January 10, 1934.

The meeting was called to order by the chairman, and Prof. Wilson led in a word of prayer. The minutes were read by the secretary and approved.

The list of teachers as elected at the last meeting was gone over, some dropped who had moved away or stopped coming, and the vacancies filled by election or transfer from one department to another. The following elections were made:

Miss Margaret Boddie, and Mrs. Henry Kolbe -- Nursery Dept.
Miss Edna James Lawson, pianist for the Beginners' Dept.
Miss Margaret Edwards, and Mrs. Frank Green -- Primary Dept.
Miss Margaret Mullen -- Associate Superintendent Junior Dept.
Mrs. James Cannon, III, and Miss Margaret Harrell -- assistant teachers for the Intermediate Department.
Mr. W.R. Mattox -- Intermediate Department.

The following transfers were made from the Young People's to the Senior Department:

Prof. R.N. Wilson, as co-counselor, and Mrs. C.D. Rigsbee as assistant teacher.

The General Superintendent gave a word of welcome to our new pastor, Rev. H.B. Porter, and called on him to say a few words.

Mrs. Ormona reported that the children's work had not gotten under way so far this year as they had had no one to carry it on, but that she now had under consideration Mrs. Swackhamer to help get it started. She said Mrs. Green would again have the Primary Division on the fourth Sunday, and asked if the fourth Sunday of the Junior Church program might be used for missionary education in cooperation with Mrs. Swackhamer or whoever might have charge.
of it. The Board agreed to leave the decision in this question to a committee composed of Mrs. Ormond, Mr. Porter, and Mr. Kolbe with power to act. At this point the secretary was instructed to add Mr. Henry Kolbe, our Junior Church Pastor, to the Local Board of Christian Education, and invite him to the next meeting.

A discussion of the young peoples work in our church was taken up and some very definite needs expressed, among which were the need for adult guidance in the Senior and Young People's Departments, and the need for developing a leadership among our local church boys and girls. Since the problems brought up seemed to belong to the whole young people's division, it was ordered that the Secretary of this Board call together at the earliest possible date the members of the Advisory Committee of the Young People's Division, for proper organization and the discussion of the questions involved, a report to be made at the next meeting of this Board for recommendation and approval.

Prof. Wilson reported on the Scout work, saying that the troop was larger now than ever, with more boys constantly clamoring for admission, the younger boys being especially active. A need for the CUB program for boys 9-12, preparatory for Scout work, seemed to be in evidence, and Prof. Wilson asked the judgement of the Board on such a program. After some discussion, the Board voted favorably on the suggestion, and authorized an investigation into the needs and possibilities, a report to be made at the next meeting of the Board.

As some of the Departments had expressed a need for better janitor service, Mrs. Ormond was asked to have a committee from the Missionary Society to check up on the janitor. She said she would attend to it.

There being no further business the meeting was adjourned.

The following were present: Mr. Holton, Mr. Porter, Prof. Wilson, Mrs. Ormond, Mrs. Brian, Charlotte Corbin, and Reba Cousins.
