a fireplace built in the assembly building, and A CHAPEL TO SEAT 400.

We are grateful to churches and associations who have us in their budget. Thanks to many individuals who make annual gifts to the camp. Several more churches have put us in their budget this year. Thanks to Missionary John McGee for a check for \$500.00 on our Chapel Fund. We urge every church to help us to build this much needed chapel.

HISTORY OF HOST CHURCHES

CORINTH BAPTIST CHURCH

The Corinth Baptist Church was organized on November 27, 1932 under the leadership of Rev. David M. Smart. Twenty-three charter members were enrolled on the day of organization, and Rev. Smart was called as first pastor. Within three years, the membership had increased to 121. Shortly after organization, a Sunday School was organized with 30 members. The Church used the Old Pinehurst School building as a house of worship, and in March, 1933, they purchased the old school building along with one acre of land from the county Board of Education. A new brick veneer building was erected in 1936 and was later remodeled, and Sunday School rooms added and continued in use until 1962. Groundbreaking for a new Church plant was held on April 15, 1961 and the educational building was dedicated and occupied on January 7, 1962. The present sanctuary was dedicated and occupied on August 6, 1967. The pastorium was built in 1968 and Rev. Clarence Bobbitt was the first pastor to occupy it.

The Church has been served by eight pastors: Rev. David M. Smart (1932-1939); Rev. J.L. McCluney (1939-1941); Rev. R.G. Melton (1941-1943); Rev. B.B. Brooks (1943-1945); Rev. A.M. Martin (1945-1958); Rev. J.I. McMahan (1958-1968); Rev. C.B. Bobbitt (1968-1970); and Rev. I. Ad Hopper, present pastor. During its history, several supply pastors have served the Church, including Rev. Olin Kendrick, Rev. J.W. Costner, and Rev. Bill Boyd.

HENRIETTA FIRST BAPTIST CHURCH

The Henrietta Baptist Church was organized, September 2, 1888. For about 3 years services were held in the Henrietta School building until a church could be built across the river from the Henrietta Mill plant.

The name of the Henrietta Baptist Church was changed to First Baptist Church in 1953. Early in the year of 1970 plans were made to erect a new church building. Land was purchased by the church, and in August, 1971, ground breaking ceremonies were held. Soon after the ground was cleared, work was begun on the new church building. In the spring of 1972 it was completed and on the first Sunday in May, 1972 services were held in the new sanctuary.

At present our church is a very faithful supporter of the missionary program and also the Cooperative Program. The Church continues to grow and serve in the service of our Lord.

Through the past eighty-six years of service to our Lord's Kingdom there have been many pastors and at present Rev. James Yelton is pastor.

We, the present members of this church say "Thank God for the progress thus far and are trusting Him for greater things in the future."

Constitution

Article I - Name

This body shall be known as the Sandy Run Baptist Association.

Article II - Membership

Sec. 1. The Association shall be composed of Baptist Churches of Rutherford County, Cleveland County and Polk County which are now members, and any other Baptist churches which may hereafter be admitted as provided.

Sec. 2. Each church shall be entitled to be represented by her pastor and two representatives. Any church with more than fifty members shall be entitled to a messenger for each additional fifty members or fraction thereof.

Sec. 3. New churches may be admitted by a majority vote of messengers present after careful examination by the Committee on location of New Churches and Missions and found to be regular in their organization, orthodox in their doctrine, and supporting objects of the Association, State, and Southern Baptist Conventions. Churches are to be accepted under the watchcare of the Association for a period of one year in order that the above may be determined.

Sec. 4. The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice, or that fails to represent itself either by messenger or letter, for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. The support of the causes fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body.

Sec. 5. Any church may withdraw from the Association at its pleasure.

Sec. 6. In case of internal dissention in a church resulting in two parties coming to the Association - each claiming to represent the church - neither party shall be seated as messengers until a decision has been reached deciding which party is the church in fellowship with the Association. This decision shall be determined by a majority vote of the messengers present.

Article III - Objects

The objects of the Association shall be to devise and promote measures for increasing the harmony, intelligence, and spiritual power of the churches and to direct, promote, and develop their energies in advancing the Redeemer's Kingdom throughout the earth, more especially along the lines recommended and adopted by the Southern Baptist Convention the State Baptist Convention, and the Association itself.

17. John Godfrey, speaking for the Thermal Belt Baptist Youth Shelter Committee, then presented the following printed report to be brought to the Association on Wednesday morning.

THERMAL BELT BAPTIST YOUTH SHELTER (A Report to the Association)

THE NEED

1. MINISTERS are confronted occasionally with youth who must be taken out of the home situation. There is presently no available emergency care.

2. THE DEPARTMENT OF SOCIAL SERVICES have several cases each year of youth who must be placed outside the home.

3. THE COURT would also refer youth. A local judge sees this as a desperate need. He felt that the court would possibly refer as many as 50 cases a year.

4. COURT COUNSELORS see this as a real need. The Youth Shelter would provide a viable option to the court and provide a vital ministry to the youth.

5. OTHER SOURCES OF REFERRAL: Department of Mental Health, Schools, Families, Concerned Friends, etc.

THE PURPOSE

The purpose of this endeavor is to provide temporary shelter and care for youth in crisis in the name of Jesus Christ.

OBJECTIVES

1. Provide room and board on a temporary basis (1 - 90 days) for youth ages 6 - 17 who cannot go home while resources for more permanent care are explored.

2. Work together with the Baptist Childrens' Homes of North Carolina, The Department of Social Services, Public Health Service, and other helping agencies to provide optimum help and care.

3. Provide a Christian Witness through loving service.

THE PLAN

1. The North Carolina Baptist Childrens' Homes will assume responsibility for staff and program.

2. Cost of child care will be secured from the legal custodian when possible.

3. The Green River, Polk, and Sandy Run Baptist Associations will assume the responsibility for providing the building, its furnishings, and utilities.

4. These participating associations will receive gifts from their churches, from individuals and from interested groups in support of the youth shelter.

(The Committee has exercised an option to purchase an attractive home at 15 Vance Street in Forest City, pending the approval of the Associations).

STEPS NEEDED:

1. Endorsement of the plan and commitment to support The Thermal Belt Baptist Youth Shelter by the participating associations.

2. Purchase the House at 15 Vance Street, Forest City at a cost of \$36,000.

3. Incorporate as a Non-Profit Organization.

4. Complete the procedures for securing a license from the North Carolina Department of Social Services.

5. Launch a fund raising drive.
6. Renovate and furnish the home for an estimated cost of \$11,850.

THE PROJECTED FINANCIAL NEEDS:

Purchase and Renovation of the House		\$38,000

THE FUND RAISING STEERING COMMITTEE

Harold Burrell, General Chairman
 William Neely, Green River Association Chairman

20. Following the closing prayer led by A.B. Bumgarner, the meeting adjourned to meet with the First Baptist Church, Henrietta, on the following day.

There were 443 messengers and visitors registered on the first day.

WEDNESDAY, OCTOBER 30, 1974

Also, that the name of the newly formed organization be called Thermal Belt Baptist Youth Shelter.

