Rev. Merne A. Harris
Secretary, Wesleyan Theological Society
Vennard College
University Park, Iowa

Dear Brother Harris,

I have discovered that it will be necessary for me to leave Spring Arbor not later than 10:00 a.m. on Saturday, November 6. If there should be a weather problem, which is unlikely, I might have to miss all of Saturday's meeting.

Judging by the outline of the program I am concluding that my paper will be read on Friday. No doubt, when I return to my office next week I will have more complete details concerning program, etc. I felt that I owed you a statement concerning the necessity of my early departure in order to meet long standing commitments for Sunday of that weekend.

May you continue to enjoy God's blessing upon your life and ministry. We are praying for the first meeting of the Theological Society which I believe God is going to use in a gracious way.

Sincerely yours,

Kenneth Geiger
