Subject: Abstract for Conference 2005

Paper for
Korea.doc

Dear Dr. Park and Dr. William,

Christmas greetings here from Melbourne, Australia.

It is my pleasure to e-mail you the abstract of my paper presentation for the coming conference at Seoul, Korea, May 23-25, 2005.

Kindly inform me if there is any where which I need to admend for the purpose of the coming conference. Besides, I would like to explore whether you could e-mail me a copy of conference program as well as a letter of acceptance of paper if this abstract is accepted by the Conference. This could assist me in applying conference leave for this conference.

Thank You

Grace and peace