(6) The Hospitality Report which follows was given by Mrs. J.E. Cargill, Chairman of said committee:

We thank Thee, God, for these two days
Of fellowship, and prayer, and praise;
Thy Word, by chosen ones hath wrought
A peace from worldly ills distraught.

You taught us order long ago
In your creations, both high and low -
This we've observed in our meetings grand.
You, we see, in the program planned.

The music wafted up to Thee,
Has fed with love and melody
Our hearts, and given spirits sweet -
Yes, thank you, God, we still repeat.

We pray for grace to share your Love
With our fellowman, and up above -
As You look down, help us to see
Our only hope is still in Thee.

Within the poetry lines you read gratitude for the various phases of our Eighty-Fifth Sandy Run Associational meeting. Never could we adequately express our thanks to our Heavenly Father for the opportunities He gives to us. Think of the millions in our world who cannot meet and fellowship together. And isn't it tragic and heart-rending that so many are starving because they have no physical sustenance? Why has God provided so marvelously for us? Do we merit this? How our souls have been spiritually uplifted, and our bodies so well-fed physically. Yes, we thank You, God.

For the program planning, the very thorough execution and to the program participants, we express sincere appreciation. This has involved much time, prayer and the spending of great physical endeavor. These, along with our entire associational staff, paid and voluntary, help to hold high the Christian torch within our midst. Their leadership imbues us with a zeal to press forward in the work of the Kingdom.

Corinth, First Church of Henrietta and the nine assisting churches in groups four and nine, as we leave this session, we feel like Paul when he said to the Church at Philippi; "I thank my God upon every remembrance of you." You have shown a sweet spirit of hospitality, and may the Lord bless you for this.

Let us continue in fellowship and strive wholeheartedly to "Share Christ's Love" with a troubled world.

25. T.A. Lineberger, Director of South Mountain Baptist Camp, urged us to continue our support of the camp.

26. Olin Hefner led in a brief pause in memory of those deceased of our Association during the past year.

27. James Yelton, pastor of host church, made announcements and gave instructions concerning the meal.

28. New officers for the coming year were recognized.

29. The congregation was led in the singing of the hymn, "Grace Greater Than Our Sin."

30. Andy Blanton, representative of the Sandy Run Annuity Program then emphasized the need for all pastors and full-time staff members to be covered by the Annuity Retirement Program.

31. Woodrow W. Hill, Field Representative of the Biblical Recorder, urged us to get the Biblical Recorder into every Baptist home in our state.

32. Special music was then rendered by Al Mellnik with the congregation singing the chorus.

33. Dr. Charles Maples brought his second message to our Annual Session, using the theme, "At The Cross" as his topic, and again ending his message in song.

34. The program having ended and there being no further business, the meeting was closed in prayer by W.A. Stroud.

There were 321 messengers and visitors on the second day.

Reports

ASSOCIATIONAL SUNDAY SCHOOL

Our Sunday School Board activities for 1973-74 were designed (1) to discover the programs which churches may use effectively in finding, reaching, teaching, training, and developing people, (2) to promote such programs for use in the churches, and (3) to provide acceptable materials to support these programs.

Our Associational Sunday School Department has emphasized two things in particular this year; teacher improvement, and outreach. A Teacher Improvement Clinic was held in April of this year. It was a very helpful clinic, but not as well attended as it should have been. The churches of our Association are now engaging in a REACH OUT TO PEOPLE. High Attendance Celebration Sunday in our churches is November 17. Each church is encouraged to set a High Attendance goal in Sunday School on this date. Lets work hard to reach our goals on November 17.

Respectfully submitted,
R.J. Hogan, Assoc. Sunday Dir.

ASSOCIATIONAL CHURCH TRAINING

Thank you for your cooperation in Church Training this year. With your wonderful help we had the largest crowd attending "M" Night recorded in many years. 47 Churches were represented with 40 pastors and 36 Church Training Directors. The cooperation was just great.

Hick's Grove Church won the attendance and achievement banners for the third consecutive year. The meeting was held at Spencer Church.

Our Youth Night was held at Race Path Church with approximately 450 in attendance. The Youth Choir of First Baptist Church, Rutherfordton, presented a musical program.

Our theme in Church Training for the coming year is "Church - The Sunday Night Place for training."

Will you endeavor to make Church The Sunday Night Place for all your members in the year that follows; Thank you in advance.

Respectfully submitted,
Mrs. Charles Hamrick, Assoc. Dir.

ASSOCIATIONAL MUSIC

Our Associational Music Council planned and conducted an association-wide Youth Choir Retreat at Ridgecrest this past spring. Members of the council, Al Mellnik and

Malone Thomason, served as retreat coordinator and music leader for the worship periods, respectively. Eight of our churches, and one church from out of our association participated in the retreat which totaled about 200 participants.

Respectfully submitted,
Clyde Buckner, Assoc. Music Dir.

ASSOCIATIONAL BROTHERHOOD

If the purpose of the Association is "to promote Christian fellowship and co-operation among Churches affiliated with; to uphold the doctrines and principles of the Baptist faith, and to encourage the Churches to be loyal and to practice these doctrines and principles; to promote the teaching and preaching of God's Word, the enlisting and training of all Christians for service; to promote missions, benevolence, stewardship, Christian education, and the winning of all men to Christ to the ends of the earth; to cooperate with their respective State Conventions and the Southern Baptist Convention in a World Mission Program,"

The Associational Brotherhood accepts the challenge of this purpose as its tasks relate to missions for men and boys. Last year we had about thirty Churches with men or boys work. We had at least six Churches showing an interest in organizing the work. Your Associational Brotherhood officers are ready to come to your Church and share with you the opportunities of missions for men and boys. Call us if you need our help.

Respectfully submitted,
Joe Richards, Director

ASSOCIATIONAL W.M.U.

We are proud of the work that the Woman's Missionary Union has done this year, each organization promoting their work in special meetings, and for the good attendance at our Associational meeting.

The State W.M.U. Convention was well attended.

The leaders attended the workshop at Fruitland and we certainly thank them for the wonderful workshop that was held at Bostic First Church.

The Board meetings and the financial meeting was attended by your W.M.U. Director.

Our Associational W.M.U. was DISTINGUISHED again this year for the 6th consecutive year. This is an excellent achievement. With this record we feel that we are now ready to take another "Giant Step" into 1974-75.

We pray this coming year your new W.M.U. Director will have the same co-operation I have had in the past and we're looking for a great year in the name of the Lord.

Respectfully submitted,
Mrs. Tyler Le Roy, Assoc. Director

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

As a Baptist, among the many vital ministries that you support are your North Carolina Baptist Homes for the Aging. For over 23 years now, you have had a part in serving hundreds of older people and making life much happier and secure for them. You have done so through two very helpful means of income: (1) The Special Offering for the Homes, received on the 3rd Sunday in February each year; (2) The

Cooperative Program. Gifts through these two sources have increased from year to year, and offerings for 1974 will perhaps exceed \$350,000, providing more than 30% of the budget needed to operate 5 resident Homes and the Nursing Care Unit.

