

WESLEYAN THEOLOGICAL SOCIETY  
ANNUAL REPORT OF THE SECRETARY-TREASURER  
NOVEMBER 1, 1997-December 31, 1998

The financial health of our society remains strong. Although it has yet to bear full fruit, we have initiated a serious campaign to increase membership among women and minorities. Following our joint meeting with the Society of Pentecostal Studies, we sponsored a highly successful reception with SPS at AAR/SBL in Orlando. Our Web site ([www.holiness.org/WTS.htm](http://www.holiness.org/WTS.htm)) continues to attract new members and to publicize activities of the society. I would like to thank Gari-Anne Patzwald for outstanding secretarial support.

Membership. We have added 79 new members. Our current membership (individuals paid through 1998) stands at approximately 550 with 200 institutional subscribers to the journal.
