Dr. J. Kenneth Grider
Nazarene Theological Seminary
1700 East Meyer Boulevard
Kansas City, Missouri 64131

Dear Dr. Grider:

Thank you so much for your letter of September 29. By this time you should have received information with reference to the conference of the Wesleyan Theological Society November 5-6. We are happy that your schedule is such that it looks as though you will be able to share with us in the first meeting.

It is very kind of you to invite me to participate in a chapel service at Nazarene Theological Seminary. I would certainly be happy to do this if the opportunity arises. At the present time I have now completed my research at the library at Independence, but it is altogether possible though that I would have to return to recheck some area or at least to deliver the dissertation when it is completed. When such an eventuality arises, I will certainly keep in mind your kind invitation with reference to a chapel service.

It would also be a delightful opportunity to share a paper with your Breakfast Club in Kansas City. Should my schedule be such that it would be possible for me to accept this invitation, I want to assure you that I would be most happy to do so.

We do appreciate the contribution of Nazarene Theological Seminary to the work of N.H.A. and now to the work of W.T.S. It is a deep sense of satisfaction to have men of such scholarly reputation and ability deeply committed to the united Holiness Movement.

Sincerely yours,

Merne A. Harris
Secretary Wesleyan Theological Society
