Rev. Merne A. Harris
Secretary Wesleyan Theological Society
Vennard College
University Park, Iowa

Dear Brother Harris,

I have just received your letters of September 3. I want you to know that I greatly appreciate all that is being done to launch the new theological society and I want to do all I can to help. You have honored me with an invitation to attend and participate in your first annual meeting which will be held November 5 and 6 in Spring Arbor.

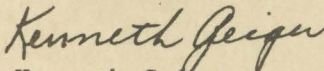

I will accept the assignment of writing and presenting a paper on the subject of the Biblical Basis of the Doctrine of Holiness and I understand that the presentation should take no more than 30 minutes. Frankly I do not know when I will get the time to do the work with my schedule so full for the next two months, but I am sure that the Lord will help in this.

At the time we promoted the various seminars on college and seminary campuses we had access to the N. H. A. mailing lists. These lists were classified by states and several mailings went out to the geographical area of which the host college or seminary was the center. We also compiled a list of pastors with the help of district superintendents in the immediate area. Personal correspondence went out to district superintendents and college presidents in the general area.

You may also recall that we used the N. H. A. bulletins which were published quarterly then and news releases were sent to more than 60 religious journals. We experienced wonderful cooperation from these periodicals in promoting the seminars.

I trust that you will have a wonderful year at Vennard College. We greatly appreciate your friendship and comradeship in the work of the Lord.

Sincerely yours,

Kenneth Geiger
General Superintendent
