Dear Dr. Mullen, -

The program committee of the Wesleyan Theological Society met since I talked to you and I can now give you your "assignment." One session will be devoted to Hermeneutics. Ray Dunning will give a paper on contemporary Wesleyan use of the Bible with suitable corrections after you (if you will) have read a paper on Wesley's own "method." We would like these two papers to come, back to back, with a panel discussion to follow. We publish the papers as you probably know so we try to keep them (the major ones) to 25 minutes or a bit less, and presented in publishable form (to save the editors time).

It was so wonderful to be on EMC campus and to renew acquaintance and make new friends.

Please let me know as soon as possible about your reaction to our request.

Most Sincerely
Mildred Wynkoop
