refrigerator has just been installed.

We are again clothing a child at the Methodist Orphanage. One circle and several individual members sent boxes to Poland, and others sent boxes of food through Care. We sent two Negro delegates to the Leadership Training School at Winston-Salem.

We participated in the Justisdictional Study Course last
November and joined with the Wesleyan Service Guild in the Mission
Studies on Stewardship and Race Relations this year. One of our
members taught in the School of "issions at Pfeiffer College.

Four members attended the Conference in Wilmington in March.

A number attended the Sunday School Training School at Trinity

Church, and many helped in the Vacation Bible School.
