Dear Dr Kostlevy,

Thank you for the information in your kind letter to me of December 15th. This is most helpful and our library here will want to purchase copies of the two theses concerned.

As your library wishes to have a copy of my thesis, JOHN WESLEY - EVANGELICAL ARMINIAN, I will need to get one bound by the university book room. As you can imagine, since I submitted it I've found some small errors of spelling, etc., and I'm correcting those.

Thank you again for your help and every good wish in Him for 1996.

Sincerely,

Revd Dr H McGonigle
