The meeting was called to order by Prof. Holton, and Dr. Stanbury led in prayer. The minutes were read and approved.

An agenda of the problems to be considered was made, and the problems were then taken up in order. The first to come up for consideration was that of departmental superintendents and counselors. Three were elected at this time: Mrs. J. J. Duke for the Beginners' Department; Miss Frances Henry and Mrs. H. E. Spence, co-superintendents for the Junior Department; and Reba Cousins for the Intermediate Department. — a number of names were suggested for the other places, and the General Superintendent was to make inquiries and present definite recommendations at the next meeting. It was decided to have an adjourned meeting of this Board on September 12, to which the departmental heads would be asked to come, and at which time the teachers for next year would be elected.

Upon motion the date for promotions was officially set for September 24, and the departmental heads were instructed to turn in to Mr. White a list of the materials needed for that time.

The installation of the officers of the Young People's Division was set for the evening service on October 1, with the understanding that all the departments would have their officers elected by that time.

September 26 was set for the fall meeting of the Workers Council, but definite plans for the meeting and program were left to the next meeting.

Dr. Stanbury gave each one present a copy of a Comparison of our Church School publications with those of other churches, as a means of calling our attention to the publications of our Church, some of which we do not have.
Another very important matter brought up by Dr. Stanbury was that of the problem of the increasing amount of leisure time under the NRA, and the church's responsibility for aiding in a Christian use of it. The Board thought it possible that our church could do something definite in the matter, and the following committee was appointed to investigate and report at the next meeting: Prof. H.E. Spence, Dr. Stanbury, Prof. Holton, Mrs. Nat Hunter, and Reba Cousins.

The meeting then adjourned to meet in adjourned session on September 12.

The following were present: Prof. Holton, Dr. Stanbury, Mrs. Brian, Reba Cousins, and Margaret Mitchell, representing the Primary Department.