God, through you, has blessed this ministry of our Baptist Homes in a remarkable way, leading you to establish two Homes in Winston-Salem, Resthaven, and the Hayes Home, and the Nursing Care Unit, and three other Homes at Albemarle, Hamilton, and Yanceyville. In these Homes, 4 out of every 5 residents depend upon your love gifts and simply could not be cared for without your help.

Of greatest significance during the past year, has been the decision by the Trustees of the Homes to establish a 6th Home in Western North Carolina, to be located in the city of Asheville on the Pearson Estate, a magnificently beautiful twenty-one acre site, overlooking the city, and with the gorgeous Blue Ridge Mountains in the background. This of course, is subject to approval by the General Board, and the Baptist State Convention.

Ministry to an older person is a direct ministry as unto Christ Himself and is most pleasing to Him, we are sure!

Glenn Rushing, Chairman

NORTH CAROLINA BAPTIST FOUNDATION

Realizing that one of the greatest sources of loss to the cause of Christ has been the death of Christians who leave their estates to heirs indifferent to Christ and His claims, Baptists of North Carolina, meeting in convention in 1919, authorized the establishment of The North Carolina Baptist Foundation, Inc. It was chartered in 1920 by the State as an agency whose duties included cultivation of Living Memorials, through gifts in life and in the writing of Christian wills, and to administer such funds in behalf of the donor supporting any or all Baptist work, locally or convention-wide.

Today, The North Carolina Baptist Foundation is keenly conscious of the need of an enduring financial support for Baptist institutions and agencies.

The value of Foundation assets is approaching two million dollars. During 1973-74, the Foundation received gifts amounting to \$150,310.15. A major portion of these gifts was for the establishment of annuity trust funds, providing income to the donor or his survivor, with the residual beneficiary to be a Baptist institution, agency, or cause. 10.08% of all gifts received during the year will eventually benefit SBC beyond the State.

Income distributed by the Foundation this year amounted to \$47,858.74. Approximately \$6,700.00 of income was reinvested by the Foundation in accordance with instructions from the donors.

There are various services offered by the Foundation, with two major ones being, the Life Income Trust and the Charitable Remainder Annuity Trust. Other services will be upcoming in the near future. Please contact MR. EDWIN S. COATES, Executive Secretary, The N.C. Baptist Foundation, Inc., P.O. Box 26508, Raleigh, N.C. 27611, or phone: 919-833-1605.

CHRISTIAN HIGHER EDUCATION

Churches and Colleges are Partners

While churches and colleges are not identical in their purposes, Baptist churches and Baptist Colleges in North Carolina do their work in an atmosphere of mutual appreciation. This active partnership includes Baptist Youth Corps, student-led

worship and revival services, visits to the campuses by pastors and other leaders, participation of faculty and staff in associational and local church programs, and special projects of promotion on behalf of the Cooperative Program.

Your seven Baptist colleges are grateful for the continuing financial support which they receive through the Cooperative Program. During 1974, approximately \$2,350,000 will undergird the work of Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate Colleges. At a very crucial time, these funds, make a tremendous difference in the quality of programs offered by our schools.

Our colleges work together and with the Baptist State Convention through the Council on Christian Higher Education. The Council office is eager to assist both the churches and the colleges in the promotion of understanding and cooperation as together they deal creatively with persons in the name of our Lord.

The colleges make a special effort to recruit North Carolina Baptist students through pastors and superintendents of missions. No qualified student will be turned away simply because of inability to pay. Baptist colleges are anxious to enroll the young people from our churches.

Richard N. Spencer, Chairman

EVANGELISM

The continuing response of youth and adults to Lay Evangelism Schools has been significant. In the past thirty months 11,032 youth and adults have shared in this lay witness training from 855 churches and 44 associations. Also, 107 pastors from nine other associations have participated in Pastor's Retreats dealing with Lay Evangelism Schools.

'SHARING HIS LOVE AND SPIRIT' was the theme of the 28th Statewide Evangelism Conference at War Memorial Auditorium, Greensboro - February 4-6, 1974. Over 2,400 pastors and lay persons heard excellent speakers emphasize various phases of evangelism.

God is greatly blessing the evangelistic ministry of our three summer youth evangelism teams. Nine college students are leading in music, preaching in youth revivals, and directing youth witness training sessions among 27 churches from Pisgah Forest to Edenton.

Youth Ministries Week was held at the North Carolina Baptist Assembly during June 10-14 for about 700 youth and adults with the emphasis on evangelism, vocational guidance and recreation.

About 15,000 youth, pastors, and adult leaders attended the 4th Statewide Youth Evangelism Night - August 16 - at the Greensboro Coliseum, Richard Hogue, evangelist, Houston, Texas, was the guest preacher, and Darcy and Sharon Hodges were the guest soloists. Christian youth continue to share a strong witness for Jesus Christ across our state.

Let us rejoice in the leadership of the Holy Spirit in wonderful revival meetings, city-wide crusades, and evangelism clinics during the past year.

The 29th Statewide Evangelism Conference will be at War Memorial Auditorium, Greensboro, during February 3-5, 1975.

Remember to pray daily for the work of evangelism in all the churches of our state, nation, and the world. Let us give thanks to Almighty God for 493 people who were baptized into the churches of our Association.

We urge every church to set a baptismal goal for next year, and then work and pray to reach at least that many people for Christ.

Respectfully submitted,
Johnnie Tiller, Chairman

FOREIGN MISSIONS

At the close of 1973 Southern Baptists had 2,538 missionaries at work in 77 countries. Reports from these countries indicated that God was blessing the work. Baptisms reached an all-time high of 62,151. 5,207 of the 6,907 churches on foreign fields are now self-supporting. Add to this large number of churches 8,034 mission points and you will find approximately 51,000 places where the Christian Gospel is being proclaimed.

During 1973 missionary appointments numbered 229. This number included 124 career missionaries, 14 missionary associates, 75 missionary journeymen, 3 special project workers, and 13 reappointments. Interest in mission service is high. During the year more than 500 new people conferred with missionary personnel. Personal interviews with missionary candidates totaled a record high, 3,133.

Financial support of our missions program continues to be strong. Total gifts in 1973 increased by 11.28 percent over 1972. Annual per capita gifts rose from \$2.94 in 1972 to \$3.21 in 1973. In 1973 the Foreign Missions Board received \$17,135,169 from the Cooperative Program, \$19,794,025 from the Lottie Moon Offering and \$3,266,180 from other sources, a total of \$42,665,149 to operate the work overseas. This income was distributed in the following manner: 90.43 percent directly to the field, 8.04 percent for administrative and general services, and 1.53 percent for promotion of missionary work.

No statistical account can tell the full story of Southern Baptist missions work. This wondrous outreach into 77 countries on the part of more than 2,500 missionaries is possible only because of your love, prayer, concern, and liberality. We are grateful to God for this strong support. However, we dare not stop here. The reward of a job well-done is more work to do. We must seek, under the leadership of the Holy Spirit, clearer insights as to our role in world evangelism. What greater work is Christ leading Southern Baptists to do? We pray that Southern Baptists will be caught up anew in a challenge for world missions beyond anything that we have known before.

