Dear Dr. Geiger:

Thank you for your letter of September 10. We are happy that you have agreed to present a paper entitled The Biblical Basis of the Doctrine of Holiness at the first annual meeting of the Wesleyan Theological Society.

About the middle of October you will be receiving more information about the program and arrangements for the conference. Let me assure you that we will pray for you in the discharging of the responsibility you have accepted. We do appreciate your willingness to help us in this adventure.

Sincerely yours,

Merne A. Harris
