PROFESSOR OF THEOLOGY

Rev. Prof. Myrne Harris
Dean, Venaard Coll.
Univ. Park, Iowa

Dear Dean Harris:

Since sending you my membership application this week I have learned that the Wes. Theol. Soc. is to meet in Michigan Nov. 5-6. I am to start a revival in Toledo on Sunday, Nov. 7, and could easily get to such a meeting. Would you mind letting me know the particulars?

Richard Taylor tells me that you are doing a doctoral thesis on the country's reaction to Truman's decision to recall McArthur. This surely must bring you to Independence. Let me know if you are coming this way. If we are not scheduled, or if the person scheduled is of our own NTS family, I am confident the chapel com., of which I am sec., would want you to speak in chapel. I could definitely arrange a luncheon meeting with my colleagues with you as guest.

Blessings. I appreciated your paper on the psy. of hol. here a few years ago, and was glad to hear the Winona paper--altho ugh as an individual I disagreed with that paper at several places as I mentioned when it was read at our Breakfast Club here in K. C. Which reminds me: I am sec. of the Break. Club and have to arrange monthly papers for it. If you could read us a paper, and are to be in town on any Thursday morning at 7-830, please let me know. I should say that we do not have any honorarium arrangement. NTS teachers, denom. exec. and editors, and a few pastors, attend--usually from 15 to 20.

Christ's and yours,

J. Kenneth Grider