“The fields are white unto harvest.”

Charles F. Cobb, Chairman

BAPTIST HOSPITAL REPORT

In spite of the growth in size and complexity at your Baptist Hospital, the emphasis is still upon "ministering with skill and understanding." Evidence of this is a typical patient's remark recently: "From the head surgeon to the aide who handed me a glass of water, with all the doctors, nurses, people in the business offices and chaplains in between, I was cheerfully given every personal consideration."

Changes and additions continue to be made for the purpose of providing better hospital care. Renovation of the Progressive Care Unit has been completed, and the South and West Wings of the hospital building are now being renovated. Construction of the Ambulatory Care Unit is well under way and is scheduled for completion in the spring, or early summer, of 1975.

New discoveries continue to make possible better medical care. For example, a new EMI-Scanner is to be installed and is expected to be in use before the end of this year. This device, which combines the use of x-rays and computers, will make it possible to detect brain tumors, blood cots, and strokes more accurately and more quickly. Scans can be completed in about 30 minutes and the results can be available in another five minutes. There is no risk or discomfort involved, and the patient does not have to be admitted to the hospital.

New approaches are also being made in the hospital's ministry to the emotional and spiritual needs of people. The Division of Human Enrichment and Development, in the Department of Pastoral Care, is conducting retreats, seminars, and workshops designed to help appropriate the resources of the Christian faith to the various areas and experiences of life. The Pastoral Care Department has also opened its first satellite center, in Fayetteville, to offer counseling and training to people in that area. Your Cooperative Program gifts help to support these ministries.

The School of Nursing graduated its last class in May. The school has been in

the process of phasing out for the past three years, as the result of a trustee decision made in 1971.

In January the hospital had its only room rate increase in the past three and one half years. Nevertheless, the hospital continues to operate "in the black." The 1973 Mother's Day Offerings amounted to \$375,000. At the time of this writing, our 1974 Mother's Day gifts are running ahead of the same time last year. These gifts are used to assist patients with the most urgent financial needs. A special committee of five Baptists from the Winston-Salem area assists personnel from the hospital Business Office and the Department of Denominational Relations in administering these funds.

Your hospital staff, and the people they serve, are grateful for your interest, your prayer and your financial support.

Tyler Le Roy, Chairman

STATE MISSIONS

Our churches are on a mission to people. Churches in a cooperative plan express their mission beyond the local congregation.

State Missions is a multiplicity of special ministries too big for any one local church. These ministries to areas of need may be altogether supported by State Missions budgeting, or a cooperative budgeting arrangement of the local church, the association, the State Convention, and the Home Mission Board. Such specialized ministries include work at Cherokee and Pembroke, promotion and coordination of World Mission Conferences, supplement to associational budgets, support of part-time Chaplaincies in several correctional institutions, assistance in witnessing to and enlisting for service Orientals and Spanish speaking peoples. A specialized ministry to the deaf includes evangelizing, teaching and counseling the deaf.

Also included is a cooperative plan for Seminary extension and a rapidly growing Resort Ministry. Fruitland Baptist Institute is an area of State Missions. Our cities need Baptist Centers and other expressions of Christian social and evangelistic concern. State Missions continues a specialized ministry with other races and promotes and supports a vigorous inner city ministry.

State Missions serves the pastor and local church. New churches are encouraged by loans and grants of lot aid. Needy churches are given financial aid until they can become self-supporting. Pastors are directly helped through Annuity supplements.

State Missions is a cooperative ministry to churches that serves thousands of through 51 different programs.

AMERICAN BIBLE SOCIETY

It has been an honor and privilege to serve the Association as representative and Chairman of the ABS Committee this year, even though I haven't done much. Since Mrs. John Tiller has a Scripture Courtesy Center in her home I wish to thank her for letting me tell of her work for ABS in this annual report.

Mrs. Tiller reports that it has been a joy and privilege for her to operate a Scripture Courtesy Center for the American Bible Society. She started her Center, April 22, 1973, and since that time she has ordered 2,295 Bibles, New Testaments and Books of the Bible. On a recent visit from Reverend Zeb Moss and Mrs. Moss, they said to her, "We are so thankful for the work the American Bible Society does; because of them we can distribute so many more Scriptures." Mrs. Tiller can be reached by telephone at 453-8256 if she is needed to help anyone with materials from the American Bible Society. Mrs. Toney and myself have ordered several Bibles from her this year for gifts and personal study.

The American Bible Society, founded in 1816, has only one purpose - "to promote the distribution of Holy Scriptures without doctrinal note or comment and without profit."

There were two main events for ABS in 1973; the "Good News for New Readers" program; and the "Key 73" evangelism emphasis. ABS plans to produce and distribute 725,000,000 Scripture Literacy Selections, scientifically prepared on five graded reading levels in 200 languages, for the New Readers program. In the "Key 73" evangelism campaign, more than 35,000,000 Scriptures were distributed and these were furnished by ABS. The total contributions from the Southern Baptist Convention to ABS for 1973 were \$253,857.11.

The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave - and keep on speaking to a person's heart. But we must remember, in most lands people cannot afford even the cost of printing the Scriptures. ABS is an active partner of Southern Baptists and serves every form of Southern Baptist work around the world. Thanks to the American Bible Society for the great work they do.

Robert F. Toney, Chairman

CHRISTIAN LITERATURE

"Find out what a person reads, and you will quickly discover his real interest in life."

Reading is important if we want to become mature Christians with good understanding and sound judgment. The Christian who is interested in becoming the mature Christian God wants him to be has learned the value of Christian literature. He regularly reads the Bible. He reads books and magazines devoted to the Christian faith. He reads carefully, thoughtfully and prayerfully. He analyzes what he reads and lays it up carefully and safely in his memory. He applies it to his own life, and reaps the rich harvest of abundant living.

Among the fine Christian literature available today is our State Convention publication, the BIBLICAL RECORDER. The RECORDER is enjoying its highest circulation in history - more than 111,000 - thanks to the continuing support of the vast majority of Baptist churches in the state. These churches and their member remember the part the RECORDER played in the overwhelming defeat of liquor by the drink last November. This is probably the most significant story that the RECORDER has reported since the association last year. The RECORDER will continue its emphasis on local church coverage, seeking to deal with problems that every church has. A church can send the RECORDER to every family at a cost of a nickel a week per family.

Other denominational publications, such as CHARITY AND CHILDREN, HOME MISSIONS, THE COMMISSION, and HOME LIFE, are of great value to the Christian family.

Respectfully submitted,
Martha Jean McFarland, Chairman

ASSOCIATIONAL LIBRARY

The Library association is not very active in that only two churches in the association have asked for help in the church library work.

The Sandy Run Baptist Church has been working on classification and cataloging for several months.

The Race Path Church has remodeled their library and checked the inventory and it is in good shape.

