Dear Lt. Col. Tripp:

In behalf of the Executive Committee of the Wesleyan Theological Society, I am extending to you an invitation to participate in the first annual meeting of the Wesleyan Theological Society on the campus of Spring Arbor College, Spring Arbor, Michigan November 5 and 6.

The committee is inviting you to present a paper on The Work of the Holy Spirit in Specific Relationship to Salvation and Sanctification. I am afraid that the assignment was made at my suggestion, but I have done so confident that you have an appreciation for the work of the Holy Spirit in these areas and that you are capable of presenting those convictions in a helpful fashion. It is our plan to follow each paper with a period of discussion. For that reason, the papers should require no more than thirty minutes for presentation.

We of the planning committee are fully aware of the busy schedule maintained by those we are inviting to share in the conference, but we are convinced the discussion of the topics we have decided upon can be a vital contribution to the Holiness Movement, and we are also convinced of your competency to provide the leadership of the indicated topic. For that reason, we presume to ask you for your assistance, and we do hope for an affirmative reply. Should it be impossible for you to assist us at this time, it would help us greatly if you could secure one of your colleagues to fill this assignment or to make suggestions as to who might competently provide the leadership we are seeking.

Sincerely yours,

Merne A. Harris
Secretary Wesleyan Theological Society