The library at Florence Baptist Church has been enlarged and is a lovely place to work. During National Library Week, Mrs. Dorothy Philbeck, the church Librarian, made book marks picturing the Florence Church.

The library at Bethel Baptist Church received the Distinguished Merit Award for the year.

The Associational Librarian is willing to help any church in the Association that needs the library brought up to standard.

Respectfully submitted,
Frances Hamrick, Librarian

CHRISTIAN LIFE AND PUBLIC AFFAIRS

The committee viewed its function as that of maintaining and enlarging Christian emphasis upon such concerns as family life, race relations, daily work, economics, and citizenship, with special emphases upon such current and widespread moral problems as drugs, alcohol, gambling, obscenity, and pornography.

Perhaps the most discouraging observation during the year was the much publicized disregard of the most simple and basic Christian moral principles at the highest levels of the executive branch of our national government. The shock and revulsion of Baptists and other right thinking citizens throughout the nation caused the president, vice-president, and numerous other elected and appointed national leaders to be deposed from office, many of them being charged with the active commission of crimes.

On the other hand, the diligent work of numerous Baptist believers in the state, under the inspiring leadership of the Christian Action League, supplied a dramatic contrast. This cooperative venture of Christian people defeated a statewide liquor-by-the-drink referendum by a 70-30 plurality, leading 97 of the state's 100 counties to reject liquor-by-the drink.

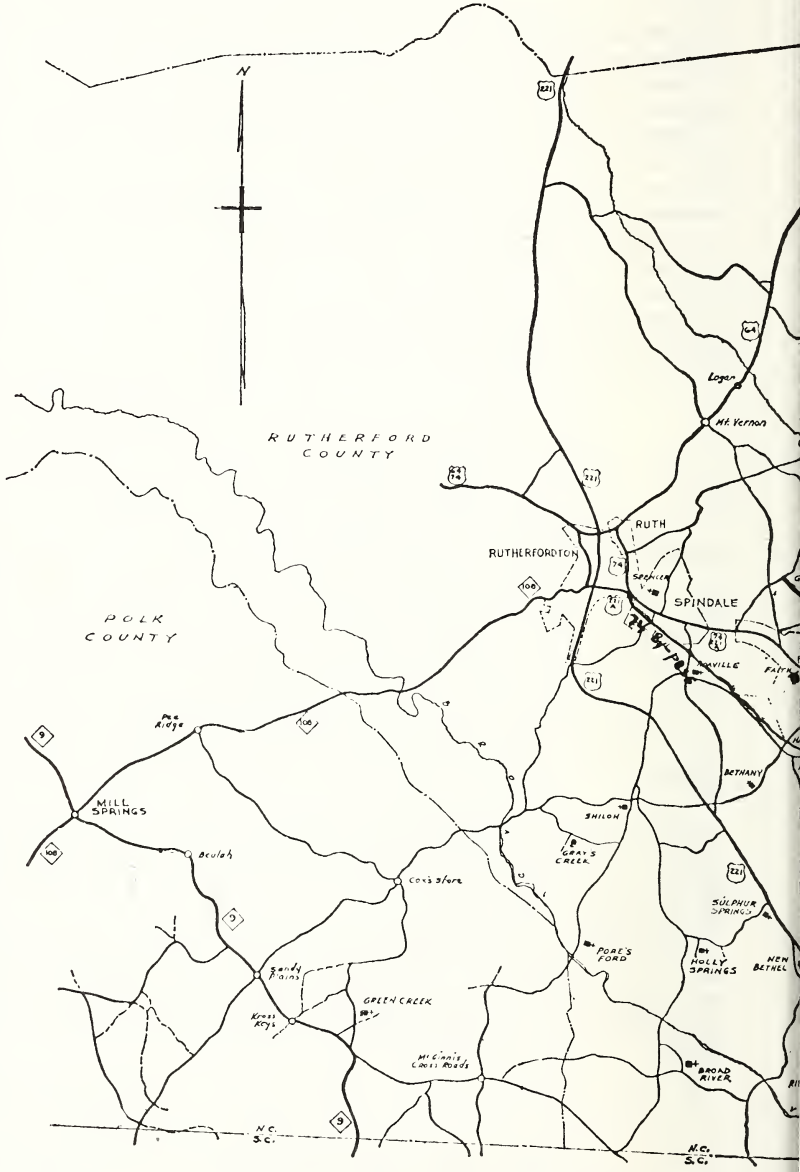

Encouraged, the Christian Action League, with the support of individual Baptists and entire congregations throughout the state, enlarged its action emphases to include such moral concerns as prison reform, highway safety, alcohol and drug control laws, the advertising of alcohol, obscenity, pornography, tax reform, and capital punishment.

of church-community weekday missions, youth and family services, literacy missions, migrant missions and disaster relief. There are 16 missionaries jointly-employed by the State Convention, the Home Mission Board and the association in this phase of our Lord's work. In addition to these missionaries there were several jointly-employed summer student workers. This ministry exists for the purpose of bringing men to God through Jesus Christ as Saviour.

Interfaith witnessing is another phase of the Department's outreach ministry. This ministry demands skilled workmen with an intelligent and warm approach in Christian witnessing. The Department seeks to enlist and train volunteers to engage in this work.

Church extension through pastoral and lot aid assistance is a third phase of the Department's work. This is one of the oldest and continuing ministries of State Missions for urban areas.

The City and Metropolitan Missions Department is an integral part of the overall program of State Missions and is directly funded from the annual State Missions Offering. We solicit your continued prayers and support for this work. If the Department can help your church or association, please let us know.

CHILDREN'S HOME AND MATERNITY HOME

Western North Carolina Baptists have shared the adventure of a Christian child care ministry with the Baptist Children's Homes this year. You, in the Association, have helped us retain warm fellowship and supported relationships by your visits to Broyhill Home; by allowing us to visit in your churches and homes; by keeping up with our activities in CHARITY AND CHILDREN. A part of our strength comes from our knowledge of your prayers and concern in a variety of ways.

This year has seen the completion of the Broyhill Recreation Building and the Wagoner Administration Building on the Broyhill Campus. We will need you to join us there on October 27 for a program of dedication for the Haywood and Wall Cottages, the recreation and administration buildings, and the campus itself.

Since its inception in 1971, the Maternity Home in Asheville has offered a helping hand to more than 120 girls who struggled with one of the serious crisis of life. This program continues to find acceptance throughout the state.

At present time, a cooperative adventure is under study with the Green River, Sandy Run, and Polk Associations for the establishment of an emergency care shelter. This again, will be a helping hand for boys and girls caught in the crisis of present day society.

The continuing support of our friends make possible a vigorous and progressive ministry of child care. During this year, North Carolina Baptists gave more than a million dollars to Christian child care in the Baptist Children's Homes through the Cooperative Program, the Thanksgiving offering, and designated gifts and offerings. We continue to depend on your prayers and loving support as we face the pressures of an uncertain economy, rapidly spiraling costs, and the need to serve children whose personal problems are most intense.

Respectfully submitted for Committee,
L. T. Lankford, Chairman

HISTORY OF HOST CHURCHES

Floyd's Creek Church

The Floyd's Creek Baptist Church was organized September 3, 1870. There were 52 charter members. Church membership was growing and the need for a bigger and better place of worship was realized. On the third Sunday in October, a new church building was dedicated. In 1924, a larger and better building was erected at a cost of \$4,000. The church was built on what is now the Forest City and Chesnee highway. It consisted of an auditorium and six classrooms. Later, four more classrooms were added. Rev. M. B. Jenkins was pastor at that time. In 1952, Pastor W. C. Keller, realizing the need for more space and better building facilities was led to start another building fund. By May 6, 1956, a ground breaking service was held. Floyd's Creek completed its \$110,000 building and was ready to occupy its new building on March 24, 1957. On April 7, 1957, Pastor Fred Bryant was in charge of the dedication service. Note burning for present church building was held Memorial Day, 1966. Since then we have built a beautiful pastorium, Air conditioned the entire church building, extended the balcony to seat an additional 100 people. Bought a new piano and organ for the sanctuary, purchased an amplifying system for the sanctuary, carpeted many of the Sunday School classes, purchased approximately three acres of land and built a beautiful fellowship building at a cost of \$95,000, extended the cemetery area and built a soft ball field. The church continues to grow, not only in numbers, but in sweet Christian fellowship. But most of all, and thank God for it, many precious souls have been born into the kingdom.

FORMER PASTORS: Rev. J. T. Moss, Rev. J. T. Hoard, Rev. W. G. Ezell, Rev. T. C. Harris, Rev. H. D. Harrill, Rev. Z. D. Harrill, Rev. T. C. Harrill, Rev. J. G. Graham, Rev. T. C. Harris, Rev. J. H. Fred Bryant, and present pastor, Rev. Billy M. Holland, since January 11, 1967.

Bethel Baptist Church

Bethel Baptist Church was organized in 1847 in Ellenboro, N. C. with 19 charter members. The original building was constructed of logs. In 1881 the log building was replaced with a frame building.

Bethel Church was originally a member of the Broad River Association, but later transferred its membership to the Kings Mountain Association. In 1890 the Sandy Run Baptist Association was organized in this church of which it is now a member, being one of the charter members of the Sandy Run Association.

The third house of worship, a brick building, was erected in 1921. This building served the needs of the congregation until 1958 when the present modern building was erected including a modern Sunday School plant. This is one of the progressive growing churches of the Sandy Run Association.

The following pastors have served the church through its long life of service to the Kingdom: Elder William Harrill, Dove Pannell, William McSwain, J. H. Yarboro, T. J. Campbell, J. J. Jones, A. A. Constitution

Article—Name

This body shall be known as the Sandy Run Baptist Association.

Article II—Membership

Sec. 1. The Association shall be composed of Baptist Churches of Rutherford County, Cleveland County and Polk County which are now members, and any other Baptist churches which may hereafter be admitted as provided.

Sec. 2. Each church shall be entitled to be represented by her pastor and two representatives. Any church with more than fifty members shall be entitled to a messenger for each additional fifty members or fraction thereof.

Sec. 3. New churches may be admitted by a majority vote of messengers present after careful examination by the Committee on location of New Churches and Missions and found to be regular in their organization, orthodox in their doctrine, and supporting objects of the Association, State, and Southern Baptist Conventions. Churches are to be accepted under the watchcare of the Association for a period of one year in order that the above may be determined.

Sec. 4. The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice, or that fails to represent itself either by messenger or letter, for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. The support of the causes fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body.

Sec. 5. Any church may withdraw from the Association at its pleasure.

Sec. 6. In case of internal dissention in a church resulting in two parties coming to the Association—each claiming to represent the church—neither party shall be seated as messengers until a decision has been reached deciding which party is the church in fellowship with the Association. This decision shall be determined by a majority vote of the messengers present.

Article III—Objects

The objects of the Association shall be to devise and promote measures for increasing the harmony, intelligence, and spiritual power of the churches and to direct, promote, and develop their energies in advancing the Redeemer's Kingdom throughout the earth, more especially along the lines recommended and adopted by the Southern Baptist Convention the State Baptist Convention, and the Association itself.

ASSOCIATIONAL BROTHERHOOD

The Baptist Men and the Baptist Boys of our churches have completed a year of studying missions and doing missions. Many of us have tried to be faithful in the places of responsibility assigned to us by our churches.

This year with the theme "Let Christ's Freedom Ring" and the desire to plan our work and then work our plans, we can expect great things to happen. Several of our churches are considering one or more units in Brotherhood work. It seems to me there is a desire among the existing units to better understand the role of men and boys in the total mission work of the Church. Your Associational Brotherhood officers are ready to come to your Church and help you at any time. Thank you for using us this past year. Your officers aided at least eight churches this past year. Let us be a part of your concern in the coming year.

"Renewal" is a term relating to one's call or ministry. The Southern Baptist strategy is to involve churches in "The Journey into Lifestyle Evangelism and Ministry." This is a joint effort of the Home Mission Board's Division of Evangelism and the Brotherhood Commission's Lay Renewal Department. For more information into this Journey contact either this organization or your Associational Office.

Respectfully submitted,
Joe Richards

HOME MISSIONS

The theme for this year has been "Share His Love Now." The emphasis for the year is on evangelism and programs that help the minority ethnic peoples and the disadvantaged persons.

The offerings to the Home Mission Board have been 13 percent higher than last year's offerings. The Southern Baptist Convention has allocated \$6,225,915 to the Home Mission Board. The total figure for all income to the Home Mission Board from the Cooperative Program this year was \$6,806,954.69. The Annie Armstrong Offering for this past year was \$8,130,142. The goals for 1975 are high and are expected to be reached—Cooperative Program goal is to be \$6,750,000 and the Annie Armstrong goal is to be \$8,500,000.

A total of 414 persons have been appointed to service this year: 75 missionaries, 165 associate missionaries, 148 to Church Pastoral Aid, and 26 to two-year US-2 appointment.

In the Sandy Run Association this year your Home Missions Committee attempted two projects: (1) Home Mission Night during the Week of Prayer for Home Missions with Miss Bertie Lee Kendrick speaking and showing slides of her work in Hawaii; and (2) Bible Reading Marathon held on July 4, 1975 to show the need of our nation turning to the Word of God.

Respectfully submitted,
Steve Gregory, Assoc. Chairman

FOREIGN MISSIONS

Our Foreign Missions report is both encouraging and challenging, as we work toward "Christ's Freedom—For the Whole Man and the Whole World."

The final total of the 1974 Lottie Moon Christmas Offering for Foreign Missions has exceeded the 23 million dollar goal and topped last year's total by more than 1 million dollars.

The \$23,234,094 received is the highest total since the Lottie Moon Offering of \$3,315 was given in 1888. In 1973 Baptists gave \$22,232,557 to the offering.

The 1975 Lottie Moon Christmas Offering goal has been set at \$24,000,000. Southern Baptists Foreign Mission efforts in 83 countries of the world are supported financially by two major channels of giving: The Lottie Moon Offering and the Southern Baptist Cooperative Program unified budget plan. Each of the channels accounts for about half of the boards total operating budget.

The Cooperative Program is celebrating its 50th year.

Southern Baptists have demonstrated again their deep commitment to the Great Commission. Even in the face of an economic recession are moving ahead in World Missions. Topping the 23 million mark last year, the W. M. U. believes 24 million for this year is both a challenging goal and a realistic expectation of the support Baptists want to give Foreign Missions.

SOUTH MOUNTAIN BAPTIST CAMP

Thanks to God for another year of victories at South Mountain Baptist Camp. As campers discussed the theme, worshipped, studied about the needs of a lost world, and God's plan for their lives the Holy Spirit moved with great power.

Including special groups over 4,000 attended this summer. In addition, 1,000 visitors attended at least one of our services. We averaged 236 in 11 camps. 244 attended from our Association.

The Holy Spirit inspired 1440 campers to make some kind of decision for Christ; 407 of these were professions of faith. We were thrilled to present hundreds of Star and Honor Camper awards.

Our chapel was completed enough that we could use it all summer. It was a great help to us in conducting our programs.

We are grateful to churches and individuals who helped us financially on the chapel. Thanks to many who donated free labor, equipment and material. This saved us thousands of dollars. Several memorial contributions were also made which was a great help.

To date we have spent about \$45,000.00 on the chapel. It will take about \$5,000.00 more to finish it. We plan to finish the chapel, improve sleeping quarters, and other needed improvements. We still owe \$8,000.00 on the chapel.

We need 50 more churches to include the camp in their budget. Some churches are assuming the responsibility of improving and maintaining a cabin.

Our camp is available for church picnics, day camps, and retreats during the fall and early spring.

Our camp is becoming more popular each year. Because of this fact I urge you to make reservations early next year so you will not be left out.

ASSOCIATIONAL W. M. U. REPORT

Our WMU special emphasis in 1974-75 was Family and Church-wide Mission Action and Training in Missions Education. The WMU Council began their training by attending the State Leadership Workshop at Fruitland to prepare to lead the Associational Leadership Training Conference at Bostic 1st Church held for all church WMU officers and leaders September 12th.

Baptist Women and Baptist Young Women observed the Baptist Women Day of Prayer on

November 4th at Caroleen Church. Miss Emma Cooke, missionary to Lebanon was guest speaker.

Girls in Action and leaders enjoyed a Christmas party at Spencer Church on December 7th.

The Acteen Associational Meeting, February 10th at Harmon Street Church was during WMU Focus Week. Miss Jolene Ivey, State Acteen Director was the speaker. Prior to the meeting, the WMU Council had a dinner to which all pastors and wives, of churches in the association with no WMU organizations, were invited to acquaint them with our organizational purpose and offer help in organizing in their churches.

Mission Friends leaders were provided additional training at a meeting at Floyd's Creek Church March 20th.

The 63rd annual WMU meeting at Bethel Church April 24th had the theme "World Mission of Reconciliation through Jesus Christ." Mrs. Archie Jones, Missionary to Ecuador and Miss Pat Richie, State Mission Friends and GA Director were guest speakers.

Baptist Young Women had their meeting May 22nd at Henrietta 1st Church with Mrs. Hatcher Melton, a Christian homemaker, bringing an inspirational message.

We were honored to have Acteens "The Ellentones" from Bethel Church in our Association to be invited to present the special music at the State Acteen Convention at Ridgecrest in April. They provided special music also at our Associational Acteen meeting and the WMU Annual Meeting.

We have organized work in two churches who had no WMU organizations. Additional organizations have been begun in several other churches where some were needed. We have contacted pastors and sought to begin work in 13 other churches with no WMU organizations. We welcome opportunities to be of service.

We ended this year by qualifying for recognition as a Distinguished Associational WMU Organization. This is the highest level of achievement.

BAPTIST HOSPITAL

There have been many significant developments, in several different areas, at your Baptist Hospital during the past year.

By the time this report is read the new ambulatory care unit will be open, making possible enlarged and improved services for the Emergency Room, Outpatient Clinics, Physical Therapy and other departments. Renovation of the West Wing will be complete and renovation on the South Wing will begin in early August. The third floor of the Progressive Care Unit has been remodeled to provide 26 beds, therapy room and other improved facilities for Psychiatric services.

The long-awaited EMI-scanner is now in use, A Family Practice Center opened in July, and the Department of Pastoral Care has opened a counseling center in Raleigh. Plans for a third satellite in the western part of the state are developing.

During the past year Mr. Reid T. Homes retired as President of the hospital, after serving in the hospital administration for 29 years.

Our Association contributed \$6,226.36, January thru September, 1975, to the Baptist Hospital.

THE BAPTIST FOUNDATION

The Baptist Foundation Incorporated of North Carolina was established in 1919. The purpose of the Foundation is two-fold: (1) "To give sound support and a firm base to all the good and noble efforts of North Carolina Baptists in their state and world programs of missions, ministry and education." (2) To assist and advise people who wish to leave a part or all of their estates to Christian causes.

The five general areas in which the Baptist Foundation can help one make a wise disposition of his estate are: (1) A Last Will and Testament, (2) A Living Trust, (3) A Gift Annuity, (4) A Life Income Agreement, and (5) A Life Insurance Policy.

Free literature is available from the Foundation. The address is:
The North Carolina Baptist Foundation, Inc.
P. O. Box 26508
Raleigh, N. C. 27611

Through the Baptist Foundation anyone can plan the way he wishes his estate to be settled, and he can know that his wishes will be carefully respected and executed. Through this means one can continue to serve Christ through his gifts after he has passed away.

FINANCIAL ASSISTANCE

During the Associational year we had only one application for assistance—the Pilgrim Baptist Church applied for \$1,200.00 Pastoral Aid assistance for Pastor B. A. Cooper.

HOMES FOR THE AGING

For more than 24 years now our Baptist people have been interested in and supporting a ministry to the aged through the North Carolina Baptist Homes for the Aging, Inc. The third Sunday in February is the day our churches receive an offering for this worthy cause. Also, the Cooperative Program is a strong arm of support.

Including our newest home in Asheville our North Carolina Baptists support six resident homes and the nursing care unit. Churches from our Association gave to our Denominational Homes approximately \$2,834 this year.

The new home for the aging is being established on the Pearson Estate in Asheville, just off the Weaverville highway. This is a beautiful location consisting of the Pearson Mansion and twenty-one acres overlooking the city with a gorgeous view of the Blue Ridge Mountains in the background. It will serve many aged people in the future.

There are 13 rest homes in the area of our Association which gives regular opportunities for churches and pastors to minister. More than 400 residents, workers and visitors in rest homes are blessed by the ministry of our churches.

Let us support our Denominational and local homes with our prayers and ministry, remembering the prayer of Psalm 70:18 "Now also when I am old and grayheaded, O God, forsake Me not."

Graham Brooks, Chairman

EVANGELISM REPORT

Every church in the Southern Baptist Convention is URGED to plan a dynamic revival effort in the spring of 1976. PROCLAMATION '76 PLANNING CALENDAR booklets for 1975-76 and other revival materials have been sent to our churches. As our nation celebrates her Bicentennial, let us seize this great opportunity to proclaim the gospel of Jesus Christ and pray for a genuine revival . . . a return to the faith of our fathers.

Let us thank God for His blessings upon the total ministry of evangelism during the past year. In North Carolina during 1971-74 we had the largest total number of baptisms FOR ANY FOUR YEAR PERIOD SINCE 1960-63. In the past three and one-half years, 12,774 youth and adults have shared in lay witness training from 1,007 churches and 55 associations. Also, 107 pastors from nine other associations have participated in Pastor's Retreats dealing with Lay Evangelism Schools.

56 Churches in our association baptized 445 people last year. Let us praise God for every soul won to Christ, and for the blessings of the Holy Spirit upon the preached Word.

May we remember to pray daily for each other, for the work of evangelism in all the churches of our association, state, nation, and world. And pastors, please make every effort to

attend the 30th Statewide Evangelism Conference at Civic Center Auditorium in Asheville during February 2-4, 1976.

COMMITTEE ON ORDINATIONS

The Constitution states that the Committee on Ordination, "Shall serve in an advisory capacity when called upon to assist in the examination and ordination of deacons and candidates to the gospel ministry."

On March 20, 1975, the ordination committee met to ordain Brother Jack Pennington to the gospel ministry. Jack was ordained from the Calvary Baptist Church, Mooresboro, Route 1. He was called to the West Point Baptist Church in the Green River Baptist Association.

On July 24, 1975, the committee met to ordain Brother Steve D. Hardin to the gospel ministry. Steve was ordained from the Crestview Baptist Church of Forest City. He was called to Mull's Chapel Baptist Church in the South Mountain Baptist Association.

THERMAL BELT BAPTIST YOUTH SHELTER

In the first few months of operation the Thermal Belt Baptist Youth Shelter has proved itself to be an asset to the Christian ministry of this area. From its opening in April through the end of September the Youth Shelter has served over 20 children ranging in ages from 7 to 17 years. There have only been two days in this time period in which there were no children in residence, but several times the house has been at capacity and had to turn away needing children.

The initial referrals have come from several sources such as pastors or court counselors, but have mainly been co-ordinated through the efforts of the Department of Social Services. Once referred and accepted the average resident has stayed thirty days. A few have stayed the full 90 days and several only a day or so.

At this point, it appears that the Youth Shelter is a success, and is truly a Christian blessing to our community. I urge you to keep the Youth Shelter in the forefront of your mind as it still owes \$18,000.00 on the house. Please let the Lord lead you to help keep this dream a reality.

Mack McKeithan, Assoc. Fund Raising Chairman

ASSOCIATIONAL SUNDAY SCHOOL REPORT

The Sunday School program for the 1974-75 church year had several emphases. The year began with the high attendance day in November. Several Churches reported that this was a tremendous program in enlisting people in Bible Study. Sunday School work focused on Adults. This entailed locating adults, enlisting adults and enlarging the Sunday School organization. Basic in every effort is involving people in Bible Study.

Another emphasis was "Read the Bible Through in 1974-1975." Church leaders are surprised to learn that many of their members carried through the program.

Our Association had a full slate at State Vacation Bible School Clinic and they conducted a VBS Clinic here in Sandy Run Association. The great surprise was Adults in VBS. This emphasis was so well received that long before the summer was over all Adult Textbooks were sold. The Adult book was a Study of Revelation.

RESOLUTIONS

RESOLUTION NO. I

Whereas, quite a little profanity is broadcasted over television and millions of people, including youth and children, are viewers; and

Whereas, profanity is vulgar and extremely distasteful to many people and has a degrading effect on youth and children; and

Whereas, television is one of the greatest teaching mediums;

Therefore, be it resolved:

That the Sandy Run Baptist Association, covering the area of parts of Rutherford, Cleveland, and Polk Counties, composed of sixty-three churches and over 20,000 members, in the Eighty-Sixth Annual Session, expresses deep regret that profanity is being broadcasted and strongly protests its use and earnestly urges that the broadcasting companies cease and desist from doing this; and

That this resolution be sent to the American Broadcasting Company, Columbia Broadcasting System, National Broadcasting Company, and Federal Communications Commission, and Mr. Wallace J. Jorgenson.

RESOLUTION NO. II

(Concerning Grocery Stores Opening on Sunday)

Whereas, some grocery stores in our area have begun opening on Sunday; and
Whereas, many of the employees are hindered thereby from attending worship services;
and

Whereas, people could buy groceries during the week and it is not a real necessity that grocery stores be open on Sunday, and

Whereas, the Bible teaches us to keep the Sabbath day holy and that business as usual on Sunday breaks the divine command;

Therefore, be it resolved:

That the Sandy Run Baptist Association, composed of sixty-three churches and over 20,000

members, in the Eighty-sixth Annual Session, expresses deep regret that grocery stores are opening Sunday and strongly opposes such action; and

That people be urged to buy groceries from stores that close on Sunday, and

That a copy of this resolution be given to the management of the grocery stores that are opening on Sunday, and that a copy be given to the local newspapers.

CHRISTIAN LITERATURE

Of the different means and methods used to convey and preserve words and messages, God used the written word. With this method He could preserve for all ages His infallible truth. The great standard of all literature, as to purity and exactness of style, is the book of God which is the Holy Bible. This word of God has stood the test of time, and, according to Jesus Christ will be able to stand the test of eternity, for He said in Matthew 24:35—"Heaven and earth shall pass away, but my words shall not pass away."

The Bible teaches us that God expects us to read His word. Jesus set the example in Luke 4:16—"And He came to Nazereth, where He had been brought up: and, as His custom was, He went into the synagogue on the Sabbath day, and stood up for to read." We are also admonished by this book to teach those truths according to Deuteronomy 6:6-7—"And these words, which I command thee this day shall be in thine heart: and thou shalt teach them diligently unto thy children." Paul admonished Timothy in 2 Timothy 2:2—"And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also." Also, we are aware of the fact that those who will teach must do what Paul told Timothy to do in 2 Timothy 2:15—"Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth."

With the Bible as the basis of all Christian literature we have tons of Christian literature pouring into our churches and homes from our own, and other printing companies. Our Baptist literature is second to none in the world. All of our churches need libraries, and them filled with our Christian literature. The strength and doctrinal soundness of our homes and churches depend on what our people read. If they read funny comics most of the time, then our church houses will eventually become playhouses. If they read Christian literature most of the time, our homes and churches will become houses of prayer.

In our own state of North Carolina, we have one of the best of all Christian literature publications, the Biblical Recorder. It is doctrinally sound, beautifully bound, and completely informative. Its design is to promote the items of the Baptist State Convention Constitution, which are, missions, education, social services, and the distribution of sound Christian literature. It informs, indoctrinates, enlists, inspires, and unifies our Baptist people for the Lord's work.
